The Editor's Notebook

With the Christmas and the general Festive Season at hand, this opportunity is taken of extending Seasonal Greetings to all affiliated clubs, registered shooters, advertisers and well-wishers of the Association. The hope is further expressed that the 1957 season will see much good shooting and good fellowship everywhere.

Whilst recalling that the Christmas and holiday season is approaching, it would seem to be appropriate to remind all those who will be enjoying their holidays with the gun to observe safety rules at all times. Always remember the customary gun safety precautions and always unload the gun when crossing obstacles. Do not shoot protected birds and never take up a position in front of the shooting position of another gun. Courtesy is always appreciated by land-holders, and shooters passing through properties would do well to ask permission before entering any property, leave all gates as the shooter finds them, keep dogs under strict control, and pick up spent cartridge cases. Cattle have a habit of chewing empty cases, and if the cattle swallow them, the attached ironmongery is not a digestive delicacy.

Just prior to going to press, information came to hand from England advising that the English representatives in the clay pigeon shooting series at the Melbourne Olympic Games would be E. Fear of Sheffield, and J. Wheeler of Hull,

both Yorkshiremen. The English team manager is G. W. Cafferata. Australia welcomes the arrival of our shooting kinsmen from the Homeland.

Congratulations are extended to Australia's two Olympians in the sport of clay pigeon shooting, John Bryant Junr. and Clem G. Mudford. With the Melbourne Olympic Games at hand, interest in how our Australia's representatives will fare is mounting.

The process of elimination which was carried out to finally arrive at Australia's team has been praised by all connected with the sport having an understanding of the big task which this process involved. It will be recalled that in the first place all contenders for Olympic honours had first to secure a place in their respective State Teams for the annual Interstate Match, for which the award is "The Great Britain & Ireland" Trophy. When the Olympic elimination 200 birder started, all those entitled to attend were present, with the exception of four Queenslanders. To say that Olympic style shooting is "different" from ordinary "down-the-line" shooting is presenting a mild comparison only. The Olympic targets presented contenders with an entirely different type of release, which in many cases somewhat baffled the shooter. The Olympic birds are released from one trench at a distance of 16½ metres from the shooter. The targets fly at widely different angles from 15 traps (in bays of three). One of the most difficult of all targets is a right

quartering target which went high and fast. Bryant, the high-gun of the series, missed only 13 targets in 200, and of these, 11 were the right quartering target. Thirty-four shooters faced the traps when the Elimination contest opened after a period of practice. John Bryant Junr. went to the front from the start and at the end of the first day of 50 releases he was two in front of his nearest rival. Seventy-five targets per man were released on the second day and Bryant finished the day 11 ahead of the next man. At the finish on Saturday, October 6, Bryant was easily high-gun, 13 ahead of the second men (Mudford and Harris of W.A.) and holding to a total of 187/200. Bryant automatically became Australia's No. 1 representative. Mudford and J. Harris of Cunderdin (W.A.) were equal next with scores of 173/200. Under the conditions a further 25 rounds had to be shot to decide the place. Harris missed his first bird in the shoot-off, and was actually giving Mudford two start half-way through the 25 tie shoot rounds. Later Mudford missed and soon after the half-way mark, both Mudford and Harris were level scoring. Harris failed to cover one further release in the latter section, whilst Mudford was equal to the task and he defeated Harris by one bird. Both Bryant and Mudford are Victorians and, coincidentally, both are outer Melbourne suburban poultry-farmers.

Australia will be worthily represented, as both are top-class champions. As recently as March last, Mudford won the Champion of Champions Cup at Bankstown.

Elimination shoot scores of leading competitors appear in another section of this issue.

A club recently wrote to the Association seeking clarification regarding the eligibility of registered shooters. The club stated that it understood that "a non-registered shooter may shoot for clays only, and that a club member may only participate in club shoots, and only registered shooters can take part in championships." The club appears to be somewhat confused. The rules clearly lay down that "all shooters must be registered." There are no qualifications

to this rule. All shooters must register even if they only shoot in club events. No control could be exercised in the appropriate way if the rule carried any qualifications in regard to registration. Every shooter taking part in competitions of any kind must become registered through the Association.

Affiliated clubs and registered shooters are reminded that the annual affiliation and registration fees are due and payable on January 1. The fees are: clubs only, £5; shooters, 20/-. Any payments made prior to December 31 will be credited right through to end of 1957. Early payment by clubs and shooters greatly facilitates the duties of the Association staff.

The 1957 Championship Allocation has been approved by the Executive Committee of the Association. The Allocation is published in this issue, and clubs and all interested are requested to accept same as official, as no individual notification will be issued to clubs.

The Association annual National Championship and International Match for 1957 will be held next year at the South Coast Gun Club at Southport, Queensland. The period fixed for the shoot has been arranged to start on Queen's Birthday (Monday), June 17, and continue on Tuesday, with annual meeting of affiliated club delegates on Wednesday and a night shoot on Wednesday evening, following with all-day shooting on Thursday and Friday. When the Queen's Birthday has been gazetted, advertising of full programme will appear, probably in the February edition of this publication.

"Tips and Tails"

One time Nobel Club shooter and now a resident of Miranda, New South Wales, Harold Knight, in a recent note, states, "Although I am not shooting now, I still consider the Shooters' News the best tonic I get through the post. I hope to

be in Melbourne in November. Must go along to see the big do."

Mortlake Club in Western Victoria has a new secretary. The newly appointed official is R. L. Teasdale, address Mortlake, V.

The rabbit is returning to the English countryside and thus providing many sportsmen again with the rough shooting so sadly missed when myxomatosis was in full bloom there. The county of Kent, where myxomatosis was first introduced, appears to be leading the way in the rabbit revival. Worried farmers report that the rabbits are merrily eating their way across the county.

Office-bearers of the Australian Gun Club, with which is amalgamated the Blackburn and Nobel Clubs, are: President, E. G. Biggs; Vice-Presidents, A. F. Johnson, T. Phillips, G. H. Stainton; Committee, Messrs. T. R. Brown, P. Poole, R. Thom, R. Smith, F. C. Johnson and G. Lund. Secretary is Wing-Cdr. Roy Ayre. The club's annual meeting was held recently in the Camberwell Town Hall. The balance sheet shows accumulated funds at end of 1955 season as £2,041/18/0; with the last season profit added, this brings accumulated funds up to £2,313/13/5. The fixed assets of the club (plus ground improvements) are set down at £2,277/13/5.

Much is heard from time to time regarding the guns used by H.M. King George V, one of the best shots of his time anywhere. A report in

an English publication reveals the following interesting information: King George V used three hammer guns with ejectors and with side-opening levers. He had two loaders and there was also a cartridge boy as well as the King's private detective always on hand. The King's procedure was for No. 1 loader to take the empty gun, exchanging it for a loaded one; he would then hand the empty gun to No. 2 loader, again in exchange for a loaded one. The No. 2 loader would then reload the empty gun, and so on. An erroneous impression has been abroad that the late King used guns with dummy hammers, but this was not so.

Writing from Guyra in New South Wales, A. A. McKenzie states, "We always look forward to receiving the 'News' regularly with its comprehensive cover of all shoots."

No two shells will pattern the same number of pellets at the same distance with the same gun. For this reason, the shooting qualities of any barrel should not be judged by one or two patterns. To test patterning qualities of any shotgun, shoot at least 25 shots and take an average.

Lead streaks found in the barrel of a shotgun are pulverized matter deposited on the surface of the bore by the abrasion of the shot pellets through friction. They have no effect on the performance of the gun. A new gun will lead more readily than a gun that has been shot frequently because a new barrel offers more friction to the shot pellets than the bore of a gun that has been shooting service.

Definition of an Expert: "A person who can take something you already know and make it sound confusing."

A newly affiliated club with the Association is the Avoca Gun Club (Victoria). The secretary is V. W. Clarke, High Street, Avoca, V.

Lismore Gun Club in northern New South Wales will stage a monster programme on Australia Day, Monday, January 28. Shooting will commence at 9.0 a.m. Main events are

The Griffith Club in southern New South Wales will conduct its customary New Year's Day shoot, extending the programme over two days, i.e. December 31, 1956, and January 1, 1957. Proceedings will open on December 31 at 10.30 a.m. and will continue at night, commencing at 7.45 p.m., when the main event will be the Commonwealth Night Double-barrel Championship. On New Year's Day, January 1, 1957, another open championship, trophy and first-class supporting events are listed to start at 10.30 a.m. The club will have ample supplies of cartridges and refreshments throughout the programme. Rudy Etchen, the famous U.S.A. trapshot, writing in the U.S.A. magazine, "Trap & Field", advocates "novice" days conducted by gun clubs. He states one instance worth repeating. It appears that the New England Life Insurance Company of Boston recently held a convention at Sun Valley, Idaho. On their programme was a 50-bird trapshooting contest. It is interesting to note that by actual count and check, 104 shooters took part and 88 of them (men and women) had never fired from a shotgun before. The event created so much interest that most of the 104 shooters expressed a desire to continue some shooting at their local gun club. An idea worth cultivating! Etchen then continues and suggests that every regular club member sponsor a novice — someone who has not been to a gun club, but a person the gun club would like as a member. Let the regular member bring this new shooter and let him shoot with the member's gun. The club in most cases to provide the clay targets. Fifty targets would be enough. The shells to be provided by the novice. Let the regular member coach the new shooter and fix him up with a gun that comes reasonably close to fitting him. Etchen

considers that a lot of clubs would find results amazing by this method of getting new shooters. In every club where the scheme has been tried in U.S.A. the return has run close to 40% in new members.

Alexandra Club in the north Central area of the Victorian highlands will conduct two shoots in December. On Saturday, December 8, the club will conduct the club double and single-barrel championships. Visitors to the club will be granted honorary membership for the day. On Boxing Day the club will hold the North Central single and double-barrel championships. Shooting will start at 10 a.m. each day. The usual hospitality for which the club is noted will be a feature of the "discussions" after the shoot. Enquiries to secretary, E. Hillman, Alexandra (Phone 54), and President, Luke Doyle, Box 16, Alexandra (Phone 80U).

Lisle.

Coffs Harbour Club (N.S.W.) will shoot the Northern Rivers Single-barrel championship on the local grounds on Thursday, December 27. Good supporting events are listed, including a substantial handicap. Enquiries to G. D. T. Secombe, Phone 122, Coffs Harbour, N.S.W.

CLAY PIGEONS . . .

European Style

(By Major A. B. Moore in "Trap and Field", U.S.A.)

Clay pigeon shooting the American way is looked upon as being a well-organized sport. It is conducted (usually) in an orderly manner. Shooters are placed in five-man squads, shooting in rotation until 25 targets have been shot. This continues until the championship event of 50 or more targets have been shot. It is a fine sport, one which we all thoroughly enjoy.

Now let's attend another country's clay pigeon shoot. Instead of driving out in an open field or along a lake front, we drive into a heavily forested area. We find approximately 50 shooters waiting at a small clubhouse. Approaching the group, the newcomer shakes hands with all present and then his name is added to the bottom of the list of shooters. He is informed that shooting will begin in approximately 30 minutes.

More shooters arrive, you shake hands with them. You find that a number of the sportsmen speak English. Soon you are discussing guns, ammunition and shooting in general. They are curious about the way trap and skeet is shot in the States. You explain the difference by drawing a rough diagram of a skeet and trap field, explaining the distance from target, the manner in which the guns are held, etc.

ONE AT A TIME

In due course, the first man on the shooting lists steps up to the shooting position and so begins a Dutch championship clay pigeon shoot. When the first man has shot the required number of times for event No. 1, he steps aside and the next man steps forward and shoots. This continues until all fifty or sixty shooters have shot in event No. 1.

Your turn finally comes. You step up and instead of calling "Pull", you try to imitate your fellow shooters by calling "Claar - Treek", hoping your Dutch is good enough so the trapper will release the target.

SEVEN EVENTS

Event No. 1 consists of three shots at a running hare silhouette from approximately 35 yards from the shooter. The hare has a clay pigeon attached, which will break if hit, and one point for the shooter.

Event No. 2 is the "Inkommers", two singles and two doubles. This event represents incoming partridges flying over hedge rows. The targets are thrown from a trap behind a bunker, approximately 10 yards in front of the shooter. They must be broken before they pass overhead.

Event No. 3 is the rabbit event, which consists of two singles and two doubles. These silhouettes are attached to runners and scoot along the ground between two bunkers—you see your target for only a brief instant. A shooter must shoot at the target as it flashes between the two bunkers. On the doubles, a rabbit will flash out from the right or left, and upon shooting at the first rabbit, another one will appear from the opposite direction.

Event No. 4 is the partridge event, another silhouette, this time a flying partridge which flashes up between an opening in the trees. This event calls for two shots.

Event No. 5 is the same as No. 4 with the exception that the target is the silhouette of a flying pheasant. It is shot as it flashes up between two trees.

Event No. 6 is the crossing or passing shot—two singles and two doubles. It is almost identical to a No. 4 position on the skeet range, with the exception that the angles all vary, especially when the doubles are thrown.

Event No. 7—the Final Event—is the "Inkommer Eenden"—the incoming ducks. This event has ruined more perfect or near perfect scores than shooters wish to remember. Three singles and three doubles are all you get. Targets are thrown from

Letters to the Editor

35 Alma Street,
Bellerive.

Mr. W. McCullough,
Secretary, A.C.P.T.S.A.,
MELBOURNE.

Dear Bill,

I thought a few brief notes relative to my recent overseas trip may be of interest to you. Whilst in the U.S.A. I usually found myself far removed from the shooting field, and although I had a pressing invitation from the Winchester people to visit their grounds in Connecticut, I did not find the time to get up there. One call I did make in New York was upon the officials of 'Ducks Unlimited', where I was most cordially received, and gathered a great deal of information upon the remarkable work that this organisation carries out on behalf of the North American sportsmen. As an instance, 'Ducks Unlimited' are spending \$500,000 this year on the conservation and propagation of ducks. One of the principal areas where their funds are expended is in the swamps and breeding grounds of Canadian provinces, such as Manitoba. We could well profit by the experience of 'Ducks Unlimited' and apply it in Australia. If further information is required upon this subject, I will gladly supply it to any interested parties.

In Canada I shot with the Toronto Skeet Club, with their electrically controlled traps. Their birds are good and well thrown, as is already well known to us. One thing that I did note, though, was that they shot skeet with the gun up. Although it was not a large meeting, I gathered the impression that our Australian shooters would readily hold their own with the Americans or Canadians, under such conditions. In Montreal I missed the last big shoot of the season by about a week, and was advised that there, when spring comes along, and the hunting and fishing season opens, the claybird clubs close down, as shooters tend to go afield. The bear season had opened the day I arrived, and there was hardly a shooter to be found in town. Shooters in Britain — and

perhaps more so in the gun trade — were very bitter about the effects of myxomatosis. Gun shops said that it had practically spoilt their trade. Gun makers were finding that rising costs were putting them out of business, and one old firm closed down the week that I was in London.

Grouse shooting still seems to be good in the north, but in the main, is a rather privileged sport. Mr. Rogers and Mr. Page, joint Hon. Secs. of the English Clay Pigeon Association, were a wonderful help to me, and did much to make my stay in England pleasant. Through Mr. Rogers I was introduced to Bill Robinson, editor of the Shooting Times. I had the opportunity of shooting on the West London shooting grounds. This was quite a unique experience, embodying all types of shots normally encountered in the field. I am sure that if clubs interested were to go to the trouble, they would be well repaid for laying out a shooting ground of this nature. I was interested to find that tower birds were shot from about 40 yards out facing the tower, which makes them much more difficult to hit than from the positions that we take up with our backs to the tower. The birds look very small, coming off the top of the 125-ft. tower. I found that Jock Wilson was well remembered over there.

In Paris I had two days fine shooting at the Tir-aux-pigeon, Bois-de-Boulogne. The club is beautifully situated in woodlands on the outskirts of Paris, a very fine clubhouse, with everything that shooters and guests could want. The shooting ground has artificial lakes on either side. The clay bird-traps were set up for Olympic conditions, and I found them very different to our standard down-the-line. The birds are thrown much farther, faster, and at more acute angles in both the lateral and vertical plane. There had been a big shoot the previous week, which a number of prominent American trap shooters had attended, and I was told by club members that the Americans were unable to handle

LETTERS TO THE EDITOR

the Olympic birds. I didn't shoot in Italy, but I was impressed with the range and quality of guns on display. Prices seem to be about half that we pay for the same arm in Australia. Something to remember, if shooters are making a visit to that country. Wherever I went, there was great interest in the Olympics in Australia, and I am sure that the eyes of the shooting world will be focused upon us at the time of the events out here.

Yours sincerely,
E. G. McRAE.

15 Bruce Street,
Nedlands, W.A.,
30/9/56:

The Secretary,
A.C.P.T.S.A.
Dear Sir,

During a recent overseas tour I visited a number of British and European gun clubs. A fellow club member (Spencer Colliver) and self were guests of the Lord Mayor of

Cardiff at the International Banquet. This was a splendid evening, with the highlight being the reading out of the sealed Aus. and N.Z. scores. The British ideas of an evening's entertainment is a little more formal than two I enjoyed at "Frog Hollow!" in 1953 and 1955. Several copies of the "News" created great interest and favourable comment from the British shooters. England's No. 1 shooter, Joe Wheater, was so impressed, he gave me five years' subscription, which is enclosed. Joe will most likely be one of England's Olympic reps., as he never seems to have an off day.

England's secretary, Peter Page, souvenired my A.C.P. badge. Would you please forward a replacement.

Yours faithfully,
FRANK BAILEY.

D'ville Doubles C'ship: H. Moore - D. Anderson, 20/20; N. Milliken - N. Taylor, 23/25; Max - Maurice Gibson, 22/25 prs.

This shoot, set down originally for the 6th October, had to be postponed until the above date. The club was rewarded with a perfect day and a most pleasant night. The programme, as advertised, was completed, even though numbers of shooters in the Handicaps did not warrant the club going on with these events, but as all events at the Hay Gun Club are guaranteed, shooters can always attend with confidence that no variation in the advertised programme will take place. To those shooters that took part, the club extend their sincere thanks, and it is to those good sports that made the day and night such an enjoyable spectacle. The garden and grounds had to be seen to be believed, and in the words of the visitors, "well, this is a gun club."

ECHUCA (V.), 19/10/56.—Weather conditions: good. Results: No. 1, 5-bird: div. D. Glover, K. Dobson, R. Ginter, V. Yeoman, R. Lewis, 5/5. No. 2, 10-bird: R. Adams, L. Gibson, R. Mason, R. Lewis, R. R. Ginter, P. Dobson, A. Hore, H. Gibson, B. Mountjoy, H. Belmont, 14/15. No. 5, 10-bird D.B.: 1st, L. Gibson, 10/10; 2nd and 3rd, div. K. Dobson, A. Hore, B. Mountjoy, N. Bevan, J. Launder, 9/10.

This shoot, run in conjunction with the McCraith Shield Shoot, proved quite successful. Shooters were present from many parts, and the club wishes to thank all those who by their attendance helped to make it so successful. A local shooter in L. Gibson and popular Harcourt clubman Reg Lewis shared the main Handicap, and congratulations are extended to both these shooters. The McCraith Shield run on the Saturday most successful. Twenty teams competed. Shepparton won the Shield with 93/100. Last year's runners-up, Echuca and Learmonth, again shared the honour of equal second, 92/100. Congrats. to Shepparton and also to

Harcourt club, who conducted the Shield on our ground. Things went off without a hitch. Mick Pellas, Les Pritchard and all other Harcourt Club members are to be congratulated on their effort. T. Botten, D. Glover and R. Free, who shared the prize at night, are to be congratulated also.

20/10/56 (Night). — Weather conditions: good. Results: No. 1, 5-bird D.B.: div. L. Scriven, B. Addison, F. Dobson, R. Kelly, R. Grinter, R. J. Benson, J. Benson, G. Thomson, R. Halsall, F. J. HARCOURT (V.), 20/10/56. — Weather conditions: good. Results: No. 1, 10-bird D.B. (C.D.): 12 div., 10/10. No. 2, J. A. McCraith Shield Shoot: 1st, Shepparton No. 1 Team (E. Guyatt 18, E. Lawton 20, J. Benson 19, R. Benson 18, W. R. McGregor 18), 93/100. No. 3, High Gun Shoot-off: R. Free, 41/41; B. Addison, 40/41; F. Dobson, 34/35; R. Quinton, 24/25; E. Lawton, 21/22. No. 4, 10-bird D.B.: 17 div., 10/10. 24/10/56.—Twenty teams contested the McCraith Shield shoot under favourable conditions. The defending team of the Harcourt Gun Club, with a score of 86, were no match for Shepparton No. 1 team, with a score of 93. Learmonth No. 1 team, 92; Echuca No. 1, 92, and Learmonth No. 2 team, 89, were the teams with next best scores. The co-operation of the Echuca Club officials, who greatly facilitated a successful shoot, was all that could be desired, and our thanks are extended to them. Only five shooters were successful in accounting for the full score of 20 birds in the teams, which is a great contrast to the 39-odd shooters who contested for high gun at Shepparton last year. Congratulations to Shepparton and to R. Free for High Gun with 41/41.

(L. R. Pritchard, Sec.)

CROYDON (V.), 6/10/56.—Weather conditions: dull. Results: No. 1, 10-bird Pts.: div. N. Kneebone, K. Brooks, W. Lonie, 20/20 pts. No. 2, 20-bird (10 double, 10 single): 1st, K. Brooks, 22/22; 2nd, K. Bastian, 21/22; 3rd, B. Pilgrim, 30/31; 16 yd., K. Corbett, 23/26; 17 yd., D. Kneebone, 29/31. No. 3, 5 pr. D. Rise: div. R. Osman, J. Meek, N. Kneebone, 4/5 prs.

The mixed programme was appreciated by shooters, and it was good to see K. Brooks, a keen worker for the club, take the main event, with fellow committeeman, K. Bastian, runner-up. Mrs. C. Fankhauser was the lucky lady to draw the Ladies' Trophy. After the keenly contested Double Rise event, the boys shot a few off the fence, and so closed another enjoyable afternoon's shoot.

10/10/56.—Weather conditions: good. Results (Night): No. 1, 6-bird Pts.: div. L. Stevenson, W. Le Strange, R. Osman, W. Pardy, 16/16. No. 2, 15-bird D.B.: 1st, W. Le Strange, 39/39; 2nd, F. Whitten, 38/39; 3rd, R. Osman, 28/29; 16 yd., F. Varney, 21/22; 17 yd., K. Smith, 21/22. No. 3, 6-bird Pts.: div. W. Le Strange, D. Kneebone, M. Collins, K. Brooks, 16/16.

Perfect conditions for our second night shoot, with an excellent roll-up of clay busters. Bill Le Strange shot the entire programme, single barrel; Fred Whitten was

a close second in the main event. Nice shooting. Mrs. Osman took home the ladies' prize.

20/10/56.—Weather conditions: good. Results: No. 1, 5-bird S.B.: div. P. Poole, A. Tie, L. Murphy, H. Godfrey, Ross Smith, W. Le Strange, A. Harrod, W. Lonie, Mrs. Fogg, 8/8. No. 2, 30-bird S.B. Club C'ship: 1st, P. Poole, 58/60; 2nd, A. Tie, 57/60; 3rd, Ross Smith, 53/55; 16 yd., R. Lawrence, 27/30; 17 yd., E. McGoldrick, 28/30; 18/19 yd., W. Le Strange, 52/55; 20 yd. and over, L. Murphy, 31/33. No. 3, 5-bird D.B.: div. W. Finnegan, W. Lonie, E. Brenke, A. Collings, J. Fogg.

Our Club S.B. Championship saw 43 shooters toe the line. Peter Poole, with excellent marksmanship, won his first sash with 58/60 against very good company, Andy Tie and Ross Smith. I believe Ross has a few barometers for sale! We were very pleased to welcome back Mr. and Mrs. Fogg. Mrs. Godfrey, our President's wife, received the Ladies' Trophy. A most successful day. Thanks go to I.C.I. for the handsome trophy. (R. Osman, Press Corresp.)

BOTHWELL (Tas.), 20/10/56. — Weather conditions: fine, clear and calm. Results: No. 1, 5-bird D.B.: div. T. Headlam, R. Wighton, R. Reynolds, E. Powell, E. Pulford, K. Pulford. No. 2, 10-bird D.B.: 1st, E. G. Harbeck. No. 3, 50-bird Trophy: 1st, R. Wighton; 2nd, S. Bailey; 3rd, H. M. Eddington; best 16 yds., R. Pitt; best 17 yds., R. Reynolds; best 18 yds., K. Pulford. No. 4, 15-bird Trophy: R. Reynolds, 1st; H. M. Eddington, 2nd. No. 5, 10-bird S.B.: R. Pitt, 1st.

Under perfect conditions we saw R. Wighton win the main trophy with a score of 59/60 after shooting off with S. Bailey (whom had a broken foot and was on crutches), 59/60. Another shooter, R. Pitt, who has returned after some years, showed his ability by winning outright 10-bird S.B. Shooting was high standard.

(B. Downie, Hon. Sec.)

DROUIN (V.), 6/10/56. — Weather conditions: mild with showers. Results: No. 1, 5-bird Pts.: div. W. Green, H. Austin, D. McDonald, T. Pedersen, L. Swain, C. Budge, 10/10. No. 2, 10-bird D.B.: div. G. Arkinstall, R. Wood, E. Rowlands, B. Morrison, D. McDonald, J. Gooding, M. Hare, T. Pedersen, R. Dunkley, M. Beck, 10/10. No. 3, 15-bird D.B. Chas. Budge Shield: 1st, Moe team, 78 pts.; 2nd, Drouin, 77; 3rd, Morwell, 76; High Guns, H. Austin, E. Hamilton, A. Lewis, J. Oliver, R. Dunkley, 15/15. No. 4, 10-bird P.D. Trophies: 1st, C. Budge, 24/24; 2nd, M. Hare, 26/23; 3rd, E. Cripps, 24/23; 16 yds. High Gun, D. McDonald, 38/40; 17 yds. and over High Gun, C. Budge, 38/40.

Light showers during the early afternoon made conditions unpleasant for an hour or so. Some keen shooting in the Chas. Budge Shield shoot saw the Moe team win the day by one point from Drouin, with Morwell a point away, 3rd. Charlie Budge and Dunc. McDonald were in good form, missing only two birds each on the day.

BRUTHEN (V.), 20/10/56.—Weather conditions: very good. Results: No. 1, 10-bird Pts.: div. W. Rawlings, R. Rawlings, 30/30. No. 2, 20-bird D.B. Club C'ship (16 yds.): 1st, R. Rawlings, 20/20; 2nd, W. Rawlings, 24/25; 3rd, J. Collins, 28/30. No. 3, 11-bird Skeet: 1st, W. Rawlings, 11/11.

The weather was again kind to us and our first Club Championship was shot under ideal conditions. Roy Rawlings, gaining a very

popular win, was the only shooter to score the possible. Congratulations, Roy; it's always nice to see one who puts so much work into the club take out the main event for the year. The Skeet event, which is quickly gaining popularity over the other events, was once again favourite and won outright by Wayne Rawlings. I must once again thank the ladies for their untiring efforts in the afternoon-tea booth.

A good week-end was enjoyed by everyone. Whales playing off the Headland were a little distracting for some of the shooters.

GEELONG (V.), 13/10/56. — Weather conditions: fine and sunny. Results: No. 1, 5-bird D.B.: R. Krentzlin, B. Finnegan, B. Mark, F. Grinter, K. Searlett, 8/8. No. 2, 15-bird D.B.: 1st, R. Krentzlin, 5/5; 2nd and 3rd, N. Viccars and K. Searlett, 4/5.

Club President, Dick Krentzlin, was in everything and only missed one clay for the afternoon. Counter attractions caused a slightly decreased attendance. The auto and driven event was very popular with shooters and will be part of future programmes of the club.

19/10/56. — Weather conditions: fine and clear. Results: No. 1, 5-bird D.B. (comp. div.): V. Gready, J. Ford, F. Buckley, N. Carroll, L. Towers, R. Towers, A. Coleman, W. Williams. A fine, clear night after the rough weather was enjoyed by a large number of shooters. Bill Williams showed good form and didn't miss a bird for the night. Jack Ford provided stiff opposition in the main event. Four shooters have now secured two legs in for trophy.

Strong southerly made conditions cold and unpleasant for shooting. Many thanks to our visitors from Beridale, Cooma, Shoalhaven and Captain's Flat districts. G. Gilfillan shot a 50 break at the night shoot.

YASS (N.S.W.). — Yass Club shot the October shoot on Saturday, 13th, and for the first time in many months did not have pouring rain, but a nasty cross wind made things sufficiently difficult. Prior to the shoot a

committee meeting decided to grade the shooters into A and B Classes in an endeavour to get back some of our missing shooters, and to try and encourage some beginners.

Results: 5-bird: div. C. Walker, T. Frost, W. B. Grogan. 5-bird S.B. and 5-bird D.B.: W. B. Grogan, L. Grogan, T. Frost, 10/10, div. Accumulative Sweep: Only one shooter scored possible 12/12, Cec. (Gordon Reed, Pub. Officer.)
COLAC (V.), 13/10/56. — Weather conditions: fine and warm. In perfect weather two District Championships were decided, the honours going to local district men. Jim O'Donnell (Camperdown) won the S.B. event with a full score of 20/20, and Bill Tucker (Carlisle) and Malcolm Small (Dundonnell) won the Deauville Doubles, 29/30 prs. The effort of Tucker and Small (both comparatively newcomers to trapshooting) was the more meritorious, as they had to survive a tie-shoot against proven opposition. Ray Bath and Syd East, a finalist pair, were unfortunate to miss their 20th release. A kill here would have given them their second successive hold on the title.

In presenting the trophies and welcoming the visitors, the President, V. O'Shannassy, made special mention of Clem Mudford (Melbourne), who has been selected as one of the two-man team to represent Australia in the Olympic Games trapshooting. In his modest way, Clem responded, and said that he and team-mate John Bryant Junr. (another frequent visitor to Colac club) hoped to win a gold medal for Australia.

Results: No. 1, 5-bird D.B.: div. R. Parker, W. Arnold, W. Gange, C. Romeo, G. Crosse, I. Morrison, C. Adamson, S. East, 5/5. No. 2 (ditto): div. I. Morrison, A. Calvert, P. Boyd, R. Bath, M. No. 4, Western Dist. D'ville Doubles C'ship (20 prs.): W. Tucker - M. Small, 29/30 prs., 1st; R. Bath - S. East, 28/30 prs., 2nd; C. Mudford - A. C. Tie, 23/25 prs., 3rd. No. 5, 5 prs. D. Rise: div. KELLERBERRIN (W.A.), 14/10/56. — A good attendance of shooters were present on a mild, sunny day. The standard of shooting was very high and everyone was particularly pleased to see our President, Jim Pascoe, win the second event of the day after a very interesting shoot-off. Congratulations, Jim. Looks like the gun was at fault and not you after all! The day consisted of practice rounds in the morning, with much good advice given to the needy. After a picnic lunch, two events were decided, both of 30 birds D.B. D.T.L.

Results: 1st, I. Stone, 27/30; 2nd, F. W. Cook, 27/30. A shoot-off was held between 1st and 2nd to decide the winner; 3rd place shared jointly between J. Heal, D. Forsyth, A. Forsyth, 26/30. No. 2: This event decided by shoot-off between J. Pascoe, J. Heal and F. Johnson, 27/30. The ultimate winner, as mentioned above, was 1st, J. Pascoe; 2nd, F. Johnson; 3rd, J. Heal.

During the afternoon the ladies provided an excellent afternoon tea.

AUSTRALIAN (V.). — At the annual meeting Mr. Geo. Biggs again accepted the Presidential chair. He will have as Vice-Pres. Aub. Johnson, T. Phillips and G. Stainton; Com'tte, F. Johnson, G. Lund, R. Thom, R. Smith, R. Andrews, R. Brown and P. Poole. The President, in opening his report, stated that the balance sheet told its own story. He was pleased that out of such a large turnover we were able to finish the year with a small net profit. The balance sheet illustrates how costs have been mounting, and this year there has been a considerable increase, and it now costs approx. £30 to run a shoot each fortnight. During the year a considerable increase in the price of clay targets caused the Committee to seriously consider raising the cost of shooting. However, they had sufficient confidence to continue, and the increased popularity of our programmes had made it possible to continue shooting at the old price. In concluding, the President stated that he desired to thank the many people who came along to help, and in particular Harry Ball and Tom Phillips, who spends long periods refereeing and similar tasks; the ladies for their efforts in catering when our caterer cannot attend; the members of the Committee for their untiring efforts and loyal support; the Secretary and his wife, who have carried out their duties thoroughly and contributed much towards making this a pleasant year, and W. Hornidge, who regularly goes without his lunch to set up the traps and supervise the trappers and pullers. Col. Hollow thanked the club for permitting his company to use the ground for instructing and coaching new shooters, and Dave Watson moved a vote of thanks to Mrs. Ayre for her splendid work in connection with the club business.

Oct. 13th.—Frank Johnson won the Metropolitan D. Rise C'ship at East Burwood after a tie shoot that went to the 25th round. Bill Finnigan challenged the winner to the final round, when a miss gave Johnson the title, 21/25 prs.; Finnigan, 2nd, 20/25 prs.; Ross Smith, 3rd, 17/20 prs. Johnson and Finnigan also figured in the opening event, won by Ray Hering with a lone 6 pairs; 2nd, div. F. Johnson, R. Smith, L. Stevenson, R. Thom, H. Phillips, G. H. Stainton, 5/6 prs. A final 30 birder found Ray Hering still scoring possible; with B. Bond he div. 1st and 2nd, 30/30. The tie shoot for 3rd was won by R. Ayre, 40/41.

Back-markers were severely handicapped on Oct. 27th, when gale conditions lowered their prestige, poor scores being returned by many of our best shots. Len Baker, from 22 yds., seemed to know the answer to these soaring jumping birds and won the 45-bird event with 41/45 from C. Fankhauser, 43/48, with F. Thatcher 3rd, 42/48. Clem Muddford, a unit of Australia's hope in the Olympic match, topped the back-marker section, winning 22 yd. and over, 40/46; 21 yd., W. Lestrangle, 42/48; 19 yd., G. McLeod (Shepparton), 39/45; 18 yd., R. Andrews, 41/45; 17 yd., J. D. Fogg, 38/46; 16 yd., W. Gresselle, 37/47. 16-year-old S. Stevens again shot well, div. the points event with D. Latham and F. KATANNING (W.A.), 23/9/56. — Results: No. 1, 20-bird D.B.: C. Marsh (Kojonup), 25/25; E. Clegg, 24/25; K. Norrish, J. Harris (Cunderdin), J. Clegg, L. MacFarlane (Kojonup), 19/20. No. 2, 10 birds over Olympic style traps: T. Catling, 10/10; J. Harris, E. Harris (both Cunderdin), W. Makeham, R. Coleman (Perth), B. Clegg, 9/10.

This was one of the most successful shoots conducted by the club this year, with over 30 shooters attending. Visitors came from

Kojonup, Perth and Cunderdin. A large crowd of spectators watched the shooting in warm, pleasant weather. The two W.A. Olympic practice squad men, Tim Catling and John Harris, from Cunderdin, were seen in action, and these two are very popular wherever they go. They treated the crowd to an outstanding display of shooting in the last event. At the close of day a novelty event was staged—single barrel miss and out and back a yard every kill. Bill Makeham stayed with Catling and Harris, but finally dropped a bird at 30 yards. These two then worked their way back to 40 yards behind the trap before Catling dropped a bird. Really good shooting.

14/10/56. — Results: No. 1, 20-bird D.B. (Downer Trophy): 1st, J. Clegg, 20/20; 2nd, R. Wainwright, 36/37; 3rd, B. Clegg, 35/37. No. 2, 10-bird Skeet: T. Catling, R. Coleman, H. Stutley, T. Young, J. Clegg, J. Downer, div.

There was a good muster of shooters and a perfect day for this shoot, and a picnic atmosphere prevailed. The Clegg family were all shooting well, John and Brian filling 1st and 3rd places, and Ernie was in the shoot-off for 2nd place. Also Tim Catling, who was the eventual high gun for the day, 28/30, after a shoot-off with John Clegg.

A couple of the boys had been busy in the morning, laying traps for unsuspecting shooters, in the form of wet paint on the new clubhouse extensions. They had a good haul in the afternoon, too, the red-lead primer showing up to good effect on coats and trousers. Wives and mothers of the victims are probably sharpening their claws for next encounter.

21/10/56. — Results: No. 1, 20 Mixed Birds: 1st, T. S. Young, 19/20; 2nd, T. Catling, 18/20; 3rd, W. Makeham, 17/20. No. 2, 20-bird Skeet: 1st, W. Makeham, 28/33; 2nd, D. Hilton, 27/33.

The Mixed Birds event was the final of the Club Championship, and Tim Catling had no trouble in taking the Sash and the J. R. Downer Championship Cup. The final scores were: T. Catling, 74/80; E. A. Clegg, the Club's President, 67/80, and N. A. Beek, 66/80.

Terry Young was shooting well on form and scored 19/20 in the Mixed Birds to win the T. Catling Trophy, and he was also high gun for the day. Bill Makeham and Doug. Hilton shot well in the Skeet and tied in first place, the shoot-off going to Makeham. (David Anderson, Hon. Sec.)

COBURG (V.), — I think Coburg Club has every right to feel proud of itself. Our achievements in regards to the Olympic Games has left us with a great feeling of elation.

Vice-President Clem Mudford made the Australian Olympic Team with Johnny Bryant.

Clem started his shooting career with Coburg, and from a 12 yards Novice event on until now, he is regarded as one of the best trapshooters in the Commonwealth.

Johnny Bryant, although his mother club is Australian, has been an affiliated member of Coburg for many years. He, too, is one of Australia's leading trapshooters.

Cr. Stan Cole, a life member of Coburg, has been appointed official Games referee. What Stan does not know of the rules isn't worth knowing.

By the time this appears in print, the Games will have been decided, but we take this opportunity of wishing these three sportsmen the best of luck and know they will be just as great in defeat as in victory.

On October 6 we had a happy day. Two 20 birders, with sectional trophies, were the attraction.

After a gun warmer, the first of the 20 birders got under way. Jack Senserrick was returned the winner with 36/36. He beat Don Latham (35/36) and Tom Rowan (21/22). Sectional winners were: 16 yds., Norm Moore, 17/20; 17/18 yds., W. Lock, 25/26; 18/19 yds., Sel Power, 26/27; 21 and over, Russell Thom, 19/20.

Don Glover won the second 20 birder with a clean score. In a shoot-off for placings, Ray Hering (30/31) was second, and Bob Ferlazzo (29/31) was third. Sectional winners: 16 yds., Fred Reade, 28/31; 17/18 yds., T. Lucas, 21/23; 19/20, Tony Senserrick, 35/37; 21/over, Bob Reid, 17/20.

On October 20 a good number of shooters journeyed to Echuca to try and recover the McCraith Shield (without success, by the way), and we staged a programme which attracted quite a good crowd.

We started with a 10-bird D.B., which Ray Hering and Norm Guy cut with 10/10.

The main event was a 10 pair Auto and Driven. Ray Hering proved too good for the opposition and ran out a clear winner with the only possible.

Up and coming novice, Norm Moore, was second with 9/10, and Roy Fallshaw third with 13/20. Sectional winners: 16 yds., Brian Bernal, 7/10; 17/18, Perc. Daily, 8/11; 19/20, Jack Senserrick, 12/15; 21/over, Clem Mudford, 10/12.

A 10-bird D.B. rounded up the programme. "Ingi" was the winner, 21/21. Jack Senserrick (20/21) was second and K. Patterson (15/19) third. The 16 yds. Trophy went to Les Kay with 15/16.

On Cup Day (Tuesday, Nov. 6) the Grand Prix was held. To conform with Olympic Rules, it has been altered this year.

A rough, windy day for the Murray Valley Double Rise Championship, which was won well by Digger Richardson of Mildura Club after a fine tussle with Artie Hinneberg. Owing to a breakdown on No. 1 trap under the lights, the night trophy shoot was shot during the late afternoon and was won by C. L. Barnes, a consistent supporter of our club. Shoot was enjoyed by those who made the trip.

Hot, gusty winds made shooting difficult early in the afternoon, and storm clouds gave us some anxious moments. However, after a shower of rain, conditions were more pleasant. The teams shoot saw some spirited, if not very accurate competitions, and the home side lost by one point to the visiting Bangall team. Our thanks to all who helped with trapping, scoring and food.

(J. L. Gibson, Hon. Sec.)

KEILOR (V.), 29/9/56.—Weather conditions: showery. Results: No. 1, 5 pr. D. Rise: div. A. Tie, D. Glover, 5/5; 3rd, R. Layton, 4/5. No. 2, Club D'ville Doubles C'ship: T. Rosewarne, R. Edwards, 20/20.

The Deauville Doubles Championship saw a very good field of shooters and the winners received a good ovation. The smile on Tom's face when the President draped him with the sash (his first sash) was a sight to see.

MT. GAMBIER (S.A.), 29/9/56.—Weather conditions: showers. Results: No. 1, 5-target: C. M. Barr, M. Bishop, W. Gregory, B. Lacey, A. R. Hutchesson, R. Reschke, 5/5. No. 2, Wanwin Trophy: J. Bishop, 10/10, 1st; M. Bishop, B. Lacey, J. Campbell, A. R. Hutchesson, 9/10, div. 2nd and 3rd. No. 3, Ladies' Trophy: M. Earl, 1st, 19/20, shoot-off 18/18; J. Bishop, 2nd, 19/20, shoot-off 17/18; B. Lacey, 3rd, 18/20, shoot-off 11/11. No. 4, 10-target: R. Reschke, 9/10, winner.

Due to several counter attractions, the attendance was down, but there was fun aplenty, especially when Glen Height proved his courage and dazzled onlookers with his headgear. It's understood he spent the winter evenings making it. Highlight of the afternoon was a ladies' match. Mrs. G. T. Bishop, the winner, broke 2/4; others failed to score, but would probably have done better if anxious husbands hadn't been so pressing with advice. The prize was a box of chocolates donated by the President.

7/10/56.—Weather conditions: fine. Results: No. 1, 10-target: J. Woodrow, M. Earl, A. McFarlane, A. S. Megaw, J. Pye, L. Sims, 10/10, div. No. 2, State D.B. C'ship: J. Woodrow, 44/45; J. S. Hamilton, 43/45; B. Lacey, 33/35. No. 3, 10-target Trophy: B. Lacey, 32/33; A. Hammer, 31/33; B. England, 30/32; A. S. Megaw, J. Bishop, 21/22; L. Earl, 16/17; R. Ridgway, 10/11.

With visitors from as far afield as Broken Hill, today's shoot was a great success. It was very good to see Jack Woodrow, the State President, win the S.A. D.B. Championship, although there is some doubt as to where the badge will fit on his much decorated jacket. J. S. Hamilton, President of the S.A. Gun Club, was runner-up, and Bernie Lacy, a local member, shot very well to gain 3rd place.

21/10/56.—Weather conditions: fine. Results: No. 1, 5-target: 14 div. No. 2, Club D.B. C'ship: J. G. Campbell, 45/45, 1st; B. Guy, 44/45, 2nd; H. Smith, 39/40, 3rd. No.

3, Miss-out: Max Bishop, B. Lacey, C. Barr, H. Smith, L. R. Lacey, B. Guy, 5/5, div.

Only two shooters, Jack Campbell and Barry Guy, managed to break the 30 clays; they shot off and B. Guy missed out on the 15th round, leaving J. Campbell, the 1956 club champion. Three shooters, Max Bishop, H. Smith and J. Matheson, broke 29/30 and so tied for 3rd Trophy, and in the shoot-off H. Smith broke a further 10 and won the trophy.

3/11/56.—Weather conditions: fine, windy. Results: No. 1, 5-target: 14 div., 5/5. No. 2, Teams Match: winning team—M. Bishop, J. Bishop, J. G. Campbell, J. Allison, G. W. Height; second team—L. Sims, W. Gregory, H. Hutchesson, J. Robinson, A. Hammer. Both teams shot 74/100 and in the shoot-off, the winning team broke 25/25; the runners-up, 22/25.

A good day's shooting, with teams from Mumbannar, Penola, Glenaceo and the Little Bool Duckshooters' Club. Once again a fine afternoon tea was provided by members of the Cameronian Ladies' Pipe Band. The high-gun trophy was won by Les Sims, who went through the afternoon without a miss, scoring 30/30. In the absence of the President, the Vice-President, Mr. G. W. Height, ably conducted affairs. It is well known that Glen is never stuck for a word.

(Roy G. Bishop, Hon. Sec.)

DALTON (N.S.W.), 6/10/56.—Weather conditions: showery and very dull. Results: No. 1, 5-bird: div. N. Churchill, Bob Churchill, Ben Churchill, 5/5. Medway, 10/11; J. Rivers, 6/7; G. Reed, 5/6. No. 8, 5-bird: Ben Churchill, G. Reed, O. Hallam, Bob Churchill, 5/5. No. 9, D'ville Doubles: G. Thom, O. Hallam, 7/7.

The small attendance was due to flood conditions and showery and a very dull day. Congratulations to Bob Churchill for his 52 break.

(Jas. A. Medway, Sec.)

INVERELL (N.S.W.), 1/10/56.—Weather conditions: bright sunny day. Results: No. 1, 10-bird: 13 div., C. Bell, W. Duddy, J. McLean, T. McCosker, "Pee Wee" Thompson, A. W. McIntosh, J. Dixon, Les Dixon, C. Grills, C. McCosker, L. Lillyman, L. Ping-kee, E. Redman, No. 2, 20-bird Pt. Score: 1st, A. Reed (Bingara), 60/60; 2nd, W. No. 5, Lions' Club Trophy (10-bird Pts.): A. W. McIntosh, L. Dixon, L. Jones, W. Edwards, R. McCosker, J. McLean, possibles, 30/30 pts; shoot-off: R. McCosker, 45 pts., 1st; T. McCosker, 44 pts., 2nd; J. McLean, 39 pts.; A. W. McIntosh, 41 pts.; L. Jones, 41 pts.; L. Dixon, 37 pts. Light was very bad at finish of shoot-off.

Shooting was not good, no breaks being scored. The Lions' Club had the booth and refreshments, and they made a wonderful job

of it. Grilled steak was perfect. "Pee Wee" Thompson would make a good lion, the way he devoured that steak. Watty Williams is also in the running, for only lions could eat steak like them. P. Psaros was on another kind of steak; he really was a lion. However, a very happy day was had by all, and next year's event looks to be bigger than ever.

(E. Redman, President.)

The Mildura Clay Target Gun Club conducted the Commonwealth D.B. Sparrows Championship at the Robinvale Gun Club site owing to the Mildura site being submerged by flood waters. Under unpleasant weather conditions, Artie Henneberg won the big event from Eric Bruce of Mildura. The Mildura Club wishes to express appreciation and many thanks to the Robinvale Club for the work they had to do to have everything right for the big shoot. The ladies' committee of the Robinvale Club provided a splendid luncheon and afternoon tea, which was enjoyed by all present, and we say thanks again to the ladies.

The attendance and shooting were both good in view of the poor shooting conditions. Ron Jones shot brilliantly to retain the Club Championship which he had previously won in 1955. The shoot-off for second place was well contested by Eddie and Garry Daly, who both shot very well.

Cold weather conditions made shooting very hard. The Deauville Doubles Championship resulted in a marathon shoot-off between Gavan Elliott - "Cook" Hudson and Alf Campbell - Jack Ford. Gavan and Cook winning on the 32nd pair.

SHOALHAVEN (N.S.W.), 1/10/56.—Weather conditions: sunny most of day, with N.E. wind. Results: No. 1, 10-bird: div. 10/10, M. Edlington, W. Craig, W. H. Waples, F. Vost. No. 2, 15-bird S.B.: div. 14/15, M. Edlington, T. Muller. No. 3, 20-bird H'cap (450): 1st, G. Gilfillan; 2nd, 19/20, 6 div., T. Muller, N. Churchill, E. Hoffmann, W. H. Waples, A. W. Catt, H. Townsend. No. 4, S. Coast 20-bird Sparrow C'chip: 1st, R. G. Faunt; 2nd, T. Muller; 3rd, A. Bradley. No. 5, 10-bird D.B.: 10/10, T. Muller, G. Gilfillan, H. Townsend. No. 6, 10-bird S.B.: 1st, 10/10, M. Perring; best Shoalhaven shooter, T. Muller; best 16 ydr. (no other prize), R. Orford; best 17/19 ydr. (no other prize), H. Anderson.

We were glad to see friends from Queanbeyan, Captain's Flat, Crookwell, Goulburn, Sydney and Wollongong, and the usual friendly atmosphere prevailed. Russell Faunt, well-known Sydney shooter, carried off the 20-bird Sparrow Championship. George Gilfillan (Shoalhaven) held up the local reputation by winning the 450 Handicap outright with 20/20. Tom Muller gave his usual consistent performance, sharing 1st in the 2nd event, and in the 2nd prize in the 450 item, sharing 1st in the 5th event, and totalling most points among Shoalhaven shooters, despite poor health lately. Excellent lunch and afternoon tea provided by the ladies, to whom many thanks.

(Joan W. Hill, Hon. Sec.)

BEAUFORT (V.), 29/9/56.—Weather conditions: wet and dull. Results: No. 1, 5-bird: Rex McDonald, K. Fenton, 15 pts. No. 2, Pyrenees D.B. C'chip: M. Luhrs, 1st, 15/15; W. Bridges, 2nd, 24/25; G. Drife, 3rd, 32/35; A. E. Smith, 4th, 31/35; W. Doble, 5th, 28/30. No. 3, 10-bird D.B.: A. E. Smith, W. Bridges, 10/10; G. Kirkpatrick, 15/16. No. 4, R. B. Shepherd, C. Smith, L. McGregor, W. Bridges, G. Kirkpatrick, B. Cook, R. McDonald.

The weather conditions again were pretty wet, but a good field of shooters turned out. Congratulations go to Max Luhrs and the other place-getters in the Pyrenees Championship.

(Lin McGregor, Hon. Sec.)

PERTH (W.A.), Sat. and Sun., 6th and 7th Oct., 1956.—An enjoyable week-end's shooting was experienced in perfect weather and in almost ideal conditions. The President's Trophy was won in brilliant style by the Vice-President, Roy Meade, who through this effort earned for himself a two-year handicap, winning outright with 35/35 after a shoot-off with 70-odd year old Tommy Blakeley. In the next event Roy finished

equal first (15/15) with Frank Bailey. Congratulations, Roy!

At Skeet, four members registered 19/20 and in the shoot-off Roy Alexander took the honours to win his first sash—the Club Championship, killing all 11 birds in true championship form. A very popular win. Bill Sharp excelled himself shooting 19/20, and with his 3-bird handicap, took first place in the H'cap event from Roy Meade (17 plus 4) and Frank Bailey (19 plus 1). Lex Smith shot well over the whole programme and was undoubtedly the best 16 yarder attending. Frank Bailey made his presence felt by being placed at least in nearly every event.

Two of our juvenile shooters (under 16) contested a 10 birder D.B. D.T.L., both registering 8/10. The issue was decided on first Miss-out, and young Murray (Official State Referee - Examiner Alexander's son) shot well to win from Bruce Gouldham. It is generally agreed that both these lads show great promise. In the following event of 20 birds, Bruce "killed" 20/20, having his revenge over his worthy opponent. It is notable that he and Frank Bailey were the only possibles. Once again our ladies did a wonderful job on each day, providing the necessary for the "inner man". Thanks, ladies, we do so much appreciate your efforts.

The President, Col. Ferguson, welcomed our visitors from Geraldton, Dongarra and Katanning, and extended a special welcome to Frank Bailey, who recently returned from his trip overseas. Shooters and spectators alike were more than interested to hear him speak on his various experiences with the gun in the many countries he visited.

Mrs. Neville Beeck (Katanning) graciously consented to present the trophies, but unfortunately her husband was not on the list. Clay target shooting seems to be gaining popularity in the metropolitan area, judging by the number of requests we receive from various organisations to stage demonstrations in aid of charity. Three of these exhibitions have been staged recently, and we have three more requests at the time of writing.

Results: Sat.—No. 1, 30-bird D.B. D.T.L. President's Trophy: 1st, R. Meade, 35/35; 2nd, T. Blakely, 34/35; 3rd, Bob Coleman, 29/30; best unplaced 16 ydr., L. Smith, 28/30; best unplaced 17 ydr. and back, R. Alexander (13 yds.), 36/40; best visitor, Alf Hunter (Geraldton), 28/30. No. 2, 15-bird D.B. D.T.L. H'cap: 1st, R. Meade, F. Bailey, 15/15; 3rd, F. Crackel, 13/15; Ladies' Trophy, Mrs. E. Metcalf.

Williamson, K. Gouldham, R. Millard, F. Bailey, 15/15. No. 4, 10-bird D.B. D.T.L. (juvenile members): 1st, M. Alexander, 11/13; 2nd, B. Gouldham, 10/13. No. 5, 20-bird D.B. D.T.L. H'cap (div. all possible first and second ten): First Ten: Bob Coleman, F. Bailey, P. Gardner, M. Taylor, J. Robinson, B. Gouldham (B/O); Second Ten: K. Gouldham, F. Bailey, H. Colliver, J. McBain, B. Gouldham (B/O).

20/10/56.—In perfect conditions, a small shoot was held, the programme being more or less practice for the State and District Championships in Katanning. Results: 10-bird D.B. D.T.L. H'cap (comp. div.): R.

Millard, T. Holt, C. Jasper (Cunderdin G.C.). 10/10. 20-bird S.B. D.T.L. H'cap (comp. div. each 10): T. Blakeley, 10/10 in first half; M. Taylor, R. Meade, R. Alexander, 9/10 in second half. 10 prs. Meade, 9 plus 1.8—10.8, and K. Gouldham - B. Gouldham, 8 plus 2.8—10.8.

Our sincere thanks once again to the ladies who provided a lovely afternoon tea.

(Ken Gouldham, Hon. Sec.)
DALBY (Qld.), 29/9/56.—Weather conditions: drizzling rain. Results: No. 1, 5-bird: A. McWilliams, E. Schultz, N. McGilp, C. Seis, R. Hirling, S. Dun, L. Price. No. 2, 10 pr. D. Rise: C. No. 5, 10-bird D.B.: A. Seis, W. Shand, G. McWilliams, 9/10.

A few drizzling showers made the shooting very unpleasant at times. The scores were not up to standard, but everyone enjoyed themselves. Everyone was pleased to see Sid Dun shoot his way on to the Price Shield.

28/10/56.—Weather conditions: westerly wind. Results: No. 1, 5-bird D.B.: 11 tied, 5/5. No. 2, 40-bird D.B. Trophy: C. Flegler, 1st, 40/40; M. Svaby, 2nd, 39/40; S. Dun, 35/40, 16/17 ydr. No. 3, 10-bird D.B.P.: A. Seis, 28/30, 1st.

A heavy westerly wind made shooting very difficult. However, Charlie Flegler did a grand job in busting 40 straight in the one event. He finished with a 48 break.

(C. H. Seis, Hon. Sec.)

Night, 18/10/56.—Conditions: perfect for night shooting. This was our first night shoot for the summer season and the roll-up of shooters and spectators was very encouraging. Captain, Geoff. King, presented a very nice "Esky" portable ice box containing half

a dozen of the best "soup" for a 20-bird D.B. event. Yours truly managed to get the ice box full of ice home, but the "soup" went the way it was intended. Five shooters shot the 20-bird possible, L. Mace, R. Graham, A. McFadden, K. May and L. Smith, the shoot-off finally going to Graham, 37/37, from McFadden, 36/37. Club Patron, Stuart Henderson, presented a beautiful fruit bowl for the other 20-bird event, and this was won by Geoff. King with the only possible. Visiting shooter A. McFadden shot particularly well throughout the night and recorded a 51 straight break.

Results: No. 1, 5-bird D.B.: W. Bartley, R. Graham, L. Mace, G. King, H. Morris, A. McFadden, K. May, 5/5. No. 2, 10-bird D.B.: L. Mace, W. Bartley, A. McFadden, A. Lisle, M. Berry, S. in spite of the weather, which was cold and showery, was seen, and financially it was a success, £40 being the profit. C. Ball (Horsham) was the star shooter for the day, taking one Championship and 2nd in the other, while R. Cook and C. Tickner showed their consistent form again. Supper was served, with Mrs. Leader supervising, as usual. We would also like to thank all those who donated trophies and cash amounts to the shoot.

CLAY PIGEON EUROPEAN STYLE

a trap tower located above some very tall trees. The shooter stands approximately 15 to 18 yards from the trees and must shoot the targets as they come whizzing over the top of the trees. These targets are thrown from all angles and at almost unbelievable heights, and must be broken before they pass directly over the shooter. Shooting doubles in this event is almost like shooting doubles from station 8.

CONCLUSION

I'm sure that an American shooter would agree that our Dutch friends have mixed field shooting with a little skeet and trap and have a sport which would be a challenge to all shotgun enthusiasts in the United States and Canada, and a real test on their nerves, too.
