ACTA REPORT

Mal Dyson – President Paul Gilbert – CEO

Firstly, a big welcome back to all our current members, and a warm welcome to our new members for 2020! This year is shaping up to be a big year for the Association with the 2020 Olympics being a pinnacle event. We wish all our Olympic hopefuls the best of luck as they prepare for the upcoming ISSF Olympic Selection trial events and National Titles, and hope that our soon-to-be selected athletes for Tokyo 2020 achieve all the success they so richly desire and deserve!

17 December Executive Committee Meeting

A full Executive Meeting was held on 17 December via the GoTo Meeting Voice Conference App. This worked extremely well and gives the full Executive the opportunity to meet with great convenience and little cost to the ACTA. There were a number of items on the agenda, a brief summary being as follows:

Budget

Treasurer Alan Styles presented the Budget for the coming year and explained the main variable in 2019 and 2020 is the Depreciation of assets which are being reflected at their Write-Down-Value. This differs significantly from previous years where we either had a large cash reserve earning interest and or Grants that had been collected to expend on the Range Building project. Consequently, assets such as the new Function Centre, (a \$7,000,000 asset), are now being depreciated at 2.5% over 40 years, or in simple terms, for this asset alone, at a cost of \$175,000 per year. As a result, the budget suggests that 2020, while projecting an \$80,000 operating surplus, will show a \$200,000 deficit including the depreciation. A similar outcome is anticipated for 2019.

Strategic Plan

The ACTA, previously having no strategic plan, have appointed Brisbane Company, CPR Group, to conduct a Strategic Planning process so the ACTA will have a predetermined plan moving forward. They propose the preparation and facilitation of an

interactive planning day in Wagga Wagga in March 2020, just prior to the 2020 Trap Nationals. It is envisaged that the day may include the National Executive, Administrators, State Representatives and Sub-committee members as suitable. The activities within the forum will form the basis of their consultation and reporting for this project. To further analyse the Association's needs and future opportunities, an online planning questionnaire will gather input from State bodies and affiliated Clubs. The process aims to prepare a strategic plan to guide the organisation's direction over the next three to five years. A clear strategic plan will provide agreed direction for current and future National Executive Members and Administrators and will help to ensure the long-term viability of the organisation and its affiliates.

Club Membership Incentive

A Club Membership Incentive proposal was tabled and will be introduced. This incentive is based on clubs increasing their 2020 ACTA registered members by more than 20%, using the 30 October 2019 member's figures as a base line. Clubs will receive full details regarding this incentive from the ACTA Office shortly.

Coaching Future Direction

Following the recent Shooting Australia Forum held in Brisbane, it was confirmed that the ACTA had the right to resume control of their coaching accreditation moving forward. This advice was followed by discussion about the way that we are currently delivering coaching services to members and whether this is the best value proposition. There was general consensus that other options may be available, one being the handing back of this service to the States for them to determine, control and deliver. Following extensive discussion and deliberation, the Executive Committee decided to re-introduce a Coaching Sub-Committee being Garry Read (Chairman), Kim Nealon and Malcolm Collins. It was also decided that the current National Coaching position would be terminated in

order to allow this new transition in direction to occur.

Doug Smith Medal

A proposal was also circulated to provide a better reward for calculation of the Winner of the Doug Smith Medal at the larger Championships. Following discussion, the motion was carried to introduce this new calculation from 1 January 2020. This event attendance will be using a multiplier system:

100 – 199 competitors – multiplier is

1 = 10 points

200 – 299 competitors – multiplier is

2 = 20 Points

300 – 399 competitors – multiplier is

3 = 30 points

400 – 499 competitors – multiplier is

4 = 40 points

500 plus competitors – multiplier is

5 = 50 points

The Executive Committee will also continue to have the direction to choose the solitary winner if the event points are tied at the completion of the year.

Target Testing

The President advised that double-blind target testing had been conducted at the National Ground and the Management Sub-Committee, having obtained the shooters and observer's scores, were submitting the following targets for approval:

SKEET: White Flyer Blackout Bio Black

TRAP: White Flyer Blackout Bio Fluro.

The scores of each of the 3 top-scoring targets were compared. While the Skeet Bio Target finished equal top in its test, the Trap Bio Target finished 3rd behind 2 pitch targets. This led to brief discussion as to whether we continue to throw a pitch target or set a better example and move to Bio. It was identified that a number of clubs, (that Executive Committee members are members of), have moved to/are now throwing the Blackout Bio targets and each of these members reported that their performance is extremely satisfactory and their clubs are happy with them. The Management Sub-Committee's recommendations were approved by the Executive Committee.

Shooting Australia Awards of Excellence

At the recent Shooting Australia Awards of

Excellence, a number of our Clay Target Athletes were honoured with awards. Out of the four main Disciplines of Elite Athletes with which Shooting Australia is affiliated, (Pistol, Target Rifle, Paralympic and Clay Target), our members achieved: Laetisha Scanlan (High Performance Athlete of the Year – Senior Female), James Willett (High Performance Athlete of the Year – Senior Male), Aislin Jones (High Performance Athlete of the Year Award – Junior Female) and Mitchell Iles (High Performance Athlete of the Year Award – Junior Male). Congratulations to all our ISSF athletes on their brilliant performances and achievements in 2019, and this wonderful accolade and recognition that a number of you have now also received.

Office Update

If any of you have had the need to ring the National Office over the past week, you may have been greeted by a familiar and friendly voice. After reassessment of office loads, it was necessary to reintroduce a part-time Reception/Administration Assistant back into the office. One of our previous employees, Jenny Robinson applied for the role and has been successful in being appointed to this position. With the bushfires, we have also seen a short revision of staff on the Grounds. Brenton, who is an Army Reservist, has been called upon to assist with the effort in the devastated Talbingo and Batlow townships and surrounding areas, as well as other areas east of that fire front. We believe that Brenton will be away for at least the month of January, leaving the grounds and facilities maintenance requirements in the hands of John. We wish Brenton a safe and speedy return after he has performed his vital duty to the Federal Government.

In closing, I have no doubt all of you would have been following, over the recent weeks, the bush fire season which has been catastrophic and ferocious over the past 6 weeks. We appreciate that many of our members are rural dwellers, a number of whom may have been personally impacted by the fires, be it through loss of property or disruption to their livelihood. We extend our empathy to all those Australians directly impacted by the bushfire crisis. On a personal note, our thoughts and prayers go out to any of you who have been personally affected by this terrible disaster.

Important New Rules for 2020

The revised edition of the ACTA Shooting Rule book is now available on the ACTA website, new or altered Rules appear in **RED**. Two important changes, which shooters, handicappers and club management need to be aware of are in relation to scores to be recorded in Record Cards.

1. DOUBLE RISE – is now a recordable event, see below new Rule 1.14. As of Jan. 1, 2020 all shooters are without a grade in DOUBLE RISE.

Shooters will initially shoot the first 25 pair (50 targets) under their present trap grade and will then be given a PROVISIONAL GRADE as per Rule 2.01(v). At the conclusion of another 75 pair (150) targets they will be GRADED.

We suggest that DOUBLE RISE scores be recorded on page 26 of the grading card with the heading changed to read "DOUBLE RISE". This will ensure a uniformity of page number for handicappers to look for and use when recording Double Rise. Alternatively if these pages are already taken up with scores, find other alternate unused pages.

Please Note: AA ELITE status does not apply to Double Rise grading, as this status was bestowed based on Trap scores off 15 metres and the 25 metre Handicap mark. This will therefore mean that AA Elite shooters will need to produce their Record Cards at shoots to have their Double Rise scores recorded.

AA ELITE shooters, who have established this status under either the Trap or Skeet disciplines need to understand that this status only applies to the discipline that they qualified in. In the alternate discipline, that is TRAP or SKEET as well as TOWER, BALL TRAP, SPORTING and now DOUBLE RISE, Record Cards need to be presented when nominating for scores to be recorded.

1.14 DOUBLE RISE

- (a) Double Rise shall be shot squad system and called by the referee, 1-1 or lost – 1 or 1 – lost or lost lost, whichever the case may be, each target to count one point.
- (b) A competitor must shoot at a complete pair of targets on every occasion, each target broken by the competitor's shot shall score one point. Two shots must not be fired at either target.
- (c) For initial grading refer Trap Rule 2.01(p)(i-vi). Grades shall be: AA 92% and over; A 84% and under 92%; B 76% and under 84%; C under 76%.
- (d) A shooter may have his grade increased after shooting 100 pair (200 targets), but must shoot three (3) consecutive groups of 100 pair (600 targets) at a lower grade percentage to be down graded.

- (e) No re-grading will apply until the end of the club's programme of that day. Should a shooter shoot at another Club later on that day the new grade will take effect.

2. RECORDING OF ALL SCORES IN TRAP OTHER THAN 15 METRES – New Rule 2.01(a)

All Trap event scores shot from metreages other than those shot at Double Barrel from 15 metres will be recorded in the secondary column now used for listing Single Barrel and Continental.

However there is an exception – if 15 metre Double Barrel shoot-offs (Points Score events naturally included) are finalised from a metreage further back, then these scores will be included as shoot-off targets and recorded in the DOUBLE BARREL column, not the secondary Single Barrel/Continental column.

2.01 COMMON MARK AND HANDICAP SHOOTING

- (a) All appropriate 15 metre scores (competition) shall be recorded for percentage performance classification irrespective of how the event is run, **with the exception of Eye Openers (maximum of 10 targets), Double Rise, and those shot Targets Only.**
All targets shot other than 15 metre Double Barrel shall be recorded in the second column designated as Cont and SB. That includes Single Barrel, Continental, and any targets shot as single targets off oscillating traps on any metreages shot in competition. Specific Handicap events are not included.
- (h) It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooter's card with his 15 metre results. After each 200 targets double barrel regrade the shooter if necessary. **Double Barrel scores will be transposed for any better scores from the other events column that have a greater percentage value, ie Continental and Single Barrel and targets shot from a different mark. If the 200 targets fall during an event or shoot-off, re-grading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets including those shot from greater metreages are to be entered into the event column and used in calculation of percentage, except the last target missed in any shoot-off will not be recorded. Once 200 or more targets have been shot at and recorded and after the substitution of any bad scores, the percentage shall be calculated.**

Whether you shoot Trap, Skeet or Sporting there are changes in all sections, please take the time to download, or read on line and understand the changes made throughout the Rules.

NEW SOUTH WALES GUN CLUB LTD

1880 – 2020

— 140 YEARS OF HISTORY —

The Club's first President was Sir Robert Lucas Lucas-Tooth (1880-1890), founder of Tooth & Co Ltd, Kent Street, Sydney.

The original Club was situated at Lord's Road, Lauriston Park, Mascot (Sydney Domestic Airport now covers this land).

Membership fees in 1880 were 20 guineas joining fee (close to \$3500 in today's currency) & the annual fees were 3 guineas.

Liquor licence – pre 1905. The Club comes under listing of historically, one of the oldest licensed establishments.

Bookmakers operated on the grounds, and Minutes recorded in 1900 mention Members' "incapable condition" in relation to betting and losing large sums of money. Bookmakers and

jockeys however were refused nomination for membership of the Club, as being considered not of best character. A candidate not elected as a member could not be proposed again for a minimum of 12 months – this rule remained until 1970.

Around 1946 the Club purchased land at Terrey Hills and moved to the current location, at 131 Booralie Road.

Over the years the suburban growth of Sydney has moved closer and closer to the Club, and what was once a rural area has become the suburb of Terrey Hills. Nevertheless, the Club has succeeded over the years in maintaining a close, friendly relationship with the surrounding neighbours.

Photographs from our archives

In 1898 the Club reported a membership of 36 members, 52 country members and 10 non-shooting members. Currently there are approximately 580 members, and a regular stream of visitors from other clubs who come for both practise and competition events. We are immensely proud of the Club's history and reaching this milestone, and hope you will

come along to our special 2 day 140th Anniversary Trap Carnival on 14 & 15 March 2020 and celebrate with us.

SKEET AND SMASH FOR CASH WEEKEND

On the weekend of the 16th & 17th November our Club again held an extremely successful weekend of competition with the Iraq – Afghanistan War Remembrance Cup 100 tgt DB being the star event.

Competitors for the weekend numbered 73 and they came from far afield including Esperance, WA, Mundulla in the South-East and Rainbow, Western Victoria. An equal number of visitors accompanied those competing in the events so it all boded well for an exciting weekend's shooting.

In cold, gusty conditions competition got underway. Saturday's two 50 target Skeet Championships, the first was won by Lynton Schubert with a perfect score of 50/50, while Nathan Campbell took the honours in the Bill Quinn Skeet Shield Championship with another 50/50. The Bill Quinn Shield was won by members from the International Clay Target Club;

L. Schubert, N. Campbell and W. Clarke with their score of 147/150. Lynton won the Overall High Gun with a score of 100/100.

Pizza was eaten for tea by a small group of people, some of whom had decided to camp out at the Club over the weekend.

The cool, sunny weather on Sunday, an improvement from the previous day's gusty conditions, saw competitors shoot in almost perfect conditions.

The 100 target Double Barrel Iraq-Afghanistan War Remembrance Cup (engraved with the names of those Australians who have lost their

lives serving our country), was being contested for the third year, and this year we were honoured to have some special guests, a group of Iraq – Afghanistan war Veterans who had come to see what our Club had done in the way of remembering their fallen mates. Ryan Foster, our own Club Veteran of three campaigns to both Iraq and Afghanistan, had been the inspiration behind our taking up this idea in the first place, and this was our third year in holding it.

Competitors kept a keen interest on 'who had shot what' on the score-board, and the Cup was finally won by AA grade shooter, Lisa Smith of Adelaide after shooting a score of 98/100 and she was later presented with the Overall sash by one of the visiting Veterans who spoke of why this Remembrance Cup is so significant to them.

Others to take out cash trophies, on offer through generous sponsorship of the event, after a number of shoot-offs on the event were:

AA Grade: Gerald Hopgood 105/108, Rob Clark 104/108, A Grade: Allan Vilcins 110/116, Rick Zupanic 109/116, B Grade: Richard Warden 96/100, Langdon Pentz 94/100, C Grade: Alexander Souter 83/100, Evan Gunby 90/112.

A percentage of the day's nominations, proceeds of two raffles and an auction were then presented to Jim Foster, a representative from Legacy in Murray Bridge, a total sum of \$1050.00.

The two-day Overall High Gun was won by Lynton Schubert who's score for the weekend was 194/200.

Our Club would like to thank all those who kindly sponsored this particular event, and those of the Skeet events on Saturday; a help much appreciated by all members of our Club.

Lastly another huge thank you to Marg Rogers for yet another of her special quilts using Poppies as a theme in remembering the fallen. We are one fortunate Club to have such extraordinary 'helpers' in the background, enabling our Club to progress. Many thanks.

To Club members, helpers on the weekend either in the Club house (kitchen, office, selling raffle tickets), or out on the grounds (trappers), and to the visiting shooters for backing up and allowing the shoot to run smoothly; a huge thank you.

Hoping to see you back again as we celebrate this major event again next year.

Wojcik & Motha Share the Wangaratta Christmas Joy

This time last year, the Wangaratta Clay Target Club, like many parts of the town, was devastated by storms. Water inundation destroyed most of the traps and equipment and put the club out of action for a while. Nevertheless, this resilient group of enthusiasts has spent the past year rebuilding and reinvigorating the club and recently celebrated the end of the year with the traditional Christmas Down the Line shoot.

The day consisted of two events, a 45 Target Medley and a 15 Target Handicap. A novelty twist was

added with black targets interspersed among the usual orange targets. Each black target busted earned the shooter a stubbie or a can of soft drink at the end of the day.

Event one, the Medley, got underway in blistering heat. That did not concern local shooter John Wojcik, though. John had thoughts for nothing but the targets and he shot possibles in all three parts of the event to take the Overall and AA Grade wins on 75/75. Second in AA was Terry Pigram with 72/75 and Angelo Grassi was 3rd with 71/75.

In A Grade, Bob Glossop shot possibles in two of the three parts of the medley to take the win with 72/75. Second went to the host club's president, Anton Motha, on 66/75. Rob Steele, making a welcome appearance in competition, took third with 64/75.

Neville Bussell made a successful return after a break and won B Grade with 71/75. Hard working club volunteer Graham Coyle took 2nd on 70/75. Rebecca Parsonage made the long trek down from the Northern Territory to collect her new Perrazzi from Angelo Grassi. Rebecca made good use of it to take 3rd with 69/75. She reckons the gun is definitely a keeper.

Steve Wozniak took out C Grade on 69/75 with John

Pieper 2nd on 65/75. Col Crittenden puts in untold hours maintaining the club's traps, so it was good to see him actually shooting for a change. In what has been described by some as a Christmas miracle, Col took 3rd in C Grade with 61/75.

Event two was the 15 Target Handicap and, with 9 possibles shot, it turned into an epic shoot-off. In the end, it came down to father versus son, with steely-nerved junior shooter Matt Motha taking 1st on 37/37 and relegating his proud dad Anton to 2nd on 36/37. Terry Pigram wrapped up a good day's shooting by taking 3rd with 26/27.

High Gun winners were Overall John Wojcik, who didn't miss a target in normal competition all day,

Christmas Cheer at Bega

Invitational HG: L-R: Phil Body, Chris Davis, Tony Gray, Alan Deacon & Chris Rowling

Thirty-five shooters turned up for the annual Christmas frivolities at the Bega Gun Club's Tarraganda grounds. With fun the feature of the day, the only serious effort was the running of the Invitational High Gun for 2019 and the presentation of club awards for the year. And of course, Christmas lunch!!!

Proceedings opened with a 20 target double barrel event with ten targets off 11 metres and ten

off sixteen. Chris Davis and Frank Bangato enjoyed the first 20 so much they shot a further 30 targets before Chris took the ham 48/50 to Frank's 47/50. Chris Rowland collected the third place chook with a score of 29/30, following a three way shoot off between him, Alan Deacon and Charlie Smith.

Col Sheehan showed the way in A Grade with a 30/30 score after another shoot off. Rodney Bresnan took second, 29/30 whilst Craig Field scored 39/40

for third after a short battle with Allan Neilsen. Mark Evans cleaned up in B Grade with a 20/20 with John Siede second, 29/30 and John Walker third 28/30 after a three way shoot off between John, John and Bert Deacon. In C Grade, George Adamopoulos won with 18/20 from Geoff Beht, 17/20 and Christel Feldman, third with 15/20.

Event two saw twenty targets of Continental offered, with 10 from 13metres and 10 from 17m. Christel Feldmann led the way in C Grade with a score of 16/20. Geoff Beht and George Adamopoulos sorted the minor placings with Geoff taking second,

23/30 and George third, 19/30. B Grade went to Bert Deacon, 27/30, one up on Kevin Hurt, 26/30, with Chris Brown taking third, 25/30, after they had all finished 18/20 in the main round. A Grade saw Craig Field successful with a 30/30 score with Allan Magri, 25/30 in second. Rodney Bresnan, Ray Welch and John Gray fought out third place with John being successful, 35/40. AA Grade saw Frank Baginato shoot 20/20 to win with Chris Davis, 29/30 in second and Alan Deacon 28/30 in third.

In the spirit of Christmas the fun events finished with a 10 target continental double rise. Following

lunch, once again overflowing with a magnificent variety of food, some reflexes were a little sluggish. In AA grade, Phil Body collected 17 of his 20 targets to win. Frank Bagnato finished second on 16/20 and Charlie Smith filled third place 31/41 after a longish shoot off with Chris Rowland. A Grade went to Allan Nielsen won A Grade with a score of 13/20 with second going to Col Sheehan, 22/30 and third to John Gray, 24/30. In B Grade, George Toyne won the shoot off to take first place 27/41 from Bert Deacon, 23/41. Third went to Mark Evans, 13/20. C Grade went to Geoff Beht, with George Adamopoulos second and Christel Feldmann third.

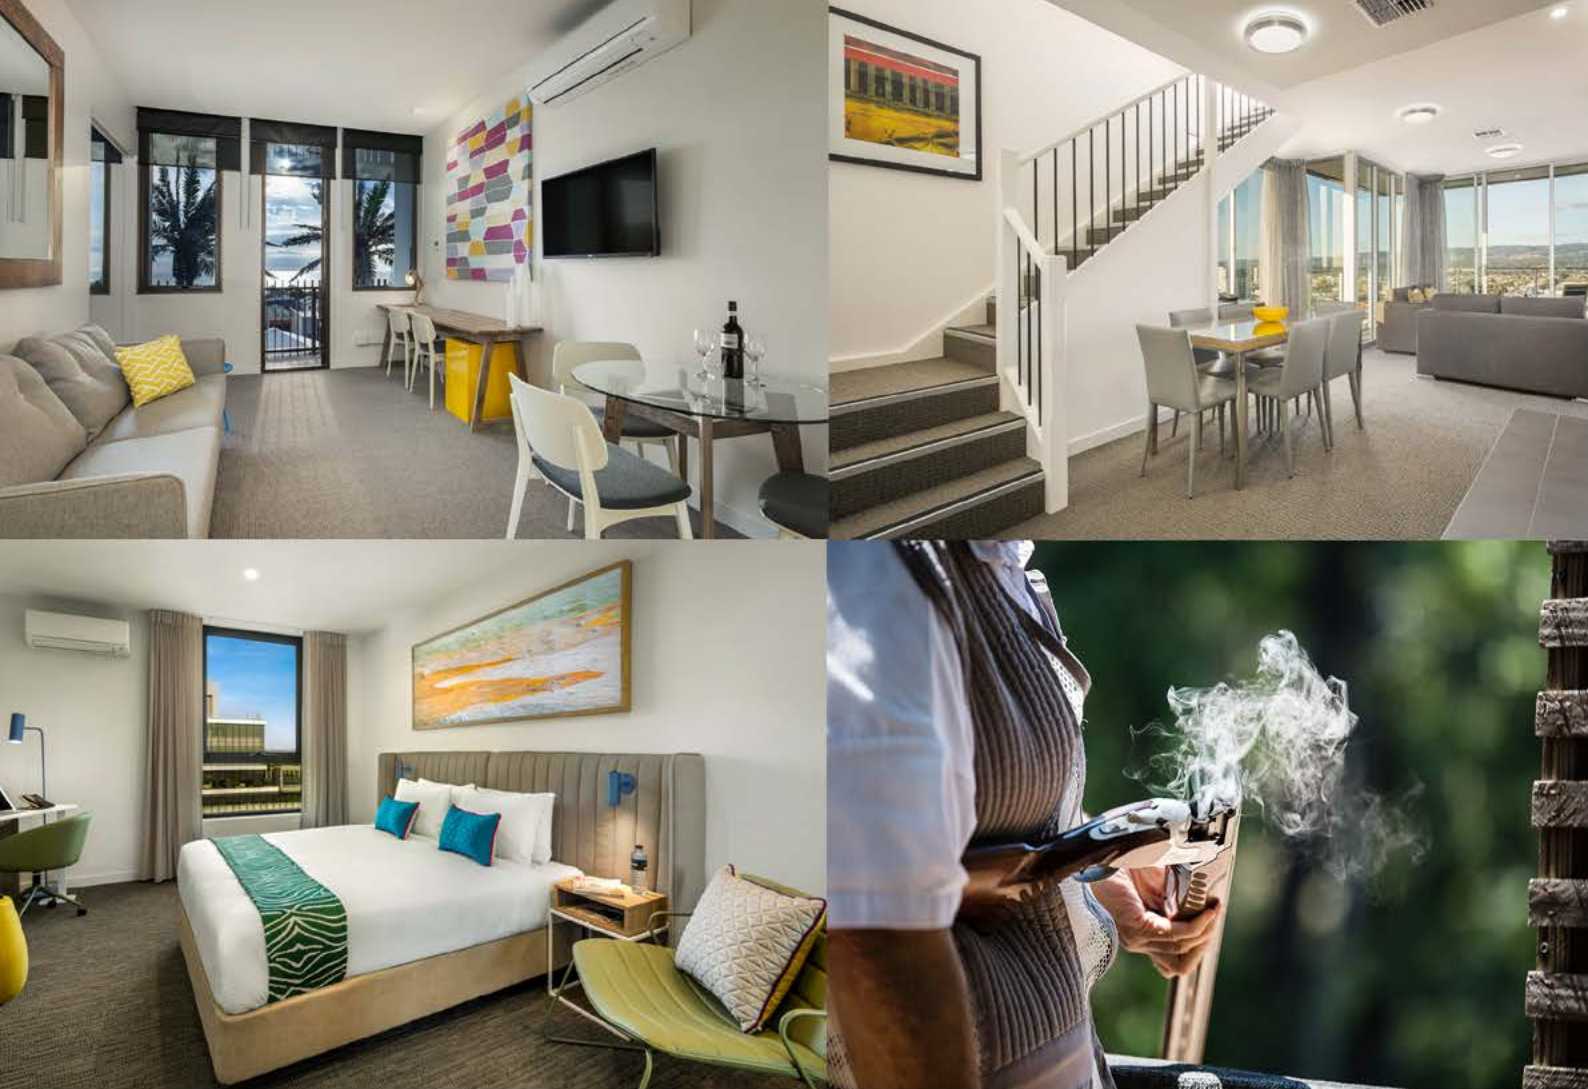

The Invitational High Gun was the final event. All High Gun winners from the year competed, shooting five double barrel, five single barrel, five points score and five handicap. Phil Body dealt very effectively with the opposition, shooting all targets, thus winning 2019's High Gun Champion sash. Winner of the raffle was Pauline Body who graciously accepted the ham instead of the cash

with second shooter, Lindsay Blewitt taking the meat tray and George Toyne settling for shells. Thus the cash stays with Club equals happy treasurer!

Presentations followed with our super veteran, John Siede being crowned Club Champion for 2019 a very worthy recipient. The Club's Most Improved Award went to Chris Brown again well earned and the Fimac Engineering Handicap Shield went to a very surprised John Walker.

Presentations were made to Tracy and Pauline who each month organise the office and keep things flowing. Without their efforts the Club would not function. Thanks from all. To George Toyne who keeps the grounds and club maintenance up to scratch well done.

A special thanks to our President, Phil and Vice President Shane. Not only do they both sponsor major events during the year but put in many hours over and above to ensure our Club functions effectively and efficiently. Many thanks from all members.

Traumatic Events and Grief, how the fires might affect us

As I write this article, most of the NSW coast, Victorian high country and Gippsland and south-east Queensland, Adelaide hills and parts of the Nullarbor Plains are being ravaged by horrendous bushfires. Fires of this magnitude are not unusual, but what is unusual is the occurrence of such large intense fires in different parts of the country at the same time. Some of this article appeared in 2004 following the Boxing Day Tsunami. Whilst that was a totally different disaster the components of how we are affected by real trauma (what we experience) and vicarious trauma (what we see, hear or read about) are the same.

Firstly, I would like to offer my sympathy to any of my readers who were affected fires as individuals who have lost loved ones or their homes or members of gun clubs where the facilities and assets of the club have been destroyed.

Part of my day job over the past 30 years has been to provide critical incident response and management to schools in times of traumatic events: bushfires, severe wind storms, teacher and/or student deaths, bus accidents, kidnappings, murders, etc. I feel that it is necessary to present this point of view because the newspapers, television and radio have bombarded us with images and descriptions that make it difficult for us not to be affected. My work in schools and with the police has shown that the person who receives the phone calls at the front office or operates the radio can be more affected because they are not actually at the scene and therefore they have no way of evaluating what is actually happening. They have to rely on others (who may be emotionally distraught) and therefore imagine what is going on, which is usually far worse than the real situation. These people also feel out of control because they cannot help. For the Australian public, we have been in this position; seeing and hearing graphic images but unable to effectively respond.

The central theme in dealing with traumatic events is to get the community to understand what is happening to them when an event such as bushfires

strike their communities. Traumatic events have three determining aspects:

- Firstly, they **challenge your sense of justice**; this isn't fair, why is this happening?
- Secondly, they **expose your own vulnerability**; we immediately think it could have me that died, or my family or children,
- and finally, they **overwhelm us**; because the event is so outside what we usually experience we cannot get it out of our head.

The interesting thing about humans is that the range of thoughts, feelings and reactions will be varied. There is no right or wrong way to respond. Some people appear as if nothing happened, whilst others are unable to function as normal. The whole range of responses is normal but because the experience is usually outside our sphere of normal and everyday experiences, we often have no way of knowing that what we are going through is a natural response to an abnormal event and our mind quickly tells us we must be losing it or cracking up.

The "cracking up" is merely the expected short-term psychological effects of dealing with trauma.

These come in four areas;

- **Cognitive** (to do with our thinking), affective (to do with our feelings), psychophysiological (to do with our bodies) and behavioural (to do with our reactions). Cognitive problems may include difficulty in attending, concentrating, sleep disturbances, recurrent and intrusive thoughts, dreams and nightmares.
- **Affective** problems may include feelings of rejection, overwhelming sadness, worthlessness and feelings that the situation is hopeless and therefore I must be helpless. Changes in moods and feelings of depression and anxiety are affective responses.
- **Psychophysiological** problems can be real symptoms such as pains in the chest, tingling fingers, butterflies in the stomach, headaches, dry throat, etc. These are the physical indicators of the flight or fight stress response.
- **Behavioural** problems may lead to alcohol and

drug dependency, withdrawal from sport and social groups.

For the majority of the population, if they receive appropriate counselling, then these problems will disappear but for a small proportion of the population, they may develop symptoms of post-traumatic stress disorder. Appropriate counselling gives the person the opportunity to have their thoughts, feelings and reactions validated, legitimised and normalised. The central theme is to get the client understand that their reactions are a natural response to an abnormal event.

It is possible that some readers are now thinking; I've been feeling a bit like this but I didn't think that the bushfire would have that effect; I feel safe, I didn't know anyone there, etc. What the traumatic event has done is trigger a grief response in you because of some other event previously in your life.

All humans experience grief when something or someone of value leaves or dies. Grief is "the pain of letting go". How much we grieve is dependent upon how close we were to the person. The more central the person was to us the more we will hurt and the greater the pain of letting go. The grief response, follows a series of not so discreet steps. All grief responses follow a similar pattern but not all people grieve in the same way, or for the same time, or with the same intensity.

- The initial phase of grief is shock or numbness. When we first hear that someone has died we are shocked because up until that moment, in our mind, they were alive.

- The second phase is anger. It is not unusual for someone grieving to be angry at person who died, themselves, their God, everybody and anybody. Anger is a normal part of the grieving process.
- The next phase is denial, where we refuse to acknowledge our thoughts, feelings and actions regarding the way we are feeling. The next stage is depression, which is more of an intense sadness than a clinical form of depression.
- The final stage in the process is acceptance, where we realise that we can live with the grief as the companion instead of the person.

In conclusion, it must be remembered that grief is a normal and natural human response. It is painful but will over time diminish. Grief is the pain of letting go of someone we love and because we do not want to let them go, the pain is often very intense. The way each of us grieve is personal and different, so there are no rules. We must take it slowly and be prepared for a rough ride. The best way to deal with it is to talk it out.

I had intended to write a follow up article on some of the components of mental toughness, but it seemed more appropriate to revisit this article now.

I have put together all the articles that I have written for the CTSN on CD or USB. These are available for \$25.00 (which includes GST and Postage). If you wish to purchase a copy contact me at mjkrugerdavis@gmail.com or at the address below.

Christmas Shoot 2019

On December 14, the Maryborough Club conducted its Christmas shoot. Numbers were down on previous years, but as this was not the Club's normal monthly shoot date we unfortunately clashed with other clubs who were also running their Christmas shoots.

Competitors who did compete enjoyed the day that included a barbeque lunch, a magnificent afternoon tea spread and a free spit roast for dinner.

Maryborough would like to thank our sponsors: Hazeldene's Poultry, PJ's Timber & Hardware and also our own club members, Peter Tate and Adrian O'Connell for their generous sponsorship which included the large ham on the bone first prize in the Christmas double barrel championship, the side of lamb first prize in event 2, the meats for the spit roast and the prizes for the Christmas hamper prizes for the raffle including the large lobster. Thanks also to Lynne for sourcing and assembling the barrow full of goodies for the raffle and of course to our club ladies Kay, Lynne, Lorraine, Jacinta, Peggy, & Judy who worked tirelessly all day in the canteen.

Nathan Cassells won the overall in event one, the Double Barrel Championship with Travis Gull taking

out AA grade. Second in AA went to Matt Appleby from Bendigo 3rd to Brett Williams, Beaufort and 4th to Adrian O'Connell.

A grade 1st was won by Mark Collins, 2nd went to Garry Cassells, 3rd to Robert Durbridge and 4th place to Mark Newcombe from Jeparit. In B grade Billy Sands from

Collins, with second place going to Mark Newcombe and Wayne Sanders and third to Kiara Dean, Echuca and Rielely Fitzgibbon.

The overall day High Gun went to Mark Collins, the Ladies to Anna Wojciechowski from Beaufort, the Veterans to Peter Tate and Rielely Fitzgibbon took home the Junior.

Club President Len Johnson won the Annie Oakley event which was run as an extra between events one and two.
