Rabbits in their countless millions constitute one of Australia's most destructive pests. Good grazing land can be rapidly turned into barren acreage if these pests are uncontrolled. Land-owners and sportsmen may make every day's shooting more than worthwhile by helping to reduce the numbers of these vermin.

THE EDITOR'S NOTEBOOK

A very definite feeling is prevalent in England at present which suggests that future International contests may be shot under single-barrel conditions. In fact, had it not been that Australia had already shot its section of the match in March at East Burwood, there was in existence a strong desire to shoot the 1951 series at Dublin later this month under the single-barrel arrangement. If future International contests are decided at single-barrel, it will certainly bring the British Commonwealth countries into line with U.S.A. This would seem to be all for the better and do much to hasten the day when all the English-speaking countries will be enabled to shoot Internationally on similar and possibly equal terms. Should the International Committee at its next conference in London in January, 1952, decide on single-barrel for future International matches, the A.C.P.T.S.A. will necessarily have to take stock of the situation and give serious consideration as to whether it should not shoot its Champion of Champions Cup (Australian National Championship) under similar conditions. Single-barrel would at least make for cheaper shooting to competitors—quite an interesting and important factor when taking into account present-day costs.

would be greatly assisted by the taking of pre-post nominations. It would mean that many squads could be drawn, listed and called immediately the advertised time of starting arrived—thus there would be no delay in "getting going". The matter will have the consideration of the Association's executive committee at a later date.

The Association is indebted to shooters who put forward constructive suggestions. One or two have been received in recent weeks. One was that a prominent shooter's picture appear on the front cover of "News" each month. The idea is quite good, but departure from a standard type cover would greatly add to the costs of production, and this is something which has to be carefully watched in these days of uncertain supply and delivery. It is pointed out that paper costs have quadrupled since the original publication of "News", therefore it is incumbent on the Association management to strive for economy in production throughout—without, of course, lowering the standard. Another suggestion from the same source is that a film of some big fixtures and metropolitan grounds be prepared and hired out to country picture theatres. The idea has some merit, but again it does not appear to be a feasible one under present-day conditions. For a period of settled economy the proposition would certainly be worth trying.

Two club handicappers in widely separated sections of the Common-

wealth have sought information as to whether they are permitted to change the handicap of a shooter, who in their respective opinions, is wrongly handicapped, either favourably or unfavourably to the particular competitor. The Association has no objection to local handicappers making such change, but it should be known to all interested that any such change must be immediately (by immediately it is meant "within three days") notified to the Association secretary. Such notification must also outline the reason why the change has been made—this being necessary to protect the interests of the competitor.

Ten Years Ago . . .

An interesting note is recorded in the June, 1941, history of clay pigeon shooting. The reference concerns "walk-up" conditions. The records of the day state that "Athol Love won the first championship at walk-up at North Balwyn on Saturday, June 4, under the recently amended rules." The amendment to the rules refers to the "holding of the gun in any position consistent with safety." Prior to this period a ruling existed whereby the gun, in walk-up, had to be kept close to the body with portion of the butt being visible to the referee. The varying interpretations placed on this ruling by different referees continually brought forth complaints from competitors. So serious were the complaints that at one stage the then Executive Committee of the Association contemplated dropping walk-up competitions (including championships) entirely. The amended condition revolutionised walk-up shooting competition and a complaint on this type of event is now a rarity.

The A.C.P.T.S.A. conducted a "Fags for Fighters" shoot at Bentleigh on King's Birthday holiday, June, 1941. The veteran patron of the Association, Mr. Donald Mackintosh, presented a gold cup for the winner of the main event. This went

U.S.A. Shooting . . .

(From Rex Miles)

At our State shoots a shooter has to be a bona-fide resident of the State to win any of the championships. Out of State can, however, win any of the cash purses. If we didn't have this rule, take for instance, Arnold Riegger. Last year and the year before he won ten or twelve State Championships (that is, he would have won if they were open). Of course, all other registered shoots are open to any one in the world. At our Inland Empire and the Grand American all events except the Champion of Champions at the Grand are open to all amateurs. The Vandalia Open Handicap at the Grand is open to all, pros. and

amateurs. As you know, Bill, there are 48 States in the U.S.A., and it is a nice sight to see each shooter in the Champion of Champions Race with the big badge on his or her back showing which State they represent. It is really interesting to watch. The A.T.A. furnish these "Markers" to the shooters, and insist they be tacked to their backs before the event; in this way, the spectators can tell who and the State.

There was a three-day shoot (registered) at Hayden Lake recently. The weather was perfect. Miss Joyce Vanairsdale was hitting them. She won the Handicap with 99 x 100 from 18 yards on the Saturday. On the Sunday she tied for second in the handicap with 97 x 100 from 19 yards. Her 16-yard scores are also terrific. Hope she keeps it up over the State shoot. She is shooting an over and under double now; she used to shoot with a pump gun. Her brother Jim was runner-up in the Grand American in 1947. Jim broke 98 from 18 yards to tie, then broke 75 straight in the shoot-off to win second place. Jim got around 2000 dollars for his success.

The Travelling Perth Gun Club

The Perth Blokes made a trip by car, And brought with them their Mobile Bar;

They came all this way, we do hear, To shoot our Ducks and Bash our ear.

There came with them that Spencer Cove, And through our muddy swamps did rove;

He roved all day with little luck, And failed to shoot a flamin' duck.

Now in our mob is a chap called Ted, Who has some grey matter in his head;

The boys all call him Bushy Tail, To all the good spots he will trail.

We have a chap by the name of Turner,

Who is just a useless cartridge burner,
He fires so quick and fast you hear tell,
But still the Ducks they go like 'ell.

Terry, Harold and Fergie too,
When in the swamps know what to do;
Terry's sixteen squeeckers and a Widgeon,
Beat Fergie's Two Black and a Pigeon.

You may think us bushies dills,
But we guarantee you Perthites thrills,
When it comes to shooting Ducks,
We showed you we are not all clucks.

AUSTRALIAN INTERNATIONAL TEAM SCORES 1951

Appended below are the scores of the Australian International Team, 1951. The team completed the Australian section of the International contest on Monday, March 12, 1951, at East Burwood. Shooting conditions were, clear light, strong following wind, no rain.

The other competing teams are England, Ireland, Scotland and Wales. These teams will shoot at Dublin, Ireland, over the dates June 22 and June 23. Congratulations are again extended to Newton Thomas, of Sydney, N.S.W., who returned

high-gun of 100 straight for Australia.

Conditions of the contest are 100 targets per man from 16 yards, 1½ oz. load shells, 20 men a side, best 15 scores to count.

The Australian Team returned a gross total of 1895 points, with scores to count 1443 points, an average of 96.2 per man—a most creditable performance.

Scores registered at Dublin should be available for the next issue of this publication.

"Tips" and "Tails"

Hobart Club's annual meeting was well attended last month. A detailed report is submitted by club correspondent, Mrs. F. Nelson. Mention of Mrs. Nelson recalls that she was again appointed Hobart Club correspondent by members

at the annual meeting for the third successive year. Mrs. Nelson's work has been of inestimable benefit to the Hobart Club, and much of its success in post-war years has been due to her untiring efforts to secure newspaper publicity on behalf of the sport and the club. She has been the recipient of two presentations by the club since she took over the publicity. Mrs. Nelson's interest in trapshooting dates back some 20 years, hence she is well equipped to publicise the sport of her own and her husband's interest. Incidentally Mrs. Nelson's husband is one of the leading shots in Tasmania. The annual meeting report is:

"The high cost and shortage of ammunition and clay targets had affected the sport of clay bird shooting, the president (Mr. J. M. Tyquin) said at the annual meeting of the Hobart Gun Club. Mr. Tyquin added that attendances at shoots during the past year had been satisfactory, but they probably would decrease next season. He said shipments of clay targets which had arrived in Hobart were seriously damaged, and the club had received only a small percentage of unbroken targets. The club had conducted almost every type of shoot known to the sport in the past season, but it would have trouble drafting programmes for the coming season."

The annual report stated that Messrs. W. R. Morgan and S. Marshall, club members, had been chosen in the Australian team of 20 shooters in the international contest held in Victoria in March. Results would

be announced after Britain had shot in June.

The secretary (Mr. D. Bridges) said nearly all of the £248/10/5 profit from shoots had been used to install a second automatic trap, but assets were considerable. The club's financial position would be sound by the end of the year. Officers elected: President, Mr. J. M. Tyquin; vice-presidents, Messrs. J. A. McKenzie, E. G. McRae, C. Reynolds; committee, Messrs. T. Cannon, E. Nelson, N. and S. Marshall, D. Love, W. Reynolds, G. Ransley; secretary, Mr. D. Bridges; treasurer, Mr. W. R. Morgan; referee, Mr. D. Love."

Love and Kindness are the names of publicans on opposite sides of the street in Blackall, Qld.

Charleville Diggers' Gun Club will hold a two-day series over the dates June 30 and July 1. The chief attraction on the opening day will be the premier Queensland championship (at double-barrel). The usual sash and handsome trophy will go to the winner. The place-getters will also receive appropriate awards. On July 1 the Warego Handicap of £100, points scoring 3 and 2, at 30 birds, will be the principal event. Minor events will be included on the programmes of both days. Shooting will start at 9.30 a.m. each day. President, Ossie Smith, who competed during the last Association meeting in March at East Burwood, is particularly desirous of securing a good attendance. He advises that the Charleville Club has been "bottling up" its supplies to ensure that all shooters will be able to take part in all events on the programme of both days—details of which are advertised in this issue. Ossie is hopeful of securing additional clays and cartridges before the meeting opens. Finally he hopes to see a good many Queenslanders in the field for the title and also a reasonable sprinkling of Southerners.

Jim McInnes, the I.C.I. official who is so well known on metropolitan grounds for his prowess at squad hustling and genial "mike manner", blossomed out in a new role at Rainbow (V.) on May 9. Jim (who is

also renowned for losing his hat) gave a first-class exhibition, according to local reports, and altogether proved of great assistance to the new Rainbow organization. We understand also that he had a couple of good stories to tell during the convivial stages of the shoot.

Colac Club continues to reveal the thoughtful planning for which its club executive is noted. During a recent fixture Eric Ball (President) was deputed to recognise the services of three officials of past years in the form of presentation of life membership badges of the Colac Club. The years of service of the three recognised in this way totalled over a quarter of a century. All three were sincerely thanked for their long sustained interest and assistance to the club. The first two honoured were Messrs. F. O. (Bob) Bilson (one would never think of Colac without recalling that name) and Harold Raymond, who occupied the positions respectively of President and Secretary during the difficult years following the 1930 depression era. Both had done much to keep the club on a level plane and had guided it through some very difficult years. Theo. Norman was the third member of the trio honoured. Theo. is very well known at most metropolitan grounds and still turns on his share of the work and organization when Colac Club is conducting its bigger shoots. The Association wishes the three sportsmen long years of good health and fortune and congratulates the Colac Club on its wise appreciation and recognition of worthy service.

Clay pigeon shooting is developing along the right lines in Western Australia. The three main clubs have all been fortunate in securing first-class officials and committee members. The Perth Club's official opening of its new grounds at lay-out took place at Clontarf over three days, June 2, 3 and 4. The Perth Club will probably stage the State titles allocated to it on October 6 and 7—this being the period of the Royal Agricultural Show in that capital. Any enquiries on affairs appertaining to Perth Club should be addressed to the club's secretary, Roy Alexander, at 256 Wellington Street, Perth, W.A. Geraldton Club,

north of Perth, will most likely conduct its State title match on July 28 and 29. Perth and Katanning members are already making up parties for the "journey north". Noel Glass is the Geraldton secretary and his address is 87 Fitzgerald Street, Geraldton. T. S. Young, 56 Austral Terrace, Katanning, is club secretary at Katanning and it is understood his club is settling down to active competition after recess, due to the duck opening in the south-west. Bridgetown Club has not functioned as yet, but a number of Perth members are interested in seeing Bridgetown get going, and it is almost certain assistance will be forthcoming from some capital club members to ensure Bridgetown's establishment on a good basis. Bridgetown is a lovely spot in the south-west, where I remember enjoying the hospitality of Dave Jack, a sporting Englishman who proved a very congenial "host" during my visit to the Golden West last year. Possibly Dave may be induced to take an active interest in the new club. All the Western Australian clubs are most anxious to seek the support of Eastern State shooters, particularly during their championship meetings. Any Easterners who can spare a week or so

in the West are certain of a welcome which, if allowed to develop without an occasional "stopper", can be entirely overwhelming.

Stonehenge Club at Thornleigh, adjacent to Sydney, is installing automatic traps and intends using the new installation for immediate championships ahead.

The Dubbo Club has applied for and been granted the dates October 20, 21 and 22 for a special series which will include the Central N.S.W. double-rise championship. Full details of the programme will be announced later through Dubbo secretary, Ron Morrison.

The following letter has been received from the well-known Melbourne shooter, W. R. Johns, and member of the Camberwell Club committee. Readers should note that the views expressed are entirely those of the writer and not necessarily the opinion of this Journal. The letter is:—

1 Soudan St.,
Malvern,
18/5/51.

"To the Clay Bird Clubs of the Commonwealth of Australia.

Dear Sirs,

For quite a time now I have been going to write this note to you and your secretaries.

You have the cheapest and best advertising medium in the A.C.P.T.S.A. News published monthly and distributed to every registered shooter in the Commonwealth free, and, I am positive, read by all shooters and many others. Now, Clubs, advertise in the "News" and do positively STATE the TIME of STARTING the first event. Shepparton and Colac Clubs in the March "News" had an advertisement, but neither clubs stated a starting time, and, believe you me, if they desire Melbourne shooters to patronize them, they must put in starting time. N.S.W. and Queensland Clubs set out starting times in their programmes. We Victorian followers of Clay Busting travel quite a lot and like reading of the good shoots listed for competition.

Once again, Clubs and Secretaries, every shooter gets the "News", so publish your programme in your "Own Paper", the cheapest and most

widely distributed of all. You never know where you may get a competitor from.

Trusting you will all forgive me for this note, I only wish to help you.

I am,

Yours faithfully,
W. R. JOHNS."

E. W. Cronk, of Pechy (Qld.) has joined the "Lifer's" section of the A.C.P.T.S.A.

Cairns Club in North Queensland is a recent affiliation with the Association. Cairns officials are: President, G. R. Kelly; Vice-President, J. H. Izatt; Hon. Secretary, H. K. Mazlin; Hon. Treasurer, W. C. Balzer, and Club Captain is A. E. Gerrand. Advice is to hand that Cairns is going into the sport of clay pigeon shooting in a most up-to-date way. A first class lay-out is already established at Redlynch, adjacent to the town. A special "shed" has already been erected to accommodate the "Bar" and the secretary's office. An extension will be added to this structure for the purpose of including a refreshment stall. The club is anxious to secure the interest of any visitors during the winter months and the secretary has requested that any tourists who are shooters and who may be going North in the next few months should contact him at Box 858, Cairns. Tourists are invited to bring their own guns, but if this is not possible, Cairns club will arrange for visitors to have the loan of "shooting irons". With two clubs, Atherton and Cairns, now set-up in the far north, it would seem to be opportune for a visitor or two to try his prowess against the Northerners during the coming winter. J. H. (Jock) Izatt, the club's Vice-President, is known to many Southerners, he having attended a number of shoots at Burwood during the Christmas vacation period.

D. Bedford has taken over the secretarial duties of the St. George Club in Southern Queensland. S. J. O'Shea, the previous official in that capacity, is now a resident of Toowoomba. St. George Club is one of the earliest among the affiliated clubs of the Association being inside the first ten to join up its forces with the A.C.P.T.S.A.

R. Donaghy, of Church Street, Charters Towers, is now the secretary of the Charters Towers Club in Queensland. He succeeds Tom Husband in the job. Other Charters Towers officials are: President, Percy McDonald (well known among Victorian shooters following his visit to the Southern State some three years ago); Vice-Presidents are Messrs. R. Knuth and W. Archer; Hon. Treasurer, J. Brownson; Patron is Mr. E. Hill.

Joe Raleigh, of Morven (Qld.), also a registered shooter of "long distance" with the Association and now a "Lifer", could not make the trip to Melbourne for the big Association fixtures in March, due to his property in South Queensland being surrounded with bush fires; he made up for his bad luck on that occasion by winning both the Commonwealth single-barrel championship and the main prize in the following £100 handicap at the St. George's Club fixtures in mid-May. Joe included a further break of 50 straight during his winning series. This being his

third occasion to break the half-century.

In another section is printed a passage of verse prepared by a member of the Katanning Club in S.E. Western Australia. We have a whisper that the writer won the first W.A. Championship decided under A.C.P.T.S.A. conditions. The effort, quite good, savours of a veiled reply to a similar effort published elsewhere some time previously.

A new club is likely to be formed at Chinchilla in Queensland. The sponsor is Mr. Graham Macdonnell.

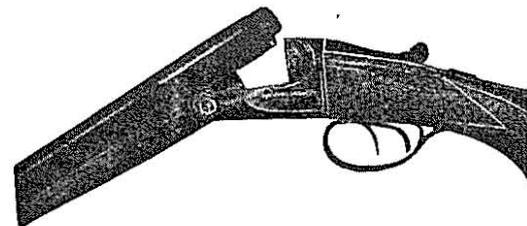

A whisper comes from long distance that much of the shooting in future in England will be under single-barrel conditions. It is also quite a possibility that the 1952 International will be shot single-barrel. If this eventuates, a drastic alteration will probably be considered by the Association during the framing of the next Association shooting programme fixed for March, 1952. It may be that the Champion of Champions will come into this class.

Information is to hand that the incoming President of the English Clay Pigeon Shooting Association will be none other than The Right Hon. Lord Burghley, K.C.M.G. Lord Burghley was the ideal of Empire athletes in the mid-1930's. He was a brilliant amateur hurdler and represented Great Britain in that capacity in the 1936 Olympic Games. A magnificent exponent of the art of his chosen sport, his brilliance set an Empire example among amateur athletes. He visited Australia on a brief business trip a year or two ago—perhaps some of our lady readers recall the excellent foundations of the article his firm manufacturers!

Bothwell Club (Tas.) will hold the official opening of its automatic trap with a special programme on Saturday, June 23. A £50 handicap will be the main event. Shooting will commence at 12.30. Details are as advertised.

Hobart Club's programme for the immediate future is advertised in this issue. On Saturday, June 30, a 20-bird double-barrel handicap is the chief attraction. The July meeting is fixed for July 28, when a £25 handicap merits the interest of intending competitors.

R. J. Butt, who, we have heard, knows a lot about dentures in the Newtown area of Sydney, writes, "The 'News' we find an excellent publication and also a good medium of keeping up to date with current affairs. Here's success to it and the Association." (Many thanks, R.J.B.—Ed.).

Writing from Townsville (Qld.), Fred Blackman advises that his club has decided not to shoot the Queensland Single-barrel title on June 23,

due to the fact that the local authorities decided to open the duck season in that area on June 4. The club had recommended a July opening. However, destruction of grain crops by hordes of wood ducks in the southern portion of the Northern State has brought about the decision of an earlier opening. Present indications are that a good duck season is assured. Townsville Club has already arranged the major portion of its new installation of a second trap. This includes reinforced concrete trap-house, concrete tracks, pull stand and base and underground pipe line. Fred adds that the north has had "no winter yet—still having mild warm weather." (Oh to be a Northerner in mid-winter.—Ed.).

Temora (N.S.W.) shooter, H. Vickers, advises, "An awful tragedy has occurred—no 'News' has arrived for May. Please send me one on, I simply must have it. Best wishes." (Tragedy aftermath must be avoided; second copy left by next post.—Ed.).

C. P. (Bill) Lloyd, who has lived in the Roma district of Queensland for a number of years, has now taken up sheep property on the Mornington Peninsula. Bill intends to follow "the gun" more frequently around Melbourne grounds as soon as he settles in the new environment.

T. H. Crawford, of 80 Flint Street, Forbes, has taken over the secretarial duties attached to the Forbes Club from J. E. Cowell.

R. W. Powell, of Norah Park, Cooladdi, Qld., is a recent transfer to the "Lifer" section of the A.C.P.T.S.A. His name has been shown as D. W. Powell; this should read as above, i.e., R. W. Powell.

AROUND THE CLUBS AND MEETINGS...

GRIFFITH (N.S.W.).—Results of Commonwealth Night Single-barrel Championship, shot on evening of Jubilee Holiday (May 9). Title event: 1st place, with sash and trophy, to H. L. "Joe" McMaster, of Wangaratta, with 22/25; 2nd place, with trophy, to Des Coughlan, of Griffith, with 18/25; Ian Evans, John Duchatel Snr. and Jack Bowsher, with 17/25; George Bell, of Young, 16/25; Bill Gibbs, Ray Thompson, Bob Bushby, Don Muir and Emil Albert, 15/25; Reg McNamara, John Duchatel Jr., John James, Garry Daly, John Houston, 13/25; Bill Hanna, 14/25. 3rd place was then shot for by Ian Evans, John Duchatel Snr. and Jack Bowsher. The end of two 5 birds rounds saw Jack Bowsher take 3rd place with 23/35, and Ian Evans took the Front-markers' Trophy with 22/25.

At the presentation of trophies, Councillor Doug Denham, on behalf of the donors, "Riverina Advocate", complimented the winners on their performances and expressed his opinion that the Griffith Gun Club was fortunate in having such a set-up as would allow of Commonwealth events being staged under any conditions. President Claude Carnell thanked the "Riverina Advocate" for the generous donation of trophies and congratulated "Joe" McMaster for his fine effort in making the double for the day by taking the State Title for Skeet at Leeton during the day and then to Griffith at night the Commonwealth Single-barrel Title with an outright win.

As time permitted and most shooters were wondering why they had missed so many birds in the

Championship, an event of 5 birds Double-barrel was conducted from the same 20-yard mark. The average performance in this event was better by the use of the second barrel than in the main event, and finished with only two possibles. These two shooters were Merv. Webb, of Leeton, and Don Muir, of Griffith.

Jack Bowsher captained the Saturday afternoon programme, May 5, and Harold Anstee was High-gun for the day with 42 kills from 45 birds. The birds were hard in all events, this caused by a tail wind. No. 1, The Kerarbury Pastoral Company Trophies of 20 birds Double-barrel Handicap: Wally Gritten, outright winner with 19/20; Watts McNamara, 2nd, with 23/25, after a shoot-off with Harold Anstee, who gained 3rd place with 21/24. These two shooters, together with Dick Bates, of Forbes, who was not eligible to shoot-off for the Trophies because he is not a Griffith Club member, made 18/20 in the main event. No. 2, A Half-Skeet Round of 10 with Sweepstake: div. by Don Muir and Harold Anstee with 9/10 each. No. 3, A Half-Skeet Round of 10 with Sweepstake: won outright by Harold Anstee with the possible 10/10. Next best scores were: Phil Stott with 9/10, followed by Des Coughlan and Jack Bowsher with 8/10. No. 4, 5-bird Single-barrel from 20 yards with Sweepstake: a second outright win was taken in this event with the only possible 5/5 to Harold Anstee, which gave him a 7-bird lead and High-Gun for the day from the next best score by Phil Stott, who had 35/45 for the day. At the presentation of trophies, the Kerarbury Pas-

toral Company was delightfully represented by Miss Coughlan, of Kerarbury, who congratulated the winners and presented the trophies.

DARR RIVER (Qld.). — Another shoot combined with Kelly's Creek Club was held at our Darr River grounds on Saturday, May 5. Despite a strong wind from the left which made the birds skid sharply, the shooting was of high standard. A special trophy was won by L. Taylor, of Kelly's Creek. The event was 15 mixed birds, 5 double-barrel, 5

single-barrel and 5 walk-up. The walk-up seemed to trick him, but he held the lead to win 12/15.

TOWNSVILLE (Qld.). — The Townsville Gun Club held a clay pigeon shoot at the club's grounds, Ingham Road, on Saturday afternoon, May 12, the principal events being the third round of a series of four shoots for a canteen of cutlery presented to the club by D. Peberdy, and the Peberdy Farewell Handicap. Both events attracted good nominations.

The trophy shoot at ten birds points shooting, with scoring value of three points first barrel and two points second barrel, was the opening event and was shot concurrently with a ten-bird optional sweepstakes. Top scorers were Ken Miskin and Dan Casey, who tied with the possible 30/30 points. Stan Horton, with 29/30, was a close runner-up. Miskin and Casey decided not to shoot-off and divided first and second money. Stan Horton taking third. Others to shoot well in this event were Ken Russel, D. Peberdy, Rus McKimmin and J. Laidlaw, with 27/30, and S. Horwood, with 26/30.

The next and final round to decide ownership of the trophy will prove

very interesting, the winner being the shooter with the highest aggregate of points scored off the gun in the four rounds. The leading scores at the end of the third round are: D. Peberdy and D. Casey, 78 points; K. Russel, —; R. McKimmin and S. Horwood, 74; S. Horton, 73; J. Melville and D. Peiniger, 71; J. Bray and J. Butler, 67; F. Hose, 66; and K. Miskin and C. Melville, 64.

The Peberdy Farewell Handicap at ten birds single-barrel resulted in a tie between J. Bray, K. Russel, D. Casey and E. Hansen, each with 9/10; a division was agreed on, and these four shooters divided the pooled prize money. S. Horton, S. Horwood and K. Miskin, with 8/10, were runners-up.

A 5-bird Single-barrel Sweepstakes which followed resulted in H. Haller, J. Bray, D. Peiniger, E. Hansen and C. Sinclair top scoring with possibles. The resulting shoot-off was keenly contested and was won by J. Bray, with E. Hansen filling second place and C. Sinclair third.

The final event, a "First Miss and Out" sweepstakes resulted in a clear win for D. Peberdy, with J. Gerber filling second place. J. Bray and C. Sinclair were runners-up.

During the afternoon a presentation was made on behalf of the club by Club Patron, Mr. Eric McKimmin to D. Peberdy, who leaves Townsville shortly to reside at Mackay. Mr. Peberdy has been for many years one of the most active members of the Townsville Club and has been Patron since 1936. He is also one of the club's most consistent shots and has done much to popularise the sport of clay pigeon shooting in the north.

Club President Ken McEwen, a keen student of the clay busting sport, profited from his recent talks with Lloyd Wilson, Dubbo champion. Ken followed out Lloyd's ideas to secure 3 divisions in 6 down the line events and annex a small trophy also. You'll be sorry, Lloyd. New shooter, Alan Tremain, showed promise at his first visit to the traps. His score of 17/23 was better than that of seasoned shooters. Assad Gaha, a late arrival to the shoot,

How Jack Lindsay, Dubbo cartoonist, views Jim Bienvenu ("Doncaster"), President of the Australian C.T. Club at East Burwood (V.).

shared the last event with Alan in B Grade. Visitors to the recent Open Shoot expressed the opinion that the local automatic trap was the most versatile from a variation of angles viewpoint, that they had shot over. Maestro of the trap is Dave Wotton. Small inexpensive trophies are to become a regular feature at future club shoots, to give members experience in shooting off events.

Results May 12, 1951: A good roll-up of 22 shooters, despite holidays for some members and a keen breeze. Form was very poor throughout the day. Four sweepstakes with small attached trophy of 1/- nomination and two sweepstakes comprised the programme. First trophy went to Merv Burrows, only man to break 5/5. Next went to Stan Bressington, 9/9, from V. Howard, 8/9. Chas. Campbell annexed the next trophy, being the only one capable of breaking 5/5. Final trophy was a better exhibition, victory finally going to

ST. GEORGE (Qld.).—Commonwealth Single-barrel championship meeting, May 12. "Joe" Raleigh, of Charleville, won the Single-barrel Championship of the Commonwealth at the shoot held under the auspices of the St. George Gun Club. In a very strong field of forty shooters the successful competitor shot 22 birds out of a possible 25. All shooters shot from the 20 yards mark.

In the first round only one shooter, K. Bassett (Roma) shot all five birds, but in the second round four shooters went through without a miss; they were H. T. Siddens, A. Seis (Dalby), "Pee-wee" Jack Thompson (Moree) and Newton Thomas (Sydney).

At this stage Joe Raleigh had missed three birds, but in the following three rounds he shot every bird and ultimately headed the field. Vic. Eather shot very consistently to finish second to the champion with 21/25, while K. Bassett (Roma), who had two bad patches in the second and third rounds, finished third with 20/25.

The trophy for the best 12 yard shooter in this event went to John Raleigh, son of the winner, while the trophies for the best 13/14 yarder and 15/16 yarder went to A. Seis (Dalby) and J. Bayliss (St. George) respectively.

Other trophy winners on the first day were: 10-bird D.B. Handicap:

J. Raleigh, 1st; V. Eather, 2nd; H. Carne (Roma), 3rd.

The big event on the second day of the meeting was the St. George Handicap of £100; a 30-bird D.B. Point Shoot (3 pts. for first barrel and 2 pts. for second barrel), and again the consistent Joe Raleigh headed the field with 88 points out of a possible 90. In this event he didn't miss a bird, but killed two with second barrels.

Perhaps the most unlucky shooter in this match was Les Poulos, a young shooter from Goondiwindi. He shot every bird up to the last round and held a narrow lead of two points over Raleigh, then clean missed a bird to drop three points. After this lapse "Les" shot the last five to finish with 87/90 and gain second money. The consistent Vic. Eather, from Boggabri, gained third prize with 85/90 and a newcomer to shooting, "Bill Chandler, shot exceptionally well to collect 83/90 and fourth prize after a shoot-off with Colin Fletcher, who also had 83/90.

The prize for the best 12 yard performer in this event went to W. Moore (Dalby) after a shoot-off with Alan McIntosh (Goondiwindi), both securing 81/90.

Two trophy shoots also competed for on the second day created keen competition; the first, a 10-bird D.B. Point Shoot, resulted in a win for Wal. Eather (Boggabri), who shot 15 birds with the first barrel. John Raleigh (Charleville) was second and C. Fletcher (Roma) third.

The second trophy shoot, a 10-bird S.B. Handicap, resulted in a win for H. T. Siddens (St. George), with W. Chandler 2nd., and K. Bassett 3rd. The two-day meeting was claimed by visiting shooters to be the best they have attended for some considerable time, and the arrangements compared very favourably with those of Melbourne, Sydney and other large Clubs. The catering was in the hands of the very capable Bush Children's Health Scheme committee, and everyone expressed themselves well pleased with the fare provided.

MANGOPLAH (N.S.W.)—A very enjoyable shoot was held on May 20, in ideal weather. Congratulations are extended to Ray Hall, of Wagga, who won a 10 birder after 13 shooters had returned possibles. Ray continued going back until he beat Dick Blake (Wagga), 21/21, at the 27-yard mark. Blake finished on 22 yards. Ollie Cox (President) presented Ray Hall with a magnificent trophy donated by Frank McIntyre, of Wagga.

Results were: No. 1, 5-bird D.B.: div. J. O. Cox, 5/5; C. Angel, 5/5; Lox Creasy, 5/5; L. Hanel, 5/5; A. Geier, 5/5. Event No. 2, being

Eddie Brenk, former President at Peak Hill (N.S.W.), who is now residing in Melbourne.

Sam also comes under this category. The Stan Hill Memorial Shield was retained by the Burdekin Club, the winning team being the same as won the Shield last year, with the exception of H. Russell, whose place was taken by his twin brother Ken. The £25 Open Handicap of 15 birds was won outright by Jack Gerber, who scored the only possible in this event. This was a well deserved win as Jack shot particularly well right through. Second place went to Lindsay Rennie, who also performed well over the week-end. Lindsay is a consistent shot at any time. Two other shooters who performed meritoriously were Reg Winn and Percy MacDonald. These two scored the only possibles in the Stan Hill Memorial Shield. Frank Claussen Jr., who is only 12 years old, delighted the crowd with his shooting. The Shield was presented to the Burdekin Gun Club by Mr. Percy MacDonald, the President of the Charters Towers Diggers Gun Club. The Burdekin Club wishes to sincerely thank all visiting shooters for their very fine sportsmanship and for making the shoot the success it was.

another 5-bird D.B., was divided by six shooters with 5/5, namely J. McDouall, Ray Hall, V. Taylor, Dick Blake, F. Farrell, N. Plunkett. Cox, 19/20, sharing the prize money. Event No. 4, 5-bird D.B., was run in conjunction with a Novice shoot, this being won by Lynch Creasy, 10/10, the novice being divided by E. Geier, 5/5, and J. Moore, 5/5.

AYR (Nth. Qld.).—At the Burdekin Club's grounds on the 5th and 6th May, sixty shooters tested their skill. A stiff breeze made conditions awkward, but there was some very fine shooting. The Burdekin Double-barrel Championship was won by V. (Barney) Colless, of Charters Towers, who narrowly defeated Sam Ball, also of Charters Towers, in the shoot-off. The win was a popular one, as Barney is an excellent sport as well as being a champion shot.

Detailed results are as follows: 5-bird Double-barrel Sweepstakes: V. Colless, R. Byers, R. Knuth, L. Rennie, D. Becke, J. Smith, R. Cox, J. Gerber, K. Russell, D. Edwards, P. MacDonald, W. Carrington, C. Griegs, J. Collinson, V. Collinson, F. Blackman, S. Horwood, all scored possibles. Burdekin Double-barrel Championship: V. Colless, 1st; S. Ball, 2nd; J. Winn, B. Rubiola, D. Edwards. Three pairs Deauville Doubles: E. McKimmin and J. Griegs.

(L. J. Ashworth, Asst. Sec.)

NARRANDERA (N.S.W.).—The Narrandera Gun Club conducted the N.S.W. Deauville Doubles title on Saturday last, May 26. Seventy-five shooters faced the trap over the three events of the programme, and the clubs represented were: Young, Temora-Tullibigeal, Hay, Jerilderie, Barellan, Wagga, Holbrook, Mangoplah, Wangaratta, Ganmain, Leeton, Griffith and the Home Club, Narrandera. The programme ran smoothly over the day and the only drawback to the perfect day was the finishing of the last event in rather bad light for some of the shooters. However, all contestants took the birds and did the best with those which were visible. The local ladies provided morning tea, a lunch which had a decided homely flavour and an afternoon tea of home cooking.

Event No. 1, 3 pairs Double Rise, 2 yards up on Handicaps, Optional Sweep: The event div. Des Coughlan (Griffith), Gordon Winterbottom (Narrandera), Jack Bowsher (Griffith), Bill Duchatel (Barellan). Event No. 2, the N.S.W. Deauville Doubles, 20 pairs from 18 yards, Optional Sweep: At the conclusion of the 20 pairs only 3 pairs of shooters had scored the possible. They were: Harold Anstee and Des Coughlan (Griffith); Bill Gibbs and Reg McNamara (Griffith); George Bell and "Joe" McMasters, of Young and Wangaratta respectively. In the shoot-off a grand battle was put up for 1st and 2nd places, and the scores finished with: 1st place, with Sashes and Trophies, to George Bell and H. L. "Joe" McMasters, with 43/45; 2nd place, with Trophies, to Bill Gibbs and Reg McNamara, with 42/45; 3rd place to Harold Anstee and Des Coughlan, with 24/25. Event No. 3, 15-bird Double-barrel Handicap for £30, with Optional Sweep: This event concluded the 15 birds with only six shooters scoring the possible, a further 15 shooters had nine kills, and as the light was failing fast, it was decided that the possible shoot-off for places. Over the next 5-bird no shooter made the grade, and this let the 9/10 shooters in. The light was so bad by this time that the following shooters finished with 14/15 and divided the prize: John Duchatel (Barellan), Bill Ronfeldt (Leeton), Morris Gib-

son (Hay) and Lynch Creasy (Mangoplah).

BALMORAL (V.).—The monthly shoot of the Balmoral Club was conducted on May 26. The entire programme was arranged as sweepstakes. Rain and wind made shooting difficult and events were curtailed as a result. Event No. 1, 3-bird S.B.: div. C. E. Duncan, N. Woodfield and G. Cock, 3/3. No. 2, 3-bird S.B.: div. N. Woodfield and G. G. Pern, 7/7. No. 3, 15-bird S.B.: div. C. E. Duncan, G. G. Pern and N. Woodfield, 12/15. No. 4, 10-bird D.B.: won outright by E. M. Duncan, 8/10.

(W. F. Duncan, President.)

AUSTRALIAN CLUB (V.).—Opening the day, May 19, with a 10-bird D.B. Sweep, C. Fankhauser, H. Phillips, A. Goodear and Andy Tie divided the spoil at 10/10. David Mansell, a lad of 12 years, using a 16-gauge, also secured 10, but unfortunately had entered for practice only. No. 2 event, 10 birds S.B., for the I.C.I. Trophy, did not produce a possible. Seven, with 9 down, contested the tie shoot. Vern Dudley, recently discharged from hospital, is back to his old form. He carried off the trophy with a neat 12/13. H. Phillips was second with 17/19; R. Didier third with 16/19. David Mansell was more fortunate in this event, having won the 13/14 yard Trophy with 10/12, the 12 yard being won by R. A. Patterson, 8/11. No. 3 event, 10 birds Silent Rise, with gun off the shoulder: To my way of thinking, this event, with its conditions, should be standard in

clay shooting. It is the natural poise of a gunman anticipating a rise and would make a shooter at home with his gun at all times. Interesting—The Juvenile Squad created great interest. Four boys whose ages would range from 10 to 12 years gave a creditable performance of field shootings with their guns down; they skittled those clays like veterans. Eric Fankhauser, youngest son of "Dubbs", shooting for the third time in competition, shot a possible and finished 3rd in the tie shoot with 12/13. Cyril Fankhauser won this event with 12/13; V. Dudley, 13/15; F. Olver, 11/14; 12 yarder, G. H. Stainton.

The committee decided to hold a social evening. This will take the form of a Ladies' Night and will be held at the Wattle Park Chalet about late July or early in August. Particulars will be announced in the next issue.

SOUTH COAST GUN CLUB (Qld.).—The first official shoot of the South Coast Gun Club was held at the Southport Racecourse on Saturday, 12th May, and attracted no less than 53 shooters. A very large crowd of spectators were in attendance, and the local branch of the Red Cross did a fine job in catering for the crowd with afternoon tea, drinks, etc. The first shot was fired by State M.L.A., Eric Gaven, and it is with regret that we had to call "Lost Bird". However, Eric mentioned later that he was not the only shooter to miss a bird in the afternoon. The programme provided for five events, but, due to the large

number of shooters, we only managed to put through three of the events. The results were as follows:

5-bird D.B. Eye Opener Sweep: J. Sturgess (Esk), 5/5; D. Sturgess (Brisbane), 5/5; C. Whitney (Southport), 5/5, and W. Witt, div. 5/5. Novice Tooth Trophy: G. Rawlins (Toogoolawah), 1st, 7/8; E. Geary (Cunnamulla), 2nd, 6/8. Ferguson Trophy, Open: This event created a great deal of interest, and it was nearly a case of calling on car owners to switch on their lights to finish the shoot: 1st, T. E. Stone (Charleville), 15/15; 2nd, N. Gorrie (Southport), 14/15.

Club Notes.—It was noticed in a West Australian report that Colin Ferguson did the decent thing for the boys in his club after their strenuous work at the Club House; well, not to be outdone, brother Cyril, who almost won his own Trophy, cheered on the Brisbane Valley boys in the hope that they might take back his Trophy. When this could not be done, he cheered them up with XXXX. This beats your SWAN, Colin.

The next shoot of the South Coast Gun Club will take place on Saturday, 14th July, and to cope with the large number of shooters, which we anticipate, we are hopeful that we may be able to commence at 11 a.m. (A programme will be forwarded in due course.)

Our President, Mr. G. S. Martin, is expected home from Singapore in a few weeks, and rumour has it that G.S. has been having some practice with the gun during his holiday in the East.

CRESSY (Tas.).—A shoot-off was necessary before E. N. Sharman won the Northern Districts Single-barrel Championship conducted by the Cressy Gun Club on Saturday, May 12. (Mr. E. Casey) presented the trophies, and Mrs. E. Nelson (Hobart) presented the championship sash to E. Sharman.

GOONDIWINDI (Qld.).—The following is the results of a very successful shoot which was held by the Goondiwindi Gun Club on the 27th May, 1951. 1st Event, a 5-bird Double-barrel Kill, was divided by A. McIntosh, R. Park and R. Humble, with 5/5. 2nd Event was a 5-bird Points Shoot, which was divided by J. Mulkey, W. Pendock, L. Hoole and K. Noye, with 15/15. 3rd Event, being a 10-bird Double-barrel Kill, was won by Sonny Raymond with 10/10. 4th and last event of the afternoon was again a Double-barrel Kill, in which the standard of shooting was very high. The following shooters secured 5 birds out of 5: R. Humble, J. Dyson, W. Pendock, N. Danes, L. Pullos, E. Raymond, A. Lucas. After a shoot-off, A. Lucas and R. Humble took first and second prize. The standard of shooting for the afternoon was rather good, and great improvement by almost all

shooters could be seen. In fact, it was remarked that some of these clubs which are throwing out challenges for large sums of money will have to watch very carefully, or they may have the Goondiwindi Club pulling them into gear before long. (N. Danes, Hon. Sec.)

HOBART (Tas.). — E. Casey (Cressy) and H. M. Eddington (Hobart Gun Club) tied in the £50 Handicap at the Hobart Gun Club's meeting at Brighton on Saturday, May 2. Each registered 19 out of 20, and divided 90 p.c. of the stake. M. Hayes, C. J. Lowe, J. Brent and D. Bridges divided the sweepstake in the 5-bird Double-barrel shoot. R. Redpath was the only shooter who scored the possible in the Double-rise event. Several pairs tied in the Deauville Doubles, and the shoot-off went to the tenth round. C. J. Lowe - Peter Lowe and T. Cannon - R. Powell then tied with 10/10, and divided the prize. D.

GUN GOSSIP

By NORTH COUNTRY.

It is always easier to knock out a bird in flight than when sitting. With wings outstretched and body fully exposed, it becomes a bigger and more vital target. I refer just to the killing, of course. Other things being equal, you can be sure of a yard or two more in range at a moving mark. This particularly applies to rabbits. A choke bore will enable you to kill a running (crossing) rabbit at 45 yards each time. But I should not care to say it would kill clean dead a rabbit sitting at this distance each time. It needs a very good gun and cart-

ridge to kill a sitter each time at 42 or 43 yards.

Certainly a choke is useful at times for these long sitters. The old service charge of 1½ oz. of No. 5 took some beating for this work. I have killed countless sitters or crouchers with it at this distance. But aiming was almost as with a rifle. I would even practise the shot by placing narrow bits of boxwood or cardboard 40 good yards out on the ground and see how many pellets I could put into them. There is a bit of an art in this sitting shot, unspectacular though it may be. It is really worth some practice.
