The President and Executive of the Australian Clay Pigeon Trap Shooting Association extend Seasonal Greetings and Best Wishes for 1955, to all affiliated clubs and registered shooters in the Association and also to the many well-wishers in distant parts of the world. All hope for better shooting in the future, and brighter times for all.

With interest quickening on events of the future, it is advised that the Association's national championship and International series, has been fixed for the period March 11 to 15, 1955. The series will extend on this occasion over four days and one night, starting off at 10 a.m. on Friday, March 11, followed by a night shoot on the same date. A new event has been decided upon for the first-day series, this to be known as the National Single-barrel Championship. Mr. W. Rainbird of Launceston, Tasmania, has presented a valuable cup, for perpetual competition, in this event. The winner will retain the cup for 12 months. The National single-barrel title will be followed by a £100 Handicap on March 11 and the night series will also be under handicap conditions. The National Double-barrel title will be the only event listed for decision on Saturday, March 12. This will be shot at 60 targets from 16 yards. The first 30 top scores in the National Double-barrel title will automatically represent Australia in the International Teams' Match against England, Ireland, New Zealand, Scotland, and Wales. It will be noted that the International Team complement this year has been raised from 25 to 30. This has been brought about by the International Committee restricting teams to fifteen, all scores to count. Australia and England, and possibly New Zealand, will now enter two teams, which is allowed under the rules of the competition. The International Teams' Match (Australian section) will be shot on Monday, March 14. This will be followed by

the Grand Australian Handicap of £200, Commonwealth Teams' Match, teams of four men from any affiliated club in Australia, will be shot in conjunction. The Club Teams' Championship, teams of four men, from any one club, will be shot in conjunction with the National D.B. event. The coveted Champion of Champions Cup and A.C.P.T.S.A. Intermediate D.B. title will be decided on the final day, Tuesday, March 15. The programme has been carefully selected and entrance fees kept at a low minimum. Shooters taking part will enjoy the best shooting possible at the lowest cost.

The series will take place on the grounds of the Australian Gun Club at East Burwood, Victoria. Competitors and their families will be entertained by the Association at a buffet dinner on the evening of March 12.

The annual meeting of affiliated club delegates will be held at Scott's Hotel, 444 Collins Street, Melbourne, C.I., commencing at 10.30 a.m. on Sunday, March 13, 1955. Only accredited delegates will be permitted to attend the meeting. Each club is permitted one delegate to represent its interests at this meeting. Name and full address of such delegate must reach the Secretary, A.C.P.T.S.A., Box 2038 S, G.P.O., seven clear days prior to the meeting.

Nominations for all offices in the Association close with the Secretary,

A.C.P.T.S.A., Box 2038 S, G.P.O., Melbourne, C.I., at 6 p.m., on December 31, 1954. Similarly all Notices of Motion, having reference to the rules, are also required to be lodged with the Secretary, A.C.P.T.S.A., not later than 6 p.m. on December 31, 1954.

During the recent meeting of the Association Executive Committee a number of important matters were discussed. Reference to matters, which are the concern of clubs and registered shooters, is made in the following paragraphs.

Registration Cards — Shooters' Handicaps. Every shooter, competing in club and open events, is required to carry his current Registration and Handicap Card, issued by the Association. This card should be presented, on all occasions, when making entries. In cases where no handicap is shown on the card, the shooter concerned should ensure that his mark is shown. Unknown shooters should be immediately placed on 16 yards. Any amendments to handicaps must be advised to the Association within three days of such amendment being made and the reason given. A shooter may be re-handicapped at any time.

Open Championship Conditions. Clubs granted open championships, that is Commonwealth, State or District, are required to obtain Association approval of the date before holding or advertising such event. The same applies in all cases where an amount of over £50 is allotted for any one event.

Standard Equipment. Some clubs are known to be not obeying the Executive Committee direction regarding the installation of standard equipment. The direction is that all clubs are required to instal concrete blocks, ten yards in front of the trap. Also, all clubs are required to have a standard measuring stick as part of their equipment, for the purpose of measuring the height of targets. A margin tolerance of not more than 18 inches, above and below, the regulation height of 9 feet, 10 yards from the trap, is permitted. Clubs concerned should immediately arrange for the foregoing installations.

Sweepstake Deduction. The permissible deduction from sweepstakes allowed to be taken out by clubs is to be not more than 50 per cent., inclusive of targets. No deduction from optional sweepstakes attached to open championships (Commonwealth, State and District) is permitted.

Double - Rise Competition. All double-rise shooting, either in championships or club events, is to be shot five track, squad system, and not single (centre) track.

Standard Shell for Championships. Shells used in all championships (Commonwealth, State or District) are restricted to 1½ oz. of shot, struck measure, or its equivalent. Shells marked by the manufacturer, as complying with this regulation are approved.

Break Badges. As from November 1, 1954, breaks will be recognised by the Association only if compiled on the one day, or on successive days when a club is conducting a more than one-day fixture. Shooting in other than down-the-line double or single-barrel events is not acceptable for break recognition, nor is practice allowed. All shooting must be done in actual competition. Score sheets, confirming the break, must be submitted to the Association before any break claim will be recognised.

"News". Advertising rates for Clubs will be increased by £1 per full page as from the first issue in 1955. This will make the rates £5 per full page, £3 per half page. For trading houses the rates are higher.

Shooting at Other than Targets. The Association has decreed that no shooter shall discharge a gun on any grounds whatever other than at a legitimate targets. Shooters firing at passing birds or other game on any shooting grounds will be fined £1 for the first offence and for a second offence the matter is to be reported to the Association.

Walk-up Conditions. Shooters taking part in walk-up events — that is, Club or Open Contests — are advised that these competitions are shot singly from the centre track. Squad system does not prevail in walk-up

competition. The conditions governing walk-up shooting are again outlined for the benefit of any who have any doubts on the point. They are "competitor to have gun loaded and ready to commence his walk from the 22 yards mark. The competitor advances at ordinary walking pace—to shuffle or walk slowly is a "no-bird". The clay target is released between 20 and 15 yards, the mark to be unknown to the competitor, being pre-determined by an indicator, or dice arrangement, and is determined each bird the competitor is to shoot at. The gun is to be held in any position consistent with safety provided the breech or loading mechanism is not held higher than the waistline. The waistline for this purpose to be defined as "a line with the top of the hip-bones". Club managements are requested to ensure that the above conditions prevail in all walk-up competitions.

Maximum Handicap Mark. The maximum handicap mark for any shooter registered with the Association has been fixed at 25 yards.

Affiliation and Registration Fees, 1955. Club affiliation fees (Clubs only) of £1/1/- and shooter's registration fee, 20/- each, are due and payable as from January 1st next. Individuals submitting lists should arrange same in alphabetical order, state whether new shooters or renewals, and give full address and initials. The above conditions are most important to ensure efficient recording. All fees should be paid not later than January 30th.

Annual Interstate Shoot. The venue of the annual Interstate Teams' Shoot for the Great Britain and Ireland Trophy was decided by the Executive Committee.

The venues for 1955 are: Queensland, at Townsville G.C.; New South Wales, at Bathurst G.C.; South Australia, at Mount Barker G.C.; Western Australia, at Perth G.C.; Victoria, at Australian G.C.

Referee Examiner. Mr. E. V. Cox of South Hay, N.S.W., has been appointed an official referee examiner.

Change in Championship Condition. Clubs and shooters are advised that Championship Condition No. 19,

having reference to District Double-rise Championships, has been changed. This condition should now read to be shot at "10 pairs" instead of "12 pairs" as stated in the published Brochure of Championship Conditions. All other sections of the condition remain as before.

Defaulter Club. The Stonehenge Club (N.S.W.) is reported as a defaulter club with the A.C.P.T.S.A. This club is in debt to the Association for advertising.

Shooter's Retirement from Competition. It is an Executive direction that when a shooter retires from a competition, no matter at what stage of the competition, he forfeits all rights to resume. Also, when a shooter retires during any part of the competition, tracks must be closed up. For example, if a shooter retires and is, say, the No. 3 shooter, immediately on his retirement the tracks are closed, which means that the remaining two shooters on tracks four and five move across to tracks three and four respectively, and continue shooting.

Referee Test. Candidates for official referee recognition and subsequent issue of official referee badge, are advised to make themselves available for practical test, by any of the official examiners, as soon as possible. This ruling applies to any of those who may have been rejected on an earlier occasion.

"Tips" and "Tails"

The Brisbane Clay Target Club has been formed and recently affiliated with the A. C. P. T. S. A. President is D. McDonnell; Treasurer, W. J. O'Brien, and secretary, R. Casey, 62 Bridgewater Road, Coorparoo (Brisbane), Qld.

A new club is in process of formation at Mortlake in Western Victoria. The club shoots in the vicinity of Mount Shadwell and expects to have a big membership roll. Secretary of the new organization is A. J. Goodall, Webster Street, Mortlake. The club will affiliate with the A.C.P.T.S.A.

Willaura, further west in Victoria, has already formed a club and has affiliated with the Association. Secretary at Willaura is R. A. Peacock, "Learmonth", Willaura, V.

Albury, the big border town on the Murray between New South Wales and Victoria, has been out of the news in recent years following the recession of its former club. However, the Albury Junior Chamber of Commerce has interested itself in re-forming a first-class club. Grounds have been secured about three miles from the Albury Post Office. The club is expected to affiliate with the A.C.P.T.S.A. in due course.

The South Coast Gun Club at Southport, Surfers Paradise, Queensland, announces full details of its annual "Sunshine" programme extending from Saturday, January 22, to Monday, January 31. The club has gone to considerable expense in improving its grounds and lay-out and visiting marksmen should enjoy a full measure of good shooting, plus first-class amenities. Several Queensland titles will be decided during the series, as well as similar night titles. The Commonwealth Double-rise championship is chief attraction on the final day. Several big money

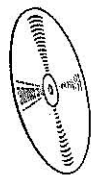

handicaps are also included in the programme. Accommodation is difficult to obtain during the holiday season along Queensland's south coast and intending competitors should hasten to complete this detail without delay. All enquiries to Mrs. G. S. Martin (secretary), Moorong, Surfers Paradise (Phone Surfers Paradise 238).

During a recent shoot held by the Townsville Gun Club in North Queensland, it was found that the fixture coincided with the 50th birthday of J. E. ("Brum") Melville, one of the club's senior Vice-Presidents. During the afternoon-tea break advantage was taken by the Ladies' Committee of the club to provide a celebration befitting the occasion. Lengthy advice was handed out and the "celebration" developed "really well", so-much-so that only some of the members resumed shooting. The guest of the occasion was reminded that "his second fifty is always harder than the first".

Frequently discussion arises when shooters foregather on the question of keeping both eyes open when shooting over the traps. The U.S.A. shooter, Phil. Miller, states, "I have given this quite a bit of study and come to this conclusion—some persons cannot shoot with both eyes open for physical reasons, no matter how hard they try. The chief reason for this is because one eye is stronger than the other. For example, one shooter shoots from his right shoulder and his left eye is the master eye and considerably stronger than the right one. It is only natural that this stronger left eye will try to line up the sights and gun barrel if left open—and tend to draw the shooter's face across the stock in a very uncomfortable and clumsy manner. The logical answer to such a shooter's problem is that he close his left eye when shooting, or change the gun from his right shoulder and shoot from the left one. He can then leave both eyes open and still hold the sights and barrel in perfect alignment. To an experienced shoot-

er, it is easy to ascertain a shooter's stronger eye the moment the gun is placed to the shoulder and face. I recommend that where a shooter's case is the same as that mentioned, that shooting from the right shoulder and closing the left eye, unless naturally left-handed, would be beneficial. If you are shooting with one eye closed and would like to change to 'both eyes' style of shooting, I would suggest the following: line up the sights with one eye closed, then slowly open the other. If your eyes are of nearly the same strength, you will soon be able to shoot with both open. The two-eyed shooter has quite an advantage over the one-eyed shooter in that he has a far wider vision and can more easily pick up his target. If you cannot shoot with both eyes open, do not let it discourage you, as many of the finest marksmen use only one eye. A short trip to a good oculist or optometrist might work wonders!"

Croydon Club, which shoots on the local Recreation Reserve at North Croydon, Victoria, advises that the club will not be shooting on Christmas Day, December 25.

Rainbow Club, in far Western Victoria, the club where the now much discussed Holden car is being presented as first prize in the Rainbow Grand Prix on New Year's Day, January 1, 1955, reports a splendid pre-post entry. At moment of going to press, some 95 entries are in hand. Secretary of the club, Joe Wishart Junr., is not anxious to accept more than 140 to 150 entrants, so those who have been "thinking hard" are advised to get their nominations in without delay. The entries comprise shooters representing four States, New South Wales, South Australia, Tasmania and Victoria. One of the main worries in connection with the organization of this big shoot is the matter of accommodation. Rainbow Club officials are assisting in every way and late entrants will probably be billeted with local residents. However, this arrangement will provide no worries from the competitors' point of view, as only selected local homes will be approved. Full details of the programme appears in the advertising section of this issue and all enquiries should be directed to club secretary, J. Wishart Junr., Box 50, Rainbow, Vic.

In recent weeks several cases have been reported of shooters placing their cartridge type cigarette lighters in the gun, in mistake for the real thing. All shooters are reminded that every care should be taken in ensuring that proper ammunition is in the gun at all times. Frequently the cartridge type cigarette lighter is of somewhat smaller gauge than a normal shell and it is possible for a lighter to slip down a barrel and remain some distance inside the barrel, without the shooter noticing what has happened. The trouble which would result from such a happening can be well imagined. Recently a shooter on a Melbourne ground was guilty of placing his cigarette lighter in his gun on two occasions on the same day. This action calls for censure. Club officials

should assist by reminding shooters of the dangers likely to result from the enclosing of cartridge cigarette lighters in guns in mistake for genuine ammunition.

The New South Wales Gun Club at Terry Hills, N.S.W., advertises its full programme of events, which are set down for decision during the months of January and February. Several title events are included, among those being the N.S.W. D.B. Night Championship. The club had modern amenities and visitors are assured of first-class shooting under ideal conditions. Enquiries should be directed to secretary, Bert Nicholas, 13 McLennan Street, Randwick, N.S.W. (Phone: home, FX 4484; at grounds, JJ 0775.)

The Robinvale Club, on the Murray River, will shoot on Boxing Day, December 27, day and night. A £50 Handicap is main event, both during the day and also at night. The club advertises full details of the series. Enquiries to A. M. Telford, Robinvale (secretary) (Phone 67), or Fred Riggs (President) at telephone 139.

The Albury shooter, J. Dempsey, early off the mark with his 1955 registration fee, writes, "I look forward each month for the 'News', which is bigger and better, and a credit to the Association." (Thanks, J.D., we hope to increase size of publication further.—Ed.)

The Keilor Club, near North Essendon (Victoria) advises that no shoot will be held by the club on Christmas Day (December 25) and Boxing Day (December 27). The club will shoot on January 8, January 22 and February 5. Programmes are advertised in this issue. Enquiries to Bob Reid (secretary), 103 McCracken Street, Essendon (note new telephone number, FX 2065).

The Australian Club at East Burwood, scene of the Australian National Championships, conducted by the A.C.P.T.S.A. in March next, will shoot on January 8, January 12 (night shoot), January 22 (club double-barrel title), January 26 (night shoot) and February 5. Full details of all the foregoing programmes are advertised in this issue. Enquiries to A. V. Nolan (secretary), 1016 Whitehorse Road, Box Hill, E11 (WX 2708), or President, George Biggs, at Hartleys Ltd.

CORRECT STANCE

(By Phil. Miller, Reno, Nevada, U.S.A.)

Over many years of shooting, I've noticed one of the great faults of some shooters in failing to improve year by year stems from their stance; hence I'm going to devote my comments to correct stance, and although I won't cover all the various ramifications, the things I have to say are basic and should help new as well as older shooters in basic fundamentals of trapshooting:

The first basic principle for the shooter who intends to enjoy the sport as well as show consistent improvement is (1) to point his left toe at the middle of the trap house; (2) drop the right foot back to such a position that the right toe is even with the left heel; (3) bend the left knee and hold the right knee rigid, leading forward. To explain this better, I can say that a shooter should adopt the same position as if he was pushing against a stalled automobile. Such a position takes up the recoil of the gun through the body and does not tend to make the shooter suffer from any soreness or muscle bruises.

In this stance the chest is facing the same way as you are shooting. This is the basic difference between trapshooting and rifle shooting, because you are not shooting over your left shoulder as with a rifle. In most rifle shooting, you can shoot straight or at right angle targets, but find yourself in a bind when attempting a left angle shot.

Try the position I have mentioned and swing your gun in an arc. (You can do this in your own living room if you want to practise the correct position.) I think you will find, after a bit of practice, that you can swing the gun in an arc that will cover left angles as easily as right angles.

Many beginners have sore shoulders and arm muscles primarily because the recoil of the gun is taken against the muscles of the right upper arm, the gun having slipped from its proper snug position against

the shoulder. This is primarily because the feet are parallel and the gun butt does not fit squarely into the shoulder.

After adopting the position outlined, there is another hint which I feel will also help, and that is—bring the right elbow in fairly close to your body. This will cause your right shoulder to hump up slightly, thus making a snug fit for the gun butt against the shoulder blade. (I hope it is understood here that I am giving these hints for a right-hand shooter, but the same will definitely apply to a left-hand shooter by a reversal of the foot positions.)

Now, assuming that the new position has been mastered, here is a series of hints which should help you greatly in cracking trap targets. One of the basic essentials in good trapshooting is to mentally divide the trap house in fifths. When you're shooting on Peg 1, point your gun barrel directly over the back corner of the trap house and just above it. On Peg 2, you cover another fifth by pointing directly over the space half the distance from the corner and half the distance from centre. On Peg 3, you are then pointing directly over the centre; on Peg 4, just the opposite of Peg 2, one half the distance between the centre and the other corner; and naturally, on Peg 5, over the far corner opposite the corner from your Peg 1 stance. By so pointing, you shorten the angle of shooting, and thus have to make the least movement in starting with the target.

Letters to the Editor...

The Editor,
A.C.P.T.S.A. Shooters' News.

Sir,

May I, through the columns of "News", draw the attention of Club handicappers and officials to a motion that was carried at the Annual A.C.P.T.S.A. Executive Meeting on Nov. 5th and 6th, 1953. The motion read as follows: "That no shooter's Club handicap can be less than his Association handicap under any circumstances."

A direction to Clubs on this motion was printed in the issue of "News" following that meeting. Handicapping is one of the Association's biggest problems and I brought the motion before the Executive in order to prevent anomalies which were not in the best interests of the sport or the shooters.

I quote two outstanding examples of events that I witnessed and which prompted me to act in the interests of shooters generally. A Club "Tyro" Championship, restricted to Club 12/13 yarders, was won by a shooter whose Association handicap was 16 yards. On another occasion two shooters whose Association handicaps were 18 yards and 16 yards respectively shot to the 48th round to decide the winner of a Club 12/14 yd. award. Needless to say, legitimate front-

mark shooters who stood by and watched these shoots took a dim view of the handicapping system—and rightly so.

When a shooter, by his own ability, has won an open company Association handicap, there can be absolutely no reason why he should be brought forward of that handicap for restricted Club events. It has come under my notice that such practice is again being indulged in by some Clubs, and only recently in the Metropolitan area a 17 yd. Association shooter won a 15 yd. Club sectional trophy.

Perhaps the passing of time, or the election by Clubs of new handicappers who do not know of the Executive direction on the matter, is responsible for the situation arising again. In the interests of young shooters particularly and in order to further the interests and harmony of our sport, I appeal to all Clubs to observe the direction and make it one of their main rules: "That no shooter's Club handicap shall be less than his Association handicap under any circumstances."

Thanking you,

Yours, etc.,

LUKE DOYLE.

U.S.A. SHOOTING

(From Rex Miles)

Arnold Riegger, right after the Grand, shot in Ohio and broke all the targets on the programme, won another automobile and a lot of cash. Then he came back to Elko, Nevada. The enclosed clipping will give you an idea:

"There might be some doubt in the minds of many trapshooters in the country as to who is the top gunner in the nation. But make no mistake about it. There are 150 shooters who know the answer. To a man they'll say 'Arnold Riegger.'

The red-hot scattergunner from the Pacific North-west carted off top money in the recent Nevada Open Trap Shoot in Elko, Nevada, when he out-shot virtually everyone in the field.

Riegger displayed his wares during his quest for the lion's share of \$15,000 added cash money riding on the six-day shooting programme and came off with three world records in the process. The all-American shooter from Seattle, Washington, blasted his way into the trapshooting record books by:

1. Splattering 879 x 900 for the highest mark ever attained in a performance for a high-over-all title;

2. Breaking 1078 x 1100 for the highest mark ever shot on one programme; and

3. Racking up the almost unbelievable 400 x 400 in singles, handicap, and doubles shooting on the same programme.

Riegger's fabulous final feat came with 200 singles, 100 handicap, and 100 doubles targets. The doubles 'perfect' was shot on the preliminary day of firing, but was counted in the record since it had been on the same shooting programme.

In addition to the car load of trophies carted home by the short, squatty dead-eye, followers of the trapshooting sport who were on hand in Elko estimated that Riegger's shooting prowess netted him upwards

of \$2,500—mighty fine return for his week's work."

Guess that the spill off the bike was not serious and didn't hurt his shooting.

A new Rule on yardage is in effect now; the limit has been set at 27 yards instead of 25. This, I feel sure, to try to keep Riegger under control. I think, though, that Arnold will master the additional yards, and he will be up in the high money; you can't stop that guy. As far as I am concerned, I like to see him take the laurels; he deserves it. He never complains, always shoots at any kind of targets, a cheerful personality with a smile for everyone, a grand guy.

The eight men who had shot 10/10 decided to donate the Trophy to the Club. This was considered by all present to be a very fine gesture, and was certainly appreciated by the Club executive.

(A. H. Johnston, Hon. Sec.)

AUSTRALIAN (V.)—Fred Skate won the main event at East Burwood after a long tie shoot with Alexandra Club President, Luke Doyle. Skate, at all times a worthy opponent, but in form a tough proposition, upheld his reputation and carried this 20 birder to the 71st round, finishing 71/71 to Doyle, 2nd, 70/71. At this stage Doyle held an 80 break. C. Fletcher (Dundonell) found the opposition too strong and dropped out at the 45th round, taking 3rd Trophy; 15/16 yd., W. Bray, 37/38; 13/14 yd., N. Fletcher; 12 yd., Dr. Belcher, 23/24.

The opening Sweep was div: H. Phillips, L. Doyle, W. Wager, John Bryant, W. Bray and G. Stainton, 10/10. In the 15-bird Trophy event Geo. Anderson outclassed the field with a 42/42 win, runner-up being R. Smith, 41/42; R. Hering, 3rd, 36/37; 15/16 yd., V. Dudley, 32/33; 13/14 yd., R. Ayre, 22/23; 12 yd., Dr. Belcher, 28/29.

Tie shoot conditions, two of each type, Bryant and Veall missed one each in D. Rise, Ball missed two in this group, taking 3rd Trophy. The 44th round was reached before decision when Bryant missed another in D. Rise, giving Veall the title. This young man, whose sporting activities include dirt-track racing, quite recently took to the clays, and from the outset registered well, his previous highlight being 2nd in the Vic. S.B. C'ship with 24/25.

A 10-bird Points Decision was div: J. Bryant, G. Anderson, R. Smith, F. Johnson, G. Stainton, 30/30 pts. Front markers were severely tested in the 10 pr. Deauville Doubles, conditions of which were 5 x 16 yds., 5 x 20 yds. Tie shoot from 25 yds.: 1st and 2nd money div. L. Baker, C. Mayhew, J. Bryant, H. Phillips; 3rd money to the R. Smith - G. The day was a perfect one for the final day of the Chas. Budge Shield. We must congratulate the Drouin Club upon winning the first of the series and becoming the winners for 1954. This is an inter-club competition shot over three shoots between Moe, Morwell and Drouin for a Shield donated by Chas. Budge. Members of the winning team receive a replica of the Shield. It was Drouin's day, as J. Oliver won the main Trophy and High Gun of the day, 46/46. Unfortunately we had trap trouble, which spoilt a grand day. Our Xmas shoot will be good.

ance low, but good shooting was witnessed under the wet conditions. Charlie Budge made the trip from Morwell in heavy rain on his lonesome. Horrie Austin was heard telling the ladies: "That it must be a bit of an insult to the young chaps to let an old bloke like me come along and show them how to shoot clays."

(Joe Oliver, President.)

Thompson, 7. No. 7, 5-bird Consolation: D. McAuliffe, 5; A. Thompson, 3.

The day was perfect for shooting. Fine with a slight breeze. Interest was in evidence by attendance of spectators. Club is making good progress and improvements are being effected to the property. Great interest in shoot on 5th December when Central Queensland S.B. Championship and "Thompson" Shield will be decided. (25 shooters.)

KATANNING (W.A.), Nov. 13, 14 and 15.—Weather conditions: fair to perfect, 2 auto traps. Results: No. 1, Dist. D.B.: 1st, C. Ferguson, 35/85; 2nd, T. S. Young, 34/35; 3rd, G. Elliot, 29/30. No. 2, State S.B.: 1st, N. A. Beeck, 38/40; 2nd, C. Ferguson, 37/40; 3rd, H. Colliver, 31/35. No. 3, Dist. D/Rise: 1st, C. Ferguson, 10/12; 2nd, S. G. Colliver, 12/16; 3rd, J. Clegg. No. 4, State Inter. S.B.: 1st, M. Crossley, 24/25; 2nd, R. Millard, 23/25; 3rd, A. Hunter, 18/20. No. 5, 10-bird D.B. H'cap (consolation): 1st, R. Alexander, 24/24; 2nd, T. Blakely; 3rd, D. Anderson. No. 6, 20-bird S.B. Sweep (back markers): 1st, M. Hollett, 19/20; 2nd, K. Norris; 3rd, F. Bailey. No. 7, Novelty Shoot: M. Hollett.

Sixty-four shooters from all clubs in W.A. competed in Katanning for a 3-day programme of State and District Titles. The home club took both State Sashes, with Neville Beeck winning the State S.B. 38/40 after a shoot-off with Col. Ferguson and Harold Colliver. Michael Crossley won the State Intermed. S.B. 24/25 from R. Millard and Alf Hunter. Col. Ferguson was high gun for the meeting, winning both the District D.B. and D. Rise after a shoot-off with 6 possibles. Scores: 35/35 and 10/12 (D. Rise). Perfect weather on Sunday, when over 200 gathered at Cherry Tree Pool for a Picnic and Field Day, and ensured a happy day's outing for all. Sixty-six guns "mounted the horses" for the "Wild West" Deauville Doubles, won by Laurie Solomon and R. Holtfreter. Colin Ferguson coached? and refereed 19 lady competitors. Doris Beeck was successful with a score of 5/6 from M. Kahlert. A well planned attempt to douse the coach? in the river failed only because of lack of strength of laughing girls. A Barbecue Tea completed a delightful day's outing. A woolshed party on Saturday night and a party on Monday night concluded a full three days of shooting and fun. Thanks to our visitors for ensuring the success of our shoot; thanks to an energetic committee and our ladies for their organising and wonderful food, and finally thanks to Chris O'Neil for making 7=500 clays to put on the shoot. (Clays strike bound.)

(T. S. Young, Publicity.)

PELICAN CREEK (Qld.), 13/11/54.—Weather conditions: cloudy. Results: No. 1, 5-bird (Points) Eye-opener (H'cap): M. Frazer, 15; J. Kirby, 13; J. Duffy, 12; A. Wills, 12. No. 2, 10-bird (H'cap) S.B.: A. Cameron, 8; M. Frazer, 7; J. Kirby, 7; C. Cooper, 7. No. 3, 20-bird (16 yds.) Trophy: J. Kirby, 20; M. Frazer, 18; A. Cameron, 17; E. Tibbets, 17. No. 4, 5 pr. (H'cap) Double Rise: A. Wills, 9; A. Cameron, 8; A. McKenzie, 8; J. Duffy, 8. No. 5, Miss-out: A. Cameron, 1; M. Frazer, 2.

Very poor attendance owing to prevalence of bush fires and thunderstorms. The clouds made shooting tricky at times. J. Kirby did well to

win the trophy with a possible.

(C. K. Cooper.)

SALE (V.), 6/11/54.—Weather conditions: good. Results: No. 1, 5-bird P.D.: div. P. Rowley, 17; G. Freeman, 16; L. Jones, 14; L. Robinson, 16; Tom Gleson, 17; Les Elston, 17. No. 2, Victorian Clay Sparrow C'ship: 1st, C. Mudford; 2nd, A. Tye; 3rd, div. N. Thomas, H. Guyatt and G. Freeman. No. 3, Gippsland D.B. C'ship: 1st, Dr. Martin; 2nd, Des Davey; 3rd, L. Bourbaud.

A good field and shooting generally good. Dr. Martin shot extra well, also D. Davey, Mudford and Tye shot well.

(S. J. Robinson, Hon. Sec.)

HERBERT RIVER (Qld.), 7/11/54.—Weather conditions: excellent. Results: No. 1, 5-bird S.B. Eye-opener: L. Ashworth, A. Di Bartolo, H. Ford, W. Mitchell, I. Rotondo, J. Clift, G. Jacques, C. Sinclair, F. Claussen, C. Archer, R. Gourley, J. Casalegno, C. McDonald, C. Wellington, W. Hughes, 5/5. No. 2, I.C.I. Trophy Shoot, 10-bird S.B.: 1st, W. Hughes, 20/20; 2nd, C. Archer, 17/20; 3rd, F. Claussen, 14/15; 12/13 ydr. J. Cockfield. No. 3, £50 H'cap, 10-bird D.B.: H. Ford, 1st, 74/75; K. Russel, 2nd, 70/75 pts.; J. Casalegno, 3rd, 59/60 pts. No. 4, Qld. Deauville Doubles Sparrows: 1st, F. Claussen and L. Ashworth; 2nd, C. Sinclair and J. Carrington; 3rd, F. Di Bartolo and S. Mammino. No. 5, 10-bird S.B.: div. Angelo Poletti, S. Gourley, H. Ford, 10/10. No. 6, F. Fraser Trophy: best straight, excluding shoot-off, F. Claussen, 25/25.

This shoot was the most successful one the club has held. Conditions were the best possible. We had visitors from Charters Towers, Home Hill, Giru, Ayr, Townsville and Tully. On the Saturday night we held a welcome to all visitors at the Station Hotel and ran the Calcutta on this night; its value was £93. The snipe auto trap functioned perfectly all day and the club intends to install another auto trap. We expect to have our new grounds in readiness for next year.

FOSTER (V.), 30/10/54.—Weather conditions: windy. Results: No. 1, 5-bird P.D.: E. Cripps, A. Lewis, E. Daw, B. Biggs, div., 15 pts. No. 2,

10-bird S.B.: E. Rowlands, 1st, 13/13; E. Cripps, T. McGaw, G. Gray, B. Biggs, div. 2nd. No. 3, 15-bird P.D.: H. Pearson, 1st, 42/45; T. McCaw, 2nd, 40/45; C. Budge, 3rd, 39/45. No. 4, 10-bird S.B.: A. Lewis, 10/10; 1st; E. Hamilton, A. Steele, Barbara Biggs, E. Rowlands, T. Fitzgerald, div. 2nd. No. 5, Miss-out, 16 yds.: E. Cripps, C. Steele, C. Budge, div., 7/7. No. 6, Miss-out, 18 yds.: E. Cripps, C. Steele, A. Steele, C. Budge, div., 10/10.

Shooting conditions rather tricky, left front wind causing the birds to rise sharply. Consequently the shooting was not as good as usual. Visitors from Morwell, Moe, and Dumbalk helped to make the day a success. The ladies, as usual, supplied a delicious afternoon tea.

(C. G. Steele, Hon. Sec.)

HUGHENDEN (Qld.), 31/10/54.—Weather conditions: gusty. Results: No. 1, 5-bird S.B.: A. Elliott, W. J. Whitehead, A. McIntosh, W. Doherty and W. Wearing, 5/5, div. No. 2, 5-bird S.B.: W. Wearing, A. McIntosh, W. Doherty, W. J. Whitehead, F. Terry and D. Crawford Jr., 5/5, div. No. 3, 10-bird D.R.: W. Doherty, W. Wearing, A. McIntosh, 10/10, div. No. 4, Deauville Doubles: A. Elliott and F. Terry, and W. Wearing and W. Peters, div. No. 5, 5-bird Walk-up: W. Wearing, 5/5.

Another successful shoot was held, one of the features being the excellent shooting of Bill Wearing, Bill Doherty and Athol McIntosh, the former not missing a bird all afternoon. This was the first time Bill Doherty had shot off his new handicap of 15 yards, but it seemed to make very little difference to Bill.

(W. A. Dean, Hon. Sec.)

GEELONG (V.), 6/11/54.—Weather conditions: dull, cross wind. Results: No. 1, 5-bird H'cap: G. J. Bubb, I. Cutts. No. 2, 5-bird Walk-up: R. Krentzlin, S. McIntosh, J. Bett, I. Cutts. No. 3, Western Dist. Walk-up C'ship: L. Heinrich, M. Allan, J. Pett, I. Cutts (F.M.). No. 4, 10-bird £20 H'cap: J. Pett, I. Meek, L. Heinrich. No. 5, D.B. Points: J. Pett, G. Donohue, R. Krentzlin, R. Jorgenson and J. McColl, 15 pts. No. 6, Double Rise: J. Pett, R. Jorgenson.

hoped that the installation will be

not getting too hot to shoot during

Eleven-year-old Rodney Clarke shows remarkably good form and his 8/10 in the 10-bird S.B. was a particularly good win. To see this lad handle his father's gun is really worth while. All were pleased to see Arthur Thompson strike form again after such a run of "outs". Watch our club for "Night Shooting News"; it should not be long now.

Owing to floods and rainy conditions, attendance was not very large, and shooting did not start until late in the day. We wish to thank Mr. and Mrs. J. Callinan of Lismore for braving the weather to attend our shoot, and we are sympathizing with Jack, who had the bad luck to miss his 56th bird; better luck next time, Jack. Congratulations to N. Smith and J. Callinan, who won the trophies. We are hoping for better weather for our next shoot.

This was a Woodford Cup shoot held quarterly until Cup was won outright, which was the case today as Doug Howard, after a brief shoot-off, won it for the second time in succession, whilst Harry Anderson won the runner-up trophy. Con-

gratulations to both Doug and Harry on their performance. The day was not so good for shooting, as it was stormy and very dull at times; rain held us up for periods up to twenty minutes. A special meeting was also held to discuss the purchase of a new automatic trap: result was everybody in favour, so we hope to have it installed at an early date.

26/10/54.—Weather conditions: fine and cold. Results: No. 1, 5-bird Points, Comp. Div.: div. O. McLoughlan, P. Carroll, 15 pts. each. No. 2, 15-bird Points, Ultra Trophy: 1st, P. Morns. No. 4, M.O. H'cap: div. M. Spencer, P. Carroll.

The shooting of P. Carroll of Pyramid Hill was outstanding, as he shot 30/30 for the night and only used his second barrel once, that being in the Ultra Trophy, thereby dropping a point.

23/11/54.—Weather conditions: fine, head wind. Results: No. 1, 5-bird, 16 yd., Comp. Div.: A. Easton, J. Pettigrove, W. Jackson, W. Mills, M. Spencer, Ray Hipwell, O'McLoughlan, K. Lunghusen, H. Moylan, 15/15 each. No. 3, Miss-out: div. K. McLoughlan and J. Pettigrove, 12/12 each.

Some excellent shooting took place, as there was a fairly stiff breeze from the S.E. which caused quite a lot of "floating". John Pettigrove, however, did not let this worry him and he finished the night with 50/50, including 49 first barrels.

Deauville Doubles (partners drawn): F. Davis and J. Carrington, 1st; J. Melville and M. Bennett, 2nd.

The annual Championship shoot was held last Saturday, 13/11/54, and was well attended. A strong wind made conditions difficult, and as all events were shot under S.B. conditions, the scoring was low, and no long breaks were recorded. S. Horwood won the 1954 Club Championship, with W. Carrington, 2nd, and B. McLennan 3rd. Two additional five birders and two additional 10 birders made up the remainder of the programme, and provided practice for the forthcoming big shoot, at which the 1954 Commonwealth S.B. clay pigeon championship will be the principal event.

Saturday's shoot: 5-bird S.B. S'takes: div. G. Jaques, T. Clay, K. Miskin and E. Vandersee. 1954 Club C'ship, 20 birds S.B.: S. Horwood, 1st; W. Carrington, 2nd; R. Soames Snr., 43/45, div. 3rd money.

Sixty-eight shooters. The weather was really terrible, the shooters shivering and miserable.

Open Shoot, 2nd Day, 16/10/54. — Weather conditions: terrible — high wind and rainy. Results: No. 1, Sweep, 10-bird D.B.: div. S. Bressington, W. Reid, K. Cross, K. Soames Snr., W. Mann, B. Moody, W. Shand, W. Gavel, B. Hill, J. Medway, E. Coleman, W. Moore, O. M. Hallam, A. E. Bell, J. Howland, H. Weinert, 10/10. No. 2, £500 H'cap, 45-bird D.B.: div. 1st and 2nd money, F. Jaques, 64/64; 2nd, B. Hill, 63/64; 3rd, E. Brackenrig, 53/54; 12 yd. Trophy, R. Clarke, 40/41.

The weather continued as bad as the day before — it was very bad luck that the club should have picked this week-end — as conditions before and since have been excellent. Shooters visited from Victoria, Queensland and Tasmania. We were ashamed the weather treated our visitors so badly (90 shooters).

30/10/54. — Weather conditions: excellent. Results: No. 1, 5-bird Double Rise Sweep: Arch Rowe, 5/5. No. 2, Club Double Rise C'ship: Bill Byers, 9/10. Green, J. Radburne, 10/10. No. 5, 10-bird Trophy: 1st, L. Healey, 19/20; 2nd, W. Byers, 18/19.

Excellent weather, attendance small on account of Club Double Rise and Deauville Double C'ships. These events are not well patronised, as a good number of the lesser shooters will not compete.

20/11/54. — Weather conditions: raining. Results: No. 1, 5-bird Walk-up Eye-opener: C. Campbell, 5/5. No. 2, 15-bird Walk-up Club C'ship: C. Campbell, 15/15. No. 3, 10-bird Trophy: C. Very pleased to see the Lee family present, also Ken Northcott and Alen Smith from Grafton. Arrangements are well in hand for our three days' shoot at New Year on 1st, 2nd and 3rd January.

Power, 18/20.

Today, in perfect shooting conditions, we saw Clem Mudford show us all how to shoot at Double Rise. These events find out who the really good shooters are, and Clem would

be one of the best. The Club Deauville Doubles C'ship was won by Jack Bryant and Robt. Reid after the longest shoot-off in the club's history, with 120/120. Congratulations are due to the runners-up, Ray Johns, and H. Smith, with 119/120. The P. C. Henry Memorial H'cap, in honour of our late secretary, was won by Peter Wray, 42/42. The president, on presenting the trophies, welcomed visitors from Geelong, Footscray, Coburg, and Camberwell clubs.

Andy Tie took another sash again today, with a fine performance of 12/15 S.B. at those small sparrows. The President (who also shot very well, welcomed visitors from Camberwell, and also their newly elected President, Ray Johns, Jack and Tony Senserrick left their "sick tomatoes" at home and came along to win the trophies in the yardage divisions.

27/11/54.—Weather conditions: fine. Results: No. 1, 5 prs. Deauville Doubles: 8 prs. of shooters div. No. 2, Keilor Plains D.D. C'ship: 1st, F. Burns and M. Fuller, 135/135; 2nd, P. Wray and D. Turner, 134/135; 3rd, S. Power and K. Lowry, 131/135. No. 3, Keilor Plains S.B. C'ship: 1st, P. Wray, 34/34; 2nd, F. Burns, 33/34; 3rd, C. Mudford, 29/30; 14/15 yd., D. Turner, 16/20.

Our club is starting to get a name for high scores; this we all think is due to our perfect background. To prove it F. Burns, M. Fuller (Sydney) shot 135/135, yet in the shoot-off six partners shot over the 100 pairs before they missed. The S.B. C'ship was won with good shooting by P. Wray, with 34/34. The day itself was very hot and every shooter present congratulated our puller and trapper for doing such a wonderful job. Thanks again to Mrs. Hunter,

who capably managed the office affairs.

(Robt. Reid, Hon. Sec.)

Annual meeting was held and got it over in fast style. The present committee was re-elected, and after two shoots storms that had been flying round really came down in earnest, resulting in a quick evacuation, as most shooters had black soil roads to go home on, and a couple of them a boat trip over flooded river to finish the trip. 30/10/54. — Weather conditions: perfect. Results: No. 1, 10-bird Eye-opener: E. A. Holmes, H. B. Grant, 10/10; S. Morse, H. Morse, K. Badgery, 9/10. No. 2, 5-bird Point: R. White, S. Morse, H. No. 4, 20-bird Point: S. Morse, 59/60; H. Morse, 57/60; K. Badgery, R. White, 54/60.

Perfect day after rain, which made it impossible for some shooters to turn up. Three shot the 50 to get into a shoot-off for the Championship, which was won by R. J. White, 70/70; he then went on to shoot 98 straight and was very unfortunate not to get the century. E. A. Holmes again shot into the 80's before missing and H. B. Grant, 66 straight. B. Denyer, 49/50 for the 12/13 yds., shot well; as can be seen, the shooting was of a very high standard.

Many thanks to all who helped, especially Clarie Ferrier and the ladies.

This was our opening night shoot and 40 shooters took part in the events. It was pleasing to see C. Matheson, President of the Wyche-proof shire, who came along and officially opened the lights. A very large crowd from nearby districts came along to have a look, as this was the first time many had seen lights. Once again, good shooting after a very fine day.

23/10/54. — Weather conditions: gusty south-east wind. Results: No. 1, 5-bird D.B.: cut 5/5, E. Knight, J. Strauss, J. Clarke, G. Hart, G. Free, M. Nalder, G. Knight. 49 shooters. This yet proved to be another very successful shoot. In the morning shoot the wind played up in no uncertain manner, making shooting very difficult. The Championship went with a swing and congrats. to John Clark of Rainbow on winning it. It was pleasing to see four local members in the final with him. Many thanks to those that helped in any way to make the shoot such a success.

HAY (N.S.W.), 24/11/54 (Night Shoot).—Weather conditions: perfect for night shooting. Results: No. 1, 5-bird D.B., Club Mks.: N. Milliken, G. Pocock, div. 5/5. No. 2, 5-bird D.B., Club Mks.: E. V. Cox, N. Milliken, J. Houston, G. Pocock, div., 5/5. No. 3, 5-bird S.B.: D. McNeil, 5/5. No. 4, 10-bird D.B., Club Mks.: R. Headon, J. Headon, Max Gibson and Maur. Gibson, div., 9/10. No. 5, Skeet, 7-bird: E. V. Cox, Ron Headon and Jack Headon, div., 5/7. No. 6, 5-bird D.B.: N. Milliken, A. Headon and Maur. Gibson, div., 5/5. No. 7, Box Sweep: N. Milliken, off 29 yds.

A perfect summer night for shooting. A fair roll-up of club shooters, including two lady shooters. Consistent shooting by Norman Milliken and topping same off by winning Box Sweep off 29 yds. The electric control skeet shooting worked perfectly and will speed up this type of shooting. The gem of the Club's Trophy shoots will be conducted on Saturday, 28/11/54, when the 75-guinea Cup will be contested. This Cup has been in existence since 1927, and three shooters, in E. V. Cox, J. Houston and Maur. Gibson could win same outright in this shoot.

27/11/54 (Day Shoot).—Weather conditions: warm, with slight north breeze. Results: No. 1, 5-bird D.B. Opener: Colin Gibson, J. Johnston, G. P. Hanna, K. Thomas, H. Cox, N. Milliken, Max Gibson, Don McNeil, R. Headon and Maur. Gibson, div., 5/5. No. 2, Hay Gun Club Cup, 20 birds, Club Hd. Mks.: Norman Taylor, 30/30, 1st; Wilson Ronald, 29/30, 2nd; K. Thomas, 24/25, 3rd, after shoot-off. No. 3, 10-bird D.B., Club Mks.: N. Taylor, N. Milliken, A. Headon, K. Thomas, Don McNeil and H. Cox, div., 10/10. No. 4, 10-bird D.B., Club Mks.: K. Thomas, J. Headon, Norman Taylor, N. Milliken, Don McNeil, E. V. Cox and Max Gibson, div., 10/10. No. 5, No. 1 Box Sweep: N. Milliken. No. 6, No. 2 Box Sweep: J. Headon.

This shoot completes the club's last shoot for the financial year 1953/54. The main event being the Hay Gun Club Cup, shot off Club Handicap Marks, at 20 birds. The Cup has been in competition since 1927 and three shooters had the chance of winning same outright at this particular shoot (E. V. Cox, J. Houston and Maurice Gibson), and although they shot well, only dropping one bird, it was not good enough. The coveted Trophy (worth now £75) was won by Norman Taylor with a fine score of 30/30 after a shoot-off with Wilson Ronald, 29/30, and K. Thomas, 24/25. The Patron of the Club (who was the first winner of the Cup in 1927, Mr. Bob McFarlane) presented the Cup to the winner and congratulated him on a grand performance. The winner eventually received his 50 break badge at the shoot, being still undefeated on the day at 50/50. Two other shooters, in Don McNeil and N. Milliken, just missed their break badge, both shooting 49/50. Our 12-year-old schoolboy, Colin Gibson, put up a grand performance in the Cup in shooting 17/20, when you consider his height is about the same as the average shotgun.

(Les McKinney, Hon. Sec.)

CAMBERWELL (V.), 20/11/54.—Weather conditions: very wet and strong wind. Results: No. 1, 5-bird D.B. Sweep: div. V. Dudley, T. Weir, W. Rodda, A. Kitchell, R. Smith, Cyril and A. J. Byers, each 8/8. No. 2, 5-bird D.B. Trophy: 1st, A. Kitchell,

Reid, A. E. Robinson, W. Hunter, F. Oliver, L. Davies, Ross Smith, G. Walter, G. Leadoux, H. Sweeney, R. Ayre, P. Spinks, Emil Alberts, A. Hamilton, F. Skate, W. J. Lock, J. Mansell, G. Stainton, each 5/5, comp. div. No. 2, Club Mixed Birds C'ship: 1st, John Bryant Jnr., 19/20; 2nd, Kelvin Mark, 28/30; 3rd, Hugh Phillips, 27/30; 14/16 ydrs., G. Walter, 25/30; 12/13 ydrs., Don Turner, 16/20.

The President and Committee are indeed grateful to all those shooters that turned up on Saturday, 6th Nov., last to fight out for the Championship of the Club. Also many thanks for the representatives of so many other clubs. The President welcomed Fred Oliver, Pres. of Coburg Club, also Emil Alberts, Pres. of Barrelen Club, N.S.W., and many members of the Keilor Club, including the Sec., Robt. Reid, and Joe Fewster. Those who attended witnessed some very fine shooting, especially by the prize-winners. Johnnie Bryant's performance was outstanding because he had to shoot his 5 birds in the Walk-up and his 5 pr. Double Rise to win from six others who had scored 18/20 before his turn came along. Kelvin Mark, who recently won a Commonwealth Title at Burwood, put up an excellent performance to take 2nd prize from that grand shot and sport in Hugh Phillips, with Graham Walter and Jock Stevens close up. Don Turner showed his consistency by again taking the front markers' Trophy with 16/20.

Many remarked on the fine trophies for the successful competitors. Many thanks to the ladies for their very fine afternoon tea. The Committee are now busy arranging for a monster Xmas Shoot on Dec. 18th, when everybody will be welcome.
