The Editor's Notebook

With the festive season at hand as this issue goes to publication Seasonal Greetings are extended to all affiliated clubs, registered shooters, advertisers and to all well-wishers of the Association. The A.C.P.T.S.A. looks forward to the future with confidence and hopes the same feeling will extend to all interested in the pastime of clay pigeon shooting.

NEW PUBLICATION DATE.

With the coming of the New Year and staff reorganisation the Association announces a new publication date for this journal. Commencing on February 1 the publication will be issued on or about the first of each month. The new publication date brings about, of course, a new deadline date for the closing of copy matter. Copy deadline will be the first day of the preceding month. The great advantage of the new publication date is that all matter having reference to the current calendar month will appear in "News" during the month which it most concerns. As an example, the March issue will appear on March 1 (or thereabouts), copy for March issue will close on February 1 and the same routine will be followed in all future editions.

Due to the printer's vacation period there will be no issue of "News" during the month of January. Copy for February issue will close no later than January 10.

1956 ASSOCIATION SHOOT. The Royal Aero Club's grounds at Bankstown, N.S.W., will be the scene of the 1956 Association National Championships and International Match. The dates set down for the holding of these events is March 9, 10, 12 and 13, 1956. It will be the first occasion on which the series has been held outside the State of Victoria, where the sport had its origination. That the big events should be staged in another centre is a worthwhile development

and one which should win the approval of all shooters!

Of interest to intending competitors is the fact that advice has been received that the Governor-General, Sir William Slim, will most likely attend the series on a day to be arranged. Much will depend on the commitments and already arranged programme of the Governor-General, but suffice it is to know that there is every possibility of his being present during part of the series. This fact is welcome news indeed and provides illustration of another step in the recognition of the sport of clay pigeon shooting as a major pastime worthy of the approval of the direct representative in Australia of H.M. The Queen.

With the Olympic Games late in 1956 in Melbourne there is again a distinct possibility of The Duke of Edinburgh attending during part of the proceedings at Laverton (V.) where the Olympic clay pigeon shooting events will be held.

In the forthcoming March series proceedings will open at 10 a.m. on Friday March 9, 1956 with the shooting of the Australian National Single-barrel Championship. This contest, which has only been going a couple of years, will be shot at 50 clay targets from 16 yards single-barrel. The second day, Saturday March 10, will probably be the biggest day of the carnival. Shooting will start at 8.30 a.m. with the National Double-barrel Championship, shot at 50 clay targets from 16 yards, points scoring

3 and 2. The 30 top scorers in this contest will become the Australian International Team for 1956. The added incentive of gaining International honours will doubtless attract a big field. The club team's championship will also be shot in conjunction with the National Double-barrel Championship. The complement of teams' competing in this match are required to come from one club only.

On Monday March 12 (a holiday in Victoria) the 10th International Match will take place. The 30 highest scorers in the National Double-barrel title will take their place on the international mark of 16 yards and each man will shoot at 100 targets. Scores will be sealed and forwarded to London to be opened during the International series in Great Britain and compared with the efforts of those of the representatives of England, Ireland, New Zealand, Scotland and Wales. It is also possible that Canada and India may have been able to organise in time to be included. Much correspondence has already taken place with the International Committee in London in regard to inclusion of teams from Canada and India. Should these countries be able to field teams the match will become a truly Commonwealth International contest. In the International Match points scoring of 2 and 1 will be in operation and only the best ten scores will count.

Following the International Match the Eighth Grand Australian Handicap of £200 at 40 clay targets from handicap marks will be shot. Points scoring of 3 and 2 will operate in this match. The Commonwealth Teams' Match, comprising four men from any affiliated clubs in the Commonwealth, will be shot in conjunction with the Grand Australian Handicap.

The final day and one of the most important will see the deciding of the Champion of Champions Cup, shot at 50 clay targets from 20 yards, points scoring, 3 and 2. The A.C.P.T.S.A. Intermediate Championship is also listed for this day. If time permits two £100 Handicaps will complete the programme. Shooting on final day will start at 9.30 a.m. The Royal Aero Club has accommodation available for a limited number of competitors. Those intending to make use of this

service are advised to write direct to The Secretary, Royal Aero Club (Gun Society) of N.S.W., Box 5, Bankstown, N.S.W., with as little delay as possible.

In connection with the recent Official Referee Examination (written) candidates are advised that it will be the February issue of "News" before any announcement is made regarding those who have passed this section. This may appear somewhat delayed, but it should be remembered that each paper has to be dealt with individually and as there is no publication in January no announcement can be made until the first issue in 1956.

Reports have lately been received regarding shooters shooting at other than legitimate targets on the shooting ground. Offenders are reminded of the Association regulation which prohibits this action. Those committing such unsportsmanlike action are to be fined £1 for first offence and reported to the Association for succeeding offences.

"Three Trunks,"

W. McCullough, Esq.,
Melbourne.

Dear Bill,

Referring to your paragraph in October "News" on growth of the "News" and the sport in general in Australia, I feel that I should like to make some comment after my many years of happy association with you on the Executive.

As one of the Tasmanian executives for many years and delegate of the Hobart Gun Club, I should like to congratulate both yourself and Mr. Wilson on the great vision that has resulted in this post-war expansion and, whilst it is easy in retrospect to look back at that progress, there was much heartburning at the time of raising our registration to what I consider the meagre sum of 20/- per year, which includes the "News." If my memory serves me, to finance the original publications of "News" we approached an increase in sub. in great fear and trembling. I do recall that I was probably the most vocal advocate in supporting you to publish our "News" and, to look to the future, I would only make the comment that we must establish central executive offices, properly staffed, with possibly an association shooting ground to realise the final destiny of the sport. I hope that the incoming Executive, with the fillip of the Olympic Games, will make some positive move in this direction in the coming year.

It is also fitting that I should pay tribute to the passing faces of the Executive over the years for the sterling work practically all of them have performed unselfishly for the betterment in general of our sport. The argument has at times raged heatedly, with the President telling us to come to order, but eventually, from these deliberations, the right decision has issued forth.

I will certainly miss my friend Bill Rainbird's comments at meetings,

and call to mind the first Champion of Champions he persuaded me to go to before the war. We were all booked in at an hotel in Bourke St., where the shoot began in the saloon bar two minutes after we arrived, continuing until about 1 a.m. The big day was momentous, with Ted Egan of Launceston leading the field at one stage until we primed him too well. Things were a little grim on the early Sunday a.m. when Kay Falkiner's alarm went off and it was immediately thrown out of the window into the middle of Bourke Street. The ensuing uproar woke the entire hotel and half an hour later the proprietor gave in by presenting the keys of the bar to Bill Rainbird, who insisted on all of the lady guests in the hotel being royally entertained. We seem to have quietened down a little since then!

It is with deep feelings of regret that I leave my many friends in Tasmania, and the fun we have had over the years, and I shall leave a part of my heart with a grand Club in Hobart to whose members I should like to say thank you for the many times they have had to bear with me.

Yours sincerely,
J. M. TYQUIN.

HINTS for the Trapshooter

By Geo. Biggs

1. When choosing a gun for trap-shooting try to obtain the help of a friend who has a knowledge of the type of gun required. It must, above all things, be able to throw a good pattern, as a clay targets requires to be hit solidly. A very good method for the newcomer to adopt when seeking a gun to his liking is to borrow several of his friends' guns, and sooner or later he will come across the type that fits him best. It will then help him to choose the correct type for his own. I have often heard a shooter remark of another man's gun: "Gee, I could shoot with that gun." It was because he had chanced to pick on a gun that suited him best.

2. Always ask the advice of an expert shooter, particularly the top line men. They are, in the main, always glad to give all the help they can on any problem. It is also wise to watch them shooting, note their styles and methods of coping with the targets, that to you are difficult. Most important of all is to note their method of approach to each target, you will find that the gun is held in a different position for each bird.

3. A Hint — always call "Pull" in a loud voice so that the puller has no doubt as to your intentions. The result will be a fast release for each target. Keep both feet on the ground and stand upright with slightly more weight on the front foot. The left hand should be extended out on the forend, but not stiff. The right hand should grip the gun firmly, pulling it back into the shoulder, where the cheek will fit snugly down on the comb.

4. Special shooting glasses are, in my opinion, most helpful when shooting in brilliant sunlight. Not only do they kill the glare, eliminating eye strain, but they also prevent burnt powder and smoke blowing back into the eyes. Care must be taken to ensure that the glass used is not harmful to the individual person's eyes. A special shooting glass with large close eye fitting lenses has been perfected

by the Americans. They are in both green and amber but unfortunately are not available in Australia at present.

5. "Keep your eye on the target" should be the shooter's motto. Do not try to sight along the rib of the gun on to the bird. This practice slows down gun swing and will mostly mean a lost bird. Remember that the hand holding the forend will obey the message from the eyes, so always look intently where the shot is to go. Reflexes will do the rest.

6. Do not worry about the target that you have just missed — everybody misses one now and again. Let it be a lesson in concentration. Next time fix your mind on the target and a hit will be scored.

7. Accept the decision of your referee in a sporting manner. He has not a very pleasant job, do not make it harder by wingeing.

8. "Flinching" is the term applied to that temporary paralysis of certain nerves in the trigger finger. Much advice has been given on this subject and I doubt if any of it has been of much help. I think a short rest from shooting is the best remedy.

9. Observe the little courtesies to your fellow shooters. These courtesies apply in all sports, and clay target shooting is no exception. They help to make the sport more pleasant for everyone.

10. Punctuality on the shooting track when your squad is called to shoot. Be sure you have gun and shells ready so that all five men can go to their positions together. Do not leave the squad until the last man has shot, then check your score as you leave.

11. Never load your gun until you are on the firing mark and ready to call for the bird.

"Tips" and "Tails"

At the recent annual meeting of the Longreach Club (Queensland) the following office-bearers were appointed: Patron, N. S. G. Moffat; President, J. Walker; Vice - Presidents, L. Walker, R. Maunsell and W. Brittain; Treasurer, C. Tietzel;

Secretary, Mrs. R. Whip, "Amor Downs", Longreach, Qld.

Little Bool Duck Shooters' Gun Club at Narracoorte in South Australia recently registered 56 shooters in one application — this is probably the record registration of club members for the Commonwealth. A. R. Anderson, Box 29, Narracoorte, is secretary of the Little Bool Club.

A newly affiliated club in New South Wales with the A.C.P.T.S.A. is that of the Bateman's Bay Club. Secretary of the newly affiliated unit is R. C. Brown, c/- N.S.W. Produce Coy. Ltd., Bateman's Bay, N.S.W.

Another new affiliation with the Association is the Aramac Gun Club at Aramac in Queensland. Principal office-bearers are: President, J. J. Duffy, "Ravenswood," Aramac; Treasurer, P. L. Mitchell, Burt Street, Aramac; Secretary is L. R. Mills, of Booker Street, Aramac.

Executive Committee member of the Association, John M. Tyquin, for many years a resident of Hobart, Tasmania, is leaving to take up duties with his firm in Brisbane. Tasmania's loss will be Brisbane's gain. Local clubs adjacent to the Brisbane area will doubtless lose no time in approaching J.M.T. to accept executive office. His knowledge of the sport, plus his administrative experience, should prove invaluable to any club which he may link up with. He was President of the Hobart Club for a number of years. Members presented him with a farewell gift at the last

shoot of the club. Alf. Poxon, a former member of the Association Executive Committee journeyed from Launceston to make the presentation.

Alexandra Gun Club, in the Victorian watershed country, will hold its annual Boxing Day fixture on Monday, December 26, commencing at 9.45 a.m. The North Central Districts of Victoria single and double-barrel championships will be among the main events on the programme. A big muster of visitors is expected for the fixture. Those requiring accommodation should make early application to Luke Doyle (President) Box 16, Alexandra (Phone 80U), or to secretary, E. H. Hillman, P.O. Alexandra (Phone Alexandra 54). Full details of programme are advertised.

The isolation of Queenstown (Tasmania) has been the subject of much discussion among the local gun club members. The club rarely has the enjoyment of visiting shooters and it would welcome a visit from "outsiders". The club is ringed by mountains, but its hospitality is well renowned. Any visitors intending to take part in the Queenstown Club's activities are advised to contact Mrs. E. Jean Fairfield, the club secretary, at Box 304, Queenstown, Tas. The club's last shoot on November 6 was most successful — taking the usual form of a picnic outing to most competitors. Queenstown is not favoured with a long summer hence those who may visit it are advised to attend during the normal summer season.

Cowra Gun Club (N.S.W.) will conduct a two day shoot extending over January 28 and January 30. A £50 Handicap and the Hudson Challenge Shield Match will be the main features of the series. The club has two automatic traps. Those requiring accommodation are advised to contact the club secretary, L. F. Bird, Box 79, Cowra, N.S.W. Programme is advertised.

An advice from abroad reveals that a serious accident befell a seven-year-old youngster at St. Helier, Jersey (Channel Islands). It appears

the boy, along with several others, unearthed some German revolver ammunition which had been left behind by the German occupation forces. The victim of the accident placed one of the rounds in his toy revolver. The round eventually exploded and the youngster was severely injured in the face. The legacy of the German occupation of the Channel Islands is not likely to be forgotten in the youngster's household. With the holiday season in Australia fast approaching all are advised to take all necessary precaution to ensure that no accidents befall themselves or their friends.

Such is the fortitude of those who follow the sport of clay pigeon shooting! During the recent heavy floods in the Mildura area of Victoria competitive trap shooting was maintained despite the flooding. The Mildura club's grounds are situated in Olympic Park, Mildura, and fortunately the club appointments are on a knoll, or high ground. To ensure that shooting was carried out and shooters were able to get to the spot, the club arranged for a ferry service over some 250 yards stretch of water, which in most places was some 5 feet deep. President Eric Bruce was one of the chief ferrymen. Boats were provided and all supplies, together with shooters, were ferried across the flooded section of the grounds without any mishap. A report from some competitors indicates that they rather enjoyed the experience of being ferried to their shooting rendezvous.

The prospering Mansfield Club in the hills district of Victoria will officially open its shooting grounds on Saturday, January 21. Luke Doyle, President of the Alexandra Club (V.), who has done much to assist in the sponsoring of the Mansfield Club, will perform the official opening ceremony. The club has arranged a splendid programme for January 21, including the Delatite Valley D.B. Championship and some major trophy events. Details are as advertised. Enquiries to H. Peters (secretary) Curia Street, Mansfield (V.). (Phone Mansfield 228).

Kempsey Club (N.S.W.) will conduct a two day series extending over the Australia Day week-end, Saturday, January 28 and Monday, January

30. A series of sweepstakes and trophy events will comprise the programme on the opening day. On January 30, starting at 9.30 a.m., the Mid-North Coast of N.S.W. D.B. Championship plus a £75 Handicap will be main items of interest. Details of series are as advertised. Enquiries to H. Franki (secretary) 111 Elbow Street,

IMPORTANT NOTICE

Due to printer's vacation period, there will be no issue of this publication during the month of January, 1956. This is in accordance with normal practice.

The January / February editions will be combined as one and will appear on or about February 1.

Copy for the February, 1956, issue will close on January 10.

As from March 1 the "News" will be published on first of each month (or thereabouts). Dead-line for copy will be the first day of the month preceding issue. This means that copy for March issue will close on February 1, and the same principle will apply in all succeeding months.

The main advantage of this change will be that programmes for the current calendar month will appear on the first day of the month concerned. This should prove a boon to all advertisers.

West Kempsey (Phone Kempsey 410).

Another northern New South Wales club will conduct a three day shooting series extending over the New Year holiday period. The Lismore Club has arranged a most comprehensive programme from December 31, 1955, and January 1 and January 2, 1956. On the first day the North Coast of N.S.W. Single-barrel title and a £50 Handicap will be decided, along with minor events. On Sunday, January 1, a picnic shoot and outing has been arranged on Darcy Powell's property. January 2 will be the big day of the carnival, with five events to be decided, including the North Coast double-barrel title and a £100 Handicap. Full information is as advertised. Enquiries to Sid. Elphick (secretary), 19 Parkes Street, Lismore, N.S.W. (Phone 725) or to the President of the Lismore Club, E. Buchanan, 10 Casino Street, Lismore (Phone 184.)

American interest in the 1956 Olympic Games in Melbourne is quickening, and comments from that country indicate that a good number of U.S.A. sportsmen will visit Australia during the period of the Games. In regard to shooting, Bob Allen, the well known sporting columnist, writing in a local publication, mentions, "In past columns, I have purposely neglected mentioning much about the Olympics because several things concerning our participation have not been settled. The Amateur Trapshooting Association, through the efforts of President Maynard Henry, had been in contact with the International Shooting Union of Stockholm and had been authorised to select a U.S. team. At the same time, the U.S. Pigeon Shooting Federation, which is affiliated with the F.I.T.A.S.C. in Paris, had also been authorised to select a team. It now seems that there is a disagreement between the I.S.U. and the F.I.T.A.S.C. as to which organisation should control Olympic trapshooting. Members of the U.S. Federation voted to give full support to the A.T.A. and their affiliation with the I.S.U. inasmuch as the A.T.A. has always been the governing body of trapshooting in the U.S.A. The only fly in the ointment is that the U.S. Olympic Committee has not yet approved trapshooters as contestants in

the Olympics because of the "professionalism" problem. Canada and the other countries of the world have been able to get around this problem in various ways, but our U.S. Committee has not budged on their stand as yet. Several alternative suggestions have been made on how we can send a team and get around this "professionalism" claim. It has been suggested that an all military team be picked and trained from a completely new crop of shooters. The idea of having the Services recall to duty top-flight shooters on a temporary basis has also been discussed. I'd prefer the latter plan because I know that only seasoned shooters can win for us in the Olympics — we could develop a wonderful team among our Services but unless they were seasoned in big time competition, they'd be dead in Australia next year. I hope some way will be developed whereby we can send civilians as it would save a lot of red tape and end up in a better team shooting for our colours. I've heard some talk of sending the high average trapshooters of the nation and this would be absolute suicide as the Olympic style of shooting is completely foreign to our trap style and high average wouldn't mean a thing as far as success in the Olympic style is concerned. It takes a different type of temperament to shoot Olympic style just as it takes different temperaments to shoot other forms of trapshooting." Mr. Allen's comments are of worthwhile interest and leave considerable avenue for thought on the Australian set-up.

During a recent visit to Southport (Q.) it was the writer's good fortune to attend the annual meeting of the South Coast Gun Club. President G. S. Martin presided. The balance sheet of the club revealed a very healthy financial state with quite an amount on the expenditure side which is of the non-recurring type, actually expenditure on ground improvement. The club adopted the unusual procedure of holding its annual meeting in the club's pavilion, which is some miles from both Southport and Surfers Paradise. President G. S. Martin was unanimously re-elected and Mrs. G. O. Martin was similarly re-appointed secretary of the club. Both have done yeoman service and

their re-appointment was the subject of warm approval and agreement.

The Bruthen Club in east Gippsland area of Victoria, which recently affiliated with the A.C.P.T.S.A., has already held its official opening. Reports indicate that the fixture was a first class success. The club has already installed night lighting. Adequate amenities are available for both shooters and spectators and the whole area has been sown down in lawn. A splendid future seems assured for the Bruthen Club.

Another new club which recently formed up is the Barwon Heads Club, south of Geelong. At an opening shoot recently some 45 shooters were in attendance. The club has already made enquiries regarding affiliation and it is expected that Barwon Heads Club will soon become another affiliated unit of the A.C.P.T.S.A.

The British Olympic Association has secured priority purchases of tickets for the Melbourne Olympic Games for members of its Governing Bodies. The British Olympic Dinner, 1955, was held at Grosvenor House, Park Lane, London, on November 21. H.R.H. The Duke of Edinburgh attended.

During the shooting of the 1955 International at Collinstown, near Dublin, Ireland, the fixture was honored by the attendance of the Taoiseach (apparently the equivalent of the Australian Prime Minister). The Taoiseach was greatly interested and agreed to be photographed with the team captains. The "Clay Busters" Ballad, sung during the International series, is worthy of inclusion here (we understand the composers were members of the Irish team). The Ballad:—

"England, Wales and Scotland,
Old Ireland, to be sure,
In the Antipodes scores are higher,
But — so is the temperature."

The English commentary on the foregoing is "In these islands we can sing those words with great feeling."

Wing Commander Roy Ayre, of the R.A.A.F., is the new secretary of the Australian Gun Club at East Burwood. Wing Commander Ayre has taken over from the former secretary, Allan Nolan. He is an adept with both the .303 rifle and the 12 gauge. Forthcoming programmes of the club are advertised.

Harcourt Gun Club in the Victorian apple country, not far from Bendigo, will shoot the Midland District D.B. championship and a £50 Handicap, with many supporting events on Wednesday, January 4. Shooting will commence at 10.30 a.m. and continue throughout the day. The full details of the programme are as advertised. Enquiries to the club secretary, R. E. Lewis, 7 Parker Street, Castlemaine, Vic.

Drouin Club in the near Gippsland area of Victoria will conduct an all day shoot on New Year's Day, January 2. Two main events are the club single and double barrel championships, plus a £50 Handicap. Programme is advertised. Shooting will start at 10 a.m. Enquiries to Joe Oliver (secretary), Drouin, Victoria.

The Griffith Club, in the Murrumbidgee Irrigation Area, will hold its usual monster holiday programme extending over two days, December 31 and January 2. The Murrumbidgee Irrigation Area D.B. title and a £50 Handicap are among the chief events listed for opening day. The club will also shoot on the night of December 31, commencing at 7.30 p.m. The Commonwealth Night Double barrel championship is main event. The Riverina Deauville Doubles is the title event listed for second day. Full details are as advertised. Enquiries to club secretary, W. Stott, Box 492 YY, Griffith, N.S.W.

The Lismore Club (N.S.W.) is staging its Commemoration Cup event on February 4. This was formerly the Queen's Cup. A £100 Handicap is also listed. Last year the cup was won by Tom Chandler of the Riverside Club.

South Australian shooters wish a speedy recovery to Mount Gambier sportsman Colin Bishop. Colin has not been favoured with the best of good fortune in recent months and many were disappointed that he was unable to attend the Alexandra Club's (S.A.) Second Birthday Shoot on November 26. Colin has considerable prowess as a bagpipe player and his services were much missed at the club's annual banquet which followed the shoot. Mention of the club's shoot and festive function afterwards recalls that it was one of the best this scribe has had the pleasure of attend-

ing. President and Association Executive Committee member, Jack Woodrow, assisted by Mrs. Woodrow and other helpers, did a sterling job and ensured that everyone enjoyed themselves, both at shooting and eating. The lavishness of the banquet had to be experienced to be fully appreciated. It would seem that there will be many more Birthday shoots of the Alexandra Club at Milang, on the banks of Lake Alexandrina.

Learmonth Club, on the Midlands Highway ten miles from Ballarat (V.), will shoot on Boxing Day, day and night. The club has also arranged a Red Cross Charity Shoot, commencing at 1 p.m. on January 30. Night shooting will follow this series also. Good trophies and cash events are listed for decision both days. Details are as advertised. Enquiries to A. E. Smith (secretary), Learmonth, V.

Croydon Gun Club, at Hughes Park, North Croydon, on the Maroon-dah Highway 20 miles from Melbourne, is staging an all-day shoot on January 30. Main event is a £110 Handicap at 30 targets — yardage prizes are included in this event. Shooting will start at 10 a.m. Programme is as advertised. Enquiries to F. Emslie, Main Street, Croydon (V.) (Phone Croydon 539), secretary of the club.

A report from Sydney advises that a thief recently stole a £500 cash

register from the Royal Aero Club of N.S.W. at Bankstown. At the same time a utility containing four guns disappeared. The thief entered the club by forcing the locks on two doors. The utility and guns were later found in the scrub adjoining Bankstown. A confirming advice indicates that the utility belonged to Clive Evans of Warwick (Q.), who, together with Percy Crothers of the same district, intended making a 3 a.m. start for home. Clive's outburst when he discovered the loss, we have been advised, could be heard for miles with the resultant awakening of the whole district, including the police. At moment of writing, the culprits have not been apprehended.

Coburg Club (V.) advises in the advertising section that the club will not resume bi-weekly competition shooting until January 14, when an attractive programme of events will be decided. The club also extends Seasonal Greetings to all shooters. The club secretary is C. J. Colledge, 12 Adler Grove, Merlynston, N.14 (V.) (Phone FL 4835).

The Holden Car Shoot arranged for New Year's Day, January 2, by the Rainbow Club (V.) has been cancelled. The club is now substituting an all-handicap programme, including a £100 event at 25 targets. The full details of the new programme is as advertised. Enquiries to Worrall Dunn (secretary), Box 40, Rainbow (Phone, Rainbow 114).

HIGH DUCK

(By "North Country" in Shooting Times).

I have seen high duck brought down by an expert and realised that in the circumstances the shooting of a single bird alone has been a credit.

In my opinion it needs an experienced shot to appreciate good shooting. To the true layman one bird probably is very like another. I am not trying to suggest that the non-shooting man is unobservant. But experience is needed to assess the numberless little points which make the difference between an easy bird and one that is not so easy. I do not say that the "old-hand" can always explain that difference in so many words. But he will know.

High circling duck, I always think, are among the most difficult winged targets. All the same, most of us enjoy so little practice at duck — comparatively speaking, anyway — that perhaps, had we steady practice, we should be far better shots at them. But duck shooting—not enough to make good shots. I speak in general terms of course. There are always the exceptions. High duck are so dif-

ferent from the birds which rise, almost at your feet, from some ditch or drain. Some of the old sporting prints make duck shooting appear absurdly easy.

But coming back to the subject of hurry, a relative of mine who might well have been a very useful shot spoilt himself by shooting too fast. He got into the habit of blazing away at everything and at all ranges. He never seemed to judge his bird. And as time went on he became worse, gave up shooting altogether and concentrated on fishing.

Some of the best shots have that unhurried action — they are quick in that no effort or time is ever wasted, but they never seem to hurry. Judging their birds they position themselves in advance and appear just to raise their guns and fire as birds come into range. There is an effortless grace about it all which is fascinating to watch. The novice, should he have the chance, can learn a lot about shooting merely by watching good shots in action.

"Y' gotta learn how to lead with your gun. Now you take that flock we got this morning . . ."

" . . . Fred came over this morning with the biggest mess of ducks for us!"

After many wet week-ends, the perfect weather was appreciated by all shooters, and although locals did not attend in the usual numbers, due mainly to the Castlemaine show, visitors from Bendigo, Melbourne and Learmonth assisted in maintaining a satisfactory attendance. Highlight of the day was the performance of A. Ginnivan, who won all three events, shooting 76/77, including a 50 break. This shooter competed against members of the Harcourt Team, which won the McCraith Shield at Shepparton the previous week with the creditable score of 99/100.

A very good day's shooting was witnessed, when the shoot was held in aid of the Pooncarie Hospital. Outstanding performance for the day was the shooting of Alex Barnes, who shot 103/104 for the day. Alex secured his 75 break badge, also his son, Ken Barnes, who shot very well to get his 75 straight. Not to be outdone, Ken Wakefield compiled his 50 straight. Good luck to those three shooters. Alex Barnes has hit top form with the gun, and his sole ambition now is to win a motor car. So shooters at Rainbow are advised to be careful. Here's wishing you good luck, Alex, at Rainbow, and I will drive it home for you.

Night Shoot: 20-bird Skeet (C'wealth Night Skeet C'ship): This was classified as the most important event of the day. A popular event with spectators and shooters, and was won by N. Milliken (Hay), 18/20; W. Ronfeldt (Leeton), 16/20, 2nd; Phil Stott (Griffith), 3rd, 15/20. Shooting exceptionally well and with a borrowed gun, Norm Milliken showed outstanding form to win this Championship outright. Technical faults by W. Ronfeldt, who failed to close his gun, and Phil Stott, who failed to put a shell in his gun, did not affect the results.

The club's thanks go to the ladies, who, apart from providing luncheon, provided afternoon tea, supper and a clubhouse in first-class order after the recent rain and mud. Successful winner of the Ladies' Trophy was Mrs. Eric Evans of the afternoon shoot, whilst Mrs. Stott was successful in her draw of N. Milliken in the night shoot. (J. L. Sertori, Pub. Officer.)

BESSIEBELLE (V.), 19/11/55. — Weather conditions: dull and windy. Results: No. 1, 5-bird; 17 div., J. Tieman, J. Pye, L. Millard, L. Rundell, W. Gressel, E. Dyson, K. Foster, J. Watson, B. Guy, H. Smith, V. Coates, P. Pye, L. Pilkington, W. Cumming, R. Morrison, L. Preece, H. Vaughan, div. No. 2, 20-bird Trophy: V. Coates, 23/23; O. Maysfield, 22/23; H. Vaughan. Best 12/13 yds.: won by R. Wythe.

The Bessie Belle Gun Club held its opening shoot before a large number of spectators who watched 46 shooters try hard to win the main prize, which was a Greener Empire Gun and Case. Shooters came from Hamilton, Macarthur, Port Fairy, Portland, Mt. Gambier, Cavendish. Congratulations to V. Coates. A fine afternoon tea was provided by the Bessie Belle ladies. (J. Pye Jnr., Hon. Sec.)

HAY (N.S.W.), 19/11/55 (Night). — Weather conditions: perfect. Results: No. 1, 10-bird D.B.: W. Ronald, E. V. Cox, N. Milliken, Harry Cox and D. McNeil, div., 5/5. No. 2, 10-bird D.B.: Harry Cox, Geoff Poock, Maurice Gibson and Don McNeil, div., 10/10. No. 3, Hay Gun Club Cup (20 birds): Don Anderson, 30/30, 1st; J. King, 29/30, 2nd; Maurice Gibson, 24/25, 3rd, after shoot-off. No. 4, 10-bird S.B.: Max Gibson, Norm Taylor, div., 10/10.

A perfect night for shooting and a good roll-up of club members to shoot. The main event and the premier event as far as the club is concerned being the Hay Gun Club Cup. This cup has been in competition since 1927 and has to be won twice in succession or three times in all. The holder, N. Taylor, had a grand chance of winning it outright this year, but was eliminated in dropping one bird and shooting 19/20; however, the winner, in Don Anderson, was well merited when one takes into consideration that Don only started serious trap shooting this year. Runner-up, in John King, was also a grand effort. Both shooters shooting off 16 yds. (Les McKinney, Hon. Sec.)

KEMPSEY (N.S.W.), 24/9/55. — Weather conditions: very fair, but windy. Results: No. 1, 5-bird S.B.: P. Ryan, P. Sheridan, 5/5, div.; H. Kemp, W. Saul, B. Cameron, 4/5, div. Weather was fair, but windy. A good roll-up of local shooters. There was some good even shooting during the afternoon, and scores were very close.

D'ville Doubles: S. Marsh and H. Kemp, 5/5; S. Thomas and P. Ryan, 4/5; J. Smith and A. Latter, H. Franki and F. Thurman, 3/5, div.

Weather was fair, with windy gusts. A good roll-up of local members all shooting good.

12/11/55. — Weather conditions: fair, with gusty winds. Results: No. 1, 5-bird D.B.: J. Goodsell, C. Bell, P. Ryan, C. Kemp, H. Franki, div., 5/5. No. 2, 10-bird D.B. Points: 1st, C. Zukovskis, G. S. Cumming, 10/10. No. 4, 5-bird D.B. S'take: Dennis Doyle, L. Parks, N. Yeomans, 5/5.

A fine day, but a very tricky head wind, causing a big variation in the flight of the targets. Visitors present from Mansfield and Shepparton. Continued improvement in the shooting of the Mansfield boys, who are a great asset to the sport in this district. We greatly appreciate their willing help, their social outlook, and the keen competition they always provide. Club thanks to the ladies and to all who assisted during the day. Only a small field contested the Western Districts S.B. Night Championship; conditions were extremely bad, a strong west wind blowing with odd showers and very cold. Roly Grant was the outright winner, and although not a high score, it was good shooting considering the bad conditions. The minor places were taken by R. Waring and J. Morrison after quite a long shoot-off.

With a good attendance of shooters, a good day's sport was enjoyed. Father and son combination in the Schergers were too good for the opposition in the N.W. District D'ville Doubles Championship. At night the birds were hard to hit, but promising young shooter, H. Pollard, had no trouble in securing 30 pts. to win the £50 Handicap event. The Ladies' Committee worked hard to provide afternoon tea, and also conducted the cool-drink stall, proceeds of which helped to swell the funds of the club.

Here's Your Target !!

THE "STONEX" TRAP

For the shooter whose favourite sport is clay pigeon shooting . . .
. . . It's perfect for clubs or individual owners who wish to keep in practice!

All parts are interchangeable with the Snipe Automatic Trap

The "Stonex" is hand-operated, and identical to the performance of the famous Snipe Automatic Trap. The model is made from strong metal and will give years of service. The operator cocks the trap with the minimum of effort and just as easily trips the lever which brings the powerful spring into play and throws the clay just at the speed

shooters are accustomed to. The weight of the "Stonex" is approximately 68 lbs., but can be supplied in Aluminium with a weight of about 35 lbs.! The trap is easily traversed by means of a small lever with a simple operation. Ask for further details! "Stonex" is a winner to the shooting fraternity.

The main event of the day was the MacGregor Shield Teams event: Richmond and Hughenden No. 1 each scored 39/50, and in the shoot-off, Richmond won with 41/50 against Hughenden, 38/50. As this was the first occasion on which this shield has been competed for, keen competition can be expected next year. At the same time, the club presented a Trophy to each member of the winning team. A very good day's shoot was enjoyed by all, although threatening conditions prevented a number of keen shooters from being present.

HOBART (Tas.), 24/9/55. — Weather conditions: fine and sunny, no wind. Results: No. 1, 5-bird Novice: J. Ware, 5/5. No. 2, 10-bird D.B. Sweep: div. 20 shooters. No. 3, Tas. D.B. C'ship: 1st, G. Gourlay; 2nd, S. Marshall; 3rd, R. Horton. No. 4, 30-bird D.B. H'cap: 1st, J. Blake; 2nd, A. Birchell; 3rd, G. Marshall.

The shooting on the day was of a very high standard and all shoot-offs went quite a way before a decision was made. Geoff Gourlay's win from the 18 yd. mark was a very popular effort and he looks like making some stiff opposition in Tassie for some of the more experienced shooters.

29/10/55. — Weather conditions: windy, overcast, rain squalls. Results: No. 1, 5-bird Novice: 1st, I. Downie; 2nd, D. Taylor; 3rd, R. Ware. No. 2, 5-bird Tower: div. K. Pulford, R. Reynolds, A. Birchall, H. M. Eddington, S. Marshall, W. Downie, T. Cameron, A. Foxon. No. 3, State Tower C'ship: 1st, W. Downie; 2nd, E. G. McKee; 3rd, A. Birchall. No. 4, £20 20-bird H'cap: 1st, R. Wighton; div. 2nd and 3rd, K. Pulford, D. Taylor, H. M. Eddington. No. 5, 10-bird Sweep: D. Taylor.

W. Downie's win in the Championship was a great surprise to everyone, especially as he is a 13 yd. shooter. Downie, a country shooter, has been shooting on and off for some time, and his win was a very popular one. All shot well on the day.

COBURG (V.).—Sorry no report appeared last issue, but we got tangled up a bit.

The Grand Prix shoot on Cup Day went off with a bang in more ways than one. Although there were about 90 shooters in the event, efficient management enabled it to be decided exactly five minutes before the start of the Melbourne Cup.

Victorians went by the board and the three plaicings went to New South Wales. The winner was Alex Jamieson with 65/65, second was Lance Berryman (64/65) and third placing went to Ray Vinnicombe (33/34). Congrats. to all.

After so much shooting, we were flattered with the attendance at the shoot on the following Saturday, when the main event was a 20-bird D.B. with sectional trophies.

Again the winner was a visitor. This time it was Mal Earl, from Mt. Gambier, who grassed 33/33. Bob Dale (32/33) was runner-up, and George Lansell (31/32) was third.

Sectional winners were: 12/15 yds., Peter Poole (22/23); 14/15 yds., Mrs. "Timmie" Jones (19/20); 16/17 yds., Les Austin (30/31); 18/19 yds., Mick Mitchell (24/25); 20 yds. and over, "Ingi" (23/24).

Saturday, November 19, was Metropolitan D.B. C'ship Day, and here we saw some very fine shooting. Don Glover won his first Championship with the great score of 110/110. He beat "Ingi" (109/110) and George Anderson (89/90). Jim Masters (24/25) took the front markers' trophy, and followed that with a good win in the following 20-birder.

The next shoot will be on January 14, 1956. The actual programme for that day has not been decided, but it will be up to the usual standard, with the usual fine array of trophies.

Now, let's have a few cracks about all and sundry.

How stiff can you be. President Cliff Ingbristen is shooting better than he has ever done, but has suffered a few unlucky breaks lately. A few weeks back he shot 118, to be beaten by Doug Wareham, of New Zealand, and then shot 109 to be done over by Don Glover in the Metropolitan D.B. C'ship. Both scores would win almost anything.

Speaking of Don Glover. That great hunk of joviality was showing off in front of the ladies in the pavilion recently. He took a flying leap over the pavilion railing just to show how clever he was. But something went wrong. Don got tangled up and failed to clear the obstacle and landed flat on his dumdudgett on the other side. His mate, Bob Dale, was most unsympathetic.

Association secretary Bill McCullough came along the other day, and decided to have a shot. You should have heard the suggestions from shooters how to get even for all those yard handicaps. Bill's name appeared on the board and his handicap was shown as 33. Anyhow, our Bill is no slouch with the gun, either.

That's all for now. Be seeing you next year at our shoot on January 14.

PORTLAND (V.), 12/11/55.—Weather conditions: fine and cool. Results: No. 1, 5-bird D.B.: div. L. Rundell, L. Preece, J. Olver, J. Campbell, G. Height, W. Griselle, L. Hutchinson, G. Donaldson, C. Smith, L. Crutch, R. Knight, R. Donohue, W. Elliot, H. Peters, M. Cumming. No. 2, 15-bird D.B. £100 H'cap: div. C. Smith, J. Campbell, R. Donohue, L. Rundell, J. Olver, G. Donaldson; Attached Trophy was won by J. Olver from R. Donohue. No. 3, 5-bird: div. R. Arnot, W. Cumming, J. Matheson, J. Campbell, L. Simms, B. Guy, C. Smith, L. Lacey, R. Knight, J. Watson, W. Griselle, G. Donaldson, P. Sheridan, W. Elliot, H. Peters.

We had shooters from as far as Robe (S.A.) and Melbourne at our opening shoot on our new grounds. An old shooter, J. Olver (Portland) took the attached trophy in the £100 Handicap from J. Donohue (Port Fairy) with a break of 53 in that event. A highlight of the day was the shooting of L. Hutchinson, a boy of 14 from Portland, who shot all day without a miss. Unfortunately in the main event he was shooting for birds only. The new automatic trap worked well, and we are looking forward to a good summer's shooting. (Harold Smith, Hon. Sec.)

BALMORAL (V.), 26/11/55. — Weather conditions: cold, with stiff front breeze. Results: No. 1, 5-bird D.B. (comp. div.): 18 div., 5/5. No. 2, South Western Districts C'ship (20-bird D.B., 16 yds.): V. Contes, 40/40; R. Perry, 44/45; J. Strauss, 43/44. No. 3, 15-bird D.B. H'cap: div. J. Tully, R. Wythe, G. Austin, B. Mutch, D. Dalgleish, E. Watkins, H. Waring, N. Block, R. Perry, 15/15. No. 4, Miss-out: div. G. G. Pern, R. D. Arnott, B. Mutch, 11/11.

Shooters were represented from many clubs: Goroke, Rainbow, Dimboola, Horsham, Port Fairy, Condah, Willoura, Cavendish, Hamilton, Victoria Valley, Casterton, Port Fairy, Macarthur. V. Contes (Cavendish) won his second Sth. Western Districts Championship from R. Perry (Balmoral), a young shooter who shows promise, with J. Strauss (Rainbow), last year's winner, running third. Visiting shooters were pleased with the new site, the clubhouse and layout receiving very favourable comments.

COLAC (V.), 12/11/55. — Weather conditions: fine. Big scores were the order of the day when, on Saturday two District Championships were contested at the Colac Gun Club. The field totalled 43, visitors having travelled from Melbourne, Ballarat, Geelong, St. Arnaud, Terang, Urrumun, Cressy, Dundernell, Foster, Winchelsea, and Portarlington.

Harvey Eldridge, with the only full score of 20/20, gained the Western Dist. D.B. title. Then followed nine shooters with 19/20 who shot off for the places. Second place went to Don Corstorphane, who shot 50 straight in the shoot-off, to record 69/70, and 3rd place went to Col Fletcher (Dundernell), 68/70. Then followed Clem Mudford (Melbourne), 53/55, and Sel Power (Melbourne), 31/33. Johnny Hay, in good style, won the 12/13 yd. award, 27/29.

Grist, div. 2nd.

Cold wind and squally showers make targets difficult and conditions generally unpleasant.

4/11/55 (Night).—Weather conditions: fine. Thirty-one competitors. An intermittent breeze, sweeping around the pines, had some gunmen in trouble, as it caused the targets to dip and dive. Don Corstorphane won the main event, with a score of 18/18, and also shot through the scheduled programme without a miss to record 33/33 overall. Michael Reddie won his first trophy at trap shooting when he gained the sectional award for 12 yd. shooters, with a score of 12/13. The ladies of the club provided the usual welcome supper.

Shooters present from Beulah, Warrackna-

beal, Dimboola, St. Arnaud, Donald, Charlton, Swan Hill, Kerang, Berriwillock, Sea Lake, Mildura, Underbool, Mansfield and Lascelles. A wonderful shoot and fortunate enough to get through the two championships in the afternoon, and shooters helped committee to their utmost. Very pleasing to see one of our old members present who has been away for 17 years—W. Yeoman from Mansfield. During the afternoon a presentation was made to the Sec., H. Taylor, of a 1000-day clock by the Pres. of the club for his work in looking after the interest of the club so well.

The Sec. suitably responded, but what he did for the club he wanted no monetary gain, only wanted to see the club prosper to its utmost, and he certainly was very pleased to see the crowd of shooters present. A. Hall (Berriwillock) and R. Manuel (Kerang) also spoke of the work of the Sec. and the esteem in which he is held by other clubs.

KATANNING (W.A.), 12th, 13th, 14th November, 1955. Results: Great Southern District D.B. C'ship: 1st, Tim Catling, 65/65; 2nd, Ned Harris, 64/65; 3rd, Neville Beeck, 54/55. State Mixed Birds C'ship: 1st, Keith Norrish, 33/36; 2nd, Ned Harris, 32/36; 3rd, Arthur Coutts, 24/28. Night D'ville Doubles: 1st, Dennis Holtfreter-Ernie Brown; 2nd, Colin Ferguson-Mrs. E. Henderson; 3rd, Roy Holtfreter-Mrs. A. Coutts. Cherry Tree Field C'ship: 1st, Dennis Holtfreter, 19/24; 2nd, Bill Elliott, 18/24; 3rd, Keith Norrish, 18/24.

The club's annual championships were conducted under ideal weather conditions and shooters from every club in the State participated. The first event on the Saturday was the Great Southern Dist. D.B. C'ship and was eventually won by our own club member, Tim Catling, with an excellent 65 straight. Tim added another five in the next event before dropping a bird. The State Mixed Birds resulted in another sash for the home club, with Keith Norrish looking really unbeatable. The night D'ville Doubles attracted a large crowd of spectators, and after prolonged shoot-off, D. Holtfreter (Northam) and Ernie Brown (Katanning) won the event when they were back on the 25-yd. mark.

The Cherry Tree Field C'ship created a great deal of interest and the fact that winner, D. Holtfreter, won outright with a score of 19/24, shows how hard the event was. It was certainly a great test of shooting and it was generally agreed that the event was well worth continuing in the future.

The shoot concluded on the Monday with 5, 10-bird Handicap events. Roy Alexander was high gun on the day with a good 50/50, closely followed by Tim Catling, 49/50.

16/10/55. Results: No. 1, 20-bird S.B.: 1st, M. Crossley, 18/20; D. Anderson, K. Norrish and E. Brown, 17/20. No. 2, 10-bird D.B. Points Score: 1st, T. Young; 2nd, N. Beeck and R. Aitken.

Very heavy rain early in the afternoon kept quite a few shooters away.

30/10/55. Results: No. 1, Mixed Birds: 1st, L. Beeck; 2nd, W. Makeham; High Gun, N. Beeck. No. 2, 10-bird D.B.: 1st, B. Clegg; 2nd, E. Brown.

The weather was very pleasant, with not a breath of wind and there was quite a good attendance of shooters.
