GUN LORE

"JUDGE COLT PRESIDING"

In the turbulent cow towns of the early west "Judge Colt" was the only respected law, and a quick trigger finger the only insurance against an early grave on "Boot Hill". Forever associated with those roaring days is the famous Colt .45 single action revolver first patented in 1833. From that time on, most Westerners carried one, and many a notorious figure of those days is remembered for his skill in its use.

Two cardinal rules for good gun sport . . . a well kept weapon . . . and consistent sporting ammunition—ammunition bearing the I.C.I. brand.

THE EDITOR'S NOTEBOOK

Congratulations to the England Team on its outstanding success in the 1948 International Series at Cardiff at the end of June. Taking into account the limited amount of shooting under competition conditions that has been available to the Great Britain teams since the cessation of the war period the all round performances of the competing teams is indeed creditable. In returning the highest team score England registered a total of 1410 (scores to count) for fifteen men with the England champion Percy Stanbury turning in high-gun figures of 98/100 and fourteen out of the top fifteen registering 90 or over. By comparison the Australian effort of 1344 with several well under the 90's in the scores to count appears somewhat mediocre. It is rather coincidental to observe that the competing teams, England, Scotland, Wales, Australia and Ireland finished in the order named and occupied the same positions when the last pre-war contest was staged in 1939.

The 1939 contest was Australia's first appearance in International competition. Although our average was slightly better this year compared with 1939 we are generally still a good way behind the Home Country teams when it comes to International standards. Whilst not looking for excuses, it may be that our team selection methods could be improved. The English method of gathering together its International Team is by recommendation from "scouts" throughout the various counties. The scouts or advisors keep in touch with the Association headquarters in London and forward their recommendations on shooters considered to be potential Internationals and it seems that by this method a top notch combination is arrived at. Whether such a scheme would work satisfactorily for Australian standard is problematical. The great distances separating many of our shooting centres rather discounts the availability of worth while information. In rounding off this

column Australia extends its sincere
congratulations to the Welsh captain,

Enoch Jenkins, who high-gunned for the whole series with 99/100. Jenkins was once described by the famous English coach, the late W. P. Grosvenor, as "dour and never beaten" and "one whom I would back against any company." Australia looks to the 1949 International with renewed hope and refreshing interest.

AROUND THE CLUBS AND MEETINGS...

ST. JAMES G. C. (V.).—Jim Bienvenu ("Doncaster") a member of the Blackburn Club committee won laurels for himself by his very efficient handling of the Club's June meeting as official referee. Club Correspondent, Maurice Murphy, records "Doncaster" as "giving a fine display." The Club's biggest encounter at clay pigeons was held on August 5—full details will appear in September issue of "News." The main event on that day was the North-Eastern District Championship.

COLAC (V.).—President Theo Norman and Secretary Don Corstorphane are working hard to make the Colac Club's first open shoot over the new automatic trap, set down for October 9, one of the biggest events in the Club's history. Shooting will commence at 10 a.m. and the main event will be a £70 Trophy shoot (first prize will be a Webley Scott D.B. Hammerless Gun) with a £10 trophy for second. The match will be shot over 20 birds from Association handicaps. Full particulars appear in this issue's advertising section.

BARELLAN G. C. (N.S.W.) The Barellan Club has reformed and has again become an affiliated unit of the Association. Barellan's original formation was one of the pioneer organisations of the A.C.P.T.S.A. with the late Ted James as secretary. J. A. Pritchard is in command in the secretarial sense with that fine shot and good sportsman Emil Alberts as President. Jack Semmler is another well behind the new Club. Jack is

a first class shot and coach and younger members at Barellan will benefit from his knowledge.

HOLBROOK G. C. (N.S.W.)—Plunkett Grounds of the local club attracted a good muster of shooters and spectators for its July fixture. Many contestants enjoyed a long night's hospitality at one of the town's social Ball events of the year, hence the form of those who tarried into the early morning was not quite up to usual expectations. Results were—No. 1, 5 bird, D.B., div., G. L. Bragg (Wagga), Les Cox (Wagga), W. (Bill) O'Brien and Norm Plunkett 5/5 No. 2, 10 bird, S.B., G. L. Bragg, first, 14/16, Geo. M. Osborne (Tarcutta) second, 13/16, 12/14 yarder, Ray Matthews (Bowena) 9/10. No. 3, 5 birds for 12 yarders for trophy donated by J. O. (Ollie) Cox, Club President, Ray Matthews (Bowena) defeated A. Manser (Albury) after tie shoot 7/7, 6/7. No. 4, Deauville Doubles, div., Ray Hall (Wagga)—N. McMillan (Holbrook) and Lox Creasy (Mangoplah), A. Manser (Albury) 5/5 pairs. No. 5, 5 birds, "Icil" (J. Reis), A. Manser, Tony Fairbairn (Woomargama), Ray Hall and G. L. Bragg, div. 5/5. No. 6, 10 birds, D.B., J. O. Cox and Ray Hall div. first and second 9/10, third cut by Lox Creasy Tony Fairbairn, Stan Finmore (Mangoplah) and "Icil" (J. Reis, Albury). No. 7, Missout, div., Ray Hall, Les Cox and "Monte" Montgomery (Woomargama) 6th round. No. 8, Missout, outright to Stan. Finmore.

COBURG G. C. (V.).—The Club's annual meeting held on July 20th in the Coburg Town Hall was largely attended and the usual enthusiasm was displayed in the business of the evening, the election of office-bearers and the sumptuous repast placed before the members after the meeting concluded. Cr. Stan Cole, J.P. was elected President unopposed. The remaining office-bearers are—Vice-Presidents, Messrs. J. A. McCraith, E. G. Biggs and Ray Chandler. The first-named is Deputy President. Committee, Messrs. A. Walker, Frank Unmack, Peter White, F. Landells, C. Ingbritsen, G. Walker, Cliff Bound and F. Tuck. Handicapper, H. Walker. Treasurer, Harry Watts. BERRIMA DIST. G. C. (Bowral, N.S.W.).—Nearly 30 shooters attended the Berrima Club's July fixture on the "Wongabri Corner" grounds on the Moss Vale Road. Favoured by splendid shooting conditions some first class shooting resulted. The main event, a £15 handicap, first prize went to Bruce Hill (Haberfield) 19/19 from A. Shepherd (Berrima) 18/19 and G. Waite (Berrima) third 14/15. P. Davidson won the final stage of the Sid Lamb Cup 11/15 from C. Goodfellow 10/15. Other results, No. 1, div., A. Shepherd and W. Rutty (Wollongong) 10/10. No. 2, Deauville D., Bruce Hill-D. Wright 10/10 pairs (finalists back to 20 yards). No. 3, Double Rise, outright to Len North (Bowral) 3/3. Berrima members are delighted with the form of veteran Jim Smith who journeyed to Sydney and won the Sydney Single Barrel Championship at the Hornsby Club's fixture. Smith has been shooting for nearly 40 years. He is well known on Melbourne tracks and is certain

to figure prominently in big events as soon as normal cartridges supplies return

HORNSBY G. C. (N.S.W.).—The premier event decided by the Hornsby Club last month was the Sydney Single Barrel Championship. Shot at 20 birds from 16 yards the outright winner was the popular veteran from Bowral, Jim Smith (not to be confused with the International, Jim Smith from Townsville) who returned the score of 19/20, dropping his fifth bird. B. E. Brazenall (Punchbowl) was runner-up 22/25. Reg Brown, the one time Mangoplah enthusiast, but now of Bayview (Sydney) was third 23/30 defeating the Bathurst shooter, A. Morris 22/30. Thirty-one nominated. Other events resulted—No. 1, 5 birds, Max Fuller (Bellevue Hill), O. Forrest (Hornsby) and W. Byres (Bathurst) 10/10. No. 2, 10 birds, E. Brazenall 14/14, Bruce Hill 13/14. The best front-markers's effort of the day was given by John Sturman who finished the day with 81 per cent.

COBURG CLUB (V.).—Two meetings were held during July. Results (10th)—No. 1, 3 birds, S.B., div., C. K. Dobson, Bob Meehan, J. Bryant, G. Biggs, C. Fankhauser 6/6. Biggs 23/25 and Major-Gen. W. Bridgeford 28/30. Fred Skate's 18/20 won him the 12/14 yarder's award and the novice trophy went to "Dalmeny" (A. Kavanagh of Balclava, V.) 12/15. Alf Poxon (now Tasmanian Gun Club Chairman) won his first championship at King's Meadows (Launceston) when he won the Tasmanian single barrel title, after a tie shoot which went to the 30th round against President, Bill Rainbird. “Tips” and “Tails”

Young Jack Bryant, the latest Victorian single-barrel champion, is a teen ager and one of the best of the rising brigade of first flight trapshots. Son of the renowned Jack Bryant, who in his distinguished career has held many Commonwealth titles, the new champion was well schooled. He had his first introduction to the sport of clay pigeon shooting on the old Blackburn grounds (situated on the Bryant property) in Holland Road, Blackburn. Shooting first with a small bore 410 he astounded good judges by quickness and judgment from the outset. At a private shoot in the pre-war years Wallace Mitchell, one of the leading Victorian bookmakers, presented young Bryant with a special cup trophy when the youngster ran up a good break string with his small bore gun. He has gone a long way in the interim and a Commonwealth title should not be beyond him before long. He shoots off the left shoulder and do those left swingers cop it!

Les Sheldrake is a first year shooter. Introduced to the sport by “Nimrod” (Harry Roberts, the Glen Iris sportsman), Sheldrake was a long way behind them at his first shoot. At a recent meeting at East Burwood he ran up 22/25—his third visit to the traps.

Charters Towers Club (Qld.) is rapidly coming to the forefront among the prominent formations of the Pineapple State, chiefly due to the energy and organisation ability of the popular Secretary—Norman Dungavel. On Wednesday and Thursday, August 21 and 22, the Club will stage a two day programme. On opening day shooting will commence at 1.30 p.m. and will comprise two five birders and a £30 Handicap all single-barrel, plus a three pairs Double Rise £10 Handicap. On August 22 shooting will start at 9.30 a.m. with a five bird (single), then the Charters Towers Single-barrel Championship at 15 birds, followed by a 5 birder and a

20 bird double-barrel Club handicap for which £60 has been allocated. The Club has its own automatic trap. Those looking for a good two days outing should keep this fixture in mind as the fixture follows closely on the big events at Townsville. Full particulars appear in the advertising section of this issue.

No sport can compare with clay pigeon shooting when it comes to the blending of youth and age in equal competition. This was exemplified when 81 year old Charlie Archer, Snr., and 13 year old Bill Brownson shot shoulder to shoulder during a recent Charters Towers meeting. Young Bill shows all the promise of a champion and his string of 21 straight rather gives the pointer in that direction. Archer, Senr., won the opening event of the day with the only five straight. Congratulations Charlie and Bill—we look forward to seeing your names coupled in winning brackets more often.

Griffith Club (N.S.W.) had a bumper attendance at its recent annual meeting. The following office-bearers were elected—Patron, L. J. R. McWilliams; President, Dr. J. L. Sertori (replacing W. Gibbs, retired); Treasurer, Claude Carnell; Committee, Messrs. Jim Theodore, Jack Little, Stan Briggs, T. R. Thompson, Don Muir and E. Evans; Vice-Presidents, Aston Street and W. Gibbs; Handicappers, W. Gibbs and E. Fromholtz; Secretary, Ted Fromholtz. The Club's working bees have wrought wonders at the Club's grounds.

The Maranoa Championship (Q) will be shot under the auspices of the newly formed Roma Club on its spacious grounds on a date to be fixed. The event was originally allocated to the Mitchell Club, but the latter body in helpful co-operation agreed to its transfer to Roma so as to assist in giving the Club a good event for its beginning.

At Coonabarabran (N.S.W.) on August 23 and 24 the local club has arranged an ideal two half day shoots commencing at 1.30 p.m. each day. Full details were advertised in the July issue of this publication. Shooters and visitors are reminded to keep October 18 and 19 for the N.S.W. Mixed Birds title and handicap events at Coonabarabran.

Jack O'Hagan's composition immortalizes "The Track Winding Back to Gundagai" and it would seem that it will not be long before many shooters and sportsmen generally will be "heading down the track" for a crack at the inanimate discs. Gundagai Club has done very little shooting since the war ended, but its popular President, Fred A. ("Dead Eye") Dodds, has spent much of his leisure hours when away from his legal practice, keeping the club grounds in first grade order and condition.

The premier N.S.W. Double-barrel Championship will be decided on the Mount Colah grounds of the Hornsby Club on September 4. The Club is endeavouring to give shooters a

first class day's shooting and full details appear in the advertising section of this issue. The holder of the title is "Duxbac" (H. G. James) which he won at Deniliquin in October last year.

The September issue of this journal will be the first birthday edition. Special efforts are being made to make the issue a most worthy one and clubs and business houses desirous of securing space reservation should make early application. Hobart Club (Tas.) has already reserved the doublespread two centre pages.

Bill O'Brien's famed Riverina Hostelry at Holbrook (N.S.W.) resounded to some "tall ones" a few nights ago when most of the local sportsmen with an interest in the gun gathered over the good things (liquid and otherwise) provided by Host Bill at the farewell to former Club Secretary Lin Single, who has been transferred to the Warren Branch of the Banking Company which he manages. Bill, in addition to being one of the best and most genial hosts in Australia's "Ma" State, is an after

dinner speaker of no mean ability. He, together with leading Club officials, Ollie Cox and Geoffrey L. Bragg, extolled the ability of the departing guest. Norman Plunkett reserved a couple of juicy tales for the occasion and the fixture was altogether a great success. The guest of honour was the recipient of a handsome cheque of worth-while proportions. The Club's recently appointed Secretary, Harry Burge, did much to ensure the smooth working of the events of the night.

According to Fred Blackman, Townsville Club's capable secretary, the duck opening in the North was an outstanding success. The ducks were plentiful everywhere and all parties secured limit bags with a minimum of effort. Black duck and teal are stated to be around in "thousands." Providing the ammunition supply holds the North appears to be in for a great season. It may read as strange to Southerners to learn that Townsville sports are moving about without coats at this period of the year and August promises to see some back again in shorts. The pleasantries of such weather is what can be expected during the shooting of the Townsville Club's Commonwealth meeting on August 14 and 15.

Bert Vail, the Lismore Club's (V.) official delegate to the A.C.P.T.S.A. now resides at Cranbourne (V.). He has re-opened in business and likes to cherish the thought of starting a

Secretary C. R. Fletcher at Roma (Q.) advises that all members of Roma Club automatically become registered shooters with the Association. This co-operation is deserving of commendation—immediate registration overcomes a lot of administration work later.

"Willo" Hanran, Association Hon. Vice-President, Townsville Vice-President for more years than most can remember, and now appointed to a similar office with Charters Towers Club, is engaged in "bottling up" in more ways than one. Firstly, he has eyes on the Commonwealth title and secondly he is one of those sportsmen who takes great interest in assisting in the production of household preserves made from tropical and semi-tropical fruits. This season, we had it on good information, his wife has no less than 44 entries in the Townsville Show. Son Joe, one of the most promising young shots in North Queensland (he has been shooting since he was in knickerbockers) is a radio expert and hopes to have his own Amateur Radio Station on the air late this month. Incidentally "Willo" Hanran was once described by a Sydney sporting paper as "Prince of Referees"—he may be in charge of the Commonwealth title shoot this month. He has held the A.C.P.T.S.A. Referee Certificate for nearly 10 years.

A new club has been formed in Brisbane. This will be known as the Queensland Gun Club. Its shooting grounds are reported to be very modern and revealing an excellent lay-out. The grounds are at Myrtle-town. C. S. Lindsay is the Club's first secretary.

The Central Western Districts of N.S.W. Skeet Championship will be shot at Lithgow on Saturday, October 6. This date is the Saturday of the N.S.W. Six Hour Holiday weekend. Ralph Kelly (Secretary) and President J. H. Winchester have arrangements well in hand.

We have not heard much from Tom Whillans of Narrandera in recent months. However, we are pleased to have Narrandera Club again affiliated with Tom at the helm. Tom is considered to be the best shot on right-swingers in the Western Riverina. At Griffith on New Year's Day 1947 he astounded spectators and competitors alike by gathering birds so far away on the right that many could hardly see them. Tom recently grassed two big cod, 58 and 44 lbs. respectively.

To prove his statement he has sent along a picture of the catch—this will appear in a later issue.

A recent Tasmanian winner who generally takes every precaution against "trips with too many pals" prior to big shoots, recently had his biggest success following several late nights. Now he is in a quandary as to which is the best system of training "Wet" or "Dry?"

Fred Blake the Cressy sportsman is very proud of his two sons who are keeping the family name prominent in trapshooting. They are Jack, the record breaker, and M.

Cyril Poxon, a recent addition to the committee of the Tasmanian Gun Club is performing particularly well at the traps. Keep up the good work Cyril.

Wangaratta Club (V.) will hold its clay pigeon championship on Saturday, August 21. First trophy will be an 8 day clock. Conditions will be 15 birds from 16 yards. The title event will be followed by a £10 Handicap at 10 birds.

Another new "lifer" was registered with the Association during last month in the person of the prominent Southern Queensland sportsman and president of the recently formed Roma Club, K. F. Cameron. We are pleased to welcome such a splendid sportsman to the list of "Life Registered Shooters." The Roma Club will stage the South Western Queensland Championship at Roma on September—4, the original date set down, May 11, having to be changed on account of supply shortages. C. P. (Bill) Lloyd, well known to many Victorian shooters, is a Vice-President at Roma.

Jack Page, a former secretary of the Queensland Tablelands Club, at Atherton, writes "I have been receiving the "Australian Clay Pigeon Shooting News" regularly and I am very pleased with the publication I feel it is filling a long felt want amongst the shooters of Australia and I heartily congratulate its sponsors." Jack also mentions that his club is

still handicapped by lack of supplies—but like many others "we hope it won't be long now." Jack spent many of his early years in Sydney.

There are few places where W. (Bill) Richardson, finds himself stationed that a gun club is not soon established. Bill is a Clerk of Courts in N.S.W. and has got clubs going at Rylstone and Grenfell, his two previous stations to his present appointment at Casino. He expects to have a good club going at Casino by the end of the year.

The Association is pleased to be able to announce that nearly 300 parcels have been forwarded to shooters in England and all names on the list supplied by the English Association have been the recipients of at least one food parcel. A start is now being made on the list supplied by the Scottish Association Secretary and all Scottish shooters should have a parcel from their Australian kinsmen within the next three months.

International Teams Scores

The request by the English Clay Pigeon Shooting Association for complete sealing of the Australian Team scores in the 1948 International Match was rigidly adhered to. Following the shooting carnival at Cardiff (Wales) on June 25 and 26, the A.C.P.T.S.A. is now free to publish the scores of its team. These are appended hereunder.

Match conditions were, 100 birds per man, shot from 16 yards with 2½ inch shells, loaded with 1½ oz. of shot, teams of 20 men, best 15 scores to count. Competing teams, England, Ireland, Scotland, Wales and Australia. The Australian Team shot over the East Burwood traps on April 26.

THE STOCK AND GOOD SHOOTING

(By E. G. BIGGS)

Last month I referred to the importance of having a stock that fits the shooter. Since writing on this point I have had a first hand example of watching a shooter trying to overcome the hazard of an ill-fitting stock and not realising his difficulty. At Blackburn a shoot or two ago I was standing behind a shooter who, to my surprise, was not aware that his gun was cast off for a left hand shooter. He could not understand why he was breaking only about 50 per cent. of his birds and seemed incredibly surprised that the bad fitting stock made so much difference.

Before a shooter tackles lead or swing on given birds at certain angles he must realise that the fit of the stock is all important. A gun is pointed and not aimed, and the shooter must learn how to hold it correctly to the shoulder face. The eye

should look along the barrel—hence wherever the shooter looks or actually his vital eye looks, the gun should automatically be pointing there also. The eye should look down the rib of the gun from breach to front-sight and just see the rib. The stock should be straight enough so that when the cheek is placed snugly on the comb, with the gun held firmly into the shoulder, the shooter will find he is looking along the barrel without any movement of head or neck.

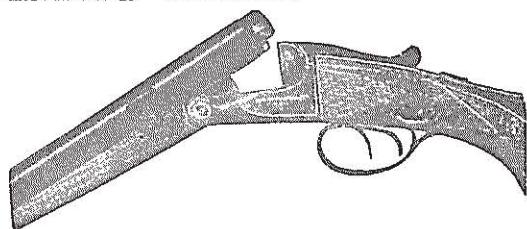

A coming champion—13-year-old Bill Brownson of Charters Towers (Q.). Best break 21 straight

TIPS AND TAILS

David Wright of Edgecliff (NSW) who was a visiting competitor to the recent Association big two day meeting, writes that he "was much impressed by the organisation—hope to be able to attend again next year." His travelling companion on this trip was Bruce Hill of Haberfield (NSW). Hill proved to be one of the best of the younger shots seen during the big meeting. He looks like making international standard next season.
