The Editor's Notebook

Comment is frequently given on the Australian method of team selection for the annual International Match, shot at present between England, Ireland, Scotland, Wales, New Zealand and Australia. The latest interest in this comes from London, when a query was raised as to why Australia adopts the present method of team selection.

As has often been mentioned through these columns, the Australian method of selection is far from perfect, but the Association administrators are of the opinion that, taking into account the spacious area of the country, no other method could be employed. The annual Association shoot is open to all registered shooters throughout the Commonwealth. Those who take part in the National Championship on the opening day of the series and finish among the top 25 automatically find their way into the team as Australia's representatives in the International. Team selection is always a difficult task, but by shooting their way into the team it has been found that those on the spot and in form on the day gain the honours. Only once has Australia selected a portion of the team, not with the happiest of results, both from the viewpoint of the interested parties on the side-lines or the actual shooters. As an instance of this, this year (1954) two West Australians gained places in the team and both shot brilliantly, being within a bird or two of the high-gun for the match. Had a team been selected on performances, it is quite likely that neither man would have gained a place. Both men had shot in Victoria previously and neither had shown, on that occasion, form sufficiently good to gain them consideration. However, in 1954 their form was at least twenty per cent. better than their previous visit and entitlement to a place in Australia's International combination was well warranted.

Notwithstanding its weaknesses, it seems most unlikely that any scheme will be devised which will change the method of selection of Australia's International team. At present there are no "post-mortems" necessary and it is to be hoped the position will remain as satisfactory in the future. Winning the series is admittedly a great honour, but this becomes secondary so long as competitors are happy in the team selection.

Clubs using the advertising columns of this publication are again reminded that copy closes for all matter on the thirtieth day of the month preceding issue. In recent months there has been a tendency not to observe this direction. In fact, for the August issue, copy was continuing to arrive as late as the tenth. Of course, it is impossible to assist clubs when copy matter is so late. Club officials are, therefore, requested to keep the closing date well in mind. No copy can be accepted after the 30th of each month. Also all copy matter for advertising should be forwarded through the Association and not direct to the printers.

Enquiries and queries on rules and Association policy should be directed through the Secretary of the Association and not through individual members of the Executive Committee. Only by this means will uniformity on all questions be settled satisfactorily.

A shooter from a Victorian country centre recently requested the Association to "define rule slow pull". This is a question for the referee of the contest to decide on the spot. The referee knows at once whether a shooter received a slow pull or otherwise. The referee must call "no bird" if he considers a "slow pull" occurred or that the shooter was balked.

Messrs. C. M. Barr (Mount Gambier, S.A.) and J. Woodrow (Milang, S.A.) have been appointed official referee examiners for the A.C.P.T.S.A. in South Australia. Shooters who have passed the written test in South Australia and who are desirous of becoming fully qualified are advised to contact either of the shooters named for the purpose of undergoing the practical test. If successful, the official A.C.P.T.S.A. Referee badge will be issued.

Clubs are reminded that all applications for 1955 Open Championships, that is Commonwealth, State and District, should be in the hands of

the Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., Melbourne, C.I, not later than October 1, 1954. Applications will be dealt with by the Executive Committee during October. A full list of the 1955 Championship Allocation will appear in the November "News" and clubs are requested to accept same as official and final.

Clubs making application for championships should prepare their application on separate note-paper and not include other Association detail in the application. Inclusion of outside matter tends to make for the application being overlooked.

Clubs writing to the Association are again requested to ensure that their mail is correctly addressed. During the past month several letters have been received at Association headquarters after more or less a "Cook's Tour" round the Commonwealth. The two latest were addressed to the Association at Brisbane and Longreach in Queensland. Incorrectly addressed mail means delayed reply.

The Alexandra Gun Club at Milang, South Australia, intends conducting a two-day Birthday Meeting on November 27 and 28. Shooting will open at 12 noon on November 27. Main event on opening day is a 30-bird handicap of £120 and The

President's Trophy. The winner will receive £60. Colin Barr of Mt. Gambier has presented main trophy on the second day. It is almost certain that the President of the A.C.P.T.S.A., J. M. (Jock) Wilson, will attend this fixture. Full details of programme are as advertised. Enquiries to L. Pope (secretary), Milang and J. Woodrow (President), Milang. (Phones 33 and 27.)

Full details of the forthcoming programmes to be conducted by the Royal Aero Club at Bankstown are published in this issue. The programmes cover the club and open shoots up to October 30. The N.S.W. State Skeet title will be shot on October 9, together with a £50 Handicap. Enquiries to W. C. Hudson, secretary, Box 5, Bankstown, N.S.W.

Many shooters of the pre-war era will recall the former Mentone shooter, Tom Saville. Saville moved to Goorambat (put on the map by Her Majesty The Queen, when her train stopped overnight at the local station) and later Saville moved to Foster in Gippsland (V.). A few weeks back, it is understood he met with a shooting accident which resulted in his death. Deepest sympathy is expressed to his relatives.

An English report reveals that the 51st English Open Down-the-Line Championship was won at Harrogate by E. Fear with 100/100, after a tie with C. R. Booth. Three shooters, each with 99, followed and the 5th man produced a 98; 97's were not

good enough. A splendid performance was registered by 11-year-old Raymond Jones of Rhosmor in Wales. The youngster returned a creditable 76/100. In the International series the best individual effort among the Home Country teams was provided by S. T. Rimmer (England) with 98/100, after a tie with E. R. Bruce (Scotland), 98/100, and T. E. Sanders (Wales), 98/100. C. F. Gunn of New Zealand returned the best figures for the match, with 100 straight. D. Wareham of Blenheim was next to Gunn for New Zealand, with 99/100. Rimmer also won the British Open Championship with the low score of 91/100. However, the low scoring in this event is explained by the unseasonal summer which our kinsmen overseas have experienced. On British Open day a heavy gale blew throughout the whole period of shooting. On the second day Rimmer registered a 98/100. Rimmer registered high-gun for the series with 189/200, followed by W. T. Jones (Wales), 187/200.

Trunk Creek Club (N.S.W.), one of the newly affiliated units of the A.C.P.T.S.A., will conduct a £50 Handicap on Monday, October 4. The programme is as advertised. Enquiries to J. W. Radburn (secretary), Trunk Creek, 3W, N.S.W.

A somewhat amusing incident is reported from a Queensland club. The club, it appears, staged an ordinary club fixture. The attendance was not large. One of the events was a Deauville doubles contest, and, of course, the inevitable odd number of contestants was present. In order to give everyone present a shot, it was decided that the club's back-marker should be drawn twice. The back-marker, shooting with his normal (first drawn) partner, accordingly obliged with a possible, then the story continues that the back-marker also obliged with a possible with his second partner. The resulting duel "for the back-marker to defeat himself" was, we understand, well worth watching.

Jack McCraith, the well-known trapshot, in a recent letter, which he heads "Safety first with the shotgun", is a self-explanatory document and one which all should heed. McCraith had an alarming experience, which could have been much more serious in final result. He writes:

"We all hear, at some time or other, stories of accidents occurring in this connection, and in most cases we pass it on with an explanation of carelessness, but until it happens to you, then you really do not know.

Recently I took my eldest boy of 13 out to put him through his pre-

liminaries in the field. When standing alongside him, I closed my gun, the latter being the best of its make procurable, when it went off in my hands, both barrels within two feet of my lad. Imagine my reactions to this, and also the lad!

When the gun was inspected, this was found to have happened; the firing pin had broken on an angle, the broken part had turned, not allowing it to go back into its place. It apparently scraped along the brass, then on to the cap. It would be a million to one chance, but this actually happened to me, so, shooters, I hope my story can be of some help in the words of "SAFETY FIRST".

If you never had a narrow escape with a shotgun, I hope you never will have one in the future."

Heavy rain in the morning did not deter many visitors from attending, being present from Melbourne, Bendigo, Creswick, Raywood, Neillborough and Learmonth. Some brilliant shooting was seen in the shoot-off, T. Pearce (Swan Hill), 33/34, being the winner from D. Pilkington (Karawina), 32/34; Roly Manuel (Kerang), 3rd, 31/32.

Visiting shooters had more room in the Club's new shed, complete with concrete floor and wall gun rack. This club expects to advertise its Annual New Year's Day shoot in next issue of shooters' News. Everybody present was glad to see Tom Sholl make a comeback to the shooting of clay birds; he is a well-known puller in the Metropolitan area, and did he shout them well. He mustered up a 45 straight for the day. A. Torr, making his first appearance for a long time, also shot well, as did M. D. Bristow. Another to shoot consistently was Jack Stevens; we are always glad to see him at our club.

COFFS HARBOUR (N.S.W.).—The Club's S.B. Championship was held on Saturday, 14th, at Macaulay's Headland. Though the day was bright, a gusty southerly kept shooters right on the alert, as the discs were performing some aerial gymnastics. For the 20-bird Championship, the handsome trophy, which was presented by President Dan Secombe for annual competition, was won by Gordon Jarrett. This shooter is maintaining good form, as in June he gathered in the D.B. Championship of the Club, and on Saturday he added another High Gun to his already imposing list of wins.

Thanks to our willing working bees. The second automatic trap will be completed in good time for our South-Western Queensland S.B. Championship on the 28th and 29th. We look forward to a good attendance on these days.

KELLERBERRIN (W.A.). — The 24th and 25th July were the big days for the Kellerberrin Gun Club, this being the first Championship shoot. Many shooters from the different clubs attended and enjoyed an excellent week-end, the weather man being on our side. All shooters were glad to see Bob Wainright make an appearance at the shoot. We cannot understand Bob's poor shooting; one time he was very good at Down the Line, but now seems to have changed his style and is concentrating more on the Double Rise. The President, Jim Pascoe, and his committee must be congratulated for the sterling job they did; the shoot

and social were both a huge success. Kellerberrin members are fortunate in having such a grand member as George Scott, on whose property the club hold their shoots. The property is only two miles from the town. Saturday, the 24th, was set down for the Eastern Districts S.B. C'ship of 20 birds from 16 yards. Sixty shooters faced up to two automatic traps; this event was won outright by Perth Club member, Harold Collier, 20/20; Gordon Basford (Cunderdin), 2nd, 24/25, after a shoot-off with Col. Ferguson, 23/24. 2nd Event, 10 prs. Deauville Doubles: won by A. Jury and Ed. Arblaster, 10/10 prs; 2nd, F. Doy and J. Harris, 9/10 prs.; Max Hollett and Dan Forsythe, 7/10. All members had to run the usual hazards on Saturday evening. The sabotage was well organised by the local boys, and many of us had difficulty in seeing the bird on Sunday, especially when it went towards George Scott's pet tree.

The first event on Sunday was the State Double Rise Championship of 15 pairs from 16 yards. This was again won by the outstanding Perth shooter, Harold Collier, 16/20 prs.; J. Harris, 2nd; Jim Steer, 3rd. The final event was 20 mixed birds. Perth shooter, Tom Blakeley, a 70-year-old, certainly showed us how it is done; he tied, 17/20, with two others and won in a shoot-off in the dark against Jack McKinnon and Col. Ferguson.

Trophies were given for most of the events over the two days, and the Kellerberrin Club are to be congratulated on their fine selection. After the presentation of these by Bill Elliot of Geraldton to winners and place-getters, much hand-shaking and sipping was embibed in, and it was regretted when the time came for us to leave for Perth, 128 miles away. We put our hands together once again for all members of Kellerberrin Club, especially the ladies, who did a very good job with the morning and afternoon teas.

Event No. 4 — **£150 HANDICAP - Double Barrel**
£50 to be divided on each of the three traps.

IMPORTANT. In order to ensure good distribution of the prize money in the £500 Handicap each day, and so make it possible for shooters to recover nominations, etc., the following procedure of pay-out will be adopted:

1st — £150 :: 2nd — £75 :: 3rd — £35

This leaves £240 to be divided — £80 on each trap — for those who shoot the fifteen at each or any visit. It will be observed that the winners will enjoy more than the prize money indicated, and anybody shooting the 15 once or twice, etc., will receive some or more than their nomination back (according to the number in the cut). This procedure keeps a monetary interest for the shooter, even though he realizes through early misfortune he cannot win.

Shooters and friends will be entertained on Friday night (15th October), at which time a CALCUTTA will be sold on the £500 Saturday's shoot.

Newton Thomas attended the shoot and we were very pleased to see him. We very much appreciated his advice and assistance in running the shoot. There were visiting shooters from Rockhampton, Barcaldine and Isisford; we were also very pleased to see them. There is a very noticeable decrease in the duck, shag and kangaroo population along the Thompson River since Newton Thomas arrived in the district. Hope to see him back next year.

Forty-five shooters.

Former Echuca full forward, "Doodie" McGillivray, showed at Echuca Gun Club's clay bird shoot on Wednesday night that goals aren't the only thing at which he shoots straight.

For the night he gave a fine exhibition of shooting to record 56 straight—for the second time in two shoots. His accuracy won him the 10 birds D.B. event and he was among those who divided the 5-bird D.B., 5-bird S.B. and Miss-out events.

Results were: 5 birds D.B.: div. R. Adams, K. Dobson, K. Randall, S. McBeth, R. Koch, C. Dalton, F. Dobson, G. Williams, L. Scriven, L. Holmes, L. Gibson, A. McGillivray,

A very dark, cloudy day, some light showers and wind. Visitors present from Eildon, Burwood, Yea and Homewood. Gene Moffatt was again high gun and once again missed only his last bird for the day, 29/30, without a second barrel. Mick Yohe, another American shooter making his first appearance at clays, proved his ability with 13/15 and then 10/10 single barrel. Nice work, Mick. Young shooters Barbara and Barry Doyle gave a fine exhibition in the shoot-off for back-markers' trophy. Club thanks to the ladies, as usual, and to the visitors for adding pleasure to the day.

An excellent roll-up of shooters,
and the club was pleased to see L.
Lupp (Bathurst) and C. True (Gun-
dagai) enjoying the day's sport with
club members. A grand performance
of Max Gibson in winning the Club's
Mixed Birds Championship, 17/20.
Another promising sign is the return
to form of J. Donohoe, D. McNeil,
K. Smith, N. Taylor and David Hous-
ton. Traps 1 and 3 worked during
the afternoon, and club's mechanic,
T. Murray, must be congratulated on
their performance.

COMBINED CLUBS' SHOOT, held
22nd, 23rd, 24th and 25th July: The
combined clubs (Tambo, Clara Creek
and Charleville) held their big shoot
as scheduled, and despite a smaller
roll-up of shooters than was antici-
pated, proceeded to be quite a success.
Many thanks go to the various shoot-
ers who travelled long distances to

attend, especially all those who came
from the south. The weather was
good throughout except the last
morning, when drizzling rain fell.
The standard of shooting was good
right through and some good scores
were recorded. Best breaks were by
John Raleigh (Clara Creek), 95; T.
Stone (South Coast), 86; W. A. Peg-
ler (Quilpie), 80; M. Martin (Tam-
bo), 70. There were others with good
scores below these. The open aggre-
gate trophies for each of the last
three days were won by: 23rd, K.
Soames Snr. (Bathurst); 24th, A. R.
Tibbitts (Barcaldine); 24th, W.
Moody (Cunnamulla).

Many thanks go also to our staunch
club supporter and life member,
J. M. Bauman, for the very nice
trophies he gave for the front-
markers' aggregate prizes.

PERTH (W.A.), Sunday, Aug. 8. — An excellent day was enjoyed by Perth Gun Club members; the weather was ideal for shooting and 35 shooters faced the two automatic traps. H. Colliver was again the outstanding shooter with 50 straight, unfinished. In my opinion, Harold would have broken 100 straight had shooting continued; however, it will be interesting to see if he can make it the century at next Sunday's shoot. Incidentally, Harold recently shot 75 straight in the Eastern States.

First event was 10 birds D.B. Down the Line. This was won outright by George Davies on a birds per cent. basis with 10/10; in a shoot-off, Tom Holt was 2nd, 14/15; Percy Crackel, 3rd, 12/14. Second event, 30 birds D.B.: This was the first inter-club Pennant and Shield Match, in which Perth Club entered two teams, best ten scores to count. Team consisted of Col. Ferguson, 30/30; J. McKinnon, 29/30; T. T. Blakely,

Alex Wilson, the Captain, and Bill Hewitt, Vice-Captain, are to be congratulated on selection of teams, as 11 birds div. 10 top scorers. The results of the other Clubs' shoot are not yet to hand. In conjunction with the inter-club shoot the Captain's Trophy was shot for; this was won by Brickly Mitchell (Moora) on a birds per cent. basis. Brickly had to survive a shoot-off with Ossie Sanderson and resulted in 31/37; O. Sanderson, 25/37; K. Barker, 3rd, 25/30. Third Shoot was another 10 birds D.B., birds per cent. This was won by a new member, Ken Gouldham, who recently joined us from Tasmania, 10/10; Jim Steer, 2nd in a shoot-off with our only lady shooter, Diana Williamson; the score was 13/15, and Diana, 11/15.

After this event members gathered around the barrel and discussed the ones that got away. All Perth members agree that this shoot was one of the best we have had. It was run without a hitch, with everyone pulling their weight. Our good ladies must be once again congratulated on the afternoon tea.

(J. Conlan, Publicity Officer.)

COLAC (V.), 7/8/54. — Weather conditions: wet. Despite the inclement weather of Saturday, 7/8/54, a happy spirit prevailed at the clay pigeon shoot held at the Colac Gun Club. This was reflected in the scoring, which was surprisingly good. The steady rain which fell all the afternoon could not dampen the enthusiasm of the shooters, although some of them got very wet. Harvey Eldridge's umbrella proved popular, and it was rumoured at one stage that it was pulled through someone's gun for a ramrod.

Ron Boyd won the 10-bird Trophy event with the good score of 30/30 after a hard tussle with Newt Westwood, 29/30, and George Crosse and Max Allen (Portarlington), each 23/24. It was one of the best tie shoots seen at the club for some time and the finalists deserve full credit. The Front-marker's Trophy went to Dave Neave, a young new shooter.

Event 1, 5 clays Sweep: div. H. Eldridge, V. O'Shannassy, A. Hay, D. Corstorphan, 8/8. Event 2, 10 clays D.B., 4 Trophies: R. Boyd, 30/30, 1st; N. Westwood, 29/30, 2nd; G. Crosse, 23/24, after toss with M. Allen, 23/24; Front-marker, D. Neave, 9/11; Charlie Grist, 15/16. Event 3, 5 clays S.B.: possibles, D. Corstorphan, W. Arnold, C. J. Neave, D. Neave, C. Grist, R. Boylan, A. Hay and Tom McGrath. Tie shoot resulted: A. Hay, 14/14; C. Grist, R. Boylan, 13/14; D. Neave, 11/12. Event 4, 5 clays from 20 yds.: div. R. Boylan, D. Corstorphan, 5/5. Best over-all scores were: R. Boyd, 37/38; N. Westwood, 41/45; R. Boylan, 31/34; A. Hay, 33/37.

A good attendance, with 27 shooters competing, visiting shooters travelling from as far as Inverell and Tenterfield, and we thank these people who came such long distances to help make the day such a success. Congratulations to R. C. Barnes, who won the Club Trophy. Congratulations also to Len Brown and Ern Redman, both of Inverell, who each shot 46/46 for the day. There was keen competitive shooting throughout the day and everyone shot particularly well.

On July 31st, Mr. and Mrs. Neville Smith, host and hostess, received guests and members at Mingoola Station, where Riverside Gun Club held its annual dance. There was a good attendance, despite the very cold weather, and everyone spent a most enjoyable evening. We extend our sincere thanks to Mr. and Mrs. George McWilliams, who loaned their lovely home for this occasion.

This very live and progressive gun club has now gone a step further, and will soon be shooting clays under electric light; again this will be the first club in S.A. to install up-to-date night shooting. The South Australian Electricity Trust hopes to have it all connected up early in November, after which it is anticipated shoots will be held every Wednesday night during the summer months.

Biggs, 2nd; Johnnie Bryant Jnr., 3rd; Frank Johnson, 4th. The sectional Trophies, after a shoot-off, going to J. Hagan, 16/25, in the 14/16 yds. and to W. Hunter, 15/20, in the 12/13 ydrs. Others to shoot well were Rob Andrews, H. Sweeney and K. Bastian. Geo. Stainton's win was very popular, because he has been running very close in other events
