National President's Notes

A New Year is upon us and I wish all our members well for 2011.

I recently mentioned the idea in this column of the ACTA being able to directly deal with the shooters ie sending of accounts for the collection of subscriptions. The Board felt that if a proper process was in place we would keep more members. One South Australian club, Monarto-Alexandra has made a suggestion that it would be better for clubs to be "required" to chase up payment, with the club being given a couple of months

to do this after which time the matter would be handed to the ACTA to deal with. I can understand the clubs concern of being taken totally out of the process of collecting subscriptions and perhaps this proposal would be a suitable compromise. Thanks for the constructive input Monarto. Further input from members on this issue is welcome.

Work on the National Grounds has received some setbacks lately with the weather this year making progress impossible for months at a time. Flooding has resulted in damage to some traphouses and reconstruction is underway at the moment. Our situation in a floodplain does not help but this year's record floods won't be an annual event.

The Association closed its membership year with just on 13000 members for 2010 up on 2009. A large portion of the increase can be attributed to Victoria where a major push was made by some clubs to join up what had been "social members" a category not recognised by the ACTA. I thank those clubs for making this effort and encourage other clubs to do the same. Persons using your facilities, your insurance and your Club and Association name without paying the proper registration are a threat to the Associations future and a possible legal liability. Membership fees are after all only equivalent to a few cartons of beer and provides proper liability insurance cover, substantial life and accident cover, an improving magazine, and a voice with legislators, and sponsors of the shooting sports alike. Sponsorship and fighting oppressive legislation are

numbers games so help get the numbers up by joining up the freeloaders, and protect your sport.

Finally it is with sadness that I have to report the resignation of our Executive Officer of two years Mr. Tony Turner, effective from the 19th of November. The resignation, for personal reasons, came as a total shock to the board. Tony had brought a level of professionalism, and a personality we had all grown to like and respect to the position. Tony, we wish you and your family well in the future, we are truly sad to see you go.

Until next month, good health and good shooting.

Executive Officer's Report

There have been a number of enquiries regarding the Insurance policies and the coverage offered. There are a number of policies the ACTA has to cover its Member Clubs and the Association, all with their own set of criteria for coverage. These are on the Website as are the certificates of currency and also the Constitution.

There is some confusion even after our mail-out to club secretaries with the policy regarding shooters entering events and their Status.

I refer all to the Constitution which is the backbone of the Association.

38.1 Registration with the Association

"The Association shall keep a register of shooters and no person may enter or compete at an Association competition, event, or at any competition or event conducted by a Member State or Member Club appointed for that purpose, unless such person is registered with the Association as a registered shooter and is not in arrear with his or her registration fees".

As shooting targets, or competition constitutes an event, only financial ACTA members may shoot at an ACTA affiliated ground. The option of joining would be the only avenue available to enable them to shoot.

Our Insurance is based on our constitution and any failure to comply with the constitution could render the Insurance invalid. If this were the case the Club & their office bearers could be held responsible.

With regard to visitors "This reference is to visiting shooters from other ACTA Clubs" or a person who comes to your club with the intent of joining. They are allowed to shoot 3 times before being required to join. This is to be used as a recruiting tool not a perceived

loop hole to extend rights to those from other associations.

I find it hard to believe clubs would want to allow unaffiliated shooters to walk in, pay the same money as a member, shoot without contributing to the Club at all, not contribute to the cost of running the club (including insurance) perhaps win and take the prizes without being a financial member. As a member of the ACTA and a Club I would not be impressed.

We now have online registration of our National events.

You can access these through our website, once you have lodged the form you will receive an automated confirmation. This is another tool to ensure members are able to use the latest technology. This form is virtually the same as the hard copy of the nomination form.

We are currently negotiating further sponsorships for 2011, more confirmation very shortly. I would however like to announce after meeting with Sales and Marketing manager Brett Quodling at our National Trap Championships this year that Coopers Tyres has agreed to sponsor the ACTA in 2011. Coopers have a great range of tyres and as a sponsor of the Association we would like to see our members support them. AVIS has also joined the ACTA with two offers which are available to all members through our website. These offers will change periodically, watch the website.

We will announce further details of a new deal with Perazzi for the National Camps programs commencing 2011. This in addition to the support of Perazzi for the Mackintosh teams at the National Trap Championships. Many thanks to Fil and Steve for their ongoing support.

I will not be here to see these new programs and sponsors join our many other great sponsors in the future. My retirement from the position with the ACTA took effect on the 19th of November. I wish to thank all National Executive members and State Executives and Secretaries for their support and assistance in the past two years. I also wish to commend the work of the staff of the ACTA National Office and David on the ground, they are fantastic people and very professional in the manner in which they do their job. It has been a pleasure to work with them. There are too many others to thank, most I have spoken with prior to leaving. Thank you all, all the best for the new year.

APOLOGY

To the Executive Officer, ACTA

On Saturday the fourth of September 2010 at the Australia Cup held in Darwin I was guilty of using offensive language to an official and the scorers during the course of the competition. My offensive language was unsportsmanlike behaviour and a breach of the rules of the Australian Clay Target Association.

I sincerely apologise to the referee for my offensive language. I sincerely regret my poor behaviour. I was in breach of the rules of my association and I deserve a punishment for my offensive language towards an official.

I appreciate that the referee is a volunteer who has given, at her own expense, great service to the sport of clay target shooting at the ISSF level. I acknowledge that as a responsible athlete it is my responsibility to behave correctly at all times and to adhere to the rules of my association and the ISSF. I have written to the referee to personally convey my apology for my behaviour and for failing to comply with the rules and spirit of the competition.

Richmond River Gun Club

Double Barrel and Ball Trap

On a day that started out absolutely perfect and turned into a dark overcast storm-threatening afternoon, forty shooters in 7 squads lined up at Richmond River Gun Club's Lismore range to shoot a fifty target double barrel and a 50 target ball trap event on Sunday, 24th October.

Prizes for the Double Barrel event were donated by long serving member Kevin Harding and much appreciated.

Ball trap is somewhat of a novelty to locals, with it only being shot once a year but some good scores were recorded.

Squads 1, 3 and 5 completed their 50 targets of Double Barrel off 15 metres before tackling the ball trap with squads 2,4 and 6 shooting Ball Trap first. Only Squad 7 switched after each 25 targets in order to keep the field flowing evenly.

There were quite a few 25/25's shot off the common mark but only one at the Ball Trap layout.

Ray Turner from the Tyagarah Club and a regular at Richmond River shot a 95/95 to beat Ian McDonald 94/95 in the shoot off in the AA Grade Double Barrel event. Ray has not missed a target in his last 225 from the 15 metre mark including 100/100 continental.

EXECUTIVE OFFICER

An exciting opportunity to lead a growing not for profit organisation.

The Australian Clay Target Association is seeking to appoint a new Executive Officer to lead the organisation.

The Association has a healthy membership base of 13,000 and a staff of five and is financially strong and stable.

The Association has an ongoing commitment to grow the sport of shooting and enhance its profile throughout Australia. The new Executive Officer will work with a volunteer board of directors to realise this vision.

Applications are called from candidates who can demonstrate strong management, financial and marketing skills. Excellent communication skills, together with an ability to plan strategically are essential. A sound knowledge of and passion for shooting is desirable.

A competitive salary package will be negotiated with the successful candidate.

Applications close Friday 14th January 2011.

For further information about this position an application package can be downloaded from the ACTA website: www.claytarget.com.au or by contacting our National Office on Ph 02 6938 2121.

Grafton shooter Jeff Lowndes won A grade with 50/50 from Peter Brown 49/50. Roy Warren was very pleased with his 50/50 winning B Grade from Geoff Jacobsen 49/50. A shoot-off was necessary to determine C grade with Jenny Wilson 48/54 snaring the prize from new shooter Luke Barnes 47/54, Kim Nealon 24/25 49/50 posted the best score in Ball Trap winning AA from Ian McDonald 24/24 48/50.

Daryl Graney of the Yamba Club took out A Grade Ball Trap shooting a creditable 45/50. Geoff Pringle was second with 44/50. B Grade Ball Trap went to Roy Warren 42/50 from Gold Coast shooter Tony Crandon 41/50, Matt Williamson 40/52 defeated Jamie Beddoes 41/52 in C Grade.

High Gun for the day went to Kim Nealon 98/100 and Intermediate High Gun to Roy Warren 92/100.

The last monthly trap shoot at Richmond River for 2010 will have been concluded by the time this article is published. Since the fourth Sunday of the month in December is Boxing Day there is no down the line event on that day. Night Trap on 10th and Skeet on 18th completes our programme for the year.

Sporting Clays of some sort is held at Richmond River on 5th Sundays and 31st October saw some interesting and challenging targets thrown for the seventeen shooters present.

Terry Preston, assisted by Don Johnson and Ted Schneider put together a sporting clays layout that had everything except a "rabbit" skillfully utilising the DTL traps, Ball Trap, skeet layout and 7 portables.

Shooters were "graded" after the first fifty targets and allocated handicaps which were then applied over the seventy-five shot.

Ballina Fishermen's Co-Operative Limited generously donated the prizes freshly caught school prawns that were really appreciated by the club and the recipients who were Terry Preston with 58/75 off gun.

High Gun Bruce Copper, Geoff Jacobsen and Luke Barnes all with 64/75 after the addition of handicap allocations, and new member Alan Dowley was given the sponsor's encouragement award.

The next sporting clays day at Richmond River will be on 31st January, 2011.

Richmond River Gun Club thanks all those that contributed to a most successful year by attending the shooting events and we look forward to your company again in 2011. The club's programme is published in the NSWCTA "Blue Book" and may also be viewed at the website www.northernriversgunclubs.com.

VCTA 2010 STATE TRAP CARNIVAL

Echuca Clay Target Club

ECHUCA was the venue most of the top shooters in the country headed for the weekend, Friday, Saturday, and Sunday 12, 13, and 14th of November 2010. And with dire weather forecast for those days, some shooters may even have decided against arriving, but with 3 of the events having just less than 340 competitors and a total shooter attendance of 347 it would have to be classed as equal or among the best of the State Carnivals held.

Shooters from every State in Australia were on hand to try out their skill, although no shooters from either Territory, neither, Northern Territory, or the ACT arrived. With the bulk of competitors bringing their families along for the event it certainly made for a large crowd at the club, and must have pleased the motels and restaurants and caravan parks

in the Echuca/Moama area. New Zealand had five shooters to represent their country, and although all shooters were expecting the worst from the weather for the entire shoot, someone must have put in a good word for the Carnival, as the only wild, heavy rain, that happened, came down very late on Saturday afternoon, contradicting the forecast for the entire three days.

Prior to beginning the opening of the Carnival, Echuca member, Stephen Atkins, announced the new members to be inducted into the Victorian State Hall of Fame. Neil Berry, Graham Willett, and also Vin Ryan, (posthumously), for their wonderful shooting achievements, and as well, Bob Buchan for his endless service to the sport as an administrator.

After the playing of the National Anthem, member for Rodney, Mr Paul Weller, had three shots at targets, with his third succeeding to hit the mark, and he then declared the Victorian State Trap Carnival for 2010, officially open. Thank you, to Paul Weller for participating.

Ray Peatling

Casey Fletcher

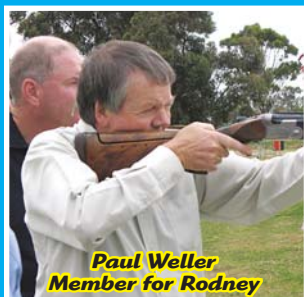

Ray dropping his 56th target, Casey Fletcher becoming the Overall winner of the Handicap on a score of 56/56, Ray collecting 2nd after shooting at

Also thank you to the Echuca Clay Target Club workers, who brought up the entire eleven trap layout, and grounds, to such a magnificent condition.

Cohuna Clay Target Club member, Ray Peatling, was the only shooter out of just under 280 able to hit all 50 Double Rise targets and he very proudly accepted the honour of Overall Winner in the first event, the 25 pair Victorian State Double Rise Championship, scoring a clean 50/50 result. Cohuna was again the club to belong to for the 2nd event the Victorian State 50 target Handicap, as the last two shooting off for 1st & 2nd were Ray Peatling and Casey Fletcher both from the Cohuna Clay Target Club. Shooting from the 24 and 22 metre marks, Casey had the advantage in distance by two metres and it paid off with

three more targets to hold that spot, ending on a 58/59, 3rd place was taken out by Colac member Randall Vitkus with a 57/59 result, 4th spot was taken by Melbourne Club member Stephen Aston, after shooting a 60/61 score, and finally fifth place went to Noorat member, Gerard Hose, on 59/61.

Saturday saw the State Single Barrel 50T Championship commence on time, and although there were a few full 50's shot, Cobar Gun Club was the club you needed to belong to, to win, and that was the club Ross Walsh came from, and he held on through a very short shoot off to become the Overall Winner with a score of 54/54. 50 targets of Victorian State Double Barrel Championship was next, and by this stage all shooters were certainly in their prime, with a

resulting 66 shooters scoring a full 50/50. At a point of about target 150 in the shoot off, down came the torrential rain along with severe wind, and in fairness to all seven competitors still remaining in the shoot off, it was called off until Sunday morning.

An early start for the Double Barrel Championship shoot off to continue, and by target 284 there was only two shooters remaining, Wangaratta's Brett Ford, and Yarrowonga Gun Club member, Terry Walls, and it appeared that it was going to be an enormous total until Brett missed his 533rd target, and when Terry shot his it became Terry's event, earning him the honour of being the Overall Winner of the Victorian State, Double Barrel 50T Championship with a massive score of 533/533. Certainly a big effort and with an overnight break in between, well shot Terry Walls. AA Grade 1st going to Brett Ford, earned with his excellent 532/533 result.

Rhys Eeles was the proud winner of the Inaugural John Bryant Perpetual Cup for the Junior Double Barrel winner.

50 targets State Points Score Championship was next on the agenda for Sunday morning and Euroa Clay Target Club member Anthony Rohrlach needed a score of 210 to win and that is exactly what he did score, making him the Overall Winner with that

result of 210/210. Daryl Hunt was the shooter who pushed Anthony to that win, and although Daryl could not match that result, he claimed 1st in AA grade with his well shot 209/210 result, Daryl is a member of the Wangaratta Clay Target Club.

It is pleasing to see how popular the sport of Clay Target Shooting has become, particularly amongst the younger generation, with the influx of young girls becoming obvious by their numbers, and virtually every one performing well at the sport. Although it may be a reasonably expensive sport, especially to begin, it is regarded as one of the world's safest sports, and that can be a major consideration for any parent looking at what is available for their children. Overall High Guns are needed to be mentioned as they do indicate who has been consistent throughout the entire shoot, and winning the "prestigious" Overall High Gun sash with a three point lead over three other shooters was Cohuna Club Member and also State Handicapper, with all the work that entails during the shoot, Ray Peatling. Ray, how you kept your concentration intact for shooting, and doing your office work is unbelievable, congratulations on your 344/350 winning score.

Veteran Overall High Gun went to Hay Gun Club member, Bill

Iles scoring a 330/350. Ladies Overall High Gun went to Gaye Shale a Wangaratta Gun Club member 331/350. Junior Overall High Gun was Echuca Clay Target Club member Rhys Eeles on a 335/350.

Team shoots were next on the agenda, including, open, ladies, juniors, & veterans and they were followed by shoot off's for team High Guns, these teams will form the Shoulder to Shoulder teams to compete against other States next April, results for these team shoots will be included in the overall shoot results to follow.

A very well organised and run Carnival, a lot due to having pre-nominations ensuring an early start, and the large effort of the Victorian Clay Target Association Committee, and the Echuca Clay Target Club Committee and workers, who had been preparing everything for weeks prior to the Carnival, and also for the huge effort the ladies put in to feed and water such a large number of people over the three days. Also a thank you must be given to the participating shooters, some having travelled a great distance to be here for this what must be described as a "magnificent" Victorian State Trap Carnival for 2010.

Thank you too must go to any sponsors, one such being Spartan Global Pty. Ltd who not only supplied the clay targets at a

reasonable price, but also supplied an OU Shotgun trophy, and to the Campaspe Shire whose workers organised the installation and running of the Road Management Safety signs etc, to ensure safe entry and exit to the Carnival, and safety for all other road users.

Rhys Eeles wins Memorial Cup

Echuca Clay Target Club's junior shooter, Rhys Eeles, won the John Bryant Memorial Cup trophy at the 2010 State Trap Carnival, held at Echuca in November.

Rhys is yet to celebrate his 18th birthday, and that made him eligible to win this magnificent trophy that is for the Victorian U18 Junior Double Barrel Champion. With a score of 100/100 no other junior could match him. Rhys proudly accepted this Cup, which is a perpetual trophy, and his name will be the first engraving on it. Rhys, who lives near Rochester, received a smaller copy for him to remember his win.

John Bryant was a shooter of renown, having won many national championships and competed in the 1956 Olympics, and came in at a very respectable 9th in that event. At last years 2009 Victorian State Trap Carnival held at Echuca, John Bryant was inducted into the Victorian Shooters Hall of Fame, he was so pleased at achieving that honour that he wanted to do something for the sport that would last, and decided to support the junior's in their shooting endeavours.

Unfortunately John passed away earlier this year, and he will be sadly missed by all. John's family were at this years State Carnival, and it was his son, Peter, that presented Rhys Eeles with this years State Junior Double Barrel Champion Cup.

HERMIDALE GUN CLUB

31st Anniversary Clay Target Shoot

The Hermidale Gun Club celebrated their 31st Anniversary Clay Target Shoot on October 23rd and 24th 2010.

Shooters travelled from Morwell, Broken Hill, Cobar, Canowindra, Dubbo, Bourke, Warren, Brewarrina and Hermidale to compete.

26 shooters took to the tracks for the first day and 4 more shooters shot on Sunday. The weather conditions were humid, cloudy and hot.

Only two possible were shot in the first event, a 30 mixed target graded cash divide.

In the second event 30 target Double Barrel, a wonderful display of shooting kept the crowd on the edge of their seats as the shoot off for Overall was contested between Don Williamson (Warren) and Helen Overton (Brewarrina). Helen dropped her 121st target leaving the prize to Don.

After the third event, 20 Pair Double Rise it was time to reflect the day's scores and catch up with friends over a drink and nibbles.

A beautiful hot buffet meal was then served by the very capable kitchen ladies. Thanks Fay, Jackie and all the helpers.

The evening event, 20 Pair Western Zone Deauville Doubles was held in the rain and made shooting very competitive. No possible were gained but three pairs shot off for the 1st and 2nd crystal prize, kindly donated by Powell's Bus Service.

Before the presentation, President Button Powell thanked all the shooters and visitors travelling to the shoot, thanked all the kitchen staff, office and bar staff, volunteers and members for their support.

The club wish to thank all the sponsors and donors who contributed to make the shoot a success.

VCTA ISSF CARNIVAL 2010

Melbourne Gun Club

The Melbourne Gun Club once again played host to the State ISSF Carnival held on the weekend of October 22nd to 24th 2010.

A lot of work by the Melbourne Gun Club committee had gone into ensuring the Carnival ran like clock work and all are to be congratulated for a successful weekend.

DOUBLE TRAP

Friday 22nd kicked off with the State Double Trap Championship. Conditions were a warm and sunny 29 degrees with 14 shooters entered in the event. After round one it was Craig Trembath setting the pace with

Double Trap the day before. Sunday saw conditions much more pleasant with the sun shining and hardly a breath of wind. 10 competitors entered the competition with visitors from Sydney & Tasmania.

James Bolding got out to a 4 target lead on day 1 in some trying conditions and as a result never looked like being caught. He led into the final with 142/150 a 7 target lead from his nearest rival in David Cunningham on 135. Lauryn Mark 126, Keith Ferguson 123, Zita Dettori 122 & Daniel Egan 111 were the 6 finalists. Another good round of 24 in the final saw James Bolding become the 2010 State ISSF Skeet Championship OA James Bolding 142 + 24, AA David Cunningham 135, A Zita Dettori 122, B Daniel Egan 111, C Kye Clark 108

Double Trap Winners - Nick Kirley (AA grade) Geoff Aston (Junior), Craig Trembath (Overall), Roger Esplin (C Grade)

ISSF TRAP

Also held on the Saturday and Sunday of the competition the ISSF Trap Championship got underway with 48 shooters entering the event.

Visitors for this event came from NSW, SA and a squad from New Zealand.

In cold blustery conditions on the Saturday scores were low. Junior shooter Owen Robinson from NZ started well with a 25 in his first round. The only other 25 shot for the day came in the last squad of the last round with Craig Henwood posting a clean round.

After day 1 we saw Frank Minici and Nidal Asmar lead on 70/75. Talih Boukamel and Owen Robinson both on 69. Three others were on 68 including Catherine Skinner who was also leading the ladies.

In perfect conditions on Saturday the scores improved dramatically, although 25's were still hard to come by with Nathan McDonnell, Craig Henwood and Domingo Diaz (great to see) the only ones to put red ink on the board.

a very well shot 47 opening up a 3 target lead on the rest of the field. After 3 rounds he lead into the final on a very respectable 137/150. Next to qualify was Nick Kirley on 134, Marc Crimmins on 131 (with a very well shot 49/50 in his last round), Russell Mark 126, Steve Haberman 119 & Geoff Aston 113 rounded off the top 6 for the final. With a 46/50 in the Final, Craig Trembath held onto a 1 tgt victory from Nick Kirley. ISSF SKEET

Held on Saturday 23rd and 24th the State ISSF Skeet got underway in cold blustery conditions on the Saturday morning with the mercury only reaching 16 degrees a far cry from the conditions the

Trap 2nd place in Ladies Natalie Rooney (NZ) and Junior Winner Owen Robinson (NZ)

After the 150 Tgts we had 4 shooters tied on 139 to lead into the final. Nathan McDonnell, Craig Henwood, Nidal Asmar & Talih Boukamel. In 5th position was the mighty Domingo Diaz on 138 showing that there is still plenty of bark in the old dog yet and New Zealand Junior Owen Robinson making 6th spot on 137/150.

Talih Boukamel Overall Winner in ISSF Trap

With 2 targets splitting 1st to 6th spot with a single barrel final a tight final was promised and we were not let down. Nathan, Craig, Nidal and Talih all shot 21 in the final ensuring we had a 4 way tie for the Overall spoils. Craig missed his first target, Nidal his 3rd leaving Nathan and Talih to battle it out until the 6th shot got away from Nathan leaving Talih the victor. In the Ladies Trap Catherine Skinner lead into the final on a 134, Natalie Rooney from NZ was next on 132 followed by Laetisha Scanlan 131, Michelle Beecham 128, Kate Cassar 120 and Tania Burke 119. A well shot 22 in the Final gave the victory to Catherine Skinner with Natalie Rooney shooting a 21 to come 2nd. That ended another Victorian State ISSF Carnival. A big thank you to all who turned up to make the shoot a success, specially the shooters who had travelled great distances to compete. With so many AISL events in the calendar year held all over Australia it really does make it hard for shooters to be able to get time off work and afford to travel to compete in the other major carnivals through out the year.

A big thank you to all the workers from Melbourne Gun Club for both the preparations and the running of a smooth carnival and to Paul and Claire Watts for running the office.

We look forward to seeing you all return next year in 2011.

SERVICE CLINICS 2011

Once again, Canterbury Trap Intl is looking to assist any club with a Canterbury trap, to properly service their Trapmaster, by inviting them to attend a free Trap Service Clinic during the 2011 Australian Trap Championships in Wagga.

Russell Smart from New Zealand will be in attendance for several days of this shoot and will be conducting service clinics for those clubs that wish to attend. Clinics typically take around 45 minutes and cover the basics of setting your trap properly for doubles and singles and servicing the trap.

If your club has a new trap mechanic who has not attended one of these service clinics in the past or you have other members who want to brush up on their knowledge, then please contact Canterbury Trap Intl at your earliest convenience to register your interest or talk to the local Canterbury Sales Agent. Spots fill fast, so don't leave this to the last or you may miss out.

2010 Geraldton Crayfish Carnival

A beautiful Geraldton sunset

Geraldton's Mayor with Life Member Frank Bombara Geraldton Council was equal major sponsor of this years Carnival

With fine weather on the way and whispers that a big contingent of shooters from Victoria and also Busselton on their way to The Shoot we hoped we were ready for a great weekend of shooting and catching up. It was great to see Millsy and Robbie back after a few years off, they always bring a big contingent of shooters with them. Some of the people that come have been coming back year after year for as long as I remember (Lars, Robin & Sue, Johny, Greg, Sox, Hollywood, Steve P, Lex & Gay, Tom, Smithy, Steery, Johno and many others) to these people and all the others that come year after year, then go home and spread the word that you have had a Great time, thanks. Also a big thanks to John and Kevin for their help in getting the renos to the bar finished in time.

High Gun winners

We were glad to have \$1000 cash (minimum) for overall on 7 of the 9 events this year as well as bigger graded prizes making it one of the biggest pools across the country. As well as the \$5000 jackpot to anyone who can shoot the programme clean. So with cash, prizes and crayfish worth more than \$30,000 competition will always be tough in Geraldton.

With quite a lot of possibles on the board the shoot off was always going to last a while. So after quite a while and lot of walking we finally got down to 1 squad consisting of Marc Crimmins, Neil Rundle, Trevor Morris and Maugal Boschetti. The boys quickly settled in and we thought they were going to shoot

all night. Then as is often the way Maugal dropped one, and not long after Trevor dropped his, leaving the two Vic dicks to fight it out. The smart heads of these two experienced shooters chose to split the cash and not wanting to tire themselves out any more than need be and considering there was still a lot of shooting to come it was a smart move.

This Event saw Geraldton's very own Toddy Henville from Agina, for those who don't know where that is its just up that way a bit. It was Todd's first sash and what a time and place to get it, because to win one of the eight sashes on offer at THE SHOOT you have to shoot very well. With a revised shooting programme to see if we could finish a bit earlier and get the Calcutta under way wasn't to be. Maugal and Bruce decided they wanted to have a few free targets.

So with great conditions and world class lighting the boys got to 315 before Maugal missed leaving Bruce the victor and Maugal with the wooden spoon. I am led to believe it might well be a club record break. And well done to the both of them getting their 300 break. 1st AA Maugal Boschetti, 2nd AA William Woodward, 3rd AA Sox Philipasidis, 1st A Damien Hutchins, 2nd A Nathan Blake, 3rd A Brett Duncan. 1st B Rick Boschetti, 2nd B Ashlee Chester, 3rd B Graeme Chittle Borough. 1st C Kim Halbert, 2nd C Jack Gibbs, 3rd C John Clarke, Ladies Melissa Deegenars, Juniors Jack Wallace, Veterans Tim Catling.

With the shooting all done and the bbqs cranked up and tubs of prawns being peeled every where it was time to welcome our auctioneer and get the Calcutta under way. With record numbers of tickets being sold the pool was always going to be bigger than last year. There was also a record number of shooters that sold for well over a \$1000 this year, so well done to all the buyers out there, the pool is so big (\$25,000 plus) because of you the shooters who buy the tickets and shooters, with a bit of help from our auctioneer.

Sunday was also a great day finally the weather was being kind to us after a few years of questionable weather. With only 3 events this year on the Sunday a early finish was hoped for. We did finish earlier than last year but not quite as early as we had hoped. But with such great weather and targets scores are always going to be good.

Event 9 30 target Double Barrel Calcutta sponsored by Bert & Rick Boschetti and Latitude Pearls

The Calcutta as always was the most anticipated event of the weekend, mostly because of the huge pool that is up for grabs. With the syndicates doing

quite well the last few years there were groups of shooters everywhere giving anyone they had brought and who had shot the possible a few last minute words of encouragement.

Being a handicap event it took quite a while to get down to one squad. With Beretta Australia's very own Steve (Hollywood) Sayers proving too strong for all comers. You could say this was a win shot under duress as someone had put photos of Steve up around the club Sporting a BEAUTIFUL NIPPLE PINK LONG SLEEVED SHIRT AND TIE he wore to a Beretta function earlier in the year, and didn't he look very

HANDSOME. But he overcame the embarrassment and won the sash, \$1000 winner's cheque and since he also brought himself in the Calcutta more than \$14,500 for 1st in the Calcutta, well done Steve it couldn't have gone to a more deserving shooter.

With all the shooting finished it was time to get the formal proceedings under way. It was with great pleasure President Rod Bailey called on Life Member Jack Hartley to present a new life member into The Geraldton Clay Target Club and that was Glen

O'Brien, well done Glen on many years of work around our great club.

Once again it is time to thank the many people it takes to run a shoot as big as ours. Firstly the ladies in the kitchen once again you have gone above and beyond with the lunches, morning and afternoon teas exceptional. It is a huge job and you all do a splendid job. Julia in the office, great job done. All the shooters who helped out when help was needed we couldn't run the shoot without your help.

To all our members who helped out at the busy bee, the weeks leading up to the shoot and over the weekend it's all this dedicated effort by the members that make the weekend as successful as it is.

Well done to the Trap Maintenance team, I don't think we lost any time because of breakdowns. To all our sponsors without them we wouldn't be able to give the cash and prizes that we do.

To all the shooters and their family and friends that travel often great distances and at great expense, I think to many of them, the shooting comes second it's just a chance to catch up with old friends over a beer or cuppa. And without you all the weekend and the competition wouldn't be what it is.

And finally a huge well done must go to our President Rod, the amount of jobs, phone calls and anything else that needs doing is more often than not done by him. And it's not just in the lead up to The Shoot and during it, it is just about a twelve month job now, and even though a lot of members do their bit, the amount of work

Bruce all smiles after beating his brother in law Maugal

New life member Glen O'Brien

Ladies high gun Renae Birgan with sponsor Laurel Hartley

Rod does, factitiously I must add the carnival just wouldn't happen without him. Great work Rod, and thanks on behalf our our members.

So till next year stay safe and shoot well.

P.S on a little bit of a sour note, on Sunday night someone borrowed the Beretta banner. These banners cost a considerable amount of money and Beretta are not only a good sponsor of our club but to all clubs across Australia, so if anyone knows where it is they can contact me at kemptonfisheries@westnet.com.au and no questions asked. We will arrange to pick it up.

The Castlemaine Gun Club held a very successful Melbourne Cup Day shoot with 52 shooters in attendance. Shooters travelled from as far as Melbourne, Kerang and Noorat to attend. Weather conditions were overcast with the odd shower which did not deter shooters from good shooting.

The club would like to thank Bruce Burns of Corsivia GB for his continued support and valued sponsorship of the Melbourne Cup Day shoot.

The first event was 25 targets Double Barrel and after the competition of 9 squads, 12 shooters had shot the possible of 25/25. After the shoot-off local shooter Neil Franklin was the A Grade and Overall winner with a score of 89/89.

Second event was 25 targets Single Barrel and on completion there was

a clear winner with Colin Dunn the only one to score 25/25 and take out Overall and AA Grade.

Third and final event was 25 target Points Score with 3 shooters managing to shoot a clean round of 75/75 and after the shoot-off Overall and A Grade went to Josh Aitken with a score of 87/87 points.

High Gun for the day was won by local shooter Chris Langridge with a fine score of 124/125. A number of other shooters shot very well on the day, these include Murray Schaper who won 2 B Grade events, Jeff Hogg 2 C Grade events, Toni Hogg 1 C Grade and the Ladies and Josh Aitken 1 A Grade and Juniors.

Overall it was a great day out with members enjoying the competition. A thank you to all those who helped out on the day and enable the shoot to run so well.

Melbourne Gun Club

JEAN & PETER WRAY TRENCH CUP

Saturday the 13th of November the Melbourne Gun Club hosted the Jean and Peter Wray Trench Cup. Held in conjunction with the last round of the Victorian High Gun Series the event was planned to be held in September but due to a week of rain and the club being closed due to flooding the event was re-scheduled.

The event is held in recognition of the tireless efforts both Jean and Peter have put into ISSF shooting over the years not only at the Melbourne Gun Club but Australia wide. Before the installation of our new Matterelli traps for the Commonwealth Games it was a very common site to see Peter with toolbox in hand at the club walking out to repair a machine to keep the old traps running.

Jean & Peter Wray with OA winner, Nidal Asmar

Heavy rain was again forecast for the day which saw numbers a little lower than expected but 20 shooters turned up to brave the conditions. In the end we were lucky the rain held off and conditions were reasonably good apart from poor light.

The overall winner went to Nidal Asmar who shot a great score of 138/150 + 23 in the final. Great Shooting Nidal!! "A grade" was taken out by Craig Henwood with 138/150, "B grade" was won by a relative newcomer to

Trench in Hayden Stafford and "C grade" went to Claire Watts (who managed to beat Wally again!!). The ladies was won again this year by Catherine Skinner and the Junior was taken out by Nathan Kotlarewski.

A big thank you to all who helped make the day a great shoot and a big congratulations to all the winners and place getters. The event will be held again next year but hopefully in better weather conditions.

CTSN PHOTO COMPETITION - INAUGURAL 3-MONTHLY WINNER

This photograph was submitted by Sally Cripps, a member of the Blackall Clay Target Club. It shows conditions at the Tambo Gun Club on September 18th after they recorded 5 inches of rain over the weekend. The traps are in the middle of the racecourse complex and organisers had to lay pallets across the straight to allow shooters access to the layouts without losing a boot or two along the way. It just shows what shooters will put up with to have a shot.

For Sally's effort her club will receive a digital camera and will be in the running for the major prize over 12 months of a full page gloss colour club advertisement in the CTSN.

Swan Hill Classic

On Sunday the 15th of August the Swan Hill Clay Target Club hosted this annual event. This year we changed the format having two 50 target events. The first event was for cartridges and the second event had 22Magnum and air rifles and car fridges as trophies. The weather was a challenge in itself with a variety of conditions ranging from being overcast to sunny, with showers and the ever present wind. Forty seven shooters took up this challenge.

Despite the tough conditions some good scores were recorded, notably the 149/150 of Marc Crimmins, the 143/150 of Emma Cox and Joe Borg's 50/50 in the double barrel event.

Grafton Clay Target Club

Jacaranda Open Classic

Grafton Clay Target Club like many other places had endured a sustained amount of wet weather but as if on cue the wet weather gave way to a perfect day for the Club's annual Jacaranda Open Classic. The Jacaranda trees were at their very best of purple colour for the nine squads of shooters who attended from all parts of NSW and Brisbane. A good many of those attending had chosen to compete at the unique dual shoot of Coffs Harbour Clay Target Club on the Saturday and Grafton Clay Target Club on the Sunday.

Event 1 at Grafton was the 25 target Points Score Peter McGuire Memorial Perpetual Trophy. Those that remember Peter remember him as a great Points Score competitor and this memorial event was again keenly contested. The overall came down to a shoot off between Geoff Field from Guyra CTC and Rod Riley from Tamworth CTC who both went toe to toe until eventually Geoff came out the overall winner to take the shield home with an excellent perfect score of 93/93.

Event 2 was the 30 target Jacaranda Mixed Targets of 10 each of Double Barrel, Single Barrel and Points Score and in the perfect conditions this event was also strongly shot for. This time Rod Riley was determined in the shoot off and took home the overall sash with a score of 109/110.

The day was progressing so well and the perfect weather allowed the shooters a little time of relaxation whilst they indulged in a splendid lunch prepared by our wonderful canteen ladies. Again they produced a sumptuous meal for which the Grafton Clay Target Club is renowned.

Straight after lunch was the event that everyone wants to win being the 50 target Jacaranda Double Barrel Championship. Even with the excellent conditions and first class clays it was strange that Noel Campion (Glen Innes CTC), Murray Riley (Tamworth CTC) and Rod Moody (Richmond River CTC) were the only shooters to come in with the perfect score of 50/50. It didn't take a long shoot off to declare Noel Campion the overall winner of the sash.

The last item of the day was to sort out the Overall High Gun with Steve Kilfoyle (Grafton CTC) and Rod Riley (Tamworth CTC) on an equal score. The crowd gathered to watch

what looked to be an enthralling shoot off but very quickly Steve pulled a second barrel on a Points Score target and it looked like we had the winner until Rod dropped a complete Points Score target allowing Steve to claim the title.

All competitors including many first time visitors to the Club declared the Grafton Clay Target Club a great place to shoot at Jacaranda time with excellent clays and ideal amenities. With the beautiful Jacaranda trees and friendly atmosphere many declared that they will certainly not miss this one in November 2011.

RESULTS

Event 1 25tgt Points Score (Peter McGuire Memorial).

SKILLS AUDIT

This article directly follows on from last month. Last month we looked at goal setting. While setting goals is a necessary component for improving performance, it is also boring and doesn't get the attention that it deserves.

For most of us it is easy to look at the bigger picture goals and work towards winning a championship, etc but there are more minor and concrete goals that we have to achieve before the bigger picture goals can be achieved. Goal setting is always best done from the top down: start from where you want to get to and then look at the steps you have to achieve to get there. If you re-read last month's article you will get an idea of how to set the bigger picture goals.

What are the steps to taking goal setting further?

The first step is a skills audit. What is a skills audit you ask?

A skills audit is a process where you, or better still, you and your coach, look at the skills required to play your sport and what your strengths and weakness are. Identifying strengths and weakness are important because it is the weaknesses you need to work on, improve and master.

For most sports and shooting is no exception, skills can be divided into three groups: Technical, Physical and Mental.

What are the technical skills for shooting? Gun fit, stance, swing and follow through, pre-shot routine, post-shot routine, lead, hold point, cartridge and choke selection.

What are the physical skills for shooting? Fitness, strength, stamina, muscle memory and movement, breathing, etc.

What are the mental skills required for shooting? Goal setting, concentration, relaxation, attention, visualization, mental rehearsal,

Now, whilst skills can be divided into these three groups, it is the integration and synergy (that is: two or more agents working together to produce a result not obtainable by any of the agents independently) of the groups that is important. For example, it doesn't matter how good a your swing or follow through is, how competent you are at visualizing, if you are not strong enough to pick up your gun over and over again, you will not be able to qualify for the shoot off, let alone keep going for a long run in the shoot off.

For the technical skills, utilizing a good coach will help you make sure you are doing the right things. This is often an issue for shooters, golfer, bowlers, etc because once they get to a certain level they believe that coaching is not important and develop a

comfortable pattern and just continue doing what feels right, rather than question if it is right.

For physical skills, it is probably even more important. None of us ever get younger but we either do not realize that we are getting older or we are just in denial and do not accept the inevitable. For most of the population, as we get older we lose muscle tone, flexibility, stamina, speed, sight and hearing. Losses in any or all of these areas will have an impact on our performances as well as our perception of ourselves as either a person or an athlete. Fortunately for shooting, the sport relies heavily on muscle memory: this means that because we do the same movements over and over again, week in week out, year in year out, our muscles 'learn' what to do and the movements become automatic and are easily executed at a subconscious level. Sometimes however, we lose some of our abilities and our performance suffers because we do not realize that we are no longer as fit or as flexible as we were. This problem is multiplied many times if we are in pain: hip, knee, shoulder problems, etc. Consulting a physiotherapist, to get strengthening exercises may assist before we develop strategies to deal with the discomfort or pain. For most of us as we get older, regular exercise: swimming, walking, cycling, etc coupled with core strengthening exercises such as pilates or yoga and some resistance training such as weights, will mean that we will be enjoying our sport for longer. Of course this must be coupled with eliminating any negative aspects such as excessive drinking, smoking and or other drugs.

So this leaves us with mental skills. Just as technical skills require a coach and physical skills require a physiotherapist, mental skills are best learnt by accessing a sport psychologist or doing some guided study under the direction of a sport psychologist. Mental skills such as mental rehearsal, visualization, attention, concentration and relaxation can be easily learnt and then practiced regularly both in and out of competition. Coupled with these skills is a need to change thinking: eliminating negative self talk, challenging irrational beliefs, exploring personal motivation, dispelling past judgments and coping with the anxiety of future. The two main aspects of mental skills are learning to stay in the present and dealing with the process rather than focusing on the product.

Where to now? Look carefully at yourself: what are your technical strengths and where can you improve. How is your health, stamina and physical fitness? Do you need to do some work on your fitness, reduce blood pressure, lose some weight or quit smoking? Are you able to attend, concentrate, focus, relax, etc? What are your mental skills strengths and where do you need help?

Get a piece of paper: fold it three columns headed technical, physical and mental. In blue write down strengths under each heading, then in red write down what skills you need help with. When you have identified where you need help: go out and get it.

For those readers interested in how the targets went across the floodwater. They skipped across the water and it was very impressive when hit. (If they were missed, because they were upside down they just floated downstream.) When we changed the angle of the plate, they hit the water and 'bounced' up at a random angle which was much more fun.

I have put together all the articles that I have written for the CTSN on CD as word files. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy please send cheque or money order to me at the address below.

OCTOBER-SKEET

Gloomy weather but great results

A field of 18 enthusiastic skeet shooters lined up at the Wangaratta Clay Target Club on Sunday 31 October to compete in the club's monthly 100tgt. skeet championship. Showery rain and gusty wind didn't prevent some great scores being recorded, with local club member John Pope travelling down from Wagga to win overall and 1st in B grade with an outstanding result of 98/100. Brian Reid shot 94/100 to win 2nd in B grade and was in the same squad as his son Alex, 12 years old, who shot his personal best of 87/100. It won't be long before Alex will be able to beat his old man at this game, as he has the ability to get on to the target in lightning speed, which is a terrific advantage in skeet shooting.

David Jackel took out 1st in AA with 93/100, another top result considering David's back pain at present. Denis Savage shot 95/100 to win 1st in A grade, followed closely by Bryan Anderson from Canberra on 93/100. Davey Jones, 13 years old, an established local Field & Game inter-school shooting champion, won 1st place in C grade with 92/100 and 2nd by Peter Finn from Shepparton shooting 91/100.

At the presentation, Brian Reid spoke briefly about the club's recent awarding of a grant from the State Govt in conjunction with the Rural City of Wangaratta. He explained that the proceeds will be used to construct a state of the art 5 stand sporting clays facility here and the many advantages to both the club, shooting community and the local economy as a result of this major investment. Once this project is completed, it will put the Wangaratta facility at the cutting edge of this popular discipline across the country, attracting many more shooters and the potential to hold regional, zone, state and even national events.

NOVEMBER-5 STAND SPORTING CLAYS

Jory's skills reign supreme

Under humid conditions, local member Brett Jory took out the O/All championship 5 stand sporting clays shoot at Wangaratta on Sunday 14 November. Brett returned an exceptionally good score of 86/100, which is remarkable considering the difficulty factor of many of the targets thrown. Brett, Phil Andrews and several other dedicated enthusiasts spend several hours each shoot setting up and putting away all the necessary equipment required for this discipline.

The club attracted over 20 shooters to the

SKEET: L-R Brian Reid, Alex Reid, Davey Jones, John Pope, David Jackel, Denis Savage, Bryan Anderson

November shoot, with many regulars away at the VCTA State Trap carnival at Echuca. However, the high standard of competition was very evident here at Wangaratta on the day.

Christian McGauran won 1st in A grade with a score of 74/100. Christian's brother Shaun, also shot the same score to win 1st in B and Darren Saunders shot 67/100 to take 2nd place. Young Shepparton shooter, Travis Tait performed superbly with a tally of 70/100 to win C grade and 2nd by keen simulated field and game expert Reg Carmody on 67/100.

The Wangaratta Clay Target Club members are very excited about the receipt of a State Government grant, in conjunction with the Rural City of Wangaratta recently. The

5 STAND SPORTING CLAYS: Back Brett Jory, Middle L-R Travis Tait, Shaun McGauran, Christian McGauran, Reg Carmody. Kneeling Rhys McGauran

proceeds of this grant will result in major additions to the club's 5 stand sporting clays facility by building a state of the art permanent trap layout.

Donald Cooper 7.10.40-9.11.10

Southern Yorke Peninsula Gun Club has deep regret at the passing of Don Cooper a valued and respected member of the club. Shooting at the club for many years.

Don will be sadly missed. Our condolences to Doris and family.

Helen Flavel 19.9.10

It is with deep regret that we note the passing of Helen Flavel on 19/09/2010

Helen became a committee member of Jeparit Gun Club when it opened in 1975, and was a very willing and tireless worker until shortly before her passing. For a number of years Helen shot competitively, and was a member of the Jeparit Ladies team when they won the prestigious Australasian Tiapan shield several years running.

She will be sadly missed by all the club members, fellow shooters and the wider community.

Sympathy goes to husband David and her family.

George Foster 9.10.1928 - 21.10.10, 82 years

Devoted husband to Shirley and loved father of Margaret and Lynette

George was born in Kurri Kurri NSW and spent his early life at Mt Vincent where he started his love of shooting and fishing at the age of 7.

George joined the Newcastle gun club in the 1950's and with George on the committee and Shirley working in the kitchen they became an integral part of the club. During the move to the clubs present site at Lake Macquarie in 1990 George's boilermaking trade became very handy with the construction of clubhouse, traps houses & fencing.

George wasn't a skeet, DTL or sporting clays shooter he was a "clay target" shooter and didn't mind what discipline he shot. he loved them all and won many championships, making the NSW skeet team in 1971 and the NSW veterans DTL team in 2000 and in his later years became a very competitive Olympic Trap shooter.

The highlight of Georges target shooting was becoming a life member of Newcastle Lake Macquarie Clay Target Club in July 2004.

Georges real love (other than his church and family) was spending enjoyable days in the bush hunting game with friends & Duke his faithful GSP, George was also a talented game chef, preparing fine dishes from the game he gathered and the fresh vegetables he and Shirley grew at their home in Lambton and the farm at Mt Vincent.

George will be sadly missed by his family, friends and all who knew him.

Gary Redmond Born 12.7.49-30.10.10

Gary spent his childhood in Roma, Western Queensland where he was brought up by his elder sisters following his mother's early death. His father Alan was a warder at the Roma hospital. Gary moved to

Brisbane in the early sixties and became a tradesmen butcher. Early in his lifetime he worked in the trade but in later years he became a refrigeration and washing machine mechanic. It was at this stage that he joined the SSAA and began shooting at the Brisbane SSAA branch at Belmont.

His love of shotgun shooting and his competitive nature soon found him knocking on the door at Brisbane Gun Club where he remained a member for many years. He was later a member of Terranora, Gold Coast and Roma. His competitive nature made him a difficult person on the tracks as he was so confident he could not miss and in later years admitted that if he missed he used to always believe it was someone else's fault, a situation he spoke of with regret in later life.

During his shooting career Gary won National Titles, State Titles and numerous Zone and Club events. He shot the Queensland DB, SB, Pts and the teamscore clean on two occasions, 400/400. He also won the Gumtree Shoot on three occasions. Gary's last major win was in 1999 when he split the \$10,000 first and second prize money with Frank Bradwell at the Roma Pre Nats. He was the first shooter inducted into The Queensland Hall of Fame. Yet despite all these achievements there were only three trophies on display in his house. A beautiful dining suite hand crafted by the late Rod Prior which he won as a Tamworth HG trophy from Mark McInnes, a set of ducks mounted on a log from The Gumtree Shoot and a set of mounted bull horns from a Roma Two Day.

Gary never hunted animals and on several occasions I saw him turn down such an opportunity saying no thanks, take someone else who would enjoy it.

Gary could generally either be found helping at the BBQ or holding court at the bar with his mate Bundy and diet Coke. He had a quick wit and many of his comments went over the listeners head. Gary's generous nature and ability to coerce his wife Halina, made them the perfect hosts. Anybody who has ever been to the house could vouch for this. Gary had a special place in his heart for the Roma Club and was the city connection when it came to attending auctions, arranging freight, buying trophies, collecting goods etc. etc. He helped the club on numerous occasions and was much appreciated by Roma members. Gary was a great supporter of Juniors throughout his life and also actively helped with coaching. We will all miss him dearly.

Gary is survived by wife Halina, daughters Julie and Natalie, son Mark and five grandchildren.

Harry was awarded the British Empire Medal (BEM) for services to the Fire Brigade and Community. His was the last issue of this medal. It has since been replaced with the Order of Australia Medal.

Harry was a great supporter of all local gun clubs and will be remembered as a stalwart, practical, no nonsense fellow and a great character. No one who had heard him call for his target will ever forget his loud gruff "Pull". His last shoot was at Hamilton Clay Target Club on the day before he passed away, and as usual he was in fine form both on and off the tracks.

Harry will surely be missed around the district by all shooters and our condolences go to June his partner.

The Squire reports from West Wyalong

Sash winners

The West Wyalong Royans Truck and Trailer and Montrae Mining Open Shoot in October was the most successful held at the club for some time. There were nine squads of shooters who enjoyed fine shooting conditions and witnessed some of the most extraordinary shooting seen at the club for many years.

Dozer Collins shot over 300 targets without a miss!

Although slow to arrive the crowd soon built up which caused a few problems in the office but the computer operators soon had things back on track.

Entrants were able to view the fine display of sashes and prizes worth \$3000 that had been set up by the hard working Narelle Ambrose.

Shooting began with a 10 Target Double Barrel Eye Opener and 20 shooters scored 10/10 which surely indicated big things in the following events.

With three traps in operation shooters were called for the 50 Target Point Score. Clive Foster, Dozer Collins and Leon Cuzner were all a point down and had to shoot off for Overall and first and second in AA Grade. Clive pulled a second and was out at 178/180 but Dozer and Leon did not look like missing and shot on until they had a break at 80 targets. The stoppage did not do Leon any good as he missed his 82nd target letting Dozer claim Overall with 245/245 points. Wayne Ambrose shot 143/150 to win A Grade from Paul Watchorn 141/150. Regular Yass visitor, Steve Schiller won B Grade 142/150 from Ross Hill 135/150. Doug Murray using a borrowed Beretta managed 137/150 to win C grade from Kelvin Maxwell 128/150. The Veteran winner was the Allan Bound 140/150, Matt Schiller was Junior winner 144/250 and keeping it in the family Katey Schiller was the Lady winner 141/150.

Montrae Mining had put up 500 bucks for the 25 Target Handicap and nerves must have affected some shooters because unbelievably only two shooters gained the perfect score; they being father and son Picolo and Michael Fyfe.

And unbelievably, Picolo missed his second target in the shoot off and the Fyfes walked off with a nice little earner to start their day. A long shoot off was required to decide third and fourth places as six shooters had dropped one target. After a further 18 targets Ross Hill claimed third 41/42 from David Hodges 40/42 placing fourth.

Ben Fairman and Kel Maxwell were the Master Chefs for the day and cooked up a great barbie which was enjoyed by all present.

The lunch break also gave people the chance to catch up with the popular Bert Boyd who came over from Tulli for the day. Bert has not been in the best of health this year and it was terrific to see him back swapping yarns with his mates.

The final event of the day saw some class shooting with Dozer Collins and Picolo Fyfe providing the highlights. The Royans Truck and Trailer 50 Target Double Barrel event proved to be a fantastic spectacle with Dozer and Picolo shooting shoulder to shoulder until the sun started to go down and the jumpers came out and still they kept shooting.

They amassed 210/210 targets before they decided to call it quits and toss a coin for Overall. Picolo won! Dozer had claimed his 300 Break Badge and AA Grade and Picolo claimed his 200 Break Badge. Second in AA Grade was John Finn who stayed with the leaders for a while to shoot 102/103. Michael completed a great day for the Fyfes when he shot a creditable 71/70 to win A grade from A Fennessy 69/70. Narelle Ambrose racked up a 49/50 in winning B grade while Steve Schiller 48/50 was second. Doug Murray was certainly enjoying himself and claimed C Grade 46/50 from Jason Anderson 40/50.

Digger Ellison made a return to the West Wyalong traps and walked away with the Veterans title 49/50. Talented young shooter, Matt Schiller was Junior winner and the Lady winner was Katey Schiller with 48/50.

In making the presentation, President Kelvin Maxwell thanked the sponsors Royans Truck and Trailer, Montrae Mining, Brian Monahans Pharmacy, GM and A Connellan Electrical, Wayne Ambrose Plumbing,

IT'S YOUR CALL

by Bill McCarthy

Your refereeing duties have placed you in a situation where you are faced with both experienced and novice shooters who are partially closing their gun in readiness for their next shot. The gun is pointed "down range" or, if you like, towards the trap house. You are uncertain as to your action,

What do you do?

It's Your Call

Well there is no direct ruling you can make as to a won or lost target. However, this is clearly a safety matter and should be address in accordance with our rules on safety. Therefore, if you simply warned the shooter that he is breaching the safety rules you would be quite correct. Naturally, that warning should be done immediately it occurs.

Clearly, there is a need for you to remind the shooter that under Rule 1.01(e) "All guns must remain fully open until the result of the previous shot has been called." Similarly, GRTS 9, also addresses this procedure.

GRTS 12 requires the Referee to speak to the shooter immediately that any breach of the safety rules are broken. While there appears that there is no direct penalty that the Referee can impose, continued non-compliance should be refereed to Club Management which has the power to act under Rule 1.01(k).

While some of these instances have not been common in the past, there seems to be an interesting number of shooters who believe that their gun is deemed to be open when not fully closed. The rules are quite specific and fully open means just that.

This year the Carnival was held at the Melbourne Gun Club, the grounds looked just great and the weather was as if we had ordered it.

Ballandean Clay Target Club Celebrates 50 Years

Ballandean Clay Target Club held its 50th Anniversary 2 day shoot on 16/17 October 2010. Over 100 shooters from across Queensland, New South Wales and Victoria attended the celebrations, braving horrendous weather conditions on Friday night and Saturday.

Harvey Smith, son of founding member and club president of 23 years Chub Smith launched his book, Ballandean Clay Target Club – Early History 1960-1983 during the weekend, and presented QCTA Historian, Col Witt a copy of the book for the QCTA Hall of Fame. Since the launch, copies have been received by the ACTA Hall of Fame, the local Stanthorpe Library, the State Library in Brisbane, and the National Library in Canberra.

Following the book launch, Mr Smith, along with Gerard Lynam (son of founding member Jack Lynam), Ron Sonogo (Club President 1984-2000), Angelo Puglisi (member since 1960), and George Costanzo (current President since 2000) cut the 50th Anniversary Cake.

Saturday's events saw only two possible for the day with gale force, icy winds hampering shooters best efforts. Robbie Dean of Gold Coast shot 50/50 to take out the Ballandean Estate 50th Anniversary 50t Double Barrel, and Condamine's Clayton Cusack taking out the 25t Points Score with 75/75. Local shooter Terry Rogers posted a creditable 27/30 to take out the 15

pair Double Rise in extremely difficult conditions.

Sunday provided far better conditions for Clay Target shooting with three possible shot in the first event. Gold Coast shooter Shane Fitch held on to win with a 60/60 after a shoot off with Quinto Porfiri (Sunshine Coast) and Mark Drain (Tamworth).

No possibles were posted in the much coveted Stanthorpe Rural 1000 50t Grade Meterage. Five of the 114 shooters contesting the event shot 49/50. Mark Drain,

Winner Ballandean Teams Match – NSW

Sam Nucifora (Redcliffe), Neil Cracknell (Maryborough Vic), Joe Rapisarda (Brisbane) and 14 year old local Sahra Costanzo all nervously went into the shoot off keen to take home the \$1000 for first. Neil Cracknell proved too strong winning the event, Joe Rapisarda was second and \$500 richer. Sahra Costanzo proved she was no pushover taking out third and \$250 and Mark Drain took out fourth and \$100.

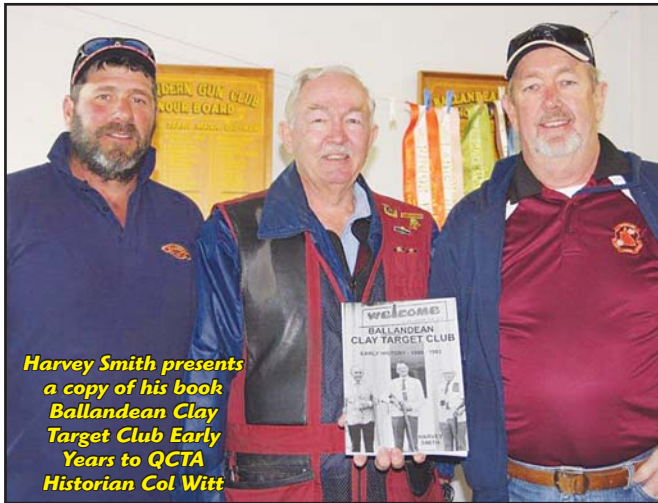

With the individual events finalised and the High Guns worked out, the 24 men and 6 women selected from the Points Score event stepped out onto the layouts to battle for state pride in the Ballandean Teams Match – Qld v NSW. For the Open Teams, Queensland's Clayton Cusack, George Costanzo, Dean Cusack, Keith Noud, Terry Rogers, Robbie Dean, Daryl Stevens, Tony Rogers, Grant Mason, Jim Edmonds, David Caccioppoli and Sam Canniz-

zaro took on NSW's Rod Moody, Gerard Lynam, Brian Kneipp, Tony Ryder, Clyde Mitchell, Kim Nealon, Mark Drain, Phil Westbury, Ian McDonald, Kevin Harding, Andrew Uphill and Terry Haynes. The Ladies Teams Match saw Queensland's Kylie Green, Leah Costanzo and Sahra Costanzo fight it out with NSW's Therese Montgomery, Helen Finch and Jenny Haynes.

Much to the disappointment of the Queenslanders, the NSW were too strong for Queensland, with both the Open and Ladies Teams winning, taking a NSW clean sweep of the event.

Ballandean Clay Target Club would like to thank all of its sponsors for the weekend, particularly Stanthorpe Rural & Hardware and Ballandean Estate for their continued support of clay target shooting. Ballandean State School P&C once again provided an excellent canteen for the weekend along with supplying a group of ener-

getic and hard working trappers, Ballandean Club members are sincerely grateful to the School P&C for their support of the Ballandean Clay Target Club.

2010 VCTA North West Zone Carnival

The VCTA North West Zone Carnival for 2010 was conducted during October at the Maryborough Gun Club. Due to the effort put in by club members prior to the Carnival the grounds were in superb condition and a welcome sight for the arrival of the shooters. The weather was fine but overcast. Seventy-five shooters were in attendance to compete for the 4 events, high guns and a position in one of the teams to represent the Zone at the State Carnival at Echuca in November.

James Peatling

With a 10.00 am start the first event of the day was the 25 target Points Score Championship. With some good shooting from a number of competitors it came down to 2 shooters, James Peatling from Cohuna and Colin Dunn of Callawadda-

Stawell shooting for the title. James took out 1st place over Colin with a score 150/150.

Event 2 was the Single Barrel Championship which was won by Wayne Hawker of Jeparit. Wayne shot a score of 45/45 to defeat Graham Menhennet from Sebastopol on 44/45.

Event 3 was the Double Barrel Championship - the event everyone would like to win. Warrnambool shooter, Gerald Hose took

But Colin didn't miss out as he was the AA grade High Gun on 154/162. A grade was Dallas Ball on 143/150, B grade was shared by Murray Schaper and Fiona Dobbins 135/150 and C Grade went to Nathan Dobbins 135/150. ZZ SYDNEY AUSTRALIA COMPETITION

Date Friday 3rd September 2010. Venue Griffith Gun Club, NSW. Attendance 37 shooters. Weather Slight wind & cloudy.

Marcello preparing to shoot

Lee & Rex O/A winners

The ZZ Competition was held Friday before the Griffith Gun Club Casella Wines annual 2 day DTL shoot.

Friday morning saw a beautiful clear day after a quick downpour the night before (luckily just after we had set everything up). Practice got underway around 9.30am and by 12noon there were 37 names on the scoreboard. Most shooters coming just to shoot ZZ, then staying on for an interesting weekend of DTL. We had shooters come from as far afield as Tasmania, QLD, SA, but with most from Vic and NSW.

The fence was setup at 21m with the shooters mat set on 25m and the traps set to the weather conditions.

This is the first time we have had so many competitors shoot a possible 25/25 birds Lee Fitzgerald, Rex Piastrri, David Neilsen & Mick Tannous, with 5 shooters finishing on a 24/25.

1st Sweeps (10/10) . Competitors were in the Super Sweeps as well. Glenn Barton, Lee Fitzgerald*, Luke Kirkby, Rex Piastrri, Marc Crimmins*, Dave Neilsen*, Mick Tannous*, Nidal Asmar*(ISSF king pin), John Tannous*, Alf Gugliamo (Mr Invisible), Anna Shedrina.

2nd Sweeps(10/10). Glenn Barton, Ben Vogelzang, Lee Fitzgerald*, Rex Piastrri, Marc Crimmins*, Dave Neilsen*, Mick Tannous*, John Tannous*, Alf Gugliamo (Mr Invisible), Anna Shedrina.

3rd Sweeps (10/10). John Maxwell, Glenn Barton, Lee Fitzgerald*, Colin Saxton, Lou Rech, Rex Piastrri, Jimmy Ellis, Dave Neilsen*, Neil Cooke, Mick Tannous*, John Tannous*.

4th Sweeps (10/10). Lee Fitzgerald*, Rex Piastrri, Dave Neilsen*, Randall Vitkus, Mick Tannous*, Nidal Asmar*, Marcello Casella.

O/A winners Lee Fitzgerald & Rex Piastrri, after 12 ZZ birds in the shoot off, due to light fading they decided to split. 3rd went to David Neilsen (25+10/11), 4th went to Mick Tannous (25+3/4)

One of the best shots of the day would have to go to Rex Piastrri after all his problems with his eyes to still come out & shoot a terrific score and be a winner, Well done Rex!

Thank you to Marcello Casella, Alf Gugliamo (president GGC) and the board of directors, Steve & his wife & Yenda Primary School for help with the canteen. We would also like to thank Neale Guy & of course Shelly, Chris & Sammy, Colin Saxton, Lee Fitzgerald, Sheree & kids, Elton & Kathy Chetcuti, Darcy, Holly & Finn for all their help in packing up.

We were very happy with the number of shooters that turned up to support & enjoy shooting ZZ despite bad weather being predicted over the weekend.

SOUTH WEST ZONE CARNIVAL

Warrnambool Clay Target Club – 30th October 2010

The 2010 South West Zone Carnival was the first Zone Carnival to be held at Warrnambool CTC new ground.

The Warrnambool members put in a lot of hard work preparing for the carnival and had the place looking at its best. The weather however was another story, flood warnings were issued for the area with 100mm of rain predicted.

We were expecting big numbers for this shoot but with the weather not playing the game those expectations went out the window.

Forty-five diehard shooters squadded up for the first event 25tgt Zone Handicap.

Once all the scores were in we had a skinner Nathan Telford (Noorat) taking out first place with 25/25, 2nd was Sam Clifford (Noorat) 39/40, 3rd James Hayden (Noorat) 40/42, 4th Jeff Dumesney (Warrnambool) 39/42 and Peter Mills (Frankston) took out the Back Marker 28/30.

After the Handicap the rain cleared and conditions were not too bad for the remainder of the day just a cold wind and a little drizzle.

MARYBOROUGH GUN CLUB

Harold Cracknell Memorial

On Saturday 27th November the Maryborough Gun Club conducted the 14th Harold Cracknell Memorial. As you can see from the photo above, with 70 mm of rain falling in the two days prior, the ground simply could not absorb anymore water.

A further 30mm fell during the course of the day, the small drain levy that diverts the water around the layouts overflowed and to get to the trap houses shooters had to wade through water well over their shoes. During the day trap houses had to be pumped out and Don Robinson, one of the inaugural club members stated that he had never seen, in the history of the club, as much water as on this day.

One of the local reservoirs, Cairn Curren reached full capacity and the flood gates had to be opened. Around midday, newly appointed Club President Ashley McKnight was called away, when the small township of Baringhup where he resides, and situated just below Cairn Curren had to be in-part evacuated.

All this led to a much smaller attendance at the shoot and was a great disappointment to both the club and the Cracknell family.

Nevertheless those who competed enjoyed the day and some excellent scores were still shot despite the conditions.

In the first event, the Cracknell Memorial, the overall winner was Neil Cracknell (Harold's son) who shot a 58/58. Second in AA went to Darren Watts 30/31. The A grade winner was Jim Shepherd 57/58 and second in A grade was won by David Oates (Castlemaine). In B grade Darcy Watts came in first with Don Robinson second. C grade went to new club member David Petrie whose wife Claire was attending her first shoot as the new Maryborough club secretary. Second place in C grade went to Lyndon Varney of Beaufort.

Event 2, the Club Handicap, was won

by Bill Iles. Second place went to Neil Cracknell, third place to Murray Schaper (Sebastapol) and David Oates took home the trophy for fourth.

In the third and final event, the Club Deauvilles, Bill Iles and Neil Cracknell, were the eventual winners, mostly thanks to Bill's uncanny ability to pick up Neil's target. Both shooters had a great day in the winners circle.

Second place went to Peter Tate and Jim Shepherd.

The Club would like to thank the Cracknell family for their generous sponsorship of the Memorial event sashes.

Five of the winners, L-R: Darcy Watts, David Petrie, Don Robinson, Murray Schaper and Lyndon Varney
