INTERNATIONAL MATCH. Match conditions for the next International Match remain as at present, i.e. 100 targets per man from 16 yards, double-barrel, points scoring 3 and 2. The venue of the Australian section of the match will be decided at the October meeting of the Executive Committee of the Association.

Of interest in regard to the International Match is an advice from the International Committee in London that "it has been unanimously agreed that South Africa should continue to enter a team for this Trophy, despite the recent political changes, and that they should do so for many years to come." The information is heartening news and, it is felt certain, welcomed by all Australian sportsmen.

A.C.T.A. BROCHURE OF SHOOTING RULES. All shooters interested are advised that a brochure of the A.C.T.A. Shooting Rules is now available on application to the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.1, on payment of 2/6, plus postage 5d.

HANDICAPPING ON BREAKS. Shooters who run up breaks are reminded regarding the handicapping formula covering breaks, as approved by the A.C.T.A. Executive Committee. The Official Handicapping Formula reads:

50 Break.

If compiled in front of regular handicap — no alteration in handicap.

If compiled three yards or more behind regular handicap — 2 yards back.

If compiled on or one or two yards behind regular handicap — 1 yard back.

75 Break or Over.

If compiled in front of regular handicap — no alteration.

If compiled three yards or more behind regular handicap — 3 yards back.

If compiled on or one or two yards behind regular handicap — 2 yards back.

The foregoing is reprinted following a number of requests regarding handicapping on break performances. There is no handicapping adjustment if a shooter on a mark of, say, 16 yards in a district championship or similar event registers a break, providing his A.C.T.A. handicap is not 16 yards or a mark in front of 16 yards. However, should a shooter on 16 yards or a mark in front of 16 yards win an open championship, then he is handicapped back to the mark from which he won.

BREAK BADGES. Despite oft-repeated intimation, clubs are occasionally writing to the Association to ascertain whether a shooter registering a break of 50 or more in front of his handicap is entitled to lodge a claim for a break badge. All are informed that break may be recorded from "any mark". Which means that a shooter who may be, say, a

20 yarder can gain break recognition for a break registered in a 16-yard event. At one period, some years ago, break claims were only recognised if these were recorded on the shooter's handicap or behind his handicap. Runs of 50 or more made in front of the regulation handicap were, at that period, not acceptable for break recognition. However, as already mentioned, that situation is now changed and break claims will be recognised by the A.C.T.A. from any mark. It should always be remembered that breaks are only acceptable if recorded in regulation down-the-line events, under double or single-barrel conditions. No break badges will be issued for recordings made at double-rise, walk-up, Deauville Doubles, mixed birds or tower, or any other novelty event conceived by a club to provide variety, such as auto and driven and the like. When a club makes a claim for a break badge on behalf of a shooter, it should be remembered that the actual score sheets on which the break was recorded should be forwarded to the A.C.T.A. office with the claim. Clubs failing to send in the score sheets only impede the issue of the badge, because no break badge will be issued without the score sheets in substantiation.

DEAUVILLE DOUBLES. A shooter recently wrote the Association seeking a ruling on "no birds" as applicable to Deauville Doubles. The shooter quoted the fact that he had been "no birded" by a referee when one of the targets of a pair in a Deauville Doubles competition had been thrown high. The Referee is the sole judge as to whether a "regulation" target is thrown, either in down-the-line, competition, Deauville Doubles, double-rise or a competition of any kind. Therefore, if the Referee considered one of the targets thrown was not a "regular" target, he is quite within the Rules to declare "no bird" and allow the competitor another pair. Some may be confused by the oft-repeated indication that "Deauville Doubles is an all in" competition. Reference to "all in" competition should not be understood to apply also to irregular targets — one has no bearing on the other. The reference to "all in" concerns such

happenings as a misfire or mechanical failure. For the information of all, Rule 97, which deals with this section of the sport, is quoted as follows: "Any misfire or mechanical failure does not entitle the shooters to another pair of targets and they must abide by the result."

RULE 7. Rule 7 of the A.C.T.A. Shooting Rules states, "When firing, the competitor's feet must be behind the firing mark assigned to him, and he must stand with both feet within 18 inches on either side of the centre of this mark. Should the competitor fail to observe the above Rule, a 'lost target' will be declared." This Rule does not seem to be quite fully understood by some shooters and also Referees. Many misinterpret the Rule to read that the "competitor should have both feet together" — the Rule makes no reference to both feet being "together". The Rule clearly indicates that a shooter must stand within "18 inches of the centre" (either side).

The Rule actually had its origin more than two decades ago when a then prominent shooter adopted the practice of standing off the concrete and altogether making his own position for shooting. The ruling Committee of the day discussed this shooter's action very thoroughly and came to the conclusion that he was endeavouring to secure an advantage over the shooter who remained on his concrete track, hence the formation of the present Rule 7.

ASSOCIATION INCORPORATION. Arrangements for the Incorporation of the A.C.T.A., as approved by the 1961 Annual Meeting, have been completed and the final draft will be presented to the October meeting of the Executive Committee. Meanwhile Memorandum and Articles, as approved by the Crown Law authorities, are published in this issue.

The Chairman shall have a casting vote in case of parity of voting as well as a personal vote. Four members of the Committee shall form a quorum. If any member of the Executive Committee is absent without leave from three consecutive meetings of the Committee the Committee may declare such member's seat vacant and he shall thereupon cease to be a member of the Committee.

Don Winn has taken over the secretarial duties of the Giru Club in North Queensland. He succeeds R. F. McLennan, who, in a recent letter, records his appreciation of A.C.T.A. co-operation and extends best wishes for the Association's continued success. Winn's address is c/- Haughton Sugar Company, Giru, N.Q.

Aramac Club in Queensland recently spent much energy in bringing its shooting ground right up to first-class condition. The club's shoot on September 13 was attended by the Governor of Queensland, Sir Henry Abel Smith. His Excellency has frequently displayed great interest in shooting sports, not the least of which has been clay target shooting.

In another brief note last month from Rex Miles in Spokane (Washington), U.S.A., Rex writes, "Was sorry to hear that your boys ran into rough weather conditions when they shot their International scores. Guess that is the 'breaks' of the game. Lots of times I have seen conditions good and very bad on the same day. So the lucky ones were the ones shooting when everything was favourable." Rex continues, "I appreciate your magazine very much, thanks a lot. You are doing a grand job, keep up the good work. Better luck next year on the big shoot."

Many shooters of the old Nobel Club days will regret to learn of the passing of Reg Lyne of Elwood. Lyne was one of the old originals of the sport and was shooting right up to the day before he passed on. The writer's first recollection of Reg was back about 1927, and later in 1929 when he was the inaugural Secretary of the now extinct Melbourne Clay Target Club. It is a matter of interest that Lyne found the work of conducting the Melbourne Clay Target Club somewhat of a time-con-

suming job and he handed over the secretarial duties to the writer. The deepest sympathy of all are extended to his relatives.

Squadron Leader Clarrie Northey, a frequent visitor to Melbourne shooting tracks, has been transferred in his R.A.A.F. duties to Kingswood, near Penrith in New South Wales. Northey, a popular sportsman, was tendered a farewell shoot on Wednesday, August 2, on the Melbourne Gun Club's grounds. Nearly 40 shooters attended and the main event was won by Merv. Landers of Sydenham. All wish Northey well in his new sphere.

Hawkesbury Club at Windsor, N.S.W., has installed its new night lighting system, and latest reports are that the lights are working perfectly. The club has taken over the N.S.W. State Single-barrel Sparrow Championship from the N.S.W. G.C. and will shoot this event in the near future.

The up-to-date Yarrowonga Club on the Victorian side of the Murray will shoot on October 28, when an all-day programme has been arranged. Shooting will start at 10 a.m. The Murray Valley Single-barrel Championship and a £50 Handicap, with the Tyack Shield shot in conjunction, will be the main items. Programme is as advertised. The club will also shoot on November 25, programme of which will be advertised in the November issue of this publication. Of interest on this last-mentioned date is that the first trophy in a special trophy event is a "Goldcraft" 12 ft. Bondwood Boat and trailer combined, valued at £120. The club advises that this trophy is ideal for fishing, duck shooting or picnic weekends. The club has requested that this trophy be shot for until finality. The club also indicates that Yarrowonga is Australia's "aquatic paradise" and expects a big muster of shooters for "the shoot of the year". The Yarrowonga District D.B. title will also be decided on November 25. A special high-gun trophy will be awarded each day. In the special "boat" event, second trophy will be

Croydon & District Clay Target Club, which shoots on the Recreation Reserve at North Croydon on the road to Lilydale, near Melbourne, due to the enthusiasm and energy of many of its members, recently has had erected a new brick clubhouse and meeting room. The building is a first-class structure and worthy of the best club anywhere. The Committee, numbering nearly 20, has already held its first meeting in the new building. As a committee member pointed out, it is now much better and cheaper for the club to meet in its own premises instead of paying rent for other meeting rooms. The club advertises its programmes in the immediate future. On Saturday,

October 14, the club single-barrel intermediate title is listed. On Wednesday night, October 18, the club will again engage in night shooting, when the club double-barrel night sparrow title will be decided. On Saturday, October 28, a 30 birder is main event, the winner of which will receive a car tyre (of own selection) donated by Tom Lucas. On Wednesday night, November 1, the club night mixed birds title is for decision. In addition to the listed awards a club trophy will be donated to the 12 yarder with the best score over the programme for each shoot. George Biggs will be on hand from 1 p.m. on the Saturdays the club shoots, to give instruction to novices who wish to avail themselves of the opportunity of gaining first-class tuition. Enquiries to club Secretary, A. L. Haughton, 184 Toorak Road, Hartwell, E.6 (Phone 29-1037). Norman Kneebone is club President and his phone number is Coldstream 226.

Mildura Club on the Murray, with its spacious shooting grounds at Olympic Park, Mildura, will shoot all day (commencing 9 a.m.) and in the evening of Saturday, November 11. The Mildura Gun Club Cup, a £50 Handicap followed by a £100 Handicap, and concluding with the Olympic Park Double-barrel Championship, will be the main day events. At night the Olympic Park Single-barrel Night Championship will be decided. The club has three automatic traps, all of which will be in operation. A high-gun trophy and sash will be awarded over the full programme. A first-class luncheon has been arranged for shooters. Details of entire programme are as advertised. Enquiries to K. J. Peake, Secretary, 65a Langtree Ave., Mildura (Phone Mildura 385). C. F. Dennis is club President (Phone Mildura 877).

For the shooter who wishes to speed up his shooting, one of the first things to remember is to hold the gun a little higher—point it at a spot over the traphouse about one third to a half rise of the target. Focus the eyes on the edge of the traphouse rather than on your gun, and the instant the target leaves the traphouse, start the gun moving to intersect its flight path. Sweep through the target and as you go through, touch off the trigger. Your first point is generally the best one, so do not be afraid to slam into the target the instant your sights pick it up. No shooter can afford to be timid in this style of shooting, as it is inherently a "slam bang" style that requires positive movement and confidence.

The Royal Aero Gun Club at Bankstown Aerodrome, just outside Sydney, is installing night lighting and expects to run big night shoots in future. The club has also already installed two electric traps which, it is understood, are giving great satisfaction.

Hurricane winds circulate clockwise in the southern hemisphere and

counter-clockwise in the northern hemisphere.

A few tips for those who re-load shells. Remember that your trap-shooting efforts are controlled by the quality of your re-loads. Insist on quality and constant inspection. All empty shells should be thoroughly inspected before loading. Watch for any cracks in the paper around the powder pocket section and at the edge of the brass. Wad pressure can cause ruptures. Inspect the interior base wad and make certain it is intact. Remove all foreign matter, grass, flecks of paper and the like which may lodge inside the tube. Keep the primer opening in the base wad clear of any paper flecks which might cover the cap hole in the primer and thus cause faulty ignition. Inspect the loaded shells before boxing. Look again for cracks and bulges around the wad and powder areas. The "hulls" sometimes separate from the brass when fired and cracks will be visible, if inspected before firing. Remove the barrels from your gun and use them to check the head space for size on your loaded shells. The shells which do not drop freely into the chambers should be set aside for practice shooting only. Inspect the primer to ensure that it is flush with the base and seated in the counter-bore in the brass. Always load in good light and never try to load shells in the dark.

Dubbo Club in Central Western New South Wales will shoot from 10 a.m. on October 15 (Sunday). The Central Western New South Wales Deauville Doubles Championship is main event of the day. Four supporting events, a 5, a 15 and two 10 birds, are listed. Full details of entire programme are as advertised. Enquiries to Jack Acroyd, Secretary, Dubbo Gun Club, Box 88, Dubbo, N.S.W. (Phone Dubbo 4374).

In addition to the Grand Prix event the club will also shoot the Deniliquin & District Double-barrel Championship and the New South Wales Double-barrel Sparrow Championship. Outboard Motor, and second a Winchester Auto. Rifle. Full programme for both days is as advertised in "News". The club advises that a modern caravan park is adjacent to the shooting grounds. Enquiries to F. G. Grinter (Secretary), 76 Eyre St., Echuca (Phone Echuca 89). President is K. Dobson, Pte. Bag, Echuca (Phone Echuca 302D). Limited accommodation has been reserved and any shooters requiring this service should contact either the President or Secretary immediately. The programme for Wednesday, December 27, includes the Echuca Club summer D.B. title, the State S.B. Sparrow title and a £50 Handicap.

Colac Club in the Victorian Western District will shoot on the afternoon of Saturday, November 4. The Western District of Victoria Double-barrel title will engage main interest of the day. In addition to the first three trophies yardage awards for the best 14/15 and best 12/13 yarders will be made. A £50 Handicap will follow the title event. Programme is as advertised. Of interest in an American shooting publication is the reference in that publication to a glossary of terms as used by the general body

of trapshooting enthusiasts. It is rather remarkable that the American terms differ very slightly from many of those in use in the Australian gun shooting world. A few examples follow: "Peeking"—lifting the head off the stock to see where the target is going. Usually results in the offender watching the flight of an unbroken target. "Short Yardage"—handicap yardages in the low-mark section, or below 20 yds. "Lots of grass"—an expression meaning that the shooter has a lot of handicap, i.e. a lot of grass between his post or shooting mark and the traphouse. "Wild target"—a target which fails to fly in the prescribed area. "Straight-away"—a target going away from the shooter in a straight line. Best example—a target flying at right angle from the traphouse when the shooter is on station three. "Extreme Angle"—a target thrown to the maximum right or left with the shooter on tracks one or five. "Slow pull"—an unusual delay experienced between a call for the target and its emergence from the traphouse. "Fast pull"—a target thrown quickly, either before the shooter calls for it or is ready to fire. "Puller flinched"—the puller involuntarily freezes for a short period before reacting to the shooter's call. "Lead-off man"—the shooter who begins shooting on No. 1 track. "Anchor man"—the shooter firing the last shot of a squad. "Across the board"—entering every possible event and sweepstake—this is also called "playing it all." From the foregoing it will be observed that our American friends speak almost the same language and the same expressions as Australian shooters when it comes to trapshooting.

Keilor Club, which shoots on the North Coburg grounds of the Coburg Gun Club, will shoot on October 7 and 21. On the first-mentioned date the Metropolitan Double-rise Championship is chief event on the programme. The club double-barrel title, always an interesting event, is listed as main item on October 21. Full details of both programmes are as advertised. Enquiries to club Secretary, G. Hunter, 3 Market Street, Essendon, W.5 (Phone FX 2103). F. Reade is club President (Phone FU 6851).

Letters to the Editor...

Clear Hills,
Moombooldool, N.S.W.,
August 14th, 1961.

Mr. W. McCullough,
Sec-Editor, A.C.T.A.

Dear Sir,

May I have space to reply to Mr. Roy Fallshaw regarding the standard of Skeet shooting in New Zealand. I can only form my opinion on what skeet shooting I have seen in Australia and on scores published in A.C.T. "Shooting News".

Scores in the N.Z. Skeet Championship shot at Hamilton, March 1961, were as follows: 1st 49 x 50; 2nd (2) 48 x 50, after shoot-off 141 x 150, 3rd 139 x 150, then six on 47 x 50, six 46 x 50, seven 45 x 50.

I will be very agreeably surprised if at the next Commonwealth Skeet Championships twenty-two of the top scores return cards of 45 x 50 and upwards.

The June 1961 issue of "Gunshot", which is the equivalent of our "Shooters' News", gives the "long run" awards for Skeet from June 1959 to March 1961 as follows: 50 — 73 — 50 — 58 — 108.

The same issue of "Gunshot" also shows that there have been awarded to N.Z. Skeet shooters the following "long run" awards: 32 bronze badges, 50 x 50 or over; nine gold badges, 100 x 100 and over.

Yours faithfully, EMIL E. ALBERT.

The Editor,

MELBOURNE.

Dear Sir,

I was interested in the August News "Out of the Past" when my name, together with Toss Ingledews, was mentioned.

You refer to me as "an evergreen" which could be appropriate. After nearly 30 years connected with such a fine sport and sportsmen, I feel I owe a debt to the Australian Club for providing me with so much pleasure and good comradeship, and shall continue to remain "evergreen".

May the sport continue to prosper.
Yours sincerely, AUB. JOHNSON.

OUT OF THE PAST

Twenty Years Ago

At Blackburn in October 1941 Fred Burns made an attempt to better and lower the break record of 80 straight held by Athol Love. Burns shot 44 without blemish, but faced up too hurriedly to his 45th and missed, and the record still remained with Love. The Australian record break was later gained by Newton Thomas when shooting in New South Wales.

Over 40 shooters attended a Red Cross Shoot conducted by the Coburg Club about this period in 1941. P. H. Lawson, one-time Secretary of the South Australian Gun Club in Ade-

laide, gained high-gun figures for the day with 30 straight. Main winners for the day were the late Ted Parow, two outright wins and a string of 36 straight in the process, and P. H. Lawson (S.A.). Another interesting result on the day was a run of 18/18 pairs under double-rise conditions by Athol Love. Love's success was gained in what was a scheduled 3 prs. double-rise event, yet he was pushed to the 18th round before winning from Frank Unmack, a one-time secretary of the Coburg Club. Later Love and Unmack paired and won a Deauville Doubles event outright.

Ten Years Ago

Much discussion was in vogue a decade ago regarding the holding of the gun by the shooter in walk-up competition. Happily, this controversy is no longer necessary, for the reason that the rules have now been changed to permit the shooter to hold the gun in an optional position in walk-up events, or in other words, "in any position consistent with safety".

In late September 1951 John Bryant Junr. ran up a string of 105 straight at the Coburg grounds. E. G. Biggs, who was also in fine form, had a break of 99, just missing out on the century recording. The breaks were compiled (chiefly) in the Coburg Club's 1951 club double-barrel championship. Eight had tied and young Bryant and Biggs shot it out to the 95th round before reaching a decision. Fred Burns filled third placing with 75/76. Burns won the Australian Club's premier title for 1951 (double-barrel), 29/30.

AROUND THE CLUBS AND MEETINGS...

ALEXANDRA (S.A.), 20/8/61. — Weather conditions: cold and breezy. Attendance: 33. Results: No. 1, 10 targets: D. Ayres, R. Kimber, D. Kimber, S. Ridge, div. No. 2, Club D.B. C'ship: A. W. Forbes, 1st, 84/85; R. Kimber, 2nd, 83/85; R. Treloar, 3rd, 114/115. No. 3, 20 Skeet: K. Burzacott, 20/20; R. Curtiss, R. Kimber, D. Kimber, D. Ekins, 18/20. No. 4, 5 targets off Fence: R. Curtiss, R. Treloar, D. Kimber, K. Burzacott, 5/5, div.

Club D.B. C'ship was keenly contested, 10 out of 30 shooters scoring possibles. Jim Forbes eventually winning from Ray Kimber, and Rollo Treloar had a long battle to down Ralph Curtiss to take third place. Kevin Burzacott was at his best to shoot 20/20 skeet. Secretaries enjoyed the comfort of their new brick office and shelter, and when completed will be a great asset to the club. (T. V. Roberts, Hon. Sec.)

ALICE SPRINGS (N.T.), 20/8/61. — Weather conditions: fine, strong, gusty winds. Attendance: 9. Results: No. 1, 5-bird D.B.: Morton, Sutton, Tuit, Warrington, 5/5, div. No. 2, 20-bird Strange Gun (18 yds.): Warrington, 18/20; Lupp, 17/20; Sutton, Pearson, 16/20. No. 3, 10-bird D.B.: Sutton, 10/10; Lupp, Pearson, Kittle, Smith, 9/10. No. 4, 10-bird D.B.: Morton, Lupp, Pearson, Kittle, 10/10. No. 5, 20-bird Mixed Birds (16 yds.): Lupp, 18/20, 1st; Smith, 18/20, 2nd; Warrington, 14/20, 3rd; Morton, Sutton, Kittle, Jackson, 14/20.

We had many uninvited guests at the shoot. A thousand flies to every shooter. If you called pull too loudly, you were in danger of swallowing one. In the eye-opener Morton, Sutton, Tuit and Warrington all shot the five. The 20-bird strange gun was won by Warrington, 18, with Lupp, 17, second. This event was for the Sutton trophy. The third event was won by Sutton with 10; Lupp, Pearson, Kittle and Smith were close behind with 9 each. The fourth event was shared by Morton, Lupp, Pearson, Kittle, all with 10. The 20 mixed birds was most interesting. Smith and Lupp, both with 18, shot off, Lupp winning the shoot-off. The shoot-off for third was won by Warrington. A very good day's shooting by all. (K. Warrington, Hon. Sec.)

APSLEY (V.), 19/8/61. — Weather conditions: good. Attendance: 30. Results: No. 1, E/O: R. Butler, R. Preuss, K. Foster, C. Freckleton, H. Williamson, P. Cleggett, A. Miller, A. Messenger, T. G. Boston, M. Humphries, C. Pretlove, 5/5, div. No. 2, £10 Trophy: 1st, H. Williamson, 23/23; 2nd, R. Preuss, 22/23; 3rd, A. Miller, 19/20. No.

3, £10 Trophy: 1st, R. Butler, 22/22; 2nd, S. Williams, 21/22; 3rd, T. A. Boston, 20/21. No. 4, £10 Trophy: 1st, M. Grigg, 30/30; 2nd, R. Preuss, 29/30; 3rd, R. Butler, 26/27.

A fine day, a good attendance and some good shooting. This shoot was held in aid of the new Apsley Hall. All trophies were kindly donated by Apsley and Naracoorte people, and a substantial profit was made for the hall. Thanks, ladies, for the usual excellent afternoon tea.

(H. A. Miller, Hon. Sec.)

AUSTRALIAN (V.), 12/8/61. — 46 members present, beautiful weather. No. 1, 10-bird Pts. Sparrows: I. Porter, A. Tie cut 1st and 2nd, 29/30; W. Henwood, 27/30. No. 2, Club D.B. Sparrow C'ship: one 20/20, J. Siede, 20/20; S. Henwood, 2nd, 19/20; R. Garth, 3rd, 27/30. No. 3, 10-bird D.B.: R. Garth, M. Ryan, div. 1st and 2nd, 10/10; F. Thatcher, G. Ellis, W. Henwood, R. McKnight, D. Latham, cut 3rd.

We encountered a bit of trouble with the Skeet events, being in process of installing a new system of pulling which gave a few un-anticipated hold-ups, and having a record entry, we were only able to complete one event; the other will be finished next shoot, when we hope to have everything functioning smoothly. Those to divide the sweep were R. Burrill, D. Edgerton, J. Siede, R. N. Fletcher and B. Dahlberg.

The outstanding shooter of the day was John Siede; he not only won the D.T.L. Sparrow C'ship, but took the Skeet high-gun trophy with a run of 50 straight.

26/8/61. — Fine day, 56 shooters. No. 1, 3 pr. D. Rise and 3-bird Walk-up: I. Porter, 3/3 prs.; 2nd and 3rd, div. G. Read, D. O'Callaghan, K. Oakley, W. Henwood, A. Hedger, D. Latham, G. Biggs. No. 2, Club Mixed Bird C'ship: 1st, D. Latham, 25/28; 2nd, A. Hedger, 24/28; 3rd, J. Siede, 26/28. No. 3, 10-bird D.B.: div. D. Latham, G. Read, G. Lear, W. Millard. No. 4, 16-bird D. Rise Skeet: 1st, G. Read; 2nd and 3rd, div. K. Oakley, N. Dixon, D. Kneebone, P. Henwood, S. Thompson, J. Siede, D. Edgerton, D. Latham. No. 5, 16-bird D. Rise Skeet: div. R. Burrill, K. Oakley, F. Thatcher, R. Siede, S. Henwood, S. Thompson.

Don Latham was in excellent form, as will be seen above, sharing in all the D.T.L. events and winning the C'ship. Arthur Hedger (Alexandra) was a welcome visitor and will no doubt receive a number of reciprocal visits during the coming trout season, as he knows the hot spots at Eildon.

Poole, A. Graham, 15/15. No. 3, 20-bird S.B. Poole Trophy: J. Gibson; novice trophy, C. Brown. No. 4, 5-bird Pts.: R. Poole, B. Cochrane, H. Rohan, 15/15. No. 5, 20-bird Pts. Roley Peters Cup: H. Owens, 58/60. No. 6, Teams Shoot: Kelly's Creek. No. 7, D. Doubles: G. Magoffin - K. Brown, 10/10.

This was our Annual Shoot, and though the day was cool, we had a good attendance. Congratulations to John Gibson, who won the Poole Trophy; Harold Owens, who won the Roley Peters Cup and the high gun; also to Cam Brown, who won the Novice Trophy and the Novice Aggregate Trophy. Congratulations also to Mark Stoneman, who was runner-up in the high gun, and Kelly's Creek, who won the Teams Shoot. The day was rounded off nicely with a barbecue tea at night.

BARCALDINE (Qld.), 15 and 16/7/61.—Weather conditions: fine, light gusts. Results, 15/7/61: No. 1, Qld. D.B. C'ship (30 birds): 1st, A. R. Tibbits, 30/30; 2nd, T. Akers, 59/60; 3rd, W. Bailey, 59/60. No. 2, President's Trophy (45-bird Pts. 3 and 2):

1st, T. Akers, 157/165; 2nd, J. Gibson, 151/165; 3rd, D. Smith, 126/135. No. 3, Alice River Challenge Trophy (for teams of 5, first four scores to count): 1st, Ifracombe (N. McLellan, R. Scott, E. O. Moyse, W. Brittain, J. Gibson), 223/240.

16/7/61. — No. 1, Cent. Qld. D.R. C'ship: 1st, E. O. Moyse, 10/10; 2nd, J. Gibson, 9/10; 3rd, A. R. Tibbits, 8/10. No. 2, 265 H'cap (45-bird D.B.): 1st, D. Smith, 45/45; 2nd and 3rd, div. A. W. Taylor, E. O. Moyse, 44/45. High Gun: D. Smith.

This was our Annual Shoot, though the numbers of shooters was down on previous years. Good shooting was had by all over the two days. Russ Tibbits showed his old form, when coming forward to 18 yards, by shooting a possible in the Qld. D.B. C'ship. Tom Akers (Charleville) had a very deserving win in the President's Trophy after a shoot-off with John Gibson (Kelly's Creek), who was shooting consistently over the two days and just missed out. The Alice River Challenge Trophy, shot over the first 20 birds of the President's Trophy, brought about an upset; everyone thought Pelican Creek had a mortgage on it after winning it the two previous years. Congratulations, Ifracombe, on being successful. Mick Moyse came good and gave all a lesson in the Central Q'land D. Rise by shooting a possible; it was a shame he had the flu. Our main Handicap of 265 was won by Doug Smith (Charleville) with a 45/45. Congratulations on your brilliant win, also on being successful in the High Gun over the two days. Congratulations to all the winners and place-getters; to those who missed out I hope they enjoyed the buffet dinner arranged by

Ted Cook and his good wife Cora, who really excelled themselves. Thanks to all the willing helpers who made the shoot a success. Visitors were present from Blackall, Longreach, Ifracombe, Isisford, Charleville and Aramac.
(A. J. Anderson, Hon. Sec.)

Heilman (Wallerawang), K. Soames, C. Campbell, J. Benton, H. Jaques, A. Molloy and R. Campbell (Bathurst). Black shot particularly well throughout the programme, shooting 78/78 straight. Parkes shooter, G. Wilson, was second with 62/63, and K. Harrison (Orange) third with 37/38. One of the most consistent shooters, Tony Molloy, won the first round of the Fred Mayo Trophy by shooting the possible 40/40 birds over four months. Many thanks to the ladies who served such a delightful afternoon tea.

BERRIDALE (V.), 12/8/61.—Weather conditions: fine, with east wind. Attendance: 15. Results: No. 1, 10-bird: div. F. Parkes, L. Blewitt, W. Jordon, C. Spence. No. 2, 10-bird S.B.: 1st, W. Sands, 32/33; 3rd, W. Ryall, 31/32. No. 5, 5 pr. D. Rise: div. F. Parkes, R. Hedger. No. 6, Box Sweep: 1st, R. Sands; 2nd, F. Parkes.

The Queanbeyan Club brought a car load of shooters up for the day, making it most enjoyable and stiff competition. Hoping to see you boys more often in the future. The main event of the day was the D.B. Trophy, being won by Ron Hedger after a long shoot-off with R. Sands and W. Ryall. The ladies provided a very enjoyable afternoon tea,

which was appreciated by all. We always shoot on the second Saturday of every month.
(Rodger Sands, Pres.)

BOORT (V.), 29/7/61.—Weather conditions: good. Attendance: 20. Results: No. 1, 5-target Pts.: R. Mackay, W. Tatt, G. Perdrisat, L. Toose, K. Dobson, 15/15, div. No. 2, 20-target D.B. Trophy: 1st, P. Heighway, 34/34; 2nd, J. Cumming, 33/34; 3rd, G. Perdrisat, 34/35; F.M., R. Mackay. No. 3, 10-target D.B.: F. Doyle, W. Tatt, A. Rothacker, W. Nunn, G. Perdrisat, L. Toose, P. Heighway, V. Kelly, I. Whytcross, 10/10. No. 4, 5-target D.B.: R. Mackay, W. Nasehke, W. Tatt, R. Manuel, L. Toose, G. Mahoney, R. Peacock, P. Heighway, V. Yeaman, V. Kelley, C. Heffer, I. Whytcross, 5/5, div.

Despite counter attractions, 20 shooters attended to contest the Railway Hotel Shield. This fine trophy has been donated by Mr. and Mrs. M. McMahon of the above hotel, and was well won by a comparatively new shooter, P. Heighway, with 34/34, after a shoot-off with the consistent "Jock" Cumming, always a hard man to beat; third prize went to G. Perdrisat after a shoot-off with five others, and this gave him his first trophy for about two years. Ron Mackay copped the front markers', and ladies' trophy went to Marlene Brown; our congratulations to them all. Many thanks to all who helped the shoot to "tick", including Mary, Joy and Ruth for the cuppa.

19/8/61. — Weather conditions: fine, mild day. Attendance: 32. Results: No. 1, 5-target S.B. (16 yds., C.D.): R. Manuel, K. Dobson, R. Grinter, E. Lanyon, G. Coyle, I. Whytcross, A. Banfield, W. Nunn, L. Toose, W. Tatt, 5/5, div. No. 2, Club S.B. C'ship (20 targets, 16 yds.): D. Mountjoy, 25/25; A. Mason, E. Lanyon, 24/25; F.M., W. Coyle, 22/25; ladies', Mrs. Frank Doyle (Bendigo). No. 3, 10-target D.B.: H. McQueen, S. Fraser, G. Coyle, E. Lanyon, H. Toose, C. Radcliffe, W. Coulson, A. Banfield, A. Mason, P. Heighway, E. I. Whytcross, 10/10, div.

Thirty-two shooters arrived to contest the S.B. Club C'ship in ideal weather conditions, and, as so often happens in good conditions, the scores generally were poor. Only two possibles and in the shoot-off Doug Mountjoy shot out club mate Alan Mason to win his fourth sash; good shots, these blokes. Third placing went to Evan Lanyon after a shoot-off with three others. Bill Coyle swiped the front markers' trophy, and the ladies' prize was taken home by Floss Doyle. (We are now working on her handicap.) This was a good shoot, with everyone giving a hand to help it go, which we very much appreciate. Our thanks also to the ladies, and also to John Piccoli for his help in the office.
(E. I. Whytcross, Hon. Sec.)

BOURKE (N.S.W.), 26/8/61.—Weather conditions: perfect. Attendance: 18. Results: No. 1, 10-bird S.B.: K. Williams, F. Honeyman, 10/10. No. 2, 10-bird Pt. Score: 1st, P. Williams, 30/30; 2nd, L. Hull; 3rd, G. Williams. No. 3, 10-bird D.B. Sparrows: 1st, L. Hull, 9/10; 2nd, R. Long, 8/10; 3rd, A. Heckenberg, 8/10. No. 4, 10 pr. D. Rise Sparrows: 1st, K. Williams; 2nd, P. Williams; 3rd, G. Williams; best yardage, K. Parker.

Saturday, 26/8/61, at the local grounds saw 18 shooters enjoying a very good afternoon and night's shooting. The weather was perfect and good results were recorded by all present, who hope to be able to do the same for our annual shoot at the end of the month.

Eighteen shooters competed, with a new shooter, Allan Heckenberg, showing good form first time out on the clays. George Lyons sported a new gun, but apparently hasn't trained it yet.

D. Rise C'ship (15 pairs): 1st, R. Hogarth, 13/15; 2nd, J. Smith, 12/15; 3rd, B. Mackey, 31/38. No. 3, £100 H'cap (30-bird D.B.): 1st, div. R. Hogarth, R. Gehrman, H. S. Smith, L. Day, R. Slawson, N. Smith, T. Schwabe, N. O'Donohoo, 30/30; best 12/14 yds., P. Anderson, M. Shelley, 29/30; best 15/17 yds., D. Ireland, J. Watts, 28/30; best 18/20 yds., N. Pittaway, B. G. Deignan, E. Denton, A. Jarick, K. Janke, F. Oliver, B. Stevens, G. Seccombe, 29/30; best 21 yds. and over, C. Ferguson, C. Seis, 29/30.

Just as we had anticipated, we had a very nice gathering for the Queensland D. Rise C'ship, and our efficient Secretary, Stan Tapsall, and Committee had everything under control in preparation for the many welcome visitors, some of whom had travelled long distances to be in Brisbane for Show Week.

We got off to an early start, using the third track with a plus trap for the Eye-opener, and there was no delay in carrying on with the main events, the first of which was a £100 Handicap (20-bird D.B. Points), and this was divided between Les Day (Ballandean), Bernie Deignan, Tom Schwabe (all the way from Cloncurry), and Peter Anderson (Bundaberg), who had the full 60 points.

Out of the 68 shooters who faced up to the tracks for the Championship, Ray Hogarth was the outright winner with 13/15, and Jim Smith was on his own for second place with 12/15, but there were seven shooters with 11/15 who had to shoot off for the third prize. Kev. Janke (Pittsworth) and

Bruce Mackey very early in the shoot-off realised it was between the two of them, and it was a dogged game until Bruce had out-shot Kev. by the 38th round.

The second £100 Handicap event, a 30-bird D.B., was shared between eight shooters who had the possible, and there again, together with the yardage prizes, the winnings were widely distributed, as altogether no less than 25 shooters went away with a prize.

After welcoming the visitors and presenting the trophies, our President, Lawton Taylor, thanked the Committee members' wives who so willingly provided the enjoyable barbecue lunch and teas. Vice-President, Stuart Smith, added that the ladies' support was instrumental in the making of our club.

27/8/61. — Weather conditions: excellent. Attendance: 30. Results: No. 1, 15-bird S.B.: 1st, D. Lawson, 15/15; 2nd, R. Slawson, 24/25; best 12/14 yds., L. Taylor, 22/25; best 15/17 yds., B. Deignan, 20/23; best 18 yds. and over, K. Bamberg, 23/25. No. 2, 20-bird D.B. Pts.: 1st, N. Pittaway, 89/90; 2nd, A. Thurlow, 88/90; best 12/14 yds., K. Isaacs, 70/75; best 15/17 yds., B. Deignan, 57/60; best 18 yds. and over, S. Smith, 58/60. No. 3, 10-bird D.B. S. Rise: 1st, R. Gehrman, 14/15; 2nd, L. Shanco, 12/14.

Our second shoot for the month was a normal, pleasant club affair, with perfect weather conditions. Congratulations are due to Don Lawson and Ray Slawson on the high standard of shooting they have attained so quickly for fairly new shooters. Don won the first S.B. event outright, and Ray stood up against eight other shooters to win the second place. Both also shared in the previous big shoot. Kev. Searle and Keith Isaacs are also promising new members who have made the shoot-offs as well against far more experienced shooters. (E. Mackey, Pub. Officer.)

BURNIE (Tas.).—Burnie Gun Club held its monthly shoot at the Cuprona ground on 12/8/61 under bitterly cold conditions. Attendance was low. 6-bird Skeet: C. Gregory, 5/6; 2nd, div. D. Brett, G. Roberts, 4/6. No. 2, Club Skeet C'ship: 1st, S. Bott, 28/39; 2nd, G. Roberts, 25/39; 3rd, D. Brett, 16/25. No. 3, 5-bird D.B.: div. C. Gregory, S. Bott, G. Waterhouse, B. Roberts, R. Abblitt, G. Abblitt, R. Philpot, W. Busby. (A. Abblitt, Sec.)

BUTE-SNOWTOWN (S.A.), 27/8/61. — Weather conditions: windy. Attendance: 16. Results: No. 1, 5-bird: div. L. H. Truman, R. Mules, S. Ridge, L. E. Truman, H. R. Commons, P. Winzen, K. Kimber, R. No. 2, 20-bird Evans and Balfour Trophies H'cap: 1st, J. E. Harle, 25/25; 2nd, R. Greenwood, 24/25; 3rd, J. De Pelligrin, 43/44; 12/13 yds., C. Hallam, 30/32; 14/16 yds., P. Firman, 20/22; 17/18 yds., A. Ginnivan, 42/44; ladies' trophy, Mrs. Carlon. No. 3, 10-bird Pts. Dec.: W. Carlon, R. Greenwood, 30/30, div.

A beautiful day. Good turn-up for Evans and Balfour Day. All trophies for the day donated by Les Turner (Director of Evans and Balfour). Main event, 20-bird D.B., was very capably won by Joe Harle, 25/25, from Rex Greenwood, 24/25. C. Hallam, a new shooter, shot 30/32 to take the 12/13 yds. trophy. W. Carlon excelled himself in the 10-bird Points Dec. We shot over 1,700 birds for the day, and I am sure everyone was well satisfied with their day's outing.

Thanks, ladies, for a fine afternoon tea. Nice to have Dave Watson again, and in the money, too. We also had a visit from W. Scott of Adelaide (Port Pirie).

Abbott (Werribee), 10/10; 2nd and 3rd, div. R. Fox, R. Johns, G. J. Jones, Dick Richards, 9/10.

A beautiful day and a good muster of shooters. R. W. (Rusty) Fox was in fine form again and won two events outright and divided 2nd money in the other event. Perc. Dally and Cyril shot well all day. It was very gratifying to see some of our young and new shooters show up, such as Rex Greenwood and G. J. (Bull) Jones. A lot of credit must go to Jim McInnes for his instruction to these new men, also to I.C.I. Today was the last day of the 1960-61 year and next shoot is the beginning of the New Year, September 1961 to 1962. Our Annual Meeting will be held very soon, of which all members will receive due notice. Thanks, ladies, for that fine cuppa.

Thanks are extended to the ladies for their catering and also to the visiting shooters from Silkwood, Townsville, Giru and Ayr for their patronage at one of the club's most successful shoots.

COBDEN (V.), 19/8/61. — Weather conditions: fine and mild. Attendance: 24. Results: No. 1, 5-bird: R. King, P. Stinchcombe, I. McArthur, B. King, G. Burnett, H. Durbidge, S. Hay, 5/5, div. In fine, mild weather conditions the club held its monthly shoot with the good attendance of 24 shooters. G. Sharrock was the successful shooter after a short shoot-off with L. Erdman, who shot very well. Laurie has been a regular attender and it was good to see him break the ice to take second place. Third placing went to J. Hose after a shoot-off with H. Durbidge and M. Pascoe. The ladies' trophy was won by Mrs. Brown of Warrnambool. Thanks must go to our ladies who served the best of afternoon teas. Thanks also to all our visiting shooters.

COBURG (V.).—I suppose we'll pay for it before long, but we must admit that we have been well treated as regards weather in most of our shoots this year, and the month of August proved no exception.

On August 5 we enjoyed a nice, convivial shoot when a novelty day was staged.

A start was made with a 10 birder, 5 from 12 yds. and 5 from 27 yds. The score sheet showed plenty of hits and misses, and the result was—Fred Shearer and Keith Paterson were well on the target and divided 10/10. Norm McKenzie third, 9/10.

The principal event was a 15 pairs Auto and Driven, and this produced a good field. The back markers came into their own and filled the three placings. The winner was Tom Rosewarne, 15/15; Ray Hering (13/15) second and President Harry Belmore third, 16/20. The front markers' trophy was won by new shooter, Bob Wilson, 8/15.

A 10 pair Double Rise followed, and in this Keith McDiarmid killed his many opponents by returning the only clean score, 10/10.

Fred Shearer and Bill Le Strange were next, 7/10.

August 19 was the highlight of the month, for on this day was the first elimination over 20 birds double barrel from 18 yds., to select a team to represent Coburg in the teams match against South Australian Gun Club, to be shot in Adelaide on October 14-15. Two other eliminations (20 birds and 40 birds) will have been decided by the time you read this.

Well, there are a lot of shooters desirous of showing their prowess in Adelaide, no less than 55 shaping up for the first round. Shooting was of a very high order indeed. There were five possibles, Gordon Arkinstall, Bill Deverall, Bill Abbott, Clem Mudford and Norm McKenzie. The five shot on for the trophies, their scores in the shoot-off, of course, not counting in their aggregate score.

Bill Abbott and Clem Mudford both went out at the third bird. Norm McKenzie lasted till the fifth bird and took third prize.

Bill Deverall and Gordon Arkinstall went on. At the eleventh release Gordon held the gun the wrong way, whilst Bill made no mistake and took first trophy with a score of 31/31. Bill was in the Coburg team on the two occasions we have met, and it seems he is determined to be in it again — despite the opposition.

With the pressure off, shooters settled down to a 20 birds D.B. H'cap. The winner was Clem Mudford, 28/29, and he had to go flat out to beat Clem Cole (27/29), who was making a re-appearance after an absence of about two years.

Doug McMillan (23/25), third, and the front-mark trophy went to Kevin Lowry, 19/21.

Time flies all right, and here we are right on the verge of the 1961 Grand Prix Carnival. This year there are guns galore — about 1,300 quids' worth. See the advert in this issue.

As last year, the Carnival will be over three days, and we promise that it will measure up to Coburg's well-known high standard. If you require any further information you can ring me at 35-4835.

COFFS HARBOUR (N.S.W.), 11/8/61. — Twenty-six shooters faced the traps at Macaulay's Headland on Saturday, 5/8/61, for the Northern Rivers D.B. C'ship, which was staged as part of the Centenary Celebrations. A good gallery of spectators was treated to a splendid display of "clay busting", under tough conditions, created by a stiff southerly.

Visitors from Sydney, Taree, Kempsey, Walcha, Quilpie, Tally Ho, Dorrigo and St. George (Q.) helped to make a classy field. Outstanding performances for the day were by G. D. T. Seccombe and John Watts, a 16-year-old lad from Quilpie. These two shot off for the C'ship and gave a great display of accurate shooting. A "fizzing" right swinger finally beat the young chap and G.D.T., making no mistake with his next target, took the honours. In the shoot-off for 3rd place, Don Scowcroft, a very popular shooter wherever he goes, outlasted Dan Seccombe, Ron Moffit, Jack Goodsell, Boyce Sidlins and Roy Single for the placing. As well as John Watts, another young shooter, Darryl Asquith, from Buladelah, put up a good performance. Both showed they had been capably coached, and apparently have plenty of encouragement from their fathers.

Back markers Don Scowcroft (27 yds.) and Joe Raleigh (24 yds.) and, in fact, anyone

beyond 21 yds., found things very difficult, but put up good scores in the handicap events. G. D. T. Seccombe was warmly congratulated on his C'ship win, and it was good to see local shooters Dan Seccombe and Alf Herdegen well in the picture. Don Whittaker (Dorrigo) was placed in the points and a handicap event, and Bill Darley, from that club, took the 12 yarders' trophy.

President Alf Herdegen, when presenting the trophies, welcomed the visitors. Congratulating the winners, he paid special compliments to the two young shooters, and would look forward, with interest, to their shooting future. He thanked all who helped make the day a success, especially Mrs. Sidlins, Mrs. Raleigh and Jim Alcock.

The President was responsible for the very tasty luncheon which was served by his attractive helpers. Many of the visitors stated they would come again to a Coff's Harbour shoot, remarking that, though the day was cold, there was no mistake about the warmth of the welcome extended to them. Thanks, Don Scowcroft, for any advice given on stance, gun fitting and generally how to handle a gun. This was appreciated by the young and the novice shooters.

(Ted Wedgwood, P/O.)

COLAC (V.). — Weather conditions: fine, calm. Attendance: 21. A Geelong shooter, Bill Branagh, won the Colac Gun Club main event on Saturday, 5/8/61 (Day), with a full score at 15 targets. It was his first win. A longish tie-shoot for the places occurred between Norm Vickers, Ern Osborne, Wilf Gange, Jim Hose (Colben) and Ian Holt, 14/15. Ian shot them all out with 17 kills to put up a good score of 31/32 from the 23-yard mark, with a possible 10 to follow in the next event. Jim Hose obtained third prize with 30/32 and Ron Holt the front markers' with 13/15.

President Ern Osborne presented the trophies and thanked the visitors for their assistance. He particularly thanked George Norman for his fine gift to the club of a concrete floor throughout the pavilion. This new floor has formed the basis of a general improvements programme and work is now in hand of closing in the front of the pavilion. This will provide a cosier atmosphere in cold weather.

A most successful shoot was held on a day of ideal conditions, and congratulations must go to the Royal Aero Gun Club, under Mick Smith's captaincy, for winning the Hudson Shield with a fine score of 95 out of a 100. Shooters came from Sydney, Cowra, Young, Temora, Narrandera, Yarrawonga, Wagga, Junee, Mangoplah for the day's events. M. Lynch, K. Soames, H. Mohr, R. Wallace and K. Sim shot off for the S.B. C'ship, with Murray Lynch and Keith Soames fighting out the last two places. The club would like to thank shooters for turning out in force to make such a successful shoot. COWRA (N.S.W.), 29/7/61.—Weather conditions: fine and cloudy, rain beginning late in evening. Attendance: 28 (including three novices). Results: No. 1, 5-bird: 14 shooters div. No. 2, 10-bird S.B. Trophy: B. Gittos, 1st; B. Oldfield, F.M. trophy. No. 3, Club 15-bird S.B. C'ship: G. Pardey, 1st; K. Soames, 2nd; H. Anderson, 3rd. No. 4, Inter-med. C'ship (best to 12 yds.): K. Cook, 1st; T. Redmond, 2nd. No. 5, 10-bird D.B. Sparrow Trophy: V. Ford, 1st; L. Bird, 2nd; F.M. trophy, K. Cook. No. 6, 10-bird D.B. Clays Trophy: G. Bell, 1st; D. Sheather, 2nd; F.M. trophy, K. Cook.

The weather only just held off, and light rain was falling as last event was concluded. A playful wind made the birds dance occasionally, thus cutting down the number of possible shot. George Pardey (Cowra) shot well to win the S.B. C'ship outright. Most improved local shooter is Vince Ford, who won an open event after a shoot-off with Len Bird and Peter and Keith Soames.

The number of visitors to our club is very pleasing; we try to give the maximum of shooting and reward, for the minimum of cost.

12/8/61. — Weather conditions: fine and warm. Attendance: 19. Results (Shoot for Charity): No. 1, 5-bird: div. K. Cook, V. Ford, D. Edwards. No. 2, 10-bird Trophy: 1st, G. Bell; 2nd, V. This shoot was conducted for Miss Australia candidate, Daphney Quelch; however, attendance was rather disappointing, considering perfect conditions.

A fine day after so many bad ones brought in some good scores, though quite a few birds landed intact. Geoff Wise and Dave Worrall had the shoot-off in the trophy event all to themselves after Garry Daly dropped out in the ninth round and looked set to require the lights until Dave missed his 30th and Geoff took home a very nice steam iron. Keith Aikman, after a lot of trying, took off the front-marker trophy with 14/15. Acting Unpaid Scorer Refereree, Shoot Marshall Gravel-Voice Hickford came over from Shepparton with Harry Maynard and Simbo, and their pleasant company was enjoyed by us all. During the course of the afternoon Geoff Wise shot a break of 51/51 and looked like adding to it until Double Rises came on the programme. (Robert Lawson Jnr., Hon. Sec.)

Although the weather on Sunday marred the week-end somewhat, an enjoyable time was had by all. The barbecue tea and refreshments had to be transferred indoors on Sunday evening, where the visitors were welcomed by the club President, L. Nangle, and the President of the W.A. Association, Ned Harris, responded on behalf of the visitors. (O. J. Bennetts, Hon. Sec.)

Forty-nine shooters turned out to decide the Echuca District S.B. Night C'ship. This was won outright by R. Grinter, who was the only shooter to shoot the possible. Lance Gibson and Dick Crimeen, with 19/20 each, shot on to decide the placings. Dick Crimeen proved too strong for L. Gibson, with the final result being Crimeen 2nd and L. Gibson 3rd. L. Storer (Stanhope), facing the traps for the first time, won the front markers' trophy. The usual trophy event was won by R. Mackay (Kerang) from Ben Smith and Doug Mountjoy in that order. HARCOURT (V.).—With a score of 100/100, Harcourt Gun Club No. 1 team won the Rankin Shield at McKenzie's Hill on Saturday, 12/8/61. Members of the team were Warren Blakeley, Charlie Pauli, Tom Botten, Stan Jenvey and Frank Criméen. In ideal conditions the team completely crushed the victory hopes of others as bird after bird crashed to the ground. Fired off 16 yards, the event attracted a field of 40 shooters, representing eight five-man teams. Two teams represented Huntly, two Sebastopol, three from Harcourt and one from Beaufort. Equal second, three points behind Harcourt No. 1, was Huntly No. 1 and Sebastopol No. 2.

Winner of the High Gun (award for top individual shooter on the day) was E. Bevan

(Beaufort), 54/55 and D. Keith (Beaufort), to win in a shoot-off from G. Kirkpatrick (Sebastopol No. 1 team). He scored 55/55 52/53. Six shooters scored 50-bird breaks during the day. They were: J. We have also installed another automatic trap, and with two traps, lights and skeet, are now very well set up for any occasion. (Adrian Hayes, Hon. Sec.)

HOBART (Tas.), 26/8/61.—Weather conditions: calm, cool and cloudy. Attendance: 31. Results: No. 1, 5-bird D.B. (12/13 yd. trophy and open sweep): 12/13 yd. trophy, R. Bennett, 8/9; open sweep, W. Schott, H. Jones, D. Monks, 12/12.

A new shooter in R. Bennett won the 12/13 yd. trophy event with 8/9. Ten shooters shot the possible in the E.O., then all lined up for the Club S.B. C'ship; not one possible was registered, but five shooters turned in 19/20. The shoot-off was won by R. Horton with the good score of 34/35, with S. Marshall 2nd, 33/35; 3rd was P. Marshall, 28/30. Front marker went to Dr. M. Sweet, 16/20.

In the State S.B. Sparrow C'ship P. Marshall won it outright with 26/30. Ray Wighton had the chance, but broke down in his last round and ended up 2nd with 23/30. Third went to D. Taylor after a shoot-off with G. Marshall; the score of D. Taylor's was 24/35. All shooters had trouble with the sparrows. The F.M. went to E. O'Heaney, 15/30. The D'ville Doubles was div. P. Marshall - G. Sulman and K. Pulford - Dr. M. Sweet, 9/9. Eleven shooters div. the last shoot; all shot the possible and in the shoot-off all had 12/12 when the trap broke down, so they decided to divide. A good day was had by all. (Geoff Smith, Hon. Sec.)

HORSHAM (V.), 12/8/61.—Weather conditions: fine. Attendance: 23. Results: No. 1, 5-bird: div. R. Preuss, C. Budde. No. 2, 10-bird: R. Preuss, B. Robinson, equal 1st; R. Butler, 3rd. No. 5, 5-bird D.B.: div. 8 shooters.

After a bad start the shooters settled down and we saw some very good shooting over the day's shoot, R. Preuss shooting 52 straight to take out the main trophy and finish the

day without missing a bird. B. Robinson and R. Butler shot well, Rod taking 3rd prize, and as 1st and 2nd were the same value, Ron and Bert decided not to shoot it out. Len Butler took the front markers' trophy. Again we thank the ladies for the afternoon tea; they do a great job.

(Norm. Stewart, Hon. Sec.)

HUNTLY (V.), 5/8/61.—Weather conditions: perfect. Attendance: 32. Results: No. 1, 5-bird D.B.: div. 15 shooters. No. 2, 15-bird D.B.: 1st, R. Pellas, 37/37; 2nd, A. Mason, 36/37; 3rd, K. Dobson, 31/32; F.M., J. Johnstone, 14/16. No. 3, 10-bird D.B.: N. Manning, D. Mountjoy, J. Cumming, T. Baldwin, H. Gibson, J. Bennett, A. Banfield, J. Adams, J. Johnstone, A. T. General shooting conditions were perfect, and competitors from Castlemaine, Echuca, Tatura, Kerang and Boort took advantage of the day to contest for the club's monthly trophy. Fifteen divided the eye-opener, and Harcourt shooter R. Pellas shot particularly well in the shoot-off against A. Mason and K. Dobson to win the main event. Nine shooters shot the possible, 15/15. R. Pellas, A. Mason, K. Dobson, W. Coulston, R. Manual, R. McKay, V. Yeaman, J. Adams and H. McQueen. R. Pellas appeared quite comfortable during the shoot-off and, in fact, could have shot on and on to secure his win. Congratulations, Ray, on a good shoot. Ten shooters divided the concluding event.

(J. E. Jones, Hon. Sec.)

ILFRACOMBE (Qld.).—Ilfracombe Club conducted a very successful shoot on Sunday, 6/8/61. Nineteen shooters participated and some very good shooting was witnessed. Visiting shooters came from Aramac, Baval-dine and Isisford. The highlight of the meeting was the brilliant shooting by Paul McGovern, who made a break of 72 birds straight. This is the highest straight number of kills yet registered on the grounds. Paul's marksmanship won him the main event of the day, the 30-bird D.B., and also the 20-bird D.B.

Trophies for the programme were generously donated by the following persons: Mrs. Cooke of Navarre donated trophy 30-bird D.B., Mr. W. Forrest, trophy 20-bird D.B., and Mr. J. P. L. Sale the trophy for the 15-bird S.B. Mr. E. O. Moyse donated a trophy for novice shooters, 15 yards and forward, and this event was held in conjunction with the 30-bird main event. The trophy was won by A. Taylor, who finished second in the event to P. McGovern.

It was pleasing to see several new-comers in R. McMurtrie and P. Cooper taking part in the events. The Ilfracombe Gun Club has functioned successfully since its inception in April, 1959, and shooters are always well catered for in this sport when the club conducts a shoot. Shooters and visitors wound up a successful and enjoyable day by partaking of a barbecue tea prepared on the grounds by the ever-helpful wives of club members.

Results: 5-bird D.B.: G. Coxon Jr., A. Taylor, W. Moyse, J. Dickson, R. Scott, 5/5. 15-bird S.B. Pts.: A. Finley, 15/15, 1st; R. Scott, 14/15, 2nd. 10-bird D.B.: G. Coxon Jr., 30/30, 10-bird D.B. ISISFORD (Qld.), 20/8/61.—Weather conditions: fine, unpleasantly strong cross wind, dusty. Attendance: 16. Results: No. 1, 5-bird: two possibles. No. 2, S'takes: N. McLellan, 30/30; C. McGovern, 23/30. No. 3, 30-bird Pts.: 1st, P. McGovern, 82/90; 2nd, W. Hoolihan, 77/90. No. 4, 15-bird D.B.: 1st, C. McGovern, 18/20; 2nd, N. McLellan, 17/20 on a shoot-off. No. 5, 5 prs. D.B. Rise: shoot-off, 1st, E. O. Moyse, 8/20; 2nd, N. McLellan, 7/20. No. 6, Deauville Doubles: 1st, P. McGovern; 2nd, R. H. Moyse.

An enjoyable day despite the weather conditions, which were reflected in the results. The double-bird rise was a classic, with the clays disappearing into the dust. Our reliable visitors from Aramac, Barcardine and Ilfracombe helped to make the day. The wind dropped a little at dusk and the barbecue was the usual success. (P. Salmon, Hon. Sec.)

KATANNING (W.A.), 30/7/61. — Weather conditions: calm, very dull. Attendance: 14. Results: No. 1, 30-bird S.B. (yardage): 1st, B. Clegg, 26/30; equal 2nd, D. Anderson, T. Catling, 25/30. No. 2, 10-bird Walk-up: 1st, W. Virgo, 10.5/10; 2nd, T. Catling, 9.2/10. High Gun: T. Catling, 34/40; runner-up, D. Anderson, 33/40.

There was a fair attendance of shooters to contest the W. Virgo Trophy for the best score from 30 S.B. D.T.L. birds, from handicap marks. The standard was not particularly high, although the competition was fairly keen. It seems that Patrons of our club become more than interested onlookers; our most recent ex-patron is now one of our keenest shooters and a member of the committee, and two of our present patrons were on the tracks for the full programme, as keen as anyone. It almost looks as though we will have to look for a couple of new patrons next year.

The programme concluded with 10-bird Walk-up; good to see Bill Virgo win it, despite the fact of our captain's feat of shooting 'em from the hip (successfully albeit in final desperation). (E. M. Crossley, Shoot Sec.)

KEMPSEY (N.S.W.), 19/8/61. — Weather conditions: fine. Attendance: 13. Results: No. 1, 5-bird Pts.: A. Oliver, A. Latter, L. Baker, C. Kemp, H. Kemp, E. Neill, 15/15. No. 2, 10-bird S.B.: L. Baker, 10/10; J. Goodsell, A. Oliver, C. Kemp, H. Kemp, E. Neill, K. Neill, A. Latter, 8/10. No. 3, 10-bird D.B.: L. Baker, A. Neill, 10/10; A. Oliver, A. Latter, W. E. Neill, 9/10. No. 4, 10-bird Pts.: A. Latter, 29/30; K. Neill, 28/30; J. Goodsell, E. Neill, G. Ryan, 27/30. No. 5, 5 pr. D.R.: E. Neill, A. Neill, 4/5.

Conditions were good for shooting at our ground at the start of our shoot, but a grass fire caused a smoke which handicapped us a bit. One of our young members shot for birds only and did very well, getting the possible in the points score.

(C. H. Kemp, Hon. Sec.)

KOJONUP (W.A.), 13/8/61.—Weather conditions: very cold, with wind and rain. Attendance: very good. Results: No. 1, half-round of Skeet: A. R. Anderson, K. Anderson, 9/11; C. Marsh, 8/11. No. 2, Teams Skeet Match: C. Marsh, J. Schinzig, A. R. Anderson, K. Anderson, A. Anderson.

Today we shot for the skeet teams match under rather trying weather conditions. It was very cold and at times quite windy and some rain. Under these conditions the team shot very well. Charlie Marsh, who was high gun for the day, was indeed brilliant. A half-round of skeet was used as a barrel-warmer and sighter. Father and son, Athol and Keith Anderson, shared the honours with a score of 9/11. Scottish exchange Junior Farmers Alisdair Wyllie tried his skill and shot very creditably indeed.

(Keith Anderson, P/O.)

LISMORE (N.S.W.), 19/8/61. — Weather conditions: good. Attendance: average. Results: No. 1, 5-bird D.B.: D. Powell, C. J. shooters enjoyed the shoot in delightful weather.

NORTHAM (W.A.).—Fifteen shooters participated in the Northam Gun Club shoot on Sunday afternoon, 6/8/61, when a programme consisting of 25 Skeet and 10 birds S.B. was contested. In the Skeet shoot the following shooters scored possibilities of 25/25, inclusive of their club handicap: R. D. Carter, L. Solomon, B. Holtfreter, R. Herridge, R. Holtfreter, P. Humphrey, D. Morgan and J. Cooke, and in the S.B. event R. Holtfreter and D. Morgan scored 10/10.

Northam Gun Club members, R. Carter and L. Solomon, recently attended the Eastern Goldfields Gun Club C'ships, and they are to be congratulated on their success in winning quite a few of the major events. No doubt these shooters, as do other members of the Northam Club, look forward to the forthcoming State C'ships at Geraldton during the Festival Week. (G. R. Richards, Sec.)

PERTH (W.A.).—An excellent all-day shoot was held on 6/8/61, commencing with a 25-bird Skeet H'cap event. The outstanding feature of this was the fine shooting by Eddie Metcalf in scoring the possible. This followed on a similar performance by Frank Bailey a week earlier. It is hoped that a suitable badge will be provided to mark the Skeet possible. Others to reach the maximum with handicap were G. Bailey 21 off the gun, J. Webster 20, Lex Smith 19, K. Barker and N. Harding 18 each, J. Hodgson 16 and B. Dunne 15.

30-bird D.B. D.T.L. (for a case of cartridges donated by C. O'Neill): J. Webster, T. Holt, J. Philipoff, 29/30, the shoot-off going to J. Webster, 10/10. J. McKinnon, B. Dunne, J. Webster, M. Taylor, F. Durbidge div. the stake in a 10-bird D.B. J. Webster, 10/10; T. Rose, T. A. James, F. Bailey, 9/10, were successful in a 10-bird S.B. Arising out of the day's programme, John Webster is now back on 18 yards, and he narrowly missed his second 50 break and a further yard re-handicap.

20/8/61.—In very dull conditions shooters had quite a lot of difficulty in sighting the targets in a 20-bird D.B. Sparrows event. M. Byrne, 19/20, and R. Reilly, 18/20, both managed a 10 straight, while D. Cumming also shot 18/20. 10 pr. D. Rise: R. Reilly, A. Hunter, 7/10; J. Philipoff, D. Cumming, 6/10. High Gun trophy over both events: R. Reilly. We hope that this success will spur Dick along to greater things. A 10-bird D.B., with clays "on the house", saw the stake div. G. Bailey, E. Metcalf, J. Philipoff, D. Cumming, T. Holt, T. James, R. Reilly. It was nice to see our old friend Toby James incurring a backward re-handicap off the front mark.

A number of our members travelled to Geraldton for the C'ship fixtures on August 26 and 27, but at the time of writing, no results are to hand. It is understood that some stalwarts headed further north in search of crocodiles. (J. G. Spark, Sec.)

PORT PIKE (S.A.). 30/7/61.—A fine, cool day with a slight breeze made conditions excellent. A reasonable gathering included popular visitors in L. E. Truman from Adelaide and Howard Commons from Bute. Hillary Baynes generously donated a couple of fine cases as trophies in the main event. Bob Winning was successful, narrowly defeating Peter Winzen and Howard Commons. However, Howard was in the money in the next event, sharing a Cash trophy generously donated by Lloyd Kelley. The meeting closed on a high note, arrangements being made to stage a barbecue lunch at the next shoot.

20/8/61.—A barbecue preceded this shoot, numerous chops and "snags" being despatched before the real business started. Frequent showers interrupted "play", providing an excuse for an extra "cuppa" and another chop. Bob Winning and Howard Commons delighted the crowd with a fine exhibition in the double-ride events.

Owing to the adverse weather conditions, no high scores were recorded, as the results indicate. Our popular President, Fred Morton, was successful in winning the 9th round of the R. & R. Canteen. Also G. Tilyard shot well to win the point-score event in the conditions prevailing, as the birds were very tricky in the wind. (W. Jordan, Hon. Sec.)

Once again thanks to our ladies who catered so very well. (G. Kane, Hon. Sec.)

Very cold day, high winds and raining most of the afternoon. Very good shooting was displayed by our two country and interstate visitors, with E. Quirk featuring in all events. A very hearty welcome was extended to W. Deverall from Victoria, and he was wished a happy stay and a safe journey home by our club captain. (P. Smith, Hon. Sec.)

RUM JUNGLE (N.T.). 27/8/61.—Weather conditions: occasional gusts of wind. Attendance: 45. Results: No. 1, 5-bird: div. A. Hoppe, F. Stratton, K. Shugg, 5/5. No. 2, N.T. S.B. title: 1st, A. Hoppe, 28/30; 2nd, P. V. Salter, 24/30; 3rd, L. Lucas, 23/30.

Congratulations go to Arnold Hoppe on his first major win and to our first President, Pat Salter, for his second place; Leo Lucas also deserves mention as one of our most recent but keen shooters. The Club Patron, Mr. W. K. Copeman, presented the trophies. As always, we were pleased to welcome members from the recently formed Darwin Club. On completion of the programme, Mr. Hoppe presented the top-scoring lady shooter, Miss Markham, with a supply of cartridges. I would personally like to thank all members, and Miss Elizabeth Healey, for the work they did on the site during my absence on leave. (G. F. Welsh, Hon. Sec.)

A really good afternoon's shooting. Shooters agreed they got good value for their money. Our back marker, John Cooper, was in good form to run second in main event; his effort deserved better results than second from his big handicap—but many of those present shot really well and should soon be in the money if they keep it up. SOUTH COAST (Qld.), 20/8/61. — Weather conditions: fine, with variable wind. Attendance: 24. Results: No. 1, 15-bird D.B. Pts.: 1st, div. J. Mott, J. M. Ireland, 42/45; 3rd, div. B. Deignan, A. C. Whitney, 41/45. No. 2, 250 H'cap (30-bird D.B.): 1st, K. Bamberg, 28/30; 2nd and 3rd, div. A. H. Chesney, J. Mott, 27/30. No. 3, 20-bird S.B. Trophy Shoot: 1st, A. C. Whitney, 30/35; 2nd, R. Capel, 28/35; 3rd, R. Golden, 22/25. No. 4, 20-bird D.B.: 1st, div. N. Pittaway, C. Wilson, 20/20; 3rd, div. R. Golden, R. Capel, 19/20. High Gun over first three events (Club Mug): A. C. Whitney.

Expecting a crowd from the Brisbane Exhibition visitors, we arranged for two traps to be operating, so in the afternoon the shooters shot off 90 targets each. The wind was tricky, changing in a circle from N.W. at the start to almost due east at the end of the afternoon. Cliff Whitney's win in the Trophy shoot and then the High Gun, one point over Keith Bamberg, was very popular, and duly celebrated. Cliff made the very nice gesture of presenting his trophies to Bill Rainbird and Genge Martin, very much appreciated by both shooters. We might add that he held on to the Club Mug, this making the third in his collection. The club is still suffering from vandalism; practically all the lights have now been shot out, plus everything else shootable.

Our Annual Shoot was very successful, with shooters attending from Goondiwindi, Newcastle, Sydney, Coff's Harbour, Boggabri, Gunnedah, Manilla, Quirindi, Tally Ho, Walcha, Bingara, Moree, Armidale, Coolah and Kentucky. The weather was excellent and shooters and visitors enjoyed themselves very much.

Congratulations to Jim and Doug York, who successfully concluded the Commonwealth Deauville Doubles Sparrows Championship. Second place was D. Cassen and R. Moore, with J. Quigley and L. Dixon gaining third-place honours. The State D.B. Sparrows Night Championship was won by K. Robertson, who shot magnificently to beat W. Simpson and I. Constable in that order. Congratulations to these shooters.

Our old friend Vic Eather of Boggabri took the point-score trophy from D. Cassin and R. Moffat.

Newcastle shooters were very prominent at our shoot, both from their successful shooting and number of attendance, and the Tamworth Club take this opportunity of thanking all shooters who helped to make our shoot an outstanding success.

No. 3, 5-bird: 11 possibles; shoot-off: Ted Baldwin, E. Guyatt, J. Cooper, A. McIlroy, C. Coulter, div.

Our opening shoot, and what a day it was — we never expected anything like it — but our thanks go to all those good sports who braved the weather to attend. If shooters enjoyed the shoot as much as we enjoyed your company, then all were very pleased. Dick Grinter (Echuca) won the main event, while another visitor in E. Cripps (Poster) finished 2nd, but Kevin Webster, a local, took 3rd prize and kept the club in the money. The ladies did a fine job with the afternoon tea.

It was gratifying to have such a large number of visitors and club members for our Championship day, and it was unfortunate that weather conditions were not more favourable. However, some good shooting was seen, especially by Ron Hedger, of Alexandra (V.) Club, in the D.B. C'ship and J. O'Rourke of Wellington Club in the State D. Rise C'ship, also the place-getters in these events and others in the balance of the programme.

Kenneally, H. Durbidge, M. Forster. No. 2, £50 H'cap (12/14 yds., 15/18 yds., 19 and over), 20 birds: 12/14 yds., 1st, M. Holloway, 19/20; 2nd and 3rd, div. J. Wettenhall, K. McCluskey, J. Jewell, C. Brown, M. Forster, 16/20; 15/18 yds., 1st, G. Burnett, 20/20; 2nd and 3rd, div. I. McArthur, G. Sharrock, T. Davis, 18/20; 19 yds. and over, 1st, 2nd and 3rd, div. J. Arnold, C. Fletcher, M. Sullivan, P. Boyd, 18/20.

Although the weather was kind, only G. Burnett shot the possible in the Handicap. The club had the bad luck to have a lot of trap trouble and wish to thank all shooters for their patience and help. The third event for the day, a 10-bird H'cap, could not be held because of this trouble. We hope to have no more trap worries for a long while.

(R. C. Kenneally, Hon. Sec.)

WERRIBEE (V.), 12/8/61. — Weather conditions: fine and calm. Attendance: 31. Results: No. 1, 10-bird S.B. (from 16 yds.): div. J. Hehir, A. Drake, W. Cations, G. Viney, 9/10. No. 2, Vic. Inter. S.B. C'ship: 1st, K. Laird, 46/50; 2nd, P. Mark, 45/50; 3rd, M. Rushford, 26/30; F.M., I. Richmond, 14/20. No. 3, Club Inter. D.B. C'ship: 1st, W. Abbott, 50/50; 2nd, P. Mark, 49/50; 3rd, G. Lear, 29/30; F.M., R. Wilson, 19/20.

Near perfect weather prevailed for the staging of the major event in this year's programme, and whilst the attendance was a little disappointing for a State C'ship, a very enjoyable afternoon's sport was had by all. Local shooters scooped the pool in the main event, with Ken Laird winning his first State title from Paddy Mark and Maurice Rushford. The highlight of the day was the first 50 breaks ever shot on our ground by Bill Abbott and Paddy Mark, winner and runner-up respectively in the Club Intermediate D.B. C'ship. Special thanks to our capable referees, Laurie Kennedy and Peter Hanrahan, and the ladies who provided an excellent afternoon tea. We are also grateful for the support given by visitors, who came from the distant country as well as the metropolitan areas.

(R. W. Sadler, Hon. Sec.)

YARRAM (V.), 19/8/61. — Weather conditions: fine. Attendance: poor. Results: No. 1, 10-bird P/D.: 1st, H. Pearson, 30/30; 2nd, A. Cripps, E. Cripps, R. Lamb Jr., 29/30. No. 2, 20-bird D.B.: H. Pearson, 1st, 26/26; A. J. Morris, 2nd, 25/26; C. Bailey, 3rd, 20/21. No. 3, 10-bird S.B.: Roy Traill, 1st, 12/12; J. Cobain, 2nd, 11/12. No. 4, 10-bird P/D.: P. Goulden, E. Cripps, H. Pearson, A. Cripps, J. Cobain, 29/30.

A fine day, and good events with nice trophies to be won, but not a lot of shooters. However, all enjoyed the events. H. Pearson was in good form, winning the first two events. Thanks to visiting shooters for their support, also to Bert Holman, who "stood in" for the Secretary. (Joyce Pearson, Hon. Sec.)

YASS (N.S.W.), 12/8/61. — At the Annual General Meeting of the Yass Gun Club, last year's Senior Vice-President, Mr. Gordon Reed, was elected as President of the club for the 1961-62 season. Vice-Presidents for the season are: Messrs. Bill Grogan, Leigh Pateman and Tom Frost. Eric Eltrington was elected Treasurer, and Noel McAuliffe replaced Ted Glover as Trustee, Club Secretary, Eric Howarth, was re-elected, and presented the Annual Report and Balance Sheet for approval.

Plans are in hand for improvements to the Club House and also the erection of additional equipment to make competitions more interesting. Yass Club has always fostered the beginner and front-mark shooter, and it is the intention to continue splitting up sweepstakes among as many shooters as possible, in both A and B Grades.

It is also planned to introduce "Teams" shooting between various clubs functioning in this area.

August Shoot.—A programme of six events made up a full afternoon's shooting, and the Eye-opener, Points Score, Deauville Doubles and Box Sweep were divided in both grades by a large number of shooters. The only outright wins for the day was the 12-bird D.B. "Accumulative" S'stake, won by Tom Frost after a shoot-off with J. Wales, and a win in the Double Rise by the new club President with a possible. (E. Howarth, Sec.)

NIKKO wins highest honour

NATIONAL DOUBLE BARREL CHAMPIONSHIP, 1961

CHAMPIONS choose **NIKKO** because:—

- Chrome Barrels shoot better patterns.
- Bever-tail foreends improve gun control.
- Non-recoil type action, permits faster, crisper second shot.
- Full pistol grip correctly positions trigger finger.
- Monte Carlo Stock eliminates head lifting — the most frequent cause of missed birds.
- Good gunsmiths have assured them that NIKKOS have tougher steel and a better finish.

OLYMPICS, 1960: The Canadian Champion used a NIKKO at ROME.

ENDURANCE TEST: In the U.S.A. thousands of overloaded shells were fired through popular O/U's. The test proved conclusively that NIKKOS were the most durable.

NOW AVAILABLE: Bright or Matt Chrome finished actions.

Hundreds of proud NIKKO owners around Australia will advise you to gain every possible shooting advantage — to see your sports dealer about a NIKKO today.
