# The Editor's Notebook

**"NEWS" 15th BIRTHDAY.** With the issue of the present edition of this publication, it is worthy of comment that "News" begins on its 16th Volume; in other words, the publication has enjoyed 15 years of unbroken service to the clay target shooters of the Commonwealth and overseas. Safe it is to state that "News" has found a place in the interests of all those who follow the pastime of clay target shooting. Of particular interest also is to record details of the Patrons and office-bearers of the day at that time. They were: Patrons, the late Lieut.-General Sir John Lavarack, a former Governor of Queensland; the late Sir W. Lennon Raws, a former Chairman of I.C.I.A.N.Z. Limited; the late Mr. Essington Lewis, the late Mr. Donald Mackintosh. Only Lieut.-General W. Bridgeford and Mr. Frank Hockey remain of the Patrons of 1947. President was J. M. (Jock) Wilson, who retired some years ago. Vice-Presidents were in 1947 accepted in the A.C.T.A. (There are no Vice-Presidents today.) In 1947 they were: Messrs. G. L. Bragg, V. L. Fankhauser, J. T. McArthur, W. E. H. Rainbird, and the late G. H. Watts. Only Mr. Rainbird today remains actively engaged as a member of the Executive Committee. Honorary Vice-Presidents in 1947 were the late F. C. Abell and W. J. Hanran. The 1947 Executive Committee was: Messrs. J. O. Cox (Mangoplah, N.S.W.), J. Bryant Senr., the late J. J. Dawson (Beaumaris), Aubrey F. Johnson and T. R. Wightman. Mr. J. O. Cox was the mover of the motion at the Executive

Committee meeting which decided to institute the publication of "News". Many shooters have advised that they retain every copy issued.

**PUBLIC HOLIDAYS IN 1963.** For those arranging forward programmes the following information on 1963 Public Holidays should be helpful. The information which follows has been obtained through the Victorian Government Gazette Office, so same can be accepted as completely official. The days are: A.N.A. Day, Monday, January 28, 1963; Anzac Day, April 25, 1963 (Thursday); Easter Saturday, April 13, 1963; Easter Monday, April 15, 1963; Queen's Birthday, Monday, June 10, 1963. The Victorian Labour Day holiday is Monday, March 11, 1963 (Victoria only). From the above, it will be observed that the A.C.T.A. National Championships and International series will be held from June 6 to June 11, 1963, at Southport, Qld., the headquarters of the South Coast Gun Club.

**REFEREE AND SCORER.** A letter reached the Association from a northern club recently wherein the writer complained that at the writer's club a referee was also scoring. The writer added that he did not appreciate how one individual could possibly give his full attention to both refereeing and scoring at the same time. The A.C.T.A. Shooting Rules state that the Referee shall "announce the

result of each shot", whilst the scorer "shall keep an accurate record of each shot", the official score to "be available for inspection by the competitor". It has been noticed at many clubs—in fact, it has become almost general practice at clubs—that the referee will also act as scorer. In an emergency this procedure is probably allowable, but clubs should ensure that the referee is referee only and another official appointed to act as scorer.

**1963 CHAMPIONSHIP ALLOCATION.** The 1963 Championship Allocation, for Commonwealth, State and District Championships, as allotted by the Executive Committee at its recent Sydney meeting, appears elsewhere in this issue. The Official Allocation as printed is official notification of open championship allotment for 1963. Any unallotted title may be applied for to the Secretary A.C.T.A. during the year. Clubs and shooters are informed that no additional notification of the championship allocation for 1963 will be forwarded.

**"LOST" TARGET.** A southern club has written the Association as follows, "A shooter called for his bird and the gun failed to fire, although cocked. On checking the gun, it was not closed tightly on account of the rim of the cartridge being slightly over-size." The club continues and asks, "Is it negligence on the part of the shooter, or should another bird be allowed?" The club finally advised that one particular gun will not close on 50% of shells in general use, although other types of shells fit perfectly. On the facts supplied, the only decision would be "Lost Target". Rule 41 is explicit on this point. It reads, "Lost Target" shall be declared when the competitor fails to shoot because his gun was unloaded or uncocked, or because the safety was faultily adjusted or jarred back, whether from his own oversight or not, or because of any other cause chargeable to his own oversight or neglect." Obviously the shooter concerned must have been aware that the gun he was using would probably

not fire if it was only partly closed, hence it was the competitor's own neglect in using a shell which he knew would cause the gun not to close. It would appear that the gun in question is faulty and needs the attention of a gunsmith.

**NOMINATIONS FOR OFFICERS IN THE ASSOCIATION.** Nominations for all offices in the Association and membership of the Executive Committee will close on Monday, December 31, 1962, at 5 p.m., for the 1963 operating year. For general information, Article 27 of the A.C.T.A. Constitution reads, "Nominations for all offices in the Association and membership of the Executive Committee must be in writing signed by the Secretary of the member Club or by the delegate member of an Unincorporated Club making the nomination, and must reach the Secretary of the Association on or before the thirty-first day of December in each year prior to the Annual General Meeting." By way of explanation, it should be understood that only the Secretary of a member club (which means an incorporated club) or the delegate member of an unincorporated club may sign the nomination. No other signatures are valid or acceptable.

Nomination forms may be obtained from the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.1, or from the Association office at 495 Collins Street, Melbourne, C.1, prior to closing date. It should be noted that nominations received after December 31, 1962, cannot be accepted. The Annual General Meeting and election of officers will take place at Southport, Qld., on Sunday, June 9, 1963.

**AFFILIATION AND REGISTRATION FEES, 1963.** Clubs and shooters are reminded that club affiliation fee (clubs only) of \$5 and individual shooters' registration fees (30/- each) are due as from January 1. Payments may be made prior to that date. 1963 registration cards, which are now available, will be promptly issued on receipt of payment. All fees should

be paid by January 31, in accordance with regulations. Early payment greatly assists the Association staff.

**ADVERTISING.** Advertisers are notified that there will be no publication of this journal for the month of January, in accordance with usual

practice, due to printer's vacation period. Therefore, those wishing to include advertising matter for events taking place during January are recommended to include same in the December issue, copy for which closes on November 1, although late copy (advertising only) will be accepted up to November 4 for the December issue only.

## Gun Gossip

By GOUGH THOMAS

(*"Shooting Times", Eng.*)

It may surprise many readers to learn that the practice of loading cartridges with a charge of steel balls—that is, common ball bearings—is by no means unknown.

The motive is not far to seek. A few cartridges with large shot are required, say, for deer. Such cartridges are not always available locally, nor is large shot. But steel balls are: the local garage or agricultural engineer has plenty. And so some misguided improviser removes the charge of small shot from a few ordinary cartridges and substitutes steel balls. If he fires such a cartridge without injury to himself, he is lucky. He would need to be luckier still to fire it without injury to his gun.

An actual case has just come to my notice. The gun involved was a single-barrelled one, and was so badly damaged that it was submitted for a Proof House report, from which I quote these extracts:

"The damage now found is the deep scoring of the bore from the base of the chamber right through to the muzzle, as if some many-sided tool had been forced through the barrel.

"There is a ring bulge at 12½ inches from the breech face, and pimple bulges on top and beneath the barrel at about this point. From this point, there is less severe scoring of the barrel until the object . . . reached the choke. From this point to the muzzle, the scoring is again more severe.

"I have . . . no hesitation in suggesting that it is caused by the firing of very hard pellets, such as steel

ball bearings in lieu of lead shot. Steel ball bearings being relatively incompressible tend to jam . . . and in being forced through the bore, retain that pattern and leave this tell-tale evidence.

"The practice (is) . . . murderous to the gun and somewhat more than dangerous to the user."

From this report we can trace the sequence of events from the moment of firing. At the first impact of the explosion, the steel balls arranged themselves into a rigid and practically incompressible assembly, which the gas pressure was sufficient to force into the barrel, scoring, in the process, the grooves referred to in the Proof House report. By the time the shot had travelled about 12 inches, the gas pressure would have fallen to less than a third of its original value, and was becoming incapable of driving the charge any further. Besides, there was probably a slight constriction of about two-thousandths of an inch over this part of the bore. The shot charge, therefore, momentarily jammed or checked, whereupon the onrushing gases instantly piled up a wave pressure behind it, dealing it a hammer blow and breaking up the jam, and causing the pimple bulges in the progress. The force of this blow from the elastic hammer-head of high-velocity gas was also transmitted to the walls of the barrel, which yielded to it, thus causing the ring bulge.

From this point onwards, the broken-up jam of pellets travelled more easily until they reached the

choke, in which they jammed again, causing the final indentations observed. By this time their velocity was evidently sufficient to carry them out of the muzzle without appreciable check—otherwise there would have been another pressure wave and another ring bulge, or possibly a burst.

The lessons of this case are (1) that the barrel was irretrievably ruined by the firing of a single cartridge of steel balls; and (2) that it was bulged and might well have burst at the very point where the user was probably holding it.

A further warning is conveyed by the possibility that the man who fired the cartridge was not aware of what

it contained. It is not uncommon, for example, for a few local gunners to be got together for a deer drive, and for the man in charge to hand out a few rounds of buckshot cartridges to each of the guns. It has happened to me; and it never occurred to me to note if the cartridges showed signs of having been re-loaded—still less would it have occurred to me to ask with what. But never again would I accept large-shot cartridges in such circumstances without question. I know full well that if, under dire compulsion, I had to fire a round loaded with steel balls, I would first say good-bye to my gun. And then, just in case, I would say good-bye to my left hand.

## "Tips and Tails"

The Charity Shoot in aid of the Royal Flying Doctor Service, Broken Hill Auxiliary, originally arranged by the Menindee Sub-Branch for Monday, October 1, has been deferred. Mrs. W. C. Conrick, President of the Branch, has advised that the event which was to have been held at Willotia Station, has had to be cancelled for the time being owing to the ill-health of Mrs. Warwick of Willotia, and also the fact that the trap pits are still full of water as a result of the flooding caused when the Cawndilla Regulator broke last May. The Branch will apply for another date at some period in the future.

The English Open Grand Prix shoot was shot at Bisley (England) during July. The winner was the Hull trap-shot, Joe Wheeler, who stopped 98/100. Runner-up was E. Fear, 96/100. The contest was staged over the Olympic type trench with 15 traps. It is recalled that both the winner and runner-up have probably had more experience in this type of shooting than most others. Wheeler and Fear were the two-man English team which represented England in the 1956 Melbourne Olympic Games shooting at Laverton, V. A lady shooter (the only woman entrant) shot 82/100. Another well known in Australia is noticed in the prize list, that of N. E. V. Dance, who shot 83/100. Dance took part in the A.C.T.A. National Championships at Bankstown in March last.

Croydon Club (V.), whose shooting ground is situated on the Maroondah Highway at North Croydon, on a section of the Recreation Reserve, advertises details of its forthcoming programmes, commencing with Saturday, November 10. On this date the Yarra Valley District Walk-up Championship will be staged. On the

following Wednesday night the Club Intermediate D.B. night title is scheduled. On Saturday, November 24, a 20-target event is the main interest, and this will be followed on Wednesday night, November 28, when the Yarra Valley District Night Single-barrel Championship is the attraction. The club has requested that competitors be informed that Saturday shoots will commence at 1.30 p.m., and that nominations for the eye-opener will close at 2.15 p.m. sharp. Night eye-opener events will close at discretion of the club Committee. All enquiries should be directed to club Secretary, A. L. Haughton, 184 Toorak Road, Hartwell, E.6. President is N. Kneebone (Coldstream 226).

Mendooran Gun Club (N.S.W.) will conduct an all-day charity shoot on its grounds on Saturday, October 20. Shooting will start at 10 a.m., and numerous good trophies are listed to be shot for. Luncheon, refreshments and cartridges will be available on the ground, also a novice trap. Proceeds to Catholic Church. Programme is advertised. Enquiries to club Secretary, D. A. Smith (Phone 29D), Merrygoen, N.S.W. Asst. Secretary is J. C. Broughton (Phone Mendooran 115K).

Sebastopol Gun Club, adjacent to Victoria's gold-mining city of Ballarat, will shoot from 12.30 p.m. on Saturday, November 17. Main day event will be the Ballarat Grand Prix, a 20-target event. The winner will receive a Seagull outboard motor, second Browning auto.; as well as a third trophy (fry pan) will be presented. At night the Ballarat and District Single-barrel Championship will engage main interest. The programme is as advertised. Enquiries to V. Harrison, Secretary, 242 Albert Street, Sebastopol, V.

and soon had one of the girls trodden underfoot. The child's mother rushed at the hind and beat it off with her hands. The party retreated to their car, but the hind continued to chase them beyond the forest area for more than 400 yards. It would appear that the young girls must have come very near to the calf for the hind to take such extreme action.

Dubbo Gun Club in western New South Wales announces details of its Christmas shoot, which has been set down for Sunday, November 25, 1962, somewhat earlier than the usual run of club festive shoots. Shooting has been arranged to start at 10.30 a.m., and a series of five events has been listed. The Christmas Hamper event will be at 15 targets, and this will be followed with a 20-target £35 Handicap. All cash awards and trophies are guaranteed. Cartridges, lunch and refreshments will be available on the ground. Programme is as advertised. Enquiries to J. Ackroyd, club Secretary, Box 217, P.O., Dubbo, N.S.W. President at Dubbo is G. Perth Gun Club (W.A.) has issued a splendidly produced souvenir programme in connection with the trapshooting events which will be staged by the club just prior to the Commonwealth Games opening in that city. The programme is in brochure form and contains eight pages, plus board covers. Printing is in blue and gold, and altogether it is a very smart effort. The trapshooting programme will be opened by the Lord Mayor of Perth, Sir Harry Howard, at the club's grounds, Koojan Avenue, South Guildford (Perth) on Saturday, November 17, and again on Sunday, November 18, 1962. The Saturday programme consists of the Gregory Waters £200 Handicap, followed by the W.A. City of Light Championship, at 30 targets from 16 yards. On Sunday, November 18, the important Southern Hemisphere Champion-

ship, at 50 targets from 18 yards, will be the big attraction. Eastern States and overseas shooters are expected to compete. The rear pages of the souvenir programme indicates a first-class ground plan of how to reach the grounds, which, by the way, are really very close to the city of Perth itself and right alongside the Perth Airport. The inside rear cover has been left blank for those who wish to secure the autographs of visitors generally and particularly visiting shooters. In addition to the club's four-trap lay-out, there are two skeet grounds installed. No trouble can be expected by any shooter wishing to compete and leaving his accommodational arrangements to a late hour. The club members have agreed to billet any shooter unable to secure accommodation. The big dates to remember are November 17 and 18 — the rest can be safely left to Perth Gun Club members.

Camberwell Club (V.) held its annual general meeting in the Camberwell Town Hall on Thursday, October 4. The meeting was well attended. Supper and refreshments were served and a short film show was presented at the conclusion of business. The club gained a profit for the year of £59/7/10. Nominations the figures are shown at £1,662/9/6, whilst a profit on ammunition of £58/8/11 was made. Accumulated Funds stand at £995/12/6. W. R. Johns, 1 Soudan Street, Malvern, S.E.4, is club Secretary.

Kerang Clay Bird Club, in north-western Victoria, has issued its syllabus for the summer season. The club will shoot on November 5 (Northern Districts D.B. Championship), November 19 (Challenge Cup Handicap), December 3 (Kerang Publicans' Shield Charity Shoot), December 17 (Christmas shoot), December 31 (trophies), January 14 (Kerang District S.B. title), January 28 (club trophies), February 11 (club trophies; see February issue of "News" for details of duck-opening shoots), February 25 (club trophies), March 11 (club trophies) and March 25 (club trophies). All shoots mentioned are night shoots, which will commence at 8 p.m. Club Secretary is Alistair

## HANDICAPPING

**"Club Presidents and Club Secretaries are instructed, by order of the Executive Committee, that during any shoot, the management must re-handicap immediately each and every shooter who for any reason prescribed in the A.C.T.A. Handicapping Formula, qualifies for backward movement of his handicap. Such adjustments to strictly comply with the formula. No shooter is to be permitted to compete in another event should he refuse to accept his new mark.**

**Handicap cards and all relevant details concerning on the spot adjustments are to be forwarded, within two days, to the official handicapper for ratification. Club managements will not alter a shooter's card.**

**Should the shooter ignore his latest handicap, irrespective of mark shown in "News" he will be penalised a further yard if he shoots inside his latest handicap."**

A new club expected to become affiliated with the A.C.T.A. at the start of the new season is the Cobram East Gun Club. A group of enthusiasts, all with considerable field shooting experience, but little at clay targets, has banded together and formed the club. Secretary of the new formation is W. Sullivan of Yarrowonga Road, Cobram East, V. Some years ago there was a fairly active club situated on the Katamattive Road at Cobram.

The Alexandra Gun Club, in the Victorian north-central area, will shoot a double championship (day and night) on Saturday, December 1. Shooting will commence at 2 p.m., and main day event is the North Central Districts Double-barrel Championship. At night (7.45 p.m. start) the club will also stage the North Central Districts Double-barrel Night Championship. Other events (day and night) will be staged, time permitting. The club's grounds have top-class lighting for night shooting. Programme is as advertised. Enquiries to Jack Boote (Secretary), Bon Street, Alexandra, V. (Phone Alexandra 348), and Luke Doyle (President), Box 16, Alexandra, V. (Phone Alexandra 80R). The club is also advertising for official referees for the club's annual New Year Motor Car Shoot, day and night, December 31, and day only New Year's Day. The club is offering £7 per day, including the night; appointees will receive overall £14 per man. Applicants should contact President, Luke Doyle, Box 16, Alexandra, V., not later than December 12.

Officials of the Quambatook Gun Club, in the Victorian Mallee, for the 1962/63 season are: President, S. E. Booth; Vice-Presidents, Messrs. W. J. Doyle, S. F. Schlitz, J. McGrath; Secretary, R. W. Ellis; Asst. Secretary, J. Wallis; Treasurer, A. E. Richmond. The club shooting dates are every alternate Thursday night, commencing October 4, until April.

The Mount Hagen Gun Club in New Guinea has affiliated with the A.C.T.A. Secretary of the club is

R. R. Waller, Box 24, Mount Hagen, Western Highlands, T.N.G. President of Mount Hagen is N. Camps, and Hon. Treasurer is B. Nicholls. The club is at present in some difficulty in regard to supply of clays. A report from the club indicates that it experiences at least 70% breakage rate on all targets shipped to Mount Hagen. This is a colossal wastage, and efforts are being made to improve this situation. The club has been endeavouring to arrange for a mould to make their own targets, but here again a further difficult situation arises, because moulds for the purpose mentioned are not freely obtainable. Possibly extra packaging will assist. There is great enthusiasm at Mount Hagen and it is regrettable that such interest is dampened by the wastage of so much breakage.

Camberwell Clay Target Club, which shoots in Thompsons Road, off Bulleen Road, North Balwyn (close to Melbourne), where it has two automatic traps installed, announces information in connection with immediate future programmes. Shoots will commence at 1.45 p.m. On November 3 a series of cash events has been listed; on November 17 the Club Double-barrel Championship will be decided. On December 1 the Victorian Intermediate Mixed Birds title has been arranged. On December 15 the club's usual renowned Christmas Shoot will take place. The principal event will be a 20 birder off handicaps (double-barrel). The club makes a special feature of its Christmas Shoots, and 1962 should be no exception. Enquiries to W. R. Johns, 1 Soudan St., Malvern, S.E.4. (Phone 50-6511). President is R. W. Fox (Phone WM 8440).

Bachelor of Shooting! A shooting course is now being offered in the curriculum of the Indiana University, U.S.A., which is entitled "Leadership Development in the Shooting Sports". It was inaugurated at the start of the 1962/63 school year. Students of both sexes are eligible to enrol for the course. Indiana University, the tenth largest in America, has for several years been one of the leading centres in firearms training for law enforcement officers in Canada and the United States. mentary on the subject visualises unending troubles, mainly on the point of "shooting snobbery". The English commentary considers that invitations to shoots may entail having the necessary recommendation of having shot at one of the leading Universities!

Garry Tongs, the young Queanbeyan trapshot, who is quite a shot, but is young in years, advises that he will be leaving for New Guinea at the end of this year. Tongs will be situated in the Wau area of New Guinea and is anxious to contact any clubs or trapshots in the Territory. Incidentally, Garry states, "I look forward every month to receiving my 'Clay Target News' and find it very informative, especially the 'Tips and Tricks' section."

Coburg Gun Club at North Coburg (V.), which will stage its big annual Melbourne Cup Grand Prix fixture, extending over Saturday, November 3; Monday, November 5, and Tuesday, November 6 (Melbourne Cup Day), has already been reviewed in this publication. Shooters and intending competitors are reminded that details of the series is again advertised in this issue. The club also outlines particulars of its two following shoots on Saturday, November 10, and Saturday, November 24. On the first-mentioned day an all-cash series will be held, with two 20 birders being the main events. On November 24 a 20 pairs Deauville Doubles contest will be staged as main competition for the day. Supporting events are listed on both days. All enquiries to C. J. Colledge (Secretary), 12 Adler Grove, Merlynston, N.14 (Phone 35-4835). H. Belmore is club President (Phone 47-5179).

New South Wales Gun Club at Terrey Hills, close to Sydney, N.S.W., announces details of its programmes extending from November 3 to December 29. The Faithfull Trophy event will be staged on November 3, the I.C.I. Trophy, Sydney (day) double-barrel title, and at night the similar night title on November 17. Minor events are listed for December 1. On December 15 the N.S.W. State Intermediate D.B. title (day) and similar night championship will be held. A day and night shoot will be

held on December 29, including the N.S.W.G.C. open Deauville Doubles title at clay sparrows. All A.C.T.A. registered shooters are invited and will be made honorary members for the day of shoot. Programmes are as advertised. Enquiries to J. Evans, Manager, N.S.W.G.C., Booralie Road, Terrey Hills, N.S.W.

The gnu, by appearance, is part buffalo, part antelope, part horse and part donkey. There seems to be nothing new about a gnu!

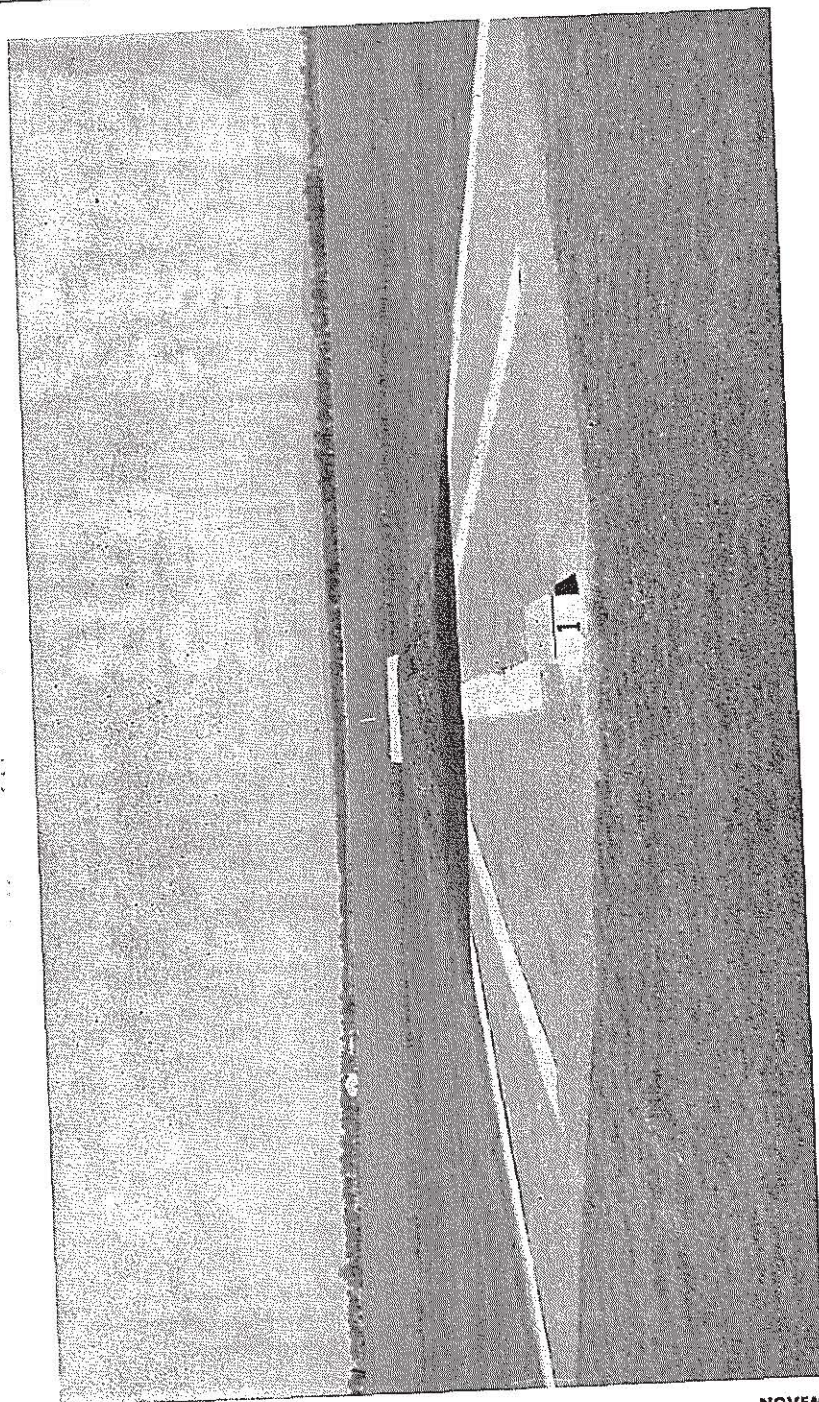

A monkey, with no hair on its face, is known as the white-headed saki. Although hairless on the face, it has a hairy, thick, bushy tail. The animal has a curiously human trait, in that instead of bending over and lapping up water, it raises the water to its lips with cupped hands!

Keilor Gun Club, which shoots on the North Coburg Club's enclosures, will shoot the Commonwealth Tower Championship for the first time by the club on Saturday, November 17. The event will be preceded by a 5-target tower event. The big contest will be followed by the Keilor Plains Deauville Doubles Championship — always a popular event. This should be an attractive programme and a good response by shooters is expected. Details are as advertised. Enquiries to club Secretary, G. Hunter, 3 Market Street, Essendon, W.5 (Phone FX 2103). President is Fred Reade (Phone FU 6851).

Seymour Gun Club in the Goulburn Valley announces details of its club programme for November 17, commencing at 1 p.m. Main event is the Seymour Club Double-barrel Championship. ## NOTICE TO ADVERTISERS

**Due to printer's vacation period, there will be no issue of this publication for the month of January. Intending advertisers with events taking place during January are recommended to include notice of same in the December issue.**

Intermediate Double-barrel Championship will be main event, with good supporting competitions. All trophies on this day have been donated by the Melbourne Firearms Centre, and the series will be known as "Melbourne Firearms Centre Day". On November 17 the City of Sunshine Deauville Doubles title is for decision. On November 24 down-the-line and skeet competitions are listed. On December 1 the M.G.C. Intermediate Championship and skeet will be shot. On December 8 the Commonwealth Skeet Championship should attract the interest of skeet shooters. Programmes are as advertised. Enquiries to Secretary, H. Butt, Club House, Tottenham, V. (Phone 311-1636). President is McGregor Kean.

Newcastle Gun Club will shoot at Burwood Beach grounds (off Scenic Highway), adjacent to Newcastle (N.S.W.), on Saturday, November 10, starting at 10 a.m. The programme will extend over the day and evening hours of date mentioned. Of principal interest in the daylight programme is a £200 Handicap at 30 targets, double-barrel. The winner will receive a Nikko U/O Gun, second a Breda Auto., and third 500 Blue Star cartridges. The best 12/15 yarder will win 250 Blue Star Cartridges. At night the club will stage the Newcastle District Double-barrel Night Ch'ship. Good supporting events are listed throughout the programme. Luncheon, booth and cartridges will

be available on ground. Programme is as advertised. Enquiries to R. G. Morton (Secretary), 4 Fawcett St., Mayfield, N.S.W. President is Dan Mott (Phones: Business, MA 3824, and private, MF 1639). Two Damo electric traps will be in use throughout.

Townsville Club in North Queensland has arranged a big two-day carnival extending over the dates November 17 and 18 (Saturday, Saturday night, and all day Sunday). Shooting will start at 2 p.m. on Saturday afternoon, November 17. Main day event will be the Queensland Skeet Championship, and this will be followed by a £10 and later by a £30 Handicap. Commencing at 9.0 a.m. on Sunday, November 18, the big event of the day will be the Commonwealth Double-barrel Sparrow Championship. This is a very interesting event and will be shot in North Queensland for the first time, under the usual regulations of 40 targets from 20 yards—a real test of marksmanship. A series of handicaps will follow, one handicap of £25, one of £50 and another of £25. Further events will be staged time permitting. The club will maintain its innovation of providing free luncheon on the Sunday—this is a very welcome and appreciated amenity by the club. The programme is as advertised. ## OUT OF THE PAST

### Twenty Five Years Ago

Twenty-five years ago "Duxbac" (H. G. James, now proprietor of Donald Mackintosh Pty. Ltd. in Melbourne) attained his half-century in championship successes when he won the Blackburn Club Clay Target Championship (double-barrel). "Duxbac", together with "Browning" (Jim Lowe of Lang Lang), stopped the full complement of 20 releases from 18 yards. "Browning" missed his first target in the decider and "Duxbac" ran out winner with a clean score.

Messrs. J. C. and H. T. Thompson, then of "Roseneath", St. George, Q., presented a Challenge Cup for team competition between Association affiliated clubs within a radius of 300 miles of St. George, Q. (Wonder if the Cup is still around today?)

At the opening of the Korumburra Club (V.) Miss K. Bloomfield, later Dr. Bloomfield, who held the No. 1 women's air pilot licence, was a competitor. Miss Bloomfield is a sister of former trapshot, Bill Bloomfield.

### Fifteen Years Ago

John M. Tyquin of Hobart (now President of the A.C.T.A.) won the Commonwealth Double-barrel Championship at the Tasmanian Club's King's Meadows grounds near Launceston. Tyquin and Fred Blake tied over the scheduled course of the match, each with 22/25. In the tie shoot Tyquin recorded a final total of 30/35 to Blake's 29/35. Bill Rainbird was third, 21/25. The attendance at the fixture was a record, many Victorians being present. Tyquin was

at that time President of the Hobart Gun Club.

Newton Thomas won the main event at a Coburg Club meeting in Victoria. He later won another event at auto and driven.

George Biggs won the first post-war open Championship (the Victorian mixed birds) conducted by the Blackburn Club. In a field of 52, Biggs outstayed the opposition to win 17/20 from W. R. Johns, 16/20. J. Bryant was third.

### Ten Years Ago

The Charleville Club's spring shoot of 1952 was almost as well attended as the recent 1962 fixture, when 96 shooters were attracted to the programme of events. One of the main events was the Queensland State Double-rise Championship, and this went to T. Akers with a score of 12/22 pairs after five had shot 7/12 pairs. Second was T. Stone, 11/24 pairs, and third J. W. Raleigh, 11/20 pairs. The Warrego Championship (single-barrel) was won by W. Chandler.

Harry Jaques won the Bathurst Club's double-barrel title of 1952

with the only clean score of 20/20. Those with 19/20 were J. N. Brazier, M. Burrows and Stan Bressington.

At Moree the North West N.S.W. Single-barrel Championship went to Vic. Eather of Boggabri, 25/25, from Allan McIntosh and Joe Flood, both of Goondiwindi.

The Australian Club at East Burwood (V.) shot its first sparrow championship in the spring of 1952. It was won by Hugh Phillips, 29/30, from C. Cornish, 27/30, and A. C. Tie, 14/15.

## Do Birds have Sense of Smell?

(By D. H. DAY)

Do birds have a sense of smell? Pigeons have, according to Dr. Wolfgang Michelsen, of Harvard University, U.S.A.

The doctor has proved it with the help of an ingenious contraption which may help other scientists to determine whether other species have the same sense.

The problem has baffled scientists for centuries.

Farmers claim that crows can smell newly-seeded fields, and some pigeon fanciers believe that pigeons recognise them by smell.

Scientists over the centuries have turned up evidence both for and against the theory, but Dr. Michelsen found that none of their arguments was decisive.

He built a large box, in which he placed an aluminium cylinder resembling a hot-water tank. In the cylinder was a hole large enough for birds to enter.

Inside the cylinder were two illuminated discs, one red and one blue. Air was put into and withdrawn from the cylinder mechanically. The interior atmosphere could be completely controlled.

If a bird pecked on one disc seven times, a trapdoor opened, and out dropped grain. If it pecked on the other disc four times, the light went out and there was no grain.

Dr. Michelsen put two hungry pigeons in the box for short periods, stretched over weeks. They were "conditioned" to the idea that if they pecked enough times on one disc, they would be fed, but if they pecked

a few times on the wrong one, they would stay hungry.

The right disc was changed every so often, so the bird had no way of knowing which was the right one.

Then Dr. Michelsen began introducing odours into the completely controlled atmosphere. The birds learned that when an odour was present, pecking on the blue disc produced food, but when there was no odour the red disc produced food.

Dr. Michelsen's report has gone to the American Association for the Advancement of Science.

**ALICE SPRINGS (N.T.), 16/9/62.**—Weather conditions: fine. Results: No. 1, 5-bird D.B.: B. Sutton, J. Sutton, 5/5; J. Jackson, G. Kittle, 4/5; L. Kittle, 3/5. No. 2, 20-bird Points: J. Jackson, 58/60; B. Sutton, 54/60; L. Kittle, 48/60; J. Sutton, G. Kittle, 44/60. No. 3, 20-bird S.B.: B. Sutton, 17/20; J. Sutton, L. Kittle, 14/20; J. Jackson, 13/20; G. Kittle, 12/20.

There was a small attendance at the shoot, but it was a good afternoon. Weather was beautiful, but there was a tricky breeze in the faces of the shooters. We hope for a better attendance next month, with possibly an all-day shoot.

(Mrs. E. M. Smith, Hon. Sec.)

**ALEXANDRA (S.A.), 9/9/62.**—Weather conditions: perfect. Attendance: 22. Results: No. 1, 10 targets: T. Roberts, D. Fleetwood, W. T. May, R. Mules, H. Baynes, 10/10, div. No. 2, S.A. C.T.A. 20-target H'cap: 1st, E. A. Collins, 27/27; 2nd, H. Baynes, 26/27; 3rd, G. Thompson, 21/22. No. 3, 10 pr. D/D.: H. L. Potts - W. May, C. Chiantori - D. Fleetwood, 10/10, div. No. 4, 10 pr. D/D.: R. - F. Mules, C. Chiantori - D. Fleetwood, 10/10, div. No. 5, 5 pr. D/R.: R. Mules, 5/5. No. 6, 10 targets: D. Hunt, G. Knight, H. Baynes, T. Roberts, R. Mules, S. Gardner, D. Fleetwood, 10/10, div.

Beautiful weather conditions, and "Bin" Collins really appreciated it, after a long time from the traps, by winning our main event from that model of consistency, Hilary Baynes, and George Thompson. A little practice for Commonwealth D'ville Doubles and a couple of sweeps concluded a very pleasant afternoon. (J. G. Ward, Hon. Sec.)

**ALEXANDRA (V.),**—Trout opening night shoot was a good one, with visitors from Melbourne, Croydon, Warragul, Frankston, Mansfield, and local shooters competing keenly for the title and the tartan sash that goes with it. Thirty-three shooters in the Ch'ship, and eight returned the possible 20/20. The tie shoot brought a pleasing result, as a young shooter in Nigel Cooper (Mansfield) won his first sash. Most shooters are delighted to see this happen—possibly the first step on the ladder of fame—and certainly a great incentive to the winner to keep on and add to the collection.

It was great to see so many old friends—and to meet new ones—at this shoot, and

we hope everyone enjoyed themselves. As from first Saturday in October, and right through the fishing season (except January), the club will shoot, in the afternoon, on the first Saturday of each month. So if the fish don't bite, or after you have "the bag", come and have a shot—powder or liquid, according to taste. Club thanks to the ladies for a very excellent supper.

Results: No. 1, 5-bird D.B. (3 pts. for first barrel, 2 for second): div. N. Cooper (Mansfield), K. Lowry (Melb.), L. Bourke (Coburg), T. Lucas (Melb.), F. Brown (Warragul), R. J. Wilson (Melb.), 15/15 pts. No. 2, Trout Opening Ch'ship (20 birds D.B., 16 yds.): R. Beeson (Mansfield), N. Cooper (Mansfield), K. Lowry, H. Belmore, T. Lucas, R. J. Wilson (all Melb.), R. Garth (Frankston), F. Brown (Warragul), 20/20—tie shoot: 1st, N. Cooper, 50/50; 2nd, F. Brown, 49/50; 3rd, R. Garth, 39/40; 12/13 yds., P. McCashney, 19/20. No. 3, Miss-out from back mark: H. Belmore.

(Luke Doyle, Correspondent.)

**AUSTRALIAN (V.), 8/9/62.**—Attendance: 57. No. 1, The Nobel S.B. Ch'ship (30 birds) was the principal event of the day and resulted in a win for F. Burns, 59/60, after a keen shoot-off with C. Mudford, 58/60; R. Hering, 33/35, 3rd; F.M. trophy, L. Forrest, 26/30; novice trophy, D. Richardson, 17/30. No. 2, 10-bird S.B.: div. I. Porter, E. McGoldrick, D. Edgerton, 10/10. No. 3, 10-bird D.B.: div. T. Lucas, R. Henry, B. B. Brooker, 10/10. Nos. 4 and 5, two 25-bird Skeet events, were held, and, for some reason or other, the standard was a bit below the usual; the first was won by F. Thatcher after a shoot-off with F. Bendle, 2nd, and M. Landers, 3rd. The second Skeet event, a sweep-stake, was won by M. Landers, sc. plus 24/24; F. Bendle, 2 plus 20/22; R. Burrill, 2 plus 20/22, div. 2nd and 3rd.

22/9/62. — An all-day shoot for over 70 present. In the morning the Blackburn D.B. Ch'ship (over 30 birds) was won by G. Biggs, 45/45, from Newton Thomas, 44/45, and R. Hering, 39/40. Div. trophies were back markers, F. Crawford; 18/20 yds., R. W. Fox; 15/17 yds., G. Read; 12/14 yds., R. McLean. Interstate Teams' Match (50-bird D.B.): a preliminary round of 30 birds was shot to decide the 15 shooters from whom the Victorian team of 10 would be selected; those who qualified were: N. Thomas, I.

Porter, F. Reade, R. Wilson, 30/30; L. Pitcher, N. Viccars, D. Glover, B. Roberts, J. Henwood, H. Pearson, F. Burns, 29/30; G. Biggs, A. Pearson, R. Glover, 45/47; M. Rushford, 47/50. The team put up some remarkable shooting, dropping only 8 birds in 500, 492/600; this would, I imagine, take some beating. Those who comprised the team and their scores are as follow: Newton Thomas, I. Porter, R. Wilson, A. Pearson, 50/50; D. Glover, H. Pearson, F. Burns, G. Biggs, 49/50; N. Viccars, R. Glover, 48/50. Newton Thomas took the high-gun trophy with the score of 115/115, and retired, and Bob Wilson, I. Porter and F. Reade shot on for trophies, open to those with score of 30/30 in the preliminary round. They finished R. Wilson, 60/60; I. Porter, 59/60; F. Reade, 39/40. A 20-bird S'stake was held for those eliminated from the team; it was div. R. Jennings, G. Hayman, D. Edgerton, 20/20. Bob Wilson qualified for his 100-break badge with some splendid shooting. (Roy Fallshaw.)

BAIRNSDALE (V.), 8/9/62.—Weather conditions: windy. Attendance: 12. Results: No. 1, 5-bird Pts.: A. Dyer, 15/15; K. Hoffman, 14/15. No. 2, 10-bird D.B.: F. Howlett, I. Crawford, 10/10. No. 3, 10-bird D.B.: N. Young, N. Elliott, E. Dowe, 9/10. No. 4, 10-bird D.B.: F. Howlett, N. Young, 9/10. Attendance poor, due to unpleasant weather and football finals. P. Howlett was most successful shooter, winning both trophies. Jack and Jas. Collins had keen competition in miss-outs from long distances, with the former winning each event. Better attendances are anticipated for the coming shoots, with improved weather and completion of football. (A. Dyer, Hon. Sec.)

BARMERA (S.A.), 9/9/62. — Attendance good: 22. Weather good, but scores rather low. No. 1, 10-bird D.B.: div. W. May, P. Caddy, J. McFarlane, D. Kimber, R. Kimber, J. Kimber, 10/10. No. 2, Club D.B. Ch'ship: 1st, R. Kimber, 30/30; 2nd, J. Kimber, 29/30; 3rd, G. Woodrow, No. 3, Ekens Trophy: 1st, J. McFarlane; 2nd, P. Caddy, in a shoot-off from S. Ridge, G. Woodrow, T. Moritz and A. Grose, all shooting 19/20. No. 4, 10 birds: P. Caddy, 10/10. Special congratulations to W. Fisher, who shot 20/20 in the Ekens Trophy, but being a modest chap, elected to shoot for clays only. (P. Caddy, Sec.)

BRISBANE (Qld.), 23/9/62.—Weather conditions: good. Attendance: 20. Results: No. 1, 20-bird D.B. Pts.: 1st, I. Bambrerry, 75/75; 2nd, E. Lesberg, 73/75; 3rd, E. Wardrop, 57/60. No. 2, 20-bird D.B.: 1st, L. Taylor, 25/25; 2nd, A. Thurlow, 24/25; 3rd, K. Bambrerry, 19/20. No. 3, 6 prs. D'ville Doubles: 1st, E. Wardrop - L. Shanco, 17/18.

Perhaps one of the best things about a club shoot is the interest that members have in their fellow shooters' form, and when they see a shooter beginning to make progress, there is no doubting the genuine pleasure they feel for him. Lawton Taylor's elation was shared by all when he won the 20-bird D.B. event with the possible 25 after shooting off against Alf Thurlow, because this is the second time running that Lawton has won, which shows that he is handling his gun well.

It is also good to see Eric Wardrop coming back into his own. Eric was third in the

D.B. Points, and, partnered by Len Shanco, won the D'ville Doubles from the five other possibles.

Ian Bambrerry and Ernie Lesberg were the only two shooters with the full score in the 20-bird D.B. Points, but Lesey missed two first barrels in the first round of the shoot-off. Our Patron, Mr. Justice Stanley, presented the trophies in the absence of the President. (E. Mackey, Pub. Officer.)

BRUTHEN (V.), 22/9/62.—Weather conditions: good. Attendance: 13. Results: No. 1, 5-bird P.D.: div. W. Williams, N. Young, F. Howlett, M. Huggins, J. Collins. No. 2, 15-bird D.B.: M. Huggins, 1st; Jack Collins, 2nd; Jim Collins, 3rd. No. 3, 15-bird S.B.: T. Britt, 1st; 2nd and 3rd, div. A. Dyer, W. Williams, F. Howlett, E. Dowe, Jim Collins, M. Huggins.

Attendance was small on account of other attractions. Standard of shooting was very bright. M. Huggins shot 76/76 to win main event from Jack Collins, 75/76, with Jim Collins 3rd, 34/35. Breaks of 94 by Mick Huggins and 80 by Jack Collins were highlights of day. (P. E. Swetnam, Hon. Sec.)

BUNDABERG (Qld.), 9/9/62. — Weather conditions: very strong wind. Attendance: 13. Results: No. 1, 5 birds: 4 possibles. No. 2, 10-bird Sparrows D.B. Kills: E. Hannay, 9/10. No. 3, 20-bird D.B. Pts. Clays: E. Hannay, 50/60; G. Horrocks, 49/60. No. 4, 15-bird D.B. Pts. Sparrows: E. Hannay, 41/45; E. A. (Tony) Neilsen, 39/45. No. 5, 5-bird D. Rise: B. Thiele. High Gun, Events 2, 3, 4, E. Hannay.

Weather conditions not conducive to good shooting, though Elliott Hannay struck form, as results show. Attendance medium. New trap position in use for first time. (Mrs. E. A. Neilsen, Hon. Sec.)

BURNIE (Tas.), 15/9/62.—Weather conditions: ideal. Attendance: 22. Results: No. 1, 5-bird Pts.: B. Watson, G. Smith, M. Elliott, Brady McCulloch, B. McCulloch, D. Lucas, V. Mitchell, 15/15. No. 2, N.W. Dist. S.B. Ch'ship: H. Smith, 35/35; G. S. Smith, 34/35; D. Brett, 29/30; B. Watson, F.M. trophy. No. 3, Teams' Match: Burnie, 48/50; Mersey, 45/50; Flinders Island, 42/50. High Gun Trophy: H. Smith, 23/23; S. Bott, 22/23; D. Brett, 18/19. No. 4, 10-bird D.B. H'cap: R. Mason, 10/10; G. Roberts, I. Rist, W. Busby, Brady McCulloch, 9/10. No. 5, 5-bird D.B. H'cap: T. Towns, G. S. Smith, D. Rhodes, J. Jones, G. Waterhouse, D. Brett, H. Smith, B. McCulloch, Brady McCulloch, I. Rist, S. Bott, V. Mitchell, 5/5.

The event was held in ideal conditions, and a large crowd witnessed some excellent shooting. The President (Max Elliott) welcomed the visitors, including five from Flinders Island. The Ch'ship was won by H. Smith, who, after missing the first bird, made 67 consecutive kills to qualify for a 50-break badge. The Burnie Club won the Teams' Shoot. In this event a trophy for high gun was also won by H. Smith.

Shooting in all events was of a high standard, and some good scores were recorded. A most enjoyable afternoon was spent by all. (S. H. Bott, Hon. Sec.)

BUTE-SNOWTOWN (S.A.), 22/9/62. — Weather conditions: fine. Attendance: 20. Results: No. 1, 5 birds: div. P. Quire, H.

**CHARTERS TOWERS (Qld.), 8/9/62.** — Weather conditions: dull and showery. Attendance: 50. Results: No. 1, 10-bird D.B.: R. Archer, J. Aprato, W. A. Edmondson, F. T. Edmondson. No. 2, 15-bird D.B. I.C.I. Trophy: N. Norris, 1st; G. Janetti, 2nd; H. Lavery, 3rd. No. 3, 10-bird S.B. £20 H'cap: A. Edmondson, J. Caselegno, A. Moore, H. Lavery, div., 10/10. Edmondson, F. Edmondson, S. Gourley, W. E. Bell, A. Moore, div., 10/10.

Shooters from Silkwood, Ingham, Townsville, Ayr and Giru attended this shoot, and in appreciation of the visitors' attendance, the committee raised the prize money in two handicap events. Neil Norris added another trophy to his collection when he won the I.C.I.A.N.Z. event from G. Zanetti and Harold Lavery. The Towers No. 1 team retained the Stan Hill Memorial Shield by the narrow margin of two kills from the Burdekin team, and it is fortunate for the Towers that there was no shoot-off necessary, as one

team member was feeling the strain over the last three birds. From a field of 41 in the Nth. Qld. S.B. Ch'ship, Ted Bell ran out a clear winner, scoring the only possible, and we offer him our heartiest congratulations. Bill Carrington and G. Zanetti filled the minor placings in this event—a strange coincidence, as both hold the Presidency of their respective clubs. A trophy for the best 12/14 yarder in the Ch'ship was won by W. Dennis. The High Gun trophy went to S. Di Bartolo with 77 out of a possible 85—most consistent shooting, despite the showery conditions prevailing.

At the conclusion of a most successful shoot the presentation of trophies was capably handled by the club President, with suitable responses by the prize winners.

COBDEN (V.), 14/9/62. — Weather conditions: fine. Attendance: 20. Results (Night): No. 1, 5-bird P.D.: S. Walker, 15/15. No. 2, 20-bird D.B.: 1st, I. McArthur, 20/20; 2nd, A. Carroll, 22/24; 3rd, L. Reicha, 22/25. No. 3, 15-bird S.B. Club Ch'ship: 1st, I. McArthur, 20/20; 2nd, B. King, 15/20; 3rd, T. Davis, 22/25.

Owing to the football final, we decided to have our shoot on the previous Friday night. A good muster of shooters turned up. Thanks to all who attended. The shooting of I. McArthur, club President, was not to be faulted, as seen by the results. Thanks must go to our ladies for the supper provided, and all present seemed to have an enjoyable time.  
(J. T. Hose, Hon. Sec.)

COBURG (V.). — It would seem that everything of importance happens at the end of the month.

I can't tell you who will be in our team for the match against South Australian Gun Club; neither can I tell you of our effort for Red Cross at Point Cook. Probably other things will happen, too, so you will have to wait for a later issue to find out anything about things in general.

However, there was one shoot I can tell you about. That took place on Saturday, Sept. 15. For the first time for a long while we had some rain. Still, that did not prevent a goodly muster of shooters.

The main events on this programme were the Metropolitan D.B. Sparrows Ch'ship and the second elimination for the team to meet South Australia.

A start was made with a 10 birds D.B. Sparrows. Conditions were not favourable, and nobody scored the possible. Six shooters divided with a score of 9/10. They were Geoff Read, Roy Johns, Tony Buskauskas, Maurice Rushford, Don Glover and Tup Pedersen.

All was in readiness for the Metropolitan D.B. Ch'ship. There was a really strong field in this. President Harry Belmore, now back in his true form, scored a handsome win with a possible score. This was his second successive title event and the win was very popular. Harry does a tremendous job as head of the club, and it has, I'm afraid, interfered with his real ability. We hope he can now go on and win much more.

Second place went to Bill Abbott, 19/20. Bill is shooting very well, as later events will show.

It was good to see Bill Hailes Snr. in the prize distribution. It took 25/30 to earn him third prize, and he really earned it.

The 12/16 yard trophy was won by George Moore, 26/35, whilst Allan Harrod (17/20) was best of the 17/18 yarders.

Although the Ch'ship was the most important event, the following 20 birder created the most interest. It was the second elimination to decide our team to meet South Australia on October 13.

As mentioned previously, Bill Abbott again produced good form. He ran out the winner with 26/26. Bill is the only one with a clean score in two eliminations.

Camberwell's President, "Rusty" Fox, 25/26, was second, and Bob Wilson, 21/22, third. George Moore (19/21) again took the 12/16 yard trophy.

By the time you read this we will be ready to stage our annual three-day Grand Prix Carnival. The interest shown in all quarters is most gratifying and a very successful carnival is assured. There are plenty of

prizes to be won and we wish all competitors the best of luck.

Programmes for November 10 and 24 are published in this issue. (C. J. Colledge, Sec.)

Thatcher, 10/10.

Attendance not up to usual, but those shooters who did attend seemed to have a good afternoon of mixed events. After a long absence from Croydon Club, one of the locals in Max Brown carried off the main event with a score of 9/10 pair — good shooting, and, to make a family affair of it, Mrs. Brown won the ladies' trophy. The ladies of the committee served a very nice afternoon tea, which was appreciated by all present.

27/9/62 (Show Night). — Weather conditions: fine but cold. Attendance: 40. Results: No. 1, 5-bird Pts.: div. K. Percy, N. Kneebone, C. Fankhauser, T. Morris, J. Collins, M. Brown, R. Henwood, J. The ladies of the committee provided excellent refreshments, and the ladies' trophy went to Mrs. Almond, who assisted the committee with the afternoon tea. All in all, a very pleasant afternoon, and enjoyed by all present. (A. L. Haughton, Hon. Sec.)

A warm and sunny day was enjoyed by all who rolled up to take part in the Club D.B. Ch'ship. Visitors were welcomed from Tatura, Shepparton, Echucua, Kerang and Melbourne, and helped make our shoot a most successful occasion. Many thanks to the ladies who made a very welcome cuppa and delicious cakes and championship-winning scones. R. Lawson had a day out and managed to hold off Jim Hickford and won the Club Ch'ship. Ewen Downie tossed Roy Halsall for third place, and Pat Maher won the F.M. trophy. In the trophy event R. Lawson again took home first trophy after a shoot-off from Pat Maher, who was walked off his feet. Robert Howitt received the 12/15 yard trophy. Robert Howitt was again successful during the afternoon in winning the Club Mug.

Montgomery 15, C. Ashton 14, C. Pay 13, H. Constable 13, A. Barnett 12, M. Smith 10, J. Mawby 10.

Shooters visited us from all over the State, and we sincerely thank them, especially veteran W. Gresselle of Camberwell (V.), who, together with his good wife and equally famous dog, are on a touring holiday. Shooting was very keen, and Wal Rae (Narromine and Dubbo) was in good form. Wal has a very good record since joining the Association and is a fine sportsman. George Henkel of I.C.I. marshalled the shoot for us in his capable manner, and we thank him.

2/9/62.—Attendance: 63. Results: 5 birds: H. Constable, D. Coaker, E. Hands, D. Mott, G. Moore, T. Jones, G. Wilson, G. Hartigan, J. Noonan, S. Bell, A. Barnett, R. George, M. Hull, W. Rae, T. Again a good day's shooting, with great interest centering around the shoot-off in the main event, which went to Don Patrick when Len Rumble of this club dropped his 54th bird. Don Patrick, a front marker not long in the sport, is a fine shot and much more will be heard of him in the future. Col. Pay received a great ovation on winning last event on programme. Col. had hobbled about the tracks on crutches for two days, and his eventual success was well deserved.

(J. Ackroyd, Hon. Sec.)

**EASTERN GOLDFIELDS** (Kalgoorlie, W.A.), 2/9/62.—Weather: very good. Attendance: 22. 30-bird D.B. D.T.L. 16 yds. Inter-club Shield: Three members, P. McBride, N. Ovens and Bill Montgomery, shot 30/30 possible, and the shoot-off went to McBride with the score of 50/50 from Montgomery, 49/50, and Ovens, 39/40. Yardage prizes were won by A. Paolicchi, D. Graham and Bill Montgomery.

The five best scores constituted the club's score for the Inter-club Shield, and the Goldfields team scored 148/150.

The club is at present installing a large area of lawn in front of the new clubhouse,

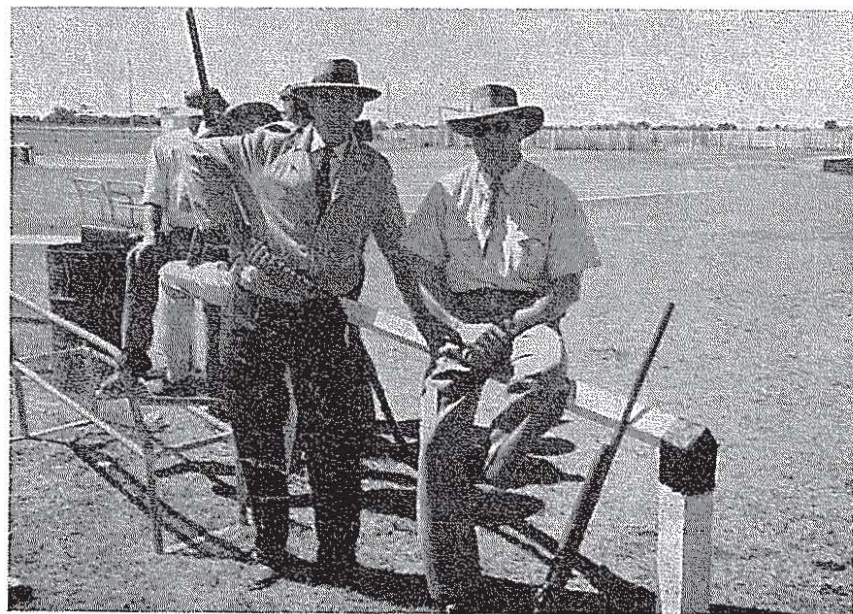

which should add to the already up-to-date facilities we possess.

**ECHUCA** (V.), 8/9/62.—Weather conditions: fine and windy. Attendance: 85. Day Results: No. 1, 10-bird D.B. (off 16 yds.): div. B. Lowry, A. Jamieson, R. Lawson, D. Glover, L. Scriven, A. J. Blackmore, K. McDowell, D. Edwards, F. Dobson, H. Smith, B. Norris, T. Botten, F. Crimieen, I. Whyteross, L. Toose, R. Lamb, R. Peacock, J. Hickford, G. Daly, 10/10. No. 2, Triumph-Herald Shield (teams of 5): 1st, Sebastopol, 97/100; 2nd, Coburg, 94/100. High Gun for team: 1st, L. Gibson, 40/40; 2nd, J. Henwood, 39/40; 3rd, Ted Baldwin, 38/40. No. 3, Echuca Gift: 1st, J. Cumming (Huntly); 2nd, S. Henwood (Croydon); 3rd, A. Mercurio; F.M., T. Bunting.

A good roll-up for the Triumph-Herald Shield and the Echuca Gift. Sebastopol really turned on a fine effort to shoot their 97. Sel Power's squad from Coburg looked like taking the shield, only to have victory snatched from them at the last moment. President Lance Gibson won the High Gun in this event from a strong field. He also welcomed the visiting shooters and presented the trophies. Jock Cumming was a popular winner; Jock won the Elrea auto. sewing machine. S. Henwood really gave Jock a run for his money, but was unable to see the distance.

8/9/62.—Weather conditions: fine and mild. Attendance: 52. Night Results: Commonwealth Night Walk-up Ch'ship: 1st, J. Henwood; 2nd, S. Power; 3rd, T. Preston; F.M., G. Bradley.

Top Officials at Charleville, Queensland.  
Reg Akers (Secretary, Charleville Diggers' G.C.) (left) and Ossie Smith (President) at recent Queensland Interstate Teams' Match at Charleville.

Fifty-two shooters returned after the day shoot to decide the Commonwealth Night Walk-up Ch'ship. With the number of nominations it was decided that the eye-opener be deleted from the programme. Three scores of 21/25 were returned when the last squad went through. They were I. Preston, a 12 yarder, Sel Power and J. Henwood. The shoot-off was a short one, with Preston being first to miss; shortly after, Power failed to cover his bird, leaving Henwood the winner.

The overall High Gun went to Aleck Jamieson after a brief shoot-off with J. Henwood. It was pleasing to see Jamieson, who is a 26 yarder, take this trophy. Vice-President John Jamieson presented the trophies and thanked all visiting shooters for coming along and making it the success it was.

(F. G. Grinter, Hon. Sec.)

**EDGEHILL** (W.A.), 1/8/62.—Weather conditions: good. Nice day, with light wind. Attendance: 9. Results: 10-bird S.B. D.T.L., 5 pr. D.R.: L. Clarke 19, T. Williams 17, T. Rose, E. Atkinson 16, S. Campbell, P. Hough, T. Pearson, E. Parkin 15.

The competition was keen, with members really on their metal. As we don't have many of these kind of shoots, it was a stiff programme and shooters had to concentrate more than usual and made it a very interesting contest. Les Clarke ran out the eventual winner, with Tom Williams in second place.

15/8/62.—Weather conditions: an ideal, sunny day. Attendance: 13. 20-bird D.B. D.T.L.: T. Rose, L. Clarke, Ted Atkinson 18, G. Poller 17, R. Yates, P. Hough, E. Clarke 16, T. Pearson, D. Campbell, J. McKinnon, E. Parkin, T. Williams 14.

Although shooting was not up to standard, the event was keenly contested, with Tom Rose taking the honours for the back-marker trophy, and Tom Pearson taking the front-marker. The day finished with everyone looking forward to next shoot.

(G. J. Poller, Hon. Sec.)

**FOSTER** (V.), 8/9/62.—Weather conditions: very windy. Attendance: 26. Results: No. 1, 5-bird P.D. Clay Sparrows: H. Pearson, Newton Thomas, 16/15, div. 1st and 2nd; R. Barlow, Roy Traill, div. 3rd, 14/15. No. 2, 20-bird S.B. Club Clay Sparrow Ch'ship: R. Glover, 1st, 19/20; N. Thomas, 2nd, 18/20; Roy Traill, 3rd, 17/20. No. 3, 20-bird Dist. D.B. Ch'ship: R. Barlow, 1st, 19/20; M. Cripps, 2nd, 33/35; N. Thomas, 3rd, 32/35.

Shooters from Melb., Dandenong, Sale, Yarram and Korumburra. Windy conditions made shooting very difficult. Newton Thomas from I.C.I. came along to give some of the boys some shooting tips, which was much appreciated. Ray Barlow was the winner of the District Ch'ship, his first sash. Roy Glover claimed the club title. Many thanks to all those who helped, and the ladies for the afternoon tea.

(C. Steele, Sec.)

**GEELONG** (V.), 29/9/62.—Weather conditions: cold and windy. Attendance: 21. Results: No. 1, 5-bird Pts.: div. J. Hehir, R. Bath, K. Rankin, M. Pascoe, L. Pitcher. No. 2, 20-bird Trophy: R. Green, 31/31, 1st; J. Hehir, 30/31, 2nd; G. Ridgeway, 29/30, 3rd; F.M., W. Blacksell, 22/23; M.M., H. Walker, 23/24; B.M., J. Ford, 23/24. No. 3, 10 birds: div. W. Blacksell, K. Rankin, H. Walker, G. Ridgeway.

Counter attractions and weather kept the attendance down to 21 shooters at our month-

ly shoot. The weather was pretty cold and windy, and often a bit wet. Nevertheless the afternoon was enjoyed by all, and there was some good shooting during the day. The eye-opener was divided by J. Hehir, Ray Bath, Keith Rankin, Mal Pascoe and L. Pitcher. The main event was won by Ron Green with 31/31; second was J. Hehir, and third G. Ridgeway. Front marker was Bill Blacksell, while H. Walker won the middle-marker trophy, and J. Ford won the back-marker trophy. Event No. 3 was divided by four shooters, Harry Walker, Bill Blacksell, G. Ridgeway and Keith Rankin, with 20/20.

(R. J. Roberts, Club President.)

**GERALDTON** (W.A.), 29/7/62.—30-bird Club Ch'ship: This event was shot under very rough weather conditions, but this did not deter our President, John Glass, who maintained the form he showed in winning the S.B. Ch'ship at Kalgoorlie and continued to powder his birds, gaining the coveted honours. Second went to Noel Burton after a 15-bird shoot-off with Keith Hewitt. Good shooting by the place-getters, as by this time the birds were really bouncing about.

12/8/62.—10 Walk-up Sparrows and 10 Gun-down Pigeons: Ideal weather conditions for shooting. Both these events are considered by local shooters as being the most difficult of all. Highest scores were two 18/20's, the shooters being Keith Hewitt and Jim Boyes. After a further 5-bird shoot-off, Boyes secured the major placing from Hewitt.

26/8/62.—5 birds and 20-bird S.B.: 5 shooters, E. Boschetti, Dick Burton, J. Keene, N. Burton, K. Hewitt, div., 5/5. A 20 birder closely contested; three shot 18/20. New shooter R. MacDonald, S. Collier and J. Boyes participated in a 10-bird tie shoot. Results: Boyes, 1st; MacDonald, 2nd; Collier, 3rd.

Watch out, Ray, the handicapper has his beady eyes on you. Club President John Glass welcomed Keith Barker, Spencer Collier and Norm Brown to our club, and we look forward to seeing them on the Geraldton tracks in the future.

9/9/62.—20 Mixed Birds Teams Match: Once again weather conditions marred a good shooting day. The event was won outright by Harry Finlay and Dick Burton, shooting as a team. Second place-getters were Bob Sweet and John Glass. The clays proved most elusive because of the excessive winds. Shooters had many lost birds. Dick Burton collected the High Gun trophy.

Thanks are most certainly extended to our ladies' committee for the afternoon teas served at all the above-mentioned shoots, as they are indeed doing a wonderful job.

Despite windy conditions, some very good scores were recorded during the Deauville Doubles event conducted by the Geraldton Gun Club on Sunday, 23/9/62. Frank Bonbara and Dick Burton proved themselves as a team and took the trophy for first place, 19/20 pairs. Second place-getters were John Glass and Trelley Murphy, 18/20; Harry Finlay and Joe Constantino scored 17/20 to share third with Jack Keene and Jim Boyes. A 10-bird H'cap was conducted, with Sam Zorino and Dick Burton sharing first with possibilities. A shoot-off decided second placing, Harry Finlay taking the honours from T. Murphy and Phil Miragliotta.

After a delightful cup of tea provided by our ladies' committee, Vice-President J. Constantino presented the trophies, and wished his fellow shooters good luck in their shoot-

The Hamilton Gun Club is keeping shooting alive in this area by conducting a monthly shoot, and they are appreciative of the support they are getting from district shooters. It was pleasing to see one of our regular supporters, Bob Rundell, come to the fore and topple the giants in the first trophy event. Congratulations, Bob, and we hope you do it more often.

Our Vice-President, Stan Rentsch, in the second trophy shoot, once again showed his ability in winning this event. Another stalwart, Austin Gordon, came second in both trophy shoots, and Austin must be congratulated also on his consistent shooting.

No. 1, 10-bird Pts.: div. D. Edwards, E. Marriott, R. Harty, W. Coulson, H. Smith, J. Bennett, R. Pellas, W. O'Shannessy. No. 2, Rankin Shield (20 birds off 16 yds., teams 5): Moonlight Flat 88, Harcourt No. 1 92, Learmonth 94, Sebastopol No. 1 94, Sebastopol No. 2 88, Huntly No. 2 83, Harcourt No. 2 82, Huntly No. 1 93. After a further 50 birds, Sebastopol, 143/150, def. Learmonth for the Rankin Shield. High Gun shoot-off saw following shooters on the track: H. Smith, W. Blakeley, E. Marriott, S. Jenvey, G. Kirkpatrick, H. Blackmore, K. Severino, J. Ludbrook, R. Eason, W. Coulson, J. Bennett. Eventual winner, Huntly member, Bill Coulson, had to shoot 83/83 to defeat H. Smith; 3rd, W. Blakeley, 56/57.

Perfect day for shooting. A hearty thanks to our friends from other clubs who made the day such a sporting and social success.

22/9/62 (Night).—No. 1, 5-bird Pts.: div. C. Johnson, M. Pascoe, W. Blakeley. No. 2, 20-bird D.B.: H. McQueen made no mistake to win, 29/30; 2nd, E. Marriott, 28/30; 3rd, W. Blakeley.

**HAY (N.S.W.)**, 22/9/62.—Weather conditions: strong north-easterly wind. Attendance: 15. Results: No. 1, 5-bird D.B. and 5-bird S.B.: T. Cox, Max Gibson, J. Headon, N. Milliken, div., 10/10. No. 2, Club S.B. Ch'ship (off 16 yds.): J. Houston, 20/20; A. W. Headon, 24/25; N. Milliken, 23/25. No. 3, 10-bird D.B.: K. Anspach, P. Cox, B. Bennett, N. Milliken, G. Williams, div., 10/10. No. 4, 5-bird Walk-up: A. W. Headon, P. Cox, div., 5/5.

The club's S.B. Ch'ship attracted a field of all the club's best shots. It was won by our popular ex-President and now Patron, John Houston, with the possible 20/20, with A. W. Headon second and N. Milliken third after a shoot-off to decide the minor placings. The win of Jack's was a pleasant surprise to him, due to the long interval between wins (Jack's last club win being the D. Rise Ch'ship way back in 1958).

Visitors from Bordertown (S.A.) were Messrs. England (father and son), Dwyer and Evans, duly welcomed by the club's President, Norm Milliken. The response from shooters as to what the 1963 Easter Gift of the club's shoot should be, has been most disappointing. It looks like the motor car will still prevail, therefore, shooters, watch your "News" for the important announcement. (Les McKinney, Hon. Sec.)

**HERBERT RIVER (Qld.)**.—Herbert River Club Ch'ship shoot took place last Sunday, 16/9/62, in excellent weather. D. McDermott (Townsville) was the most successful shooter, winning the Patron's Cup, 58/60, the High Gun Fraser Memorial Shield, and a 50-break badge. He was unlucky to go under to F. Di Mauro (Silkwood) in a shoot-off for first in the Trophy shoot.

Mr. J. Row, M.L.A., and W. O. Garbutt, in presenting the large range of valuable trophies, congratulated the visitors on their excellent shooting.

The last event of the day, the Ladies' Trophy, showed Mrs. J. Spina (Silkwood) as an

excellent shooter for "killing" her five birds to win the event. Mrs. A. Edwards, 3/5 (Townsville), was second, and Mrs. F. Girgenti (Ingham) third.

10-bird S.B.: S. Di Bartolo, L. Girgenti, 1st; A. Edwards, F. Di Bartolo, F. Chapman, A. McKimmin, A. Di Bartolo, div. 2nd. Nucifora Shield (20-bird D.B.): F. Guerra, 1st. Patron's Cup (20-bird D.B. Pts.): D. McDermott, 1st. S'takes: D. McDermott, 1st; J. Spina, F. Guerra, div. 2nd. Trophy Shoot (10-bird S.B.): over 16 yds.: F. Di Mauro, 1st; D. McDermott, 2nd; A. Cardillo, 3rd; under 16 yds.: M. Cristaudo, 1st; Beasley, 2nd; P. Cavallaro, 3rd. D. McDermott won the Fraser Shield. John Row Trophy (10-bird S.B.): M. Di Mauro, 1st; De Prima, 2nd; J. Spina, 3rd.

(M. F. Origlasso, Hon. Sec.)

**HORSHAM (V.)**, 15/9/62.—Weather conditions: strong wind. Attendance: 26. Results: No. 1, 5 birds: 13 shooters div. No. 2, 10-bird £20 H'cap: 1st and 2nd, div. N. Stewart, C. Nuske; 3rd, 5 shooters div. No. 3, 5-bird Trophy: 1st, A. Dumesny; 2nd, G. Brook; 3rd, B. Bolwell. No. 4, 10 birds: 1st, G. Wollerman; 2nd and 3rd, div. 4 shooters.

Rather a wild sort of day, but quite a good muster of shooters, but the conditions were not so good for any big breaks. We were very pleased to have with us for the day Newton Thomas, who gave a very interesting talk on shooting on Friday night prior to the shoot, and also gave some valuable advice to some of the new shooters. Thanks, Newton, it was nice having you; also thanks to our President, Ern Smith, for donating the trophies. Once again thanks, ladies.

(Norm Stewart, Hon. Sec.)

**HUNTLY (V.)**, 1/9/62.—Weather conditions: fair. Attendance: fair. Results: No. 1, 10-bird D.B. Sparrows: J. N. Thomas, W. Coulson, H. McQueen, W. Gibson, 10/10. No. 2, 30-bird D.B. Vic. D.B. Sparrow C'ship: J. Newton Thomas (Melb.), 34/35, 1st; K. Severino (Sebastopol), 43/45, 2nd; W. Robertson (Melb.), 42/45, 3rd. No. 3, 15-bird D.B. Pigeons: J. Johnstone, 35/35, 1st; G. Hayman, 34/35, 2nd; H. Edwards, 22/23, 3rd.

With shooters attending from Echuca, Kerang, Boort, Castlemaine, Sebastopol and Melbourne, Huntly Gun Club conducted the Vic. D.B. Sparrow Ch'ship (at 30 targets); there were no possibles, four shooters getting 29/30, J. Newton Thomas, Don Glover, W. Robertson and K. Severino, the shoot-off being won by Newton Thomas, 34/35, from K. Severino, 43/45; W. Robertson, 42/45; Don Glover was the unplaced shooter. A 15-bird Trophy event was won by J. Johnstone (Huntly), 35/35, from G. Hayman (Melb.), 34/35, H. Edwards (Barwon Heads) being third.

1/9/62 (Night).—Weather conditions: good. Attendance: fair. Results: No. 1, 5-bird D.B.: C. Radcliffe, J. Cumming, W. Coyle, J. Bennett, H. Smith, 5/5. No. 2, Midlands Dist. D.B. Sparrow Ch'ship: H. Smith (Harcourt), 20/20, 1st; S. Power (Melb.), 19/20, 2nd; W. Williams (Melb.), 18/20, 3rd. No. 3, 10-bird I.B. Pts.: J. Cumming, 30/30, 1st; C. Radcliffe, 29/30, 2nd; R. Peacock, 27/30, 3rd.

A good night for shooting and good trophies to be won, 30 shooters entered for the Midlands Dist. D.B. Sparrow Ch'ship, which was won by the Harcourt shooter, Harold Smith, with the only possible, 20/20, and gave him his 10th Ch'ship; 2nd prize went to Sel Power, who was having his first visit

to Huntly (but I don't think it will be the last; he seemed to be enjoying himself). W. Williams (the maker of the elusive targets) took third trophy, his mate, W. Robertson, taking a third prize in the afternoon, so they both had something to take home on their first visit to Huntly. Hope to see you all again some day, fellows, in the near future. (J. E. Jones, Hon. Sec.)

ISISFORD (Qld.), 16/9/62.—Weather conditions: fine, cloudless, moderate S.W. wind, gusty at times. Attendance: 17. Results: No. 1, 5 birds: 4 shooters div., 5/5. No. 2, 15-bird S.B.: P. McGovern, 14/15. No. 3, 30-bird Pts.: P. McGovern, 80 pts.; 2nd, P. Salmon, 76 pts. No. 4, 20-bird D.B.: J. Counsell on a shoot-off from Mick Moyse (both these shooters from Barcardine). No. 5, 5 pr. D. Rise: J. Counsell. No. 6, 3 prs. D'ville Doubles: P. McGovern - Bill Moyse.

President Paul McGovern had a day out, collecting two trophies and sharing in the D'ville Doubles. Many shooters were off form and many losses were recorded. Mesdames Coxon and Salmon were once again instrumental in providing the "cuppas" and refreshments, for which all shooters were grateful. The barbecue was enjoyed by everyone at the finish, and the new lights provided by Paul and Bill McGovern were greatly appreciated. (N. D. Wotherspoon, Hon. Sec.)

KATANNING (W.A.), 26/8/62. — A dozen or so shooters braved the blustery weather last Sunday to shoot at 25 Skeet for the J. and B. Clegg Trophy. David Anderson continued his winning run and took first place after a shoot-off with Neville Beeck. At the end of the event these two shooters had tied in first place. Anderson had shot 23/25 off the gun and with 2 handicap, totalled 25. Beeck shot 20/25, plus 5 handicap, to score the same. After a half-round of skeet had been shot in the shoot-off, they were still level and it required two more pairs of doubles before Beeck missed his last pair with both barrels. Anderson also took high-gun honours in the event with 23/25.

A 10-bird Sweepstake staged at the end of the day didn't produce a single possible. Mike Crossley and Tony Cusack scored 9/10 each, and this was quite good enough to divide first place.

During the afternoon the series of talks was continued and Mike Crossley gave an account of how to re-load your own cartridges and "still stay alive". He had on display enough equipment to apparently start a small factory. Re-loading would appear to be a precise and engrossing pastime.

9/9/62. — Members shot for the Bill Makeham trophy of 15 targets D.B. and half a round of skeet. For the day, shooters were divided into two sections—those on 16 yards and forward, and those on 17 yards and back. This innovation proved popular and induced some keen competition in both sections.

The President, John Downer, proved to be the winner in the first section, after a close tussle with George Anderson and Phil Crossley. He shot a total of 24.7 to the others' 24.5 and 23.5 respectively.

The second section developed into a close contest between Bill Makeham and David Anderson. These two shooters were shooting alongside each other in the event, and when Anderson had fired his last shot and totalled 24.3, Makeham needed to break both targets in the last skeet double to win his own trophy and tie for high gun. However, it was not to be, as he missed his very last target

and could only total 24.2. This left Anderson the winner, and also high gun for the event with 24/27.

A 25 Skeet Sweepstake followed: John Downer, George Anderson and Mike Crossley div. first place, 22/25.

23/9/62. — A very good muster of members attended to shoot in the inter-club teams' match of 30 targets D.B. The weather turned a kindly face on proceedings for the first time in several competitions. This undoubtedly assisted the team to record a very creditable score. Those who shot in the five-man team were Tim Catling, Terry Young, David Anderson, Mike Crossley and Bill Makeham. Kingsley James was in good form after an absence from the tracks and won the 15 yards and forward section, with a score of 31.4/30. Tom Anderson and Phil Crossley tied for second with 29.5/30.

In the back markers' section Mike Crossley won the John Schinzig trophy with a score of 31.1/30 by a narrow margin from Terry Young and David Anderson, each with 30.9/30. Young, Anderson and Tim Catling tied for high-gun honours, each 30/30. Tie shoot: 1st, Young, 40/40; 2nd, Anderson, 33/40; 3rd, Catling, 34/35.

Both Terry and Tim seem to thrive on their shooting after being "turned out to grass" for a while! (D. G. Anderson, Hon. Sec.)

KEILOR (V.), 8/9/62.—No. 1, 10-bird Pts.: 1st, R. Jones, 23/30; 2nd and 3rd, div. F. Shearer, R. Fletcher, M. Kitchell, B. Sidaway, 27/30. No. 2, 20-bird D.B.: 1st, R. Jones, 19/20; 2nd, R. Fletcher, 18/20; 3rd, M. Kitchell, 17/20; 12/15 yds., G. Moore, 16/20. No. 3, 10 birds (5 single, 5 double): 1st, M. Kitchell, 10/10; 2nd and 3rd, div. G. Moore, J. Braund, J. Ahern, F. Shearer, 9/10. (G. Hunter, Hon. Sec.)

KELLY'S CREEK (Qld.), 15/9/62.—Weather conditions: dust storm. Attendance: 17. Results: No. 1, 5-bird D.B.: div. G. Magoffin, C. Hoffmann, G. Beattie. No. 2, 10-bird S.B.: G. Magoffin, 10/10. No. 3, 10-bird Pts. Trophy: L. Marsh, 30/30. No. 4, 20-bird D.B. Trophy: W. Moyse, 20/20. No. 5, 5 pr. D. Rise: J. Gibson, 5/5. No. 6, 5-bird Sliding H'cap: div. J. Gibson, E. Moyse, C. Hoffmann, G. Beattie, D. Mackay. No. 7, Miss-out Walk-up: J. Gibson, 9/10; C. Hoffmann, 8/10. No. 8, Miss-out: D. Mackay, 8/8.

The club trap lived up to its reputation for sending up interesting birds, and with a bit of wind and dust, all events were quickly decided. (J. L. Gibson, Hon. Sec.)

KEMPSEY (N.S.W.), 15/9/62. — Weather conditions: gale-force winds. Results: No. 1, 5-bird Pts.: B. Smith, 15/15; A. Neill, 14/15; C. Kemp, 12/15. No. 2, 10-bird S.B.: A. Neill, 10/10; B. Smith, 9/10; H. Kemp, 8/10. No. 3, 10-bird D.B.: B. Smith, J. Smith, 9/10; W. A. Neill, 8/10.

Our shoot was marred by near gale-force wind and only two shooters mastered the bad conditions. Three events only were held and we decided to give it away. (C. H. Kemp, Hon. Sec.)

KOJONUP (W.A.), 16/9/62.—Weather conditions: very good, favourable. Attendance: 17 (good). Results: No. 1, 10-bird D.B.: L. O'Sullivan, 1st; Mrs. S. Marsh, 2nd; A. Anderson, 3rd. No. 2, For State Teams' Match: P. Secchetto, 1st; R. MacDonald, 2nd; R. R. Cusack, 3rd. High Gun over the day: A. R. Anderson.

We were all again pleased to welcome visitors from Darwin, Ballandean and Urbenville, some of whom travelled long distances in short times to be with us.

Scores were surprisingly high under the windy conditions, which made birds either duck or out-run the shot. Possibles were recorded in every event except the Club D. Rise Ch'ship, which was won by 'yours truly' with only 9/10 pairs. Frank Paget, one of our very good friends from southern Queensland, took 2nd trophy with 7/10 pairs. Len Sharpe's win with Clarrie Lee in the Box Sweep was a most popular one, for Len is one of our really great stalwarts, but has been having a run of outs.

(D. S. Worrall, Hon. Sec.)

Visitors came from Alexandra. A cold and windy day, with occasional showers, made conditions bad for shooting. Only 11 shooters attended. A very nice afternoon tea was served by the ladies.

We were very fortunate to have such nice weather for our annual shoot. We were pleased to welcome shooters from Warren, Coonamble, Tooraweenah, Dubbo, Narromine, Coolah, Newcastle and Mudgee, but the roll-up of local shooters was disappointing. The ideal shooting conditions showed up in the excellent scores, with two 50 breaks: Don Patrick, 50 straight, R. Smith, 63 straight. The unluckiest shooter was K. Heywood with a 49. There was an exciting shoot-off for 12/15 yds. high gun between K. Heywood and R. Smith, when R. Smith lost his 24th bird. Thanks to the ladies for the welcome morning tea on arrival of shooters.

(D. A. Smith, Hon. Sec.)

MERSEY (Tas.). — Mersey Gun Club held its monthly shoot at Latrobe under fine but breezy conditions. Visiting shooters attended from Burnie and Bothwell. The main event, the Club D'ville Doubles Ch'ship, was shot from 18 yards at 14 pairs of birds, and was won outright by Keith Pulford (Bothwell), partnered by Harvey Turnbull (Latrobe), with the only full score of 14/14 pairs. M. Elliott - D. Lucas and G. Roberts - B. Watson, with 13/14 pairs, shot off for second placing, the decision finally going to Elliott and Lucas.

The Mildura Clay Target Gun Club conducted an afternoon and two night shoots on the Friday and Saturday, 21, 22/9/62, when three District Ch'ships were shot for. Broken Hill shooter, D. Johnson, was most successful in winning a double—the Murray Valley D.B. and S.B. Night Ch'ships. Devon John-

son shot well all through the shoot and deserved his success. A. W. Barnes and G. T. Wakefield were the most successful local shooters, although with good shooting conditions, most shooters were well on the target. (K. J. Peake, Hon. Sec.)

**MOSSMAN (N. Qld.), 23/9/62.**—Weather conditions: cool, cloudy and gusty. Attendance: very good. Results: No. 1, 5-bird D.B.: R. Hancock, J. Dwyer, tied for 1st. No. 2, 10-bird S.B.: J. Guerra, tied for 1st; J. Flessner, 3rd. No. 7, D'ville Doubles Trophy: H. Nasser - F. Clarke, 1st.

With shooters attending from Silkwood and Atherton Tablelands, it was very pleasing to see so many clubs represented at our shoot, and we do wish to thank all shooters for their attendance. Because of a bet between our Past President, Dick Conn, and Harold Nasser, involving an 18 of beer, it was necessary to turn on the lights to end a perfect day. At a meeting a couple of months back Eric Palmer was elected President, with Dick Conn, Ray Hancock and Roy Lemura to back him up on the committee.

(E. Palmer, Pres., per Mrs. J. Hancock.)

**MT. GAMBIER (S.A.), 2/9/62.**—Weather conditions: fair. Attendance: 36. Results: No. 1, 5 birds: L. Lupp, G. Ward, N. Stiles,

L. Stiles, W. Allison, A. Cameron, C. Coppling, L. Fartch, B. Medhurst, K. Cherryman, J. Bishop, C. Feast, No. 2, Trophy Shoot (20 birds): L. Williams, 23/23; D. Bull, 29/30; R. Aston, 28/30; F.M. trophy, E. Lacey, 20/21. No. 3, 5 pr. D. Rise: L. Lupp, 4/5.

Excellent field of 35 shooters took part in Trophy shoot held in quite good conditions, with north-west wind; however, only three shooters were able to finish with full score. In short shoot-off Leo Williams (Naracoorte) was able to carry on and took out "Victa" rotary mower; Don Bull (Goroke) missed fifth bird, and Ross Aston (Mt. Gambier) only had to shoot his bird to win second prize; however, he missed, letting Don back in again, to eventually win transister 7 radio, and Ross taking half-case of shells in third place. Eric Lacey only had to shoot one bird in shoot-off for F.M. trophy.

(G. R. Clark, Hon. Sec.)

First leg of trophy (to be won three times) won by H. Durbidge. This is assessed over two main events of a day's shoot on points system.

Owing to football finals, our shoot was not as well patronised as usual, but a good day's shooting was enjoyed by shooters who came from Hamilton, Macarthur, Bessieville, Casterton, Tyrendarra and Cavendish.

(A. O'Connell, Hon. Sec.)

**NARRANDERA (N.S.W.).**—Narrandera Club held a shoot on 25/8/62 and drew quite a good crowd of shooters. The Ch'ship was won by Wagga shooter, F. Williams. The ladies' trophy on this event was won by Mrs. C. Moss (Leeton).

**PARKES (N.S.W.), 8/9/62.**—Weather conditions: ideal, with testing wind. Attendance: 36. Results: No. 1, 10-bird S.B.: D. R. Boyd, 10/10. No. 2, 20-bird Lachlan Valley S.B. C'ship: R. C. Noakes, 1st open; J. O'Rourke, 2nd; H. Wilder, 1st intermed.; M. Spicer, 1st junior. No. 3, 5-bird Walk-up Sparrows: G. Wilson, J. O'Rourke, J. Thompson, K. Oldfield, F. Williams, W. Birkin, A. Barnett, 4/5. No. 4, N.S.W. State Walk-up Sparrows Ch'ship: L. Morris, 1st; F. Williams, 2nd; D. Boyd, 1st intermed. No. 5, 10-bird D.B.: G. Wilson, K. Oldfield, H. Wilder, F. Williams, E. Fields, M. Williams, 10/10, div. No. 6, 20-bird D.B.: J. Thompson, G. Bell, div.

Congratulations to Les Morris on winning his first State title against very solid opposition. Les is always a difficult opponent in walk-up events, and his new crown is just tribute to his skill. Frank Williams (Wagga) was runner-up, with Bob Boyd (Parkes) winning the Intermediate title.

Frank Williams highlighted a very successful day by convincingly winning the I.C.I. High Gun Trophy. It was extremely pleasing to see consistent local shooter Ron Noakes win the Lachlan Valley S.B. Ch'ship. His uncanny consistency enabled Ron to record a really memorable win; congratulations.

**8/9/62 (Night).**—Weather conditions: windy, very cold. Attendance: 24. Results: No. 1, 5-bird S.B.: M. Williams, L. Morris, G. Mortimer, R. Noakes, K. Oldfield, J. Thompson, S. Bell, F. Williams, W. Birkin, R. Wilson, C. Anderson. No. 2, 20-bird Lachlan Valley S.B. Ch'ship: C. Anderson, 1st open; F. Williams, 2nd; J. Thompson, 1st intermed.; J. Scott, 1st junior. No. 3, 10-bird D.B.: R. Noakes, D. Boyd, 1st; J. Scott, 3rd; H. Swanson (F.M.).

C. Anderson (Cowra) took top honours at night, winning the Lachlan Valley Night S.B. Ch'ship. He is a relatively inexperienced shooter at present and shows great promise for the future. Ron Noakes and Bob Boyd soon singled themselves out in the main trophy event, and after a lengthy shoot-off, decided between themselves on their respective trophies. In all, a highly successful championship shoot. (Ian Weaver, Hon. Sec.)

No. 7, Box Sweep: 1st, D. Byrne, 5/5.

Shot our usual monthly shoot under ideal weather conditions, with a good attendance of shooters. The main event was the 18th round of the R. & R. Canteen, which was won by a new shooter, G. Campbell, whom, I am sure, we will be hearing more of in the future. Also had a new shooter in D. Byrne, who really showed us how to hit the clays, after only two shoots.

22/9/62.—Weather conditions: perfect. Results: No. 1, 5-bird D.B.: 1st, L. Blewitt, W. Jordan, F. Hatch, G. Tilyard, T. Henshall, D. Byrne, F. Morton, 5/5. No. 2, 10-bird D.B. Sparrows: 1st, L. Blewitt, 18/19. No. 3, 5 S.B. and 5 D.B. R. & R. Canteen:

Johnston, 17/18. No. 6, Triple Rise D'ville Doubles: 1st, L. Blewitt - D. Byrne, 4/6. No. 7, Box Sweep: 1st, D. Byrne, 5/5.

Shot our usual monthly shoot under ideal weather conditions, with the average attendance of shooters. The main event was the 20th round of the R. & R. Canteen, which was won by L. Blewitt for the second time, and makes him one of three shooters to do this. A triple-rise D'ville Doubles Sparrows proved very hard to shoot all three birds, and 4/6 was the best score.

(W. Jordan, Hon. Sec.)

RAINBOW (V.), 22/9/62.—Twenty-seven shooters from district clubs attended a day shoot at Rainbow, and a good day's sport was enjoyed by all. No. 1, 5-bird D.B.: div. R. Robertson, S. Childs, C. SOUTH WEST (W.A.), 9/9/62. — Weather conditions: fine, but windy. Attendance: 9. Results: 3 prs. Skeet and 15 prs. D. Rise: 1st, F. Tomasi, 14 prs. plus 4 h'cap — 18; 2nd, E. R. Pearce, 12 prs. plus 5 h'cap — 17; 3rd, B. Drewitz, 10 prs. plus 7 h'cap — 17. Bad weather in the morning, no doubt, affected the attendance, as only nine shooters arrived to participate in the competition. Fred Tomasi shot consistently to score 2 out of 3 pairs of skeet and 4/5, 4/5, 4/5 in the double rise. Fred was on his way to Italy the following day and will be away for six months.

23/9/62. — Weather conditions: good. Attendance: 13. Results: No. 1, 25 Skeet H'cap: J. McKinnon, 1st, 24 plus 1; P. Hough, 2nd, 18 plus 7; R. Yates, 3rd, 24 plus 1. No. 2, 30 Mixed Birds: D. Wiesse, 1st, 28 plus 2; E. R. Pearce, 2nd, 28 plus 2. The Club Ch'ship was decided over 25 skeet, 10 D.B., 10 S.B., 5 W.U. and 5 D.R., and the winner was Jack McKinnon with an excellent score of 51/55 off the gun; 2nd was Reg Yates with 47, followed by Tex Wells and Boris Drewitz with 46. The all-day handicap for President's Trophy was won by P. Hough, 44 plus 11, after a shoot-off with J. McKinnon. The scores for mixed birds were good, with a 19, two 18's and two 17's off the gun. (E. R. Pearce, Handicapper.)

TWEED (N.S.W.), 5/8/62. — Weather conditions: fine and cool. Attendance: 12. Results: No. 1, 5 birds: A. Griffiths, J. Curr,

Visiting shooters at recent Dubbo G.C. (N.S.W.) Shoot.  
(L. to R.): W. Rae (Narromine), E. Hands (Jame), D. B. Mott (Newcastle), Mick Smith (Sydney) and H. McDiarmid (Lithgow) (right).

R. Hogarth, F. Lang, 5/5. No. 2, 20-bird D.B.: 1st, J. Mills, 19/20; 2nd, A. Griffiths, 18/20; 3rd, F. Lang in shoot-off from R. Hogarth, 16/20. No. 3, 20-bird S.B.: 1st, H. Quirk, 18/20; 2nd, F. Lang, 16/20; J. Mills, R. Hogarth, R. Counter, 15/20.

Weather conditions were favourable, with a very cool breeze blowing in from the west. Arthur Griffiths, Jim Mills and Harold Quirk busted most of the clays, with Fred Lang net far behind. Once again the ladies provided, bless them.

9/9/62. — Weather conditions: good. Results: No. 1. No. 2: 20-bird S.B.: 1st, A. Griffiths, 17/20; 2nd, H. Quirk, 13/20. No. 3, 20-bird Pts. (3 and 2): 1st, A. Loder, 52/60; 2nd, F. Lang, 48/60. No. 4, 20-bird D.B.: 1st, A. Griffiths, 18/20; A. Loder, H. Quirk, J. Mills, 15/20.

Conditions were good, with light breeze blowing. The poor attendance was possibly due to the locals being involved in our Tweed Banana Festival activities, and the Charleville shoot was perhaps responsible for the lack of our regular Southport visitors. It was pleasing to see our Alan Loder shooting so well after his break. We are looking forward to a good roll-up at the October shoot.

(Bob Counter, P/O.)

WARRACKNABEAL DIGGERS (V.), 1/9/62.—Weather conditions: ideal. Attendance: 44. Results: No. 1, 20-bird T.V. Trophy: C. Mitchell, D. Hammond, only possibles—shoot-off: 1st, C. Mitchell, 24/24; 2nd, D. Hammond, 23/24; 3rd, R. Genders, 33/34. No. 2, 10 birds: div. G. Strauss, B. Vogel, W. J. Hope.

An ideal day for shooting; only two shooters scored the possible, and the shoot-off did not go very far before the winner of the T.V. set was decided. The third trophy took longer to decide, as nine shooters with 19/20 went to the mark. The club wishes to thank all the visiting shooters who travelled a long way to make the shoot a success.

(C. E. Ricketts, Hon. Sec.)

WARREN (N.S.W.), 15/9/62. — Weather conditions: cloudy and windy. Attendance: 19. Results: No. 1, 5-bird D.B.: N. Montgomery, J. Ferguson, D. Hunt, K. Starr, B. Rowe, R. Lane, 5/5. No. 2, 10-bird D.B.: B. Rowe, I. McCalman, R. Lane, 10/10. No. 3, 10-bird D.B. Pts. (3 and 2): 1st, D. Cosgrove, 57/57; 2nd, N. Montgomery, 56/57; 3rd, B. Rowe. No. 4, 20-bird D.B.: P. Fitzalan, 20/20. No. 5, 10-bird S.B.: D. Cosgrove, 10/10.

A good attendance, and there was some fine shooting under rather difficult conditions. New member Peter Fitzalan shot well to record the only possible in the 20-bird event. D. Cosgrove won the Ferguson Jackpot Trophy after a shoot-off with Norman Montgomery and Berry Rowe. Des also won the Tom Wild Memorial Trophy for 1962 after a shoot-off with Dennis Hunt. Next shoot will be our Club Ch'ship, and may be our last day shoot for the year.

((R. C. Deacon, Hon. Sec.)

WARRNAMBOOL (V.), 8/9/62. — Weather conditions: gusty wind. Attendance: 35. Re-

sults: No. 1, 5 birds: div. H. Durbidge, M. Small, W. Abbott, L. Densley, W. Henwood, R. Millard, J. Boyle, A. Gordon, N. Wright, T. Kenneally, I. Holt. No. 2, West. Dist. D.B. Ch'ship: 1st, W. Abbott; 2nd, M. Small; 3rd, R. Millard; 12/15 yds., N. Wright. No. 3, 10 birds: div. T. Davis, V. Coates, W. Abbott.

The Western District D.B. Ch'ship was won after a fine shoot-off by W. Abbott; 2nd, M. Small; 3rd, R. Millard. The 12/15 yd. trophy was won by N. Wright. Thanks to all the shooters who travelled long distances to make this such a good day. Thanks also to the regulars, and the ladies for the refreshments.

(R. C. Kenneally, Hon. Sec.)

WERRIBEE (V.), 8/9/62.—Weather conditions: fine, dull, windy. Attendance: 15. Results: No. 1, 5-bird Pts. (C/D.): 1st, S. McIntosh, 15/15; 2nd, R. Sadler, 14/15; 3rd, T. Toohey, 13/15. No. 2, 10 Silent Rise, 10 Guns Down, 5 pr. D. Rise Trophy: 1st, T. Rosewarne, 22/31; 2nd, S. Cations, 20/31; 3rd, M. Rushford, 22/35; F.M., T. Toohey, 11/25. No. 3, 10 pr. D. Rise: 1st, R. Sadler, 5/10; 2nd, T. Rosewarne, 4/10; 3rd, div. T. Powell, K. Laird, 3/10.

A combination of difficult conditions and novelty events kept scores low at our monthly club shoot. We were pleased to see Tom Rosewarne, who is one of our staunchest supporters, take off the main event. It was also pleasing to see several new shooters trying their hand at the sport, and hope that they will eventually succumb to the "disease".

(R. W. Sadler, Hon. Sec.)

WINGADEE (N.S.W.), 2/9/62. — Weather conditions: mild, light northerly. Attendance: 14. Results: No. 1, 5-bird D.B.: E. Brown, D. Barton, R. Bellomy, 5/5; T. Boyland, B. Fagan, P. Skulthorpe, J. Skulthorpe, L. Smith, G. Skulthorpe, J. Fagan, 4/5. No. 2, 10-bird Pt. Score: L. Smith, 29/30; E. Brown, J. Skulthorpe, 27/30. No. 3, 20-bird S.B.: D. Barton, J. Denison, 17/20. No. 4, 5-bird Pt. Score: G. Skulthorpe, 15/15. No. 5, Miss-out: L. Smith, 15 birds.

Weather fine, conditions excellent. Shot out of plus trap. Small attendance on the day because of other activities, but the club membership and enthusiasm is at a very high peak and all are looking forward to the Championships to be held.

(James F. Fagan, Hon. Sec.)

WYONG (N.S.W.), 8/9/62.—Weather conditions: fine, light wind. Attendance: 13. Results: No. 1: no results. No. 2, 10-bird Pts.: F. Baldwin, 30; A. Kent, C. Woodbury, 28. No. 3, 20-bird Trophy: L. Gardiner, J. Grant, F. Baldwin, 20/20—shoot-off, F. Baldwin. No. 4, D. Rise: F. Baldwin 8, F. Craft 6, J. Grant 5.

Trap failure shortened the day. F. Baldwin shot well to win the Points Sweep, Trophy of the day, and the Double Rise.

22/9/62. — Weather conditions: fine, fresh north wind. Attendance: 10. Results: No. 1, D. Rise (clays only): L. Gardiner, F. Craft, 4/5. No. 2, D'ville Doubles: div. F. Craft - C. Woodbury, I. Clarke - A. Kent, 5/5. No. 3, Trophy and Op. Sweep: L. Gardiner, F. Craft, C. Woodbury, I. Clarke,

(N. Jurd, Hon. Sec.)

YARRAWONGA (V.), 15/9/62. — Weather conditions: terrible. Attendance: 34. Results: No. 1, 4 pr. D. Rise: div. P. Sheridan, N. Mills, T. Tye, F. Crawford, K. Boyd, D. Gittings, 2nd, Club D. Rise Ch'ship: 1st, D. Gittings; 2nd, F. Crawford; 3rd, W. Birkin. No. 3, C'wealth D'ville Doubles: 1st, S. Willett - W. McQuaiter; 2nd, A. Jamieson - A. Liersch. No. 4, £100 H'cap: B. Judd, B. Liersch, 20/20, div. £90; F. Crawford, D. Gittings, div. £10.

Weather conditions very wet and miserable. Results as above. Thirty-four shooters braved the elements, and shooting under adverse conditions, the Club D. Rise Ch'ship was won outright by Dave Gittings with 9/10; Fred Crawford, 2nd, 7/10, and W. Birkin, 3rd, 6/10. The Commonwealth D'ville Doubles Sparrow Ch'ship went to our local shooters in Bill McQuaiter and Steve Willett, 16/20; A. Jamieson and A. Liersch, 11/20, 2nd, £100 Handicap, with only two possibles 20/20 and two with 19/20, gives you an idea of the conditions of the day. The club wishes to thank those who did attend, and who helped in any way. (W. G. Hall, Hon. Sec.)
