Rabbits in their countless millions constitute one of Australia's most destructive pests. Good grazing land can be rapidly turned into barren acreage if these pests are uncontrolled. Land-owners and sportsmen may make every day's shooting more than worthwhile by helping to reduce the numbers of these vermin.

THE EDITOR'S NOTEBOOK

In a letter received from the English Association recently, mention was made of the difficulties of frequently transporting the Mackintosh International Trophy between England and Australia. The English authorities suggested that a replica be manufactured—preferably in Australia—the cost to be borne by both Associations. The replica to be of a size readily adaptable for transfer between the United Kingdom and Australia. The A.C.P.T.S.A. Executive agreed to this proposal and efforts are now being made to have a suitable replica produced in Australia. The English Association also wrote: "For some time past, clay pigeon shooters in this country particularly have felt that they would like to know that there was a trophy in Australia given by them as a tribute to their good friends 'down under' as a mark of appreciation of the friendly and sporting interest which clay pigeon shooters in Australia have always

shown them in a great variety of ways. At a recent meeting of the Association this wish was translated into fact and many private subscribers came forward and asked to join the fund. The English Association also contributed, and it was then felt that the other members of the International quartet over here might like to come in as well. The Scottish, Irish and Welsh Associations immediately agreed and forwarded their contributions. As a result it has been found possible to obtain a silver trophy, which is being

despatched to you in the very near future, and it is hoped that you will accept this for competition among shooters in Australia under conditions to be left entirely to your Association, with the best wishes of clay pigeon shooters in the old country and the clay pigeon shooting Associations of England, Ireland, Scotland and Wales."

On behalf of Australian shooters, an official letter has already been forwarded to England expressing appreciation and thanks for the generous action of our kinsmen in the Old Land. To say that Australian shooters are deeply touched by this thoughtful action is writing mildly. The Trophy will be treasured greatly in an honoured place in perpetuity of a gracious act. Shoot conditions will be formulated by the A.C.P.T.S.A. Executive later and competition will probably commence with the Association's big meeting (Champion of Champions and International) early in 1951.

The final Association shoot for the current year will be held on Monday, June 12 (King's Birthday holiday). Conditions of the Intermediate Championship and Second Grand Australian Handicap have already been advertised and appear again in this issue. Shooting will commence at 9 a.m., and intending competitors are reminded that the Executive Committee has directed that no entries will be accepted after the close of the first round of any event listed in the programme.

Clubs conducting open championships are reminded that the Association directive in regard to starting times for title contests in winter is that these events should start not later than 2.30 p.m. In recent weeks championship events have been started after the completion of a minor event, and this has brought about shooting the final rounds in fast gathering darkness. This should not be and club officials are requested to heed the Association direction and ensure that championships in the winter months (up to and including August) commence not later than 2.30 p.m. on any day.

Many clubs have been allocating sashes to championship winners with haphazard selecting of colours. The official colours to be used, by Asso-

ciation direction, when presenting sashes to title winners are: Commonwealth Championships, DARK BLUE; State Championships, RED or MAROON; District Championships, WHITE. These colours should be strictly adhered to, and dark blue and red should never be used except in the title contests as mentioned.

Ten Years Ago . . .

With the war gaining momentum, trapshooting activities were gradually dropping into the background in June, 1940, although club shoots in Melbourne were still drawing good attendances. In June, 1940, Fred Burns won the Metropolitan double-barrel championship for that year, making his 26th title win. "Kim" (Kim Sans) won the Commonwealth Mixed Birds title on the Camberwell grounds. "Kim" stopped 19/20 to win outright from H. H. Ball, 18/20. The 1950 Champion of Champions, Jack McCraith, was under notice for no less than a "front-marker" trophy success and a third placing in a ten-birder on the Nobel grounds at Bentleigh.

AROUND THE CLUBS AND MEETINGS...

YARRAM (V.).—There was a good attendance of shooters present at the Yarram Gun Club's shoot on Saturday, April 29, being representatives from Sale, Foster, Morwell and Moe.

The first event, 5-bird points decision for a nickle-plated bottle opener and sweep, was won by G. Parkinson (Yarram), 14 points.

Event 2, 10-bird D.B., tea-set and sweep, was won outright by G. Parkinson (Yarram); A. Brinsmead (Yallourn), 2nd; Bill Alberts (Yarram) and C. Steele (Foster) divided 3rd.

Event No. 3, 10-bird D.B., wall mirror and sweep, was won outright by Bill Alberts (Yarram), 10/10. A special Clark trophy for a beautiful silver cake dish, generously donated by Mr. H. P. Clark for 12/13 yadders, was won by C. Budge (Morwell).

In this event G. Parkinson missed his second last bird to compile a break of 26 straight.

Event No. 4, 5-bird D.B., for Mulga chair and sweep, was won by C. Budge (Morwell).

A miss-out from the fence gave spectators a thrill; three events being divided by E. Brinsmead (Morwell), while a dazzling display was given by John Martin with his absent father's "under and over" gun.

(Bert Holman, Hon. Sec.)

ST. GEORGE (Q.).—The club held its most recent shoot on Sunday, April 30, when a further stage of the Boomah Cup was disposed of. This is a points scoring event, and H. T. (Charlie) Thompson was

ultimately returned the winner after a tie shoot, scoring 58/60. Keith Cameron and Joe Bayliss were equal in the places, 57/60. Others now far behind were J. C. ("Brolga") Dyson, 54/60, and K. D. Bassett, 53/60. H. T. (Boyce) Siddins was next, 50/60. The club's forthcoming programme is advertised in this issue. This extends over two days, June 17 and 18 next, and the main event will be the Queensland Single-barrel championship on June 17 and a £110 handicap on Sunday, June 18. Other minor events are listed for both days. Visiting shooters would be very welcome both from Northern and Southern areas. Passenger aircraft leave Sydney and Brisbane every Friday for St. George.

(S. J. O'Shea, Hon. Sec.)

JERILDERIE (N.S.W.).—Nearly 40 shooters took part in the Jerilderie Club on Jerilderie Racecourse on Saturday, May 13. Wind and rain somewhat hampered shooters and affected scoring. Probably the best effort of the day was provided by young Phil Duchatel, of Griffith, who outstayed George Biggs in the Riverina Single-barrel championship. The pair shot 18/20 over the original course of the match and in the tie shoot the winner stopped 4/5—total, 22/25; Biggs, 3/5—21/25. Harold Anstee, also of Griffith, was third, 16/20. The following events resulted: No. 1, 10 birds, div. Newton Thomas (Sydney), A. Mansell (Glenferrie) and Wally McNamara (Griffith), each 9/10. No. 3, 5 birds (trophy): W. Gibbs, 8/8. The usual

Jerilderie hospitality followed, and Bob Ferris, secretary, saw to it that visitors had plenty of river sport after the conclusion of the competitions.

FOOTSCRAY (V.).—A good muster of shooters attended on May 7, when the club staged a £20 handicap as its main attraction. The outright winner of first award was "Pampas", 14/15, from B. Milner, 13/15. Brian Kelly, "Oigle" and Jim Bardin, 14/17, shared third placing. Other events resulted: No. 1, 5 birds, Bob Wray, C. Wilson and N. Guy, 8/8; No. 2, 5 birds, S.B., div. B. Milner and R. G. Wray, 5/5; No. 4, 5 birds (off fence), div. "Oigle" and Milner, 4/5. Well over 40 shooters attended on May 20, when the club's double-barrel championship was the main feature. Match conditions for this event were 15 birds from 18 yards. The winner was Fred Burns with the nice score of 29/30 from John Bryant, 28/30, and Sam Snipe, 18/20, and Clive Wilson, 16/20. Burns and Bryant divided the sweepstake attached. A minor 5-birder resulted in a division by J. O'Brien, Bob Wray, John Bryant and E. T. Watson, 5/5.

COBURG (V.).—Jack McCraith, club president and 1950 Champion of Champions in the A.C.P.T.S.A., confirmed his good form of recent weeks by winning the club double-rise title on May 13. Jack also holds the 1949 Victorian Double-Rise championship which he won at Colac towards the end of last year. Results on May 13 were: No. 1, 3 pairs Double-Rise: div. A. Smith and W. Wager, 4/4. No. 2, Club Double-Rise championship, 12 pairs from 16 yds., tie shoot: J. A. McCraith, 15/24; W. Finnegan, 14/24; John Bryant, 9/18; 14 yarder, "Peters", 13/21. No. 3, 10 birds, D.B.: J. A. McCraith, 23/23; J. Headland, 22/23; Darcy Watson, 17/18; 14 yarder, Ray Hering, 16/18.

The club was rewarded with a big attendance on May 27, when the Victorian double-rise championship was the big event of the day. Shot at 12 pairs from 16 yards, the field included the title holder, Jack McCraith, who gained the 1949 verdict at Colac late last year. The most recent result favoured G. Biggs, who, although he missed two of his

first three pairs, then shot 10 straight pairs to win outright, LO/12 pairs from J. Bryant Senr., 9/15, and Jack Headland, 8/15, with the 14-yarder trophy going to A. Smith, 6/12 pairs. A final 10 birder produced 8 possibles, and the winner was A. Smith (Balwyn), 15/15; G. Biggs, 14/15; F. E. Brown, 12/13; front-marker, J. Paul, 11/13.

CAMBERWELL (V.).—Nearly 50 shooters attended the club's shoot on May 13 and it was found necessary to call a compulsory division on the opening sweepstake. Results were: No. 1, 5 birds: div. "Dick", Bert Goodear, C. Bromfield, Les Turner, W. Gresselle, K. Jenkins, H. H. Hall and R. Squire, 7/7. No. 2, 10 birds, D.B. (points scoring 3 and 1): H. S. Godfrey, 33/33 points; "Kim", 30/33; "Dick", 34/36; 12/14 yarder, L. Turner, 31/36. No. 3, 5 birds, S.B.: H. S. Godfrey, 8/8; H. Ball, 7/8.

The club double-barrel championship was main interest at the shoot on May 27. The event went to Les L. Schilling (Ormond), 20/20, from Dave Haddow, 19/20, and A. J. Russell, 18/20; novice, Harry Roberts Jnr., 12/15. Minor events resulted: No. 1, 5 birds: div. P. Willis, Keith Davis, O. Kurrele, A. E. Goodear, C. Bromfield and Les Turner, 7/7. No. 2, 5-bird D.B., 13 possibles, tie shoot: R. J. Squire, 12/12; A. Mansell, 11/12.

AUSTRALIAN (V.).—The club commenced May operations on May 6, when the Metropolitan double-barrel championship claimed the attention of a field of nearly 70. Four possibles resulted. Jack Bryant Senr., who has returned to his best form, ultimately gained the honours on the 40th round with 40 straight, from Stan Thompson, a newcomer in championship class, 35/36 (Stan did not shoot on after missing his 36th); then Roy Johns, 24/25, with "Mike-man", Jim McInnes, in fourth place, 21/25, and taking the 13/14 yarder trophy. Echuca visitor, R. McHal, won the 12 yarder award, 17/20. In a preceding five-birder on the same programme 20 possibles were recorded, and this was followed by a compulsory division on the 8th round between John Bryant Junr., "Doncaster", F. Olver, R. Hering, "Ingi", C. Bromfield, W. Wager, F. Tuck, A. Goodear, F. E. Brown, "Kim",

C. Fankhauser, H. Biddle and Clem Mudford.

The field was again round the 70 mark on Saturday, May 20, when the chief interest centred round the club's double-barrel championship shot at 20 birds from 16 yards. There were four possibles. In the shoot-off (one of the best seen on the ground for some time), W. Wager won 40/40 from former Association chairman ("Dick") T. R. Wightman, 39/40, with Tom Connor Connor in the minor placing, 24/25. The 13/14 yarder prize went to Harry Roberts Junr., 19/20, and the 12 yarder award to J. Bourke, 17/20. A minor 5-birder produced no less than 25 possibles and a division by A. Crowe, R. Jorgenson, R. Cummins, R. Hering, "Browning", L. L. Schilling, T. Connor, "Dick", R. Emmett, R. Johns, W. Wager, L. Small, Stan Thompson and Keith Jenkins, 7/7.

TOWNSVILLE (Q.).—Six events were shot off at the open clay pigeon shoot held at the Townsville Gun Club's grounds on Saturday afternoon, May 13, and although weather

conditions were perfect, the shooting generally was below average.

A slight northerly wind tended to keep the clays flatter than usual, with the result that quite a number of shooters missed straightaways by over-shooting these birds.

The second round for the Taylor trophy was the principal trophy event, and in this Russell McKimmin shot well to score 9/10 and take the honours for the round. McKimmin now holds leading place for this trophy, with one more, the final, round to go. O. Crouther, who led from the previous round, had several unaccountable misses and has now dropped his early lead and is level with Colin Melville and Frank Hose, who are all only one point in arrears, with a total of 16 points each to McKimmin's total of 17 points.

The main handicap event was won outright by Russell McKimmin, with F. Blackman, O. Crouther and J. Melville sharing a division of 2nd and 3rd money. D. Peberdy, J. Melville, G. Jaques, C. Melville, O. Crouther, T. Clay, J. Carrington and D. Casey figured in wins or divisions

of first money on the sweepstake events.

The following are details: First five-bird single-barrel sweepstakes: 1st and 2nd (divided), D. Peberdy and J. Melville; 3rd, J. Doyle. Second five-bird single-barrel sweepstakes: 1st, G. Jaques; 2nd, J. Doyle; 3rd, J. Longworth. Taylor trophy (2nd round): Winner of round: R. McKimmin; 2nd, F. Hose; 3rd, J. Carrington. £5 Open handicap: 1st, R. McKimmin; 2nd and 3rd (divided), F. Blackman, O. Crouther and J. Melville. Third five-bird single-barrel sweepstakes: Divided by D. Peberdy, C. Melville, O. Crouther, T. Clay and J. Carrington. Final five-bird single-barrel sweepstakes: Divided J. Carrington and D. Casey. (Fred Blackman, Hon. Sec.)

LAKE GEORGE (N.S.W.).—The official opening of the Lake George Club (N.S.W.) took place on April 29 before about 200 spectators. Although not completed, the ground showed what energetic members can do. The trap house is of concrete, nicely rough casted, shooting lanes are of concrete 2 ft. 6 ins. wide with joining strips at the 12, 17 and 24 yds.; lawns will be sown in between the lanes. Special seating for competitors behind the lanes and gun rack. An iron fence separates them from spectators. Work will soon commence on the club-house and refreshment room.

The opening was performed by Mr. Tyler, managing director of Lake George Mines Ltd., who released the first "Bird", which was a large cardboard Duck coloured to represent a "Woodie". Amid much laughter Shire Councillor and Club member Jack Ireland gave it both barrels, without any damage to "Woodie". The look on Jack's face was worth seeing; he did not know that blanks had been substituted for his own shells.

A bottle of champagne donated by Col. Etherington, of the Tourist Hotel, Queanbeyan, was then opened and the future of the club toasted.

"New Chums" to trap shooting were separated from the seasoned shooters; many of the latter will soon be flat out to beat some of the Newies. The "Sec" did his new-chum status in by breaking 11/13 in

an open event; he reckons the clays must have run into his shots.

President Corcoran earned the nickname of "Bing" for the way he crooned into the "mike" all day.

Club Capt. A. Yelland did a good job in instructing new chums on the rules and refereeing the events.

If permission is granted to hold the 1950 N.S.W. Southern Districts S.B. and D.B. Championships on Sept. 30 and Oct. 2, an attempt will be made to make the prize list one of the best in N.S.W., with a dinner to wind up the week-end.

Results: G. Ceely and L. Morrison, 4/5. 5-bird S.B. Open: R. Ceely, 5/5; D. Strudwick, J. Bollard, M. Moore, P. Donoghoe, J. Hush, M. O'Rourke, H. Thompson, A. Yelland, 3/5. 3-bird D.B. Novice: M. Moore, 6/6; L. Morrison, J. Kingsley, 5/6. 4-bird D.B. Open: G. Ceely, 13/14; R. Ceely, 12/14; E. Croker, 11/13; L. Morrison, M. O'Rourke, 6/8; J. Ireland, 5/8. 4-bird S.B. from 20 yds.: A. Yelland, 4/4; G. Brown, 3/4. (E. G. Croker, Hon. Sec.)

TAMBO VALLEY (V.).—The Tambo Valley Gun Club conducted its first title contest, the Alpine Double-Barrel Championship, on its Ensay grounds (Gippsland) on Saturday, April 22. There was a good muster of local shooters, but visitors were scarce. The title event resulted: A. Fitzpatrick, 19/20 (1); T. J. Sandy, 18/20; "Tambo" (Bob O'Day), 16/20; front-marker, J. Yapp, 15/20. The Tambo Valley Handicap (£30) first money was divided by T. J. Sandy and "Tambo", each 14/15; C. Grocott, 13/15 (3). A 5-birder was div. (compulsory division) by T. P. Lloyd, T. J. Sandy and C. Duke. (R. J. O'Dea, Hon. Sec.)

SEYMOUR (V.).—The April shoot of Seymour Gun Club was held on Saturday, the 29th. Results: No. 1, 5-bird D.B.: 1st, G. Saggars, 12 yds., and A. Whitechurch, 12 yds., 5/5. No. 2, W. A. ECHUCA (V.)—Echuca Gun Club held another of its three weekly shoots on Saturday, May 20, when shooters were competing from Kyabram, Tongala, Bendigo, Melbourne, Nanneella and Kotta.

Conditions were ideal and some very good scores were recorded. High Gun went to A. Rickards with 23 straight kills. Other good scores were: L. Gibson (Nanneella), 35/43; W. Stagg (Tongala), 18/20; F. Fitzpatrick, 22/29.

Results were: No. 1 event (5 birds), divided by W. Stagg, S. Holschier, E. McHale and C. Spiers, 5/5. No. 2 event (5 birds, single barrel), won outright by W. Stagg (Tongala), 4/5. No. 3 event (10 birds), trophy and sweep, won outright by A. Rickards, 10/10, taking 1st money in sweep, and 2nd and 3rd money divided by F. Dobson and W. Cakebread, 9/10. No. 4 event (5 birds), divided by A. Rickards and F. Fitz-

patrick, 5/5. No. 5 event (5 birds), divided by F. Fitzpatrick, A. Rickards, L. Gibson and F. Dobson, 5/5. No. 6 event (5 birds), won outright by F. Bradley (Kotta), 5/5. (A. Rickards, Hon. Sec.)

BOOLOOROO (N.S.W.)—The new club at Moree, known as the Boolooroo Club, has staged a few minor shoots in recent weeks. Results on April 15 were: No. 1, 5 birds: outright to F. H. Thompson, 5/5; No. 2, 3 birds: div. J. Humphries and F. H. Thompson, 3/3; No. 3 (same): G. Wilson, 3/3; No. 4: div. F. H. Thompson and R. D. Williams, 3/3; No. 5 (same): div. L. Kee, D. Livingstone, F. Moore, F. H. Thompson and R. D. Williams, each 5/5. A further shoot on May 6 provided the following results: No. 1, 5 birds: div. F. H. Thompson, J. C. Thompson and G. Wilson, each 4/5; No. 2 (same): R. D. Williams, 4/5; No. 3: div. F. H. Thompson, L. Kee and D. Livingstone, each 4/5.

(Reg Williams, Hon. Sec.)

HOBART (Tas.)—On May 4 the Hobart Club staged a three-event programme on its Brighton (Tas.) grounds. H. M. Eddington won the main event, a 40 birder, after a shoot-off with M. Colbeck; 16-year-old Paul Marshall was third. Of the £50 attached to the event, £38 was divided among the first three, the balance, £12, providing trophy awards on all handicaps.

A feature of the meeting was the particularly high scoring of the State's promising marksmen, in which H. M. Eddington figured prominently to win the two main events of the day.

Six shooters carried their scores to the 10th round in the 5-bird double-barrel trophy event, which was carried into the subsequent shoot, the 40 birder, to ascertain the winner. Stopping his "first five" straight, Eddington annexed the trophy, his score being 15/15.

The 12 yards club and novice shoot saw the club secretary, D. Bridges, successful with nine kills to his credit.

"Tips" and "Tails"

Melbourne shooters will be interested to learn that Eddie Brenk, former committee-man at the Australian Club, East Burwood, and who recently went to take up property close to Peak Hill (N.S.W.), was recently elected President of the Peak Hill Gun Club. The New South Wales club is fortunate to secure Eddie in this role, as he is a real enthusiast, as well as a good shot and knows something of organization. Already he is after a good ground (understood to be already secured) and is making sure that Peak Hill Club gets really on the map and next year falls in for some of the top-line events in the shooting year.

Latrobe Club in North Western Tasmania, where Mac Johnstone holds the secretarial reins, may have to go into recess for a month or two preparatory to securing a new ground. Latrobe, like many other centres, is not the easiest area to secure a suitable position. However, several places are under consideration and it should not be long before the club is settled in permanent headquarters.

Balmoral Club in South Western Victoria hopes to conduct its first championship shoot on November 25. The club is getting in early for its title date and expects to cater for a big muster of local and visiting shooters. It is possible that a metropolitan referee will be appointed to take charge of the fixture. W. F. Duncan is club president and is a real enthusiast for his club's interest and welfare.

The New Zealand Gun Clubs' Association will conduct its championship meeting in July next, from 4th to 18th. Included in the extensive programme is the Southern Hemisphere Championship at 50 clay targets from 18 yards (8 misses to

stand down). This event is shot in agreement with the A.C.P.T.S.A. and is open to all-comers. The regular New Zealand Championships, however, are reserved for "residents of New Zealand and the residential qualifications are the same as for parliamentary elections." This feature, of course, bars shooters from Australia taking part and is really a somewhat disappointing feature. A number of handicap events are open. Shoots will take place on a number of grounds as listed in the programme. Programmes may be obtained from A. N. Turner, Box 879, Christchurch, N.Z. In a letter Mr. Turner mentioned that Australian shooters would be very welcome indeed.

Ollie Cox has forwarded what he terms "big news" and the big news is that the formation of the Mangoplah Gun Club (N.S.W.) is now an established fact. Ollie, naturally, was elected President of the club. His committee is a well experienced bunch, and Mangoplah club should benefit as a result. The committee comprise Lox Creasy, Stan Finemore, H. Clark, A. Angel and Lynch Creasy. Hon. Secretary-Treasurer is young John Cox, son of the President. Both President and Secretary are Life-Registered shooters with the A.C.P.T.S.A. It is likely that a few Mangoplah shooters will attend the Association shoot on June 12.

What promises to be a highlight of the spring shooting season will be an innovation known as a "Shag Shoot". The affair will be a strictly invitation outing. The area decided upon is outside Victoria. Boatmen have already been hired and allotted their positions. Those fortunate enough to partake of this promised "Shag Shoot" are assured of a shoot they will long remember.

A group describing themselves as the "Toothless Terrors" have indicated they are prepared to accept a challenge contest at an undisclosed number of targets against all-comers. The Toothless boys are no mean shooters and have agreed, providing they are in possession of dentures, to remove them for the

duration of the contest. Any challenges should be forwarded to this publication.

A reminder—"Never point a gun at anything you do not wish to shoot."

Fred Blackman, the well experienced Townsville Club secretary, reports himself "back on the job" after a break of five weeks. Fred mentions that he visited Atherton for the Easter shoot there, travelling by car. However, the return trip was somewhat exciting, as it was found necessary to abandon the car at Tully and return by train. The reason for the abandonment was 16 inches of rain which came down without a break. The Townsville Club is making arrangements for its big fixture of the year, the Commonwealth Double-Rise Championship, which is approved by the A.C.P.T.S.A. for August 12 and 13, with accompanying handicaps. Preliminary advertising for this series appears in this issue.

Clem Corcoran, secretary at Peak Hill (N.S.W.) is happy about the future of his club. He is particularly pleased to have Eddie Brenk as President of the organization, as he considers Eddie's experience will stand the club in good stead and bring it along to be one of the best in Australia's senior State. The club will shoot its District championships later in the year and details will be advertised in this publication.

Barney Lavery, who holds the secretarial reins at the small Victorian club of Ouyen, writes: "Thanks for Association News, it does keep the boys together. Please send a copy of 'News' with every new shooter's badge."

The St. George Club (Q.), one of the first to affiliate with the A.C.P.T.S.A. in the mid 1930's, is holding its big-two shoot on June 17 and 18 (Sunday). Included in the extensive programme on the opening day is the Queensland Single-barrel championship and a £110 handicap on the second day. S. J. O'Shea (secretary) and President, D. R. Cameron (who shot in the Association fixtures at East Burwood in March), would be delighted to have some Southern shooters in the field at St. George. Those who can make the trip should note information as

advertised in this issue and act accordingly.

Major Horrie Dawson, like Captain Ben Cook, has been undergoing a spot of treatment at Heidelberg Military Hospital for war disabilities, and writes advising that he is now on the way to recovery and hopes to be "taking a more active interest in trying to 'break 'em'." He adds: "Many thanks for your copies of our Shooting News, which has enabled me to keep in touch and which is very popular among shooters everywhere. Best wishes for a very successful year and kindest regards to all old friends at East Burwood." It is pleasing to learn that Major Horrie is retaining his interest in our International pastime. Memory recalls that Major Dawson gave this scribe and many others in the same quota of military training their first insight into the "mysteries" of infantry training a few decades ago.

The Yarram Gun Club will hold the Gippsland Deauville Doubles championship at Yarram grounds on Saturday, June 24. Club President, Dr. H. H. Martin, and secretary, Bert Holman, are preparing a first-class day's shooting for visitors, and are hopeful of a good muster of local and visiting shooters.

The following extract from the book "Wine, Women and Words," by Billy Rose, has been forwarded by an interested reader. He claims that "It hits home." His claim is possibly debatable, but it is printed as forwarded under a heading of "Marital Agreement" and adds: "I

have long since arrived at the stage where I have to take great pains to be sure that I do not tell the same story to the same person twice."

"AGREEMENT made this ninth day of April, 1948, between BILLY ROSE, hereinafter referred to as the "Husband", and ELEANOR HOLM ROSE, hereinafter referred to as the "Wife";

WHEREAS it is a matter of common knowledge that the Husband is a blabbermouth and given to hogging the conversation at his dinner table, and

WHEREAS the Wife knows the Husband's marathon yarns by heart and can recite them syllable by syllable, and

WHEREAS their friends are beginning to turn them down when invited to the house to lacerate a cutlet, and

WHEREAS the Wife has served the Husband rice pudding six nights in a row and on recent occasion sent him to work wearing one black sock and one brown.

NOW, THEREFORE, it is hereby

agreed between the parties hereto that the Husband shall bunch his coffee-time tales into the following chapter, and never repeat them again in the presence of his Wife or her dinner guests. The Husband further agrees to make available one (1) copy of this book which the Wife may keep to the left of her fork, and bounce off his head any time he clears his throat and says: "Did I ever tell you the one about . . . ?"

(Signed) ELEANOR HOLM ROSE.

(Signed) BILLY ROSE.

Another shooter from an interstate source informs us that "I did not realize until I read it recently that the earth travels 1,000 times faster than a fast motor car (taking into account that we all know the earth revolves round the sun). It isn't any wonder that I cannot hit 'em." (The foregoing is a new reason for missing.—Ed.)

Reports from Vasey Club in the Western District of Victoria indicate that the club is now functioning well and holding good shoots. E. R. Sim-

son is the secretarial chief, with President, R.A. (Alec) Baird, and G. Austin as referee and handicapper. With a number of new clubs adjacent it would appear that the district will be well served with first-class shooting groups.

Tambo Valley Club in Victoria is likely to have a rival club of almost the same name in Queensland. The Tambo (Q.) branch of the R.S.L. has conducted a number of shoots in recent months, all of which have been well attended and satisfactory in every way. A club is now in process of formation, and when details are finalised, it will link up with the A.C.P.T.S.A. The exact title of the new club will not be known for the present, but it seems that the name Tambo is certain to appear prominently in its definition.

Stonehenge, the spot in Wiltshire (England), which is always visited by Australians when in the Home Country, and which is reputed to be the meeting place of the pre-historic man of the Stone Age, is perpetuated to some extent by the affiliation of the Stonehenge Gun Club at Thornleigh in New South Wales. Ralph Sonter is the founder. It was the original intention to call the club the Thornleigh G.C. Many well known followers of the sport have cantered along the Stonehenge Club tracks already, including 81-year-old veteran, Fred Werner, Jock Berry, Luke Hughes and others. Fred Werner, apparently, has no intention of retiring, as we understand he recently invested in a brand-new Purdey, at a cost well into the half-way mark of four figures.

Popular Townsville sportsman, Eric McKimmin, who visited Melbourne for the big Association fixtures in March and then had the misfortune to miss the opening day, writes: "Knowing that you are always on the look-out for Tips and Tails for that Prince of Shooting News, 'The Australian Clay Pigeon Shooting News,' here is something which may prove of interest. I honestly believe that I have recently had a unique experience as far as the black duck are concerned. Has any shooter (or, in fact, any person) ever had the experience of hitting black duck with a motor car, and I speak of fully grown wild Black

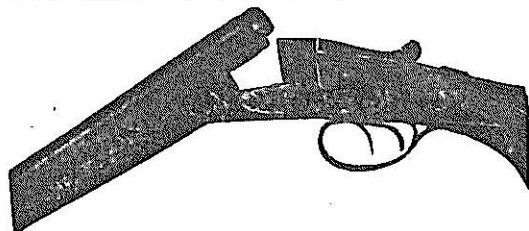

Ducks? Returning from a run to Charters Towers in my Chev. Ut. at about 7.30 p.m. on the evening of April 26 and cruising along at a modest 40 m.p.h., we were amazed to see right in our path on the hard bitumen road, eight or ten lovely blackies. We were actually on top of them before we realised what they were, and although I made an attempt to pull up, we ran right into them, and as they rose, three or four banged right into the windscreen with a thud. We pulled up and went back thinking there might be a chance of duck out of season, but the grass was about 4 feet high on either side and we didn't have a torch with us, so we were unable to find what damage we had done. Next morning on the windscreen I noticed three or four small specks of blood just above the glass. The irony of it was that we had a gun aboard (just in case of snakes). But didn't have time to have a go at them (but, of course, it is close season here). Well, Bill, I am not a strict TT., but very close to it, and the strongest I had taken that day was tea and ginger ale. Besides, I have a witness if necessary. I admit the story is hard to believe, but it is an actual happening. My 19-year-old son is showing very good form at the clays and can put it all over me now. Still have very pleasant memories of our trip to Melbourne, and hope to see you up here some day. Best wishes for shoot on June 12." (Many thanks for good wishes and good story, Eric.—Ed.)

Lake George Gun Club (N.S.W.), so named possibly for its adjacent location to the well known stretch of water bearing the same name, which plane passengers on the through trip to Sydney via Canberra can easily pick up just after leaving the Federal Capital, is holding its District championship allotment, plus minor events, on September 30 and October 2. Details are as advertised in this month's issue.

During a brief visit to Cobram (V.) last month it was pleasing to note that club's development under the secretaryship of Mr. R. E. Bourke. The club's grounds are right on the main Katamatite-Tocumwal road, and it was apparent that plenty of effort has been put into making it a comfortable spot

for shooters and competitors. Former Association official, Harry Watts, was also a visitor, and it may be mentioned Harry looks very well and appears to be enjoying life in Victoria's north-eastern area. The Cobram club will install an automatic trap almost immediately.

Griffith Club (N.S.W.) reports having completed installation of its skeet houses. Phil. Stott (secretary) advises that trials have been completed and clays fly perfectly. Griffith ground is rapidly developing into one of the best grounds in N.S.W.

Charleville Club (Qld.) will stage a two-day programme on June 24 and 25. A first-class series has been arranged, including a £50 handicap on the opening day and the South-Western Queensland Double-barrel championship on the second day. Full details are advertised in this issue.

Roma Club (Qld.) advertises in this issue full details of its two-day programme on its well appointed grounds on July 15 and 16. The main events will be the Queensland

Mixed Birds and a £50 handicap. Minor events include a £15 handicap, double-rise and Deauville doubles. Douglas Pack, the Roma legal attorney, who is also an Association referee, and considered to be one of the best in the Pineapple State, will officiate throughout the meeting. The club is going to special effort to ensure a big and well conducted meeting, and Southern shooters would be particularly welcome. Secretary C. R. Fletcher advises that cars, trains and planes all go to Roma, and accommodation is available, providing early booking is made.

Budding scribe, Vic. Howard, secretary at Bathurst (N.S.W.), in his usual light vein, pens the following: "Still no clays, no shoot—at least locally. Eleven members of the local club motored to Forbes on Saturday, May 20, and swam home again after a bit of steady practice (swimming) all day. The occasion was a four-sided match of 20 birds at 16 yards D.B. for the Roy Barton Shield, held by Forbes. Entrants were: Forbes, Parkes, Dubbo and Bathurst. Parkes

with 90 points collected the trophy narrowly from Forbes, 89 points, Bathurst 85 and Dubbo 78. So the shield has started to travel. As the actress said to the Bishop, 'It was made to go round.' Genial secretary at Forbes, Jack Cowell, was unfortunate to strike a day on which ducks are said to thrive—among other things. Working under extreme difficulties, he finished the day as happy as he started, but a trifle more damp. Consistent bird bashing was conspicuous by its absence. No complaints were heard regarding trap or trapper. In fact, Forbes has probably the best plus trap trapper in servitude. He must have chuckled with fiendish glee to see about 40 per cent. of his releases coming softly down completely intact. Nice feeling. I have trapped on occasions myself. Being wet on the outside, it was a nice gesture by Forbes Club to moisten visitors' insides with liquid cheer at the conclusion of the shield match. One of our members remarked that we shot under the worst conditions he ever enjoyed, which speaks volumes for the atmosphere created by Jack Cowell, Dick

Bates, Roy Barton and the usual club helpers. Guess that's all for now, Mac."

English Association

The fourteenth Annual Meeting of the English Clay Pigeon Shooting Association was held at Charing Cross Hotel, London, W.C.2, on March 2, Mr. C. Lucas (Chairman of the Executive Committee of the C.P.S.A.) presiding. For the year 1949 very satisfactory progress was reported: an increase in the number of Affiliated Clubs, the total being 46, and also an increase in the number of entries at the major Championship meetings compared with previous years.

"The C.P.S. News" (the official journal of the C.P.S.A.) had been revived during the year and thanks were extended to subscribers and advertisers for their support. The balance sheet and report were unanimously adopted.

Brigadier-General A. C. Critchley, C.M.G., C.B.E., D.S.O., was re-elected President of the Association, and all the existing annual Vice-Presidents were re-elected. Messrs. R. S. Dearden and W. R. Skewes were elected new Vice-Presidents.

The following were re-elected members of the Executive Committee: Mr. C. Lucas (Chairman), Dr. J. B. Adams, Messrs. J. R. H. Baker, T. S. Bamber, A. E. Browning, H. C. E. Driscoll, L. T. Field, Capt. E. M. Ginn, Messrs. W. E. Harris, T. H. Hughes, D. R. Nielsen, E. T. Peacock and W. J. Sable. Mr. A. J. Beal was elected a new member of the Executive Committee.

Mr. C. Lucas was re-elected Team Captain; Mr. H. Rogers, Hon. Secretary and Treasurer, and Mr. A. P. Page, Asst. Hon. Secretary.

Programme for 1950: May 5 and 6: Skeet Championship, Stratford-upon-Avon, Warwicks; June 2 and 3: English Open (Down-the-Line) Championship, Harrogate, Yorks; June 23 and 24: International Tournament (under the auspices of the C.P.S.A., Northolt, Middlesex; July 28 and 29: Sporting Championship, West London Shooting Grounds, Northolt, Middlesex.

U.S.A. Shooting

(From REX MILES)

Hearty congratulations on the splendid tournament you conducted in March. You certainly had a good attendance—it goes to show that the shooters approve of the good work that the Association is doing in promoting big competitive trapshooting. The three-trap lay-out should work O.K. for 60 birds, but not so good for the 100. Still, I am sure shooters recognise your organization did remarkably well in running off the events as planned. I cashiered the Idaho and our Hiyu Indian, both at the same shoot in 1943 at Hayden Lake, over three traps; they were run together; this was some task, but the three traps are terrible where you have 100-bird events—you want at least four traps with so many birds.

I think it best for the present to forget "crossing guns" with the boys in Canada. The Canadians are affiliated with our A.T.A. and shoot as we do, so, due to the difference in style, it would not be an even match. In 1901 there was an International Match, English v. Americans, in London. The Americans to use one barrel only with 1½ oz. shot, and the English team two barrels with 1½ oz. shot, the best three out of five to win. The Americans won the first three matches straight, then went on to Scotland and beat them.

Our new grounds (Spokane Gun Club) are not yet in order. We have when the lawns and trees are developed and it improved as planned, then I will let you have an air photo of the largest gun club in the U.S.A.

A Close Shave

(By J.W. in The British Shooting Times).

It happened at one of the family reunions for September 1, and among them was a future brother-in-law, to whom I had lent a gun. A lane, ending in a padlocked gate, lay between two of the beats, and being the nearest to it, I led the way over, and had hardly started to walk on when a shot was fired close behind me, and to my utter astonishment, a cloud of feathers flew out in front. Naturally, I turned round to see what was cooking, and was at once struck by the horror on everyone's face as they looked at me.

Then someone in a very shaky voice said: "By heavens, are you all right? Look at your coat." It was now my turn to feel rather sick, for where, but a moment ago, had been a perfectly good poacher's pocket with a brace of birds in it, nothing

remained but a torn, jagged lining and a ragged hole in the bulge of my nicely-cut breeches.

This is what happened. My friend had followed me over the gate, but without unloading, and with his gun at the trail and one hand round the action. As he landed, an involuntary jar caused his grip to tighten round the triggers—with the result mentioned. Had I not been within a foot of the business-end of the bundook, the solid cone of shot would have begun to spread, and what would have followed would not have been a matter for calm consideration.

My father, wise in his generation, insisted on an immediate resumption of shooting, and such is human nature that the incident made but little difference to the day's bag, which was about on a par with other firsts, but it might have been rather heavier to carry home, and the Various column in the game-book would have had an unusual entry had Lady Luck been looking the other way.

Quiet Bulls

(By H. MANLEY)

Never trust a bull. Every year good men are killed by "quiet" bulls. Recently a Service trainee was cornered by the Friesian that he had gone to feed, and only the lad's extreme agility saved him. Twelve months ago there was a double tragedy at our home farm; the result of trusting the "quiet" bull.

These are farmyard instances: what more concerns the rough shooter and the angler is the bull at pasture. Wandering trout fishermen are frequently menaced by bellowing bulls. To them I would say: "There is no sense in staying in the neighbourhood of such a beast—get right out of his ken. If his temper really rises, he may follow you almost anywhere. A hedge is no bar to a bull. Barbed wire is even less, for he will put his head under a strand, raise it, and the wire will part like packthread. He will wade

a deep stream after you, or swim it. Up a good tree you are safe, but no one wishes to spend a fishing holiday up a tree."

The lone shooter also suffers from bulls, and a sound axiom is "the wilder the spot, the wilder the bull." But a good dog will turn the brute and so also, in the last resort, will a shotgun.

I am reminded of an eccentric acquaintance, who shoots when and where he wishes and by no man's leave. Setting out before dawn on some dubious excursion, he was challenged in the half-light by a bull, far from the nearest refuge. He cocked his gun and thus addressed the animal: "If you go for me, I'll kill you." The bull let him pass, much to his relief, for, as he afterwards somewhat enigmatically asked: "What should I have done with all that beef at four o'clock in the morning?"

Oncoming Rabbits

By NORTH COUNTRY

Is it easy to shoot rabbits coming towards you? This question has been asked by a reader who, while he admits that he is fairly new to shooting, says that it should be, since less allowance is needed. A more experienced man would know that the amount of allowance is not necessarily the biggest problem in shooting. To think of a rabbit coming at you as easy because it should "run into the shot" is not altogether sound reasoning. It will run into the shot if you hold right. But it is not that easy to hold right. What you may do is to shoot over the rabbit or sufficiently above it to catch it in the back. By shooting over it you are, in this case, shooting behind. And to wound an oncoming rabbit in this way is even more unsatisfactory than to "leg" the common crossing one. At least this is how I feel about

it, having had many experiences of both. To be a bit late on the crosser is surely not so bad as to catch the oncomer at the wrong end. Besides, allowance may be required on quite a generous scale if the rabbit is a long way out. That allowance has to be made in a special way does not alter the fact that it still is essential.

This oncoming rabbit is a "hardy annual." It keeps coming on, and it always returns. All said and done, it is not much of a shot when you do bring it off. But it is a shot that should be mastered, as it has to be dealt with on occasions. You need to bring your gun up to it, not down from it. Bring it up with a swinging motion and fire as the stock comes right into the shoulder. For the near shots you just fire as the barrels come up to the head. For the longer ones you need to fire sooner, so as to make more allowance for time over range. I have never seen much shooting at oncomers, or done much, as rabbits usually turn or are induced to turn and in so doing become crossers. I have seen shooters deliberately wave their guns so as to attract the attention of oncomers and cause them to alter course.

"Dinky" (Bill. Catlin) of Hay (N.S.W.) occupies most of this picture. It was taken at a recent shoot at Jerilderie.

A.C.P.T.S.A. HANDICAPS

The following are the Association Handicaps for all registered shooters competing in OPEN events. Where no handicap has been declared, insufficient record of performances are known.

Handicaps have been declared with the limit mark shooters commencing at 12 yards in accordance with the rules of the Association. Clubs are requested to conform to this rule and begin handicaps at 12 yards. Unknown shooters should commence no nearer than 16 yards.

In order to ensure satisfactory Association handicapping, Club officials are requested to show each shooter's full surname and initials (shooting name if any in addition) when forwarding handicap returns to the Association office.
