National President's Notes

The ICTSF World Sporting Clays have been concluded in New Zealand and congratulations to Renae Birgan for taking the Overall Womens section. Damien Birgan and John Younger finished in the top 6 Overall, and our Super Veterans team of Murray Sutherland, Max Kavanagh and Bryan Rafferty took out the Overall in their category, well done all. A complete set of results and photographs appear elsewhere in the magazine.

The World ICTSF body met in New Zealand and several decisions that will affect ACTA were made. All future

ICTSF events ie: Sporting, Skeet and DTL are to be conducted under the CPSA rules. This means if we are to conduct the ICTSF World Skeet in 2012, the event must be shot English Skeet. England also advised that effective immediately they will not be funding any overseas teams, in any discipline. The CPSA is the largest member of the ICTSF and we hope they will reconsider this matter. The CPSA decision will not help attendance at the World Skeet. Indications are that teams will be definitely present from both Irish groups and New Zealand. Canada has now joined the Federation, for the Sporting Clays discipline.

Discussions were held between myself and NZ Pres Keith Livingstone regarding the proposed ISSF Glenn Cup style match. It has been agreed to start this competition in 2012, the format most likely being an Open Trap team shooting shoulder to shoulder, conducted even years in New Zealand and odd years in Australia.

The newly formed Legal and Governance committee is already active with one conflict of interest matter and a review of our suspension procedures before them for consideration. The committee is comprised of Allan Vilcins (Chair) and Rob Fox both from the Board and Kelvyn Prescott and Ms Kay Hull. Kelvyn comes from a judicial background and many would know Kay as the former Wagga Wagga deputy Mayor and Member for Riverina. Kay has had previous involvement in Sports judiciaries. I thank these persons for taking on volunteering for this onerous and sometimes unpleasant role.

Moving towards the Trap Nationals next month it would be remiss of me not to mention our sponsors. I thank them all for their continued support of our association. You will have seen the impact that the global economy has had on the likes of Harvey Norman and Myers with online purchases eroding their sales. The same effect is being felt by some of our sponsors who are competing against "Grey Imports" ie. goods coming into Australia via avenues outside of the brands Australian agents. I suggest that before making any purchase of this type you carefully consider the

effect this is having on our sponsors, some of whom are large financial contributors to our sport. There are also warranty and after sales service issues to be considered when making a purchase outside of the factory backed Australian Agents.

Good luck to all for the Nationals.

Until next month,

Robert Nugent

PRESIDENT'S ANNUAL REPORT 2010

As the President of the Australian Clay Target Association (ACTA) it is with pleasure that I bring you my 2010 annual report.

Our membership for the 2010 year increased from 2009 by 519 to 13040 members. Whilst this is a substantial increase, full member category was down by 489 with a large increase in veterans and club only members.

The Association traded well during the year showing a profit of \$281,167. This income stream continues to fund development on the National ground without any borrowings.

The Association assets remain insured with Zurich Australia Insurance Limited and adequate public liability and Association liability covers all levels of administration.

Our 2010 ISSF National Championships were conducted at Brisbane Gun Club with 189 competitors. Thank you to the Club for the presentation of the facilities. They were a picture.

The National Trap Championships were held at the national ground in Wagga, NSW, over the five days of the national championships 2,226 entries were received. Those in attendance would have noticed the continuing upgrade of the facilities.

Our National Skeet Championships were held at the National Grounds in May and there were 149 shooters with attendance being on par with previous years. Organisers received a number of positive comments about the operation and use of the wireless target release.

During August our National Sporting Championships were held at the National ground with a team being selected to travel to New Zealand.

Attendance was 78 shooters which was disappointing considering National teams were to be selected based on performances. The team competed in the World Championships conducted by the International Clay Target Shooting Federation (ICTSF) in 2011 in Paeroa, New Zealand.

Australia returned successfully from the ICTSF World DTL competition in South Africa with Darryn Nicholls winning the overall world championship and Jack Collicot winning the Junior World Championship. Congratulations to both shooters from all of the membership. Congratulations to the team which competed in Delhi in the 2010 Commonwealth Games with Michael Diamond and Adam Vella winning the Gold Medal Men's Trap Pair and Michael winning the Silver medal in the Men's Trap Individual. Laetisha Scanlan and Stacy Roiall equalled the men's effort in the Women's Pairs Trap to win the Gold medal. Well done to all competitors for their efforts.

The junior development squad has been expanded with the introduction of an 18 – 23 Youth Development Camp in addition to the existing under 18 squad. The National coaching director Mr Graeme Boyd and his staff ran a number of Junior Development camps and our appreciation is extended to Graeme and his team for their continued support in the delivery of this program.

The National Office had only one major change during the last year. The National Executive Officer, Tony Turner resigned from his position in November for personal reasons. Board member Peter Haley voluntarily acted in this position until the close of this year. Note: The new Executive Officer, Mr Chris Gibson was appointed after the selection process and commenced on the 21st of February 2011. Following the resignation of Ally Taylor, Judy Ferry moved to the accounts position and Jenny Robinson was appointed as our receptionist. To all our staff at the National Office and grounds your efforts have once again been greatly appreciated.

The Executive changes for the year has seen Mr. Don Johnston replace Mr Daryl Pasfield as NSW delegate. Mr. Garry Reid replaced Mr. Gerard Hopgood as the South Australian.

John Mack resigned as Queensland delegate and his position is yet to be filled. Welcome to Don and Garry and the associations appreciation to both retiring executive members Daryl Pasfield and Gerard Hopgood for their years of service to our association. A particular thanks to the time and effort provided to the Association by John Mack for his time as executive member and more particularly his three years as President.

Progress on the National grounds has been made with the completion of the power upgrade, barbeque area, layout seating and the extra three layouts. Planning and costing has begun for an additional water, gas and sewerage main on the northern end of the ground. The now approved mains are to service a new ablutions block and more powered sites to be sighted behind layout 12. Flooding on more than one occasion during the year has held up ground development, with three trap houses having to be re-installed.

I would like to take this opportunity to thank my fellow Executive Members, Chairpersons of committees and Board Members for their support, time and effort that they each contribute to the running of our association during the year. Involvement in the executive requires a large commitment of time by its members for attendance at meetings, for example each Board member has a commitment of 16 days for travel and attendance at Board meetings. In addition a large amount of time is volunteered by executive for development and consideration for ACTA policy areas as well as their state and club responsibilities. Without the voluntary support of members at all levels our sport would not be as successful and enjoyable as it is. Thank you to all members who keep the wheels turning.

Robert Nugent

President, Australian Clay Target Association

Membership Policy as per Australian Clay Target Association Incorporated Statement of Purposes and Rules

38.1 REGISTRATION WITH THE ASSOCIATION

The Association shall keep a register of shooters and no person may enter or compete at an Association competition, event, or at any competition or event conducted by a Member State or Member Club appointed for that purpose, unless such person is registered with the Association as a registered shooter and is not in arrear with his or her registration fees.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN CLAY TARGET ASSOCIATION INC.

Scope

The concise financial report and the directors' responsibility

This concise financial report comprises the committee report, income statement, balance sheet, statement of changes in equity, cash flow statement, notes to the financial statements and the statement by the committee for Australian Clay Target Association Inc. (the association), for the year ended 31 December 2010.

The committee of the association is responsible for the preparation and true and fair presentation of the concise financial report in accordance with the Incorporated Associations Act 1981 (Victoria). This includes the responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

I conducted an independent audit in order to express an opinion to the members of the association. My audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

I performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Incorporated Associations Act 1981 (Victoria), including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the association's financial position, and of their performance as represented by the results of their operations and cash flows.

I formed my audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While I considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of my procedures, my audit was not designed to provide assurance on internal controls.

Independence

In conducting my audit, I followed the applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In my opinion, the concise financial report of Australian Clay Target Association Inc. is in accordance with:

- (a) the Incorporated Associations Act 1981 (Victoria), including:
- (i) giving a true and fair view of the association's financial position as at 31 December 2010 and of their performance for the year ended on that date; and
- (ii) complying with Accounting Standards in Australia; and
- (b) other mandatory professional reporting requirements in Australia.

MORWELL GUN CLUB oh what a year

Morwell is located in the heart of the La-Trobe Valley 150 km east of Melbourne.

Morwell Gun Club has had their best year ever in team events since their formation as a gun club.

The club took out the local Budge Shield, The South East Zone teams and our ladies the Taipan Shield and two of our members shot in the successful three women zone team at the State titles.

The Budge Shield is comprised of six rounds of twenty five target handicap, one round at each Gippsland club, the team is picked from the best five scores to count, of which Morwell won four rounds and finished nine targets ahead.

The South East Zone teams shoot is conducted over two events, twenty five targets handicap and twenty five targets double barrel with the teams picked before the shooting starts. There are four rounds held at different zone clubs and the zone final held at the Zone carnival at either Frankston or Melbourne.

Taipan Shield R-L Jen Cleal, Carol Stokes, Pam Widdows, Megan Boast and Brooke McMillan

These team shoots are hotly contested with over one hundred shooters at the rounds and over one hundred and thirty at the final.

Morwell won two rounds and went into the final round three targets behind Melbourne and as the final was at Melbourne Gun Club had the job in front of us, but good shooting by our team saw Melbourne and Morwell tied, and after the shoot off Morwell was one target ahead and 2010 premier team winners.

The three member ladies team is picked from the Zone final single, double and points with the three members to represent the zone at the State titles at Echuca.

Morwell had two members Brooke McMillan and Megan Boast in the zone team and along with Tina White from Melbourne GC also won this event.

The Taipan Shield is different to the other teams shoot in that it is a postal event for ladies only shot over twenty five target points targets to count and the points are used in case of a draw. The team consists of five members of which three have to be from one club.

The Morwell team consisted of four Morwell and one Traralgon member and at the end of the day they shot 117/125 a score that was good enough to complete the great year of team shooting for the Morwell Gun Club, well done.

* The photo will need to be picture-ready for publication in the magazine (no touch-ups required).

* Must be of Clay Target shooting or related to a shooting event.

The Squire reports from West Wyalong

There were only three squads of shooters at the first shoot of the year held at the West Wyalong Clay Target Club late in January.

Although the weather was hot the program got underway on time and after the traditional Eye Opener shooters were called for 25 Targets Continental.

Matt Schiller showed that the Christmas break had not worried him when he shot the only possible to take out AA Grade. Kate Schiller took out A Grade 23/25 and James Turner shot a very respectable 23/25 to be the B grade winner. Anthony Pullen, a new shooter from Weethalle and in his first visit to a competition trap event won C Grade 18/25.

Travelling all the way from Yass in the hot weather, Matt Patmore also shot the only possible to be the overall winner of the 50 Target Continental Event.

Matt Schiller and Dozer Collins had to be content to share AA Grade after each dropped a target 49/50. Kate Schiller continued on her winning way in A Grade 48/50 and James Turner in a march towards A Grade won B Grade 48/50. In a return to the traps after an absence of some months Russell Brown clinched C Grade 45/50.

Don Turner showed a return to form when he won the Handicap Event 25/25 from three shooters, Wayne Ambrose, Russell Brown and Matt Schiller 24/25.

The new traps at the club make the adjustments to shoot Double Rise easy and the club will shoot more of this event during 2011.

Matt Patmore was an easy winner in the 20 Pair Double Rise shooting 38/40 to win AA Grade. Kate Schiller completed a clean sweep by winning A Grade 33/40 and James Turner won B Grade 21/40. Russell Brown was enjoying his return to clay target shooting winning B Grade 31/40.

High Gun on the day was Matt Patmore.

It was pleasing to see two new shooters at the club and we hope to see more of Anthony Pullen and Luke Greenwood at our monthly shoots.

Olympic Trap Shot at Echuca

Sunday the 13th of February saw five full squads of shooters arrive at the Echuca Clay Target Club for the clubs 3rd shoot for 2011, which included a 25 target Olympic Trap event, a very popular discipline at Echuca, and every shooter participated in that event.

Being a graded cash divide event there was no need for a shoot off to decide an overall winner as it was broken down to three grades having 1st and 2nd, and A grade 1st winner was Cosgrove member Russell Felmingham, who shot a 22/25 result, local member Craig Fitzgerald picking up 2nd in A on a 21/25, B grade was an all Echuca affair with Steve Traill on a 23/25 collecting 1st and Mellita Northausen 2nd with a 22/25 total, C grade 1st went to Echuca's Ian Phillips who shot a 22/25, and Deniliquin member, Ned Collicoat, picked up 2nd place cash with an 18/25 result. These scores are really quite good considering that although the weather was clear and sunny there was a very aggressive wind blowing that was making it very difficult for the shooters in this already very difficult discipline.

A 25 target, Continental Double Barrel Championship, was the 2nd event, and after a shoot off that lasted another 28 targets there was an Overall Winner, Echuca member, Rob Viney, shooting his 53rd target to claim that honour after Steve Traill pushed him that far, but then failed to hit his own 53rd target, Rob also claimed 1st in AA grade with his excellent 53/53 result, 2nd place in AA went to Steve, one target down, with a 52/53 score. A grade 1st was G Palmer 50/51, A 2nd Peter Sing 28/29, B 1st Leanne Harbor 21/25, B 2nd Kurt Northausen 19/25, C 1st P Keck 20/25, and finally 2nd in C Grade went to local member

Barry Rogers with a result of 17/25.

A 20 Pair Double Rise Championship was event three, and a five pair shoot off was needed to decide an Overall Winner and that honour went to local member Steve Atkins, Steve shooting a 46/50 result to take the Sash, and also the 1st in AA Grade trophy. Deniliquin shooter Rob Collicoat pushed Steve to his win, but could not keep up the momentum in the shoot off, scoring a 44/50 to secure 2nd place in AA Grade. Tony Bradshaw collected 1st place in

A grade with a 29/40 score, and Ned Collicoat picked up 2nd with a 45/60 result, B Grade saw L Harbor shooting well on the day to collect 1st place with a 31/40, and K Northausen to claim 2nd in B with a 23/40 result, C Grade was claimed by B Rogers with a 19/40 score.

Finally the last event, the Echuca Club Mug, a graded handicap shoot, finalised to the last shooter still hitting targets by moving back a metre each time they successfully hit the target, and Steve Traill did just that, and being the last man standing earned himself a very handy \$130 dividend.

It was a very enjoyable shoot, well run, and finishing early, giving the travellers plenty of time to drive home in daylight, and the Echuca committee wish to thank everyone for attending.

Tyagarah CTC Ken Gibbon Memorial

Another year had rolled by and I was on time to hold our annual gathering in memory of our old mate, Ken Gibbon.

This year the event was held at Tyagarah grounds. Being a 1 layout club, it was all hands on deck preparing for the day and making sure all went smoothly. Early start saw a mass of activity. Northern Zone President, Noel Edlington, likened the scene to ants busy at work. By 8.30am we were ready to take nominations and get the squads started.

Five squads lined up to a fine & humid day with shooters coming from the Gold Coast, Richmond River as well as Tyagarah members. First 2 rounds of D/B & PTS saw some good scores shot by visitors- which made the locals stand up & take notice. Lunchtime saw some very close margins in some grades, with strategies being discussed over a lovely meat and salad lunch prepared by our hard working ladies. With an hour off for lunch it was back into the final round of 25 tgt S/B. With 1 point between AA

Sash winners L-R A: K O'Brien, B: B Conduit, AA: R Turner, D: S Reichmann

& A shooters the pressure was well and truly on for the locals to perform and try to keep the prizes in NSW.

AA shooter, Ray Turner (President of Tyagarah) carried the club flag winning by 1 point 116/125 over Gold Coaster T O'Leary 115/125.

Kevin O'Brien A Tyagarah shot very well 118/125 to win by 4 points over RRG member, Harold Batson 115/125. B grade saw Brent Conduit, Gold Coast 113/125 win over fellow club member, T Crandon 98/125. C grade went to Mick Allot, Tyagarah 104/125 from fellow club member David Torresi 102/125. D grade went to Shana Reichmann, returning after a long time away from shooting.

With the presentation completed it was time to reflect on the day with some very tired Tyagarah members feeling pleased with the way things went. Lots of thanks to ladies in the kitchen for an outstanding lunch and Tyagarah members who stepped up to the plate and ensured Ken's day went smoothly.

Shana Reichmann, Secretary

2nd grade winners B: T Crandon, C: D Torresi, A: T O'Leary, B: H Batson

Bega Gun Club

2011 Tarraganda Shoot

Thirty-eight shooters faced the starters for the 2011 Tarraganda Shoot, one of the highlight shoots of the Bega Gun Club's calendar. The Tarraganda is shot in groups of 25 targets, beginning with 25 double barrel, then 25 single barrel, 25 points score and finishing off with 25 targets of continental. Participants came from Boorowa, Canberra, Goulburn, Cooma as well as Bermagui.

At the end of the afternoon, when all the results were calculated, the following were rewarded for their consistency.

In AA Grade, Ray Welch shot very well to take the prize with a score of 141/150. Runner up was regular Canberra visitor, Willo Cameron with a score of 131/150. Geoff Mills, also from Canberra, gathered up one more point than Charlie Smith to take out A Grade 141/150 to 140/150

Veteran, Ray Kearns, showed the young fellows in B Grade how it was all done,

winning with a score of 135/150. Second was Shane Platts with a score of 135/162. Ex President Shane had to survive a shoot off with current President Phil to secure his second.

C Grade provided some serious effort on behalf of winner, Lindsey Campbell. Having two sons in the same grade, the pressure was on, especially when one jumped ahead after the first 25 targets. However, age and experience, along with a fair deal of "bagging" by fellow older C Graders, kept youth at bay and Lindsey emerged the winner with a score of 132/150. Illawarra visitor, Scott Cook collected second with 124/150 for the day. The young blokes have of course sworn revenge on Dad next shoot.

Highlight of the day was the effort of junior, James Ewart. Showing great shooting skill, James took out the overall trophy for the day with a score of 142/150, an outstanding effort from a young shooter, who impressed all with his acceptance speech, following the presentation of the Champion's Sash. It is hoped we will see more of James at future shoots.

The club is fortunate in that we are gaining young shooters who are keen to develop the self-discipline and skills associated with the sport. It is especially great to see girls taking up the sport and the club would like to welcome Lauren and Nicole Body to its ranks.

Also, only a little older, we welcome Lindsey Campbell, John Gray and Dale Hurt to our ranks. Bega Gun Club hopes you all enjoy all that the sport can offer.

In other Club news, the Club now has three qualified testing officers for people wishing to do their Firearms Safety Course. Courses will be conducted at the Club on shoot days as required. To register your interest in completing the Firearms Safety Course, and to obtain a clearer picture of what is involved, interested people are invited to contact the Club.

Glen Innes Clay Target Club SAPPHIRE OPEN SHOOT

On Saturday and Sunday, 5th and 6th of February, Glen Innes Clay Target held their Sapphire Open Shoot and Andrew Futter Memorial. The weather was fine and warm and a great weekend was had by the 59 shooters present.

Many thanks to all the travelling shooters from NSWCTC, Richmond River, Inverell RSM, Warwick, Moree, Camel Hill, Guyra, Kempsey, Grafton, Coffs Harbour, Kingaroy, Brisbane, Toowoomba, Ballandean, Tamworth & Cobar clubs & our local members who helped make our shoot a success. Thanks to Kae, Loma, Marie, Maree, Leonie and all those who helped with the catering over the two days. Thanks to Neil, Paul, Helen and Tracey for running the office and all the members that help get ready for the shoot during the weeks and days before hand and on the two days of the shoot and a thankyou to the visitors who helped out in any way.

Andrew Futter Memorial

On Sunday, a plaque was unveiled in memory of life member, Andrew Futter for his contribution to the Glen Innes Clay Target Club and clay target shooting in general, by his mother, Judy Futter. Others witnessing the event were Andrew's family, Club Patron – Don Hall, the Glen Innes Club Clay Target Club committee and members, and the visiting shooters.

WAGGA WAGGA GUN CLUB

6th Golden Crow 2 Day Shoot

The Wagga Wagga Gun Club held its 6th Golden Crow 2 day shoot on February 5th & 6th. The weather conditions were mixed, hot then afternoon rain on Saturday, cold and windy on Sunday. Congratulations to all winners.

We had 3 x 30 target events on Saturday. Sunday's program was 1 x 30T Mixed Championship and the Golden Crow 100T Points Score.

The scoreboard featured lots of "red". The highlight of Saturday's events came at the end of the day, with the shoot-off for the OA Double Barrel. 25 shooters shot the possible. The shoot-off was whittled down to 4 shooters, Jeff Nash (Veteran, AA), Emma Cox (Women, AA), Matt Schiller (Junior, AA), Matt Patmore (Open, AA) all were shooting extremely well in the conditions that had

deteriorated to grey and rain. A result was reached at approx. 8pm, Jeff and Emma had been eliminated earlier. Matt and Matt continued on until the end, Matt finally the winner with a great score of 265/265. You probably want to know which Matt. Congratulations to Matt Schiller.

The Golden Crow was shot for on Sunday. Shooters travelled from Sydney, Victoria and all parts of country NSW to compete for this prestigious trophy. Excellent scores reflected the high standard of shooters competing for the Golden Crow trophy.

CASTLEMAINE CLAY TARGET CLUB Perazzi Central Goldfields Challenge

Sash Winners: L-R – Tony Moroni, Geoff McClure, Doug Richardson, Jim Shepherd, Greg Passalauqa, David Oates and Wade Canny

On Saturday the 12th February, a total of 42 shooters attended, with shootoffs being necessary in all events for placings.

Shooters travelled from as far afield as Hay, Ararat, Stawell and Mornington to compete along with local shooters from participating clubs. Over the days events some great shooting skills were displayed.

Phil Headon from the Hay Gun Club put in a very impressive performance to shoot a possible in the Ball Trap event. This is perhaps the first time a 50/50 has ever been shot over the quite difficult Castlemaine ball trap layout.

2011 National ISSF Championships

WEST AUSTRALIAN GUN CLUB

The National Olympic discipline of clay target shooting recently held the National competitions at the West Australian Gun Club situated out at the International Shooting complex Whiteman Park from Monday 17th through to Saturday 22nd January during extreme hot weather conditions.

Competitors from all around Australia and overseas participated over the 6 days including Gold medal champion Olympians Michael Diamond, Russell Mark, Adam Vella, Suzy Balough and Lauryn Mark. The Minister of Sport and Recreation Mr Terry Waldron MLA was present to welcome competitors and visitors to WA and The WA Gun Club was pleased to be able to thank the State Government through the Department of Sport and Recreation and also Lottery West as major supporters of clay target shooting by way of facilities and equipment at the Whiteman Park complex.

L - R: WACTA President Terry Marsden, ISSF Captain Peter Piere, the Minister Mr Terry Waldron MLA, ACTA and Tournament Director Elaine Forward, WA Gun Club Representative Terry Hearn and ACTA Executive member Robert Fox

Even though there were a lot of interstate competitors and with the 2012 London Olympics only 18 months away our WA competitors performed extremely well. Shooters have to qualify to make the Australian team over a series of events. Local Skeet shooter and Olympic hopeful Laura Coles finished overall third in the women's skeet championships and this time it was Lauren Mark who won the

women's skeet championships. In the Men's open skeet our up and coming WA champion Luke Wakeling made the finals under the watchful eye of the Australian Coach.

Other WA event winners were B Grade ISSF Double Trap Commonwealth Championships local Peter Boylson who made it into the top 6 for the finals but this event was won by Olympic gold medallist Russell Mark. The

Skeet National Championship – David Cunningham 3rd, Clive Barton 1st and George Barton 2nd

Mens Trap Commonwealth Championship – Nino Pedulla 3rd, Michael Diamond 1st and Adam Vella 2nd

Suzy Balogh presents Junior Lady Kelly Coogan with the Junior National ISSF Trap HG trophy

Michael Diamond won another National championship and also being crowned the High Gun champion of the 2011 ISSF National Championships.

Another great achievement was the ISSF Skeet Team results which were won by WA and hearty congratulations to Luke Wakeling, Steve Coghlan and Steve Saunders. This is the first time ever that WA has won this team's event. Here in WA we are showing the rest of Australia that we have some serious competitors especially in ISSF Skeet

Frank Minici with Michael Diamond, O/A Mens Trap

Craig Henwood shooting in the Mens Final with a flash target

National Champions for Double Trap was also won by Russell Mark and this time B grader Dave Carrol won the grade medal.

Our WA ISSF Trap shooters represented our state extremely well with Kalgoorlie shooter Royce Normington winning C Grade and Michael Diamond was the Commonwealth Champion.

The National championships event had Jason Oliveri win the C Grade medal and again

This Olympic discipline here in WA is being strongly supported by the Department of Sport and recreation and developed by the WA Clay Target Association and the WA Gun Club who have the best facilities in Australia. Coaching programs are already under way to assist competitors and from the results from these Nationals just proves that here in WA this Olympic sport is alive and numbers are increasing.

VCTA 2011 STATE SKEET CARNIVAL

Melbourne Gun Club

IT WAS A WEEKEND OF ALL SEASONS that saw some of the best skeet shooters in Australia converge on the Melbourne Gun Club for the Victorian State Skeet Carnival, February 4th, 5th and 6th. The sun, rain, humidity and wind didn't stop the 73 shooters from Victoria, New South Wales, Queensland, South Australia and Western Australia making their way to the beautifully presented grounds for a weekend of great shooting and great company.

Friday the 4th of February saw a very humid day with a few rain showers that did nothing to bring down the temperature. The 50 target Victorian State Skeet 20 Gauge was the first event to be shot, and the bar was set high early, with David O'Sullivan, Eddy Elder and Blake Slater all posting 50s on the board. After a brief shoot off, Blake Slater emerged victorious to take the overall with a score of 55/55.

There were plenty of shooters just on their tales, and after a number of shoot offs the results were finalised.

Blake Slater 20g winner

Overall: Blake Slater Vic 55/55, AA 1st: David O'Sullivan Vic 50/51, AA 2nd: Shane O'Brien WA 81/83, A 1st: Eddy Elder Vic 54/55, A 2nd: Laurie Durham Vic 61/62, B 1st: Jim Turner Vic 50/51, B 2nd: Reg Petts NSW 49/51, C 1st: Tom Laber Vic 48/50, C 2nd: Wally Diston Vic 45/50, Ladies: Lorraine Hughes QLD 48/50, Veterans: Reg Petts NSW 49/50, Juniors: Eddy Elder Vic 50/50.

The second event on Friday the 4th was the 50 target Victorian State Skeet Handicap. Although the showers increased as the afternoon wore on, the rain did nothing to dampen the skill levels of the shooters. After the initial 50 targets were shot, the shoot off commenced with about 6 squads of shooters still in the hunt as the shooters slowly dropped out so did the light, and

the remaining 3 squads were forced to retire for the evening and come back in the morning.

The shooters remaining in the handicap came back on Saturday the 5th of February to continue the shoot off. The heavens opened up and before long everyone was drenched, including the road leading into the gun club! Eventually there remained only one squad, and the top 5 places were left to be sorted out. First to drop out was Max Oakley, coming in 5th with a score of 133/135. Blake Slater and Christian

Leigh Roberts Handicap winner

Lagos both dropped out on the same target, and had to shoot off for 3rd and 4th place. 4th was awarded to Blake Slater, 147/150, while Christian Lagos finished in 3rd, 143/150.

With only two shooters left, Peter Finn from New South Wales and Leigh Roberts from Victoria, the rain continued to bucket down. Peter Finn was the last to go (not before shooting his first 50 break though!), with a score of 147/154, leaving Leigh Roberts to take the overall with a very impressive 154/154.

With the shoot off for the Handicap sorted out, it was time for everyone to head out into

the downpour and shoot the 100 target Victorian State Skeet Championship. Again the shooters seemed unbothered by the rain, with Mal Briggs, Gil Farish, Michael Buttigieg and Shane O'Brien all shooting possibles. (Congratulations on your first hundred Michael!) One lengthy shoot off later, (And Michael turning his 100 break into a 150 break!) the overall went to Shane O'Brien with a fantastic score of 166/166. The quality of the shooting was obvious as most of the grades and sections were decided with shoot-offs.

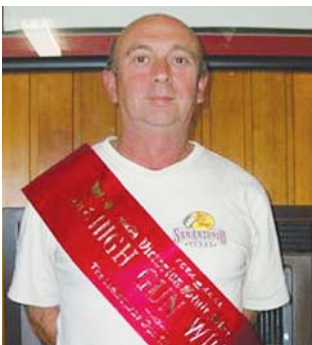

Shane O'Brien 100 Tgt winner

Overall: Shane O'Brien WA 166/166, AA 1st: Gil Farish Vic 158/159. AA 2nd: Mal Briggs Vic 108/109, A 1st: Michael Buttigieg Vic 165/166, A 2nd: Blake Slater Vic 99/100, B 1st: Barry Moss Vic 110/113, B 2nd: Reg Petts NSW 109/113, C 1st: Buster Brown Vic 88/100, C 2nd: Paul Ricupito Vic 97/113. Ladies: Linda Watson Vic 109/114, Veterans: Reg Petts NSW 97/100, Juniors: Christian Lagos Vic 101/104.

With the 100 target event concluded, and the rain still coming down, the Postal Teams still had to be shot, and the Shoulder to Shoulder teams decided.

Open Postal Team: Blake Slater (High Gun), Danny Sajin, Ben Dudenas, Glenn Clarke, Leigh Roberts, Michael Buttigieg, Steve Vaccaro, Justin Hayden, Brendon Pearson, Gil Farish, Hayden Mountjoy, Mal Briggs, David Jackal, Paul Johnston, Eddy Elder.

With the shooting finished for the day, but the rain still coming down, the shooters waited with bated breath to find out whether the shoot would continue on to the Sunday. With the drive way flooded, and the road in half underwater, the fate of the Victorian State Skeet Carnival was in the hands of the committee. All the shooters were told to check the website in the morning, and with little more that could be done, everyone went home and prayed to the Rain Gods...

Sunday the 6th of February saw everyone up early and logging on to their computers to find out if the shoot was still on. It was!! With a warning of 4x4's only, and an offer of ferrying those without them, everyone headed back out to the Melbourne Gun Club to shoot the last day of the Skeet Carnival. Almost everyone made it through the floods (there was a little car trouble for some!) and the preparations began for the first event of the day, the 50 target Melbourne Gun Club Skeet Champion of Champions. It was the maiden voyage for this particular event, which has replaced the 50 target VCTA Championship. The event is shot 25 12 gauge, 25 20 gauge and hopefully by next year, it will be ratified into a State Title.

The weather for Sunday saw a few more showers but this time with the rain came the cold, and everyone was rugging up against the harsh winds. Although the heavy breeze made the targets fairly difficult, some excellent shooting from Gil Farish and David O'Sullivan saw these two post another two possibles. Another brief shot later, and Gil Farish took out the overall with a score of 55/56.

Overall: Gil Farish Vic 54/54, AA 1st: David O'Sullivan Vic 52/54, AA 2nd: Craig O'Neill QLD 63/65, A 1st: Barry Moss Vic 54/55, A 2nd: Blake Slater Vic 53/55, B 1st: Andrew Daff Vic 48/50, B 2nd: Eddie Dzelalagic Vic 47/50, C 1st: Paul Slater Vic 44/50, C 2nd: Buster Brown Vic 42/50, Ladies: Lorraine Hughes QLD 47/50, Veterans: Sim-Hee Neoh SA 48/50, Juniors: Eddy Elder Vic 49/50.

The last event of the 2011 Victorian State Skeet Carnival was the 50 target Victorian State Skeet Doubles. The conditions were extremely trying as the increasing winds played havoc with the targets, and not to mention the very brave (or stupid) little possum that found a home in the high house chute of ground 5! Despite all of the distractions though, with an amazing score of 49/50, Eddy Elder won the overall, no shoot off required.

Overall: Eddy Elder Vic 49/50, AA 1st: Mal Briggs Vic 50/52, AA 2nd: Brendon Pearson Vic 48/52, A 1st: Laurie Durham Vic 48/50, A 2nd: Michael Buttigieg Vic 47/50, B 1st: Christian Lagos Vic 46/50, B 2nd: Bill Hine Vic 46/52, C 1st: Paul Slater Vic 42/50, C 2nd: Buster Brown Vic 40/58, Ladies: Lorraine Hughes QLD 43/50, Veterans: Bill Hine Vic 44/50, Juniors: Eddy Elder Vic 49/50.

High Gun winners

With all of the events of the Carnival shot, the only thing left to decide was the High Guns.

The Overall High Gun was won by Gil Farish, on 296/300. A massive congratulations to Gil, 4 targets down over a weekend of all seasons is a phenomenal achievement.

A shoot off was needed to determine the winner of the AA grade High Gun, and that was between Paul Johnston and Leigh Roberts, both on 293/300. After an extremely impressive display of shooting from both shooters over the weekend, Leigh Roberts came out as leader at the end of the 14 targets, with a score of 307/314.

The A Grade High Gun was won by Blake Slater, with a score of 294/300. Blake had a fantastic weekend of shooting, and has now moved up to AA. As a member of the ASSA, Blake also became the first recipient of the \$100 graded High Gun cash incentive offered by the association to all graded High Guns at State Skeet Carnivals.

Equally impressive was Barry Moss, who won the B Grade High Gun with a score of 279/300. Barry was also a recipient of the ASSA \$100 cash incentive, and with his great weekend, has moved up to A grade.

The C Grade High Gun went to Paul Slater, scoring 251/300. Paul had a very consistent weekend of shooting, and also received the ASSA \$100 cash incentive.

Once again, Lorraine Hughes showed her shooting quality by taking out the Ladies High Gun with a score of 274/300. A perennial top performer, Lorraine continues to have the men watching over their shoulders.

Reg Petts showed more of his fabulous form and won the Veterans High Gun on 278/300. An all round top bloke, Reg is an asset to the sport of Skeet shooting and a very fine shooter.

The Junior High Gun was won by Eddy Elder, with a score of 292/300. Eddy continues to impress with not only his shooting but his attitude as well.

With all the High Guns decided, that concluded the 2011 Victorian State Skeet Carnival.

I'm sure I speak for all of the participants when I send a massive thank you to the Melbourne Gun Club and everyone who helped out over the weekend, particularly Paul Johnston, Adrian Cousens, Steve Pellagrino and John Mollica who ensured the shoot ran smoothly from start to finish.

Thanks must also go to Jenny for her wonderful work in the office, all of the kitchen and bar staff, the trap boys, everyone who helped get the traps out to avoid the floods, all of the referees and scorers, and anyone else who I may have forgotten.

And finally, a huge thank you to all of the shooters for coming to Melbourne Gun Club, especially all of the travelers and making the weekend fantastic despite the weather.

Psychological Skills for Shooting

HOW TO VISUALISE

I was asked at the Hunter Sports Academy junior camp recently: "How do you visualise?" I was rather surprised by the question because I naturally assumed that everyone could create a picture of something in their head. I asked the person, "Do you

daydream?" and when she answered yes, then I was able to say that visualization is just like daydreaming.

Visualisation or mental imaging is a skill that can be used to improve performance. Visualisation, according to Syer & Connolly (1984) is the process of watching yourself, as if on a screen, in your mind's eye. Whilst you watch yourself you consciously evoke and guide daydreams, in which you appear, towards a specific end.

A number of terms are often used interchangeably with visualisation. These include mental imagery, mental rehearsal, ideomotor training, visual motor behavioural rehearsal. Mental imaging includes auditory and kinaesthetic (feeling) components as well as visual components; therefore, if you visualise yourself moving, you may see, hear and feel yourself moving. Visualisation is the most commonly used term and for the purposes of this article I will stay with it.

For those readers who have been following these articles since I started in 1999 you will be aware of the concept of self doubt being developed by the two halves of the brain in conflict. In essence this idea comes from the work of Tim Gallwey, author of *The Inner Game of Golf* and *The Inner Game of Tennis*. He examines the how the mind creates self doubt because the Self 1 (the verbal left side of the brain) gives a range of instructions and coaching tips to Self 2 (the non-verbal/motor right side of the brain) who has to perform the task, with the result being that the muscles tense up and the shooter loses their natural flow. If you are relatively new shooter then you may wish to read some of my earlier articles or read "Inner Game of Golf." One of the useful techniques to limit self doubt is visualization.

Visualisation, is a tool that can be used to limit self doubt because it incorporates the language that the body understands. Muscles and the nerves that are needed to move muscles, do not understand language, therefore when we tell them what to do, they tighten up because they do not understand our instruction. If however, we show them a mental picture then what is needed is clearer and is in a form that they can use. If you had to learn golf, trap shooting or a waltz, from the verbal instructions, most people would end up confused and unable to do what was expected. However, when we show the learner, what to do and better still when the task is broken up into small steps, learning is easier, understandable and more fun. Several years ago I went with a group of young cyclists to the Olympic velodrome to assist them in learning track racing. None of the youngsters had ever ridden on the velodrome nor had they completed a team pursuit. The coach started to tell them what they needed to do, but you could see that they were becoming confused. Even though they were familiar with what they had to do through watching it on TV we organized an experienced team to show them. We then took them to an area where we could do a relaxation exercise and whilst in the relaxed state we got them to visualize what they had just seen. We also got them to visualize themselves doing it.

The learning process is accelerated when we visualise what we have to. The brain cannot distinguish between what is real and what is imagined, so if we wish to practise a skill, then doing it over and over in our mind will reinforce what we have learned and accelerate the generalisation

process of the skill. It must also be noted that the same goes for visualising faults and mistakes, so it is important that the correct skill is being visualised.

Visualisation also affects physical functioning. If you visualise a physical action, state or process and your emotional functioning can be affected if you visualise an emotional state or process. Research in the 1930s demonstrated that when a person imagined tensing and relaxing a muscle group, he could influence that muscle group without doing any actual tensing or relaxing.

Visualisation can be different for different situations and Syer & Connolly draw a distinction between two classes of visualisation; Problem-solving and mental rehearsal. *Problem-solving* involves using visualisation to aid concentration, reduce anxiety and physical tension or to suggest possible courses of action. Mental rehearsal is the process of imagining yourself performing a specific movement or skill. For the trap or skeet shooter, mentally rehearsing the shot they are about to perform will quieten the mind because it has just seen the target break and therefore let the body shoot the target with interfering with a lot of useless verbal instructions. Visualising hitting the target should be an integral part of your pre-shot and post-shot routine.

How to visualise

Effective visualisation is easier if it is learnt through the assistance of a sports psychologist as the learning of visualisation involves helping the athlete relax, giving appropriate instructions and affirmations, asking the right questions and noticing significant expressions. Some guidelines for learning visualization, according to Connolly and Syer, are;

- *Start with relaxation.* Visualisation takes place on a more subtle level than physical activity. Relaxation will help you learn new skills faster or consolidate existing skills better because you are doing it without the conflicting static from physical tension. The tension will interfere with the communication between the mind and body. Relaxation will allow this communication to occur as clearly as possible.
- *Stay alert.* To effectively visualise both relaxation and concentration are essential. Concentration helps make the images stronger and allows clearer signals and gives more information about any skill you are visualising.
- *Use the present tense.* Stay in the here and now and instructions that you give yourself should be in the present tense. This will make the visualisation more vivid.
- *Set realistic goals.* Whilst it may be fun to imagine yourself as the world champion or national champion, it will be better if your visualisation involves imagining realistic steps that you can achieve in competitions. Imagining shooting a possible, then winning your grade, then the championship, and so on ... It is important that the process of shooting the target is visualised and not just the hitting it.
- *Set specific goals.* Your goals in mental rehearsal should compliment your goals in practise. If you choose a skill you want to improve, make it specific. Visualise a full round of 25 targets or a round of skeet.
- *Use your senses.* When you visualise, imagine not only what you see but what you smell, taste, feel, etc. Some people are poor at visualizing by "seeing" however they can "feel" the shot or hear the report or feel the recoil. Visualise all aspects not just what you can see.
- *Visualise from the inside out and outside in.* If you are on the outside person looking in then you are probably visually orientated. If you are an inside person looking out, then you are probably kinaesthetically orientated. Follow what feels natural to you but try the other way from time to time.
- *Visualise at the correct speed.* Normally what you are visualizing should be done at a 'real-time' speed. However there are two exceptions. Firstly, when you are setting up the mental rehearsal program and trying to break a bad habit or change your technique. Slowing down allows you to isolate specific components.
- *Practise regularly.* Consistency is more important than the length of

St Arnaud Gun Club

The pressure was showing on Roger Lehman, recently first-time Grandad and winner of the first event

"Locked the keys in the car again!!!"

"If the RACV don't get here soon I will really have to use this rock."

After the North West Zone Annual General Meeting on the 27th February the St Arnaud Gun Club conducted a very successful 4 program event.

Forty shooters took to the tracks in beautiful warm and calm conditions resulting in some excellent shooting.

This shoot was the 3rd round of the

successful Tri-Club Team shoot between Ararat, Callawadda-Stawell and St Arnaud Gun Clubs.

Event 1, the 10 target Points Score Eye Opener was shared by Peter Akkermans (Bendigo), Colin Dunn (Callawadda-Stawell), Roger Lehmann (Warracknabeal), Wayne Sanders (Hopetoun) and Greg James (Callawadda-Stawell).

Event 2 was a 25 target N. & S. McQuinn Points Score Championship. Overall and A Grade Roger Lehmann 126/126, 2nd Tim Hughes

(Callawadda-Stawell), B Grade Ken Malcolm (Ararat) 74/75 with Gavin Horrigan 2nd. In C Grade Danny Pollock from Callawadda took first place on 68/75 and Arthur Champneys (Ararat) 2nd.

After 100 targets Roger Lehmann and Neil Cracknell (Maryborough) decided to split 1st prize in the third event, the N. & S. McQuinn Double Barrel Championship. A Grade went to Darren Petrie, 51/52 and Austin Freeman came 2nd. In B Grade Gavin Horrigan, 27/28 was 1st with Dave Lanyon, St Arnaud, coming home in 2nd place. C Grade went to Arthur Champneys, 24/25 and Dave Reynolds from St Arnaud took 2nd place.

In the 3rd event, a 25 target Handicap, also sponsored by N. & S. McQuinn, Mick Williams was placed 1st scoring 27/27, 2nd place went to Chris Jorgensen and 3rd place to Tim Hughes. In this event Callawadda scored a clean sweep with all placegetters from that club.

The Radford Legal High Gun was won by Wayne Sanders with an excellent score of 154/155.

the rehearsal. Five or ten minutes everyday sets up a good rhythm. Start off small: one minute or so and then work up. Overdoing it ie. 30 minutes and it will become a chore and you will lose any benefit.

- *Enjoy it.* It should be fun. It should be positive and should only ever involve success or correct techniques. If it boring or tiresome change it.

NSW has been revamping its Junior Development Program to make it more 'user friendly'.

As President, I identified some serious shortcomings with a major issue being the size of our state and trying to bring juniors to a central area for coaching. The rising cost involved in travel has become a real burden on the family unit plus the added pressure on a limited number of coaches and the increasing number of juniors over one weekend. All this combined makes it difficult to maintain the quality of these clinics.

Following discussions with ACTA Coaching Director and Zone representatives, it was decided to concentrate on getting more State coaching done in Zones using local coaches. This would enable more juniors to take advantage of these coaching days without the expense, and in some cases, thousands of kilometres of travel. This also reduces the student-to-coach ratio and therefore allows more one-to-one quality time.

Along with the States Junior Development budget, the State Finance Committee and Secretary have worked hard to successfully secure Sport Grant Money to help with funding. This funding is to be channelled into financial support for Juniors to enter Zone and State carnivals and financially assist Clubs and Zones who take part in State sanctioned Coaching clinics.

After looking back on the financial costs for 2010 coaching and development, it is costing in the vicinity of \$15,000 plus per year. The larger amount of this support covers Junior nominations to State Carnivals for all disciplines and this feature has proved to be very popular with over 30% of juniors taking up the invitations to attend these carnivals.

What we need now is for as many people as possible to get involved in coaching at Club and Zone levels so that we can continue to deliver well trained young shooters to our National program. All State sanctioned Coaching Clinics are recognised by the ACTA Coaching Committee and go towards your inclusion in the National program.

We look forward to Junior numbers continuing to increase at Zone and State Carnivals and see our funding benefiting Juniors and their families in a sound and practical way.

If you would like further information on our Junior Coaching Pathway you can call your Zone delegates, the State office or myself.

An outline of the Junior Pathway can be found on Page 8 of the Blue Book or on our NSWCTA website.

Gil Farish – skeet winner at Wangaratta

GIL FARISH, A MEMBER OF WANGARATTA Clay Target Club, was in top form at the club's 100 target Skeet Championship event in January. Under very hot conditions Farish performed extremely well, maintaining his status as one of the best skeet shooters in Australia.

Skeet: L-R Bryce Robinson, Trevor Bussell, Gil Farish, Reg Phefley. Seated Daryl Hunt

Due to the heat the attendance was down somewhat on the day, however the shooters that braved the high temperatures were rewarded with a top day of skeet shooting at the Wangaratta range. The event ran smoothly and finished relatively early, with time left over for some skeet doubles as a novelty event.

Farish shot 97/100, taking out Overall and AA grade, with Daryl Hunt achieving another great score of 94/100, winning A grade. B grade was easily won by Bryce Robinson with a score of 82/100. Visiting veteran shooter Reg Phefley from Mt Beauty shot 88/100 to win C with 2nd place by Trevor Bussell on 87/100.

Several of the visiting shooters complimented the club on the excellent day's sport that they enjoyed, nominating the Wangaratta range as one of the best in the state.

Seymour top sporting gun

Wangaratta Clay Target club held its February 5 Stand Sporting Clays Championship on 13th February. This was the NEZ 5 Stand Sporting Clays shot under ideal weather. A good turn out of 38 shooters made for another very successful day at the clubs excellent grounds situated at North Wangaratta. Brett Jory and his team of dedicated helpers started out early to set up all the traps and infrastructure necessary for this discipline. The resulting targets ranged from relatively straightforward to difficult, which is the name of the game for this type of trap shooting.

AA grader Marty Seymour shot a remarkably good score of 90/100 defeating Brett Jory on 86/100 to win O/All and AA grade. Local member Christian McGauran achieved a win in A grade shooting 81/100 ahead of Daryl Hunt on 77/100. Another great result by Terry Pigram on 87/100 won him B grade just ahead of Trevor Jones on 85/100. Keen Field &

Sporting: Back: L-R Terry Pigram, Christian McGauran, Marty Seymour, Brett Jory, Keith Robinson. Kneeling Trevor Jones, Reg Carmody, Alex Reid

Game competitor Reg Carmody shot 77/100 taking out C with second place shared jointly by Brett Ford and Stephen Forster. Junior shooter Alex Reid was very pleased with himself having achieved a better score than his dad, Brian. Brad Sparling gave young Alex much encouragement during the shoot, while for some unknown reason being much less helpful to his father. Best junior was Jack Kirley and veterans went to Keith Robinson.

The club is looking forward to establishing the new permanent 5 stand layout shortly as a result of a successful Govt/Rural City of Wangaratta Grant. This will enable shooters to try out this exciting discipline on a more regular basis, especially for practice shoot sessions held on a regular basis.

Trap championship goes to Vogelzang

Once again, Wangaratta attracted some very keen and competitive shooters to our February Down The Line shoot on Saturday 19 February. The morning started off overcast with heavy skies, but improved as the day went on. A good cross section of junior, veteran and a couple of lady shooters made for a top day of action. Lady shooter, Vilya Vogelzang certainly demonstrated her marksmanship, finishing off the day only one point behind her husband and top shot of the day Ben Vogelzang.

TWO DAY TRAP CARNIVAL

Pioneer Clay Target Club

High Gun winners L-R Kevin Mott (Veteran), Nathan Warnock (Junior), Alan Love (B Grade), Candy Cross (Ladies), Craig Freeman (A Grade), Ross Ohlsen (C Grade) and Wes Humphries (Overall)

On 29 & 30 January 2011 the Pioneer Clay Target Club hosted 45 shooters from Central Burnett, Dysart, Gemfields, Gladstone, Herbert River, Ilfracombe, Mackay Sarina, Port Denison, Rockhampton and Sunshine Coast Clay Target Clubs for the postponed 2010 Annual 2 Day Trap Carnival.

The weather held out for the duration of the program with hot days and a 40 Km/h easterly breeze gusting at times to in excess of 60 km/h as a result of Cyclone Anthony fast approaching the Central Queensland coast. It was a great effort from the Port Denison (Bowen) shooters who came and shot the program on Saturday however stayed home on Sunday to batten down the hatches in readiness for the storm that did hit Bowen 10.00pm Sunday night.

The success of these weekends is in part as a result of support from local business and thanks must go to our sponsors along with the individuals who made the sponsorship possible; Mr Phil Doring from

Bryan McMillan accepting 30 Target Single Barrel Championship sash from event sponsor Phil Doring

Events at Wangaratta

Continued from page 56

Clay target shooting is one of the few sports that gives ladies and juniors the chance of competing with the men on equal footing. It is very encouraging to see whole family groups enjoying this highly skilful and exciting sport, whether it is skeet, down the line or sporting clays held here at Wangaratta regularly.

Top shot and AA grader Ben Vogelzang shot a superb 122/125 taking out the overall champion, defeating Casey Fletcher very close behind on 121/125. David Luelf achieved another great tally of 121/125 to win A grade, ahead of Peter Cavedon on 119/125. Lady top shot, Vilya Vogelzang expertly won B grade with 121/125 and 2nd by Junior Harry Ward shooting 148/170. Steve Collihole defeated Hayden Smith by shooting 98/125 against Smith's 85/125.

Overall High Gun went to Ben Vogelzang, Juniors to Ethan Brindley and Veterans to Tony Penney.

The day finished relatively early, with time for an off the fence novelty event which was enjoyed by all.

Phil Doring Insurance, Mr John Maxwell from Maxisport, Mr Craig Freeman from Hastings Deering, Mr David Brand from CIGWELD and Mr James Chambers from Blackwoods.

Volunteers make these events happen and the Pioneer Clay Target Club recognises those individuals who support Clay Target Shooting. A big thank you to those people who reloaded the trap machines, made the sandwiches, shoot marshal, serve the food, shoot secretary, cooked the meals, clean the toilets, tidy the grounds, washed up, mow the grounds, bar staff, pick up shells and empty the bins etc etc etc.

The club held two QCTA Central Zone Championship events for the weekend with the first being Event 1 the QCTA Central Zone Night 20 Pair Double Rise. The overall winner was Sunshine Coast visitor Mr Wes Humphries. The second Zone Championship event was also a night event being Event 5 the QCTA Central Zone 30 Target Continental and was eventually won by Pioneer member Mr Bryan McMillan after a shoot off with fellow Pioneer member Mr John Rodden. Please see results section for full results of the program.

We are pleased to report that through the generosity of the participants at this event we raised \$1000.00 for the QCTA Flood Appeal, thank you.

CALLAWADDA/STAWELL CLAY TARGET CLUB

New shoot format a great success

A perfect day was provided for the sixty-seven competitors at Callawadda for the club's January shoot.

The 'card' only had two events but shooters had come from far and wide to try and claim some of the big prizes on offer.

The first event was the Dog Trap Creek Classic sponsored by Wimmera Outdoors and Steve Haberman Shooting. Shooters had to shoot 25 targets double barrel and then another 25 points score. Almost half the board was covered with 'red ink' after the double barrel. The points score quickly reduced the size of the field. Only four shooters were clean on 100 – Craig Kelly [Horsham], Tracey Barton [Tumut], Robert Ross [Bendigo] and Olivia Comelli [Hastings].

In the shoot off all four shooters survived the double barrel bracket but Craig Kelly was the only one to shoot the points. He was the overall winner and took home a .22 rifle, scope and gun slip. Tracey Barton took out AA grade on 119/120 in front of Robert Ross.

Olivia Comelli

Olivia Comelli – a junior – won B grade on 119/120. A grade was taken out by her dad, Denis on 99/100. Callawadda junior Ashley Jorgensen won C grade with 92/100. All grade winners won a sash and a .22 rifle. Those who came second won a .177 air rifle.

The second event was shot in the same format. The prizes were cartridges and electrical goods provided by Spartan Global and Stawell Retravision.

The same scene was played out – lots of 25's in the double barrel section but only two could manage the possible after shooting the points. Tony Moroni and Robert Ross had to shoot across all four layouts before a winner could be determined. Moroni was the victor. He took home an Overall sash and 500 Spartan shells. Ross was not disappointed in coming second for in making the shoot off he was 'clean' for the program and won the \$500 prize offered by Bill and Andrea Jorgensen from J&A Fencing.

Lloyd Anderson rolled local member Mathew Hall in A grade. Olivia Comelli again had to shoot

Ashley Jorgensen

off and again won B grade in front of James Absalom.

Bordertown junior Shayne Wallis won C grade with 92/100, one point in front Ashley Jorgensen. Grade winners received 500 shells, second place getters earned 250.

High Gun winners for the day received a slab of Spartan shells. These went to Robert Ross – Overall, Wayne Harris [Ararat] AA grade, Lloyd Anderson A grade, Olivia Comelli B grade, Ashley Jorgensen – C grade. Wayne Calaby [Colac] won the veterans, Tracey Barton took out the Ladies section and Isaiah Harris from Warrnambool was the top junior.

The raffle was a little more salubrious than normal. It was the only 'event' the locals could win. Robert Jorgensen won the air rifle provided by Steve Haberman Shooting. Chris Jorgensen won a slab of shells and Danny Pollock took home the electrical prize.

Visiting shooters were impressed with the program format and the comfortable conditions made possible by the new extensions to the club house.

Geoff Straus

The club thanks a sizeable list of supporters in Wimmera Outdoors, Steve Haberman Shooting, Spartan Global, Stawell Retravision, J&A Fencing, Tim Hughes, and, Chris and Nic Jorgensen.

ACTA 5 Stand Sporting

MARYBOROUGH GUN CLUB - JANUARY 2011

In very hot and humid conditions thirty-seven shooters competed in the January sporting shoot. This was not a bad attendance when you consider that at least 2 squads of regulars were either in New Zealand shooting or who simply stayed at home because of the heat.

ACTA 5 Stand Sporting continues to grow within Victoria, with more clubs taking up the challenge of establishing sporting competitions.

Maryborough's sporting shoots

now generally attract greater attendances than the DTL days.

The day's 100 target event was conducted over 3 layouts and got underway around 10.30 am. By 3.00 pm the presentations were over and shooters were able to gratefully retire from the heat.

As seen below, Maryborough now boasts a range of sporting traps, mostly on wheels, which are able to be deployed quickly. When you combine these mobile traps with our DTL, skeet, and other fixed traps it

becomes quite easy to set up varied and interesting multiple grounds.

The overall winner on the day was Peter Hall with a score of 90/100. A Grade went to Phil Stowe 85/100 with Craig Lanyon taking 2nd place. B Grade was won with a score of 77/100 by Andrew Blandthorne and Jim Shepherd came 2nd. Zach Ansell took out C Grade 57/100, with Marisa Hall 2nd. Veterans went to Jack Johns, Ladies to Carolyn Stanford and Juniors to Brendon Lester.

Maryborough will host the VCTA State ACTA Sporting Clays Championship on March 26th. We are hoping for a good attendance with great compe-

THE ICE MAN SHIELD IS BACK AT MORWELL GUN CLUB

Morwell is located in the heart of the La-Trobe Valley 150 km east of Melbourne and have three grounds with two converting to ball trap.

Morwell Gun Club will once again run the very popular Ice Man Shield in memory of Glen Bennett at the club in 2011, the Shield will consist of three rounds of 100 target ball trap shot on Sunday the 8th May, Sunday the 31st July and Sunday 9th October all will be cash

prizes in AA,A,B & C 1&2 and a High Gun on the 300 targets in all grades, ladies, juniors & vets (as long as there are more than five shooters in each section).

The profits from the first round on Sunday 8th May will go to the ACTA flood appeal for clubs that were affected by floods around the country.

NSW Northern Zone

Michael teaching a concentration game

Twenty four juniors signed up to participate in the Northern zone of NSW annual coaching clinic on January 6th. Michael Kruger Davis again set aside three days of his annual leave to pass on his wealth of knowledge to the enthusiastic young men and women in attendance.

As the format has proved successful over the past few years we again followed the shoot – theory – shoot format to allow maximum effect of the coaches instructions during the theory sessions to be put in place.

The clinic started with everyone introducing themselves then shooting the pattern board to see if their guns were shooting where the shooter was looking, with some adjustments to gun mount and a few stock changes it was off to have a shot. Two consultants from the Hunter Academy of Sport attended and gave talks on exercise and mental preparation and Michael talked on mental aspects of shooting.

The coaching finished on Saturday with acknowledgement of a fantastic job Danny and Suzanne did with keeping the 35 or so participants and family members well fed.

A big thank you to the coaches: Helen Overton all the way from soggy Brewarrina, we didn't think she was going to get through, Rick Bannerman took a few days rest from his

hectic business to help out for his fourth year, MKD thanks again, Nathan Wilkinson graduated from coached to coach after turning 21.

All the coaching staff wish to thank the fine young people on there conduct and we look forward to seeing you next year.

SKEET DAY AT ECHUCA

The saying is that only mad dogs and Englishmen go out in the midday sun, but even when the temperature is almost 40 degrees, that saying should also include Skeet shooters, especially when there is a hundred targets on offer for the day's competition.

Geoff Ervin OA Skeet Championship

Being a fifth Sunday on January the 30th it was also a Skeet day for the Echuca Clay Target Club, and although there was no wind to move the targets around, shooters still had trouble hitting all fifty in event one, a Fifty Target Skeet Championship, simply because the heat was so intense that it fatigued the competitors the longer the shoot lasted.

Local member, Geoff Ervin, although being a B grade shooter, outshot all others to win the

Overall Winners Sash, Geoff also collected 1st place in B Grade with his excellent result of 48/50. No other shooter could come anywhere near that score. Well shot Geoff! Murray Roberts put his claim on the A grade trophy with a 42/50 score, and club president, Ron Trail, shot a 45/50 to collect the 1st in C Grade trophy.

A 25 Skeet Doubles Cash Divide was event two, and once again no one was able to keep their concentration going long enough in the heat to hit all fifty targets, but Swan Hill member, Geoff Charlson, did remarkably well in this slightly more difficult version of Skeet to only let four targets get away, Geoff collecting 1st place cash for his well shot 46/50 result. Echuca's Craig Scott picked up 2nd place cash with a result of 43/50. And Geoff Ervin once again in the placings, taking out 3rd place cash with a score of 42/50.

A barbecue lunch was included in the nominations and was enjoyed by all who attended, many thanks to the chefs on the day, Peter Sing and Ian Gebhardt, and as the shoot ran smoothly all day, even the presentations were all over well before 4pm. Practice at Trap and Ball Trap shooting was available all throughout the shoot and was utilised by quite a few shooters. An enjoyable day of clay target shooting dampened only by the heat.

Derwent Valley Gun Club

Hi to all and thought I would send an image of the lovely setting that we have at the Derwent Valley Gun Club which is alongside the beautiful Derwent river some 7 kilometers from New Norfolk in Southern Tasmania.

Derwent Valley Gun Club layouts & view

This Club has now been in existence for over thirty seven years as a Sporting Clay Target club however due to existing Down the Line, Skeet and Tower facilities the Club has last month joined the Tasmanian Clay Target Association and hope to hold monthly Down the Line, Skeet, Tower and Sporting Clay Target events.

Our first Down the Line event was conducted on the 6th of February and whilst only 15 people were in attendance our Club is hopeful that the numbers will build in time.

For our first ever T.C.T.A day we conducted 50 target double barrel and 50 target points score events however the targets were very difficult due to a very strong and gusting wind and this reminds me of how unpredictable our sport can be at times however looking forward to someone obtaining the first 100 break.

The AA grade was taken out by Glenn Arnol, A grade by David Williams, B grade David Reynolds and C grade by new competitor Jamie Thornton.

I trust all readers enjoy the lovely location that we have and our Club looks forward to seeing some visitors in the coming years.

Deauville Doubles Night at Mathoura

Perfect weather for clay target shooting happened on Friday night the 28th of January 2011 at the Mathoura Gun Club, for the clubs first shoot for 2011. Mild temperature, no moon and just enough breeze to keep most of the mosquitoes away.

Shooting in pairs, at pairs, off the 20 metre mark under lights was always going to be difficult, but Deniliquin brothers, Jack and Ned Collicoat, managed a full score of 20 pairs to clinch the third event on the night, a 20 pair, Victorian North East Zone Night Deauville Doubles Championship, good shooting boys, congratulations. Still more Deniliquin members in the winners circle, with Ron Cugley and the winning boys father, Rob Collicoat, unfortunately not able to match his sons performance, but between them shooting a 17/20 which was good enough to secure a second place result.

The first event turned out to be an all Deniliquin result, with Ron Cugley, Rob and Jack Collicoat, and Ryan Wharton, all shooting a 10/10 result to share in the cash divide of a 10 target Double Barrel.

Event two was a practice for the main event, being a 6 Pair Deauville Doubles cash divide off 20 metres, and although no two shooters could hit all six, five pair hit was claimed once again by three teams of Deniliquin shooters, R Cugley & R Collicoat, J & N Collicoat and Rod & Ryan Wharton, all sharing the cash.

Finally event four, a 10 target Points Score Cash Divide, and only one shooter was able to put together a full 30/30 score, that was

Mathoura member George Bradley, shooting well to claim A grade 1st, there was no B grade contender in this event, with Rod Wharton taking out C grade 1st with a 29/30 result. A perfect night for shooting and with the shoot running smoothly all night, even the presentations were all over by the early time of 10.15pm.

CANBERRA INTERNATIONAL SKEET

Another shoot day without rain quite a surprise. In fact a beautiful day with little wind and it seemed as though Autumn had arrived early in Canberra.

Three squads attended, all locals, for the Molongolo 100 target American Skeet Championship before our next March two day Southern Cross Carnival.

Rodney Kneipp

Rodney Kneipp was in form again and took out the High Gun.

Results: OA/A
Rodney Kneipp 95/100, B Steve Balogh 89/100, 2nd Ian Latter 86/100, C Andrew Burley 76/100, 2nd Norm Simms 70/100.

CHRISTMAS AT KEMPSEY

*T'was the day of our Christmas shoot, and all through the Club
You could hear everyone saying "this is better than the Pub"
Clays are flying and watching the guns Flair!
You could really see all the fun in the air!*

Christmas was on its way and we thought we'd better have a good shoot. With great prizes, amazing people. The atmosphere was brilliant. You could see we were ready for a great day!

Our end of year celebrations followed the very successful Baker Family event held in November.

The Baker Family trophies

Talk about a Bakers dozen, there were Bakers by name and family everywhere and the very generous sponsorship of the family was very keenly contested by all present. The highlight of the day was the fantastic Deauville Doubles event shot off 20 metres.

It's hard to imagine a more dysfunctional pair than the winners!

Kerry Miller and Jamie Griffith nailed the event with a perfect score that could not be matched on the day. This was an excellent performance with many strong teams competing and many Baker family members shooting with family members.

That lead us into our December Christmas shoot.

For the weeks leading up to this day, it had been raining and raining, but the Weather Gods thought they better have just one good day to allow everyone a chance to have some fun. And this day just so happened to fall on the best day of the month. So a big thank you to them!

With thirty-one people attending the shoot we had a great turn out. All year long we have been getting really good turn outs to our shoot, especially our 90th anniversary shoot. Thank you to everyone who has supported us this year.

With the novelty events 50 tgt double barrel 16m, 25 tgt Points Score 16m, 25 tgt single barrel 16m.

The scores go as follows: Overall D Piper 148/150, AA Grade S McMahon 143/150, A Grade S Saul 141/150, K Miller 140/150, J Griffiths 139/150, B Grade K McWhirter 138/150, C Noman 148/162, P Brenton 147/162, D Joel 146/162, R Wesslink 133/150, C Grade A McMahon 137/150, J Booth 127/150, L Langer 123/150, P Ryder 121/150, T Arndell 117/150.

An excellent performance by Dick Piper, he only missed 1 target for the

whole day. That is an amazing achievement for anyone. Dick finally got his overall High Gun after gracefully having to give back the seniors High Gun after an error that happened with the scoring at the 90th anniversary shoot. Congratulations Dick and proof positive that good sports don't always come last.

Steven McMahon had a huge competition with himself. In AA grade he had to compete against himself with no other AA grade shooters showing. He must have scared them off!

There was a shoot off between Craig Norman, Peter Brenton and Denis Joel for second place in B grade. Craig came out on top. When you are out shooting you can always make silly mistakes, it happens to everyone and unfortunately the day of our Christmas shoot it happened to Peter Brenton.

He was going really well in the Shoot Off when he forgot to put a shell in the other Barrel, which may have cost him second place in B grade. But it was laughed off and the shoot went on. Better luck next time Peter.

The Club put on its usual excellent afternoon tea and I wonder if "one too many" caramel slices might have been Peters undoing?

If only I had of reloaded. Peter Brenton with an excellent consolation prize

Jamie Griffith and Kerry Miller receive the Baker Family trophy.

Trophies for the day were excellent hams from Phil Ryder's Butchery for all the Grades and High Gun. As is usual for Kempsey everyone scored a Christmas present prize.

The shot was followed by the annual Christmas Party with club president Ted Baker presiding over proceedings for the evening. Good food, good company and a great night was had by all.

As is usual at our Christmas party, trophies for club champions of the various grades were presented to the winners and overall club champion for 2010 was Jamie Griffiths who has been consistently difficult to beat all year.

What a year. We are all looking forward to a great 2011 and we hope to see you at the Kempsey gun club at some time throughout the year.
