The Editor's Notebook

The advent of the forthcoming Association shooting carnival will again bring first-class marksmen from all States to the shooting grounds at East Burwood, Victoria. Indications are that a large number will foregather, including a contingent of New Zealand sportsmen. A report recently received advised that Australia can expect "a batch of N.Z.'ers" for the National series. Of course, the New Zealand visitors will be welcome competitors in all the National and minor events, but none who may gain a place in the Australian complement to shoot in the International Match will be eligible to take part. The Australians in the International Team must comprise "Australians who have been resident in Australia during the preceding 12 months." This clause precludes any but bonafide Australian residents from representing the country in the greatest of all teams' matches. A year or two ago a New Zealander, D. P. North, gained a place in the Australian team, but he retired when the team faced up to shoot. North was also runner-up in that year in the Champion of Champions Cup to Newton Thomas.

An interesting innovation to be used for the first time during the National series is the electric automatic releaser. This release is achieved merely by pressing a button held by the referee. The puller, of course, is retained for the purposes of reloading or re-cocking the trap. The electric releaser has now been in use at East Burwood for some time and has proved very satisfactory. Uniform release is automatic. The release is quick and reliable and should prove a boon at the big carnival. The dates for the holding of the series is March 11 to 15, inclusive. On the opening day the National single-barrel title will be decided, followed by (time permitting) a £100 Handicap. In the evening the Association will stage its first night shoot,

when another handicap event is listed. On Saturday, March 12, the National double-barrel title will commence at 8.30 a.m. No entry will be accepted after 9.30 a.m. on that day. The top 30 highest scorers in this event will automatically represent Australia in the International Match against England, Ireland, New Zealand, Scotland, Wales, and possibly India. Team complement is restricted to 15 men, all scores to count. Australia will field two teams. Those thus gaining International status will face up to the traps on Monday morning, March 14, and will shoot at 100 targets from 16 yards as members of the Australian International Team for 1955. Australia was runner-up in the last two years, being beaten by England by 5 points in 1953 (when points scoring was in vogue) and again losing by 4 points to New Zealand in 1954. The Australian No. 1 Team, given favourable conditions, should be equal to taking the honours this year. The fixture will conclude on Tuesday, March 15, when the popular A.C.P.T.S.A. Intermediate Championship and the equally popular Champion of Champions Cup will be staged.

From all accounts, all that is now required is reasonably fine autumn weather for the entire meeting to be the most successful ever. 1955 registration cards must be presented when making all entries.

On Sunday, March 13th, 1955, the 19th Annual Meeting of affiliated club delegates will be held at Scott's

Hotel, 444 Collins Street, Melbourne, C.I., commencing at 10.30 a.m. The meeting will be a lengthy one, hence the early starting time. Many matters of considerable importance to the future of the sport will be discussed. Only fully authorised delegates will be permitted to attend the meeting.

point, it is worth while to remember that shooters cannot be brought back in any minor event by the referee "unless there is no objection by the shooters". It is not the referee's prerogative to "order shooters back", he must seek their permission and if there is no objection, they may be brought back as agreed.

Among the queries received during the past month is one which concerns "bringing shooters back to finalise a championship". The mark cannot be altered in a championship and therefore it is completely contrary to the rules to even seek the permission of shooters to "bring them back". A championship is a championship in every sense of the word and the mark from which it is shot cannot be changed. Whilst on this

Another query has come from a newly formed club which is recruiting quite a number of shooters who have previously shot at other forms of targets. The club has sought advice as what mark these shooters should be started from. Such shooters should be placed on 16 yards to start and handicapped forward or back, according to their successes or otherwise.

"Tips" and "Tails"

Those who engage in hare shooting will be somewhat taken back when it is reported that a hare worth £800 recently escaped and is understood to be roaming the wild hill country behind Mittagong in New South Wales. It appears that

the hare concerned is entirely black in colour and thereby becomes a rarity and accordingly valuable. The hare was recently being taken to Sydney to be included among the oddities at Taronga Park Zoo. It was captured in the Canberra district and Taronga Park Zoo officials considered it would be worth £800 if landed safely in Sydney. Its captors, two brothers, placed the hare in an old meat safe and set forth for Sydney. During a period when drivers were being changed at Mittagong the hare escaped and at once made for bush country. Black hares are very rare—only about one in 10,000, and few have ever been captured.

With the duck shooting season at hand, a report from Tibbooburra, in the far north of New South Wales, about 200 miles north of Broken Hill, reveals that a duck found in that area was banded in Victoria in 1953. A bird banded at Lara, near Melbourne, was shot in north Queensland a year or two ago.

The Dundonnell Club, in western Victoria, will stage its opening shoot on Saturday, March 26, with a day and night programme. Dundonnell Club holds the unusual distinction of starting off with night lighting. The Western Plains double-rise championship will be decided as main event in the day section and a 15 birder will be staged at night as chief interest. Full details are as advertised. The ground location is at Mount Fyans, 10 miles from Darling-

ton on the Geelong-Mortlake road. Enquiries to C. R. Fletcher, secretary, Pine Grove, Dundonnell (Phone Dundonnell 5).

The Royal Aero Club at Bankstown (N.S.W.) will shoot each Saturday during April. Full outline of entire programmes for each day is advertised in this issue. Two County of Cumberland Championships will be decided during this month. Enquiries to W. C. Hudson (secretary), Box 5, Bankstown, N.S.W. (Phones, UY2540 and UY2927).

The Keilor Club (V.), with its good location on the Keilor Plains north of Essendon (V.), advertises its forthcoming programmes. The club will shoot on March 19, March 26 and April 9. Enquiries to R. J. Reid, 103 McCracken Street, Essendon (FX 2065).

Griffith Gun Club (N.S.W.) advertises a double championship programme for Saturday, March 26. The Riverina Skeet title and a 25 bird event are main events during the day section of the fixture. At night the N.S.W. Deauville Doubles title will engage attention. The club's first-class lay-out will be in operation on all four grounds if required.

George Crowe, of 162 Cressy St., Deniliquin (N.S.W.), has taken over the secretarial duties of the local club from Ron Jones. Other officials are: President, Gary Daly (elected for 7th occasion); Vice-Presidents, Messrs. W. F. Robertson, N. Gillespie, L. W. F. Robertson, G. Huntingdon, A. Allen, Geo. Thomas; Committee, Messrs. John Crowe, Ron Jones, E. Willard (with power to add); Secretary-Treasurer, G. Crowe.

The Tambo Club, in far Eastern Victoria, has re-affiliated with the Association after being in recess for several seasons. The club secretary is F. A. Tucker, Swifts Creek (V.).

Harry Sullivan is now secretary at Moree (N.S.W.). He takes over from Fred Thompson, who has been on an overseas tour.

Letters to the Editor...

MEANINGLESS CHAMPIONSHIPS

If clay bird shooting is to mean anything in the field of sport, it is incumbent on the Association to exercise careful consideration of the ever-increasing number of championships allotted each year.

The situation now appears to have got completely out of hand. Perhaps we have become too complacent in the past, but sooner or later the brake will have to be applied with a degree of force.

In addition to the annual championships conducted by the Association, the amazing total of over 300 "championships" were allotted throughout the Commonwealth in 1955.

When the list was published, it was further pointed out that "any minor championship not allotted or shown in the list may be applied for to the Association secretary during 1955."

Add to this the innumerable club championships and you will see that the title of "champion" these days loses a great deal of its prestige, and in some cases leads to not a little embarrassment to the conscientious shooter.

Where is it going to end?

No other sport would tolerate such an encumbrance.

I would suggest that the most important title event in clay bird shooting is the Champion of Champions Cup. If it is not, then it should be made so.

As now, it should be conducted solely by the Association and should be made difficult to win. When won, the champion should be acclaimed far and wide, not merely until the tumult and the shouting dies as pertains today.

It reflects little credit on the sport when it is realised that very few people outside shooters could tell who was the Champion of Champions for 1954, and even some shooters them-

selves may be a little hazy on that score.

The Champion of Champions Cup should be a single-barrel event — the true test of a shooter's ability — and should be in the nature of an elimination test. When the test has been decided, the winner then has earned the right to challenge the present title holder, and the two should meet at the invitation and as guests of the Association.

The definitions of the words "champion" and "challenge" put the case in a nutshell. A "champion" is "one who fights to defend", while "challenge" means "a call to a contest".

To my mind no Champion of Champions has ever been specifically invited to defend his title the following year against all comers. Surely that is his right by common courtesy, and he should be invited to "fight to defend" "a call to a contest".

If he cannot accept the challenge, then the title should revert to the challenger.

Other sports lionise their top men, and what is more, insist that they lose their titles only in competition or by default.

A more modified procedure could well be adopted by clubs entrusted with the conduct of Commonwealth and State championships.

The foregoing title events will always attract strong fields, but from that point the interest progressively lags, until some district championship draw fields, the numerical strength of which reflects very little credit on so fine a sport.

Night championships and clay sparrow championships could be deleted without loss of face. At best they are no more than novelty events and their promotion would be just as enjoyable to shooters without the

appellation of the precious word "championship".

Possibly intermediate and/or tyro championships could be arranged, but that is as far as the Association should go. It should then direct that the word "championship" be not used for any other events, with the exception of club championships. This would go a long way in preserving the dignity of the titles.

Club championships are reasonable, but here again they should be subject to strict supervision. Domestic rules lay down that only financial members shall compete in club championships, but there is nothing to prevent a shooter joining a club on the day of the shoot and then taking his place in the field, perhaps never again being seen at that particular club. A member to be eligible should have been financial for at least three months.

The district championship set-up would be laughable if it were not so serious. Some have high-sounding titles which mean nothing. They don't even mean that the

event is restricted to shooters in the particular district to which the name applies. What possible glory or standing could be attached to the title of, say, "Walk-up Champion of the District of Bandywallop"?

New clubs are being formed and will seek registration with the Association. They, too, in time will doubtless conduct club championships, and it is reasonable to assume that more official championships will be inaugurated to suit their particular districts.

If drastic action is not taken in the near future, every day will be a championship day. Even now some clubs are shooting two championships on the one programme in order to get through their commitments.

Let the real championships be the only ones to count. Let the title mean something to the winner. Applaud his victory and let him be honored for what he is—a champion.

AUSTRALIAN (V.). — Centuries were again reached at East Burwood when John Bryant won the Club D.B. C'ship with 100/100; runner-up, Hugh Phillips, 119/120; 3rd, Fred Skate, 118/120. Breaks returned for the day were Bryant 110 (unfinished), Phillips 102, Skate 100, A. Hamilton 83. Unfortunately for Bryant, his comrades in arms missed on the 100th round, thus eliminating him from the contest and ending his chance, with 110, of eclipsing the W. Williams record for the ground (111). By the way that John centered those birds, I am sure that he would have left that record far behind. The trio were equally good, their precision shooting entertaining an interested audience to the final round, when Phillips and Skate missed similar angling birds of the type that would grace the realm of Satan. Others who shot well were A. Tie 69, W. Wager 67, and our American friend Gene Moffat, who deserved the V.C. With his trigger finger peeping out of a mass of plaster which held a broken wrist, Gene managed 52 under conditions which would make many content to look on. However, Gene was happy, he divided in the first event and Mum won the Ladies' Trophy. D. Leach (Meatian) won the 13/14 yd. Dawn Scrivener won her first trophy. This young lady has shown steady progress, and won the tie shoot for 12-yard Trophy with 20/25. The opening S'stake was div. G. Moffat, Dick, F. Johnson, J. Jones, C. Mudford, A. Byers, W. Bray, 10/10.

(Night Shoot). — M. Landers won the 15-bird Trophy event, 47/47, from P. Wray, 46/47; 3rd, S. Power, 20/21; 15/16 yd., R. Smith, 20/21; 13/14 yd., W. Rodda, 15/16; 12 yd., R. Hall, 14/16. No. 2 event: div. R. Smith, W. Rodda, R. Hall, 17/18.

Jan. 31st (Australia Day) and two 20-bird Trophy events listed, Eddie Brenk winning the first, 27/27, from C. Mudford, 26/27; 3rd, E. Bruce, 25/26 (Mildura); 15/16, G. Anderson,

24/26; 13/14 yd., J. McInnes, 23/25; 12 yd., R. Layton, 18/20. No. 2 event was won by L. Murphy, 43/43, from E. Brenk, 42/43, R. Hering taking 3rd place, 32/33; 15/16 yd., K. Lowry, 25/26; 13/14 yd., W. J. Doyle (Quambatook), 23/24; 12 yd., R. Thom, 23/24.

Feb. 5th. — Opening with a 10-bird Points Dec., A. Hamilton, Wilkinson, L. Murphy, F. Johnson, L. Baker, T. McLindon (Lascelles) and G. Anderson, div., 30/30 points. The 8-pair D. Doubles was won by the Hamilton-Bray combination with 28/28 pairs; A. C. Tie - C. Mudford, 2nd, 27/28. Quail shooting ability was tested in a novel event (5-bird Walk-up Double Rise). No full bags were returned, although birds were in uniform flight, best effort coming from T. McLinden, 5/6 pairs; Mudford, Brenk, Hamilton returned 4/6 pairs. The final event, at 10 birds D.B., was div. A. Tie, A. Hamilton, J. Oliver (Drouin) and R. Headon, 14/14.

Visitors welcomed by the President were W. J. Doyle (Quambatook), Eric Bruce (Pres. Mildura Club), T. McLinden (Lascelles).

Twenty-seven shooters from Sydney, Melbourne, Alexandra, Shepparton, Benalla, Glenrowan, Eildon, Deniliquin, Hay and Finley competed and included a number of American shooters from the Utah Construction at the Eildon Weir.

Results: Event 1, 5-bird H'cap: div. A. Headon, R. Headon, J. Headon, M. Gibson, N. Thomas, K. Styles, G. Biggs, V. Claw, G. McLeod, G. Moffat and L. Doyle. Event 2, 10-bird Trophy, H'cap: Tie shoot by G. Moffat, J. Headon, R. Headon, M. Gibson and L. Doyle, with possible 10 trophy to J. and B. Headon, score 18/18; Front Marker, R. Younger. Event 3, Club C'ship, 15 birds from 16 yds.: Tie shoot by N. Thomas, A. Headon, J. Headon and R. Headon, 15/15; shoot-off resulted: J. Headon, 1st, 30/30; R. Headon, 2nd, 29/30; N. Thomas, 3rd, 24/25; best District shooter, R. Ferris Jun., 14/15; best 13/14 ydr., L. Collier, 13/15. Event 4, Special Rug, H'cap, 10 birds: possibles, N. Thomas, G. Daly, E. Daly, A. Head-

The Mildura Club held its first shoot for 1955 under pleasant conditions. A cross wind at times made the birds a little difficult to hit. Consistent shooter T. Ribarits shot well to win the Trophy event, while one of the younger members of the Club, Stewart Scherger, won the £30 Handicap, the main event of the night. The Mildura Club promises to have another successful year in 1955.

1/2/55 (Night).—Weather conditions: fine and cool. Results: No. 1, 15 birds D.B.: 1st, C. Mudford, 18/18; 2nd, D. Hicks, 17/18; 3rd, P. Wray, 15/16; 12/13 yd., J. Fewster, 14/15. No. 3, 10 birds D.B.: 1st, P. Wray; 2nd, W. Williams; 3rd, D. Glover; 12/13, G. Walker, 11/12.

The Club's Night Grand Prix was won by Clem Mudford after a fine shoot-off. When he tried out his automatic on the track, he put five cartridges in the gun and missed the bird with each of them. Second was one of our young members, and we were all glad to see Doug Hicks win the case of cartridges. Third was Peter Wray, who also won the last

10-bird event. In our last three night shoots Peter has taken away a first trophy each night. Good shooting, Peter.

5/2/55.—Weather conditions: hot and sultry. Results: No. 1, 5 birds D.B.: R. Cornish, L. Turner, H. Pearson, E. Rolland, 5/5. No. 2, 30 birds D.B.: 1st, H. Pearson, 29/30; 2nd, J. Senserrick, 33/30; 12/13, J. Fewster, 32/30. No. 3, 5 birds, 24 yds.: R. Reid, 9/9.

The Keilor Gun Club would like to welcome back Stan Draper, who was having one of his first shoots since arriving back from Queensland, and although he did not win anything, he showed us all some of his old form which made him a champion shot before he left. We also would like to welcome H. Pearson and E. Rowland, who came over a hundred miles to the shoot, and not without cause, as H. Pearson won.

div. H. Jones, J. Donovan, J. McInnes, K. Brooks, R. Johns, H. Phillips, B. Goodear, V. Dudley, F. C. Johnson, F. Skate, Ross Smith, W. N. Rodda, H. Ball, each 8/8 (comp. div.). No. 2, 10-bird D.B. Trophy: 1st, W. N. Rodda, 47/47; 2nd, V. Dudley, 46/47; 3rd, A. Mansell, 41/42; F.M., A. W. Alley, 14/15. No. 3, 10-bird Points Trophy: 1st, F. C. Johnson, 47/48; 2nd, W. Rodda, 40/48; 3rd, J. McInnes, 37/39; F.M., H. Jones, 27/30. No. 4, off 24 yds. Miss-out Sweep: div. W. N. Rodda and F. Skate, 6/6. No. 5, off fence Sweep: H. Ball, F. Skate, W. N. Rodda.

Thirty-nine shooters turned up. W. N. Rodda and Vern Dudley put up a long string; Rodda finished with 77 for the day and Dudley 54 break. The members stood in silence for two minutes out of respect to their fellow member, Les Murphy, in his recent tragic loss of his son Garry, 20 years of age, killed in a motor accident on 29th Dec. Our deepest sympathy goes to Les and Mrs. Murphy. The ladies put on a nice afternoon tea, as usual.

29/1/55. — Weather conditions: good, though hot. Results: No. 1, 5-bird S.B.: div. Dock an Doris, W. Hunter, R. Hall, A. Weir, F. C. Johnson, Ross Smith, W. Rodda, each 5/5. No. 2, 10 birds S.B.: 1st, T. McLindin (Swan Hill), 16/16; 2nd, W. R. Johns, 15/16; 3rd, H. Godfrey, 14/15; F.M., K. Bastian, 10/11. No. 3, 10 birds D.B.: 1st, H. Phillips; 2nd, F. C. Johnson; 3rd, L. Turner; F.M., R. Hall.

A good muster of shooters. It was very pleasing to see T. McLindin (Swan Hill) win the first 10 birder S.B. after stopping 16/16. Hugh Phillips again demonstrated his good form by winning the second 10 birder D.B. after stopping a long string in the shoot-off with Frank Johnson. Everyone enjoyed the afternoon tea supplied by the ladies.

12/2/55. — Weather conditions: light bad, strong following wind. Results: No. 1, 5-bird Points, Comp. Div.: div. L. Coombes, A. Goodear, W. Challis (Swan Hill), D. Latham, A. H. Brenk, H. Phillips, Ross Smith, T. C. Johnson, F. Burns, A. Tie and W. Rodda, 15/15 pts. No. 2, Club D.B. C'ship: 1st, John Bryant Jnr., 65/65; 2nd, Clem Mudford, 64/65;

3rd, Andy Tie, 54/55; F.M., 14/16 yds., John Mansell, 29/30; 12/13 yds., D. Latham, 29/30.

The bad light and occasional gust of wind did not stop the shooters putting up good performances; not fewer than 13 shooters shot the possible in the Championship, 20/20 birds, and it was not decided until they shot the 65th bird, and clever shot in Johnnie Bryant Jnr. was declared the winner. His form augurs well for the coming Champion of Champions contest. A little bird whispers that Johnnie will soon be home building again. Good luck to you and yours. Fred Burns was unfortunate he received a very low one for his first bird and then shot the rest to score 19/20.

(W. R. Johns, Press Corresp.)

ROCKHAMPTON (Qld.), Night Shoot, 14/1/55.—Weather conditions: A gusty wind made conditions difficult. Event 1, 5-bird S.B.: H. Goodson, 5/5. Event 2, 10-bird S.B.: 1st, C. Clark, 10/10; 2nd, H. Goodson and D. Russell, 9/10. Event 3, 20-bird D.B. Points, scoring 2 and 1: 1st, A. Wust, 40/40; 2nd, A. Organ and D. Russell, 38/40. Event 4, 10 pair Deauville Doubles: D. Russell and A. Organ, 10/10; G. King and K. May, 10/10. Event 5, 5 pair Double Rise: 1st, G. King, 5/5; 2nd, F. Skinner and W. Bartley, 4/5.

New shooter Allan Wust continued in winning form with a very fine possible in the 20-bird D.B. event. This lad is really an excellent shot and will undoubtedly improve even more. Another new shooter, A. Organ, shot particularly well throughout the night and his 38/40 in the D.B. event was a worthy performance. G. King's win in the Double Rise was no surprise.

Night Shoot, 28/1/55. — Weather conditions: good. Results: Event 1, 5-bird S.B.: G. Kidd, C. Clarke, A. Wust, F. Skinner, H. Morris, A. Lisle, div., 5/5. Event 2, 10-bird S.B.: F. Skinner and A. Organ, div. 10/10. Event 3, 5-bird Single-barrel Sparrows: H. Morris, C. Clarke, R. Clarke, R. Graham, R. Bell, div., 4/5. Event 4, 5 pr. D.R.: 1st, H. Goodson, 5/5; 2nd, R. Graham, G. Kidd, F. Skinner, div., 4/5. Event 5, 5 pair Deauville Doubles: E. Gorle and F. McPherson, div., 5/5.

Approximately 30 shooters contested the various events. Considering that many of our shooters were away at the Southport shoot, the

Attendance not up to standard owing to many other local attractions this day. Strong gusty wind keeping scoring low. This shoot commenced competition for annual High Gun Trophy, donated by Gordon Thomson (valued 20 guineas), one point for each bird shot over advertised programme. Shoot-offs, etc., not to count. Local interest very high and hope to attract several new shooters to the sport. A. Quinton leads on first shoot with 29 prs. out of a possible 30.

Shooting under very bad weather conditions was good. Cowra Club is a new club and the novices and shooters that have never faced the traps before shot extremely well. C. Campbell, a visitor from Bathurst, was the most outstanding shooter of the day, annexing and sharing four of nine events. General opinion is that this club will be very popular.

W. Plunkett.

A heavy rain storm in the morning prevented some shooters from attending, but quite a good afternoon and night's shooting was enjoyed by shooters who attended from Albury,

A COMING CHAMPION.

11-year-old Rodney Clarke of Rockhampton (Q.), who is a future champion. Using his father's gun, he has already divided in a double-rise event at Biloela, won an open 10 birder outright and also won a Deauville doubles match partnered by G. King.

Wodonga, Wagga, Mangoplah, Walwa and Tumut. Some merriment was caused when Lox Creasy received a black bird in a night event instead of the usual white. The mistake was anticipated by some of his Mangoplah colleagues, and although the trapper boy was questioned, the stewards could not prove that he was "got at". A very enjoyable shoot.

A very good day's shooting which was marred by the rain keeping many of our keen shooters away. A picnic lunch was provided by our ladies which was greatly appreciated. The main event, a £30 Handicap, was won by Bill Wearing with some fine shooting, dropping only 4 points in 60. He was followed by Athol McIntosh of Prairie Club with 53. The President's Trophy was won by Bill Doherty. Following the shoot the club held its Annual General Meeting, when retiring President, Monty

Geary, reported a successful year just completed. Our new President is Bill Wearing, who is assured of good support from his committee.

SOUTH AUSTRALIAN G.C. (S.A.).—The shooting has got to a pretty high standard around this city, and one has to be able to shoot at least 50 straight to have a chance of getting a trophy. There were 35 shooters in the Championship, which was won by C. Maddy of Swan Hill, Vic., who shot 110 straight; L. Sheringham was runner-up with 109, and F. Starling 67. The Charity shoot in aid of the Children's Hospital, shot on 19th Jan., was opened by the Premier of South Australia (Mr. Tom Playford). There were 90 shooters, and as this was shot under electric light, there was an exceptionally large gathering of the public. The main event was won by Tom Hall of Wunkar, who shot exceptionally well to win from 90 competitors; he is not a young man, either, being well up in his 60's.

Visitors travelled from all over the north to enjoy once again a very good afternoon's shooting. The weather conditions were very gusty and, as usual on our ground, made the birds do the most unexpected things. Rainbow boys were in fine fettle, taking home nearly all the trophies after some very good shooting.
