National President's Notes

Congratulations to our Juniors who recently attended the first Oceania DTL Championships in Samoa. We were represented by John Duryea, Kayla Grassi and Emma Cox all aged from 14 to 18. The team managed and mentored by Deserie Baynes came home with an individual Gold (John Duryea) and a Team Silver Medal. This is a great achievement. Australia decided to send a Development Group as part of the Pathways program, with selection from our Junior Training Squad. Well done all and thanks to AISL for funding the trip and Deserie for looking after our Juniors.

More details go to www.ausshooting.org

Further into this magazine you will find a report from Promotions Chair, Mr. Rob Fox on various promotional matters. Please read this and consider how we can grow our membership and participation. I am sure Rob would welcome any suggestions.

The relationship between the New Zealand and Australian Associations is very important and we hope to meet with them again in the near future to discuss items of mutual interest. My counterpart in New Zealand, Mr. Keith Livingstone has been having a fine time recently in both our magazine and theirs, light heartedly extolling the quality of their current shooters as opposed to ours. They currently hold both the Trap and Skeet Glenn trophies for the first time since 1982 and are quite chirpy about it. However I am confident that our teams in the coming year will empty their cabinet and fill ours.

There has been some conjecture that "Your Say" has been discontinued in the CTSN but the only reason you haven't seen it lately is the lack of suitable contributions. Letters of a constructive nature that are not just a whinge or a snipe at someone are always welcome. Editorial control of the magazine rests with the Executive Officer whose job is to ensure letters printed are not defamatory and he also has to ask the question, will publishing the letter be to the betterment of our Association as a whole. The quality of the magazine continues to improve and every member should pick up a CTSN from 2008 and compare it to now to see just how far it has progressed.

Commonwealth Games Teams have now been announced by AISL but are still subject to appeal. The Association congratulates the members selected and wishes all Team members well at the event in India in October.

Thanks to everyone who rang and congratulated me on being elected President. I don't see the position as a reward, but as a job that has to be done. Because of our structure my personal input as President in decision making is limited, so don't expect the world to change overnight. I will however attempt to ensure decisions are open and properly debated by the executive before changes are made.

Until next month, safe travels and good shooting.

Robert Nugent

Electronic Reports and Results - the New Age

With further development of our website facilities and the requirements for this and printing the CTSN our ACTA Head office will commence moving towards electronic reporting. This process will start immediately with our template already available on the website at <http://www.claytarget.com.au/acta-results/club-shoot-results-submission>

Once you enter the information you can save it to your computer and / or print it out in hard copy. Then just hit the send button.

This process will assist us in the office in compiling the Magazine and getting results on the WEB quicker. Your cooperation in providing these electronic results will be greatly appreciated.

At this stage it will be progressive however those results sent via the electronic medium will be given priority. By December 2010 the office will phase out all hand written and faxed results.

We are also currently updating our data base with an expanded capability being developed for the start of 2011 nominations in October 2010. It is envisaged nominations for National events will be available on line as well as access to Secretaries of Clubs to access their members registrations for renewal and updating. States will be able to access their coaches and referees details as well as the State membership. This will be strictly controlled via a login and password system similar to electronic banking. We are working on many new concepts to make the volunteers' job easier and having a seamless change over that most members will not be aware of.

Executive Officer's Report

I would like to open by congratulating the representatives of the ISSF Team that travelled to Singapore to compete in the Singapore Open and the National Junior Development team who travelled to Samoa as a promotion for Trap shooting.

The team which travelled to Singapore achieved very good results with Michelle Beecham taking Gold in the women's Trap and Anna Shedrina taking Silver in the same event. Tom Turner took out Silver in the Trap, with Steve Trembath taking Bronze in the same event.

The Junior team representation was made possible by Nick Sullivan from the Australian International Shooting Limited. The invitation was provided to the ACTA with only days to arrange the trip and a request to send a development team. Deserie Baynes volunteered her services as Manager, chaperone and Coach. Without Deserie's valuable contribution the trip would not have progressed. The juniors, Emma Cox (Echuca), Kayla Grassi (Wangaratta), and John Duryea (Hay) all shot very well and expressed their delight at having had the opportunity to experience at a young age the challenge of travelling, acclimatising to new conditions and then trying to shoot well. The team took out second in the Teams event whilst John took Gold in the Single Barrel event.

Nick Sullivan was very complimentary of the team and the way they represented Australia, the ACTA, AISL and those people who had assisted them along the way.

The promotions committee and the Championships committee have been very active with both producing reports for the CTSN. The promotions committee report is in this edition whilst the Championships committee report will be in the next edition. It would appear the drought is nearing an end in our part of the country with significant rainfall over the past three months. Hopefully this will lead to better financial times in regional and rural areas after what can only be described as a prolonged drought.

New Chairman of the Grounds committee Peter Haley has been busy in the past month visiting the National Ground and seeking quotes for various projects on the National Ground. Peter will also provide a report on the projects and timeframes in the months to come.

Congratulation also to the Australian Commonwealth Games Shotgun Team. The team has some very experienced campaigners and a mixture of what should be the next wave of elite performers on the world stage. On behalf of all members of the Association we wish them well in Delhi from the 3rd to the 14th October.

Three-day Competition at Herbert River Gun Club

Saturday dawned the most perfect winter's day with no wind and not a cloud in the sky. You couldn't have asked for better and the largest number of shooters that had been to Ingham for many years thought so too, with nominations rolling in well before start time.

Event One was a 25 target Double Barrel with sixty shooters vying for the prize money on offer. There were seven possibles shot. Wayne Reeves started his weekend off well when he won the AA Grade from Bruce Murphy in the shoot off. The only possible in A Grade was Neil Sinclair and second went to Carol Betteridge after a shoot off with six others. Willie Taylor had to shoot off before claiming B Grade from Rob Hunter after they both shot possibles. C Grade saw local lad Jack Bosworth with a win from an interstate shooter Tim Mitchell. Maria Bosworth had to shoot off before she could claim the ladies prize, as did Allan Bosworth for the juniors and Edgar Collins for veterans.

The usual comments of 25 target Single Burial were sounded before Event 2. Only one shooter, a B Grade Junior, found it easy with Allan Bosworth scoring the only possible 25/25. Neville Sheehan took AA Grade from Paul Mitchell. Ted Matthews was the A Grade winner and Brett Iliff second. B Grade saw Edgar Collins place second behind Allan. Tim Mitchell took C Grade from Tony Iafano. Diane Reeves had the ladies prize outright as did Jack Bosworth for juniors. Mick McGill and Peter Cox shared the veterans.

*Maria Bosworth & Tim Mitchell,
OA winner 50T Continental*

At the end of day one a 25 target Continental was contested. Wayne Reeves was victorious again in AA Grade from Bruce Murphy. Jim Williams took out A Grade from Jeff Taylor. Peter Mackey's

perfect score was enough to give him B Grade outright with Rob Hunter left to battle it out in a shoot off before claiming second. Rob Pack was surprised to find out he had won C Grade without having to shoot off and Tony Ifano had to shoot off before

claiming second. Maria Bosworth shot well to claim the ladies prize. Keeping it in the family, Allan Bosworth took out the juniors and Doug Killick was the veteran winner.

A lovely meal was provided before the Northern Zone Night Double Barrel was contested. There were some good scores and some ordinary scores that came in but after a shoot off, Brett Williams claimed the Overall Sash. Paul Mitchell was first and Barry Bosworth second in AA Grade. Brett Iliff won the A Grade from Wayne Read. B Grade saw Steve Murphy victorious from Clarence Davis. Jack Bosworth's young eyes proved to be beneficial to claim C Grade from Tim Mitchell. Diane Reeves took the ladies outright as did Allan Bosworth for juniors and Mick McGill for veterans.

*Brett Williams,
OA winner NZ Night DB*

Sunday dawned as wonderful as the day before with shooters worried about the next day because this is not what it is usually like in Ingham. More shooters turned up so the competition got even more interesting.

A 25 target Double Barrel was up first with Brett Williams continuing on from his night performance and claiming AA Grade from Paul Mitchell. Jim Williams shot well to claim A Grade from Pat Dury. B Grade saw Rob Hunter winning the shoot off from Joe Davis. C Grade saw 2 possibles and after the shoot off, Tim Mitchell had first from Joe Collins. Carol Betteridge took the ladies, Allan Bosworth the juniors and Neil Sinclair the veterans.

OA HG winner Bruce Murphy

The big event for the day was a 50 target Points Score. Brett Williams continued his winning form to take AA Grade with Bruce Murphy second again. Andrew Bowater came for the day and snared A Grade first from Neil Sinclair. Clarence Davis shot well enough to take B Grade with Rob Hunter winning his shoot off for second. Craig Mitchell was too good for the rest of the C Graders and Todd Goodwin claimed second. The ladies prize was taken out by Diane Reeves, the juniors winner was Allan Bosworth and veterans, David Guy.

Next on the program was another 25 target Single Barrel. Once again there was only one perfect score, this time it was A Grader Carol Betteridge. Paul Mitchell finally claimed a first place from Bruce Murphy in AA Grade. The ladies were too strong for the men in A Grade with Diane Reeves taking second place behind Carol. The B Grade winner was Pio Bonato from George Davis. Todd Goodwin scored a first place this time, with Gwen Kent second in C Grade. Kristin Williams shot well to take the ladies prize as did Allan Bosworth for the Juniors and Mick McGill the veterans.

Sunday's program concluded with a 15 pair Double Rise. Dean Reeves

shot well to take out AA Grade with Bruce Murphy taking second again after a shoot off. Jim Williams led the way in A Grade and Mick McGill was happy to hear he had second place. Matt Carty was the B Grade winner and Edgar Collins won the shoot off to take second. Todd Goodwin was having a good day taking out the C Grade prize from Donna Peebles. Diane Reeves took the ladies prize again with Jack Bosworth taking the juniors and Neil Sinclair the veterans.

The usual pig on the spit was served for dinner on Sunday night with a lovely array of salads and chicken as well as lovely soup and desserts.

Monday morning was a little cloudy but generally not too bad and the 50 target Continental began with most of the shooters staying to see if they could claim a prize. Overall went to Tim Mitchell after a short shoot off when only two shooters could manage 49/50. Jim Williams was the other shooter so he then took out A Grade. Four AA Graders shot 48/50 and after the shoot off, Wayne Reeves took first from David Zammit. Second in A Grade went to Peter Cox, also after a shoot off. Joe Davis was first in B Grade and Clarence Davis was second. The ladies had C Grade wrapped up with Gwen Kent thrilled to find she had won C Grade and Donna Peebles second. The ladies prize went to Kristin Williams, the juniors to Allan Bosworth and veterans to David Guy.

The weekend was over and the scores were tallied and the consistency of Bruce Murphy payed off giving him the Overall prize. AA Grade was taken out by Paul Mitchell. Jim Williams claimed A Grade and Rob Hunter B Grade. Craig Mitchell took out C Grade (the last C Grade prize for Craig, now B Grade). Diane Reeves took the ladies, Allan Bosworth shot well enough to claim the juniors only 2 points ahead of his nearest rival. Neil Sinclair claimed his first veteran high gun as he has just become a veteran.

There were 78 shooters for the weekend and with next year being the anniversary shoot it is hoped that the numbers increase and everyone comes along on the long weekend in June 2011 to help celebrate.

Thanks to the sponsors for the weekend, Hinchinbrook Shire Council and Ingham Farm Centre, for their continued support. Thanks to the members and family who helped in the kitchen, bar and shoot marshals and people who filled the traps. Thanks to Carol Betteridge for running the office. Thanks to Mark Kirk and his team of helpers who cooked the pig to perfection and do a great job every year. Thanks to all the shooters who travelled and we hope to see you again soon.

PROMOTIONS COMMITTEE

I am pleased to report that future promotional activities by your Association will have a totally new appearance and approach. Last year the Promotions Committee requested approval from the Executive to set up a travelling promotions kit. Not only did the Executive approve a budget but we now have a real travelling kit available for use at major events. We have purchased a copy of Dry Fire so that ACTA can match other shooting sports at the gun shows. This is just part of the travelling kit which also includes banners, brochures, a range of give-aways and wait there's more! We have just negotiated the purchase of a whole new range of promotional gadgetry both for give away and for sale. Watch the website for further developments.

Your Promotions Committee is gearing up for the Beretta Girl Action Day again this year as this is one of the most successful, if not the most successful, clay target promotional event in the calendar. Nevertheless the travelling promotional kit is available to state associations at approved events. If you have a major event at which ACTA promotion would be great then please write to the national office with the details and we will see what we can do. If you are aware of a major event at which ACTA promotion would be beneficial please let us know. For instance SSAA advertise a series of gun shows around Australia throughout the year. Obviously there will be a limit to how many we can attend and inevitably we will have to prioritise but please let us know what is out there.

On another matter Promotions Committee is looking at the issue of membership. At present our sport seems to do a good job of recruiting new shooters at around 2000 per year. Unfortunately we seem to lose around that many members each year so we don't increase. It is felt that our current system of clubs collecting annual membership fees may be part of the problem. Thought is being given to adopting a system of national membership with club and state fees being paid separately. A workable national membership system where it is much easier for members to renew their membership either on-line, or phone or by mail may assist in retaining numbers. Also there seems to be no sense in retaining the current system of all memberships to be due on the same day. With modern computer systems it is easy to start your membership on the day you join with renewal annually on that date. We would love to get some feedback from members on this issue so please write or email into the national office with your ideas. This is not something we can adopt easily and quickly as there are some very real practical as well as constitutional issues to work through.

On a final note – I read today in the latest issue of Gunshot (the Kiwi version of CTSN) that every shooter should try and duplicate him or herself every year by attracting at least one new member to the sport. What a great idea – imagine the impact of 12,000 new recruits each year.

Until next time best regards to all and good shooting!

Great Weekend at Rockhampton

The Rockhampton Clay Target Club held its Annual Two Day shoot on the Queens Birthday weekend in June with shooters coming from across the State for what was going to be a top weekend of shooting – 146 shooters on Saturday and 153 shooters on Sunday.

Les the groundsman had the grounds in top order and the campers had the benefit of one of the most picturesque grounds in Australia to enjoy a fantastic weekend of shooting and friendship. The clubs aim is for everyone to have a good time and return again next year.

Vic Hyde had the Gemini traps tuned and polished (yes, I did say polished) and targets set for what was going to be a hectic weekend of shooting.

Trophies valued in excess of \$12,000 were up for grabs. As any club would know the key to staging an event is the sponsorship given to the Club. This year we were fortunate to have a number of sponsors and the Club endorses our sponsors' commitment to clay target shooting in Central Queensland. Sponsors for the weekend were Cambridge Hotel Motel, Campco Great Outdoors Centre, Casella Wines, Kennas Chartered Accountants, John Maxwell (Maxisports), Mining Equipment Maintenance, Landmark Rockhampton, Rural Press, Qld Police Clay Target Club, Gemini Traps and the Berrie and Warnock families. When in Central Queensland please support our sponsors.

The weekend opened with a great dinner totally prepared by Karen Miners and Vic Hyde. Some complimentary Yellowtail wines to go with the dinner saw the stage set for a good weekend.

Those who stayed on Saturday night were treated to a carvery supplied by the Cambridge Hotel. With a few Casella Yellowtail Wines and other beverages under our belts most were in bed early for the next days events. Others took advantage of the clubs hospitality and enjoyed the new bar area for a few more hours.

The canteen part of any club is always a problem as it involves a mountain of work with little recognition. This year we had Terry and Vicki Ferguson from Stanage Bay (non shooting volunteers) put their hand up to help out and they did a magnificent job for two days from daylight to dark. Not only that, they donated 10 mud crabs to the club, some for the raffle and snacks on the bar, two were also auctioned for the PAW PAW CLUB. Funds were handed to Julie Allen and they will be directed to the Capricorn Rescue Helicopter Service.

This shoot is becoming known as the mud crab shoot and along with 10 from Terry, Ryan Olive got a few hours off from farm duties and managed to come up with another 16 crabs. If you like to sample Australia's best mud crabs the Rocky annual is the place to be so put it on your list for next year.

Griffith Gun Club, 12-13 June

200 Target Grand Australian ISSF Olympic Trap

One of the largest cash Carnivals in Australia, over \$20,000.

Saturday

Every one arrived early on a bright sunny day with a very cold wind that chilled you to the bone. Shooting commenced on time but no one was exceptional. By lunch time everybody was feeling the cold and the free lunch provided by the club was most welcome.

Hot sausages, steaks and burgers seemed to warm all. Scores in the afternoon were the same as the morning's scores until Nino Pedulla shot the only 25 of the day. Nino was the leader at the end of the 1st day.

As is the tradition at Griffith Gun Club on a 2 day shoot all shooters and family are invited to a meal on Saturday Night this was enjoyed by all and much appreciated.

Top 6 in Final L-R Russell McCloy, Nino Pedulla, Glen Castellaro, Michael Diamond, Talih Boukamel & Nidal Asmar

Sunday

We woke up to a fog/mist, on arrival at the gun club to start shooting at 9.30am Marcello informed us all that the Fog/Mist would clear by 10am how right he was, the sun came and it turned out to be a nice warm and bright day. The Gun Club have just installed a new Olympic Trap layout giving them now 3 layouts. The new layout was brought into operation for the first time and was shot by all shooters doing this gave us time to stop shooting and enjoy yet another free lunch.

Vince Gatt shot the only 25 in the morning and the afternoon saw Michael Diamond, Brett Dunstan, Nidal Asmar and Talih Boukamel all shoot a 25.

After the single barrel final Nino Pedulla was the winner with Michael Diamond and Nidal Asmar equal 2nd. 3 Man Team Event was won by Brett Dunstan, Todd Malone & Nidal Asmar 528/ 600

Special thanks go to Marcello Casella and Vince Gatt, the President Alf Guglielmino, Secretary Brett McAllister, Luke Kirby, Paul Watts & Frank Auditore from Shoot Master Program, who organised the shoot & committee, members and helpers of the Gun Club.

I had a wonderful weekend, the shoot brought back lots of memories I have when as a member of the Great Britain Shooting Team we would go over to Italy in Jan, Feb and March for warm weather training. The hospitality at Griffith Gun Club was just the same as it was in Italy, start the day with a coffee and chat, shoot a few rounds of clays, have a little lunch, shoot a few more clays and finish off with a glass of wine and a chat. What more could you ask for, and to cap it all I won \$400.

This was our first visit to the Riverina and Griffith Gun Club and I can assure you it will not be our last, Paul and I are already looking at dates for our next visit.

Once again thank you to all concerned in the shoot.

Cheers, Claire Watts

Big weekend at Singleton Clay Target Club

When I turned off the Golden Highway into the new Warkworth Shooting Complex a phrase came to mind "Build it and they will come" well we built it and they sure came. The parking and camping area was a sea of caravans and canvas. 116 shooters on Saturday, 108 shooters on Sunday a new record.

They came from Dubbo, Mudgee, Quirindi, Tamworth, all valley clubs Central Coast and Sydney. The weather gods smiled upon as we had two days of fine weather cool mornings but sunny days.

The weekend events were Sat 12th the Tom Turner 75 Tgts Memorial, on Sun 13th the Ridgway Family Cable Handling 100 Tgts Championship was scheduled.

The events were to be shot at a completely new simulated field circuit of 50 tgts, so with a little apprehension the first squad set off at 9.30. The circuit on the old site had a big reputation but our committee was confident the new one would be just as good.

The 1st event was 25 tgs cash divide and the results were AA 1st Murray Roberts 22/25, Eq 2nd Andrew Garvie, Peter Wells and Athol Page 21/25, A grade eq 1st Denis Pearce, Steve Atkins & Doug Brenton 21/25, eq 2nd Mark Halton, Shane Thrift & Mick Wolstenholme 20/25, B 1st Jason Jenkins 19/25, Eq 2nd Darcy Chetcuti, Jason Mullins, Simon Abbott & Doug Jackes 18/25, C grade 1st Terry Donnelly 19/25, 2nd Tony Annechini 16/25, Eq 3rd Bill Williams & Robert Marko 15/25.

The 2nd event was the Tom Turner Memorial Red Bank CK 75 tgt Championship, the results were AA 1st Sam Sweeney 69/75, 2nd David Douglas 66/75, 3rd Murray Roberts 66/75, 4th Frank Searles 64/75, A grade 1st Anthony Williams 66/75, 2nd Reno Morganti 65/75, 3rd Steve Atkins 62/75, 4th Shane Thrift 62/75, B grade 1st Simon Abbott 61/75, 2nd Paul Tonniges 61/75, 3rd Darcy Chetcuti 60/75, 4th Kevin Cant 59/75, C grade 1st Terry Donnelly 52/75, 2nd Elton Chetcuti 54/75, 3rd Tony Annechini 53/75, 4th Brendon Budden 52/75.

Sunday dawned much the same as Saturday a few less shooters at 108 and shooting began at 9.30.

The big event today was the Ridgway Family Cable Handling Services Pty Ltd Championship who have very generously sponsored this event for quite a few years.

The results were AA grade 1st Steve Payne 91/100, 2nd Reno Morganti 90/100, 3rd Keith Cameron 89/100, 4th Michael Ling 88/100, A grade 1st Kevin Raymond 87/100, 2nd Steve Atkins 85/100, 3rd Doug Brenton 84/100, 4th Leonardo Pizzano 83/100, B grade 1st Brett Suprain 83/100, 2nd Simon Abbot 89/100, 3rd Kevin Cant 81/100, 4th Paul Tonniges 80/100, C grade 1st Lindsay Starkey 72/100, 2nd Rod Ninness 71/100, 3rd Terry Donnelly 69/100, 4th Graham Conn 67/100.

Our three sub juniors Kim Pearce, Angela Crompton-Poile and Amy Larkings shot the whole program very well and are improving all the time.

At the presentations all shooters said the course was very good. The fact that only 2 x 25 target breaks were shot over the whole weekend indicates that it was not a pushover. However everyone went away happy vowing to return next year.

Over the two days our kitchen staff of Anne, Chris, Shirley, Robyn, Tracey and Kathy kept the great food coming all weekend including breakfast and evening meals and deserve a huge thank you.

The office staff of Ann, Julie and Alexandra were kept very busy accepting nominations and writing up scores so a big thank you to them.

Col and Lionel did a magnificent job keeping the traps full and serviced with the help of a borrowed quad bike and walkie-talkie they were everywhere great work.

And so late on Sunday afternoon after the crowd had gone we realised that we could handle record crowds without too many hiccups.

Illawarra Gun Club

WEEKEND ANNIVERSARY

Once again the Illawarra Gun Club held its Anniversary 2 day shoot on the June long weekend. This was regarded as one of the best shoots the club has conducted in recent years. The rollup was very good for both days and the weather was excellent, a slight breeze on the Saturday but otherwise fine and sunny. The Sunday was even better, with the breeze dropping and the day once again fine and sunny. We had 58 shooters on the Saturday and 61 on the Sunday, shooting over 4 traps. Our traps worked excellently with only 2 minor 5 minute hiccups over the whole 2 days. This was mainly due to good traps and excellent maintenance.

Visitors travelled from a wide area of NSW, as far as Cobar, and a very welcome one from New Zealand, Graham Smith, who said that he would return next year and bring some of his mates. Good on ya!

The club house was once again made available for those who wished to stay overnight and several people took advantage of this.

The club would like to extend its thanks to those people who support this event year in and year out regardless of the weather conditions and there have been a few bad ones.

We would like to see you all return next year, which will most probably be the last major event this club holds on the current grounds.

Our thanks also go to those who helped run the event especially those in the canteen. By all reports it was great food.

Thanks to sponsors Horsley Park Gun Shop and Verdon Bros.

The club has recently changed its name from Illawarra Gun Club to Illawarra Clay Target Club. This was a popular change, well supported by the club members.

We hope to see you all next year. Take care and enjoy shooting.

Andy and Holly Wood Continental Carnival

MARYBOROUGH CLAY TARGET CLUB

A HG Linda McGregor

C HG Jack Zaric

President Trevor Cecil thanking Andy Wood

On Sunday 27 June 2010 the Maryborough Clay Target Club held its annual continental carnival, only it has now been re-titled the Andy and Holly Wood Continental Carnival in honour of two of our most faithful and hardworking volunteers. Between them they have held almost every committee appointment with Holly serving as Secretary/Treasurer for about 28 years and Andy a past president, Club Captain and Range Officer. Andy has also been instrumental in maintaining our equipment and grounds over many years.

At the end of 2009 Andy and Holly decided to make a 'tree change' and moved away from the Fraser Coast area. While Holly still maintains our website and that of the Queensland Clay Target Association, their move from the area means that they can no longer be as actively involved in the club as they were. In recognition of their many years of service to the club, and because Continental is Andy's favourite event, we renamed the continental carnival in their honour. Andy and Holly expressed themselves as touched by the club's gesture and kindly provided some sponsorship for the day.

Continental clay target shooting is generally considered a more challenging event than normal 'trap' shooting. On the day this greater challenge was evidenced with very few perfect scores across the four events. It was, however, pleasing to see Maryborough members featuring prominently in the results. The day included three championship events, the first of which was a 25 target Double Barrel Continental Championship. The overall winner, with the only perfect 25/25 was Bundaberg's Rob Rehbein. AA Grade went to Kevin Perkins, A Grade to Linda McGregor, B Grade to Peter Lewis and C Grade to a visiting shooter, Tony Rosmalen.

The overall winner of the 25 target Single Barrel Continental Championship was local shooter David Nicholson. AA Grade went to Gympie's Steve Whitehead, A Grade to Linda McGregor, B Grade to Peter Lewis and C Grade to Tony Rosmalen.

The last event for the day was the 25 target Points Continental Championship. Overall went to Bundaberg's Graham Rudd, AA Grade to Glenn Wyatt, A Grade to Shaun Hubert, B Grade to Vince Dollisson and C Grade to Jack Zaric.

High Guns for the day were strongly contested. Overall High Gun went to Gladstone's Irvine Wynyard who is always a consistent shooter. AA Grade was shared between locals Greg Matthews and Glenn Wyatt, A Grade was Linda McGregor, B Grade Peter Lewis and C Grade Jack Zaric.

Despite a forecast of scattered showers it turned out to be a good day for shooting with light winds and some overcast periods. The number of shooters supporting the shoot was pleasing to see, and it was particularly good to see Holly and Andy Wood back at the club. While Andy didn't feature amongst the winners on the day, he was pleased to present the prizes to the successful shooters. From the committee and members of the Maryborough Clay Target Club, thank you Andy and Holly for your support to the club over the years and for your sponsorship for this shoot. We hope to see you at the club as often as you can manage it.

National Coaching Director's Report

GOLD AND SILVER

Congratulations to John Duryea, Emma Cox and Kayla Grassi.

Again members from the ACTA National Junior Training Camp have been successful in winning medals for Australia in an overseas competition. With support from AISL the ACTA was able to send a Trap team to the Oceania Games held in Somoa during July.

When the opportunity came to send a junior team to Somoa we decided to pick from our National Junior Training Squad three shooters who we felt would represent the ACTA not only on their shooting skills but also the manner in which they have conducted themselves during the camps they have attended.

The team named was Emma Cox, Kayla Grassi and John Duryea.

Not only did these three young athletes show they are outstanding ambassadors for the ACTA to all involved in this event, but from all reports the officials and competitors of the other countries were very impressed with the professionalism they showed at all times.

Emma Cox, Kayla Grassi & John Duryea

We knew that this would be a great experience for them but when the phone calls came through that John had won the Gold medal in the Single Barrel and John, Emma and Kayla won the Team Silver medal in the Points Score I was so proud of these young shooters. Well done to you all.

The results are on the board and the list is growing. This year members from past and present camps have excelled in our sport, we have this year alone a Junior World Champion in Jack Colliccoat, Emma Cox's outstanding success at the Trap Nationals, David Douglas winning the Commonwealth Skeet title at the Skeet Nationals against the best skeeties in Australia and now Gold and Silver at Somoa. I would miss the dead line for the next CTSN if the list of Club, State and National winners were listed. The Junior Training Camps that are held all across Australia are working, we must continue to improve on what is happening now and support and help in whatever way possible.

A very good example of what can be achieved is the Cecil Park Junior Development Program.

National Junior Camp 5th - 8th July

Our July National camp was again a great success. We had two new guest speakers; Mr Robert Anderson went through a fitness training program which everyone enjoyed so much we will have Rob back again. And Mr Ron Clarke went through a very informant session on drugs in sport; again this was a very interesting session. I believe in the near future we will see drug testing at our trap and skeet events!!

We also invited Jack Colliccoat and Emma Cox along to speak to the juniors about the success they have had in their shooting careers so far, and how they achieved such a high standard. This also gave the juniors the opportunity to talk one on one with these champions regarding how they manage the pressures they are now experiencing with things like school work etc. These two young athletes are highly respected in our shooting world and set an outstanding example for other juniors to follow.

The athletes coming into our training camps are of a very high standard. We are now introducing a much higher level of coaching and guest speakers to give these juniors a strong foundation to build on. They are

National Junior Squad - July 2010

required to give me a report on their shooting progress between each camp and have a training program to follow.

At the camps we give coaching in all forms of clay target shooting, as well as working on individual problem solving like a particular target problem, competing in shoot offs, concentration, how to win, what to do coming into a competition day and on the day. These shooters are looking for 1 more target in 200, some of them 1 in 300. Fine tuning the athlete takes time which we now have with the 4 day camps.

I was very happy to hear that the ACTA will now hold 18 to 23 year old training camps; this will follow on from the existing junior camps with a smaller elite group. The pathway is improving but there is more needed at the higher end to make following it more appealing.

Cecil Park Junior Development Program

On the 4th 5th and 6th of June I was invited to assist with a training weekend with the clubs juniors. With the support from President Vince Gatt, members of the club, sponsors, hard working subcommittee and many hours from Leo Pezzano and Elton and Kathy Chetcuti they have developed a junior program that is an outstanding success. The junior shooters coming through this system not only gain the advantage of expert coaching they are also involved in helping with club activities. They are learning that becoming a champion athlete requires hard work and a commitment not only of themselves but also to those who are willing to help them achieve their dreams.

It has been a few months since I was with this group of shooters and the standard is much higher. They are creating better junior shooters due to the fact that to win at this club they must keep improving their shooting skills or be left behind by their mates. Those who work with these coaches and attend the training camps are well on the way to having a great shooting career.

It is pleasing to see members from this group are now in the National Junior camp at Wagga. This is a part of the pathway that we are looking for with our National program.

I recommend any club wanting to start up a junior program to contact Cecil Park and consider introducing this program or something similar. You could do this with one junior.

Western Zone coaching weekend at Warren 18th 19th and 20th of June.

Through help from the Matt Thompson of the NSW Farwest Academy of sport, NSW CTA, the Western Zone and Warren Gun Club I again attended a junior training weekend at the Warren gun club.

Due to the success of last year's camp the Farwest Academy of Sport has included clay target shooting as a discipline of its sporting curriculum. This is a very important inclusion for all junior shooters in the Academy area. They will now receive the same support as any other sports like tennis, swimming etc as to the benefits that the Sports Academy's can offer to NSW Athletes.

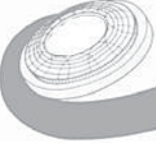

This year the number of juniors shooters attending the weekend was double last year's, no not 2, we had 15 young shooters come along for the weekend. The camp started at 6.30pm Friday night and finished at 4pm Sunday. I believe this was a very useful weekend; we had young shooters who are just starting our sport through to the more experienced shooters who wanted to learn about the finer skills of our sport.

A number of coaches headed by Paul Tattum came along to help and also learn some new coaching and training techniques which they introduce as these young shooters skills develop. Again a great weekend, thanks to Matt, Garth, Don, Stuart, Scott, and the Warren Gun Club committee members for all your help.

ACTA Olympic Trap Ladies Win Gold and Silver

Congratulations to Michelle Beecham on winning a Gold Medal and Anna Shedrina winning the Silver Medal at the Singapore Open, these two ladies and a Singapore shooter also won the team Gold Medal. This is a wonderful result for these shooters, the concept of sending this team was for athletes who if given the opportunity to compete overseas would gain more experience which would help them qualify for the Australian teams. Not only have these ladies won medals they would know a lot more about themselves in regard to how to train, travel and compete in an overseas event. All these experiences are what make champions. In my last article I mentioned the word "opportunity," this is exactly what I was talking about.

2010 GOLDEN FOX OPEN

Saturday morning loomed bright and clear with the arrival of 105 shooters to the 26th Golden Fox Open at Dubbo, all in anticipation of the new program with over \$12,000 in cold hard cash and prizes.

The event Saturday was the 30tg Dubbo Tool Centre Points Score, with seven shooters on 90 points, a good effort for 1st up on Saturday morning. After shooting 100 straight in the shoot off, Robby Thompson claimed O/A with 390/390 from Kevin Thompson on 389/3980, 2nd in AA going to Allan Jones from Cessnock on 134/135.

There was only one shoot off required to sort out the High Guns and that was for Overall with Phillip Headon picking up the solid gold fox badge and the \$1000 in cash with a final score of 331/342. Brian Doyle was runner up winning AA grade on 326/342. June Open Classic - Grafton Clay Target Club

The Queen's Birthday Long Weekend of June saw perfect conditions for the two day June Open Classic with clear sunny weather mostly throughout the weekend. Sunday saw some light cloud cover after midday.

Main event for the Saturday was a 75 mixed target medley which was won by David Newberry from the Guyra Club who was amongst a contingent of shooters from the Tablelands enjoying a break from the cooler mountain air. David won the event with a score of 122/125.

Murray Riley & Jeff Lowndes after their Shoot Off

Shoot Offs were also conducted in all grades to determine grade winners. Those in the shoot off in AA were Kim Nealon, David Edmonds and Robert Clarke. Robert won the shoot off with 120/125.

For first and second in A Grade the shoot off was between local Barry Cameron and Jo Rapsiarda (Brisbane) eventually being won by Barry Cameron (143/150). Much interest was in the shoot off for third in this grade between newly A graded young Murray Riley (Tamworth) and local Jeff Lowndes. Jeff eventually came out in third place.

Main event for the Sunday was the 50 Target Double Barrel Jacaranda City Classic. The Overall was taken out by Kevin Harding (Richmond River) with a score of 57/57. Shoot offs were required to settle the placings in the other grades with Kim Nealon (Richmond River) taking out AA 70/71. A grade winner was John Reid (Guyra) whilst Lesley Langer (Kempsey) took out B grade with 67/69 and

Kevin Harding receiving his prize from Club President Barry Cameron with Rus Wesslink looking on

Wayne Johannesen (Dorrigo) won C grade with 45/50.

Overall High Guns had mainly sorted themselves out except for the Ladies High Gun where close friends Libby Clarke and Lesley Langer required a Shoot Off. Both ladies had shot extremely well over the competition with Libby gaining two possible in two Continental events. After an intense shoot off Lesley came out as Ladies High Gun winner.

Overall High Gun for the weekend was taken out by Kim Nealon with 290/300.

2010 Singapore Open Shooting Championship

After 8 hours on the plane we arrived into Singapore on Thursday the 8th July where we were met by the Singapore Shooting Association and armed security. Very tight security over there and once firearms are checked by Customs they are whisked away to the armory at the shooting range. We don't see them until we are on site at the range.

Friday the 9th July saw us all head out to the range to get a feel and shoot some unofficial practice. At this point I will say that leaving cold old Melbourne and landing in Singapore to 32-degree heat and 90% humidity was a wake up to system. Plenty of fluids were kept up over the week, everyone hydrated well and no one suffered any dehydration.

Saturday 10th July saw most of us take the bus from hotel to the range for Official Practice, 2 rounds each & 3 for some lucky ones. Everyone was feeling good and ready to compete. At this point I will say that the 2 unofficial gun smiths in our team did a little tweaking of their firearms, Tom Turner not entirely happy shooting with a kick pad, and Nino Pedulla tinkering with his palm grip. We all had a laugh and were ready for business. Nice dinner, couple of cleansing ales and an early night.

Sunday 11th July, comp day and everyone is busting to get amongst it. Women were up first with Michelle Beecham & Anna Shedrina representing the ACTA, both shooting well and placing themselves in strong positions for the final. Michelle shot an excellent final to actually extend her lead and win Gold for the ACTA. Anna too, shot well in the final and caught 2 others to push herself into Silver medal spot. Great effort to both girls and a good start for the ACTA squad. They also picked up the Teams Gold medal as well, with Jocelin Soh from Singapore making up their 3 person team.

As the men & women shot the same day, the men only get to shoot 2 rounds. At the end of day 1, Tom Turner was leading with 48/50 & Steve Trembath in second with 47/50 with the Malaysian Charles Chen Seong Fook & Indian Tondaiman Prithviraj both on 46. It was looking real good for the ACTA squad with another tough day of competition to come.

Monday 12th July, last day of competition, and the Singapore weather turned it on, first round of the day was very hot and steamy, second round it went cool, overcast and a tropical rain poured in. Third round went back to hot, humid & steamy again. Was very hard on everyone, except maybe Jar, who shoots in Cairns! By the end of qualifying the Malaysian had grabbed the lead with a 120 and both Steve & Tom in second & third with 115's. Russell McCloy shot off for the last spot in the final and went into sixth place with 111.

The Malaysian shot a solid 22 in the final to hold both Tom & Steve out, with Tom shooting a 22 taking Silver & Steve with a 20 taking Bronze.

The ACTA team of Steve Trembath, Tony Cantali & Nino Pedulla took the Teams Silver medal.

All had a great experience and some lifelong friends made in Singapore where we were made to feel welcome. It was a very successful trip result wise for the ACTA Team. We walked away with 4 individual medals & 2 team medals. On behalf of the squad I would like to thank everyone from the ACTA for the opportunity to shoot at this event with invaluable experience gained from this venture. We hope that the ACTA will continue to support this program, which we all thought was successful and a benefit to our shooting.

KEEPING THE MIND QUIET: SOMETIMES WE NEED TO DO IT IN REAL LIFE TOO

In late July, I was in Sydney having a holiday. I go and stay in Sydney a couple of times each year: I like going to the theatre, exhibitions, etc and I don't have to worry about not understanding the currency or the language.

During this week I organized to go whale watching and ice-skating. The idea of watching whales really appealed to me but an experience of being sea sick thirty years ago when I went marlin fishing off Port Villa made me a little scared when the skipper of the whale watching boat said that the sea would be rough, with a two metre swell and if you weren't sure then you should get off the boat now. Well no-one wants to wimp out so I took a deep breath and thought I'll get through this.

The first part of the trip was great heading through Sydney Harbour: but even the view and the anticipation of what the experience of seeing whales might hold, I was scared being sea sick and secondly, I was scared of talking myself into getting sick. This is often what happens when we are competing: because we focus on the past, we make judgments and these influence the self-talk, and because we feel uncomfortable about the anxiety that is being produced, we fail (miss the target) or we tell ourselves that this run of good shooting can't keep going and as a self-fulfilling prophecy, we miss.

So, did I become sea sick? No.

What did I do to prevent it? To answer this I need to go back about three years: again a July, spent in Sydney. Barbara, my wife, wanted to climb the Sydney Harbour Bridge and not realizing the intense fear I had for heights, made sure I booked the tickets. So with the tickets ordered (not cheap, but worth every cent), I started to get nervous about what would happen if I seized up on top of the bridge or had a panic attack. With about a week before the event, I contacted an intern psychologist from Community Health I had worked with and asked if we could meet for coffee to talk about a client with anxiety. When we sat down I didn't go through the "I've got this friend", I just came straight out and told her that I needed her help because I was scared of heights. Unfortunately she was a bit overwhelmed by the fact that I had as many years experience as she was old, and she thought that there was nothing she could do to help. But she did ask me an interesting question: "What would you do with a client who had this problem, if he walked into your office?"

Later that night it struck me that that was the solution: If I was the therapist I would get the client to rewrite the narrative that was making him feel so scared or threatened. So I thought about the irrational fear I had of heights:

Had I ever fallen from a high place? -no,

When I was up high- did I enjoy the view? -yes,

Was the harbour bridge likely to fall? -no.

So when I was traveling outside Sydney Heads, I again rewrote the narrative: in my head:

Had I ever been sea-sick before? -yes, but I survived.

Can I enjoy the view on this boat?-yes, the coast off Sydney is going to be a good view and even better if we saw whales.

Do I like going fast in boats? Yes.

So armed with this new narrative there should be no problem, and there wasn't. I enjoyed the view, delighted in watching the whales and really

enjoyed standing on the bow of the boat as it motored at speed back to through the heads and along the harbour.

How is what happened on the bridge climb and the whale watching, have relevance to what we do with sport?

Firstly, to enjoy both experiences I had to set some new goals that were realistic and achievable. Secondly, I had to stay focused in the present. By doing this I could enjoy the moment and leave past judgments and future fears behind. This limited the amount of anxiety or concern I was experiencing. Next, I needed to focus on my breathing. Whenever I felt a bit queasy or uncertain I would take several deep breaths and do the "centering" exercise developed by Nideffer. While also a relaxation technique, centering doubles as a form of attentional shifting and refocusing. Finally, I was able to enjoy the process and not focus on the product. The product in this case was not going to be enjoyable.

Now if you were paying attention, in the second paragraph I mentioned that I had also gone ice-skating in Sydney. There was an ice-rink set up at Bondi beach and again Barbara thought it would be a fun thing to do. I haven't skated for thirty years and found that getting back on the ice was fine but again I found there was a real need to focus on the present and enjoy each moment. The good thing about the skating is you get immediate feedback if you do the wrong thing and there was always music being played, so it was easy to hum or sing along in an effort to stay upright and dry. But then the music system broke down and the task suddenly became harder and the self-talk became more negative. Realising what was happening, I started to hum again to take my mind off thinking about what I was doing. Regular readers will be aware that I advocate humming as a way of quieting the mind, so that you do not think about the what you should be doing. Humming blocks out the negative self-talk and the judgments and fears. By quieting the mind it is easier to make the task more associative (automatic and natural) rather than cognitive (thinking and rigid). This leads to doing the task effortlessly.

The research for this article was a little bit easier than usual and I thank you for indulging me being so introspective. But the message here is the same as it would be if you were going out on the tracks, teeing up a golf ball, lining up a put, serving in tennis or bowling a bowl:

1. Set your goals.
2. Stay focused in the present.
3. Discard past judgments and ignore fears about the future, they might not happen anyway.
4. Breathe.
5. Trust and let go.
6. Have fun.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on CD. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

52 shooters pit their skills at Wangaratta

BACK L to R. Dallas Ball, James Willett, Colin Wemyss, Peter Collicoat, John Duryea, Daryl Hunt, Richard McCrum, Max Gribben. **MIDDLE:** Mick Ward, Lewis McCrum. **FRONT:** Jess Goodall, Logan Wemyss, Ethan Brindley

ON SATURDAY 19 JUNE the Wangaratta Clay Target Club saw over 50 clay target competitors turn up at their excellent facilities at North Wangaratta to shoot at over 70 targets under ideal conditions. The orange fluoro targets flown looked good against the background resulting in a lengthy shoot off between Brett Ford and Tony Maroni from for a result in the Double Barrel C/Ship. event. The last 25 targets was changed to points score so that a result would come earlier. Full results are below.

It was very pleasing to see many junior shooters of both sexes present, in some cases proving that their natural advantage of youthful eyesight and quick reflexes proved too hard to match by some of the more senior shooters on the day. Clay target shooting is very popular with the younger age group in our area which bodes well for the club and sports future in the area. In addition, many adult ladies are evident at all of our shoots and in some cases whole family groups compete in this fun, satisfying and skilful pursuit.

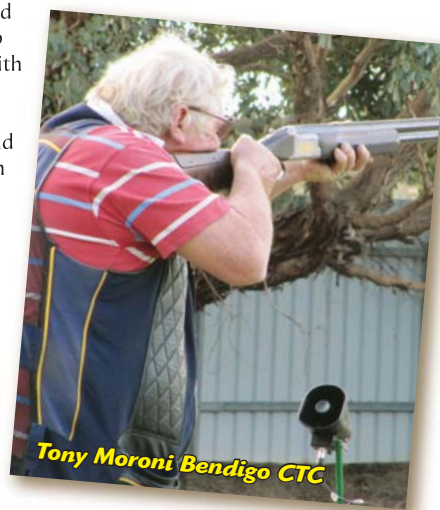

Event 1, a 10 tgt Points score eye opener was shared amongst 17 possibles. Event 2 a 20 Tgt. P/S C/Ship event saw local DTL champ. Daryl Hunt shoot a perfect result of 123/123 taking out 1st in AA and 2nd by Robert Ross on 122/123, another top result. Marcus Hargreaves won 1st in A shooting 60/60 defeating Peter Green on 59/60. B grade was well won by Lewis McCrum with 59/60 and 2nd by Lady top shot Jess Goodall on 58/61. Colin Wemyss won C grade with 53/60 and 2nd by Dallas Ball shooting 51/60.

Event 3, the 20 Tgt Double Barrel C/ship was eventually taken out by AA grade Tony Maroni with the perfect result of 225/225 and 2nd by

Brett Ford with 224/225, both Brett and Tony are recognised as being at the top end of skill levels in DTL shooting. Richard McCrum won A grade with a result of 82/83 and 2nd by Alan Cole with 65/66. Benalla gent Max Gribben won B grade with a good result of 57/58 defeating James Willett on 38/39. Dallas Ball won C grade on 19/20 (I can see a grade change coming soon for Dallas!) and 2nd by Colin Wemyss with 18/20.

The last event a 20 Pr. Double Rise C/Ship resulted in AA shooter Mick Ward return the excellent result of 37/40 in this more difficult discipline and 2nd place by Wayne Headon on another good score of 34/40. Peter Collicoat won A grade on 29/40 defeating Alan Cole on 28/40. Junior shooter Ethan Brindley performed well to win 1st in B with 35/40 just ahead of local young lady top shot Meagan Grassi with 32/40. Once again, Dallas Ball took out C grade on 25/40 and 2nd by Logan Wemyss with 24/40.

Overall High Gun was won by Mick Ward on 145/150, the Veterans by Max Gribben on 125/150. Jess Goodall took out the Ladies High Gun with 130/150 and John Duryea won the Juniors award shooting 140/150.

MARYBOROUGH GUN CLUB

32nd Central Victorian Grand Prix

After truly awful weather on Friday, members of the Maryborough Gun Club imagined the number of competitors arriving on Saturday to shoot at their major event of the year would be seriously down on previous years. It was a pleasant surprise on Saturday morning to see cars filled with shooters and their families driving into the grounds. The Maryborough Gun Club's "Central Victorian Grand Prix" is one of the longest running and most prestigious events on the Victorian Clay Target Shooting calendar. This was the 32nd time that the event had been held and 124 shooters entered into the day's events to compete for prizes that totalled in excess of \$8,000.

In perfect conditions, cloudless skies and with no wind the 1st event, the 25 target Highland Home Construction Single Barrel Championship got under way shortly after 9:00am.

Riley family perform well at Treloar

A cloudy, cool and at times showery, day did not dampen the enthusiasm of the competitors for the shoot held at the Treloar Clay Target Club on Sunday 11 July.

As the results show, there was plenty of spirited competition, a feature of which was the success of the Riley family from Gunnedah. Murray Riley's performance is worthy of special mention. This young teenager is showing all ages how it is done and in a humble manner.

Murray "Grasshopper" always acknowledges with gratitude the coaching and sponsorship he receives. For Mum, Dad and Son to be amongst the trophies signifies how family focused the sport of Clay Target Shooting really is.

It is pleasing to mention again that our club is attracting a number of first time shooters where a warm welcome always awaits. The next club shoot will be held on Sunday 8 August followed on 11/12 September by the Kookaburra Classic Two day shoot.

Results: Event 1 30 Mixed Targets 10 DB 10 SB 10 PS: AA Grade Rod Riley 50/50, A grade Sam Gall and Murray Riley 47/50, B grade Rex Whitten 45/50, C grade Vernon Scanlon 43/50.

Event 2 30 Mixed Targets Continental: AA grade Rod Riley 47/50, A grade Murray Riley 49/50, B grade Cathy Riley 43/50, C grade Jeremy Campbell 44/50.

Overall High Gun was won by Murray Riley with his score of 132/140.

Activities for the day finished off with a round of Deauville Doubles providing practice in this very challenging event.

Ready for a target

The weekend was well attended from a number of clubs with a total of 51 shooters for Saturday and Sunday. Numbers were up slightly from last year.

Saturday morning weather was rainy but cleared, so the overall trophies of dry-as-a-bone coats were a worthwhile trophy to win. The computer was set and printer ready and the squads sorted the three events for Saturday ran smoothly and the day's events finished around 4pm which gave the shooters time to have another practice shot and also a chance to have a little fun with the Trench Trap that was on hand for other clubs to inspect thanks to Steve Whitehead for bringing the Trench up and to have on display.

Saturday night dinner spit roasts, vegies along with homemade plum pudding was well attend and the bar staff were kept on their toes serving the sprits to keep the customers warm inside. The entertainment for the night would have been the talented Auctioneer for the Calcutta as the professional that was organised phoned in sick at the last minute and Mr Peter Purkis lead the charge and did a wonderful job.

Getting their eyes in early

Sunday morning weather was a little different from the previous morning it was cold and for the first time known to the older club members a frost was sighted at the club house but the day turned out to be a lovely clear sunny day and finishing up around 4.30pm with presentations.

The committee would like to thank their sponsors and the committee members who had volunteered a lot of their personal time to make the weekend a success.

The Squire reports from West Wyalong

There were only three squads of shooters at the recent West Wyalong Clay Target Club shoot. Perhaps the cold, misty, foggy morning put all but the keenest off attending.

Patto arrived at the club early and put the urn on but found there was no power. Phone calls to the electricity provider found that an old crow had flown into the electrical works and the fault was being worked on but a late start to the day was inevitable.

Due to the late start all the events were changed to cash divide and there would be no Eye Opener.

The shooters went straight into a 50 Target Double Barrel event and Matt Schiller from Young, Jeff Nash and Alan Drogemuller shot 49/50 to take the AA Grade cash. Local club members Laurie Redfern and Bruce

Dent won A Grade with 47/50. Kate Schiller put all the blokes to shame by taking out B Grade with an excellent 50/50. Kelvin Maxwell, shooting much better this month compiled a steady 48/50 to be the C Grade winner.

Matty Patmore settled down to easily win AA Grade in the 50 Target Points Score event which was next on the card with 149/150. Matty is a top shot having recently shot 50 targets from 25 metres at Majura Park in Canberra. A superb effort. Bruce Dent was shooting consistently to take out A Grade 129/150. Forbes shooter and regular visitor to West Wyalong, Adrian Hodges won B Grade 139/150 and Kelvin Maxwell had his eye in taking out C Grade 123/150.

The final event for the day was 20 Targets Double Rise and once again Matty Patmore won AA Grade with his score of 39/40. Laurie Redfern won some more cash with his 31/40 to take out A grade and Kate Schiller had her second win of the day in B Grade 33/40. Doug Murray shot 25/40 to win C Grade.

Matty Patmore was the High Gun winner with a score of 236/240.

Although the day did not start out very well everyone cooperated to ensure that the shoot finished before dark.

Mixed Shoot at Echuca

Echuca Clay Target Club had a perfect day weatherwise for their July 2010 shoot, clear sunny skies, mild temperature, and almost no wind at all. Also a good roll up of six plus squads ensured plenty of competition for the various disciplines to be shot on the day.

Probably the toughest test was event one, a 25 target Ball Trap Championship, and only one shooter could down all 25, Deniliquin member, Rob Collicoat, shooting so well collecting the Overall Winners Sash, and the A grade 1st trophy with his 25/25 result. 2nd in A grade was Rob's son, Jack Collicoat, only losing one target to be on a 24/25 score. Craig Fitzgerald collected 1st in AA grade on 24/25, with Steve Atkins one target less taking out 2nd in AA on 23/25. B grade 1st was Ian Phillips on 25/26, with Geoff Ervin 2nd on a 24/26 score. C grade 1st was Bendigo member C Repacholi with a score of 22/26.

A Handicap was next on the agenda and after a very short shoot off Craig Fitzgerald came out the 1st place winner, pocketing a healthy \$75 cash

trophy with a 28/29 score, Corowa member 15 year old, Ethan Brindley, came in 2nd dropping an additional target to end on a 27/29 score and picking up a nice \$45 dollar cash prize, Frankston member Evan Boyack collecting \$30 for his 3rd placing on 24/25.

A 25 Target Double Barrel Championship was next and although nine shooters all on a possible started in the shoot off, three looked like making a long day of it until Warrick Kelvy dropped his 95th target giving him 2nd in AA grade on 94/95, next to go was Trevor Hicks from Numurkah/Shepparton club letting his 100th target get away taking out AA 1st on 99/100, and standing tall at the finish was the youngest shooter attending, Ethan Brindley on a magnificent 100/100 result, collecting the Overall Winners Sash and 1st in B grade trophy, a very proud young man to achieve such a good result, and with a very obvious future ahead of him in this clay target shooting sport. 2nd in B grade was Peter Sing on 24/25, A grade 1st was Ron Traill 60/61, A 2nd G Palmer 31/32, C 1st C Repacholi 23/25, and 2nd in C grade was Num/Shep member J Frothergill 22/25.

Lastly the Club Mug event, a Double Barrel off handicap marks going into a move back a metre on shooting affair, and with only one winner to take the cash pool. That winner turned out to be local member Drew Healey collecting a very healthy \$85.

An excellent day of target shooting, enjoyed by all who attended, and although there was a lot of competition even the presentations were all over before darkness fell.

BALLANDEAN'S BRASS MONKEY

Ballandean Clay Target Club held their first Brass Monkey weekend on 17/18 July 2010. The days were glorious winter days, but mornings started with a trademark July frost, certainly cold enough to loosen the Brass Monkey's balls.

Much to the surprise, and delight of the Ballandean members, 54 shooters nominated for the first 50pr Brass Monkey Double Rise. David Caccioppoli was the stand out performer shooting a creditable 96/100. Intermediate High Gun Sam Scalia had a fantastic day shooting an 85/100, and a mention must go to young Murray Riley who fought hard in the A Grade shoot off to take first. Both David and Sam will be immortalized on the 50pr Brass Monkey Double Rise Crystal Vase. The event was kindly sponsored by Dicky Bennett.

Once again the Ballandean crew were caught off guard with 88 shooters nominating for the 150t Brass Monkey 150. Unfortunately the program had to be cut to 130 targets, but shooters can be assured the fourth trap will in place for next year's event.

Ben Rumbel, Richard Morrison and Neil Cracknell all posted at 130/130. After a shoot off of a further 40 targets in fading light the three decided to split the winnings. Ballandean CTC thanks all shooters for their patience, and particularly the three winning shooters for their sportsmanship.

David's son Dylan

A big thank you to all the shooters who participated and helped on the day and we hope to see you again on the 3rd September at Griffith Gun Club for an awesome Friday full of ZZ shooting, more competitions and some great hospitality from the Casella Wines Carnival.

We would also like to say a special thank you to Louis Galea & Neale Guy who are worth their weight in ZZ targets (which at the moment are dearer than gold!), Eugene Kavanagh & Elton Chetcuti who helped with the cleaning up. Your help is appreciated & always noticed. I would like to thank Frank Araco for rounding up some strays to come & have a go. It was nice to see Toney Cantili compete, lucky he shoots with one eye as he shot 24/25 - with two we would be in trouble. David Perri should also thank his son Dylan for being quiet only when his father was shooting.

See you at the next ZZ shoot on Friday 3rd September at the Casella Wines Carnival please see ad on website for more details.

TONY CALANDRO 11/2/1937-4/5/2010

Cosgrove Gun Club has deep regret at the passing of Mr Tony Calandro, a valued and respected member.

He was a winner of many championships in State Zone and grade events and represented Australia in the Mackintosh Shield team.

Tony was respected by many and our sincere condolences go to our members and Tony's sons Pat, Andrew and David, and the Calandro families.

IAN PHILLIP CAMPBELL 1934 - 2010

The Monarto-Alexandra Clay Target Club is saddened to report the passing of Ian Campbell, on 3rd May 2010 after a long illness, at the age of 75 years.

Ian started clay target shooting in 1963/64 as a member of the South Australian Gun Club and later at the Alexander Gun Club, transferring to Monarto-Alexandra Clay Target Club when the two clubs amalgamated, where he continued to be an avid supporter of the sport.

Ian was a member of seven Mackintosh teams in 1967, 68, 71, 76, 77, 78, 84 achieving 100 breaks on three occasions.

He was a member of South Australian State DTL teams in 1966, 67, 68, 69, 70, 71, 73, 75, 76, 84, 89, and 2000.

He was also a member of Skeet teams in 1969, 70, 71, 76, 82, 84, 86, 90,

91. In addition, he was a member of many Central Zone DTL and Skeet teams.

In 1996 he set the then long break record of 279 at Alexandra Gun Club against J Stone 251, D Kimber 248, R Kimber 230, R Mules 213, S Ridge 201, P Mules 189 and D Brown 109.

Ian wrote the "Gun Doctor" column in the Australian Shooter magazine for some ten years and he had a vast knowledge of firearms and their histories, as anyone who read the column could see.

Ian was a dedicated duck shooter and the walls of his weekenders at Clayton, if they could speak would reveal stories about some of the leading shooters in Australian clay target history.

Ian was a true raconteur, connoisseur of fine wines and a generous friend throughout his life and enjoyed life to the fullest.

Ian will be sadly missed by all members of the Monarto-Alexandra Clay Target Club and the wider shooting fraternity.

Kempsey Clay Target Club

Bob Wearne Memorial

What a day! We all knew that there was going to be a big roll up to this very well funded event. As usual on the big days old Murphy decided to raise his ugly head.

It was not enough that we had shooters from Guyra, Newcastle, Coffs Harbour, Port Macquarie and other places far away. We also had Number one trap deciding it was going to make its own program.

Things were looking decidedly dodgy when we were sent a very interesting angel in the form of Mick Wilkins who just happened to have repaired the exact same problem with the Port Macquarie Trap the week before.

Okay we were back on track after a jump start that saw us kick off at nine thirty instead of the programmed ten o'clock. As often happens a bad start ended up turning into a relatively trouble free day.

Forty-two shooters enjoyed the usual hospitality of Kempsey Clay Target Club and competition was keen in all grades. The first event of the day was a 10 target eye opener and perfect scores were posted for ALL grades.

John Reed

That lead us into the main event. The Bob Wearne Memorial Shoot. One hundred targets shot in twenty five target lots of Double Barrel, Single Barrel, Points Score and finished with Continental.

As could be expected a tricky little breeze decided it wanted to play a part in the score.

John Reed stepped

Abby's first big prize

out of the pack to claim High Gun with a very good 145/150.

Our local inform shooter Jamie Griffiths took away AA grade after a shoot-off that was blessedly short and sweet. This assisted with the wind borne exit of our Guyra contingency who were flying on a daylight only schedule!

Paul Deland and Billy Neil took out A and B grade respectively and the Juniors managed to dominate C Grade with "yours truly" Abigail McMahon pipping Tom Arndell by one point with a 127/150.

The Veterans was taken away by Rex Wilson with 128/150 and the Ladies was won by L. Clarke with a 126/150. Emily Saul posted a competitive 127/150 to take out the Peter Liecht's Junior Prize.

Lesley Langer one of our club stalwarts and

Jamie Griffiths with Lesley and Mum

daughter of Bob Wearne expressed her own disappointment at not being in the prize money but ably assisted her mother with all the presentations and the presence of Mrs Wearne was much appreciated by all shooters present.

The Kempsey Clay Target Club has a busy year ahead of it with the Clubs Ninetieth Anniversary shoot coming up on the 18th of September. Hope to see you all there.
