# PRESIDENT'S ANNUAL REPORT

## Mal Dyson – President

*I have pleasure in delivering this report to the Australian Clay Target Association (ACTA) members on behalf of the Executive Committee in relation to the Association affairs for the 12-month period ending December 2020.*

*There is no doubt that the 2020 year has been a very challenging one for us. The clay target community, as well as the ACTA, have been confronted by many obstacles and complications brought about by COVID-19. My thanks go out to members, administrators and clubs for their perseverance and dedication during these extraordinary times to ensure the ongoing viability of our sport.*

### MEMBERSHIPS

*Membership for the period was 12,944. This was a decrease of 709 members, about 5.4%, for the 12-month period when compared with the previous year's membership. The Corona Virus pandemic which hit our nation in early March, left our members unable to attend their club shoots and may well have contributed to this decrease in membership. It will only be through reflection and comparison in coming years that a more accurate assessment of the membership can be made.*

*The Club Membership incentive, introduced to reward clubs who grew their numbers by more than 20%, saw 11 clubs achieve the growth required to receive the \$30 per member reimbursement. Congratulations to those clubs who achieved the required increase in membership numbers. On another note, the continuing reluctance of some clubs to ensure that all their shooting members are registered with the ACTA, as required by the Constitution, is also negatively affecting our membership growth. It also exposes the Association and clubs to uninsured legal claims.*

### FINANCIAL

*Our Association's financial situation has continued to be sound over the last twelve months. Faced with significant challenges, during what we all would agree was an extremely difficult year, we managed to come through very well. With the only income available being from our membership, the ACTA applied for, and received, the Federal Government's Stimulus Boost and Job Keeper packages and these certainly assisted in maintaining the Association's*

*financial viability and maintaining essential Association staff.*

### NATIONAL CHAMPIONSHIPS

*The only National event held during the year was the National ISSF Championships. In 2020 this event was held at the Newcastle-Lake Macquarie Clay Target Club. The club hosted an excellent event, despite all the drama of bushfires, travel difficulties for shooters and the pressure of Olympic selection, it ended up being one of the most successful ISSF Carnivals in some time.*

*With the ISSF being the only event held during 2020, the National Trap, Skeet and Sporting Championships have all been rescheduled in 2021. Already there has been further postponement of the Trap Carnival to later in the year. Likewise, the ICTSF World Trap event, to be held in Bywell England, has also been postponed to 2022 and due to the virus situation in Europe this event may well be in doubt for 2022.*

*The Olympic Games, to be held in Tokyo, were also postponed to July 2021 and at this point of time are scheduled to continue. Congratulations to all our Olympic Shooting Team members and the best of luck for a safe and enjoyable Olympic Games in Tokyo.*

### COACHING

*The ACTA Coaching Sub-Committee has met on several occasions throughout the year and we thank them for their contribution and commitment. The ACTA would also like to thank Lauryn and Russell Mark on developing a series of coaching videos. These videos have been well accepted by members. Further videos yet to be finalised will give further support to our coaches, we are most appreciative of Lauryn and Russell's expertise and knowledge.*

*In an effort to assist Accredited Coaches with their identification and accreditation, the ACTA office has purchased the necessary software and a machine to enable production of individual Coaching Cards. This, no doubt, will speed up the process of coach accreditation and recognise the efforts of those individuals who seek to help others in our sport.*

### SPONSORS

*ACTA are again most grateful for the support received from our sponsors. As mentioned previously, except for ISSF, we did not conduct any other National*

Championships. The Association wish to thank our sponsors, who have agreed to continue with the same sponsorship proposals in this coming year. We are most appreciative of their on-going support and development of the Association's events.

#### **ADMINISTRATION**

The National office has had a few minor changes during the year. Aileen Storey resigned from the position of administration of the The Range Function Centre and general office duties. We would like to thank Aileen for her time in the position and the role that she played in the development of the venue.

At this point in time, we have not been able to find a suitable replacement. Nathan and Danette Gale (Wagga Catering Services) have taken on the position to assist with the bookings and running of the Conference Centre.

#### **ACTA EXECUTIVE**

One of the biggest challenges of a year decimated by COVID-19 has been the ACTA Executives' inability to proceed with any face-to-face meetings. All meetings have been by Video Conference using GoToMeeting software, including the 2020 AGM. The planned National Strategic Plan meeting with Brisbane company CPR is now scheduled for May 2021 during the National Skeet Carnival. Also, the Association's 2021 AGM is scheduled to be held during the Skeet Carnival as the Trap Carnival has been postponed to 6–10 October 2021.

During the past twelve months the Constitutional Sub-Committee have continued to meet, and we thank Committee members for their time and effort preparing this document. The presentation of the new ACTA Constitution to the members will take place at the upcoming 2021 AGM. At the same time, members will also vote on a motion that the Association move to a Company Limited by Guarantee.

A Company Limited by Guarantee is a way of referring to a 'not for profit' company and means that money raised is re-used for the good of the Association. It also has implications for more rigorous financial reporting to the Australian Securities and Investment Commission and to members.

The Executive are looking to the membership to support both of these motions.

During the year, the Executive reached an agreement with Martin Smith for the ACTA to use the My Clubs My Scores shooting program. It was further agreed to implement an algorithm to introduce an automated Grading/Handicapping program as part of the process. This system will run parallel with the

2021 Handicap books to gauge how the program is progressing and the maintaining of an accurate Grading/Handicap process. The National Rules Supervisors' Committee will meet in June to further discuss the new Handicapping system. Assessment will be made as to how it is progressing and to resolve any issues that may have arisen. The ACTA are investing significant finances to cover all costs associated with this shooting program, both now and into the future, with no cost to clubs to come online and be part of the process. It is inherent to the new system that the ACTA has all clubs using this program. In the future, all Grading and Handicapping will be done through this system, it is planned that there will be no shoot record books used in 2022.

#### **EXECUTIVE CHANGES**

The National Executive has undergone a number of changes during the last twelve months. The Executive farewelled Mr Bronte Evans (South Australia), Mrs Fiona Atkins (Tasmania) and Mr David Howe (Northern Territory). The South Australian position was filled by Mr Len DeCandia, Tasmania by Mr Mark Dennis, Northern Territory by Mr Pat Coogan and Victoria by Mr Les Kadziela. I would like to extend the Association's thanks to all of the retiring members and welcome their replacements. The Association is most grateful for your contributions, both in the past present and future. I would like to take this opportunity to thank all Executive Members for their work and time in what is sometimes a difficult position to hold.

To our staff for their support, time and effort during what one would say was an unprecedented and challenging year.

Special thanks to Vice Presidents Garry Read and Terry Marsden for their support and contribution. Last, but not least, to our Chief Executive Officer, Mr Paul Gilbert. You have given to our Association way above the expectations of your job. Your dedication to our members' requests, commitment to covering all aspects that arise, are to be congratulated. I am confident that the whole membership joins me in thanking you.

In closing, thank you to all members who have volunteered their time and work at all levels – Club, Zone, State and National. Your contribution to our Association is gratefully received.

Malcolm Dyson,  
National President, ACTA

# CEO'S ANNUAL REPORT

## Paul Gilbert – CEO

*If you were looking for anything out of the ordinary, 2020 was definitely it!*

*The new year opened with terrible bush fires around much of Australia, of which NSW and Victoria took the lion's share of the brunt. It was no surprise, therefore, to be confronted with concerns in mid-January about whether the ISSF Nationals / first Olympic 2020 Trial, to be hosted in Newcastle, would proceed when areas around the venue were under attack by fire only one week prior to this event. Fortunately, Shooting Australia, the ACTA and Newcastle-Lake Macquarie Clay Target Club were able to communicate around and develop a fire mitigation strategy that was approved by the NSW Rural Fire Service and the event proceeded safely as planned. Congratulations to our six shotgun athletes; Paul Adams, Laura Coles, Tom Grice, Laetisha Scanlan, Penny Smith and James Willett who all were awarded places in the Olympic Team as a result of their performances at events completed prior to the Covid-19 lock down. We wish these athletes every success in their 2021 assault on Tokyo.*

*As would transpire in any normal year, preparation occurred between January and March for the 2020 Trap Nationals, Strategic Planning Day, National Executive Committee Meeting and AGM. However, on this occasion, all this came to a crashing halt with the advent of the Covid-19 pandemic. This situation commenced on Thursday 12 March when the local Council called an urgent cancellation to the Wagga Mardi-Gras just prior to that event's weekend, issuing advice the same afternoon that ALL events of over 500 participants within this region were to immediately be suspended. On the 16th we postponed the Trap Nationals and by Friday 20 March, the Prime Minister had reduced mass gatherings to 2 people! This almost immediate curtailment required extensive cancellation of all planning, including notification to participants, event staff and volunteers, sponsors, Trade Fair exhibitors, NSW Firearms Registry, caterers, security companies, dignitaries, and accommodation houses. The announcement also resulted in all clubs being advised to immediately cease activity; a situation that lasted for the next 2 to 8 months depending on which state you lived in! Moving on from March, the ACTA postponed all*

*events, delivered its first-ever teleconference AGM in May, then, as critical timelines passed, event cancellations were forced to occur. Even the 2020 Tokyo Olympics were not immune, these also being postponed till 2021. The reasons for this decision were complex but mainly centred around our concern for the health of and responsibility towards all competitors and their families.*

*The Covid-19 pandemic also demanded the formulation and communication of compliance and social distancing restrictions for all 12,900 ACTA members, 254 clubs and our seven Federated State Associations. Right throughout the extended period, I was communicating directly with all stakeholders, a task made all the more complex following the first Federal announcements and lockdown which quickly became State-specific, independent compliance restrictions in each individual State / Territory jurisdiction. Within this process, I developed club Covid-19 compliance guidelines, implemented an insurance-approved authorisation to recommence activity procedure and kept all stakeholders accepting of the need to remain patient.*

*Regarding other areas of business, the Function Centre also suffered severely due to Covid-19 cancellations and social distancing restrictions. While things began on a good note, (the National Ground's first hosting of the Wagga Wagga Lifestyle and Leisure Expo in late February), things soon evaporated with cancellations to the "Stone the Crows" event, Police Games, Defence Games and a host of expo, trade fair and conference bookings. Towards the end of the year, a number of school formals were also threatened prior to the NSW Government's decision to allow these to proceed as reduced number, student-only events.*

*While the pandemic caused major disruption to National, State and Club activities, it did have a silver lining. First and foremost, the Association was able to harness Stimulus, Boost and Jobkeeper grants, enabling us to continue to pay all wages and retain all staff through the entirety of the year. As a consequence, we were able to address a number of business areas which had, for a number of years, been unkempt and on the to-do-list due to ongoing, severe time and human resource restraints. These included, (amongst other things), database cleansing*

and authentication / updating of all member's details, a new website, a new electronic member card app, the licencing of My Clubs My Scores to provide a new nation-wide shoot competition and Grading / Handicapping program for all Club, Zone, State and National competition usage, new risk management processes, (including Confidentiality Agreements to protect member privacy information), a Youtube coaching video series and completion of a new Constitution which will be presented to the Membership for approval in 2021. We also introduced regular video meetings of our Executive Committee and Management Sub-Committee, the number of meetings in 2020 increasing from the previous two to six and eight respectively during the year for both committees, resulting in far greater and more focussed discussion on impending issues and decision-making process.

### STAFFING

Again, we were not immune from changes in this area. Brenton Rose, one of our Grounds and Facilities Staff members, resigned at the end of June to pursue his ambitions with the Army. Aileen Storey also decided to resign from her position of Media, Marketing and Facilities Co-ordinator at the start of July, choosing to explore early retirement. As a consequence, Wagga Catering Service offered to step into the Function Centre Coordinator's role, (thanks Nathan and Danette), for an interim period, this being greatly accepted and appreciated until things again become "a bit more normal" and we are better placed to replace Aileen. While we were sorry to see both of these valuable employees leave, it did offer the ACTA the opportunity to consolidate our position during this period of Covid-19 impact. The balance of our staff, (Judy, Sue and Jenny), remained unchanged and need to be acknowledged and thanked for their ongoing devotion and attention to our members' needs throughout this extremely testing and challenging period.

### COMPETITIONS

As was highlighted earlier in this report, the only National competition completed in 2020 was the ISSF Nationals in January. The Newcastle-Lake Macquarie Clay Target Club hosted this event with great precision and professionalism. Thanks to Executive Committee Member Colin Kneebone, (Event Director), the President of the NLMCTC, Ken Turnbull, NLMCTC volunteers, ACTA's ISSF Referees and Shooting Australia's staff for the successful delivery of these wonderful Championships. Participation numbers were steady for the Nationals and events were strongly contested.

### EXECUTIVE COMMITTEE

As per the current Constitution, the ACTA continued to be operated by an Executive Committee comprised of two delegates per State who elect a President, two Vice Presidents and a Treasurer. The current President is Malcolm Dyson, Vice Presidents are Garry Read and Terry Marsden and the Treasurer is Alan Styles. A Management Sub-Committee is also appointed, composing the above group plus another two co-opted Executive Committee Members – Lynne Curtis and Les Kadziela. As discussed earlier in this report, all committees held a large number of GoTo Meetings in 2020, driven mainly by constant changes to plans and deliberation of other opportunities and directions courtesy of Covid-19. It goes without saying that all of our Committee members generously and selflessly volunteer their time to the ACTA, and they deserve our enduring thanks and gratitude. We also wish to acknowledge all of the State, Zone and Club Committee members and volunteers who continue to contribute so strongly to the delivery of membership events and services to our registered members.

### FUTURE DIRECTION

As mentioned, we are hoping to perform our Strategic Planning process in 2021 as well as hosting an AGM that will vote on whether the ACTA becomes a Company Limited by Guarantee as well as whether we adopt a new Constitution. The Constitution Sub-Committee also need to be commended on their time and effort to address all concerns raised when this document was last unsuccessfully presented in 2017 and for revising and delivering a new document that they believe will most capably meet the needs of a reinvigorated ACTA moving forward.

In closing, I would like to take this opportunity to thank the Executive Committee and my staff for their support and assistance during this last difficult year. While it has brought many challenges, it has also shown the strength of our sport and members in working through the adversity and being excited to re-engage as soon as we were permitted to restart competitions at Club level. Let's all hope that the year ahead brings more of the good and less of the bad as Covid-19 is hopefully dealt with and becomes a chapter of our history.

Yours in sport,

Paul Gilbert  
Chief Executive Officer

# Australian Clay Target Association 85TH ANNUAL GENERAL MEETING

Notice of the 85th Annual General Meeting  
of the  
Australian Clay Target Association Incorporated  
is hereby given to the members.

The meeting will be held on  
**SUNDAY 16 MAY 2021**  
Commencing at 7.00pm

Registration commences at 6.30 pm  
*(For clubs that have Delegates in physical attendance  
at the AGM),*

at The Range Function Centre  
Tasman Road East Wagga Wagga

*(For clubs that are not able to have Delegates  
in physical attendance at the AGM),*

**ELECTRONICALLY via  
GoTo Videoconference Meeting**

*(All Videoconference Delegates will be sent  
an email advising their access link  
during the week prior to the meeting)*

## AGENDA

The order of business of the meeting shall be as follows:

1. Opening
2. Attendance
3. Apologies
4. Roll Call and Quorum: Rule 17.1 (25 members who are entitled to vote)
5. Confirmation of the Minutes of the 2020 Annual General Meeting
6. Reports:

- i. President: M. Dyson
- ii. Financial: A Styles
7. Announcement of the appointment of elected Executive Committee members in place of the retiring Executive Committee Members
8. Confirmation of Auditor for 2021

The nomination form can be accessed online via  
[www.winchesteraustralia.com.au/lets-go-clubbing](http://www.winchesteraustralia.com.au/lets-go-clubbing)

**from 1<sup>st</sup> April - 17<sup>th</sup> December 2021**

Terms and conditions apply. View online for more details

# Australian Clay Target Association Inc.

14 590 029 414

## Statement of Financial Position as at 31 December 2020

### COMMITTEE REPORT

The Committee present their report together with the accounts of Australian Clay Target Association Inc ('the Association') for the year ended 31 December 2020 and the auditors' report thereon.

### COMMITTEE

The Committee members of the Association in office at the date of this report are:-

Malcolm Dyson	President	Colin Kneebone	New South Wales
Brian Muirson	Queensland	Kim Nealon	New South Wales
Malcolm Collins	Queensland	Alan Styles	Tasmania
Patrick Coogan	Northern Territory	Mark Dennis	Tasmania
Ray Niven	Northern Territory	Lynne Curtis	Victoria
Terry Marsden	Western Australia	Les Kadziela	Victoria
Ian Watson	Western Australia	Garry Read	South Australia
		Len DeCandia	South Australia

### PRINCIPAL ACTIVITIES

The principal activity of the Association during the 2020 financial year was to administer, promote and develop the sport of clay target shooting.

### RESULT

The net operating surplus of the Association for the year ended 31 December 2020 was \$220,306. This compares to a net operating deficit after depreciation in 2019 of \$119,747.

### SIGNIFICANT CHANGES TO STATE OF AFFAIRS

Operations of the Association and its members were significantly affected by the COVID 19 pandemic during the 2020 financial reporting period, primarily the cancellation of the Trap, Skeet and Sporting Clays national events. The Committee and management team have worked closely with members and local health authorities during this period to ensure all activities were delivered in a safe and compliant manner for all involved. COVID 19 also seriously impacted bookings at the Range Function Centre, consequently resulting in a significant reduction in activity for this business unit. This disruption has continued subsequent to year end with the full financial impact of this disruption unable to be accurately estimated at the date of this report.

In the opinion of the Committee there were no other significant changes in the state of affairs of the Association that occurred during the financial year under review not otherwise disclosed in this report or the accounts.

### EVENTS SUBSEQUENT TO BALANCE DATE

Following the end of the 2020 financial year, the Committee has determined to postpone the 2021 Trap Nationals event initially scheduled for March 2021 to October 2021. All nominations relating to this event have been deferred.

Other than the matter raised above, there has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material and unusual nature likely, in the opinion of the Committee of the Association, to affect significantly the operations of the Association, the results of those operations, or the state of affairs of the Association in subsequent financial years.

## SHORT AND LONG TERM OBJECTIVES

The short term objective of the Association is to service its members through:

- Organisation of local, state, national and internal competitions,
- Ongoing coaching and development,
- Collaboration with State Associations and affiliated Clubs.

The long term objectives of the Association are to promote the sport, service its members and to work collaboratively with all state organisations to manage the future development of the sport.

## KEY PERFORMANCE INDICATORS

The Association monitors key performance indicators against industry standards and internal expectations.

The indicators are both financial and non-financial with the results presented for the Committee's discussion.

## LIKELY DEVELOPMENTS

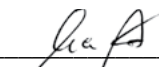

The Committee is planning to reassess the ongoing valuation methodology of the property, plant and equipment held by the Association in the coming financial year.

## COMMITTEE INTERESTS AND BENEFITS

Since the end of the previous financial year no Committee member has received or become entitled to receive any benefit because of a contract made by the Association or a related corporation with a Committee or with a firm of which a Committee member is a member, or with a company in which the Committee has a substantial interest.

Signed at Wagga Wagga this 4th day of February 2021 in accordance with a resolution of the Committee:

President  
  
Malcolm Dyson

Treasurer  
  
Alan Styles

## STATEMENT OF COMPREHENSIVE INCOME

For the Year Ended 31 December 2020

	Note	2020 \$	2019 \$

# NOTES TO AND FORMING PART OF THE ACCOUNTS

For the Year Ended 31 December 2020

## NOTE 1 - STATEMENT OF ACCOUNTING POLICIES

The financial report includes the financial statements and notes of the Australian Clay Target Association Inc as an individual entity. The Australian Clay Target Association is a not for profit entity incorporated and domiciled in Australia.

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the financial reporting requirements of the Associations Incorporation Reform Act 2012.

The following is a summary of the material accounting policies adopted by the entity in the preparation of the financial statements:

(a) *Income Tax*

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) *Cash & cash equivalents*

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(c) *Receivables*

Accounts receivable include amounts due from members. Accounts receivables are recognised at the amounts as they are due for settlement. Accounts receivables do not carry any interest and are stated at their nominal value.

(d) *Inventories*

Inventories comprises goods for resale and goods for distribution and use at no or nominal consideration as part of the Association's ongoing activities.

Inventory held for sale is measured at the lower of cost and net realisable value.

(e) *Trade creditors and other payables*

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days on recognition of the liability.

(f) *Property, plant and equipment*

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses.

Costs include the initial purchase price and other directly attributable costs.

### Land

Land held for use is stated at re-valued amounts. Revalued amounts are fair market values based on appraisals prepared by external professional valuers once every three to five years or more frequently if market factors indicate a material change in fair value.

Increases in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit or loss.

### Buildings, plant & equipment

Buildings, plant and other equipment (comprising fittings and furniture) are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

Buildings, plant and other equipment are subsequently measured using the cost model, cost less subsequent depreciation and impairment losses.

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual value of buildings, plant and other equipment. The following useful lives are applied:

• Buildings	2.5%	• Office equipment	20%
• Plant and equipment	10% – 20%	• Computer software	33%
• Motor vehicles	20%		

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(g) *Revenue*

The Association applies AASB 15 for recognising revenue. Revenue is recorded as the amount of the transaction price that is allocated to the performance obligation, excluding any amounts of variable consideration, when the performance obligation has been satisfied. All revenue is stated net of the amount of goods and services tax (GST). The Association has the following specific policies for when the performance obligations have been met:

*Provision of Membership Services*

Revenue for membership subscriptions is recognised in the period to which the benefits of the membership is provided.

*Sale of Goods*

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

*Grants and other Funding*

Grant funding is recognised as income to the entity when all obligations contained in the underlying funding agreement have been met.

Any grants funds remaining unspent or non-acquitted are deferred at the end of the reporting period.

For acquisitions of assets, the revenue is recognised when the asset is acquired and controlled by the Association.

*Donations*

Donations collected, including cash and goods for resale, are recognised as revenue when the Association gains control of the asset.

*Interest revenue*

Interest income is recognised on an accrual basis using the effective interest method.

(h) *Goods and services tax (GST)*

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of an asset or as part of an item of expense. Receivables and payables are stated inclusive of GST.

(i) *Employee benefits*

A provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

The Association's liabilities for other employee obligations are included in other long-term benefits as they are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service.

(j) *Reserves*

Asset revaluation reserve comprises gains and losses from the revaluation of land.

All other reserves comprise surplus funds that have been designated to be spent for a specific purpose in the future to which the individual reserve relates.

(k) *Financial Instruments*

*Initial recognition and measurement*

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the entity commits itself to either purchase or sell the asset (ie trade date accounting is adopted). Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

*Classification and subsequent measurement*

Finance instruments are subsequently measured at either fair value or amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

*Amortised cost is calculated as:*

The amount at which the financial asset or financial liability is measured at initial recognition less principal repayments; plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest method; and less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

*(i) Financial assets are classified at fair value through profit or loss*

When they are held for trading for the purpose of short-term profit taking, or where they are derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in profit or loss.

*(ii) Loans and Receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

*(iii) Financial Liabilities*

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

*Fair value*

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

*Impairment*

At each reporting date, the entity assess whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

*De-recognition*

Financial assets are derecognised where the contractual right to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability, which is extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**(l) Critical Accounting Estimates and Judgements**

The Committee evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

*Key Estimates – Impairment*

The Association assesses impairment at each reporting date by evaluation conditions specific to the Association that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

*Key Judgements – Provision for Impairment*

The doubtful debts provision represents amounts that the recoverability of the receivable is doubtful. The provision is measured in accordance with AASB 9 using the expected credit loss approach. This requires the Association to apply a forward-looking credit loss methodology.

The Association applies the simplified approach to its trade receivables and measures the loss allowance at an amount equal to the lifetime expected credit losses.

**(m) New Accounting standards adopted during the year**

*AASB 15 Revenue from Contracts with Customers*

AASB 15 took effect for the Association on 1 July 2019, replacing AASB 118 which details the recognition of revenue. Under the new standard revenue is recognised when specific performance obligations are met. This standard did not have an impact on the operations of the Association.

*AASB 16 Leases*

AASB 16 took effect for the Association on 1 January 2019, replacing AASB 117. The new standard removes the distinction between operating and finance leases, consequently the majority of leases will be recognised on the balance sheet. Under the new standard, an asset (the right to use the leased item) and a financial liability to for future rental payments are recognised. This standard did not have an impact on the operations of the Association.

#### NOTE 13 – RELATED PARTY TRANSACTIONS

Transactions with related parties are on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated.

## STATEMENT BY MEMBERS OF THE COMMITTEE

In the opinion of the Committee, the financial report as set out on pages 1 to 17:

1. Presents fairly the financial position of the Australian Clay Target Association Inc as at 31 December 2020 and its performance for the year ended on that date in accordance with relevant Australian Accounting Standards – Reduced Disclosure Regime and the financial reporting requirements of the Associations Incorporation Reform Act 2012; and
2. At the date of this statement, there are reasonable grounds to believe that the Australian Clay Target Associations Inc will be able to pay its debts as and when they fall due.

Dated at Wagga Wagga this 4th day of February 2021

Signed in accordance with a resolution of the Committee:

President

Malcolm Dyson

Treasurer

Alan Styles

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF AUSTRALIAN CLAY TARGET ASSOCIATION INC

### Opinion

We have audited the accompanying financial report, being a general purpose finance report, of Australian Clay Target Association Inc, which comprises the statement of financial position as at 31 December 2020, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory notes and the Committee's declaration.

In our opinion, the financial report of Australian Clay Target Association Inc has been prepared in accordance with the Associations Incorporation Reform Act 2012, including:

- (i) giving a true and fair view of the registered entity's financial position as at 31 December 2020 and of its financial performance and cash flows for the year ended on that date; and
- (ii) complying with relevant Australian Accounting Standards – Reduced Disclosure Regime and Associations Incorporation Reform Act 2012.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Information Other than the Financial Report and Auditor's Report Thereon

The committee are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 31 December 2020, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Committees' Responsibility for the Financial Report

The committee is responsible for the preparation of the financial report in accordance with the financial reporting requirements of the Associations Incorporation Reform Act 2012 and for such internal control as the committee determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so. The committee is responsible for overseeing the Association's financial reporting process.

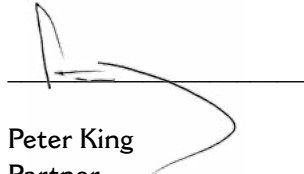

## Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

## AUSTRALIAN CLAY TARGET ASSOCIATION INC

### DISCLAIMER:

The additional financial data presented with this report being the detailed profit and loss statement is in accordance with the books and records of Australian Clay Target Association Inc which have been subjected to the audit procedures applied in our statutory audit of the Association for the year ended 31 December 2020. It will be appreciated that our statutory audit did not cover all details of additional financial data. Accordingly, we do not express an opinion on such financial data and no warranty of accuracy or reliability is given.

In accordance with our Firm's policy, we advise that neither the Firm nor any member or employee of the Firm undertakes responsibility arising in any way whatsoever to any person (other than the Association) in respect of such data, including any errors or omissions therein, arising through negligence or otherwise however caused.

International Clay Target Club

# 2021 South Australian State Skeet Titles

Well, 'Hello' to everyone again. Another 12 months have passed us by, and what a year we've seen. But, after all the chaos and uncertainty of what we've just had to endure, we (at least) have the opportunity to all meet up again here in South Australia for our State Skeet titles. And, even with the 'on-again, off-again' pressures of the instantaneous border closures, it was fabulous to see many of our interstate counterparts go to the trouble of getting all their necessary travel paperwork in order, to come and join us for some fun over the next few days.

For a few years now, ICTC member Tore Pipicella has taken it on himself to promote a day of shooting .410 and 28g just before the State Skeet titles. The event has been gaining popularity each year as more competitors come to try their hand at some of the smaller calibres. The day went reasonably well with 5 squads competing for each

of the sub-gauges. Not a bad effort considering the current economic climate with people being reluctant to travel interstate. The prize table was looking fantastic with a ton of Uleybury Wines from Tore's family winery, and Bronze Wing Australia came to the party again and assisted

*Shoot Marshal Michael Raper making sure everything runs smoothly*

Overall winner of the sub-gauge competition Harry Bader (49/50 28g + 49/50 .410), being presented by sponsor Tore Pipicella

with sponsorship of some NSI sub-gauge slabs which was very well received. Most competitors were happy to have been given the opportunity to shoot these gauges and hopefully with the support of these competitors we will keep this going and see if we can grow it through more word of mouth.

Weather conditions were calm with temperatures

forecast over the 4 days in the high 20's with hopefully, very little breeze.

There was only 1 person that came out on top for both of the sub-gauges. Harry Bader came in with a 49/50 in the 28g and a 49/50 in the .410. What a great effort in the breezy conditions. Grade winners were also congratulated during presentations. Overall for the two events, and only 2 points down, was Harry Bader 98/100. Congratulations and well done! And thank you also to Tore and his family winery for assisting in the prizes for the sub-gauges. Please spread the

word so that we can see a few others joining us next year and making these events even bigger. Practice day went off without a hitch and everyone chilled out while they were contemplating the results of tomorrow.

Although the West Australian State Carnival was held on the weekend before us, we were fortunate enough to still have 12 squads for our Carnival this year. All things considered, this is a great result, and we thank our interstate visitors for coming across to join us.

The competitors that made it here were all vying to try their skill at claiming one of the many Red State sashes that were on offer. Lurking around every corner and walking amongst us were some of the best Skeet shooters in Australia waiting to pounce and claim one of the available State titles.

Around the well manicured grounds, friends that hadn't caught up for a while were seen chatting and laughing and catching up on all the latest goss from their limited travels around our country. The atmosphere was already buzzing with a few caravanners and campers arriving to guarantee themselves a good spot and get some practice in to familiarise themselves with the grounds again before the games begin tomorrow.

As Saturday morning arrived, there was the usual scurry of activity early in the morning as the 4 layouts were being tested and corrected for speeds, angles, heights and distances. A word

of thanks has to go out to the limited State Exec. who also put in countless hours in preparation to make sure everyone had a great Carnival. Thank you also to the ground staff for their trap filling and maintenance which made the shooting

experience a lot more pleasant for all our competitors.

9am on the dot and the first event was called – the 50 target State Skeet 20 gauge Championship. The 12 squads (1 squad down on last year) headed out to contest the event in calm conditions with clear skies. After a good deal of huffing and puffing, only 2 competitors ended up shooting the

perfect score who went out to see who would take the honours.

In the end, the results were: C grade Doyle Yoannidis 43/50 and 2nd was Jay Anderson. B grade went to Deb McPherson 48/50 and

Bruce Baker 2nd. Wally Clarke got the 1st in A 51/52 and Luca Forza 2nd. AA grade 1st went to Jason Corbett 61/62, 2nd was Benn Baker. The honours for Overall went to Michael Buttigieg 62/62. Veteran winner was Kat, Ladies went to Deb McPherson and the Junior was Michael Rixon.

By now, squad cards were already out for the 2nd event for the day which was the 50 target State Skeet Handicap Championship. 12 squads made it out to the lanes, and over the rest of the day the temperature went a little higher to 28 and the breeze stayed calm. All the competitors were hoping that they would get through their 50 targets before we saw any increase in the wind. As they came off, everyone was hovering around the scoreboard to see where their positions were

Russell Stopp*

and if they were in with a chance. Office staff was busy counting the numbers and making up the new cards for the shoot-off's hoping that time was not going to get away from us. At 4.20pm we started the shoot-off's with 5 full squads. Finally when all was said and done, we managed to get through the first day by 6.15pm, and because of the lateness of the final shoot-off the presentation was postponed until the following night. The top 5 were 5th Russel Stopp 83/94, 4th Paul Johnston 100/101, 3rd Rick Dalese 112/115, 2nd Wally Clarke 184/187, and taking the Red State sash and the Overall title this year was Michael Buttigieg, with an amazing 187/187. Great shooting and great to watch guys.

As day 1 drew to a close, everyone headed out to

some of the local hotels and eateries for a well earned break and to get refreshed for the start of the qualifying events on the Sunday morning.

8.15am on Sunday morning saw the start of the 25 target Open Zone Team shoot with everyone vying for the win and placing their names on the title. Central and Eastern fought it out with the eventual winners, by just 2 targets, coming in was the Eastern Zone with 144/150. There is always a lot of rivalry and sledging (in a fun way) between these 2 teams each year. Team members were Cockles, Kenny Atkin, Deb McPherson, Kat, Doyle Yoannidis and Michael Raper. Congratulations to Eastern Zone.

While the Zone shoot was in progress, people were wandering around the grounds having their breakfast and waiting for the call up. Shooting conditions were near perfect, not too bright but sunny, mid 20's and barely a breeze. Smack on 9am the 12 squads were called out for the 3rd event, the 100 target State Skeet Singles Championship.

As the day went on, the usual prevailing winds that come through in the afternoon to give a few competitors a bit of grief, just didn't happen. Everyone persevered and the day ticked along in good time. At the halfway point of this 100 target event, everyone was gathering around the scoreboards to see where their positions were and who they were up against.

There were only 3 perfect scores on the board

so they went out to face off. When all the shooting had gone quiet, the results were counted and the winners came in as: C grade taken by Doyle Yoannidis 95/100, 2nd was Katrina Santas. B grade went to Deb McPherson

State 100tgt Skeet Singles Veteran winner Lyn Schubert

State 100tgt Skeet Singles Junior winner James Sachetta

State 100tgt Skeet Singles AA Grade winner Michael Buttigieg

State 100tgt Skeet Singles A Grade winner Rick Dalese

this year 95/100 with Bruce Baker winning 2nd place. A grade was Rick Dalese 101/102 with 2nd going to Luca Forza. AA grade was won by Michael Buttigieg 113/114 with 2nd place going to Nathan Campbell. The highest award went to a very excited and emotional Harry Bader taking the Red State sash, Silver pin and perpetual trophy with the perfect score of 114/114. Veteran winner was Lyn Schubert, Ladies went to Liz Rymill and the Junior winner was James Sachetta with a near perfect 99/100.

Last formality for the day was the presentations for all 3 events and announce the State Postal Teams. Once this had been done, the teams were told to be in early in the morning to shoot for the positions.

A presentation was also done here to our Shoot Marshal. Michael Raper was awarded a Certificate of Appreciation for his years on our State Executive Board. We thank you for your contribution over the past few years.

This year we were fortunate to see a Hall of Fame inductee for South Australia. The recipient of this award was Fred Guyatt who has had a much decorated career in our sport of choice for some 40 years. Guy Yoannidis, a close friend, gave us all a great running rendition of Fred's history remembering a few highlights with some laughs included along the way. In his thank-you speech Fred thanked the Association and was very proud to have been inducted and to wear the Blue Jacket.

Once this had all been done, it was time to draw

South Australian Open Team High Gun – Luca Forza

the Crayfish raffle. The funds collected from this raffle go straight to our Junior Development Fund. Many, many thanks have to go to our good friend Kat who is a great advocate for juniors in this sport and gives so generously every year. Finally everyone went off for a relaxing Sunday night, awaiting the last day of qualifying on the Monday SA public holiday.

As Monday morning started to break, the Postal Teams went out at 8am to shoot it off

for the team positions and the Team High Guns, which this year were Open Luca Forza 59/59, Veterans Ross Walsh 35/37. Sadly there was no Junior or Ladies team High Guns this year.

On the last day, there was activity at the noms window to see if there were any squad changes for the long distance travellers, and as everyone was sorted out, the 50 target State Champion of Champions got underway right on time.

Eight competitors shot the perfect score and there was some friendly rivalry again around the grounds before the shoot-offs began. Final

scores came in as Chelsea McKinnon 1st in C 42/50, and Katrina Santas 2nd B grade went to Doyle Yoannidis 49/54, and 2nd Julie Freeman. A grade winner was Tore Pipicella 53/56, and 2nd went to Bobby Dower. AA 1st was Lyn Schubert 58/60, with 2nd going to David O'Sullivan. Overall honours went to Kerry Anderson who kept her cool and her head down to come in with 59/60. Veteran winner was also Lyn Schubert, Ladies was also Kerry Anderson and Junior went to James Sachetta. A great effort from all these guys.

This year, we have to thank Sue Denton for her unrelenting perseverance around the grounds in getting everyone to dig deep and donate. The amount that was raised this year, which goes to the Junior Development Fund, was just under \$400.00 – not bad from just 70 competitors. You all deserve a round of applause and a pat on the back. Thank you all so very much.

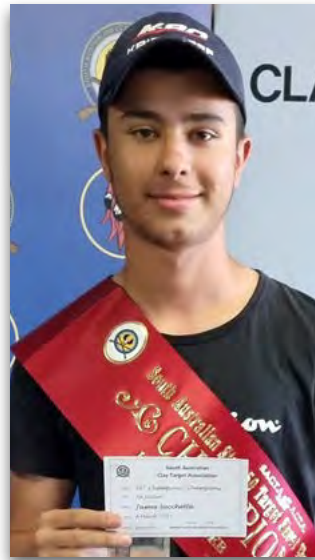

Over the Moon – Kerry Anderson becomes the Overall Open State Champion of Champions winner as well as Ladies winner

State Champion of Champions AA Grade and Veteran winner Lyn Schubert

State Champion of Champions A Grade winner Tore Pipicella

State Champion of Champions Junior winner James Sachetta

The final event of the weekend then got underway – the 25 pair State Skeet Doubles Championship. The 12 squads headed out to fight it out, and as scores started coming in, everyone was gathering at the scoreboard to check how they had gone toward the High Guns.

Winners and scores for the Doubles were: C grade Jay Anderson 44/50 and 2nd was Matthew Wilson.

B grade was won by Julie Freeman 48/52, with 2nd place taken by Doyle Yoannidis. In A grade, Bruce Baker got the 1st place 49/52 and 2nd went to Tore Pipicella. In AA James Sachetta 52/56 got the 1st and Wayne Petersen 2nd. The honours and Red State Sash for Overall went to Darren Reus with a 54/56. Veteran was Bruce Baker, Ladies was Julie Freeman and Junior was again James Sachetta.

State Champion of Champions B Grade winner Doyle Yoannidis

State Champion of Champions C Grade winner Chelsea McKinnon

Julie Freeman, B Grade and Ladies in the State Skeet Doubles

After the presentations for these 2 events, the 3 Day High Guns were also awarded. With 292/300, Junior High Gun was James Sachetta. What a fantastic effort from this guy. The Ladies Overall went to Kerry Anderson on 283/300 and the Veteran High Gun was Max Oakley with 282/300. The Grade High Guns were: C, Doyle Yoannidis 274/300. B, Bruce Baker 281/300. A, Rick Dalese 288/300 and AA was Dave O'Sullivan 293/300. The highest accolade of Overall

High Gun this year went to Michael Buttigieg who did a near perfect 296/300. Congratulations to all these winning competitors.

The last formality was to announce the winning SA shoulder to shoulder travelling teams who were presented with their well earned State badges. Sadly, the SA Junior Champion Shooter was not contested. Finally the South Australian Open Champion shooter this year went to Rick Dalese. Congratulations Rick and well done!

At this point we would like to sincerely thank all of our generous sponsors for supporting our State Skeet Carnival this year. Every shooter knows that without their involvement, contribution and support, these events, trophies and prizes would not be possible. This year we take a bow to Bronte Evans Chartered

# 2021 Seaside Classic

This annual Carnival originally scheduled to be held on the 12th, 13th and 14th February, had to be postponed due to Victorian Covid outbreak. With the State Government introducing a 5 day lockdown across the State, everyone who had arrived had to leave and return home.

After discussions, the opportunity to reschedule to March 19th, 20th and 21st became viable with many thanks to the Hamilton Gun Club for swapping their shooting weekend with ours. 178 competitors competed over the weekend for the \$20,000 plus of prizes, consisting of cash, shotshells, rifles, a Browning trap gun, various other trophies and sashes. With fine weather conditions predicted, all was set for an excellent 3 days of shooting.

Friday afternoon saw the first event get underway, the 75tgt South West Zone Champion of Champions shot off 18 metres, sponsored by Macey's Bistro and Carters Transports. Overall winner Ashley Bolwell 148/150 Central Wimmera Club, AA – 1st Stuart Allen 146/150 Wonthaggi Club, 2nd Mitchell Iles 121/125 Melbourne Gun Club, 3rd Martin Collumb 118/125 International Gun Club. A – 1st Andrew Cameron 120/125 Melbourne Cricket Club, 2nd Jeff Hogg 117/125 Cohuna Gun Club, 3rd David Kent 134/150 KGC. B – 1st Ian Cameron 115/125 Melbourne Cricket Club, 2nd Craig McNeil 114/125 Melbourne Cricked Club, 3rd Catherine Owen 109/125 Beaufort Gun Club. C – 1st Michael Ceechetto 110/125 MCC, 2nd Andrew McKinnon 109/125 Mount Gambier GC, 3rd Julie Hogan

# Psychological Skills for Shooting

by Michael Kruger-Davis

## Skeet in Adelaide

As I was not able to travel to New Zealand this year in February for the NZCTA Sporting Clays Championships, I decided in early March, as there were no COVID cases in any Australian States, I had the time and money, so I headed off to Adelaide, about 850 kms, to compete in the SACTA Skeet Carnival. I had shot the last few National Skeet Championships and the NSWCTA Skeet carnivals before but this was going to be the championships I was to take seriously. What was different for this shoot, was that for the 6 weeks before I had been shooting at least 50 targets practise every Wednesday. During these practice sessions, I was showing good form, so I went to The International Club with a purpose in mind.

We all know there is a big difference between shooting well in practise and shooting well in a serious competition and as you have already worked out, I probably tried too hard and didn't perform as well as I could have. Those readers who have followed my advice of the many years and have read the *Inner Game of Golf* by Tim Gallwey will understand the concept of 'trying fails'. For those who haven't read it yet, here is a quick summary: Gallwey argues that when we try too hard, we tense up, this means we are unable to swing, follow through and hit the target. By tensing up we develop self-doubt, this further gets in our way of seeing the target, acquiring the target, swinging, hitting the target and following through. Self-doubt doesn't allow us to be fluid and we miss targets. Then we think about the targets we have missed, and we miss more and if we are not careful, we descend into a losing spiral.

Now, please do not think that the whole trip was a failure because it certainly wasn't. I did shoot a personal best in the .410 guage. Shooting such 'dinky' little shells it not easy. Half the lead, no recoil, but you still have to shoot the targets exactly the same. I also shot a personal best in the doubles. I came in with a credible score, 46/50, that I would have been happy with on most days but

with the wind that made it difficult to stand up straight and the targets going everywhere, and a lot of the 'big guns' shooting a similar score, I was wrapped. Unfortunately, in the 100-target main event my gun wouldn't fire the second barrel after the first 5 targets. I checked the triggers thinking I had broken a spring but this was fine. I resisted the urge to use guns offered to me and pulled out. After the first round I should have been refereeing, and while I was fulfilling my obligation to referee, I remembered that a similar thing had happened to my other gun some years ago and Ian McGeoch explained to me how to fix it if the same thing ever happened again. During lunchtime I went back to the car and did what Ian had explained and Hey Presto, it was fixed. I went back to shoot the last 50 targets and after a couple of misses (thinking the gun would not work), I settled back into the rhythm and was hitting targets well. Initially, because I was thinking about the gun, I was tensing up again and missing targets or even worse worrying about missing targets. Tim Gallwey was right, trying fails.

Another successful part of the shoot was meeting friends I haven't seen for a while and making new friends. I was standing at the kitchen counter, when someone realised who I was because we had met many years ago at an ACTA Junior Development Squad where he was with his son. We started talking and he asked me a question about keeping the mind quiet. I said there is a great book, *The Inner Game of Golf* by Tim Gallwey, and he replied: "I've got that book".

I asked, "Have you read it?"

His response, "No".

My response, "Then read it."

Reading this book is really good advice for anyone who plays sport: golf, bowls, darts, shooting, tennis, or actually any sport.

Apart from the wind, The International Gun Club in Virginia is a great location to hold a shoot. The hospitality at the club is exceptional: Dino, Jim and Rob made me feel like I was a long-lost member who had returned home. One of the great things

about shooting is the sense of belonging that is fostered by most clubs and shooters when visitors turn up.

Over the years I have shot trap, trench, skeet, sporting and field and game and have no real preference as long as I have a gun in my hand and there is a target in the air. I have found nearly all shooters welcoming but it is even more significant to be included into a group that you don't normally belong to. On the Saturday, I was invited by a group of seriously dedicated skeet shooters to join them for dinner at Sam's Pizza Shop in Holden Hill. I won't embarrass anyone by mentioning names but I had a great time, good food and was made to feel part of the group by Harry, Jane, David, Julie, Wally and Katrina. The restaurant owner, Sam, an ISSF trap shooter really showed his skill and finesse in producing some of the best pizzas I have ever tasted, topped off with baklava. A great night with exceptional food and good company.

Over the years I have had many shooters and often parents of shooters sit and have a coffee or drink with me and ask me questions about their performance of how they can improve.

I am happy to spend the time, and for the little effort on my part I have made some great friends over the years. As a result, the trip to Adelaide was very successful because I was there participating. I may not have won, but I did improve, I had a great time, shot in a great squad, met new friends and caught up with old friends, and I am sure I learnt something that will help me next time I shoot.

On another note, over the past 10 years or so, I have been reading the UK magazine *Clay Shooting*. UK magazines take a while to get to Australia by surface mail, so each edition was about 3-4 months late. Because of COVID I decided to subscribe on line. I was notified this week that the April edition will be the last and *Clay Shooting* will become part of a magazine called *Sporting Gun*. I look forward to reading the first edition and bringing to light any new information that I can share with CTSN readers.

I have put together all the articles that I have written for the CTSN (and some that have not yet been submitted) on USB. These are available for \$25.00 (which includes GST and postage). If you wish to purchase a copy please contact me at the email address below.

## Ilfracombe Coaching Clinic

The QCTA was pleased to introduce their initiative of women coaches for women shooters thanks to the enthusiasm, promotion and co-ordination of this event by Davo Back and the support of the Ilfracombe Clay Target Club. Davo invited both lady and junior shooters from clubs across the Central Zone, and it was great to have 29 shooters attending with the clinic held in conjunction with the Ilfracombe January competition.

The weekend began with a practical coaching session on Saturday morning to precede the afternoon competition and night championship. Immediately the high standard of shooters was noticeable and we were surprised that the majority of those who signed up were C graders. The distance required to travel to attend regular monthly club shoots in some cases allows shooters to rule off their 200 targets only a couple of times per year. This gave us a new appreciation of how fortunate we are to shoot competition almost every week in the South East Zone, with many clubs open for

*Bella Woolcock has a bright future*

*Desiree shows concentration*

practice throughout the week.

We also had 7 or 8 first time shooters attend, and it was satisfying to see the ladies hitting straightaway targets and having a few laughs. We really appreciated the assistance of Brian Muirson, Richard Woolcock and Joe Taylor for showing the

*Thank you to all who attended*

*Juniors to watch in the future*

ladies how much fun shooting can be and giving them an enjoyable introduction to our sport. We could hear the laughter from layout 1 all morning.

Talent was evident among both lady and junior shooters and we commend the local coaches who have had input into the progress of Central Zone shooters, with very few adjustments to stance and gun mount required. The juniors allowed us to use their sharp eyes and quick reflexes to help the ladies with timing exercises and we suspect there were some mother and son bets going on.

The Wellshot Hotel provided a cool and comfortable space for the Saturday afternoon classroom session which addressed focus, shot routine and other topics, as well as some Q&A. It was relevant to address the importance of

*Ladies on the layouts*

women shooters coming up through the grades rather than being satisfied to stay in the lower grades and just compete as opportunity allows, with confidence being an issue for many in our sport.

We were back on the layouts early on Sunday morning intending to do a little one on one coaching, however we were pleased to see the

*Continued next page*

*Sunday morning session*

*Maria and Sal*

long line of shooters who attended for some eye-openers before the comp and a few tips to brush up. Ilfracombe club president John Back had some concerns that his technique was not corrected, but then it's hard to improve upon perfection.

It was a fantastic weekend and we thank the Ilfracombe Clay Target Club for hosting this activity, which we hoped was a success with improvements to scores evident throughout the weekend. It is terrific that we have since had ladies providing feedback and kicking goals at competitions since the clinic. Watch this space for shooters like Taylor Sutton and Bella Woolcock who have been taking trips to the trophy table and coming in with some terrific results. Thank you all and please keep us posted on your progress and achievements. We were also very pleased to add some Central Zone juniors to include in the upcoming talent identification program when the National junior coaching camps get underway again.

I would like to thank Rae Saheli for her assistance throughout the weekend. Rae is an accredited

*Maria showing some style*

*Sal, a promoter of our sport*

coach and Brisbane Gun Club member and this was her first involvement in a state coaching clinic, and the ladies appreciated her input throughout the session. Thanks also to Anna Shedrina from Bronze Wing for her ongoing support for women in shooting, and to Davo and Taylor – best raffle ever! There are also many to thank from the Ilfracombe club who worked hard to host the clinic and comp and went out of their way to make us feel welcome: Maria, Martin, Adrian and Xavier, Clare, Suzi, and of course club president John Back. A great team effort.

Davo Back did a wonderful job to bring this initiative to fruition, proving once again his skills in turning progressive ideas to grassroots events so that shooters of all levels can get maximum enjoyment out of our sport. His promotion saw clubs represented from throughout the Central Zone and we thank all those who travelled long distances to attend. We hope that through similar events and initiatives we will continue to encourage women in shooting.

# What's happening in the VCTA

It is really pleasing to let you know that, at last, everything seems to be back to some sort of normality.

The Easter Break has concluded with its myriad of competitions, Warrnambool has held another successful Seaside Carnival and clubs and competitions appear to be thriving.

It is never without its challenges though – recent State Government regulations have placed more and more responsibility on clubs to register the contact details of every visitor to each club's facilities. Of late, they have even gone to great lengths to make it compulsory for all clubs to use the State Government's QR Code System as a method of contact tracing. The introduction of this has not been without its challenges!

But we're getting there!

The VCTA's State ISSF Carnival is due to begin at the end April with the Pairs competition beginning on Friday April 30 and the Olympic Trap and Skeet competitions being held over the Saturday and Sunday.

This promises to be a very exciting event and there will be some high-level competitors in attendance. Several members of the Australian Olympic Squad and Shooting Australia's High-Performance Group will use this competition to hone their competitive skills. It will be well worth attending just to watch these high-performance athletes in action.

The Commonwealth Titles is not that far away either! Competition will take place from Friday June 11 to Sunday June 14, and this promises to be a highly contested event. Prize money allocated to the competition will be in excess of \$12,000 and is sure to draw competitors from all over Australia. There has already been some interest expressed from New Zealand, so the competition is sure to be of the highest quality.

Every sport is not without its political and com-

petitive challenges. Clay Target shooting is just the same. The sport has its share of disagreements, disputes and disruptions and, as is often the case, people look to the sport's administrators to resolve these issues. In every case there is a process that must be followed. There is a tendency for many to "go straight to the top" in an effort to resolve a particular dispute. Often, this is not the correct course of action.

For many, the path to resolution can be found in one of two places; the rule book or the club constitution. Where the problem relates to clay target competition, generally the rule book is the place to find the answer. But, where the issue relates to individuals or committees, the club constitution contains the recipe for resolving these types of disputes. These two documents are the first place to look in trying to 'find an answer'.

The other essential element to dispute resolution is the ACTA/VCTA hierarchy of communication. While going "straight to the top" may, on the surface, be the way to approach the issue at hand – it is not the correct path to tread. There is a hierarchy, a process, that needs to be followed.

In the case that a member feels aggrieved regarding a particular issue the correct process is as follows;

1. Club Level. In the first instance the matter should be handled at a club level. The Rule Book or Club Constitution will often provide the relevant information or process to follow. If it cannot be dealt with at the club level, then it needs to be forwarded to;
2. Zone level. Where a club believes that the resolution of a matter is above their expertise then it should be directed to the Zone at the next instance. If the Zone is unable to provide a solution, then it should be further directed to;

*Continued next page*

# COACHING NEWS

This month I would like to expand on a topic mentioned in the ACTA Coaching Committee Report on page 33 of the 2020 Annual Report where the ACTA has a representative on the Shooting Australia Coaching Reference Group (SACRG).

This group was formed to provide a framework of support for participating Member Organisations (MO) coach accreditation, development and implementation of annual process in the delivering of coach accreditation and development to contemporary standards.

The main focus areas for the SACRG

- 1 support MO's in the review of their current general principles course content for club and competition level courses
- 2 support MO's in the review of their current course educator framework and the required education and annual upskilling
- 3 support online learning capabilities and access through online learning platforms
- 4 support the development of a standardised coach re-accreditation process and associated administration process
- 5 support collaboration in conducting

National and State coach workshops to support efficiency and effectiveness in coach education and development

The SACRG is made up with a representative of the five member organisations of Shooting Australia namely Target Rifle Australia, Pistol Australia, National Rifle Association, Sporting Clays Australia, Australian Clay Target Association and two employees of Shooting Australia completing the group.

Two zoom meetings have been held this year and several other meetings are planned during 2021.

A review is currently taking place with coach education framework/syllabus document and the present coaching courses from all member organisations has been forwarded to Sport AUS for review and content.

Hopefully later this year we will have a competition level course to evaluate by the State Coaching Directors Committee and then forward to the ACTA Coaching Committee for acceptance.

*David Coleman*  
NSWCTA Coaching Director  
Chairman State Coaching Directors Committee

## Whats happening in the VCTA

*Continued from page 52*

3. State level. An issue that is forwarded to the State should only be done so after it has passed through the first two stages.
4. National level. Of course, this is the final stage and issues should only proceed after all other levels have been exhausted.

And there are other avenues of resolution as well; Consumer Affairs looks after constitutional issues and the Fair Play Code and Membership Protection also have significant roles in dispute conclusion for individuals. Sometimes a little

research can find the answer without having to "take it to the top!"

Anyway . . . that's enough from me. The next few months are full of highly competitive and challenging clay target competition with the opportunity to see some of the best talent that we have compete for prizes at the highest level. It's exciting, and I look forward to seeing you on a clay target layout in the very near future.

*Jeff Bell*  
State Secretary

# Annual Trap Carnival at Toowoomba

Toowoomba CTC caravan park

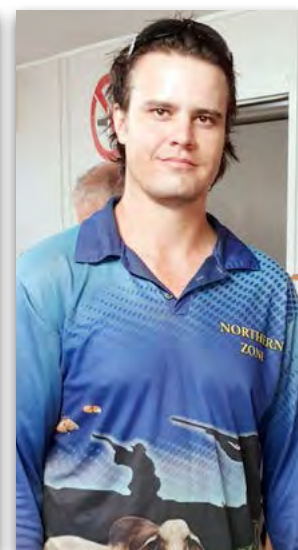

With \$15,000 in cash prizes, 2 State and 1 SE Zone sashes to be won, it was always expected that this year would be one of the best trap shoots held at Toowoomba Clay Target Club. The previous Carnival in 2020 was a great success but was marred by running late, trap breakdowns due to low voltage and a shortage of traps.

In view of this, the club had worked hard to install an additional trap. It was arranged through our great sponsor, Master Hire, to get 6 sets of lights for the night shoots, as well as two 3 phase generators so that the caravan park would not drain voltage from the traps.

Many shooters travelling with caravans arrived early and few spaces were left by Thursday afternoon. Master Hire arrived with the lights on Wednesday and in drizzling rain were rewarded with a corporate shoot, which they thoroughly enjoyed. The weather forecast for the fortnight prior were always concerning, as being a La Nina year, rain was forecast for most of the time. In the end, the weather was great, but we just dodged it with light rain starting as the shoot finished on Sunday and then continued for the next 3 days. Sometimes you can be lucky.

The first event of the Carnival was the 25 target SEZ night shoot. We were extremely fortunate to have Master Hire's lights as by the end of the night, 102 shooters shot the event.

Many shooters got all the targets but there were no perfect scores. Three shooters tied on 73/75. Allan Jones, visiting from Cessnock took the sash with 79/81. Bill Pavy took AA with 75/78 followed by Josh Collins on 75/78. As Bill had shot 73/75 and Josh, 72/75, Bill had already beaten him for

Allan Jones, OA winner SEZ Night PS    Josh Collins, 2nd AA Gr PS

first prior to the shoot-off. Kerry Hickmott took out A Grade with 84/87 and Frankie Robertson with 81/87 was second. Damon Zelinski took out B Grade on 78/81 followed by Aaron Goodman on 72/75. Zac Guy won C Grade with 68/75 with Rob Wilson 66/75 and 78/87 after the shoot-off for second. Junior was won by William Hannant on 68/75 and Ladies by Erin Guy on 70/75. Keith Simpson took the Veteran prize on 77/81. It was a great start for the Carnival.

With White Flyer pitch targets and good weather, great scores were expected, and we were not disappointed. Fortunately, due to running late

*Cash Divide winners*

last year, the first event on Saturday, the 30 target Medley, was made a cash divide rather than a championship.

Right on schedule, Toowoomba Regional Council Mayor, Paul Antonio, arrived to fire the

opening shot. Paul did not disappoint, demolishing the target with his first shot. He then gave a great 'off the cuff' speech regarding the exciting progress on the SE Queensland Olympic bid.

154 shooters shot the event and there were 14 possibles. AA had 12 possibles and A grade 2. One shooter in B grade shot 49 and 4 others 48. A great start to the weekend. In C grade, 4 shooters tied on 43/50.

Next event was the 30 target Single Barrel. This time 5 possibles were shot. Local shooter, Keith Simpson, did very well to win despite working in the office, with 38/38. Daryl Stevens on 37/38 took out first in AA followed by Mal Collins on 35/36 for second. Barry McDonald took out A Grade with 34/35 with David Smith second on 33/35. B Grade went to Les Merton on 29/30 followed by Louise Wilson on 26/30 for second. Aaron Lippert on 27/30 took out first in C Grade with Maryanne Easton close behind on 26 for second. Damon Zelinski, 26/30, took the Junior and Ladies went to Tania Burke on 29/30. John Porter with a Pawpaw in the shoot-off took Veterans on 30/31.

The next event was the 50 target Double Barrel. 156 shooters competed. 27 shooters shot the possible. After the next 50 targets, 8 shooters remained. After another 50 targets, 4 shooters

*Darcy Sheahan & Aaron Lippert,  
C Gr Cash Divide*

*Phil Keller with Daryl Stevens,  
1st AA gr SB*

*Louise Wilson,  
2nd B Gr SB*

*Tony Gaiter, 1st B Gr DB*

*Continued next page*

OA Night DB winner,  
Kerry Hickmott

remained and the shoot-off continued under lights. Phil Keller dropped out on 179/180 and as the State Night Double Barrel was due to start, it was decided to complete the shoot-off on Sunday.

The State Night Double Barrel commenced just after 7 pm and 107 shooters stayed around to shoot it. Despite the best efforts of the Club

there was some disparity with the lighting and unfortunately one trap broke down. This meant the event ran somewhat late. Four shooters managed to shoot the possible and interestingly, 2 of them shot on the layout considered to have the poorest light!!

Overall winner was Kerry Hickmott, A Grade, on 63/63 followed by Phil Keller on 62/63 for first in AA and Paul Hill on 59/60 took out second. Robbie Smith on 52/53 missed out on a prize. Ray Christie on 49/50, took out first in A Grade, followed by Terry Morony on 54/56 after a shoot-off, for second. In B Grade, Aaron Goodman on 48/50 claimed first and Jamie Dixon second. First in C Grade was Aaron Lippert on 47/50, Latitia Denton second. Nikita Khmelinin won Junior on 60/63, Erin Guy, Ladies on 46/50 and Col Gurski, Veterans on 49/50.

Nikita Khmelinin,  
State Night DB Junior winner

The next day the Double Barrel shoot-off continued. David Robb dropped out on 223/224 to take second in AA. Jess Robb went on to drop out on 273/274 for first in AA, leaving Daryl Stevens, Overall winner on 274/274.

Following this, Pat Weir, the Member for Condamine, arrived to do the opening shot for Sunday. Pat missed on the first shot, but a quick second found its mark and we were then onto the 30 target Points Score. Three shooters shot the possible, but 11 were on 89/90. This event was also the one on which the Kotzur Cup was shot.

After the shoot-off, once again Kerry Hickmott emerged the winner with 111/111. Morgan Bell (90/90)

Ray Christie,  
1st A Gr State Night DB

Terry Morony,  
2nd A Gr State Night DB

Keith Simpson with Phil Keller, AA Gr State Night DB winner

Kerry Hickmott, OA PS

*Kotzur Cup winner, Gold Coast*

took out AA on 108/111 and Daryl Stevens (89/90) shooting a fantastic 81/81 in the shoot-off for a total of 170/171 took out second in AA.

John Simon (90/90) took out A Grade with a score of 92/93 after the shoot-off. B Grade went to David Thomas on 87/90 followed by Russell Carracher with 86/90 to take out second. C Grade was won by Aaron Lippert on 87/90 and Letitia Denton took second on 85/90. Jorja Pointon won the Junior on 88/90 and Tania Burke (89/90) with 142/144 after the shoot-off won the Ladies. Graeme Lippert (89/90) with 100/102 took out the Veterans.

This event is also the one which the Kotzur Cup Interclub shoot is based on. A fantastic 19 teams shot. Just 4 points separated the top 5 teams.

After Toowoomba's victory last year, they were knocked off the pedestal by the Gold Coast with a fantastic 432/450. Toowoomba was just one point behind on 431 and Toogoolawah and Brisbane were not far behind, tied on 429. Kingaroy was 5th on 428. The rules dictated that 3 shooters could be open but the remaining

*Jack Moller, Handicap winner*

2 had to be a Veteran, Lady, Junior, or C Grade. A big thank you to all the clubs who competed and thanks also to Kotzur who donated the \$500 prize money.

The next event was the 30 target Handicap. 13 shooters shoot the possible. Six were AA shooters including two shooting from 25m. Five were A Grade, 1 B Grade and one C Grade.

After a long shoot-off, Jack Moller, an A Grader took the Overall with 83/83 and won the \$1,000. Jorja Pointon, 82/83 also A Grade, took second. Robbie Cusack on 76/77 was third and Daryl Stevens on 60/61 was fourth. Daryl also achieved his 50/50 off 25m. Congratulations Daryl. Morgan Bell was 5th on 55/56.

The final event for the Carnival was the State Deauville Doubles. As this was shot off 22m and 2 of the club's layouts did not have the lanes set up for this, it took some time to complete this event. In addition, with the Handicap event still being shot off, only 3 layouts could be used.

11 teams shoot the possible of 20/20. Eventually the team of Morgan Bell and Ray Christie 58/58, emerged the winners with Peter Free-leagus and John Porter 57/58, second. Third went to John Cormack and Les Sutton 38/39, and fourth to Josh Collins and Chris Stumkat 33/34.

With light quickly fading and many shooters having a great distance to travel, we moved onto to presentations.

Veteran High Gun went to John Porter with a fantastic 243/250. Tania Burke with 246/250 won the Ladies High

*Morgan Bell, OA High Gun*

Jack Moller, A Gr High Gun with Phil Keller

David Thomas, B Gr High Gun

Aaron Lippert, C Gr High Gun

Erin Guy, Junior High Gun

John Porter, Veteran High Gun

his assistance on preparing the traps. Master Hire was fantastic with 6 sets of light and 2 generators. We could not have run the shoot without them.

Gayle, Terry, Anne Marie, Terry, and Margot did a fantastic job in the kitchen keeping everyone well fed. Shane Meagher and John Simon worked hard to keep the bar stocked and the drinks cold. Rob McDougall as trap mechanic with assistance from Robbie Smith worked hard to keep all the traps functioning. He also did a fantastic job organising the trappers. Despite around 50,000 targets thrown, no traps ran out of clays.

Gun. Erin Guy shot well to win the Juniors on 234/250. Aaron Lippert took out C Grade with 235/250 and David Thomas B grade with 234/250. Jack Moller after a shoot-off with Kerry Hickmott, won A Grade High Gun with 253/260. Daryl Stevens who shot all the targets for the weekend shot 247/250 to take out AA and Morgan Bell who shot a fantastic 249/250, just missing one single barrel target, took out Overall and the \$1,000 prize. This was Morgan's first shoot at the Toowoomba Club. Well done Morgan. We hope to see you back next year to defend your title.

There were a couple of hiccups with a broken-down trap, but I think overall with 8 events in the program and 265 targets to shoot, most shooters would agree it was a great shoot.

A big thank you to Vic Tipman for a great job as Shoot Marshal. Many thanks to Rod Woodrow for

In the office, Vic Stiller did an incredible job doing all the handicapping for 180 shooters on his own but still managed to have a shot. Keith Simpson ran the My Clubs My Scores and kept the books balanced. John Robinson kept the ammo flowing and assisted in the Office.

Finally, and very importantly, our sponsors. Orford Bitumen supplied a set of lights and cash for prizes. Kat Concrete Pumping, WT Med – Doctors on Erin Street, Alan Brett, Robbie Smith from Downs Mower Centre and of course, Kotzur who sponsored the Kotzur Cup. Once again a big thank you to Master Hire who supplied not only 5 sets of lights but also 2 3-phase generators for the weekend as well.

Finally, a big thank you to all the shooters who attended to make the weekend such a great event. We hope to see you all again next year.

*Phil Keller, President Toowoomba Clay Target Club*

for further details

## CONDITIONS OF ENTRY – National Skeet Championships

1. Any shooter wanting to compete at the Skeet Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. **The closing date for nominations is 10am on the Tuesday 11th May 2021. Preferential squadding will only be accepted on nominations received prior to this date.**
3. **Nominations received after the above date will incur a \$20 per event late nomination fee. No preferential squadding will be considered after closing date.**
4. Every shooter is to provide their current and previous Record Card when requested by the State or National Handicapper at State and National Championships.
5. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.  
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
6. Shooters will be Pre Squadded and any interpretation of this will be the responsibility of the Tournament Director.
7. Each shooter is to take enough cartridges to shoot at 50 targets/100 targets. A time limit of one minute will be imposed for the changeover for each 25 targets. Should the one-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
8. For the National 28gauge Championship load size is limited to 21gr (3/4oz) maximum struck measure shot size not larger than no. 7. For the National .410bore Championship load size is limited to 14gr (1/2oz) maximum struck measure shot size not larger than no. 7.
9. Any shooter missing their squad and requiring re-squadding will be penalised one (1) target (at the discretion of the Tournament Director).
10. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
11. All shooters should sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
12. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
13. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
14. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
15. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
16. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
17. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Women's, Junior's or Veterans section, however the overall winner cannot take any grade prize.
18. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
19. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final. The ACTA reserves the right to alter the program.
20. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
21. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.**
22. Squads of 5/6 to shoot 50 targets in one visit only to the traps. Squads of 5/6 to shoot 100 targets in one or two visits to the traps or as designated by the Tournament Director.
23. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible for any refund.
24. Free junior nominations, open to any junior who has not competed in a national event of any discipline & only by pre-nomination. Claim for this concession must be made at time of nominating & will not be refunded retrospectively. Late nominations will not be eligible for this concession.
25. Shooters will be Pre-squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director. Withdrawing from an event needs to be done in writing or by ringing the National Office (02 6938 2121) & leaving a message **PRIOR** to the event. All refund requests will be dealt with on an individual basis.
26. The setting of targets will be conducted by the Tournament Director and the trap mechanic prior to the start of the event daily. No further adjustments will be made to traps without the authorization from the Tournament director or the Shoot Marshal.
27. Shooters must have at least 200 targets recorded on their Record Card to establishing a grade prior to entering State and National Championships.
28. As per the ACTA auditor request and risk management strategies all prize monies will be paid directly to winners bank accounts within two weeks of the completion of the event. Prize money will be calculated on the actual number of shooters competing in each event.
29. The optional prize pools are paid overall 1st, 2nd & 3rd and are not graded, these pools will have 5% withheld due to the escalating costs associated with delivering this service. These monies will also be paid in and out by direct deposit.
30. All National and NSW State Covid-19 Compliance requirements must be strictly adhered to by **all** attendees. This includes on-site Covid Safe Check-In proximity scanning using QR codes through the Service NSW App and any other measures that are advised during the period of the event.

Major sponsor - 2021 Cleanaway Roman Chariot Shoot

Making a sustainable future possible

# The 2021 - Roman Chariot Shoot Rules.

The six events will be conducted and finalised as normal. The High Guns will be finalised as normal. Presentations for the 6 events and High Guns will be conducted in the Hall as normal.

## To shoot for the \$30,000 (Thirty Thousand Dollars) Cash:

There will be 40 spots. To be considered for a spot You must have entered every event (6) prior to the first event starting. Overall and Grade winners in events 1 to 5 plus first 5 in the Handicap get Automatic entry to the Cash shoot off.

Any shooter so qualified and then qualifying again will be replaced by the next shooter in order in their grade if a graded event or in placing if in the handicap event. Any shooter winning the Overall or any Grade High Gun who has not qualified in an event will get Automatic entry into the Cash shoot-off.

Finally, any remaining spots to make up the Cash shoot off field of 40 will be auctioned. Payment by the winning bidders must be immediate upon the fall of the hammer.

The 40 shooters will then be squadded as follows:

- Squad 1 Overall qualifiers as selected above from events 1 to 5.
- Squad 2 AA Grade qualifiers as selected above from events 1 to 5.
- Squad 3 A Grade qualifiers as selected above from events 1 to 5.
- Squad 4 B Grade qualifiers as selected above from events 1 to 5.
- Squad 5 C Grade qualifiers as selected above from events 1 to 5.
- Squad 6 Handicap qualifiers as selected above from event 6.

Squad 7 & 8 will be filled from the OA and Grade HG winners as selected above who have not already won a spot and then filled in order by the successful bidders for any remaining spots. Squads 1 to 4 will be the first wave. Squads 5 to 8 will be the second wave. Wave 1 will shoot a round of ten targets handicap – miss and out. Wave 2 will follow. Squads will be re-squadded after each 10 targets when possible. Last man standing wins the \$30,000 Cash Prize. The winner will be handicapped two metres and the Prize presented.

As detailed above, to create greater interest, a number of spots for the final will be auctioned. These spots may be bought by individuals or syndicates who can then nominate their shooter who must have entered all 6 events.

However, to ensure that the final is a tense and exciting spectacle worthy of the prize value, it has been decided that once the 40 spots are filled any of the qualifiers colluding to split the prize prior to the shoot – offs completion will not be permitted to enter subsequent events at this club.

Interpretation of these rules is at the sole discretion of the RCTC Committee and they supersede all previous editions. 03.04.2021

# Toowoomba's Annual Skeet Carnival

After 12 months of dealing with Covid and the recent hotel quarantine outbreak in January 2021 we were very relieved to have a successful Annual Skeet Carnival at Toowoomba. Three years earlier, after consulting visiting Skeet shooters, it was decided that we would replace our monthly Skeet competitions with three, 2-day Skeet Carnivals.

Last year our February 2 day skeet numbers were down as many shooters were off to a wedding in New Zealand and so I was a little concerned that the 2 day shoots were eating into our Annual Skeet Carnival. These fears were brushed away this year when an excellent crowd of 62 shooters attended, with 59 being the most shooters in any one event.

Last year, Toowoomba was scheduled to have the State Skeet Carnival but regrettably this was cancelled due to the border closures because of the Covid outbreak. As many shooters had planned holidays to coincide with this event, it was decided to have a club shoot in its place. A survey of shooters confirmed that most skeet shooters preferred 3 or 4 day shoots because of the distance they were travelling.

Chris Stumkat,  
Novelty Handicap winner

With this in mind, we added a novelty Handicap on the Friday afternoon which did not count in the High Guns. It was great to see that 38 shooters elected to arrive early and shoot the event.

Popular Toowoomba shooter and major club sponsor, Chris Stumkat, emerged the winner on 94/94 followed by

Tony Robinson from Normanton on 91/92, Don Mabbutt on 84/85 was third, Tahnee Davenport on 71/72 was fourth and local Trap shooter, Rob McDougall on 64/65 was fifth.

The High Gun program commenced on Saturday with the 20G. It was pleasing to see how far and wide our shooters came from, with shooters from Sydney, Bathurst, Normanton, Townsville, Gladstone, Blackwater, Rockhampton, Roma as well as the local clubs, Brisbane, Caboolture and the Gold Coast.

The first event showed great scores with Darren Reus, John Rodden and Michael Rixon shooting the possible and another 8 shooters on 49/50.

Darren Reus won the shoot-off on 73/74 to take Overall, followed by John Rodden who took out first in AA and Michael Rixon second in AA. John Cormack took out A grade on 49/50

Darren Reus, Overall 20G

and Col Gray second on 52/54 after a shoot-off with John Ploger. Mick Wright won B Grade on 47/50 followed by Chris Stumkat on 48/52 after he successfully shot off with Clive Glasgow. Vic Stiller was first in C grade on 45/50 which was a great effort for a Trap shooter using a borrowed gun! Simon Hook was second on 43/50.

The next event was 50 target Skeet sponsored by Loughlin Cranes. Again there were great scores with 5 shooters shooting the possible. After a shoot-off Craig O'Neill, 60/60, took out Overall, followed by John Rodden 59/60, first in AA and Amberley Emmett 53/54, second in AA, leaving Laurie Sceresini on 51/52 missing out on a prize.

In A Grade, Darren Reus 53/54 took first, and Chris Langley after a shoot-off with Phil Keller both on 49, emerged the winner on 59/60.

The next event was to be 50 targets Handicap, but this was reduced to 25 as we were running a bit late.

*Elliott Gibb, Handicap winner*

Elliott Gibb, who had only recently taken up Skeet and shooting on a C5 Handicap, emerged the winner with 105/105. Robert Wylie (A1) finished second on 104/105, Amberley Emmett (AA) was 3rd on 90/91 and fourth went to Craig O'Neill on 66/67.

The next morning a 25 target Cash Divide was added to make up for the reduced size of the Handicap. In AA six shooters shot the possible. John Rodden, Tahnee Davenport, Craig O'Neill, Matt Rhue, Michael Rixon, and Amberley Emmett. In A Grade, three possibles were shot. Robert Wylie, Phil Keller, and Colin Gray. Chris Stumkat managed a possible in B Grade with Kim Shepherd second on 24/25. In C Grade, Matt Joseph and Simon Hook tied on 23/25.

Next event was the 'Intuitive Super' Skeet, another 50 target event. Again, 4 shooters shot the possible. Michael Rixon took Overall on 54/54 followed by Rick Ball and Phil Keller. Rick took first in AA and Phil first in A Grade. Glenn Walker took out second in AA on 51/52, and Katie Hoskins took out second in A Grade on 48/50. B Grade also required shoot-offs and Mick Wright emerged the winner on 49/52 and Viv Nolan, second on 50/54. Elliot Gibb, 45/52, took out first in C grade with second going to Garry McKay on 43/52.

The final Event was the 'Kat Concrete Pumping' 50 target Doubles sponsored by local shooter Chris Stumkat. The weather was kind to us, and conditions remained good. Great scores were shot, and shoot-offs were required to find the winners.

Craig O'Neill took out Overall on 65/68 with Lorraine Hughes was next; to take out AA on 64/68. Her husband Nigel took second in AA on 59/62. John Cormack took out A Grade with 47/50 and second was John Ploger on 46/50. B Grade went to Chris Stumkat himself on 51/54, closely followed by Shane Meagher on 50/54. Simon

*Overall winner of the Intuitive Super Skeet, Michael Rixon*

*Skeet Doubles winner with sponsor Chris Stumkat*

*Skeet Captain Ashley Mason & Katie Hoskin, 2nd A Gr Intuitive Super Skeet*

Hook won C Grade with 48/54 and Elliot Gibb was second on 47/54.

Finally it was time to go to the High Guns. Going into the Doubles event, Michael Rixon was just one point down for the weekend. He shot well with 46/50 but was defeated by Craig O'Neill with a 48/50.

This put Craig O'Neill, one point ahead on 246/250 to take out Overall High Gun, followed

Craig O'Neill, High Gun

Michael Rixon, AA Gr High Gun

Chris Stumkat, B Gr High Gun

Elliott Gibb, C Gr High Gun

Peter Harris, Veteran High Gun

Tom Wilde, Junior High Gun

by Michael Rixon (still a Junior) on 245/250 who took out AA. Phil Keller took out A Grade on 237/250 after sneaking past Darren Reus in the Doubles event. Darren still had a great shoot, achieving his first 100 break and moving into AA. B Grade was taken out by Chris Stumkat on 236/250. Chris also moved up a grade and went to A Grade.

Ashley Mason with Phil Keller, A Gr High Gun

Elliot Gibb, who has just started shooting skeet won C Grade with 219/250. Junior was won by Tom Wilde on 196/250, Ladies by Amberley Emmett on 243/250 and Peter Harris on 232/250 took out the Veterans.

Reports from the shooters was that everyone had a great weekend. As many of you probably know, the State Skeet will be held in Toowoomba this year, as it was cancelled last year.

Our next shoot is 22-24 July. It will be a 4 Day, 600 target event including the NSSA 500 T event and an ACTA 200 T event. The program will be Thursday (NSSA) 100 T 12 G, 100 T 20 G, Friday (NSSA) 100 T 28 G, 100 T 410, Saturday (ACTA) 50 T Skeet, 50 T Skeet Handicap and Sunday (NSSA/ACTA) 100 T Skeet Doubles. The NSSA component was booked at 40 shooters and is already booked out. There are spaces left for the ACTA event on Saturday and Sunday.

The State Skeet will take place from 16-19 of September. White Flyer Targets will be used, and fantastic scores are again expected. For interstate shooters make sure you mark your Calendars and note that the week following this is the Carnival of Flowers, so it is one of the best times of the year to visit our Garden City.

Phil Keller, President of Toowoomba CTC

Amberley Emmett, Ladies High Gun

# Narrabri CTC Hosts NSW State Deauville Doubles

Sunday March 21st saw Narrabri Clay Target Club host the NSW State Deauville Doubles Championships. Weather conditions were perfect for shooting. Mild temperatures, light to very light winds and scattered cloud ensured that shooters had the best chance to get some red on the score board.

A total 45 shooters nominated for the day's events which started with a 20 pair Double Rise eye opener, cash divide, giving shooters the opportunity to dust off the cobwebs and get their eye in.

Event 1 winners of the cash divide were Brad Henshall, John Harris, Terry Rumbel, Terry Haynes, Tim Barwick, Brett Farlow, Blake Schwartz, Graham Baylis, Fletcher Richardson, Jenny Haynes, and Ray Christie.

Event 2 was the club championship event of

50 pair Double Rise with this event being sponsored by the Northern Inland Credit Union who have recently joined up in supporting the club.

The challenge of the Northern Inland Credit Union 50 pair Double Rise Club Championship saw these shooters grace the winner's circle. Brad Henshall (Overall), Ben Rumbel, 1st, Dave Schultz, 2nd (AA Grade), Blake Schwartz, 1st, Jeff Richardson, 2nd (A Grade), Fletcher Richardson, 1st, Graham Baylis, 2nd (B Grade), David Lemmon, 1st, Johan Ras, 2nd (C Grade).

These two events determined the High Gun results. Brad Henshall took out Overall High Gun with the following grade results. Ben Rumbel AA Grade, Blake Schwartz A Grade, Fletcher Richardson B Grade, Dave Lemmon C Grade, Harry Klepzig Junior, Tammy Henshall Ladies and Peter Holmes Veteran.

After this tremendous warm-up, the competition for the State event saw some formidable teams

*Club Double Rise Champions and runners- up (left to right) Brad Henshall, Johan Ras, Dave Lemmon, Graham Baylis, Fletcher Richardson, Jeff Richardson, Blake Schwartz, Ben Rumbel and NICU Representative, Jo Morley*

*State Title winners (left to right) Brian Kneipp, Clyde Mitchell, Terry Rumbel, Ben Rumbel, John Reid, Kevin Bourke and Brett Farlow (State Representative)*

step up to the traps. Nine squads did the rounds, and six teams shot the possible. They were Brad and Tammy Henshall, Jeff and Fletcher Richardson, Ben and Terry Rumbel, Kevin Bourke and John Reid, Terry Haynes and Brett Farlow, and Brian Kneipp and Clyde Mitchell.

*Shooters (left to right) John Harris, Ben Rumbel, Brad Henshall and Tammy Henshall*

The shoot-off saw the eventual winners of Kevin Bourke and John Reid 116/116 claim the State title. Second was Terry and Ben Rumbel 115/116 and Brian Kneipp and Clyde Mitchell, 3rd 56/56.

The club would like to thank all those involved in running and competing on the day but especially our sponsor, Northern Inland Credit Union.

*High Gun winner Brad Henshall, with the high gun prize sponsored by the club kitchen, presented by Caitlin Barden. Northern Inland Credit Union Rep, Jo Morley and Club President Mark Barden*

# Easter Fun at Bega Gun Club

No bunnies were lost, but a great time was had at the Bega Gun Club for the Easter shoot. Twenty-four hardy souls turned up, forgoing the chocolate fix for a three event program at the Tarraganda grounds. George and his mower had swum around the field and

the grounds looked a picture in the glorious sunshine and thirty degree temperatures that greeted all.

Event one was a 30 target Double Barrel off common mark. Charlie Smith did the honours in AA Grade with a clean 30/30, with Peter Athanopoulous taking second with a score of 28/30. In A Grade, Alf Niesar also collected 30/30 to win. Recently promoted A grader, Mark Evans, took an

extra four targets to sort out second, in the shoot off with Allian Magri after both finished on 28/30. B Grade went to John Walker, after he surprised himself and shot the lot – a rare event!!

Rodney Bresnan, Chris Brown and John Siede, took a further six targets for Rodney to take second. George Adamopoulos took the honours in C Grade with a score of 27/30 with Geoff Beht taking second on 24/30.

Having warmed up, the squads moved on to the second event, 30 target Points Score. The ever consistent Chris Rowland showed the way in AA Grade with a score of 87/90, with Ray Welch in second place, 86/90. Cooma regular, Steve McIntyre and Alf Niesar took a little extra to

Chris Rowland, winner AA Grade PS, A Grade DR and shoot High Gun

sort out A Grade, with Steve finishing 90/96 to Alf's 87/96. When Club Pres. Chris Brown and VP. Bert Deacon finished on 83/90 in B Grade, they too returned for some extra play. Age won out in the end with Bert on 92/99 and Chris second on 89/99. C Grade went to Christel Feldmann with a score of 73/90, with Phil Rumph second on 66/90.

All well and truly warmed, the squads moved on to the final event, 20 pair Double Rise. As a club we do not shoot this discipline as often as we might,

Charlie Smith, AA winner DB, 2nd A Double Rise

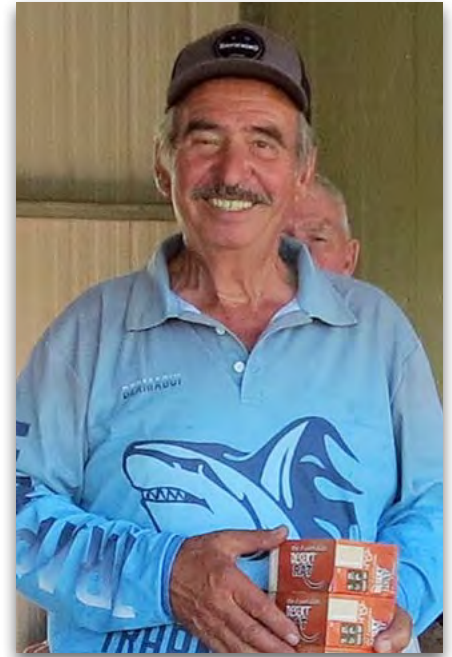

Rodney Bresnan 2nd B Grade DB, Bert Deacon presenting to John Walker, winner DB

*Winner A Grade DB, 2nd A Grade PS,  
Alf Niesar looking very cheerful*

*Mark Evans R/U A Grade DB*

*George Adamopoulos,  
winner C Grade DB & DR and the raffle*

*Bert Deacon Christel Feldmann, winner C Grade PS*

*Chris Brown and Bert Deacon presenting to themselves  
for their B Grade DR efforts – Bert winning, Chris 2nd*

but it sure is fun – for both participants and spectators. Chris Rowland added to his Points Score effort to take A grade with a score of 32/40. Charlie Smith added to his first event efforts to take second with a score of 30/40. Bert Deacon followed up his point-score effort, also, to win B Grade with a 35/40 total, once again to be followed up by Chris Brown who took second prize with 29/40. George Adamopoulos picked up his second prize for the day, winning C Grade with a score of 23/40, one target ahead of Tony Gray on 22/40 .

High Gun went to Chris Rowland with a score of 146/160. As a good and dutiful clubman, George Adamopoulos, graciously declined the cash on offer in the shoot raffle – we're all sure he deliberately missed the target so he could take home the meat tray – so next month's raffle will be at its maximum \$500 – treasure Allian is already stressing at the thought of parting with the cash.

Next months program consists of 50 targets Double barrel and 50 targets Points Score. Competition to commence at 10.00 am.
