ACTA CHAIRMAN'S REPORT

Malcolm Dyson

FITASC COMPAK SPORTING

On the 6th of January 2025 the ACTA received confirmation from the FITASC President Jean-Francois Palinkas granting the licence for Compak Sporting to the ACTA, commencing from the 1st of January 2025. Again, I need to emphasise to our members that we, the ACTA Board, did not approach the FITASC Board of Management seeking the Compak discipline licence. We were approached in July 2024 asking if we would be interested in acquiring the Compak discipline. This was attributed to FITASC Management's disappointment with the progress of Compak Shooting in Australia.

After a Zoom meeting with President Jean-Francois and having now received confirmation of this appointment, the ACTA have committed to supporting the growth of Compak throughout our clubs across Australia. We will support States in running events to select State teams and hold a National Compak event to select teams to attend the Compak Championships in France during August 2025. Over the coming months and years, we will hold both an Oceania event and the World Compak Championships.

The ACTA Board have formed a new Sub-Committee to support this important development. Having already held one meeting, the wheels are in motion to appraise how we can manage the change over from ACTA Sporting to ACTA Compak Sporting. Discussions on ways to include SSAA, SCA and Field and Game members to allow them the opportunity to attend and compete in competitions conducted by ACTA affiliated clubs has been a major talking point. This Compak Licence appointment by FITASC gives ACTA clubs the opportunity to grow this sporting category and club membership.

PERTH NATIONALS

Western Australia Firearm laws are keeping us on our toes. In respect of 20g, 28g and .410 bore tubes we have now been informed by Senior Sergeant Greg Bricknell, WA Licensing Services, that for the Perth Nationals all tubes need to be listed on the permit with your firearm, there is no need to have an engraved serial number. Licensing has waived this for the National Skeet this

year. On the permit you will be required to notify WA Licensing the date you will return to your home State.

ACTA appreciate that WA Licensing have come on board to make life a little easier for competitors travelling to Perth to attend the National Skeet Championships.

A further reminder to competitors intending to attend the Nationals to finalise your permit to take a firearm into WA before the end of February. Gun storage for visiting shooters has been licensed at the grounds.

WAGC President Nick Melanko has informed me that the club has completed the 11th Trap layout, and the 12th layout will be completed shortly.

It has been brought to our attention that campers staying on the ground must also have a permit for any dog that they intend to bring with them onto the ground. President Nick has offered to assist with these permits, he can be contacted on 0450 781 990.

The Presentation Dinners for both the Skeet and Trap will be held in the WAGC clubhouse, Skeet on the 3rd of April and Trap on the 9th. For further information and advice on ticket sales for these dinners, see pages 10 and 11 of this publication.

SPORTS INTEGRITY

ACTA Board discussed and decided to use SAPA (Sports Advisory Partners Australia) for our Sports Integrity services. This service aims to streamline complaint handling for all Clubs and States and will ensure the Organisation retains control over the outcomes.

VALE

Finally, members were shocked by the sudden passing of fellow member Lynne (Pup) Curtis. Lynne put an enormous amount into our sport, as a competitor he won 7 National Titles and numerous State Titles earning him membership to the ACTA Hall of Fame. On two occasions Lynne held a position on the ACTA Executive and served as VCTA President and State Council member for many years. Lynne was awarded with Life Membership to both the ACTA and VCTA. A true friend, Lynne will be missed.

Good shooting,
Regards Malcolm

Vale Lynne Curtis

The Australian Clay Target Association lost one of its most popular and hardest working volunteers recently with the passing of Mr Lynne Curtis, aged seventy-four years.

Lynne had only recently received major heart surgery when in early December it was discovered that he had inoperable stomach cancer. He passed away at St Vincent's Hospital at Melbourne in the early hours of Sunday December 15th, 2024.

A celebration of his life was conducted in Werribee on December 23rd with a "standing room only" service at Le Pines Funerals and the wake at the nearby "Tigers Clubhouse" Hotel that was attended by many of his friends from the shooting world as well as a large contingent of his former colleagues from the automotive industry.

Lynne was the reigning President of the Werribee-Victorian Clay Target Club at the time of his death. He was also a former President of both the Bairnsdale and the Frankston-Australian

Clay Target Clubs. Lynne was a long term member and former President of Victoria's South-East Zone as well as President of the Victorian Clay Target Association. Lynne served many years on the Australian Clay Target Association's National Executive Committee where he was also awarded the honour of Life Membership.

As a competitor, Lynne was inducted into the National DTL Hall of Fame in 2009. He had won four of the six major Titles on offer at the annual ACTA National DTL Carnival as well as the inaugural National Deauville Doubles in 2002. He was the winner of two New Zealand National Championships as well as eight State Championships. Uniquely Lynne won his first National Title in 1980 and his last one, a massive thirty five years later, in 2015.

Lynne travelled the world extensively over the years competing in the USA, United Kingdom, Italy, The Philippines and South Africa. He finished third in the 2008 World DTL Championship in Ireland. He had a love for shooting in Western Australia where he competed successfully for many years and will leave behind passionate friendships that were forged long into the night around gun club bars and BBQ's all up and down the west coast.

Lynne was a tireless worker for clay target shooting and his ability to bring groups of people from all walks of life together to try and reach practical solutions for the long term good of the sport was his strongest asset.

Born and bred in the far eastern Victorian township of Bairnsdale, Lynne leaves behind five children and countless friends.

He will be missed by many.

Roberto Scalzone Cup

Another Roberto Scalzone Cup has been run and won for 2025 with great success. A massive amount of work behind the scenes goes into this event each year to ensure its success and no stone is left unturned to make it an event all about the competitors.

Angelo Scalzone, winner of the Roberto Scalzone Cup

Hot conditions for Saturday and Sunday were forecast and a mad dash to get hold of some gazebo's for shooters to shoot under so they were out of the sun were arranged and appreciated by all making it much cooler to compete. Cold bottles of water were also arranged on the

layouts for competitors who were designated to stay back to ref and score after shooting.

We were also again blessed to have Angelo Scalzone join us this year despite arriving a little late due to a delay.

Competition got underway shortly after Fil Petriella welcomed everyone for the weekend and went over the schedule of how the event would run. Shooters then hit the tracks to get things underway.

While shooters battled the heat they also had to battle the flies which were very friendly but this didn't seem to bother Mitch Iles who has an outstanding record in this event, as Mitch went on to finish day 1 on an amazing 99/100, a 2 target

Barrage contestants, L-R: Sam Daou, Liz Schroeter, Angelo Scalzone, Mitch Iles, Craig Sessions, Chelsea Beechey

Angelo Scalzone with the Roberto Scalzone Cup

lead over Lucas Furlan on 97 with Gabe Sensi, Nathan Argiro and Vinnie Mollica all on 96.

As this event has a Barrage and not a final, meaning the top shooter in each grade progresses through, as well as Angelo Scalzone and a wild card, the leaders in each grade were also hotly contested to see who would qualify for Sunday's Barrage.

Sam Daou a previous winner of this event had a 2 target lead in A grade on 92/100 over Stephen Pearson and Lloyd Parks on 90 respectively,

Sam Daou & Angelo Scalzone

Winners – Liz Schroeter, Mitch Iles, Angelo Scalzone, Gabe Sensi, Craig Sessions

Liz Schroeter on 87 had a 1 target lead over Riley Hughes Gage in B grade and Damien Mould who qualified for the Barrage in 2024 had a slender 1 target lead on 88/100 over Craig Sessions for C grade. Day 2 was going to be a great day to watch.

Day 2 dawned overcast and warm and our friendly flies were also back in force, today was also a little bit more of a breeze to make the day interesting. However the Laporte Grand Prix 24 Eco 30 targets

still flew as true as ever and left a nice big ball of white smoke when centered ensuring scores still remained high.

After the 200 targets were complete it was Mitch Iles who shot the house down with an amazing 196/200 which under the conditions was a fantastic score, blitzing the rest of the field by 5 targets to take out the OA sash and \$1000 cash thanks to Danny Di Pietro of Nillumbik Cellars.

This meant, along with Angelo, that Mitch (AA grade), Sam (A grade), Liz (B grade) and Craig (C grade) had won their way through to the final Barrage. The lucky shooter drawn at random to join them was Chelsea Beechey.

The Barrage took place on time at 5:30pm with 25 flash targets shot Double Barrel to be contested. AA and A grade shooters competed off scratch, B grade had 1 target added to their score and the C grade competitors 2 targets added to their score.

Barrage scores with handicap added were Angelo Scalzone 25/25, Mitch Iles 24/25, Liz Schroeter 22/25, Craig Sessions 20/25, Sam Daou 20/25, Chelsea Beechey 17/25.

This made Angelo Scalzone the 2025 winner of the Roberto Scalzone Cup, seeing him get his name engraved on his father's trophy and an invite for 2026 to compete in the Grand Barrage where all 6 winners of the award will compete to determine the grand winner. Congratulations Angelo Scalzone.

We also had some lucky draw prizes with heaps of winners as well and the following shooters all have won free entries to 2026 event.

Junior Draw – Ollie Zielezna and Cameron Ford, Ladies Draw – Laetisha Scanlan and Kiara Dean. Winning Team– Game on Moles – Liz Schroeter, Kiara Dean and Craig Henwood. Lucky Squad was Squad 9.

So concluded the 2025 Roberto Scalzone Cup which again ran flawlessly thanks to all the efforts from everyone who put in, with Judith and Steve on the scoreboard, Mark Z taking his photos and live feed for the Barrage that came out amazingly, the crew from MGC who helped had the grounds prepared (Dallas, Rod, Mel and Happy), and everyone who helped fill traps, put Gazebos up and down and get the flash targets in for the Barrage. It was greatly appreciated.

2026 will be the final of the RS Tribute Cup and will be held over 4 layouts with 96 shooter capacity and 2 Barrages making it a great final send off for the event. Dates for 2026 event will be announced once we know the dates of the 2026 ISSF Nationals.

Thank you again for everyone who made the 2025 RS Cup one to remember.

2024 South Australian State Skeet Titles

Well, another big 'Hello' to everyone again. Another 12 months have passed, and it is starting to seem like the years just keep tumbling by. This is the second year that the State Skeet titles have been moved to this new position on the shooting calendar (first week of November) due to ACTA bringing forward the National titles to March when we would have usually held this event. It was fabulous to see many of our interstate counterparts come and join us for some fun over the Carnival days.

This year, our host Club (International CTC) has again taken up the option to do the State Sub-Gauges competition. Thanks to ICTC member Tore Pipicella who took it on himself to start promoting .410 and 28g in the past few years and get this kicked off in this State. The event has been gaining popularity each year as more competitors come to try their hand at some of the smaller gauges. The day went reasonably well with 4 squads competing for each of the sub-gauges. Not a bad effort considering the current economic climate and the amount of events that are on at this time of the year.

Competitors were happy to have been given the opportunity to shoot these sub-gauges and hopefully with the support of the competitors and ICTC we will keep this going and see if we can grow it through more word of mouth. South Australia has now also endorsed these sub-gauge to be 'State Titles', so this will hopefully bring a few extra competitors to make for a great competition.

Weather conditions were calm with temperatures forecast over the 4 days in the mid-high 20's with (hopefully) very little breeze.

The final numbers looked like this for the 28g: Troy Oakes picked up 1st place in C Grade with a 43/50, with Luke Staal 2nd. Johnnie Dechierra was 1st in B Grade on 40/50, and there was no contest for 2nd. A Grade winner was Paul Pianezzola 45/50 with Jack Bateson 2nd. In AA Grade 1st and taking the Overall with a near perfect score of 49/50, it was Nathan Campbell getting the honors over David Caputo placing 2nd. Congratulations Nathan and well done. Junior was Jack Bateson, Ladies went to Deb McPherson and Veteran was Paul Johnston.

The .410 then got underway under breezy conditions making for some very tricky targets. When all had gone quiet, here's how it all looked:

C Grade 1st went to Luke Staal 30/50, with Troy Oakes 2nd. B Grade was taken by Johnnie Dichierra 33/50, with no contest for 2nd. A Grade was taken by Jack Bateson 45/50 and Brian Clarke 2nd. AA Grade 1st and Overall went to Tore Pipicella 47/50 with Wayne Petersen getting in 2nd. Junior was Jack Bateson, Ladies to Deb McPherson, and the Veteran was Paul Johnston. Thanks again to our State Shooting Park for hosting the event, and congratulations to everyone who picked up a placing over the day.

Please spread the word so that we can see a few others joining us next year and making these events even bigger now that they are State Titles'

This year the Tasmanian State Skeet Carnival was held on the weekend before us, and therefore may have had an impact on our numbers. We were fortunate enough to still have 7 squads for our Carnival this year, about 2-3 squads down on previous years. All things considered, it was a smaller, more intimate Carnival and we thank our interstate visitors for coming across to join us.

The competitors who made it here were all vying to try their skill at claiming one of the many Red State sashes that were on offer. Lurking around every corner and walking amongst us were some of the best Skeet shooters in Australia waiting to pounce and claim one of the available titles.

Around the well manicured grounds, friends who hadn't caught up for a while were seen chatting and laughing and catching up on all the latest goss from their travels around this country. The atmosphere was already buzzing with a few caravanners and campers arriving to guarantee themselves a good spot and get some practice in to familiarise themselves with the grounds again before the games next day.

As Saturday morning arrived, there was the usual

20g Overall Shane Bennett

scurry of activity early in the morning as the 4 layouts were being tested and corrected for speeds, angles, heights and distances. A word of thanks has to go out to the limited State Exec who also put in countless hours in preparation to make sure everyone had a great Carnival. Thank you also to the ground staff for their trap filling and maintenance which makes the shooting experience a lot more pleasant for all our competitors.

9am on the dot and the first event was called – the 50 target State Skeet 20 gauge Championship. The 7 squads headed out to contest the event in calm conditions with clear skies. After a good deal of huffing and puffing, only 5 competitors ended up shooting the perfect score and went out to see who would take the honours.

In the end, the results were: C grade Phil Baldock 37/52 and 2nd was Luke Staal. B grade went to will Darlington 48/50 and Johnnie Dichiera 2nd.

everyone was hovering around the scoreboard to see where their positions were and if they were in with a chance. Office staff was busy counting the numbers and making up the new cards for the shoot-off's hoping that time was not going to get away from us. At 3.00pm we started the shoot-off's with 2 squads. Finally, by 3.40 all was said and done. We managed to get through the final

shoot-offs nice and quickly.

The presentations were done next, and the top 5 were: 5th David Caputo 79/80, 4th George

Paul Johnston got the 1st in A 62/63 and Greg Schweikert 2nd. AA Grade 1st was Benn Baker 74/75, 2nd was Rob Wylie, and the honours for Overall went to Shane Bennett shooting 85/85. Congratulations Shane. Veteran winner was Laurie Durham, Ladies went to Liz Rymill and the Junior was Jack Bateson.

By now, squad cards were already out for the second event for the day which was the 50 target State Skeet Handicap Championship. Eight squads made it out to the walks, and over the rest of the day the temperature went a little higher to mid 20's and the breeze stayed calm. All the competitors were hoping that they would get through their 50 targets before we saw any increase in the winds. As they came off,

Papachristoforos 82/83, 3rd Will Darlington 84/85, 2nd Liz Rymill 91/92, and taking the Red State Sash and the Overall title this year was an elated Phil Baldock, with an amazing 92/92. Great shooting Phil, and great to watch you guys.

As day 1 drew to a close, everyone headed out to some of the local hotels and eateries for a well earned break and to get refreshed for the start of the qualifying events on the Saturday morning.

8.15am in the morning saw the start of the 25 target Open Zone Team Shoots with everyone vying for the winning placing and their names on the title. Central and Eastern fought it out with the eventual winners coming in as Central Zone with 119/125. There is always a lot of rivalry and sledging (in a fun way) between these 2 teams each year. Team members were Nathan Campbell, Tore Pipicella, Alessandro Forza, Lyn Schubert, Benn Baker, Luca Forza and Alessandro Forza. Congratulations to Central Zone!

While the Zone shoots were in progress, people were wandering around the grounds having their breakfast and waiting for the call up. Shooting conditions were near perfect, not too bright but sunny, mid 20's and barely a breeze. The temperature was set to hit the mid 30's today. Smack on 9am the 8 squads were called out for the 3rd event, the 100 target State Skeet Singles Championship.

As the day went on, the usual prevailing winds that come through in the afternoon to give us bit of

100T Overall Liz Rymill with Len DeCandia

grief came by to say hello. Everyone persevered and the day ticked along in good time. At the halfway point of this 100 target event, everyone was on their phones and at the scoreboard to see where their positions were and who they were up against.

There was only 1 perfect score but 2 x 99's on the board so they went out to face off. When all the shooting had gone quiet, the results were counted and the winners came in as: C grade Phil Baldock 82/100, 2nd was Shaun Dobbins.

Central Zone Team winners, L-R: Tore Pipicella, Benn Baker, Nathan Campbell, Lynn Schubert. Absent: Alessandro Forza & Luca Forza

B grade went to Will Darlington this year 93/100 with Alessandro Forza winning 2nd place. A grade was Greg Schweikert 98/100 with 2nd going to Jack Bateson. AA grade was won by Matt DePaoli 101/102 with 2nd place going to Michael Raper.

The highest award went to a very excited Liz Rymill taking the Red State Sash, Silver pin and perpetual trophy with the only perfect score, and her very first 100/100. Veteran winner was Laurie Durham, Ladies went to Liz Rymill and the Junior

H of Fame - Nathan Campbell with family

winner was George Papachristoforos.

Having finished early enough, the Postal Teams went out at 2.15 to shoot off for the team positions and the team High Guns.

Last formality for the day was to do all the presentations and announce the State Postal Teams. This year we also had a State Hall of Fame inductee. Nathan Campbell, one of the most humble and nicest men I've had the pleasure to be associated with, most deservedly has joined the ranks of a select few who've gone before him, those who dedicated a great part of their lives to the sport of clay target shooting and more to the point – Skeet shooting. Nathan has always been recognised amongst his peers for his thorough knowledge of the game, and unwavering commitment to achievement. He has become a true ambassador for the sport embodying the spirit of dedication, sportsmanship, and leadership – he always has time for everyone. Nathan leads with commitment and passion. His humour and encouragement make him a valued and highly respected member amongst our Skeet community. With a massive list of achievements which include representing Australia in Glen Trophy competition for 2017 and 2018, representing South Australia in State Teams competitions on 6 occasions, plus winning 16 State and 1 National title. But, his story is not finished, he's got plenty left in the tank and we're glad to be a part of his continual rise. Congratulations on your achievements and induction.

As Sunday morning started to break, the Postal Team High Guns were still tied and went out at 8:15am to shoot off. This year the Open Team High Gun was Liz Rymill 83/83. Congratulations Liz!!

On the last day, the 50 target State Champion of Champions got underway right on time at 9am. There was only one perfect score and there was some friendly rivalry again around the grounds before the shoot-offs began. Final scores came in as Shaun Dobbins 1st in C 43/50 and Luke Staal 2nd. B grade went to Johnnie Dichiera 46/50 and 2nd Karl Bowen. A grade winner was Jack Bateson 50/51 and 2nd went to Greg Schweikert. AA 1st was Wayne Petersen 53/54, with 2nd going to Damon Michael. Overall honours went to Shane Bennett who kept his cool and his head down to come in with a perfect 50/50. Veteran winner was

At this point we would like to sincerely thank all of our generous sponsors for supporting our State Skeet Carnival this year. Every shooter knows that without their

involvement, contribution and support, these events, trophies and prizes would not be possible. This year we take a bow to Bronte Evans Chartered Accountants, BronzeWing Ammunition, Goolwa PipiCo, Cockles, Adelaide Gun Shop, Knight Adjustable Stocks, Martin Collumb and SACTA. Thank you all so very much for making our State event a success.

Finally, a word of thanks to the usual behind the scenes workers who make everything run so well, from our Shoot Marshal Michael Raper, to Deb in

the office running the shoot program, whilst both trying to put up a respectable score for themselves. Also to Sue (giving some much needed assistance in the office) and Andrew, to grounds staff Shaun, Phil and Mario. In the clubhouse and kitchen ICTC members made quick work of making sure everyone was fed and hydrated. To the limited SACTA Executive that avail themselves of their time for this event, you know who you are and we at SACTA acknowledge and appreciate your relentless assistance in making everything run so seamlessly with so few.

Also, thank you to our ICTC host club management/ committee that prepared the grounds and have been so easy to work with over the Carnival. We believe our Carnival ran perfectly. On a last note, thanks to all the shooters who

Psychological Skills for Shooting

by Michael Kruger-Davis

Coaching to Effect Change

At a recent shoot, I was talking with a young woman who has just started shooting. As a new shooter, she was shooting well but lacked consistency, confidence, and composure that comes with experience. I asked if she had a coach and her comment was “I have been getting help from some of the people at the gun club, but haven’t had any coaching yet.” I suggested she finds herself a good club or competition coach. Coaching is a subject that will fuel a great deal of discussion and debate. I do not want to say what system should be used or what programs should be adopted but there are a few essential features of coaching that I believe are essential.

Firstly, I think coaching is vital. The problem is when a new shooter arrives at a local club, there is not always a formal process in place that can assist the shooter to learn the basics properly. Usually, they have a few goes, think the sport is great and start competing. What happens is that the new shooter usually learns to compete before he/she learns to shoot properly. If he/she stays in the sport long enough, then they start to look beyond the fundamentals of turning up to a shoot with a gun and some shells; they get a gun that fits, ammunition that is appropriate for the task and get some help usually from someone they recognize as a “good shot”. Whilst this is a start, effective coaching is much more.

Secondly, I believe we all have a responsibility to improve so we can enjoy our sport more. As we move into the new year, now is a good time to consider what is working and what needs to be improved. Remember, to examine physical, technical, mental and competition skills as all aspects that can be improved or worked on.

The coach faces two main problems: firstly, the adult learner, and secondly, the persons reaction to change. On a one-to-one coaching session, adults are more responsive but when part of a group, adults are more likely to sit back and observe rather

than ask questions, explore new ways and take risks. Group coaching sessions need to be structured in a way that participants have the opportunity to take risks in a safe learning environment that does not challenge their dignity. Adult learners need to take the learning at their own pace. Trying to rush or get through too much without the skills or concepts being generalized may lead to participants saying they know or understand when really, they don’t. This creates anxiety and interferes with further learning.

Humans don’t like change. Changes in the workplace, health, relationships, family, finances, ability, etc, all have the ability of developing anxiety. Yet some people do not develop anxiety, they take the changes in their stride, see them as an opportunity and move on. In my practice; teaching, coaching and therapy are often one and the same thing. For most part, I use a solution focused brief therapy approach as taught by Michael Durrant from the Brief Therapy Institute of Sydney. The principles of a solution focus approach are as follows:

- a. **Focus on what’s working.** I am often heard to say at shoots, “yes you missed one, but what did you do right the other 49 times”. Look for differences that are positive. Don’t dwell on the missed target but try to be mindful of what you were thinking, feeling, smelling, hearing, etc when you shot the other targets well.
- b. **Focus on future success.** Ask yourself questions, “How do you want things to be?”, “How will you know when you are a confident trap or skeet shot?”, “If your world were perfect what would be different to tell you that everything was going well?”

Let’s imagine that this difficulty is solved; what will be happening? How will you know? It is important here to develop a PICTURE in detail of what it will be like.

- c. **Assume movement and change.** On a scale of zero to ten, where 0 is “I can’t do this” and 10 is “I’m on top.” Where are you now?

What will be happening when you are one or two steps higher up the scale? Who will notice? What will they notice is different about you, or your performance?

In a solution focused approach there are some basic assumptions about change.

1. There is not necessarily a logical relationship between the problem and the solution. This is important because you don’t have to know what is wrong in order to fix it. If you can see a better way of doing it then do it differently, and enjoy the success.
2. The client, who is the shooter in this case, should define the goals of the coaching session. Coaching is about helping the shooter get to where they want to go, not knowing what is best for them.
3. People have within their experience a wealth of skills, resources and strengths, both known and unknown to them, the coaches’ job is to get the shooter to recognize these skills and strengths and how they can be used to facilitate improvement.
4. Problems are a way of describing things, they are not you.
5. Look at solving the problem rather than working out why the problem exists. Knowing why you’ve got a problem doesn’t help you solve it.
6. Change is inevitable. You cannot stop change but you can act to increase your number of choices.
7. Change happens by people experiencing themselves as competent and successful. We often get stuck, and coaching can help us see ourselves, or the solution, differently. We then maximize opportunities for experiencing or noticing success.
8. Motivation is more likely when we view ourselves as competent. If we view people as competent, they are more likely to behave that way. People cooperate when they believe they have a say in the change process.
9. If it works, don’t fix it; If it doesn’t, do something different. Encourage others to do more of what is working and less of what is not.

10. A focus on the possible and changeable is more helpful than a focus on the overwhelming and intractable. Don’t focus on the past (problem), look at what is happening in the present (exceptions) and focus on future for what can be different.

11. Complex problems do not necessarily require complex or lengthy solutions. Look at changing a small portion of what is happening, examine what is different and move towards further change.

12. Focus on the future without a problem is more helpful than a focus on the past with the problem.

If these assumptions are part of the learning process in coaching, then the shooter being coached may feel more empowered and motivated to change and embrace new skills and knowledge with the goal to seeing an improvement or some difference in his/her performance.

With the Nationals in Western Australia only a target throw away, time is drawing near, so I hope you all have your plane tickets, accommodation and everything else organised for the big shoot.

We are working with the ACTA to cover everyone in the group permits for members that are travelling.

In basic terms, there will be 2 permits, NSW will be applying for the earlier travellers with the ACTA covering the remainder. This is due to each permit only covering 28 days and with quite a few members

taking the opportunity to do a little more than just shooting the Nationals whilst they are over in the western side of the country. I would too if I was going.

Either way, we will aim to cover everyone as much as we can. So if you are yet to send in your details, you can do this now on the ACTA website: <https://platform.claytarget.com.au/bulk-firearms-permit/>

We would like say a big thank you to Matthew Ponsonby-Glover at Full Percussion Maintenance and Auto Electrical who very generously donated \$1000 prizemoney for the best junior in the 100 target State 12 gauge Skeet Championship.

Many thanks to all the people involved on running the competition, both on the grounds and behind the scenes, without your help these events wouldn't be possible!

Cressy CTC:

Cressy Clay Target Club have had a busy few months, picking up a couple of extra shoots at the

club. We have been holding a Wednesday practice shoot every second week for the members that now sadly cannot shoot at the Tasmanian Gun Club, which seem to be well loved by those who attend. We also held a Boxing Day shoot this year in place of the Golden Goblet shoot that is normally held at the Tasmanian Gun Club. We thank the shooters and families who continue by coming to our club and supporting us each year. We thank our amazing members and volunteers who work extremely hard to make our club run smoothly, and we

wish to thank all the incredible people and sponsors who supported us throughout 2024.

We have a fantastic program coming up this year including a 2 day shoot, a lot of interesting events and many new and returning sponsors. We cannot wait to see you all around the traps in 2025.

West Coast CTC:

The winter weather and the road conditions affect West Coast Clay Target Club each year to the extent that we had to cancel our shoot in August. The decision was confirmed to be a wise one when we returned to the club to find out our very strong and sturdy referee stand was blown over. Luckily enough the weather for the remainder of our shoots has been kind to us, we have had a fantastic attendance, a great background and fun had by all. We would also like to give a shout out to our amazing members who have been working hard on some major renovations to our grounds. We thank everyone who has supported our club in 2024 and cannot wait to see you all back at our club throughout 2025.

Spring Bay CTC:

Spring Bay has seen a slight downward trend in competition numbers leading up to December with the exception of the Christmas shoot which was well attended.

The economic situation across the State and country that we find ourselves in plus weather conditions in the later part of the year and Christmas so close seem to have contributed to numbers attending. The support we had throughout 2024 is very much appreciated.

The December shoot saw 27 line up for a great day's competition and our traditional complimentary Christmas lunch.

We have some great programs coming up in 2025 and look forward

to seeing everyone at Spring Bay over coming months.

St Helens:

St Helens CTC has had a fantastic few months with the installation of 2 Canterbury traps that were formerly from Central Highlands CTC and new trap houses built to suit them. This

was a significant project that replaced the well-used IBIS traps from the 80s. This has had a significant impact on the members with the clubrooms being repainted and outside seats being replaced with new painted timber boards. These upgrades have received a very positive response from all other club members and visitors. The club also congratulated Garry Barnes with Life Membership after many years at the club, with the last 20 years as President.

100 targets Double Barrel at Wonthaggi

We had a huge turn out of 13 squads and 64 shooters turn up for our 100 target Double Barrel

Championship on New Year's Day. It was a long, but great day and conditions were trying to say the least, with four seasons in one day and gale force winds.

The new Winchester Eco Blackout AA targets were a dream to shoot, puffing up beautifully, resulting in many possibles on the board and a lot of happy shooters.

We can't thank Winchester Australia enough for allowing us to be the first to use these awesome targets. So nice to hit targets and just see dust!

AA Grade 2nd Alister Gammaldi

Bega kicks off 2025 with Tarraganda Open Championship

For some time, Bega Gun Club has commenced the year with one of its major events, the 100 target Tarraganda Open Championship. This year, it is indeed wonderful to welcome Cooma Air Conditioning and Refrigeration, courtesy of owner Matt Barker, as our new sponsor. It is always difficult getting sponsorship for our sport, especially in today's economic climate. So Matt's offer of help was greatly received by the club.

Thirty-two visitors and members gave us six squads for a great start to 2025. The Tarraganda is shot over two visits to the traps, with twenty-five targets offered on each trap. With the day being hot and sunny, concentration over the four lots of twenty-five was vital as the day warmed up.

Adam Yan did the Overall honours with an excellent score of 146/150 to claim the title of Tarraganda Open Champion for 2025 – a great way to start the year. Charlie Smith kept the club flag flying, winning AA Grade with a neat 143/150. Willow Cameron let a couple more fly and finished second with a score of 140/150 – great to see you back for a visit. Peter Athanosopojlos with 136/150, tied up third place.

A Grade again saw some good results with Matt Harris' 140/150 giving him the sash and ammo. Tony Gray saw off the opposition to take out second with a 134/150 and Alf Niesar collected third after an extra 16 targets for a score of 148/166.

Dan Hyland continued his good form over recent months to win B Grade with a score of 141/150. Mark

AA Grade winner Charlie Smith receives his prize from VP Keith Pearce

Winner of B Grade, Dan Hyland

Corbett, with a 135/150 took second place by one target from Gary Vickers who rounded up 134 of his 150 offerings.

The young gentlemen of C Grade had a wonderful day as can be seen by the closeness of the scores. Bert Deacon added another sash to his collection by winning C Grade with a score of 134/150 whilst the other youngsters, Rodney

Bresnan and Brian Smith played a few extras with Rodney taking second, 134/158 and Brian third on 132/158.

November saw the raffle held over until this shoot due to a time factor. After an extended period of triers missing a target, Phil Body finally got the five and the \$500 on offer. Well deserved! George Adamopolis did the honours for the Jan. shoot.

Maryborough GC Christmas Shoot

December 22nd, and the Maryborough Gun Club once again ran the traditional Christmas shoot with a variety of prizes on offer to the winners, from hams and poultry through to Christmas cakes, puddings, chocolates and wine. With many other Christmas shoots also running on this day, we were pleasantly surprised to see 41 competitors turn up for the 3 event program. The weather conditions were perfect.

The first event on the program was the 25 target Double Barrel Christmas Championship, and it

was great to see 7 shooters put a possible together. After the shoot-off Maryborough's Darren Watts shooting 49/49 received for his win a large leg of ham, donated by club President Nathan Cassells. Darren's comment was, "It will only taste better because Nathan had to buy it". St Arnaud shooter David Bertalli won AA finishing with 30/31, while Nathan came second and Beaufort GC member Shayne Ringin placed third. In A grade one of our regular visitors from Castlemaine, David Button, who finished with 48/49, took home the ham for first place with Luke Reyne from St Arnaud second

and Warrick Saddler, also from St Arnaud, finished with a third place. Maryborough Club Secretary Garry Cassells won the ham in B grade, shooting 29/30, and two other Maryborough members, Darren Anderson and Brendan Johnson, finished second and third. Jim Shepherd won C grade on 39/40, James Hibbins, Maryborough placed second and James Lendon from Castlemaine came third.

Event 2 was a 30 target Novelty – 10 targets Single Barrel off 11 metres, 10 target Points Score of 16 metres and 10 targets Double Barrel off 20 metres. Once again the event paid down to third place, and we must thank Jacinta O'Connell

especially, for preparing the wonderful first prize hampers. They looked fantastic and were filled with many Christmas goodies. In AA, Shayne Ringin shooting 70/75 took away the first prize hamper after a shoot-off with Mark Collins from Maryborough who took the second prize and Travis Gull, also from the home club picked up third place. The A grade hamper went to Warrick Saddler 49/50, Darren Watts managed second place and Neil Haydon from the Sebastapol Club ran third. Brendan Johnson won B grade with a 47/50, Darren Anderson placed second and another one of our regular visitors from Castlemaine, Ted Weeks, finished in third place. The C grade hamper went to Jim Shepherd 47/50, James Hibbins was again consigned to second place and one of

The third event for the day, which proved popular with shooters was a 25 target Sporting Handicap. AA grade shot from scratch, A grade were given 2 targets, B grade 4 and C grade 6. Prizes were equal and the event paid down to 8 places. The handicap system seemed to work, but perhaps some refinement may be necessary if the club runs

a similar event next year. Breaking down the winners, 1 shooter was from AA grade, 2 shooter from A grade, 1 from B grade and 4 from C grade.

The winners in finishing order with handicaps added were Shayne Ringin, Neville Williams from Beaufort, Robert Durbridge, Maryborough, Garry Cassells, Travis Gull, Luke Reyne, Darren Watts and Nathan Cassells

The High Guns for the day were Overall – Luke Reyne, Junior – Roy Davis from Bendigo, and Veteran – Garry Cassells.

shooting ground in top-condition by Garry Cassells, and also thank him for organising the collection of Christmas prizes and assorted Christmas bags filled with thoughtful wares for this shoot.

The Christmas shoot would not feel like Christmas and bring another successful year to a fitting close without the traditional afternoon tea provided to the shooters and guests by the Maryborough Ladies committee. Thank you ladies, you are very much appreciated for your efforts throughout the year.

The next DTL shoot will take place on Saturday January 25th at 12.30 pm. Events will include a 15 target Points Score Cash Divide, a 50 target graded Double Barrel Championship and a 20 target Points Score Trophy event. We hope to see you there, it could be your day for a win.

When illustrations are included as part of the document they should be imported into your document as high resolution images. When supplying a PDF ensure that the PDF is exported as an ADOBE INTERACTIVE PDF with the IMAGE HANDLING set to: COMPRESSION – JPEG (Lossy), JPEG QUALITY – High and RESOLUTION – 144. PDF files should be supplied to the exact finished size that you require.

CLAY TARGET is now produced as a standard A4 document (297mm deep x 210mm wide). If you require your full page advertisement to bleed off the page, you will need to allow an additional 5mm to the top, bottom and both sides of your finished file, and make sure that any content fits well within the actual page size. Advert sizes are as set out below.
