The Editor's Notebook

A club recently enquired whether a deduction from club revenue is permitted from an optional sweepstake attached to an event for which trophies are provided. It would seem that the query embraces an event, optional, which is attached to a trophy event. No deduction is permitted by the Association from optional sweepstakes attached to open championships—that means Commonwealth, State and District Championships. However, in the case under review it would appear that the club would be entitled to make a small deduction. The sweepstake is an optional one and shooters need not enter unless they so desire. At all events the matter is one for club management to decide. No deduction above fifteen per cent. is permissible in events of this type.

and the decision 'lost bird' was given, under Rule 9B. This gun, a hammerless D.B., cocked on opening and worked O.K. for the rest of the day, but has been known to not cock before. Was the decision correct?" The referee's decision was quite in order. Obviously the gun has a fault and the shooter should ensure that the fault is corrected before again facing the trap.

There were many applications from clubs in New South Wales for permission to stage open championships, State or Commonwealth, during the holiday week-end of October 2 and 4. Several were not approved. It has always been policy of the Association to refuse to permit Commonwealth or State titles to be shot on the same day in the same State, particularly by adjacent clubs. Shooting of these major titles on the same day by adjacent clubs is not good for the clubs, the shooters or the sport. With the football season drawing to a close, many clubs are endeavouring to get their title events decided before the close of the year. Whilst the Association is desirous of assisting in every way possible, no good purpose is served by permitting clashes to occur.

A shooter from a country centre recently queried as follows, "A shooter on the mark calls for a clay pigeon which leaves the trap O.K. The shooter pulls the trigger of his gun, nothing happens, calls for the referee. On examination, the gun was found not to have been cocked,

A Victorian country club recently sought permission to conduct an open shoot and at the same time queried whether it was necessary to apply to the Association for date approval. All open shoots must be approved by the Association; this direction includes days on which Commonwealth, State and District championships are held as well as all days during which more than £50 is provided in any one event as prize money. Once a programme contains an event with prize money in excess of £50 for any one event, it must have Association approval.

A rather lengthy and somewhat contentious unsigned letter has been received at Association headquarters. This letter will not be published. As has been advised through these columns from time to time, the Association will take no notice whatever of mail matter which is unsigned.

A number of enquiries have been received for a "pre-view" of the Interstate Team scores. These will not

be made known until after the Executive Committee meeting later this month. At the moment of going to press, all scores are not in. Those which have been received, are sealed until finally dealt with by the governing committee.

The Postal Department has advised that a mail bag fell from the Sydney-Brisbane express recently. The bag

was later mutilated by a following train. Unfortunately the bag contained most of the copies of "News" for "beyond" centres in Queensland—that is, towns beyond Brisbane. Efforts will be made to replace those lost, on application to the Secretary of the Association. In some cases those who receive copies might be able to assist by passing the edition around.

The dates are 22nd to 31st January, inclusive; actual days and times appear elsewhere in this issue. nection with the Back to Jeparit festivities. On November 13 the club will shoot the North Wimmera D.B. Championship and at night the North Wimmera D. Rise title. Full details are as advertised. Enquiries to B. C. Witney (secretary), Box 13, Jeparit (Phone 198).

Information received from the Rainbow Club reveals that the club has decided on a slight change in connection with the programme for the Rainbow Grand Prix, on New Year's Day, January 1, from that advertised last month. J. Wishart Junr., the club secretary, advises: "After careful consideration the committee have decided to cut out yardage trophies and make seven cash prizes of £12/10/- each to 4th, 5th, 6th, 7th, 8th, 9th and 10th place-getters. The event will start at 9.30 a.m. sharp, and there will not be an eye-opener. The grounds will be available on Dec. 31st for practice. Visitors are assured of good fishing and swimming. Lake Hindmarsh, the largest fresh-water lake in Australia, is just 9 miles from Rainbow and is teeming with red fin. Rainbow has excellent tennis courts and bowling and croquet greens, and a modern filtrated swimming pool. With a prize list worth £1,250, the Rainbow Club are confident of a successful shoot and would recommend shooters to get their entries in without delay, as the field may have to be limited."

The Sydney Club at Waterfall, N.S.W., advertises details of a double championship series to be shot on November 20. The two main events are the Sydney single-barrel and Sydney mixed birds titles. Shooting will start at 1.30 p.m. Enquiries to A. H. Johnston (secretary), Box 27, Miranda, N.S.W.

The New South Wales Gun Club, with its spacious shooting grounds at Terry Hills, just outside Sydney, reports that its night lighting installations will be ready for service during the second week in October. The club invites shooters to enjoy the service provided and enquiries should be directed to Bert Nicholas (secretary) at 13 McLellan Street, Randwick (FX 4484).

Robinvale Club on the Murray will hold a day and night shoot on November 20. The day programme includes a £50 Trophy Handicap and

at night a £30 Cash Handicap, as well as many supporting events. The entire programme is inexpensive and should attract a big field. Details are as advertised. Enquiries to A. M. Telford, Box 78, Robinvale, or Fred Riggs (President), Box 91, Robinvale, V.

Joe Wishart, secretary of the Rainbow Club in Western Victoria, advises that a forend off a double-barrel gun, probably a Beretta, was left at Rainbow club grounds following the club shoot on September 18. Owner can secure this by applying to J. Wishart Junr., Box 50, Rainbow.

A report from the Footscray Club (V.), which conducted a charity shoot for Footscray & District Spastic Children's Appeal, indicates that the club had a most successful function. Altogether a total of £1,028 was received as a result of the fixture—this total must surely be a record for a single afternoon shoot. The club wishes to thank all those who gave their services and cash for this worthy charity.

The Bega Gun Club (N.S.W.) has affiliated with the A.C.P.T.S.A. Secretary of the new formation is N. F. Anderson, Prospect Street, Newtown, Bega, N.S.W.

The Townsville Club in North Queensland will stage a big two-day shoot on Saturday and Sunday, November 27 and 28. On the opening day skeet will be shot, with the Queensland Skeet title as main event. On November 28 the Commonwealth Single-barrel Championship and a £100 Handicap are main attractions. Full particulars as advertised. Enquiries to Fred Blackman, secretary, Box 415, Townsville, Qld.

organization. The club will be known as the Mudgee Gun Club. A. N. M. Taylor, of the Town Hall Hotel, is main convener.

Ted Wedgwood, the Coffs Harbour (N.S.W.) club's official correspondent, records a sporting action of unusual character at his club. Ted writes: "At a club trophy shoot recently, an act of sportsmanship was witnessed which deserves recording, if only for the fact that clay pigeon shooting engenders such ideals. A shoot-off was necessary for a trophy and one contestant, who is no longer young, was giving his younger opponent the 'worries'. However, from excitement or maybe exhaustion, the oldster collapsed on the track and had to receive attention before he could get to his feet. He missed his bird and the younger man won. At presentation time later in the afternoon, the trophy was duly presented to the winner and in a spontaneous action he presented the trophy to the veteran. Remarking that the veteran should have won, as he, the winner, thought he got a kill given him and reckoned it was the wad the referee saw. The round of applause and the pleasure afforded the veteran was some recompense for the winner's action, who proved himself a 100% sportsman."

The Pelican Creek Gun Club (Q.) has affiliated with the A.C.P.T.S.A. Secretary of the newly affiliated unit is C. K. Cooper, of "Scotstoun", Aramac, Qld.

During the progress of the New South Wales Interstate Match shoot at Hay recently a pleasant function was performed by President of the Hay Club, Jack Houston, when he made presentations to Mr. and Mrs. Les McKinney. Les is secretary of the Hay Club, and he takes great pride in preparing the grounds for shooters. In this he makes a garden setting a feature and all who visit Hay enjoy Les's garden effect, even if they are not successful in grassing the elusive clay. Mrs. McKinney takes equal pride in ensuring that catering arrangements are in keeping with the club's great reputation in this regard. The McKinneys have done much for the Hay Club and recognition of their efforts was well merited.

The Yass Club (N.S.W.) will shoot the Southern Districts of N.S.W. Double-rise and Walk-up championships, with a good supporting programme, on November 13. Full details are as advertised. Enquiries to B. L. James, secretary, Yass, N.S.W. (Phone 166).

T. R. (Dick) Wightman has relinquished the position of President of the Camberwell Club (V.). The position has been accepted by Roy W. Johns. J. Rayner has also taken over the secretaryship from Fred Byers.

The Frankston & Peninsula Club, on Mornington Peninsula (Victoria) will hold an official opening series on November 20. W. (Bill) Twyerould, well known to Victorian shooters of the pre-war era, has been re-elected President of the Club, and he extends a cordial invitation to all metropolitan (Melbourne) and others to visit Frankston on that day. Proceeds will go to the Orthopaedic Hospital at Mount Eliza. The club advertises its programme.

Congratulations to Buster Schmidt on winning the Club Mug, also to R. Coulson and D. E. Young as the best 12 and 13 yds. for the day. J. Crouch and S. Stewart appeared to be in top form. We take this opportunity to say "Welcome" to Stan Cripps, our new Treasurer, who had his first day at the shoot on Sunday.

The Cunnamulla Gun Club conducted their first South-West Qld. S.B. C'ship on Saturday and Sunday, and was favoured with almost perfect weather conditions on both days. There were 38 competitors, visitors being present from Goondiwindi, Roma, Surat, South Coast and Bourk, arriving both by cars and private plane. We were disappointed to see some of our local members missing and other close clubs not represented. E. Geary shot very consistently to win the Championship Sash and Trophy. The shooting was of usual high standard and some

High Gun over two days won by T. Stone—Trophy by Mr. W. Schiewe.

Our younger members seemed to be in top form and proved tough competition, particularly G. Prow. Congratulations to visitor T. Stone on winning High Gun over two days with a possible 144/150. We take this opportunity to welcome three new members, J. Vetter, I. Fraser and C. MacDonald. Incidentally, readers, the yarns told by both visitors and locals at the Buffet Dinner Saturday night and on the grounds on Sunday after the presentation of the Trophies were well worth hearing. — A most enjoyable week-end for all, thanks to generous supporters who donated trophies, caterers, workers, local and visiting shooters, not forgetting willing helpers when the trap broke down.

MORWELL-YALLOURN (V.), 25/9/54. — Weather conditions: fine and warm. Results: No. 1, 5-bird P. Dec.: O. Ayton (Dunbalk), J. Oliver

Davey (Morwell).

One of the best shoot-offs were seen on Saturday at the Morwell ground between Charlie Budge and R. Glover of Sale. Charlie has an unfinished 68 straight.

24/7/54. — Weather conditions: fine and showery. Results: No. 1, 5-bird P.D.: div. J. Budge, H. Pearson, J. Hudson, P. Spinks. No. 2, 10-bird D.B., Case Cartridges: div. L. Robinson, L. Mason, O. Ayton, H. Austin. No. 3, 10-bird P. Dec., Carv. Set and Clock: 1st, C. Budge, 41/45 pts.; 2nd, S. Gude, 40/45 pts.

Shooters had a good day, but the programme was delayed at times due to heavy showers. The wind played many tricks with the birds, as the results showed.

28/8/54. — Weather conditions: very good. Results: No. 1, 5-bird P. Dec.: div. L. Bourbaud, P. Rowley, T. Gleason, J. Hudson, J. Hansen, T. Peterson, J. Budge, L. Elston. No. 2, 15-bird D.B., Club C'ship (10 div.): 1st, T. Gleason (Sale), 51/51; 2nd, C. Budge (Morwell), 50/51; 1st prize, Case Cutlery and Sash. No. 3, "Ultra" Trophy, 15-bird D.B. (10 div.): 1st, D. Cahill (Moe), 22/22; 2nd, J. Lowe (Drouin), 21/22.

The club held their Club D.B. Championship and "Ultra" Trophy event, and a very good day was had by all. Highlight of the day was the shoot-off for the Club Championship by ten shooters. The club hopes to have their new ground with two automatic traps completed and in use before Christmas.

CAMBERWELL (V.), 25/9/54. — Weather conditions: good. Results: No. 1, 5-bird S.B. Sweep: div. V. Dudley, L. Turner, G. Walter, A. J. Byers, L. Davies, J. McInnes, R. Johns and G. Stainton, each 10/10. No. 2, 10-bird D.B. H'cap: 1st, Sylvester Schlitz (Quambatook), 42/42:

2nd, Cyril, 41/42; 3rd, Ross Smith, 24/25; F.M., F. Hakey, 21/22. No. 3, 5-bird Points Dec.: div. G. Walter, R. Johns, W. Bray, F. Skate, Des O'Callaghan, each 15/15 points. No. 4, 5-bird Points: div. G. Walter, Des O'Callaghan, H. Sweeney, G. Stainton, F. Skate, D. Mansell, each 15/15. Highest break, S. Schlitz (Quambatook).

A good muster turned up on the 25th Sept., despite many counter attractions, and spectators were treated to some clever marksmanship in the main event, won by a Quambatook farmer in Sylvester Schlitz, a comparative beginner, but can "he" shoot those clays—52 straight and a total of 58/59 for the day. Shooters will see more of him in the future. Mrs. Fankhauser won the Ladies' Trophy. The ladies must be congratulated on the fine afternoon tea. Pleasing to see Des O'Callaghan again handling that "auto" with his accustomed skill. Des before the war was one of the State's best shots. H. A. Phillips was welcomed back.

11/9/54. — Weather conditions: strong N.W. wind, light good. No. 1,

5-bird D.B. Sweep: div. L. Davies, V. Dudley, Fred Thatcher, J. McInnes, A. W. Alley, A. Brenk, T. R. Brown, A. J. Byers, each 12/12. No. 2, 15-bird Points Dec.: 1st, A. H. Brenk, 45/45; 2nd, Fred Thatcher, 92/93; 3rd, A. Mansell, 91/93; 14/16 ydr., Cyril, 43/45; 12/13 ydr., W. Hunter, 51/57. No. 3, 5-bird D.B. Sweep: 28 possibles and after long shoot-off in the dark, was div. A. H. Brenk and Fred Thatcher, each 13/13.

The windy conditions did not keep the shooters away; 40 turned up and had a good shoot. Eddie Brenk and Fred Thatcher both finished the day with 56 break unfinished. They never missed a bird for the day. They should have gone to the interstate team shoot. Thatcher is a much improved shot over the traps. Our popular President "Dick" Wightman is retiring after a very strenuous and grand three years; he will be sadly missed at the helm; he has made this one of the best metropolitan clubs at present. Good luck, Dick. We'll welcome you back any time you wish.

DROUIN (V.), 18/9/54.—Weather conditions: cold and showery. Results: No. 1, 10-bird D.B. Sweep: div. T. Pedersen, C. Budge, R. Glover, L. Elston, H. Guyatt, all 10/10. No. 2, 20-bird D.B. Club C'ship: 1st, L. Swain, 25/25; 2nd, L. Schlipalius, 23/25; 3rd, 37/38, H. Guyatt. No. 3, 5-bird P.D. Sweep: div. J. Lowe, L. Swain, D. Maddock, C. Budge; best 12 ydr. for day, W. Colquhoun.

The D.B. Club Championship was held in cold and showery weather, only two shooters finishing with the possible. In the shoot-off Len Schlipalius missed his first and third birds, whilst Lloyd Swain continued on to shoot his five birds straight. The shoot-off for third placing saw Herb Guyatt have to grass a further 18 birds before he could beat veteran Les Elston. The club is holding their S.B. Championship on the 18th Oct., when it is hoped that better weather conditions will make shooting less difficult.

GERALDTON (W.A.).—Clay pigeon shooters, numbering approx. 70 from all clubs in Western Australia, participated in a series of championship events fired on the grounds of the Geraldton Clay Pigeon Shooting Club last week-end, 28/8/54, the fixture being an unqualified success from every aspect. Conditions throughout were almost perfect, except for a slight cross wind. Preceded by a 3-bird barrel warmer, shooting began on Saturday morning last with the Great Northern District D. Rise C'ship (12 pairs of birds off 16 yds.). W. R. Elliott (Geraldton) and E. Metcalf (Perth) each shot 11 pairs, and after a shoot-off was won by the latter.

The proceedings were officially opened early on Saturday afternoon by the Mayor (Dr. J. McAleer), following which firing in the State Deauville Double C'ship was begun. W. R. Elliott and G. Elliott (Geraldton) tied with N. J. Glass and H. W. Teakle (Geraldton), 19 pairs, and in a shoot-off W. R. Elliott and G. Elliott excelled in securing the possible. N. J. Glass and H. W. Teakle were the runners-up and C. Mitchell and K. Goulden finished 3rd.

On Sunday morning the Great Northern District Walk-up (20 birds)

OBITUARY

Profound regret is expressed at the passing of Mr. J. R. Schutt, who answered the final call early in September.

Mr. Schutt was a sportsman in the truest sense of the word and his influence on the sport of clay pigeon shooting in its early days in Australia was pronounced.

In the pre-war era Mr. Schutt was a regular competitor at all the Nobel Club fixtures, as well as at many other clubs.

He served for several years on the Executive Committee of the A.C.P.T.S.A. and at one stage was a joint guarantor for the Association.

Mr. Schutt was managing director of Messrs. Schutt & Barrie of Geelong Road, Footscray, V., and a brother of the late Judge Billy Schutt, a prominent figure in the legal sphere and also a prominent Australian Rules League footballer.

The deepest sympathy and regret is expressed to Mr. Schutt's relatives.

was decided, the winner being C. Ferguson (Perth); R. W. Maslen (Geraldton) and T. Young (Kataning) tied for 2nd, and in a shoot-off Maslen gained 2nd place, with Young 3rd. The concluding event, the State Mixed Birds C'ship, was also conducted on Sunday last. It resulted in a victory for R. Carter (Cunderdin), with C. Ferguson (Perth), 2nd.

Women's trophies were won by Mesdames B. Gratte, J. Heal, Forbes and F. Cottam, whilst a special award was made to Miss Diana Williamson, who was the only feminine competitor in the championships. On both days of the fixture afternoon tea was served by ladies of the local club.

Werrimull Gun Club wishes to thank all shooters from near and far for their attendance at our first day and night shoot. Although the wind was cold and dust rose, shooters were in good spirit. Our main shoot, 10-bird D.B. Trophy, went to young Don Bruce of Mildura, with T. Ribarits (also Mildura), 2nd. Good luck, boys, and good shooting. 49 shooters.

TULLIBIGEAL (N.S.W.), 18/9/54. — Weather conditions: windy, following birds. Results: No. 1, 10-bird Eye-opener: F. Singleton, D. Osborne, W. R. Johns, H. Anderson, L. Sim, H. Sim, Alan Tyack, L. Laneyrie, R. Selems, J. Dillon, W. Ridley, R. McNamara, R. Bushby, A. Martens, A. Tyack, W. Gifford, 10/10. No. 2, Sth. Western District D.B. C'ship: 1st, F. Singleton, 55/55; 2nd, M. Webb, 79/80; 3rd, Mick Smith, 78/80; 12 yd. Trophy, D. Lucas, 49/50. No. 3, Sth. Western District Mixed Birds C'ship: 1st, Mick Smith, 20/20; 2nd, Newton Thomas, 30/32; 3rd, C. Campbell, 39/45. No. 4, £50 H'cap: A. Tyack, C. Campbell, Newton Thomas, W. Gavel, F. Barnes, F. Singleton, B. Gordon, 15/15.

One of the best shoots held at Tullibigeal; visitors present from Griffith, Leeton, Narrandera, Grenfell, Sydney, Melbourne, Barellan, Condobolin, Bathurst and Cobar. Very fine shooting was witnessed by

the large attendance of spectators, the first two squads in the D.B. Championship only dropping 3 birds in 200; 15 shooters shot the 20 out of a field of 29. Frank Singleton is to be complimented on a faultless 55/55; he was master of the situation from start to finish. Then a duel between Merv. Webb of Leeton and Mick Smith of Sydney began to decide 2nd and 3rd; Webb, with a near miss, shot one about 2 ft. off the ground and then went on to 79/80 to take 2nd trophy. Roy Johns, a cousin of the secretary's, shot well to put up a break of 55. Well done, Roy, and thanks for the assistance.

In the Mixed Bird Championship Mick Smith was the only one to shoot the possible. Mixed birds seem to be his long suit, this being the second or third one that he has won. Newton Thomas only missed one in the shoot-off to take 2nd. Eric Evans (Griffith) and C. Campbell (Bathurst) shot the Walk-up and Double Rise, but missed in the Single and Double Barrel. Evans, missing a double barrel, left Campbell the winner. On the presentation of the trophies to the winners, all who received them complimented the club on the high standard of the trophies and predict bigger and better shoots for the Tullibigeal Club in the future. A hearty vote of thanks was accorded Mrs. Grinter, who donated 1st trophy in the Double Barrel, also many thanks to E. Bruce and B. Pollard (Mildura) for 2nd and 3rd trophies. A very fine afternoon tea was served by the wives of the shooters.

HOBART (Tas.). — Commonwealth Championship meeting, September 25. H. M. Eddington of the Hobart Club, with a possible score of 40/40, annexed the blue ribbon event of clay pigeon shooting when he won the Commonwealth D.B. Championship at Brighton on Saturday, Sept. 25. The event was part of a two-day programme sponsored by the Hobart Gun Club. Shooters from all gun clubs in the State, and three Victorian marksmen, contested the four events on Saturday.

In the Championship, Eddington and R. Rockliffe of Launceston were leading at the half-way mark with possibles of 20/20. A. Nelson, J.

Blake, J. D. Bryan and G. Gourlay were next with 19/20. At the 30 mark Eddington and Rockliffe still had possibles. It was a tense last round, and possibly over-anxiety on Rockliffe's part robbed him of victory as he missed a bird in the final 10. Nelson and Blake hung on to add 10 each, making their scores 38/40. The shoot-off for third place went to Nelson, when he added 15 straight for the remarkable total of 53/55. Fifty-seven took part in the shoot yesterday. J. Blake of Cressy provided excellent shooting when he carried his previous day's break to 147 straight.

The Tasmanian team in the interstate contest compiled an aggregate score and was three up on its score of last year. The Championship trophies were presented by Mr. Eric H. Round, patron of the club. The title sash was presented to H. M. Eddington by Mrs. E. Nelson. Details:

COBURG (V.), Sept. 11th.—Inter-state Teams Match, 30 birds elimination: In this event Geoff Cookson was outstanding in a field of 81, with a score of 30/30 to win the event outright. He went on to carry off the high Gun Sash with a score of 49/50 in the Victorian team. Taking into consideration the gale that was blowing from the north, making shooting conditions as bad as they could be, Geoff's performance was the best that we have witnessed at Coburg for quite a long while. Results in detail as follows: 30 birds elimination: 1st, G. Cookson (Alexandra), 30/30; 2nd, F. Johnson, 40/42; 3rd, W. Finnegan, 33/35; 12/13 yds., M. Parrow, 20 birds D.B.: 1st, M. Attendance was not the best. Reason being that there was a storm about one hour before the starting time. All shooters were in good form, but G. Towne and S. Horne shot very well and proved too good in the main event. Sel Horne, who had got his 50 straight at Roma and won the £50 Handicap, has been very consistent for some time now and deserved his re-handicap to 14 yds. W. Proposch was always close to the money, and it won't be long before his handicap will be altered.

Football finals must have affected attendance, as there was not many shooters from surrounding clubs, but a good day's shooting was had by all. We expect to have the automatic trap in for future shoots and are hopeful of some more shooters attending the function.

AUSTRALIAN (V.), Sept. 4. — The small field contesting the £100 H'cap again endorsed the initial policy of the A.C.P.T.S.A.: "Keep the big money out of clay target shooting." My personal experience in amateur sport has been, when money creeps in, enthusiasm creeps out, and with it the true sports. What should be a pastime becomes a business, and as we have left behind a hectic five days of money making to seek relief in the wide open spaces, we are not again interested in clamouring for the filthy lucre on this, our day of sport. Ten-bird Trophy events were, and still are, the most popular. Some useful

household article with its added pleasure when presenting it to the hand that rocks the cradle, an embellishment hard cash does not so readily afford. Of the 30 entrants for this 40-bird event, E. Lawton, R. Hering and T. Pederson secured possibles and div. £50. For best score over the first 20 birds, £25 div. by the first three, plus J. Veall, L. Swain, R. Smith and A. Hamilton. For the best score over the second 20 birds, £25 div. by the first three plus G. Biggs, F. C. Johnson and T. Spall. The stiff — and there were quite a few with 9-10-10-9, their 20 in the wrong setting — shared the fresh air. A very high standard was maintained over the three events, J. Veall completing a break of 50, E. Lawton (Echuca) 60, R. Hering 60 straight.

A comp. div. on the opening s'stake was shared L. Murphy, E. Lawton, J. Lowe, T. Pederson, A. Crow (N.S.W.), R. Ayre, Reg McNamara (N.S.W.), K. Mark, R. Hering, E. Brenk, L. Swain, G. Stainton, R. Smith, A. Hamilton, J. Veall, 10/10. The final event was div. E. Lawton, Nimrod, J. Fogg, L. Swain, T. Spall, D. Glover, R. McNamara (N.S.W.), R. Hering, J. Lowe, R. Dale, J. Veall, G. Stainton, 10/10.

At the annual meeting Geo. Biggs again accepted the presidential chair. He will have as Vice-Pres. Aub Johnson, G. Anderson, C. Cornish; Com., Frank Johnson, T. R. Brown, Ross Smith, J. Veall, R. Andrews, G. Stainton and R. Grosby; Sec., A. Nolan. Financially sound, said the balance sheet, but expenses high; the new unimproved rating jumped from £5 to £65. A shoot now costs £13. R. Wightman, President of Camberwell Club, congratulated the President on his successful two years of office, and in reply of thanks Mr. Biggs spoke of the chosen site "Laverton" as being totally unsuitable for the important Olympic Games shooting event. Known as the windy west, that part of the country west from Melbourne to Geelong, is a wind-swept plain unsuitable for clay pigeon sport. Regulation height in this type of country cannot be maintained, and as this is a world-wide test of skill, in fairness to the competitors, a more wind-protected ground should be chosen. The Ladies'

night held in the Wattle Park Chalet was a great success, where Pres. and Com. entertained members and ladies. Dancing and musical items were enjoyed until midnight.

A pleasing attendance for these Championship events, with some fine shooting, particularly in the D.B., Frank Starling getting 50 straight to win. The trophy for the S.B. Dist. Championship was donated by J. Howard of Mt. Barker; this was a 400-day clock with a glass dome; the winner, K. Childs, a local lad, really earned this fine trophy, with 33/35. The weather smiled upon us for a change, remaining fine and clear all day and quite a picnic atmosphere prevailed, with lots of grilled chops being consumed. The ladies provided afternoon tea, which was most appreciated; many thanks to them for their support.

O'Donnell and R. Grant, 3/3. No. 8, Off Box: J. O'Donnell, 4/4.

A very successful shoot was held in spite of inclement weather. The number of shooters present indicated a successful future for the Derrinalum Clay Target Club, shooters being present from Mortlake, Darlington, Dundonnell, Camperdown, Noorat, Pomborneit, Skipton and Lismore. High Gun for the day was J. O'Donnell with 53/55, at one stage having 43 straight. Some very good shooting was recorded, although gusty winds at times varied the birds to some extent and made conditions tough for the best of shooters. Derrinalum Club welcomed a new shooter in C. Fletcher (late of Queensland).

(S. M. Lakey, Hon. Sec.)

BOOROWA (N.S.W.), 4/9/54. — Weather conditions: fine with gusty winds. Results: No. 1, 5-bird D.B. Eye-opener: div. J. Wales, L. Grogan, M. Corkery, J. Regan, M. Corcoran, P. Cusack, 5/5. No. 2, 10-bird (5 S.B., 5 D.B.): W. Warren, 9/10, won shoot-off. No. 3, 10-bird H'cap: P. Cusack, 1st; this is for a trophy donated by the club, which has to be won three times in all. No. 4, 10-bird Point Score: B. Johnson, 30 pts. No. 5, Box Sweep: W. Warren.

The attendance was good, although a lot more members could attend. The shooting was good; the trap was throwing the targets higher than usual and a strong gusty wind made the targets very difficult. On the day W. Warren, B. Johnson and P. Cusack were in top form, with P. Cusack winning the first heat of the Club's trophy. The shooting as a whole was of a higher standard than at previous shoots.

(J. P. Kellip, Hon. Sec.)

PORT FAIRY (V.), 18/9/54. — Weather conditions: sea breeze. Results: No. 1, 5-bird Opener: W. Gres-

selle, H. Smith, A. Treganowan, H. Peters, R. Wythe, R. D. Arnott, G. Mitchell, L. Millard, J. Poole, H. Vaughan, V. Coates, A. Kelsall. No. 2, 10 birds D.B.: 1st, H. Smith and J. Kinghorn, div. 1st and 2nd. No. 3, 10-bird Point System: H. Smith and A. Treganowan, div. 1st and 2nd, 29/30; R. Wythe and G. Mitchell, div. 3rd, 27/30. No. 4, 5-bird: J. Malone, W. Martin, J. Kinghorn, J. Poole, M. Nicholson, div. No. 5, Novice, 5 birds: F. Dumesny, 5/5.

Weather conditions were good considering time of year. The attendance was excellent and everybody had a very enjoyable afternoon. On one 5-bird shoot all men using automatic guns changed with men using double-barrel guns. This caused some excitement, with plenty of comments about their old guns. Shooters attended from as far as Cavendish, Hamilton, Portland, Warrnambool and Kororua. Thanks a lot, everybody that made the day a good one.

(A. Treganowan, Hon. Sec.)

CROYDON (V.), 21/8/54—Weather conditions: windy. Results: No. 1, 5-bird D.B.: div. J. Donovan, F. Emslie, V. Dudley, F. Skate, N. Kneebone, 5/5. No. 2, 10-bird Points: div. "Dick", J. McInnes, C. Good scoring all day in the high wind. J. Hagan the only one to get the possible in the main event. Five shooters missing one bird and Fred Skate going on to take second with 23/24. Mrs. Wightman won ladies' trophy.

Dull conditions made shooting a bit difficult for the start, but as the day brightened, less doubles were used, "Dick" taking the honours in the main event from Keith Smith. An

RAINBOW (V.). — Rainbow Gun Club put on an attractive programme on Sat., 18th Sept. The Grand Final of the Wimmera League Football held at Horsham the same day was responsible for a small attendance of regular shooters. In spite of that, some excellent shooting took place and once again the boys from Swan Hill district were conspicuous. 17 shooters cut the Eye-opener. The £50 H'cap was div. on the 15th round by 5 shooters, J. R. Strauss, J. Wishart, S. Drendel, T. Pearce and T. McLindon. A 10-bird H'cap event was won in grand style by Gilbert Knight from Berriwillock with 24 straight kills; J. Pearce (Nyah West), 2nd, 23/24; K. Wishart (Rainbow), 3rd, 19/20. A miss-out for Trophy donated by K. Wishart was won by R. Drendel (Rainbow), 22/22, when Club President W. Mark retired "not out". Night shooting followed. E. McMillan (Rainbow) won a "Nom" in the "Holden Car" shoot with 18/18. A. J. Clarke had to concentrate to toss E. Knight (Berriwillock) in a similar event and won with 30/30. But in the final event Clarke was beaten by M. Bryant (Nyah), who shot 23/23.

Work is in progress clearing trees for the new ground, and the club has fenced in an area behind the clubhouse and planted 60 trees.

A. M. TELFORD, HON. SECRETARY.
BOX 78, ROBINVALE, VICTORIA.

Box Sweep, from 20 yds.: C. Hall, 4/4.

Our usual club shoot was held in fine but rather dull weather owing to cloudy conditions. Attendance was fair, and shooting was below average considering that there were several good shots competing. The Club D.B. Championship was the main event, which carried a sash and three good trophies. Bill Warren ran out an easy winner with the only possible, whilst H. Howard and H. Anderson were 2nd and 3rd respectively after a short shoot-off with three others, who all scored 9/10. Congratulations once again to Bill Warren for his performance.

(E. E. Reeves, Hon. Sec.)

COFFS HARBOUR (N.S.W.).—On Saturday, 11th, our usual monthly shoot took place at Macaulay's Headland. We had a good roll-up and conditions were good, bright, with a slight nor'easter. Shooting was of a high standard throughout the afternoon. The programme, except for one 5-bird Skeet Sweep, was points. This gave members practice for the big shoot on Oct. 2nd and 4th, and most of them were certainly on the target.

Results: 5-bird Points Sweep: V. Wullemin, E. Wedgwood, Dick Seccombe, 15/15, div. Wedgwood Trophy, 15 birds Points: A. Herdegen and Bill Golden had to shoot off for this, and Bill had to pull a second on the 21st clay, leaving the result: A. Herdegen, 1st; Bill Golden, 2nd; Dan Seccombe, 41/45, 3rd; Rex Bennett, 40/45, 4th; best 12 ydr., Wal Keft. 5-bird Points Sweep: G. D. T. Seccombe, A. Herdegen, J. Knight, 15/15, div. new member, T. Yozzi, 10/8; 2nd, F. Bailey, 9/9; 3rd, O. Sanderson, 9/8. 2nd Event, 30-bird D.B. D.T.L. Club C'ship: won brilliantly by Jack McKinnon, 30/30. Jack has hit his straps this season; in a further 20 birds shoot he dropped his 50th bird. He looked a certainty to get a 50 break badge; however, the most important one got away, much to Jack's disgust. In this event Col. Ferguson, our President, broke 29/30, but on birds per cent. basis he didn't get in the money. Final result was Jack McKinnon, outright winner, Sash and Trophy, Club Champ. Birds per cent.: 1st, G. Smith, 35/2; 2nd, A. Wilson, our captain, 33; J. Conlan, 32/3, 3rd. In this event scores were all good; Perth members are all looking forward to the coming Championships to be held in Perth on the 2nd and 3rd October. Prior to that we will be invading Cuderdin for their big shoot on the 26th of this month. 3rd Event, 20 birds D.B. Down the Line from 16 yds., birds per cent.: won by the popular man of the club, our handicapper, Lex Smith; after his shoot, all members are agreeing with me that we need a handicapper for the handicapper. All members are glad to see Lex on his bird; the score was 24/4; 2nd, Graham Smith, a shooter who has also become a good each-way bet with 23/8; Tommy Holt, 3rd, 22/8. In this last 20-bird event one squad scored 98/100; let's hope they will be able to keep up these good scores in the forthcoming Interstate Teams Match.

15/8/54. — Weather good. No. 1, 5 birds: K. Barker, 1st, 9/10, after shoot-off with J. Steer, 8/10, and T. Hold, 7/10. No. 2, 10 birds Deauville Doubles, birds per cent.: T. Woodhead and R. Mead, 11/6, 1st; K. Barker and E. Metcalf, 11/5, 2nd; J. McAllister and S. Elliott, 11/2, 3rd. No. 3, 10 prs. Double Rise, birds per cent.: T. Blakely, 8/5, 1st; F. Bailey, 7/9, 2nd; J. Steer, 7/8, 3rd. No. 4, 10 birds Walk-up, birds per cent.: T. Woodhead, 12/5, 1st; P. Humphries, 9/8, 2nd; C. Ferguson, 9/3, 3rd. No. 5, 10 birds D.B.: P. Humphries, 11/8, 1st; J. Steer, 11/7, 2nd; S. Elliott, 11/4, 3rd.

D. Rise: G. Rudd, 5/5; E. Marks, 4/5.

Congratulations to Alec Purcell on winning the £100 Handicap. He has been the best 12 yarder in this event for the last two years. His young son Bill, aged 13, also put up a very stout effort; in fact, some considered him to be better than his father. Bill, using a single shot gun, was just behind the place-getters in the big events and shared in some 10 birders. No doubt he will be one of our leading shots in the near future. We also congratulate Russell Tibbitts on shooting 50 straight for the first time. This shoot was run for the benefit of the R.S.L. and a cheque

Despite a cold and showery night, a very good number of shooters attended. The highlight of the night was the fine performance by A. "Kelly" Easton with a break of 57.

Heavy rain during the day kept a lot of shooters away, but an enjoyable time was had by those who came along, particularly the hot supper provided by the ladies.

7/9/54.—Weather conditions: fine night. Results: No. 1, 5-bird D.B.: div. L. Martin, K. McLean, A. Simpson, S. Wilson, A. McGillivray, C. Wilson, Reg Hipwell, D. Bateman, 5/5 each. K. McLoughlan and N. Bottcher, 10/10. No. 4, Miss-out: div. A. Easton and K. McLoughlan, 6/6.

Feature of the night's shoot was the consistency of "Kelly" Easton, who finished the night with 50/52, and he was closely followed by Neil Bottcher with 47/49. Not a great deal of shooting took place, as there were quite a few novices turned up, so gave them some shooting and encouragement. As from September 28 we will be shooting every alternate Tuesday night.

(W. M. Wilson, Hon. Sec.)

KEILOR (V.), 18/9/54.—Weather conditions: windy. Results: No. 1, 10 birds D.B.: J. Senserrick, F. Furlong, M. Landers, R. Cornish, W.

Congratulations are due to Bill Williams, who obtained his 50 break, also the fine shooting of Fred Furlong, who shot a break of 46. It was also good to see front markers R. Wallis and R. Cornish shoot well.

21/8/54. — Weather conditions: windy. Results: No. 1, 5-bird D.B. (Comp.): T. Senserrick, F. Caurtero, F. Rosewaine, D. Glover, S. Page, div., 5/5. No. 2, 30-bird D.B.: F. Caurtero, 1st, 37/39; R. Glover, A. Torr, T. Senserrick, div., 5/5.

Today everyone had a cut or a div. in at least one event; it is good to

see Frank Caurtero bursting them, and his new "T" grade seems to be suiting him. We were glad to see our ex-secretary, C. Page, get a cut in the first event, and also the fine shooting of Dan Glover, who cut the 1st, 3rd and 4th events.

4/9/54.—Weather conditions: windy. Results: No. 1, 10-bird D.B. Sweep: M. Landers, J. Fewster, J. Senserrick, div., 10/10. No. 2, 10-bird D.B. Trophy: 1st, M. Landers, 22/22; 2nd, J. Mahon, 14/20, best 12 yd. No. 5, 10 pr. D.D.: C. Seis and D. Price, 1st, 10 pr.; A. Seis and L. Price, N. McGilp and M. Swaby, L. Winten and S. Dun, div. 2nd and 3rd, 9 pr. each.

The weather being a little on the windy side made conditions a bit on the tough side today, more particularly the sparrow events, as in the wind the small target played unpredictable tricks on the shooters.

(C. E. Flegler, Hon. Sec.)

TASMANIAN (Launceston, Tas.). — On Saturday, 21/8/54, the Tasmanian Gun Club conducted a most successful shoot at the St. Leonards Ground. Although weather conditions were adverse, 40 shooters attended from clubs throughout the State. Shooting in all events was very keen and a high standard was maintained. Highlight of the day was the outstanding performance of 14-year-old Peter Rockliffe of Latrobe. This junior broke 5/5 in the first event and followed with 20/20 in the £50 Handicap. At the conclusion of shooting, Club President W. Rainbird presented Rex Powell of Cressy Club with the Tasmanian D.B. Championship Sash won at the previous meeting.

Results: 1st Event, 5-bird D.B. S'take: div. P. Rockliffe, A. Birchall, R. Powell, W. Rainbird, J. Hart, N. Frith, E. Coleman, K. Littlejohn, V. Allen, J. Taylor, S. Baird, S. Bailey, J. Blake, 5/5. 2nd Event, 10-bird S.B. S'take, 12/15 yd. shooters: div. A. Birchall, V. Allen, R. Horton, 10/10. 3rd Event, 10-bird S.B. S'take (shooters over 16 yds.): W. Rainbird, 10/10; C. Poxon, N. Frith, 9/10, R. Rockliffe, A. Poxon, J. Blake, 8/10. £50 H'cap: P. Rockliffe, N. Frith, J. Taylor, J. Hart, V. Allen, S. Marshall, 20/20. (J. F. Bennell, Sec.)

LISMORE (N.S.W.), 4/9/54. — Weather conditions: good. Results: No. 1, 5-bird D.B. Sweep: 11 shooters, with possible 5/5. No. 2, 20-bird S.B. Trophy: W. Gorrie, 22/22, 1st; J. Bruggy, 21/22, 2nd; E. Hodge, 19/20, 3rd. No. 3, 20 birds D.B. Trophy, Points: A. Hicks, 59/60, 1st; H. Hodge, 71/75, 2nd; W. Richardson, 83/90, 3rd. No. 4, Legacy H'cap P.S.: K. Lee, 89/90, 1st; E. Hodge, 88/90, and A. Hicks, 88/90, div. 2nd and 3rd. No. 5, 10-bird D.B. Trophy: J. Bruggy, 34/34, 1st; J. Heiman, 23/24, 2nd; N. Gorrie, 25/26, 3rd. No. 6, 10 prs. Double Rise: C. J. Lee, A. Hicks, D. Powell, J. Neill, div., 6/10 prs.

Attendance below average owing to possibly an open shoot at St. George. Being a Legacy day, the attendance was disappointing. Kevin Lee shot well to take the Legacy Handicap with 89/90 points. Our sincere thanks to Clarrie and Mrs. Lee for the fine job of refereeing and scoring. Pleased to receive the Southport "boys" support and to see them taking home a few trophies.

(Sid Elphick, Hon. Sec.)

Due to a shortage of black clays, we were forced to use whites for the greater part of the shoot, which made shooting more difficult. We were pleased to see members of the Isisford Club, who travelled some distance to take part in the day's shooting. Thanks for the support, Isisford. Lloyd Walker shot well to win the Sparrows and the 10-bird S.B.

Recent Western Australian Championship Winners.

(L. to R.): Eddie Metcalf, Roy Carter, Geo. Elliott, Bill Elliott, Colin Ferguson (seated), Tom Blakely.

He scored the possible in each. Congratulations, Lloyd.

FRANKSTON (V.), 7/7/54. — Weather conditions: clear. Results: No. 1, 5-bird E.O., Comp. Div. 8th round: L. Baker, J. Twyerould, B. Baker, G. Oke. No. 2, 10-bird (5 bird Driven, 5 bird D.T.L.): I. Evans, No. 3, 7½-bird Deauville Trebble (drawn partners): W. Twyerould, R. Horwood. No. 4, 5-bird S.B.: div. I. Evans, R. Horwood. No. 5, 5-bird D.B.: div. A. Bryan, F. Hyde.

The day was good and so was the shooting. Bill certainly thinks up some good ones like his drawn-partner Deauville Trebble—same as usual except we let one from the plus trap in front of the auto straight at us. Same time as the pair left the auto. Wonder he didn't use sparrows. Congrats. again to Ian Evans. Good Berettas? Also to Len Baker's son. Watch out, Dad!

21/8/54—Weather conditions: rain. Results: No. 1, 5-bird D.B., Comp. Div. 8th round: div. I. Evans, E. Alaimo, A. Bryan, A. Saltmarsh, N. Miller. No. 2, President's Trophy, 20-bird Points Dec.: 1st, E. Alaimo, 68/75; 2nd, G. Oke, 67/75; 3rd, A. Saltmarsh, 60/75; Front Marker, A. Perrin, 52/75. No. 4, 5 pr. Double Rise: 1st, J. Perrin, 5/5; Front Marker, M. Thomas, 2/5.

Our Pres., Bill Twyerould, gave us a good day's shooting for his day at home. The weather was a bit unkind, but didn't stop Mannie Alaimo from seeing 'em and busting them. Congrats. and also to Jack Perrin, the handicapper wants to see your glen. The boys want to know if the building inspector has seen your steps yet? Thanks to all for our working bees. We need a lot more of 'em, so see you all there.

25/9/54.—Weather conditions: fine and cloudy. Results: No. 1, 5-bird Eye-opener, Comp. Division, 8th

Round: div. J. Twyerould, L. Swain, A. Bryan. No. 2, 20-bird D.B. Club Championship from 18 yds.: 1st, L. Baker, 24/25; 2nd, M. Hamilton, 22/25; Front Marker, N. Miller, 18/20. No. 3, 5-bird Silent Rise: div. R. Chipperfield and L. Swain, 5/5. No. 4, 5-bird S.B., 5-bird D.B.: G. Oke, 10/10. No. 5, 5-bird D.B.: div. J. Perrin and M. Hamilton, 12/12.

Not a bad roll-up of shooters. 20 started in the Club D.B. C'ship and the old-stagers battled it out. Mick let Len Baker in and he is now our D.B. Champ., but not for long. Judging by the way some of the new boys bust 'em. Bill Twyerould presented the trophies and again reminded the visitors not to forget to come again. That means all shooters. Len Baker thanked the ladies for their very good care of the inner man. Then we got on to a few from the fence. Don't forget third Saturday of every month.

(E. N. Miller, Sec.)

KATANNING (W.A.), 5/9/54. — Weather conditions: fine and cold. Results: No. 1, 20-bird D.B. D.T.L.: 1st, K. Norrish; 2nd, R. Aitken; 3rd, P. Martyn. No. 2, 12 Skeet Sweep: E. Brown, 1st; R. Aitken, 2nd.

This season's most successful shoot, with Neville Beeck and Keith Norrish shooting 55 straight off 16 yds. Being a country club, the members prefer Skeet and field events, and this 20-bird event, the first D.B. D.T.L. on the 1954 programme, provided surprises and particularly good shooting with two 50 breaks. Our ladies provided their usual excellent afternoon tea, and appreciate the improved amenities and facilities. A second auto trap is being installed for the annual championships, which has deferred the erection of a high tower for the time being.

(R. Young, Hon. Sec.)

Trout opening day shoot and a happy day spent by all present. Keen competition in the events and added pleasure to the social side of the day was given by visitors from Coburg, Shepparton, Yea and Eildon. The unfailing support of the Coburg boys, who were the guests for whom the first "Trout opening shoot" was put on some years ago, is a source of pride and pleasure to us all. Their sportsmanship and happy spirits always made this shoot one to look forward to. Nice to have Geoff Cookson and Bob Nicholson back with us after quite a long absence and also splendid to see Gordon McLeod in good form, with a borrowed gun. Club thanks to the ladies, and to Gordon McLeod for donating ladies' trophy.

U.S.A. SHOOTING

(From Rex Miles)

The 1954 Grand American is history. As I know many Australians will be interested, I am enclosing you reports from the Dayton, Ohio, newspapers. They had a record attendance of 2,009, officially correct. As you know, our State Shoot was held at Walla Walla prior to the Grand American. Strange as it seems, a tough shot like Riegger is, he seems to get beaten for State Championships; this year and last year he finished in the runner-up position. Stan Brock of Walla Walla broke 198 to win. Riegger broke 196. Brock also won the doubles. Riegger won the All-round Championship and Class AA on the first day with 199/200. Following our State Shoot, the Grand Pacific was held at Spokane Gun Club. Riegger really cleaned up, he won every one of the championships, singles, doubles, handicap and all-round, and was, of course, high-gun on all targets.

Grand American (from Dayton papers):

"VANDALIA, Ohio, Aug. 28 (AP).

This Miami valley village pulled the cotton from its ears today and settled down to quiet normalcy as the Grand American trapshoot ended the biggest shotgun barrage in its 55-year history.

More than 2,000 shooters from all parts of the United States and Canada fired 1,166,900 12-gauge shells in competition here the last eight days.

The total targets thrown, including practice rounds and shoot-offs, approached 1,500,000.

In today's wind-up events, Maynard B. Henry, 39-year-old Los Angeles attorney and the new president of the Amateur Trapshooting Association, broke 99 of 100 to win the national doubles championship. Franklin Westover of Centerville, Ind., broke 98 from 20 yards to triumph in the Vandalia open handicap.

Tied for second in the twin-target race with 97 were E. H. Henke of

Ventura, Calif., Bud June of Scotts Bluff, Neb., and Arnold Riegger of Seattle, Wash.

Seven sharpshooters tied at 97, one target off the pace in the handicap.

In a shoot-off Joe Junglas, Easton, Pa., finished second; Charles J. Parkinson, London, Ont., Canada, third; Richard Webber, Thiensville, Wis., fourth, and James C. Anderson, Franklin, Ohio, fifth.

Others in the 97 bracket were Dale Brown, Heppner, Ore., and Ray Wackler, West Milton, Ohio, and George A. Buck of Beardstown, Ill.

Riegger, who won four titles during the week, wound up as the individual star of the 1000 target barrage by breaking 975 of 1000 targets for the overall championship.

Julius Petty of Stuttgart, Ark., who led Riegger by four targets going into today, lost a dozen to the west coast marksman in today's two races and finished second with 967.

Iva Pembridge, the 29-year-old schoolteacher from Phillipsburg, Kan., won the women's overall title with 946 out of 1000, taking the Mrs. Frances King trophy for the third time in four years to gain permanent possession of the \$1000 cup.

Helen Watkins, Wasco, Ore., farm woman, was second with 928.

The junior overall crown went to Nick Egan of Flushing, N.Y. The 14-year-old boy won Friday's Grand American handicap, the number one feature of the week.

Egan defeated Paul Wright of Optima, Okla., and Baxter Moore of Tillamook, Ore., in a shoot-off after the trio had tied at 949 of 1000. Cliff Doughman of Morrow, Ohio, nosed out Don Flewelling of Harvey, Ill., 959 to 958, for the professional overall title.

The all-round championship based on the 200-target 16 yards North American clay target championship, the Grand American handicap and the national doubles, went to Henry, who broke 389 of 400.

Riegger and Bob Allen of Des Moines, Iowa, tied for second, a target behind. Miss Pembridge won the women's crown with 366. David

Brooks of Kewanee, Ill., led the juniors with 382, and Doughman topped the professionals with 386.

Riegger, who shot all of the preliminary and championship programme, was involved in at least six shoot-offs during the week, won the preliminary doubles title, the champion of champions, the class AA and the high overall."

ELEMENTARY OPTICS

Many shooters have discovered that their sport can be made easier and more interesting with the aid of a telescope, field glasses, or binoculars, and in some branches of shooting such as deer stalking and on the rifle range, an optical aid of some sort is almost indispensable. The rough shooter and wildfowler will derive much advantage by spotting his game at a distance, and will be able to increase his knowledge of wild life if he carries a glass, and these notes are offered to assist him in choosing an instrument best suited for his purposes.

Telescopes, binoculars, field glasses and rifle 'scopes are all telescopic instruments, and all function in the same basic manner. An astronomical telescope is the simplest form, and as no light need be wasted on lenses or prisms to erect the image, objects are seen upside down. Terrestrial instruments are slightly more complicated. A large objective (or entrance) lens receives light from the target, an erecting system of lenses or prisms turns the image the right way up, and an eyepiece lens magnifies and adapts the light to the observer's eye. Rifle 'scopes require an image in line with the target, and image erection is effected by a somewhat lengthy system of lenses. Binoculars have a "stepped" prism erecting system that is more compact, and the advantage of wide double objectives that give a useful stereoscopic effect, i.e., the image appears to have "depth".

The magnification of an optical instrument is obtained by dividing the diameter of the objective aperture (or lens) by the diameter of the eyepiece (or exit pupil), and the larger the eyepiece (up to the diameter of the human pupil, say $\frac{1}{2}$ in.) the brighter the image. A glance through a telescope or binoculars will show an apparent circular field of about 30 degrees, but the actual field of view is the apparent field divided by the magnification. Thus a high magnification will both restrict the field of view and reduce the brightness of the image. There is

no such thing as a compact instrument with a high magnification, and a wide field of view, and a bright image, any more than there is a .410 gun that will fire an ounce of shot. As with a gun, an optical instrument should be chosen of sufficient power, but no more power than is necessary for the purpose intended. For practical shooting and bird watching, image brightness is more desirable than very high magnification. The following table gives the relative brightness values of the more common instruments:

Magnification	Diam. of Objective mm	Relative Brightness
4 X	20	25.0
Remarks: Rifle 'scope		
6 X	25	17.6
6 X	30	25.0
7 X	35	25.0
Racing glasses for day use		
7 X	50	50.4
Best all rounder day/night		
7 X	60	72.75
Bird watching, heavy		
8 X	30	14.3
High power race glass		
9 X	35	14.4
High power		
13 X	60	21.2
Stalking 'scope		
20 X	40	4.0
Stalking 'scope and/or rifle range		
20 X	55	7.9
Stalking 'scope and/or rifle range		
35 X	60	2.9
High power telescope		

Supported 'Scopes.

It should be remembered that all instruments with a magnification greater than 8 X cannot be held in the hand, and need a rest or tripod. A deerstalker traditionally supports his telescope on his stick, and a range spotting 'scope is always fixed on a rigid tripod to keep the target in the very restricted field of view. The severely limited field of view of a high-power telescope is a great disadvantage, and can be very tiring to

the eye. A power of 15 X is needed to read 1-inch letters at 100 yards, and 30 X to read them at 200 yards, and so on.

Average "racing" binoculars are 6 X 30, and are good enough for watching horses, but birds are much smaller targets, and the happiest compromise of power, relative brightness, and size is 7 X 50. This is fairly expensive in binoculars, but it is a really excellent instrument for all-round use, and is quite effective after dusk or in moonlight. The writer's own choice for shooting, bird-watching, and all purposes is a 7 X 50 monocular of 20 ounces. It is half the size, weight, and price of the equivalent binoculars, has the same optical efficiency, and may easily be carried in the jacket pocket. From the above table it would appear that the 7 X 60 is the best instrument, which of course it is from the optical point of view, but it is very expensive and bulky. It is ideal for a wealthy bird-watcher, but too heavy to carry at the same time as a gun and cartridge bag, etc.

For Deer Stalking.

For deer stalking, an extending telescope with a power of 12 X to 20 X is usually chosen, and is usually rested on a rock or walking stick. The 20 X will clearly show a deer at three miles. The .22 rifle is not normally used over 100 yards, and 2½ X is quite sufficient power for a small-game rifle 'scope. Big-game rifles which may be used on moving targets may be fitted with a 4 X 'scope giving a 30-foot field of view, and a 6 X 'scope is often used for mountain shooting at static targets.

Good quality articles are seldom cheap, and a pair of fine quality prismatic binoculars may cost as much as a medium price gun. There are from 10 to 14 optical surfaces in each half of a pair of binoculars, and each one has to be ground to microscopical accuracy, and fitted with meticulous care to ensure optical perfection. The objective lenses in good glasses are compound or achromatic (two or more lenses cemented together) to correct colour aberration, and any instrument that shows a "rainbow" fringe to the image is necessarily a poor one and should be rejected however cheap it may be.

The latest modern refinement in optical instruments are "bloomed" lenses . . . originally introduced for high quality military gun sights. An exceedingly thin coating of magnesium fluoride on each air to glass surface increases the light transmitting power up to 50 per cent. by reducing surface reflection. With glasses so treated, it is possible to see a clear image without glare against a bright sunset. If it is intended to take binoculars (or cameras) to the tropics, they should be kept in a humidor, or be fungus proof. In humid climates the cement of the lenses is attacked by a fungus which in time renders them opaque, and so makes the instrument useless until it is sent to the makers for an expensive overhaul.

It is an advantage if each half of a pair of binoculars can be separately focussed for the user's vision, and there should be an eye guard properly designed to hold the eye in the centre of the exit pupil, and wearers of spectacles can now get an instrument specially designed for them.

In order to obviate the risk of injury to the eye from the recoil of a rifle, rifle 'scopes are designed with "eye relief". This is the distance from the eye to the eyepiece and is usually from 1½ to 4 inches. In general, the higher the magnification, the smaller the eye relief.
