PUBLICATION OF FULL REGISTRATION LIST. Publication of the full list of registered shooters, as at June 30, 1961, has been achieved in the current month, as will be noticed elsewhere in this issue. Much effort has gone into checking and perusal of the list. Club officials and individual shooters are requested to contact the A.C.T.A., advising of any instance of irregularity in name, initials or other matter. It is hoped to have the full list published at least once in every quarter, but the cost of this service ranks as an important factor in accomplishing the desired situation. The ultimate service, of course, is to have the full list published as an integral part of each issue, but funds available will not allow for this at present. It will be clearly observed how much more efficiency in registration could be brought about if a monthly full list was available.

FASTER SHOOTING. The advantages of faster shooting are many. The gun is moved less distance, which makes for less work. When the swing is fast, the follow-through is good and you are less apt to shoot behind your target. Fast shooters break more targets in unseasonal weather and rarely complain about traps. A few disadvantages become apparent to the fast shooter. One is the possibility that on days when reflexes and timing are not quite up to normal, the fast shooter will be more apt to

"fall apart" and lose many targets, while the slower pointer will muddle along, probably chopping and chipping, but getting together a better score in the long run.

If a shooter wants to speed up his shooting, it is necessary to hold the gun high—point at a spot over the traphouse about one third to half the rise of the target. Focus the eyes on the edge of the traphouse rather than on the gun. The instant the target leaves the trap, start the gun moving to intersect its flight path. Do not be afraid to slam into the target the instant the sight picks it up. No one can afford to be timid in this type of shooting, as it is inherently a slam bang style that requires confidence and positive movements.

NEW ZEALAND WINS 1961 INTERNATIONAL. Cabled advice has been received from London that the New Zealand Team has been successful in winning the Mackintosh International Trophy for 1961. The cabled report states, "Mackintosh Trophy event: New Zealand 8606, Canada 8601, South Africa 8199, Australia 7933, England 7831, Scotland 7723, Central Africa 7604, Ireland 7352, Wales 7003." Heartiest congratulations are extended to our New Zealand kinsmen on a fine win. The A.C.T.A. President (Mr. J. M. Tyquin) adds his personal congratulations to the New Zealand Team. The New Zealand Team shot at Hamilton, N.Z., during the annual New Zealand

National Championships and the performance was witnessed by most of the Australian Team which visited New Zealand during the final weeks of March last.

The Australian aggregate, taken on an average, was the lowest for some years and could be put down, very largely, to the difficult wind conditions which prevailed on the day the Australians shot. It is notable that this year South Africa finished ahead of Australia for the first time.

A picture of the Australian Team appeared in the July issue of this publication and the scores are detailed elsewhere in this issue.

HANDICAP RETURNS. A few clubs have asked in recent weeks whether they should show the name of every shooter competing when a handicap return is submitted. All are informed that it is essential that the name and performances of EVERY shooter taking part in a shoot—club or open shoot—must be included on the handicap return. It would be impossible to adequately assess handicap marks according to the official Handicapping Formula unless such a procedure is adopted. It is also important to remember that the amount of cash or equivalent trophy value won should be recorded against the shooter's name on the handicap return. The Handicapping Formula is based on a combination of performance, plus amount won, and it is therefore of paramount importance that the fullest details should be shown. A few clubs have neglected to submit handicap returns; these clubs are reminded that their shooters will be handicapped in the absence of the Handicap Return, but it is most desirable for complete efficiency that a return be submitted to the Association immediately following every shoot.

CHAMPIONSHIP CONDITIONS. The official Championship Conditions, applying to all Commonwealth, State and District Championships, as published in last month's (July) issue, should be accepted by all concerned as the only conditions any one of the

above-mentioned events may be held. Clubs who conduct these events contrary to the conditions as printed will have the event declared "no shoot".

1962 CHAMPIONSHIP APPLICATIONS. Clubs are reminded that applications for 1962 open championships (Commonwealth, State and District) must be made in writing to the Secretary A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.1, not later than Thursday, September 21, 1961. Late applications for listing on the official list will be accepted up to Monday, September 25. The foregoing is necessary because of the preparation required in arranging lists of applications and is also due to the fact that the Executive Committee meeting will be held in Adelaide, and all lists must be arranged prior to the Secretary's departure from Melbourne.

Items for the Agenda of the Executive Committee meeting should also be in the hands of the Secretary, A.C.T.A., not later than September 25, 1961.

OUT OF THE PAST

Twenty Years Ago

Squadron-Ldr. Toss Ingledew, then a test pilot of the new British aeroplane, the Hurricane, shooting at a Blackburn Club fixture, won the forward-marker's award in the Commonwealth Deauville Doubles title of 1941, partnered by club secretary, Aubrey Johnson. Ingledew is still interested in the sport, although not taking such an active interest as formerly. Johnson could be classified as an evergreen—he is still very much interested in shooting and particularly at the Australian Club at East Burwood, V. The main winners of the 1941 Commonwealth Deauville Doubles title were H. R. Donnelly and "Dick" (T. R. Wightman, a former

chairman of the A.C.T.A. Committee).

George Copeland, who is quite a frequent visitor to the traps, especially in big events today, gained the gun honours at the Nobel fixture at Bentleigh on a windy day in the spring of 1941. He carded 47/50—excellent shooting in the conditions.

George Biggs and W. R. Johns had a great tussle in a miss-out event at Coburg about this period. They stuck together to the 24th round before Johns got the upper hand. Biggs had won two events outright on the same programme early in the day.

Ten Years Ago

At Camberwell in August, 1951, main event on the programme was an event under silent-rise conditions, double-barrel. The winner was Frank

Brown of Dandenong from Bob Jorgenson of Portarlington. Joe Harle, a former President of the club, won the front-marker award.

Letters to the Editor . . .

16th June, 1961.

Mr. J. M. Tyquin,
c/o Claude Neon Limited,
965 Botany Road,
Mascot, N.S.W.

Dear Mr. Tyquin,

I have noted your change of address and the June Gunshot has already been forwarded to you. Future issues of this magazine will be similarly addressed.

First let me congratulate you on your election as President of the Australian Clay Target Association. I offer you best wishes for an enjoyable term of office. I was advised of your appointment by your fellow men who attended our 1961 Championships, and it was my intention to write to you on my return from Hamilton. However, I delayed doing so until such time as I could advise the dates of the 1962 New Zealand Championships. It has now been decided that this tournament will be held at Timaru from the 4th-11th April, 1962, inclusive. Originally it was considered that we should conduct this shoot from the 11th-18th April. When I received advice that you were contemplating commencing your National Championships on the 25th April, we decided to hold our shoot a week earlier. I felt I should advise this information as soon as possible, as it might assist you in coming to a decision about dates for your tournament.

As you would see from the June Gunshot, we enjoyed looking after your team which attended our 1961 Championships. They were a great bunch of fellows and they endeared themselves to those of our members who met them.

I read with interest your letter which appeared in the May Shooting News and note some of the problems you are experiencing in Australia. I was particularly interested in your concern about publicity, as we now find in this country that we receive excellent paper and press publicity, but it has certainly been a hard battle. However, it is our experience

that the Press and Radio will co-operate provided the information is clearly and promptly supplied to them.

As the result of the visits between the two countries, I feel our Associations are now much closer together, and in order to assist in continuing this relationship, you will have noted that since my return from Australia last year I have been sending copies of Gunshot to each of your executive officers. Incidentally, I have just received the June Shooting News and I have read with a great deal of interest Dan Mott's report of the New Zealand tour. Dan is certainly a straight shooter in many ways and proved very popular in this country.

May I take this opportunity to send compliments from all our members to your Association.

Yours sincerely,

W. H. STEWART,
Gen. Secretary,

Dear Mr. Stewart,

It was indeed a pleasure to receive your letter of the 16th June, after hearing so much of your wonderful hospitality from the returning shooters whom I have bumped into.

Firstly, let me congratulate you on your wonderful win in the Donald Mackintosh International.

I received a letter from Mr. McCullough yesterday advising the scores, and you certainly deserved the success.

land Championships at Timaru on the 4th to 11th April inclusive. Our dates are still in the contemplation stage, as we do not have an Executive Meeting until early October to finalise this matter (it is so costly bringing our Executives from each State of the Commonwealth). We do thank you for these dates, it will help our decision so as to allow time for an inter-team visit if practical.

With your permission, I am forwarding your letter to the Secretary of News for publication, and, as you rightly say, the visit of members from both Associations must bring us closer together and be of material assistance to the support in both countries. We envy your press and radio co-operation.

On behalf of the Executive, I would like to thank you for "Gunshot"; it is an excellent publication and I look forward to it with pleasure. Also, on behalf of the Team that attended, I would like to express our sincere appreciation and to reciprocate your compliments to the President and all members.

Yours sincerely,

The Editor.
Dear Sir,

I was rather interested in the note on skeet in Tips and Tails (July Shooting News), in which Mr. E. E. Albert expresses the opinion that the standard of skeet shooting he saw in New Zealand is higher and that conditions are more difficult than in Australia, as the pairs are released simultaneously.

However, under the I.S.U. rules which were adopted by the A.C.T.A. last year this is the only way in which they may be released.

Although disconcerting to a shooter seeing, for the first time, a pair of birds released simultaneously flying in opposite directions, this type of release is no more difficult than the old style of the second bird being

released on the report of the gun, once one learns to concentrate on one bird at a time.

Having seen a team of N.Z. shooters in action at my own club (Australian), I doubt very much whether the standard is higher over there than here. The standard of skeet shooting has improved tremendously in Australia over the last two years, and in Victoria scratch men have little hope of winning handicaps unless they can shoot 24 or 25 out of 25.

Should Mr. Albert be in Melbourne any time I would invite him to the Australian Club, East Burwood, to see for himself what standards have been reached in Australia.

Yours faithfully,
ROY FALLSHAW.

Johnny was late at school and explained that a wedding at the house was the cause.

"That's nice," said the teacher. "Who gave the bride away?" "Well," Johnny answered, "I could have, but I kept my mouth shut."

"Tips and Tails"

Secretary of the Oondooroo Club at Winton in North Queensland is now E. M. Lenton of Box 186, Winton. He succeeds J. G. Nolan in the secretarial chair.

The Darwin Club in the far Northern Territory has been formed and has

already affiliated with the A.C.T.A. Club officials at Darwin are: President, Pat Salter (formerly President of the Rum Jungle Club); Vice-President, Bill Gartner; Secretary, Tony Malone; Treasurer, Jock McRae; Range Officer/Armourer, Leo Jessop; Committee, Messrs. Arthur Lim, Ted Davies, Albert Chan and Fred Celenza. President Pat Salter pays tribute to Bill Gartner, Fred Celenza, Arthur Lim, Mick Shephard, Ted Davies, Tony Malone and the N.T. Show Society and many others who assisted in the club's formation. Reports are that recent curtailments imposed by Government decree on high-powered firearms in the Darwin area has made the formation of the Darwin Club most opportune, as it now allows those who always followed gun and rifle shooting to try themselves out with the 12 gauge gun. Just prior to and just after the 1939-45 war there were a few enthusiasts who used to shoot over the harbour from where the present Darwin oval is now situated; others also can recall shoots on Bullocky Point (the old Vesty's area) and odd other spots. If present enthusiasm counts, Darwin should soon have a very first-class club operating in Australia's most northerly capital — already the club has 17 registered shooters with the A.C.T.A. The club's present shooting site is just south of the N.T. Show Society's grounds at Winnellie. Access is obtained through the old Winnellie Camp, an area remembered by troops who served in the Northern Area in the last war.

Officials of the Atherton Gun Club, in northern Queensland, for the current season are: President, H. Nasser; Treasurer, Pat Nasser, and Secretary remains as previously in Mrs. J. Forbes, of Yungaburra, Qld. H. Nasser succeeds the former President, Jack Page, who has held the office for the past 25 years. Jack Page has been a legend around the Atherton Tablelands area for many years and his good humour did much to maintain interest in trapshooting in the far North when it could have lagged. Jack will always be remembered by a letter he wrote south just after the Japanese came into the war. Jack was then enthusiastically throwing himself in a form of "home guard" training interspersed with a few shots at the clays, as he described it then, "it seems very likely we will get a few shots in the not-far-distant future, and it won't be at clays, either."

Camberwell Club, which shoots at North Balwyn (V.), advertises information regarding its forthcoming programmes for August 12 (Evans & Balfour Day, when all trophies will be donated by Messrs. Evans & Balfour Pty. Ltd., of 269 Little Collins Street, Melbourne, C.1), August 26, September 9, Victorian D.B. Intermediate Championship; September 23, September 28, the annual Melbourne Show Day holiday shoot, when the Camberwell District D.B. title and the club S.B. title will be decided. Country visitors will be made honorary members for the day on September 28, when winners of main events will each receive an electric chiming mantle clock and sash. Full details are as published. Enquiries to W. R. Johns (Secretary), 1 Soudan Street, Malvern, S.E.4 (Phone 50-6511). President is R. W. Fox, at WM 8440.

Kojonup Club in the south-west of Western Australia will shoot on August 13, October 8, November 5 and December 17. On the last-named date the club's Christmas shoot will be held, when trophies will be presented by the President and Vice-

It is not often that shooters forward their handicap cards to the Association office with a request that their marks be reviewed with a view to backward movement. Such a happening has taken place twice within the past month. Two shooters, both now rear-markers, had been enjoying reasonable success and both took the view that back movement by ordinary channels would take too long. Hence, both indicated their successes and asked that their cards be marked in accordance with the handicapping formula and requested immediate return of the cards so they could compete in the future off what they considered "would be their right marks". The thanks of the Association are passed along to these two sportsmen — both will doubtless know this paragraph refers to them — and again doubtless both will enjoy the sport of their choosing all the more for their co-operation on and being on correct handicaps. The two sportsmen mentioned were in no way in collusion; each was from a different State in the Commonwealth.

Huntly Club at Bendigo (V.) advises, through its Secretary, J. E. Jones, of 69 Strickland Road, Bendigo, that the club held its annual meeting on May 9, when all the retiring office-bearers were re-elected for the fourth term of office. The club reports a very successful year, when its members won the Herald Triumph Shield at Sebastopol, the McCraith Shield at Harcourt and the Harcourt Cup. The club is looking forward to defending these trophies, the first of which will be the Herald Triumph Shield on September 2. The club advertises particulars of the shoot on September 2, when the already mentioned Shield event, teams of 5 men from any affiliated club (no limit to number of teams) will be main day event. At night the Turf Tavern Night D.B. title event will engage interest. Full details are as advertised. Enquiries to J. E. Jones,

Thirteen shooters will soon receive prizes, each of a case of I.C.I.A.N.Z. sporting ammunition. The shooters concerned returned to the Fisheries and Wildlife Department "lucky number" bands from the legs of ducks they shot during the season. The winners are from four States, Tasmania, South Australia, New South Wales and Victoria. This is the fourth year that the Company has offered prizes for these bands. Those returned assist the Fisheries and Wildlife Department measure the shooting pressure on birds as well as giving indication on feeding, breeding and migratory habits. In addition to these prizes I.C.I. Ltd. made a grant to the Department in 1960, which enabled it to buy and equip a mobile laboratory and a four-wheel-drive vehicle to pull it and in addition provided a substantial sum towards the running costs of research. Banding of ducks began in Victoria in 1952 and will now be extended to South Australia for the first time. In all, some 46,000 ducks have been banded and about 5,500 bands have been returned — this year 1,400 bands were returned, the most since a total of 2,500 were returned in 1958 — the first year I.C.I. offered prizes.

"These days there are the haves, the have nots, and the charge its."

Lance Cockett of Boronia (V.), who has long used the shooting nom-de-plume of "Lance", recently returned from a 22 months' trip abroad. He has written giving an outline of his activities and, as might be expected, refers to his visit to Monte Carlo. He states that he stayed some three weeks in Monte Carlo and, of course, visited the famous shooting grounds on several occasions and shot against some of the world's most outstanding and famous shots. He considers the Italian shooters have the "game sewn up"; many of them shoot every day (or very nearly) of the year, in France, Italy, Spain or Monte Carlo. These shooters seldom use other than size 8 shot if they are on rear marks, whilst front-markers use size 9 or 10.

The F.N. plastic cup wad assures an absolutely perfect gas seal between the powder gases and the shot charge. As a result, the velocity of the shot is considerably increased without "balling" and without harming the grouping, and ensuring an even spread of the shot charge. The power of the F.N. Legia Star High Speed cartridge is therefore due:

1. to its high velocity, excellent penetration and long range.
2. to its close patterns and even spread (large number of pellets hitting the game).

The shooting club at Monte Carlo has been operating for 84 years. Double whiskies at the bar cost 14/- each. Writing of clay target shooting in England, Cockett states that the A.C.T.A. is doing a wonderful job for the Australian shooters. He considers Australian prizes and trophies generally are far in advance of those provided in England. Cockett is all in favour of points scoring, as is largely used in Great Britain. Nowhere in the world, other than Australia and possibly New Zealand, are two barrels used. He has his facts very clear on this point, having checked with the systems in America, France, Italy, Belgium and Russia. Cockett continues and mentions that at an organized shoot of 10 guns in England the party bagged 498 pheasants in a wood of some 27 acres. He concludes by stating, "In brief, Australian shooters are well looked after, good prizes, fair handicapping and a good monthly journal to tell them exactly what's doing, and that is more than shooters abroad get."

A report from the Newcastle Club (N.S.W.) provides a suggestion that might well be followed by some of the larger clubs. It appears that the Newcastle Club committee decided to allot one of its traps for "practice shooting only". The shooters buy a certain number of targets and go along to the practice trap and shoot out their complement. The procedure allows the raw novice to get the feel of his gun before entering into competitive events and also permits the experienced shooter to visit the practice trap as often as he thinks he needs the practice and in addition gives the shooters who may be waiting to shoot in an event a run-through before facing up to competition. The scheme has produced splendid results at Newcastle. The club membership has increased greatly and the shooters are more contented—they shoot if they feel like it on the practice trap, and then only to the extent of the number of targets they buy for practice purposes.

Narrandera Club in the New South Wales Riverina area will shoot on August 19 (starting at 10 a.m.), when the two main events will be the Riverina Single-barrel Championship

Attendances at shoots in the past few months have continued high in most States, but particularly in Queensland and Victoria. The latter State has been enjoying boom numbers at shoots and all this despite the difficulties of the times. A note from the Brisbane Club Secretary, Stan Tapsall, advises that at the recent South-Eastern Queensland Championship meeting the attendance so far exceeded expectations that the club had to refund nominations in the last event, this notwithstanding that an emergency Plus trap was erected to cope with the "customers". Tapsall, incidentally, mentions that much of "the good attendance must be attributed to the advertisement in 'News'." (There's the tip—advertise in "News"). The club's second trap is not quite ready for service, hence the emergency rig of the Plus trap. The club is looking forward to another good muster on August 13, when the State double-rise title will be main event.

John Houston, former President of the A.C.T.A., in a lively resume on his New Zealand trip, which was published in the local Hay newspaper, confirms the wonderful hospitality handed out to the visiting Australians by the New Zealand shooters. Of interest is one point which he mentions as a highlight of the trip was the visit to the Trelawney Stud, home of the great racehorse Tulloch. His resume is a confirmation of the Australian Captain's (D. B. Mott) report in a previous issue.

George Donaldson has been appointed Secretary of the Hamilton Club in western Victoria. Donaldson succeeds R. L. Teasdale, who has moved to Stawell. Donaldson is a former Secretary of the Robinvale Club on the Murray. His present address is Box 53, Hamilton.

A Townsville report provides the information that the local duck season opened on July 8 and will close on September 24. The report advises that "it will not benefit us very much, as we are experiencing a very dry season and most duck swamps are either dry or not holding sufficient water to attract ducks". Townsville is toying with the idea of lighting up its grounds for night competition. It would seem that this would be a logical move, except possibly in the wet season.

Coburg Club at North Coburg (V.) will shoot on Saturday, August 5, when the main event will be a 15 pairs auto and driven from 18 yards. On Saturday, August 19, the club will hold its first elimination for the now annual South Australian Trip. The trip to the South Australian capital is now a highlight of club activities and many strive to gain a place in the Coburg Team. The South Australians make sure that visitors enjoy Adelaide and go to extensive measures to ensure this. The elimination contest, the first of several, will be shot at 20 targets from 18 yards. Programmes are as advertised. Enquiries to C. J. Colledge, Secretary, 12 Adler Grove, Merlynston, N.14.

Saturday, 17th June, gave shooters in this district their first taste of winter for this year: only 18 shooters braved the conditions for our two small trophy events. Shooters attended from Horsham, Goroke, Naracoorte. Rod Butler of Horsham won the first trophy event from Col Freckleton, with J. Hinneberg third. The second trophy event was won by Reg Pahl from Harry Williamson and Phill Kain. I am sure all shooters present were pleased to see Reg Pahl and Phill Kain win their first trophies, as both are great workers for the club. AUSTRALIAN (V.), 3/6/61.—54 shooters present for three D.T.L. events shot simultaneously with two rounds of Skeet. No. 1, 10-bird D.B. Pts.: div. R. Lamb, C. Huggin, A. Hamilton, P. Crossley, B. Bond, 30/30. No. 2, 10 prs. D. Rise (every bird counted): R. Siede, A. Hamilton, L. Tume. No. 3, 20-bird D.B.: R. Siede, P. Collins, div. 1st and 2nd, 20/20; M. Whitelaw, 3rd, 19/20. No. 4, 25-bird Skeet Trophy (three tied): B. Roberts, 20/6/25; S. Thomson, 20/10/25; R. Fallshaw, 24/1/25, and shooting on for a further 25 birds, finished 1st, 2nd and 3rd in above order. 17/6/61. — In spite of a cold, wet day with a high wind, 47 shooters in three D.T.L. events and two rounds of Skeet. No. 1, 6 prs. D. Rise: div. M. Landers, T. Lucas, D. Nicholls, I. Porter, A. Tie, B. Marks, R. Garth, F. Whitten, R. Sheppard, G. Mowat, 10/12. No. 2, Metro. D'ville Doubles: I. Porter - F. Whitten, 30/30; B. Bond - F. Johnson, 20/30. No. 3, 20-bird D.B.: A. Craig, 20/20, shot possible; R. Andrews, 19/20, 2nd; R. Garth, M. Ryan, F. Bendle, div. 3rd. The annual challenge match with Melbourne G.C.: This was won by Australian 106 to Melb. 101, both rather lower scores than anticipated, but a strong S.W. wind made the birds from the high trap flare into the sky, while the low-trap birds shot through at shoulder height, rather difficult for doubles. No. 4, 25-bird Skeet Trophy: B. Mark, 24/4/25; F. Thatcher, 22/3/25; D. Mairs, 23/4/25, were leaders in this round, and shooting for a further 25 birds, finished as above. No. 5, 25-bird Skeet S'take: div. B. Mark, 22/4/25; A. Buskaskas, 16/10/25; F. Thatcher, 21/3/24. Skeet high gun div. B. Marks, R. Fallshaw, 46/50.

1/7/61.—55 entries. No. 1: 10-bird D. Rise: 1st, A. Tie, 20/20; div. 2nd and 3rd, G. Biggs, T. Lucas, 18/20. No. 2, Club D. Rise C'ship: 1st, A. Tie, 16/20; 2nd, B. Bond, 15/20; 3rd, G. Biggs, 10/15. No. 3, 20-bird D.B.: Bill Lonie (Croydon), 20/20, 1st; 2nd and 3rd, div. A. Tie, J. Siede, S. Henwood, 19/20. No. 4, 25-bird Skeet Trophy: This was the only skeet event held, as with 32 entries and near the shortest day of the year, the light beat us. Three shooters, K. Oakley, 19/6/25; R. Burrill, 19/10/25, and B. Bond, 22/4/25, had equal scores and after a shoot-off, finished 1st, 2nd and 3rd.

Keith Oakley and Geoff Reid showed excellent form on their first visit to the club.

BARWON HEADS (V.), 17/6/61.—Weather conditions: strong wind. Attendance: 11. Results: No. 1, 5-bird: H. Walker, R. Bath, 4/5; H. Edwards, K. Rankin, M. Rushford, 3/5. No. 2, 10-bird S.B.: N. Bath were the best with 4/5 each. In the second event, 10-bird S.B., N. Viccars and J. Ford, with 10/10, divided 1st and 2nd, 3rd going to M. Rushford with 9/10. (E. M. Pilkington, Hon. Sec.)

BATHURST (N.S.W.), 17/6/61.—No. 1, 5-bird: A. Rowe, E. Field, A. Carthew, J. O'Rourke, J. Armstrong, S. Black, F. Carthew, D. Middleton, H. Wright, A. Molloy, W. Burrows, C. Bradley, D. Heilman, div. 5/5. No. 2, 10-bird: R. Nalder, H. Wright, A. Molloy, J. Ryan, 10/10. No. 3, 10-bird Trophy: 1st, A. Molloy, 18/18; 2nd, G. Wilson, 17/18; 3rd, S. Black, 16/17; 12/13 yd. Trophy, D. Granger, 11/12. No. 4, 5-bird: A. Rowe, A. Barnett, J. O'Rourke, P. Moodie, W. Burrows, C. Bradley, 5/5.

A. Molloy was once again in top form to win the main trophy event from a good roll-up of shooters, many of whom travelled from Molong, Orange and Wallerawang. Despite winter conditions, shooting was of a high standard, with Molloy shooting 18/18 to win after a shoot-off with G. Wilson (Parkes), who came second with 16/17 and S. Black (Bathurst), who gained third trophy with 16/17. D. Middleton (Orange), J. Ryan (Bathurst) were also in the shoot-off. The 12/13 yd. trophy run in conjunction was won by D. Granger (Molong) after a shoot-off with J. Robb (Lithgow).

The Fred Mayo Trophy competition is proving very popular amongst members and leading scores are as follow: A. Molloy, S. Black, G. Wilson, 20/20; F. Carthew, D. Granger, 19/20; A. Rowe, J. Robb, H. Wright, H. Jaques, E. Sharp, W. Burrows, 18/20; E. Field, N. Campbell, C. Bradley, 17/20.

BERRIDALE (N.S.W.), 10/6/61.—Weather conditions: very cold, with sleet and rain. Results: No. 1, 10-bird: div. W. Ryall, W. Mackay, R. Sands. No. 2, 10-bird Pt. Score: 1st, div. W. Ryall, W. Mackay; 3rd, W. Woodhouse. No. 3, Southern Tablelands D.B. C'ship: 1st, W. Mackay, 20/20; 2nd, W. Ryall, 34/35; 3rd, R. Sands, 33/35. No. 4, 10-bird S.B.: div. W. Mackay, W. Woodhouse, R. Hedger. No. 5, 10-bird D.B.: div. W. Mackay, R. Sands.

We had our usual June weather, with a very cold southerly wind, with sleet and rain. There was only a small attendance of shooters, probably owing to weather conditions. The shooting was of high standard, considering the day, and Bill Mackay won the Championship outright with 20/20, but four shooters shot off for 2nd and 3rd places.

(Rodger Sands, President.)

BESSIEBELLE (V.), 12/6/61. — Weather conditions: good. Attendance: 21. Results: No. 1, 5-bird: div. H. Elliott, J. Pye, B. Lacey, J. Arnold, D. Brown, M. Pern, L. Millard. No. 2, 15-bird Trophy: 1st, M. Sullivan; 2nd, L. C. Jacobs; 3rd, D. Brown. No. 3, 10-bird: div. R. Murray, J. Arnold, M. Pern, J. Jewell.

The Bessie Belle Gun Club held its June shoot in glorious weather, although only 21 shooters attended. It was the finest shoot-off ever on the Bessie Belle Gun Club ground, where M. Sullivan and L. Jacobs fought out an exciting shoot-off, both shooters breaking 75 straight for the day; third was D. Brown. Congratulations go to both these shooters. The ladies provided a fine afternoon tea, and we say thanks to all other shooters who took part.

(J. Pye, Hon. Sec.)

BEAUFORT (V.), 3/6/61.—Weather conditions: fine and windy. Results: No. 1, 5-bird Pts.: G. Kirkpatrick, H. Bentz, R. McDonald, H. Smith, M. Luhrs, D. Mathews. No. 2, Club D.B. C'ship: C. D. Keith, 96/96; H. Waring, 95/96; H. Smith, 91/92; F.M., J. Severino, 19/20. No. 3, 9 div., C. D. Keith, R. Butler, M. Sullivan, R. Mackay, W. R. Millard, M. Luhrs, N. Davis, E. Bevan, J. Severino.

After a good turn-out of shooters, we witnessed a terrific shoot-off in our club shoot, 13 shooting the possible — under the conditions it was really good. Was very pleasing to see shooters from as far afield as Portland, Horsham, Colac, Cobden, Tintenai and several other clubs. Special thanks to all who attended.

3/6/61 (Night).—Weather conditions: very wet, thunder and lightning. Attendance: 35. Results: No. 1, State D.B. Night C'ship: G. Kirkpatrick, 35/35; H. Waring, 44/45; R. Butler, 43/45.

C. D. Keith completed a break of 135. Owing to the very heavy rain, thunder and lightning, we had to close down after the State Night C'ship, as all shooters were drenched to the skin. Grand shooting under the circumstances by the place-getters, but for the evening storms, the State C'ship was a huge success, thanks to willing workers, shooters, and the excellent lights at Beaufort Gun Club.

(Lin McGregor, Hon. Sec.)

BOORT (V.), 17/6/61. — Weather conditions: rough and windy. Attendance: 15. Results: No. 1, 5-target Pts. Dec.: R. L.

Manuel, A. C. Rothacker, E. I. Whyteross, 15/15, div. No. 2, 15-target D.B. Trophy: L. Toose, 25/25, 1st; G. Mahoney, 24/25, 2nd; F. Doyle, 16/17, 3rd; F.M., R. Peacock; ladies' trophy, Mrs. R. Peacock. No. 3, 10-target D.B.: A. C. Rothacker, P. Osborne (Colac), G. Mahoney, F. Doyle, R. Peacock, 10/10, div. No. 4, 5-target D.B.: R. Peacock, G. Mahoney, E. I. Whyteross, 5/5, div.

L. Toose had to produce his best form to win from G. Mahoney in the trophy event in the bad weather conditions. Both shot very well all day and were justly rewarded; the shoot-off for third place gave Frank Doyle (Bendigo) his first real success and he received many hand-shakes, and just to show it was no fluke, Frank shot a possible 10/10 in the next event, and at one stage his figures read 31/32. Well done, Frank; Boort wishes you success in the shooting game. Front markers was won by up-and-coming Kerang shooter Rex Peacock, 13/15. The Peacocks had a good day, as "Mum" copped the ladies' trophy, too. Thanks, girls, for the "cuppa", really appreciated.

(E. I. Whyteross, Hon. Sec.)

BOURKE (N.S.W.), 27/5/61. — Ray Long, who arrived late in the afternoon, showed that his Cannamulla win was not just good luck, but good shooting. Also Tiger O'Mally, who we have not seen for some time, together with our regular Sydney shooter, Bill MacKenzie, showed that they are still in form.

Events: 5-bird: C. Holland, K. Williams, L. Sharpe, P. Williams, G. Williams, A. Honeyman. 10-bird D.B.: D. Williams, 1st; P. Williams, 2nd. 10-bird Pt. Score for Club Mug: C. Holland. 10-bird S.B.: G. Williams, C. Holland, div. 5 pr. D. Rise: L. Sharpe, 1st; D. and G. Williams, eq. 2nd. 4 pr. D'ville Doubles: C. Holland - G. Williams.

Night. — 5-bird: H. O'Mally, Bill Davis, R. Long, K. Williams, P. Williams, R. Baz, C. Holland, H. Flood, A. Honeyman. Club C'ship (15-bird D.B.): H. O'Mally, 1st; L. Sharpe, 2nd; D. Williams, 3rd; best yardage prize, L. Hull. 5 pr. D. Rise: H. O'Mally, 1st; L. Sharpe, 2nd. 4 pr. D.B.: H. O'Mally, 1st; L. Hull.

At the conclusion of the shoot the V.P., H. O'Mally, introduced Patron A. Honeyman, who presented the trophies, and as Rod Baz was leaving the district, a speech of appreciation was made to him for the work he has put into the club since being in Bourke, which was suitably endorsed.

(P. C. Williams, Hon. Sec.)

There were 21 shooters and a good crowd of spectators at the shoot on the Nth. Bourke grounds on Sat., 17/6/61. 5-bird: W. Ridge, C. Holland, L. O'Mally, P. Williams, L. Hull, G. Williams, D. Williams, K. Williams, F. Honeyman, H. O'Mally, J. Bye, possibilities. 10-bird D.B.: G. Williams, D. Williams, J. Bye, 10/10. 10-bird Pt. Score Trophies: G. Williams (club mug), 1st; P. Night. — Very cold; however, a good open log fire made conditions a little more pleasant. 5-bird Sparrows: G. Williams, L. Hull, K. Williams, 5/5. 10-bird D.B. Sparrows: T. O'Mally, 10/10, 1st; P. Williams, 2nd; Alma Honeyman, 3rd. 5 pr. D. Rise Clays: G. Williams, 1st; Bill Ridge, 2nd. 4 pr.

(P. C. Williams, Hon. Sec.)

BRISBANE (Qld.), 25/6/61. — Weather: good. Attendance: 57. The South-East Qld. D.B. C'ship attracted a nice crowd, and we were very pleased to welcome visitors from different country centres, and see them share in the winnings, too.

It was a great day for the Deignans, and it was wonderful to see father and son win the two main events. Barney (senior) won the 15-bird D.B. Points event after shooting off against four other possibles. Merv. Champney, Norm Pittaway and Alf Thurlow, however, were eliminated by the first round, but Col Smith (Ballandean) kept Barney hard at it, and it was not until he had shot the possible 87 points that Barney had won the elegant E. Lesberg trophy.

Then Bernie (junior) put on a star turn by winning the Championship from a line-up of 25 shooters in that shoot-off. But by the time 60 birds had been shot, only Bernie, Col Seis (Dalby) and Ernie Moyse (Ilfracombe) remained. Ernie went out first with 69/70 and Bernie went on to win with a possible 75. Bernie's greatest triumph, however, was shooting 110 straight. Ray Hogarth and Col Seis also came in for our congratulations. Both made a break of 75.

We had a £50 Handicap on the programme, but as we had such a good attendance, the Committee decided to put it up to £60. Six shooters shared the prize.

Vice-President Stuart Smith thanked the ladies for the luncheon they provided, and after presenting the trophies, presented our energetic President's wife with a Bon Voyage gift. Stuart expressed how sorry we were that Lawton was not well enough to have been there.

Results: 15-bird D.B. Pts.: 1st, B. Deignan, 87/87; 2nd, C. G. Smith, 84/87. South-East Qld. D.B. C'ship: 1st, B. G. Deignan, 75/75; 2nd, C. Seis, 74/75; 3rd, E. Moyse, 69/70. £60 H'cap (20-bird D.B.): div. R. Slawson, L. Shanco, C. G. Smith, K. Janke, M. Champney, L. Shanco, 20/20.

(E. Mackey, Pub. Officer.)

BURNIE (Tas.). — Burnie Club held its monthly shoot on 17/6/61 under shocking conditions, although some good shooting was witnessed, in spite of the weather. Results: 5-bird: R. Philpot, 5/5; 2nd, div. R. Abblitt, D. Viney, T. Newman, H. Smith, D. Brett, 4/5. 20-bird State Intermediate D.B. C'ship: H. Smith, 23/25; 2nd, D. Viney, 21/25; 3rd, D. Brett, 16/20. Front marker went to R. Philpot after a shoot-off with A. Kerger, 25/30. 10-bird Trophy: R. Philpot, 10/10; 2nd, J. Doddridge, 11/13; 3rd, B. McCulloch, 10/13. 2nd 10-bird Trophy shoot won by A. Kerger, 19/21; 2nd, R. Philpot, 18/21; 3rd, H. Smith, 14/16. (R. Abblitt, Sec.)

CAMBERWELL (V.), 17/6/61. — Weather conditions: dull and gusty. Attendance: 33. Results: No. 1, 5-bird S.B.: div. "Lance", P. Dally, A. B. Heathcote, J. Mackenzie, 5/5,

div. No. 2, Club S.B. Intermediate C'ship: 1st, R. Madden, 24/25; 2nd, S. Thomson, 28/30; 3rd, O. Chimenello, 27/30; 12/15 yds., R. Greenwood, 17/20. No. 3, 10-bird D.B.: S. Henwood, R. W. Fox, J. Mackenzie, 10/10, div.

It was very pleasing to see R. Madden come out and win his first championship, especially single barrel under adverse conditions. Rex Greenwood is improving every week. "Lance" again shot very well after returning from his 22 months' tour abroad (called at Monte Carlo and had a shot).

Thanks, ladies, for that cuppa. Jim McInnes has been very busy running his I.C.I. Shooting School, and many young shooters have expressed their appreciation for his assistance and help on the track. Keep it up, Jim, you are doing a grand job.

1/7/61. — Weather conditions: dull, with strong wind. Attendance: 37. Results: No. 1, 5 pr. D'ville Doubles (off 20 yds.): div. Craig - Hering, Power - Lowry, Stevens - Stevens, Adams - Delorenzo, McInnes - Madden, Greenwood - Clay. No. 2, Club D'ville Doubles C'ship (20 birds off 20 yds.): 1st, K. Hering - A. Ray Hering and Alan Craig put up a very fine performance to win the Championship with the only possible under adverse conditions. Mrs. Firman won the ladies' trophy.

Jim McInnes has been having large numbers turning up for his I.C.I. School. Thanks, Jim. Thanks, ladies, for a fine cuppa.

(W. R. Johns, Hon. Sec.)

COBDEN (V.), 12/6/61. — Weather conditions fine and sunny. Attendance: 31. Results: No. 1, 5-bird D.B.: A. Manifold, D. Corstorphane, T. Sharp, J. McMahon, A. Carroll, H. Waring, P. Stinchcombe, E. Corneby, J. Rose, N. Wright, L. Pilkington, M. Pike, 5/5, div. No. 2, £50 20-bird D.B. Trophy Event: 1st, N. Davis, 33/33; 2nd, A. Manifold, 32/33; 3rd, B. King, 22/23; F.M., L. Reicha. No. 3, 20-bird D.B. Club C'ship: 1st, I. Holt, 40/40; 2nd, H. Waring, 39/40; 3rd, I. McArthur, 27/28.

In fine, sunny weather we held our Queen's Birthday shoot with the good attendance of 31 shooters, and I say thanks to you all for making it such a success. Once again we saw our local shooter in N. Davis take first trophy in the main event with the score of 33/33. A. Manifold also shot very well to take second with 32/33, and consistent shooter B. King third with 22/23. The F.M. trophy went to L. Reicha. In the Club C'ship ever-consistent shooter Ian Holt took the honours, 40/40; H. Waring, second, 39/40; Ian McArthur, third, 27/28. Thanks must also go to the ladies who served a delightful afternoon tea. (James T. Rose, Hon. Sec.)

COFFS HARBOUR (N.S.W.), 14/6/61. — Dan Seccombe, with a fine 50 break, won the Club D.B. C'ship and High Gun on Sat., 10th, at Macaulay's Headland. Conditions were not as easy as we had over the past two shoots; a nippy breeze gave some of the discs a bit of extra speed, but Dan shot very well, as did Pat McDonald, who chased the winner all the way in the shoot-off. from his back mark shot splendidly, and G. D. T. Seccombe, Alf Herdegen, John Forsythe and Peter Thompson were applauded for good shooting. Bill Unwin, after a long break, was welcomed back to the "tracks" and should soon be back to his usual good form. President Alf Herdegen, when presenting the trophies, congratulated Dan Seccombe on his consistently good shooting and his grand sportsmanship and congratulated Pat McDonald on his win in the Northern Tablelands C'ship and his Sportsman of the Week award. Pat shot a 50 break at Dorrigo. The President also said that this shoot and the Club S.B. C'ship in July should put local shooters in good form for the Centenary Shoot on Aug. 5th, when the Northern Rivers D.B. C'ship will be held. Several national shooters are expected to compete. He thanked Jim Alcock, Mrs. Raleigh and Mrs. McDonald for their help during the afternoon.

COLAC (V.). — Our night shoot on Sat. 3/6/61, consisted of novelty events, and all present voted it a very pleasant function. The weather was fine, with a light, incoming breeze, and altogether there was an atmosphere of friendly relaxation. Twenty-five shooters from Cressy, Camperdown, Cobden, Barwon Heads, Ballarat, Apollo Bay, Carlisle River and Geelong competed in the programme.

Our President, Ernie Osborne, was unfortunately absent through illness. This is only the second Colac shoot Ernie has missed in seven years of club shooting. Senior club life-member, Theo Norman, acted on Ernie's behalf and thanked the ladies for their excellent supper, and the various club members for their assistance to the club in several ways. He asked Mrs. Jack Wall, of Carlisle River, to announce the winner of the automatic gun competition, and the winner proved to be none other than Theo himself! Temporarily bereft of speech and in a high state of nervousness, Theo took his new gun and smashed the first target released to him.

It was a popular win, and Theo received congratulations from all sides. It is said that Bill Pascoe's bottle of "Peter Dawson" disappeared in a matter of minutes. A broken cork caused a slight hold-up, but a jab from a finger soon allowed proceedings to continue.

Main results: No. 1, 5-bird D.B.: div. I. Holt, T. Sharp, H. Edwards, W. Tucker, 15/15 pts. No. 2, 5-bird D.B. (20 yds.) and 5-bird S.B. (12 yds.): div. H. Edwards, D. Corstorphran, 10/10. No. 3, 5 walk-up, 5 silent rise, 5 gun down: T. Sharp, 15/15;

M. (Bill) Pascoe, H. Wales, 14/15; R. Bath, R. Parker, H. Edwards, C. Grist, 13/15. No. 4, 5 strange gun: div. G. Tucker, T. Sharp, I. Holt, W. Tucker, 4/5.

COLLARENEBRI (N.S.W.), 24/6/61. — Weather conditions: light wind, cold. Attendance: 10. Results: No. 1, Practice round of Skeet: no score. No. 2, Skeet C'ship (two rounds): G. W. Reardon, 38/50; K. Constable, 37/50; E. A. Holmes, 35/50.

Skeet C'ship was the event of the day, which resulted in a good win by Geoff Reardon; Kev. Constable, whom we had the pleasure of welcoming as a new member, ran 2nd, with Ted Holmes in 3rd place, the 16 yarder trophy going to C. C. White.

(F. K. Badger, Hon. Sec.)

COBURG (V.). — We were lucky with the weather during June, and as a result had little to complain about in the matter of attendances.

June 10 was a good start. On this day we conducted the Victorian Deauville Doubles C'ship. Four pairs went into the shoot-off, and the winners were Bill Finnigan and Steve Stevens with a fine score of 27/28. Both are classy shooters.

Second pair, Fred Shearer and Keith Paterson, 28/30.

The remaining two pairs were Bill Hall and Fred Jones, and Phil Collins and Merv Whitelaw.

The supporting events were also closely contested. The opening event was a 5 pair Double Rise, and in this Fred Shearer, Don Glover and Tom Spence shared, 4/5.

A 20 birds D.B. was the last event, and this produced a field of 30 odd shooters. The event was for cash, so the three possibles, Merv Landers, Bill Robertson and Clarrie Norikly, a little richer than when they came.

June 24 was a cash day, and there was quite a good muster. Strangely enough, the 12/16 yards shooters out-numbered the 18 yards and over shooters by three to one. Quite a few of the front-markers were new shooters — a very healthy sign indeed. Incidentally some of them figured very prominently in the prize distribution.

The programme commenced with the usual 10 birds Points, and in this committeeman Max Crouch was the outright winner with 29/30 points. Second and third money was cut by Alan Craig, Bill Hailes and Kevin Lowry.

The main event was a 30 birds D.B. Keith Paterson, Bob Wilson and Doug Clay all finished with 29/30, and being of the opinion that a bird in hand is worth two in the bush, they decided to cut. Each did rather well out of it, too.

We advertised that if time permitted there would be a Tower event. Well, time did permit and there was a Tower event, and it proved extremely popular.

It was an interesting event and again three shooters finished equal — and the cash was divided. The successful trio were Mal Brown, Geoff Read and Keith Paterson.

By the time you read this we will have held our Annual Meeting and election of officers. We don't anticipate many changes. We have been blessed with a splendid committee over the past year. With an attendance at meetings of about 85 per cent., you can readily see why our club is successful.

Now, something about our Adelaide trip in October. There will be three elimination shoots, the first two over 20 releases and the last one of 40 birds—80 birds in all.

The five highest aggregate scores will constitute the team—and are they in for a good time! Of course, you must be a financial member if you want to make the team.

The first of these eliminations will be held on August 19—see advertisement on another page.

I hope to be seeing you.

Oldfield, G. Bell, T. Johnson, div.

The weather was bitterly cold, but the shooters enjoyed the day, fortified by the afternoon tea kindly donated by wives of club members. Conditions were bad, with only three shooting 19 out of 20 for the Club S.B. C'ship. The shoot-off for this event went to 14 birds, with George Bell (Young) taking out the trophy. The club wishes to express thanks to those shooters who braved the cold and helped make the shoot a success.

COWRA (N.S.W.), 24/6/61.—Weather conditions: fine and cold. Attendance: 30. Results: No. 1, 5-bird: 18 shooters div. No. 2, 10-bird S.B. Sparrows: J. Thompson, 1st. No. 3, S.B. There was a good attendance of local and visiting shooters. Shooting conditions were quite good, but the sparrows were holding their own, and winners deserved their trophies.

On an ideal shooting day, with visitors from Colac, Colden, Sebastopol, Geelong and Melbourne, this club conducted a rather successful shoot, although after reading the results one would think there were only three shooters who took part in the S.B. and D.B.

Club C'ships. In the 15-bird D.B. C'ship nine shooters shot the possible, S. McIntosh, B. King, N. Smart, N. Viccars, T. Sharp, W. Williams, D. Corstorphane, R. Parker and G. Burnett, after a long shoot-off, R. Parker was the winner, with another sash to add to his collection. In the S.B. C'ship only W. Williams and R. Parker shot the possible; this gave W. Williams his first sash from this club to take back to Melbourne.

M. LUHRS, President.

A. E. SMITH, Secretary.

Rain early in the afternoon held up the start of the shoot and heavy, dark clouds made birds hard to see, with the result quite a large number of birds landed intact. Twenty shooters lined up for the trophy event, when Ewan Downie was the only shooter to get the possible and received a ladies' gold wristlet watch. George Thomas wore down the field in the shoot-off for second place, whilst George Laker, with 18/20, took off the front-marker. It would appear that some shooters would do just anything to have more shooting; this was obvious here on Saturday when the lights were turned on at 5.30 p.m. to shoot the Miss-out, when Geoff Wise thanked all for their donations.

(Robert Lawson Jnr., Hon. Sec.)

DORRIGO (N.S.W.), 27/5/61. — Weather conditions: windy and light rain in the afternoon. Attendance: 26. Results: No. 1, 5-bird D.B. (16 yds.): F. Whittaker, P. McDonald, A. Lymbery, F. Sawtell, W. A good roll-up and a very good day's shooting was had by all. Conditions were marred by a light shower in the afternoon, but the shooting standard didn't show the effects. Congrats. to P. McDonald on winning the Championship and also for putting up a 50 break. (A. Whittaker, Hon. Sec.)

A perfect day for shooting, with shooters attending from Tatura, Bendigo, Boort, Moulmein, Finlay, Melbourne, Shepparton and Nathalia. Eric Brinsmead returned to the tracks after recovering from an accident some months ago, and won the Echuca District S.B. C'ship — a fine effort; 2nd went to Ian Whyteross (Boort), always a hard man to

beat, and 3rd went to Herb Prior (Kyabram). The usual monthly trophy event went to Phil Rasmussen; this was Phil's first win at Echuca, and we hope to see him back again; 2nd went to club Treasurer Alan Hore, and 3rd to Jack Adams, another local shooter.

Shooters from Sale, Warragul, Yarram, Nyora and Korumburra. The conditions were in favour of the shooters; some very good scores were registered. Eight shot off for the Club C'ship. E. Cripps gained the 1st trophy donated by I.C.I., and his first sash. Being the club's President, the win was very popular. The runner-up was that hard-to-beat R. Glover (Sale). We also congratulate Alan Pearson and W. Trigg in gaining their 50 50-break badge. Many thanks to the ladies for the excellent afternoon tea.

(C. G. Steele, Hon. Sec.)

GEELONG (V.), 1/7/61. — Weather conditions: cold and windy. Attendance: 38. No. 1, 17 div. No. 2, Geelong Club D.B. C'ship: 5 possibilities in nearly impossible conditions: R. HAWKESBURY (N.S.W.), 24/6/61. — Weather conditions: fine. Attendance: 27. Results: No. 1, 5 pr. D.D.: E. Hawkins - A. W. Hayes, J. Crowne - D. Porter, M. Fuller - D. Scowcroft, W. Charlton - W. Rutty, 5/5. No. 2, County of Cumberland D'ville Doubles

HAY (N.S.W.), 24/6/61. — Weather conditions: perfect. Attendance: 20. Results (Skeet): No. 1, Round Skeet (24 targets): A. Weeks, 24/31; J. Headon, 22/31; V. Cox, 17/24. No. 2, Second Round Skeet (24 targets): J. Pocock, 20/24; D. Anderson, Bill Chandler, 2nd, 10/24. No. 3, 5 prs. Skeet: A. Weeks, N. Milliken, B. Bennett, div., 9/10. No. 4, Box Sweep at Skeet (both targets released together): A. W. Headon.

The afternoon's shoot was well attended, and all club exponents at this type of shooting took part. The club had recently added the latest plates for Skeet to their electrically released traps and everything functioned perfectly. The shooting of Weeks and Pocock was outstanding, while others want more practice at this form of clay target shooting; however, the club intend to shoot Skeet at least twice a month in the summer, and this will be done at night.

(Les McKinney, Hon. Sec.)

HERBERT RIVER (Qld.), — The club's three-day Shooting Carnival commenced at 1 p.m. sharp on Saturday, June 10, in excellent weather and 60 shooters participated in the opening event, with visiting shooters from far west as Mary Kathleen, far south as Sydney and far north as Atherton.

A. Girgenti (Ingham) caused a surprise by winning 20-bird S.B. Trophy Shoot with 20/20, but after being penalised a yard, went on to qualify for the 50-break badge and win the Herbert River Gun Club C'ship on the Monday. Others to qualify for the 50-bird break badge were: S. Spina (Ingham) and B. Landrigan (Ayr). A shoot-off was necessary in this trophy shoot between J. Galetta, V. Galetta, W. Phelan, T. Schwabe, A. Mace, B. Landrigan, R. McAllister, 19/20, and resulted in W. Phelan (Ayr), 2nd; B. Landrigan (Ayr), 3rd. W. On a day of Championships we saw Trevor Newman shooting perfectly to take out the club F.M. C'ship with a good score of 30/30, hard-pressed by G. Genders, 2nd, and B. Schott, 3rd. It looked like being a front-markers' day when Garry Genders broke the only possible off 16 yds. in the Southern Districts Sparrow C'ship. Congratulations, Garry, on your first Championship; 2nd was W. Potter, almost a veteran with 23/25; 3rd, R. Abblitt, 22/25. The F.M. went to B. Schott, 21/25. In the State Double Rise we saw Rex Powell (Cressy) shooting perfectly to score 14/15 pairs to win it outright; 2nd, S. Marshall; 3rd, P. Marshall. Congratulations to all winners and place-getters. Front-marker went to G. Sulman (Oatlands). Nice to see E. Jackson (Geraldton) along.

HORSHAM (V.), 24/6/61.—Weather conditions: good. Attendance: 41. Results: No. 1, 5-bird H'cap: 18 div. No. 2, Wimmera D.B. C'ship (20 targets): 1st, D. Bull; Bob Batson 2nd; J. Arnold, 3rd; P. A very good field of shooters, with shooters from most Western District Mallee and Wimmera clubs. Congratulations to Don Bull on his win in the Championship, also to the runner-up and third. This was one of the best shoots held at Horsham, thanks to the large number of visitors. M. Sullivan proved too good for local shooter R. Preuss and C. Budde to win the I.C.I. Trophy. Once again we thank the ladies for the afternoon tea. C. Budde won the high gun, held over the last three meetings. (N. Stewart, Hon. Sec.)

KATANNING (W.A.), 11/6/61.—Weather conditions: dull, showery. Attendance: 15. Results: No. 1, 30-bird D.B. Yardage D.T.L.: 1st, R. Anderson, 29/30; equal 2nd, M. Crossley, W. Makeham, C. The main event was a 30-bird D.B. event for a trophy presented by our Immediate Past President, Doug Hilton, who was, unfortunately, unable to be with us owing to a more pressing engagement. It was capably won under moderately difficult conditions by Ross Anderson, who also ran out winner of the

High Gun trophy over the day. Also present were two prospective new members in Messrs. Neal Richardson and Bob Goyder, both of whom shot in a very promising manner, particularly in the skeet event, which was shot in extremely bad light conditions. Our lady supporters, as usual, put on a scrumptious afternoon tea, and this could almost be described as the main event of the day.

(E. M. Crossley, Shoot Sec.)

Although conditions were perfect, only two shooters shot 10 birds in the main event, with Kevin Dobson winning the main trophy on the 11th bird. Shooters are reminded that our series of night shoots commences on Monday, September 25, and continues fortnightly until the end of March.

(R. Alister Walker, Hon. Sec.)

KOJONUP (W.A.), 11/6/61. — Weather conditions: dull, with strong wind. Attendance: good. Results: No. 1, half-round of Skeet: C. Marsh, W. Nokes, K. Anderson, 13.5/13; J. Schinzig, 13/13. No. 2, 10 pr. D. Rise: C. Marsh, 13/18; D. Secker, 12/18; L. Paini, 10/16.

Charlie Marsh won yet another set of drinking glasses to add to his already large collection. It seems that if there is a set of drinking glasses in the ofing, Charlie is a sure bet to win it. He was in good form to win

both events today and it seems he has his eye on the Club C'ship already. The club wishes to advise of the altered starting time. In the future shooting will commence at 2 p.m. sharp. (Keith Anderson, P/O.)

AUGUST, 1961

The Mildura Clay Target Gun Club conducted Queen's Birthday week-end shoot under good shooting conditions, and the Committee were more than pleased with the good attendance of 121 shooters for the £800 Handicap. The seven shooters with the possible score of 30/30 decided to cut the 1st, 2nd and 3rd prizes in the £800 Handicap. Consistent shooter R. Lynch was successful in the Vic. Sparrows C'ship, shooting well to score 35/35. M. Lynch was probably the most successful shooter over the whole programme, winning the High Gun and cutting the big Handicap. (K. J. Peake, Hon. Sec.)

Mudge shooters were given an excellent display of team shooting by Coolah. Shooting was generally of a high standard, with some excellent shoot-offs. The visiting shooters took home their share of trophies and a good time was had by all. My personal congratulations to Coolah shooters, who won with a record score for this series.

The club has had a practice trap open to all novice shooters from 1.30 p.m. each shoot. The training they are getting is borne out by the number of front-markers who are getting into the placings each shoot. Dan Mott gives his undivided attention to each novice shooter on the practice track. Club members would like to thank the ladies' committee for the way they look after us during these shoots. Thank you. (M. Dick, P/O.)

NORTHAM (W.A.), 18/6/61.—There was a good roll-up of shooters at Grass Valley on Sunday afternoon, when 24 shooters attended, including visitors from Perth and Cunderdin. The programme, for a club trophy, consisted of 10 birds D.B., 10 birds S. Rise and 10 birds Walk-up. In the first event R. Chester, J. Antich (Perth), B. Maley and R. Webb each scored possibilities. In the second event L. Solomon, B. Holtfreter and A. Coutts each scored 10/10. In the 10 birds Walk-up, which is rather difficult to most shooters, possibilities of 10/10 were scored by J. Webster (Perth), B. Holtfreter and D. Holtfreter. Over the three events B. Holtfreter and L. Solomon scored 28/30. In the shoot-off for trophy B. Holtfreter won.

The club was very pleased with the attendance at this our first open shoot since the re-formation of the club. Shooters present from Bathurst, Brewarrina, Condobolin, Cowra, Dubbo, Lake Carrigilli, Orange, Tullibigeal, Wallerawang, Wellington and Young. Our congratulations are extended to Merv Williams for winning the 5-bird trophy and the championship with a total high-gun break of 76. (G. T. Wilson, Hon. Sec.)

PERTH (W.A.). — We have been favoured with beautiful shooting weather so far this year; the grounds are well grassed and well cared for and are a picture. Attendances have been slightly better than those for similar events last year and the shooting has been most creditable. It all augurs well for the major events soon coming up.

May 21. — 25-bird Skeet. Shoot-off between 10 members, 1st place going to A. J. Anderson; 2nd, E. Metcalf; 3rd, M. Taylor. Looks as though the handicaps will have to be tightened up, or a system of classification invoked.

May 28. — 10 pr. D'ville Doubles Sparrows: A. Coleman - J. Webster shot the possible; L. Smith - T. Sutcliffe, 9, with the rest of the field close behind. 10-bird D.B. D.T.L.: 8 possibles; shoot-off, J. Williamson; 2nd, J. Schinzig (Kojonup), 3rd, J. Philipoff. This was a particularly good effort on the part of the winner, who had not shot for nearly 12 months, while all eight did well, having to move back 1 yard after each 5 birds.

June 10. — 20-bird D.B. D.T.L.: 1st, D. Cumming, 37; 2nd, J. Philipoff, 36; 3rd, G. Bailey, 31. Also in shoot-off were two consistent stalwarts in Keith Barker and Alf Hunter. 10-bird S.B. D.T.L.: a shoot-off saw the front markers put it all over the experts, with a popular win for F. Mainwaring, 19/20, from W. Hyams (a new-comer this year), 18/20, with the consistent M. Taylor just nudging G. Bailey out of 3rd place. A Hunter had to go home and could not take part in the shoot-off.

Congratulations go to Frank and Graham Bailey, who won the State D'ville Doubles C'ship at Narrogin in May.

Sunday, June 25. — 40-bird D.B. D.T.L. (I.C.I. Cartridge H'cap): 1st, J. Webster, 40/40; 2nd, P. Crackel, 39/40, after shoot-off with T. Blakely, 39/40. 20-bird D.B. D.T.L.: J. Webster, R. Witcombe, 20/20. 10-bird Walk-up: R. Yates, 10/10; six others shot 8/10.

Attendance was up to last year's event and there was some really keen shooting under windy conditions. John Webster "hit his straps" after a series of near misses in previous shoots. Shooting finished abruptly before a shoot-off in the 20-bird event could be held, due to the sudden illness of Reg Yates; we all hope that Reg makes a speedy recovery. Another popular member, Merv Taylor, had serious misfortune in a car accident on the evening of 24th June. It is feared that he will suffer permanent loss of sight in one eye. All shooters join in wishing Merv well, and trust that he will be able to continue shooting. (J. G. Spark, Sec.)

Doctor: "I've examined you thoroughly, but I can't seem to find the cause of your trouble. However, it's probably due to drinking."

Patient: "That's okay, Doc. I'll come back some time when you're sober."

NIKKO wins highest honour

NATIONAL DOUBLE BARREL CHAMPIONSHIP, 1961

CHAMPIONS choose NIKKO because:—

- Chrome Barrels shoot better patterns.
- Bever-tail foreends improve gun control.
- Non-recoil type action, permits faster, crisper second shot.
- Full pistol grip correctly positions trigger finger.
- Monte Carlo Stock eliminates head lifting — the most frequent cause of missed birds.
- Good gunsmiths have assured them that NIKKOS have tougher steel and a better finish.

OLYMPICS, 1960: The Canadian Champion used a NIKKO at ROME.

ENDURANCE TEST: In the U.S.A. thousands of overloaded shells were fired through popular O/U's. The test proved conclusively that NIKKOS were the most durable.

NOW AVAILABLE: Bright or Matt Chrome finished actions.
