A.C.T.A. SHOOTING RULES. Due to the fact that one or two anomalies appeared in the A.C.T.A. Shooting Rules as published a few months ago, it has been decided to re-publish the Shooting Rules and also the Championship Conditions in their entirety so that all registered will have a full and complete copy of the Rules and Conditions of Championships available to retain in his gun case.

In the A.C.T.A. Shooting Rules section the number of Rules has been reduced from 100 to 99. Rule No. 26 has been altered to bring it into line with the new system of double-rise shooting, and this Rule will now read,

"The score of a competitor in double target shooting shall be shown as one (1) point for each 'kill' as broken by the competitor's shot. Two barrels must not be fired at one target."

The foregoing is quite realistic and means that for each "kill" recorded by the competitor he now scores one point. Previously only pairs counted and a shooter could miss one and hit the other target of a pair and yet record no score. Now every target shot gains the shooter one point. It is very important, however, to remember that a competitor must fire at "a pair of targets", not merely concentrate on shooting one of a pair and then hoping that such a score would bring him into the prize list.

As previously announced, the word "English" has been deleted from Rule 46. An addendum to the Rule No. 65 is the following, "The shooter must shoot at a complete pair on every occasion. Each 'kill' shall score one (1) point."

Rule No. 72 has been deleted, as also has Rule No. 75. The latter-mentioned Rules were, on investigation, found to be a replica of Rule No. 74, although couched in slightly different language. The previous Rule No. 74 now becomes Rule No. 73 and all remaining previous Rules are numbered two forward on the earlier brochure. Rule No. 90 has been altered to read as Rule No. 88, with the context, "All tie shoots in Commonwealth, State and District Championships will be shot squad system, first miss-out, excepting walk-up and mixed championships." Conditions to the two last-mentioned events are outlined in the Championship Conditions Brochure.

Championship Conditions. The new Championship Conditions Brochure has been amended in accordance with recent new conditions as laid down by the Executive Committee. It will be noted that every Championship Condition differs from the previous Championship Conditions Brochure in some way. For instance, in all the double-barrel title events, tie shoots are now required to be shot "squad system, first miss-out". The same applies in single-barrel and double-rise events. Due to the variation of the contest, all mixed conditions for championships remain as previously.

In walk-up conditions it is impossible to shoot this under miss-out conditions, so the following has been emphasised (Walk-up), referring to the number of targets: "The competitor will shoot at five or ten targets at each visit, in whichever order the management may decide." In this connection some controversy has from time to time arisen regarding the method of assembling the competitors, in that some clubs have ordained that the competitors should fire five straight off, whilst others have directed that the competitors should fire at one target and then return to the rear of the squad of five and take his place on the firing point every fifth target. Now the position is that clubs are permitted to shoot these events in whichever order they consider is fair and appropriate. In double-rise conditions, where it previously instructed that pairs only would count and count as one point, the section of the Championship Conditions referring to double-rise now reads, "Each competitor to shoot at five pairs at each visit, five tracks squad system and score each 'kill' as one point." In the State Intermediate section it has been laid down by that "State Intermediate Deauville Doubles Championship shall be shot from 18 yards". The previous reference to skeet shooting has been deleted and new and simplified skeet rules included. The section referring to tie shoots in Deauville Doubles now reads, "In the event of ties to be shot off miss-out from tracks 2 and 4." This direction should clear up quite a number of queries on this point.

Altogether it is felt that shooters will welcome the publication of the revised Shooting Rules and Championship Conditions, thereby assisting both the clubs and competitors and possibly doing away with frequent controversy. All Rules and Conditions apply as from June 1, 1964.

OFFICIAL REFEREE EXAMINATION. The previously published direction that Official Referee Examinations would be held every 12 months has been rescinded, and the new Executive Committee direction is that an official referee examination will be held "provided the Secretary

receives sufficient nominations and it is considered worth while conducting a series. Obviously, if only a few nominations are received for candidature in the referee examination, little purpose would be served in conducting a series. Accordingly the procedure in future will be as outlined. In order to test the possibilities in this regard, registered shooters desirous of participating in an official referee examination series are instructed to lodge their name and full address with the Secretary, A.C.T.A., Box 2038 S, G.P.O., Melbourne, C.I., not later than July 31 — earlier if possible. If, on that date, sufficient nominations are considered to have been received, an official referee examination will be held and candidates advised of requirements.

A.C.T.A. CHANGE OF ADDRESS. All are informed that the office of the A.C.T.A. is now situated in Nicholas Buildings, 37 Swanston St. (8th Floor, Rooms 11 and 12). A new telephone number has been allotted by the P.M.G. Department, and the number is 63-9777. All correspondence, however, should be addressed to Box 2038 S, G.P.O., Melbourne, C.I., to ensure prompt attention and immediate reply.

Clay Target Shooting Rules

Applicable from 1st June, 1964

COMPETITION.

Rule No. 1.—Wheresoever the word "competition" may be used in the following rules, it is to be understood to refer to each particular event, and must at all times be so construed by the management, in whose charge the carrying out of such "competition" has been entrusted.

THE MANAGEMENT.

Rule No. 2.—The management of any club holding a tournament, or other competition, under these rules has the authority to reject any entry in the said tournament, or other competition, without giving any reason therefore, and to disqualify in whole or in part, any competitor who acts in an ungentlemanly or disorderly manner, or who handles his gun dangerously.

COMPETITOR.

Rule No. 3.—A competitor is one who has nominated for the particular competition and whose name appears on the official score sheet or score board.

Rule No. 4.—A competitor must be at the firing point within two minutes after having been called by the official referee, scorer or a member of the club management. Failing therein, he may be disqualified or be penalised with loss of targets.

Rule No. 5.—A competitor shall hold his gun in a position of safety, with breech open at all times.

Rule No. 6.—When at the firing point ready for competition, the competitor shall distinctly give the command, "Pull", to the puller, and thereafter the competitor is in the competition.

Rule No. 7.—When firing, the competitor's feet must be behind the firing mark assigned to him, and he must stand with both feet within eighteen (18) inches on either side of the centre of this mark. Should

the competitor fail to observe the above rule, a "lost target" will be declared.

Rule No. 8.—Shooting on the grounds at any place other than the firing point at legitimate targets only is prohibited except where a pattern plate is installed.

Rule No. 9.—No competitor shall make, negotiate or discuss any bet (either on his own shooting or that of any other competitor) while he is at the firing point or shooting tracks, nor shall he leave the firing point or shooting tracks for the purpose of making, negotiating or discussing any bet. If any competitor infringes this rule, he may be disqualified by the referee.

Rule No. 10.—A competitor shall close his gun only when at the firing point and facing the traps. He must remove the cartridge or cartridges from his gun before turning from the firing point on No. 5 track and proceeding to No. 1 track. The cartridge or cartridges must be removed from any magazine gun between each track.

Rule No. 11.—It shall be the responsibility of the competitor to check his score with the score sheet before leaving the shooting track. Any protest on his score must be lodged with the referee immediately, i.e. before leaving the shooting track. Such protest can only be made against incorrect score.

Rule No. 12.—All such protests must be confirmed in writing within 15 minutes, accompanied by £1 forfeit.

Rule No. 13.—A competitor is duly notified to compete when his name is called out by a referee, scorer or other person authorised to do so by the management, or when his name appears on the score board. If a "squad hustler" is furnished, it

JUNE, 1964

is a matter of courtesy only, and does not in the least relieve the competitor from responsibility. It is the duty of each and every competitor to be promptly on hand to compete when called upon to do so.

THE REFEREE.

Rule No. 14.—The Referee's decision in all cases coming under his jurisdiction as set forth in these rules, shall be final.

Rule No. 15.—Besides attending to the special duties as set forth in these rules, the Referee shall adjudicate the competition. He shall **DIS-TINCTLY** and **LOUDLY** announce the result of each shot by calling out "Kill" when the target is broken and "Lost" when the target is unbroken. He shall decide all other issues which arise in relation to the direct competition.

Rule No. 16.—If the Referee is negligent or inefficient, impairing thereby the equity of the competition, the management may forthwith remove him. This rule applies also to scorers, pullers, trappers and any other of the staff.

Rule No. 17.—The Referee is empowered to challenge the ammunition used by any competitor.

Rule No. 18.—The Referee shall insist that no competitor is permitted to shoot from other than his allotted handicap.

Rule No. 19.—The Referee has power to alter his decision.

Rule No. 20.—All members of a squad shall automatically change lanes as soon as the next shooter has shot and not wait until all shooters have shot. The members of any squad shall remain at the firing point until the last shot of the squad is fired.

THE SCORER.

Rule No. 21.—The Scorer shall keep an accurate record of each shot. Accordingly, the Referee call "Kill", or "Lost". He shall mark the figure 1 for "Kill" and 0 for "Lost".

Rule No. 22.—The Puller shall pull the trap, or traps, instantly in response to the competitor's call of "Pull".

Rule No. 23.—The Puller shall have an unobstructed view of the competitors at the firing points.

BROKEN TARGET.

Rule No. 24.—A "broken target" (kill) is one which has at least a visible piece or pieces, or the centre section, broken from it, or which is completely reduced to dust, or which has a visible section broken from it, even though such section is broken into dust by the competitor's shot while in the air.

Rule No. 25.—A "dusted target" is one from which more or less dust is detached by the competitor's shot, but which shows no visible diminution in size therefrom. A dusted target is not a broken target, and is a "Lost" target.

Rule No. 26.—The score of a competitor in double target shooting shall be shown as one (1) point for each "kill" as broken by the competitor's shot. Two barrels must not be fired at one target.

BAULK.

Rule No. 27.—Any extraneous occurrence which, in the opinion of the Referee, materially interferes with the equity of the competition after he calls, "Pull", constitutes a baulk. Only the competitor directly interested can claim a baulk, which, if allowed by the referee, restores him another target.

Rule No. 28.—In double-barrel shooting, jarring back denotes that from the concussion of the first shot the safety has been slipped back to "safe". Whatever may be the cause of slipping the safety back to "safe", the competitor must abide by the result.

Rule No. 29.—Simultaneous discharge is one wherein, from any cause, both barrels are discharged together or nearly together, and shall be declared "No target".

NO TARGET.

Rule No. 30.—After a referee declares a "no target" it is thereafter no part of the competition, and is irrelevant to it.

Rule No. 31.—"No target" shall be declared when a trap is sprung at a material interval of time before or after the call of "Pull".

Rule No. 32.—"No target" shall be declared when the trap is sprung without the call of "Pull".

Rule No. 33.—"No target" shall be declared when, in single-target shooting, two targets are thrown at the same time.

Rule No. 34.—"No target" shall be declared when the target is thrown at a widely different angle (see diagram).

Rule No. 35.—"No target" shall be declared when a competitor shoots out of turn, or from the wrong track.

Rule No. 36.—"No target" shall be declared when two competitors, or when a competitor and a non-competitor, shoot at the same target.

Rule No. 37.—"No target" shall be declared when there is a misfire, in either barrel, caused by the competitor's gun, or a misfire of the cartridge, due to no neglect on the shooter's part.

Rule No. 38.—In the event of a misfire with the second barrel, the competitor must fire a live cartridge in the general direction of the target, and is permitted to score with the second barrel only.

Rule No. 39.—"No target" shall be declared (whether shot at or not) when a broken target is thrown.

LOST TARGET.

Rule No. 40.—"Lost target" shall be declared when the competitor fails to break the target.

Rule No. 41.—"Lost target" shall be declared when the competitor fails to shoot because his gun was unloaded or uncocked, or because the safety was faultily adjusted or jarred back, whether from his own oversight or not, or because of any other cause chargeable to his own oversight or neglect.

Rule No. 42.—A competitor having a misfire or apparent misfire, will, forthwith call the referee for his decision, otherwise the referee shall declare it a "lost" target. The competitor must not turn around, must not open his gun, and must keep his gun pointing in the direction of the traps.

Rule No. 43.—"Lost target" shall be declared if a cartridge after it has once misfired in the competition, or a gun after it has twice misfired in the competition, is used by the competitor.

Rule No. 44.—"Lost target" shall be declared if in single-barrel shooting the competitor loads two cartridges. (A competitor is only allowed to load one cartridge and is not permitted to load an empty shell or dummy cartridge.)

Rule No. 45.—"Lost target" shall be declared if a competitor shoots from his wrong handicap mark.

CHALLENGE AND PROTEST.

Rule No. 46.—A competitor may challenge the load of any other competitor, such load shall not be greater than one and one-quarter ounce weight of shot struck measures nor larger in size than No. 6. On receipt of a written challenge, with £1 forfeit, the management shall obtain a cartridge from the challenger, and if, after public examination of it, the management finds the challengee has violated the above requirements, he may be disqualified or not, accordingly as the offence was wilfully committed or otherwise. In case the challengee is wholly innocent, the forfeit shall be paid to him, otherwise it shall be returned to the challenger. The management of any club, or of any tournament, has the power to examine any competitor's cartridges at their discretion, without involving themselves in any penalty.

OFFICIAL SCORE.

Rule No. 47.—The official score must be kept on a score sheet and be available for inspection by the competitor.

Rule No. 48.—Every competitor in a squad shall be permitted to examine his score sheet before the score sheet is sent to the Secretary's Office. The individual scores shall be totalled before being placed on the score boards.

WIDELY DIFFERENT ANGLE.

Rule No. 49.—When a target is thrown either way outside the prescribed limit of the angles, height and distance in single target shooting, it shall be deemed to be thrown at a widely different angle and "No target" shall be declared.

MAGAZINE GUN.

Rule No. 50.—The term "magazine gun" applies alike to automatic guns, pump guns (so called) and

other guns not directly dependent on hand loading and are permissible for clay target shooting.

SHOOTING FOR TARGETS ONLY.

Rule No. 51.—Shooting for targets only, is a term which shall be held to define the status of a competitor in any given event, or events, or in an entire tournament programme, and shall signify that a competitor who is "shooting for targets only" has no interest in any trophy, or trophies (unless he is entitled to do so by a specific announcement in the programme), nor any interest in any money, or moneys, the division of which depends on the scores made in said event, or events, or in the entire programme. "Shooting for targets only" shall not be allowed at open shoots or by any shooter who has attained the mark of 14 yards.

GUNS AND LOADS.

Rule No. 52.—A competitor shall not use a gun whose bore is LARGER than a twelve gauge.

Rule No. 53.—A competitor shall not use a load of shot greater than one and one-quarter ounce weight, struck measure, nor may a larger size of shot than No. 6 be used.

TARGETS, TRAPS, FLIGHTS, AND ANGLES, PITS AND SCREENS, FIRING POINTS.

Rule No. 54.—No target shall measure more than four and five-sixteenths ($4\frac{5}{16}$) inches in diameter, nor more than one and one-eighth ($1\frac{1}{8}$) inches in height.

Rule No. 55.—An automatic trap must be used at all open shoots.

SERGEANT SYSTEM.

Rule No. 56.—Five single traps, four feet apart, constitute the Sergeant System. The targets are thrown from unknown traps, at unknown angles. Maximum throw of traps to be 55 yards, minimum 30 yards. Limit mark to be 16 yards. Shoot from centre track.

FLIGHTS AND ANGLES.

Rule No. 57.—Targets, whether singles or doubles, shall be thrown not less than 45 yards nor more than 55 yards, with a flight of 9 feet high at a point 10 yards from the trap, with a margin of tolerance of not more than 18 inches, above or below.

Except in double target shooting, the flight of targets shall be at unknown angles, thrown within an area of 45 degrees right and left of an imaginary straight line drawn through the centre of number three firing point and prolonged through the centre of the central trap, or through the centre of the single trap when only one trap is used.

Rule No. 58.—To arrive at the proper height at which targets should be thrown as set forth in Rule 58, due allowance should be made according as the ground in front of the trap rises or falls away, and the flight of the targets 9 feet high at a point 10 yards from the trap is judged to be from an imaginary horizontal straight line drawn through No. 3 firing point through the single trap, or through the centre trap if the Sergeant System be used, and prolonged indefinitely.

Rule No. 59.—In single target shooting, to aid in distinguishing between target within and without bounds, two stakes (see Diagram II) not less than 3 feet in height shall be placed in the arc of a circle whose radii are 50 yards and whose centre is the centre of the single trap, or the centre of the central trap when three are used. Respectively, right and left at 45 degrees of the aforementioned imaginary straight line, two stakes shall be placed upright (see Diagram II).

PITS AND SCREENS.

Rule No. 60.—Trap houses shall be used to give full protection to the trappers. These houses shall be 3' 3" high in front, tapering or sloping to 2' 9" at the back, and shall be 6' 0" from front to back, 8' 0" wide. A tolerance of 3" either way is permissible on these dimensions. All height measurements shall be taken from the level of the centre lane. The trap shall be mounted in a manner which will bring the top centre oscillation of the throwing arm 14" above the level of the centre lane. A tolerance of 1" either side of this dimension is permissible.

FIRING POINTS.

Rule No. 61.—Firing points shall be three yards apart in the circumference of a circle whose radii are 16 yards (see Diagram I).

DISTANCE HANDICAPS.

Rule No. 62.—The distance handicaps, when used, shall be on prolongations of the lines given in Diagram I, commonly known as "fanshaped". The distance between the firing points, 16 yards, shall then be three yards (see Diagram III).

SQUADS.

Rule No. 63.—Competitors shall shoot in squads of five, except when there are less than five competitors available for the last squad of any programme event, or when there are

withdrawals from a squad or squads after the competition has begun.

DOUBLE TARGETS.

Rule No. 64.—In double target shooting there shall be squads of five at 16 yards. Double-rise shooting may be off handicap marks or such marks as the club management may decide, except in the case of Championships.

Rule No. 65.—Each double shall be thrown as a right and left quarterer, whose flights shall be limited to DDB (Diagram IV) right and left

of an imaginary straight line drawn through the centre of No. 3 firing point and prolonged through the centre of the central trap, or through the centre of the single trap when only one trap is used. To aid in distinguishing between targets within and without bounds, four stakes not less than 3 feet in height shall be placed in the arc of a circle whose radii are 50 yards, and whose centre is the centre of the central trap, or the centre of the single trap, when only one trap is used. Respectively, right and left of the aforementioned imaginary straight line, two of the stakes shall be placed upright, one at 20 degrees and one at 45 degrees in said arc.

The shooter must shoot at a complete pair on every occasion. Each

"kill" shall score as one (1) point.

Rule No. 66.—"No target" shall be declared when only one target is thrown.

Rule No. 67.—"No target" shall be declared when both targets are broken by one shot.

Rule No. 68.—"No target" shall be declared when one target is a broken target or both targets are broken targets when thrown from the trap or traps.

Rule No. 69.—"No target" shall be declared when both barrels of the competitor's gun are discharged simultaneously, or near simultaneously.

Rule No. 70.—"No target" shall be declared when one target follows

marks are 3 yards apart as in Diagram I, whilst the other marks are at one yard intervals along the tracks.

the other after a material interval of time, instead of the two targets taking flight simultaneously.

Rule No. 71. — "No targets" shall be declared when one target or both targets are thrown at a wider or narrower angle or angles or higher or lower than is set forth in Rule No. 65.

Rule No. 72. — Wherever squad system shooting shall apply, squads of 5 or 6 shooters, No. 1 shooter in each squad shall always start the shooting. The club, at its discretion, may require shooters to change starting lanes on each trap as follows: No. 1 shooter shall commence shooting from Lane No. 1 on Trap No. 1, Lane No. 2 on Trap No. 2, Lane No. 3 on Trap No. 3, and so forth over all the traps. Preserving the continuity of lane changing on each visit to the traps. This Rule shall also apply to double-rise.

TIES.

Rule No. 73. — All ties shall be shot off squad system, first miss-out. The club at its discretion may require the shoot-off to be run over the same number of traps and in the same manner in which the event was shot. Shooters shall be squadded in the same order of priority in which they qualified. Shooters are to be resquadded at the start of each run over the traps. This Rule shall apply to double-rise also.

UNFINISHED COMPETITION.

Rule No. 74. — Should darkness, bad weather, or other cause, interfere with the competition, the management shall have the right to decide how and when the competition shall be continued, provided that it is not postponed longer than 14 days. Any competitor who defaults in respect of such postponed competition forfeits all his rights and standing therein.

OFFICIAL DECISIONS.

Rule No. 75. — Every person entering competitions agrees to accept all official decisions, and to abide by the rules controlling the competition.

ALTERATION TO TRAP.

Rule No. 76. — Any member of the Executive Committee of the Association or official referee attending any shoot under A.C.T.A. Rules shall have authority to adjust any trap immediately should it not be throwing regulation targets. Immediately any such alteration has been made, a target to be thrown and the competition to continue.

STANDARD EQUIPMENT.

Rule No. 77. — Concrete blocks and measuring sticks for measuring height of targets are required to be standard equipment for all clubs. A peg at least 2 feet high is required to be placed, dead centre in front of trap at 50 yards, as an aid to determining distance targets are being thrown.

HANDICAPS.

Rule No. 78. — Club handicaps must be not less than Association Handicaps.

SWEEPSTAKE DEDUCTIONS.

Rule No. 79. — Permissible deduction from sweepstakes by clubs, in club contests, shall be not more than 50 per cent. (inclusive of targets).

Rule No. 80. — No deduction is permitted by clubs in optional sweepstakes.

OWNERSHIP OF UNBROKEN CLAY TARGETS.

Rule No. 81. — All clay targets — broken or otherwise — at all times remain the property of the club and not the shooter. The shooter only pays for the privilege of shooting.

SHOOTING AT PIECES.

Rule No. 82. — Unless, in the opinion of the referee, it is contrary to the equity of the competition, a competitor taking part in a competition may shoot at the pieces of HIS OWN TARGET, if he so wishes.

SHOOTER'S ENTITLEMENT.

Rule No. 83. — If a shooter withdraws or is disqualified from a competition, he forfeits all rights to resume. When a competitor has withdrawn, during any part of a competition, the tracks to be at once closed up.

SHOOTING UP.

Rule No. 84. — "Shooting up" after the first round of a competition is not permitted in any circumstances, except in the instance of shooters taking part in the annual International Match.

REGISTRATION OF SHOOTERS.

An excellent programme has been arranged, with the Riverland double-barrel title taking premier interest. The club will also shoot its Club Deauville Doubles Championship, followed by the W. E. Ekins & Son Trophy. Shooting will start at 12 noon, and a barbecue tea will be provided. Shooters attending the Mildura two-day series over the same week-end are reminded that Barmera is only 108 miles from Mildura, and the Barmera fixture should provide an interesting Sunday outing. Programme is as advertised. Enquiries to club Secretary, Peter Caddy, Barmera, S.A.

The Coolah Gun Club in New South Wales has suffered a severe loss through the passing of its Secretary/Treasurer, A. E. Regan. Arthur Regan was a foundation member of the Coolah Gun Club and was very well known to gun and rifle shooters in the N.S.W. Central Slopes, Northern and Western areas. He had been a successful gun shot for the past ten years and his efforts on behalf

of the Coolah members will be long remembered. The club staged its autumn shoot on May 23 and included in the programme was the A. E. Regan Memorial Trophy event. Many took part in memory of a sterling worker for the sport and Coolah Club in particular. The A.C.T.A. extends deepest sympathy to his relatives.

Mendooran Gun Club (N.S.W.) is staging an all-day shoot on Saturday, June 20, commencing at 10.30 a.m. In a very big programme two major events of considerable interest are listed. Writing from Rocklea, Brisbane, K. J. Schofield says, "I enjoy reading your shooting 'News', as I have found some very good hints in gun handling. I have not been in the sport very long, but find it very interesting."

Members of the Colac Gun Club in western Victoria are mourning the recent passing of one of their stalwart members in Theo Norman.

Norman was a life-member of the Colac Club and a past president. A grand sportsman, Norman was one who took a great interest in the welfare of youth and devoted much of his time to the St. John's Boys' Club at Colac. Several years ago Norman, with his wife, made a camp site available to the afore-mentioned Boys' Club. The original site of the camp near the Gellibrand River was destroyed by fire in 1962, and at present a rebuilt larger and more permanent structure is being built. Norman had many sporting interests, not the least of which were his connection with the Gellibrand Cricket Club and Barwon Downs and Rovers tug-of-war teams. Deepest sympathy is extended to his widow and family.

A shooter writing from Brisbane states that he was discussing double-rise clay sparrow shooting with his "better half". The gracious lady, summing up the difficulties, suggested as they were so small, four or five targets should be thrown up at

the one time. On being informed that only two cartridges were allowed in the gun, the lady remarked, "I suppose the real difficulty would be to tell which ones to hit." The shooter had visions of bent or multiple barrels to catch five of the targets. Finally the lady advised the shooter, "Could you not swing?" The shooter expresses himself as being quite rude and laughed loud and long as his wife made right-to-left movement of the arms. The shooter concludes that he does not know what we would do without our women-folk.

Air-guns are not permitted in Eire by anyone under the age of 16 years. The ban was introduced by the Eire Government. All air-guns not covered by certificates were required to be surrendered by the end of March last.

A Darwin club report indicates that the sport of clay target shooting is developing faster than was originally anticipated. Many new shooters are attending the Darwin Club fixtures, including some lady shooters.

Notable among the lady shooters is a nursing sister from the R.A.A.F. Station, Sister Beth McGhie. This sporting sister has only shot on a few occasions, but is improving on each visit. Her skill is revealed in her scores of 9/10 single-barrel from 16 yards, 23/30 under points scoring from 18 yards and similar efforts. It is expected that I.C.I. Ltd. will, later on in the season, despatch one of its demonstrators to Darwin for the purpose of running a school in that area.

Camberwell Clay Target Club, shooting on its regular venue in Thompson's Road, off Bulleen Road, North Balwyn, just north of Melbourne, advertises details of its forthcoming programmes during June and July. All shoots will start at 1.45 p.m. on Saturday, June 13; the club double-barrel intermediate title is main interest. On June 27 the club tyro championship, 15 birds from 14 yards, will be restricted to shooters who have never won a clay target championship and are handicapped at no greater yardage than 16 yards. The Metropolitan double-barrel sparrow title will be decided on the same programme. Johns, 1 Soudan Street, Malvern, S.E.4 ('phone 50-6511). President is G. J. Jones ('phone WF 7775).

Also 100 trap load shells will be awarded to each of the yardages, 12, 15, 16, 19, 20, 23, and 24 yards and over. Altogether a very good programme, which is as advertised. Enquiries to club Secretary, Vern Lawford, 290 High Street, Shepparton, V. President is Bob Mitchell.

Many shooters throughout the Commonwealth will regret to learn of the sudden passing of Malcolm Johnston, formerly of Rockhampton. Johnston competed at the recent Maryborough shoot and had success when he won the Queensland Intermediate Double-barrel Championship. Just after winning this event Johnston walked with his wife towards the luncheon room, when he collapsed and died immediately. Johnston was a much travelled shooter and had visited as far south as Melbourne for the big National championships series some years ago. It is recalled that Johnston travelled to Melbourne by plane, and arriving at night, he remarked to others the next morning that the sight of the lights of Melbourne coming in by plane after dark was worth the trip alone. OUT OF THE PAST

TWENTY FIVE YEARS AGO

In what was reported at the time to be the "best news for years" advice was received from England that Australia had been accepted as an International contestant. In the initial match in June 1939 teams were 25 men a side, with the best scores to count. Australia did not produce a very brilliant performance in its initial effort, running second last.

The Commonwealth Mixed Birds title of 1939 was won on the old Bentleigh grounds by the veteran retired bank official, Les L. Schilling. The runner-up was the late Jim Wildman, who used the shooting name of "Walsrode". Schilling won after a double tie with the runner-up.

D. B. O'Callaghan, still a prominent trapshot, won the Nobel Club's

single-barrel championship at West Footscray (V.) from Geoff. Rutledge.

At King's Meadows, Launceston (Tas.) the Commonwealth double-barrel title was staged on the Apple Isle for the first time. Victory went to Victorian shooter, Jack Bryant, 23/25, from Pat Reid of Seymour (V.) and the late Lew Bertram. The occasion was the first time that Victorian shooters in a body had invaded the Tasmanian shooting arena, and the result was an all-Victorian affair. The writer well recalls the trip across Bass Strait in the old s.s. "Taroon". (Flying was in its infancy in those days.) There were high-jinks in plenty the night following the championship and several who were there vividly recall the uneasy feelings experienced the following day.

FIFTEEN YEARS AGO

Cabled advice was received in Melbourne in mid-1949 that Australia had won its first International Match. Telephones ran hot when the news was announced over the B.B.C. in the official news of the day. The Australian Team had shot at East Burwood during March 1949 and the best 20 scorers had averaged 91.6 per man, an excellent score for the period. The Home Country teams (which at that time were the only other participants) shot at Barry,

near Dundee (Scotland).

High-gun for Australia was the Glenorchy (Tasmania) shooter, R. Redpath, who registered the creditable score 97/100. Jack McCraith was second high-gun, 96/100, followed by A. E. Poxon (Launceston, Tas.), 95/100. A. F. Burns (Melbourne), Newton Thomas (then of Townsville, Q.), Fred Brook of Gulgandra, N.S.W., and Keith Cameron of Roma, Qld., all carded 92/100.

TEN YEARS AGO

A £50 Handicap at Collarenebri (N.S.W.) was cut by W. Turner, J. Thompson, G. M. Buchanan, R. J. White and J. Crighton, all of whom returned possible scores of 30 straight. Strangely, a second similar event shot the following day was cut by the same shooters.

Dick Wightman, a former Chairman of the A.C.T.A. Executive Committee, won the North Central District D.B. Championship at Alexandria, V. He carded the only possible.

Shooting at Moree, N.S.W., R.

Williams returned the perfect score of 45/45 to win the Gwydir District D.B. Championship.

The 1954 County of Cumberland Double-rise Championship, shot at the Royal Aero Club of New South Wales, was won by W. Craig from the late Frank Singleton and Mick Smith.

At a Mangoplah shoot (N.S.W.) T. C. Wilkinson of Wangaratta ran up a break of 87 straight before missing.

The AIR-RACE

A PARTICIPANT'S REPORT.

(Exclusive to "News")

Secretary, A.C.T.A.

Dear Bill,

The R. M. Ansett Air Race is now history; we have all returned home safely and have to some people thinking at last returned to some form of sanity. Of course, the critics always feel most events, sporting or otherwise, in which they do not participate is only a form of madness. In this category are listed: Clay Target Shooters, Sydney-Hobart Yachtsmen, Melbourne Cup, Air Races, Car Trials, Beer Drinking, Dancing and Movies; in fact, anything which you enjoy — well, it's definitely bad for you.

I now propose to give you a full resume of my participation in the Air Race, which you may care to publish in the "Shooting News" as a point of interest to the many airmen who are clay target shooters.

I was among the first to nominate for the Race from Newcastle, and I decided to take Ray Morton along as navigator. Ray, as you know, is Secretary of Newcastle Gun Club. As, is commonly known, Secretaries always get the blame, I felt that if we got lost or did not do well, I could then quite correctly blame Ray, as Secretary-Navigator.

My old 1936 Stinson Reliant was given a very thorough check-over by the Royal Newcastle Aero Club's aircraft engineers, who did an excellent job. I, in turn, commandeered a couple of my apprentices and myself (supervision) and we completely cut and polished the whole aircraft from top to bottom. I once heard it said that it was a big job to wash an elephant; well, Bill, I can assure you, to wash and cut and polish old Charlie Whisky Mike was the equivalent to five elephants.

We decided to go to Archerfield a couple of days early, as I had business to conduct in Brisbane. This proved to be a very wise decision. We left on Wednesday, 25th March, 1964, flight planning to go from Newcastle to Tamworth, Inverell, Toowoomba, Archerfield; well, old Jupiter Pluvius took a hand and we were advised at Tamworth to amend our flight plan and go direct to Archerfield from Inverell. We took this advice, only to be frustrated by low cloud and storms over the Ranges 35 miles from Archerfield; we then had to return to Inverell for the night.

On landing at Inverell we found we were no orphans; we had plenty of company; we (I refer to all grounded airmen) took over an hotel, spending a most enjoyable evening with our new-found brothers. I will never forget Inverell; I learnt how to solve one of the furniture manufacturers' problems, beds that sag in the middle. Many thousands of pounds and many thousands of man hours have gone into research in overcoming this problem. Well, Inverell has the complete and most effective answer. Yes, just nail a piece of 3 x 2 underneath. You may break your back, but I will guarantee the bed will not sag. Sleep or comfort — don't be silly, it doesn't come into it; the cardinal point is, "the bed won't sag".

Next morning we were airborne by 9 a.m., and were across the dreaded Ranges by 10.15 a.m., only to be advised by radio that Archerfield and Brisbane aerodromes were closed because of a rain storm, which was expected to last about thirty minutes. As we had plenty of fuel, we elected to orbit Kalbar, a small town about 30 miles out. At 10.50 a.m. we were advised that Archerfield

was open, and we made it by 11.10 a.m. We went straight to the parking area, where five other competitors were already parked.

We then cleaned up our paper work and, fortunately, had all documents in correct order as required; we were soon cleared and given the Official Race Number, 71; we then were able to sit back and have a bit of fun watching some of the not so fortunates.

We were made very welcome by the Flying School, known as the Air Academy; their club rooms soon became headquarters for most of us. Our many thanks and appreciation go to them for their hospitality and meals, especially the early 4 a.m. breakfast.

It rained and rained and rained; the start was postponed twenty-four hours. Twenty-four hours later we eventually were all assembled at 5 p.m. on Saturday for the briefing. Well, I was in the first Redex Trial and I saw some weird and wonderful gear for navigation, etc. This Air Race was no different; I didn't know so many computers were made. Also, you would have to see it to believe that a map could have so many combinations of rollers, cartons, plastic bags, etc., etc., just to make it easier to read, or should I say misread?

During the briefing we were all handed Flight Plans, which were to be filled in and then checked by the Controllers. Well, it was well worth watching some of the crews, consisting of three or four persons, each one with his own special computer, each one coming up with a different answer, the arguments, etc., as to who was right, which figure should they use in the Flight Plan. I thanked my lucky stars I only had Ray Morton with me.

The Big Day came. All cabs in Brisbane were booked; everybody wanted a cab at 4.30 a.m.; fortunately, we were lucky, we booked ours for 4 a.m. breakfast as soon as we got to the ground, final briefing at 5 a.m., then check the aircraft over, etc., and right on the dot of 6.30 a.m. the first planes were away. They

sent the slowest ones first—about twenty of them—then the fastest, then the field. Each plane left at one-minute intervals, right on the dot. The organisation was terrific—no hitches.

We were flagged out at 7.31 a.m.; the weather was far from the best—low cloud, with rain storms every now and again. The first check in point was Toowoomba, where you had to identify a marker on the ground. The marker would be in the form of a number or letter, and was changed from time to time. We all had to record on P.A. card supplied the marker and the time.

On arrival at Toowoomba we had difficulty in finding the aerodrome; all the fields looked the same, and we lost four precious minutes circling before we found the aerodrome and the marker.

We then changed, heading, setting course for Inverell. On the way to Inverell we were passed by another aircraft, who was spot on course, and when he was about twenty miles from Inverell he saw Ashford about twelve miles on his right; he apparently mistook this town for Inverell; thinking he was off course, he turned at right angles and headed for Ashford, and, needless to say, we beat him into Tamworth.

Coming into Tamworth was quite an experience; this was a compulsory landing point; there were aircraft all over the place. Planes coming while others were taking off. D.C.A. did a wonderful job, their Control was superb. We landed on the grass strip on the left, while the others took off on the right. The Aero Clubs handled all the parking and refuelling; this again left nothing to be desired. We had made good time to Tamworth.

We took off from Tamworth at 12.35 p.m. on the next leg to West Maitland, a section which is very well known to me; on this leg again we were passed by yet another hasty aircraft, which was also spot on course. When he was abeam Singleton he turned 90° and went straight for Singleton; we then saw him follow the rail line down through Branxton and Greta, and then, to our

amazement, he turned off again and flew to Cessnock. Whilst the weather was quite fine, there was a lot of haze, which obscured Maitland until we were about ten miles out. We saw this chap circle Cessnock, and when we turned around the Maitland N.D.B. we saw the aircraft headed over the Newcastle Steel Works. Needless to say, we had no difficulty in identifying the marker at Maitland. We landed at Bankstown at 2.14 p.m., this making a total time of 4.25, which, when corrected on handicap, was 2.48. The four prize winners on the first day had corrected times of 2.31-2.42.

Briefing again at 5 p.m. for the next days, Bankstown to Moorabbin, this was a complete repetition of the first day — the same fellows with the same problems. Again our thanks go to the Royal Aero Club of N.S.W. and their wonderful catering staff, some of whom were on duty over twenty-four hours straight, getting us meals and again an early breakfast, 5.30 a.m. this time.

Again the first plane was away at 6.30 a.m., and we took off at 7.35 a.m. The trip to Wagga was most pleasant, flying over the ranges to Goulburn, the patches of fog in the valleys looking very pretty. A marker had to be identified at Goulburn; you saw the great contrasts in the country on this leg: the dairy farms, sheep grazing, cattle country, hills and mountains, Burrinjuck Dam, which incidentally look very small from the air, the rugged Kosciusko Mountains in the distance on our left, as you leave Goulburn to run into the flat wheat lands. All in all, a most interesting section of country to fly over.

We left Wagga and headed for Mangalore, then through the Kilmore Gap, down the light aircraft corridor to Lilydale and finally Moorabbin; we were one of the lucky ones who made Moorabbin that night. While we had clear skies from Sydney to Wagga, all aircraft were held at Wagga owing to fog in the Kilmore Gap. This fog lifted, only a little later to change into low cloud and rain. We flew a compass course all the way, using our Directional Gyro

to help keep us spot on track. Very conscious of the fact that while we could not see them, the Dandenong Ranges were on our left, which we had to keep away from, as we had to fly at 1,500 feet to maintain visual flight regulations, while if we were a little too far right, we would be in the Essendon Control area. Nevertheless, we made it.

Briefing, etc., for the final day was just the same; we all received our instructions. Ray and I were booked in at the Motel De Ville, and we were very glad to get in and have a bath and, after a couple of phone calls, get to bed.

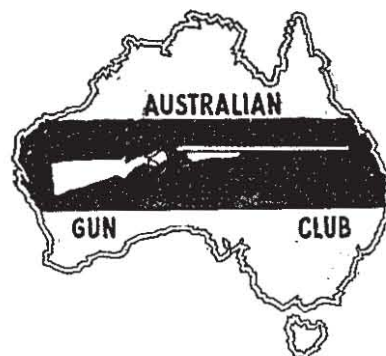

Next morning the weather had cleared up completely, and we took off into clear skies on the leg to Nhill, and, strange as it may seem, this was the hardest navigational leg; for some unexplained reason, a lot of chaps went astray; some ended up at Castlemaine after following the wrong rail line, while others overshoot Nhill.

This was the only leg in which we were not spot on course; when abeam of Ballarat I felt we were drifting more than anticipated to the left, bringing us closer to Ballarat than we should be. I then made a correction to heading, which proved to be the thing that put me off course; we came out with Dimboola on our left about two miles instead of it being about eight miles on our right. I was most upset at this, as I derive a great amount of satisfaction from navigation. Still, I had a lot to be thankful for, while off course I was not lost and made Nhill without any trouble, and not like another competitor I know of who made the same error as I did at Ballarat, only his correction was double mine. He then set a compass course to bring him back to Nhill, only when about twenty-five miles out, saw a large town which he felt sure was Nhill, so he ducked off to it, calling the tower up for landing instructions, etc., only to find there was no aerodrome — a most embarrassing situation, as you can hear all the other aircraft getting their instructions, you, of course, having received yours in reply to your request.

We arrived at Parafield without any further straying, flying over 90 miles of featureless desert before you can get a check point of any kind. A wonderful sight it is to come on to the wheat fields and then the Murray River at Bow Hill.

To me a great point of interest is the magnificent manner in which all the aircraft operated. There were 146 starters, one dropped out at Tamworth because his oil consumption was excessive, another four

pulled out at Moorabbin, not because of any malfunctioning or failure of their aircraft, but simply because they had recorded bad times, and as Moorabbin was home base, they could see no point in going on to Adelaide when they had no chance of winning anything. 141 finished at Adelaide. A very fine effort indeed. This speaks volumes for the reliability of the aircraft and pilots. Not one single accident or mishap. If we now look at the same picture with motor cars instead of 'planes, the number finish-

ing on time would no doubt be very different; also I doubt if it would be accident-free. I feel sure that the race will bring home to a lot of sceptics that the light aircraft is definitely the safest way to travel.

There were great crowds to greet us at Adelaide soon after landing. We were greeted by Vice Air Commodore Bill Garing; a great party was given to all airmen who competed. Bob Mules and his lovely wife

and family came out to welcome us, Bob bringing two parcels of the finest celery for us to take home.

Well, Bill, in conclusion, we won nothing, nevertheless we were not disgraced; we were close to the winners. It was a wonderful experience, one which I will never forget.

Best wishes and regards to all,

Yours sincerely,

DAN MOTT.

EXTRACTS FROM THE WRITINGS OF THE LATE W. P. GROSVENOR

(As written to A.C.T.A. Secretary in mid-1940's)

Have I at any time called attention to the fact that the "Professors" at our game of trapshooting do actually alter their "facing the traphouse" position at each of the five stands?

On reflection, the need for this is obvious, as, for instance, when at, say, No. 5, the bird cannot be much more than a straight-away throw when throwing fully to the left, but the right-hand throw is at an extreme angle to the shooter, so to minimise this latter, he shapes facing just a bit more to the right and so swings a bit more easily on to it. The reverse, of course, when on No. 1 position, and even at 2 and 4, it pays to remember it and might enable at least a couple more targets in the 100 to be added to the score. The actual "100 straight" wants doing, indeed, and one should be proud when, one day, the gods vouchsafe to grant it to a shooter. A 25 straight will probably elude all but the older shooters for some time. But, believe me, that once it has been achieved it will be easy to do it again and again. The good shot jumps with a bound into the magic circle of the "elect" and he will be hearing at open meetings such remarks as "Watch that chap, he can shoot", and the like.

Of course, one pretends to be quite indifferent to the admiration of the onlookers, but, human nature being what it is, some of us — including

myself — were not exactly hurt when being noticed.

I might add a "Golden Rule" here to these little bits I am throwing around. In the name of all that is good, be sure that you (the shooter) is not one of those talkative nuisances one runs across now and again "on the line". From the time you first get on the mark, to the time the event has been concluded, the ONLY TIME you open your mouth is when you call "Pull", and this said call should be sharp and decisive, both for the benefit of the puller and yourself. The sharper the call, the quicker the response, and this to the improvement of your shooting. Referring again to the talkative "ass" — he will either mutter audibly to himself about the birds, his luck with them, his — cartridges, the puller, the referee, the light, and even go so far as to ask the poor chap on his left or right, "Where did I miss that one?" and so completely ruin the neighbours' concentration. Yes, it is generally this type who makes a hobby of going on to the line with less cartridges than necessary to finish the event, should he have more second barrels than usual. In fact, he is a damned nuisance all round: he will never be a shot himself and will completely ruin many good scores for other people.

ALBANY (W.A.), 5/4/64. — Weather conditions: wet and cold. Results: 10-bird D.B., 10-bird S.B.: J. R. Downer, 23/30, 1st; R. McCarthy, 21/30, 2nd; J. Cameron, 20/30, 3rd.

The newly formed Albany Club held their three-weekly shoot on Friday, April 5, under damp and dismal conditions. However, the attendance was satisfactory and some quite good shooting was witnessed. Two new members, Ross Pratt and Vic Torren, were welcomed.

A pleasing feature of the shoot was the gallery of interested spectators. Some of them, no doubt, will swell the membership list at some future date.

26/4/64. — Weather conditions: good. Attendance: 10. Results: No. 1, 10-bird D'ville Doubles: J. Downer - R. Pratt, 8/10. No. 2, 20-bird D.B.: J. Thompson, 15/20, 1st; L. Chandler, 13/20, 2nd; R. Harrison, 12/20, 3rd.

Albany Club held a shoot of 10-bird D'ville Doubles and 20-bird D.B. D.T.L. on Sunday, 24/4/64. Although the scores were not high, the majority of the club members are in their first few months — or even weeks — of shooting and more will be heard from them in the future.

Once again quite a few interested spectators were in attendance.

(F. G. Harrison, Hon. Sec.)

ALEXANDRA (S.A.), 3/5/64. — Weather conditions: windy. Attendance: 43. Results: No. 1, 10 targets: div. K. Wait, J. Stone, W. Starling, R. Kimber, B. Mutton, G. Hall, C. Chiantore, 10/10, div. No. 2, 30-target State D.B. C'ship: 1st, W. Starling, 31/31; 2nd, K. Burzacott, 30/31; 3rd, C. Hollow, 55/57; 16 yds. and forward, div. A. Scott, L. Kleinig, 26/30. No. 3, 10 targets: 1st, A. Scott, 10/10; 2nd, div. P. Mules, G. Squires, L. Kleinig, S. Ridge, R. Treloar, D. Hunt, G. Vaughton, 9/10.

With shooting conditions far from good, 35 shooters took part in the State D.B. C'ship which was won in (when the weather is considered) brilliant fashion by Bill Starling, who incidentally had a real day of form. Ken Burzacott, in second place, also shot well, and Cal Hollow, in third place, really had opposition to overcome in his shoot-off.

Our congratulations to all the winners and our grateful thanks to our many visitors for their attendance. We hope you all enjoyed yourselves as much as we enjoyed having you. Thanks also to the ladies for their efforts; it's much appreciated by all.

(J. G. Ward, Hon. Sec.)

APSLEY (V.), 25/4/64. — Weather conditions: windy. Attendance: 28. Results: No. 1, 5-bird H'cap: H. McLeod, H. Williamson, A. Cooper, L. Williams, R. Kilpatrick, R. Wilkie, G. Squire, S. Durbridge, 5/5. No. 2, 15 Trophy H'cap (10 birds Pts.): 1st, E. Diamond, 16/17; 2nd, K. Roberts, 15/17; 3rd, J. Miller, 11/12. No. 3, R.S.L. Trophy H'cap: 1st, R. Diamond, 36/36; 2nd, C. Copping, 35/36; 3rd, R. Kilpatrick, 20/21. No. 4, Trophy H'cap (10 birds S.B.): 1st, P. Cleggett, 14/14; 2nd, A. Miller, 13/14; 3rd, B. Robinson, 11/12. No. 5, 5 prs. D/R.: H. McLeod, A. Miller, P. Cleggett, 4/5. No. 6, 5 prs. D/R.: R. Kilpatrick, R. Wilkie, T. Reschke, 5/5.

A good attendance of shooters and spectators for our annual Anzac Day Legacy shoot. Ron Diamond was in good form, winning the first two events. Congratulations, Ron.

Many thanks to all those who donated trophies; practically all were donated. Thanks to all those shooters who came along and made the shoot a great success — nearly a £100 profit for Legacy.

(H. A. Miller, Hon. Sec.)

AUSTRALIAN (V.), Sat., 4/4/64. — 74 shooters: fine, clear day. 10-bird Pts.: P. Hanrahan and C. Oke, div. 30/30, with A. Finlayson, R. Falcke, R. Maybury, M. Golding only one second barrel behind, 29/30. Metropolitan D.B. Intermed. C'ship attracted 47 entries and was won well by the D.T.L. ground captain, D. Edgerton, 50/50, from M. Thomas, right on him, 49/50; M. Golding scored 41/42 to take third trophy. 10-bird D.B. H'cap: cut by 10 possibles. The Skeet attracted a big field of good shooters, and the first H'cap was cut: D. A double-rise event had many shooters "scratching" and only two marksmen, Ernie Field and Chris Bradley, hit possibles.

The number of shooters was disappointing and the standard of shooting was not up to standard, but everyone had a good day and night shooting that was greatly enjoyed. The ladies did a mighty job in providing afternoon tea and supper and to keep it going for the long day.

BOORT (V.), 18/4/64. — Weather conditions: good. Attendance: 14. Results: No. 1, 5-bird P.D.: W. Makeham, A. Rothacker, S. Schlitz, 15/15, div. No. 2, 5-bird P.D.: J. Kerr, R. L. Manuel, W. Makeham, J. Cumming, 15/15, div. No. 3, 15-bird Novelty: W. Makeham, 1st; S. Schlitz, 2nd; J. Cumming, 3rd; A. Rothacker, F/M.; Mrs. R. Manuel, ladies'. No. 4, 5 sparrows S.B. H'cap: H. Toose, J. Piccoli, W. Makeham, 5/5, div. No. 5, Novelty: R. L. Manuel. No. 6, 5 birds (off 27 yds.): H. Toose, E. I. Whytcross, 4/5, div.

Not a very big field for the first of the day shoots this season, but those that turned up had a lot of fun. Bill Makeham beat Silvy Schlitz in the shoot-off for the first trophy. Makeham shot consistently all day and deserved his win; the unlucky one was Schlitz, a very improved shooter, who missed the second last bird of the 15 and then "faded" in the shoot-off. More will be heard of this bloke in the near future. Experienced Bendigo shooter Jock Cumming was third, with local club President getting the front markers'. Mrs. Roby Manuel worked very hard to win the ladies' trophy and was suitably rewarded by Bill Makeham. Thanks, all, for your help.

(E. I. Whytcross, Hon. Sec.)

BRISBANE (Qld.), 26/4/64.—Weather conditions: excellent. Attendance: 32. Results: No. 1, 20-bird D.B.: 1st, H. S. Smith, 39/39; 2nd, A. Chesney, 38/39; 3rd, D. Ross, 30/31. No. 2, Chesney Shield (20-bird D.B. Pts.): South Coast team, 280 pts.; High Gun, D. Evans, 60/60 pts.; best 12 yds., E. Knauer, 58 pts. No. 3, 10-bird S.B.: div. R. Hogarth, F. Lang, J. Middlemas, G. Hogarth, J. Herman, D. Ross, J. McCarthy, 10/10.

South Coast, Sporting Shooters and Ipswich Gun Clubs were well represented at the Inter-club Teams' Shoot last Sunday, when it was our turn to be host, and it proved once again that the Chesney Shield (per favour of Alex) is fostering good attendances around the various clubs.

The South Coasters, who were holding the Shield from the last month, came with great confidence of keeping it, and, sure enough, they did — by one point from the Sporting Shooters. Fred Lang, George Hogarth, Judge Stanley, Keven Schofield and Brian Norris deserved the honours as the winning team.

Congratulations to David Evans on his High Gun win with the only possible (60 points), and to Ted Knauer for being the best 12-yard shooter. Both are improved shooters. There were four shooters with the possible in the D.B. event, which Stuart Smith won.

We are very sorry that, owing to a transfer to North Queensland, we have lost the services of our former competent Secretary, Stan Tapsall. Stan was a "tower of strength" to our club, and we will truly miss him and his wife, Jill.

Trevor Bishop is now the club Secretary, and we are grateful for his offer to help. The President conveyed our thanks to Mrs. Leila Hogarth for her kind assistance to the new Secretary.

The seats provided by Barney Deignan were very much appreciated. Thanks, Barney, for your thoughtful gesture.

Peter Anderson appears to be returning to his previous form. Jack Gray was very consistent. Nice to see Gordon Horrocks take off the main event. Ross Christiansen, Mel Rackemann, Earle Faint and Bruce Parker, new members, shot very well.

(Mrs. D. L. Horrocks, Hon. Sec.)

Basil Douglas won his first sash and title. The pairs were not easy and under the conditions it was a most meritorious performance. Bill Gresselle shot well all day to be just out of the trophy list, but shot the possible in the Pts. Dec. Not a bad effort for a 75-year-old.

Thanks, ladies, for a fine afternoon tea.

COLAC (V.), 4/4/64 (Day). — Weather conditions: fine. Attendance: 24. Ace Geelong shooter Jack Ford out-shot a good field by shooting 28/28 to win the coveted main trophy. Ford's win was not surprising, as he recorded a near-miss in the car shoot conducted at the Hay Club, N.S.W., at Easter. Cressy shooter and Secretary, Ray Bath, was second, 27/28, and Colac Club President, Ern Osborne, third, 19/20.

The shoot was conducted under the "Sergeant" or five-trap system and the scores recorded were particularly high, as this type of shooting calls for high skill, with the elusive clays travelling in all directions from different traps.

Scores: 4 birds: div. A. McSween, R. Bath, N. Flowers, M. Pascoe, E. Osborne, G. Tucker, N. Davis, I. Holt, 4/4. 8 birds: 6 possibles: J. Ford, 1st, 28/28, 1st; R. Bath, 27/28, 2nd; E. Osborne, 19/20, 3rd; others in shoot-off: A. McIntosh, 12/13; G. Norman, 11/12; W. Branagh, 9/10. 10-bird D.B. D.T.L.: 8 div., 10/10, A. McSween, S. Thompson, N. Flowers, I. Holt, R. Green, W. Branagh, L. Jacobs, G. Norman.

Feature of the day's shooting was the continued good form of the Colac Club President, Ernie Osborne. From the opening he had a break of 31 birds until he missed in the tie shoot.

COOTAMUNDRA (N.S.W.), 21/3/64. — Weather conditions: a calm, mild night. Attendance: 17. Results: No. 1, 5 birds: S. Bell, F. English, M. Lynch, P. Knight, A. Sheather, R. Lynch. No. 2, 10-bird D.B.: J. Thompson, S. Bell, T. Johnson, J. Forsyth, F. English, P. Knight, A. Sheather, F. Chudleigh, M. Lynch. No. 3, 15-bird D.B. Trophy: 1st, J. Forsyth; 2nd, T. Johnson. (Tom Johnson, Hon. Sec.)

CRESSY R.S.L. (V.), 11/4/64. — Weather conditions: fine. Attendance: 24. Results: No. 1, 5-bird P.D.: L. Reicha, I. Holt, S. Walker, M. Pascoe, R. Green, G. Kirkpatrick, G. Donohue, 15/15. No. 2, 20-bird D.B.: C. Batt, 22/22; N. Davis, 21/22; M. Pascoe,

46/47; F.M., G. Donohue, 18/20; M.M., K. Fenton, 19/20; B.M., A. McIntosh, 39/41. No. 3, 15-bird D.B.: S. Walker, R. Green, A. Finlayson, B. King, 23/23, div.

Shooters from St. Arnaud, Cobden, Noorat, Geelong, Colac, Ballarat, Beaufort and Barwon Heads had an excellent day for shooting, but no high scores were shot. Only two shooters managed to shoot their 20 birds in the main event, N. Davis and C. Bath, but our local lad proved too good for Noel in the shoot-off. M. Pascoe had a much harder battle for third position. Congratulations, boys, keep up the good work.

Thanks once again to the ladies for their usual enjoyable afternoon tea.

(R. H. Bath, Hon. Sec.)

CROOKWELL (N.S.W.), 22/2/64. — Weather conditions: fine. Attendance: 24. Results (Afternoon): 5-bird D.B.: div. F. Willis, H. Anderson, C. Harries, G. Plumb, T. Gay, N. Churchill, 5/5. Night.—No. 6, Crookwell and Dist. D'ville Doubles C'ship: 1st, W. Mackey - T. Gay, 78/78; 2nd, H. Anderson - K. Ridley, 77/78. No. 7, 10-bird D.B. Trophy: 1st, N. Nicholson, 25/25; 2nd, W. Mackey, 24/25.

Disappointing attendance for our February open shoot. Bill Mackey (Adaminaby) had a most successful day. Harry Anderson shot very well and was the pick of the locals. Tas Gay combined well with W. Mackey in shooting his 78 in the D.D. C'ship.

28/3/64.—Weather conditions: perfect. Results: No. 1, 5-bird D.B.: div. C. Hall, R. Howlett, Jim Medway, C. Harries. No. 2, 5-bird D.B.: div. G. Plumb, F. Willis, C. Harries. No. 3, 5-bird S.B.: div. H. Seerey, R. Howlett. No. 4, 10-bird D.B. Trophy: 1st, C. Hall, 19/19; 2nd, C. Harries, 18/19. No. 5, 10-bird D.B. Trophy: 1st, Jim Medway, 10/10; 2nd, R. Keith, 21/22. No. 6, Box Sweep: C. Harries, 8/8.

Only a small attendance at what could be our last night shoot until next September or October. All participating shot well, with Russell Howlett showing top form. Congratulations to Chas. Hall for his trophy win, also Bob Keith, who, having a shot after about a ten-year spell, showed he can still point the gun in right direction.

(Frank A. Willis, Hon. Sec.)

CROYDON (V.), Charity Shoot, "Monk-kami" Spastic Home, Croydon, 11/4/64 (Day) — Weather conditions: perfect. Attendance: 82. Results: "Monk-kami" D.B. C'ship (20 birds): 1st, W. R. Johns, 102/102; 2nd, W. Henwood, 101/102; 3rd, W. Lonie, 52/53; 12/14 yds., J. Glover, 31/32; 15/16 yds., R. Henwood, 30/31; 17/18 yds., A. Buskauskas, 43/44; 19/20 yds., W. Perry, 39/40; 21 and over, J. H. Anderson, 33/34.

A spontaneous response of shooters for a very charitable cause. Beautiful weather prevailed and a good afternoon of shooting—no less than 20 shooters scoring the possible,

and after a long and interesting shoot-off, Roy Johns carried off the sash and trophy from Bill Henwood and Bill Lonie respectively. Our congratulations to the place-getters and also to the winners of the respective yardages.

A word of thanks to all the shooters who came along and supported such a worthy cause, and also to the generous donors of the trophies, which were greatly admired by all and well worth competing for. An excellent job was carried out by the ladies of the committee, who were assisted by other shooters' wives.

11/4/64 (Night).—Weather conditions: cold, but fine. Attendance: 49. Results: "Monk-kami" D.B. Night C'ship (20 birds): 1st, N. De Lorenzo, 25/25; 2nd, W. Williams, 24/25; 3rd, K. Garth, 22/23; 12/14 yds., T. De Lorenzo, 23/24; 15/16 yds., T. Morris, 20/21; 17/18 yds., W. Dalzell, 20/22; 19/20 yds., J. Siede, 19/20; 21 and over, R. Hering, 51/52. High Gun, day and night programme: R. Henwood, 43/44.

A good ending to the shoot. The C'ship was shot off, 4 gaining the possible, and after another 5 birds, Norm De Lorenzo took first place from, respectively, Bill Williams and K. Garth. Congratulations to the three of them, and also to the yardage winners. Very pleasing to see Rupert Henwood, a member of Croydon, carry off the High Gun trophy.

Thanks to all shooters who supported such a good cause and put up with a freezing night.

15/4/64 (Night).—Weather conditions: fine and cold. Attendance: 30. Results: No. 1, 5-bird Pts.: div. 9 shooters, 15/15 pts. No. 2, Yarra Valley S.B. Night C'ship: 1st, R. Morrison, 23/24; 2nd, J. Moore, 23/25; 3rd, J. H. Anderson, 22/25; 12/14 yds., W. H. Ludbrook, 15/20; 15/16 yds., R. Henwood, 19/21.

Nice, comfortable crowd of shooters, four of whom shot the possible in the C'ship, and after four more targets Roy Morrison took the Sash and C'ship from John Moore and Jim Anderson. Congrats. to each of them. The ladies' trophy went to Mrs. Bill Henwood, a most ardent supporter of the club, and also a hard-working member of our ladies' committee.

25/4/64—Weather conditions: fine and cool. Attendance: 36. Results: No. 1, 4 pair D. Doubles: div. 5 pairs with 4/4 pairs each. No. 2, State Intermed. D'ville Doubles C'ship: 1st pr., B. Crookford - M. Bryant, 36/36 pr.; 2nd pr., C. Rittag - A. Senserrick, 35/36 pr.; E/M's, J. Henwood - W. Abbott. No. 3, 5 pr. D. Rise: div. E. G. Biggs, J. Henwood, 5/5 pair.

There was some good shooting for the C'ship. Our congratulations go to B. Crookford and M. Bryant, who won from C. Rittag and A. Senserrick after a good shoot-off.

A grass fire in the property opposite the gun club at Bolivar (S.A.) during the National Championships caused some consternation. Above is shown Bill Henwood giving a few hints. H. C. Durbidge (left), who gained a possible in the 1964 Grand Australian Handicap, is "holding the bag".

The lucky ladies to draw the winning pair were Mrs. T. Almond, the wife of our Referee, and also a member of our ladies' committee, and Mrs. W. Abbott, regular visitor to our shoots and willing helper to our ladies' committee.

29/4/64 (Night).—Weather conditions: fine but cold. Attendance: 19. Results: No. 1, 5-bird Pts.: div. 9 shooters, 15/15 pts. No. 2, Yarra Valley District Mixed Birds Night C'ship: 1st, R. Siede, 33/35; 2nd, W. Henwood, 32/35; 3rd, G. Innes, 25/30; 12/14 yds., K. Allen, 16/20; 15/16 yds., T. Morris, 16/20.

Two shooters tied scores at 18, with Ron Siede taking the sash and trophy from Bill Henwood and George Innes. Congratulations to all the place-getters. The lucky lady was Mrs. W. Henwood, a hard-working member of our ladies' committee.

DARWIN (N.T.), 5/4/64.—Weather conditions: fine. Attendance: 16. Results: No. 1, 5-target D.B. (16 yds.): W. Gartner, N. Geary, L. Jessup, F. B. Risk, P. Salter, G. Worrall, 5/5, div. No. 2, 30-target D.B. Pts. (16 yds.): 1st, F. B. Risk, 88/90; 2nd, G. Worrall, 87/90; 3rd, R. Viney, 86/90; F/M., B. Nicholls, 74/90. No. 3, 10-target D.B. (16 yds.): N. Geary, F. B. Risk, R. Viney, C. Kloubek, 15/15.

The main event of the day was the annual Dewar's Trophy, which was contested over 30 targets, points scoring, from 16 yds. This event was won in fine style by Mick Risk, who has just returned from a long holiday down south, and it appears that the break has put him right on form. It was a great disappointment to see Bill Gartner withdraw after shooting a very convincing 60/60 in the first two rounds. Conditions were very hot, and Bill became too ill to continue, which was bad luck for him, but possibly good luck for others.

It was very good to see such a nice trophy presented by Dewar's, and many thanks go to Bill Gartner for once again organising this trophy.

(A. G. Worrall, Hon. Sec.)

DORRIGO (N.S.W.), 5/4/64. — Weather conditions: rain and mist. Attendance: 10. Results: No. 1, 10-bird D.B.: W. Darley, 10/10; A. McClenaghan, 9/10; D. Whittaker, M. Kedzie, R. Beaumont, G. High Gun: A. McClenaghan, G. Seccombe, W. Darley, 41/45 — shoot-off: A. McClenaghan. Box Sweep: A. McClenaghan.

Some good scores turned in, despite the weather. Jack Seccombe once more showed us the way.

(W. E. Darley, Hon. Sec.)

DULACCA (Qld.), 2/2/64.—Weather conditions: good. Attendance: 12. Results: No. 1, 5 birds: A. E. Colson, L. E. Oliver, 5/5, div. No. 2, 10-bird S.B.: 1st, D. Oliver, 9/10; 2nd, H. Sparke, 8/10. No. 3, 10-bird D.B. Pts. (3 and 2): 1st, H. Sparke, 28/30; 2nd, D. Oliver, 26/30.

Quite a good roll-up. With good weather conditions the shooting was quite good at times. The above scores do not include a special shoot being conducted over three consecutive shoots. The first round is a 10-bird Kills event, in which Bert Colson is leading with a clean score of 10/10. Keep it up, Bert; must be the new gun doing the trick.

1/3/64.—Weather conditions: good. Attendance: 10. Results: No. 1, 5 birds: 1st, A. E. Colson, I. McKay, 5/5, div. No. 2, 10-bird S.B.: 1st, L. F. Oliver, 9/10; 2nd, C. Tongue, 8/10. No. 3, 5-bird Walk-up: 1st, L. F. Oliver, 4/5; 2nd, H. Sparke, 3/5.

In the second round of our special shoot Bert Colson is still leading with a score of 35/40. Watch it, Bert; Howard Sparke is breathing down the back of your neck with 33/40. Only the single barrel to go now to decide the winner. See you all for the final on the 5th of next month.

5/4/64. — Weather conditions: good. Attendance: 11. Results: No. 1, 5-bird D.B.: 5 shooters 5/5, div. No. 2, 10-bird D.B. Pts.: 1st, H. Sparke, 26/30; 2nd, E. White, 24/30. No. 3, 15-bird S.B. Armstrong - H. Sparke, 8/9.

Today was the final round in our special shoot, Bert Colson went further ahead today and held off all challenges to win with a score of 47/55. Congratulations, Bert, from all members; maybe a yard or two, eh! Howard Sparke was runner-up with 43/55.

Clive Tongue joined our ranks today; won't be long before he shares in the prizes. Hope to see you all next month. A couple of £10 events will start at the next shoot.

(L. F. Oliver, Hon. Sec.)

DULVERTON (Tas.), 5/4/64. — Weather conditions: windy. Attendance: 10. Results: 25-bird Skeet H'cap: G. Richardson, R. Blake, 25/25; R. Monks, 23/25. No. 2, 5-bird D.B.: R. Blake, 26/26; F. No. 5, 10-bird D.B. (off 18 yds.): A. Adams, 18/18; R. Wighton, 17/18; F. Sulman, 14/15.

Although attendance was disappointing, a good afternoon was had by all. R. Blake, a young shooter, shot exceptionally well to share Shoot H'cap with G. Richardson. He then went on to win 5-bird D.B. and 15-bird Trophy with the only possible. R. Wighton shot well to win D. Rise with 8/9.

This score of 296 is the highest score to date registered in shooting for this shield. Good luck, Western District; I hope the Wimmera can return a similar score and take it off you next time.

We all had a good day's shooting. I must thank all those who helped to make this shoot run so smoothly. Thanks, chaps, for what you did. Also must not forget the ladies who served lunch and afternoon tea.

Shooters enjoyed good conditions for shooting and some good scores were carded. J. Kennedy shot well to score the only possible in the N.S.W. Intermediate S.B. C'ship. The club Secretary had to put his best foot forward to win the Riverina S.B. C'ship from G. Hanna (Hay). Griffith No. 1 team retained the Tyack Shield with the score of 95/100. The team: R. HUNTLY (V.), 4/4/64. — Weather conditions: good. Attendance: fair. Results: No. 1, 5-bird Pts.: J. Piccoli, J. Cumming, F. Doyle, R. Peacock, C. Radcliffe, C. Johnston, J. Johnstone, 15/15, div. No. 2, 20 Mixed Birds: 1st, F. Doyle, 19/20; 2nd, G. Ashman, 18/20; 3rd, T. Preston, 23/31. No. 3, 10-bird D.B.: O. Dowker, J. Cumming, 13/13, div. No. 4, 5-bird S.B.: T. Peacock, C. Johnston, 9/9.

Huntly conducted its monthly shoot in good weather, 20 shooters attending from surrounding districts. The main event, which consisted of D.B., S.B., S. Rise and Walk-up, was won by local shooter F. Doyle with the good score of 19/20, to give Frank his first win for some time, and a job first thing Sunday morning putting it on the wall, where his good wife marked the spot. Second place went to consistent G. Ashman, and third, young shooter T. Preston — with more shooting, would develop into a first-class shot.

25/4/64.—Weather conditions: windy. Attendance: fair. Results: No. 1, 5-bird D.B.: K. Shearer, G. Coyle, W. Makeham, E. I. Whyteross, F. James, O. Dowker, C. Johnson, J. Jones, 5/5, div. No. 2, 20-bird D.B.: 1st, J. Jones, 21/21; 2nd, J. Cumming, 20/21; 3rd, G. Ashman, 26/28. No. 3, 10-bird D.B.: 1st, W. Makeham, 15/15; 2nd, F. Doyle, 14/15; 3rd, J. Cumming, 10/11.

Huntly conducted a shoot for Legacy, but the response from surrounding shooters was poor for a shoot of this kind.

The main event saw only two shooters return full scores, the Treasurer and Secretary of club, who had a very short shoot-off, with the first trophy of a 62-piece dinner set going to the Secretary. The shoot concluded with a 10-bird Trophy event, which was won by Kerang shooter, W. Makeham, 15/15, from local shooters F. Doyle and J. Cumming, taking the minor prizes.

(J. E. Jones, Hon. Sec.)

IPSWICH (Qld.), 5/4/64.—Weather conditions: cloudy. Attendance: 22. Results: No. 1, 5 birds: 14, 5/5, div. No. 2, 20-bird D.B. Intermed. C'ship: G. Grieve, 28/30; S. Foote, 27/30; D. Evans, 20/22; J. Gehrman, 10/10; R. Porter, R. Slawson, 9/10. No. 6, Skeet: W. Devonshire, 17/25.

The weather did not look too promising at the beginning, but improved as the shoot progressed, and the scoring also improved with the weather. Congratulations to G. Grieve on winning the Club Intermed. C'ship; also to S. Foote, who shot off with Gordon for the honour of winning. Also to the other shooters who shot very well in the other events.

(K. G. Smith, Hon. Sec.)

KATANNING (W.A.), 12/4/64. — Twenty-eight shooters took part on the opening day of the Katanning Gun Club, with visitors from Narrogin, Perth and Kojoonup.

Scottie Gibson was the man in form and won the first event of 10 birds S.B., the only possible. He was also high gun for the day, 19/20. The 10-bird D.B. event resulted in a win for visitor Doug Cumming, 14/14, after a shoot-off with Greg Downer.

Greg had arrived at the ground just in time to enter the event, after having been driving his tractor all day. The 10 pairs Deauville Doubles was won by Terry Young and David Anderson, 19/19, after shooting off with Phil Crossley and Scottie Gibson, 2nd, and Neville Beek and Brian Clegg.

Everyone seems glad to be back on the tracks, and this augurs well for another successful season.

New members who have joined the club this year, and were competing at the opening, are Terry Flugge, Reg Schmidt and Darryl Wiese, the last two being Secretary and Captain respectively of the Narrogin Gun Club.

26/4/64.—Nineteen members competed for the J. R. Downer trophy under very pleasant conditions. The event was 30 birds S.B., and was eventually won by David Anderson, 40/43, after a shoot-off with Greg Downer, 39/43. Downer was in good form on the day, and after shooting 10/10 in the 10-bird D.B. S'stake, took high-gun honours, 37/40. Phil Crossley, George Anderson and Ross Anderson also shared the sweepstake, each shooting 10/10.

George Anderson was the best 16 yarder and forward over the two events, and won the Scottie Gibson trophy, 35/40. Brian Clegg outlasted everybody in a novelty 'miss and out' event, with Neville Beek and Scottie Gibson both falling by the way together and sharing second place.

LISMORE (N.S.W.), 4/4/64. — Weather conditions: intermittent showers. Attendance: 9. Results: No. 1, 5-bird Pts.: D. Powell, D. Worrall, 15/15. No. 2, 5-bird S.B.: R. Shepherd, D. Powell, 5/5. No. 3, 10-bird S.B.: Bill Anderson, D. Powell, 9/10. No. 4, 5-bird D.B.: O. Webb, E. Stone, Bill Ross, D. Powell, R. Shepherd, Bill Anderson, 5/5. No. 5, 5-bird Pts.: O. Webb, D. Webb, D. Powell, D. No. 8, 6 pair D'ville Doubles: Shepherd-Anderson, Webb-Webb, Worrall-Powell, 6/6.

Extremely inclement weather of the past fortnight cleared sufficiently for a shoot to be held, but conditions were not easy, and the grounds a quagmire. Nevertheless, Darcy Powell proved very difficult to beat, and lapsed only in the sixth event. Perhaps this helped Mrs. Powell do such a wonderful job with afternoon tea.

We were pleased to be able to welcome David and Owen Webb from Terrey Hills, along with their father. Shooting in a new gun did not prevent them making their presence felt.

MANGOPLAH (N.S.W.), 12/4/64.—Weather conditions: fine, clear. Attendance: 49. Results: No. 1, 10-bird D.B.: R. Hall, P. Gorman, S. Finemore, H. Mohr, W. Mohr, L. Stoll, J. McCausland, "John" Cox, A. Sheather, F. Chudleigh, G. Lymbrey, A. Tyack, R. Bushby, 10/10. No. 2, 10-bird S.B.: W. Birkin, J. Thompson, W. Podmore, S. Finemore, 10/10. No. 3, N.S.W. State S.B. C'ship: 1st, J. Thompson, 29/30; 2nd, P. Gorman, 30/32; 3rd, A. Jamieson, 29/32; F/M., G. Scheuner, 22/30. No. 4, 480 H'cap: P. Gorman, H. Mohr, H. Sim, J. Thompson, R. J. Moore, 20/20. No. 5, 10 prs. D. Rise: R. A very good attendance of shooters lined up for the N.S.W. State S.B. C'ship, which was won by Jim Thompson (Cootamundra); P. Gorman (Yerong Creek) and A. Jamieson (Corowa) shot off for second place, with P. Gorman taking out second place after two shots.

The usual buffet lunch and afternoon tea were turned on by the Mangoplal ladies. It is often heard at a Mango shoot, "If you can't win at the shooting, you can win at the lunch table." Ask Ray Hall; he knows.

MANNUM (S.A.), 19/4/64. — Conditions: good. Attendance: 17. No. 1, 10 birds: R. Treloar, J. Maczkowiack, J. Gerogles, S. Ridge, C. Chiantore, R. Sands, 10/10, div. No. 2, Lower Murray D.B. C'ship (20 birds from 16 yds.): This event was most exciting. Five shooters—Jim Brook, Stan Ridge, Ray Kimber, Carlo Chiantore and Des Kimber—shot the possible 20 birds. Ray Kimber dropped the 34th bird, C. Chiantore the 54th bird, and Jim Brook the 66th. Stan and Des continued, rarely using the second barrel. The referee, R. Treloar, called for more score sheets, and surely must have tired of calling "Kill". Stan Ridge eventually dropped his 204th bird. A wonderful display of really good shooting. The best yet at Mannum. — 1st, D. Kimber, 204/204; 2nd, S. Ridge, 203/204; 3rd, J. Brook, 65/66. No. 3, 20-bird H'cap: J. Gerogles, R. Sands, C. Chiantore, R. Treloar, E. Spargo, 20/20, div. No. 4, 5 birds off Fence: J. Brook, D. Kimber, B. Mutton, 5/5, div.

A lovely barbecue lunch was served.

Shooters from Mackay, Redcliffe, Bundaberg, Brisbane, Toogoolawah and Clermont clubs—as well as local shooters—competed in the Maryborough Gun Club's second anniversary shoot over April 18-19.

The shoot, favoured by near-perfect weather conditions and a good field of enthusiastic shooters, was marred by tragedy on the second day following the staging of the Qld.

Intermed. D.B. C'ship. Popular Maryborough Club member and veteran travelling shooter, Malcolm ("Pop") Johnston, died within five minutes of taking the title in a shoot-off from another Maryborough shooter, N. Christensen.

Malcolm, who had won every major trophy in Qld. clay pigeon shooting, and once was runner-up in an Australian double-rise championship in Melbourne, in recent years had travelled from Cairns to Melbourne following major shoots. He was immensely popular among fellow competitors and followers of the sport wherever he competed.

Club officials held only one event following the death of Mr. Johnston and abandoned the remaining three events on the programme as a mark of respect. Mr. Johnston achieved a life-long ambition of winning a canteen of cutlery, in winning the championship, with a top-class exhibition of shooting.

Main event on the first day, the Maryborough and Dist. D.B. C'ship (20 birds) went to Brisbane shooter, R. Porter, after a four-way tie and shoot-off between Porter, G. Rawlins, C. Kassulke (Toogoolawah) and Viv. Schonrock (Maryborough). Rawlins finished with 29 out of 30 to take second place, with Schonrock, 28/30, third.

The Maryborough and Dist. S.B. Night C'ship -- major event on the night programme—was won by Maryborough police sergeant, Tom Lewis, with a score of 19 out of 20. Cliff Horan (Mackay) took second placing, and C. Kassulke third.

Clermont entry, N. Massey, met some stiff opposition in brilliantly winning the 260 D.B. H'cap event, staged after the Qld. C'ship on the final day. Massey finished with the highly creditable score of 58 out of 60 to win from C. Halpin (57), L. Cran (57) and P. Anderson (52).

MENDOORAN (N.S.W.), 7/3/64.—Weather conditions: clear after heavy rain. Attendance: 18. Results: No. 1, 5-bird D.B.: M. Neilson, P. Brook, R. Brown, F. Brook, G. Blackman, 5/5. No. 2, 10-bird D.B.: B. Walton, 1st, 17/17; G. Blackman, M. Buckley, 16/17. No. 3, 15-bird D.B.: R. Hartley, 33/33, 1st; B. Walton, 32/33; M. Hargraves, 31/32; M. Buckley, 31/32. No. 4, 4 pair D.D.: G. Blackman-M. Buckley, 1st.

We were pleased to see such a good roll-up of local shooters for our club shoot, with quite a few new shooters, who shot very well for their first try. We hope to see them all back again next month.

Russel Hartley shot extremely well with 33/33 to win the Club Camera shoot for this month from Brian Walton with 32/33. M. Buckley won the High Gun with 41/41 from B. Walton, 40/41. Brian Walton also won the trophy shoot, 17/17, from G. Blackman and M. Buckley, 16/17.

4/4/64.—Weather conditions: very windy. Attendance: 20. Results: No. 1, 5-bird D.B.: J. Doherty, R. Yeo, J. Ellery, N. Smith, J. Nott, D. Smith, M. Buckley, R. Hanslow, I. Smith, F. Attendance very good again this month. G. Blackman won the Camera event for this month, with 23/23, from J. Doherty, 22/23. Gerard also won the High Gun trophy, with 42/43, after a shoot-off. New shooter R. Hanslow won the 12/15 yd. trophy.

(D. A. Smith, Hon. Sec.)

MOORE (Qld.), 11/4/64.—Weather conditions: warm and cloudy. Attendance: 13. Results: No. 1, 10-bird D.B.: 1st, D. Campbell, 10/10; 2nd, H. Liesegang, 10/10; 3rd, K. Gerhardt, 9/10. No. 2, 10-bird P.S.: L. Vidler, H. Liesegang, C. Kassulke, V. Greeneberg, 29/30. No. 3, 10-bird S.B.: R. Mason, V. Greeneberg, N. Liesegang, 10/10, div.

Although the attendance was disappointing, a good afternoon's shooting was enjoyed by all. Six shooters with 9/10 shot off for the third prize in the first event.

The club still enjoys strong support from members of South Burnett Club, for which we are very grateful.

(P. K. Charlton, Hon. Sec.)

MT. GAMBIER (S.A.), 18/4/64.—Weather conditions: fine, S.E. breeze. Attendance: 21. Results: No. 1, 5 birds: L. Fartch, L. Williams, M. Humphries, C. England, B. England, R. Wilkie, L. R. Lacey, I. Hay, 5/5, div. No. 2, 50-bird 260 Cash H'cap: 1st, E. R. Medhurst, 50/50; 2nd, H. McLeod, 47/50; 3rd, div. K. R. Wait, R. Wilkie, G. Squire, 46/50. No. 3, 15-bird C. M. Barr Memorial: 1st, K. R. Wait, 23/23; 2nd, H. McLeod, 22/23; 3rd, G. Squire, 21/22. No. 4, 5 pair D. Rise: 1st, R. Wilkie, 5/5; 2nd, I. Marks, 4/5; 3rd, div. G. Ward, M. Humphries, C. England, B. England, H. McLeod, G. Squire, 3/5. No. 5, 5 pair D. Rise: 1st, B. England, 5/5; 2nd, div. G. Ward, C. England, R. Wilkie, G. Squire, 4/5.

Unfortunately we clashed with a shoot at Hamilton today, and this accounted for a poor attendance of shooters. A good score was returned by Eric Medhurst, who is to be congratulated on his 50/50. Congratulations also to new shooter Geoff Squire, who shot well to get a collect from all events but the eye-opener. Ken Wait, still shooting well, took off the C. M. Barr Memorial, but should quieten down considerably now, from 21 yards.

We will be holding a Mt. Gambier Race Carnival Shoot on Sunday, June 7, 1964, with a Browning Automatic in the prizes. We look forward to seeing a good roll-up of shooters.

(Ian A. Marks, Hon. Sec.)

MT. HAGEN (T.N.G.), 26/4/64.—Weather conditions: good. Attendance: 22. Results: No. 1, 5 birds: D. Sears, J. Middleton, D. Verrenkamp, Mrs. P. Toole, Mrs. D. Buscombe, Mrs. A. Middleton, N. Camps, 5/5. No. 2, 10-bird S.B. Trophy: B. Bowden, P. Hurst, D. Sears, J. Middleton, Mrs. P. Toole, Mrs. J. Blogg, 8/10—Mrs. Blogg, 1st; D. Sears, 2nd. No. 3, W.H.D. D.B. C'ship: J. Middleton, 19/20, 1st; D. Sears, 18/20, 2nd; H. Camps, 18/20, 3rd. No. 4, 10 pair D. Doubles: J. Middleton-D. Falconer, 1st, 8/10; V. Sandr-C. Green, 2nd, 8/10. No. 5, 10-bird D.B. Cash H'cap: 1st, D. Sears, 10/10; 2nd, P. Hurst, 10/10; 3rd, R. Waller, 9/10. No. 6, 5-bird Walk-up: 1st, D. Sears, 4/5; 2nd, J. Middleton, 4/5. High Gun: D. Sears. Inter. High Gun: V. Sandr.

With the shoot following Anzac Day celebrations, the roll-up was rather gratifying. Many spectators and visitors attended and shooters from Madang and Goroka made the shooting very competitive. The weather was very kind up till late afternoon, when heavy rain caused the postponement of the Hagen versus Banz Grudge Match.

Goroka shooter Darrell Sears is to be congratulated on his success in winning the High Gun, and V. Sandr has shown that his recent yard makes no difference to his shooting, by taking out the Intermediate High Gun.

(N. Camps, President.)

MUDGE (N.S.W.). — No. 1: Blackman, G. Hall, Dowell, 5/5. No. 2, Team Shoot: won by Mudgee, 69/100, from Mendooran, 62/100. No. 3: Dowell, Blackman, 5/5.

NEWCASTLE (N.S.W.), 4/4/64 (Day). — Conditions: ideal. Attendance: 26. No. 1, 10-bird D.B.: D. Mackay, A. Tremain, D. Hardes, 10/10, div. No. 2, 20-bird Pts. Trophy: 1st, K. Hall, 72/74; 2nd, J. Gillespie, 69/74; 3rd, A. Tremain, 56/60; F/M., H. Wells. No. 3, 10-bird D.B.: F. Clark, B. Morton, A. Tremain, K. Hall, B. Watt, J. Hall, 10/10, div. No. 4, 5 pr. D. Rise: I. Clark, K. Hall, J. Wilton, 5/5. No. 5, Box Sweep: F. Clark, M. Dick, 3/3.

Under ideal shooting conditions we saw one of our young shooters in K. Hall win the main trophy event with a very fine score of 72/74; this score was just sufficient to hold off consistent shooter J. Gillespie in a fine shoot-off. Congratulations also to H. Wells in winning the front-mark trophy.

18/4/64 (Day). — Weather: ideal. Attendance: 27. No. 1, 10-bird D.B.: B. Johnson, A. Ward, T. Holmes, R. Watt, J. Wilton, div. No. 2, 20-bird D.B. C'ship (16 yds.): 1st, D. Hardes, 20/20; 2nd, B. Woollen, 24/25; 3rd, F. Clark, 23/25; F/M., R. Hall, 18/20. No. 3, 10-bird Pts.: B. Morton, 30/30. No. 4, 5-bird Walk-up: B. Morton, M. Dick, B. Johnson, 5/5.

Excellent shooting by D. Hardes gave him the main trophy as well as the honour of holding the Club C'ship Cup for 12 months. This is indeed an honour, as I believe that there are several shooters in the club who have contested in this event for some 14 years and have never had the privilege of having their name placed upon this cup.

Congratulations also to Rex Hall in gaining the front-mark trophy. I believe that congratulations are also in order for E. Watt, B. Kedwell and J. Hall; each of these shooters gained themselves a cut in the £150 event held at Hawkesbury Club.

(Noel Spinks, P/O.)

Soames (Hawkesbury); 3rd, A. Tremain (Newcastle).

A brilliant display of marksmanship from members of the Parkes team earned for them the coveted trophy of the day, the Mick Smith Shield. Their score of 291 points is the highest ever gained in a shoot for this shield, and should prove hard to better in future matches. Nineteen teams competed in all, comprising shooters from as far apart as Tamworth, Bathurst, Newcastle, Parkes, Sydney, Hawkesbury and Wyong. C. Joass (N.S.W.G.C.) shot magnificently throughout the programme to take out the Mick Simmons Overall High Gun Trophy, while G. Kable (N.S.W.G.C.), another outstanding performer, won the High Gun Trophy on the teams' shoot and the Parkes Dist. D.B. C'ship. Veteran shooter K. Soames (Hawkesbury) was again on the ball to take second place in both championship events, while A. Tremain (Newcastle) was also shooting well to fall third position in both championships.

In all, an excellent day's shooting, which was made more enjoyable by the delightful refreshments which Hawkesbury ladies served.

The opening of our new grounds at Stratham, between Busselton and Bunbury, brought an excellent field of shooters.

The club Patron, Mr. A. Dunkley of Capel, welcomed the shooters and opened the ground in fine style with a perfect shot.

A tricky wind helped to reduce big breaks, and trap trouble resulted in reduction of the programme. It was a most enjoyable day, and we look forward to some good shooting on the new ground.

A good attendance and a pleasant afternoon made for a very enjoyable afternoon's shoot. Officials worked under adverse conditions, as the clubhouse has recently been destroyed by vandals. The club is planning special shoots over the next few months to raise money for rebuilding, which is to be carried out at once.

Thanks of the club to visiting shooters who helped to make the day a success, and also to clubs and individual shooters who have offered help towards the rebuilding of the clubhouse.
