SEASONAL GREETINGS. As the festive season approaches, the President and Executive Committee of the A.C.T.A. extend warm Seasonal Greetings for all registered shooters and affiliated clubs and also the hope that the 1964 shooting season will prove to be best ever experienced.

SEASONAL ADVICE. "Accidents will happen", is perhaps the most dangerous cliché ever originated. Everyone who shoots should resolve that they will not be so misguided as to consider the accident as an inevitable hazard of shooting sport.

It will be found that the failure of the gun or cartridges are very seldom the cause of accidents. Almost invariably the blame rests entirely on the man behind the gun; even though there is sometimes contributory negligence on the part of the victim, ultimately responsible is the man who fires the shot. Most know that lack of strict supervision and discipline in the early formative years is the chief cause of most shooting accidents. To those who were brought up in the older school, with observant parents and reliable instructors, safe gun-handling became second nature. But the tyro of today, denied for the most part these opportunities, must to a great extent be his own teacher (if he is not a member of a gun club) of a subject in which he can afford to make no mistakes. Chiefly the young gunner has to remember at all times that the shotgun is a highly lethal weapon which should be pointed only at something

he wishes to destroy, be it a clay target or game in the field. If the young shooter will only do this, he will be more than half-way to becoming a safe shot. Most shooting accidents are the result of gross and inexcusable carelessness, caused often by forgetfulness and over-eagerness. To the experienced shooter it is almost impossible to understand how anyone can fail to know whether a gun is loaded or not, yet this is the frequent excuse when a tragedy happens. There is only one safe way to determine whether a weapon is loaded, and that is to inspect the chambers—often. No one can fail to do this if he remembers the simple safety rules which are repeated on the eve of the holiday season. Chiefly these safety rules are, "Never pick up a gun without opening the breech; never hand to another or accept from him an 'unbroken' gun; never take a gun indoors without first having removed the cartridges; never forget to unload at the end of a shoot in the field or on the track."

With the holiday season coming up, shooters should remember the foregoing safety rules along with others which have been mentioned in this column from time to time.

A POINTS SCORING QUERY. Recently at a northern club an official referee had to give a decision which many thought was incorrect. The basis of the query was that a shooter shooting under double-barrel points scoring (3 and 2) (using an Eastern-made gun), had a misfire on his first

barrel. Without calling for the referee the shooter broke the target with his second barrel. The referee gave him two points. Many contended this was unfair to the shooter. But the point seemingly overlooked, apparently, by many is that the shooter should have not fired his second barrel. He should have raised his gun (still facing the trap) and called for referee inspection immediately his gun misfired on the first barrel as per Rule 42, which reads, "A competitor having a misfire or apparent misfire will, forthwith, call the referee for his decision, otherwise the referee shall declare it a lost target. The competitor must not turn round, must not open his gun, and must keep his gun pointing in the direction of the traps." It is reported that a somewhat similar incident took place in the same area, but not at the same club previously, when a shooter pulled his first trigger (he was using a hammer side-by-side gun) and a misfire occurred, the shooter then pulled his second trigger and missed the target; he thereupon claimed that he was entitled to his first barrel over again. It is pointed out that the shooter forfeited his right to another target when he pulled his second barrel—again the Rule should be remembered.

1964 OPEN CHAMPIONSHIP ALLOCATION. Clubs and all interested are advised that the official 1964 Allocation for open championships (Commonwealth, State and District), as approved by the Executive Committee, appears in another section of this issue of "News". Club officials are reminded that the official allocation as published is final and no additional intimation will be posted to clubs. All are therefore requested to note and accept the printed allocation as correct.

DUTIES OF OFFICIAL REFEREES. A shooter recently wrote to the A.C.T.A. asking if an official referee at a shoot, but not actually refereeing a squad, has any authority to remind a shooter that he is breaking rules, say, for example, not removing both shells before moving from No. 5 track to No. 1 track. Once a shooter has acquired Official Referee status,

he should do his utmost to ensure that the A.C.T.A. Rules are being observed at all times. It may be that discreet handling of breaches of the Rules should be paramount, but nevertheless it is an Official Referee's duty to notice breaches of the Rules, to bring such breaches under the notice of the Official Referee in charge of the shoot and, failing him, to bring the matter under the notice of the club management.

1963 INTERSTATE TEAMS' MATCH RESULT. The New South Wales has been successful in winning the 1963 Interstate Teams' Match with the remarkable score of 498/500 for ten men. As is well known, match conditions are 15 men a side from each State in the Commonwealth, each man shooting at 50 targets (double-barrel, both barrels equal value) from the International mark of 16 yards. Only the best ten scores are counted, remainder are counted out. No fewer than eight members of the winning team registered the full score of 50/50, the remaining two members shot 49/50. This is a record score and the team is to be congratulated on a magnificent performance. It is pointed out that three of those counted out also scored 49/50, but the two included in the "scores to count" had better finishes. Queensland was second 493/500, then Victoria 490/500, Tasmania 488/500, South Australia 487/500, and Western Australia 485/500.

The winning combination are reported to have shot in heavy conditions, with a slight drizzle prevailing. The winning team also shot over "Damo" traps.

EXECUTIVE COMMITTEE MEETING. The A.C.T.A. Executive Committee met in Melbourne over the dates October 31 and November 1, 1963. Many items of interest to clubs and shooters generally were discussed and directions issued.

Interstate Teams Match. Congratulations were extended to New South Wales on winning the annual Interstate Teams' Match 1963 for the "Great Britain & Ireland" Trophy. Match conditions for this event are 50 targets per man from 16 yards,

double-barrel, teams of 15, with the best 10 scores to count. The New South Wales top ten registered the record score of 498/500 (scores to count). The winning team shot at Hawkesbury and gained the abnormally high score in misty rain conditions. Queensland was second 493/500, and Victoria third 490/500. Full scores are as published elsewhere in this issue.

Handicapping. The Executive Committee has confirmed that all shooters will be brought forward 1 yard on January 1, 1964 (and similarly each year in future). However, this concession will only become available on payment of the annual registration fee of 30/-. Shooters who fail to pay the 30/- within the regulation period for payment will not be eligible to come forward until their fee is paid and 1964 card issued.

The Official Handicapping Formula has been reviewed. The Committee has decided to dispense with all penalties for break runs as from 1/1/1964. This means that the section of the Formula which referred to handicaps for 50 and 75 or over breaks has been deleted and a shooter may register a break up to any number from any mark and not be penalised. However, the cash winnings section has been slightly altered in that a shooter winning £10 or more in one day becomes liable for penalty according to the Formula. In forward movement the same rules as previously apply, except that fuller details must be supplied regarding shooters who claim to come forward, in that in every instance where a claim for forward movement is made full details of past performances must be supplied to the A.C.T.A. office on the regulation handicap return form. Many clubs have developed the habit of merely writing in and claiming — this will not be accepted in future. Similarly, when a handicap return is submitted in future it must reveal, in every case, the amount a shooter has won for the day. If this information is not supplied, the return will be sent back to the club for adjustment and re-submission. The revised Handicapping Formula is published elsewhere in this issue.

1964 A.C.T.A. National Championships and International Match. The Committee has decided to change

the date of the A.C.T.A. National Championships and International Match from the previously published April date to the dates, March 5 to March 10, 1964. The Committee took into account the nearness of the Easter vacation and also the New Zealand Championships in reviewing the previous date and agreed that it would be more satisfactory to conduct the series on the date normally set for the tournament when it is shot in the southern States, i.e. to include the Victorian Labour Day holiday, which is usually early in March. The arranged dates will mean that the 1964 annual meeting will be held on Sunday, March 8. Fuller details regarding the meeting will be published in the February edition. The shoot programme is as advertised. In connection with the National Championships series it is advised that T.A.A. (Trans-Australia Airlines) have been appointed booking agents for all accommodation arrangements. Nearly 400 beds have been provisionally booked by T.A.A., and those desirous of securing suitable good-class accommodation are advised to book immediately. In the advertising section of this issue appears a special advertisement by T.A.A. outlining the hotels and motels available — all top-class accommodation. It should be carefully noted that intending visitors to Adelaide are requested to submit their accommodation requests to Miss Dorothy Dowling, Travel Adviser, Trans-Australia Airlines, 144 North Terrace, Adelaide, S.A., not later than January 31, 1964. It is absolutely necessary to make January 31 the dead-line because of the special occasion, due to the visit to Adelaide of the Queen Mother and also the world-renowned Festival of Arts. The Queen Mother will be in Adelaide during the period of the National Championships and the Festival of Arts will be in progress also throughout the period of the big shooting contests. Those wishing to make use of the T.A.A. Travel Advisory Service, both regarding accommodation and flight booking, should use the perforated application page in the advertising section.

Armourer's Tent at National Championships. South Australian Sports-goods Distributors have been appointed official Ground Gunsmith and

Armourer's Tent supervisors during the National Championships. The appointment is an exclusive one and no other gunsmith is permitted to operate on the ground during the holding of the tournament.

Life Registered Shooters. Some months ago the A.C.T.A. Executive Committee instructed that all life registered shooters would be required to pay £1 for "News" annually. All those concerned were informed of this direction and many responded. However, quite a number failed to remit the amount stated, and it is advised that these have now been struck off the mailing list of "News" as from the current issue.

New Rules. The following A.C.T.A. Shooting Rules have been amended, and those interested should accept the new Rules as appended as official:

Rule 73 should now read, "Wherever squad system of shooting shall apply, squads of 5 or 6 shooters, No. 1 shooter in each squad shall always start the shooting. The club, at its discretion, may require shooters to change starting lanes on each trap as follows: No. 1 shooter shall commence from No. 1 Lane on Trap No. 1, No. 2 Lane on Trap No. 2, No. 3 Lane on Trap No. 3, and so forth over all the traps, preserving the continuity of lane changing on each visit to the traps. This shall apply in double-rise also."

Rule 74 should now read, "All ties shall be shot off squad system first miss-out. The club, at its discretion, may require the shoot-off to be run over the same number of traps and in the same manner in which the event was shot. Shooters shall be squadded in the same order of priority in which they qualified. Shooters are to be re-squadded at the start of each run over the traps. This Rule shall apply in double-rise also."

New Rule, Rule No. 101. "Clubs running the event have the right to divide the number of targets by the number of traps available, shooting 6, 7 or 8 targets per visit per trap. The club, at its discretion, may require lane changing as per Rule No. 73. Illustration: 15 targets, two traps, one visit. No. 1 shooter shoots 8 targets on trap No. 1, finishing on Lane 3. No. 1 shooter then starts on No. 4 Lane on Trap No. 2, and shoots 7 targets, finishing on Lane No. 5.

Illustration No. 2: 30 targets, 5 traps, 6 targets per trap per visit. Clubs must preserve equality by lane changing between traps as per Rule No. 74."

Car Badges. The special car badge issue has proved a great success. Many repeat orders have been received. These will be executed as soon as fresh supplies are available. The badges are sold by the A.C.T.A. at 25/- each, including postage and bolts and screws for affixing to cars.

NOMINATIONS FOR OFFICES IN ASSOCIATION. Clubs are again reminded that nominations for all offices in the Association close at 5 p.m. on Tuesday, December 31, 1963, for the 1964 year. Nominations can only be lodged in accordance with Article 27, as outlined in the November issue of "News".

INTERMEDIATE CHAMPIONSHIPS. In future (as from 1/1/64) all Intermediate championships will be restricted to shooters whose handicap does not exceed 16 yards, instead of including all those whose handicap did not exceed 18 yards. All State Intermediate Deauville Doubles championships will be shot from 18 yards as from 1/1/64.

OBITUARY

Just prior to going to press, information was received from Perth, W.A., of the passing of well-known sportsman and champion trapshot, Mr. Spencer Collier. Mr. Collier was president of the Perth Gun Club and his able administration will be a great loss to that club and trapshooting in W.A., generally.

He was a most travelled shooter having competed all over W.A. and at many centres in England and abroad. Sincere sympathy is extended to his relatives.

"Tips and Tails"

Echuca Gun Club on the Murray River in northern Victoria will conduct its usual big shoot on Boxing Day, Dec. 26, day and evening. Two main day events are listed, these the special £530 Handicap and the Victorian State Walk-up Ch'ship. At night, starting

at 7.30 p.m., a 10 birder will commence proceedings, and the fixture will conclude with the shooting of a £140 Handicap at 20 targets. Other events will be included, time permitting. A high-gun award has been arranged. Programme is as advertised. Enquiries to new club Secretary, F. A. Bradley, Kotta, Victoria. President is L. A. Gibson ('Phone Nanneela 201).

Scientists abroad have discovered that storks can catch fish they cannot see! Two American wood-storks were blindfolded. Electronic instruments were used to time the motions of their beaks and their time of response after touching a fish—this was found to be one fortieth of a second. It was disclosed that the birds were able to catch fish just as fast whether blindfolded or not.

A Townsville report indicates that the duck season in that area, which has just concluded, did not quite live up to expectations. Most shooters got a few, but the majority feel that the actual outing, particularly when the shoot is over, is the real enjoyment. Conditions are reported to be somewhat dry in the Townsville area and some rain would be welcomed, although not much rain is expected at this time of year.

A U.S.A. newspaper mentions, "Though tipping is vulgar—I'll bet it has never offended a waiter yet."

Rabbits were in the news as long as 80 years ago, according to a report published at that period in London. The report states, "The news that

Australian rabbits have been selling at 1/- each in Leadenhall Market has caused an immense number of them to be sent in to the Victorian Agricultural Department for shipment to England. In a few weeks the Department received over 40,000 rabbits for export, but only half of this number have been shipped, the remainder not being considered good enough for the London market."

Writing from Silkwood East in North Queensland, J. Galletta states, "Keep the good work up, 'News' is tops. We should get more press advertising than we do, but we will come into our own one day."

A new sport is developing in England according to a report recently received. It is recorded that mouse racing in Dorset is becoming very popular. The report goes on to say that "it is hoped the sport will remain unaffected by dopers, whose activities could affect the support it will receive—not that it would be easy to work out the dosage of stimulant or 'stopper' which would be administered to so small an animal. The tipsters, too, will have their work cut out to evaluate form. It is enough, anyhow, to make a cat laugh." Mentioning cats, the report goes on to reveal that another probe has started, this time in Germany, to try to find out what makes cats purr. It is curious that this has not been discovered earlier, as many books have been written on cats and they have been studied from all angles.

Among the rules and regulations issued to shooters taking part in the Grand American Handicap are mentioned some interesting points which could well apply to Australian shooting and Australian shooters. One important instruction reads, "Shooter's responsibility—take your handicap card to the handicapper immediately upon arrival. If you do not have a card, make sure to have one issued to you. Do not attempt to make entries before doing so." "Change of handicap of any shooter may be made at any time before or during the Grand American Tournament." "Should a shooter win or tie

in a class handicap of 200 targets it shall be his duty to report to the handicapper and have his mark changed." A final important instruction is that "No entrance money will be refunded unless shoot is cancelled." The foregoing could have application in Australian shooting competition.

The Queensland club of Kelly's Creek mourns the passing of one of its oldest and respected members in Mr. E. R. (Roley) Peters. Mr. Peters was a one-time President of the club, and although he left the district some years ago, he retained his club membership and Association registration as well as maintaining a keen interest in the sport. The Kelly's Creek will sadly miss his occasional visits to club shoots. The club has decided to perpetuate his memory by introducing the E. R. Peters Memorial Cup, to be shot for annually in connection with the club's single-barrel championship.

Croydon & District Clay Target Club, which shoots on the North Croydon Recreation Reserve, just off the Maroondah Highway in Victoria (north of Melbourne), advertises details of its programmes from December 4 to Saturday, December 21. The Yarra Valley Night Walk-up title is scheduled for Wednesday night, December 4, and this will be followed on Saturday, December 7, with the similar Double-rise Sparrow title. On Wednesday, December 11, the Victorian Night Intermediate S.B. Sparrow title is listed. The following Wednesday night, December 18, the Yarra Valley Night Mixed Birds Championship will be decided. The club's Christmas Shoot has been arranged for Saturday, December 21, when a 20-target double-barrel handicap will be held. All shooters in the main event will receive a seasonal trophy, and a barbecue and night shoot will follow. Enquiries to club Secretary, A. L. Haughton ('Phone 29-1037). President is N. Kneebone ('Phone Coldstream 226).

Coff's Harbour Gun Club on the New South Wales North Coast will celebrate the grand opening of its new ground with a two-day shoot extending over December 27 and December 28. The new grounds are

spacious and are situated 10 miles north of Coff's Harbour on the Pacific Highway. The club has installed a new Damo electric trap, plus its original automatic trap. The Association President (John M. Tyquin) is expected to attend and officially open the new grounds. The programme for the opening day will be a 10 birder, two 20 birders and the Northern Rivers S.B. title. The final day will provide a similar programme, with the Northern Rivers D.B. title included. Programme is as advertised. Enquiries to club Secretary, G. D. T. Seccombe, 30 Collingwood Street, Coff's Harbour Jetty ('Phone Coff's Harbour 122).

Portarlington Club, just beyond Geelong on the Bellarine Peninsula (Victoria), will conduct its usual holiday programme (its 14th similar series), extending over five days. It is advertised that the club intends to hold no less than 10 championships in the period stated, together with handicaps, and advises that some 50 trophies will be made available. Meanwhile the club will hold a pre-holiday shoot on Saturday, November 23, when the Bellarine Peninsula Mixed Birds title and the Nargoondy Park S.B. title will be decided. Programme is as advertised. Enquiries to R. Jorgenson, Secretary, Nargoondy Park, Portarlington, V. (Box 15).

The Hay Club in the New South Wales Riverina district will celebrate its Golden Jubilee in 1964. As this is a special occasion, the club intends staging its biggest ever Easter carnival. The series will commence on Easter Saturday, March 28, and conclude on Easter Monday, March 30. The club's three new "Damo" automatic traps will be in operation, and all three have been illuminated for night shooting. The opening day daylight hours will see the staging of the Hay District Golden Jubilee D.B. Championship and a £100 Handicap. At night on the same date the £500 Golden Jubilee Night Handicap will be staged, plus the N.S.W. State Night D.B. title. The winner of the handicap will receive £300, and yardage awards have been arranged for 12/13, 14 and all single yardage back to 24, then 25/27 yards, and each group will be awarded £15 prize

money. On Easter Monday, commencing at 9.0 a.m., the Golden Jubilee Easter Gift at 30 targets will be decided. The winner will receive a "Falcon" car, and yardage awards similar to the handicap mentioned above have been included; a total of £325 has been allotted to the yardage section. A high-gun over all events will be awarded. First-class hotel and motel accommodation is available and early application should be made for same. There is a plane service from Sydney and Melbourne on Monday, Wednesday and Friday. The club advises that the programme as advertised will take place regardless of numbers or climatic conditions. Full details are as advertised. Enquiries to club Secretary, L. McKinney, Box 41, Hay, N.S.W. ('Phone 25 or 38, and at gun club, 160). President is N. Milliken, "Yarrowa", Hay ('Phone Hay 58).

In a report from Townsville (N. Qld.) information is given of the remarkable development as a gun shot of young Gavin Blackman, son of the long-time Secretary of the Townsville Club, Fred Blackman. The younger Blackman has had a gun in his hand ever since he could lift such a weapon and his early training is now paying off. Over recent weeks he has been consistently "in the money" and culminated his efforts recently by winning the main event of the club's night programme, the Townsville Club Night D.B. Championship. He eliminated four others in the tie shoot. The paternal chest of his father now expands with true parental pride.

Do not know whether former Melbourne shooter (now a resident of Adelaide), Cal Hollow, will be pleased at the mention of the following story. But it is true in every particular. Many Melbourne shooters will remember a small Corgi dog owned by Cal Hollow which used to prance around many Melbourne shooting grounds. During a recent visit to Adelaide a Victorian shooter was enjoying some light refreshment with two or three South Australian shooters, and the story was recounted at this gathering. During a rabbit shooting expedition at Colac in western Victoria some years ago Cal Hollow had taken the little Corgi for some

walking exercise. The small animal was unaccustomed to long marches and found the exercise somewhat arduous. During a tea-break the conversation centred around dogs. One veteran in the party made the following classic observation: "All dogs are good for something," he said. "Take my little terrier—he's good for rabbits; that Labrador is good for ducks, and the old pointer—he'll find the quail. And your little dog" — and he turned to Cal — "I reckon he's good for sitting by the fire." The story comes from Don Corstorphane, the one-time Secretary of the Colac Club and now its publicity officer.

The Riverside Club near Tenterfield in New South Wales is considering re-forming. If the new formation develops, it will become an affiliated unit of the A.C.T.A. Hon. Secretary at the moment is P. Hynes of "Taronga", Mole River, Tenterfield, N.S.W.

Keilor Gun Club (Victoria), which now shoots on the grounds of the Victorian Club at Brooklyn, just beyond Footscray (corner of Geelong and Boundary Roads), advertises details of its forthcoming programmes. On Saturday, December 7, a 20 birder, plus two ten birders (one under single-barrel conditions), will be held. The club's Monster Christmas Shoot has been listed for Friday night, December 20, when the main event will be a 20-target D.B. handicap, with yardage awards 12/14, 15/17, 18/20, and 21 yards and over. Big hams will be awarded. A trophy will be available for every shooter taking part. Enquiries to club Secretary, G. Hunter, 3 Market Street, Essendon, W.5 ('Phone 379-2103). President is Fred Reade of 12 Bloomfield Road, Ascot Vale ('Phone 37-6851). The club's first shoot for 1964 has been fixed for Friday night, January 17.

Reports are to hand that Mrs. Frank Singleton, whose husband, the late Frank Singleton, was founder of the Cobar Club in far western New South Wales, is really doing a grand job as secretary of the club. Mrs. Singleton has taken up the task with great enthusiasm and her handiwork could be very well observed when the Cobar Club staged its new ground opening shoot recently. The opening ceremony was performed by the

Handicapping Formula

As from January 1st, 1963, the following Handicapping Formula has been approved by the Association Executive.

CASH TROPHY WINS

A win of £10 to £50 or equivalent trophy value in one day 1 yard back.

A win of between £51 and £150 or equivalent trophy value in one day, 2 yards back.

A win in a Handicap of £151 or more or equivalent trophy value in one day 3 yards back.

DIVISIONS

A shooter who obtains three cuts (divisions) to value of £10 or more in one day in sweepstakes or handicaps of ten birds or more on any one programme with a minimum of 10 shooters in each event ... back 1 yard.

(Divisions in "attached" sweepstakes not considered.)

INWARD MOVEMENT.

Shooters who compete and shoot right through three full programmes and receive no trophy or cuts may be recommended, by club secretaries only, for inward movement, if proof can be provided that the shooter or shooters are over-handicapped. Recommendations from affiliated club secretaries must be accompanied by fullest details on the official Handicap Return form. Club secretaries cannot recommend inward movement of more than one (1) yard on each recommendation, unless shooter has suffered some physical disability.

Recommendations from individuals or personal requests will not be entertained — by order of the Executive Committee.

GENERAL.

A shooter winning a Championship from a mark behind his Association Handicap automatically moves back to the mark from which the Championship was won.

Only the Association Handicapper has authority to amend shooters'

Handicap Cards. Cards should be posted direct to the Association for handicap amendment immediately such amendment is recommended (or notification appears in "News"), together with Handicap Return form, clearly outlining the reason for the amendment of Handicap.

Club managements have the right to re-handicap any obviously under-handicapped shooter immediately, providing the Association is notified within two days and the reason given on a Handicap Return form. If these details are not completed, such handicap movement cannot be ratified.

Clubs when registering a shooter for the first time must clearly indicate whether the shooter is a complete novice gun handler, or has had field or other experience, before a 12-yard mark can be approved. Failure to provide this information will result in the shooter being placed on 16 yards.

Once a 12-yard shooter secures a trophy or division, he is no longer regarded as a novice gun handler, and is moved to 13 yards forthwith. For a subsequent win or division, immediate movement to 14, 15 and 16 yards.

Once a shooter has attained the handicap of 16 yards he cannot be moved in front of that mark except during annual re-adjustment.

The management of a club must immediately re-handicap each and every shooter who, for any of the reasons prescribed in the A.C.T.A. Handicapping Formula, qualifies for backward movement of his handicap. Such adjustments are to strictly comply with the Formula. No shooter is to be permitted to compete in another event should he refuse to accept his new mark. Handicap cards and all relevant details concerning on-the-spot adjustments are to be forwarded, within two (2) days, to the Official Handicapper at the A.C.T.A. office for ratification.

Club managements will NOT alter a shooter's card.

Should the shooter ignore his latest handicap, irrespective of mark shown in "News", he will be penalised a further yard if he shoots inside his latest handicap.

OUT OF THE PAST

Twenty Five Years Ago

A controversy was raging about this period 25 years ago regarding the "cruelty of shooting clay birds". Such was the ignorance of a large proportion of the population that many were not aware that a "clay bird" was not actually a bird at all, but a small sphere of clay material which was spun into the air and shot at. In fact, the writer recalls one radio personality of the day stating, in reply to a written question, that "a clay bird is a bird obtained in the bush and then tied to a post and shot at".

Shooting at Griffith (N.S.W.), Mervyn Webb of Leeton won the 1938

Riverina Double-barrel Championship. He defeated the now veteran shooter, E. E. Albert of Barellan, for the title after both had grassed the full complement of 20 straight.

At the old Victorian Clay Target Club at East Bentleigh "Duxbac" (H. G. James) won the I.C.I. trophy for the year, out-staying P. Hoffman and Perc. Dennis. The late Harry Gullifer won a five birder on the 17th round after 12 possibles had been recorded. In a teams match on the same ground, Korumburra defeated the Victorian C.T.C. by two targets. There is now no club at Korumburra.

Fifteen Years Ago

The Riverina title of 1948 was won by "Pampas" (Bert Haynes) of Northcote. The event was the main attraction on the opening day of the now defunct Jerilderie Gun Club in the Southern Riverina. Strangely, the event, although run under the direction of the Jerilderie Club, was actually held at Pinley, many miles distant. Apparently some local arrangement was made which had official approval for the change of venue. Frank Brown of Dandenong

defeated a record field in the Australian Club's main event at East Burwood—he defeated no less than 99 others!

The Commonwealth Skeet Championship of 1938 was won by Fred Burns 25/31. The event was shot by the Footscray Club.

At Camberwell E. Brenk won a main event 60/60 points from "Steve" 57/60 points. F. E. Brown was third, 28/30 points.

Ten Years Ago

At Collarenebri (N.S.W.) K. R. Black was prominent in a local shoot, winning three events and being placed in others.

The Kyabram Club in northern Victoria (now defunct) had its opening day late in 1953. Arthur Crow, a one-time member of the Committee of the Australian Gun Club, was Secretary at Kyabram. Jock Wilson, the former A.C.T.A. President, performed the official opening ceremony, and, with due acumen, grassed the first official target released. Bill Carrington won the 1953 Championship of the Charters Towers Club (Qld.) after a spirited tie shoot which extended over three additional rounds of five when the winner and W.

Hughes (now of St. George) engaged in a long shoot-off before being separated.

At Coff's Harbour in New South Wales, gun club members staged an attack on a "fox camp" a few miles from the town. Local farmers supplied the ammunition, and it was estimated that fox casualties amounted to at least 1,500 dead and wounded.

A special handicap event at Holbrook (N.S.W.) was won by the Yerong Creek shooter, R. Condon.

The Deauville Doubles Championship of the Narromine Club (N.S.W.) in 1953 was won by the Tullibigeal shooters, D. Sim and W. Cross, after a tie shoot with four other pairs.

Letters to the Editor...

The Editor,
Aust. Clay Target Shooting News,
P.O. Box 2038 S, G.P.O.,
MELBOURNE, C.1, Vic.

Dear Sir,

I was amazed to read in the November issue of "News"—(quote)—"Official Referees frequently declining to assist in the refereeing duties at clubs where they attend shoots" (end quote).

There's no doubt in my mind that there must be reasons operating at this particular club why this should occur.

I can only state that I personally have attended shoots between Cairns and Melbourne over the years and am yet to ever hear or see such a state of affairs in operation—even once.

I also feel certain that I could nominate lots of clubs and hundreds of shooters who would back my statement to the limit.

At the clubs I have visited, the reverse appears to apply and in most cases there is an "overdose" of volunteers willing to act, at the merest request.

It is embarrassing at times when two, three and sometimes four offer their services, all at once.

Maybe we could hear the other side of this story as to what are the factors contributing to this very unusual state of affairs at this particular club.

Let's be fair to all concerned! My personal opinion is simply this: not only official referees, but all honorary officials—yes, the paid ones, too—are doing a good job generally to help a well-organised, healthy sport, and an instance such as this is a truly isolated case, with some obvious reason justifying it.

I would take some convincing that this is a common occurrence at clubs, and if we establish this fact, I would suggest that the club concerned might investigate their private affairs, in their own interests.

I cannot resist challenging statements such as these when I feel they are the exception rather than the rule.

Good shooting,
"GUNSMOKE".

14 Harcourt Rd.,
Boronia,
Oct. 10th, 1963.

Dear Mr. McCullough,

I was much interested in your two writings re Mr. W. P. Grosvenor and Mr. Fred Rible, the inventor of the choke; both these gentlemen I know very well. I shot against Mr. W. P. Grosvenor at several of the London gun clubs; he was a fairly good shot, but his wife was far better; she held the British Championship on several occasions. I remember Mr. Grosvenor remarking to me during a break how he loved the clay target shooting and he would like to shoot all the time—but he added, "I just can't afford it." He, like a lot more of us, was not over-burdened with this world's wealth.

Now, re Mr. Fred Rible, he, I do believe, was the real inventor of the choke. I met him on many occasions during my Hollywood career at the various gun clubs. He did not shoot, as he was an old man then, well into his 70's, and he died, I believe, in 1924. He was in his early days a punt gunner; he used to shoot duck and geese for the market, using a 4-bore punt gun on the vast American lakes. He was also in his day a top-notch shot at pigeons and clays—he told us very often, at the different gun clubs, how he really was the first man to introduce the choke. He thought out the idea of constricting the last two inches of his gun barrel, and he sent a couple of guns to Greener to see if they could be tightened at the muzzle—thus giving Greener's the idea of the choke as we know it today.

I know there has, and always will be, a lot of controversy re the choke, but myself I firmly believe that Fred Rible of Los Angeles (Calif.) was the man that really brought the choke into being.

Yours faithfully,
LANCE COCKETT.

"He has all the qualities that go to make a good husband but one."

"What is that?"

"He won't propose."

EXTRACTS FROM THE WRITINGS OF THE LATE W. P. GROSVENOR

(As written to A.C.T.A. Secretary many years ago)

What is known as coot shoots are very popular here on the Norfolk Broads. Some 600 acres of sheet water is covered and the coot may number from 2,000 to 3,000. Practically every gunner has some 200 cartridges with him, and loading and firing at top speed, it sounds like a battlefield. The bag generally amounts (that is the pick-ups) to anything from 900 to 1,400. If you were to ask each shooter just how many he claimed to have shot and then added the scores up it would appear that the bag should be 50% more than it really comes to. In the press and excitement it is not easy to be sure that every bird thought to have been dropped really had been. Coot shooting is not easy. I have seen men with great reputations come utterly unstuck and on several occasions give up shooting themselves and watch the others.

Getting back to clay target shooting, I have found that there are certain days when the targets look as big as a house, and then you shoot tophole. Come another day and you shoot badly (for you), and I think this is when one's brain is sluggish. Have noticed this time and again with my own shooting at targets.

What a lovely gun a 20 bore is in the hands of an expert shot. There used to be a saying here, "Only a good shot or a damned fool shoots with a 20 bore gun." Well, I've tried to shoot one a good many times, but

I am not of that calibre of a gunner to justify my doing so. Only on very few occasions have I been successful.

Talking of friends long since passed on, I remember one individual who had a most weird and amazing trick. When telling of some shot he had pulled off and he considered worthy of mention, he always used to illustrate it as though he was shooting with a bow and arrow. He would hold out a stiff arm and draw back his right hand right up to his cheek and hold his fingers in the correct way of holding and loosing off an arrow. This was purely an instinctive movement and without doubt (in my mind) to have been something handed down to him from a generation long vanished. Incidentally, when describing the shot he generally said, "I loosed off at it"; it was really quite weird.

My wife's gun is a Bradall of Belfast — the "Purdey" of Ireland, as he was called. If you can draw invidious comparisons between Damascus and steel barrels, I think that the former "whip" a shade more than the latter and are inclined to throw the charge a trifle lower. As against this, I think the "ring" of the explosion of a cartridge in Damascus barrels is far less sharp than in steel, or, anyway, I used to think that I detected it. Not such a great point, some would say, but is quite an asset when one may fire up to 250 shells at a big meeting, and that is, if at all subject to headache.

Thomas, P. Mules, P. Winzen, W. May, A. Grose.

Perfect weather and a good crowd of shooters made the start of the two-day Birthday Shoot a great morale booster for all concerned. Under the Marshal of the shoot, Cal. Hollow, events were soon under way and some good shooting was seen, as is evidenced in the scores. The Commonwealth S.B. Sparrows Ch'ship, however, soon spoilt the averages of most, and it was left to the rugby fan, N. Thomas, to take first prize, the 53-piece dinner set, back to Victoria, with A. Grose and R. Ayres not far behind. Congratulations to P. Siekmann, F. Wintullich and R. Caddy for some good shooting in the C. Barr H'cap.

It was a good day, and it looks like being a great night for the outdoor Buffet Banquet and Barbecue, which is one of the highlights of this shooting carnival.

6/10/63. — Weather conditions: ideal. Attendance: 53. Results: No. 1, Woodrow Shield Comp.: 1st, S.A.G.C. No. 1 (R. Mules, R. Kimber, S. Ridge, D. Kimber, P. Mules), 100/100 (a record); 2nd, S.A.G.C. No. 2 (W. Starling, L. E. Truman, L. H. Truman, J. Stone, P. Winzen), 96/100; 3rd, Barmera No. 1 (C. Hollow, R. Caddy, K. Coats, T. Moritz, A. Gross), 94/100. No. 2, 10 targets: div. T. Moritz, F. Oliver, M. Humphries, S. Dawe, R. Rex, N. Thomas, R. Kimber, J. Forbes, H. Commons, R. Ayres, D. Hunt, W. May, E. A. Collins, F. Sheridan, P. Gleggett. No. 3, Birthday: 1st, D. Kimber, 49/49; 2nd, K. Well, what a night! You would expect a slow start this morning, but S.A.G.C. No. 1 team comes out and sets up a record of 100/

100 to win the Woodrow Shield. Congratulations to the winners, they showed great concentration. The Birthday H'cap saw four shoot the possible, with D. Kimber, K. Burzacott and A. Grose taking the honours.

Our thanks are due to anyone who helped make this a great success. To the trophy donors for their generous support, and Cal. Hollow for acting as marshal of the shoot, our grateful thanks. Our special thanks to Mrs. P. Woodrow and Miss Fowler, without whom our lunches, afternoon teas and buffet banquet would be non-existent. Their support to our club can never be measured.

Our thanks to the visiting and local shooters. We hope you enjoyed yourselves and that we will soon see you again.

(J. G. Ward, Hon. Sec.)

ALICE SPRINGS (N.T.), 20/10/63.—Weather conditions: good. Results: No. 1, 20-bird Pts. (3 and 2): Sutton, 57/60; Smith, 56/60; L. Kittle, 54/60. No. 2, 20-bird Sparrows: L. Kittle, 16/20; J. Pearson, 15/20; E. Smith, 14/20. No. 3, 5 sparrows (30 yds.): E. Smith, L. Kittle, B. Sutton, 4/5.

Good weather, but gusty winds made shooting hard. The usual team were in attendance. Some very poor scores seemed the order of the day. Perhaps the hot weather and the cold refreshment went too well together. Regardless of scores, a good day was had by all, and once again thanks, ladies, for the afternoon tea. (E. M. Smith, Hon. Sec.)

AMAROO (Qld.), 12/10/63.—Weather conditions: good. Attendance: 32. Results: No. 1, 5 birds: C. J. C. Gall, P. K. Smith, E. L. Hood, 6/6, div. No. 2, 10-bird D.B.: three possibles — shoot-off: 1st, J. Treasure, 2nd, S. H. Lemmon; 3rd, W. D. Milton. No. 3, 10-bird S.B.: 1st, P. K. Smith, 10/10; tied for 2nd, M. Martin, C. W. Gall, 9/10. No. 4, 20-bird Pt. 25/5/0 Trophy: 1st, M. Martin, 57/60; 2nd, W. D. Milton, 56/60; 3rd, R. Marshall, 55/60; Calcutta held on this event. No. 5, Milray Cup Team Shoot (20 birds, 16 yds.): 1st, Blackall; 2nd, Tambo; 3rd, Amaroo. No. 6, 20-bird S.B. I.C.I. Trophy: 1st, C. MacMillan, 19/20; 2nd, J. Treasure, 18/20; 3rd, A. J. Taylor, 18/20.

This was our annual visitors' shoot, and with 32 shooters present, we had the biggest number of shooters ever. Blackall won the Milray Cup, which Amaroo has held for two years. (J. F. Ross, Hon. Sec.)

17/10/63.—The annual meeting held at the clubrooms showed that the club is now in a healthy financial position, and it was the opinion of the meeting that great credit is due to the club executive for managing affairs in a most capable manner. Elected were: President, Ron Siede; Vice-Presidents, Aub. Johnson, D. Edgerton, G. Biggs; Committee, N. Filby, B. Brooks, D. Richardson, F. Johnson, G. Lear; Secretary, John Lucas. For the writer a pleasant surprise was his election as a life member.

As the meeting terminated, a diversion was caused by a call for a gun. Now, even at gun clubs a gun at an annual meeting is rare; however, one was found and a snake half-under John Lucas' office was given appropriate treatment.

19/10/63.—Attendance: 55. No. 1, 6 pr. D.R.: div. D. Kneebone, F. Whitten, F. Tuck, R. Siede, R. Jennings, G. Biggs, 5/5. No. 2, Vic. D.R. Ch'ship (15 prs.): 1st, G. Biggs, 17/19; 2nd, I. Porter, 16/19; 3rd, R. Siede, 15/17. No. 3, 20-bird D.B.: div. B. Roberts, R. Jennings, 20/20. No. 4, 25-bird Skeet: div. J. Siede, B. Roberts, R. Burrill, N. Dixon, D. Glover, R. Jennings, T. Brown, 25, inc. h'caps (J. Siede's off scratch). No. 5, 25-bird Skeet: div. N. Dixon, 20/6/25; S. Power, 20/5/25; J. Glover, 22/6/25; R. Burrill, 23/4/25; F. Brown, 22/5/25.

After three rounds of the skeet aggregate, J. Siede, 75/75, leads, with B. Roberts and R. Fallshaw next, with 71/75. (Roy Fallshaw)

BAIRNSDALE (V.), 13/10/63. — Weather conditions: wet. Attendance: 16. Results: No. 1, 5-bird Pts.: F. Howlett, R. Falcke, J. Harrison, R. Walker, J. Patterson, 15/15. No. 2, 5-bird D.B.: F. R. Falcke, K. Mitchell, E. Dowe, A. Dyer, I. Crawford, J. Patterson, 5/5.

F. Howlett won High Gun after shoot-off with J. Patterson. Was in good form; shot his 20 straight, plus numerous others in shoots-off for trophies donated by Legacy, without using his second barrel. Annexed three of the five trophies, J. Patterson and A. Dyer winning the other two. Attendance was not good, due to adverse weather conditions; nevertheless, Legacy received £20 as result. (A. W. Dyer, Hon. Sec.)

Congratulations to Jack Lynam in winning the club S.B. Ch'ship. Three shooters scored the possible, Jack, Les Day and Norm Kirkegaard, Norm being the first to drop out. Les dropped his 35th target, leaving Jack the honour of being the club S.B. champion. It must have been Jack's turn, as he was second in this event last year.

We were pleased to welcome the Lismore team and heartily congratulate them on beating us in the teams shoot for the Marangan Cannel Shield. We will be after your scalp next year.

This shoot was conducted at Storm King Dam at the request of the Regatta Committee during Apple Blossom Week celebrations, and proved a very successful day. Over 8,000 people were present on the ground and a great deal of interest was shown in the shooting. Congratulations to Clarrie Lee in winning the High Gun trophy over the programme after a shoot-off with N. Kirkegaard and W. Keogh.

This was one of our best club shoots yet. Congratulations to Les Day on winning the Club D. Rise Ch'ship. This gives Les two of our club titles, winning the D.B. title earlier this year. The High Gun on the afternoon was won by our worthy President, A. J. Smith. (N. Smith, Hon. Sec.)

BARMERA (S.A.), 13/10/63. — Weather conditions: cool, windy. Attendance: 12. Results: No. 1, 10-bird D.B.: T. Markham, 10/10. No. 2, 15-bird Pts.: F. Holmes, K. Coats, 37/45 — F. A good day's fun of relaxed and cheap shooting, only £4 nominations for 70 birds, including sweeps. Strong wind from the right made the birds pretty tricky, resulting in low scores generally. Congratulations to Trev. Markham for showing us how to handle rough conditions; also Ken Coats performed well in spite of gun troubles. (Peter Caddy, Hon. Sec.)

Wright, D. Middleton, L. Alexander, A. Rowe, J. Benton, S. Black, 5/5, div.

Club members from many centres participated in the annual Club Championship shoot. All were handicapped on 16 yards, and these conditions proved ideal for Harry McDiarmid (Portland), who normally shoots from the 24 yards mark. McDiarmid and three other shooters, Paul Rosconi (Bathurst), Bill Burrow (Bathurst) and Alan Carthew (Orange), figured in a thrilling shoot-off for the first trophy. McDiarmid broke 43 consecutive clays in the championship to beat youthful Paul Rosconi, who dropped his 43rd. Bill Burrow was third and Alan Carthew fourth. Both McDiarmid and Rosconi shot 50 breaks.

At night under floodlights Paul Rosconi again revealed good form to take the first trophy. C. Bradley (Parkes) was second and J. Benton (Bathurst) third. Several sparrow events were staged and many shooters found difficulty hitting possibles. (Terry Jones, Sec.)

BENALLA (V.), 5/10/63. — Weather conditions: very satisfactory. Attendance: 27. Results: No. 1, 10-bird D.B. Trophy: 1st, R. Lourie; 2nd, A. Beaton; 3rd was drawn by R. Davenport. No. 2, 10 birds: div. J. Hickford, G. Boyd, R. Lourie. No. 3, 10-bird Pts.: 1st, N. Doncon; 2nd, A. Weitzel; 3rd donated to the club.

Attendance was good, due to some Melbourne shooters dropping in after leaving the shooting, and also patronage from Shepparton, Wangaratta, Mansfield and districts. Rex Lourie was in fine form after not shooting for some time, and was pleasing to watch N. Doncon win the third event in fine style.

H. Weitzel and friends dropped in, and it was their first look at our birds, so had they been here from the start, would have shaken things up for our local shooters. Jim Hickford and friends and also other travelling shooters were all very welcome to a fine afternoon's shooting. (Alan Beaton, Hon. Sec.)

The two night events drew a number of shooters unable to attend during the day.

Newton Thomas had to shoot 110 straight to win the North Central Dist. D.B. Ch'ship from Bill Coulson and Norm Doneon. Local shooter Kev McLoughlan shot 47/48 to win the 12/16 yds. sash. Eleven contested the

Jim Piasiri won the Boort Club S.B. Ch'ship outright with the only clean score. Doug. Mountjoy (who shot very well all day) beat Roby Manuel in the shoot-off to run second. Alf James carried home the front markers' sash in this event.

Len Shanco won the Patron's Trophy, and the popular M.L.A. had the club members amused when he said that he found it the "Devil's own job" to buy a suitable trophy for a shooter, but after racking his brains he came out with two items. One was a beautiful large flask to take field shooting, the other was a book — Volume 1, "The Modern Shotgun" by Sir Gerald Burrard,

which says on the cover, "A Comprehensive Work in Three Volumes on Sporting Guns and Ammunition". Len will have to win twice more to get the other two volumes.

Shooting conditions were ideal for the third annual D.B. Ch'ship. This year's coveted title went to Alex Chesney, who shot a possible 72 birds to win by one from Ray Gehrman. This is the second time Ray has just missed having his name inscribed on the shield which was presented to us by Bauman's.

(Mrs. E. Mackey, Pub. Officer.)

BROKEN HILL (N.S.W.), 21-22/9/63. — Conditions: fine, mild. Attendance: 33. Once again we were able to enjoy some fine exhibitions of shooting prowess. Although we were fortunate to have the company of many of our shooting friends, the local shooters managed to retain their fair share of the trophies.

Our programme commenced with a £50 H'cap, in which three shooters, W. McKean, H. McDiarmid and W. Wakefield, div. Following this was the Silver City Festival Ch'ship, in which our President, George Hoskins, won his first (and by no means last) championship after an exciting shoot-off with our old friend and supporter Bill Wakefield. In this event the three place-getters shot to 80 birds, and then the next three birds saw the deciding of the placings. Third trophy was a very creditable win for Devon Johnston — Devon not being as regular a competitor now as we would like to see him. To complete Saturday's shooting, we saw a win go to another old supporter, E. Cramp, Ted, who has not shot here for some time, soon mastered conditions, and took the trophy from consistent Alan Halls. Third trophy went to another popular winner in Howard Commons.

Saturday evening saw the Festival Gift contested, and honours went to our very good supporter, Arthur Langsford, whose creditable score of 50/50 left second place-getter, M. Sims, only one bird behind. Committee member Peter Fioretti showed some of his old form to win the third trophy.

Sunday afternoon local champ, Devon Johnston, proved the only shooter capable of attaining the possible and was an easy winner. A fine performance by Ken Wakefield gave him second placing outright.

Final trophy for the programme was the Festival Handicap, which was won in fine style by consistent Geoff. Johnston from Howard Commons, with a fine effort by Lionel Campbell to win third trophy. This is Lionel's first shoot after a long spell and it indicates that he will be a force to be reckoned with.

We were most pleased to welcome our old treasurer, Bern. Fox, up from Adelaide especially for the shoot. Bern. gave a fine performance to take the front markers' trophy in the S.B. Ch'ship. Hilary Baynes, who came second in the high gun on the May shoot, this time proved the most consistent shooter over the programme and took out this trophy.

Saturday (Day). — No. 1, 10 birds: W. McKean, K. Wakefield, R. Heuzenroder, G. Hoskins, L. Campbell, L. Dunn, A. Halls, H. McDiarmid, div. No. 2, 10 birds: H. McDiarmid, H. Baynes, G. Wakefield, W. McKean, R. Barrett, E. Owen, G. Hoskins, A. Halls, A. Pearson, R. Heuzenroder, J. Trask, div. No. 3, £50 H'cap: W. McKean, H. McDiarmid, W. Wakefield, 20/20, div. No. 4, 10 birds (16 yds.): 23 div. Silver City Festival D.B. Ch'ship: 1st, G. Hoskins, 83/83; 2nd, W. Wakefield, 82/83; 3rd, D. Johnston, 81/82; F/M., S. Johnston. No. 6,

20-bird Trophy: 1st, E. Cramp, 22/22; 2nd, A. Halls, 21/22; 3rd, H. Commons, 15/16.

Night. — No. 7, 5 birds: 16 div. No. 8, Silver City Festival Gift: 1st, A. Langsford, 50/50; 2nd, M. Sims, 49/50; 3rd, P. Fioretti, 40/41.

Sunday. (Day). — No. 9, 10-bird S.B. (16 yds.): L. Dunn, B. Murphy, A. Commons, L. Mallon, G. Johnston, D. Johnston, div. No. 10, Silver City Festival S.B. Ch'ship: 1st, D. Johnston, 20/20; 2nd, K. Wakefield, 19/20; 3rd, H. Commons, 26/23; F/M., B. Fox. No. 11, Silver City Festival Handicap (20 birds): 1st, G. Johnston, 26/26; 2nd, H. Commons, 25/26; 3rd, L. Campbell, 24/25. Pat and Nancy Page Cup: Broken Hill No. 1 (G. Hoskins, W. McKean, A. Langsford, G. Johnston, B. Murphy). High Gun: H. Baynes, 131/141.

Our congratulations are extended to trophy winners. Once again we thank the many visitors for their participation and assistance. Support from Mick Smith and I.C.I. by their donation of trophies was appreciated.

Our thanks go again to our competent Marshal, Cal. Hollow, who once again helped us to ensure smooth running throughout the shoot. Support from our ladies again ensured excellent refreshments and meals for our visitors and members. Our thanks go to you ladies.

26/10/63. — Conditions: rain, wind. Attendance: 18. Unpleasant drizzle, persisting during the morning, culminating in a cloud-burst, tested the shooters' endurance, but despite these handicaps of the elements, shooting was of a very high standard. First trophy on the programme was won in fine style by Bert Watson, with Bill McKean taking the second placing. George Hanson shot well to win third. Honours in the first sash event (the D.B. Ch'ship) was won by Ben Murphy after a short shoot-off with second place-getter, Bert Watson. Third trophy was decided amongst seven shooters, and after an interesting shoot-off, Brian Anderson took third placing. Second sash (S.B. Ch'ship) saw two shooters score 19/20 under very windy conditions. In the shoot-off Les Dunn took the honours, whilst Bill McKean took the second placing. Five shooters qualified to decide third placing, and after a keen shoot-off, Leo Mallon won this trophy. Novelty events completed the day shoot. Main event for the evening was the Night Gift, in which four shooters scored the possible. Peter Fioretti went on to take the first trophy after an excellent shoot-off, in which Arthur Langsford took second trophy. President George Hoskins was again on the trophy list, this time taking third trophy in this event. Consistent shooting, Bill McKean scored the highest in the trophy events and took a well-earned High Gun prize.

Day. — No. 1, 10 birds: W. McKean, A. Halls, S. Johnston, B. Murphy, G. Hoskins, G. Hanson, M. Sims. No. 2, 10 birds: B. Brooks, W. McKean, P. Harvey, B. Watson, G. Hoskins, A. As usual, when Coburg are shooting their Grand Prix, we don't put on a trophy day, but run only small sweeps for the shooters who don't fancy themselves for the big events. We had a nice little shoot; some 25 shooters enjoyed themselves quite well, and had a not too costly day, and a lot of fun.

We hope to have ground arrangements settled by the time this issue is being read. We have a nice 44-acre site under offer, with all amenities available such as water, electric light and power, also phone, and close to the city on a well-made road.

(W. R. Johns, Hon. Sec.)

Our October shoot was attended by 19 shooters from Colac, Dundonnell, Noorat, Warrnambool, and local club members. The main trophy of a transistor radio went to Noel Davis with the only possible after a good exhibition of shooting from his 23-yd. handicap. Les Jacobs (Warrnambool) and Andy Manifold (Dundonnell) took the 2nd and 3rd trophies.

Many thanks to the visiting shooters who helped with the shoot, in the absence of our President. (J. E. Corneby, Hon. Sec.)

COLAC (V.), 5/10/63 (Day). — Weather conditions: perfect. Attendance: 42. Eight five-man teams from the seven clubs of the Western District Clay Target Association competed for the tenth round of the I.C.I. Shield at Colac on Saturday afternoon.

The strong Geelong team, captained by N. Viccars, won the round with a fine score of 145/150 pts. Individual scores were: N. Viccars 30, R. Green 29, J. Ford 28, L. Pitcher 29, A. McIntosh 29. Geelong has now five wins to its credit, Colac four and Cobden one. Other team scores were: Noorat 141/150, Cressy 140/150, Colac No. 2 140/150, Cobden 139, Warrnambool 134, Colac No. 1 128/150, Dundonnell 126/130.

The fine, calm day brought perfect conditions to the shooting tracks, and with true-flighted birds spinning off the trap, the shooters themselves provided the finishing touches — with many perfect scores.

Fifty breaks became almost commonplace as the 13 finalists in the handicap event at 20 targets gradually whittled themselves down in the tie-shoot until E. Corneby, the Cobden Club and Western District Association Secretary, remained unbeaten, 60/60. His total for the day was 75/75, and he earned the main-event trophy of a motor mower and the high-gun trophy. The second prize of a 3-shot gun went to S. Hay (Framlingham), 59/60, while a young shooter, C. Bath (Cressy), took the binoculars with 55/56.

Shooters were present from Warrnambool, Terang, Camperdown, Cobden, Dundonnell.

This shoot attracted a very good crowd of keen shooters, and only two pairs shot the possible of 20/20 pair, and after a shoot-off of one more pair each, our very hard-working and popular President, Norman Kneebone, and his son Don clinched the Ch'ship from Doug, Edgerton and George Biggs. Congratulations to all of them, and it was particularly pleasing to see Norman take away a sash and a first trophy. The two lucky ladies were Mrs. Elsie Drake and Mrs. Una Henwood.

12/10/63. — Weather conditions: fine but cold. Attendance: 33. Results: No. 1, 5-bird Pts.: div. N. Filby, A. F. Drake, R. Maybury, G. Lear, G. Braid, R. Henwood, P. Henwood, D. No. 3, 10-bird Pts.: div. A. F. Drake, G. Lear, R. Henwood, 30/30 pts.

Disappointing number of shooters for a Metrop. Ch'ship; however, it turned out to be a very well fought out event — no less than seven shooters gaining the possible, and after shooting it out the winner was R. Maybury from Stan Thomson and Rupe Henwood. Our very best congratulations to each of them. The ladies' trophy was taken by Mrs. Fred Peterson.

Under extreme difficulties — a power cut-off — the ladies of the committee did an excellent job with the afternoon tea, etc.

Jim Boyes and Phil Miragliotta were one bird behind with 38, and those with 37 were Doug. Cumming and Bob Elliott. The Intermediate Ch'ship was closely contested, and many of the newer shooters scored well. Bert Boschetti was successful.

A ladies' wristlet watch, donated to the club by Lou Lupp, was awarded to Jim Boyes, this being the High Gun Aggregate Trophy for the entire shooting season and covering every "off the gun" kill in each event programmed. John Glass, assisted by Mrs. Hewitt, presented the trophies at the conclusion of the shooting, during which he thanked all shooters and their wives for their attendances and efforts through the season. A good muster of shooters from long distances attended, but the response from clubs in our district was very disappointing. Anyway, congratulations to Gerry on winning the gun, and also to Maurie Sullivan on winning the Ch'ship. The Western District were a bit too good for us on the day and night.

Thanks to our ladies for a great effort in supplying the meals for this shoot. (Norm Stewart, Hon. Sec.)

Another good day's shooting was enjoyed by the shooters present. Congratulations to a young shooter, W. Samootin, on winning the main event of the day. The club has now installed a skeet shooting lay-out, and a try-out of same was had by a few shooters on the morning of the club shoot, and enjoyed it very much. The club hopes to stage regular skeet shooting next year. (K. G. Smith, Hon. Sec.)

Ross Anderson took second place, 18.8/20, and Neville Beek and Keith Eatt equal third, 17.8/20. Brady, Anderson and Beek each shot 17/20 off the gun.

Twenty-nine shooters competed during the afternoon's events, with very good support once again forthcoming from Kojonup. A 10-target D.B. Sweepstake was div. C. Marsh, B. Brady, K. Anderson, R. Anderson, H. Baynes, J. Schinzig, 10/10.

Brady capped off a good day's shooting by taking high-gun honours with a score of 28/31, defeating Ross Anderson in the briefest of shoots-off.

Ross Anderson had a clear win in the inaugural aggregate event, scoring 88/100 over four events, to win the perpetual trophy (donated by Neville Beek) from Scottie Gibson, second, and John Downer, third. (D. G. Anderson, Hon. Sec.)

This was the club's Annual Shoot, and attendance was very pleasing. Though the scores were nothing out of the box, shooting was very keen and enjoyable. Ladies gave good support and nominations for the ladies' shoot were so heavy that this event had to be shot miss and out. The ladies' calcutta conducted on the teams shoot was won by Miss J. Mackay, who drew Bill Glasson. (J. L. Gibson, Hon. Sec.)

Very cold wind made conditions unpleasant. No shooter got the possible 20, but an excellent shoot-off for the placings.

(R. Alister Walker, Hon. Sec.)

KOJONUP (W.A.), 13/10/63. — Weather conditions: fine, with winds moderating later. Attendance: 22 (extra good). Results: 50 Skeet: T. Cusack, 43/50, 1st; C. Marsh, 42/50, 2nd; K. Anderson, W. Nokes, 41/50, 3rd.

A very good attendance of shooters, aided by fairly favourable weather conditions and good scores, provided excellent entertainment. The day's programme consisted of two full

rounds of skeet for the Club Skeet Ch'ship. The Inter-club Skeet match was contested for on the second round. This was won by Tony Cusack, 43/50, with Charlie Marsh in second place with 42/50, being closely followed by Keith Anderson and Wally Nokes, equal 3rd, 41/50. Handicaps over the two rounds for the Jorristma Trophy was: Keith Eatt, 1st, 56/50; Peter Sacchetto, 2nd, 54/50; R. Cusack, 3rd, 52/50.

The club's team consists of Charlie Marsh, Tony Cusack, Athol Anderson, John Schinzig and Keith Anderson. High Gun for the day was Tony Cusack.

The Kojonup Gun Club wishes to congratulate both Charlie and Sylvia Marsh for shooting 50/50 to qualify for the State Team held recently in Perth, which is thought to be unique in Australia for a husband-and-wife combination.

(Miss Lorraine Anderson, Pub. Officer.)

LEARMONTH (V.), 28/9/63. — Weather: a very nice day. No. 1, 2-bird D.B. Wing: div. M. Luhrs, A. James, A. E. Smith, M. Pascoe. No. 2, 2-bird D.B. Wing: div. G. Kirkpatrick, J. Severino, M. Pascoe. No. 3, 6-bird D.B. Trophy: M. Luhrs, C. Squires, 6/6, eq. 1st; H. Bantz, 5/6, 3rd. No. 4, 6-bird D.B. Trophy: A. E. Smith, 1st, 5/6; C. Squires, 2nd, 4/6. No. 5, 10-bird D.T.L.: M. Luhrs, A. E. Smith, N. Paterson, 10/10, div.

A small number of shooters came to our shoot today from Beaufort, Harcourt and Sebastopol — 12 in all. Only two shooters shot the possible 6 birds in the trophy event, as can be seen by the scores, so it seems that if you don't shoot the four or six birds in the event, you may still win on the Wing trap. (A. E. Smith, Sec.)

LISMORE (N.S.W.), 5/10/63. — Weather conditions: showery, strong, gusty head-wind. Attendance: 14. No. 1, 5-bird D.B.: R. Shepherd, F. Paget, J. Callinan, J. Bruggy, 5/5, div. No. 2, 5-bird S.B. (from 16 yds.): D. Powell, C. J. Lee, N. Smith, "Chubb" Smith, D. Worrall, J. Bruggy, 5/5, div. No. 3, North Coast Dist. S.B. Ch'ship: 1st, R. Shepherd, 20/20; 2nd, G. Pennifather, 18/20; 3rd, D. Worrall, 32/35. No. 4, 5 pr. D. Rise (from 20 yds.): Bill Anderson, 4/5; J. Callinan, 3/5. No. 5, North Coast Dist. D'ville Doubles Ch'ship: 1st, Bill Anderson - D. Worrall, 17/20; 2nd, N. Smith - "Chubb" Smith, 24/28; 3rd, J. Bruggy - R. Shepherd, 23/23. No. 6, Left Handers v. Right Handers Challenge: Bruggy, Chizzotti, Anderson, Shepherd (Right Handers) defeated Smith, Smith, Lee, Powell (Left Handers), 56/60 to 53/60.

Roy Shepherd was soundly congratulated for his exhibition of fine shooting when he scored the only possible in the North Coast S.B. Ch'ship; conditions were the worst which have been experienced here for some years! Gerry Pennifather's good shooting to fill second place was a credit to his new gun. This was one of those rare days when 17/20 pairs was good enough to win the North Coast of N.S.W. D'ville Doubles Ch'ship. This appalling score was recorded by the school-teachers, Bill Anderson and David Worrall.

The day was finished off well with a challenge by four left-handers to compete against any four right-handers. Each shooter shot at 5 targets points from 16 yards, but the right-handers proved to be too good and only dropped 4 points.

Finally, thanks go to Mrs. Shepherd, Mrs. Chizzotti and Mrs. Lee for a most refreshing afternoon tea. Our thanks again!

2/11/63. — Weather conditions: fine, clear. Results: No. 1, 5-bird D.B.: C. J. Lee, A. Chapman, D. Powell, R. Shepherd, D. Worrall, J. Bruggy, 5/5. No. 2, 5-bird Pts.: C. J. Lee, R. Shepherd, J. Bruggy, 15/15. No. 3, 5-bird S.B.: C. J. Lee, J. Callinan, R. Shepherd, J. Bruggy, 5/5. No. 4, 10-bird D.B. H'cap Trophy: 1st, R. Shepherd, 13/13; 2nd, D. Worrall, 12/13; 3rd, C. J. Lee, 9/10. No. 5, 5-bird S.B.: C. J. Lee, D. Powell, D. Worrall, 5/5. No. 6, 5-bird Pts. H'cap: E. Stone, D. Powell, R. Shepherd, Bill Anderson, 15/15. No. 7, 5 birds Rise H'cap: C. J. Lee, E. Stone, D. Powell, J. Bruggy, 5/5. No. 8, 5-bird D.B. (choose own h'cap): C. J. Lee, E. Stone, D. Powell, Bill Anderson, J. Bruggy, 5/5.

With only a small roll-up, the events were surprisingly well contested. Roy Shepherd shot well to win the trophy event, but we were all disappointed later when he missed his 33rd target — you'll get the 50 yet, Roy. Elton Stone came home well after a disappointing beginning, shooting the last 25 birds in immaculate style.

Mesdames Shepherd, Lee and Callinan again provided us with a welcome afternoon tea. Thanks, ladies!

(D. S. Worrall, Hon. Sec.)

(D. A. Smith, Hon. Sec.)

MERSEY (Tas.), 19/10/63.—Weather conditions: fine, slight breeze. Attendance: 23. Results: No. 1, 5-bird S.B. (16 yds.): div. D. Brett, R. Ablitt, V. Mitchell, G. Waterhouse, E. Johnson, B. Sharman, 5/5. No. 2, N.W. Dists. of Tas. S.B. Ch'ship: 1st, G. Waterhouse, 20/20; 2nd, W. Rainbird, 31/34; 3rd, E. Johnson, 32/36; F/M., L. Johnson, 16/20. No. 3, 10 sparrows D.B. H'cap: div. K. Geoff Waterhouse took out the N.W. Dists. of Tas. S.B. Ch'ship, which was the main event at the monthly shoot held by the Mersey Gun Club at Latrobe. He won comfortably with a score of 20/20 from a large field of shooters from all parts of the State. Conditions for the Ch'ship were not good, with a strong wind making the targets difficult. However, later in the afternoon the wind dropped, making conditions almost perfect. Seven shooters tied with 17/20. After a shoot-off, second place went to W. Rainbird, with E. Johnson taking third placing. The trophy and sash were presented to the winner by Mrs. W. Rainbird.

The club President (Mr. R. Philpott) welcomed visitors and thanked club member and watchmaker Dave Downie for donating a wrist watch as the first trophy in the Ch'ship. The ladies' committee were also thanked for their usual excellent afternoon tea.

METROPOLITAN CLAY TARGET CLUB (V.).—For those who have never heard of this body, let me inform you that it was formerly known as the COBURG GUN CLUB. The old name was relinquished following the vacation of our site at North Coburg.

The Committee decided on a ground at Epping, and to finance the project a public company was formed to purchase this 30-acre site. This company—The Clay Target Development Co. Ltd., whose registered office is at 1011-1017 Plenty Road, Kingsbury—will lease the property to the club for a period of 20 years. It is a very round proposition for shareholders.

Although we have not promoted a great deal of shooting over the last few months, we have been very busily engaged on other matters. We have held two shoots up to time of writing, the first at Puckapunyal on Oct. 13, and the Grand Prix Carnival at Melbourne Gun Club on Nov. 2, 4 and 5.

Both shoots were highly satisfactory and we thank those clubs for their co-operation and assistance.

At Puckapunyal we shot the Club D.B. Sparrows Ch'ship and the Club D'ville Doubles Ch'ship. In the former event Fred Burns was the winner with the possible score of 20/20.

Roy Mayberry (39/40) was second from Vin Lawford (38/40), whilst A. Kriss (21/23) and A. McLaren (18/20) annexed the 12/16 and 17/18 yards trophies respectively.

The D'ville Doubles went to Bill Williams and Bill Robertson (20/20), the runners-up being Doug. Mountjoy and Clarrie Johnson.

On the first day of the Grand Prix shoot at Melbourne on Nov. 2, two more championships were decided. The attendance was large and the shooting of a high order. Visitors were in abundance.

Don Glover turned on a mighty effort to win the Club D.B. Ch'ship (30 birds). The field was a particularly strong one and Don grassed 30/30, to beat Andy Tie, 79/80. Bill Henwood was third with 44/45. John Green (29/30) took the 12/16 yds. trophy, and the best of the 17/18 yds. group was Darcy Preston (42/43).

South Australian visitor Bob Mules won the Victorian S.B. Sparrows Ch'ship with the good score of 31/34. Vin Coates (30/34) was second and Don Glover, 26/30, third. John Green (25/30) again took the 12/16 yds. trophy, and Ron Jones (26/31) the 17/18 yds. prize.

On the second day we shot the Club Cup D.B. Ch'ship (30 birds), and in this our old friend Bill Finnigan, after quite a long absence, struck his best form and ran out a good winner with 46/46.

Peter Sheridan (45/46) was second, with Mt. Gambier President, Ken Wait (39/40), in third place. Roy Bell (27/30) and Barry Brooks (27/30) were the 12/16 yds. and 17/18 yds. winners respectively.

The £50 Coburg Stakes of 30 birds D.B. was the main event on this day, and first and second were cut by Doug. Sharp and Bill Perry, each scoring 29/30. After a rush trip to the grounds, Bill Perry just got his entry in right on closing time.

Peter Sheridan, Bill Finnigan, B. Brooks, Ted Baldwin, Don McCraith and D. Robert cut the remainder.

Cup Day was a bit cold early in the morning, but later it developed into a very nice day. We commenced with a 15 birds Pts., and after a good shoot, five possibles compulsorily divided. They were B. King, A. Craig, E. Baldwin, A. Morrison and J. Green.

All was in readiness for the 1963 Grand Prix, a 30-bird H'cap. The shooting here was of a high order. The complete result was:

First — Jack Senserrick, 66/66.

Second — Ron Jones, 65/66.

Third — Ray Maybury, 62/63.

There were five yardage divisions, in which trophies for first, second and third were provided in each. They were won by the following:

12/15 yds. — 1st, D. Roberts, 55/56; 2nd, D. Sharp, 44/45; 3rd, R. King, 42/45.

16/17 yds. — 1st, J. Moloney, 42/43; 2nd, M. Pascoe, 51/52; 3rd, D. Edgerton, 50/52.

18/19 yds. — 1st, J. Abela, 50/51; 2nd, B. Roberts, 49/50; 3rd, M. Hehir, 35/36.

20/21 yds. — 1st, M. Landers, 38/39; 2nd, J. Reade, 34/35; 3rd, K. Paterson, 33/35.

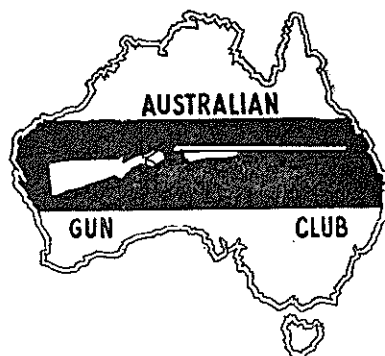

22 yds. and over — 1st, W. Finnigan, 42/43; 2nd, R. Hering, 53/54; 3rd, J. Henwood, 52/54.

An ideal day for shooting, and the attendance was excellent. It was pleasing to have members of the South Burnett and Toogoolawah Gun Clubs visit us again. Members of both these clubs have been very helpful to our club in more than one respect, for which we are grateful.

Moore shooter, John Kunde, continued to show marked improvement, and was in top form when he won the 10-bird D.B. event. Our thanks again go to the ladies who provided afternoon tea.

(K. J. Gunthorpe, Hon. Sec.)

MOREE (N.S.W.), 5/10/63. — Weather conditions: perfect. Attendance: 13. Results: No. 1, 10 birds: J. C. Thompson, J. McLean, D. Gull, G. Ritter, C. Clyne, F. Bardsley. No. 2, Club Ch'ship: J. C. MOUNT HAGEN (N.G.), 13/10/63. — Weather conditions: strong, gusty winds, glare. Attendance: 15. Results: No. 1, 5 birds: D. Verrenkamp, P. Hurst, 5/5; T. Hammersley, J. Strohen, J. Middleton, D. Buscomb, 4/5. No. 2, 5-bird Walk-up: D. Verrenkamp, P. Hurst, 4/5; N. Camps, D. Lane, 3/5. No. 3, 20-bird Ch'ship Walk-up: T. Hammersley, 15/20; J. Strohen, 14/20; J. Middleton, J. Collins, 12/20. No. 4, 10-bird S.B.: T. Hammersley, J. Middleton, 9/10; N. Camps, P. Hurst, 7/10. No. 5, D'ville Doubles (10 rise): J. Collins - N. Camps, 8/10; P. Hurst - D. Verrenkamp, D. Lane - T. Hammersley, 7/10.

Strong, gusty winds tended to flatten the clays in flight and made second barrels hard to get. This is the first Walk-up Ch'ship held by the club and the final Ch'ship in our 1963 championship programme. Tas Hammersley took the honours, his second Ch'ship in this series. Looks like back 2 yards for Tas.

Trap breakdowns caused some delay during the day; however, shooting commenced at 10.00 a.m. and concluded at 4.30 p.m. All members are now looking forward to the Papua - New Guinea Ch'ships to be held at Hagen on November 10th.

Through the generosity of I.C.I., Mr. Don Scowcroft will be attending the Ch'ships and will referee and conduct shooting schools. (N. Camps.)

MT. GAMBIER (S.A.), 12/10/63. — Weather conditions: very cold, strong south-east wind. Attendance: 31. Results: No. 1, 5-bird S.B. (18 yds.): L. Fatch, A. R. Hutchesson, M. Sullivan, R. Murray, 5/5, div. No. 2, State S.B. Ch'ship (30 birds, 18 yds.): P. Sheridan, 27/30; L. Fatch, 26/30; R. Millard, 25/30. No. 3, £30 D.B. H'cap (15 birds): A. R. Hutchesson, K. A. Marks, K. R. Wait, R. Murray, P. Siekmann, P. Mules, G. Lambert, 14/15, div.

Attendance slightly below expectations, due to other programmes being fired at Horsham and Warrnambool. Fast targets, unpredictable in flight, coupled with a single-barrel event, saw some of the lowest scores returned for some time. For the first time a team of five shooters chartered an Adelaide Air Taxi Cessna aircraft and flew down for the

Ch'ship. Other shooters were present from Western Victoria, Upper and Lower South East and a good local roll-up.

12/10/63 (Night). — Weather conditions: night calm and cold. Attendance: 30. Results: No. 1, 5-bird D.B.: J. S. Hamilton, A. R. Hutchesson, C. England, B. Medhurst, I. Hay, P. Cleggett, E. Medhurst, B. Clements, K. Wait, G. Cook, E. McEachern, R. Hastings, L. Sims, 5/5, div. No. 2, C. M. Barr Memorial Shoot D.B. H'cap (15 birds trophy, F/M trophy): B. Medhurst, 22/22; K. Wait, 21/22; I. Hay, 20/21; G. Cook, 19/20; F/M trophy, G. Cook, 22/22; I. Hay, 21/22.

Shoot commenced at 8.00 p.m., with slightly larger attendance of spectators. The wind had dropped considerably and consequently the scores returned were much better. Congratulations must go to Brian Medhurst, who outlasted our President.

In a congratulatory speech the President made the presentation of trophies during the supper interval. (Ian A. Marks, Hon. Sec.)

NARROGIN (W.A.), 21/10/63. — Fine weather, 12 shooters. Event, Club Mixed Bird Ch'ship. Club champion this year is C. Shepherd. D. Wiese and C. Whittaker tied for second place, and C. Whittaker won in the shoot-off.

Results: C. Shepherd, 33/40; D. Wiese, C. Whittaker, 31/40; D. Campbell, D. Berson, R. Schmidt, 28/40; C. Dawson, R. Ruwoldt, 27/40; N. Brown, 26/40; G. Ruwoldt, 25/40; R. Mitchell, 22/40; T. Ryall, 14/40.

27/10/63 — Weather: near perfect conditions. 39 shooters. The Great Southern Gun Club Association second annual shoot was held at Narrogin this year. The competition was very keen, although it is a shoot that everyone enjoys, as it has a picnic atmosphere. The Association consists of the Kojonup, Katanning and Narrogin clubs, and the programme is 10 D.B., 10 S.B., 10 W.U., 10 pr. D.R., and 13 skeet. A teams match is also held with teams of five shooters from each club competing.

Results: Teams Match, Katanning No. 1, 210 pts.; Kojonup No. 1 and Narrogin No. 1 tied for second, 199 pts. each. High Gun: T. Catling, 48/53; 2nd, D. Anderson, 45/53; 3rd, D. Wiese, 44/53. Narrogin members have had success at other clubs recently: N. Brown won a yardage trophy at Geraldton, G. Ruwoldt a division at the Kojonup Club Ch'ship, D. Berson gained second place in the State Intermediate D.B. in Perth, and C. Shepherd shared equal first with 30/30 in another event also at Perth. C. Shepherd followed up his success at Cunderdin by winning the "Royal H'cap" and also won a 75-break badge the same day. Also at Cunderdin D. Wiese and T. Ryall both won yardage trophies. (R. J. Schmidt, Club Corresp.)

5/10/63. — Conditions: windy. Attendance: 28. 10-bird D.B.: J. Fryer, J. Clarke, T. Asquith, 10/10. 20-bird D.B. Club Trophy: 1st, L. Payne, 19/20; 2nd, D. Mackay, 20/22; 3rd, S. Weather conditions fine, but very windy. Good attendance of 33 from as far afield as Richmond and Townsville. The new Damo trap had a few teething troubles, but threw good birds in the very windy conditions.

Congratulations to new member R. Crouch on some very fine shooting, and many thanks to the ladies for a nice morning and afternoon tea.
(A. Cantamessa, Hon. Sec.)

PUCKAPUNYAL (V.), 29/9/63.—Weather: wet. Attendance: 22. What a day for shooting. Rain for most of the day and water everywhere. These conditions did not deter 22 shooters, which is an excellent muster considering. The recently procured blue-metal filling proved a winner, so wet weather will not necessarily mean muddy shoes or wet feet in future. The filling also saved the President the expense of buying, and the trouble of lining up hundreds of pairs of gum boots, as he promised at our last shoot.

As this was our fourth "wet" shoot, it is getting harder to say anything nice about Puckapunyal. Shepparton's team (Vern Lawford, Jim Hickford, Norm Doncon, Damian Doncon (12 year of age) and Don Nicholls) made no bones about taking home the shield with 94/100. The trophy shoot ran in conjunction was won outright by Cliff Johnson, 20/20; 2nd, Norm Doncon, with Jim Birch 3rd after a shoot-off.

Bill Williams went hammer and tongs for the sash in Pucka Anniversary Ch'ship. Bill went on to take home the sash, but not before he had shot 53/53. Norm Doncon was the snag in this case and his 52/53 was a most commendable effort. Jim Hickford's 29/30 gave him third trophy and also a dry spot to watch the remainder of the shoot-off.

Cliff Johnson was high gun for the day, so has a leg-in for the treble, which will give him a fine trophy for his effort if he can pull it off.

Shooters are reminded of our charity shoot in November. Details are published in this issue of "News".

27/10/63. — Weather conditions: overcast. Attendance: 18. Results: No. 1, Club Sparrow Ch'ships (20 birds from 16 yds.): 1st, W. Coulson; 2nd, J. Birch; 3rd, W. Hailes Snr.; F/M., T. Jones. No. 2, Club D. Rise Ch'ship (20 pair from 16 yds.): 1st, W. Coulson; 2nd, J. Birch; 3rd, W. Hailes Snr. No. 3, 10 pr. D'ville Doubles (from 13 yds.): div. W. Williams - J. Hickford, G. Reed - W. Hailes Snr.

Although the weather was good, attendance was well below average. The shooting was of high standard and competition keen. Back marker Bill Coulson was in top gear and won both Ch'ships. Jim Birch was unlucky to strike Bill in such good form and so finished second to him on both occasions. Third placing in the Club Sparrow Ch'ship went to Bill Hailes Snr., with Tom Jones taking out the F/M. trophy. In the Club D. Rise Ch'ship young Geoff. Braid showed good form to finish third in this very good field.

The clubhouse/pavilion is now in position and will be in use for the charity shoot in November, as promised. This 60 ft. x 20 ft. building will be sub-divided into a ladies' room (which in due course will be furnished), bar and afternoon tea and spectators' pavilion. The front will be glass, so inclement weather will not affect us socially at least.

The children's playground has proved a most popular innovation, and in due course it is planned to improve this even further. During the year a lot of improvements have been made and generally speaking facilities are quite good. If, however, you should visit us at any time — and I guarantee you will

not regret it — we would be only too pleased to hear your comments or criticisms.

A good afternoon's shooting, considering that we had to hold these Ch'ships in a hurry, due to circumstances beyond our control. There were a few delays owing to trouble with the traps — they say that you don't have hold-ups with the electric traps, so we should keep them in mind.

That veteran Bill Mackay came down from the shores of the Eucumbene to win the S.B. Ch'ship, and brought "Daddy" Sands along,

SEBASTOPOL (V.), 6/10/63 (Day, Night). — Attendance: 34. Superb shooting conditions greeted the large field of shooters for our day and night shoot. Shooters were present from as far afield as Hopetoun, Broken Hill, Cobden, Noorat, Geelong and Cressy. The main event in the afternoon, the S.F. Triumph Herald Shield, was retained by Sebastopol Club after a tight finish against Beaufort. The winning Sebastopol team scored 96/100 (Severino bros., Joe and Kevin, Bob Harty, Tex Thompson, Brian Mark). Second event on the afternoon programme was won in fine style by Bill O'Shannessy (Harcourt), 25/25; 2nd, G. Kirkpatrick, 24/25; 3rd, M. Luhrs, 20/21.

At night the Ballarat and District Ch'ship was conducted under perfect conditions, and large scores were expected. Eleven shooters scored the possible 20 birds, G. Kirkpatrick, D. Keith (Beaufort), G. Drife (Learmonth), Herbie Edwards (Barwon Heads), Ray Bath (Cressy), Bill Williams (Melbourne), and locals Ron Eason, N. Paterson, E. Bevan, T. Thompson and B. Mark. After a mara-

thon shoot-off, Brian Mark, scoring 90/90, won from club President, Ron Eason, 89/90; Ray Bath, 58/59. High Gun trophy was won by G. Kirkpatrick, who dropped only one point in this event.

Special thanks to Mrs. Eason and ladies who helped her dispense afternoon tea, tea and supper.

Our Damo trap arrived in time to be installed and used in the afternoon shoot. As this is the first Damo in our area, all shooters were keen to shoot over it. Although the trap functioned perfectly throughout, it was the downfall of some of our possible shooters.

1/11/63 (Night). — Weather conditions: ideal. Attendance: 20. Although weather conditions were ideal for shooting, our attendance was down on previous shoots. Thanks to the shooters who supported us from Noorat, Terang, Warrnambool, Beaufort and

Geelong, and gave our local shooters strong opposition.

In our main event 10 possibles were scored, and in a marathon shoot-off Ron Green (Geelong), 93/93, defeated club Pres. Ron Eason, 92/93, and Tex Thomson, 82/83. Congratulations to Ron Green, who obtained his 100 break, and Tex Thomson for his 75 break.

Thanks to Mrs. Eason and Mr. and Mrs. Patterson for their assistance. Our committee would like to take this opportunity to wish all shooters and their families a Merry Xmas and a Happy New Year.

A good roll-up of shooters. The day started off well, but became windy later and a heavy shower and hail. The shooting was first class, as the results show. Don Glover shot 95 straight to win Ch'ship. Jim Thompson finished with 94/95, but he had shot 10 in the first event, so becomes the first shooter to break 100 straight on our club trap. Congrats., Jim.

This was a shoot that the club staged for the Spastic Children Appeal, and a very successful one at that. The club was pleased to be able to give £60 towards this worthwhile appeal. This is only a new club and it was pleased to be able to make this sort of effort. Of course, the thanks go to all the good people who support us. Without the people who travel to visit us, we would not be going as good as we are. You are all wonderful people and we do appreciate your visits and company.

A big hello to Bill Perry, up from Melbourne. Bill used to be the Sec. at the Nyah Club until transferred to town. All your

many friends were glad to see you, Bill, and glad to see you take something home from this club. Also a new face at our grounds, Max Nalder of Quambatook, who shot very well and cleaned up the 10-bird Points with 10 firsts. See more of you up here, Max.

Really happy to see a new shooter take off the first trophy; this was Ray Canny, who shot very well. Ray paid tribute to his coach, a long-time shot, Claude Maddy. See you all along at our opening shoot. A big thanks to some of the prettiest girls around, our gals, for the cuppa.

3rd, R. Clare, 26/27; best F/M., M. Tilley, 19/20. Overall High Gun: P. Soames, 60/62.

The number of shooters—104—is proof of the popularity of the Mick Smith Shield and its generous donor, who has done so much for clay target shooting.

In perfect weather the very consistent Parkes No. 1 team (R. Ellison, E. Miles, B. Wenban, G. Wilson, H. Martens) combined well to win the Shield with 280/300; N.S.W. Gun Club were next with 274/300. Jim Gillespie (Newcastle) won the individual high-gun trophy on this event after a shoot-off with Bruce Hill and Norm Newton—this very fine trophy was also donated by Mick Smith. Nine possibles were recorded in the £150 H'cap, and they decided to divide. After a shoot-off with 22 others, Morrie Quirk won the Hawkesbury Dist. D.B. Ch'ship. Cec. Joass was second and Bob Holcombe third.

A good crowd remained for the night shoot—the Ch'ship going to John Thatcher, with Jack Barker and Ron Clare second and third respectively. Three shooters were in the running for overall high gun—Peter Soames, Bob Holcombe and Jack Barker. Each shot their first bird, Peter shot his second and, believe it or not, Bob and Jack missed theirs, leaving Peter the winner of the very handsome high-gun trophy, with a very proud father looking on.

We are grateful to all those shooters who helped make this shoot a success, with special thanks to those who helped us in any way. Hawkesbury ladies, who worked so hard both before and during the shoot to provide meals, received special praise for their effort, and I feel sure every shooter who was present will join me in saying "thanks again".

The two Damo traps functioned perfectly, with not a single breakdown. Unfortunately Dan Mott, because of a hand injury, could not attend—we missed you, Dan.

(Morrie Quirk, Hon. Sec.)

Shooters present from Cootamundra, Griffith, Leeton, Barellan, Condobolin, Cargelligo and Shepparton. Windy day. Attendance: 22. Results as above. Good shooting by K. Sim to win the S.B. In the Tyack Shield two teams shot 90/100—Griffith too good for Condobolin in shoot-off.

UNGARRA (S.A.), 27/10/63.—Weather conditions: cold, gusty wind, light rain. Attendance: 23. No. 1, 5 clays: C. Hollow (Adelaide), 5/5. No. 2, 5 clays: C. Hollow (Adelaide), R. Schramm (Keith), 5/5. No. 3, 20 clays W. D. Schramm Memorial Trophy: 1st, C. Hollow (Adelaide), 16/20; 2nd, J. Schramm (Tumby Bay), 16/21; 3rd, R. Treloar (Adelaide), 15/21; best 12/14 yds., R. Schramm (Tumby Bay), 14/18; best 12 yds., W. Cabot (Ungarra), 11/17.

Weather conditions made the clays very tricky and kept scores at a low level. Cal. Hollow (Adelaide) shot well from the 26-yd. mark to take out the main trophy. The club was pleased to see Doug. Prescott, Jim Warnes, Bob Mules and Rolls Treloar over G. Timms from Adelaide for our first big shoot.

Everyone enjoyed the fishing trip on the Saturday night, despite the extremely wet conditions, both topside and below. Who taught "Nugget" to catch fish?

The Bill Schramm Memorial Trophy will be an annual event and is listed to be shot again on October 25, 1964.

A very special thanks to the ladies for providing a first-class lunch and barbecue tea, which was enjoyed by all.

(W. R. Simms, Sec.)

LES TURNER INVITES ALL SHOOTERS TO WRITE FOR EXPERT ADVICE, CATALOGUE, ETC.

A very nice day and attendance of 21. There was also a number of visitors which our club was so pleased to have. It was pleasing to all to watch such a good standard of shooting.

All shooters are reminded that it is their responsibility to have their registrations renewed by the end of December or beginning of January. The members of the club thank the ladies for the afternoon tea.

(J. J. O'Donnell, Hon. Sec.)

WERRIBEE (V.), 12/10/63.—Weather conditions: fine, windy. Attendance: 35. Results: No. 1, 10-bird Pts. (C.D.): 1st, H. Martin, 30/30; 2nd and 3rd, W. Gresselle, W. Henwood, T. Rosewarne, 29/30. No. 2, Werribee Grand Prix (30 birds D.B. H'cap): 1st, W. Cations, 29/30; 2nd, C. Daish, 29/31; 3rd, W. Hoath, 28/31; F/M, D. Mills, 27/30. No. 3, 10-bird D.B. (C.D.): div. A. Gosling, D. Mills, J. Henwood, M. Rushford, 10/10.

For almost the first time in memory we were favoured by fine if windy weather for an important shoot, and as a result the attendance was up to expectations. For our club members the highlight of the day was our President, Bill Cation's, popular and well-deserved win in the Grand Prix. No one has worked harder for the club than Bill, and any success we have achieved has been largely due to his efforts. The shoot-off for placings between Clarrie Daish and Bill Hoath would be the shortest on record, when Bill had the misfortune to lose his first bird.

Thanks to the ladies who served an enjoyable afternoon tea, and also to the visiting shooters who added greatly to the success of the shoot.

(R. W. Sadler, Hon. Sec.)

WINGADEE (N.S.W.), 12/10/63.—Weather conditions: strong south-east wind. Attendance: 42. Results: No. 1, 5-bird D.B.: N. Montgomery, H. Constable, F. Honeyman, D. Cosgrove, D. Barton, J. Ryan, J. Scott, C. Taylor, B. Fagan, R. Glasson, 5/5, div. No. 2, 20-bird D.B. Castlereagh Dist. Ch'ship (off 16 yds.): D. Cosgrove, 1st; E. Brown, 2nd; C. Taylor, 3rd; T. Hegarty, 4th; P. Stuart, 5th, 20/20. No. 3, 20-bird S.B. Castlereagh Dist. Ch'ship (off 16 yds.): D. Hunt, 20/20; T. Hegarty, 19/20; E. Brown, L. Morris, A. Constable, L. Rumble, R. Lane, 18/20. No. 4, 20-bird D.B. Cash H'cap: H. Strong S.E. wind, which settled. Calm weather followed. Our second annual Dist. Ch'ship shoot was successfully held on club grounds. The 42 shooters who attended included visitors from a wide area. All shoots were keenly contested.

20-bird D.B. Castlereagh Dist. Ch'ship: 1st, D. Cosgrove; 2nd, E. Brown; 3rd, C. Taylor. 20-bird S.B. Dist. Ch'ship: 1st, D. Hunt; 2nd, T. Hegarty; 3rd, E. Brown. The high-gun trophy was won by C. Taylor.

The President, J. B. Taylor, welcomed visitors, congratulated shooters, and thanked official referee G. Henkel for attending shoot.

(James F. Fagan, Hon. Sec.)

Very hot conditions prevented better attendance.

(N. Jurd, per L. Gardiner.)

YARRAM (V.), 21/9/63.—Weather conditions: fine, warm. Attendance: good. Results: No. 1, 10-bird Pts.: F. Brown, 30/30; B. Waite, Roy Trail, 29/30. No. 2, 15-bird D.B.: 1st, P. Barlow, 19/19; 2nd, Roy Trail, 19/20; 3rd, H. Pearson, 18/20. No. 3, Club B. Waite, Roy Trail, 29/30. No. 2, 15-bird S.B. Sparrows Ch'ship: 1st, E. Hamilton, 13/15; 2nd, E. Cripps, 15/18; 3rd, B. Waite, 14/18.

The Charles Budge Shield event was contested, with Yarram shooting ahead on the aggregate score. Good to see Charles at Yarram after a long absence. E. Hamilton was the outright winner of the Club Sparrow Ch'ship, and good to see Perc. Barlow shooting to win the 15-bird D.B. event, also Barry Waite, prominent in two events.

Everyone is very pleased with the Yarram Club's new "Damo" trap. Comments were all good, and general opinion is that shooting is more relaxed. Thanks to all helpers, and to ladies for afternoon tea.

(Mrs. Joyce Pearson, Hon. Sec.)
