## 1833 "JUDGE COLT PRESIDING"

In the turbulent cow towns of the early west "Judge Colt" was the only respected law, and a quick trigger finger the only insurance against an early grave on "Boot Hill". Forever associated with those roaring days is the famous Colt .45 single action revolver first patented in 1833. From that time on, most Westerners carried one, and many a notorious figure of those days is remembered for his skill in its use.

# THE EDITOR'S NOTEBOOK

Congratulations are extended to New South Wales Interstate Team for its success in winning the inaugural contest for State Teams' (post results) which was completed recently. The winning combination returned the good score of 478/500 to win from Tasmania 473/500. The "Great Britain and Ireland Trophy", presented by the Associations of the Home countries, has been handed over to officials of the winning team. The handsome trophy will be a much sought after award in the future. The Interstate Teams' contest was an undoubted success and its establishment will do much to foster the sport of clay pigeon shooting in all States of the Commonwealth. Next year's competition is already being looked forward to with absorbing interest. (Scores of all teams taking part are published in December issue.

medium of identification and handicap. It was agreed that all club secretaries be advised (through this column) that the following were empowered to sign registration cards for handicap variation, i.e. club Presidents, club secretaries and club handicappers. Variation of handicap of any shooter, however, MUST be notified to the Association within three days of the amendment taking effect. This means that the officials named have full power to sign registration cards indicating change of handicap providing the Association is at once informed with an outline of the reasons for such amendment.

## New Report and Score Book.

A new Report and Score Book has been approved and will be available to all affiliated clubs late in November. The Executive considered that the new production will do much to assist club secretaries, handicappers and publicity officers. Many instances have been noted of officials recording entries on sundry pieces of paper, following this up with a rough description of the shoot on a further paper remnant. Others again have gone to the other extreme, particularly in regard to reports; and produced long and copious detail which has little interest outside the particular area concerned. In brief, the new book is a ledger, report sheet for "News", contains a section for notification to the Association of handicap variations recommended, together with space for reasons for

The publication of the present edition, October, 1952, signals the passing of "News" into its sixth year of presentation to the clay target shooters of the Commonwealth. The popularity of "News" among the shooting fraternity assures its continued success.

During early October the Executive Committee attended in full strength in Melbourne for the usual seasonal fixture. Many important matters were discussed and disposed of. Matters as affecting clubs and individual shooters are listed in the following columns. All concerned are requested to study these fully and accept same as official directions.

## Registration Cards.

The retention of registration cards, the first of which were issued in 1952, was unanimously agreed upon. However, the Committee considered that fuller use could be made of this

any amendment forwarded, and finally the rear pages are prepared as score sheets, providing approximately 400 squads. The cost to affiliated clubs will be (including postage) approximately 20/-. One book should last the average club at least 12 months and provide a permanent record of all shoots which have taken place in the period mentioned. All sections with the exception of the "ledger" portion are detachable, easily prepared and will work out much cheaper than the score pad in use at present. Should a duplicate copy be required for club information, all that is required is the use of a piece of foolscap carbon paper. Applications for the new issue should be forwarded to the Association secretary from mid-November on.

## Referee Examinations and Shooting Hand-book.

The new hand-book of shooting rules is still in course of preparation by the printers. When this booklet is completed, referee examination tests will be announced and those interested may apply for inclusion in the test and if accepted, official accreditation as A.C.P.T.S.A. Referees. Notification of when this will take place will be notified through "News".

## Shooting Names.

No further registration of shooting names will be accepted. Those with shooting names already registered will be permitted to continue using same, but it is preferred the shooting names be dispensed with entirely.

## Break Badges.

Break badges will in future be issued once only. That is to mean that a shooter who breaks 50 straight and under 75 will receive a 50 break badge. Similarly a shooter breaking 75 and under 100 will receive a 75 badge and those breaking over 100 straight will also be issued with a badge. Repeat performances will not mean the issue of a further badge or bar. It should be understood, however, that a shooter may be issued with a badge for each section as indicated in the foregoing portion of this paragraph.

## Walk-up Conditions.

Walk-up conditions have been slightly changed. The following direction has been agreed upon, "That the gun may be held in any position consistent with safety provided the breech or loading mechanism of the gun be not held higher than the waistline. The waistline for this purpose to be defined as a line with the top of the hip-bones." This direction should be quite simple to follow if the competitor keeps in mind the position which he usually holds a gun when shooting in the field. The new direction has been introduced to get away from the not very acceptable spectacle of a shooter holding the gun at the shoulder when shooting in walk-up matches.

## Club and Association Handicaps.

Clubs are recommended by the Executive Committee to ensure "that no shooter's handicap be less than his Association handicap under any circumstances". Acceptance of this recommendation will remove the anomaly of competitors coming forward beyond their Association handicap in club events.

## Full List of Registered Shooters.

Notwithstanding the additional expense involved, the Executive Committee has directed that the full list of all registered shooters will appear

in "News" three times each year. During the months of June, October and March. Additions will be included in "News" during the months of issue other than those mentioned.

### "NEWS" — Advertising Rates.

The question of advertising rates as applicable to club advertising in "News" was given long consideration. It was pointed out that the Association loses between 25/- and 30/- on each page of advertising provided for clubs in "News". The fact that "News" is a service to clubs is the chief reason why rates have not been increased. Rates, for the present at least, will remain as before, despite the fact that costs have quadrupled since "News" was first established.

### 1953 Association Shoots.

The Association shooting fixtures for 1953 will be held at the usual venue, the grounds of the Australian Club at East Burwood (V.). Ground appointments and traps are having a complete overhaul and visitors to the 1953 fixtures will find greatly improved facilities. The Association fixtures will be held over the dates March 7, 9 and 10, with the 1953 Annual Meeting of Affiliated Club Delegates on Sunday, March 8. The Champion of Champions Cup event has been separated from other contests and will in future be decided at 40 birds from 20 yards, double-barrel. This match will open the programme soon after 8 a.m. on Saturday, March 7. The event carries no qualification and is open to all comers. This will be followed immediately after completion by the Australian Open Championship, 60 birds from 16 yards, double-barrel. International load shells are to be used in these events by all contestants. The Intermediate Championship under same conditions as formerly will follow. The highest 25 scorers in the Open Championship will comprise the 1953 Australian International Team. In the Open Championship event prizes will be awarded down to 15th place. No sectional awards will be made beyond 16 yards. A trophy will be allotted to the shooter from each of the six Australian States who does not win any other award. There will also be

a trophy allotted for women shooters. It is expected that the Champion of Champions, Australian Open Championship and the Intermediate Championship will take up most of Saturday and Monday, March 7 and 9. If time permits, a special handicap or series of sweepstakes will complete proceedings on Monday, March 9. The International Match will be shot on Tuesday, March 10. On this day the Grand Australian Handicap will also be decided. Conditions have been made much more attractive than formerly. The contest will be staged at 100 birds from Association handicaps, double-barrel, and the sum of £250 has been allotted to the event, which will be restricted to shooters who have competed in the events of the two previous days. Prizes in the Grand Australian Handicap will be awarded down to 23rd place, the winner receiving £50 and sash. Members of International Team will be permitted to "shoot-up" if desired.

### Teams' Matches.

Two teams' matches will be held in 1953 instead of the previous single event. In future the "Club Teams' Championship" will be decided at the first 30 targets thrown in the Australian Open Championship. Conditions will be similar to the former Australian Teams' Championship with the single exception that Melbourne and Sydney metropolitan shooters will be required to shoot with the club nearest their permanent place of residence. A further teams' match to be known as the "Commonwealth Teams' Championship" will be decided at the first 30 targets thrown in the Grand Australian Handicap. As this will be off handicap marks, it presents an attractive interest. The Commonwealth Teams' Match is open to any four shooters who belong to any affiliated club in the Commonwealth.

### 1953 Annual Meeting.

The 1953 Annual Meeting will be held at Scott's Hotel, 444 Collins St., Melbourne, on Sunday, March 8, 1953, commencing at 2.30 p.m. Each affiliated club with all shooters registered is entitled to one delegate to represent its interests at this meeting. It is strongly recommended,

where possible, that clubs appoint one of their own club members for this duty.

#### Refreshments.

Light refreshments will be provided for competitors and friends by the Association at the Pavilion on the shooting grounds at East Burwood after the conclusion of shooting on Saturday, March 7.

#### 1953 Championship Allocation.

The 1953 Championship Allocation appears in another section of this issue. Clubs and shooters interested are requested to accept this intimation as official. No additional advice will be forwarded.

#### Championship Conditions.

The Commonwealth double and single-barrel championship conditions have been changed from 25 birds to 40 birds in each case. Nomination fee will be 40/-.

Some weeks ago a postal note (£1) for registration fee was received from Clermont in Queensland. The envelope was incorrectly addressed to Sydney instead of Melbourne and contained no information as to the sender. Should any reader know of the sender's name and address please write Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., Melbourne, C.I., without delay.

## "Tips" and "Tails"

The Australian Club at East Burwood, where the Association shoots are held has decided to insulate the inside of its four trap houses. The idea is to ensure that trappers are not unduly inconvenienced during hot spells and also to bring

about a uniform and regulated temperature for the storage of clays. The scheme is a good one and one that could be well introduced by clubs in other districts.

The Tyrendarra Club, near Portland (Vict.) has affiliated with the A.C.P.T.S.A. Club officials are: President, J. Saunders; Vice-Presidents, W. Brownlaw and B. Learmonth; Treasurer, J. Creelman; Hon. Secretary, C. Burrows (Portland); Committee, Messrs. D. Frost, S. Mayberry, F. Davis, J. Heenan, G. Taylor, A. Holmes, V. Peters, J. Ellis, W. Preece, T. Troeth, R. Morton, F. Melano and W. Arnott. Patrons, H. B. McLeod, M.L.A., and M. S. Bell.

The Footscray Club (V.) will shoot the Commonwealth Clay Sparrow title for 1952 on Saturday, November 29. The club will hold its Xmas shoot on December 13 and follow this with a good programme on December 27. The full details are as advertised.

Following its big Cup Day fixtures the Coburg Club will shoot on November 22, December 6, and its monster Christmas shoot has been arranged for Saturday, December 20. The Club single-barrel title is the main attraction on December 6. Programmes are advertised.

Hornsby Club (N.S.W.) advertises its full programme for November 22. The Sydney walk-up title and a £25 handicap are main events. Shooting

starts at 10.30 a.m. Programme is as advertised.

The prettily situated club at Alexandra in the mountain district of Victoria has prepared an excellent programme for Boxing Day, December 26, and the following day, Dec. 27, the North Central D.B. Championship and a £50 handicap will make the series an attractive outing for visitors. Shooting will start at 1 p.m. on the first day and 1.30 p.m. on the final day. Geoff. Cookson is the club secretary, at phone Alexandra 100, and he, with President, Luke Doyle (Alexandra 80R), will be pleased to arrange accommodation or any details connected with the meeting. The full programme is advertised.

The Goulburn Club, with Sid Lamb as club secretary (Box 10, Goulburn), will shoot on Saturday, December 6, and Sunday, December 7. The Goulburn District double and single-barrel championships and two £50 handicaps are spread over both days, with first-class supporting events. Shooting starts at 10.30 a.m. both days, with a five bird eye-opener of 16 yards. The programme is advertised.

The usual Christmas two-day meeting in Northern Tasmania on the spacious grounds of the Cressy Club has been fixed for December 26 and 27. The Northern Districts D.B. championship and a £100 handicap are main events on Boxing Day. The State Single-barrel championship and another £100 handicap are chief interest for second day. Shooting starts at 11.0 a.m. Club secretary is Mine Host at the Cressy Hostelry, i.e., rowell, and he will be pleased to attend to all enquiries. Full details of programmes are advertised.

The Moree Club in northern New South Wales will shoot the North-West Mixed Birds Championship and a £50 handicap on Boxing Day, December 26. Full details of programme are advertised. Club secretary is A. Jakins, Box 28, Moree, to whom all enquiries should be directed.

The Commonwealth Tower Championship and a £50 handicap are the principal events on December 6, when the Hobart Club will shoot commencing at 12 noon. Full supporting programme has been arranged. The following Saturday a monster Christmas Shoot has been arranged and organized by the club's correspondent, Mrs. Nelson. Details of programmes are advertised this issue.

The Avoca Town Improvement Fund Committee (Victoria) held a public meeting late in October for the purpose of forming a new club. Secretary of the proposed organization is B. W. Bentley. The club will become an A.C.P.T.S.A. affiliated unit.

Longreach (Qld.), with its big sporting district and background, has been toying with the idea of forming a club. A meeting was held towards end of October for the purpose of establishing the club. Kelly Banks and Ken Woolford, members of the Darr River Club, in the Longreach district, will doubtless throw their interest behind the new organization. Both are well known on Melbourne shooting tracks.

We do not often hear from the Cobarr sportsman, Andy Mathews. In a recent note he asked why the U.S.A. shooters seemed to favour pump guns—he reckons the pump action would delay pulling a second barrel. We will take this up with Rex Miles at first opportunity. Andy mentions that the Bourke club is beginning to function well and has already installed night lights—he expects the club to affiliate and register its shooters within the next month or two.

The Australian club committee-man and popular sportsman, Charlie Cornish, gained the cheers of his club members during a recent informal visit to the club's ground at East Burwood. With a view of bringing about improvements for the forthcoming big Association fixtures several committee members of the club have been paying visits to the grounds. During one such excursion a large, not often used, score board was lifted from the ground by club President, Geo. Biggs. George dropped the board again very

quickly. A three-foot snake was reposing underneath it. George, who was accompanied by the A.C.P.T.S.A. secretary, hack-peddled with unusual alacrity. The Association official was considered to be slightly in front in the retreat from the board. A signal—in fact, it was a decent sort of yell—brought Charlie Cornish and other members of the group present to the scene of activities. Seizing a billet of wood almost as big as himself, Charlie called all hands to lift the board, and with a man-sized blow, despatched the slithering pest with almost undue calm. Charlie reckons his shooting will improve 25 per cent. following this exploit.

A new club has been formed outside Longreach, known as the Bangall Club. Secretary is J. Crombie, of "Marita", Longreach. The club is expected to become an affiliated unit of the A.C.P.T.S.A.

W. R. Johns, the Malvern shooter, writes, "On Oct. 4th last I visited Walpeup for their shoot. I was agreeably surprised to find they had a very fine set-up on the old Race-course just near the town. They had everything a visitor could wish for. An auto clay bird trap and a plus trap. At different times they were in use by their team of over 70 shooters. The auto trap was as good as any club could make it, complete with score board and amplifier, etc., sec's office, booth (a popular spot). A sweets stall and luncheon booth, capably handled by the local ladies, who supplied the shooters with a fine dinner and tea.

Now I must not forget Bill Binns, that hard-working and most popular President. I am sure, under his capable guidance, Walpeup will prosper and become one of the best clubs in the N. West of Vic. The shoot started at 10 a.m. and finished about 11.30 p.m. Good luck, Walpeup."

The Griffith Club (N.S.W.) will shoot on November 29, when main events will be the Murrumbidgee Area D.B. title, a £50 handicap, followed at night with the Commonwealth Night Skeet championship. The club has a four-automatic trap lay-out and can cater for all who attend. Programme is advertised. W. Stott, Box 492 YY, Griffith, is

The Wongabri Club at Bowral has listed the S.C. and S. Tablelands Single-barrel title for Saturday, November 22nd, starting at 10.30 a.m. A £50 handicap will follow. The full programme is advertised. Club secretary is Mrs. E. E. Sullivan, Lake-View, Queen Street, Mittagong, N.S.W.

Clem Mudford, the Preston shooter (V.) and Coburg handicapper, has a unique distinction in that he recently won the Metropolitan Deauville Doubles championship for the third successive year, with a different partner on each occasion. His latest winning partner was Les Turner, of Evans & Balfour.

Keilor club correspondent, P. C. McKenry, mentions in a recent note, "Although we started practice shoots in an open paddock last March, clay shooters have rallied to our club to such an extent that, apart from giving novice shooters practice, we have been able to establish the makings of a good club. Thanks, shooters. It will always be there for you when you want it. Keilor now has a 20 x 40 ft. pavilion erected (shell only). Expect to complete it in near future. Being a young club, we intend giving the front markers something for their money, as attached programme will show. Thursday shoots will still go on; it depends on the shooters. What you want we will give you. Thanks a lot." The club has arranged programmes for November 22, November 27, December 6 and December 11, as advertisement in this issue will show.

Derrinallum Club in Western Victoria has been functioning for some time, but only recently was able to secure installation of a new automatic trap. The official opening of the new trap and ground arrangements will be held on November 29, when a £50 handicap will be the main

attraction. Programme is advertised. Ivor Wilson is club secretary at Box 15, Derrinallum.

Lismore Club on the Hunter River (N.S.W.) has arranged a two-day series on January 2 and 3. A £25 and £100 handicap are principal matches. Sid Elphick, at 19 Parkes Street, Lismore, is club secretary. Two automatic traps have been installed. Details of all events are advertised.

Barellan Club (N.S.W.), one of the earliest affiliations with the A.C.P.T.S.A. in the State north of the Murray, will hold a double championship programme on Saturday, November 22. Events of title interest are the Riverina Walk-up championship and the South-Western Riverina single-barrel title. Two automatic traps will be in operation. Programme is advertised. Enquiries to G. Events included in the lengthy series include the Queensland D.B. title, £100 handicap, 35 guinea trophy shoot, Queensland Night title, £75 handicap, with Calcutta on both handicaps. The 1952 Queensland S.B. title will be decided at Atherton in the Tablelands area of the Pineapple State, under the supervision of the Atherton Club. Full details of fixture are advertised.

The Tasmanian Skeet title will be included together with a £50 handicap as main items for the Tasmanian Gun Club's Christmas shoot on Saturday, December 20. Shooting will commence at 10 a.m., with adjournment to The Village Inn at St.

Leonards (Launceston district) for luncheon. Programme is advertised. J. F. Bennell is club secretary at 7 Stone Street, Launceston (Phone Launceston 1277).

Captains Flat Club (formerly known as Lake George), N.S.W., will shoot on November 23, all proceeds going to aid the Scouts' Hall Building Fund. A good programme has been arranged, including a trophy for the best break of the day. A consolation event for shooters not partaking of any other awards during the day will also be included. E. G. Croker, club secretary, at Ambulance Station, Captains Flat, will be pleased to assist all enquirers. Programme is advertised.

Many trapshots will regret to learn of the passing of the Ararat (V.) sporting identity, "Swanee" Curran. In the past years he was well known on northern Victorian and South Australian shooting grounds.

During the closing days of October this scribe was fortunate enough to spend a few days in the Pineapple State, concluding the visit with a 48-hour "rest cure" at Surfers Paradise and Southport under the complete "supervision" of some active members of the South Coast Gun Club. Cyril Ferguson, who is well known round Holland Park and Mt. Gravatt as a leading identity with much interest in pharmaceutical matters, took over operations between Brisbane and Surfers Paradise with a call at Beenleigh. The reason for the call at Beenleigh does not require a practiced imagination. The reception party at Surfers was led by none other than the South Coast Club's popular secretary, Arthur G. Sturgess. Our stop happened to be right opposite the leading "Inn" of the district and, as naturally as marmalade follows morning toast, immediate steps were taken to inspect this renowned establishment. The reception could be termed pacy; in fact, almost too pacy for the visitor. Closing time there is much later than Victoria. The next stage was an approach to the home of the club President, Eric Ryland, who divides his time between his property at Cunnamulla and Surfers. Eric imagined the worst, expected the delayed arrival had been occasioned by

car break-down or similar divers reasons. He opened his home during my stay and insisted on extending generous hospitality throughout—including visits to Coolangatta, Burleigh Heads and Tweed River. Genes Martin, Vice-President of the club, owns the splendid 30 ft. motor cruiser "Meroo". A brief but delightful trip in this lovely vessel was one of the highlights of the visit. Getting round to shooting, the South Coast Club conducted a club shoot on November 1. This involved my participation in two events under the watchful eyes of club members—many Victorians will agree that the South Coasters learnt nothing from this exhibition. Arthur Sturgess, who holds official supremacy at Surfers Paradise G.P.O., is a most keen worker for the club and shooters. His secretarial work is masterly and South Coast is indeed fortunate in having such a first-class administrative official in command of the all important managerial department of the club. The big fixtures arranged for January, four days and two nights, promises to be one of the biggest yet held in the Northern State. The club recently took over new grounds which were at one time occupied for military purposes. Many appointments are already installed and lights for night shooting are about to be erected. Altogether South Coast appear on the road to having one of the best lay-outs possible. To all those who assisted in making my brief visit to South Coast so worthwhile, sincere and appreciative thanks are extended.

AROUND  
THE CLUBS  
AND MEETINGS...

HOBART (Tas.).—Approximately fifty shooters from all parts of the State were present at the September meeting, when the inaugural interstate teams' shoot was conducted by the Hobart Gun Club on its Brighton layout. The elements let loose some of the worst weather that has ever prevailed here.

The main feature of the shoot was the grand score compiled by the Tasmanian team, which returned a score of 473/500. Though defeated, Tasmania's performance will probably go down as the greatest team effort of the series—at one stage it was contemplated postponing the teams' event because of the gale-force winds, which at first brought clouds of dust, later followed by rain storms. However, it is pleasing to relate that "our boys" were determined to carry on and take things in their stride, but it was unfortunate that their high spirits and determination could not quite place them to the fore—at the completion of shooting we were "five" down on New South Wales.

Those who made the "team" and their individual scores were as follows: T. Cannan, 50/50; P. and S. Marshall, H. M. Eddington, 49/50; R. Redpath, A. Nelson, 48/50; E. Nelson, 46/50; J. Tyquin, A. Birchall, 45/50; M. Bale (Bothwell), 44/50. The first nine mentioned shooters were members of the Hobart Gun Club. Team high-gun honours went to T. Cannan, who registered the possible—his shooting was superb; only on three or four occasions did he have recourse to use of his second barrel. Cannan was also successful

at the Bothwell meeting the previous week, when he won the club walk-up championship. Next to Cannan's fine performance was that of A. Birchall, a comparatively new shooter to the sport—after missing his first release in the qualifying shoot he went on to break 19 straight. His 45/50 was highly commendable for a shooter who lacked experience, and who undoubtedly felt the strain when making his appearance in such a big shoot.

A faulty cartridge deprived Eddington of being with Cannan, whose score of 49 necessitated a shoot-off with the Marshall duo. Paul was the first to go, but his brother Sperry threw out a strong challenge to Eddington, who was not to be shaken; Marshall missed on the 72nd bird, but Eddington compiled the impressive tally, 71/72, 2nd. This shooter is a delight to watch when in top form. Scores were: S. Marshall, 70/72, 3rd; P. Marshall, 51/53, 4th. A shoot-off for fifth placing between R. Redpath and A. Nelson resulted in favour of Redpath, whose figures were 50/52.

The teams' shoot was as follows: P. and S. Marshall, Redpath, Tyquin, Cannan set a terrific pace in disposing of their first 125 birds, in which they registered 123/125. The second squad, Eddington, Bale, A. and E. Nelson, Birchall, missed out of their first 125, but at this stage the entire team were 1 up on N.S. Wales' score. The first squad missed "7" in the second bracket of 125, and the second squad dropped "ten", making 473.

CHARLEVILLE (Qld.). — The Charleville Gun Club held the two-day shoot on the 27th and 28th of September. Shooting commenced on the afternoon of the 26th Sept. and various sweeps were held for the benefit of those shooters who desired a trial on the ground. The scores returned up until the last day were very high, but owing to a major breakdown on the automatic trap before shooting commenced on the last day, the scoring was not so prolific, as it was decided to carry on with the plus trap. John Raleigh returned a neat 50 straight on the

27th, winning the J. M. Bauman Gold Cup. The next day he won the £100 Handicap outright and was second in the Warrego District Single Barrel Championship. In the other main event, the Qld. Double Rise Championship, he was eliminated in the first round of the shoot-off. Congratulations, John, a fine effort.

Our club was pleased to welcome visitors from the distant clubs, as the weather had been very uncertain until a day or so before our shoot commenced. The Queensland Double Rise Championship went to T. Akers and the Warrego District Single Barrel Championship was won by W. Chandler, who also collected second prize in the £100 Handicap. **ALEXANDRA (V.).**—Twenty-five shooters and a good gathering of spectators enjoyed perfect sunshine at the club shoot on Oct. 4th. Visitors from Croydon and Melbourne were made welcome and four American shooters from Eildon showed good form and were also a great asset to the social side of the day. J. D. Fogg, using a "pump" gun, brought applause on many occasions with amazing second-barrel shots. J. Hagan of Croydon was in brilliant form and shot 56 straight. Consistent local shooters, Geoff Cookson and Lin Cumming, were close up. The ladies also were in top form and afternoon tea was enjoyed by all.

**BOTHWELL (Tas.).** — T. Cannon, a member of the Hobart Gun Club, annexed the Bothwell Gun Club's Walk-up Championship at Bothwell on Saturday, Sept. 20. Conditions undoubtedly were the worst ever experienced at a clay bird meeting.

Of the scheduled 15 rounds, Cannon returned a score of 12/15 — missing only one bird on each visit.

Scoring generally was poor — shooters being yards off the "clays," whose course of flight was unpredictable in the boisterous weather. With scores of 10/15, M. Bale, president of the Bothwell club, and W. R. Morgan (Hobart) went another five rounds, when second honours went to Bale, who added two to his

previous score. Morgan's score was 11/20. The 10-bird £1 Sweepstake was div. M. Bale, F. Shearer and S. Bailey after each had registered the possible.

Details: Championship: T. Cannon, 12/15, 1st; M. Bale, 12/20, 2nd; W. R. Morgan, 11/20, 3rd; P. Marshall, S. Bailey, K. Pulford, J. Bryan, 9/15; S. Marshall, 8/15; E. Nelson, B. Bailey, F. ### CHARTERS TOWERS (Qld.).—

On Sunday, Sept. 21st, a shoot was conducted at the club grounds. A good roll-up of shooters turned out, the weather was delightfully sunny, and a strong wind blowing into the faces of the shooters made shooting a little more difficult. In spite of this, good scores were recorded. After a preliminary 5 birder event, the Club Championship for 1952 was called, to be decided over 15 birds Single Barrel. Very good shooting resulted and the result was in doubt until the last round. The scores then

showed S. Ball, P. McDonald, C. Archer, W. Carrington and G. Archer all with 13/15. The shoot-off, at 5 birds per round, eliminated C. Archer, W. Carrington and G. Archer in the first round. Percy McDonald and S. Ball were left. The second shoot-off round showed each still level with 4/5. Round three decided: S. Ball scored 4/5 to Percy 2/4 (retired). Thus Sam Ball became the Club Champion for 1952. A Trophy Event was next decided. The trophies were donated by Harry Peace, our President (Roy Knuth) and Bert Anthony. This was decided in a 10-bird S.B. Event: Outright by Bill Carrington, 10/10; C. (Gidgea) Archer, second, 9/10. In the shoot-off for third trophy, S. Ball carried off the honours.

An interesting sidelight occurred during the first 5-birder of the day. Young Ken Peace, the 8-years-old son of our hard-working committeeman, Harry Peace, tried his hand at knocking the clays. Being only knee-high to a grasshopper, the customary 12-gauge gun was beyond his strength, so he used a .410. Loud was the applause from the large crowd of onlookers when he cleanly smashed two and dusted one of his five birds. We are wondering whether any younger shooters can do as well?

The results of all events were as follows: No. 1, 5-bird S.B.: W. Carrington, W. Archer, P. McDonald. No. 2, 15-bird S.B. Club Championship: 1st, S. Ball; 2nd, P. McDonald; 3rd, W. Carrington. No. 3, 10-bird S.B. Trophy Event: 1st, W. Carrington; 2nd, C. Archer; 3rd, S. Ball.

AUSTRALIAN (V.)—The club introduced clay sparrows and conducted its double barrel at this type of target on Saturday, October 4. Results were: No. 1, 5 Clay Sparrows: div. C. Cornish, F. Johnson, S. Draper, L. Byrne, V. Dudley, "Nimrod", A. F. Johnson, A. C. Tie, K. Brooks, 5/5. No. 2, Club Clay Sparrow Championship, 15 targets from 16 yards: Hugh Phillips, 29/30; C. Cornish, 27/30; A. C. Tie, 14/15; 12 yarder, J. Senserrick, 15/20. No. 3, 10 birds: div. J. McInnes, K. Brooks, H. Biddle, 18/18. Results shoot, October 18: Metropolitan Deauville Doubles: won outright by L. Turner-C. Mudford, 20/20; tie shoot for places (each 18/20): G. Anderson—"Peters", 28/30; J. McInnes-A. J. Byers, 27/30.

Oct. 4. The first Sparrow Championship to be held at East Burwood was shot at 16 birds from the 16-yard mark. These little chaps were not easily discernible on this dull day and the experimental colouring of birds tried out for I.C.I. company at the previous shoot could be adapted to these small clays with advantage. Charlie Cornish and Hugh Phillips registered possibles and provided the gallery with an interesting shoot-off which was carried to the 30th round in a series of best of five. Cornish had anything but a tranquil session, having been baulked twice by trap broken birds, and lost a low left swinger on the 18th round after having to call twice. "Thanks to the ear-bashers at the rear." Phillips drew a similar bird and also missed; honours were then even. In the next round of five Cornish slowed up and missed on the 26th and 28th round, while Phillips, after two no birds, finished with a full hand and carried the honours with 29/30 to Cornish, 27/30. Andy Tie had no opposition; he took third trophy with the only 14/15, while N. Jones and J. Senserrick, of the newly formed Keilor Club, contested the 12 yd. trophy, Senserrick winning 15/20. Allan Mansell, often in the limelight, made an unfinished break of 46 at the Show Day shoot,

and carried it to 54 on the following Saturday. To Allen, shooting is a family pleasure. Mother, father and two young sons almost completing a squad.

Mr. Fred Blackman, sec. Townsville Club, North Queensland, and Mr. Thomas Glen, president of the New Zealand Gun Clubs' Assn., were among the visitors and were entertained by the A.C.P.T.S.A. President, Mr. Jock Wilson. Ivo Charles, Scotch College student from Nambour, Queensland, after three rounds of instruction by Hugh Phillips, registered 7/10 in the last event; Ivo had not seen clays before. But one gent who had seen millions since his initiation in the year 1928, but had fired at very few, registered 9/10 in the same event. "Well," your guess is as good as mine. Yes, it was Bill, the man with the pencil who gathers news for news and collects your dues. This creditable score reminds me of my early motoring days. I was driving an old T model which was firing on one cylinder only. An urchin from the footpath volunteered the following, "Chu, Chu, Chu, Chu, Keep 'er goin', mister, she'll git there yet." The public-address system will work overtime when he does.

A splendid afternoon tea was served by several ladies of the Wantirna branch of Save the Children Fund; it showed a profit of \$11. George Stainton started the ball rolling with a donation, followed by Jock Wilson, Alan Mansell, and Mr. Anonymous. Then Jock took the hat around and the fund benefited to the tune of £30/11/9. The President, Mrs. Pyke, on behalf of the ladies, thanked all present.

**ECHUCA (V.).**—Scoring 27/28 in the shoot-off after a triple tie, B. Mathewson, of Cooma, won the Echuca Gun Club's championship event on Saturday. The championship shoot was at 20 birds from the 16 yards mark. In the first round, J. Pianta, B. Mathewson and R. Long (Shepparton) scored 19/20, and in the shoot-off, Mathewson carried his tally to 27/28 to win from Pianta, 26/28, with Long, 23/25, third. Shooters from Shepparton, Kyabram, Cooma, Tongala, Nanneella and Kotta competed. Highest breaks went to R. McNeill, B. Mathewson and F. Dobson with 31 straight, while other good scores were F. Dobson, 51/53; J. Pianta, 55/60; and B. Mathewson, 45/50.

**ST. GEORGE (Qld.).**—October 11 and 12. Heavy rain on the Friday night and Saturday morning prevented many shooters from getting here and consequently only 17 shooters took part on the Saturday. Sunday was fine but cloudy and cold, and 23 shooters participated. Conditions generally were bad. A very strong cold wind was blowing across the trap and the light at times was bad. Taking these conditions into

consideration, some of the performances were exceptionally good. K. D. Bassett, of Surat, and Wal Eather, of Boggabri, both shot the possible in the Southern Queensland Championship, but was won by Ken Bassett in the shoot-off. Norman Danes, of Goondiwindi, put up a good performance to win the £50 Handicap at 30 birds on Saturday. He dropped only one bird and one second barrel. Wal Eather again ran second in this event and was unlucky to drop one bird in the fourth round and one in the fifth. The Bauman Cup, a valuable gold trophy, was won by W. Pendock, of Goondiwindi, with a very good performance. He and W. White both shot the possible and White was unlucky to drop two birds in the second round of the shoot-off. A 20-bird Single Barrel Handicap was won by H. B. Wade and K. Davidson was second after a shoot-off with B. C. Webster. A 20-bird Double Barrel Handicap was won by N. Bassett with 59 points out of a possible 60, followed closely by W. Pendock with 58.

**YARRAM (V.).** — Yarram Gun Club staged a major event Saturday, Oct. 18, incorporating their Double Barrel and Single Barrel Championships. Shooters from all parts of Gippsland competed. Under the capable management of Dr. Martin and Jim Bindt, the shoot got away to a fine start, with a strong field of excellent trapshoots, including L. Bourbaud, R. Murphy and T. Bowden. The "gun warmer" event resulted in the prize being divided by several shooters, who shot their full scores under difficult conditions, with showers and strong westerly gales.

The main event, the Double Barrel Championship, which was shot over 15 birds, from 16 yards over three stages of five birds a visit to the traps, was highlighted by the keen shooting displayed by several competitors in the first round. At the end of the second round, Len Robinson and Les Elston were leading with about 15 others in a happy position. At the end of the third and final round, Robinson won outright from Lou Bourbaud, with Roy Glover in third place. All are members of Sale Gun Club. The next event, the Single Barrel Championship, shot over 10 single shots, was keenly contested. Ted Daw, of Welshpool, giving a brilliant exhibition of shooting, annexed the title, with T. Pederson and Les Elston filling second and third places respectively. In the final event Roy Glover and Pederson were leading with 10 straight, when, after

ten competitors had shot, the puller pipe snapped. Glover and Pederson divided the prize.

TASMANIAN (Launceston, Tas.)

—On Saturday, 11th October, the Tasmanian Gun Club conducted a most successful shoot at the St. Leonards Ground. Shooters attended from Hobart, Cressy, Latrobe, Scottsdale, Campbell Town, Bothwell, and a very high standard was maintained throughout the day. Main event was the Tasmanian Deauville Doubles Championship of 20 pairs of birds. The result was a tie between Messrs. J. Blake and E. Casey (Cressy) and W. Rainbird and A. Poxon (Launceston). In the shoot-off Messrs. Rainbird and Poxon broke ten pairs straight to win the event. The result of the £25 Handicap of 10 birds was most exciting. Seven shooters—Messrs. P. Marshall, S. Marshall, N. Frith, W. Bennett, J. Blake, E. Coleman and W. Rainbird tied with scores of 10/10. Frith was in wonderful form and finally won with score of 21/21.

Results: 5 prs. Deauville Doubles: div. B. Bailey, S. Bailey, J. Blake, E. Casey, C. Poxon, J. D. Neenan, S. Marshall, P. Marshall, W. Rainbird, A. Poxon, J. Taylor, A. Birchall, R. Powell, N. COLAC (V.), October 11.—Forty shooters were in attendance, including the president and secretary of the Australian Clay Pigeon Trap Shooting Association and representatives of the following clubs: Roma and Townsville (Queensland), Griffith (N.S.W.), Rainbow, Derrinallum, Portarlington, Geelong, Foster, Footscray, Coburg and Australian Club at East Burwood. The first title decided was the Victorian Single Barrel, and probably it has never been shot under worse weather conditions. Continuous squally showers and a wind from the right quarter of semi-gale velocity had the shooters in trouble from the outset. Of the 32 shooters who called for the full complement of 20 birds, only five returned scores of 15/20. These were John Bryant, Dick Krentzlin, Jim O'Donnell, Don Corstorphan and Bob Jorgenson. Shooting at a further group of five targets, Krentzlin missed one, Corstorphan two, and O'Donnell three—to take the places in that order, Stuart Black gained the sectional award.

The Western District Deauville Doubles Championship enticed 19 pairs of shooters to the trap. Jack Bryant and son John were outright winners with a score of 19/20, while local shooters Jack McCarthy and Vin O'Shannassy were runners-up, 18/20. Colin Fletcher and Fred Blackman, two Queenslanders from Roma and Townsville respectively, were third with 17/20. The special trophy for Colac Club members went to Bill Arnold and Don Corstorphan, 16/20. The club president, Mr. E. R. Ball, introduced Mr. John M. Wilson, president of the A.C.P.T.S.A., to present the trophies. Mr. Wilson said he was pleased to see such a good attendance of visitors under such adverse weather conditions. He related amusing incidents connected

Single Barrel Title on 27th September. Conditions mainly favoured the target, as there was a strong glare and heat rise coming up from the ground, and a slight breeze at the time made things difficult. No long breaks were recorded; Lloyd Wilson, 25; L. DuVernet, 22; K. McCalman, 22, were the longest of the day. Arthur Cutmore and Max Pay, of Narromine, arrived on the grounds by plane, causing some excitement. Congratulations to Lloyd Wilson (Dubbo), who now holds both the Double and Single Barrel Lower Macquarie Championships. There was a very strong team of visitors coming from Bathurst, Cobar, Gilgandra, Dubbo and Narromine, whilst the local club was not as well represented as it has been previously. The President and Committee wish to thank all those visitors for their attendance and the local branch of the C.W.A. for their catering.

**BATHURST (N.S.W.).** — Open shoot on Oct. 12th and 13th attracted visitors from all parts of the State and also two from Queensland. On Sunday, with the weather against most shooters for accurate shooting, young Cobar shooter, D. On Monday the honours went to local shooter C. Campbell, who won the Commonwealth Double Rise Championship with 11/12 pairs. Place-getters were also Bathurst men, namely J. N. Brazier, 2nd, 13/15, and Bill Byers, 3rd, 12/15. Full results as follows:

**PERTH (W.A.).**—Adverse weather conditions on Saturday, October 10th, made the going really tough for the Single Barrel State Championship, 20 birds; 38 shooters nominated, and

in a shoot-off between T. Young (Kat.), K. Elliott (Geraldton), F. Davis and H. Colliver, all 17/20, the Sash went to H. Colliver, with T. Young 2nd, and W. Elliott 3rd, with F. Davis outstanding 12/13 yarder. In the 10-bird Single Barrel (Assn. H'cap) the results were: H. Colliver, 1st; T. Young, 2nd; and F. Bailey, 3rd. Event 3, 10 pair Deauville Doubles, was a win for L. and C. Jones (Geraldton), with R. Fisher and G. Davies, 2nd; W. Brice and W. Coates were 3rd.

Sunday, 11th: 5 pr. Double Rise: H. Miller, 1st; T. Blakely, 2nd; and T. Young, 3rd. Deauville Doubles State Championship: This was won by Father and Son combination, W. Sharp and W. Sharp, after some particularly fine sustained shooting with 18/20 pr.; 2nd were last year's winners, C. Ferguson and F. Bailey, with S. and H. Colliver 3rd. High gun over events 1, 2 and 4 went to T. Young, with F. Davis the best 12/13 yarder in these events.

Despite the inclement weather, the week-end shoot at Clontarf Grounds attracted a big crowd of spectators as well as competitors, a healthy sign of the increasing popularity of clay pigeon trap shooting; and shooting standards, regardless of the extremely difficult conditions, were high. On Saturday night a well-organised "Tea and Barbecue" in a spacious marquee, plus other refreshments, was voted a huge success by visitors and P.G.C. members alike. Sunday, at the conclusion of the shooting, presentations of Trophies, Sashes and Sweepstakes were made by Pres. C. Ferguson, and visiting Geraldton member's wife, Mrs. W. Elliott. Much appreciated by Perth members were the remarks made by Pres. B. Bennecke (Kat.) and Sec. W. Glass (Geraldton) in regard to the smooth running of the week-end programme. Full marks are due to our ladies, who catered for luncheon on both days in such a thorough and attractive manner, plus a really delightful afternoon tea on Sunday. Special thanks to those who gave so much of their time in preparation or organising, or who made their equipment available before as well as after the event, and in tidying up.

Have just received the "Shooting News" — Congratulations, N.S.W.
