Programmes are to hand from Moscow (U.S.S.R.) for the 37th World Championship clay pigeon shooting series to be held in Moscow under the auspices of the International Shooting Union (I.S.U.) from August 17 to 26, 1958. In accordance with the I.S.U. Constitution, the competitions are open to shooters who are members of their respective National Federations affiliated to the International Shooting Union.

The World Championship competitions are as follow: World Championship, 200 clay pigeons—team competition. One team of 5 shooters from each country, 4 best scores to count. The individual title is best of 300 clay pigeons. It is understood that the individual title will be decided over the 200 targets in the team competition, plus 100. The result as shown in the team competition to count.

The World Skeet Championship is shot under similar scoring conditions. The team competition is at 100 targets, one team of four shooters from each country. The individual skeet championship will be shot at the 100 targets in the team section, plus 100.

Competitors are expected to arrive in Moscow not later than August 17. The shooting for the rifle competitions will take place on the Dynamo Range, which is 25 km. north-east of Moscow. For the clay pigeon shooting the Lokomotive Range will be used. This location is situated 18 km. east of Moscow and has a four-range installation each of 15 traps. Four lay-outs have also been installed for

skeet shooting. The shooting direction of the Lokomotive Range is north. Participating marksmen will be given the opportunity to practise at the Range three days before the official opening of the series.

The important question of controlled Sunday shooting has been mentioned in several quarters in recent months. One correspondent suggested that an approach to the necessary authority should be made on the angle of teaching the younger generation gun safety. Another suggests that controlled clay pigeon shooting on Sundays would be an answer to much of the current week-end delinquency which is apparent in most States. All will doubtless agree that man's oldest urge is to hunt, but it seems unlikely liberalising of the present laws in regard to shooting would do much to satisfy the urge referred to. One important point which immediately raises its head is the cost of shooting. Few of the younger generation of potential trapshots can afford to shoot more than once or twice in each month. Also the angle that supervised gun training would provide the youth of the country with suitable training for defence purposes would be unlikely to be accepted.

Only recently a club in another State (outside Victoria) has spent much time and money endeavouring to induce the local State authorities to relax the law to enable controlled Sunday shooting to be held, but the effort has brought very little success

or even interest in the club's efforts. Controlled Sunday shooting at clay targets would be a most desirable outlet and create great interest amongst followers of the sport, but present indications are that the task of gaining the confidence of State authorities is a little beyond present organisation.

Several queries have reached the Association since the recent International shoot at East Burwood (Victoria) as to the reason why members of the Australian International Team (those who desired) were permitted to "shoot up" after completing their shooting for Australia in the International event. In fact, one enquirer stated that it was unfair to allow team members to "shoot up" in the Grand Australian Handicap once the first round had been completed. For the information of all interested, it is advised that there has been a long-standing by-law which permits Australian International Team members to "shoot up" in any event after completion of the

International contest. Many consider it unfair that a shooter shooting for his country should be debarred from "shooting up" in a following event or one being held at the same time as the International. This year many more than usual nominated for the Grand Australian Handicap after finishing the Australian section of the International Match. In past years the majority have found that their marathon effort of shooting at 110 targets under International conditions has proved sufficient for the day. Many have complained of headaches, sore shoulders and similar ailments and have dropped out of all remaining events listed on the day's programme.

The 22nd Annual Report of the Association, together with the audited Statement of Receipts and Expenditure covering the period January, 1957, to December 31, 1957, is published in this issue. Both the report and statement were confirmed at the recent Annual Meeting of affiliated club delegates.

# Letters to the Editor . . .

Box 147, Cloncurry,  
10th March, 1958.  
The Secretary, A.C.T.A.,  
Box 2038 S, Melbourne.

Dear Sir,

I had the pleasure of being a visiting shooter to the opening of the Mary Kathleen Gun Club on Sunday, the 9th March. This club owes its formation to the keenness and hard work of one Mr. Fred McDonald; it was really an inspiration to see the effort which this one man has made in setting up and getting this club organised in such a short period. I am of the opinion that Mary K. will prove a very active club. Cloncurry Gun Club members are very happy to see this club formed, as the distance is only 40 miles through the hills on a bitumin road. Members from Cloncurry Club amounted to 12, and all enjoyed the shooting and hospitality which was really shown in a splendid manner by Mr. and Mrs. McDonald and helpers.

A steak barbecue followed, each shooter cooking his own steak over the coals. Popular Cloncurry Gun Club members, R. C. Katter and Lou Hasted, did the honours for themselves and others with great slabs of steak on No. 5 shovels, while we wives looked on and realised we can leave our husbands to cook the Sunday's dinner while we ladies do the shooting.

It was a great thrill to myself to know I will not be the only lady shooter, as Mrs. McDonald showed promising form, and Mrs. Ken Tyler, who will also shoot with me when she gains her self-confidence. We all wish the Mary K. Gun Club every success.

Thanking you,

Yours faithfully,

Mrs. E. LEMMON,  
(Cloncurry Joint Sec.)

Secretary at Aramac Club in Queensland, L. R. Mills, has decided to give up clay target shooting owing to an eyesight defect, which also means he is relinquishing the position of club secretary. Members at Aramac have honoured their secretary by making him a Life Honorary Member of club.

Townsville Club reports that at a recent shoot the Patron's Trophy at five birds was decided with shooters competing from the sitting position on the track. The amusement this caused can be well imagined.

New South Wales Gun Club, at Terrey Hills, just outside Sydney, advertises its regular club shooting dates as Saturday, May 24, and Saturday, June 21. The club also hold night shoots every Wednesday evening, commencing at 7 p.m. Enquiries to A. J. Sailer (secretary), 90 Milsom Road, Cremorne, N.S.W.

A new affiliation with the Association is the Orange R.S.L. and Citizens' Gun Club, at Orange, N.S.W. Secretary of the new formation is A. O. MacGillycuddy, of Box 50, Orange, N.S.W. Other officials of the club are: President, C. H. G. Spencer; Hon. Treasurer, J. B. McDonogh; Vice-President, J. Brennan; Captain, W. J. Harris, and Referees, O. Roberts and W. J. Harris. The club shoots on every third Saturday in each month and its location is the Orange Rifle Range.

A Victorian shooter, recently sent a reminder regarding his 1958 registration fee, replied, "I forgot about this until I got my beaut Shooters' News. Best of luck."

Muttaborra Club (Queensland) will shoot the Central Queensland Double-barrel title and the similar Deauville Doubles Championship on the succes-

sive dates, September 20 and September 21. Other events will be held on each day, time permitting. Preliminary notice of the fixtures are as advertised. Enquiries to N. W. Collier (secretary), State School, Muttaborra, Qld.

Burdekin Gun Club, at Ayr in Nth. Queensland, will shoot the North Queensland Tower Championship on Saturday afternoon, May 24, 1958. The club has arranged "high tea" on the grounds and will continue with a night shoot. On Sunday, May 25, the Queensland Double-barrel Championship is listed as main item of interest. A Breda Handicap, with first prize a Breda Automatic (Ventilated Rib) is included, plus a £50 Handicap. Altogether a first-class programme, details of which are as advertised. Enquiries to club secretary, L. J. Ashworth, Box 125, Ayr, N. Qld.

W. H. Macartney has been appointed secretary of the Quilpie Gun Club in southern Queensland. His address is Box 42, Quilpie, S.W. Qld.

A Colac (Victoria) report indicates that the local club and townspeople are very proud of their district representatives who recently gained places in the 1958 Australian International Team, in the persons of Don Corstorphane, secretary of the Colac Club, and Jim O'Donnell, who, although he lives at adjoining town of Camperdown (V.), is always accepted by the Colac folk as a "local" boy. The Colac "Herald" has made much play of the success of these two shooters, which has proved excellent publicity for the sport and the Colac Club—so much so that the Colac Club recently enrolled quite a bunch of new shooters.

Coburg Club (V.) advertises particulars of its big shoot in May, when the new event, known as the Coburg Cup, at 60 targets, will be held. This interesting competition provides for properly regulated graded shooting, when no less than five grades will be introduced. A grade will be the 12-16 yarder, B grade the 17-18

In the A grade the shooters will shoot from 14 yards, B grade from 16 yards, C grade from 18 yards, D grade from 20 yards, and the E section will shoot from 22 yards. The outright winner will receive an inscribed Cup and trophy valued at £35; trophies will be awarded down to fifth position and the best scorer in each division will receive a trophy valued at £5. Altogether a very interesting event and one that should attract a big field. The club will also shoot on May 3 and May 31, when the Metropolitan Double-rise title is main event. Full details of events on each day are as advertised. Meanwhile enquiries to C. J. Colledge (secretary), 12 Adler Grove, Merlynston, N.14 (Phone FL 4835).

A remarkable performance during the recent Association shoot at East Burwood was put up by the St. Arnaud (Victoria) shooter, Joe Wright. Wright is a brilliant all-round marksmen. Just prior to shooting in the Association fixture, Wright had spent a week shooting in the Victorian Queen's Prize rifle shooting meeting at Williamstown (V.). He came straight from .303 to the 12 gauge at East Burwood, and went within 1 point of tying with Newton Thomas and Andy Tie in the National Double-barrel Championship. In this event Wright had only to stop his final target with the first barrel to be in the tie shoot, but after being slightly baulked he broke it with his second and thus dropped one below the tieists. Wright's effort with the .303 and 12 gauge is all the more remarkable when it is noted that his left hand has been smashed (the result of being caught between the buffers of two railway trucks) and he merely rests the gun on the end of his left wrist.

Another who similarly shot through the Queen's Prize meeting at Williamstown and then shot on through most of the Association fixture at East Burwood was W. (Bill) Richardson of Casino, N.S.W. Bill Richardson was right up among the leaders in one of the last interstate Queen's Prize shoots. He worked hard on his .303 at Williamstown, then hurried

out to Burwood. Richardson, who is Clerk of Courts at the Northern Rivers town of Casino, is a real shooting enthusiast and is well known in many centres of New South Wales where his professional duties have taken him—in most places where Bill Richardson has been stationed, a clay bird shooting club has developed.

The Victorian section of the Interstate Teams' Match will be held on September 6 at Coburg grounds, under the supervision of the Coburg Gun Club. Previously it was announced that this event would be shot at Coburg on September 13, but an error in calculation of shooting dates was made by the club. Also the Victorian Double-barrel Championship, listed at Coburg on October 25 previously, will now be shot on November 1.

Most field shooters have had out of the ordinary remarkable shooting experiences, but a report from abroad reveals an unusual grassing of a snipe. It has often been heard that "a shooter could have knocked them over with his gun barrel", which is exactly what happened in the present case. On Boxing Day, while shooting snipe in Kent (England), a shooter and his son were out on a marsh. The son fired at a snipe which "jinked" and then flew directly at the father. As it passed at head height the latter was able to knock it on the head with the end of his gun barrels. The bird was later carefully plucked and found to be quite untouched by the shot. Its only wound was a badly bruised skull.

It is not often that we mention museums in this column, but a report from the Netherlands Information Service states that the establishment of museums in Holland devoted to hunting and wild life is contemplated. At present there are over 200 museums scattered throughout Holland, covering almost every subject from archaeology to zoology, from windmills to fish, and from taxation to objects found on the bottom of the Zuyder Zee. The new projects promise to be something out of the ordinary and will include historical hunting weapons, dioramas of forest and field, paintings of hunting scenes and a wide variety of exhibits showing every phase of nature in its wild

We are indebted to the interest shown in this publication by Charles Loughland, a veteran member of the staff of Evans and Balfour Pty. Ltd., of Melbourne, who has come up with a booklet titled "The Dead Shot", published in 1860. The book is, as already mentioned, "The Dead Shot" or alternatively the "Sportsman's Complete Guide, being a treatise on the use of the gun" by a writer carrying the caption of "Marksman". The book was published in the old muzzle-loader days and was first brought to public attention in 1860 by Longman, Green, Longman and Roberts of London. Despite the fact that it is 98 years since the book was published, much of the matter contained in it still stands as worthy of comparison with present rules and regulations for both safety and field and trap shooting. A few passages from the publication follow: "Generally speaking, after a day's shooting,

a gun requires cleaning, but if pure gunpowder and greased felt waddings are used in loading, these will be found to prevent accumulation of foulness in the barrel. Use cold water first in washing out the gun after shooting, then finish with hot water—not boiling water, but just as hot as the hand can bear." "When looking for snipe, walk steadily and silently, with the eye ranging well in advance. Always work down-wind when in search of snipe, because, on being disturbed, they fly up-wind, and so pass to the right or left of the sportsman, within fair range. The common snipe is an extremely watchful bird and a sportsman must tread the marsh lightly as a fairy if he hopes to get within ten yards of it." Referring to rabbit shooting, the extract says, "Rabbit shooting, if not good sport, is unquestionably capital fun. Young sportsmen are particularly fond of it and it is very good practice; as it teaches them to 'look sharp' and be quick in handling the gun. Those only who have seen

The Australian Club at East Burwood (V.) will shoot on May 3, May

10, May 17, May 24 and May 31; 45-bird events are listed for May 10 and May 24, with many yardage awards on each day. These are a very popular type of event and usually attract good fields. Skeet shooting will be main feature on May 3, 17 and 31. Programmes are as advertised. Enquiries to A. H. Brenk, Dickens Road, Olinda (V.) (secretary), Phone Olinda 229.

## 22nd ANNUAL MEETING

The 22nd Annual Meeting of Affiliated Club Delegates took place in Scott's Hotel, Melbourne, on Sunday, March 9, 1958, commencing at 10.30 a.m. The attendance of club delegates was the largest on record.

**Auditor.** Mr. K. D. Courtney, the retiring auditor, of Temple Court, Collins Street, Melbourne, was re-appointed auditor to the Association.

**Notices of Motion.** Several Notices of Motion for alteration to the Constitutional Rules of the Association were listed. One Notice of Motion from the Townsville Club, that the State of Queensland be zoned into three sections, with one appointee on the Executive Committee from each zone, was rejected. Similarly, two Notices of Motion from the Alexandra Club (V.), requesting that each State be zoned, and also that Executive Committee representation for each State be at the rate of one member for each 20 affiliated clubs, were also rejected.

A total of sixteen notified resolutions were received for general discussion. Several of these were withdrawn without being discussed. A resolution that breaks be recognised only under the old system of "on or behind the shooter's handicap" was not accepted. Another, that the Association benefit from the bar and refreshment booths at the annual Association shoot, was also rejected (mention of this rejection, it is worth recalling that the Association benefited to the extent of £35/9/0 in commission from the 1958 series just concluded at East Burwood).

A proposal that a levy of 5/- be struck on all registered shooters during 1958 and 1959 in order to finance a team of Australian trapshooters to compete at the Rome Olympic Games was not accepted. Instead it was agreed that any question of finance in this regard should come from donations, preferably to a levy.

An important amendment carried at the meeting directs that clubs are in future required to advertise the value of the trophies to be presented in championship shoots. A proposal

to reduce the price of nominations in district championships was not approved.

The suggestion to make shooting harder in order to assist younger shooters was not carried. A proposal that all double-rise events be scored under points system of 2 points for a pair, one point for a single and nought for a complete miss, was defeated.

In future the Association Statement of Receipts and Expenditure, as approved by the Annual Meeting, will be published as soon after the meeting as is possible. (The 1957 Statement is published in this issue.)

The recommendation that badges replace sashes for championships was agreed to, following an earlier meeting of the Executive Committee. Probably these will come into force on January 1, 1958, following further discussion by the Executive Committee at its next meeting later in the year.

A request that the 16-yard minimum be re-introduced was defeated, as also was the move to introduce Olympic-type shooting into Australia.

The West Australian Clay Target Association was granted official status as the governing body in the State of Western Australia, subject to the rules and regulations of the A.C.T.A.

The election of office-bearers for the ensuing year resulted: President, John Houston (unopposed); Tasmania, Messrs. W. E. H. Rainbird and R. Powell (both unopposed); Queensland, Messrs. A. W. McIntosh, G. S. Martin and J. M. Tyquin (L. S. R. Stewart of Cunnamulla tied for last position in the Queensland section, but retired); New South Wales, Messrs. K. Soames Senr., Dan Mott, F. R. Hudson and R. R. Moore; Victoria, Messrs. A. Pedersen, E. G. Biggs, C. R. Fletcher and L. Doyle; Western Australia, F. Bailey; and South Australia, J. Woodrow; Hon. Life Vice-President, J. M. Wilson; Hon. Vice-Presidents, W. J. Hamran, Rex Miles (U.S.A.), L. P. Hughes and H. Rogers (England); Secretary-Treasurer, W. McCullough.

## 22nd ANNUAL REPORT

The 22nd Annual Report of the Executive Committee of the Australian Clay Target Association, covering the period January 1st, 1957, to December 31st, 1957, as submitted for consideration and approved by the 22nd Annual Meeting of the Australian Clay Target Association, held at Scott's Hotel, 444 Collins Street, Melbourne, C.I, on Sunday, March 9th, 1958.

**International Match.** The Eleventh International Match between teams representative of England, Ireland, Scotland, Wales, Canada, New Zealand, South Africa, Central Africa and Australia, again resulted in a clear win for New Zealand. Teams were 30 men a side, the best 10 scores to count, points scoring 3 and 2, were match conditions.

Australia, for the fifth successive year, was runner-up, being 16 points down on New Zealand's score. New Zealand totalled 2951 points, Australia 2935, England in third place aggregated 2902 points, then followed Canada 2880, Scotland 2863, Wales 2795, Ireland 2773, South Africa 2608, and Central Africa 2277.

High-gun for Australia was Leo Haseler of Clara Creek, Queensland. Haseler put up a remarkable performance, as prior to taking part in the National series he had had very little practice. His score of points was 297/300. Second equal high-guns were B. W. Hughes of Mingela, Queensland, Norman Milliken of Hay, N.S.W., Don Glover of Keilor, Victoria, and Newton Thomas of Melbourne, each with 295/300 points. These were followed by A. Hamilton (Dandenong, V.) 293/300, Alan Calvert (Dundonnell, V.) 292/300, H. T. Siddons (St. George, Q.), Neil Frith (Launceston, Tas.) 291/300, and the 1956 Champion of Champions Cup winner and Olympian, C. G. Mudford (Preston, V.), each 291/300. High-gun for the entire match went to the New Zealander, C. Hartley, with 299/300 points.

**Interstate Match.** The 1957 Interstate Match for "The Great Britain

and Ireland Trophy" was won, for the first time, by Tasmania. Many congratulations were extended to Tasmania on the success of its team, particularly as it is remembered that Tasmania is the smallest of the Australian States, and consequently has the smallest number of shooters to call on.

Match conditions in 1957 reverted to the usual 50 targets per man from 16 yards, double-barrel, both barrels equal value. The winning team aggregated 486/500, followed by South Australia 485/500, Victoria 471/500, New South Wales 469/500, Western Australia 468/500, Queensland 467/500. Possibles of 50 straight were recorded as follows: Tasmania, W. Tubb, R. Hortin and H. Eddington; South Australia, A. Hammer and K. Mules; Victoria, H. Pearson and D. Glover; New South Wales, M. Burgess; Western Australia, T. Halbert, and Queensland, W. R. Raymond.

In connection with the Interstate Match the Association is again appreciative of the financial assistance given to the match by Imperial Chemical Industries Australia & New Zealand, Limited. The Company mentioned donated the sum of £150 towards the expenses in connection with the match. Thanks are extended to the Company for its worthy interest and support.

**Champion of Champions Cup.** The 1957 Champion of Champions Cup, which was shot on the grounds of the South Coast Gun Club at Southport, Queensland, was won in brilliant fashion by R. Faunt of Sydney (N.S.W.). A good class field competed and Faunt was one of five who tied over the 60-target schedule of the event. Ultimately Faunt won 84/85 from the 1956 winner, C. G. Mudford, of Preston (V) 82/85 and L. Berryman (Tottenham, N.S.W.) 82/85, D. Glover (Keilor, V.) 78/80, and D. York (Quirindi, N.S.W.) 68/70.

The minor events of the series, which was held over the dates June 17 to June 21, resulted: National

Single-barrel Championship, 40 targets from 16 yards, single-barrel, J. Raleigh (Clara Creek, Q.) 89/90, C. G. Mudford (Preston, V.) 88/90, D. Cassin (Tamworth, N.S.W.) 57/60, G. Elliott (Cowra, N.S.W.) 48/50, L. Price (Dalby, Q.) 47/50. Trophy awards went down to 15th place, plus sectional awards. National Double-barrel Championship, 60 targets from 16 yards, both barrels equal value. From the top 30 scorers in this event the Australian 1957 International Team was automatically chosen. Victory went to A. Hamilton of Dandenong (V.) with the good score of 180/180 points. (The event was held under points scoring system of 3 and 2.) Runner-up was J. York (Quirindi, N.S.W.) 254/255 points after a series of tie shoots to decide placings. Then followed D. Cassin (Tamworth, N.S.W.) 252/255, Leo Haseler (Clara Creek, Q.) 223/225, C. Barnes (Mildura, V.) 222/225, J. L. Nunn (Boonah, Q.) 193/195, B. W. Hughes (Mingela, Q.) 192/195. The prize list was similar to the National Single-barrel Championship decided on the opening day. The Club Teams' Championship, shot in conjunction, was won by Coburg (V.), 353/360 points. This team comprised C. G. Mudford, A. C. Tie, D. Glover and A. Hamilton.

On the evening of June 19 the first Australian National Double-barrel Night Championship was held, and this continued almost to midnight. The winner was T. Clarsson of Warwick (Q.) (after tie shoot) 75/75, from T. E. Stone (South Coast, Q.) 74/75, with J. R. Bushby (Narrandera, N.S.W.) in third placing 64/65.

The Ninth Grand Australian Handicap, the 11th International Match, with the Commonwealth Teams' Match shot in conjunction with the big Handicap, comprised the programme on Thursday, June 20. As mentioned earlier in this report, Leo Haseler of Clara Creek (Q.) gained high-gun honours for the Australian Team with 297/300 points. The Grand Australian Handicap was won by T. Clarsson of Warwick (Q.) with 64/65, from R. W. Moore (Roma, Q.) 63/65, R. Hannah (Blackall, Q.) 54/55, G. D. Seccombe (Coffs Harbour, N.S.W.) 54/55, Doug Smith (Charleville, Q.) 54/55, G. Gleeson (Wilcannia, N.S.W.) 49/50, the remaining places

(7th to 13th) were divided. The Commonwealth Teams' Match was again won by the Coburg Club combination with a score of 171/180.

June 21 saw the final day of the fixture, when the time-honoured Champion of Champions Cup at 60 targets from 20 yards was the big interest. Five tied and after a lengthy tie shoot the winner was R. Faunt of Sydney, 84/85 (as mentioned earlier). A £100 Handicap shot during the series was cut by no fewer than 41 shooters after the Association decided to raise the prize money to £205.

Thanks are extended to the South Coast Club for its co-operation in placing its facilities at the Association's disposal during the shoot.

**Congratulations.** Congratulations are extended to all winners of Commonwealth, State and District Championships shot at the various clubs throughout the Commonwealth during the year, under the Association's rules and conditions.

**Affiliated Clubs and Registered Shooters.** The total of affiliated clubs at 31st December, 1957, was 254, seven up on the previous year. The State totals are made up as follows: Victoria 98 clubs and 2253 registered shooters, New South Wales 69 clubs and 1424 registered shooters, Queensland 48 clubs and 1205 registered shooters; the other State totals are as appended: South Australia 16 clubs and 298 registered shooters, Western Australia 12 clubs and 482 registered shooters, Tasmania 9 clubs and 171 registered shooters, New Guinea 1 club (5 shooters). In this connection we are pleased to welcome the affiliation of one Northern Territory club, with 16 shooters, at Alice Springs.

**Life Registered Shooters.** Names of those now recorded in this section follow:—

"News". The Association's official organ, "News", has passed its tenth year of publication and is now well established. In recent months well over 5,000 copies per month have been issued. Finances in connection with publication have to be carefully watched, as every increase in either basic wage or postage tends to increase the cost of production.

**Thanks and Appreciation.** Appreciative thanks are again expressed to all donors to the Association funds. Also special thanks are extended to all those who have co-operated and assisted during the Association shoot and generally helped the Association.

Recently retired President of the Association, Jock Wilson (right), is presented with handsome tea and coffee service by senior Executive Committee, Bill Rainbird. John Houston (President) is speaking on the P.A. system.

**OUT OF THE PAST****Twenty Years Ago**

"The Master of Down-the-Line Shooting", such was the caption which appeared in the now long forgotten sporting newspaper "The Referee", referring to the win by Horace G. James, who has long used the non-de-plume of "Duxbac", in the special 100-bird Anniversary Clay Pigeon Championship, staged on the grounds of the National Film Studios at Pagewood (Sydney) as part of the festivities in connection with Sydney's 150th Anniversary Celebrations in April, 1938. This event, arranged by the Australian Restoration and Acclimatization Society of New South Wales, drew what was described "as the biggest field with one exception that has ever faced an automatic trap in Australia". Every State and New Zealand provided entrants. "Duxbac" (in the draw for positions) was the fourth man drawn and took up his place in the first squad. He also missed his fourth release. He missed again on the 22nd round. Meanwhile the Sydney veteran, Luke Hughes (still a regular competitor in major Sydney and Melbourne shoots), shooting with plenty of confidence, singled out from the rest of the field and ran up to the 40th round with a clean score. "Duxbac" was lying second, 38/40, with E. A. (Ted) Holmes of Moree, N.S.W., next, 37/40, with others the late Bob Ferris (then of Kyneton, V.), "Harrison" (Reg Ilett, Oakleigh, V.), and Alf W. Hall (now of Berri-willock, V.) next, each with 36/40. At this stage of the proceedings the management of the shoot called a halt and shooting was suspended for the day.

Resuming the following morning, Hughes reached his 50 with an unblemished score. "Duxbac" again began indifferently and missed his 49th release, whilst Holmes picked up and was equal second with "Duxbac" after 50 rounds, each 47/50. Hall was next, 46/50. The ultimate winner, "Duxbac", although missing his 56th and 79th targets, held on, and finishing resolutely, ran out winner 95/100. Hughes fell away after the 50th round, missing his 55th, 59th, 60th, 67th, 69th, 73rd and 79th targets as well as two in his final 20, finishing equal second with E. A. Holmes (Moree), each with 91/100. "Calrossie" (J. W. Sutherland) came from the ruck by shooting 56/60 on the last day and finished up 4th, 89/100. A. W. Hall, "Harrison" and Bob Ferris each aggregated 86/100 and finished together. Next was W. (Bill) Rainbird of Launceston (Tas.), who stopped 84/100. A special handicap shot in conjunction with the Championship was cut by M. J. Fuller (described as a 13-year-old school-boy, now the head of Fuller's Firearms Company of Sydney), A. Waters (Roseville, N.S.W.), A. E. Poxon (Launceston, Tas.), F. Holland (N.S.W.), and J. Bryant Senr. (Blackburn, V.). Waters won the attached trophy—he is a former President of the N.S.W. Gun Club at Terrey Hills. Fuller won the £5 prize for the "best junior".

## Ten Years Ago

Shooting in the Australian International Team of 1948, J. A. McCraith of Essendon (V.) gained high-gun honours with the good score of 98/100. He was followed by H. R. Donnelly, 96/100, and E. G. Biggs, 94/100. These three cut the attached sweepstake exclusive to the International team members.

Shooting in the Commonwealth Tower Championship at the Coburg grounds (V.), victory went to the late Ray Chandler with the solitary 20/20 score. Chandler was a committeeman of the Coburg Club and a very popular official. Second place went to W. R. Johns, 54/55, after a tie shoot; the 14 yarders' trophy went

to D. Watson (presumably the veteran Dave Watson). At the Camberwell shoot Gavin Daniels of the R.A.N. and Bert Goodear shot out a tie shoot which went to Daniels. G. R. Cummins was third.

## AROUND THE CLUBS AND MEETINGS...

COBURG (V.).—Having foregone our shoot because of a clash with the annual Association fixture, March 22 was our only shooting day for the month.

There was a fairly good muster on this occasion. Proceedings commenced with a 10 birds Points affair, in which Con Morley (30/30) returned the only clean score. Roy Kilkenny and Joe Fewster cut second and third with a score of 29/30.

The main item of the day was a 20 birds Mixed Marks affair—5 from 12 yards, 5 from 16 yards, 5 from 20 yards, and 5 from handicap marks.

Again only one shooter went right through without mishap. This was our consistent vice-president, Ray Hering. His well-executed 20/20 naturally took first prize.

Drouin shooters Tup Pedersen (28/29) and Gordon Arkinstall (27/29) took second and third places respectively.

It was noticeable how the back-marks fumbled a bit on the forward marks.

The 12 to 16 yards trophy went to Roy Kilkenny with a score of 25/27.

There was another 20-birder provided, this time from handicap marks. This event was for cash and at the end of 20 releases Con Morley and Alan French divided first and second cuts with 20/20 each.

Six others shot 19/20, and this was decided in their own way. Just who got the cash remains a dark secret.

Coburg again took the Club Teams Title at the Association shoot for the second year in succession. Our representatives—Clem Mudford, Don Glover, Andy Tie and Mick Hamilton—shot very well indeed, and we offer them our congratulations.

With all distributions at an end, we are now settling down to serious business. The Coburg Cup listed for May 17 has created a lot of interest and full particulars are published in our advert.

We are working on another novel shoot and when finalised we'll give you all the gen. In the meantime, come along and enjoy yourself.

(C. J. Colledge, Secretary.)

ALEXANDRA (V.).—Despite a very unpleasant day with some rain, and a cold night, the opening of night shooting lay-out was very successful, and visitors were present from Melbourne, Croydon, Yea and Mansfield. The Shire President declared the club open for night shooting, and was ably supported

by Cr. Sawers. The first official bird was neatly despatched by visiting shooter Bill Lonie of Croydon. Being a true Scot, Bill only used one cartridge. Fred Byers and Cal Hollow came along and both shot very well to score possibilities in the C'ship, together with Barry Doyle and A. Hedger. The tie shoot developed into a marathon between Cal and Barry, with Cal eventually winning the sash with the fine score of 105. Barry missed his last bird in the round to record 104/105. A pleasant surprise at trophy time was the presentation to the club by I.C.I., through Cal and Fred, of a very fine next-shoot notice board. All visitors praised the lights as the best they had shot under in any State. The club has installed seven 1500-watt lamps on one trap, plus two 500-watt lamps throwing light on the back marks, and the shooters generally. Club thanks to all who assisted, with a special mention for Herb. Peters of Mansfield, who, unable to shoot because of an injured hand, refereed all night in a very capable manner. As usual, the ladies provided a very welcome cup of tea and excellent supper.

No. 1, 5-bird D.B. (comp. div.): R. Stillman, W. Lonie (Croydon), I. Cumming, A. Hedger, I. Anderson (Yea), R. Hedger, L. Doyle, C. Cumming, A. McMillan (Mansfield), R. Williamson, F. Byers (Melb.), C. Hollow (Melb.), A. Evans (Mansfield), 5/5. Novice Section: J. McNair, J. Boote, 5/5. No. 2, Goulburn Valley D.B. Night C'ship: Sweep on each 10 birds, div. 1st 10, B. Doyle, I. Cumming, A. Hedger, A. McMillan, G. Cumming, W. Yeomans (Mansfield), C. Hollow, F. Byers, 10/10; 2nd 10, B. Doyle, R. Cumming, W. Lonie, A. Hedger, L. Doyle, I. Anderson, K. Cameron (Mansfield), R. Brown, C. Hollow, F. Byers, 10/10. Tie shoot between B. Doyle, A. Hedger, F. Byers, C. Hollow, 20/20; 1st, C. Hollow, 105/105; 2nd, B. Doyle, 104/105; 3rd, A. Hedger, 39/40. Visitors' Trophy: F. Byers, 34/35. Local Trophy (donated by Mt. Pleasant Hotel): div. I. Cumming, L. Doyle, G. Cumming, 19/20; 16 yd., R. Brown (Mansfield), 22/24; 12/15 yd., J. McNair, 16/20. (L. Doyle, Club Corresp.)

ALICE SPRINGS (N.T.), 9/3/58.—Weather conditions: strong gusty winds. Results: No. 1, 5-bird D.B.: G. Haines, J. Jackson, 5. No. 2, 20-bird D.B. H'cap (3 and 2): E. Smith, 56; B. Sutton, 52; G. Raabe, 51. No. 3, 10-bird Sliding H'cap: E. Smith, 9;

K. Warrington, 8.

Gusty winds made shooting at times very difficult. The main event of the day, the William Hudd Trophy, was very closely contested, some excellent shooting being produced. Club president Ted Smith, shooting off the back mark of 20 yds., narrowly defeated Bert Sutton. The third event, a Sliding Handicap, was commenced with all shooters on their handicap marks. This event also went to E. Smith, who was really shooting well, with 9 birds.

23/3/58.—Weather conditions: very strong winds. Results: No. 1, 5 sparrows: J. Pearson, D. Gerussi, B. Sutton, 5/5, div. No. 2, 20 sparrows off H'cap: B. Sutton, 15; J. Pearson, 14; G. Haines, 13. No. 3, 5-bird D.B. off fence: B. Sutton, 4.

Very strong wind made shooting extremely difficult. Bert Sutton, shooting consistently as always, had a field day. Bert recorded a very popular win in the main event, shared the honours in the eye-opener, and won the final event.

(K. Warrington, Hon. Sec.)

AUSTRALIAN (V.).—As a prelude to the International series the club held a shoot on Wednesday night and Thursday, March 6th. Many interstate men took part and got some solid practice, as events were shot across the four traps. A fine effort by J. Blake (Tas.) netted for him the Met. Night S.B. C'ship,

with the only possible in a big field, 20/20; W. LeStrange, 2nd, 24/25; Claude Dean (Wang.), 3rd, 23/25.

Commencing at 10 a.m. the following day, the Met. S.B. C'ship was disposed of, being won by J. M. McKenzie, 50/50. Eddie Brenk and M. Edlington then staged a marathon for places, Brenk finishing 2nd, 79/80; Edlington, 3rd, 78/80; 12/15 yd., D. Campbell, 17/20. Shooters evidently got their bearings in the following 20-bird Club S.B. C'ship, as 12 possibles were registered. H. Townsend, W. Ruddy, C. Dean, B. Addison, W. Johns, J. McKenzie, J. Conlan, L. Doyle, M. Doyle, J. Blake, N. Thomas. Newton Thomas, in fine form, won the C'ship, 45/45, from W. Ruddy (N.S.W.), 43/45; 3rd, H. Townsend (N.S.W.), 39/40. All events were shot from 16 yards.

March 19 (Night). 10-bird: div. M. Warne, Lonie, Brenk and Cyril, 10/10. A following 20-bird sweep was won by A. H. Brenk, 20/20; 2nd, M. Brown, Cyril and J. King, 19/20, and a 10-bird Walk-up by J. King and F. Thatcher, 10/10.

March 15 found our prior Secretary, Aub. Johnson, in fine fettle, winning the main Trophy event from the present Secretary, Eddie Brenk, with 3rd Trophy to A. French. A 15-bird Skeet was div. G. Biggs and A. Mansell, 12/15, while No. 3 event, a 15-bird D.B., was div. D. Harman, B. Shepherd and A. French.

March 29, and the Club Mixed Bird C'ship, with Tup Pedersen doing it again. With the only possible 20/20, Tup added this blue-riband event to his recent run of well-earned trophies. The man that can shoot 20/20 in Mixed Birds is indeed a champion, the competition being a real acid test, introducing as it does field conditions, double rise, single and double barrel. Places in this C'ship were won by B. Richards, 2nd, 19/20; E. Brenk, 3rd, 25/28; 12 yd., J. Hollingsworth, 14/28.

The opening 6 pr. D. Rise was won by F. Whitten, 5/6 pr.; 2nd and 3rd, div. R. Thom, T. Pedersen, A. H. Brenk, G. Biggs. R. Headon, F. Lucas, D. Richards, 4/6 pr. A 10-bird Sweep followed, with W. Laney, S. Power and P. Poole dividing, 10/10. And a final 10-bird Sweep was div. F. Whitten, G. Arkinstall, A. Mansell and J. Porter, 10/10.

(H. H. Ball.)

BANKSTOWN (N.S.W.), 22/3/58.—Weather conditions: fine with slight breeze. Results: No. 1, 10-bird (16 yds.): D. Scowcroft, N. Rogley, F. Hudson, J. Catt, C. Michaels, G. West, L. Hughes, R. Butt, A. Arrowsmith, 10/10. No. 2, Bankstown D.B. C'ship: M. Smith, 33/35; J. Catt, 32/35; W. Hanley, 26/27; A. Arrowsmith, best F.M., 25/38. No. 3, 10-bird Pt. Score: M. Smith, W. Hanley, 29/30; A. Arrowsmith,

28/30. No. 4, 10-bird D.B.: M. Fuller, F. Hudson, 10/10; M. Smith, 9/10.

With very good weather conditions, we held a very good shoot. Over 30 shooters attended to make the day a success for our Bankstown D.B. Championship, which was won by Mick Smith. We had quite a few visitors, including Messrs. Don Glover from Melbourne and Mitchell from New Zealand.

(L. Hourigan, Sec.)

BARANDUDA (V.), 19/3/58.—Weather conditions: ideal. Results: No. 1, 5-bird D.B.: S. Smith, G. Lamb, J. Thompson, C. Burdack, A. Bockman, A. Paterson, D. J. Dent, H. Chapple, L. Coombs, K. Boyd, D. Fugger. No. 2, 5-bird S.B.: S. Smith, A. Patterson, A. Bockman, W. Schubert, C. S. McConville, H. Kothe. No. 3, 10-bird D.B.: 1st, D. Fugger; 2nd, A. Burdack; 3rd, S. Smith; Op. Sweep, S. Smith, D. J. Dent, H. Chapple, L. Coulston, D. Gittings. No. 4, 5-bird Pts.: 1st, R. Waite; 2nd, C. S. McConville. No. 5, Teams: W. Schubert, L. Coulston, G. L. Cook, G. Atkinson.

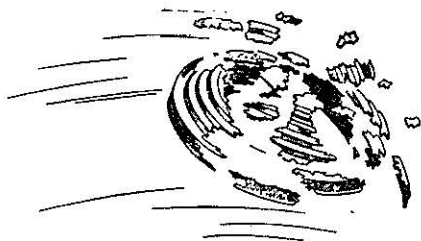

With mild weather conditions, the shoot was most successful and some particularly keen competition was noticed in teams events. Shooters attended from Myrtleford, Wodonga, Albury, Kiwa, Wangaratta and neighbouring districts. The club's next shoot will be held on 16th April.

(Miss Betty Schubert, Hon. Sec.)

After the shoot the Annual General Meeting was held, at which considerable concern was expressed regarding the financial position of the club and the fall-off of shooters over the last few months. However, a new committee was elected and very good suggestions were put forward by some of the members. The committee wishes to take this opportunity of asking all the older members who have not been attending of late, as well as any intending members, to come along to the next few shoots, when we will have some very interesting shooting.

The official opening of night shooting took place at Bessie Belle on Friday night, Feb. 28th, before a large crowd of spectators, while 50 shooters shot for the first trophy, which was a radiogram. There were quite a few other shooters who stood by and looked on. Congratulations must go to J. Campbell for winning this trophy, and to all the other shooters we say thank you.

The charity shoot on the Bessie Belle ground was held under cloudy conditions, but good shooting was seen at times. Congratulations to L. Perfect weather conditions saw about 15 clay busters on the job at Bright. Geo. Huggins had his usual fires going, as there was a nip in the air. Pres. J. Sharp presented the trophies, and the ladies put on the supper for all. A very good night's shooting. Thanks to all who attended.

(F. J. Hendrie, Sec.)

**BRISBANE (Qld.), 23/3/58.** — A perfect day, and everyone was delighted to see Pat Woulfe produce the best shoot he has ever done over the traps. He finished up with two trophies, including the Bauman Sterling Silver Cup, and a break of 53, which rather outshone Jim Willett, who also had a break of 52, and for both of them it was the first ever break of over 50.

It was a fitting tribute to J. M. Bauman, M.B.E., that this Sterling Silver Cup is presented to us on the eve of his retirement from active business in Brisbane, and a fine tribute to his sportsmanship that Judge Stan-

Alice Springs (N.T.) shooter J. Pearson at the National shoot at East Burwood.

ley presented this Cup after introductory remarks by the Treasurer of Queensland, Mr. Tom Hiley.

For the Cup, three men finished with 20 straight, Pat Woulfe eventually the winner, with Cliff Whitney and Jim Willett. Whitney was the winner of the Bauman Gold Cup at Southport, and was in a good position to get the double, but Pat's new under-and-over gun stood him in good stead to wear the other boys out. In the other 20-bird event, Pat Woulfe was first on Club H'cap, and high gun was shared by Jim Smith and Jim Willett, with 20 first barrels straight.

The day was thoroughly enjoyed by the 28 shooters present, and our thanks go again to the Pittsworth and South Coast boys, and it was good to see Allan Jarrett taking home a 14 yd. trophy.

(J. M. Tyquin, President.)

**BUTE (S.A.), 16/2/58.** — Weather conditions: cool and dusty. Results: No. 1: div. A. McIntyre, D. Fleetwood, H. R. Commons, D. Prescott, F. Nickels, K. Mules, W. A. Commons, J. Gill, D. Petherick. No. 2, State Mixed Birds C'ship: 1st, D. Fleetwood; 2nd, W. A. Commons; 3rd, D. Prescott; Novice, B. Jones. No. 3, 15 clays D.B.: div. 1st, H. R. Commons, F. Jones.

Although conditions were rather gusty, an excellent performance by Don Fleetwood enabled him to take State Mixed Birds C'ship, and a very nice display of snap shooting indeed! Also nice to see Brian Jones (Pt. Pirie Club) take the novice trophy. Evans & Balfour High Gun went to Don Fleetwood. Shooters will be interested to know that Bob Mules was beaten in State Championship by

his son Phil; no disgrace, Bob! Women are to be congratulated on serving afternoon tea under gusty conditions.

(F. H. Gill, Hon. Sec.)

**CASTERTON (V.), 1/3/58.** — Weather conditions: excellent. Results: No. 1, 5-target: A. E. Dehnert, 5/5. No. 2, 10-target: A. J. Baugh, 10/10. No. 3, 10-target H'cap Trophy: R. Gill, 44/44; 2nd, A. J. Baugh, 43/44. No. 4, 5-target: div. A. J. Baugh, T. E. Davis, 10/10.

Although attendance was very small owing to other district attractions, an excellent afternoon's shooting was had by all shooters present. We would like to congratulate our Club Vice-President, A. J. Baugh, on shooting his 50 break. He showed really excellent form, breaking 63/64 for the day's shooting.

(L. G. Koeh, Hon. Sec.)

**CLONCURRY (Qld.), 3/3/58.** — Weather conditions: very hot. Results: No. 1, 5-bird S.B.: K. Tyler, 5/5. No. 2, 15-bird D.B.: Pt. Score: D. Guerin, 1st, 44/45. No. 3, 20-bird D.B.: D. Guerin, 19/20. No. 4, 10-bird D.B. Walk-up: K. Tyler, 8/10. No. 5, 30-bird S.B.: D. Guerin, 29/30. No. 6, 15-bird S.B.: K. Andrews, 14/15.

The monthly shoot conducted by the club had a small attendance of 10 shooters, who thoroughly enjoyed themselves, although the weather was extremely hot. We have two new members; these gentlemen are a great inspiration to our club by their keenness and regular attendance and great sportsmanship. I feel sure they will rank among our locals in a very short time. It was a great pleasure to see Mr. Andrews win the final 15-bird

event, shooting 14/15. All members are busy practising to gain form for the Easter programme.

(Mrs. E. Lemmon, Hon. Sec.)

**COFFS HARBOUR (N.S.W.).** — At the Coffs Harbour Gun Club monthly shoot on Saturday, 3/3/58, several members of the Kempsey Club took part in the competition, with Pat Ryan winning the Trophy shoot and taking High Gun for the afternoon. Jack Smith and Dr. Marsh divided the Handicap, while Phil Sheridan, Kevin Ryan and Cec. Kemp shot well. H. T. (Boyce) Siddons of St. George was in good form and the club was pleased to see Cliff Bowden and Reg Hannaford back on the tracks. The day was bright and conditions were good, and a number of visitors took advantage of the pleasant afternoon to come out to the headland and witness the sport. Local shooters G. D. T. Seccombe, Bill Unwin, Dan Seccombe and Peter Thompson maintained their form and took part in the sweep divisions. G. D. T. Seccombe and Pat Ryan staged a good shoot-off for the trophy shoot, Pat winning on the ninth bird.

Results: 5-bird S.B.: Boyce Siddons, 5/5, 1st; P. Ryan, G. Blundell, W. Unwin, P. McDonald, G. D. T. Seccombe, P. Thompson, D. Seccombe, E. Wedgwood, 4/5, div. 2nd and 3rd. Trophy Shoot (15-bird S.B.): P. Ryan, 1st, 23/24; G. D. T. Seccombe, 2nd, 22/24; D. Seccombe, R. McLennan, div. 3rd,

**COLAC (V.), 5/3/58 (Night).**—Weather conditions: fine and warm. The Kanyana Handicap was won by club secretary, Don Corstorphane, at the Colac Gun Club's shoot under the floodlights on Wednesday night. The event comprised 30 clay targets from handicap marks for a purse of £30. The winner scored 40/40 after a tie-shoot with Ray Parker, 39/40, and Ron Storer, 30/31.

The pleasant, warm night brought out a good field of 44 shooters and resulted in good all-round scores. The three finalists led the field right through the shoot, and with full scores of 30/30, qualified for the purse. They decided to shoot it out and Storer unfortunately missed his first release. With accurate, steady shooting, the two carried on until Parker missed his 40th release, to take 2nd place. In the 12/16 yd. section Charlie Grist outstayed Eric Wisbey in a tie-shoot to win with 34/36.

The ladies served supper to the large crowd of shooters and their friends. Visiting shooters from Dundonnell and Geelong clubs contributed to the success of the night. There was a large crowd of spectators, who showed keen interest in the shooting. E. J. Robbins, one of the joint Kanyana secretaries, paid a visit to the club during the evening, and expressed the committee's appreciation of the co-operation being extended by the various clubs and other bodies in the town.

No. 1, 5-bird D.B.: div. B. Hutchison, N. Westwood, C. Fletcher, C. Grist, M. Small, V. O'Shannassy, S. Pyle, R. Dare, J. Muir, K. Walsh, E. D. Osborne, 5/5. No. 2, Kanyana H'cap (30-bird D.B.): D. Corstorphane,

40/40, 1st; R. Parker, 39/40, 2nd; R. Storer, 30/31, 3rd. C. Grist won the 12/16 yd. section, 34/36. Other good scores were: V. Greedy, M. Small, 29/30; E. D. Osborne, 28/30; B. Hutchison, T. Norman, J. Muir, G. Norman, 27/30.

**22/3/58 (Night).**—Weather conditions: fine, incoming breeze. Club President, Ernie Osborne, was the outstanding competitor at the club's night shoot on 22/3/58. He shot the full programme of 35 releases without a miss and won the Evans & Baifour High Gun Badge. There was a good field of 33 competitors, including visitors from Geelong, Barwon Heads, Dundonnell and Winchelsea clubs.

No. 1, 5-bird D.B.: div. S. McIntosh, J. Ford, E. Wisbey, M. Small, E. Osborne, D. Corstorphane, J. McClelland, 5/5. No. 2, 10-bird D.B.: possibles, W. Gange, B. Hutchison, H. Edwards, V. Greedy, E. Osborne, S. Pyle. The tie shoot resulted in B. Hutchison and H. Edwards div., 18/18. No. 3, 10-bird D.B.: div. J. Ford, E. Wisbey, E. Osborne, R. Storer, J. McClelland, 10/10. No. 4, 10-bird D.B.: div. H. Edwards, H. Walker, E. Osborne, G. Crosse, R. Storer, J. Moran, G. Norman, 10/10.

Barry Hutchison, a new recruit, continued to shoot well, whilst Bill Tucker, Arthur Neale and Basil Hickey missed that odd bird which kept them out of the divisions.

(D. Corstorphane, Hon. Sec.)

**COLLARENEBRI (N.S.W.), 1/3/58.**—Weather conditions: hot. Results: No. 1, 10-bird: R. J. White, 10/10; R. Doran, K. Badgery, 9/10. No. 2, 10-bird Point: K. Badgery, 30/30; R. J. White, G. Reardon, 29/30. No. 3, 10-bird S.B.: G. Reardon, 10/10; R. Doran, R. J. White, K. Badgery, 8/10. No. 4, 10-bird Point: R. J. White, 30/30; G. M. Buchanan, 29/30. No. 5, 10-bird Point: R. J. First shoot since summer spell opened with a very hot day and a small attendance owing to some of the most staunch supporters being unavoidably away. R. J. White was the biggest winner, shooting 48/50, using only one second barrel, the two missed being in the S.B. The club was pleased to welcome Walter Cutler as a new member and wish him success with the gun.

**22/3/58.**—Weather conditions: good, apart from flies. Results: No. 1, 10-bird: B. Hodgson, J. Adams, 10/10. No. 2, 20-bird Pt. Score: H. B. Grant, G. M. Buchanan, div., 57/60; R. B. Doran, 56/60. The afternoon was hot, the flies very bad, the beer was cold, a combination not making for possibilities. However, those two well-known sportsmen, G. M. Buchanan and our all-round champion, H. B. Grant, shot well with that long-promising new shooter, R. B. Doran, doing extra well for a 12 yarder.

(F. K. Badgery, Hon. Sec.)

Shooters from Taree and Coffs Harbour assisted in making the day a most successful and enjoyable one. The monthly trophy donated by Bill Saul was won by J. Goodsell in a shoot-off from J. Smith and P. Ryan. In the absence of President, Dr. Marsh, P. Sheridan presented the trophy and thanked the visitors for coming along. He stressed how essential these get-togethers were if the smaller clubs were to function successfully. W. Popple, a new shooter, is very keen and shows promise. J. Goodsell won High Gun for the day.

A perfect day, sleepy sunlight, everybody half-asleep except Arthur Hedger, who was the only possible in the trophy event. The aggregate 4 best scores over 6 shoots was won

very ably by hard-working secretary, Herb. Peters. Very excellent result, as today Herb. was at the shoot after a period in hospital after an unfortunate accident, causing loss of finger on left hand. Holtfreter, Herridge and Morgan, who are en route to Queensland's Gold Coast for a holiday, as well as several other interstate and country visitors.

The result was not apparent until the last batch of ten birds had been completed. F. Hudson shot his first 30 birds, R. Holtfreter and W. J. Ruttie each shot 28, and R. Gaunt 27 in their first three visits. However, as often happens, the uncertainty of shooting, which makes it so fascinating, R. Holtfreter had finished with nine kills in his last batch, making his aggregate 37. R. Holtfreter (Northam, W.A.) won sash and trophy, 37/40; F. Hudson, 36/40, 2nd; Bill Ruttie, 35/

**PERTH (W.A.).**—On Sunday, 30th March, 1958, the Perth Gun Club held its opening shoot for the 1958 season. The weather was ideal, it being a typical Western Australian bright, sunny day with a cool south-west breeze. The Skeet match provided some of the best shooting. After a lengthy shoot-off, M. Taylor ran out the winner, with Arthur Anderson 2nd and D. Cumming 3rd. Doug, shot 44/44, but the handicap finally dropped him to 3rd place. M. Taylor, 46/48, and A. Anderson, 42/48. 17, 18 and 19 in the first 20 were common, and we think Perth this year has the potential for a mighty strong skeet team. F. Bailey won the D. Rise, with J. Conlon, 2nd; R. Alexander, 3rd. The S.B. was won outright by J. Conlon; R. Alexander, 2nd; D. Cumming, 3rd.

Afternoon tea was served by the ladies, and all voted it quite a successful day. The new club grounds are going ahead like wild-fire and it is expected that shooting will commence there towards the end of April. The plans Perth Gun Club have will make this new shooting ground one of the best in Australia and, from the comments of our old hands, one of the best in the world.

**POINT COOK (R.A.A.F. (V.)).**—The club held its first shoot on 2nd March, 1958, and the Air Officer Commanding, Air Commodore W. H. Garing, C.B.E., D.F.C., and officers of Point Cook invited members of various Gun Clubs to attend. The aim of the shoot was to enable prospective members of the R.A.A.F. Inter-Service Team to gain valuable competitive experience. They benefited greatly from the advice and assistance given by the visiting shooters.

The event consisted of 20 birds shot at five per visit to the shooting station, off handicaps. Fifty-seven competitors nominated, and despite overcast conditions and a strong, gusty cross wind, F. C. Johnson showed unruffled concentration to win with the possible score of 20/20. Trophies were presented by the Point Cook Gun Club for 1st, 2nd and 3rd, and also for the highest scoring serviceman. Horrie James kindly presented a trophy for the runner-up in the servicemen's section. An interesting side event to the afternoon's shooting was an unofficial teams' match between Camberwell Gun Club and an R.A.A.F. team. This was keenly contested, with Camberwell emerging victorious. The "high gun" trophy for this event was kindly presented by the Camberwell team.

A splendid day was climaxed by a generous gesture by the visiting shooters who took up a collection for donation to the Air Force Women's Association, to be used for the education of children of deceased members of the R.A.A.F. At the presentation of trophies, Air Commodore Garing, who was responsible for the organisation, assured the visitors of their warm welcome to Point Cook and thanked them for their spontaneous generosity and excellent sportsmanship. Two marquees provided a congenial picnic atmosphere for afternoon tea and other convivial refreshments, and the ladies and children also had a most enjoyable day, due mainly to the untiring efforts of the ladies of the Air Force Women's Association. Special thanks are due to Mrs. R. Ayre, who worked throughout the afternoon handling nominations, handicapping and score sheets in a most capable manner.

Results: 20-bird D.B. Trophy: F. C. Johnson, 1st, 20/20; W. Gresselle, 2nd, 27/28; C. Mudford, 3rd, 26/28. Servicemen's Trophy: Sqn. Ldr. R. Greentree, 1st, 19/22;
