## The Editor's Notebook

Notwithstanding repeated advices, break claims continue to be received by the Association from shooters (generally) and occasionally clubs, which carry no substantiation in the way of score sheets. Frequently a shooter will write in to the Association and state that he has gained a break and asking for a badge. This position, of course, cannot be accepted. Any claims for breaks must come from the club where the break was compiled and the claim must be confirmed by production of the actual score sheets. For general information it is advised that no breaks can be recognised unless compiled under double or single-barrel conditions and in competition, and off the shooter's Association handicap or behind it. Breaks made in front of the shooter's mark are not recognised.

A number of queries of interest have been received during the past month. One query, a club asked if there was a set rule with regard to the distribution in optional sweepstakes. In the first place the Association does not in any way lay down what allocation a club shall make when distributing the proceeds of an optional sweepstake. An optional sweepstake is the shooters' own money and the distribution should be the subject of arrangement by the club management, or the distribution should be agreed upon and announced prior to the shooting of the event to which the optional sweepstake is

attached. In regard to open championships and also open events, that is events in which over £50 is the prize money for any one match, the Association has very rigid rules on the allocation of optional sweepstakes. The Association instructs that the distribution of optional sweepstake money shall be 60% to the winner, 30% to the second place-getter and 10% to the third place-getter. This situation does not always work out because in most events the attached sweepstake money is divided before a shoot-off takes place. Clubs in any doubt on optional sweepstake division are recommended to accept the Association ruling of a 60%, 30%, 10% distribution. It is unusual for a club to agree to allocate all the money in an attached optional sweepstake outright to the winner. Every shooter is happier if the percentage distribution indicated is carried out. It allows, on many occasions, for a shooter who has little chance in a tie shoot to gain some return for his effort.

An interesting suggestion has come forward from a shooter who has been long noted for interesting and progressive ideas. The shooter, who wishes the Association and this scribe all the best, writes, "May I offer a suggestion? Why not increase the yardage for ALL championships? With the limit now at 16 yards, it does not seem just that really good shots can come in from 20-24 yards and shoot off this mark. To my way

of thinking, no championship should be shot from less than 19 yards, and the more important the event, the greater the yardage should be."

A very interesting comment and one that could, with advantage, be taken into consideration for the future. Of course, it must also be remembered that the limit marker, if he decides to shoot in an open championship, would under the writer's scheme be compelled to give away at least three yards. There are not many limit markers who would favour this proposal, although again there are quite a few who, if they felt they were good enough to win off a rear mark, would gladly accept the challenge.

At all events the suggestion is a point of interest which could be debated later.

Another query refers to a shooter, shooting from his handicap in a mixed bird contest, 5 birds D.B., 5 birds S.B., 5 birds Walk-up and 5 pairs Double-rise, and has an outright win. The questioner wishes to know how the winner would fare in regard to

his handicap. In reply it is advised that the event is regarded as a novelty event for which there is no penalty in handicapping. Handicaps are not assessed on walk-up, double-rise, Deauville Doubles and similar novelty contests.

Clubs are advised that the Handicapping Panel of the Association has decided that a shooter is required to attend at least six shoots and shoot through the programme before he can be considered for re-handicapping in the matter of being brought forward. This direction applies forthwith.

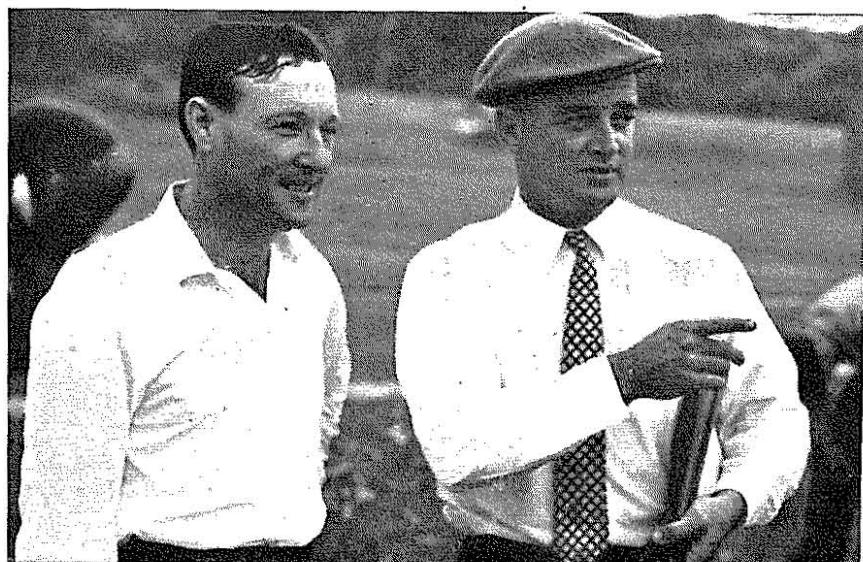

### \* Humour \*

Husband: "Do you know you left the electric fire burning all day?"

Wife: "Don't worry. It's not ours. I borrowed it from the people next door."

"Has this dog got a pedigree?"

"I should say so. If it could talk, it wouldn't be seen speaking to either of us."

**+ Pheasant Rearing +**

English writer, C. Minchin, outlines details of three ways of rearing pheasants which are neither expensive or difficult.

There seems to be some sort of myth among farmers that pheasants are difficult and expensive to rear. Perhaps it originated in the days when keepers were more plentiful and had "trade secrets". Maybe the keepers did have secrets about rearing pheasants; if so, they are not worth much today.

Pheasants are easy to rear if you go about it the right way. What does this entail?

Nowadays there are three main methods of rearing. The old-fashioned "open field" system, the more modern pen system, and the brooder.

★ ★

Before describing and comparing these systems, it would perhaps be as well to go into the question of where to obtain the eggs or birds necessary to start. The cheapest way is to find a few pheasant nests on the farm and, before incubation starts, rob them and hatch under a hen, leaving the wild bird to nest again. With this method the supply is likely to be pretty limited unless pheasants are already plentiful, in which case rearing has no great advantage.

Another method is to catch up or buy a number of hen pheasants, and pen them with cocks similarly obtained, at the rate of one cock per five to seven hens. These birds will mate and begin laying, producing on an average at least 30 good eggs a hen per season.

A third method is to buy eggs from a game farm. Undoubtedly this is the easiest way out. Other methods cut out eggs altogether and involve buying day-old chicks or poult, or adult birds. There are advantages here, but this is expensive.

Once the birds are hatched, which is done by hens or bantams—not in incubators—they must be reared by one of the three methods mentioned earlier.

The first, the "open field", involves taking the chicks with their foster-mother in a hen coop, and putting

them down in some suitable, well-drained field, lawn or orchard. There the chicks are let out and free-range for themselves, returning to the foster-mother whenever they want to. Food and water must, of course, be given, and the birds shut in at night. It is the most "natural" method, but unsuited to farmers, because someone must keep guard over them throughout daylight hours, or vermin will kill the lot.

Much more satisfactory, and probably the best method at present, is the "pen system". This is analogous to rearing poultry in arks, and indeed poultry arks can be used satisfactorily, provided they are clean.

The size of the pen, which can quite easily be home-made, can be anything from 15 sq. feet to 50 sq. feet in floor space, and from 18 in. to 4 ft. high. A happy medium is probably best. The hen coop is attached to the pen, either on the outside or inside, and the whole pen covered by  $\frac{1}{2}$  in. mesh wire netting. There is no floor, but it is best to board in the sides to a height of about 18 in. as a wind protection and to keep vermin from looking in.

The pheasant chicks—about 15 per brood per pen—can free-range in the pen while the hen is confined to her coop. The ground should be as smooth as possible, and probably short, not too thick grass.

The advantages of this system are clear. No one needs to stand guard over the birds all day. They are quite safe, and all that is required is to move them as necessary, and to give food and water daily.

★ ★

The last method to be given—the brooder—is one which, in time, will probably replace all others. At the moment there are one or two snags which have yet to be surmounted. The most notable of these is that, pheasant eggs are not suited to incubator hatching; therefore hens must be employed. Thus the object

## "Tips and Tails"

The Nampa (Idaho) Free Press is quoted by the American journal "Field and Stream" with the following advertisement, "My husband's five-month-old \$125, registered, field trial, champ stock black Labrador pup for sale at a much reduced price. Call 9-3990 Caldwell. If a man answers, hang up."

The Alexandra Club (South Australia), at its recent annual meeting at Milang (S.A.), elected the following office-bearers for the ensuing year: President, J. Woodrow; Joint Hon. Secretaries, Messrs. S. J. Collett and T. V. Roberts; Committee, Miss R. Fowler and Messrs. H. L. Potts, C. W. Bagley, A. V. Potts, A. H. Ross, G. Perry, H. Leverington and G. Woodrow.

Rockhampton Gun Club (North Queensland) will shoot on Sunday, June 16; Tuesday, June 18, and Thursday, June 20. £50 Handicaps will be the main attraction on all three days and nights. The shoots are in connection with the Rockhampton Carnival week festivities. Programmes are as advertised. Enquiries to secretary, R. Graham, Box 424, Rockhampton, Qld.

The South West Gun Club at Capel in Western Australia advises that there has been a change of secretary at the club. The new secretary is N. Wells, of Box 45, Busselton, W.A.

Victorian shooters, particularly those in the metropolitan area and also a number in many country centres, will be pleased to notice veteran Harold Sweeney back again facing up to the elusive targets. Harold had months in hospital, following a severe car accident on the Hume Highway near Wangaratta. Indeed, but for a few minor circumstances in his favour, he could quite easily not have recovered. In his mid-sixties, Harold is one of those

who does not appear to feel the weight of years. He is known among his friends as being good enough "to be in anything that is going in the shooting sphere".

Mount Gambier Club in South Australia, which claims to be the oldest gun club in Australia, having been established in 1872, has advised a change in secretary. Roy Bishop, the former secretary, has a big building project in hand and cannot spare the time for secretarial duties. The new secretary is Wilton J. F. Gregory, of Cardinia Street, Mount Gambier. Advice from the club is that the new lighting installations for night shooting are complete and the club has great expectations of continued interest.

At the recent annual meeting of the Northam and District Gun Club (Western Australia) the following office-bearers were elected: President, A. Coutts; Vice-President, P. Humphrey; Secretary - Treasurer, G. R. Richards; Captain, R. M. Holtfreter; Vice-Captain, R. Herridge; Handcapper, P. Humphrey; Armourer, D. Holtfreter; Elected Members, F. Rogers, J. Cooke, D. Holtfreter; Delegates, A. Coutts, R. M. Holtfreter, P. Humphrey and R. Herridge. The opening shoot for the season took place on Sunday, April 14.

The Mongoose, the little animal which is the fierce enemy of deadly snakes, is not, as is generally believed, immune from the venom of these wrigglers. The Mongoose depends for its survival on keen vision and lightning agility to avoid the poison fangs.

The buffalo always faces a storm standing or lying down—the majority of other game animals turn tail into a storm.

Fred Blackman, the popular secretary of the Townsville Club and former member of the Association Executive Committee, who has been indisposed for some months, is due to return to duty almost at once. Fred has had a long spell of bad health and it is hoped that he is now fully recovered and ready to resume

The club anticipates a very good year. It is of interest to note that a big party journeyed to Kalgoorlie on the Goldfields recently and the enthusiasm discovered on the Goldfields area proved almost overpowering. Almost 100 aspiring trapshotters turned out for

a practice series. A new club at Kalgoorlie now appears certain.

Footscray Club, which shoots on the Tottenham No. 2 ground (V.), will conduct the Metropolitan Skeet Championship on the Queen's Birthday Holiday, June 17; this will be followed by the Queen's Birthday Handicap, for which £150 in trophies has been allocated. The much discussed car shoot at Hay over the Easter period was won by the Moulamein trapshot, Brian Addison. A 20 yarder, Addison shot very well and "carried the weight" when the pressure was on. He was warmly applauded on his success. J. Ford of Geelong, a front-marker, missed his final release.

*Pheasant Rearing (cont.)*

of a mechanical system is half-defeated before starting. When this difficulty is overcome, as it will be,

the advantages of brooder rearing will be greatly increased. It is not proposed to go deeper into this system than to say that chicks can very successfully be reared with artificial heat, either paraffin, gas or electric. The best results seem to be achieved when the birds are reared on grass in small units and given plenty of room.

The method and type of food to be used is common to all systems. The cheapest and probably the best food is ordinary chick or turkey starter crumbs as used for poultry. These can be used exclusively for the first three weeks, when growers' pellets can be introduced, and at about five weeks corn can be added. Nothing could be simpler. For the first few days, feeding should be done by hand three or four times a day, and a hopper kept in the pen. The chicks soon get used to feeding from this, and hand-feeding can then be discontinued, though it should be reintroduced about a week before the birds are released to covert at 6-8 weeks of age. Water and grit must always be at hand.

It is best not to keep pheasants penned in rearing units much beyond eight weeks. There is little point in doing so, for they are quite capable of looking after themselves from six weeks onwards.

(L. Miller, Hon. Sec.)  
**YARRAM (V.)**, 20/4/57.—Weather conditions: fine. Results: No. 1, 10-bird P.D.: J. Martin, 1st, 30/30; J. Green, E. Hamilton, equal 2nd, 29/30. No. 2, 15-bird D.B.: 1st, E. Hamilton, 28/28; 2nd, N. Gannon, 27/23; equal 3rd, A. Lewis, J. Moran. No. 3, 10-bird S.B.: A. Cripps, K. Patterson, Dr. Martin, 10/10.

As it was Easter Saturday, possibly a number of our usual shooters were away. However, those who came enjoyed the day's sport, and Ern Hamilton is to be congratulated on winning the trophy event. John Martin, who doesn't get home very often, was also in good form, and won the first event outright. The third event was shared between three shooters, and Dr. Martin, our President, was one of the possibles. A lovely afternoon tea was served by Mesdames Martin, Rowland, Hobson and Hamilton. Our sincere thanks to these good ladies.

(Joyce Pearson, Hon. Sec.)  
**AUSTRALIAN (V.)**, April 13.—Bill Finnigan won the Victorian D. Rise C'ship at East Burwood with 15/20 prs. Seldom do we see form shown in the opening event maintained throughout a double-rise championship, but Finnigan accomplished this feat. Grassing 5 pr. D. Rise in the opening S'take, he went on to win the D. Rise C'ship with a further

15/20 prs., thus adding another link to his chain of Championships, which includes that coveted prize, the Duke of Gloucester Cup. Our hon. sec., Roy Ayre, upheld tradition and ran 2nd, 21/30 pr.; R. Jorgenson, 3rd, 19/30 pr.; 16 ydr., C. Poole, 6/15. The opening event was div. A. Brenk, 6/6 pr.; R. Jorgenson, F. C. Johnson, G. Biggs, W. Finnigan, 5/6 pr. A further 15-bird D.B. was div. S. Whitten and B. Bond.

April 27 opened with a 15-bird D.B., div. I. Dingwall (Drouin), K. Waring (Willaura), R. Thom, A. Kyle, J. Ainger, Leckie, W. Gresselle, S. Stevens, R. McCathie and D. Latham. The 30-bird D.B. was won in fine style by committee man Peter Poole. "As ye sow, so ye shall reap." Well, this is the impression that I gathered from the smile on dad's face as Peter was presented with his trophy. In the wide, open spaces of Mansfield (Vic.) Mr. Poole Srnr. has instructed his five sons in the art of breaking moving objects, and all have acquitted themselves with credit. Dad won the 16 yd. sectional Trophy in the D. Rise C'ship; 2nd, R. Thom, 32/33; R. McCathie, a visitor from New Zealand, 3rd, 30/31; 16 yd., A. Kyle, 28/30; 17/18 yd., J. Lowe (Drouin), 32/33; 19/20 yd., Austin, 29/30; 21 and over, E. Brenk, 32/33.

Jim Lowe (Drouin) was welcomed back to the fold. Jim was a member of the original Nobel Club, and if today's score is his standard, is still a force to be reckoned with.

(H. H. Ball.)

**BRUTHEN (V.)**, 22/4/57.—Weather conditions: good. Results: No. 1, 10-bird Skeet: div. L. Rawlings, W. Rawlings, R. Johns, 8/9. No. 2, Vic. C'ship Skeet: 1st, L. A.

The weather was near to perfect for skeet shooting, and being the Easter week-end, there was quite a number of Melbourne shooters for the Vic. Championship. All past and present champions were introduced to the public before the event started. This made it quite interesting to the onlookers. There was some very good shooting. It was just pure luck that put me one bird in front at the finish. A really good shoot-off for 2nd and 3rd between Roy Rawlings and Len Baker put the crowd on their toes. Many thanks to the ladies for a nice afternoon tea.

22/4/57. — Weather conditions: good. Results: No. 1, 5-bird Pts.: div., R. Pilgrim, G. Britt, W. R. Johns, B. James, J. Patterson, 15/15. No. 2, Club C'ship: W. Williams, 30/30; 1st: R. Mildenhall, 29/30, 2nd: R. Pilgrim, 28/25, 3rd.

The weather was again kind and our night shoot was a complete success. Bill Williams of Coburg showed the locals how it was done in the Club Championship. The Bruthen Club always enjoys having visitors from afar, and they certainly proved it by the applause they gave Bill for his big win. I would like to thank the shooters and club members for their co-operation in making the big day for the club such a success.

(L. A. Rawlings, Hon. Sec.)  
MOREE (N.S.W.), 20/4/57. — Weather conditions: good. Results: No. 1, 5-bird D.B.: L. Kee, T. Tattam, R. Wiseman, F. White, R. Bell, A. Hayes (Hawkesbury Club), 5/5. No. 2, 5-bird D.B.: T. Tattam, F. Bardsley, R. Wiseman, R. Bell, A. Hayes, 5/5. No. 3, 10-bird D.B. Pt. Score: G. Ritter, 30/30; L. Kee, A. Hayes, 25/30. No. 4, 10-bird Mixed Birds (5 S.B., 5 D.B.): I. Constable (Collarenebri), 10/10; A. Stubbs, A. Hayes (Hawkesbury), 9/10. No. 5, D'ville Doubles (5 pr.): R. Wiseman - A. Stubbs, 5/6. No. 6, 3 pr. D. Rise: I. Constable (C.), 4/6; 1st: A. Constable (C.), 3/6, 2nd: L. Kee, 2/4, 3rd.

Easter week-end caused a drop in club attendances; however, Moree was very pleased to welcome visitors from Collarenebri and Hawkesbury clubs. The Constables and probably many other shooters in the North West, were prevented from attending the big shoot at Hay because of the rain earlier in the week.

(W. Norbury, Hon. Sec.)  
LISMORE (N.S.W.), 20/4/57. — Weather conditions: good. Results: No. 1, 10-bird D.B.: J. Bruggy, D. Powell, K. Lee, div., 10/10. No. 2, 10-bird D.B. Pts.: R. Moffatt, 30/30, 1st; J. Bruggy, K. No. 5, 10-bird S.B. Trophy: R. Moffatt, 10/10, 1st; K. Suffolk, K. Lee, div., 9/10, 2nd and 3rd. No. 6, 10-bird D.B.: C. J. Lee, R. Moffatt, K. Lee, div., 9/10, No. 7, 10-bird D.B. Pts.: K. Lee, 30/30, 1st; D. Powell, C. J. Lee, div., 27/30, 2nd and 3rd.

Very poor attendance of shooters, only 10 shooters taking part. So our official programme was not shot. Very pleased to see R. Moffatt (Armidale) and Peter Thompson (Coff's Harbour) making the trip. However, we hope everyone enjoyed the many small events we held.

22/4/57. — Weather conditions: good. Results: No. 1, 10-bird D.B.: K. Suffolk, K. Cameron, div., 10/10. No. 2, 10-bird D.B.:

Attendance again was not good, with only 18 shooters going to the trap. Very glad to welcome our visiting shooters, some who came a long way. Nice to see Joe Raleigh, G. T. Secombe, Keith Cameron, Sep. Stewart, Norm Danes, J. Willett and young Bill Willett, who shot very well. Our sincere thanks to the Lee family for their fine support. We were sorry to have to forego some of the major events owing to the poor attendance, but everyone seemed to have a good day's shooting.

H. A. Scott, 70/75; T. Ferrin, 69/75. No. 5, 30-bird D.B.: T. Ferrin, 30/30; I. Arthur, 29/30; H. Rothwell, E. Denton, 28/30.

The weather was a little cloudy, but the air very still and altogether the day lent itself to good shooting. A very poor roll-up spoilt the day, but as it was held during Easter, it is expected quite few shooters could not come owing to other attractions.

(H. A. Scott, Hon. Sec.)

**BERRIDALE (N.S.W.).** — Weather conditions: good. Results: No. 1, 5-bird D.B.: 1st and 2nd, div. W. Rial, Les Brown, P. Freebody, Reg. Brown, F. Parkes, V. Wallace, K. Nolan. No. 2, 10-bird D.B. H'cap: V. Wallace, 1st; H. Peel, 2nd. No. 3, 10-bird D.B. Point Score: Reg. Brown, 1st; H. Peel, 2nd. No. 4, 5-bird D.B. D'ville Doubles: V. Wallace - R. Wallace, 1st. No. 5, 5-bird D.B.: B. Monckton, Reg. Brown, div.

The weather was ideal and shooting conditions were good. A large number of shooters were competing, and competition was of a very high order; quite a number of possibles were made. There was also a large crowd of spectators, who are given free use of the clubhouse and amenities during the shoot; this, and the fact that afternoon tea is served by the lady friends of the club members at a nominal charge, is an added attraction to spectators. President Harry Puls won two second prizes at the meeting, and he was heartily congratulated by everyone, which shows how popular this good sportsman is. We are now preparing for our Championship shoot which is to be held next month.

(Cyril E. Kingston.)

**MYAMYN (V.).** — At our shoot held 30/3/57 conditions were quite good and we welcomed over 20 visiting shooters. First trophy in open shoot was won by J. Pye (Bessiebelle) after a keen shoot-off with promising young shooter Bob Rundell. Novice trophy was won in good style by "Jock" Robinson, with John Rundell taking second place. £20 H'cap was div. H. Smith, J. Pye, L. Morton and C. Teggart, which concluded our day's shooting. We now present our trophies to winners in the luncheon pavilion as soon as lunch is finished, so our ladies can witness the presentations.

**KATANNING (W.A.).** — Principal office-bearers for 1957: Patron, J. R. Downer; President, N. A. Beeck; Vice-Presidents, C. R. Kowald, D. K. Norrish, E. R. Brown; Secretary, T. S. Young, 56 Austral Terrace, Katanning; Treasurer, D. Hilton; Captain, D. Anderson; Vice-Captain, T. Catling; Committee, F. Fremantle, M. Crossley, J. Clegg, B. Clegg.

The Katanning Gun Club will be conducting the Commonwealth D.B. Championship on November 9th, 1957. In addition, The Cherry Tree Sporting Championship, of 50 birds over 8 traps, will again prove to be the most interesting shoot in W.A. A district S.B., the State Deauvilles, and various handicaps will complete an attractive three-day programme. Already the club is laying plans for this big event, and any Eastern States visitor will be accorded a right royal welcome should he make a trip to the Golden West on or about the 9th November. Full particulars from the Secretary, T. S. Young, Katanning, or President, Neville Beeck, who will be visiting as many E.S. clubs as possible from April to August. Neville also conducts a Wild Life Sanctuary on his property "Summerfield", Katanning. Apart from the shooting, Katanning will offer interest to visitors. It is situated 178 miles from

Perth, and is the centre of the wool and stud industry in W.A., and conducts annually the second biggest Stud Merino Sale in the Southern Hemisphere.

(T. S. Young, Hon. Sec.)

**NARRANDERA (N.S.W.).** — Narrandera held another very successful shoot, with 40 to 50 shooters present, which was very pleasing to the new President, Ken Powell, who was presiding over his first meeting. Shooters were present from Melbourne, Sydney, Hay, Griffith, Leeton, Burrellan, Wagga, Condobolin, Tullibigeal, Wagga, and other centres. The Hudson Challenge Shield drew six teams, and was won by Narrandera No. 1 team with the score of 91/100 from Hay and another Narrandera team, equal 2nd with 90/100. A good shoot-off in the Championship between H. Webb (Leeton) and N. Thomas (Holbrook) lasted until 85 rounds, when "Newt the Beau" gained the honours with 84/85 to H. Webb, 83/85.

Results: No. 1, D.B.: S. Bennie, R. Bushby, D. Taylor, H. Brennan (Narrandera), F. Hudson (Sydney), W. Ronfeldt, J. Taylor, H. Webb (Leeton) and R. Thompson (Griffith) shot 5/5, div. No. 2, 10-bird D.B.: L. Laneyrie (Condobolin), H. Gibson, R. Headon (Hay), H. Webb and R. Bushby, 10/10, div. No. 3, 10-bird D.B. and 10-bird S.B. Trophy: W. Ronfeldt and R. Bennie, 28/30, 3rd, No. 4, Riverina D.B. C'ship: Newton Thomas, H. Webb, L. Laneyrie and R. Headon shot 20/20. Shoot-off resulted: N. Thomas, 84/85, 1st; H. Webb, 83/85, 2nd; R. Headon, 42/45, 3rd. No. 5, 230 H'cap, shot in conjunction with Hudson Shield: H'cap div. K. Smith (Hay) and R. Bushby, 20/20; shooters with 19/20 were D. Lucas (Leeton), P. Gibbons, F. Hudson, N. Thomas, J. Headon, K. Powell, W. Ronfeldt and R. Seims.

After the shoot the club opened a few bottles of the best, and all went away happy.

(Bob Bushby, Sec.)

**FOOTSCRAY (V.).** — The club held the club D.B. Championship, and 48 keen shooters lined up. It was one of those days that had the right atmosphere from the start; everyone happy, nobody excelled themselves more than Jim McInnes of I.C.I., who refereed. Thanks, Jim. In the Championship three shooters shot the possible, which finished with a victory for Don Glover (Keilor), 1st; Jack Senserrick (Keilor), 2nd; Frank Marion (Footscray), 3rd. 1st event, Pts. Dec., went to Frank Marion, 24/24, and we finished with 9 birds Skeet. This goes to prove that if you have the facilities for shooting skeet, the shooters will go for it.

Well, once again my thanks to the shooters and all those who helped to make this day so successful.

(L. V. Austin, President.)

**COBURG (Vic.).** — April 6 was a grand day. The weather was ideal and the attendance large. The star attraction was the Victorian Double Barrel Championship.

Shooting commenced with a 10-bird Points Decision, and although the field was large, only three shooters scored the possible. They were Mal Dawson, S. Stevens and Jim Masters, 30/30.

The Championship produced some real shooting. All the tracks were engaged, and the winner was country shooter Ian Morrison, who scored a well-executed 35/35. He beat Clem Mudford (34/35) in a great shoot-off.

Fred Burns was third with 49/50. Sectional prizes went to the following: 16 yds., I. Martin (27/30); 17/18 yds., L. Rawlings (37/40); 19/20 yds., Mick Kitchell (48/50) and 21 and over, "Ingi" (43/45).

The club was open for business on Easter Saturday. Although a few were away on holidays, there was a fair muster.

We wish the weather had been on holidays, too. Early in the piece it blew a gale, then settled down to some good rain.

The usual 10-bird Points Decision opened the programme, and this was won by K. Robinson (Werribee) with 27/30. Peter Hanrahan (26/30) was second, and Andy Tie (25/30) third.

The principal attraction was a 20 birder (10 double barrel and 10 single barrel).

Under the conditions shooters did pretty well. Clem Mudford (18/20) was the outright winner from Bob Williams (17/20), with Billy Scott (16/20) taking third place.

The 16 yds. trophy went to Alby Torr (15/20); 17/18 yds., Jack Savage (17/22); 21 yds. and over, Don Latham (20/25).

As will be seen in our advert, we have a number of Championships coming up.

On July 13 we will hold our Annual Red Cross shoot. As this is Red Cross year, we hope to make it bigger and better than ever.

We extend a cordial invitation to all shooters to visit us. You are assured of a hospitable welcome.

(C. J. COLLEDGE, Sec.)

(Mick Briggs, Hon. Sec.)

Easter Monday shoot, and despite the excellent programme, a disappointing roll-up of shooters. Don Kneebone, in top form, won the first main event. COFFS HARBOUR (N.S.W.), 18/4/57.—The usual monthly shoot was held on Saturday, 13th. Cloudy conditions and a northerly breeze made the clay very "sporty". A good field lined up for the programme, the principal event being the Peter Thompson Trophy, including visiting shooters W. Hall from Coonabarabran and Merv. and Staff Preston from the Clarence. An indication of the popularity of the sport and the keenness of our members may be had from the fact that Joe Raleigh and Boyce Siddons drove from early morning to be present at the shoot. Joe drove from Moree and Boyce from Brisbane. Our popular secretary, G. D. T. Seacombe, shot splendidly under the conditions to win the trophy and High Gun, as well as sharing some sweeps. Dan Seacombe also shot well in the 10-bird Points "Annual Aggregate", scoring 28/30. One of our new members, Geoff Blundell, is showing marked improvement and should soon take out a trophy. A good deal of interest is being shown in a Rotary-sponsored shoot on April 27. The profit from this will go to the Swimming Pool Fund. Challenges are in from Lion's Club, Apex, Buffalo Lodge and Rifle Club, so some keen competition should result. President Alf Herdegen, Sec. G. D. T. Seacombe, Capt. Peter Thompson and Armourer Dan Seacombe are in charge of the arrangements.

Results: 5-bird S.B.: P. Thompson, 1st, 5/5; G. D. T. Seacombe, W. Unwin, G. Blundell, div. 2nd and 3rd, 4/5. Peter Thompson Trophy (15-bird Points): G. D. T. Seacombe, 1st, 41/45; A. Herdegen, 2nd, 40/45; Ted Wedgwood, 3rd, 39/45. 5-bird Points: G. Blundell, 1st, 14/15; G. D. T. Seacombe, P. Thompson, W. Hall, div. 2nd and 3rd, 13/15. 5-bird Points Sweeps: No. 1, A. Herdegen, 1st, 15/15; G. D. T. Seacombe, 2nd, 14/15. No. 2: G. D. T. Seacombe, 1st, 14/15; P. Thompson, W. PERTH (W.A.).—The opening shoot for the year was conducted on Sunday, 28th April, and over 40 shooters faced the traps to enjoy a programme conducted in picnic style. The weather was perfect, being fine and mild, with a light breeze, and under these conditions E. Arblaster shot 10/10 to be the outright winner, but as he shot for birds only, the trophy went to Frank Durbridge (last year's winner of the most improved shooter's trophy) in the 10-bird Novelty event (one D.T.L. and one Skeet) with a score of 9/10.

Keith Hunter (Dongarra) was Handicap winner of the 10-bird D.B., and not to be outdone, Alf Hunter Snr. won the short Skeet round.

A number of shooters from various clubs paid a visit to Kalgoorlie on the occasion of the Annual Fair, where they put on three exhibitions during the day. Using an auto trap specially installed for the purpose, the shooters received a most enthusiastic reception from a very large crowd, and even if several of the visitors did travel nearly a thousand miles to be there, it proved to be well worth while. An invitation was extended to local shooters to turn up next morning if they were interested in a shoot; the invitation was accepted by over 100, to the surprise and almost dismay of the visitors, who had only taken up a limited number of birds. However, over 50 of those interested had several rounds over the trap and thoroughly enjoyed it.

It is pleasing to be able to report that arising from the visit a meeting has been held, and 48 joined up as a new club, and ordered immediate delivery of an auto trap. There is no doubt of an early application for affiliation. It is felt that the results repaid the visitors for the time spent and the expense they went to.

A good afternoon's sport. The new auto trap performed well and satisfied all shooters. Visiting shooters praised the set-up of the ground, very picturesque, with the trees and shrubs in autumn tint at present. Visitors from Wangaratta, Gapstead and Tawonga.

6/4/57.—Weather conditions: good. Results (Night shoot): No. 1, 5-bird D.B. (C.D.): div. J. Thompson, I. Reith, 5/5. No. 2, 5-bird D.B. (C.D.): div. I. Reith, F. Hendrie, 5/5. No. 3, 5-bird S.B.: R. This was more or less an impromptu shoot, but a good night's shooting was had by those in attendance. Supper was served by the club and was very much appreciated by shooters and visitors alike.

22/4/57.—Weather conditions: good. Results (Night): No. 1, 5-bird D.B. (C.D.): div. D. Craig, J. Thompson, J. Sharp, 5/5. No. 2, 5-bird S.B.: F. Hendrie, 5/5. No. 3, 10-bird D.B.: D. An excellent night's shooting. Two new members for the club, which now has some very keen triers. Weather conditions were good, as also were the two big fires. Supper served by the ladies of the club was up to the usual standard (good). Fair attendance of visitors and onlookers. The club intends to shoot right through winter this year, as so many clubs round about close for the football season.

It was a squally and snowy afternoon, but some good shooting was witnessed, especially in the Championship, where the event was decided between two good shooters, R. Horton (Cressy) and also J. Tubb (Cressy), both breaking 14/15, and the shoot-off consisted of 6 rounds of 5, Horton losing one and Tubb missing the last three birds straight. Other shooters shot well for the conditions, but the back-markers were on top all day.

Poor weather conditions again returned for the monthly shoot; however, it did not keep the shooters away. In spite of gale-force winds, some good scores were recorded. Congratulations go to Clive Wilson of Footscray in winning the Club D.B. Championship in fine style; he was just too good for the local boys, who also shot well in the conditions. **COLAC (V.), 30/3/57 (Night).** — Weather conditions: fine. Results: No. 1, 5-bird D.B.: div. R. Sharp, B. Leith, K. Walsh, 5/5. No. 2, 5-bird D.B.: div. R. Parker, B. Leith, 5/5. No. 3, 10-bird D.B. Trophy: 1st, R. Parker, 21/21; 2nd, I. Morrison, 20/21; F.M., R. Dare, 9/10. No. 4, 5-bird S.B.: div. C. Romeo, C. Grist, R. Jamison, 5/5. No. 5, 5-bird D.B.: div. R. Parker, C. Romeo, B. Leith, W. Billings, C. Grist, P. Osborne, R. Jamison, 5/5.

Nice, friendly gathering, with plenty of shooting for all. Ray Parker was in good form after winning the Club S.B. Championship at Cressy this afternoon. The two Charlies, Charlie Romeo and Charlie Grist, both long-term members of the club, were among those who divided the spoils in the last two events. Bernie Leith and Ian Morrison also shot well.

13/4/57. — Weather conditions: squally. Another stage in the life of the Jock Wilson Cup was reached on Saturday, 13/4/57, when Peter Boyd gained his second leg-in, seven others having one leg-in. Peter shot exceedingly well in the windy conditions which prevailed, using only two second barrels at his 20 releases. Close behind him were Ian Morrison (Dundonnell) and Ray Parker, and they shot off for 2nd and 3rd.

A pleasing return to form was that of Theo Norman, who, with a strange gun, gained the 16-yard award. In the absence of President, Vin O'Shannassy, who is convalescing after an operation, Theo presented the trophies to the winners. All members extend to Vin their best wishes for a speedy return to health.

The announcement that Ian Morrison had won the Victorian D.B. Championship at Coburg the previous Saturday, brought congratulations and applause from all present.

Night.—No. 1, 10-bird D.B.: div. D. and J. Howard, J. Crowne, J. McClean, L. Berryman, L. Engel, N. Mitchell, A. Rowe, M. Smith, W. Rutty, 10/10. No. 2, Cent. Western Dist. D.B. J. Howard visited the shoot as a 16 yd. shooter. When he made a 50 break I put him on 17 yds. This did not make much difference and he shot outstandingly throughout the rest of the shoot and won the High Gun trophy by seven birds to the next nearest shooter. His card is now marked 18 yds. He is visiting Hay at Easter. W. Weinert and S. Bressington shot a 50 break each. S. Bressington was given a yard from 20 to 21 yds. W. Weinert was given a yard from 17 to 18 yds.

Open Shoot, Day and Night, 30/3/57.—Results: No. 1, 10-bird D.B.: div. D. and J. Howard, P. Burgess, K. Soames Snr. and Jnr., L. Engel, J. Thatcher, R. Boyd, A. Tyack, W. Craig, R. Melville, S. The open two days and nights shoot was a most successful one. The weather was warm and conditions very good. The standard of the Trophies was very favourably commented on by shooters and visitors. The outstanding shooter was J. Howard, who unquestionably won the High Gun Trophy over the whole two days and nights shooting. The next nearest scorer to him was seven birds behind.
