# The Editor's Notebook

Attention is again drawn to the number of letters which are wrongly addressed when forwarded to the Association. In one or two cases replies have been delayed on account of wrong or insufficient address and those concerned are recommended to ensure that proper address always appears on mail matter addressed to the Association. In the past couple of months letters have been addressed to the Association in Adelaide, Brisbane, and on several occasions to Sydney. Fortunately the Association is apparently well known to the Postal authorities and letters ultimately turn up. Another source of frequent error is the marking of the envelopes with the wrong box number. Recently a Melbourne club, posting a cheque for an account (account was enclosed which showed the correct box number) to an entirely different box number. The result was the letter went to a business house, who inadvertently opened the envelope and, upon seeing the account, re-addressed the letter correctly. It does not require much concentration to ensure that Association mail matter carries the right address, and all concerned should fix in the mind's eye, Box 2038 S, G.P.O., Melbourne, C.I., as the Association's right address.

During the past month quite a number of potential advertisers in this publication apparently have held the erroneous conception that copy matter can be accepted at any time during the month and that notwithstanding the date of lodgment, the copy will be accepted and printed. This idea of the running of a publication is not in accordance with actual fact or experience. Copy must be lodged not later than first day of each month—this copy will then be printed during the month and will appear on the first day (or possibly a day or two earlier) the following month. With the Association's limited staff and printer's requirements, the dates mentioned are the only logical periods. All copy has first to be scrutinised and checked by the Editor, then the copy has to be collated and forwarded to the printer, who in turn again goes through it, marking and tabbing as required. Then the copy matter goes to the linotypers, who set it up and, after about 10 to 14 days, return it to the printer. The printer then has to go through it again and later return the lot to the Editor for final proofing. The printer then takes over and arranges the pages, at the same time checking to ensure no unsuitable matter has been included. The printer then gets

in touch with the firm who prepare the wrappers, checks his numbers and quantities and then sets about printing the issue. All this takes approximately 21 days. Following this procedure the printer has, after printing, to cut, staple and trim the issue and prepare to wrap and post. This takes up another five or six days. The finished issue is usually ready for posting about 25 days after copy had been lodged and checked.

Therefore, it will be seen how difficult the position becomes when late copy is received with a request that it be printed if at all possible. Both the Editor and the printer like to oblige at all times, but this is not always possible when late matter comes to hand. For instance, in the current issue advertising (from clubs) was received 12, 14 and 16 days after closing date. To endeavour to include such copy throws the whole system of production out of line and can, on occasions, make the issue late in the hands of readers. Clubs and advertisers generally are requested to remember that copy closes on first day of each month and unless the printer agrees, copy cannot be accepted any later than that period.

Several queries have been raised during the past month on the point as to whether a club can or may re-handicap a shooter in the middle of a programme. Any club (President, secretary or handicapper) may adjust a shooter's handicap on the spot and at any time if it is considered that the shooter concerned is under or over-handicapped. However, when making any such adjustment club managements should remember that any change must be notified to the Association within three days and the reason for the change outlined. In fact, any amendment to any shooter's

handicap is required to be notified to the Association within three days.

A northern club recently wrote the Association asking if "an official referee" was essential to officiate during the shooting of a District Championship. It is pointed out that whilst it is always preferable to have official referees operating, it is not absolutely essential, particularly when a club is situated in an isolated area. Frequently clubs have quite good and efficient referees available who have not taken the Referee Examination. Referees in this calibre, providing they have a complete knowledge of the rules and also know how to administer the rules, are quite satisfactory to take charge of a shoot. Such individuals should be encouraged to undertake the referee examination at the first opportunity.

## "Tips and Tails"

A new club has been formed at Swan Reach, via Bairnsdale, in eastern Victoria. The club has affiliated with the A.C.P.T.S.A. Officials are: President, H. McNamara; Vice-Presidents, J. Innis, J. Duffy; Committee, Messrs. C. R.

Morrison, W. Jarvis. Secretary of the club is K. Mooney of Swan Reach, Vic.

The Hawkesbury and District Gun Club (N.S.W.) at its annual meeting in July appointed Mrs. D. Thatcher as secretary of the club. Mrs. Thatcher succeeds J. Horrex, the formation secretary at Hawkesbury. The address of the new secretary is 62 Lennox Street, Richmond, N.S.W.

Another new club formation is that of the Liverpool Gun Club, N.S.W. The club has already affiliated with the A.C.P.T.S.A. and registered its shooting members. Club President is J. Dimarco, of 63/65 Scott Street, Liverpool, and secretary is John Williamson, Speed Street, Liverpool, N.S.W.

Congratulations are offered to Fred Blackman, secretary of the Townsville Club (Q.) on attaining his "majority". Fred has just completed 21 years straight as secretary of Townsville and is justly proud of the fact — especially as he only accepted the job in the first place on a "temporary" basis. Townsville has been singularly fortunate in that the club has had only three secretaries since its formation in 1914. The club has also been fortunate in having a friendly, energetic committee who work well together. Fred has, in recent years, had a very good "back-stop" in Oscar Crouther, who is assistant secretary of the club and Hon. Treasurer. Oscar is one of those co-operative sportsmen who just "drops into place" when required — his efforts on behalf of the Townsville Club have won warm approval.

Former President of the Horsham Club in north-western Victoria, Norman Beitzel, has now taken over the office of secretary. He reports that the club has been reformed, and the President is now Ern Smith of Pimpinio, on whose ground the club's traps are now situated. Beitzel's address is 66 Firebrace Street, Horsham, V.

The Alexandra Club in Victoria's north-central near mountain section, is going ahead with the installation of lighting for night shooting. The club expects to have one of the best installations in the southern State, with the best quality equipment. It should be quite a pleasant experience shooting under night lights in the crispness of the mountain air, during the summer months especially.

The much discussed question of whether it is advisable to open both eyes or use one eye only when shooting, it is noticed, has been mentioned in an English publication. One correspondent states, "When I, myself, started to shoot, I was told at the London Shooting School to close one eye, as there seemed to be some doubt as to which was the master. Again, quite recently, at the Badminton School, my instructor told me that it was of no importance whether I closed one eye or not, and that has since proved to be the case; I shoot equally well, or equally bad, using both methods. The point is obvious, surely two men who have been teaching people how to shoot for well over a quarter of a century must know their jobs pretty thoroughly, and neither of them had any objection to the closing of one eye, so surely the practice cannot be as fatal as some imagine. I believe it is a matter purely for the individual; what suits one man may very well prove disastrous for another." So much for using both eyes.

A recent report from the Upper Murray region around Renmark in South Australia reveals that hundreds of wild duck have been observed in unprecedented mobs wrecking vegetable gardens in the area. One report states that they cleaned up 10 acres of peas in one excursion, whilst in

another instance a patch of six acres was eaten out in one night. It appears that the ducks settle in shortly before dusk and methodically clean out each row. Approaches have been made to the authorities for permission to open the season temporarily.

Bruthen Club in far eastern Victoria will shoot on Saturday, October 19, commencing at 12.30 p.m. The club Double-barrel Championship and the Gippsland Skeet title will be main events on an interesting programme. The club has a splendid skeet lay-out and those favouring this type of shooting could easily enjoy a good day's shooting at Bruthen. Details of programme are as advertised. Enquiries to L. A. Rawlings, secretary, Box 13, Bruthen, V.

Coffs Harbour Club on the northern New South Wales coast will conduct a two-day shoot on October 18 and 19. On the opening day a series of double-barrel s'takes will be held. Commencing at 9.30 a.m. on October 19, a full programme, including the Northern Rivers Double-barrel Championship, is listed. Plenty of interest centres round Coffs Harbour, including first-class deep-sea fishing. Details are as advertised. Enquiries to G. D. T. Seccombe, secretary, Coffs Harbour, N.S.W.

Roma Club in south-western Queensland will stage an all-day shoot on Saturday, October 26, when the Queensland Deauville Doubles Championship and a £25 Handicap will be main interests. Good supporting events are also listed. Programme is as advertised. Enquiries to secretary, H. A. Scott, Merino Downs, Roma, Qld.

Newcastle (N.S.W.), with its spacious grounds at Burwood Beach off Scenic Highway, has arranged a big two-day programme for Friday, October 25 (commencing at 10 a.m.) and Saturday, October 26. The Newcastle and Hunter District Double-barrel title and a £40 Handicap are principal events on opening day. A 10 a.m. start has been arranged for second day, when the Commonwealth Single-barrel Championship for 1957 and a £75 Handicap will engage much interest. Full details of programmes on both days are as advertised. Enquiries to secretary, R. Morton, 4 Fawcett Street, Mayfield, N.S.W. (For accommodation, ring MW 1412.)

The Ungarra Gun Club in South Australia is another newly affiliated unit of the A.C.P.T.S.A. The secretary of the Ungarra Club is G. J. Schram, Ungarra, S.A.

The menace of starlings on fodder crops has recently been under discussion in Germany. It appears that ordinary bird scaring devices have failed, but that the installation of loud speakers and a recorded voice, speaking in a firm tone with occasional bursts of talking in a "raised" voice, has had the desired affect. Immediately the voice starts, the birds make off in haste, but return when the voice ceases to operate.

A moose, when mortally wounded, falls backwards on its haunches, whereas a deer falls forward.

Geese, whether feeding, or sleeping with head under wing, always keep an old bass-singing gander on guard.

Treasurer, E. R. Bertram, and Hon. Secretary is W. F. Duncan. The club reports finances in a healthy state. Plans are in hand to re-roof the clubhouse and fully enclose the members' room in readiness for the South Western Districts Championship on November 23. District interest in the club is good, and with the end of the football at hand, club officials feel that good attendances can be expected during the warmer months.

Footscray Club (V.) will conduct a Charity Shoot in aid of Spastic Children on Wednesday, October 9. The club will also shoot on October 12 and 26. The Metropolitan Deauville Doubles title is listed for decision on October 26. Details are as advertised. Enquiries to Lindsay Pollard (secretary), 7 Murray Street, Thornbury (Phone JJ 3052).

The Coolah R.S.S.A.I.L.A. Gun Club (N.S.W.) will conduct an all-day shoot on Saturday, October 19. On October 26 the club will stage another of its popular 45-bird events under double-barrel conditions, with 1st, 2nd and 3rd trophies for all yardages between 16 and 21 yards and over. Warracknabeal Diggers' Gun Club, situated in the Victorian Wimmera area, is holding a shoot on October 26, the proceeds of which will go to the Wimmera Legacy Appeal. Members of the Warracknabeal Club are anxious to ensure that a good muster of shooters turn up and thus provide a fitting contribution to this worthy fund. Enquiries regarding the shoot should be directed to Charlie Ricketts, secretary Warracknabeal Club, Box 159, Warracknabeal, V.

"The danger of an automatic does not lie in the gun itself, but in the man behind it." These words were written to an English paper some time back and seem appropriate to the whole case of repeater or automatic. An automatic of any kind is a good weapon technically for the right user.

Birchip Gun Club in the Victorian Wimmera district will shoot the Birchip District Single and Double-barrel Championships at Birchip grounds, Saturday, October 19. The club will also shoot at night. A good supporting programme for complete series has been arranged, and district shooters should enjoy a first-class sporting occasion. First prize in the double-barrel event is a fox-skin rug

valued at £35, a unique trophy. Full details are as advertised. Enquiries to H. G. Taylor (secretary), Birchip (Phone 61).

One of my cookery books says that wild duck "can only be roasted". Nonetheless, for a special occasion, coupled with a not-so-tender bird, wild duck a la Bigarade is a good recipe.

**Wild Duck a la Bigarade.** Prepare the bird and truss as for roasting, but instead of this braise it in a casserole until really tender. When cooked, take it out, cut into joints and put each on a slice of fried bread. Then pour over each some bigarade sauce, decorate with small pieces of orange and glaze cherries heated over hot water.

The sauce is made with 1 pint of brown stock, 1 oz. of margarine, 1 oz. of flour, a small onion, a little carrot and turnip for flavouring, 1 dessert-spoon of mushroom ketchup, salt, and spices. Melt the margarine and brown it, fry the sliced onion until it is brown, add the flour, stirring well. Then put on a low heat and pour in the stock. Bring to the boil, and boil for a few minutes, then add the other ingredients and simmer for half an hour. Cut the outside, coloured peel off an orange and shred very finely. Put this into cold water and bring to the boil. Strain the sauce, add the orange peel, simmer for another 15 minutes, and finally add the juice of the orange.

**Orange Sauce.** Many people prefer orange sauce to orange salad with their wild duck. Here is a simpler recipe. Beat together 1 gill of salad oil with one large tablespoon of made mustard until the consistency is like thick cream. Then add, gradually, half a gill of vinegar, 2 oz. of brown sugar and the juice and grated rind of an orange.

Overheard in a grocer's shop: "And a dozen best eggs, please, so that I'll have something to fall back on."

## 27,000 Wild Pigs Killed in Year

Wild pigs are so prevalent that in the past 12 months Balonne and Waggamba Shire Councils (Qld.) have paid out bonuses on more than 27,000 wild pigs killed in the two shires.

This kill represented an average of approximately 520 per week, or more than 70 per day!

A bonus of 2/- is paid on the production of the snout and tail of each pig destroyed.

In spite of this heavy toll, wild pigs show no signs of dying out. On the contrary, they have increased to such an extent that Balonne Shire Council is considering the introduction of a campaign, under which all landholders will be required to rid their properties of the pest.

The wild pigs have caused enormous damage on grazing and pastoral properties, by rooting up crops and killing young lambs and calves.

A grazier of the Meandarra district reported that in 10 months wild pigs had killed about 100 lambs and several fully-grown sheep on his property. During that period nearly 200 pigs were destroyed on the holding.

The pigs usually congregate in herds, with an old boar as herd leader. One old herd leader recently destroyed in the Goondiwindi district measured just on 6 ft. in length, stood about 3 ft. high at the shoulder, and had a six-inch-long snout, armed with a pair of razor-edged tusks, and turned the scales at 600 lb.

**NARRANDERA (N.S.W.).** — Narrandera Club conducted a shoot on Saturday, 20th July. Conditions were not 100 per cent and shooters' scores suffered accordingly. Shooters attended from Wangaratta, Myrtleford, Wagga, Ganmain, Grong Grong, Leeton, Barellan, Griffith and Tullibigeal, making a total of 40. The Riverina S.B. Championship was won by Alf Tyack (Tullibigeal) with the good score of 20/20. The Hudson Challenge Shield drew seven teams, and was won by Griffith, with 92/100, from Narrandera, 92/100. The Griffith team consisted of H. Sim, K. Sim, W. Gibbs, R. McNamara and E. Evans. The win was a popular win and is the first time that Griffith have held the shield, which always arouses a lot of interest.

**TOWNSVILLE (Qld.).** — Townsville Gun Club held a clay pigeon shoot at the club's grounds on Sunday afternoon, 18/8/57. Weather conditions were good, and although the attendance was below average, a good afternoon's shooting was enjoyed by those present. The principal event was the 12th round in a competition for a Browning Automatic Gun, and in this C. Sinclair was successful in winning the round after a shoot-off with W. Hughes and K. Miskin, to become the outright winner of this trophy. The trophy has been keenly contested for, and Sinclair's win was a popular one.

Rowland, 2nd. Trophy for 1st 25 birds: H. Pearson, 1st, 29/29; P. Goulden, 2nd, 28/29. Trophy for 2nd 25 birds: P. Goulden, 1st, 34/34; E. Hamilton, 2nd, 33/34. Sweeps were divided by nearly all shooters.

A lovely day drew shooters from Foster, Moe and Morwell, and Peter Goulden (Yarram) is to be congratulated on having a "real day out" with his fine shooting. Also H. Pearson, E. Rowland and E. Hamilton, who all shot well. Eric Rowland shot 50 straight. Good luck, Eric, you're on the beam again. A special note of thanks to the visiting ladies for helping with the afternoon tea. (Joyce Pearson, Hon. Sec.)

LUCINDALE (S.A.), 4/8/57. — Weather conditions: fine sunny day. No. 1, 5-target: A. Cooper, C. Barr, Miss R. Fowler, C. Hill, D. Height, A. McKenzie, S. Hocking, 5/5 (comp. div.). No. 2, 20-bird D.B. (£45 and Trophy): D. Height, 20/20; J. Woodrow, C. Barr, S. F. Grieve, J. Campbell, V. Chambers, 19/20. No. 3, 10-bird S.B. (£20 and Trophy): C. Barr, 10/10; A. McKenzie, W. Homfray, D. Height, V. Chambers, 9/10. No. 4, 10-bird D.B.: C. Barr, C. Hill, G. Height, 10/10, div. No. 5, 5-bird D.B.: C. Barr, Miss Fowler, G. Height, R. Hocking, R. Palt-ridge, 5/5, div. No. 6, Miss-out: S. Hocking, C. Barr, M. Elliott, C. Hill, S. F. Grieve, G. Height, D. Height, 7/7, div.

Shooters from Mount Gambier, Little Bool, Robe and Kingston attended our meeting and, under ideal conditions, saw D. Height win the main event (with trophy), shooting the only possible. Some nice shooting by C. Barr, 10/10, also won him the S.B. event. Many thanks to visiting shooters; hope to see you down this way again.

(W. G. Rivvett, Hon. Sec.)

COBURG (V.). — On August 10 we held the Club Double Rise Championship. The weather was unfavourable, and the attendance only fair.

As a pipe-opener shooters enjoyed themselves in a 3 pair Double Rise, and this was cut by Don Glover and Harry Belmore, 3/3.

The Championship came next. It was shot at 15 pairs, and the winner was Don Latham, who returned the good score of 15/20, with Cliff Ingbritsen second, with a pair less.

Roy Ayre took third prize with 11/15. The 16 yds. trophy went to Norm McKenzie.

Time permitted a 20 birds Double Barrel, in which three shooters cut with a score of 19/20. They were Norm McKenzie, Don Glover and Harry Belmore.

August 24 was a big day. The Drouin Club utilised our grounds for the holding of the Victorian Intermediate D.B. C'ship.

The winner was country shooter, L. Mitchell. It was his first championship, and was he pleased. He reckons Coburg is the best ground he has ever shot on.

We ran two 20 birders in conjunction with the Championship, and these were very successful.

In the first, over 50 shooters lined up. Being a cash affair, there was a compulsory division at the 20th round, and those participating in the cut were Don Glover, H. Duff, L. Mitchell, B. Bernal and J. Feehan, with 20/20.

In the second 20 birder, the locals were cleaned up properly. Visitors took all trophies with the exception of two yardage awards.

Harry Duff was the outright winner with 31/31. Gordon Arkinstall (30/31) was second, and R. Martin third with 28/29.

The yardage trophies went to:— 16 yds., A. Hedger (19/20); 17/18, G. Horton (26/

27); 19/20, L. Swain (19/20); 21 yds. and over, A. Kitchell (21/22).

It was a very pleasant meeting, and all visitors have promised to come again.

President Clem Mudford is making many friends in his new position, and is throwing himself wholeheartedly into his job.

The Grand Prix on Cup Day is attracting attention. The prize list has been well received, and we will have a big muster.

There are some attractive programmes ahead and we hope to do big things.

Things are going to move soon on the reconstruction of our grounds. We have suffered a dreary wait for Council work to be completed, but there is now daylight ahead.

Hope to see you at our shoots.

(C. J. Colledge, Secretary.)

FOOTSCRAY (V.), 3/8/57. — The club started its August programme with a High Gun H'cap, with yardage trophies; this was won by G. Dawson, 23/24; J. Bryant, 14/15, 20 yds. and over; C. Wilson, 15/16, 18/19 yds.; W. Hurlstone, 22/24, 17 yds.; H. Montgomery, 14/15, 16 yds. The first event, 5-bird Pts., went to W. Hurlstone, 39/42. These events were followed with Skeet.

17/8/57.—9-bird Skeet: F. Marion, 9/9; J. Bryant, F. Brown, div., 8/9. This was followed with 10-bird S.B., 5-bird D.B. H'cap. High Gun Trophy was taken by T. Rosewarne, 18/18; 20 yds. and over, H. Belmore, 17/18; 18/19 yds., J. Barden, 16/18; 17 yds., P. Pritchard, 12/15; 16 yds., D. Nicholls, 15/16. Both these days we had a good attendance and I regret that we had to cut the 10-bird D.B. to 5, but as light was running out, I had no option. Sorry, boys.

Advertised in this issue of the "News" you will find we are going to hold a Charity Shoot for the Spastic Children on Wednesday, 9th Oct., of which this club will donate the whole of the proceeds to this worthy cause. We at Footscray are proud of the fact that with your help we were able to raise £1,200 at the last shoot held for these children, and we need your support this time, even if you can't come along on that afternoon.

(Les Austin, President.)

Smith, G. D. T. Seccombe, W. Saul, div., 27/30.

Bad light and tricky winds made shooting difficult, so scores were not high. Frank Thurman scored the only possible for the day. Visiting shooters from Taree and Coffs Harbour were welcomed. A good roll-up of members, too.

(Mrs. Helen Kemp, Hon. Scorer.)

**CUNNAMULLA** (Qld.), 25/8/57.—Weather conditions: windy. Results: No. 1, 10-bird D.B.: W. Moody, 10/10. No. 2, 20-bird D.B.: B. Norris, 20/20. No. 3a, 5 sparrows S.B.: K. Newsham, W. Norris, 5/5. No. 3b, 10-bird D.B.: W. Moody, R. Heinemann, S. Stewart, L. Schmidt, N. Norris, 10/10. No. 4, 20-bird D.B. Sparrows: S. Stewart, T. Brian, N. Norris, tie, 18/20. No. 5, Club Mug (10-bird S.B.): 1st, S. Stewart in shoot-off with D. Webster, 2nd.

Very windy day. Not well attended, due to Exhibition in Brisbane. The meeting was made interesting by the introduction of sparrow shooting. Silent Walk-up and Double Rise, which were well received. Our "veteran" shooter, N. Norris, did well, and his son Brian also. Our popular President took off the Club Mug—a good win and shoot-off with Dave Webster.

(Reg Fraser, Sec.)

**BALMORAL** (V.), 24/8/57.—Weather conditions: perfect day. Results: No. 1, 5-bird D.B.: div. H. Smith, B. Mutch, O. Mayfield, V. Coates, C. Crawford, V. Porra, W. F. Duncan, 5/5. No. 2, 5-bird D.B.: div. G. Pern, E. Giddings, O. Mayfield, J. Beaumont, H. Smith, V. Coates, W. Davies, 5/5. No. 3,

15-bird D.B. Trophy: J. Beaumont, 16/16; V. Porra, 15/16. No. 4, 10-bird D.B.: H. Smith, G. Pern, O. Mayfield, V. Coates, R. Tink, J. Beaumont, 10/10, div. No. 5, 5-bird D.B.: div. H. Smith, E. Giddings, R. Tink, J. Beaumont, W. F. Duncan, 5/5.

Shooters from Willaura, Portland, Cavenish, Victoria Valley and Hamilton were in attendance. Football finals in the district deterred some shooters from being present. In ideal conditions only two shooters smashed the 15 targets in the trophy shoot. H. Smith (Portland) won Evans & Balfour's High Gun Badge for the day, 29/40. A good effort off 21 yards from J. Beaumont (Hamilton), also 39/40. Jeff missed his first bird in shoot-off. (W. F. Duncan, Hon. Sec.)

**CRESSY** (Tas.), 24/8/57.—Weather conditions: cloudy but fine. Results: No. 1, 5-bird Novice: div. W. Grey, J. Wilson, R. Keltz, P. Grey, 4/5. No. 2, 5-bird Open: div. K. Littlejohn, J. Tubbs, E. Powell, B. Waters, D. Garwood, J. Blake, R. Horton, 5/5. No. 3, Club D.B. C'ship: 1st, P. Marshall, 30/30; 2nd, J. Blake, 48/50; 3rd, E. Sharman, 47/50. No. 4, £25 D.B. H'cap: 1st, E. Powell, 15/15; 2nd and 3rd, div. K. Littlejohn, J. Blake, S. Marshall, P. Marshall, 14/15.

Paul Marshall again proved himself a real champion by taking the club title after a shoot-off with J. Blake, E. Sharman and R. Powell, the only shooters to score the possible over the initial round. Powell dropped out early, but the other two gave Paul strong opposition. Young Ted Powell shot brilliantly to win the Handicap, with the only full score. The Novice shoot attracted 11 entries,

and all performed well. Although none scored the possible, four divided with 4/5. Looks like some more champions are coming up. (R. Powell, Hon. Sec.)

**ECHUCA** (V.), 24/8/57.—Weather conditions: good. Results: No. 1, 5-bird D.B.: div. R. Grinter, R. Halsall, H. Gibson, A. Corry, 5/5. No. 2, 10-bird: div. R. Grinter, E. Brinsmead, 10/10. No. 3, 5-bird Walk-up: E. Brinsmead, 5/5. No. 4, 5-bird Auto: div. R. Halsall, R. Stagg, H. Gibson, 5/5. No. 5, 5-bird Auto & Driven: div. H. Gibson, R. Stagg, 2/5.

The first clay shoot for a while owing to various reasons, including 'flu—the attendance was down a little. However, an excellent day's shooting was enjoyed by all shooters. Variety was the pattern for the day, and some amusing incidents were witnessed. Nice to see two new shooters in John Adams and Alan Corry taking part and enjoying the day.

(Mick Briggs, Hon. Sec.)

**FRANKSTON** (V.), 17/8/57.—Weather conditions: fine. Results: No. 1, 5-bird: 8/8, div. B. Twyerould, G. Kirkham, I. Evans, W. Cramp, E. J. McLeod, L. Stevenson, M. Hamilton, S. Escreet, B. No. 4, 10-bird D.B.: 1st, G. Kirkham, 23/23; 2nd, N. Miller, 22/23. No. 5, 10-bird D.B.: 1st, G. Kirkham, 24/24; 2nd, W. Twyerould, 23/24; 3rd, B. McComb, 22/24.

Ideal weather conditions supported a good roll-up of 34 shooters. The club now has two traps working—thanks to our President, Bill Twyerould, and some members of the club. Congratulations to Geoff Kirkham, who was in top form and made his 50 break. Trophies for the Novice event were donated by Mick Hamilton and N. Pyland. Afternoon tea was served by the Ladies' Auxiliary. Many thanks to them.

(Iris Miller, Sec.)

**DROUIN** (V.), 24/8/54.—Weather conditions: sunny with slight wind. Results: No. 1, Vic. Intermed. D.B. C'ship (20-bird D.B. from 16 yds.): 1st, L. Mitchell (Moe), 50/50; 2nd, D. Davey (Morwell), 49/50; 3rd, G. Goulden (Foster), 38/40; 4th, D. C. Nicholls, 24/25.

Our State Intermediate D.B. Championship went off successfully with a good mustering. It was good to see so many Gippslanders taking the honours, as the results show. We wish to thank the Coburg Gun Club for their able assistance and co-operation. Special thanks to Clem Mudford and Cyril Colledge. (J. Watt, Hon. Sec.)

**ARAMAC** (Qld.), 11/8/57.—Weather conditions: fine and cool. Results: No. 1, 5-bird: 7 possibles. No. 2, 25-bird Pts. 3-2: W. Moyse, 1st; E. B. Barton, 2nd; D. Thorpe, 16 yd. **AUSTRALIAN** (V.).—Group contests were so popular on the July programme that the committee decided on a repeat for August, when enthusiasm for this class of programme was maintained. The event was shot from 16 yds. The 1st, 2nd and 3rd trophies for various grouped handicaps in the main event drew a big field and made the contest most

interesting. The long-shot division, 21 yds. and over, was won by G. Biggs from 16 yds. with a splendid 45/45, closely followed by R. Johns, 44/45, with our Olympic representative, Clem Mudford, also 44/45. In the 19/20 yd. group, R. Wood was successful with 44/45; 2nd, L. Swain, 49/51; 3rd, J. Meek, 48/51. The 17/18 yd. group was won by W. Abbott (Werribee), 53/56; 2nd, D. Richards; 3rd, E. Abbott, 43/48. The 16 yd. section was won by E. Thompson, 40/46, from T. Collins, 2nd, 39/46, with J. Stiff 3rd, 36/45.

Aug. 19 and another of the popular 45-bird group contests from 16 yds., with Don Glover, President of Keilor Club, doing an excellent job to win the rear markers' section with 100 straight. Don finished 1st, 109, from that noted stayer, Eddie Brenk, 108/109, with Andy Tie, 3rd, 76/77. K. Lowry won the 19/20 yd. section, 45/45, from G. Lund, 45/48, with R. Layton 3rd, 44/48. The 17/18 yd. section was won by G. Arkinstall (Drouin), 44/45, from B. Shepherd, 42/45, with W. Abbott 3rd, 44/48. 16 yd. was won by B. Bernall, 43/45; I. Porter, 2nd, 41/48, with J. Stiff, 3rd, 40/48.

(H. H. Ball.)

**HARCOURT** (V.), 24/8/57.—Weather conditions: good. Results: No. 1, 5-bird D.B.: F. Crimmean, B. Smith, T. Botten, H. Smith, W. Blakely, 5/5, div. No. 2, 10-bird D.B.: 1st, N. Hall, 19/19; L. L. Smith, 18/19; W. Blakely, 11/12; H. Smith, 13/14; T. Botten, 18/19; A. E. Smith, 12/13, div. No. 3, 10-bird D.B.: A. Ginnivan, 18/18; W. Blakely, 17/18; C. Mountjoy, 10/11; Novice, K. Roberts, 9/10. No. 4, 5 prs. D. Rise: W. Blakely, H. Smith, 4/5, div.

A very good attendance and conditions were good for shooting, and some very good shooting was witnessed by all present—25 in all. Six shooters divided the 5-bird D.B., 5/5, and six shooters shot off for the 1st and 2nd trophies: the sweep was divided on the 10-bird D.B. The 3rd event was won by A. Ginnivan after a shoot-off with W. Blakely, 2nd; C. Mountjoy, 3rd; sweep div. The Novice was won by K. Roberts, 9/10, and the ladies' prize went to Mrs. H. Kilby. A very enjoyable afternoon and some very keen shooting. W. Blakely divided in all sweepstakes and took second prize to A. Ginnivan. The ladies again supplied afternoon tea, and was well received by all.

(L. R. Pritchard, Hon. Sec.)

**DUNDONNELL** (V.), 24/8/57.—Weather conditions: fine and mild. Results: No. 1, 5-bird D.B. (comp. div.): 11 shooters div. No. 2, 20-bird H'cap (Pts. Dec.): 1st, M. Small, 59/60; 2nd, R. Grant, 59/63; 3rd, H. Waring, 57/63; 16 yd., K. Grant, 51/60. No. 3, 10-bird D.B. H'cap: div. R. Grant, N. Calvert, H. Waring, I. Morrison, K. Waring, 10/10.

Fine weather brought out a number of shooters from surrounding clubs; at times a south-easterly breeze made birds climb quite steeply. Shooting generally not up to usual standard.

(J. Malcolm Small, Hon. Sec.)

**COLAC** (V.).—Two Club Championships under night shooting conditions were decided on Saturday night, 17/8/57. The crisp, calm evening was ideal for shooting and some 30 guns competed. The club double-barrel, shot at 15 targets from 17-yd. rise, produced only two possibles—W. Stewart (Geelong) and W. Gange (Berrybank). In the tie shoot Bill Stewart powdered his five additional targets to run out winner, 20/20, to Wilf Gange's 17/20. Les Black, who has not shot clays for a longish period, won the 16-yd.

Due to cool and cloudy conditions and with the prevailing influenza, quite a number of club members and shooters could not participate in this important event of the club; however, the calibre of the shooting was excellent and in this respect Jack Headon's performance was outstanding. He finished up with high gun for the afternoon in shooting 50 straight. Other performers with the gun in Bill and George Headon showed improved form, and let's trust that their day is not far off.

(L. McKinney, Sec.)

Weather conditions were perfect for the regular monthly shoot. Terry Britt would be the most successful shooter. Congratulations, Terry, I don't think there can be much wrong with that gun. Please accept my apologies, chaps, for running out on you; I just had to cheer for the Bruthen boys in their last game of footy for 1957. A special thanks to Mrs. Roy Rawlings for the afternoon tea. Very nice the way those shooters' wives pull together.

NARRAWA (N.S.W.), 10/8/57. — Weather conditions: cold and squally. Results: No. 1, 5-bird: E. Reeves, H. Anderson, 5/5, div. No. 2, 5-bird: B. Gay, E. Reeves, J. Shepherd, 5/5, div. No. 3, 5-bird Trophy: H. Anderson, 5/5. No. 4, 5-bird Trophy and Sweep: H. Anderson, 4/5. No. 5, 5-bird: H. Anderson, T. Denning, A. Anderson, A. Frost, 5/5, div. No. 6, Box No. 1: A. Frost, 3/8. No. 7, Box No. 2: A. Frost, 4/5.

A bad day, with strong winds and cold, squally showers kept most shooters at home. Those that did turn up found the going hard and had to be satisfied with poor scores. Harry Anderson was the only one who was able to keep up his average. However, those present seemed to enjoy themselves.

(E. E. Reeves, Hon. Sec.)

WALLERAWANG (N.S.W.). — Conditions: cold. No. 1, 5-bird: W. Weinert, C. Hall, O. O'Brien, H. Weinert, 4/5. No. 2, 5-bird: A. Rowe, W. Weinert, C. Hall, H. Weinert, 5/5. No. 3, 5-bird Trophy Pt. Score: 1st, H. Weinert, 15/15; T. Rosconi, F.M., 20/20.

A good roll-up of shooters once again witnessed good shooting, and sweeps and trophies were evenly distributed. The main trophy event was run on the point-score system and this change proved popular. Harry Weinert was successful in winning this event, with Tony Rosconi carrying off the front-markers' prize.

(Mrs. J. Rowe, Hon. Sec.)

KATANNING (W.A.), 11/8/57. — Weather conditions: good. Results: No. 1, 20-bird Skeet: 1st, G. Downer, 27/31; 2nd, W. Makeham, 26/31; D. Hilton, R. Wainwright, 3rd. No. 2, 10-bird D.B. Pts.: C. Marsh (Kojonup), W. Makeham, G. Downer, div., 30/30.

Greg Downer won the handicap trophy after a shoot-off with Bill Makeham. Other good scores were D. Hilton and T. Young. Kojonup members visited us once again and contributed to a very enjoyable shoot, with 27 guns competing. Our ladies each planted a tree to beautify the grounds, and our thanks to them for a very nice afternoon tea.

Considering the weather conditions, attendance was good. Cold weather and a strong wind made shooting uncomfortable. Jim Griffin of Tathra club showed us once more what a consistently good shot he is by winning outright four of the five events for which he entered. Jim just recently went back a yard; seems he likes it. Roy Miller also shot very well; his name appears in five of the six events.

The State Championship of mixed birds seems to be very popular and drew a number of shooters from distant areas to compete. An enjoyable afternoon's shooting was had by all. The night events were also popular, and thanks to all those who assisted with the barbecue, and special thanks to those who donated chops for the evening, and to Shump the butcher.
