The Editor's Notebook

Information has come to hand, just prior to going to press, indicating that New Zealand has won the Mackintosh International Teams' Match for the second successive year. Ironically enough, Australia is again in second position, this time for the third year running. The New Zealand "A" Team returned the good score of 1462. This total included two registrations of 100 straight by individual members, followed by several 99/100's. The winning team averaged over 97 per man—a tough hurdle for any team to parry. Australia's "B" team carded 1444, followed by New Zealand "B" 1441, England "A" 1434, Australia "A" 1423, Scotland "A" 1418, England "B" 1399, Wales "A" 1398, Ireland "A" 1395, England "C" 1392, Scotland "B" 1339, Ireland "B" 1308, and Wales "B" 1229. The result is a triumph for our New Zealand kinsmen and heartiest congratulations are offered to them. The result brings forward an idea which may be tried to advantage for Australia in the next series in 1956. It will be recalled that for the first time in 1955 each country was permitted more than one team. Australia, in keeping with previous policy, permitted the teams to be made up in the order they finished in the Australian National Double-barrel Championship. Whilst this is commendable and has many features which are worth while, it would appear to be a better idea if the two Australian teams were selected in what is considered the real "A" and "B" form from among those qualifying. For instance, there were several in the 1955 Australian "B" team who were proved long-run shooters, that is those able to stand up to the rigours of a highly competitive 100-bird marathon. In fact, this theory has been proved by the recent result. The Australian "B" team outclassed the "A" combination, in that it was 19 birds better. The foregoing is an idea which may be considered by the Executive Committee at its next meeting. A number

of random discussions on this point, with uninterested shooters, has proved that the scheme would be well received.

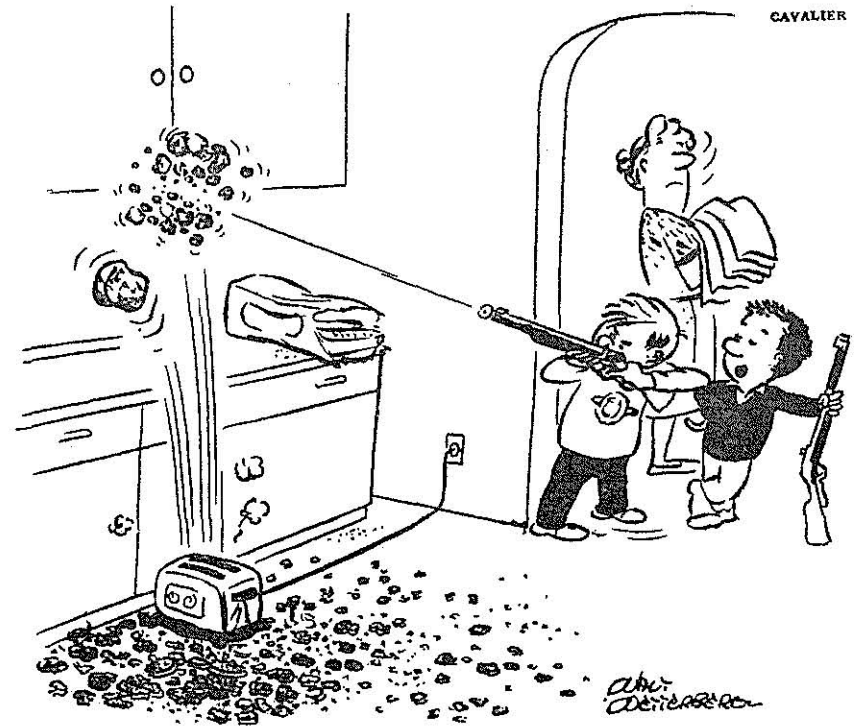

Recently a New Zealand visiting shooter to Australia wrote the Association complaining that two New South Wales clubs had refused to allow him to enter in championships because he did not reside in Australia. The decision of these clubs is indeed surprising. Quite apart from the courtesy aspect, any New Zealand visitor to Australia has equal right to compete in our open championships, providing he presents his credentials in proper form to the clubs visited. The New Zealand Gun Club's Association is an affiliated unit of the A.C.P.T.S.A. and complete reciprocal entries by visitors to either Dominion is now permitted. In Australia, until the present case arose, the reciprocal arrangement always stood. New Zealand came into line some years ago and now entrants from either Dominion are freely admitted to open competition. In fact, some two years ago a New Zealand visitor almost won the A.C.P.T.S.A. Champion of Champions Cup. The winner had to go to a long shoot-off to shake the visiting sportsman off; he was D. P. North. Any New Zealander attempting to enter in an Australian competition should be requested to produce his New Zealand registration papers completed in every way.

Several applications have come forward in recent weeks for the

registration of shooting names; also several have been noticed taking upon themselves to acquire shooting names without reference to the Association. All shooters and club officials are advised that no shooting names are now permitted. The practice was discontinued some years ago and will not be re-introduced. Australia is the only country in the world where this practice has been permitted in clay-bird shooting. In an extensive organization like the A.C.P.T.S.A., permission of "shooting names" could get out of hand in a very short space of time.

A country club in Victoria recently wrote to the Association advising that it had several members who had not registered, and asking if their registration was essential. The only

non-essential registrations are those who merely join the club and do not shoot, or possibly an odd extra social shooter who may appear at, say, the annual Christmas shoot. The whole basis of organised control of the sport falls down if all shooters are not registered. Unregistered shooters are not permitted to compete against registered shooters and should not be entertained as competitors in any way whatsoever. They have no entitlement to prizes and should not be permitted to shoot on the tracks. Similarly, registered shooters should see to it that unregistered men do not compete against them. Once a club joins the Association it becomes part of that body and must necessarily obey its rules along with its members. It is a basic rule of the Association that all shooters must be registered.

Secty. A.C.P.T.S.A.

Apropos the "News".

I think the May issue is a most valuable edition. It behoves Secretaries and members, too, to acquaint themselves with the rules set out. To have a working knowledge of the rules would save a lot of argument and possible embarrassment to club executives.

So many times, at various clubs, something crops up which needs an explanation. If this copy is kept handy, the solution of most of the trouble is soon evident.

It is pleasing to note, too, many new clubs registering. This proves that clay shooting is a popular sport and at the various fixtures "good sportsmen meet".

With best wishes for greater success,

Yours truly,
TED WEDGWOOD.

To the Editor, A.C.P.T.S.A. "News".
Dear Sir,

Some seven or eight Melbourne clay bird shooters attended the June meeting of the Mildura Gun Club and were entertained right royally throughout the whole fixture. Arriving in Mildura on the Friday afternoon, we were invited to proceed to the ground for some practice on their very fine "set-up". After some hours of blasting the elusive clay, we were invited to dinner by their very popular President, Eric Bruce, at the principal cafe of Mildura, where several fine exhibitions of devouring oysters and wine were witnessed. After partaking of a splendid dinner, we were invited to proceed to the President's home, where Eric and Mrs. Bruce still continued to do the honours, and after many bottles had been emptied, those present witnessed a grand clay "competition" which was won handsomely by a Victorian

visitor. On Saturday, down to strict business, the Victorian Double-barrel Championship, which was ably won by that outstanding clay bird "buster", Newton Thomas, with 80/80, closely pressed by Art. Hinneberg and Tony Ribarits. Dinner and tea well served on the ground.

On Sunday the visitors were taken for an extensive tour of the district. The only blot was when the rear wheel of Mr. Bruce's Volkswaggon came off; no one was hurt and many willing helpers soon had the car on the road again. Arriving back at the M.G.C. ground, we were soon attacking some beautiful Murray cod, well cooked by chef Eric Bruce, and being washed down with plenty of amber fluid. After many plentiful helpings of cod and all that goes with it, Eric grilled a lot of delicious steak; that also soon vanished. This continued until after dark, when one of the sporting country visitors, after tossing with Eric Bruce, bought chips and crays for those who still remained in the party.

Later on the party adjourned to another shelter till midnight. After the Monday shoot President Bruce again entertained quite a few right royally at dinner.

Many thanks and congratulations to the Mildura G. Club for their hospitality and the splendid way they conducted the shoot from beginning to end. This club is well worth patronising at any time. I shall attend again at very first opportunity. The Melbourne boys all say "thank you", Eric B. and Mildura Club Committee.

Yours faithfully,
W. R. JOHNS.

The Editor,
A.C.P.T.S.A. News.
Dear Sir,

I was most pleased to read the letter of "Front Mark Critic" last

issue of News, reference to the formation of one Central Club in the metropolitan area of Melbourne.

It has been the goal of the writer for the past two or three years to have this Central Club formed and have talked it over with many shooters. In most cases they have been all in favour.

If we look at this Central Club from a practical point of view, one will admit that its formation is overdue. It would, of course, mean the amalgamation of all Melbourne clubs. Some people will not agree with this, saying that it will kill the individual club feeling. This may be to a degree, but the advantages to be gained will far outweigh this feeling.

Space here will not permit me to point out all the advantage. However, to mention a few:—

1. At least 100 or more shooters would be competing each week, making it possible to grade all competitors A, B, C.
2. Nominations would be less and pay out more because of increased attendance — result, cheaper shooting.
3. Practice and coaching tracks could be available throughout the afternoon and during the week. (This is very important if we are to attract new shooters to the sport.)
4. A worthwhile clubhouse, with all amenities for visitors and ladies, is a must if we are to stage a large shooting carnival during the Olympic Games.

At present none of our Metropolitan Club grounds measure up to very much; in fact, many country clubs leave us for dead in this regard. The sport originated in this city some 30 years ago; considering this and the money invested in the sport, we realise how low is the standard of the clubs.

I am sure the problems confronting us in the formation of this club can be overcome. The two greatest being finance and suitable location. The latter is the most difficult.

In the interest of clay target shooting in this city, I would appeal to all shooters who have this sport

at heart to contact the writer should they know of any suitable ground location.

Yours faithfully,
GEO. BIGGS.

U.S.A. Shooting

(From Rex Miles)

Our weather for the Inland Empire was terrible, cold, wet and rotten high winds. Earl Colson, a boy who has not been shooting for a few years, came out and did a remarkable job. Earl is a Class AA. 25-yd. shooter. He won the Double A Championship of North America at the Grand in 1947, with a 200 straight, breaking another 150 straight in the shoot-off, 350 in a row on the same day. Well, at our shoot this year he won the Singles with 200 straight 16 yds., next score to him was 196. Earl also won the Handicap from 25 yds. with 95, then he broke a 91 from 25 yds., winning a Pontiac car worth 2,800 dollars for his total on the 200 Handicap targets, 186; runner-up had 185, he was a local boy.

The following extract from one of our local newspapers is also interesting. It reads:

He had 185 in the handicap and a 95 on the final day to win second place. Someplace along the line there was a mistake in score keeping which gave another gunner an extra bird, but the powers that be ruled it was too late to take away that extra bird.

If it hadn't been for that, Skoglund would have really been in the chips . . . or at least tied for first for about 2,800 dollars worth.

But he didn't say a word. He appeared happy to have been on the winning three-man team in the S.R. shoot.

That's what this corner calls being a first-rate sport. Not many guys can stand to see 2,800 dollars go flying out the window and not even grumble about it."

Curving, dropping duck! Who has not met his Waterloo at such birds? There is truly all the difference between duck which rise in front of you from river or pond, and curving, dropping duck, which I have always found most puzzling shots. The man who shoots a few duck rising in front of him and then thinks he knows all the answers is destined for a true awakening later on. But then duck shooting would not be duck shooting were it not for such baffling variations.

It is hard to explain how one day you shoot far better (for no apparent reason) than you do on another. The reason is probably a psychological one. It is the brilliant shot who so seldom varies. No doubt the exceptional qualities which are required to make a super-shot are a combination of those of both brilliance and consistency. The man who is brilliant and who can keep it up becomes the super-shot. Which of us is there who has not made some brilliant shots from time to time? Everybody does it on rare occasions and calls it a "fluke". I am not so sure that it is a fluke or perhaps I should say that it is less often a fluke than is popularly supposed. What is to be noted is that we can do the right thing, but we cannot do it often enough. Thus we fail to become first-class shots. Other physical conditions being equal, the answer seems to be in the mental make-up and approach to the whole problem. I believe that many weaknesses can be overcome by sheer mental application; disadvantage would be when much walking had to be done. But his knowledge and judgment would no doubt help him out. Analysis is the first necessity — so that you may know yourself. It was to this that the ancient Greeks attached prime importance. And life does not really change!

Exceptional physical activity does not seem to be essential for good shooting. I have shot with men of marked athletic ability who were really not much good as shots. I have seen an athlete in his prime have his

"HULLABALOO"

The beacons are lit, and the torch has gone round,
The calls of the clans o'er the plains loud resound.
While the battlefield chosen to fight out the "Blues"
Is a page we all read in our book Shooters' News.
A scout from the south was the first to advance,
And he carried no weapon, no sword, gun or lance,
But the plea on his banner seemed to raise up the wroth
And get under the skin of a boy from the north.
This boy from the north with a "Championship" roar

Advanced on the scout with a flashing claymore.
The claymore come "Bird" with many a thrust,
Drew blood with the slogan "Bandy Wallop" or bust.
These jousters' views spring from quite different terrain,
Both put forth facts which are right in the main,
But somewhere I've read that a wise owl has "wit"
Sarcasm at best is a low form of wit.
No man worth the name of a clay pigeon shot
Would give aught to the sport but the best that he's got,
And suggestions brought forward are worth more than just
To be torn up, burnt, and thrown out with the dust.
The fool, and the child, we are taught from our youth
Are given the credit of speaking the truth.
We may laugh at a fool and openly scoff,
But poor is the fool we can't learn something off.
I've stuck out my neck, but bless you, I know
If you don't have a "Punch", you don't have a show,
And I'll take as I give, and perhaps a bit more as
I sign myself off with a "Wee Deoch-an-Doris".

A report from the Colac Club, in the mid-Western District of Victoria, advises that the club expects to have its spacious grounds floodlit very soon. The power will come from the Gellibrand Road, which adjoins the shooting grounds. Don Corstorphan

is club secretary at Colac.

A New South Wales shooter recently wrote and apologised for late payment of his registration fee for 1955. The shooter added the following worth-while pleasantries, "I must apologise most sincerely, as payment had most certainly slipped my mind. I was wed just before Xmas, and being financially embarrassed, among other things I've had to pack the old 'shooting iron' away. But when I finally get myself organised again I'll certainly be there when the guns are tootin'! Thanking you very much for keeping my name on your registration books, as it is well and truly overdue. If we members can stick together as the example the A.C.P.T.S.A. sets in sticking to its unfinancial members, as myself, we will set a very high standard."

back. H. Powyer is secretary of the new club.

Barcaldine Club (Q.) will shoot on July 30 and 31. A special series of handicaps has been arranged as well as supporting events. Details are as advertised. Enquiries to A. J. Anderson, Saltern Creek, Barcaldine (Phone: Barcaldine 51S).

Longreach Club (Q.) will shoot on August 6 and 7. The Central Queensland single-barrel title is main event on first day. A £100 Handicap and the President's Trophy shoot are listed among other events for the final day. Enquiries to W. H. N. Walsh, Box 136, Longreach (secretary) (Phone: 30 and 64).

J. I. Bowler has taken over the secretaryship of the Robinvale Gun Club (V.), with P. B. Ross-Tuppen as new President. The club will hold an open shoot on July 30, when a £100 Handicap will be decided. The club will also shoot at night. The Murray Valley D. Rise title is listed for September 3 by the club.

Moree Club, in northern New South Wales, will conduct a two-day shoot on August 12 and 13. Main events are the North-Western N.S.W. D.B. title and a £100 Handicap, followed by the North-Western N.S.W. S.B. title, with many good supporting events. Night shooting will engage attention with another two fixtures on September 9 and 10. On the opening night the N.S.W. Single-barrel night championship is listed for decision. This will be followed on Saturday, September 10 (day only) with the Gwydir District single-barrel title. The night programme will be arranged later. Full details are as advertised. Enquiries to secretary, Harry Sullivan, Box 46, Moree, N.S.W. A good plane service is now available to Moree. Intending competitors are advised to book their accommodation without delay.

Of interest to many shooters of the pre-war vintage was the recent appearance at a Moree shoot of Bob Holmes. Bob was a popular shooter in the days before the "blitz" and he was successful in many events. In the early months of 1939, with his brother Ted (now President of the Collarenebri Club), Bob visited the southern States, and included a stay of several weeks in Tasmania, fish-

ing at the Great Lake at other centres.

Another interesting item has been forwarded by Allan Mansell, the Camberwell shooter, which refers to the doings of Buffalo Bill. In a magazine article an English writer mentions that the last occasion on which glass-balls were used was at the Buffalo Bill Wild-West Show. Two cowboys rode round a show ring, the first one ejecting a series of glass balls into the air. Buffalo Bill following, using what was termed a "repeater rifle", hit every one. Many were disturbed at the use of a rifle rather than a shotgun, but there was no mistake as to what Colonel Cody could do with a firearm on the saddle even at a canter.

The Glencoe Club in South Australia has become affiliated with the A.C.P.T.S.A. Secretary of the Glencoe Club is R. M. Bourke, Glencoe, S.A.

Mount Gambier Club, in South-Eastern South Australia, has forwarded a list of its office-bearers for the current season. They are: President, W. J. Bishop; Vice-Presidents, N. J. Brown and G. T. Bishop; Committee, Messrs. C. Barr, J. Bishop, L. Earl, G. Height, L. Sims, W. Battye, M. Bishop, A. Hammer, R. Ralston and T. Walters. Referees, C. Barr, A. Hammer, L. Sims. Secretary is Roy G. Bishop, 141 Commercial Street, Mount Gambier. The club shooting ground is at Attamurra, adjacent to the Mount. The club indicates that it is "the oldest gun club in Australia". Its origin dates back to 1872.

In an open letter to the U.S.A. President, Phil. Miller, a prominent U.S.A. shooter and leading authority on the sport, complains of the increasing price of ammunition. He describes the ammunition industry in U.S.A. as "the tightest monopoly" in the entire country. Miller writes in the American shooting magazine "Pull". Continuing in another edition, Miller reckons that at least eighty-five per cent. of U.S.A. boys have never fired a gun of any sort and most of them are afraid of firearms. He adds, with the disappearance of game from fields and mountains, the average man or boy of today has only two ways of learning

to shoot, join a rifle club or take up trapshooting. Miller mentioned, rather grimly, "that the world is on the brink of another war," hence his advocacy for the reduction of ammunition for trapshooting.

In a letter from Cohuna the local secretary advises that the gun club has decided to close down for the winter period, or at least until August 30.

Little is heard of the Queenstown Gun Club on Tasmania's rugged west-coast. A recent communication from Mrs. E. Jean Fairfield, the Queenstown secretary, advises that the club has reached the end of "its season", as the weather is a serious handicap to the sport at this time. Mrs. Fairfield claims that Queenstown has no skyline and the orange-banded targets are a decided advantage. She concludes by mentioning that visiting shooters to Queenstown are always welcome in Queenstown's somewhat isolated location and many have visited the club at different periods during the summer.

A new club is in process of formation at Graman, via Inverell. It is expected the new club will become an affiliated unit of the A.C.P.T.S.A. D. Clyde Smith is secretary.

Officials of the Leongatha Club, in the South Gippsland district of Victoria, for the current year are: President, G. Grey; Vice-President, T. McGaw; Secretary-Treasurer, Neil Gannon; Committee, Messrs. A. C. Hall, A. G. Foster, A. Edney, A. Ryan, W. Millar.

A wedding of more than usual interest in the clay pigeon shooting sphere took place at the end of May, when John Bryant Junr., winner of the National title and Commonwealth titles in recent years, was married to Miss Linley Margaret Whalley, daughter of Colonel and Mrs. R. P. Whalley, of Blackburn. Shooters will wish the young couple every happiness in the future.

An interesting story is to hand on the adventures of a well-known Melbourne shooter. One day recently, indulging in some rabbit(?) shooting, the marksman observed a magpie chasing a hawk—the latter being just a bit too fast for the magpie. Taking careful aim, he decided to

shoot the hawk. Lining up carefully with his under-and-over, he pulled, and, to his dismay, it was the magpie (about 12 feet behind) which bit the dust. The hawk disappeared, much relieved by the actions of the "good samaritan"!

The Coburg Club (V.) will shoot its Club Deauville Doubles title on Saturday, July 16. On July 30 the club is starring as its main event a 30 birder, for £132/10/- in trophies has been allocated. Full details are as advertised. Enquiries to C. J. Colledge (secretary), 12 Adler Grove, Merlynston, N.14.

Colin Fletcher, secretary at Dundonnell (V.), formerly of Roma (Q.), has built up a splendid club at his centre. The latest addition is the installation of trap operation by electricity. It has proved a great success. The release is connected direct to 240 volts and then, by using a transformer, the voltage is cut to 6 volts at the release of the button, thus eliminating any danger of serious shock to the operator, if the button shorted or the flex became worn.

Quambatook Club (V.) will hold a day and night shoot on September 24. Main day event is a 20-bird trophy competition, for which first prize is a Beretta D.B. Gun. At night the chief interest is a \$75 Handicap, points scoring. Full details are advertised. Enquiries to secretary, R. W. Ellis, Quambatook (Phone 63).

Hay Gun Club, in central Riverina area of N.S.W., advertises particulars of the Hay District Single-barrel title on October 15. This will be followed at night by the N.S.W. State Double-rise night championship. A first-class series of supporting events are included both during the day and night of the series. Particulars are advertised. Enquiries to secretary, Les McKinney, Box 41, Hay, N.S.W. (Phones 25 and 38).

Hargrave Park Club at Parramatta (N.S.W.) advertises details of its August programmes for August 6 and 20. The club Deauville title is listed for August 6 and the Sydney Deauville Double sparrow title on the last-named day. Enquiries to C. W. Plummer, club treasurer, 74 Brandling Street, Alexandria, N.S.W.

regret to learn of the passing of Bob Ferris, secretary of the Jerilderie Club, and one-time resident of Kyne-ton. Bob was a popular official and was on one of his periodical visits to Melbourne when his end came. One of the "early birds" of clay pigeon shooting, Bob Ferris did much to assist in popularising the sport in the late 20's and early 30's. He was one of the founders of the now extinct midland Victorian club at Trentham. Sincere sympathy is expressed to his wife and children.

After 31 years' service to the shooting fraternity of New Zealand, Mr. A. N. Turner, secretary-treasurer of the New Zealand Gun Clubs' Association, has retired. The new secretary is Mr. W. H. Stewart, c/o Box 704, Dunedin, N.Z. Mr. Stewart has been for five years secretary-treasurer of the Dunedin Gun Club. Long years of pleasureable retirement is hoped for Mr. Turner, who has given the New Zealanders great service.

Vic. Harrison, secretary of the Sebastopol Club (near Ballarat), in

a recent note, mentioned, "Congratulations to 'News', a wonderful journal."

Reports from Rainbow (Victoria) reveal that the club intends conducting its New Year Shoot again during the coming season. Actual dates will be available later. It is worth noting that another Holden Car will be presented to the winner of the Rainbow Grand Prix; second will receive Under-and-Over Model "A" Brown-ing Gun, and third £50, fourth to tenth will receive £12/10/-. Particulars will be advertised later.

Owing to bad weather conditions, there was a small attendance. The highlight of the afternoon was the excellent shooting of two new members, E. Smith and M. Lightfoot. Shooting good in good conditions, being calm and dull. E. A. Holmes shot 77/80 and shooting the last 56 straight with first barrel; R. J. White just missed a 50 break, but ended with 49/50; M. Buchanan also shot 76/80, with S. Morse 75/80; I. Constable, 74/80, so from that it can be seen that one had to shoot the possible to win.

4/6/55.—Weather conditions: cold and dull. Results: No. 1, 5-bird: E. Holmes, 10/10; R. Grant, 10/10, div; M. Buchanan, R. Clark, 9/10. No. 2, 10-bird D.B.: E. A. Holmes, 10/10; J. Adams, 10/10; R. Light showers and dull light did not make for high scores.

COLAC (V.), 11/6/55.—Weather conditions: fine. Saturday's shoot at clay targets was remarkable for the high standard of shooting and the number of long breaks recorded. Max Everett, who at the previous shoot on May 21 shot through the entire programme without a miss, carried his break of 69 through to 108 before missing a target. This is easily the highest score ever registered over the Colac traps. Three other shooters qualified for 50-break badges: Bill Arnold, 68 (unfinished); Bob Boylan, 53, and Charlie Grist, 50.

No. 1, 5-bird D.B.: div. M. Everett, C. Adamson and D. Corstorphane, 9/9. No. 2, 5-bird Points: div. M. Everett, N. Westwood, G. Grist and G. Donohue, 27/27. No. 3, 10-bird D.B.: possibles, M. Everett, C. Adamson, R. Jorgenson, W. Arnold, N. Westwood, C. Grist and R. Boylan. Tie-shoot for three trophies: 1st, W. Arnold, 53/53; 2nd, R. Boylan, 52/53; 3rd, C. Grist, 41/42. No. 4, 5-bird D.B.: div. W. Arnold, R. Jorgenson, N. Westwood, J. McColl, F. Shelton, 9/9.

Weather conditions: fine, calm. Sixty-nine straight was the excellent score put up by Max Everett when he won the automatic gun at the Colac Gun Club's clay-bird shoot on Saturday, 21/5/55. Forty-five guns faced the trap. Visitors came from Melbourne, Geelong, Ballarat, Birch, Portland, Dundernell, Willaura, Warracknabeal, Warrnambool, Learmonth, Cressy and Winchelsea. The club extends its thanks to these good sports who are not adverse to travelling some hundreds of miles for their shooting. George Biggs (Melbourne), at the invitation of the club, presented the Hartley Shield to the Colac team, which won the National Club's Teams Championship in Melbourne. As usual, the ladies provided a tasty afternoon tea, which earned the appreciation of all present.

Main results: No. 1, 5-bird (Comp. Div.): M. Everett, W. Gange, R. Jorgenson, R. Krentzlin, R. Boyd, V. Harrison, H. T. Smith, H. Smith, A. Palmer, R. Lemke, T. Thomson, A. Taylor, H. Waring, T. Although the night was very wet and conditions were against good shooting, 18 stalwart supporters of the club turned up to make what was thought firstly to be a wash-out a very successful shoot. Thanks, boys, especially visitors. Ron Cook was the best shot of the night, taking no less than three trophies, while Ian Griffiths cut 5-6 events, but was unlucky not to get a trophy; it was also pleasing to see that the new president, Les Young, return to form with two trophies and three cuts for the night. Supper was served to end what turned out to be an enjoyable evening.

4/6/55.—Weather conditions: calm and cold. Results: No. 1, Vic. D. Rise C'ship (Night Title), 15 prs.: 1st, R. Matheson, 13/15; 2nd, S. Florence, 12/15; 3rd, B. Reading, 10/15; Sweep cut R. No. 4, D'ville Doubles: cut E. Glen, R. Reseigh, won outright. No. 5, 5-bird D. Rise: cut R. Matheson and M. Jesse.

A field of 29 shooters faced the trap. R. Matheson proved his return to form in recent weeks was no "fluke", as he won the Victorian Night Double Rise with a creditable score of 13/15 pairs. Supper was again in the capable hands of our club supporter, Mrs. Leeder.

A party of eight Gun Club men who stayed over in Tully after the big Tully Gun Club shoot on the Queen's Birthday week-end holiday had an interesting experience. They were Messrs. G. Martin (Southport), Sam Raymond (Goondiwindi), Joe Flood (Goondiwindi), Tom Stone (Southport), Cliff Whitney (Southport), Mac Martin (Tambo), Peter Smith (Tambo) and Andy Gordon (Southport). The party were taken for a fishing trip by C. Dickinson, the President of the Tully Gun Club, and before proceeding out to the Island, took a sail by motor launch up the Hull River. On the run up the river the party was fortunate in that no fewer than four crocodiles were sighted, but the highlight of the occasion was that, at the mouth of Mosquito Creek, which runs into

the Hull River about a mile from the Hull mouth, Cliff Whitney brought off what was described by other members of the party as a "miracle shot". A crocodile about ten feet long, diving out from the mangroves when disturbed by the presence of the party, was unable to submerge quickly by reason of the shallow water at the mouth of Mosquito Creek, and was travelling fast on the surface with his head showing above the water, and Cliff, with a moving shot from 150 yards, got him through the head. Cliff is now known by his fellow shooters as "Croc" Whitney.

Heavy rain right through Friday night and up till half an hour before the shoot started at 2.30 on Saturday kept away all but the most enthusiastic shooters. A dark, cloudy sky, cold wind and some light rain tested the skill of all shooters and kept scores low in all events. Gordon Cumming was the only one to overcome all difficulties and he shot really well in all varying conditions. Club thanks to the ladies who served afternoon tea in the usual pleasant manner, and to Lin Cumming for donation of main trophy. (Luke Doyle, Correspondent.)

COFFS HARBOUR (N.S.W.).—On Saturday, 18th, the Club D.B. Championship was contested. This fixture was set down for 11th, but as a monster air pageant was held on that day, the club put the shoot on a week later. The day was fine and clear, but a north-easter blew across the tracks, making the clays very tricky. Despite this, and following his good form at Kempsey on Queen's Birthday, Dan Seccombe won the Championship Cup with a possible 20 and also gained High Gun for the meeting. Dan is a great worker for our club and his win was popularly received by all club members. A welcome reappearance after several months in Sydney was made by our Sec., G. D. T. Seccombe. He retained his form and besides dividing 3rd in the Champion-

Tumut team—C. Baker, A. Baker, D. Lowther, J. Drummond, 19/20. No. 5, Miss-out: div. C. Angel, A. Baker, L. Coulston. (H. Burge, Sec.)

AUSTRALIAN (V.), May 28th. — Roy Johns had an outright win in the Club D. Rise C'ship, 10/10 prs. Birds dropped quickly in a following wind, but Johns mastered the situation with a brilliant display of timing, breaking the discs before the wind took control. With a possible 3 pr. in the first event, Roy returned a straight of 13 prs. An outstanding shot over many years, Johns has won his way to the International Team on six occasions. G. Biggs, C. Mudford and R. Smith, with 9 prs., contested the placings. Biggs and Mudford dropped their 15th pr., giving R. Smith 2nd honour, 14/15; another miss by Biggs gave Mudford 3rd place, 17/20. R. Ayre won the 13/14 yd. Trophy from Aub. Johnson and H. Sweeney, with 7/11 prs. The opening event at 3 pr. D. Rise was div. C. Mudford, R. Hering, J. Veall, G. Biggs, R. Johns, Ingi, W. Scott and G. Walker. A final 10-bird was div. F. Johnson, E. Brenk, K. Mark, W. Scott, A. Tie, R. Smith, C. Northy.

June 11th.—Lending moral support to the famous melody, "There's something in the seaside air", Reg Blackwell, fresh from the briny, shot through the entire programme at East Burwood, winning the main event 35/35, div. opening event 30/30 pts., and final event 10/10, finishing the day with 55 straight, drawing twice only on second barrel. Home again after two years abroad with the R.A.N., Reg had his last shot at clays in Japan 12 months ago; says the sport was popular with Americans there. Possibles in this 20-bird event were returned by Assn. Patron Frank Hockey, L. Turner, R. Blackwell and G. Stainton. In the tie shoot Hockey missed his 22nd release, taking 15/16 Trophy; Turner his 31st, taking 3rd Trophy, Geo. Stainton being runner-up to Blackwell with 34/35. Murray Doherty, 30/30 pts. in the opening event and last week a 44 break. This sweepstake was also div. Aub. Johnson, H. Phillips, R. Andrews, R. Blackwell, and R. Hering, 30/30. The Ladies' Trophy was won by Mrs. J. Sans, wife of Kim, who was Club President for a number of years. A final 10 birder saw our prior Secretary still upholding the Johnson reputation, and div. Aub. Johnson, Frank Johnson, Reg Blackwell, Nyla, H. Phillips, L. Swain, R. Smith, G. Stainton, D. Wood. (H. H. Ball.)

The club was most unfortunate with the weather, which was the worst that we have ever had to contend with. The ground was badly waterlogged and an electric pump had to be utilized before the pit could be used. The brilliant shooting of Newton Thomas was the day's highlight; he did not miss a

bird all day.

On Saturday night, following the shoot, the club endeavoured to repay the hospitality showered on its members when they visit other clubs in the North. The Editor of the "Advocate", who was present, expressed his impressions in the paper, as follows: "Gargantuan" is the only word I can think up to describe the feast the Burdekin Gun Club put on for its members and visitors on Saturday night.

YASS (N.S.W.). — Yass Gun Club's new grounds on "Tullia Park" were officially opened by the Mayor of Yass, Alderman K. C. Meagher, on Saturday, 11th June. The Mayor congratulated the club on the excellent site chosen, and also for the speed in getting the new clubhouse and concrete tracks down, pointing out that strong and efficient sporting clubs were of great civic value to a town and district.

The Club President, Mr. W. B. Grogan, outlined the varied history of the Yass Gun Club, and congratulated Mr. Roy Smith on being the sole formation member still with the club.

Movies and press pictures were taken of both the actual shooting and the presentation of trophies, and it is hoped to have a social evening shortly, when the movie film will be screened.

A most pleasant and successful day. An excellent luncheon and afternoon tea service, for both the shooters and visitors, together with a glorious day, made this opening day a memorable one for Yass Club.

Results: No. 1, 5-bird Eye-opener (Comp. Div.): W. B. Grogan, G. N. Morton, Jim Medway, Gordon Reed and Doug Shannon. No. 2, 5 S.B., 5 D.B.: Leo Grogan, 10/10. A special trophy donated for 12/13 yds. was shot off between I. Penman and J. Magennis, 9/10, and I. Penman eventually won. The S'stake: Leo Grogan, 1st; 2nd and 3rd, div. Jim Medway, I. Penman and J. Magennis. No. 3, 10-bird Point Score: only two shooters recorded the full 30/30, Ted Glover and Cecil Walker; in an interesting shoot-off Cecil Walker had to call on the second barrel once, and Ted Glover ran out the winner. S'stake: div. 1st and 2nd, Glover and Walker; 3rd, div. Leo Grogan and N. Betts, 29/30. No. 4, 10-bird D.B.: Leo Grogan and Col. Shannon, 10/10; shoot-off: Col. Shannon, 1st, div. 1st and 2nd in S'stake with Leo Grogan. A special trophy for 12/13 yds. resulted in a win by Joe Magennis after shoot-off with four other front-markers, I. Penman, Maurice Shannon, J. Weir and J. S. Collins, 9/10; these five front-markers div. 3rd with N. Betts and Harold Heat, also 9/10. No. 5, 5 prs. D. Rise: 3 shooters gained 4/5 prs. Shoot-off for Trophy: Jim Medway, Cecil Walker and Harold Heat lined up, and Jim Medway won from Cec. Walker and Harold Heat. No. 6, final Box Sweep, miss-out from 22 yds.: As is usual here, a concerted cry of "Clean your gun, shooter" meets each one as they miss, but despite the darkness, a surprising number kept shooting on, and Harold Connell took out the S'stake on this event, 7/7; runners-up, J. Rivers, W. Warren, E. Elrington, Gordon Reed, 6/7.

In the usual "post mortem" held at a local hostelry that night the matter of installing a night-shooting outfit was given a lot of consideration, and after another few more successful days, such as this opening day, will be a matter for the committee to seriously consider.

The Yass Gun Club shoot, postponed from 14th May to 28th, was very successful, which included putting on a special shoot for a group of potential new members from Bookham. These boys, who we understand have been having a little practice from an old "Plus" trap, put up quite a good performance, and their scores compared favourably with the Yass shooters. No. 1, 5-bird E.O. C/D: won by W. Warren, N. McAuliffe, C. Shannon, L. Grogan and O. Woods, 5/5.

COBURG (V.),—On June 4 we had a very large crowd, with many visitors. The usual 10 birds Points Decision started the ball rolling, and it was closed when nine possibilities cut the proceeds. They were H. Pearson (Yarram), Bill Jones, Jack Senserick, E. Rowland (Dumbalk), Harold Biddle, Ray Hering, Tup Pedersen (Drouin), Mick Dawson and George Anderson.

The main attraction was a 30 birds D.B. £100 H'cap. The cash was divided to include yardage prizes, and was a great success. The shooting was of high class.

Jack Stevens, with 43/43, was a popular winner. He received the lion's share of the cash and a handsome trophy donated by President Fred Oliver. Norm Fletcher was

the runner-up, with L. Swain in 3rd place. Tup Pedersen was the recipient of the 18 yds. and over prize; 16/17 yds. went to Ray Garonne, the 14/15 yds. to Jim McInnis, and the 12/13 yds. to Bill Jones.

By this time the light was gone, but everybody stayed for a nice little ceremony when President Fred Oliver presented Clarrie Northey with a small token of esteem on behalf of Coburg shooters. Clarrie is off to England shortly on duty with the R.A.A.F.

Saturday, June 18, dawned threateningly, but the muster in the afternoon was good and the conditions were fair.

Ten birds Points again, and this was cut between Bob Williams, Tom Spence and Ben Whaley.

A 20 birds D.B. saw Norm in great form. He went to 62/62 to beat Ray Hering, and was shooting well all day. Consistent Ray Garonne was 3rd with 49/50. New shooter Ted Watersen got the 12/13 yds. with 19/20.

The concluding event was a 5 pair D. Rise, and was won by Joe Fewster.

So successful was the split-up £100 on June 4 that the committee decided to follow it up with a similar event on July 30. This will be for trophies valued at £132/10/-, and full details can be seen in our advertisement in this issue.

The 1955 Grand Prix on Cup Day has received plenty of comment. The first prize is a Belvue De Luxe Caravan valued at £700. Second prize is a Browning "C" Grade Under & Over Gun, valued at £149, and third a 12 ft. boat valued at £65.

Posters have been sent to all secretaries throughout the Commonwealth for display at their grounds. Ask to see them. There is a picture of the caravan, and a couple of interesting interior shots.

You can forward advance entries if you desire. It will ensure an early squad, and any entry will be refunded if shooter notifies me that he is unable to attend.

Saturday, August 13, we are conducting a shoot; the proceeds will go to the Red Cross.

C. J. COLLEDGE, Sec.

QUEANBEYAN (N.S.W.)—On Saturday, 25th June, the club conducted an open shoot with a good attendance of shooters under cool conditions. The S.B. Championship of the Southern Districts of N.S.W. was the main event of the day, and was won by Jack Tilyard of Canberra with the only possible. During the day's shooting Keith Webster of Canberra, Rodger Sands and W. WARREN (N.S.W.), 13/6/55.—Weather conditions: favourable. Club conducted its

Annual Lower Macquarie D.B. Championship, together with other events, and despite many other Championship events and Open Days held at clubs well within striking distance of this club, over 30 shooters attended. The installation of the new and second automatic trap greatly assisted in giving shooters all the shooting they could ask for, and greatly speeded up finalisation in different events. Visiting shooters came from Wellington, Cobarr, Gilgandra, Tooraweenah and Tottenham, as well as one shooter all the way from Goodooga. Committee wishes to thank those visitors for their attendance.

Results: No. 1, 5-bird D.B.: div. F. Firth, L. S. Du Vernet, M. Holmes, J. Foster, T. Lacey, J. Harris, F. Singleton, K. McCalman, N. Montgomery, J. Ferguson, J. Noonan and K. Cross, 5/5. No. 2, div. McCalman, possibles. No. 9, 10-bird S.B.: K. McCalman, 19/19; N. Montgomery, 18/19.

Club held a Barbecue Tea for members and visitors after the shoot. Mrs. Firth, Mrs. Ferguson and Mrs. Mal Fuller joined the shooters, and all three shooters performed very creditably. The club's thanks go to the Ambulance Auxiliary for their splendid effort at catering, who helped make the day the success it was.

(W. J. O'Neill, Hon. Sec.)

FOSTER (V.), 11/6/55.—Weather conditions: very dull, but calm. Results: No. 1, 5-bird P.D.: K. Truscott, C. Steele, E. Hamilton, 15/15, div. No. 2, 5 D.B., 5 S.B.: J. Martin; Sweep, C. Budge, H. Pearson, 10/10. No. 3, 15-bird D.B.: Trophy, H. Martin; Sweep, div. C. Steele, H. Martin, C. Budge, H. Duff, 15/15. No. 4, 10-bird S.B.: A. Cripps, Trophy; Sweep, E. Cripps, A. Lewis, A. Cripps, E. Hamilton. High Gun shoot-off between A. Cripps and C. Steele: A. Cripps, 40/40; C. Steele, 39/40.

Weather very dull. Shooters from Yarram, Hedley, Dumbalk, Leongatha. Some of the events resulted in lengthy shoot-offs, resulting in the last shooters competing in the twilight. The ladies supplied a very good afternoon tea for shooters and visitors, which was enjoyed by all.

(C. G. Steele, Hon. Sec.)

DUNDONNELL (V.), 4/6/55.—Weather conditions: cold, gusty S.W. wind. Results: No. 1, 5-bird D.B.: div. D. Calvert, I. Morrison, K. P. King, K. King, N. Pilgrim, A. Calvert, N. Calvert, C. King, 5/5. No. 6, 5 pairs D'ville Doubles: div. H. Steele and C. Fletcher, D. Calvert and B. Howley, N. Calvert and D. Fletcher, K. King and R. Grant, 9/9. A club shoot with quite a good attendance. The club "sparks", Clive Long and Jim O'Donnell, had fitted an electric release to the trap which was an outstanding success, and these two live-wire exports are to be congratulated for their enterprising work. It was noted that the release can be very deadly in a Walk-up; the button operator can always catch the competitor in the most tantalising positions.

(C. R. Fletcher, Hon. Sec.)

TUMUT (N.S.W.), 26/6/55.—Weather conditions: unsettled. Results: No. 1, 5-bird D.B.: div. W. Ballard, A. J. Baker, Ray Hall, W. Birkin, 5/5. No. 2, 5-bird D.B.: div. W. Ballard, A. J. Baker, R. Point Score: div. W. Cohalan, Ray Hall, A. Leirsch, G. D. Baker, D. Lowther, 15/15.

Shooters present from Wagga, Holbrook, The Rock, Mangoplah, Adelong, and Tumut clubs. The weather was against us again, but shooters present had plenty of shooting and competition was keen in all events. Our Ladies' Committee made up for the cold weather by putting on a special luncheon of soup, poultry and hot vegetables and plum pudding.

(G. D. Baker, Hon. Sec.)
