1960 ASSOCIATION SHOOT. Full details of the programme for the annual Association shoot are published in the advertising columns of this issue. The shoot has been arranged to take place over the dates June 10 to June 14, 1960, on the grounds of the South Coast Gun Club at Southport, Queensland. This being the second occasion that the venue has been Southport. The dates were selected so as to include the Queen's Birthday holiday on June 13. On Sunday, June 12, the Association annual meeting of affiliated club delegates will take place at Southport. The exact venue of this meeting at Southport has not yet been arranged. Full information on this matter will be published in a later issue.

As mentioned in the February edition, the Executive Committee has decreed that it will revert to a draw for shooting positions in all championship events at the fixture. In recent years it has been found that shooters, in some instances, were failing to "mix around" with their fellow competitors and were inclined to shoot in groups or definite squads. The fact that a draw is to be held prior to the shooting of each championship will mean an earlier start, and starting times have, therefore, been put forward at least one half-hour each day compared with the starting times of last year and in the immediate previous years.

Shooting proceedings will open at 9 a.m. on Friday, June 10, 1960, with the shooting of the Australian National Single-barrel Championship at

40 targets from 16 yards. Competitors will shoot at 10 clay targets from each trap, 10 at each visit. This event will be followed by a 20 target £100 Handicap under double-barrel conditions. The second day, Saturday, June 11, 1960, is what may be termed one of the main days of the series. On this day, commencing at 8.30 a.m., the Australian National Double-barrel Championship will engage the interest and attention of all those who aspire to become "Internationals" and wear the coveted International 1960 Badge. Competitors will shoot at 60 targets from 16 yards, double-barrel, using the five-track shooting system, and in order to shoot at the 60 targets scheduled for the event they will shoot at four tens and four fives in successive visits to the track. The 30 top scorers in this event automatically become the Australian International Team of 1960. In conjunction with the Australian National Double-barrel title, the Club Teams' Championship will be contested. The Club Teams' Championship is restricted to club teams of four men from any one club affiliated with the A.C.T.A. Team members must permanently reside within fifty (50) miles of centre in which the club is situated. The first forty targets released to each team member in the Australian National Double-barrel Championship will be counted for the Club Teams' Championship.

The third day's proceedings will open at 9 a.m., Monday, June 13, 1960. The 14th International Teams' Match will be principal interest. Competing teams will be England,

Ireland, New Zealand, Scotland, Wales, South Africa, Central Africa, Canada, and Australia for the Mackintosh International Trophy. Australia is the present holder. All teams shoot in their own country and results are then sealed and forwarded to London, where they are opened during the Home Countries International contest and the winner declared. Team members shoot at the marathon 100 targets from 16 yards, under points scoring conditions, 3 and 2. Whilst the Australian International Team is shooting, the 12th Grand Australian Handicap will be decided on nearby traps. £500 has been allotted for the Grand Australian Handicap, and this will be shot at 45 targets from Association handicap marks. The amount will be distributed as follows: £100 on each round of 15 targets, compulsory division. The remaining £200 to be cut among the first ten place-getters in the overall result, £60 (1), £30 (2), £20 (3), and then 9 prizes of £10 each. The 12th Commonwealth Teams' Match, comprising four registered shooters who are members of any affiliated clubs in the Commonwealth, will be shot concurrently. The first 30 targets released to each team member will count for the Commonwealth Teams' Match.

The fourth and final day will be June 14, and shooting will start at 9 a.m., when the popular A.C.T.A. Intermediate Championship will engage initial attention. The Intermediate title is a restricted event reserved for shooters whose Association handicap does not exceed 18 yards on June 14, 1960. The schedule of match conditions is 20 targets from 16 yards, double-barrel. The event will be followed by the blue-riband event of the series, the annual Champion of Champions Cup, at 60 targets from 20 yards, double-barrel, both barrels equal value. Competitors in the Champion of Champions Cup will shoot in four rounds of 10 targets and four rounds of 5 targets in successive visits to the track. Another £100 Handicap will follow, providing there is sufficient time to complete it.

Protests may be lodged, accompanied by £1. Any protest must be in writing and in ink, and must be

lodged before the shooter leaves the shooting track if the protest concerns a shooting matter.

Messrs. I.C.I.A.N.Z. Limited has generously agreed to again provide the special I.C.I. Commemoration Sterling Silver Badge to the winner of each major event as well as high-gun for Australia in the International Match. The usual perpetual Cups, presented by former President, Jock Wilson, Bill Rainbird and J. M. Baumann, will be awarded to the winners of the major contests as well as the much coveted Mackintosh Champion of Champions Cup.

Competitors are reminded that the Referee's decision is at all times final and his decision cannot be altered. There has been a viewpoint in existence in recent months that a club committee can alter a referee's decision. Any committee acting in this way is completely out of order and operating contrary to the rules of the Association.

Intending competitors at the Association fixtures in June desiring accommodation and being unable to make their own reservation are advised to contact Mrs. G. S. Martin, Secretary, South Coast Gun Club, "Amaroo", The Esplanade, Surfers Paradise, Qld.

EXECUTIVE COMMITTEE NOMINATIONS. In accordance with Executive instruction, it is advised that the following nominations have been received for offices in the Association Executive Committee. They are: President, John Houston (unopposed); Executive Committee, Queensland (three to be elected), Messrs. W. J. Carrington, R. H. Moyse, L. S. R. Stewart, J. M. Tyquin; New South Wales (four to be elected), Messrs. F. R. Hudson, K. S. Soames. Two N.S.W. nominations were received after the closing date for nominations, namely, Messrs. R. M. Macadam and D. B. Mott. Victoria (four to be elected), H. J. Belmore, E. G. Biggs, Luke Doyle, C. R. Fletcher, J. H. Headland, A. Pedersen; Tasmania (two to be elected), Messrs. S. Marshall, R. Powell, W. E. H. Rainbird; South Australia (one to be elected), J. Woodrow; Western Australia (one to be elected), F. Bailey.

HANDICAP RETURNS. Club officials are reminded that a Handicap Return is required by the Association to be forwarded to the Secretary of the Association within 7 days of the holding of a shoot. Handicap Return forms are available on application to the Association Secretary. It is most important that observance of this Association direction be adhered to.

AMENDMENT TO HANDICAPPING FORMULA. In the published Handicapping Formula (December, 1959, page 7), "75 or over Break". The fourth line of this section should read "3 yards back" (instead of 2 yards back as published), also the sixth line should read "2 yards back" (instead of one yard as published). All are requested to note the foregoing amendment.

COMMONWEALTH DEAUVILLE DOUBLES CHAMPIONSHIP. All are informed that there has been a slight alteration in the conditions governing the Commonwealth Deauville Doubles Championship (night and day). This event will be shot at 20 pairs instead of 25 as previously. Under the new conditions four shooters will be on the mark at one time, No. 1 pair using tracks 1 and 5 and the second pair using tracks 2 and 4, alternating each five pairs. The nomination fee to be charged is 30/- per shooter.

CLUB CHAMPIONSHIPS. Any shells decreed by the club management may be used in a "club championship". A club championship should not be confused with a Commonwealth, District or State championship, which are authorised by the A.C.T.A., which body also directs the shell load to be used. The regulation 2½", 1½ oz. load may be used in club championships if the club management so decides. However, some clubs are not definite in their direction in this regard and club officials are advised to make an announcement on this point prior to the start of a "club championship". (This answers several queries on the point.)

Do Victorian and South Australian shooters recognise the "pistol-packin'" bloke second from left? He is Cal. Hollow, I.C.I. representative now in Adelaide and formerly of Melbourne. Hollow is a shooting enthusiast and as well as shooting over the traps is a keen pistol shot with the South Australian Police Pistol and Revolver Club.

D. J. Johnson has taken over the secretaryship of the Bute-Snowtown Gun Club in South Australia. He succeeds F. H. Gill. Johnson's address is Bute, S.A.

Newcastle Club, N.S.W., at its spacious Burwood

Beach grounds (off Scenic Highway), will shoot all day on March 19 (commencing 10.30 a.m.). The club will also shoot at night on the same date. Main day event is the Commonwealth Deauville Doubles Championship. This will be shot under the new process of four men on the mark at one time. A £40 Handicap will follow the title contest. Commencing at 7.15 p.m., the Newcastle District Night Double-barrel title will hold main interest; a 5-bird eye-opener will precede the title contest. Programme is as advertised. Enquiries to President, Dan Mott (Phones: Business MA.3824 and private MF.1639) or Secretary, R. G. Morton, 4 Fawcett Street, Mayfield, N.S.W.

Townsville Club in northern Queensland is proud of a unique record among its staff members. During the past six or seven years the club has had only three trappers and each one of them has been successful in passing his scholarship, Junior and Senior University examinations. The passing of the Senior University examination entitles the student to attend the Queensland University. This year, Gavin Blackman, son of the long-time secretary at Townsville, Fred Blackman, and Ken Miskin, son of the club's Vice-President, both passed the senior examination. Three years ago Kevin Crouther, son of the club's assistant secretary and correspondent, also passed the senior examination and is now attending the Queensland University, doing an Applied Science Course. He has a year to go to secure his Bachelor of

Applied Science Degree. No wonder the paternal chests are prominent at Townsville these days.

Puckapunyal Army Gun Club, near Seymour in Victoria, has affiliated with the A.C.T.A. The club held its opening shoot on Saturday, February 6. Secretary of the newly affiliated unit is Sgt. K. W. Ramsdale, whose address is, Secretary Puckapunyal Army Gun Club, Area Command, Puckapunyal, V.

Geese, timed by aeroplane speedometer, can travel at 60 miles per hour. They also hold the altitude record of 29,000 feet, nearly 5½ miles.

Shooters, particularly those who took part in major events in the Eastern States, will regret to learn of the passing of Kel Lowry, which occurred suddenly at his home in Station Street, North Carlton (V.), on January 19. Lowry was a great supporter of the sport of clay target shooting, and there were few big events in which his name did not appear among the competitors. He was a regular competitor at all Association national fixtures and only recently indicated his intention of going to Southport in June of this year. Lowry's last appearance was at the big car shoot conducted by the Alexandra Club (V.). He was among the winners on that occasion. A genial type, good mixer and well regarded sportsman, Lowry will be greatly missed on southern shooting tracks. Jack Headland officially represented the President and the Association at Lowry's funeral.

Victoria's ideal city, Warrnambool, so described in years gone by in two competitions to decide the "ideal town", now has a very up-to-date gun club which has recently affiliated with the A.C.T.A. A number of the club members have also individually recorded their registration with the Association. Secretary at Warrnambool is H. J. Sherriffs, of Box 51, Warrnambool, V.

An occasional disappointment is registered among shooters. It is, therefore, pleasing to be able to record a few of the bouquets which have recently come along. One reads, "Would like to congratulate you on the editing of 'Shooting News', from which I have picked up a lot of good tips!" Another one reads, "Thanks for all the good work you are doing for shooters". Another writes, "Thank you for your generous co-operation at all times; all our enquiries have been readily and quickly answered". (Thanks to senders; it is encouraging to receive these spontaneous comments.)

Many good dogs become the victim of accidents, some of which, with a little thoughtfulness on the part of the owner, could be avoided. A report from the United Kingdom outlines one of these happenings. A shooter, before going to lunch, left his promising young Labrador pup in a Land-rover tied to the steering wheel, by a cord, short enough, as he thought, to prevent it getting out of the vehicle. The owner's judgment was at fault. A quarter of an hour later he went back to the Landrover to find his puppy had managed to scramble far enough over the side to hang itself. The moral of such a tragedy is that it is never safe to tie a dog up inside a car. If the dog must be "anchored", it is safer to sit it outside the car secured to a bumper or a wheel.

The Charters Towers Diggers' Clay Pigeon Club, which has for long been the title of the gun club at Charters Towers, has now decided to amend the name of the club to The Charters Towers Gun Club—a much simpler title and more convenient. At the recent annual meeting of the club C. W. Carrington was elected President, whilst S. J. Penberthy, of Boundary Street, Charters Towers, who has so ably carried on the position of Secretary for some time, now has been re-elected to that office. Treasurer is H. Lavery.

Narrandera Club in the central Riverina district of New South Wales will hold an all-day shoot on Saturday, March 26, commencing from 10 a.m. Main events are the Central Riverina Double-barrel Championship, followed by a £30 Handicap. The now famous Hudson Shield will be shot for in conjunction with the Handicap event. Programme is as advertised. Enquiries to J. R. Bushby, Secretary, "Greystones", Private Bag, Narrandera, N.S.W.

West Gippsland Club at Warragul reports that its annual meeting was held on January 21. The following office-bearers were elected for the ensuing year: President, C. R. Bailey; Secretary, F. L. Brown, 37 Queen Street, Warragul; Assist. Secretary-Treasurer, E. R. Johnson, 25 George Street, Warragul; Senior Vice-President, A. (Tup) Pedersen; Junior Vice-President, Brian Johnson. The club reports a most successful year. At the start of the season the club was able to boast of only a solitary "red-back" in the Bank; now its assets are many times that amount. The club conducted nine shoots for the year. West Gippsland is fortunate that the club has indeed very able management, and this is reflected in the club's balance sheet and general progress. The club has always maintained a £2,000 Public Risk Insurance on its shoots—an excellent scheme.

Horsham Club in the Wimmera district of Victoria will shoot on March 12, when the club will conduct the Wimmera Deauville Doubles Championship and the Wimmera Night Double-barrel title. The club will also shoot on October 15, when the Wimmera Single-barrel Night title will be decided.

Coburg Club at North Coburg (V.) will hold the Commonwealth Walk-up Championship on its spacious grounds on Saturday, March 19. On April 2 the Club Double-rise Championship will engage main attention. The Coburg Cup, now an annual feature of the club's activities, is listed for May 14. Programmes for March 19 and April 2 are as advertised. Meanwhile enquiries to C. J. Colledge (Hon. Secretary), 12 Adler Grove, Merlynston, N.14.

Western Australians and any visiting shooters will be catered for by the South West Club at Capel in South-Western W.A. during the pre-Easter period. On Saturday, April 9, the South Western District Skeet title will be decided. On Sunday, April 10, the W.A. State Double-barrel Championship and the W.A. Intermediate Double-barrel titles will be decided. Programme is advertised. Enquiries to Secretary, T. H. Turner, Uralla Orchard, Donnybrook, W.A.

The Sale Club in Victoria's eastern Gippsland district will shoot the Gippsland Double-barrel Championship on Saturday, April 2, followed by a £20 Handicap. The Gippsland title is a most coveted one and the Sale Club should enjoy a good muster of shooters. Programme is as advertised. Enquiries to Len J. Robinson (secretary), 172 Raymond Street, Sale, V. (Phone Sale 2177).

The Perth Club in Western Australia will open the 1960 season on Sunday, March 20, when a programme of four events will be disposed of. Shooting will start at 10.45 a.m. On

Sunday, April 3, the club will again shoot, and the special I.C.I. Air-Fare Handicap will be main interest. Shooting on this day will start at 10.30 a.m. and a £50 optional sweepstake will be attached to the event. A 30-bird event is also on the same programme. Full details are as advertised. Doug Cumming, the current secretary, will act until a new appointee has been arranged.

On the last-mentioned day and night the Sydney Day Deauville Doubles Championship will be decided and the similar night title in the evening. The club's modern clubhouse and amenities (including liquor licence) are available to competing shooters. Enquiries to Secretary, Brian Wallace, 4 Bridge Street, Sydney (Phone at Terrey Hills, JJ.0775).

Fred Burns, long regarded as one of the best shots Australia has produced, advises having won his 200th championship during the recent vacation period. Fred commenced shooting in 1935 and has the remarkable record of four successes in the coveted Champion of Champions Cup as well as similar wins at other targets. Burns is very methodical and carries this into definite effect in that he has a record of every championship he has won. Fred reports that he "now

Enquiries to Harry Butt (secretary), Club House, Tottenham (V.) (Phone 311-1636).

Cootamundra Club in southern New South Wales will shoot all day on Sunday, March 27. The shoot will be a follow-up on the Narrandera Club's

shoot of the previous day. Anyone looking for two good shoots at this period could not do better than take in Narrandera and Cootamundra in the one trip. Main event at Cootamundra is the New South Wales Single-barrel Championship, a very much sought after event. Programme is as advertised. Enquiries to R. Stone (secretary), Cootamundra, N.S.W.

Has any shooter lost a Colac Club's badge? A Colac Club badge was picked up recently in an Oakleigh (V.) street. By some means the badge found its way to the Victorian south coast town of Apollo Bay, where it was handed to a visitor there from Colac. The visitor then returned it to the Colac Club Secretary, Don Corstorphane. Don now has the badge, awaiting a claimant. Don's address is 6 Rae Street, Colac.

Keilor Club (V.), which shoots on the Coburg Club's spacious enclosures at North Coburg, will shoot its Club Deauville Doubles Championship on Saturday, March 12. The club will also shoot on March 26. Programmes are as advertised. Enquiries to G. Hunter (secretary), 3 Market Street, Essendon, W.5 (Phone FX 2103).

The mention of Deauville Doubles Championships recalls that the recent Victorian Deauville Doubles Championship, won by Bill Finnigan and young Steve Stevens, were shot under the new style of four men on the mark (as explained in a recent issue of "News"). The new system worked very well and officials of the Melbourne Gun Club, where the event was staged, were pleased with the quick manner in which the event was disposed of. It is an Executive Committee direction that all Deauville Doubles events be shot under the new system (four men on the mark) during the current year.

What is a good all-round shot?

What constitutes a good all-around shot? This complimentary title has been bestowed on many sportsmen, but too often the term has been carelessly or unthinkingly used.

To qualify as a really GOOD all-around shot, the gunner must be quite versatile in more shooting "departments" than the average person realises. To be worthy of the distinction which the term "GOOD all-around shot" implies, the shooter must be proficient in the use of all types of sporting firearms and in all kinds of shooting.

A man may be a top-flight clay-target shooter, both at the traps and skeet, but pretty much of a dud with a target rifle in his hands. He may be a crack shot in the field, but unable to master the clay-target sports. It is entirely possible, as experience has proved time and again, for him to be one of the leading shots in small bore rifle shooting competition and still lose his composure entirely at the flush of a covey of quail or the sight of a running deer. He can rank high with the shotgun and rifle and yet, figuratively speaking, be unable to "hit a barn door" with a handgun. And so he could not qualify as a GOOD all-around shot.

So the next time you refer to some friend as "a GOOD all-around shot" it might be well to take another look or qualify your remarks by adding "with a shotgun and/or rifle, etc." if you want to be absolutely correct.

Recently we interviewed a number of sportsmen on "What constitutes a really GOOD all-around shot?" Knowing all of these men had wide experience in every phase of the shooting sports, we were somewhat surprised to find that several did not consider themselves capable of meeting the requirements they themselves suggested as qualifications for the term. Known deficiency in at least

one phase of shooting caused them to eliminate themselves from consideration, yet all were pretty well in accord when it came to outlining "What constitutes a GOOD all-around shot."

The consensus of opinion of this group was that if a man can consistently make the following scores, he is well-qualified to be called a GOOD all-around shot at targets:

Traps (16 yards)	46 x 50
Skeet (all bore, 12, 16	
and 20)	46 x 50
Skeet (28 or 410 gauge)	42 x 50

Rifle:

Small bore (Dewar	
course, prone, 20 shots	
at 50 yards, 20 shots	
at 100 yards	390 x 400

30 Calibre:

Off hand at 200 yards	44 x 50
Rapid fire at 200 yards	
(standing to sitting)	46 x 50

Stol:

Slow fire at 50 yards	81 x 100
Time fire at 25 yards	92 x 100
Rapid fire at 25 yards	88 x 100

This is a pretty good-sized order, but then we are talking about a GOOD all-around shot, at targets.

When it comes to upland game and waterfowl shooting, there is no definite yardstick for scoring. With the exception of duck shooting, the gunner is seldom "set" and every shot is different. However, this group of experienced field shooters were in general agreement on the following percentages for the GOOD all-around field shot:

At quail	50%
At pheasants	70%
At grouse	35%
At woodcock	50%
At ducks (on pass or over tall timber)	50%
(over decoys or jump shooting)	75%

No effort was made to arrive at percentages in rabbit or deer shooting. It was believed that the rifle shooter who could qualify as outlined above could get his share of both small and large four-footed game. If the gunner could qualify with the above scores and percentages, this group expressed itself as willing to

doff their hats and call him a GOOD all-around shot.

The fellow who rates this classification is a really versatile gunner. He is not likely to win many target shooting championships, except perhaps in the Class title events, and when the real experts fall down. But he will have no need to be ashamed of his shooting in any company, will be able to make it interesting for the best of them, and it's a safe bet that he'll get his fair share of game in the field. Rate yourself and see if you stack up as a GOOD all-around shot.

OUT OF THE PAST Twenty Years Ago

The Commonwealth Mixed Birds Championship of 1940 was originally listed for decision on the Camberwell Club's grounds at North Balwyn on the date March 2, 1940. However, it was found that the date practically coincided with the Victorian duck season opening, so the club sought Association permission to defer the event. The Association agreed and a new date, June 22, was arranged.

It was also mentioned that "due to the war" there would be no International Match in 1940.

Jack Bryant Senr. of Blackburn, whose name appears regularly about this period, was apparently at the zenith of his form. It is noted that he "successfully defended" his Com-

monwealth Double-barrel title. The event was shot on the Nobel grounds, then at Bentleigh. Five tied, each with 24/25. In the shoot-off Vic Fankhauser was first fall out, finishing fifth with 28/30. Fred Burns and C. Lancaster were next out, each with scores of 33/35. Bryant ultimately won 39/40 from Reg Ilett (Harrison) 38/40. Bryant used only three seconds in the contest at 25 targets from 20 yards.

At the first open shoot conducted by the old Werribee Club on the Werribee Racecourse, Bryant again won the main event, at double-rise on this occasion, scoring the moderate total of 8/15 pairs to win from Texas (C. Lancaster).

Ten Years Ago

At Echuca in February, 1950, there is a report of F. Bradley having his first shot over the traps and returning high-gun figures for the day.

Len Robinson, still Secretary at Sale, is reported to have won a double at the now extinct Yallourn-Morwell Club. Miss Nyla Fankhauser, the only woman shooter to ever gain a place in a Victorian Interstate Team, shot one of the best perform-

ances at a Coburg meeting with 23/23.

At a Griffith (N.S.W.) fixture 106 shooters competed. The club introduced an unusual scheme for arranging team competition. Each competitor paid in 2/6 and names were then drawn in teams of four. The winning combination comprised Ted Matthews (Bowna, N.S.W.), E. E. Albert (Barrellan, N.S.W.), E. Fromholtz (Secre-

tary at Griffith) and Owen McLoughlan of Cohuna (V.). This type of event proved very popular at that period and it could be well tried out again. "Dinky" (Bill Catlin) and W. Wager (Melbourne) cut the first two places in a £50 Handicap at a Holbrook (N.S.W.) meeting.

Eric McCrae, now President of the Hobart Club and incidentally manager of 7 HO Hobart, is under notice about this time with several good scoring runs, including 50/52, 56/59 and several others over 30.

A story comes from Queensland about this period in 1950. It refers to a death struggle between a fox and a large snake. The fox had the snake's head in its mouth whilst the snake had its body tightly coiled around the body of the fox. Both were exhausted when found by the narrator of the story, and he at once despatched both snake and fox. On measurement the snake was found to

be ten feet long — the length of the fox was not stated!

Nearly 50 shooters attended a Camberwell club fixture on February 4, 1950. Bert Goodear was in good form, being placed in three out of four main events. Due to the big attendance at a Footscray shoot, it was only possible to shoot two events for the day. These went to W. R. Johns (10 birder) and Fred Burns (skeet).

In a Hobart (Tas.) shoot no fewer than 23 of the 40 entrants in a double-barrel event carded possibles. The miss-out rule applied in the shoot-off, which went to J. M. Tyquin, now of Brisbane, on the 29th round.

The Commonwealth Skeet Championship of 1950 was shot at Leeton by the then local club. Nearly 60 entries were received. The title went to Narrandera sportsman, Tom Whillans. Newton Thomas was runner-up and R. Brown of Coonabarabran (N.S.W.) third.

ALICE SPRINGS (N.T.), 15/11/59.—Weather conditions: fine, strong, gusty wind. Attendance: 10. Results: No. 1, 5-bird D.B.: Smith, Pearson, Sutton, Kittle, Jackson, 5/5, div. No. 2, 20-bird D.B.: Smith, Sutton, Morton, 19/20; shoot-off to Smith in 10th round. No. 3, 20-bird D.B. Teams Shoot: Smith, Chisholm, 18/20.

With the hot weather, shooting has been limited to the afternoon. In the eye-opener five shooters shot the five. The second event, a 20-bird D.B. Handicap, was for the Gerussi Trophy. Smith, Sutton and Morton all shot very well to record 19 kills. In the shoot-off Smith took the honours in the 10th round. The third event, a teams shoot, proved very interesting, the "A" team taking the honours by one bird.

17/1/60. —Weather conditions: overcast, with showers. Attendance: 10. Results: No. 1, 5-bird D.B.: Robbins, D. A. Chisholm, 5/5. No. 2, 20-bird D.B.: Kittle, Raabe, Smith, 18/20, div. No. 3, 20-bird D.B.: Smith, Costa, 19/20, div. No. 4, 10-bird S.B.: Kittle, 8/10, 1st.

This was the club's first shoot in the New year, and was a great success. Occasional wind and rain squalls made shooting difficult, but was well coped with by the shooters. It is very pleasing to see Len Kittle's name among the winners. Len has been plugging along steadily and will be hard to beat in future shoots. Plum for the day goes to Gordon Raabe, who was a little quieter on the trigger. Gordon really caught the trap mound in the centre of the pattern. In all, it was a good afternoon's shooting. (K. Warrington, Hon. Sec.)

APSLEY (V.), 15/1/60 (Night).—Weather conditions: perfect. Attendance: 22. Results: No. 1, 5-bird: L. Williams, D. Williamson, T. A. Boston, B. Hayman, T. Redman, K. Roberts, T. G. Boston, M. Bell, S. Billing, No. 2, 10-bird Trophy: H. A. Miller, 1st,

The attendance was disappointing on such
a perfect night, but holidays and lack of
advertising kept many shooters away. How-
ever, we have our six months' programme
out now, and when they spread throughout
the area we should build up to our old form.
Thank you, ladies, for your very good support.

One can only describe this performance as
terrific shooting. W. Henwood's performance

Above-century heat spoilt what would have
been an excellent shoot. However, we saw
some good shooting by "Jock" Wright, who
won the major trophy, and also Robin
Baines who came second, this being the first
time Robin had shot at clays. Tom Maynard,
although he missed in the trophy shoot-off,
shot consistently all day. Many thanks to
our ladies' committee, who braved the heat
to provide afternoon tea and refreshments.

Despite heat and glare, an enjoyable day was had by all — shooters and spectators. At the conclusion of the day's sport, a large number of shooters and followers of the sport gathered at the club grounds to bid farewell to our popular and efficient President, Mr. A. J. Cunningham, who is on transfer to Biloela. Mr. W. Carrington expressed his personal regret, and that of all present, at the loss to the sport in Charters Towers, and to the town itself, and wished Mr. Cunningham every happiness and success in the future. He was ably supported by Mr. J. Carrington, Sgt. A. Bianchi, H. Lavery, P. Penberthy. Mr. Carrington then presented him with a Sunbeam electric razor suitably inscribed. Mr. Cunningham replied that he was sorry to be leaving, and wished the club continued success. Then followed a most enjoyable evening — partaking of a tasty supper prepared by the ladies, and singing — individual and community — to the accompaniment of guitar and ukelele. (S. J. Penberthy, Hon. Sec.)

Owing to extremely hot and stormy weather conditions, only nine shooters were in attendance for the delayed Cloncurry Club Annual

C'ship for 1959. It was most disappointing, as a good crowd of visitors was expected, but wet country roads from surrounding towns made road traffic in. isible. However, all shooters enjoyed themselves, and the Cloncurry Championship, which was based on the high-gun score of the day, went to veteran Lou Hasted, his third year in succession. Congrats., Lou. The beautiful Graham & Bartley trophy, shot for the third year, was won by G. Muller, to the pleasure of all. (E. A. Lemmon, Hon. Sec.)

COBURG (V.). — All members of this club were stunned last month when word was received that Kelvin Lowry had passed away very suddenly.

Kelvin had a long association with clay bird shooting, and particularly with the Coburg Club, of which he was at one time an executive officer, and keenly interested in all its activities.

Kel was a fine shot, a grand sportsman, and a good friend to all. His cheery disposition and ready grin will be sadly missed.

To Mrs. Lowry and family we extend our heartfelt sympathy.

Our shoot on January 23 was a most successful one, the attendance being large. The attraction was the Club Single-barrel Championship.

Proceedings commenced with a 10 birds Points, and in this Roy Johns and Bill Coulson divided first and second with a score of 30/30. Third money was shared by A. Hartley (Newcastle), Harry Belmore, Roy Killenny, Bob Andrews and Keith Paterson.

Wellington C.T.C. President, Lou Lupp, and his wife, also a good trapshot, with a range of recent trophies won.

The championship field was particularly strong. At the end of the 20 releases Clem Mudford and Bill Coulson were equal and the shoot-off in best of fives looked like being a ding-dong struggle.

Contrary to expectations, however, the shoot-off ended abruptly. Bill met disaster at the first bird. He also missed his second and fourth. Clem shot very determinedly and got the lot, taking the title with the score of 25/25.

Bill can take consolation in the fact that he was beaten by one of Australia's best trap-shots in top form.

Roy Johns, Bill Le Strange and Artie Campbell shot on to decide third place. Campbell and Le Strange shot their five and Johns was eliminated, he having missed his final bird.

Artie and Bill went on and both got the next five, but the next five saw the end. Artie shot the lot, and Bill dropped his third. Campbell's score was 34/35, a very creditable performance.

Next to follow was a 10 birds Tower. This event was a sort of preliminary to the Commonwealth Tower Championship on February 6, which in turn is a preliminary to the duck opening a fortnight later. Tower shooting, claimed to be the nearest thing to actual duck shooting, is proving very popular.

Nearly 50 shooters faced up to this event, and on their showing, the ducks had better look out.

Four scored the possible. They were Keith McDiarmid, Bob Andrews, Roy Johns and Bill Jones.

At the third release Bob tried enough, and it was not until the 12th bird that Keith gave in to take third trophy. It did not last long after that. Roy Johns went at the 13th, and Bill Jones ran out the winner with the nice total of 23/23.

Bill had been out of the winning list at Coburg for some time, and his victory was a popular one. In fact, he never looked like being beaten.

You will see by our advert that there are some good shoots in the offing, and let me remind you of the Coburg Cup which will be shot on May 14. This event will be contested in divisions, with a good range of trophies. More about it next issue.

Although only one week after our open shoot, the roll-up was quite good. Two visitors from Broken Hill, Messrs. Fox and Hansen; they quite appreciated the outlook, but not the wind. Congrats. to P. McDonald on winning the trophy, and to our veteran shooter Peter Thompson on his successful day.

COLAC (V.). — Marred to some extent by unfavourable weather, the Colac Gun Club's Christmas shoot on Saturday night, 12/12/59, proved to be its usual popular and enjoyable social wind-up to the year's activities.

Wet conditions, with consequent crowding into the clubhouse, caused some congestion, but fortunately the showers ceased as Santa arrived, and the children gave him a glad welcome. Santa distributed toys to the children and made presentations to Mrs. Osborne and Mrs. Corstorphan, and he, in turn, was the recipient of a gift from the club. The usual large quantities of sweets, ice cream and drinks disappeared in the usual short space of time.

Thirty-three shooters assembled their guns and faced up to the trap in a 10-bird event for three beautifully prepared Christmas hampers. Four shooters only compiled full scores — Jim Moran, Gordon Tucker, Ern Osborne and Ian Holt. In the shoot-off, Jim Moran was the unlucky man to be shot out. Trevor Sharp outpointed three others to gain the front markers' hamper. Consolation trophies were presented to all competitors in this event who did not gain an award. Another event at 10 targets was won by Ian Holt after a tie shoot with Jim Hose, Fred Wilson and Don Corstorphan.

23/1/60 (Night). — Weather conditions: slight incoming breeze. Attendance: 23. Club Asst. Sec., Trevor Sharp, won the main event at the club's shoot under floodlights on Saturday night with a good score of 36/37. He and four other shooters had scored possibles of 20/20 over the initial course. Executive officers, President, Secretary and Asst. Secretary featured in the tie-shoot. The three place-getters, Ernie Osborne, Fred Wilson (Cobden), and Trevor Sharp, all missed the 11th release in the tie-shoot, then Wilson missed his 16th and Osborne his 17th, to leave Sharp the winner.

Trevor's prize was a beautifully engraved silver salver, which had been donated to the club by I.C.I.A.N.Z., a company which gives generous support to the sport of clay target shooting.

There were 23 shooters in attendance, visitors representing the following clubs: R.A.A.F. Laverton, Wangaratta, Dundonnell, Barwon Heads, Geelong and Sebastopol. Shooting conditions were fair, with a slight incoming wind causing the targets to soar; the shooting standard was high.

The club President, after welcoming the visitors and thanking the ladies who had served supper, called on Dick Bryant, President of Dundonnell Gun Club, to present the trophies.

Owing to the prolonged harvesting, it was regretted that we had to forego our Christmas shoot. The attendance was as good as usual when we resumed in the New Year. Pleased to see a visitor from Barcardine in Jo Dickson, who shot particularly well to take 17/19 yard trophy. We have adopted the idea for trial of allotting trophies in yardage category. Congratulations to the various winners. (N. A. McGilp, Hon. Sec.)

First Association shoot to be held at Oatlands. The attendance was very good. Future shoots look very promising. R. Powell and Sperry Marshall both agree that the lay-out is the best in the State. We hope to buy an automatic trap in the near future, as we now only have a plus trap.

Dundonnell Club has no luck with its shooting dates and the weather; our shoot on Boxing Day was no exception, thunder showers all the afternoon and steady rain at night. Visitors from Hamilton, MacArthur, Colac and Ballarat helped to make it a successful shoot. Ian Morrison made an excellent come-back with the only possible 20/20 in the main event during the afternoon. The minor places going to the Holt brothers from Colac. The Novelty Event was very popular, with two targets being released from two of a three-trap set-up, two of the traps being set at right angles to the tracks. Roly Grant really showed them how to do it with the excellent score of 8/10. The £40 H'cap at night was won outright with the good score of 20/20 by Ian Holt of Colac, 2nd and 3rd was divided by T. Sharpe and J. Holt, both from Colac.

1/2/60.—Weather conditions: calm and fine. Attendance: 15. Results (Night): No. 1, 5-bird D.B.: N. Calvert, S. Baird, J. Richardson, K. King, J. M. Small, R. Grant, div., 5/5. No. 2, 5-bird D.B.: J. M. Small, R. Grant, div., 5/5. No. 3, 20-bird D.B. Trophy: 1st, J. Richardson, 20/20; 2nd, J. M. Small, 23/24; 3rd, C. Fletcher, 22/24; F.M., R. Bryant, 16/20. No. 4, 5-bird D.B.: D. Fletcher, D. Philip, J. Richardson, J. M. Small, R. Grant, div., 5/5.

For once we drew perfect weather for a night shoot. The fields were composed almost entirely of local shooters. A new shooter in Jim Richardson claimed the main event from the 12-yard mark, with the only full score. Several other shooters went very well, losing only that one vital target.

(J. Malcolm Small, Hon. Sec.)

ECHUCA (V.), 27/1/60.—Weather conditions: good. Attendance: good. Results: No. 1, 5-bird D.B.: div. L. Gibson, K. Dobson, F. Crawford, W. Gribben, H. Maynard, J. Jamieson, F. Dobson, D. Curtis, A. Hipwell, 5/5. No. 2, 10-bird D.B.: div. L. Gibson, K. Dobson, N. Thorn, F. Crawford, H. Maynard, J. Jamieson, J. Rhodes, 10/10. No. 3, 10-bird Trophy (5 S.B., 5 D.B.): 1st, F. G. Grinter, 14/14; 2nd, K. Dobson, 13/14; 3rd, A. Corry, 12/14; F.M., A. Hipwell, 11/14.

This fixture saw our first night shoot for the year and a good muster of shooters attended from as far afield as Shepparton, Nathalia and Yarrawonga. Our new President, K. Dobson, only missed one bird for the night, and considering that scores were on the low side, this was a good effort on Kevin's part. The main trophy event went to our new Secretary, Dick Grinter, with K. Dobson 2nd and Allan Corry 3rd, A. Hipwell taking the front markers. A good night's shooting was had by all.

(F. G. Grinter, Hon. Sec.)

GERALDTON (W.A.).—The Annual General Meeting of the Geraldton Gun Club was held at Geraldton on the evening of 28th January. A large gathering of members and visitors attended. Officers for the 1960-61 season were elected as follows: Patron, Mr. L. W. Sheppard; President, Mr. F. J. Hackett; Vice-President, Mr. J. Keene; Secretary, S. Gratte; Committee, Messrs. J. A. Jones, J. Keene, H. Finlay; Captain and Handicapper, R. Burton; Vice-Capt., P. Mirigliotti; Auditor, A. Gratte; Property

Officer, J. Costantini; Coach, W. Elliott; Publicity Officer, J. A. Jones.

The Past President complimented the members on the installation of the new night shooting additions. Through serounging of an old motor car, a rejected generator, a very fine and efficient plant has been put together, and the club now has as good a night shooting ground as any in the State. Night shooting has become very popular in this district, due to the long summer evenings, and through its popularity quite a few new members have joined up. At the moment the club boasts a membership of 56, with an average shooting line-up of 25 shooters.

After a few weeks recess the new season will open on the afternoon of 24th April. (Jack Jones, Publicity.)

HAY (N.S.W.), 23/1/60.—Weather conditions: perfect for night shooting. Attendance: 32. Results: No. 1, 5-bird D.B.: G. Headon, J. Headon, B. Daley, E. McCullough, C. Dicker, L. Foley, J. Donohoe, A. Weeks, N. Pedrana, div., 5/5. No. 2, 10-bird D.B.: A. W. Headon, J. Headon, B. Daley, N. Pedrana, B. Blomfield, div., 10/10. No. 3, 10-bird Pt. Score (3 and 2), off 16 yds.: S. Walker, J. King, Maurice Gibson, A. W. Headon, div., 30/30.

This shoot was the first night shoot for 1960. The committee of the club, in helping the shooter to participate in the sport, is attempting for the next 12 months to find clays and staff without making any deduction from entrance money (in effect, it means that a shooter when entering for a 10-bird event, only has to pay 5/- nomination fee and receives all the entrance money back in the ratio of 60% first, 20% second, and 10% third). Evidently with the roll-up of 32 shooters, including a number of comparative novice shooters, may be the means of bringing more into the sport.

A very warm night, with a very large attendance of spectators, who were treated to some good shooting by J. Whitewood and J. Cumming, with J. Whitewood running out the winner on the 36th round. The club is

This shoot, being our Christmas shoot, turned out to be very successful and I am sure was enjoyed very much by both shooters and spectators. I was very pleased to see some new faces with us, and we hope to see these chaps again and would be very pleased if they could join our club and give us a reasonable amount of attendance. Unfortunately we were late getting started due to a faulty trap, but eventually we repaired this in a fashion, and I think the afternoon's shoot proved to be the best of the year. (R. B. Castle, Hon. Sec.)

R.A.A.F. POINT COOK (V.), 22/11/59. — The Invitation Shoot that the club held on Sunday, 22nd Nov., 1959, had a three-fold purpose. It provided excellent competitive practice for members of the R.A.A.F. team competing in the I.C.I. Shield on 4th December, 1959; it enabled club members to enjoy once again the company of members of other metropolitan and country clubs, and it provided additional funds for the building of the new clubhouse.

The weather, as usual, it seems, was uncomfortable. Throughout the day very strong and gusty winds swung from north to south. The six competitors who shot the possible in the 20-bird event showed excellent temperament. One hundred and twenty shooters nominated and A. J. Russell won the shoot-off from C. Wilson and I. Holt.

A team from the Bandiana Army Club participated and, together with R.A.A.F. members, they competed in a special Servicemen's Shoot taken on the first 10 birds of the 20-bird event. There were four possibles and Sgt. R. Henson (Bandiana) won the shoot-off from Air Com. W. H. Garing, W. Off. R. Crockett (Bandiana) and L.A.C. J. Murray (Point Cook). L.A.C. Murray became the

winner of the "Tom Phillips" trophy presented to the best serviceman on 12/16 yds.

A 10-bird D.B. event followed the 20-bird event, and with many possibles scored, the shoot-off was won by F. Shearer.

Once again the event that created much interest and competition was the Teams Shoot for the "Nauseating Chair". Sixteen teams were nominated and Camberwell No. 1 team shot splendidly, to score 93/100 to win and equal Werribee's feat of winning the Chair twice in succession. They are now faced with the dilemma that confronted Werribee — what to do if they win it three times in succession and have to keep it!

The members of the winning team were each presented with a tankard to which was affixed the Point Cook Club Badge.

Camberwell kindly presented a very professional-looking brass plate to be attached to the Chair. Engraved on the plate were the names of the previous winners of the Teams Shoot.

The club wishes to express very sincere appreciation to those people who made a donation towards the building of the clubhouse. Evie Hayes kindly presented the prizes. She also entertained those present with some real "Annie Oakley" shooting, although George Biggs did call some very doubtful "no birds".

20-bird D.B.: 1st, A. J. Russell, 35/35; 2nd, C. Wilson, 34/35; 3rd, I. Holt, 28/29; 12/16 yds., F. Brown, 27/28; 17/13 yds., G. Viney, 39/40; 19/21 yds., W. Rodda, 26/27; 21-1 yds., W. Williams, 25/26. 10-bird D.B.: 1st, F. Shearer, 27/27; 2nd, F. Johnson, 26/27; 3rd, W. Garing, 25/26. Servicemen's 10-bird D.B.: 1st, Sgt. R. Henson (Army Bandiana), 16/16; 2nd, Air Cdre. W. Garing (R.A.A.F. Point Cook), 15/16; 3rd, W. Off. R. Crockett (Army Bandiana), 14/15. "Tom Phillips" Trophy (12/16 yds.): L.A.C. J. Murray (R.A.A.F. Point Cook), 12/13. Teams' Shoot: winner, Camberwell No. 1 team (F. Whitten, W. Carlon, 18/20; D. O'Callaghan, D. Hemingway, W. Johns, 19/20).
