Mixed bird events of clay sparrows and pigeons are excellent novelty items. ICI clay sparrows are specially designed so that they can be thrown from the Automatic Angle Trap without any modification to the plate\*.

A double rise event with one sparrow and one pigeon will always create interest and will test the shooters' skill in no uncertain manner. Sparrows may also be used for "down the line" shooting in either "mixed bird" or "all sparrow" events.

These are but two of the uses for clay sparrows, but many more will doubtless suggest themselves to energetic programme organisers, so why not order your supplies now.

\*Sparrows can also be used with "Plus" and "Minor" traps, but in these cases it is necessary to make a minor alteration to the throwing plate.

## THE EDITOR'S NOTEBOOK

Within the next few weeks members of the Executive Committee in the States of Queensland, New South Wales, Victoria and Tasmania, will decide the State venue for the holding of the 1953 Interstate Teams' Match. This event, the inaugural contest of which was held in 1952, now ranges in comparable importance with the annual International series. In 1952 New South Wales returned top figures and accordingly became the first State to hold "The Great Britain and Ireland Trophy". Tasmania was runner-up. Following direction from the 1953 Annual Meeting it has now been decided to stage the event under somewhat similar conditions to the International, in that every member of each respective State team shoots his way into the team representing his own State. For the purpose of selecting teams, each State will hold an elimination shoot at 20 birds from 16 yards, double-barrel (both barrels equal value), using only 2½ in. International load shells, which are being specially prepared for the series. In the event of ties to decide final places in all teams, these will be decided best of five rounds until finality, under the same match conditions as the scheduled event. The top ten men will then represent the State. The State Team will fire the Teams' Match, each man will shoot at 50 birds, double-barrel (both barrels equal value) from 16 yards, using only International load shells.

All shooters taking part must necessarily be registered with the A.C.P.T.S.A. for 1953—1953 registration cards will be required to be produced prior to the start of the elimination event. Inclusion of unregistered shooters will bring about instant disqualification of the whole team. Whilst Executive Committee members in the States mentioned will decide the location of each State Team competition in their own States, it has been decided to arrange

for the Secretary of the South Australian Gun Club to handle operations in South Australia, and similarly the Secretary of the Perth Gun Club to take charge of affairs so far as Western Australia is concerned. All competition in connection with the Interstate Teams' Match is required to be completed prior to the first week-end in October and results must reach the Secretary A.C.P.T.S.A. not later than October 12, 1953.

Venues decided upon will be advertised in Association "News" at least one month prior to the holding of the event, thus allowing for all registered shooters interested to have ample notice.

Notwithstanding publicised instructions on the method of applying for break badges, quite a number of club officials continue to lodge applications for break recognition whilst omitting to substantiate application with original (or certified copies) of the score sheets. It should be clearly understood that break recognition cannot be entertained unless the score sheets are forwarded to the Association secretary. Clubs are also reminded that only one break badge will be issued in the categories of 50, 75 and 100 or over. Should a shooter return a second or later sequence in the above classifications, no further badges will be issued.

The question of colours for championship sashes has again been raised

during the past month. The official direction from the Association is that colours to be used are, for all Commonwealth championships—dark blue, for all State Championships—red or maroon, for District titles—white. It is an Association direction that these colours are not to be departed from at any time. It is optional for a club holding a District title to supply a sash to the winner. Any colours, other than those mentioned, may be used for club championships or any other purpose required by the club. Orders for sashes should be posted direct to the official Association sash makers, Messrs. W. Flattely & Son, Pty. Ltd., 301 Lonsdale Place, Melbourne, C.1.

Readers will observe that the full list of registrations is published again in this issue. The list contains all those financial as at end of May, 1953. The names of a number of shooters who delayed payment into June had been removed from the list just prior to going to press. Those concerned are advised that their names will be reinstated in the July publication. Should any error or omission on the part of the printers be noticed, it is requested that details of such be advised to the Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., without delay.

## U.S.A. SHOOTING ..

(From Rex Miles)

We had one of the nicest Inland Empire Shoots in years. Weather was fine and the boys shot well. We had 300 shooters competing. Many of our regulars were at Reno. The series is the second biggest in the nation, topped only by the Grand American. A Chinese man, American born, Ed. Kim of Lewiston, Idaho, won the Handicap, with 97 (handicap 18). My son, Keith, who had not shot at a target since he was home at Christmas and had no practice, stopped 94/100 off his handicap of 20 yards.

It won't be long before you get results of the International. I will be awaiting the news.

Some of the leading scores (Spokane, our club, won the three-men teams' match):—

# GUN GOSSIP

By NORTH COUNTRY

One or two questions as to the killing power of the popular little .410 bore gun. About this gun is that there appear to be two schools of ideas—the ideas of those who tend to exaggerate what it will do, and of those who try to debunk it as some kind of trivial toy. Neither of these schools of opinion is fair to it.

The .410 firing the full-length cartridge is most certainly no toy. Indeed at close range it is as deadly as any gun, for there is nothing it would not kill. It is altogether wrong and misleading to refer to it as a toy—as some layman who purchased one for his son might find out to his cost. But it is equally foolish to shower upon it virtues which it does not possess. The fact is it is an excellent gun for garden use, for potting rats about the policies of the home or among the farm buildings, for shooting some of the vermin in the game preserves during the breeding season when as little disturbance as possible should be caused, and for certain rabbiting and even for bird shot at close range over decoys.

That is the kind of shooting for which the .410 is best suited—shots up to 25 yards. If the gun is well choked and used with the Almac cartridge—an all-metal case—it will be found to be hard-hitting and effective; or with the full-length paper case. But my advice is that it should not be expected to do more than I have mentioned. It is not a game gun, though, of course, it will kill game at close range as well as a 12-bore.

The ammunition for this gun has a generally wide distribution and can be purchased at most retail shops. The manufacturers have concentrated on this bore, as it is a most convenient size for the purposes stated. It is a very nice little gun to have about the place. But it should be confined to these limits and not used for serious game shooting, where it is sure to be expected to do too much. That is how it gets a bad name,

which it does not deserve. For its rightful job, it is a good gun.

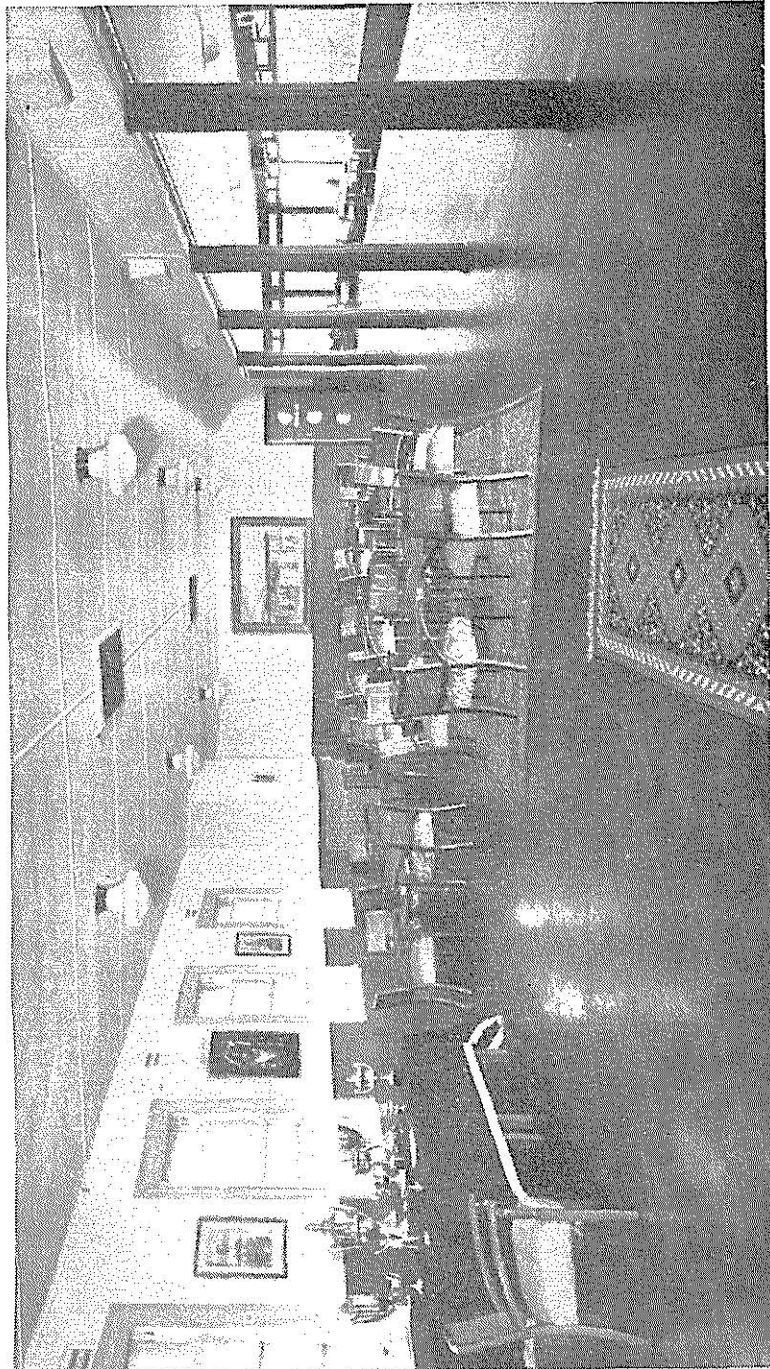

In America it is bored for a longer cartridge and to fire a much heavier charge. Then, of course, it will kill farther. But it will also weigh more and cease to be the extremely light little weapon we know here.

The .410 is a better-shooting weapon than it was 40 or 50 years ago. Like the .22 rifle, it has had a great deal of work and thought put into it. It has advanced and I think it will surely hold its own, so long as extravagant claims are not made for it.

But I am not in favour of such a small bore as a first field weapon for the young shot. Let him have one by all means, for knocking about in garden, orchard and paddock. We can all of us make use of one in this way. When, however, the "Hope of the family" takes his place in the line with adult sportsmen, he should be armed with something better. If he should fire a risky shot, he is as likely to do harm with one gun as the other. And by the time he is ready to go in the field he is certainly strong enough to carry, say, a 20-bore. Thus equipped, he is more on a footing with his seniors and in a better position to show what he can do.

In my references to these various small bores, I am thinking of the standard guns, longer-chambered guns firing heavier charges and killing farther. But these guns weigh more and cease to be what we here call small bores. One of our chief reasons for small bores is a saving of weight. Of course, if you prefer to do your shooting over a very narrow sighting plane and you do not care for over-and-unders, and you wish to use a full charge, some kind of long-chambered small bore may very well be the answer. That is the case in America, where powerful 20-bores are used for duck shooting. The repeater and automatic are the guns in that country. But doubles are in use, too.

# WHAT MAKES A CHAMPION

By HERMAN JOHNSTON

*Canada's only Gold Medallist at the 1952 Olympics started shooting at 12 years of age. Two years later he won his first Major Championship.*

In Canada's famine of honours at the Olympic Games of 1952, a singularly brilliant achievement by one of her sons captured the heart of the nation. It was the performance of 17-year-old George Genereux of Saskatoon, Saskatchewan. This high-school boy from the Prairies won 10 of Canada's total of 30 points, and its only Gold Medal, symbol of Olympic supremacy.

George's outstanding performance at Helsinki attracted the attention of sports writers who wanted to know many things. What of the boy himself? Was he, as the record might suggest, a shooting machine, an automaton, a nerveless individual with ice-water in his veins? He is none of these things, they discovered. He is, in fact, a likeable, competent, well-integrated individual, and a good competitive shooter. When the tension mounts with each successive shot at these gruelling contests, George admits that he feels nervous all right—just like his competitors.

Twelve years old when he first started to shoot at the Saskatoon Gun Club, George's ability was quickly spotted by Jimmy Girgulis, veteran trap-shooting star. Girgulis was introducing his sons to the clay-target busting one afternoon, by letting them shoot at birds with a .410 shot-gun, when George joined in. This proved to be an important meeting, for, from that time on, tournament-wise Girgulis kept George under his wing and has been his coach and mentor ever since.

The first major victory in competition shooting for George was in 1949, when at the age of 14, he shot his way to the Manitoba-Saskatchewan Handicap Championship. Then two years later at the American Trap-shooting Association competitions at Vandalia, Ohio, he won three North

American championships—the Junior, the Junior All-Around and the Junior High Over All.

This year at the contests sponsored by the A.T.A. he was runner-up in the Junior Preliminary Handicap Championship, and he won the Junior Champion of Champions of North America title. To this he added the Saskatchewan Championship (Singles) to his laurels. Then before going to the Olympics he stopped at Oslo, Norway, where he was placed second in the World Championships.

George doesn't confine his shooting to clay pigeons and targets. He likes to hunt, and he frequently tries his hand at bringing down duck, prairie chickens and crows. He is also a good all-round athlete. A top-flight hockey player and baseball pitcher, he is a real asset to his high school where he started his last year this autumn.

But with all this outdoor activity, George hasn't neglected his studies. He is a good student. When asked about his plans for the future he replied that he hadn't made up his mind definitely. After further consideration, he added, "Probably medicine."

## "Tips" and "Tails"

Donald Club in north-western Victoria has become an affiliated unit of the A.C.P.T.S.A. The club intends sponsoring night shooting on an extensive scale. Night shooting should be particularly suited to the Donald area, with its reasonably settled climate. Officials of the club are: President, S. W. Reseigh; Senior Vice-President, S. Adams, Junior Vice-President, W. Carroll; Secretary - Treasurer, S. Davidson, Hammill Street, Donald; Assistant Secretaries, Messrs. K. G. Mark and R. S. Reseigh.

The Australian Club at East Burwood will shoot the Victorian Mixed Birds championship on Saturday, July 11. A £25 handicap has been listed for the preceding programme on June 27. Full details of both programmes are as advertised.

The Dubbo shooter, W. J. McPhee, mentions in a recent brief note that he "would like to see something big in 1956. We might be able to have a look at one or two of the best Americans, 200 straight with one barrel would be something new here." (Great idea, Mac, we are working to that end.—Ed.)

Quirindi (N.S.W.) is a club we do not hear from often. However, "News" is apparently finding favour in that quarter of the Commonwealth. Club secretary, P. G. Logan, in a brief note writes, "Thanking you for your supply of the grand little book, 'The News'."

The Roma Gun Club in southern Queensland will stage a two-day meeting on July 18 and 19. The 1953 Queensland Deauville Doubles title and a 30-bird handicap are listed for the opening. A £100 handicap is main interest on final day. The fixture will be a prelude to the com-

bined carnival to be staged at Charleville a few days later. The Roma programme is as advertised. Colin Fletcher, "Kurreen - Ya", Bindango Siding, W. Line (Phone 272 S, Roma) is club secretary, to whom all enquiries should be directed.

The big gathering arranged for staging at the Charleville (Q.) grounds, to follow the Roma meeting, is being conducted under the sponsorship of the Tambo, Clara Creek and Charleville clubs. The Southern Queensland double-barrel title will be decided on July 24 (commencing 9.30 a.m.), together with the £100 Clara Creek Handicap. The following day (July 25) a £25 event plus the £100 Tambo Handicap and other events are for decision. The Combined Handicap of £250 at 30 birds is among many events listed for final day, July 26. The Charleville secretary is Reg Akers, "Spring Hill", Charleville (Phone Charleville 103i); President at Charleville is the well-known sportsman, O. W. (Ossie Smith) at "Gowrie", Charleville (Phone Charleville 76i). Details of club officials of the three clubs concerned are appended to the advertised programme. Application to any of the officials named will bring about attention to all enquiries.

Tumut Club in N.S.W. will also shoot over two days on July 18 and 19, when the Tumut-Monaro single and double-barrel titles and two £40 handicaps with minor events will be staged. Programme is advertised. Enquiries to Tumut Club Secretary, G. D. Baker, Tumut (Phone Tumut 44, day, or 385 at night).

Officials of the newly affiliated club at Tully, North Queensland, are: President, C. Dickinson, Brannigan Street, Tully; Vice-President, J. Sing, Bryant Street, Tully; Treasurer, N. J. Cross, Watkins Street, Tully, and Secretary, G. H. Gray, Box 14, Tully.

well known on Melbourne metropolitan shooting tracks, as he is a regular competitor in the National championships meeting each year at East Burwood (V.), is President of the Geraldton Club.

A whisper, it was almost a shout, has come in to the effect that the organization at Goondiwindi during the recent Commonwealth Deauville Doubles championship and big handicap meeting, was outstanding. The set-up is reported to be equal to the best in Southern Queensland, and Allan McIntosh and his committee and secretary come in for very high praise. The Surat pair, Ken and Nev. Bassett, were the title winners from Newton Thomas - John Bryant Junr. combination.

The Queanbeyan Club will stage the Southern Districts of N.S.W. single-barrel championship, with a £50 handicap and other events, on Saturday, June 30. Shooting will start at 10.30 a.m. Programme is advertised. K. Evans, c/- C'wealth Bank, Queanbeyan, is club secretary.

Footscray Club programmes for June 27, July 11 and July 25 are as advertised in this issue. On July 25 the club will stage the Southern Districts of Victoria skeet championship—the first occasion on which this event has been staged. L. Pollard, 487 St. George's Road, Thornbury, is club secretary.

Coburg Club advertises its competitions for June 20, July 4 and July 18. Two 20 birders are included among the series. C. J. Colledge is club secretary, at 12 Adler Grove, Merlynston, N.14.

The Dalby and Northern Downs Gun Club (Queensland) has affiliated with the A.C.P.T.S.A. Secretary is C. E. Fiezler, 8 Mile Stop, Dalby, Qld.

Following the passing of A. G. Sturgess, former secretary at South Coast Club (Surfers Paradise) and the resignation of President, Eric Ryland, the official duties of the club are being carried on for the present by G. S. (Genge) Martin as President, with his wife, Mrs. G. O. Mar-

tin, as secretary. Both attended the Association National championships meeting in March last, and as both are enthusiasts for the sport, the club should not lose by their taking over. They will act until the club's annual meeting towards the end of the year.

The Broken Hill Club (N.S.W.) is a new Association affiliation. Wally Commons, who is well known as a back-mark shooter in several States and in National events, is one of the main sponsors of the club. Our report is that the club was formed on a certain Sunday morning in May and its affiliation was in Association hands the following day. President at Broken Hill is J. Muller, of 345 Chloride Street, and Secretary, J. Dillon, Argent Street, Broken Hill.

A new club is in process of formation at Harcourt in the apple district just south of Bendigo. Officials have already been elected, and these are: President, H. D. Smith; Vice-Presidents, W. O'Shannessy and R. Oliver; Secretary-Treasurer, C. H. Harris; Committee, Messrs. G. Franklin, B. Michell, C. Paull, R. Lewis, and T. Botton. The latter was registered with the Association for many years through the pre-war Castlemaine Club. An interesting point is noted in regard to President, H. D. Smith, who at his first attempt in open company recently won the Victorian single-barrel championship on the Coburg grounds.

The following is an extract from an English publication. It should be regarded as, at least, amusing. The cutting reads:

January 23. From a Special Correspondent.—"Berlin, Thursday. British Army and R.A.F. officers amused themselves recently by holding a clay pigeon shoot at Gatow Airport. They did not know they were being watched by Soviet troops through binoculars from their zone 1,000 yards away. Today the Russian official newspaper had a big story about 'new training methods for anti-aircraft shooting being practised on Gatow Airfields' with flying saucers racing across the sky at enormous speeds and being followed by radar-controlled

guns, some of them quick-firing weapons of a new design."

Association President, J. M. (Jock) Wilson, who left for abroad on May 28, via Singapore, was entertained a couple of days prior to his departure by metropolitan Executive Committee members, representatives of I.C.I.A.N.Z. Limited (Messrs. Holt and L. G. Finlay) and Frank R. Hockey, patron of the Association, and others. Opportunity was taken to present the President with a parting gift from the A.C.P.T.S.A., and this duty was very ably performed by Mr. Frank Hockey in one of his wittiest efforts. He was supported by Mr. Holt (I.C.I.). If all requests and instructions are heeded, shooters are in for a feast of detailed information of just how they do things in the clay pigeon shooting world in Great Britain, Europe, U.S.A. and Canada, when J.M.W. returns. General Bill Bridgeford wired an apology for non-attendance. His plane was delayed on the way down from Brisbane—just enough to make him late for the luncheon.

The Warren Club (N.S.W.) will shoot the Lower Macquarie D.B. Championship at Warren on Saturday, July 18. Programme is advertised.

Royal Aero Club of N.S.W. will conduct a £100 Handicap on its spacious grounds at Bankstown Drome on Saturday, July 11. A 10 and 15 birder are also included. The big handicap will be shot at 30 birds D.B. Details are as advertised. Enquiries should be directed to Cdr. W. C. Hudson, the club secretary, at Box 5 Bankstown, N.S.W.

The New Zealand Gun Club's Association annual championship meeting has been fixed for the dates July 8 to July 18, on the Hamilton Gun Club's grounds at Collins Road, Melville, three miles from Hamilton P.O. Several big handicaps are listed from £100 to £250, as well as the New Zealand single rise and skeet championships. A special invitation has been extended to Australian shooters to attend. After an absence of a year or two the Peak Hill Club (N.S.W.) has re-affiliated with the Association. The usual secretary, Clem Corcoran, will retain that office.

The Mildura Club's official opening on May 23 was most successful. The opening ceremony was performed by Mr. Allan Lind, M.L.C. Jack Houston, President of the Hay Club, won the first Sunraysia Championship from a big field.

A former President of the Hay Club in L. Dreschler has taken his departure from Hay and is now living at Noble Park, an outer Melbourne suburb. Prior to his departure, the Hay Club entertained him at the New Crown Hotel, Hay. President Jack Houston was in extremely good voice and with one of his favourite sayings, "I feel another toast coming on me," bade Mr. and Mrs. Dreschler farewell in a sparkling speech, thanking both for the great work they had done for the Hay Club in times of difficulty. Ern Donohoe supported the President. Other speakers included Max Gibson, Geo. Hanna, E. V. Cox, W. Schade Senr., Mrs. Meakes and G.

Johnston. President Houston presented the departing guests with a handsome gift. Les McKinney, the popular secretary at Hay, was in his usual witty form in proposing the toast of the Ladies. It is worthy of note to mention that a special toast, that of the A.C.P.T.S.A., was proposed during the evening. Quite apart from personalities attached to the organization, the toast of the parent body is one that could be well maintained as a feature of all club gatherings.

K. Evans, c/- C'wealth Bank, Monaro Street, Queanbeyan, is now secretary of the Queanbeyan Club, replacing F. C. Morton, who has taken over the office of treasurer.

Hobart Gun Club's annual meeting was held towards end of May in the broadcasting studio of 7HO Hobart. Major officers of the club remain as before. J. M. Tyquin is Club President and Doug. Bridges Club Secretary. The Hobart Club will shoot again on U.S.A. National Day, July 4. Main events are a £50 Handicap and the special Vice-President's Trophy event. The latter event is sponsored by the club Vice-Presidents, Eric McRae, J. McKenzie and W. R. Morgan. The event is open for all competitors free, providing they are "all day shooters". The idea of the competition is a good one and worth consideration by other clubs. Programme is advertised.

The Hargrave Park Gun Club (N.S.W.) advertises its programmes covering five shoots between June 27 and July 25. Two of these are open meetings, those of June 27 and July 18. On the latter date a £50 handicap is listed. Details of the five programmes are as advertised. The club shoots on the splendidly appointed enclosure at Pearce's Estate, "Bella Vista", Old Windsor Road, Seven Hills, not far from Parramatta. During a recent visit to the club grounds it was noted that everything for the comfort of the shooter has been studied and included. The club has a first-class clubhouse with latest louvre windows and an ideal layout with a clear background.

The following masterpiece is to hand from a shooter north of the Murray. He writes (with due sub-editing to keep within limits

of decorum), "I took my gun for a walk along the — River after work today and, believe it or not, the gun was attacked by two dirty big black ducks. So, of course, the gun spoke up for itself — twice, in fact, and the ducks were found guilty and destroyed, hung, drawn and deloused. Hung upon the heath tree to drain prior to placing in the refrigerator. A d—, l— soulless tomcat must have purloined one, for Mother Hubbard found but one when she went to collect the birds. By Gad, I will deliver the local tomcats a white paper, or a stiff note or whatever it is when war is declared. My lovely double down the neck of a tomcat! And, I suppose, it will give him more strength to howl. I can see the (unprintable) son of a feline chewing carefully on a leg some-place. Hope he chokes. The tears are near Mac, as I think of it, and I don't suppose it was a Scots cat, either. So long until I get square." (From the foregoing it would appear that the writer has suffered the loss of a duck by the stealthy action of a local cat!—Ed.)

## Whatever Happens Is Best

Maybe I'm kind of old-fashioned—  
Maybe I'm trailing the rest—

But somehow I cling to the theory

That whatever happens is best—

Best if we know how to use it,

If we know just what lesson to take—

Best if we know what each happening means,

And out of it just what we make.  
In looking back down the trail of the years,

I can now very clearly see  
That so many things were not for the best

Which I wanted heart-breakingly;  
And, too, I can see where the "bitter pills,"

With which some phases were filled,

Were the very cornerstones on which  
I eventually found I could build.

 cord for a shoot-off was broken when  
 the Double Barrel Championship went  
 to 115 birds. In this event the Coffs  
 Harbour shooter (G. Jarratt) missed  
 his 124th bird. The most successful  
 shooter being W. Pendock, who won

 As this was the first Championship

 in the district speaks well for the  
 future of the club. The women-folk  
 of the club members served a poultry  
 lunch which was praised by visitors

A large crowd of spectators watched this shoot. This was the first shoot conducted since installing a new automatic trap; trap broke down at coupling into trap in last event, but we were able to complete shoot by operating trap manually. The attendance of shooters was not gratifying, but this is to be understood, as it was not a public holiday and under the circumstances was quite pleased with result. Proceeds of this shoot is to be used for ground improvements.

Light showers and some gusty winds made conditions a bit difficult. The attendance, 25 shooters, was really good considering the weather. At the end of the shooting, the President of the Club presented (on behalf of the members) Mr. H. G. James, one of the Club's Vice-Presidents, with a very fine travelling alarm clock on the eve of his departure for England and the Continent. "Good luck, Horrie." Mr. James suitably replied.

**BATHURST (N.S.W.).**—Report of shoot May 2nd. A nice field of 22 contested the 1953 Club Deauville Doubles Championship today with a few showers keeping the light dull. Only two pairs shot the full complement of 12 pairs, and the result was a win in fine style for S. Bressington and K. S. Soames Senr., without the use of the second barrel, from W. Byers and C. Campbell; H. Jaques and V. Howard were third, 11/12.

Results: No. 1, 3 prs. D.D.: Byers and Campbell, Brazier and Healey, Bressington and Soames, Jim Ryan and D. Wotton, and J. Murphy and Jack Ryan, 3/3. 1953 Club D.D. C'ship, 12 pairs: S. Bressington and K. S. Soames, 16/16, 1st; W. Byers and C. Campbell, 15/16, 2nd; H. Jaques and V. Howard, 11/12, 3rd. Soames Cup, 10 birds Point Score, Stage 3: R. J. Nash (Orange), 29/30 pts., wins replica trophy for Stage 3. Box Event, 5 birds, 24 yds.: V. Howard, J. N. Brazier, K. Soames Jr., and Jim Ryan, 5/5. Bob Nash was unlucky not to record a full score in the Soames Cup, as he dusted his bird with the first barrel and breaking it with the second, left him one point down. A. Weinert of Lidsdale scored 28/30 just behind him.

23/5/53.—A field of 22 braved the elements to contest the Club Double Rise C'ship for 1953 on Saturday, 23rd May. The winner, J. N. Brazier, improved with age, for of the three rounds of four pairs, his scores were, 2/4, 3/4 and 4/4 pairs, making 9/12. W. Byers was second with 8/12 and four tied with 7/12. Shot-off Miss-out to save time, the result was V. Howard, 3rd, 8/13. The first winner of the Soames Cup, a point-score event, decided over 40 birds, was also

J. N. Brazier, who has only to repeat the performance twice more to hold the silverware outright. His score of 107/120 was closely followed by W. Byers, 103/120.

Results: No. 1, 4 prs. Double Rise: W. Byers, 3/4. No. 2, 4 prs. Double Rise: L. Healy, 4/4. No. 3, 4 prs. Double Rise: J. N. Brazier, 4/4. No. 4, Soames Cup, 5 birds D.B.: K. S. Soames, N. S. Healey, R. Nash, S. Jones and V. Howard, 5/5. Sectional winner of the Soames Cup on the day was Fonce Owens, with a perfect score of 30/30 points. He took the replica trophy for the day by his fine effort.

(Vic. Howard, Hon. Sec.)

**COFFS HARBOUR (N.S.W.).**—The usual monthly shoot was held at the Headland on Saturday, May 9th. A stiff southerly made conditions hard and many "birds" escaped. However, Gordon Jarrett maintained his good form and took the "Mrs. Wedgwood Mother's Day Trophy" and as high gun for the shoot, won the "Wales Cup" for being high gun in three consecutive shoots. Bill Golden Senr. has improved greatly since taking on an auto instead of the D.B. Purdey.

Results: 5-bird D.B. Sweep: G. Jarrett, Dan Seccombe, W. Golden, div. Trophy Shoot, 5-bird D.B., 5-bird S.B., 5-bird Walk-up: 1st, G. Jarrett; 2nd, W. Golden; 3rd, Dick Seccombe. 5-bird S.B. Sweep: Dick Seccombe, W. Golden, Dan Seccombe, div. 5-bird D.B.: R. Hannaford, G. Jarrett, J. Hamilton, div. Deauville Doubles: No. 1; G. Jarrett and Ron Fuller. No. 2: E. Wedgwood and J. Hamilton. Box Sweep: Alf Herdegen. The Club Championship (members only) will be up for decision, either in June or July. Tom Seccombe, the present holder of the Cup, has not been shooting at the traps lately, but, no doubt, is having a bit of quiet practice in the bush. President, G. D. T. Seccombe, has plans almost completed for the installation of a second trap. When this trap is in position, our layout will be one of the best.

Abermain Club was very unfortunate, as for a week prior to its advertised £100 Handicap shoot incessant rain fell and as a result flood warnings were issued and most of the roads into the town were cut, and as a result of same the shoot was cancelled, but only after the shooters that did attend were asked for an opinion as to whether it should be held or not. On Friday, the day before the shoot, heavy rain fell all day, but it cleared up on Saturday, the 9th, and the club decided to shoot. The shoot was attended by 16 shooters and some good shooting was witnessed by all present, which included about 300 spectators.

Whilst writing of the shoot special praise must be given to a Life Member of the Club, and I refer to Mr. W. Hile or (Old Bill) as he is known locally for a great display of shooting, as he is now 72 years of age. He had an unfinished break of 23 when he was forced to leave to attend the wedding of his grandson. Good shooting was also seen from Mick Brennan and Clive Morrissey, both of Orange. And on behalf of our Club, I wish to thank all of the shooters who came along for their co-operation and sportsmanship.

Mention must also be made of the wonderful effort made by the women supporters of the Club for the fine job they did of providing, lunch, afternoon tea and dinner for those present, as for most of the day they were working in mud and slush about 3 to 4 inches deep, and our Club is proud to have such a fine lot of supporters interested enough in the Club to do what they did.

Although the weather was not the best for good shooting, some very good scores were shot by some shooters. After a shoot-off, at five birds, Mr. J. STONEHENGE (N.S.W.).—Stonehenge held annual D.B. Championship, 15 birds from H'cap Marks, on 14/5/53. D. Edenborough, R. Faunt, A. Johnson and Les Grilk finished with 15/15; D. Edenborough was proclaimed the winner after 20 birds, who incidentally shot 57/60 and included a 52 straight, entitling him to a 50 badge. C. Meale won the 15 yd. Trophy with 13/15, and K. McLennan took out the 12/13 yd. Trophy after a shoot-off with G. Kypson. The opening event, 10-bird, carried 4

Meale after a shoot-off with Les Grilk and Bob Mason. Another 10-bird event Les Grilk and D. Edenborough both shot 10/10. Some fine scores were registered: D. Edenborough, 57/60; C. Meale, 56/60; R. Faunt, 46/50; Les Grilk, 48/51; E. Ginty, 46/50; A. Johnson, 32/35. Approx. 25 shooters took part and afternoon tea was served by Mrs. R. Sonter, also light refreshments.

Attendance was good, considering weather conditions. We were favoured by the presence of the President of the A.C.P.T.S.A., Mr. Jock Wilson, who performed the official opening of the Club, and also presented the Trophies to the winners. The A.C.P.T.S.A. Sec., Mr. Bill McCullough, was also in attendance. The

main event went to a Mildura shooter, L. L. Litchfield, from Charlie Budge and Jack Hansen. Local shooters to do well were Jim Lowe, Joe Oliver and "Tup" Pedersen. Special thanks are due to the local ladies for the very efficient manner in which the lunch and afternoon tea were provided.

PERTH (W.A.).—May 10th, Sunday, was the official opening day of the Perth Gun Club for 1953. An all-day shoot was conducted at the club grounds, and although the day was showery, it was considered by all to be a highly successful fixture; 37 shooters faced the traps and some good scores were registered. The outstanding shooter of the day was Brian Sharpe, the 16-year-old son of our popular treasurer, Bill Sharpe.

Results: No. 1, 10-bird D.B.D.T.L.: winner, Brian Sharpe, 10/10, Trophy; Sweepstake, 12/15 yds., Wal Sharpe, W. Hewitt, W. Brice, 9/10 (div.); S/S, 16/20 yds., K. Gamble, T. Blakeley, R. Alexander, R. Fisher, 9/10, shot off—first miss-out, finished in that order. No. 2, 5-bird S.B.T.D.L. Sweepstake, 12/15 yds.: 1st, Brian Sharpe, 5/5; F. Davis, W. Brice, W. Hewitt, 4/5 (div.) for 2nd and 3rd; 16/20 yds., K. Gamble, M. Taylor, 5/5 (div.). No. 3, 10-bird D.B.D.T.L. Sparrows points scoring: Brian Sharpe and Ron Fisher, 29/30, shot off and finished in that order; H. Colliver, 28/30, 3rd.

On the 16th-17th May several Perth Gun Club members, complete with traps, clays and cartridges, visited Cunderdin, a prosperous farming town 100 miles from Perth. Intense interest was shown; no less than 40 local shooters tried their hand at "busting clays" and although not one of the Cunderdin shooters had faced a trap before, some quite good scores were registered. Perth shooters were very appreciative of hospitality extended, and anticipate the formation of a very active club in the near future.

May 23 was one of our really wet days, shooting in consequence was "washed out".

CHARTERS TOWERS (Qld.).—The morning of Sunday, May 17th, saw quite a stream of traffic heading for the Diggers' Clay Pigeon Club grounds in Charters Towers. Visitors from Giru, Burdekin and Prairie Gun Clubs turned out in force to try their skill in two great events—The Stan Hill Memorial Shield Shoot, held annually between clubs of the North, and the Commonwealth Tower Championship of 1953. The Shield Shoot was held in the morning, five teams competing, Charters Towers 1 and 2, Giru, Burdekin and Prairie Clubs. Good shooting indeed from many, notably Roy Knuth of Charters Towers with 10/10; W. Baxter, D. Pendreigh, W. Carrington, S. Ball (Ch. Towers), C. Walker (Prairie), F. Claussen (jnr.), A. Collinson (Burdekin) and H. Ransome (Giru), all with 9/10.

Ch. Towers 1 proved the winners, 45/50, the winning team comprising D. Pendreigh, W. Carrington, S. Ball, R. Knuth and W. P. Baxter, so the Shield remains in Ch. Towers till next year, when horns are locked again.

Old stagers P. McDonald, F. Clausen and C. Archer were down in the

6/10 groups—the young-uns certainly showed them a thing or two.

After lunch the Tower events commenced. A 5-bird D.B. Tower shoot gave the guns a chance to get their eyes in before the big shoot.

Excellent shooting ensued. Overheard one Giru man remark (after scoring 1/5 in the first round): "This is not much to my liking." But, following Round 2 (when he scored 5/5: "I'm beginning to like this tower shooting." That, I feel, expressed the general opinion amongst the shooters and onlookers, of whom there were many.

After Round 3 (15 birds), 13 shooters had 10/15 or more to their tallies. Round 4 (20 birds) still showed 12 with 15/20 or better, with C. Archer (Ch. Towers), 20/20; G. Archer (Ch. Towers), 19/20; H. Peace (Ch. Towers) and F. Claussen (Burdekin), each 18/20, and W. Carrington, 17/20. The deciding Round would decide which of these men would be 1953 Champion. C. Archer, the winner of three Tower Championships proved his consistency by breaking 25/25, amid thunderous applause. The runner-up? H. Peace reached 23, and only G. Archer could beat him, but George, in his round, dropped one, to equalize at 23. Harry Peace (Ch. Towers Club President) and George Archer (Ch. Towers) now had to decide. The first five in the shoot-off saw each with 27/30. Another round—Harry to reach 32/35, and George to drop his third, 31/35. Place-getters: 1st, C. Archer; 2nd, H. Peace; 3rd, G. Archer (all Ch. Towers), with F. Claussen and W. Carrington close by, 22/25.

Other events and winners: No. 1, 5-bird S.B.: div. L. McIntosh, F. Claussen, B. Landrigan, W. Carrington, W. Archer, P. McDonald, H. Peace, W. Delachantos. No. 2, 5-bird S.B.: B. Landrigan, C. Delachantos, A. McIntosh, L. McIntosh, C. Archer, S. Ball.

Our thanks go to all those shooters, local and visiting, who came to make such a success of the day's sport. Many thanks to the ladies who did

such fine work in the Refreshment Booth and to our other helpers for all their assistance.

The shoot-off was won by the Club President, Lance Drummond, with a score 15/17. E. Lawton (Echuca) was 2nd with 14/17. Sweepstakes followed and L. Drummond and E. Tom Akers was thought to have a neat 50 break also, but upon checking the scores in detail, it was found to be 49. D. Webster of Cunnamulla had a run of 38 birds at one stage of the shoot.

Eric Fankhauser secured his most important win at clay birds on Sat.,

May 16th. With H. Henry he obtained a 20-bird possible in the main event and won with a creditable score of 22/22. This lad, like his sister "Nyla", is fast becoming what may be termed a first-class exponent in the art of clay birding, having quite a number of minor wins to his credit. In the 19/20 class were L. Turner, J. Cullen, A. Mansell, W. Wager and K. Lowry. Wager and Lowry, who held 5554 in the initial stage of the event both missed "anxiety", otherwise known as the last release. In the tie shoot for places, Mansell missed his first bird; next to fall was L. Turner, who took 15/16 yard Trophy, 22/23. Lowry and Cullen failed at the 26th round, Cullen taking 14 yd. Trophy, while Bill Wager won 3rd place, 25/26. The opening 10-bird Sweepstake, which was shot with a strong, following wind and bad light was div. L. Litchfield (Mildura), J. Cullen, F. Byers, C. Hollow and J. Sloan, J. Cullen winning the Trophy for highest aggregate with 29/30.

QUEANBEYAN (N.S.W.)—Queanbeyan Gun Club's monthly shoot was held on 26/4/53 with a large number of shooters in attendance. fourth round of the R. and R. canteen shoot was won by J. R. Medway of Gunning after a very keenly contested shoot-off with G. N. Morton. A feature of the afternoon was the attendance of Mr. Allan Ryan, who presented the trophies to the successful shooters. Allan is a very generous supporter of the Club, and after a very fine display of shooting he turned on, the club expects to see more of him. In fact, a rumour was circulating that he has placed an order for a new gun.

Club Trophies: 1st, Ray Thompson, 18/20, and shot off to 23/25; 2nd, Fred Hudson, 18/20, and shot off to 22/25; 3rd, Reg McNamara, 17/20, and shot off to 27/30; Bill Gibbs also had 17/20 up and shot out at 26/30. 20 targets Trophy (two anonymous donors), conditions 5 targets S.B., 5 targets Silent Rise D.B. with Gun Down, 10 targets D.B., an undisclosed number of targets were given to each handicap mark according to ability:

1st Trophy, Fred Hudson, 18/20, plus 1 undisclosed. This gave him 19/20 and on the count-back system he defeated Reg McNamara, who shot 19/20 as the back-marker. Next best scores from the 20 targets were Bob Bushby, 18; Percy Hudson, 16; Jim Theodore and John James, 15. 10 targets D.B., 4 from 25, 4 from 12, 2 off the trap: Reg McNamara won outright, 10/10. 10 targets D.B., 5 from 16 and 5 from 25 yards: outright Watts McNamara, 9/10.

Results shoot May 16: 5 targets D.B. Handicap: div. Fred and Percy Hudson, Charlie McConville, Phil Stott and Ray Thompson, all 5/5. 10 targets D.B.: div. Percy Hudson and John James, 10/10. 40 targets D.B. from 16 yards, J. B. Hogan Trophies: 1st Trophy, Jack Scott, outright winner, 40/40; 2nd Trophy, Watts McNamara, 39/40, and shot off to 49/50; 3rd Trophy, Reg McNamara, 39/40, and shot off to 48/50. The shoot-off of the McNamara brothers for second and third places created more than average interest. 10 targets D.B., point scores 3 and 2: div. 27/30, Bob Bushby, Reg McNamara and Jack Scott; 25/30, Chris Paspalas and Watts McNamara; 24/30, Fred Hudson; 23/30, Percy Hudson; 22/30, Ray Thompson.

Failing light was probably the reason for no possible 30/30 in this event. Jack Scott had a day out. Took the main event outright with the possible, was High Gun for the day and secured a break of 55 straight. All of which adds up to good shooting.
