Sparrows & Pigeons

Mixed bird events of clay sparrows and pigeons are excellent novelty items. ICI clay sparrows are specially designed so that they can be thrown from the Automatic Angle Trap without any modification to the plate*.

A double rise event with one sparrow and one pigeon will always create interest and will test the shooters' skill in no uncertain manner. Sparrows may also be used for "down the line" shooting in either "mixed bird" or "all sparrow" events.

These are but two of the uses for clay sparrows, but many more will doubtless suggest themselves to energetic programme organisers, so why not order your supplies now.

The Editor's Notebook

The Association's National Championship series, listed for decision from March 6 to March 9 inclusive, promises to equal, if not be better than, any previous fixtures of the kind. All States of the Commonwealth will be represented—not by an odd one or two—but by many. A party of Western Australians left Perth as early as mid-February, travelling by car across the Nullabor. This party hopes to secure places in the 1954 International Team. Their enterprise deserves success. All competitors and friends will be entertained by courtesy of the Australian, Camberwell and Croydon clubs and individual shooters, at a get-together in Vic. Fankhauser's packing shed on the evening of March 6, following the National Championship. Shooting competition will take place on the grounds of the Australian Club at East Burwood. The programme will comprise, Saturday, March 6, Australian National Championship and club teams' championship, followed on Monday, March 8, with the Intermediate Championship and the Champion of Champions Cup. The final day will be reserved for the Sixth Grand Australian Handicap, Commonwealth Teams' Match and Eighth International Teams' Match.

On Sunday, March 7, the annual meeting of affiliated club delegates will be held at Scott's Hotel, 444 Collins Street, Melbourne, C.I., commencing at 1.30 p.m. This meeting is reserved for delegates from affiliated clubs only. The agenda is lengthy and delegates attending should be prepared to attend on Sunday night also. It seems quite likely that the meeting will be unable to get through the business set down in the afternoon, and it is, therefore, likely that it will extend into an evening session as well.

During the past month the following letter was received by the Colac Club (Victoria) in reference to Sunday shooting:—

"The President, Secretary and Committee,
Colac Gun Club,

Dear Sirs,

I want to draw your attention to an item in Vol. 7, Nos. 4 and 5, of Shooters' News, under Editor's Notebook, Page 4. It relates to clubs seeking information as to holding Sunday shoots. The Editor has stated 'The whole question revolves itself around whether local civic authority is favourably disposed to Sunday club competition or otherwise. If the local district Police Department has no objection and the club grounds are well away from highways and all care is taken, there is no reason at all why Sunday shooting should not take place.'

In my opinion the 'Editor's Notes' are very misleading to clubs and, in fact, may lead to club members being prosecuted under Section 49 of the Police Offences Act 1928, which makes it an offence for any person found engaged at shooting for pleasure, sport or profit, of any kind on a Sunday or for any person found carrying firearms on that day. The penalty is fixed at not less than \$2 or more than \$5 for a first offence. It is, under the Section, an offence to carry a firearm in pieces or in a parcel or vehicle on a Sunday.

I merely bring this under notice, as I consider that the report of the Editor should be corrected, as it is not a matter of the Police Department permitting the Sunday shoots to be held, but it is a State Law and the Police are required to see that

it is obeyed. Perhaps your club may see fit to correct this statement of the Editor.

Yours sincerely,
(Signed) H. MILLS."

The Colac Club is thanked for forwarding Mr. Mills' letter of advice on this very important question.

In reply, first allow this publication to inform the writer that neither this journal, nor the Association which it represents, has ever or will ever advise shooters or clubs to do anything which is contrary to the laws of the country. The statements to which the writer refers in no way concerned the State of Victoria.

For the information of the general band of shooters, it is pointed out that, despite Mr. Mills' assertion, the question of permitting Sunday shooting does, to a large extent in many country centres in some States outside Victoria, depend on the approval

or otherwise of the local civic authority. Also, there is a very strong move on foot at the moment, in one State, to permit clubs affiliated with the Association to shoot on Sundays, providing their grounds are in safe locations. In fact, the Chief Secretary of one State recently wrote to the secretary of an affiliated club granting permission for a Sunday shoot—this quite apart from the known fact that quite a number of country clubs (outside Victoria) shoot regularly on Sundays, with the permission of the local Police Department. Some clubs have even advertised their Sunday shoots in this publication.

Mr. Mills' advice on Victorian laws relating to firearms are welcome and appreciated, but, as already explained, the previous statements had no bearing whatever on these laws as they apply to the State of Victoria.

SHOOTING DUCK

I was interested to see in an American publication the very sensible (in my opinion) suggestion that a modified choke should be a great help to the duck shooter, as it would enable him the better to connect with his quarry at the sort of ranges at which he might accurately shoot. The author was pointing out the error, committed by many duck shooters, of imagining that duck could be killed at 60 or 70 yards. He quoted 35 yards as being the kind of distance at which accurate shooting may be made by the shooter of just ordinary skill and at which modified choking, by allowing a little more latitude, gives a better chance.

It is not that 35 yards in any way sets a limit. Of course, it does nothing of the kind. Guns and shooters can kill duck much farther out than this. The point is that a lot of chances are, one way and another, presented at about this range, just as in game shooting a lot are presented at about 25 yards. Moreover, many more shooters are at home at

this range than at 55 yards. So it is a good idea to think in terms of 35 yards and to have a degree of choking in the gun which, while giving amply dense patterns, does allow more margin for error than a full choke.

When deciding the degree of choke in a gun, it is necessary for the shooter to consider a number of matters. And probably the most vital of these is his own particular skill as a gun pointer. It is seldom, in my opinion, that a man can make best use of a full choke. It is also seldom that conditions are such that nothing less than a full choke is capable of doing the job. There is a great deal that can be said for a modified choke, and in skilled hands a gun having both barrels bored modified is a tremendous game killer.

The worst thing about history is that every time it repeats itself, the price goes up.

"Hail Tassie"

It is no easy task to think up what to say
About the little "Apple Isle" that's just across the way,
But after spending three weeks there I'm left without a doubt
That those who dug the ditch between knew what they were about.
The weather was just simply grand, not like we get round here,
And the perfect scenic beauty well matched their Cascade Beer.
The folks there, too, are friendly and take no distant stand,
But are always out to welcome the stranger in their land.
We stayed with Vic. Fankhauser 'tween Devonport and Latrobe,
And happy were the days we spent around his fine abode;
One night "Dubbs" threw a party with all the trimmings rare,
And many old clay pigeon boys were there to share the fare;
There were prawns, and scollops, sweets galore, and crays "DeLuxe" as well
From old Jack Cruise's freezer round the coast at Port Sorell,
And the cocktail "a la Victor" concocted just by chance

**Dick Frean (Arcadia),
President of the Shepparton Club.**

Was a super duper mixture and even made Jim Blanch.
There were yarns told of sporting days and glorious shooting spots:
One was teal—three score and ten collected with four shots,
Then a game of "Bobs" to wind it up produced a lot of fun;
The balls zig-zagged the same as clays do when you lift your gun.
Mac Johnstone took us out one night to catch a trout or two,
Helped by a sumptuous barbecue and drops of mountain dew,
But Tassie trout are wary and gave us all a bye,
So we carried on to Railston and sampled some more rye.
Latrobe put on a clay bird shoot as practice for the day,
When hoards of wild "Taswegians" will sail Port Phillip Bay
To challenge at East Burwood all shooters as they come,
Including those from Queensland who drink powder in their rum.
To tax more space in Shooting News with all I'd like to say
Would raise our Editor in wrath to throw the lot away,
So best wishes to you, Tassie, your acquaintance I'll renew,
And drink a toast with friends and host at Devonport's Sea View.

"Tips" and "Tails"

The newly formed Nyah-west Club in the Victorian mid-Murray district is reported to be strongly entrenched and developing very well. The club tried out a new enterprise on New Year's Day, working in conjunction with the

local sports meeting, the club arranged for a lay-out at the rear of the ground. The trap was placed under the bank of the river and targets were released across the water. The innovation was most successful and the club was well rewarded. It is almost certain the club will continue the scheme and intends each New Year's Day to conduct a Mid-Murray Championship. Norman Goynes, President of the Swan Hill Club, has offered the club a 20-guinea trophy to be shot for each New Year's Day in the future.

Writing from Mackay (Q.), registered shooter W. E. Bell mentions he never seems to be able to get to Townsville or elsewhere for a shoot, but he is always interested in reading about the "lucky ones" who do shoot throughout the Commonwealth.

A new gun club is likely at Eden on Twofold Bay in New South Wales. The new formation proposes to lease the Kogarah Beach area. Approaches are already in hand to the N.S.W. Lands Department for permission to lease the proposed site. Eden is a picturesque area, both in scenery and tradition. A good club there would doubtless attract many shooters from both New South Wales and Victoria. The town is the scene of the old whaling station during the latter part of the last century.

The Collarenebri Gun Club (N.S.W.) will stage the Barwon D.B. Championship on Sunday, May 9. This will be followed by a 30-bird £50 Handicap and other supporting

events. Programme is advertised. Enquiries to F. K. Badger, secretary, "Alpha", Collarenebri, N.S.W.

Keilor Gun Club (V.) will shoot the Victorian walk-up championship on Saturday, March 20. On April 3 the main event is a 20-bird mixed marks contest. Programmes are as advertised. Enquiries to R. J. Reid (secretary), 103 McCracken Street, Essendon, W.5 (FX 8065).

Reports from South Coast Club at Surfers Paradise (Qld.) advise that record attendances were experienced throughout the club's recent carnival, spread over ten days. The top field was 106. The success of the series has influenced the club to install further traps and these should be ready for next year. The club offers special thanks to George Pickers, one of its members, who generously supplied a large marquee, tables, beach umbrellas and chairs for the use of the club and visitors during the shoot. An early fall of rain helped in bringing the grounds to perfection. A long, dry spell had previously been experienced. The club caretaker, Mick Cassidy, has come in for much congratulation on the care he has given to the grounds.

The Pirron Yallock Club (just beyond Colac, in Victoria's western district) will resume competitive shooting on Saturday, March 13. Main attraction will be a teams' shoot, teams of five men shooting at 50 targets, for a shield presented by the club. The winning combination will re-contest the trophy annually on its own ground. Programme is advertised. C. H. Gore, Pirron Yallock, is now secretary of the club (Phone 256).

Sid Elphick, secretary of the Lismore Club in northern N.S.W., advises an alteration to the conditions of the "Lismore Hundred" on Easter Monday, April 19. The prize money for this coveted event has now been fixed at £200, nomination £7. The winner will receive £80, with sash and trophy. Full details of the alteration are as advertised, together with particulars of the shoot on

Easter Saturday, April 17. Enquiries to Sid. Elphick, 19 Parkes Street, Lismore, N.S.W.

The Coburg Club's President, Fred. Olver, left for abroad on February 27. Fred. intends visiting some of the English clubs and also some of those situated in South America, where he will visit before returning.

A new club is already operating at Queenstown on Tasmania's west coast. The club is certain to become an affiliated unit of the A.C.P.T.S.A. The club has been operating for the past three months. Miss Jean Fairchild is secretary of the club.

Tallangatta in northern Victoria also contemplates the formation of a new club. J. D. Paul is present secretary. This club will also join up with the Association in due course.

Tuena Club (N.S.W.) recently affiliated with the Association and registered its members. Reports are that the club is functioning very well and expects to further develop. W. K. Bremner, Tuena, N.S.W., is club secretary.

The Victorian Double-barrel championship, the premier title of the State, will be decided on the grounds of the Colac Club on Saturday, April 10. The event will be shot for the first time at 30 targets, from 18 yards. A full supporting programme is included. Reports from the Colac district indicate that duck and quail are plentiful in the area, and also good perch and trout are available in Lake Colac. Those desiring accommodation should communicate as soon as possible with club secretary, Don Corstorphani, 6 Rae Street, Colac (Phone: Colac 406). Programme is advertised and all enquiries should be directed to the secretary.

Another new club has been formed at Kingaroy, Queensland. The club secretary is R. Powell, of 112 Haly Street, Kingaroy. The club has already affiliated with the Association and registered its members.

Queensland will also have a new club at Nanango ere long. The club is already formed and expects to be affiliated with the A.C.P.T.S.A. in the near future. Secretary at Nanango is E. Knauer. The club's shooting site will be on Nanango's old aerodrome.

After the recent shoot held at Lismore (N.S.W.), in honour of the visit of Her Majesty The Queen and the Duke of Edinburgh, the well known South Coast club shooter, Eric Hodge, met with an accident and is likely to be a patient in Lismore Base Hospital for several weeks. The Lismore club members have expressed their sympathy and hope that he will soon return to the tracks, shouldering his "Browning".

The Dalby & Northern Downs Club (Queensland) will stage a two-day shoot on Saturday, April 3, and Sunday, April 4. Main events are the Wambo Shire Double and Single-barrel championships and a £100 handicap, points scoring 3 and 2. Shooting will start at 9.0 a.m. Accommodation requests and all enquiries should be directed to club secretary, C. E. Flegler, "Avonlea", 8 Mile Stop, Dalby (Phone Dalby 416), or President, N. A. McGilp, "Quarrybrae", Kaimkillenbun, via Dalby (Phone Square Top 6).

The Australian Club, on whose grounds the Association national fixtures will take place on March 6, 8 and 9, will shoot on Thursday evening (March 4) and all day Friday, March 5 (day), prior to the opening of the Association series. On the Thursday night (March 4) the Victorian Night double-barrel championship will be decided. A big attendance is certain at this fixture, so early attendance is recommended. On Friday, March 5, the Metropolitan Double-barrel championship will open proceedings, and this will be followed by a £200 handicap at 40 birds from 16 yards. £40 will be distributed over each ten rounds, with £40 for the best aggregate. Trophies will be awarded to the first three place-getters in the aggregate. The Australian Club will shoot again on March 20, April 3 (club double-barrel championship) and April 17. Programmes are advertised. Enquiries to A. V. Nolan (secretary), 1016 Whitehorse Road, Box Hill (Phone WX 2708).

The Coburg Club (V.) did not shoot on February 27 on account of the Victorian duck opening. The club will shoot again on March 13, when the club double-rise championship will be decided, and again on March 27, when a 20 birder is the

A sporting action by Newton Thomas, holder of the Champion of Champions Cup, is reported from Bathurst. A young shooter, K. Soames, Junr., got into a shoot-off with Newton to decide the club championship. Both shot very well and our report indicates that Newton "pulled" the young shooter out until they had reached the 100 mark, when Newton retired in favour of young Soames. Quite a nice gesture. Soames is a left-hander and had occasional difficulty in gathering left-swingers from No. 1 track, but shooting with the top-ranking shooter gained him great confidence.

The Seymour Club (V.) is conducting its club championship on April 10, with supporting programme. The programme is advertised. Secretary of club is A. H. Jones, 98 High St., Seymour.

Information is to hand that Bill and Pat Reid have left Seymour and now reside on dairying property at Morwell. The first mentioned is not in best of health. Both Bill (father) and Pat (son) are life members of the Seymour club. The Reids were

among the pioneers of clay pigeon shooting in Victoria and did much to keep the Seymour club active when difficulties arose. They are original 64 and 65 numbers in the A.C.P.T.S.A., so it will be seen that the description of "pioneers" is well deserved.

The Boggabri Club (N.S.W.) will shoot on March 28 and 29. Main events are the North-Western N.S.W. single and double barrel titles, a £50 and a £25 handicap. Programme is advertised. Enquiries to Les Yates (secretary), Wee Waa Street, Boggabri (Phone: Boggabri 225 or 116).

The New South Wales single-barrel championship is the main event on the Narrandera Club's (N.S.W.) programme for March 27. A £40 handicap and shield shoot will follow. Programme is as advertised. Enquiries to J. R. Bushby (secretary), Box 102, Narrandera, N.S.W.

"Well," said the proud father to the minister after the christening service, "now that you've seen him, who do you think he's like?"

"M'yes . . ." said the minister, "of course, intelligence has not yet dawned on his face, but he is remarkably like both of you."

AROUND THE CLUBS AND MEETINGS...

SOUTH COAST (Qld.), 23/1/54.— Weather conditions: heavily overcast and light S.E. breeze. Results: No. 1, 5-bird S.B. Sparrow E/O.: div. F. Singleton, G. King, K. A. Davidson, K. Bassett, Newton Thomas, R. W. Moore, E. Geary, 5/5. No. 2, 1954 Qld. S.B. Sparrow C'ship: 1st, Newton Thomas, 26/30; 2nd, J. Nunn, 24/30; 3rd, T. Hegarty, 32/40; 12 ydr., W. Moody, 18/30. No. 3, 20-bird S.B. Ladies' Bracelet: 1st, R. Akers, 24/25; 2nd, R. McNamara, 22/25; 3rd, F. Thompson, 19/20.

Biggest field of shooters on record here (106). Glad to see shooters from so many districts from Townsville, Longreach in Qld., to Sydney, Griffith and Melbourne. Many western shooters held up by welcome rain and they might make it later in the week.

25/1/54. — Weather conditions: overcast. Results: No. 1, 5-bird D.B. E/O.: 35 shooters div. No. 2, £200 H'cap, 60 birds D.B.: 1st, W. Moody, 59/60; 2nd, J. Nunn, 58/60; 3rd, T. Hegarty, 57/60; 12/13 ydr., J. Crothers, C. Clarke, H. Hodge, div., 55/60; 14/15 ydr., A. Hicks, 56/60; 16/17 ydr., E. Frecklington, C. Whitney, div., 56/60; 18 and over, W. Pendock, 56/60.

Another very good day on 25th (106 shooters), although delays caused by trap breakdowns rather marred enjoyment. One good point was that the Club had a complete spare trap to put into operation whilst damage repaired to others. W. Moody got his first 50 break — totalled 68 straight.

26/1/54. — 42 shooters. Fine. No.

1, 10-bird D.B. S/S: 1st, div. A. McIntosh, R. Akers; 3rd, W. Moody.

26/1/54. — Weather conditions: heavily overcast and sporadic heavy showers. Results: No. 1, 1954 Qld. D.B. Night C'ship: 1st, T. Ferrier, 34/35; 2nd, T. Stone, 33/35; 3rd, C. Ferguson, 42/45; 12 ydr., L. Walker, 27/30.

Qld. record attendance for night shooting, over each of two traps, with no delays; we shot clays at the rate of six per minute. This is a direct tribute to C. Whitney, Club Captain, who is responsible for the maintenance and working of the traps. 96 shooters.

An interesting point over last two days' shooting is that there are five Walker brothers shooting.

28/1/54. — Weather conditions: heavy rain early in day, cleared by midday. Results: No. 1, Gaven Shield Teams Shoot: 1st, Griffith, 278/300; 2nd, Charleville No. 1, 267/300; 3rd, Surat No. 2, 265/300. High Gun, J. W. Raleigh. No. 2, Legacy Trophy Shoot, 30 Points: 1st, L. Walker; 2nd, L. Stewart; 3rd, A. Hicks; 12 ydr., P. Pukallus.

Night, 28/1/54. — Commonwealth D.B. Night C'ship: 1st, R. Bushby, 39/40; 2nd, T. Akers, 37/40; 3rd, T. Hegarty, 36/40 on shoot-off; 12 ydr., H. Moore, 29/40; 13/14 ydr., W. Moody, 34/40; 15/16 ydr., J. Nunn, 36/40; 17/18 ydr., D. Webster, 36/40; 19 and over, Newton Thomas, 36/40.

Rain early in the morning held some shooters back, but we were very glad to see a good roll-up for the Legacy Trophy Shoot, the entire proceeds of which went to Legacy.

15/15; 2nd, R. Kelly, K. R. Soames, 14/15.

Attendance was not the best, but should improve in the very near future. Very keen shooting will be the keynote of future Oberon shoots, as the Evans boys are on their toes to take the honours, while the older members of the club are keen to hold same. The Bathurst members who come to Oberon are flat out to keep in front, so things are going to be very keen.

7/2/54—Weather conditions: extra good. Results: No. 1, 5-bird D.B. Sweep: Russel Evans (Oberon), 5/5.

Attendance fair, though more shooters expected to this important event. Conditions difficult, with gusty breeze inclined to make flight of pigeons a little erratic at times, sky overcast, humid atmosphere, with slight haze. Excellent shooting under these conditions resulted in prolonged shoot-off for 1st between W. A. Commons and W. A. Forbes, Mr. Commons taking the title. The 13/14 yd. Trophy was donated by Mr. Forbes. Afternoon tea provided by the ladies was most appreciated.

Newton-Thomas and L. Haseler. No. 7, 10-bird S.B. Trophy, Consolation 12/15 ydr.: 1st, A. Matthews, 9/10. No. 8, 20-bird D.B. Sweep: div. J. Newton-Thomas, W. Rutty and C. Nichols, 20/20 each.

A large attendance of sportsmen ignored the showers and light drizzle to complete a full programme of six major events. An interesting event of the day was the continuation of a break by J. Newton-Thomas to complete a 239 straight. Despite the talents of the leading scorers, the majority of the awards went to the good average shooters. A special consolation Trophy for 12/15 ydrs. with the lowest scores of the day was keenly contested and won by A. J. Matthews. Visitors from far-away parts and Queensland included C. Smirl (Cootamundra), R. Powell (Charleville), L. Walker (Longreach) and J. Walker (Longreach) and O. Walker (Longreach).

Wakefield, 6/6.

The proceeds of the shoot went to the Bush Bazaar Hospital Committee, which is our annual charity shoot. With a strong cross wind blowing, some shooters had difficulty in getting on the target, especially on No. 1 trap. E. Bruce won the 10-bird Trophy Shoot, and one of the younger shooters of the Club, Graham Wilkinson, won the 20-bird Trophy Shoot with a good score of 19/20. A large crowd of spectators enjoyed the keen shooting. The Mildura Club is off to a good start again this season, several new members joining the club, and many others interested in taking up shooting clays.

Both these shooters obtained their 50 break for the afternoon on completion of this event. COFFS HARBOUR (N.S.W.).

The monthly shoot of the Coffs Harbour Gun Club was held at Macaulay's Headland on Saturday, 13/2/54, under favourable conditions. Light cloud with just a slight breeze made the afternoon very pleasant after the inches of rain we had during the week. Shooting was of a high order and competition very keen both for Trophy, donated by Peter Thompson, and Sweepstakes shoots. Dick Secombe maintained his good form by winning the trophy after a shoot-off with Peter Thompson, and Gordon Jarrett shot well to gain High Gun for the afternoon. The main events were shot under the points system and only 2 or 3 points separated most of the shooters.

Ken Miller of Jeparit, better known as ("Bang Bang"), turned on a brilliant performance to get the only possible 15/15, and we were pleased to see St. Arnaud shooters, George Smith and George Appleby, fill the placings.

AUSTRALIAN (V.)—Many braved the elements on Australia Day to attend the special holiday shoot. With old Sol also observing the holiday, plus Jupiter Pluvius deciding to pour forth his blessings, visibility was reduced to a minimum, and on the first event odds were on the clay sparrows. In a big field Ray Hering produced the only possible, 2nd and 3rd money being div. E. Brenk, R. Headon (Hay) and F. Olver. Another 10 birder at clay pigeons produced five possibles, G. Anderson, K. Lowry, T. Phillips, Cyril and M. Hamilton dividing. Teen-age Eric Fankhauser was again in form and won the 20-bird trophy event, 22/22, from Geo. Stainton, 21/22, 2nd, and M. Hamilton, 23/24, 3rd. G. Anderson won 15/16 yd., R. Headon the 13/14 yd., and T. Wilkinson the 1 yd. trophy. Finishing the wintry day with a nine round of Skeet, which was graded A and B, Mick Hamilton won A Grade with a possible, Jock Stevens securing B Grade with 8/9.

Feb. 6th. Tup Pedersen (Drouin) won the 20-bird trophy event after a tie shoot with the possibles, Hamilton, Byrne, Skate, Fletcher and Cyril. Pedersen also divided in final event. Two top-form men, Mick Hamilton and Lionel Byrne, contested the placings and finished in that order, 34/35 to 33/35. Hamilton divided in the two following events. The 15/16 yd. trophy was won by Cyril, 21/22; 13/14, Fletcher, 24/25; 12 yd., G. Hanna, 16/20. The opening event was div. the possibles, Eric, T. Phillips, W. Finnegan, F. Skate and H. Henry, 10/10, and a final round of Skeet was again won by M. Hamilton, 8/9, L. Baker and H. Henry dividing B Grade with a similar score. An extra 10 birder saw E. Rogers, "Doncaster", F. Johnson, S. Power, T. Pedersen, G. Anderson and M. Hamilton in the money.

Feb. 10th. Night Shoot. Forty-five shooters contested three 10-bird events on the two floodlit grounds; Committeeman Frank Johnson, maintaining his recent form, shot through the first and second event with 20 first barrels. A. Tie, K. Lowry and S. Power div. with Johnson in the first sweepstake. "Dock-en-Doris", with a champ. of champions title to

his credit, is again working up to form; I expect him, if health permits, to give a good account of himself at the forthcoming international series. With F. Olver, F. Skate, F. Johnson, C. Cornish and the former secretary, Aub. Johnson, Dock divided the wee baubies of the final event.

(H. H. Ball.)

BATHURST (N.S.W.). — Club shoot, Jan. 30th. Seventeen members faced a boisterous wind and light rain on Saturday, Jan. 30th. Scores were affected by the wind, particularly in a round of Skeet, in which Sgt. Ed. Brackenrig came to light and had a really good score of 17/20 under wild conditions. Oberon visitors, led by Len Williams, enjoyed a good day's shooting.

Results: No. 1, 5-bird D.B.: L. Williams, N. Soames and V. Howard, 5/5. No. 2 (same): J. Brazier, K. Soames Snr., K. Soames Jnr., R. Evans and J. Ryan, 5/5. No. 3 (same): R. Rothery, A. Evans, I. Evans, N. Soames, V. Howard and J. Ryan, 5/5. No. 4 (same): K. Soames Snr., L. Williams, M. Denton, V. Howard, J. Connor and A. Rosconi, 5/5. No. 5 (same): J. Brazier, R. Rothery, K. Soames Snr., A. Evans, K. Soames Jnr., R. Evans, D. Evans, B. Jenkinson and J. Connor, 5/5. No. 6, 7-bird Skeet: W. Harris and E. Brackenrig, 7/7. No. 7 (same): K. Soames Snr., R. Evans, A. Rosconi and E. Brackenrig, 7/7. No. 8, 6-bird Skeet: J. Brazier, R. Rothery, K. Soames Snr., J. Ryan, A. Rosconi and E. Brackenrig, 6/6.

In this last event members had a bird or birds added to their score to assist learners against more seasoned men. Ed. Brack, with one bird per sweep added, missed three in the right places and shared all three sweeps.

(Vic. Howard, Hon. Sec.)
