# THE EDITOR'S NOTEBOOK

With the publication of the present issue the full list of registered shooters, with Association handicaps (where known), is included. Club officials are advised to check the list and ensure that club members' registration cards are brought up-to-date in accordance with the published handicap mark. In cases where no mark is shown, club officials and shooters concerned should make the necessary arrangements to have this rectified and card amended accordingly. It is probably that the next full list will be published again in the December issue. Meanwhile each succeeding issue of "News", following the present month, will contain names of newly registered shooters, also names of those who have renewed since the full list publication this month, together with known handicaps. So that a handicap mark can be shown from the outset of a shooter's registration, club officials forwarding the fees and names are recommended to also include the club handicap of the shooter or shooters listed with the remittance. Inclusion of these details is an immediate guide of the ability of the shooter or shooters. Full names are also desirable, if not, full details of all initials. Frequently names are submitted with one initial, and when renewal is made, two initials, or even three are shown. When the address is not included, the added initials merely lead to a confusing situation and on occasions a duplication in registration. Another point of importance in this regard is to ensure that the initials forwarded are the correct ones. There have been occasions (quite frequent) where the initial T (for Ted) has really meant E. Similarly the initial B (for Bill) when the correct initial should be W. Another frequent offender in this class is again the initial B (for Bert), when it should read H, also F (for Fred) can often mean A for Alfred, and so on. These points may not appear important by

the senders, but when it is remembered that some 140 odd clubs are now affiliated with the Association, these small details do much to assist administration and also ensure correct records being maintained.

Affiliated clubs should pay strict attention to entrants in open championships who are unknown to the club management. A recent instance has been reported where a shooter attended and competed in open title event on the grounds of a club where he was not previously known, and had been unregistered for over two years. The registration card system was introduced by the Association to safeguard clubs and shooters, and in all cases competitors should be requested to produce their current registration card. No objection can be taken to such a request. It is an Association direction that cards should be produced on all occasions. Production of cards on open shooting days is particularly important. If a shooter is unknown, his registration card is a definite certificate of identification.

Discussing the Association registration card and the handicap which it carries, a club official recently mentioned that "no club can query the visiting shooters' Association handicap card, which often needs adjustment." The writer of the foregoing is not in complete understanding of the position in regard to the handicap mark which appears on the

registration card. If the club, which a visiting shooter attends, feels that the mark shown on the registration card is not correct, it is up to the officials of the club concerned to turn up immediate previous numbers of "News" and check if any handicap change has not been recorded on the card. If, on check-up, it is found that the mark shown is not in accordance with the published handicap of the shooter, it is then quite a simple matter to draw the competitor's attention to the matter and inform him that he is required to shoot on the handicap as published, at the same time advising him to secure the co-operation of his home club secretary in bringing the card up-to-date.

Club officials and registered shooters are advised to immediately advise the Association if the name of any shooter has been missed by the printers in the compilation of the official list of registered shooters and handicaps. It is a very simple matter for a line to be "dropped" in setting up. The co-operation of all concerned in ensuring that these details are correct is welcomed.

## OVERSEAS SHOOTING

(From Tommy Hughes, Welsh International.)

Mention of snipe shooting in an issue of your "News" brings to mind the point as to whether your shooters in Australia have shot at driven snipe, which is quite a different proposition to "walking-up". At our syndicate shoot near Oxford we shoot them driven, and when the weather is right, they come in clouds. I invited a clay pigeon shot, who is one of the best game shots in the South of England, to have a go at these driven snipe. After he had blown about 20 cartridges in the air and not touched one, he called over to me, "What is the matter with these little devils, Tommy?" I remarked you must kid them, let them pass over your shoulder and they will imagine they are safe, then have

a go at them. Because when you lift your gun to shoot them in front, they see the movement and dive at the same time as you shoot. He took my advice and shot a good average afterwards. Our highest snipe score in one day this year was 87.

We have a busy time in front of us on clays. The Welsh Championship, Irish Championships the week after, and English the following week.

Going back to game, it promises to be a good year this season. Pheasants are laying well, so are the ducks, and plenty of cover for the eggs to keep the vermin off. I will drop you a line after the championships.

I am taking the liberty of sending you an abstract from a report sent to Mr. H. Rogers, Secretary of the English Association. Mr. Rogers has written back asking if I will be good enough to send this report direct to you. He has also sent me a copy of the "Australian Clay Pigeon Shooting News." speech, extended to Mr. Bennecke a real Yorkshire welcome and stated that Mr. Bennecke was the first member of a club from the Australian Commonwealth to visit the Wetherby Club. As a fitting honour and a gesture of real goodwill and friendship, he presented Mr. Bennecke with the official badge and membership of the Wetherby Club. This badge is in raised silk on a background of royal blue and depicts crossed guns surmounted by the white rose of Yorkshire with a 'wether' sheep between the stocks at the base. Mr. Bennecke, in a warm-hearted reply, thanked Mr. Ezart, Mr. Sable and members of the Wetherby Club for the very happy and friendly welcome which had been extended to him and stated that he would always treasure with pride the Wetherby badge and club membership as real tangible mementos of happy hours spent in England—in beautiful country in the heart of Yorkshire. In spite of using a borrowed gun, under strange conditions, the guest-visitor thoroughly enjoyed the programme and quickly proved that he was an adept, particularly at long ranging and wide angle shots."

## "Tips" and "Tails"

The Richmond Gun Club in Nth. Queensland has affiliated with the A.C.P.T.S.A. The club secretary's address is Box 19, Richmond, N.Q.,

Due to delay in trap installation, the open championship, (Qld. Northern Districts) fixture, previously approved for the Giru Club (Nth. Qld.), has been deferred to December 26. The change has A.C.P.T.S.A. approval.

Griffith Club (N.S.W.) has ordered another set of floodlights for its spacious lay-out. The club is contemplating the installation of electric releases. When the season returns to sufficiently warm conditions, the club intends to hold regular night meetings—always a popular feature of the Riverina area club shooting.

The Tumut Club (N.S.W.) has been granted approval for the holding of the Tumut-Monaro District Single-barrel and Deauville Doubles championships over the dates July 19 and 20. In a letter from club secretary at Tumut, Graeme Baker, he mentions that the popular Tumut club-man, Matt Downing, was missed during the club's championship fixture late in April—the reason for Matt's absence was most important. He was on his honeymoon at Newcastle, and competed at the Newcastle Club's championship meeting early in May. Matt was noticed "in the money" on occasions and particularly in a £50 handicap event. The handicappers are reported to have also "noticed" this effort.

The much travelled shooter, Eddie Brenk, competed at Townsville during the Commonwealth Mixed Birds and Queensland Skeet championship meeting in mid-May. Both Eddie and his wife took part in the competitions. A Townsville report also indicates that young Gavin Black-

man, the nine-year-old son of the efficient club secretary at Townsville and Association Executive, Fred Blackman, has achieved his greatest ambition in his short span of years. During the Townsville meeting he broke five straight for the first time. Up to that time the clean score across the track had baffled him and 4/5 was a regular performance. The youngster was pictured fully equipped with side-arms and ten gallon hat in a recent issue of "News". His father mentions that young Gavin is "now a confirmed clay bird shooter, much to the detriment of his Old Man's pocket. However, I am happy to see him take it on." Most fathers would feel the same.

Another new club is under discussion at Drouin in the Victorian Gippsland district. M. Kingdom of Buln Buln Road, Drouin, already a registered shooter, is one of the interested sportsmen behind the move. There is no reason why Drouin should not be able to sponsor a first-class club. The area is the centre of sporting interests and is the home of a number of clay pigeon shooters. Jim Lowe, who for years has used the shooting name of "Browning" and was a member of the first Australian International Team in 1939, is in business in Drouin. Doubtless Jim would be well behind the proposed new club.

The Casino Club (N.S.W.) will shoot the N.S.W. North Coast single-barrel championship and a £50 han-

dicap on Friday, August 8. The Casino club is coming along very well under the guidance of experienced trapshot Bill Richardson. The latter has advised that most of the Casino club activities up to the present have been directed towards interesting new shooters. With this end in view, two shoots have recently been held at Lismore (a neighbouring centre) for novice shooters. Additional members are expected as a result.

The secretary of the Croydon Club (V.), E. L. McLachlan, has written the following notes for publication: "As an affiliated member club of the Association and myself a keen reader of our 'News', I often notice in it information about the beautiful clubs in nearly every State. Well, now, I think it is Croydon's turn to show what has been done by our club in not quite twelve months. Our club started off with approx. 50 members, none of whom had ever done any clay shooting. Our only help came from our kind donor, Mr. Jock Wilson, the Association President, who

even attended working bees to show us how to lay everything out, etc., and, of course, the rules of shooting; to him we extend our very warm thanks. At our annual meeting early this year we had a piece of luck that only comes to a club once in a lifetime; we elected a gentleman who has had a great liking for clay shooting and the sportsman who is Mr. Jim McArthur is our President. Now at this present date our club is up with the best in the country areas—concrete tracks, nice club house, automatic trap; in fact, everything but the kitchen sink. We cordially invite any shooter or shooters to come up and see for themselves, as our trophies are the very best ever given away—we boast of that—'Ask Jim'."

Noel Knight, the popular Northern N.S.W. sportsman, has taken over the Presidential chair at the Coonabarabran club. Noel is well known in the South, having competed during a National Championship meeting a year or two ago. He took over

What may be termed "the worst has happened" occurred at Geelong recently. The Association President, Jock Wilson, has missed at last. Having fired the first official shot at no less than 43 clubs without a miss, it was considered almost a certainty that he would reach the half-century with the unique record. Geelong was his 44th effort and clean misses with both barrels. It was disappointing for spectators as well as the President, who was anxious to secure an ultimate run of 50 straight. The day was perfect and the renowned background of the club's fine grounds equally good. In his official address at the opening the President mentioned that he felt Geelong's background was equal to the world's best and vied with Monte-Carlo. The Geelong background is the sky and targets fall out into Corio Bay. The club is to be commended on its organization at the opening. Amenities were available early and in plenty. Under secretary Ted Herbel, shooting organization was first class.

E. J. Pay of "Oakleigh", Narromine, has taken over the secretarial duties of the Narromine Club (N.S.W.) from R. F. Back.

Bill Schooley, of Morven (Qld.) leaves for England and U.S.A. on July 2. Bill takes along letters of introduction to Associations in those countries. He was a member of a winning Australian International Team a year or two ago. His father was in England during an International Banquet on the occasion of his visit. Bill will take in as many shoots as he can fit into his itinerary in both countries. A good sport, Bill, will be a worthy representative of Australian shooting sportsmen on his tour.

The pre-war Cunnamulla Gun Club in Southern Queensland has been reformed and is an affiliated unit of the A.C.P.T.S.A. This club "went out" during the 1939/45 war period and a new club known as the "Cunnamulla Diggers' Club" was formed when hostilities ceased. This functioned with moderate success until recently. With the re-formed Cunnamulla Club, and the taking over of all equipment and ground, a first-class organization is assured. The new secretary is J. M. Macauley.

A story from the Sydney side of the Murray indicates that a well-known shooter was missing quite a few at a recent big shoot and could not find the reason until he realised his wife had given him his newly re-soled shoes—and this factor made him "shoot over them", owing to soles being built up!

The 35th World Championships at clay pigeons will be held at Oslo (Norway) from July 7 to July 16, under the 15 trap "Continental" conditions.

The Hobart Club in Tasmania will shoot again on June 28. The main events are the club walk-up championship at 15 releases and a £20 bird single-barrel handicap. Shooting will commence at 1 p.m. The programme is advertised.

Nymagee Club (N.S.W.)—is conducting a two-day shoot over the days July 26 and 27. A £50 handicap at 15 birds is the main event on the opening day. The club will conduct was is described as "Grand Ball at Night". This promises to be one of the social events of the season and should be a very definite attraction to those interested in this form of amusement. A £50 handicap and the Far Western Districts of N.S.W. Double-barrel championship provide the highlights of the final day. All enquiries and requests for accommodation should be directed to hon. secretary, A. J. Knight (Phone Nymagee 9). The full details of the series is advertised in this issue.

Two Tumut-Monaro Championships are listed for decision over July 19 and 20 on the spacious grounds of the Tumut Club (N.S.W.).

A £25 handicap and the Tumut-Monaro Single-barrel championship, with other events, are listed for July 19. On the second day the similar Deauville Doubles championship and another £25 handicap will be decided. Programme is advertised. Enquiries should be directed to club secretary, Graeme Baker, at Box 33, Tumut.

Footscray Club (V.) programmes of June 28, July 12, July 26 and August 9 are published in the advertising section of this issue. The club double-rise title at 10 pairs is for decision on July 26. On August 9 will shoot a £20 10 pairs Deauville Doubles competition under single-barrel conditions. This is a departure from the usual and should attract much interest.

A new club is contemplated at Brewarrina in New South Wales. The organizers are anxious to press on with buildings and lay-out without delay. The address of the sponsors, James Read and B. Hertslet, is Box 44, Brewarrina.

The Narrandera Club (N.S.W.) will shoot the Central Riverina D.B. Championship on July 5. A £40 handicap is also listed. Two automatic traps will operate throughout. Minor events are included. On September 27 the Narrandera Club intends sponsoring a double championship series with the shooting of the Central Riverina Deauville Doubles championship and the Riverina Single-barrel title. All enquiries on forthcoming events should be directed to club secretary, J. R. (Bob) Bushby, at Box 102, Narrandera (Phone 14U).

## GUN GOSSIP

(By North Country)

We hear only too often of shooting accidents in the field, but it is happily a rare thing to hear of similar mishaps in other spheres. It came therefore all the more of a shock to hear (as reported in this paper) that the Proof Master of the Worshipful Company of Gunmakers of the City of London, Mr. R. T. Lawrence, had died on March 18 as the result of the premature discharge of a firearm in proof. This is indeed a tragedy.

Mr. Lawrence was only 41. He had been appointed Assistant Proof Master last October and later he became Proof Master. Coming of a long line of gunmakers, he was ideally suited to his job and his early death is a big loss to the trade in general. He can ill be spared.

It speaks well that there are so few casualties in trade circles. In the actual field, accidents happen just because shooters are careless with their guns. It is seldom anything goes wrong with gun or cartridge. I have been shooting for more years than I care to remember, and beyond a very occasional misfire I can think of no technical hitch in my armament. Certainly my gun has never broken down. The worst I have had has been a little lock trouble in a wildfowl gun after an extra severe wetting. That was soon put right.

But when hammerless guns first came into popular use, it must have been a different tale. An old and very senior friend told me how he refused to have anything but an under-lever hammer gun for some expedition in China. At that time he felt more secure against a breakdown in this way, when hundreds of miles from anywhere, than if he had a more modern weapon. He did not care to risk a still comparatively untried type, as he largely depended on what he shot for the pot. But he used fine-quality weapons.

Most guns give out through neglect. It is a surprise to me that far more do not break down. I think of

those cheap farmers' guns which forty or so years ago could be bought for a fiver and which have never had one proper cleaning or oiling since the first shot was fired through them. They still function and kill effectively in spite of this treatment—at least some of them do. I realise that comparatively few shots are fired through them. But consider the mechanism which never gets any oil, especially oil of the right kind. Or if it does, it will not be lock oil.

The moral of all this is that guns have many lives—too many, no doubt, in the opinion of those who make their living at them. Is it any wonder that best quality guns which do not get a great deal of use never wear out? I know of guns of the very finest make which never have more than a thousand cartridges fired through them in the course of a year. At this rate I do not see that a gun would ever wear out—within reason. If these guns do give out, it will surely be from rust and neglect. Which, sad to say, is too often their fate.

The owner dies, the heir is not very keen on shooting, but keen enough to retain the guns and uses them from time to time. The guns are kept on for this reason, but never receive the former care bestowed upon them. They gradually deteriorate by rust and pitting and in half a dozen years the barrels are badly marked. They may shoot well enough, but their value is ruined. I have seen this happen many a time, but have been powerless to do anything in the matter.

Other guns are just kept on for sentimental reasons. They may look well enough in a cabinet and receive a fairly regular rub-over. But what of their insides? The owners are content that they are in a dry place and comparatively safe from dust and dirt. But best guns need more attention than that. If the bores are not greased, they need regular cleaning and inspection. And an unversed layman is scarcely up to this.

# AROUND THE CLUBS AND MEETINGS...

ROCKHAMPTON (Qld.). — Our club held a shoot last Sunday, May 25, and approximately 25 shooters took part. Vince Murphy, a 12-yard shooter, was the most outstanding shooter of the day. He divided three 10-bird shoots and made a break of 29 straight, a good effort for a novice shooter.

The duck season opens up here on May 31. Prospects of a good season are not bright, as we have had no good rain for 18 months, and most nearby swamps are dry, but if any of the boys are coming up this way for the shoots, we will do all that is possible to give them a day's duck shooting.

Results of shoot as follows: 1st Event, 5-bird S.B.: C. Allen, W. Bartley, D. Russell, 5/5. 2nd Event, 10-bird S.B.: D. Russell, F. Sams, H. Goodson, 10/10. 3rd Event, 5-bird S.B.: W. Bartley, S. Henderson, 5/5. 4th Event, 10-bird S.B.: V. Murphy, C. Allan, 10/10. 5th Event, 10-bird S.B.: V. Murphy, F. Sams, W. Galloway, C. Allan, 10/10. 6th Event, 10-bird S.B.: V. Murphy, D. Russell, W. KEILOR (V.). — The Keilor Gun Club met for a practice shoot on Thursday, 8th May, with an attendance of 40 shooters, and the day was so successful that it has been decided to make Thursday a fortnightly event (weather permitting). The pioneers of this club have

planned wisely and worked hard for the last two years, with the result that the foundations are laid for what looks like being a prosperous club. A 99 years lease has been promised by Mr. Wally Reid (Reid Bros. & Reid, the initial mover and first President of the club) on one of the best locations possible to obtain in the metropolitan area, with the sky as a background. The site is located off Milleara Rd., which is past the 8-mile post on the Calder Highway. The club president is Mart Kenny, mine host of the Keilor Hotel. The committee desire to thank those members who gave up their Sunday mornings to do the work necessary in laying, tracks, building the trap, etc. Frank Cautero is club secretary and the writer is club correspondent and treasurer.

It is intended holding an opening Saturday shoot in the near future.

**TUMUT (N.S.W.).** — One of the biggest and best shoots ever conducted by Tumut Gun Club was held on Saturday, 26th April, when Tumut-Monaro Double Barrel Championship was decided. Aided by good weather, visitors and shooters visited Tumut from Griffith, Mittagong, Gunning, Dalton, Queanbeyan, Young, Temora, Cootamundra, Wagga, Mangoplah, Matong, Arah Park, Goulburn, Holbrook, Albury, Wellington and Wangaratta, Victoria, competed in events for the day.

Forty-nine shooters took part in the Championship event at 20 birds off 16 yards, which commenced at 11.30 a.m. and finalised at 3.30 p.m. with four shooters, R. Busby (Narrandera), P. Gibbons (Ganmain), E. Matthews (Holbrook) and J. McMaster (Wangaratta) scoring the possible of 20 birds each. These shooters then commenced the shoot-off for 1st, 2nd and 3rd prize, which resulted with R. Bushby, 1st, 30/39; P. Gibbons, 2nd, 29/30; and J. McMaster, 3rd, 44/45. J. McMaster and E. Matthews were eliminated in 1st round of 5 birds for 1st and 2nd, having lost one bird each, but carried on the shooting for 3rd place to 45 birds. Special 12/14 yard trophy was won by W. Simpson (Grenfell) with score of 24/25.

The Tumut Gun Club Ladies' Committee served a poultry luncheon and afternoon tea, and they went to no end of trouble to make their day also a huge success. This small band of energetic workers deserve great credit. The presentation of trophies and sash was made by the President, Mr. Arnold Cheney, towards the end of the day to shooters, who responded, congratulating the Tumut Gun Club for the way in which the shoot was conducted and also on the lay-

out of the ground and clubhouse. This work was done by a handful of loyal members who worked hard to build the new ground and clubhouse.

Our special thanks go out to Mr. and Mrs. O'Sullivan, treasurer and secretary of Bowral Gun Club, who were in charge of scoring board, and J. James of Griffith, who helped us out in running of second trap, and four Referees, Mr. R. McNamara and Mr. J. James (Griffith), Mr. W. Mackay (Queanbeyan) and Mr. G. Bell (Young).

**ROCKHAMPTON (Qld.).** — The Queensland Deauville Doubles Championship conducted by the Rockhampton Gun Club at their grounds on the Nine Mile Road, attracted visitors from Biloela, Gladstone and Clermont, as well as many from the local club. Altogether 22 pairs took part in the event. All shot from the 18 yards mark and the winners were C. Allan and H. Goodson, both of Rockhampton, who went through without a miss to finish with 20/20. Second place went to W. Galloway (Rockhampton) and H. Anson (Gladstone), with 19/20. Actually, their score was 19½, but as one shooter had missed his bird, the shot was against the pair. Third place was a tie between a Biloela pair, A. Thompson and D. Barlow and a Rockhampton pair, A. Lisle and L. Smith. Each

succeeded in hitting 16 pairs of clays. The latter pair, after a re-shoot of an extra 10, gained the third place. Conditions for all events were hard owing to a strong south-easterly breeze that blew into the mouth of the trap, forcing the clays to rise unexpectedly. The club intends to hold a £100 shoot on June 17, during Carnival Week, and it is hoped that shooters from as far south as Melbourne will compete. It is also hoped to stage an ambulance benefit in the near future.

**Other Results:** 5-bird Single Barrel Handicap: W. Galloway and D. Barlow, equal, 5/5. 10-bird Single Barrel Handicap: C. Allan, A. Lisle, W. Barkley, D. Russell, H. Sargent and A. Thompson, all equal, 9/10. 5-bird Single Barrel, all off 18 yds.: R. Barlow and W. Galloway, equal, 5/5. 3-pair Deauville Doubles: H. Sargent and H. Beak, C. Allan and H. Goodson, C. Allan and W. Galloway, all equal, 3/3. 5-pair Double Rise: W. Barkley, J. Winslade and E. Pierce, all equal, 4/5. 55-bird Skeet: F. Sams, E. Pierce, H. Goodson and F. Skinner, all equal, 5/5.

**STONEHENGE (N.S.W.).** — Stonehenge held its annual Stonehenge Deauville Doubles Club Championship on 3/5/52, shooting 15 pairs. L. Hughes-Newton Thomas, with 15/15, were the winning pair; Mick Smith-Les Crispe, Bruce Hill-Tim Wright, K. McLennan-J. Arthur, all with 14/15, had an interesting shoot-off for second place, which went to Tim Wright and Bruce Hill. The next event, 10-bird Single Barrel, went to Luke Hughes with 10/10. The next event was a round of Skeet which was very popular with the shooters, and went to Luke Hughes with a full score. The Club Deauville Doubles was held to allow shooters to practise for the Sydney District Deauville Doubles at Hargrave Park the following Saturday, which went to the same winning pair Luke Hughes-Newton Thomas. A very enjoyable afternoon was had by one and all, who finished up almost in the dark, about 40 shooters taking part.

Stonehenge held usual club shoot on 24/5/52. A terrific wind was blowing that upset many scores. The

**PERTH (W.A.).**—Our grounds at Clontarf showed a great improvement, and shooting conditions generally were appreciated by a splendid attendance, when the Perth Gun Club got their 1952 Clay Pigeon Shooting Season away to a flying start on Sunday, May 11, with a mixed programme. Weather was perfect for all events, and scores, particularly amongst some of our newer members, were of a high standard. President Colin Ferguson and Secretary Roy Alexander addressed the gathering, and in particular thanked all those who had so willingly given their time to make these improvements to our grounds, buildings, traps, and trap houses.

The winners of the four events are listed as follows: No. 1, 5-bird S.B.D.T.L. Handicap Sweepstake: W. Brice, E. Metcalf, C. Ferguson, 5/5, div. No. 2, 5-bird S.B.D.T.L. Handicap Sweepstake: 1st, K. **SOUTH COAST (Qld.).**—The club shoot held on 5th May (Labour Day)

**You'll make  
bigger breaks  
with a **BREDA****

was reasonably well attended. The weather was perfect and interesting shooting was witnessed. The Club Championship was not decided until the last shot was fired by the runner-up, Athol Hicks. Club Captain, Cliff Whitney, has been shooting very consistently over the last 12 months or so and thoroughly deserved his win. The trophy for this event, a canteen of cutlery, was presented by the President of the Club, Mr. E. G. Ryland. Cliff thought so much of the trophy that he put on a 5-gal. keg for the also rans at the termination of the shoot.

The 12 and 13 yarder trophy, presented by Club Captain, Cliff Whitney, was won by Albert Anderson after a hard tussle with Eric Ryland and Reg Thorsborne. Ex President, G. S. Martin, was in great form at the commencement of the shoot and won the 5-bird Eye Opener in a canter. We were all pleased to see "G.S." collect. His shooting has improved out of sight of late and no doubt the handicapper will be interested in his next shoot. Norm Gorrie has just returned from a caravan tour of the North Coast. We understand that it was just as well Norm's gun was not loaded when his caravan got away on him coming down the Range near Gympie. Any shooter wishing to sell a caravan we suggest he not ring Norm. Quite a number of the local members are going to try their skill at the coming shoots out West. Roma seems to be the centre of attraction. Eric Ryland, Club President, has returned to Cunnamulla for a few months. After the wool is off Eric says he wants a 100-bird Walk-up competition arranged for him. With the new Montecarlo stock on his automatic, he guarantees not to offend the trap boy again. Prior to leaving Surfers Paradise, Mrs. Ryland and Eric

entertained club members at an evening held at their residence "Greenleaves" and during the course of the evening Ernie Tooth screened his techni-coloured film taken over the two days' shoot at our range held in January.

Results of Club Shoot, Monday, 5th May, 1952: 5-bird D.B. Eye-opener Sweepstakes: G. S. Martin, 6/7. 20-bird D.B. Mixed Bird Club Championship: C. Whitney, 16/20. 10-bird D.B. Short-markers Trophy (12 and 13 yarders): A. Anderson, 14/15. 5 pair Deauville Doubles: A. Hicks and R. Thorsborne, 7/7.

New Range, South Coast Gun Club.

We are hopeful that work will shortly commence on our New Range, which is not far distant from the present site. Much work has to be performed before the official opening. However, when it is ready we hope to be able to provide for both day and night shooting with the possibility of a little skeet shooting thrown in for those who get tired of calling "Pull". The Bar promises to be the last thing in comfort, also the Refreshment Room. No doubt it will be necessary to have a few working bees to straighten out the lawns, etc., and the Secretary would greatly appreciate every club member who can help to answer the roll call when called upon.

(A. G. Sturgess, Hon. Sec.)

## XVth OLYMPIAD

HELSINKI - (FINLAND) - 1952

The Olympic Games are held every four years and are open to amateurs of all nations. There is no discrimination against any country or person on grounds of colour, religion or politics, and no age limit. The honour of holding the Games is entrusted to a city and not to a country, and the programme must include certain specified sports. Only nationals of a country may compete for that country, and the profits are held by the National Olympic Committee of the country holding the Games, for the furtherance of amateur sport. These are the fundamental principles, and the International Olympic Committee, with its Executive Committee, is the governing body responsible for their application. An Organising Committee is appointed in the country in which the Games are to be held, to make all the arrangements, starting with the sending out of the invitations to other countries to take part, and finishing with a complete, printed report.

The sport of Clay Pigeon Shooting is to be included in the official programme this year, the first time since 1924 (Paris). The Hungarian shooter, Halasy, won the individual event that year, with a score of 98 ex 100, and the U.S.A. won the team event. E. Jenkins was the best of the British competitors, tying for 11th place, with 94, out of 31 entries. However, London was the first venue of an Olympic Clay Pigeon Shoot, in 1908, when it was held at Uxendon, under the auspices of the Clay Bird Shooting Association (now the C.P.S.A.) and Great Britain distinguished themselves by winning the "first ever" team event, beating Canada by two kills—407 to 405, out of a possible 630.

An amateur is defined as "one who participates and always has participated in sport solely for pleasure and for the physical, mental or social benefits he derives therefrom, and to whom participation in sport is nothing more than recreation without

material gain of any kind, direct or indirect, and in accordance with the rules of the International Federation concerned."

The governing body for Clay Pigeon Shooting is the International Shooting Union, and their special rules state:

"1. The principles of amateurism, laid down in the declaration of the International Olympic Committee at its congress 1947, should be valid for the members of the International Shooting Union.

### 2. Money Prizes.

Money prizes up to 10 dollars or its equivalent are considered as a compensation for costs. If there is a meeting covering several days, money prizes totalling 40 dollars or its equivalent, within the same week, are also considered a compensation for costs without detailed specification from the competitors. Money prizes exceeding the above-mentioned sums should be given over to the club to which the competitor belongs. The competitor may receive from his club only a sum corresponding to his actual costs, which may include:

- (a) entrance fees,
- (b) ammunition,
- (c) travelling expenses and cost of living according to the rules of the International Amateur Athletic Federation.

This article applies to all categories of shooting supervised by the International Shooting Union.

3. As an amateur should not be considered:

- (a) anyone who gives an exhibition in marksmanship and is paid for it,
- (b) anyone whose principal profession is test-shooting of guns or ammunition. The operator of a test-shooting machine is not included in this category,

(c) anyone who is a professional instructor in shooting,

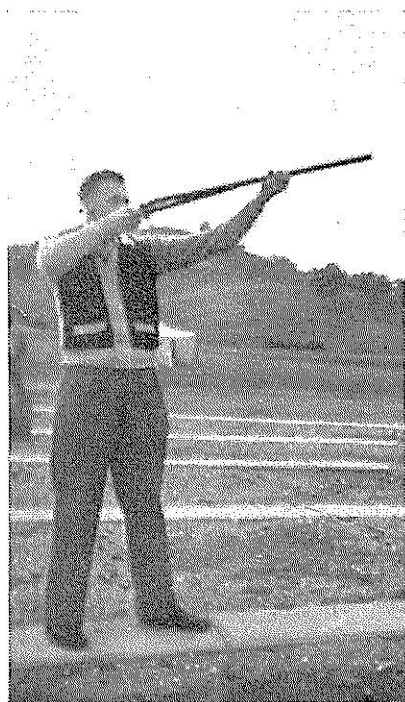

(d) anyone who accepts money prizes in excess of those allowed according to Art. 2.

To (b) and (c) categories does not belong a member of the armed forces who acts as an instructor.

4. The competitor should fulfil the qualifications of amateurism laid down by the National Olympic Committee of his country.

5. In judging the status as an amateur according to Art. 3, the activities of the competitor during the last two years should be considered."

Each competitor must sign the following statement: "I, the undersigned, declare on my honour that I am an amateur and fulfil the conditions stipulated by the Olympic rules."

G. D. Baker, Tumut (N.S.W.) club secretary, on the mark.

MALVERN, S.E.4, VIC.

The shooting rules are those laid down by the I.S.U. They have recently been revised, but are not available at the time of going to press. They are expected to follow the same general lines of the "Continental" or 15-trap system.

The maximum number of competitors is 2 per nation, and each competitor will shoot 200 birds—100 on each of two days, July 25 and 26—in 25 bird stages, in squads of six (the "waiting man" system). The maximum calibre for guns is 12-bore, and two cartridges may be loaded at one time. Maximum shot charge: 36 grammes (approximately 1 $\frac{1}{2}$  oz.). Largest shot size allowed: No. 6 (British).

And the coveted prizes: 1st, silver-gilt Olympic medal and diploma; 2nd, silver Olympic medal and diploma; and 3rd, bronze Olympic medal and diploma.

A visiting bishop, delivering an address on the evening of his arrival, told several anecdotes that he planned to repeat at a luncheon the next day, so he asked the newspaperman not to publish them. As a result, a cub reporter ended his article with this sentence:

"The bishop also told a number of stories that cannot be published."

## A.C.P.T.S.A. HANDICAPS

The following are the Association Handicaps for all registered shooters competing in OPEN events. Where no handicap has been declared, insufficient record of performances are known.

Handicaps have been declared with the limit mark shooters commencing at 12 yards in accordance with the rules of the Association. Clubs are requested to conform to this rule and begin handicaps at 12 yards. Unknown shooters should commence no nearer than 16 yards.

In order to ensure satisfactory Association handicapping, Club officials are requested to show each shooter's full surname and initials (shooting name, if any, in addition) when forwarding handicap returns to the Association office.
