SHOOTERS' HANDICAPS ON REGISTRATION. The question of the right handicap for a shooter when he is registered by his club is one that comes in for frequent discussion. In many instances clubs submit names of shooters, but frequently fail to give the Association a guide as to the respective shooters' ability or trapshooting experience. This has happened so often this year that the Association has experienced no end of queries from new shooters as to "why their marks are so and so".

It should be remembered by those submitting lists of registrations, and also individuals, that it is most essential to give the Association some inkling of each shooter's gun handling ability and also indicate whether he has had some trapshooting experience or field shooting knowledge. As an example, it is nothing short of absurdity for shooter to be placed on the front-mark when he has had previous experience, possibly at live targets or field practice. Also the same angle applies when a definite novice shooter is registered by his club and the Association office, having no knowledge of the particular shooter's right handicap, places him on 16 yards. If he happens to be a complete novice, he immediately writes down to the Association demanding to know why he has been placed on 16 yards. In the case instanced the Association, having no knowledge of the shooter's ability, placed him on 16 yards in accordance with the regulations. However, due to lack of knowledge, the Association office has no option but to ensure that

such an individual is not a "dark horse" and accordingly has to protect the other registered shooters, hence a 16-yard mark. In order to bring about uniformity in this matter, club secretaries are asked, when registering shooters, to indicate whether those being registered are (1) complete novices and indifferent gun handlers, (2) have had some experience in the field and gun handling, (3) have had some experience over the traps, (4) indicate what, in the secretary/handicapper's knowledge, would be a reasonable handicap for the shooter concerned. By carrying out these simple items of co-operation much time would be saved and also much more efficiency would eventuate and also, above all other features, shooters would be better pleased with the initial handicap.

BREAK RECOGNITION. As is generally known, the Association makes available break badges in recognition of sequences of 50, 75, 100, 150 and 200 made by shooters from time to time provided, and this is very important, the breaks are compiled in legitimate competition. Recently a claim was lodged with the Association for a 75-break badge. The necessary score sheets were forwarded covering a 50 run by the shooter. Later a further sheet was received by the Association showing where the shooter had continued on in the company of two others and registered altogether a 75 break unfinished. On investigation by the

Association it was found that the shooter concerned had compiled 50 in regular competition. After the presentation of trophies and to all intents and purposes when the regulation shoot was finished, the shooter got two of his friends (making a squad of three in all) and shot on in order to endeavour to secure a 75-break badge. This the shooter accomplished, but, of course, the last section of the break could not be allowed, as the run between 50 and 75 was not made in regular "competition". It should be noted by all interested that breaks can only be recognised by the A.C.T.A. when made in competition, and then only under double and single-barrel conditions. Also when a break is compiled, the actual score sheets must be forwarded to the Association for perusal and confirmation. If these directions are carried out, the appropriate badge will be on the way to the shooter concerned within 24 hours.

MIXED BIRDS (WALK-UP SECTION). A query reached the Association recently seeking information as to the correct method of shooting targets in the walk-up section of a mixed birds title event. The questioner stated that he considered the shooter should stand on the 22-yard mark and commence walking, the target being released between the 20 and 15-yard mark. The questioner was perfectly correct. The other opinion forwarded indicated that the shooter stand on the 23-yard mark with the target released between the 21 and 16 yard. This latter view was accepted by the club concerned despite the fact that the shooter who forwarded the query produced a copy of the A.C.T.A. Championship Conditions Brochure. It should be borne in mind that the A.C.T.A. Championship Conditions Brochure has been prepared expressly for the use of clubs conducting open championships, Commonwealth, State and District titles, and the rules laid down in the Brochure, should be observed to the full. The only difference in shooting conditions existing from those laid down in the official Brochure concern Deauville Doubles, where now there are four men on

the track instead of two. Details of actual Deauville Doubles conditions were published in previous issues.

SHOOTING BEHIND HANDICAP. Clubs and shooters are advised that the Executive Committee has instructed that all shooters must shoot off their regular handicap at all times. A report from a Victorian country club indicated that certain shooters were taking it upon themselves to shoot behind their mark at any time they felt so inclined. This practice is not permitted and a shooter continuing to shoot behind his proper mark, after being duly warned, should be disqualified from the competition. If by any chance a shooter should be shooting from behind his mark and win from the mark he has chosen, he thereupon must accept the new mark as his regular handicap.

FORWARD MOVEMENT. A shooter recently wrote the Association asking "how many years does a shooter have to remain unregistered before he loses his handicap mark and comes forward"? The answer is very simple. A shooter once having attained a handicap and then retiring and later coming back into the sport, should resume on the mark he held when he dropped out. Just because he has dropped out is no reason whatever for expecting a better mark on returning. A shooter can be likened to a racehorse—he must perform to be handicapped. If a racehorse is turned out for a period, he does not necessarily come back weighted at pounds under the weight he was running with when he dropped out of active racing. Shooters can only be brought forward on the recommendation of a club, and then only if the club concerned outlines his performances on an Official Handicap Return Form. Forms are available from the Association if none happen to be on hand.

Longevity of Animals

By CLIVE BEECH in "Shooting Times" (Eng.)

— Continued from June Issue —

The oldest dog whose claim seems allowable was 34, but one of over 20 is exceptional, and 18 a remarkably good age for the average pet. Cats, however, do live rather longer and specimens known to be 39, 31 and 27 are recorded, and many over 20 are known. The longest reliably accurate span for a whale is 37 years, but it is generally thought that the larger whales normally reach 30 or over—if the whalers let them. At the other end of the size scale insects have notoriously short lives, although a tapeworm once lived inside a man for 35 years.

Longer Lived in Captivity

In all these cases the records of creatures kept in artificial captivity are longer than they would be for wild creatures. The hazards of nature are such that real old age is comparatively rare and is achieved only by fluke or good fortune. Loss of vigour, failing eyesight, and above all, deteriorating teeth, take their swift toll in the wild, leaving only a tiny proportion of the original population to enjoy a lengthy span. In a cage things are different: food is always plentiful without the need for hunting, there is permanent shelter and freedom from enemies. Even accidents are seldom met with. The 25-year-old fox in captivity is really abnormal, for its opposite number in the wild of about 14 or 15 is ancient, with broken teeth, scarred muzzle and grizzled, emaciated body. There is a good record of a wild tiger of 17, but among the smaller hunters the weasel is decrepit at only 8. Badgers may live to be 16 or so, and they are closely followed, surprisingly enough, by toads, which do live much longer than either frogs or what people imagine. Generally speaking, the smaller and more prolific the creature, the shorter its average expectation of life.

The oldest known bird is always said to be the mute swan shot in Derbyshire in 1887, bearing a ring

on one leg dated either 1717 or 1711, which seems to indicate that it was at least 170 years old at the time of its death. An eagle shot in France in 1845 was found to be wearing a metal collar with a Latin inscription indicating that the bird had been used for falconry in the Caucasus in 1750, over 90 years before. Both these cases, if true, are quite exceptional. The raven is probably the commonest bird Methuselah: records to 69 are known. Others surviving for over half a century include pelicans and condors, 52; eagle-owl, 68; golden eagle, 56. Amongst captive birds the parrots achieve the greatest age; 140 is about the record here, but a number of parrots have lived well over the century, including one of 125. Cockatoos also enjoy long life, several reaching their nineties without loss of perkiness, although baldness and loss of memory are usual.

Really old age amongst truly wild birds is difficult to prove, but is undoubtedly infrequent. A magpie at 30, an Arctic skua at 25, a chaffinch at 17 and several duck at 14 are all probably maximum ages. Indeed, to reach 10 is a feat for most small birds, and larger birds of 20 or so are quite uncommon.

All in all, man with his three-score years and ten, fares better than most of his fellow creatures. Only the silent, immutable trees make him look a mere baby.

"Tips and Tails"

An English report gives details of a rather unusual ferreting experience. It appears that a ferret was placed in a burrow. Soon scuffling noises were heard and the ferret reappeared so torn and bleeding that it had to be destroyed. Digging

furiously, the hunter soon discovered a freshly killed hedgehog in the burrow. It is presumed that the hedgehog had its back to the ferret and the latter, in manoeuvring for a neck grip, ripped itself fatally on the raised spines of the hedgehog. A most unusual happening.

Queanbeyan Gun Club, just outside Canberra in A.C.T., will shoot the N.S.W. Southern Districts Double-barrel Championship on Saturday, July 30. Shooting will commence at 12.30 p.m. and good supporting events are listed. Programme is as advertised. Enquiries to club Secretary, Noel Edlington, Tuggeranong, via Queanbeyan, N.S.W. (Phone Queanbeyan 22).

What is the best way to run a co-operative organisation? First get the right man to run it, you can't do much without the right man at the helm.

It is not often that an individual becomes a legend in the sporting world in his own lifetime, but such could be an apt description of veteran "Calrossie" (Jack Sutherland). "Calrossie" made a call to the Association last month and mentioned that although he finds his shooting days few and far between these times, his interest in the sport of trapshooting and its adherents is unabated. He reckons he finds "News" one of his "musts" every month and he looks forward to its regular delivery. "Calrossie", one of the greatest shots Australia has ever produced, has

been good enough to forward a brief bit of verse which is published elsewhere in this issue. The words are well worth remembering by all who face up to the traps, and coming from such a notable authority, they make very interesting reading.

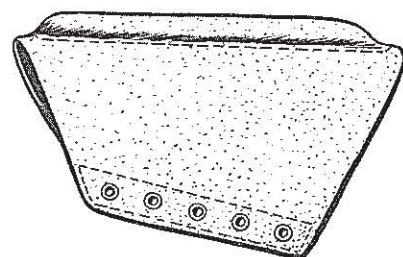

Lieut. Eddie Rogers, R.A.N., well known on Melbourne and Sydney shooting tracks, who has been stationed on Manus Island in recent years, is back in Australia again. Eddie, a great stickler for having things right, has advised that he is now attached to Balmoral Depot in Sydney. So Sydney tracks should be favoured with visits from the much travelled Eddie.

I. W. Rigby has taken over the secretarial duties at the Richmond Gun Club in North Queensland. He succeeds A. H. Bone in this position.

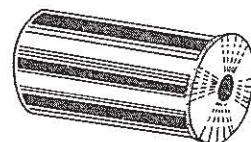

The Bourke Club in far north-western New South Wales, will conduct the Bourke and Darling River Championship on Saturday, October 1. On the following day a big trophy and handicap is being arranged, when a "D" Grade Under and Over Gun or a trophy to the same value will be held. A preliminary announcement of the fixture appears in this advertising section of this issue. Meanwhile enquiries to P. C. Williams, Secretary, Bourke Gun Club, Box 171, Bourke, N.S.W.

Considerable controversy arises on occasions when a big fox is grassed. Many have sought details of the weight of the biggest fox weight known. According to Dr. Harrison Mathews in his publication "British Wild Animals", the maximum fox weight is 29 lbs.

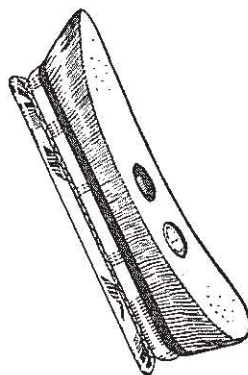

At a recent shoot in England a member of the shooting party was concerned by the large number of hares which were to be seen, and also surprised that none of the other shooters in the shooting party bothered to shoot any. On enquiring as to the reason for this unusual situation, the enquirer was told by the head game keeper, "On this estate

Narrandera Gun Club in the N.S.W.
Riverina area will shoot all day on
Saturday, July 16, starting from 10
a.m. Main event of the day will be
the Riverina Double-barrel Cham-
pionship — always a much sought
after title. This will be followed by
a £30 Handicap, with which will be
shot the Hudson Challenge Shield.
Narrandera won the shield on the
last occasion it was shot for. It was
intended to hold the Narrandera
shoot in June, and also defend the
Hudson Shield. But, due to the big
Association fixtures at Southport, Q.,
during this period, the shoot was
deferred until July. Full details of
programme is as advertised. En-

An American, William S. Crowe,
in his description of an old person,
says, "An old person is one who has
permitted his years to become a
burden. So long as he dreams of
something yet to be done, some
worthwhile achievement yet to be his,
the dew of youth is still upon his
brow, no matter how many years his
years may be."

Not often shooters hear of one-
time Seymour champion trapshot,
Pat Reid. However, a few weeks ago
Pat returned to his former stamping
ground at Seymour (V.) and faced
up to the automatic trap with his
old confidence. Rumour has it that
he will be seen again venturing into
the trapshooting sphere. Pat is a
son of the late Bill Reid, a pioneer
of clay target shooting in Australia.
For very many years, prior to the
coming into being of the A.C.T.A.,
the Victorian Double-barrel Clay
Championship was shot by the Sey-
mour Club. In fact, the holding of
the major Victorian title at Seymour
was regarded as a regular factor
every year.

The question as to whether dogs
are observant to happenings on the
television screen is a moot point. A
scientific report from abroad says
there is something in the construction
of a dog's eye which ought to prevent
him from seeing what happens on

a television screen. The report con-
tinues that a case is known of a bitch
which usually ignores the screen
until small animals appear. If rats,
squirrels, mice, baby bears, or such-
like start to move around, she im-
mediately becomes interested. She
watches intently, but silently, until
they disappear, then she looks for
them under the machine itself, or the
table where it stands, sniffs along
the foot of the wall behind it, seem-
ing to think that a hole exists which
she has missed. The bitch created
quite a furore one night when a
shooting dog was seen hustling some
piglets around. This provoked barks
— whether in protest or approval, is
not stated.

A farmer in a country centre,
weary of trespassers on his property,
ultimately put up a number of warn-
ing notices about snakes, bulls and
such-like war-like creatures. His
originality was priceless. He adver-
tised that "man traps, spring guns
and poliflosboros" were set on the
property. Whatever the almost un-
spellable finally mentioned contrap-
tion was, it had the desired effect
because trespassers became few and
far between.

What is the added cost to a gun
of the meticulously carried out en-
graving on the action of a gun? It
would be of general interest to know
what percentage of the price of a
good gun is "wasted" on engraving.
A good gun will point just as straight
with or without engraving.

OUT OF THE PAST

Twenty Years Ago

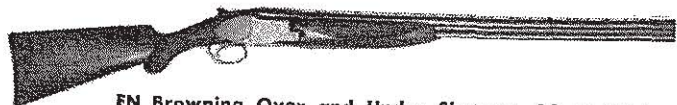

Although this section indicates reference to happenings of 20 years ago, it would seem that a little digression from the hard and fast "20 years ago" would not be out of place.

Delving through the archives and finding records of the early years of the Association, the writer discovered the Roll Book for the first Official Referee examination held in May, 1939. It is interesting to recall the "students" who attended the two personal lectures on refereeing delivered by Horrie James. The Roll shows the following names: the late T. J. Saville, S. F. Dunster, K. G. Rice, E. A. Nicholl, R. W. Delaney, A. J. Byers, the late C. Corbett, Tom Almond, C. Wignell, Gordon Tilly, R. A. Blackwood, W. A. Howe, D. Dihm, E. Wangeman, the late Harry Watts, D. Watson, Percy Dennis, A. Snow, T. R. Wightman, Harry Burrows, W. Twyerould, W. McCullough and W. J. Hanran of Townsville (Q.), who underwent the Referee test by post—the first man in Australia to do this. All succeeded in passing the Referee test except W. A. Howe and D. Dihm, neither of whom are now connected with the sport. It is of

interest to note that Tom Almond was a member of the original class. He is today still an Official Referee as well as a Referee Examiner, and refereed during the recent A.C.T.A. National Championships and International Match at Southport (Q.) in June.

Another interesting item discovered recently was a copy of the First Annual Report and Statement of Receipts and Expenditure, which was placed before delegates at the annual meeting on December 2, 1937, at Tattersalls Buildings, Melbourne. Office-bearers of 1937 were: President, H. G. James; Vice-Presidents, Messrs. J. M. Wilson, F. R. Hockey, L. L. Schilling, Lt. Colonel W. Bridgeford (now Major-General, retired); Executive Committee, Messrs. the late A. P. Cooke, R. W. Delaney, E. E. Simpson, the late B. Anquetil, E. S. Lyons; Treasurer, Reg. W. Hawke; Hon. Secretary, W. McCullough. The Association then had a panel of handicappers (but no formula), and this panel comprised the late E. J. Parow, the late Lew Bertram and E. S. Lyons. The Association's credit balance at end of 1937 was the minute sum of £51/8/0.

In July 1940 Jack Bryant Senr. won his 21st championship when he won the Victorian Double-rise Championship on the grounds of the Cam-

berwell C.T.C. at North Balwyn. The report of the period states that Bryant also won this same title at Seymour in 1939.

Ten Years Ago

Peter Wray, then a 12-year-old, was fast coming under notice at this period. He has since developed into one of the best all-round trapshots in the Commonwealth.

A report of this period included a mention of Keith Cameron of Roma, being "brought up shooting butterflies on the wing with a pea rifle". This has not been confirmed.

The 1950 Club Mixed Birds title of the Coburg Club went to Jack McCraith with a score 16/20. Runner-up was the now seldom heard of shooter "Peters" with 15/20; Clem Mudford was third, 19/25.

Bill O'Brien and Ted Matthews, still stalwarts of the Holbrook Club in the Riverina, were under notice

with equal top scores in a £25 Handicap. They cut.

An interesting contest, about this time, is reported from Townsville, where the rifle club members and gun club members did battle in a teams' contest. Conditions were that 24 men from each organisation would shoot with the opposite weapons, i.e. gun shooters shooting on the rifle range with .303's, and rifle shooters later facing up to the traps with 12 gauge. After a really strenuous encounter the gun club team was declared the winner by 1 point. This type of contest could be encouraged in other centres.

M. Colbeck, T. Cannon and Neil Frith divided a £50 Handicap at Cressy, Tasmania, in July 1950.

AROUND THE CLUBS AND MEETINGS...

ALEXANDRA (S.A.), 8/5/60. — Weather conditions: calm, cloudy. Attendance: 39. Results: No. 1, 10-bird: 11 div. No. 2, £25 H'cap (20 birds): R. B. Hutchinson, G. Ash, K. Burzacott, 20/20, div. No. 3, £25 H'cap (20 targets): R. Curtiss, H. R. Commons, R. Mules, C. D. Scott, P. Winzen, G. Ash, D. Kimber, D. Ekins, 20/20, div. No. 4, 5 pr. Duck-shooters' D. Rise: R. Mules, B. Mutton, 9/10, 1st: R. Curtiss, 8/10, 3rd. Average attendance in Woodrow weather. G. Ash continued his run, not missing once. R. B. Hutchinson only dropped 1 target; also Ralph Curtiss missed 1. Visitors from Adelaide, Barmera, Mannum and Naracoorte. (T. V. Roberts, Hon. Sec.)

ALEXANDRA (V.). — The combined President's Day and Ninth Birthday Shoot brought along many friends, including visitors from Melbourne, Yarram, Frankston, Shepparton, Croydon, Euroa, Nalinga, and local shooters. Although conditions were mild, the day was very overcast and dark, following heavy overnight rain, but no rain fell during the day shoot. At night very heavy rain caused several hurried retreats from the tracks. The day shoot got away to a bad start, as football fever got the best of the pullers and trap boys engaged for the day, and of all those engaged, only one trap boy turned up. This caused a very busy and difficult day for the management, and only the generous help of many visitors and the giving up of their shooting by some club members enabled the programme to be completed — behind time all day except for the actual starting of the first event.

In order to get the President's Handicap under way the finalists of the Birthday Handicap agreed to complete the tie shoot at night. Consequently the scores recorded by the place-getters were not consecutive, as each place-getter missed a target or more in the main event. The second round and tie shoot of this event were also shot under the lights. Local shooters were in top form during the day and took nearly all placings in the two main events. Gil Lund was the only visitor to share in the day trophies. He shot well all day and at night, too. Missed his first release in the C'ship and finished with 19/20. Jim Anderson missed his last one in President's H'cap.

Harry Johnson, Leo Doyle and Bill Sheridan (all automatic users) fittingly staged a great battle to win a new gun, but Harry took the trophy home after a good display by all finalists. Russ Stillman, efficient treasurer and member of the office staff, gave away his golf for the day with good results. His work in the office and his shooting were top class and he wanted a new automatic, too, but dropped one bird in the gun event. At night Roy Ayre really settled to the job and pulled only two second barrels in his 75 to win the Goulburn Valley C'ship. Fred Jones of Nalinga was another to show how easy it is to run up a big score. A Hedger; on a very difficult day with changing wind, recorded a possible in the main event from his 24-yd. handicap and did a really good job. The white-banded birds were a great asset on such a dark day and could be picked up easily as they left the traps.

The club gave a free barbecue tea to all shooters and their friends, and a happy atmosphere, usually associated with the smell of barbecues, was created. The ladies' committee was responsible for the providing of all food consumed during the shoot, and the club thanks them for their usual excellent effort, plus the barbecue. The club also thanks all those willing helpers who came to the rescue with pulling and refereeing — we apologise for having to use you up so much.

Night: 5-bird D.B.: 27 possibles from 36 shooters. Goulburn Valley D.B. Night C'ship: Sweep, div. F. Jones, R. Ayre (Melb.), A. Hedger, Leo Doyle, R. Stillman, 20/20; Trophies: 1st, R. Ayre, 75/75; 2nd, F. Jones, 74/75; 3rd, R. Stillman, 59/60; 12/13 yd., B. Henwood, 20/22. Teams shoot: Alexandra, 169/180; Croydon, 167/180.

Extremely bad weather for the shoot on May 7 did not greatly affect the attendance and 20 shooters enjoyed shooting in dark conditions, and with several breaks while heavy rain fell. Visitors from Mansfield were made welcome and helped to make the day pleasant socially. Once again Manse Hedger, who has developed into a most consistent good shot, shared top place, this time with his son Ron, who has not been shooting for some time. Again, too, Bill Sheridan was in good form in all events and he, together with Mansfield President, Lloyd Parks, and Gordon Cumming, displayed excellent shooting at the novelty double-rise, which we learned about at Alexandra (S.A.). Club thanks to the ladies for excellent afternoon tea and supper.

The night shoot was very poorly attended because of the bad weather. Only small sweepstakes were conducted. Arthur Hedger showed some very good slides of the recent South Australian trip, and of various well-known shooting identities. Thanks also to Gordon Cumming for loaning the trap to enable the "Duck-shooters' Double-rise" to be included in the programme.

APSLEY (V.), 21/5/60. — Weather conditions: good. Attendance: 24. Results: No. 1: 13 shooters div., 5/5. No. 2, Trophies (1st, 2nd, 3rd): T. Reschke, 1st, 71/71; H. A. Miller, 2nd, 70/71; K. Roper, 3rd, 42/43. No. 3, S'takes: M. Grigg, R. Butler, K. Foster, B. Robinson, J. O'Connor, T. Mock, P. Cleggett, H. A. Miller, G. Freckleton, div., 5/5. No. 4: T. Mock, M. Grigg, I. Roberts, R. Butler, K. Foster, B. Robinson, J. O'Connor, P. Kain, C. England, P. Cleggett, H. A. Miller, H. Williamson, div., 5/5.

Attendance below average due to farming activities. Standard of shooting very high, eight shooters shooting the possible in main event. Congratulations to Trevor Reschke on winning main event and shooting a 75 break. Athol Miller, who was 2nd, also shot a 75 break. Many thanks to the ladies who supplied the usual excellent afternoon tea.

AUSTRALIAN (East Burwood, V.), 7/5/60 — No. 1, 15-bird D.B.: div. D. Parsell, W. Henwood, F. Johnston, W. Lonie, S. Henwood, 14/15. No. 2: The second event was for the Duke of Gloucester's Cup. Shot for annually and held by the successful shooter for 12 months: 1st, T. Lucas, 30/30; 2nd and 3rd, F. Thatcher, 36/39; F. Johnston, 35/39. No. 3, 30-bird D.B. (s'take split up into three): 10-bird sectional winners were, J. Siede, T. Lucas, F. Johnston, W. Lonie, S. Henwood, F. Whitten, F. Thatcher, W. Henwood, 10/10.

11/5/60 (Night). — No. 1, 10-bird D.B.: div. B. Andrews, A. Hamilton, J. Siede, F. Whitten, W. Carlson, S. Stevens, R. Siede, I. Porter, T. Lucas, M. Whitelaw, 10/10. No. 2, Metropolitan Night S.B. C'ship: 1st, W. Gresselle, 29/30; 2nd, A. Hamilton, 32/35; 3rd, W. Le Strange, 31/35. No. 3, 15-bird D.B.: div. W. Carlson, S. Stevens, S. Thomson, 15/15.

Seems to me that the older Bill gets, the better he shoots, as there is no gainsaying that a score of 29/30 single barrels for a night shoot is first-rate shooting. Front-markers' trophy was taken by V. Speechley, 15/20.

14/5/60 (Skeet). — Conditions: wet, wet enough to make one think of joining the Alice Springs Club. Fred Thatcher had to be towed out with Cyril Fankhauser's tractor; Evan Evans was lucky not to need the same treatment. Definitely only a day for enthusiasts. No. 1, 25-bird Skeet: 1st, J. Siede, 24; 2nd, D. Edgerton, 23; 3rd, R. Siede, R. Falshaw, E. Billman, 22. No. 2, 25-bird Skeet: 1st, F. Bendle, 35/36; R. Falshaw, 36/41; B. Bienne, 37/41.
Above scores include handicaps.

21/5/60. — Another wild day, howling wind, driving rain, almost enough to make one believe what the Sydney-siders say about Melbourne weather, but this did not prevent some very good scores in the Club D.B. Sparrow C'ship: winner, A. Hamilton, 33/35; F. Johnston, 31/35, runner-up. Run in conjunction with the C'ship were yardage events, which were won by: 16/20 yds., 1st, J. Siede, 41/45; F. Whitten, 40/45; W. Lonie, 19/22; front-markers, 1st, S. Henwood, 26/29; 2nd, E. Jackson, 15/20; 3rd, J. Perry, 13/20. No. 2, 10-bird D.B. Sparrow: 1st, I. Porter, 10/10; 2nd, W. Henwood, 9/10. No. 3, 15-bird D.B. Pigeons: div. J. Siede, W. Lonie, A. Hamilton, S. Henwood, 15/15.

25/5/60. — Results (last night shoot for the season): 10-bird H'cap: L. Henwood, S. Henwood, 10/10. 10-bird H'cap: J. Siede, W. Henwood, S. Henwood, 10/10. 10-bird H'cap: A. Kilpatrick, W. Henwood, S. Thomson, R. Siede, S. Henwood, 10/10. 10 pr. D. Rise: F. Whitten, 8/10; J. Siede, S. Henwood, 7/10.

28/5/60. — A fine day at last, which was reflected in the attendance, the last event being finished with the lights on. No. 1, 25-bird Skeet: div. B. Turner, G. Biggs, I. Porter, 25/25, div. No. 2, 25-bird Skeet: This event was won by a new shooter, R. McKimmon, who was not aware that he had a handicap (start) of 10 birds, as he had disappeared at the conclusion of the shoot; however, his 15 birds off the gun, plus his handicap, gave him a nice trophy and some cash to be collected. 2nd, D. Speers, 24; 3rd, J. Siede, 23.
(Roy Falshaw.)

BAIRNSDALE (V.), 14/5/60. — Weather conditions: fine and very windy. Attendance: 14. Result: No. 1, 5-bird Pts.: 1st, W. Williams, F. Howlett, D. Macarthur, 14/15 (comp. div.). No. 2, 20-bird D.B. (Dr. Mitchell Memorial Shoot): 1st, N. Young, 23/24; 2nd, C. Heath, 22/24; 3rd, G. Ridsdale, 21/23. No. 3, 5-bird Walk-up: 1st, A. Dyer, K. Hoffman, W. Williams, 4/5, div.

Roll-up of 14 shooters; however, the poor weather and the fact that several regulars were on holidays, helped to reduce numbers. Those shooters who did attend enjoyed the shoot, and the ladies must be thanked for their usual excellent afternoon tea. Pleasing to see that stalwart of the shooting world, Norman Young, win the Dr. Mitchell Memorial Trophy.
(C. H. Heath.)

BARCALDINE (Qld.), 8/5/60. — Weather conditions: fine, with light wind. Attendance: 15. Results: No. 1, 10-bird D.B.: div. R. H. Moyse, J. Anderson, R. Scott, 10/10. No. 2, 10-bird D.B.: div. J. No. 5, 20-bird D.B.: 1st, M. Moyse, 20/20; 2nd, G. McMillan, 19/20; 3rd, div. J. Dickson, H. Cooper, 13/18. No. 6, 20-bird D.B. Pts.: 1st, M. Moyse, 57/60; 2nd, O. Walker, 56/60; 3rd, R. Scott, 55/60. No. 7, 10-bird D.B. Pts.: div. R. H. Moyse, J. Dickson, R. Scott, 30/30. No. 8, 10-bird D.B.: 1st, M. Moyse, 10/10; 2nd and 3rd, div. H. Couper, W. Lewis.

This was our first shoot for the year, coming last on the Central West Queensland circuit, and attendance was good. The outstanding effort for the day was by Mick Moyse, who shot 70 straight and was unable to make it 75 owing to the failing light. Good shooting, Mick. Visitors were present from Ilfracombe and Aramac. Barbecue was held at night, and thanks to Mr. and Mrs. Ted Cook for supplying and arranging afternoon tea.

BATHURST (N.S.W.), 21/5/60. — Conditions: fine and cold. Attendance: 20. No. 1, 5-bird: J. Benton, A. Rowe, H. Wright, A. Combis, R. Gittos, 5/5. No. 2, 20-bird Skeet: H. Jaques, 16/20; A. Rowe, D. Heilman, 13/20. No. 3, 5-bird Trophy: 1st, D. Heilman, 15/15; 2nd, E. Field, 14/15; 1st F.M., R. Gittos, 13/14; 2nd F.M., P. Soames, 7/8. No. 4, 5-bird: E. Field, A. Rowe, A. Combis, R. Patterson, D. Heilman, 5/5.

The re-introduction of skeet shooting at the club shoot proved very popular among shooters and spectators. This was the first time many of the members had witnessed skeet shooting, and all expressed pleasure in the aspect of the sport. The club has excellent facilities for skeet shooting, and it will be surprising if it does not regain its former popularity. Harry Jaques handled the skeet very well and scored 16/20, this being followed by Arch Rowe and Doug Heilman with 13/20. Doug Heilman shot well throughout the programme and was successful in winning the main trophy, which was donated by Alan Barnett of Orange. Second trophy went to Ernie Field of Orange, who also has been shooting well and who put up a good performance at a recent shoot at Bankstown. Cowra shooter, R. Gittos, was the winner of the trophy order donated by I.C.I.A.N.Z. Co. of Sydney for front markers. Peter Soames, who is improving at each shoot, was successful in gaining second front markers' trophy.

Five more shooters joined the club, and this brings the total number of members to 54. This is very pleasing, considering the club has only been functioning four months after a recess of approx. 12 months. At a committee meeting held recently the following attractions were approved for the remainder of the year: August 20, Club S.B. Championship; October 15, Club Double-rise Championship; November 19, Club D.B. Championship (Day); Club D.B. Championship (Night); December 17, Xmas Shoot. (J. Rowe, Hon. Sec.)

Sec.)

BOORT (V.), 21/5/60. — Weather conditions: cold and windy. Attendance: 18. Results: No. 1, 5-bird Pts.: div. R. Manuel, A. Mason, I. Whyteross. No. 2, 15-bird D.B. Trophy: J. Cumming, 1st, 29/29; K. Despite a cold, windy day, we saw the best shooting yet on the new ground, with two shooters in Allan Mason and Jack Cumming both shooting 50 breaks. K. Dobson and J. Cumming gained possible scores in the trophy event, the latter winning with 29/29; third trophy went to Allan Mason after a marathon shoot-off with 48/49. We were pleased to see Jack Wright, who has been laid up for some time with a broken leg, return to the job and take the front markers' trophy. (E. M. Lanyon, Hon. Sec.)

BRISBANE (Qld.), 29/5/60.—Weather conditions: fine. Attendance: 36. Results: No. 1, 15-bird D.B. Pts.: 1st, R. Gehrman, 72/72; 2nd, K. Stanton, 63/69; 3rd, A. Thurlow, 58/60. No. 2, Sth.-East, 25/25; 2nd, G. (20 birds): 1st, J. Smith, 25/25; 2nd, G. Towne, 24/25; 3rd, I. McConnell, 29/30. No. 3, 20-bird D.B. H'cap: div. B. Mackey, R. Gehrman, G. Towne, W. Marshall, N. Pittaway, 20/20; best 12 ydr., 17/20. No. 4, 6 prs. D'ville Doubles: B. Deignan - J. Smith, 23/24.

We could not have picked a better day for our all-day Championship Shoot, even though the weather had been so doubtful during the week. The ground had dried up nicely by the week-end and, together with the usual response we receive from our many willing assistants, the day was most enjoyable.

Jim Smith made a triumphant come-back after an absence from the tracks by winning the title of the South-East Queensland S.B. Champion. Jim and Geo. Towne (Roma) both shot the possible 20, but George lost the last bird in the next round. Third place was also decided by a shoot-off with five shooters, and it was good to see Ian McConnell, who came all the way from Darwin, taking this trophy. Ray Gehrman, who is shooting quite consistently lately, had to out-shoot Keith Stanton and Alf Thurlow to win the D.B. Points event. Two second barrels in the first round put Alf out first, then Keith lost two straight to Ray.

Also characteristic of the good standard of shooting during the day were the five possibles in the 20-bird H'cap. Nice to see Warwick's President, Bill Marshall, share in this with Geo. Towne, Bruce Mackey, Ray Gehrman and Norm Pittaway. The Deauville Doubles shoot-off was quite an exhibition, with three pairs really trying. Each time they went back two yards until the 27 yds. mark, and Bill Stevens (Warwick) and A. Cooper lasted until their 19th target, then Norm Pittaway and Bruce Mackey chalked up another couple, but missed the next two, and that gave Jim Smith and Barney Deignan their win.

After Vice-President, Lawton Taylor, had welcomed the visitors and thanked the ladies who served the barbecue lunch and teas, our Patron, Mr. Justice Stanley, presented the prizes. We were very glad to have John McQueen join us, and just by way of a start, he shot eight out of ten birds. Yes, his very first shoot! We were also pleased to see Bob Katter (Cloncurry) and Bob Norris (Cunnamulla), as well as our Pittsworth, Warwick, Dalby and South Coast friends.

Shooters, please don't forget that we have changed our July shoot to the 24th instead of the 31st. (E. Mackey, Pub. Officer.)

CAMBERWELL (V.), 7/5/60. — Weather conditions: cold and showery. Attendance: 33. Results: No. 1, 5-bird D.B.: div. A. Ginnivan, J. Harle, J. De Pellegrin, J. Henwood, D. Nicholls, R. Wood, G. Metz, R. W. Fox, 5/5. No. 2, Club D.B. Intermed. C'ship: 1st, J. De Pellegrin, 49/50; 2nd, R. W. Fox, 47/50; 3rd, S. Stevens, 29/30; 12/16 yds., J. Henwood, 28/30. No. 3, 10-bird D.B.: div. A. Craig (Coburg), R. Henwood (Croydon), 10/10.

Even though the weather was not the best, a fair attendance shot in the Club Intermediate Championship. Those who came along witnessed a very fine shoot-off for the places. John De Pellegrin put up a mighty performance to win from that up-and-coming champion Rusty Fox (our popular President). Fox

and Bill Gresselle were successful previously at Croydon in the Deauville Doubles Championship, with the only possible. These two "youngins" can still show their heels to many. Young John Henwood is able to hold his own with the grown-ups and could be one of our future "champs".

21/5/60. — Weather conditions: little rain and gusty. Attendance: 33. Results: No. 1, 5-bird S.B.: div. W. Gresselle, J. Henwood, W. Bell, R. Henwood, R. Dinsdale, J. McInnes and N. McKenzie, 5/5. No. 2, Club S.B. C'ship (20 birds off 16 yds.): 1st, L. Swain (Cardinia); 2nd, G. Metz, 39/40; 3rd, W. R. Johns, 37/40; 12/16 yds., O. Chimenello, 23/25; 17/18 yds., D. Nicholls, 36/40. No. 3, 10-bird D.B.: div. D. McMillan, R. Hering, R. W. Fox, J. McInnes, 13/13.

It was nice to see Lloyd Swain come along again and give the shooters a demonstration of just how it is really done. "Good luck, Lloyd". To go on and shoot 39/40 after dropping his third bird was a very fine effort and stamps him as a real champion. Young G. Metz, a product of the I.C.I. Shooting School, under Jim McInnes, put up a very fine effort, and with a little more experience will keep the best busy. This speaks volumes for the coaching handed out by Jim McInnes. Don Nicholls was a trifle unlucky to draw such a bird after going so far, 36/40. Keep it up, Don. You will soon have a sash around your shoulders. It was very nice to see Reg Blackwell on the track; he was one of the six with 19/20 in the shoot-off with Lloyd Swain. Ray Hering and Jim McInnes also shot well on the day, which was not conducive to high scores.

(W. R. Johns, Hon. Sec.)

CHARTERS TOWERS (Qld.), 7/5/60. — Weather conditions: dull and cool. Attendance: 27. Results: No. 1, 5-bird S.B.: H.

No. 4, 5-bird S.B.: G. Archer, K. Taylor, C. R. Archer, N. Norris, W. Smith, 5/5, div. No. 5, 5-bird S.B.: W. Hughes, R. Scott, J. Stanger, H. Lavery, T. Chapman, C. R. Archer, G. Archer, J. Carrington, T. Wellington, A. Moore, 5/5, div. No. 6, 5 pr. D. Rise: W. Hughes, H. Lavery, 5/5, div. 1st and 2nd; N. Norris, T. Wellington, R. Matthews, C. R. Archer, 4/5, div. 3rd. No. 7, 3 pr. D'ville Doubles: 1st, N. Norris - R. Scott.

Although weather conditions were unusual for this time of the year, a large number of shooters attended and good shooting was witnessed. At the conclusion of the afternoon's events members and supporters gathered to bid farewell to club member Bill Hughes, who is on transfer to Surat. The club President, Mr. W. Carrington, expressed regret at Bill's transfer and made mention of his fine prowess with the gun. He wished Bill and Mrs. Hughes every success in the future, and his remarks were suitably endorsed by Bob Scott, Sgt. Bianchi and John Carrington. In reply Bill stated that he was sorry to be leaving, but hoped that some day he would be able to return to the Towers. As a mark of appreciation the club presented Bill with a very handsome brush and comb set, whilst Mrs. Hughes was the recipient of a beautiful handbag from the Ladies' Auxiliary, of which she was a member. An example of the esteem in which Bill was held in gun-club circles was the special trip made from Townsville by Messrs. J. Carrington and T. Wellington, which was a grand gesture by John and Tom. The afternoon concluded with all present enjoying a delicious supper prepared by the

Ladies' Auxiliary, to whom we are deeply grateful. (L. J. Smith, Hon. Sec.)

COBURG (V.). — Due to pressure of business and a slight case of forgetfulness, no club notes appeared in last issue. How complacent can one get! I deluded myself into thinking the breach would pass unnoticed, but "whaffors" came from all sides and I offer my abject apologies. I didn't know I was so widely read.

In regard to the Kel Lowry Testimonial, even if notes had been published last issue I could not have given the full details, as the matter was not then finalised, but now I can give the results, and you will agree that they were highly satisfactory.

This testimonial shoot was held on April 2, and attracted a very large attendance. We were able to raise £400 for this worthy cause, and our thanks go to all who helped to make the testimonial a success. It would be impossible to individualise the many gifts of cash and kind, and we ask all who took part to accept our grateful appreciation for a job well done.

The late Kel Lowry had been a friend to all and the tribute paid to him on this day typified the esteem and respect in which he was held throughout the sport of clay bird shooting.

The Commonwealth Mixed Birds Championship was shot on April 30, and was won by Andy Tie with a score of 26/28. He beat Ray Hering (24/28), with Roy Ayre (31/36) third. Ron Jones took the 12/16 yds. trophy with 12/20 and Maurie Rusford (15/20) got away with the 17/18 yds. prize.

May 14 saw the now well-established Coburg Cup contested by a large and capable field. However, those who braved the elements got little co-operation from Jupiter Pluvius. To put it mildly, it was a cow of a day.

The conditions of the Cup provided for prizes for the first five placings and also a trophy for the best of five yardage groups who missed out in the main trophies.

The event was shot at 60 releases, and at the end of these Norm McKenzie and Fred Shearer were level in scores and went on to decide the outright winner. And what a shoot-off it proved.

Despite the rain, wind and cold conditions, this pair performed like champions, and it was not until the 110th round that Fred Shearer tried enough. Norm McKenzie's win with a grand score of 105/110 was a most popular one, and the first to congratulate him was Fred Shearer. Norm is shooting well just now and is hard to beat in anything, but I think all will agree this was his best performance. Mrs. McKenzie saw Norm win, and judging by her smile at trophy time, she will see to it that the Cup never loses its brilliance.

Fred Shearer was grand in defeat and his effort would have won 99.9 times in 100. Congratulations to both shooters.

The shoot-off for the remaining placings was also full of interest. Don Nicholls took third prize with 61/70, Clarrie Northey (this lucky guy who got the possible in Tatts recently) was fourth with one point less, and Vic. Speechley fifth with 61/71.

The yardage participants were: 12/16, B. Roberts (54/60); 17/18, Alan Craig (60/67); 19/20, Bob Andrews (61/72); 21/22, Bill Deverall (57/64); 23 yds. and over, Ray Hering (54/60).

Our committeemen did all right for themselves in this event. Five of them took out trophies — Norm McKenzie, Fred Shearer, Don Nicholls, Alan Craig and Ray Hering.

On May 28 we conducted what was virtually a practice for the International shoot, and the main event was a 45-birder from 16 yards. The weather on this occasion was fine, but a high wind made shooting conditions somewhat difficult. The attendance was fairly good.

A start was made with a 15 birds Points at 16 yds., and in this Ron Kilpatrick (a consistent visitor from Apsley) was the outright winner with a clean score. Ray Hering was one point down in second place, while third money was cut between Tom Spence, Don Nicholls and Fred Shearer.

The main event was divided into three divisions, with a first and second trophy in each.

In the 12/16 yds. group George Moore (38/45) was the winner from Tom French (36/45). Roy Kilkenny (41/45) was too good for Alan Craig (39/45) in the 17/19 yds. section, while George Hayman (42/45) accounted for Ray Hering (41/45) in the 20 yds. and over shooters.

A 20 birder concluded the day, and in this Roy Kilkenny was the winner with 19/20, beating Harry Belmore, Norm McKenzie and George Moore, each with 18/20.

The Grand Prix Carnival is creating great interest and enquiries are being received from all over the place. Quite a few, too, are taking advantage of the "Pay as you go" plan. The main prize for the Grand Prix on Cup Day is a Chrysler-Royal Sedan (supplied by Drouin Motors), and this has captured the imagination of all shooters. Some have already made arrangements to have their garages enlarged to accommodate this handsome car.

As you know, the winner can choose his own colour and the car will be registered directly to him. Later a similar car will be on display at the grounds, but if anyone puts his fingers on it he will get shot.

All sorts of arrangements are in train to make this the greatest carnival ever. There will be a gun tent on the grounds during the three days for repairs and what have you, and the catering arrangements will provide for first-class meals, etc.

Some caravan accommodation has already been booked, and if you desire same, contact President Harry Belmore (JU 5179); he'll see that you are comfortable.

You remember our Ball at the New Alexandra, St. Kilda, last year? Well, it's on again in September. There will be more of this later.

I hope these notes will compensate those readers who were so perturbed by their absence last issue. The only thing now is to see that the Editor plays ball and gets me out of a spot by a minimum use of the blue pencil. (C. J. Colledge, Hon. Sec.)

COLAC (V.), 25/4/60 (Night). — Weather conditions: showery. Attendance: 18. A night shoot was held under the floodlights on Monday, 25/4/60, and once again proceedings were interrupted for a time by heavy rain. The programme consisted of down-the-line, double-rise and deauville doubles events.

Visiting shooters attended from Geelong and Seymour, while a visitor from New Zealand was prevailed upon to try his form with the gun for the first time.

7/5/60 (Night) — Weather conditions: showery, gusty wind. Attendance: 28. Twenty-eight shooters attended the clay target shoot on Saturday night, 7/5/60, to compete for

championship honours. The main event, the Victorian Double Rise Championship, shot at 15 pairs from 16-yard rise, was won outright by Australia's top-notch champion shot, Newton Thomas (Melbourne) with a score of 12/15. Only one point behind were local shooters Peter Boyd and Ian Holt, and after a tie shoot Boyd finished third and Holt second. The Western District D'ville Doubles Championship, shot at 20 pairs from 20-yard rise, was won also by Melbourne shooters, Wing Commander Roy Ayre (R.A.A.F., Laverton) and Bob Andrews. They handled the difficult targets splendidly to record the only possible score. Local shooters again took second place, with a score of 19/20, Ray Parker and Ian Holt.

It was most heartening to club officials to note such a good attendance of shooters, following on a week of wind and rain, and the President, Mr. E. Osborne, thanked them for their support. Shooters attended from Geelong, Cressy, Cobden, Barwon Heads and Melbourne.

The ladies, as usual, provided a tasty supper, which, combined with the two big fires, contributed largely to the comfort of all and assisted to combat the chilly conditions outside the clubhouse. The referees, scorers, puller and trapper also performed their duties capably and cheerfully.

A team from Mudgee were present to do battle for the N. Kurtz Shield, which Coolah won from Mudgee Club at the previous meeting. Denman was also expected to participate, but unfortunately were not able to attend. The weather was pleasant except for a slight and chilly breeze and all shooters and spectators enjoyed the day, the Shield being retained by Coolah's team. Was good to see Jim Hanns come in "off the grass" to take out a pair of trophies. Young Bobbie Dowell from Mudgee, a last-minute rep. in the Mudgee team, also shot exceptionally well, gaining 12/15 yds. trophy in the 10-bird Point Score. All in all, an enjoyable meeting.

ECHUCA (V.), 28/5/60. — Weather conditions: windy. Attendance: 20. Results: No. 1, 5-bird D.B.: div. H. Gibson, R. Adams, V. Baldwin, D. Curtis, M. McLeod, K. Dobson, 5/5. No. 2, 10-bird D.B.: div. P. Maher, R. Hitchcock, A. McIlroy, 10/10. No. 3, 15-bird D.B. Trophy: 1st, A. McIlroy; 2nd, L. Gibson; 3rd, H. Gibson; F.M., A. Baldwin. No. 4, 5-bird Pts.: G. Coombes, 1st; J. Cumming, M. McLeod, 2nd.

A cool, windy day kept scores down for our day shoot, shooters attending from Tatura, Nathalia and Bendigo. It was pleasing to see one of our old regulars back in Roy Adams, who now resides in Melbourne. The main event went to Austin McIlroy, who was the only shooter to stop the required 15 birds: Lance Gibson was 2nd and Harry Gibson 3rd. The front marker was won by A. Baldwin. It was decided by the committee that our monthly shoot will be conducted on the fourth Saturday in each month until further notice. (P. G. Grinter, Hon. Sec.)

FOSTER (V.), 14/5/60. — Weather conditions: wet and windy. Attendance: 30. Results: No. 1, 10-bird Pts.: Roy Traill, F. Brown, R. Martin, R. Glover, div., 30/30. No. 2, 15-bird D.B. Teams Shoot (1st, 2nd and 3rd trophies): H. Beard, 1st, 33/33; Roy Traill, 2nd, 32/33; M. Cripps, 3rd, 20/21. No. 3, 10-bird S.B. (1st, 2nd and 3rd trophies): 1st, C. Bailey, 16/16; 2nd, E. Cripps, 15/16; 3rd, Roy Traill, 12/13. No. 4, C. Budge Shield Teams Shoot: 1st, Sale, 69 pts.; 2nd, Morwell, 66; 3rd, Yarram, 64; 4th, Foster, 62; 5th, Warragul; 6th, Wonthaggi, 51.

The day was anything but good: rained most of the afternoon, with windy gusts, otherwise a very pleasant shoot. In the Chas. Budge Shield Teams match (15-bird from h'cap marks) Sale proved the stronger team with a lead of 3 points. Wonthaggi had bad luck; one of their shooters failed to appear, leaving only four in their team. Roy Traill from Sale shot very well, going through the programme without loss. Many thanks to all those that helped so ably with refereeing and scoring; also the ladies for the afternoon tea. (C. Steele, Hon. Sec.)

FRANKSTON-PENINSULA (V.), 19/3/60. — Weather conditions: fine and warm. Attendance: 37. Results: No. 1, 5-bird (8th div.): J. Ferrero, L. Mannix, L. Swain, J. Poynton, R. Garth, M. Fletcher, N. Miller. No. 2, 15-bird D.B.: 1st, K. Pearson, 23/23; 2nd, I. Evans, 24/25; 3rd, J. Glover, 23/25. No. 3, 10-bird S.B.: 1st, J. McInnes, 10/10; 2nd, div. C. Oke, J. Davis, J. Glover.

9/4/60.—Weather conditions: cold and wet. Attendance: 34. Results: No. 1, 5-bird (8th div.): L. Male, M. Delorenzo, B. Hall, M. Miller, I. Evans, J. Kirkham, B. l'Anson, G. McComb. No. 2, 5 pr. D. Rise: 1st, M. Miller, 5/5; 2nd, M. Delorenzo, 7/8; 3rd, B. Hall, 6/8. No. 3, 10-bird Pts.: 1st, R. Adams; 2nd, M. Delorenzo; 3rd, L. Male.

7/5/60. — Weather conditions: cold and windy. Attendance: 22. Results: No. 1, 5-bird (8th div.): M. Talbot, V. Speechley, I. Evans, G. McComb. No. 2, 10-bird D.B.: 1st, M. Miller, 16/16; J. Glover, 15/16; N. Delorenzo, 13/14. No. 3, 10-bird S. Rise: 1st, G. McComb, 9/10; H. Talbot, 13/15.

A poor attendance for the May shoot owing to such bad weather conditions. Noel Miller was fortunate to win the main event, 10-bird D.B., and was closely followed by J. Glover, 2nd; N. Delorenzo, 3rd. Congratulations to

these shooters. The Club S.B. Championship will be held in July. Thanks to the ladies' committee for their very welcome afternoon tea. (Iris Miller, Sec.)

GERALDTON (W.A.).—Sunday, 8/5/60, saw the official opening of the Geraldton Gun Club's 1960 season, but due to the doubtful climatic conditions, a comparatively small crowd attended. The new President, Theo Hackett, welcomed the visitors and members and apologised for the absence, through ill-health, of the club Patron, Len Shephard, who was to have officially opened the season. In Mr. Shephard's absence, the President called on a Past President in Bill Elliott to officiate.

Mr. Elliott traced the origin of the club from its inception in 1951, when it was the second club formed in W.A., to the present day; he instanced the difficulties of the original members in obtaining suitable grounds, the tenancy of which was for extremely short periods necessitating a change of grounds each year until finally the club has now become firmly established. Continuing, Mr. Elliott stated that membership has always been a problem, due chiefly to the distances that some members travel, but considering all, the club during the past few years has had an average of 20-25 shooters facing the traps, and this augured well for the enthusiasm of the members and compared more than favourably with local and Eastern States clubs. Mr. Elliott also stated that there were approximately 14 clubs in W.A., and his advice to the local members was to visit as many of them as possible to obtain the competitive shooting so essential to the making of a good shooter.

The event of the day, the 20-bird Walk-up, was shot under rather difficult conditions by 14 members; Bill Sharp of the Perth Club shooting as a visitor. Considering all, some good scores were returned and a shoot-off between John Glass and Joe Constantino, who had each scored 16/20, resulted. Both shooters commenced very confidently, but on the second round Constantino dropped a bird, which proved his undoing, Glass being declared the winner. Dick Burton and Stan Gratte, with 15/20, shot off for 3rd place. Both these shooters lacked their usual good form, but climaxed a most interesting shoot, with Burton filling the final placing.

The trophies were presented by Mrs. Elliott, after which the President wished Dick and Mrs. Burton a happy time on their trip to Cairns; it is well known that Dick is taking his gun and will try himself out in the Eastern States.

Scores for the day were: J. Glass, J. Constantino, 16/20; R. Burton, S. Gratte, 15/20; T. Bassetti, 14/20; W. Elliott, S. Zorino, T. Hackett, 13/20; E. Boschetti, 11/20; J. Meadows, 10/20.

On Sunday, 22/5/60, in good conditions, the Geraldton Gun Club shot a 25-bird Skeet Handicap, in which 21 shooters took part. The event was divided into two Grades, A and B, and a most interesting shoot was witnessed by a large gathering of enthusiasts.

In the A Grade, with handicaps added, three shooters in W. Elliott, S. Gratte and J. Constantino returned scores of 25/25, which necessitated a shoot-off; Constantino, who has been shooting exceptionally well this season, was the first to drop out, and Elliott and Gratte continued on until Gratte broke down, thus giving Elliott another addition to his already long list of first placings.

QUEENSLAND INTERSTATE TEAM, 1960, AT CUNNAMULLA (Q.)

Back Row (L. to R.): W. R. M. Chandler, R. H. Moyse, H. T. Siddins, O. W. Smith, Doug. Smith, G. H. Schmidt, L. W. Haseler, B. A. Moody, C. Ferguson.
Front Row (L. to R.): B. R. Nasser, W. A. Gordon, E. McIntosh, Miss Pam Coxon, Alan Mace, A. R. Tibbits.

The B Grade also resulted in a shoot-off between S. Zorino, W. Heath and J. Kean; these shooters, together with their handicaps, also returned the score 25/25. Unfortunately Kean had to withdraw, leaving Zorino and Heath to complete the event; after some good shooting by these two popular members, Zorino proved the more consistent and took off the trophy.

A particularly interesting aspect of the day was the fact that John Glass, who shot 23/25 off the gun, was unable to qualify for the A Grade event; his handicap being scratch meant that he had to shoot 25 off the gun to be considered; however, his was only one of many good scores throughout the day.

Others to score well were R. Burton, 19; E. Boschetti, A. Schram, 15; T. Bassetti, N. Burton, 14; P. Mirigliotti, 13; J. Meadows, 8.

Mrs. Schram, in presenting the trophies to the winners, congratulated each on his effort during the day. In view of the general good shooting, the next Skeet event is already being keenly looked forward to.

(Jack Jones, Pub. Officer.)

A MAN AND HIS GUN.

At the Geraldton Gun Club's Handicap Skeet event, conducted at the club grounds on Sunday, 22nd May, something of interest to all shooters throughout the Commonwealth climaxed one of the best day's shooting of this club.

A shoot-off was witnessed for the B Grade event between Sam Zorino and Bill Heath, popular Treasurer of the club and ardent worker for the local R.S.L. Branch. Zorino proved on the day too good for his opponent, but the satisfaction shown on the face of Bill was worth going miles to see.

For some time past, Bill's gun has been the subject of discussion among members, due to the fact that his care of his "blunderbus" has been rather disconcerting to them whilst shooting; it has been stated that his "side-by-side" has been wrongly constructed and that the mirror finish on the outside of his barrels should have naturally been inside; it has been argued that at the completion of each shoot Bill has most carefully sand-papered the outside of his barrels to prevent rust; all shooters will agree how easy it would be on a bright summer's day to be on the next trap to Bill, whose gun gives off the appearance of a bushfire.

In conversation with Bill after the event it was learnt that 50 years ago, at the age of 16 years, he won his present gun, which he has used consistently ever since, as a first prize in a clay bird event in England. The trophy at that time was valued at £15/15/0. A field of 96 shooters faced the traps on that day. Five automatic traps were used and only one shooter was allowed on the track at the one time. The trapper sat behind a steel shield and controlled the five traps with five strings, the shooter having no idea at any time which trap would be fired; the event was also conducted on the miss-and-out basis, and eventually only Bill and another were left in the competition. Bill's opponent dropped one and, to Bill's delight, his next bird was, as he says, a "sitter", a left swinger high up, and silhouetted against a large fir tree covered with snow, he said, "Even I couldn't miss it. When asked if it was his intention to trade his firearm for the more modern type, his reply was, "This hasn't done too bad a job so far, and I think it will do me for quite some time yet."

It would be correct in saying that there is no more popular member to be found and no more enthusiastic worker for any club

QUEENSLAND PREMIER, MR. NICKLIN,
PRESENTS TROPHIES AT H.R.G.C.

Herbert River Gun Club's Championship shoot took place last Sunday at Ingham under excellent weather conditions. The principal event, the State Championship for Mixed Birds (20 birds) was won by F. Di Bartolo (Ingham), 20/20; this young shooter already holds several championships and his achievement was full of merit. Three members of this family, F., S. and A. Di Bartolo, ranged within 4 points of each other and were among the best shooters of the day. G. Zanetti was 2nd, 18/20, whilst 3rd place went to G. Galetta after shooting off with I. A. Rotondo and W. Fraser.

A very large programme was conducted and close scoring was the order of the day. Out of 135 birds in 7 events, S. Di Bartolo, G. Zanetti and R. Russo top-scored with 120 birds each, closely followed by one of the visitors, G. Galetta, 118; F. Di Bartolo and A. Girgenti, 117, G. Colombini and A. Di Bartolo, 116 each respectively.

The club President, Mr. Cristaudo, introduced the Premier, Mr. Nicklin, to present the prizes. He thanked the ladies for catering and all the visitors for coming such a long way, and the club members for their loyal support. Mr. Nicklin stated that he was pleased to arrive at such a critical moment, when the shooting was over, to present the trophies. He desired to compliment the club on a very nice set-up here and for all coming along. He stated that it was good to see so much activity in this district and such a strong club as the Gun Club had. He felt it a great pleasure to come along. During the day he had seen a big number of sporting activities in the district which offered the relaxation people needed. He wished the club every success. The President, Mr. Cristaudo, thanked Mr. Nicklin for coming along.

Huntly Gun Club conducted its Grand Prix shoot on Saturday, with a good number of shooters (35) from Harcourt, Boort, Echuca, Dunolly and Tandara attending. With a good breeze blowing, no full scores were recorded, J. Bennett winning the first prize, a wristlet watch, with 29/30. C. Cooper took the crystal vase for second (which would be a good gift for Mother's Day); J. Cumming the crystal clock, and the other yardage winners were the recipients of travelling clocks. Being a cool day, the ladies were kept busy with hot pies and pasties. Thanks, ladies, a job well done. (J. E. Jones, Hon. Sec.)

We had a good attendance, although the day was cold and windy. The shooting was of a high standard, particularly in the S.B. event. Paul McGovern, Mick Moyse, Ron Scott, Bill Moyse and Pam Coxon all shot a possible. In the shoot-off Ron Scott gained his first 50 break, and Pam Coxon was the eventual winner with 60/60. A pleasant barbecue was held at night.

KATANNING (W.A.), 1/5/60. — Weather conditions: cold and showery. Attendance: 17. Results: No. 1, 5-bird D.B. Pts. (yardage): J. Clegg, M. Crossley, A. Coleman, div., 15/15. No. 2, 10-bird D.B. H'cap: 1st, G. Way, 16/17; 2nd, T. Catling, 15/17; 3rd, J. Schinzig, 12/13. No. 3, 20-bird Skeet H'cap (old Rules): 1st, T. Catling; 2nd, R. Anderson; 3rd (equal), G. Way, J. Downer, A. Coleman. Bad weather kept a few shooters away, but the general standard of shooting suggests that most shooters have been keeping their eyes in on ducks, the season having just ended. The opening shot of the target season was fired by Mr. W. E. Nott, chairman of the Katanning Road Board, who also presented trophies to the winners. Despite the weather, there was a good attendance of spectators, and the afternoon must be regarded as being very successful.

BRISBANE GUN CLUB

Change of Shooting Date

The above Club will shoot on **SUNDAY, 24th JULY, 1960**, instead of **SUNDAY, 31st JULY, 1960**, so as not to clash with **ST. GEORGE GUN CLUB**, who will be shooting a two-day card on the 30th and 31st JULY, 1960.

By order of the Committee,

S. A. TAPSALL,

Secretary.

Rather a disappointing attendance in view of the very pleasant weather. The main event was a 20-bird S.B. Handicap event for a trophy donated by Mr. D. Hilton, convincingly won by John Clegg from his brother Brian. John was also high gun for the day with a score of 34/40, after a shoot-off with Brian Clegg and David Anderson. Congratulations, John. (E. M. Crossley, Shoot Sec.)

KELLERBERRIN (W.A.), 8/5/60. — The first shoot of 1960 proved very successful, and was attended by 29 shooters. Competition was keen despite a very strong, gusty N.W. wind which made the shooting anything but easy. Shooters were divided into groups 17 yds. and over, and 16 yds. and under. Results: 10-bird D.B. (comp. div.): M. Forbes, L. Solomon, A. Coutts, 10/10, 17 yds. and over; F. Johnson, 10/10, 16 yds. and under. 10-bird S.B. (comp. div.): D. Forsyth, M. Forbes, J. Pascoe, 9/10, 17 yds. and over; F. two events, with a total of 26/30. A new shooters' trophy was won by P. Pascoe, 21/30. The afternoon tea catered for by the ladies was very much appreciated. Our thanks to all visitors for their attendance. (Kellerberrin Club Reporter.)

Goodsell, 27/30. No. 5, 5 pr. D.K.: J. Smith, 3/5; A. Latter, J. Barber, 2/5.

Once again wind made targets tricky, but results were good on the whole. We were pleased to welcome a Queensland shooter, J. Gorton, from Mackay.

(C. H. Kemp, Handicapper.)

Today marked the opening of the clay season for the Kojonup Gun Club, and although there was not a large attendance of guns to mark the occasion, a good time was

had by all. The standard of shooting was good, with Charlie Marsh and John Schinzig fighting a very close and interesting battle throughout the programme for the high-gun honours. Charlie Marsh ran out the winner after a shoot-off in failing light, with 36/40 to 33/40. Athol Anderson was the other trophy winner. The annual general meeting was held after the shoot. All office-bearers were returned for another term. (Keith Anderson, P/O.)

— SUCCESS —

Life's battles don't always go
To the strongest or fastest man:
But sooner or later the man who wins
Is the one who thinks he can.
If you think you'll lose, you're lost:
For out in the world we find
Success begins with a fellow's will —
It's all in the state of mind.
If you think you're outclassed, you are.
You've got to think high to rise:
You've got to be sure of yourself before
You can ever win a prize.

PERTH (W.A.), 1/5/60 (Sunday) — Attendance was down to 17 shooters owing to incessant rain all day. Actually under the uncomfortable conditions shooting was of a high standard.

Baldwin, R. Hitchcock. No. 2, 15-bird Trophy (30 shooters, no possibilities, 9 shooters got 13 after shoot-off): L. Sim, 1st; J. Benson, 2nd; L. Calandro, 3rd; V. Baldwin, F.M. No. 3, 5-bird (3 possibilities): M. Hall, P. Calandro, V. Baldwin, div.

Weather really bad, and club thanks to all shooters who were brave enough to face such conditions. All enjoyed the shoot, even in the conditions as such, but the birds were very hard to hit. Les Sim, who won the trophy, was long overdue, also Jack Benson, who ran second. The ladies again proved themselves by coming along in such weather to look after shooters' needs. The ladies' trophy went to Mrs. Benson for a change. (F. J. Crawford, Hon. Sec.)

SILKWOOD (N.Q.), 22/5/60. — Weather conditions: cool, perfect. Attendance: 39. Results: No. 1, 5-bird: F. Maccarone, F. Guerra, A. Hayden, T. Lewis, 5/5, div. No. 2, Trophy Event (10-bird D.B. A perfect day for shooting. Silkwood's first open shoot, with visitors from Atherton, Daintree and Tully participating. Extra good shooting by M. Di Mauro and F. Maccarone. Thanks goes to ladies' committee for their services at dinner and afternoon tea, and to Leo Nelson, another stalwart, whose assistance in such events is invaluable. Armourer Joe Galletta must indeed feel proud, as the new trap had settled in nicely and the perfect birds all day showed tribute to his untiring efforts in that direction. (P. Lewis, Hon. Sec.)

SOUTH COAST (Qld.). Shoot held Sunday, 15/5/60. — Weather: fine. Attendance: 25. No. 1, 15-bird S.B. Trophy: 1st, C. Burns, 47/50; 2nd, K. Bamberry, 45/50; 3rd, R. Gehrman, 19/20, on a shoot-off from N. Pittaway and B. Deignan. No. 2, 15-bird D.B. Pts. Trophy: 1st, B. G. Deignan, 44/45; 2nd, K. Bamberry, 43/45; 3rd, R. Gehrman, 54/60, on shoot-off from G. S. Martin and M. J. Cohen. No. 3, 5 prs. D. Rise: div. R. Capel, N. Pittaway, R. Gehrman, A. C. Whitney, W. A. Gordon, K. Bamberry, B. Deignan.

We were very pleased with the good attendance; it seems that all shooters are eager for some practice before the International Shoot. It was a fine day, but the westerly wind tried out all-comers with the left-swingers.

Congratulations to the winners and to K. Bamberry and R. Gehrman, who each carried off two trophies, also to Keith, who took out the high gun for the afternoon, the Club Mug. The two first trophies were donated by club members. The first one, for the S.B. event, donated by everyone's friend, A. Thurlow, and the shoot-off was a well-fought-out finish. Our thanks to Mr. Thurlow, a staunch supporter of shooting. The second trophy was donated by J. J. Curr, who unfortunately was unable to be with us to see the trophy won outright by young shooter B. G. Deignan.

Our Darwin friend, I. McConnell, was present again, and caused much comment and admiration by wearing a shooting jacket made of crocodile skin, a very handsome piece of work. He said the "croc" was a 21 footer which he trapped in Darwin.

(G. O. Martin, Hon. Sec.)

SOUTH WEST (W.A.), 9-10/4/60. — Weather conditions: fine and mild. Attendance: 37. Results: No. 1, S.W. Dist. Skeet C'ship: 1st, R. M. Holtfreter, 22/25; 2nd, T. H. Rose, 21/25; 3rd, C. B. Wells, 20/25. No. 2, Long Markers' 20-bird D.B. D.T.L.: 1st, A. Anderson, 18/20; 2nd, A. Coutts, 17/20. No. 3, State Intermed. D.B. C'ship: 1st, R. A. Yates, 20/20; 2nd, W. Montgomery, 20/20; 3rd, R. B. Yates, 19/20. No. 4, State D.B. C'ship: 1st, J. Garvey, 29/30; 2nd, K. Anderson, 29/30; 3rd, S. Collier, 29/30. Yardage trophies: T. H. Rose, W. Montgomery,

E. Metcalf, I. Williams, J. McBain, G. S. Hayward, W. Parke, A. J. Anderson, and N. Wells.

Thirty-seven shooters participated in the week-end shoot and competition was keen. The Skeet Championship was the first held in W.A. under the I.S.U. rules, and most shooters fell down on the No. 8 position. Roy Holtfreter shot well for his 22/25. Lal Yates (South West) and Bill Montgomery (Kalgoorlie) had an interesting shoot-off in the State Intermediate and concluded with Yates one up with 39/40. John Garvey (Sth. West) shot 39/40 to win the sash in the State D.B. Championship and he is to be congratulated on his consistency. Keith Anderson, the youngest participant, succeeded in gaining 2nd place in the State D.B. C'ship and scored a 25 straight in the process.

21/5/60. — Weather conditions: wet and windy. Attendance: 18. Results: No. 1, 20-bird S.B. D.T.L.: C. B. Wells, 19/20; N. Wells, 17/20; H. Giddens, R. B. Yates, P. Hough, 16/20. No. 2, 20 Mixed Birds: N. Wells, R. B. Yates, 15/20; A. J. Anderson, 14/20. High Gun: N. Wells, 32/40.

A very good attendance considering the weather, and this is attributed mainly to the fact that we have only monthly shoots. Conditions were bad, but it was good to see Ted Wells, Jim Wells and Reg Yates finish with reasonable scores. Mike Crossley from Kattanning was welcomed to the shoot and performed creditably with 28/40.

(E. R. Pearce, Handicapper.)

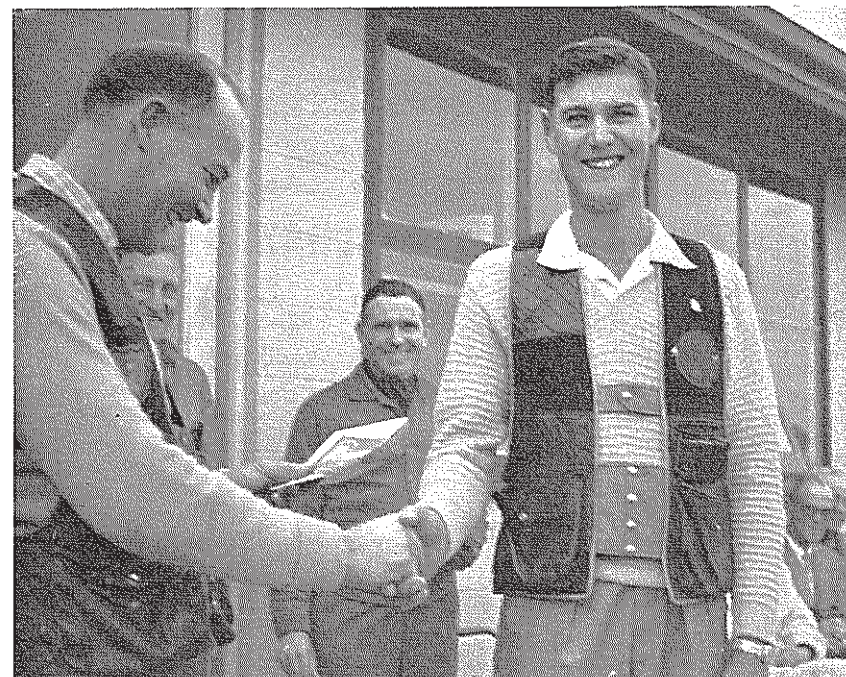

ST. GEORGE (Qld.), 14/5/60. — Weather conditions: gusty westerlies. Attendance: 10. Results: No. 1, 10-bird D.B.: J. K. McDonald, D. B. Cameron, J. Bayliss, P. Murray, F. Murphy, 10 pts. No. 2, 10-bird Pts.: J. K. McDonald, 30; J. Bayliss, 29; P. Murray, 26. No. 3, 20-bird D.B. Trophy: J. K. McDonald, 20/20; H. B. Wade, H. T. Siddins, 19/20. No. 4, 10-bird S.B.: J. K. McDonald, D. B. Cameron, 10/10; J. Bayliss, P. Murray, 8/10. No. 5, 10-bird D.B.: J. Bayliss, P. Murray, 9/10; J. K. McDonald, 8/10.

Owing to very dry conditions throughout the district, this was our first shoot for 1960; the front markers took most of the honours on the day. Very cold, gusty winds made shooting unpleasant and probably had a marked effect on scores.

(A. J. Newett, Hon. Sec.)

TAMWORTH (N.S.W.), 22/4/60. — Weather conditions: good. Attendance: 20. Results (Day): No. 1, 10-bird D.B.: N. Simpson, A. Moffatt, L. Day, 10/10. No. 2, 20-bird D.B. H'cap Trophy: R. Moffatt, 1st, 33/33; W. Hall, 2nd, 22/33; D. Cassin, 3rd. No. 3, 30-bird D.B. Cash H'cap: J. McClean, 30/30; N. Simpson, D. Cassin, 29/30. No. 4, 15-bird Pts. Trophy: D. Cassin, 45; W. Hall, 2nd; N. Simpson, 3rd. No. 5, 5 pr. D. Rise Sparrows: J. McClean, 1st; R. Moffatt, 2nd.

Night. No. 1, 10-bird D.B.: J. Nivison, D. Cassin, C. O'Connor, 10/10. No. 2, N.S.W. Night State D.B. C'ship: D. Cassin, 1st,

No. 2, N.W. N.S.W. D.B. C'ship: J. York, 1st; D. York, 2nd; J. Watts, 3rd. No. 3, 20-bird D.B. Trophy: L. Day, 1st; R. Moore, 2nd; N. Smith, 3rd. No. 4, 20-bird D.B.: L. Day, 30/30; R. Moore, D. Cassin, 29/30.

22 and 23/4/60. — Due to weather conditions prior to the shoot, attendance was disappointing, but the weather throughout the shoot was perfect. Visitors attended from Moree, Tully-Ho, Quirindi, Bingara, Barraba, Bogabri, Coffs Harbour, Walcha, Stanthorpe, Armidale and Gunnedah. Congratulations to D. Cassin, winner of the State D.B. Night Championship, who defeated R. Moffatt and J. York in the shoot-off. Congratulations also to J. York, winner of the North West N.S.W. D.B. Championship. It was good to see that grand old shooter of the North, Wilfred Crowley, enjoying himself once again at our annual shoot. Socially our shoot was a tremendous success and was thoroughly enjoyed by all who took part.

(C. O'Connor, Sec.)

TOWNSVILLE (Qld.), 22/5/60. — Conditions: ideal. Attendance: good. 5-bird S.B.: div. N. Bullimore, D. McDermott, J. Carrington, T. Venn, F. Blackman, A. Edwards, C. Ray, J. Maguire, E. Sinclair. (O. Crouther, Club Corresp.)

WELLINGTON C.T. (N.S.W.), 21/5/60. — Weather conditions: cold and windy. Attendance: 12. Results: No. 1, 5-bird D. Lou-sick, 5/5. No. 2, 5-bird S.B.: J. O'Rourke, 4/5. No. 3, 5-bird D.B.: P. Norris, 5/5. No. 4, 5-bird D.B.: P. Norris, 5/5. No. 5, 5-bird D.B.: C. Thompson, 5/5. No. 6, 5-bird Pts. Score: M. Hull, 5/5.

Very cold and windy, making poor conditions. Shooters from Dubbo and Molong were in attendance.

(P. Norris, Hon. Sec.)

WERRIBEE (V.), 14/5/60. — Attendance: 18. Results: No. 1, 5-bird S.B.: T. Rosewarne, J. Hehir, 5/5. No. 2, 20-bird H'cap (10 D.B., 10 S.B.): S. Cations, 20/24; T. Powell, 18/24; D. Mairs, 17/24; F.M., J. Hehir, 11/20. No. 3, 10-bird D.B.: J. Hehir, 9/10; S. Cations, M. Rushford, T. Powell, W. Abbott, 7/10.

The weather, as expected, could not have been much worse for our monthly shoot. However, a good muster turned up, including shooters from Geelong and Barwon Heads, and old faithfuls Tom Rosewarne and Clive Wilson. S. Cations staged an impressive return to form to win the main event after a long run of outs.

(T. H. Powell, Sec.)

WONTHAGGI (V.), 16/4/60. — Weather conditions: very bad. Attendance: very good. Results (Day): No. 1, 10-bird S.B.: H. Beard, 11/11; H. Wentzill, 10/11; H. Sawyer, 13/16. No. 2, 20-bird S.B.: R. Barlow, 20/21; H. Beard, 19/21; W. Miels, 22/25. No. 3, 10-bird Pts.: R. Martin, 48/48; H. Wentzill, 45/48; W. Neylon, 65/66.

This shoot was held in connection with the "Back to Wonthaggi" Jubilee Committee, and was marred by the most violent wind that shooters were ashamed of their scores. The clays were being blown everywhere. The committee wish to thank all visiting shooters for attending and making this a very pleasant and enjoyable gathering. Congratulations to Ray Barlow on winning the Handicap.

16/4/60. — Weather conditions: very bad. Attendance: good. Results (Night): No. 1, 10-bird D.B.: K. Paterson, 10/10; L. Swain, 14/15; R. Barlow, 13/15. No. 2, 20-bird D.B. C'ship: G. Arkinstall, 19/20; L. Swain, 23/25; W. Tuggs, 22/25. No. 3, 10-bird S.B.: H. Sawyer, 13/15; W. Boag, 12/15; G. Arkinstall, 9/12.

The weather conditions did not improve from the afternoon and shooters found it very difficult to stand still on the mark, let alone shoot. Congratulations to Gordon Arkinstall in winning the Championship in such difficult conditions. Many thanks to all visiting shooters who helped to make Jubilee shoot very successful and enjoyable.

(M. Cargill, Hon. Sec.)

YARRAWONGA (V.), 7/5/60. — Weather conditions: cold and wet. Attendance: 32. Results: No. 1, 10-bird: div. F. Jones, M. Davies, R. Schmidt, G. Thomas, A. Jamieson. No. 2, 20-bird H'cap: J. Thompson, W. Hall, R. Schmidt, A. Jamieson, J. Grimmond, P. Pettit, J. Hickford, R. Halsall. No. 3, Murray Valley D.B. C'ship: 1st, A. Jamieson; 2nd, G. Thomas; 3rd, J. Hickford.

Weather conditions cold, wet, with strong, gusty winds. Nevertheless the 32 shooters who attended had a very enjoyable afternoon. The Championship was won outright by A. Jamieson (Corowa) with the only possible, 20/20, second place going to G. Thomas (Finley) after a long shoot-off with J. Hickford (Shepparton), third. Once again we thank the ladies for an excellent afternoon tea.
