AUSTRALIA'S GOOD SCORE. Although this paragraph is being written well prior to the receipt of final figures for the 1964 International Match, it can be safely indicated that the score registered at Bolivar (Adelaide) by the Australian International Team for 1964 is very good and the Australian aggregate should again be very close to taking out 1964 honours. The 30-men all Australian Team carded the very creditable score of 8763/9000 points at the 1964 shoot, or 69 points better than its winning score of 1963. It is felt that opposing teams will indeed be struggling to out-strip the Australian 1964 score. Nine members of the team shot their 100 straight, although no team member was equal to breaking all 100 targets with the first barrel. Eight team members registered 99/100, whilst a further eight carded 98/100. The high-gun of the match was the brilliant Cobar shooter, Mervyn Burgess, who defeated Sperry Marshall (Hobart) and D. Kimber (Adelaide) after all three had scored 298/100 points. Burgess used second barrels, one in his second round of 25 and one in his final round.

Burgess's score of 298/100 was identical with the 1963 high-gun winner, Newton Thomas. Incidentally, Thomas was only one point away from equalling high-gun this year. A pleasing feature of the composition of the 1964 team was the number of "new" names which appeared in the list. It is always a good sign of increasing development when new names win their way to International status.

If results from England arrive in time, same details will be included in this issue in "stop-press". (The scores of the 1964 Australian Team appear elsewhere in this month's issue.)

REGISTRATION. All are informed that those shooters who have failed to pay their registration fee of 30/- for the 1964 year have now been removed from the mailing list of "News" and have also been removed from the official list of registered shooters throughout the Commonwealth. All who had failed to remit their dues by mid-April were sent a reminder notice. Many shooters who have overlooked paying remitted immediately on receipt of the reminder notice. Others apologised for delay. In this regard it is pointed out that it should not be necessary for the A.C.T.A. to be called upon to undergo the now heavy expense of sending out reminder notices. The registration fees are due on, or immediately after, January 1 and should be remitted no later than January 30. It was expected by the Executive Committee that the automatic forward movement of 1 yard in handicap following 1964 payment would have brought about considerable improvement in payment date, but this expectation has not been borne out by results.

Further in regard to registration. A club has written the Association requesting to know why a questionaire card was forwarded when it was shown on the club's return that an unregistered shooter was shooting.

On investigation it was found that the Association action was correct. The club had not advised the A.C.T.A. that the shooter concerned was a new shooter. All clubs are advised and requested to inform the Association when submitting returns on which the names of any unregistered shooter appears. The Association has the duty to ensure that all taking part in competition are registered, and clubs will not be queried providing they co-operate in this way — the majority of clubs usually do so.

INCORRECT INFORMATION. During the past month no fewer than six clubs have sent in payments for registration, but have failed to include the names of the shooters to be registered. Also, many clubs, when registering shooters, are failing to advise the A.C.T.A. office as to whether the shooters concerned are complete novices or shooters with some previous or field experience. It is vital to the efficiency of the organisation that fullest information should be provided both in regard to full name and address of all shooters and also some starting-off information as to their capabilities with the gun.

WALK-UP CONDITIONS. A club has written the Association stating that a local body instructed that in walk-up shooting the competition must be shot "gun down" or off the shoulder. This direction by a local group is incorrect. The Rules of walk-up shooting clearly instruct that in walk-up shooting the gun may be held in "any position of safety". If a shooter is holding his gun in any position other than is adjudged by the referee to be one of safety, then it is the duty of the referee to draw the shooter's attention to the breach of the rules and ensure that correction is made immediately.

HANDICAP RETURNS. Quite a number of clubs are either not forwarding handicap returns or are supplying insufficient detail on the returns they do actually send in to the A.C.T.A. It is imperative that the column showing amount won on the particular day covered by the return (or equivalent trophy value won) should be completed, and completed accurately. As the A.C.T.A. handicapping is now based on amount won in any one day it will be observed how important the accurate completion of the column should be.

REPORTS FOR "NEWS". Many club officials have a tendency to write matter other than the actual report when submitting details of reports for "News". Clubs are asked to desist from this practice. One of the worst features in this regard is the inclusion by club officials of registration payment details mixed up with a "News" report. This procedure leads to some confusion and could mean the overlooking of the registration. It is mentioned that "News" reports go to the printer and are not retained in the office, and if other matter is included in the report it is possible that such matter could be missed.

REFEREE NOMINATIONS. Those desirous of registering for participation in Official Referee examination are again reminded that applications will definitely close on July 31. No late applications will be accepted. Nominations should be lodged in writing with the Secretary, A.C.T.A., Box 2038 S., G.P.O., Melbourne, on or before the date specified.

"Tips and Tails"

Hungerford Gun Club (via Bourke) New South Wales has recently affiliated with the A.C.T.A. after having held its inaugural meeting. Secretary of the new formation is G. O. Eliott, c/o D. M. Benn, "Thoura", Bourke, N.S.W. The club has already registered 22 of its shooters.

C. R. Fletcher, formerly of Roma (Queensland), and also former member of the Executive Committee for both the States of Queensland and Victoria, has again accepted the secretarial chair of the Dundonnell Gun Club in western Victoria. The Dundonnell Club is fortunate to have secured the services of such an experienced official. The club will shoot in future whenever there are five Saturdays in a month, that is to say, shoot on the fifth Saturday. Night shoots will also be held. Fletcher's address is "Pine Grove", Dundonnell (Victoria).

Daykyn Peberdy, who for many years was chief patron of the Townsville Gun Club in North Queensland, recently celebrated his 80th birthday. "'Peb", as he was well known in his shooting days, was the recipient of many congratulations on attaining his 80th milestone. He seldom shoots these days owing to failing eyesight, nevertheless his interest in the sport and the Townsville Gun Club has in no way diminished. Congratulations are extended to this grand veteran of traps by the A.C.T.A. Long may he enjoy the good fellowship of the trapshooting fraternity.

Culgoa Gun Club in New South Wales has appointed T. Grumley to the secretarial duties of the club. His address is "Myuna", Brewarrina, N.S.W., and he succeeds J. Oldfield in the office.

Flight-Lieut. A. G. Worrall has relinquished the office of Secretary of the Darwin Gun Club in the Northern Territory. Worrall has been transferred in his official duties to Katherine, some 230 miles from Darwin, and he points out "it would be a bit difficult to administer the Darwin Club from such a distance". Worrall will retain his membership of the Darwin Club and return for major shoots when his duties permit. His energy and enthusiasm will be greatly missed at the club at the "gateway to Australia".

Coff's Harbour Gun Club will shoot on its new grounds on the Pacific Highway, 10 miles north of Coff's Harbour, on Saturday, August 8, commencing at 9.30 a.m. Main events on an attractive programme are the Northern Rivers Single-barrel and Double-barrel Championships, plus good supporting events. The new Damo trap will be in operation and lunch and afternoon tea will be available. Programme is as advertised. Enquiries to club Secretary, G. D. T. Seccombe, 30 Collingwood Street, Coff's Harbour Jetty ('phone Coff's Harbour 122). President is D. Seccombe ('phone 67).

The former Latrobe Gun Club in northern Tasmania has been reformed following a meeting in the C.W.A. Rooms at Latrobe on April 21. The club has now again affiliated with the A.C.T.A. Officials are: Patron, L. E. Brown; President, R. Philpott; Vice-President, B. Turnbull; Secretary, Mrs. L. McGahey with Mrs. J. Hedditch; Treasurer, R. A. McGahey; Auditor, L. Cooper; Committee, Messrs. L. Turnbull, J. Morse, V. R. Mitchell, E. Johnson, H. Turnbull, L. Johnson, R. Holden, Mrs. J. Hedditch. Club shoots have been arranged for July 18, August 15, September 19, October 17 and November 21.

Dorrigo Gun Club in the New South Wales northern Tablelands area will conduct an all-day shoot on its new and spacious grounds situated 8 miles along the Armidale Road,

on Saturday, August 1, 1964. Main events on a big programme are the Northern Tablelands of N.S.W. Districts Double and Single-barrel Championships, plus two 20-bird handicaps. The I.C.I. Trophy has been allocated for high-gun over the full programme. Details of programme are as outlined. Enquiries to club Secretary, W. E. Darley ('phone North Dorrigo 51). President is A. Hochkins, Bellingen, N.S.W. The Dorrigo Club lays claim to one of the best shooting grounds in the State of N.S.W. and recently added the additional amenity of a new club house.

Darwin Gun Club in the Northern Territory's capital has appointed Ron Black as club Secretary succeeding Flt.-Lieut. Gordon Worrall, who has been transferred elsewhere in the North on his official R.A.A.F. duties. Other appointments made at the annual meeting, held recently, were President, Bill Gartner, and Treasurer, Jock McRae. The address of the new Secretary is 821 Nightcliffe Road, Nightcliffe, Darwin, N.T.

Mersey Gun Club at Devonport in Tasmania completed a major portion of the work it recently undertook of moving to a new shooting site. The background is reported to be unsurpassed — shooters face up to shooting out over Bass Strait, and as everyone realises, there is no better shooting background than the broad expanse of the ocean — in other words, it is perfect. The ground location is only one mile from the town. The club pays great tribute to Geoff. Roberts, who made himself and his plant available for the work of levelling and clearing the new site. All committee members worked unceasingly every week-end to bring about the present satisfactory shooting ground.

Benalla Gun Club in north-eastern Victoria, 3 miles south of Benalla on Hume Highway, on the main line between Melbourne and Sydney, will shoot from 12 noon on Saturday, July 11. Practice shooting will be available between 12 noon and 12.30, after which competition shooting will commence. Main events on an interesting programme are the Broken River Double-barrel Championship, a £25 Handicap, in conjunction with which will be shot the Puckapunyal Mob Siding Shield. The latter event is for teams of five shooters. A high-gun award will be made as well as comprehensive trophies for all events. Programme is as advertised. Enquiries to club Secretary, W. Ford, 9 Kent Street, Benalla, V. President is C. F. Whitla ('phone Benalla 766).

Wagga Gun Club in the New South Wales Riverina district has appointed the following officials for the current season: President, Bruce Hall, 5 Koora Place, Wagga; Secretary, Earl Vonarx, 23 Wooden Street, Wagga; Committee, Messrs. R. Tye, R. Podmore, W. Birkin, J. Daly, G. Lymbery. The club intends to shoot during the first week-end of each month, whenever possible. The Wagga Club shot on June 7.

Keilor Gun Club, which holds its shoots on the grounds of the Victorian Gun Club at the corner of Boundary and Geelong Roads, Brooklyn, advertises details of its shoots arranged for the month of July in this issue. On Friday night, July 3, the Keilor Plains Night Single-barrel Championship should attract a good muster of shooters. On Saturday, July 18, the Keilor Plains (day) double-barrel title has been arranged. Again on Friday night, July 31, the Keilor Plains night double-barrel title will be held. Enquiries to club Secretary, G. Hunter, 3 Market Street, Essendon, W.5 ('phone 279-2103). President is Fred Reade ('phone 37-6851).

The Victorian Gun Club, which, as outlined in previous paragraph, shoots on its own grounds at corner Boundary and Geelong Roads, Brooklyn, has arranged four Wednesday night shoots and one Saturday afternoon shoot for July. On Wednesday night, July 8, a 20 birder and minor events are listed. The following Wednesday night, July 15, the Sunshine District night double-barrel title will be shot. On July 22, also a Wednesday night, a series of down-the-line events are contemplated. This will be followed on Saturday, July 25 (starting at 2.15 p.m.) with the Victorian Gun Club's double-barrel championship. Finally, on Wednesday night, July 29, another down-the-line series has been arranged. Programmes are as advertised. Enquiries

Frequently one hears of the resurrection of old cartridges. Recently in England a packet of Nobel's "Clyde" brand 12 bore shells was tested by the Nobel Division of I.C.I. Limited in their gun-room at Stevenston, Ayrshire (Scotland). The packet of 25, loaded with 42 grains of Schultze powder and 1⅛ oz. of No. 4 shot, was produced originally 52 years ago. The batch was tested on the firm's pendulum gun which measures chamber pressure and velocity. The proof indicated that the shells, whilst possibly not as good as when new, were described as being "pretty good", and the report concluded that "the shells would prove reasonably effective in the field".

In some overseas gun clubs the installation of what is termed a "quail walk" has been introduced. Two shooters walk out together and proceed along a selected area. A "quail" is released from a set trap and the target is swung in any direction arranged by the puller, that is to say any direction except "incoming". The target who is adjudged as having been the first to stop the target is the winner of the round. The only difficulty appears to be the job of the referee giving a decision as to which gun brought the target down first. It would seem that quite an amount of confusion could occur if this type of shooting was taken up seriously. Other than for a novelty variation, the proposal would not appear to be of much interest to competitive shooters.

Regardless of his name, the chief diet of the common sparrow hark is not sparrows, but the common grasshopper.

The kangaroo rat is neither a rat nor a kangaroo. He is a near relative of the pocket mouse which is usually found in desert areas.

The croaking of frogs under water has intrigued many over the years. It has been found that frogs "sing" under water, with their nostrils and mouth closed.

New South Wales Gun Club at Terrey Hills, just outside the Sydney metropolitan area, advertises details of its forthcoming programmes. On Saturday, July 11, the Metropolitan D.B. title will be shot. Shooting will take place on Wednesday night, July 15; Saturday, July 25; Saturday, August 8 (N.S.W.G.C. Open Deauville Doubles); Wednesday, August 19; Saturday, August 22; Saturday, September 5 (Metropolitan Deauville Doubles); Wednesday, September 16; Saturday, September 19. The club has three Damo electric traps operating, modern clubhouse with log fires and liquor licence. Meals are also available. Practice shooting is available every Wednesday from 3.30 p.m. Enquiries to J. A. Evans (Manager), Booralie Road, Terrey Hills, N.S.W. ('phone 450-1775). President is Clyde Anderson.

Mount Gambier Gun Club in south-eastern South Australia will shoot on its well-appointed Attamurra shooting grounds on January 23, 24, and 25, 1965, when South Australia's first car shoot will be held, as well as championships and handicaps. The club now has three Damo electric traps installed. Further details of the big series will be published in later editions of this publication. Meanwhile all enquiries should be directed to Secretary of the Mount Gambier Club, I. A. Marks, Box 21, Mount Gambier, S.A. ('phone Mount Gambier 2304. President is K. R. Cobar Gun Club in far-western New South Wales announces preliminary details regarding its big annual shoot arranged for Friday and Saturday, September 25 and 27, 1964. On the opening night the Far Western

District of N.S.W. double-barrel title and the similar single-barrel championship. The big event on the following day is the Commonwealth Double-barrel Championship of 1964. A £275 Handicap has been arranged to be shot on the second day. On Monday, September 28, the "Mafeesh" Picnic Shoot will be held, and on Wednesday, September 30, an inspection of the big mining venture at Cobar has been arranged. Shooters are reminded that the Bourke and Brewarrina shoots will follow at the week-end. Enquiries to club Secretary, Mrs. F. E. Singleton, "Mafeesh", Cobar, N.S.W. Fuller details in next issue.

Warren Gun Club, also in western New South Wales, will conduct a day and night shoot on Saturday, August 1. The daylight shooting will start at 1 p.m., and the New South Wales State Sparrow Deauville Doubles Championship and a £25 Handicap are the main attractions. At night, shooting will continue, when the State Night Intermediate Championship, with which a 20-bird D.B. backmarkers trophy event will be shot in conjunction, will be decided. Other events are scheduled if time permits. A barbecue tea will follow the daylight shooting. Programme is as advertised. Enquiries to club Secretary, R. C. Deacon, Box 6, Warren, N.S.W. The Australian Gun Club at East Burwood, which has two new Damo traps installed recently, has arranged shoots for July 11, when the Blackburn G.C. single-barrel title is main interest. The Blackburn Gun Club double-barrel championship is the big contest set down for decision on August 8, when all trophies will be presented by the Malvern Firearms. Yardage trophies are included in this event from 12 yards to 17/18. Skeet events will be held simultaneously on all shooting days. Programmes are as advertised. Enquiries to club Secretary, J. A. Never lend, borrow or shoot with any old gun that has not been nitro-proved to shoot modern cartridges. Often in country residences may be observed some very old weapons that date back almost to the black powder days. Some of these guns have been well cared for, but in most cases the present owners have not realised the need or troubled to take them to a gun-maker to be re-proved. This should be done if there is any possibility of the old weapon being used.

Considerable interest has been evinced in the "Writings of W. P. Grosvenor", which have been appearing in "News" in serial form for some months past. Much of the interest displayed has come from the younger generation of shooters, many of whom have asked who W. P. Grosvenor actually was? The late W. P. Grosvenor was coach of the All England Clay Pigeon Shooting teams in the earlier years of this century. He coached many teams for Olympic honours and was generally regarded as the ace authority on the sport in England at least during the period mentioned. His wife was also a brilliant shot and was woman champion of England for many years. Grosvenor was a great friend of Australia and Australians and he found time to write lengthy letters on the sport to the A.C.T.A. Secretary during the latter years of his life. He died during the 1950's.

Menindee Gun Club on the Broken Hill route (N.S.W.) is conducting an all-day shoot on the local shooting grounds on Sunday, July 26. A start will be made at 10 a.m. Main events are the now famous Burke & Wills Double-barrel Championship, followed by a £50 Handicap. Three 10 birders will also be shot during the day. Programme is as advertised. Enquiries to B. Ham, Secretary, Viewmont Station, via Menindee, N.S.W. G. Gleeson is club President. His address is Bannaroo Staton, via Menindee, N.S.W.

EXTRACTS FROM THE WRITINGS OF THE LATE W. P. GROSVENOR

(As written to A.C.T.A. Secretary in mid-1940's)

There are men who, just being natural shots, fall into target shooting almost at once, but they are in the minority. The bulk of the shooters only acquire skill in target shooting by real solid practice and thought given to it all the time.

Many spend a good deal of time pointing an empty gun (with snap caps in) at several marks on the wall of a room. My wife used to "cant" her gun at one time and, on the advice of Ellicott, the old I.C.I. professional, used to practise in front of a mirror until she broke herself of the habit, and her scores benefited by it afterwards.

At a club fixture there is little or no time for coaching and the only real possible time being obtained by turning up half an hour earlier; even then the ground staff will probably be getting in the way.

The real bulk of practice has to be "dry" in a sense — an empty gun in the back garden and one who knows the points and faults watching carefully and pulling an aspiring shooter up, time and again, when something is being done which should be avoided.

It is that darned old 100 straight which everyone wants to make, but it calls for strong powers of concentration and the appreciation of the value of "timing", plus a dogged will to stick it out until one does achieve it. It will not come to everyone's lot to make it, but there is hidden away in a good many of us the ability to do so.

Shooting is one of the sports where the possible handicaps of "sex" as exampled by, say, the slightly less powerful physique, or other possible handicaps where their effect is least apparent: indeed, I consider, with regard to nerves, that the "'fair sex" has it all over some of the sterner sex that I have seen. Once the woman shooter finds her feet and realises she can give some of the men a run, she is going all out to establish herself as one in the running for major honours. The grand kick for a woman shooter is to be "high-gun" in her particular mixed squad. Clay target shooting really opens up unique opportunities for women to shine. In the U.S.A. there are many women almost within reach of the highest honours, and one day, be sure that there will come a woman who will be equal to the very best.

OUT OF THE PAST

TWENTY FIVE YEARS AGO

In a shoot at Blackburn at this period 25 years ago George Copeland, who is still a regular shooter over traps in the Melbourne area, ran up a string of 52 straight. The following week, at the old Nobel Club at West Footscray, Copeland followed with a run of 60/61.

At the Victorian Clay Target Club at Bentleigh, Harry Burrows, now a permanent referee with the Australian Club at East Bentleigh, won two events outright.

Some interesting anecdotes on the life of the Association's first Patron, the late Mr. Donald Mackintosh, were published about this period. One notable reference concerns his achievement in dividing the Melbourne Cup of 1,035 sovereigns and winning the shoot-off. Mr. Mackintosh bought a gold watch with portion of his winnings and carried it to the end of his life's journey. Of great interest is the mention of some of his winnings overseas. These amounts are shown: Monaco £100, Ostend £100, Cannes £50, Rome £50, London £200, Paris £200, Florence £400, Madrid £300, Monte Carlo £550, Monte Carlo £500, Melbourne £50, London £100, Paris £100, Monte Carlo £100 (twice), Aix les Bains (France) £400; he also broke 102 clay targets with 102 cartridges at his home town of Rockbank (Victoria) on November 7, 1922.

J. L. Lowe, who used the shooting name of "Browning" and was at that time a member of the Victorian Police Department, won the Commonwealth Single-barrel Championship of 1939 on the Nobel grounds from Des O'Callaghan. The latter is still a very prominent Melbourne shooter.

Dr. J. F. Gaha, then the Tasmanian Minister for Health, described the sport of clay target shooting at the official opening of the Hobart Gun Club, near Derwent Park Station, Hobart, as a "high-class sport that gave much pleasure and should be encouraged as much as possible".

FIFTEEN YEARS AGO

Shooting in the Camberwell Club's Deauville Doubles Championship of 1949, the Roy Longmore-Frank Brown combination rang up a string of 49 pairs straight before gaining the title. In a similar event at Coburg on the same day W. Finnigan and A. Hendricksen only had to break 12 pairs to win the club title. John Bryant Junr., rapidly coming to the front about this period, won the Coburg Club's mixed birds championship after a run of eight second placings.

The Roma Club (Q.) was under notice at this period, having announced that it had just completed its five-track lay-out in concrete and also erected a club office and puller's stand. The club expected to later improve this with a pavilion. H. Carne won the main event of the day. K. Pulford won a £20 Handicap on the Tasmanian Club's grounds at Launceston, from M. Munnings and A. Smith.

TEN YEARS AGO

Some big breaks were coming under notice. At Charleville, in the Warrego District Championship, T. Akers returned the big figures of 175 straight, in winning the title. The runner-up, Leo Haseler, carded 174/175, but totalled a break of 188 before missing.

Newton Thomas won the Goulburn Gun Club's double-barrel championship on the 95th round, 95/95, from former Executive Committee member, Sid, Lamb, 94/95. J. Storrier was third, 74/75.

Keith Soames (Senr.) won the N.S.W. Sparrow title at Tullibigeal, grassing 26/30 to win from C. Campbell, 25/30, and the late Frank Singleton, 24/30.

IMPROVE YOUR SCORE WITH A GUN THAT FITS, CORRECT STANCE AND THE RIGHT FRAME OF MIND.

By SID BOERSTLER

(In "Field & Trap", U.S.A.)

Sid Boerstler, a long-time trapshooter and founder of the California Golden Bears Trap Club, shares here his knowledge learned on and off the firing line over a period of years. The author served for nine years as captain of adventurer Zane Grey's ship. This article was reprinted from February 1962 by request, for the benefit of new shooters.

To enter the best score you can you must have a gun that fits you.

One item of importance is the length of stock. A slight variation here could make a difference in your shooting. This will vary a little, as the arms of some shooters are longer and would require a longer stock. The average length is from 14" to 14¼" — a measurement taken from the trigger to the centre of the recoil pad.

The late Fred Etchen, the author of a very good book on trapshooting, was a good instructor and builder of fine gun stocks. Fred told me to shoot just as short a stock as I could comfortably shoot. With your face tight on the comb of your gun, your nose should be about 1½" from your thumb. The reason for all of this is, it shortens the distance of your swing and will help you with your angle targets.

Height of the Comb

To me the height of the comb is the most important measurement and is determined by the following method: Place the rib on a piece of soft wood, make a dent in it with both sights, centre-punch them so the sights will be flush with the board, then measure from toe and then from the heel of the stock . These measurements should both be the same. The average will vary a little bit, but 1½" x 1½" is about right. With your face tight on the comb, looking down the barrel, you should see none of the rib — just the two sights in line with each other. About 80% of the trapshooters use this measurement and some trap guns come from the factory with these measurements.

The Pitch

Some shooters pay no attention to the pitch, but I think this should be given some thought. To get this measurement, place the recoil pad on the floor where you have a smooth surface, then slide the pad along toward the wall until the breech of the gun comes in contact with the wall. Measure the distance from the end of the barrel to the wall. This will give you the pitch, which should be about 1½". If your gun is kicking you and making your face sore, it is probably because you have too much pitch.

You have a gun that will come close to fitting you, and this is about as far as your stock-maker or gunsmith can go. It is now up to you. Have an instructor go to the firing line with you.

Position of Your Gun

Many trapshooters differ as to the proper position that the gun should be held above the traphouse — some shooters hold a very high gun and others hold level with the top of the house. My advice to the new shooter is to hold level with the house on post No. 1. The gun should be held on the extreme left-hand corner; this allows you to pick up the left-hand angle target as soon as it leaves the house. As you move along keep your

gun straight in front of you; this also allows you to see the target as it leaves the house. When you reach post No. 5, hold on the extreme right-hand end of the house. This position will help you with the right-hand angle target.

Position of Your Feet

On post No. 1 — Place your left foot at a slight angle to the left, your right foot almost vertical. This gives you a much easier swing on a left-angle target.

Post No. 2, No. 3, and No. 4—Place your feet in a position which is most comfortable for you.

When you get to post No. 5, place your right foot at right angle to your left foot, which will help you with the right-angle target.

There is one position that all trap-shooters definitely have to achieve. You have to keep your face tight on the comb of your gun and your eyes straight down the barrel. By doing this you should see no rib, just the two sights in line with each other. The target should appear to be sitting on the end of your gun barrel. As you fire, do not stop your gun, but follow right through. This should be a dead bird.

Your Mind and Shooting

At the close of one of the Florida winter chain shoots, a few of us were sitting around shooting the breeze at Fred Etchen's Gun Club in Miami.

One of the fellows asked Joe Hiestand what he thought made him one of the world's outstanding shots. Joe, who is a very modest fellow, deliberated a minute, then came up with this answer: It is what is in your "mind". This has a lot to do with your shooting. As this was many years ago, I do not remember the exact words Joe used, but they were something like the following:

As you are sitting on the bench waiting for your squad to be called up, you must clear your mind. If this morning at the breakfast table you had a few unpleasant words with the "Old Girl", or something had come up to disturb you, all this must be dismissed from your mind. As you walk to your post on the firing line your mind must be clear; let your subconscious mind take over here. If the only thing you are interested in when you call pull is the target that you are to shoot at, you will find out that you will break a much better score. In my younger days I won many big handicaps, and this thought was always on my mind.

More Useful Hints

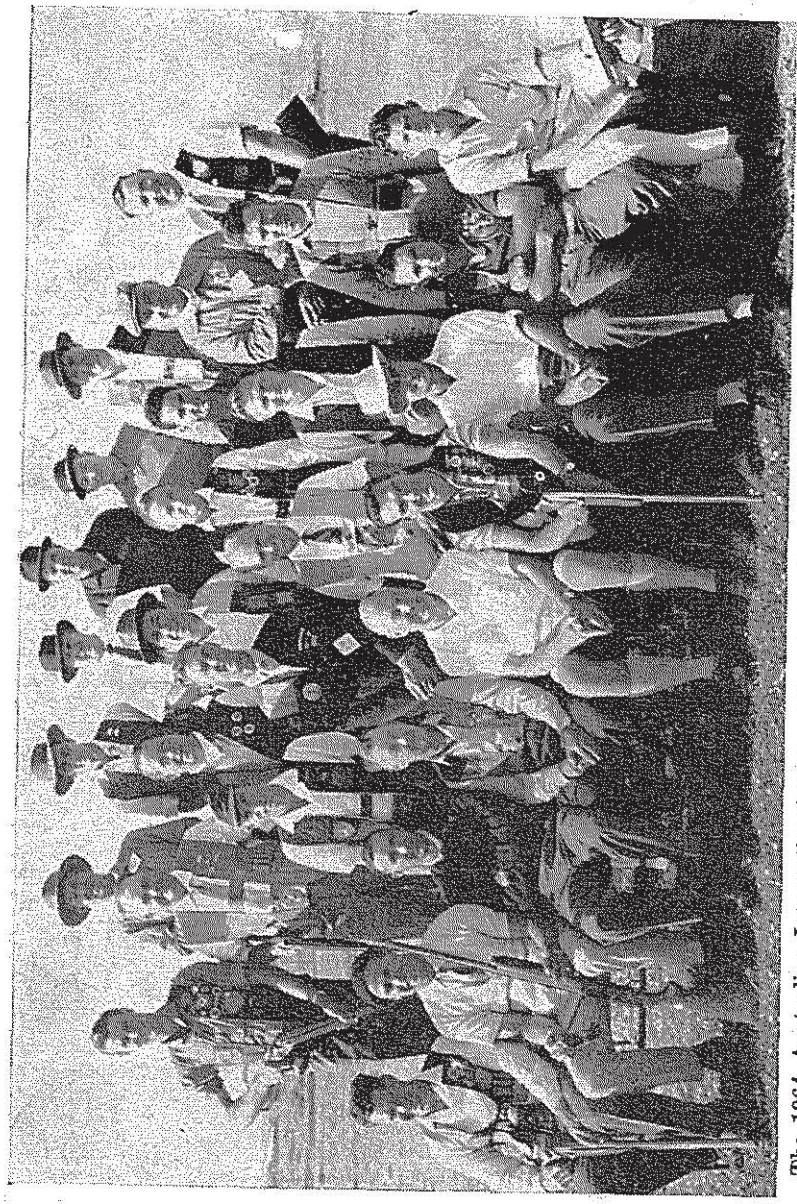

When you are on the firing line and call for your target, do not come up fast when it comes out. Come up slowly, bring your gun up under it, then follow it a short distance to get the speed of it. See the target on the end of your gun barrel, then shoot — but do not stop your gun, follow it right through.

I recommend that the new shooter equip his gun with a semi-concave recoil pad. You then will be able to get your gun in the same position on your shoulder each time.

Here is another important thing: Do not eat a hearty meal at noon if you are shooting one of the events in the afternoon. No athlete competing in competition would do so on a full stomach. This could cause you to "flinch". This terrible trapshooting affliction affects about 25% of the shooters.

Finally, you do not have to buy one of the expensive trap guns. Many of the top shots in the nation shoot guns that are quite old and, by most standards, not worth much. Many shoot models that have not been manufactured for years. But the gun fits them well and they have learned how to shoot them well. So cost has little to do with it. Then what is the primary factor in achieving good scores? It is not the gun; it is the shooter behind it.

Both old and young can take part in this sport. With my three-score years and more than 10, I still come in now and then with a top score.

EYESIGHT IS ONE OF BIGGEST FACTORS IN YOUR BECOMING A BETTER SHOT.

By JAMES R. GREGG, O.D., Past President, California Optometric Assn.

The new club champion, only been shooting two years, stands at the line and kills one bird after another. Beside him is the old-timer, a gunner from way back, who hits only 72%. What makes the difference? Why is one a much better shot than the other?

Probably the biggest single factor is eyesight. It has a lot more to do with good shooting than you think.

Arm, neck and body muscles must work smoothly to move the gun to the right position. But it was eyesight that directed their movements. Judgment and reaction time must be superior to break 25 straight. But this, too, is totally dependent on seeing.

Does it need proving that vision is vital to good shooting? Step to the line with blinders on and find out.

Sometimes youngsters develop into remarkably good trapshooters, and do it with very little practice. One reason is their skilful muscular co-ordination and their excellent vision! And that's the same reason some experienced shooters are superior to others.

Keen Vision is Important

Keen vision is the most important visual skill a shooter should have. 20/20 eyesight is a big asset, but it isn't the only thing necessary for good visual performance.

The term "20/20" refers to the size of letters which are readable 20 feet away; these letters are about $\frac{3}{8}$ of an inch high. Most eyes are able to read letters of 20/20 size, though proper lenses may be necessary. If the letters must be made larger in order to be identified, the denominator of the fraction becomes larger; for example, 20/40, 20/60, 20/100, and so on. The bigger the second number, the more blurred the vision — some people without their glasses have 20/1000 vision or worse. If very small letters can be seen, the vision might be as good as 20/10, though this is rare.

A person whose vision is 20/40 would require letters twice the size of those necessary for 20/20 vision, while 20/100 letters would be five times as large. This does not mean that 20/100 is therefore five times worse than 20/20. It is worse, yes, but not in direct proportion to the size of the fraction.

How much worse 20/100 vision is than 20/20 vision depends upon other factors. This expression is but one of all the many skills a pair of eyes must have. It indicates only how clearly they see at distance; it tells nothing of the indirect fields of vision, the eye muscle action or the ability to see at a close point. Without these other vital qualities, clear vision is almost useless. Above all, it does not indicate how much "effort" or nervous energy may be necessary to keep vision clear.

You can roughly check your vision by reading letters $\frac{3}{8}$ of an inch high 20 feet away. Try each eye alone and both together. Don't rely too much on this rough test: it's best to be sure your vision is perfect.

The most important factor, however, is not what your eyesight is without glasses, but how well it can be corrected with a proper prescription. Naturally, if vision can be corrected to 20/15, all the better. Any shooter who has less than 20/20 eyesight should wear glasses for shooting. It is just as important as the right gun and equipment.

You couldn't shoot successfully while looking through a narrow tube. Extensive side vision is essential to first spot a bird, so you can centre your vision for the shot. Loss of sleep, extreme fatigue, illness and some drugs can slash side vision dangerously.

Check Your Side Vision

Check the side vision of each eye alone by looking steadily at a distant object. Move a pencil in from the side with arm out at shoulder height to the side. Notice how quickly you can see the pencil. You should see it ninety degrees to each side and about seventy degrees up and down.

Side vision is one of the most important factors in trap shooting. First sight of the potential target generally comes through side vision. Eyes turn to centre on it, then the gun is lined to proper position. This whole process is more complex than it seems. A shotgun is "centred" more than "aimed" as is a rifle. This means the entire visual field must be centred accurately, and this is best done if that visual field is normal and adequate.

Eyes must be sensitive to the movement in the field of view — and any glasses worn must never interfere with seeing to the side. Besides, eye muscles must move the eyes rapidly and accurately to look at a fast-moving target. This takes excellent eye-muscle co-ordination and the two eyes must work together perfectly to do it.

To be continued in August.

ALBANY (W.A.), 17/5/64.—Weather conditions: good. Attendance: 13. Results: No. 1, 15-bird D.B.: G. Anderson, 14/15, 1st; P. Crossley, J. Cameron, 13/15. No. 2, 15-bird S.B.: G. Anderson, J. Cameron, 12/15; L. Chandler, 10/15.

Ten members and three visitors attended the shoot at the Albany Gun Club on Sunday, May 17. In the absence of club Secretary, Roy McCarthy officiated for the day. The weather was pleasant, and from reports a good afternoon's shooting was enjoyed by all.

Once again a nice crowd of spectators turned up to witness this new sport (for Albany). Three new members joined, which gives promise of a bright future for this club.

ALEXANDRA (V.). — Heavy rain that began in the early hours of the morning of May 2, and continued until almost midday, considerably interfered with the Victorian Teams shoot and kept many shooters from attending. Attendance was satisfactory under the unpleasant conditions, but fine weather could easily have meant another 20 or 30 shooters present. Fifty-four contested the main day event for trophies, and places in the Victorian Interstate Team.

Eight scored the possible 30/30 and automatically became part of the Victorian team of 15. A tie shoot was needed to decide the remaining seven places, as 14 shooters had registered 29/30. The team then shot at 50 targets per shooter to record quite a good score under unpleasant conditions. The high-gun award was shared by Newton Thomas and Don McCraith, both of Melbourne, who each shot 50/50. Several 49/50's were recorded.

A £50 Handicap conducted while the teams shoot was in progress was divided by eight shooters. Conditions for the Victorian D.B. Championship at night were possibly worse than for the day events, as heavy thunderstorms caused hold-ups in the shooting throughout the event. Only three possibles were recorded and victory went to Croydon shooter Bill Henwood, who seems to be collecting State sashes, particularly at Alexandra. He won the Victorian Night Clay Sparrow C'ship at the New Year shoot.

Shooters were present from all Melbourne clubs, Mildura, Hamilton, Yarram, Foster, Kerang, Frankston, Croydon, Shepparton, Benalla, Drouin, Warrnambool, Bendigo, Yarrawonga and Tatura. An apology for inability to attend and a good-luck message were received from Claude Dennis, Mildura President.

Rex Peacock of Kerang, holder of the Victorian Night D.B. C'ship in 1963, was nearly in the running again. He shot 29/30 —only one down on the three who took the places.

Club thanks go to all who assisted in any way. The club is very short of workers at present, and it is a big job to keep the three traps operating smoothly, with so few available. A special mention for caterer Eily Coombs and staff, who serve hot meals, steak and mushrooms and all the works, in the usual happy and efficient manner.

Results (Day). — No. 1, 15 targets D.B.: div. R. Ferris, H. Moore (Mildura), Newton Thomas (Melb.), D. McCraith (Melb.), R. Buchan (Croydon), G. T. Wakefield (Mildura), W. Coulson (Bendigo), A. ALICE SPRINGS (N.T.), 17/5/64.—Weather conditions: gusty. Results: No. 1, 5 birds: G. Kittle, D. Sharp, J. Jackson, 5/5. No. 2, 20-bird D.B. (3 and 2): Sutton, 57/60; Jackson, Kittle, 47/60. No. 3, 20-bird Sparrows: Jackson, 18/20; Sutton, 17/20; L. Kittle, 15/20.

A good day's shooting, although gusty winds made it difficult. It was nice to see J. Jackson win an event, and there is a strong rumour that he has been winning dead, looking for a bet.

Once again thanks to the ladies for afternoon tea.

AMAROO (Qld.), 25/4/64. — Weather conditions: fine. Attendance: 24. Results: No. 1, 5 birds: W. J. Bailey, J. Treasure, C. Jones, R. G. Treasure, W. J. Ferguson, 5/5, div. We all had an enjoyable day's shooting in spite of the fact that the trap gave some trouble during the morning.

We held a Team shoot within the club, with three members as captains; this is to to be shot over three shoots, and created great interest amongst members.

(J. F. Ross, Hon. Sec.)

Queensland's first car shoot proved very successful, with 122 shooters competing in the event. Sixteen shooters scored the possible and informed the club that they would shoot off for the car. Another 5 birds saw six shooters miss and drop out. After 15 birds six shooters remained. Eventually it developed into a tussle between Clarrie Kassulke and David Odling. Clarrie dropped his 85th target to give David his opportunity, which he "killed". Congratulations, David.

The main event on Sunday, the Qld. D.B. C'ship; 120 shooters competed in the C'ship, 9 possibles were returned. The shoot-off was remarkably short for a State title; after 10 birds only three shooters remained; Sep Stewart lasted two more to take third place, while Mick Smith lasted another 5 to take second, giving the title for 1964 to Merv. Champney of South Burnett Club. Hearty congrats. to Merv.

Our club was very pleased and honoured to have John Tyquin, President of the A.C.T.A., with us, also to have Executive member Sep Stewart with us.

Congratulations to Ron Moffatt on winning the £200 H'cap and the High Gun over the full programme.

31/5/64. — The weather was cold and wet. Attendance: 15. No. 1, 5-bird Pts.: A. J. Smith, F. Paget, 15/15. No. 2, 10-bird D.B., 15-bird S.B.: N. Smith, J. Elliott, 25/25. No. 3, D'ville Doubles Novelty: won by N. Smith.

A cold, wet afternoon caused our smallest attendance yet. Fifteen shooters braved the conditions and provided some good shooting under the conditions. Noel Smith won the club trophy after a shoot-off with Jon Elliott. The D'ville Doubles novelty event provided great interest. When the field was reduced to about half, the event was then decided by Double Rise.

BOORT (V.), 16/5/64. — Weather conditions: excellent. Attendance: 27. Results: No. 1, Loddon Valley D.B. C'ship: 1st, A. James, 21/21; 2nd, J. Rodgers, 20/21; 3rd, W. Makeham, 24/26; 12/16 yds. sash, T. Preston; ladies' trophy, Mrs. E. I. Whytcross. No. 2, 10-bird D.B. £20 H'cap: F. Doyle, D. Rhumbold, D. Mountjoy, C. Bowman, J. Kerr, R. Peacock, 10/10, div. No. 3, 5-bird D.B.: R. Manuel, C. Radcliffe, R. Peacock, T. Preston, A. Rothacker, E. I. Whytcross, 5/5, div.

The day was perfect. Conditions could not have been better, but the shooting could not have been worse — only two shooters with full scores off 16 yds., and it is better that we do not mention how long the shoots-off lasted. "Jesse" James could not believe that he had "done" "Buck" Rodgers so soon and was he pleased. Our congratulations to all the place-getters.

Many thanks to I.C.I. for donating the first trophy, and Mrs. Piccoli for donating the ladies' trophy. Taking it all round, this was a very pleasant shoot, helped along by a nice "cuppa" by the girls. Thank you all; please come again.

(E. I. Whytcross, Hon. Sec.)

The best attendance for a monthly shoot ever. For this we must thank visitors and our neighbouring club, Brewarrina, who supplied a total of 10 shooters and a visitor from the proposed club of Hungerford, in the person of Alf Gray. Our very best wishes to these new and apparently active clubs.

Congrats. to Ray Long and Keith Williams on a very fine win in the Club D. Doubles. Also worth a mention is John Farrell, Les Hull and Tom Bye, respectively winning the Night S.B. Day D.B. and the Club Pewter. Another shooter to watch in future is 16-year-old Nick Brown, who gave us a very tough time all through the shoot.

(Les Hull, Hon. Sec.)

BROKEN HILL (N.S.W.). — A pleasant afternoon and evening shoot, with a good few old friends attending and helping to make a successful shoot. This month a good club worker in Bill Murphy, who is not on the winning list often enough, had a popular win in the night trophy event. Most shooters shot consistently throughout the programme and nearly all managed to share in at least one sweepstake.

Results (Day), 12/4/64. — No. 1, 10-bird D.B.: G. Hoskins, W. McKean, A. Langsford, R. Heuz, L. Zaniol, div. No. 2, 10-bird D.B.: R. Heuz, W. McKean, D. Harrison, B. Murphy, A. Langsford, div. No. 3, 5-bird B.H. Skeet: J. Pearce, A. Commons. No. 4, 10-bird Novelty: L. Zaniol.

Conditions: fine, sunny, slight breeze. Attendance: 38. Spectators were treated to a faultless exhibition when the West Darling D.B. C'ship was decided. S.A.G.C. champ., Bob Mules, ably demonstrated the art of clay pigeon shooting when he found a shooter in Mildura shooter Alan Halls, who was able to push Bob to only two clays under 200 birds.

Eleven shooters scored the possible and over 1,000 clays were needed to decide the sash. Any club recorder would be excited to find scores of 198, 197, 126, 121, 116, 99, etc.

Our congratulations to Bob and Alan for their mammoth performance, as well as to the other nine shooters, who really made this a memorable shoot-off — probably the equal or better of any district championship decided at any country club. Promising new shooter Neil Bennett indicated his ability by taking out the 12/13 yard trophy.

First trophy event on the programme was the I.C.I. trophy, in which Alan Pearson deserved his very creditable win after John Caskey took him to 43 birds. Popular visitor Peter Caddy of Barmera started his card well by taking the third trophy.

Another popular win, this time under the lights, was by Ted Cramp of Menindee, who indicated his prowess by winning the Night Handicap Trophy.

George Gleeson creditably started off the second day's programme by earning his sash for first placing in the West Darling S.B. C'ship. Alan Halls again indicated his ability by taking George to 37 birds. Leo Mallon was third. Ted Cramp was again on the trophy list when he took out the 12/15 yard trophy.

To finish the programme, a £50 H'cap was decided, in which 13 shooters scored the possible.

Alan Halls was the unlucky shooter over the programme with second placing in both championships and just missing out in other events. His score of 88/90 over the High Gun programme certainly earnt him this trophy.

Once again interest was keen for the unusual boomerang-shaped McKean Shield, for which six teams competed. Three scores of 97/100 were recorded. Menindee team eventually proved the stayers, taking out the shield.

Again we sincerely thank our many visiting supporters from Adelaide, Mildura, Pooncarrie, Menindee and Barmera, to whom we owe the success of the shoot. Cal Hollow ably assisted our committee, acting in the capacity of Marshal, for which services we offer you our sincere thanks. Several visitors offered their services when we encountered mechanical trouble with No. 2 trap, and to these shooters we offer deepest thanks in ironing out this bug-bear.

For our next major shoot on the second week-end in October we will have our Damo in service and hope to be able to afford our visiting friends even better competition.

Our thanks again to the excellent catering from the ladies' committee, who spared no effort to make all those attending to be contented and well fed. My sincere thanks to each and every person who assisted in making the shoot run so successfully and my heartiest congratulations to all the prize winners.

Thank you.

COLAC (V.), 2/5/64.—Weather conditions: wet. Attendance: 15. Results: No. 1, 5-bird D.B.: P. Stinchcombe, R. Bath, D. Corstorphan, 5/5. No. 2, Club S.B. C'ship: 1st, S. Hay, 23/24; 2nd, R. Bath, 22/24; 3rd, L. Reicha, 25/27. No. 3, Novelty: 5 birds S.B. (12 yds.), S. Walker, 10/10; 5 birds D.B. (27 yds.), R. Green, 10/10. No. 4, 5 prs. D. Rise: A. McSween, D. Corstorphan, G. Hall, 8/10. No. 5, 5 prs. D. Rise: K. Rankin, 10/10; L. Reicha, R. Green, 8/10.

Club S.B. C'ship (at 20 clays) shot under wet and cloudy conditions. Light very bad — so bad while clays were tried out for the last event, but not used.

Our S.B. C'ship was won in convincing style by Stan Hay of Framlingham. He scored 23/24 to win in a tie shoot with Ray Bath of Cressy, 22/24. A tie shoot was necessary also to decide third placing, which went to Les Reicha (Terang), 25/27, from last year's winner, Don Corstorphan, 24/27.

The poor light and heavy rain, brought along by the thunderstorm in mid-afternoon, made shooting conditions difficult for the 16 competitors who took part. But in spite of it all, shooting continued until dark.

Off-the-fence events at double rise provided keen competition, with successes going to Gordon Hall, Stan Walker, Les Reicha, Ron Green and Angus McSween.

Keen interest was shown in an old L. C. Smith shotgun which had been modernised by its owner, David Grummett, of Terang. With new, finely checkered stock and fore-end and tooled action body, it showed a commendable standard of workmanship.

(Don Corstorphan, P/O.)

COOTAMUNDRA (N.S.W.), 17/5/64. — Weather conditions: fine and calm. Attendance: 27. Results: No. 1, 10-bird D.B.: 12 shooters div. No. 2, 10-bird D.B. (16 yds.): 15 shooters div. No. 3, South West D.B. C'ship: 1st, Bob Gittoes (Cowra), 269/269; 2nd, K. Oldfield (Cootamundra), 268/269; 3rd, Bill Manning (Cootamundra), 256/257. No. 4, £20 H'cap (20-bird D.B.): E. Elrington, R. Frost, Bob Gittoes, J. Thompson, F. Chudleigh, J. Forsyth.

The most exciting event of the day was an extended shoot-off for the D.B. C'ship. Thirteen shooters scored a possible and shot off under squad conditions. The three finalists, Bob Gittoes, Keith Oldfield and Bill Manning, shot on almost till dark, with Gittoes scoring 269/269, Oldfield 268/269 and Manning 256/257. Tom Frost also scored his first 75 break. This shoot-off was the second longest ever to be seen at Cootamundra and provided spectators with plenty of thrills. The previous occasion was when Newton Thomas shot Sid Lamb out to 321/321 in 1950. Bob Gittoes went on to make an unfinished break of 313/313 to shoot out Jim Forsyth (who also shot the programme) for the High Gun trophy.

(Tom Johnson, Hon. Sec.)

Overwhelming support by country shooters helped make this 1964 N.S.W. State Teams Shoot a complete success. It is believed the 94 shooters who took part in the State Elimination Shoot was a record not matched over the last 13 years. The Cowra ground was never in better condition and the weather was most favourable.

Mal Fuller shot faultlessly in the Night Lachlan Valley D.B. Sparrow C'ship. He won this event from Harry McDiarmid, with W. G. Mackay third. The front-marker trophy was taken out by an interstate visitor in Dr. G. T. Ethell.

The Elimination for the N.S.W. State team was keenly contested by the 94 shooters who took part, and our congratulations go to the following shooters who were successful in making the team: E. Miles, K. Heywood, K. Sim, S. Bell, D. Scowcroft, B. Wenban, R. Wallace, C. Anderson, P. Soames, J. Maloy, K. Soames (Snr.), W. Warren, K. Soames (Jnr.), J. Thompson, A. Robotham.

W. Warren of Boorowa proved too good in the High Gun on the Teams Match and was successful from Jim Thompson of Cootamundra. The general standard of shooting was very high and all trophies and championships were closely contested.

Peter Soames shot well to defeat Bob Gittoes in a shoot-off to win the Point Score Trophy; Harry McDiarmid was third, and the front-marker trophy was won by F. Dickerson. Mal Fuller proved himself again in the Lachlan Valley S.B. Night C'ship; he won this event, with Don Middleton second, J. McLean third, and again Dr. G. T. Ethell was successful as the front marker.

The D.B. Trophy was won by Arthur Robotham after a keenly contested shoot-off with eight other shooters. Harry McDiarmid was runner-up in this event, R. Spratt finishing third, and John Farrow was successful as the front marker.

The overall High Gun was won by Mal Fuller, Dick Toshack being runner-up. The Intermediate High Gun was accounted for by F. Chudleigh, with G. Bookallil second.

The Cowra Club would again like to thank all shooters who participated, and would like to mention the attendance of two interstate shooters, Dr. G. T. Ethell and G. S. Martin (Queensland).

CROOKWELL (N.S.W.), 25/4/64.—Weather conditions: fine and cool. Attendance: 20. Results (Day): No. 1, 5-bird D.B.: div. W. Webster, H. Anderson, N. Nicholson, Jim Medway, C. Harries, R. Gittoes, 5/5. No. 2, 5-bird S.B.: div. N. Nicholson, F. Seery. No. 3, 20-bird S.B. Club C'ship: 1st, R. Gittoes, 25/25; 2nd, R. Churchill, 24/25. No. 4, 10-bird D.B. Sparrow Trophy: 1st, W. Webster, 10/10; F/M., G. Mooney, 16/17.

Night. — No. 5, 30-bird D.B. Trophy: 1st, R. Gittoes, 63/63; 2nd, R. Churchill, 62/63. No. 6, 10-bird D.B. Sparrow Trophy: 1st, N. Nicholson, 18/18; 2nd, R. Churchill, 17/18. No. 7, Box Sweep: 1st, N. Nicholson.

Those attending enjoyed a good afternoon and night of shooting. The main event on the programme, Club S.B. Day C'ship, and 30-bird D.B. Trophy at night, were both won by visiting shooter R. Gittoes from Cowra, with local shooter Robert Churchill coming a good second after a shoot-off on each occasion. W. Webster, C. Harries, Jack Medway and Fred Seery also shot well throughout the programme.

Before shooting commenced, club President, W. Webster, called shooters for a minute's silence in remembrance of the late Stanley Roy (Dickie) Churchill. Dick was a foundation member and a hard worker for the club and will be sadly missed by his many shooting friends.

CROYDON (V.), 9/5/64. — Weather conditions: fine and warm. Attendance: 50. Results: No. 1, 5-bird Pts.: div. 8 shooters, 15/15 pts. No. 2, Vic. Intermed. D.B. C'ship: 1st, C. W. Fankhauser, 35/35; 2nd, K. Allen, 34/35; 3rd, P. Henwood, 30/31; 15/16 yds., G. Moore, 28/29; 12/14 yds., W. H. Ludbrook, 24/25. Back-markers' C'ship (in conjunction with above): 1st, W. Dalzell, 32/33; 2nd, I. Porter, 31/33; 3rd, W. Lonie, 22/23. No. 3, 5-bird D.B. H'cap: div. 16 shooters, 5/5.

This turned out a good day, both numerically satisfactory as the club is concerned. The weather favoured the club also, it being a typical autumn day. Good to see the major prizes won by not only members, but very regular supporters of this club.

Our congratulations to Cyril Fankhauser, the ultimate winner from Ken Allen and Perc. Henwood, after four shooters had gained the possible and had to shoot it out. An innovation was the Back-markers' C'ship, which went to another good supporter of the club in Bill Dalzell, from Ian Porter and Bill Lonie. Altogether, a very pleasant day for all.

13/5/64 (Night).—Weather conditions: fine and warm. Attendance: 23. Results: No. 1, 5-bird Pts.: div. R. Henwood, H. Mitchell, W. Dalzell, 15/15 pts. No. 2, Club S.B. Night C'ship: 1st, W. Williams, 19/20; 2nd, I. Porter, 24/26; 3rd, G. Read, 23/26; 12/14 yds., E. Boyle, 15/20; 15/16 yds., E. McGoldrick, 20/25. No. 3, 20-bird D.B. H'cap: 1st, G. Read, 20/20; 2nd, I. Porter, 19/20; 3rd, div. E. McGoldrick, S. Capizzi, 18/20.

Small attendance considering the way the weather turned out. The C'ship resulted in an outright win for Bill Williams with 19/20, with Ian Porter and Geoff Read shooting it out for the minor places and finishing in that order. Our congratulations to each, and also to the yardage winners in Eddie McGoldrick (15/16 yds.) and Ernie Boyle (12/14 yds.). The trophy for the lady drawing the winner went to Mrs. Gresselle, the wife of one of our very regular supporters, Bill Gresselle.

23/5/64.—Weather conditions: fine but cold. Attendance: 52. Results: No. 1, 5-bird Pts.: div. 11 shooters, 15/15 pts. No. 2, 20-bird D.B. H'cap: 1st, A. F. Drake, 33/34; 2nd, R. Adams, 32/34; 3rd, D. Goon, 31/32; 15/16 yds., S. Thomson, 23/24; 12/14 yds., K. Allen, 19/20.

An excellent attendance of shooters and a very successful day for the club. In the main event 11 shooters tied with the possible, and after going on to another 14 targets, "Jock" Drake won from Roy Adams and Doug. Goon — three good sports and regular visitors to Croydon. Congratulations to them, and also to winners of the yardages — S. Thomson (15/16) and Ken Allen (12/14).

Very successful shoot, considering the bad weather conditions. Visitors came from Ballarat, Shepparton, Dookie, Echuca, Cobar, Bourke, St. George, Quilpie, Barcaldine and Charleville.

Rained Friday night, making it very wet at Gun Club for Saturday and Sunday. Beautiful trophies, most coveted being the diamond watch.

DARWIN (N.T.), 3/5/64.—Weather conditions: fine. Attendance: 16. Results: No. 1, 5-target D.B. H'cap: R. Manuel, C. Orman, L. Jessup, Beth McGhie, J. Wyatt, G. Worrall, R. Viney, A. Celenza, W. Gartner, V. Chiericoni, 5/5. No. 2, 5-target S.B. H'cap: C. Orman, 5/5. No. 3, 10-target D.B. H'cap: 1st, Chiericoni, 28/28; 2nd, J. McRae, 27/28; 3rd, R. Viney, 12/13. No. 4, 10-target D.B. (from 16 yds.): C. Orman, G. Worrall, 10/10.

Another enjoyable shoot, and it was good to see so many visitors and new-comers along. Some of them really showed us how to shoot, too, with Clark Orman only dropping one bird over the programme. It would appear that some keen new members are in the offing.

It was good to see some of the ladies along to watch their "fellas" perform.

17/5/64. — Weather conditions: cool, with gusty easterly causing clays to suddenly lift. Attendance: 19. Results: No. 1, 5-bird D.B. H'cap: Risk, Salter, Viney, Kloubek, Nicholls, Pearce, 5/5, div. No. 2, 20-bird S.B. H'cap: 1st, V. Chiericoni, 20/20; 2nd, M. Risk, 21/26; 3rd, C. Kloubek, 22/27.

A good roll-up of members was evident. Conditions were somewhat blustery as the velocity of the wind increased. V. Chiericoni returned to his good form to take first prize.

At the conclusion of the shoot the Annual General Meeting of the Darwin Gun Club was held. The club reluctantly accepted the resignation of Mr. Gordon Worrall caused by Service transfer, and when the new committee was elected, Ron Black was elected Secretary. Other executives are Bill Gartner President and Jack McKenzie Treasurer.

(A. G. Worrall, Hon. Sec.)

DENILIQUIN (N.S.W.), 16/4/64.—Weather conditions: fine and sunny. Attendance: 9. Results: No. 1, 5-bird D.B.: G. Daly, G. Thomas, R. Lawson, F. Bradley, 5/5, div. No. 2, 5-bird D.B.: G. Daly, B. Lawson, 29/30. No. 5, 10-bird S.B. (Club Mug): R. Howitt, 23/24.

It was fine and sunny on Saturday, when the boys got together to bust a few clays, still using the old trap on number three ground, as the electric traps have not yet been delivered. John Leetham again made his presence felt by cleaning up the Secretary in the trophy event, being the only one to bust the possible. Young Robert Howitt took home another Club Mug when he held off President Garry in a shoot-off.

16/5/64.—Weather conditions: fine. Attendance: 28. Results: No. 1, 10-bird D.B. (off 16 yds.): R. Howitt, S. Henwood, G. Daly, W. Coulson, J. McMaster, L. Scriven, R. Lawson, R. Bushby, G. Kennedy, Mrs. Daly, K. Dobson, 10/10, div. No. 2, Riverina D.B. C'ship: 1st, W. Coulson, 135/135; 2nd, S. Henwood, 134/135; 3rd, R. Lawson, 60/61; F/M., G. Craze, 28/30. No. 3, £50 Trophy H'cap: 1st, L. Scriven, 21/21; 2nd, W. Coulson, 21/22; 3rd, R. Bushby, 20/22. No. 4, 5 pr. D. Rise Sparrows: C. Radcliffe, R. Bushby, 4/5, div. No. 5, N.S.W. D. Rise Sparrows C'ship: 1st, K. Dobson, 13/30; 2nd, R. Bushby, 11/29; 3rd, W. Markham, 8/20; F/M., G. Craze, 4/15. No. 6, £50 Trophy H'cap: 1st, K. Dobson, 25/25; 2nd, R. Bushby, 24/25; 3rd, C. Radcliffe, 21/22.

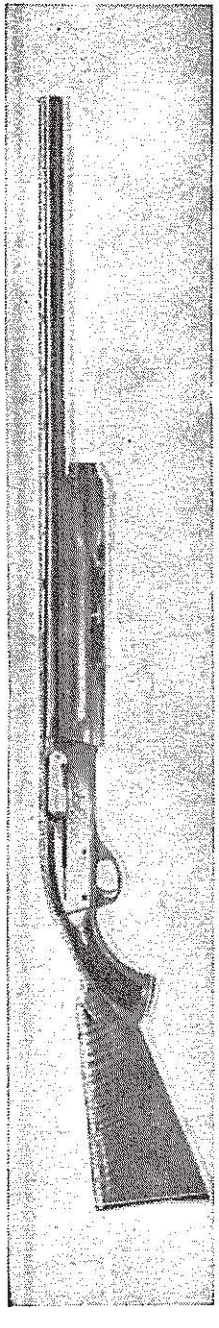

Fine, sunny day and a cold, calm night made ideal shooting conditions for our shoot. It was nice to have visitors from Narrandera, Corowa, Echuca, Kerang and Melbourne present to help make our shoot a success. Bill Coulson came along from Bendigo and took off the Riverina D.B. C'ship after a long shoot-off with Sam Henwood. Lew Scriven took home a transistor as first prize in the H'cap, with Bill Coulson again making his presence felt by running second, with Bob Bushby third.

Kevin Dobson started a winning run with the N.S.W. Sparrow C'ship from Bob Bushby, W. Markham, Gordon Craze being front marker in both C'ships. Dobbie again beat all-comers in the final £50 H'cap and was last seen listening to his transistor whilst camped in his electric blanket, which he'd plugged into a gum tree. Bob Bushby again received second prize, with Charlie Radcliffe third.

An enjoyable barbecue tea was had by all, thanks to Peg, Kath, Johnno and K.G.

High Gun: R. Moffatt, 40/40.

This is the new Remington Model 1100 automatic 12 gauge . . . the shotgun everybody is talking about

(Model 1100-TB-Trap Gun also available)

The new Remington Model 1100 is the finest automatic shotgun ever made. Comparative tests prove it rates first in durability & overall performance & first in shooting comfort.

Here are the facts:

Up to seven times longer shooting life. The action of the model 1100 is stronger. Key parts have been "beefed up" and others have been highly polished to reduce wear. Finally, the areas of greatest impact have been given special buffering cushions. The new metal finish is extremely rust-resistant. And the rich American walnut stock is protected by a specially developed RKW wood finish — toughest ever put on a gun!

Gives up to 40% less "kick" than any other automatic — and up to 55% less than any other shotgun action. What does it? A completely new system of gas operation. All the power is still there, but you feel it far, far less.

Outstanding performance. A Model 1100 holds five shots, handles all 2¾-inch loads without adjustment. It can go 5,000 rounds without a cleaning.

The superb balance and swing of a Model 1100, and the beautiful fleur-de-lis checkering, and delicate scroll-work can best be appreciated with the 1100 resting comfortably against your shoulder. Plain and vent rib barrels; all standard chokes and barrel lengths. Field, trap, skeet and magnum models are available.

MODEL 1100 TB — Trap Gun

SPECIFICATIONS: Better grade wood, rubber recoil pad. Special stock dimensions: 14⅜" long including recoil pad, 1⅞" drop at heel, 1½" drop at comb. Weight: about 8¼ lbs. Available in 28" and 30" full choke ventilated rib barrels only. Ivory bead front sight, white metal rear sight.

Joe Raleigh and John Forsythe attended from Coff's Harbour and were given a warm welcome. Ron Moffatt showed his appreciation of the new club house and concrete tracks by breaking the first 40. I wonder if he had anything to do with the trap failure?

EAST. GOLDFIELDS (Kalgoorlie, W.A.), 12/4/64. — Weather: good. Attendance: 20. A good roll-up for our 1964 opening shoot, which was comprised of 15 birds D.B. and 10 birds S.B., with trophies for both open and intermediate in our club handicaps.

Only one possible was shot during the afternoon, and this was done by Brian Warren, who is now shooting particularly well with his new Broadway. Runner-up in the intermediate was Clarrie Spangler, who always manages to just miss one bird in every event. The open section went to Noddy Noddy Ovens, who out-shot the rest of the back markers.

The club has now installed its second Damo, which is working well. Since last season we have also re-designed our night lighting and installed two new 1500 CP quartz lights, which are more than adequate.

Victorian Team, which shot in the Victorian section of the 1964 Interstate Teams' Match at Alexandra (V.).

We have the Commonwealth Night D'ville Doubles C'ship on July 18 and 19, together with the State Skeet C'ship, the State Inter. D.B., the District D.B. C'ship, a case of Cartridges shoot, a £100 H'cap, and a £25 H'cap. This we believe, to be the most comprehensive programme for a two-day shoot yet attempted in the West. We expect a big field for the above on July 18 and 19.

26/4/64. — Weather: dull. Attendance: 20. Twenty members contested the 30-bird D.B. event from club handicap marks. No possibles were recorded, but five members, in Doug. Graham, Clarrie Spangler, Peter McBride, Doug. Martin and Bill Montgomery, shot 29/30, and the Intermediate shoot-off went to Doug. Graham with 35/35, and the open trophy to Peter McBride.

A very pleasant afternoon for our first day shoot this year. Everyone shot well, as over the three 10-target events 600 targets released and 545 shot. The 10-target trophy event had 12 possibles, and quite a lengthy shoot-off with Harry Gibson, 44/44; Kevin Dobson, 43/44, and F. Bradley, 34/35. Harry shot his first 50 break and finished 63/64 for the day. The Graded Trophy event, with three trophies of equal value: Trevor Berryman, 12/15 yds., and Roby Manuel, 16/18 yds., were the only possibles in their groups.

Roby has been a very staunch supporter of our shoots for many years, and this was his first Echuca trophy; congratulations. Kevin Dobson had to shoot to 26/26 for the 19/over, as five possibles were shot in this group.

HAMILTON (V.), 18/5/64.—Weather conditions: *fine. Attendance: 25. Results:* No. 1, 5-bird D.B.: div. H. Vaughan, J. Arnold, R. Rundell, J. Ross. No. 2, 10-bird "I.C.I." H'cap: 1st, J. Arnold, 19/19; 2nd, V. Thompson, 18/19; 3rd, H. Smith, 10/11. No. 3, 10 birds: 1st and 2nd, div. S. Thompson, A. Gordon, 10/10; 3rd, div. L. Rundell, V. Coates, L. Storer, 9/10. No. 4, 5 birds D. Rise: 1st, H. Smith, 4/5; 2nd and 3rd, div. H. Vaughan, V. Thompson, T. Laidlaw, J. Arnold, L. Storer, D. Constable, 3/5.

Main event of the day was the 10-bird D.B. H'cap shoot for the trophy donated by I.C.I.A.N.Z. Their action in providing this trophy each year is very much appreciated. Veteran shooter John Arnold was successful in taking the prize, but it was a keen tussle from our youngest shooter, Vivian Thompson — only one point the difference. Vivian is *to be congratulated on putting up such a fine* performance against the other shooters of many years' experience.

When presenting the three trophies, President Stan Rentsch made a special reference also to Mr. Hall of Penshurst for his donation of the third prize.

(J. Ruffle, Hon. Sec.)

HAY (N.S.W.), 23/5/64. — Weather: perfect. Attendance: 17. No. 1, 5-target Pts.: div. N. Milliken, L. Booth, 15/15. No. 2, Evans & Balfour Trophies (20-target Pts.): Max Gibson, 63/66, 1st; R. Wendel, 60/66, 2nd; E. V. Cox, 56/60, 3rd.

In perfect autumn sunshine the three lovely trophies presented by Messrs. Evans and Balfour, the well-known gunsmiths, attracted keen competition, and the main award was won well by Max Gibson after a shoot-off with comparative novice shooter in R. Wendel, with E. V. (Vic.) Cox third.

It was good to see Gibson's return to form, and also that of Vic Cox in collecting a trophy. Regarding the latter, it's many moons since he has participated in collecting a trophy and it may foreshadow the end of the trail and from now on the major prize may come his way.

The club was pleased to see a couple of new members taking up the sport, in Messrs. Hurst and Wendel. Both on their first performance, should do well after a little more practice.

HOPETOUN (V.), 1/5/64.—Weather conditions: fine and mild. Attendance: 27. Results: No. 1, E/O.: L. Ey, E. A. Poulton, S. Childs, E. McMillan, S. McCreddin, K. Wise, N. Mott, 5/5, div. Once again a good attendance of local members and visitors from the surrounding clubs; thanks, shooters. A very pleasant night's shooting was enjoyed by all, under ideal conditions. Local member N. Mott turned on a fine exhibition to win main trophy event, which was donated by local business man, Mr. A. Rowe.

The ladies turned on their usual spread for supper, which was enjoyed by all. Thanks, ladies.

HORSHAM & DISTRICT (V.), 16/5/64. — Weather conditions: good. Attendance: 25. Results: No. 1, 5 birds: 11 shooters div. No. 2, 10 birds (£25): 13 shooters div. £13 and shot on for £12, which was finally div. J. Wishart, S. Childs, G. R. Kennedy, B. Robinson, B. Mulraney. No. 3, 10-bird H.cap Trophies: 1st, J. Quite a good day's shooting. We saw a good shoot-off in the trophy event, with age beating youth, as Joe Wishart proved too good for his two younger rivals. It was good to see both Geof. Kennedy and Max Drane take out the minor placings with some very good shooting, as they are both comparatively young shooters.

Once again thanks, ladies, for the afternoon tea.

(Norm Stewart, Hon. Sec.)

HUNTLY (V.), 2/5/64. — Weather conditions: windy. Attendance: fair. Results: No. 1, 5-bird D.B.: H. McQueen, T. Hartland, J. Jones, R. Pellas, F. Doyle, A. Mason. No. 2, 20-bird D.B. (I.C.I. Trophy): 1st, T. Preston; 2nd, O. Rumbold. Yardage trophies: 12/14 yds., R. Lamaro, 1st; J. Johnson, 2nd. 15/17 yds.: A. Mason, 1st; F. Doyle, 2nd. 18/21 yds.: D. Mountjoy, W. Huntly conducted its monthly shoot for a trophy donated by I.C.I. No shooters were able to return a full score of 20 birds, the best being two 19's by T. Preston and D. Rumbold, the shoot-off being won by T. Preston. The final event of 10 birds for trophies was won by J. Jones after a shoot-off from T. Preston; these were the only two shooters to shoot the possible, R. Lamaro taking third prize after a shoot-off with four other shooters.

The hot dogs superbly cooked by Mrs. Cummings and her helpers were very soon disposed of by shooters and spectators.

(B. Mundt, Acting Hon. Sec.)

KATANNING (W.A.), 24/5/64.—Tony Cusack had a clean sweep on Sunday, 24/5/64, winning both events and the high-gun honours. The P. H. Crossley trophy, for 30 targets D.B. from club handicaps, attracted a field of 26 shooters and was shot under cool and cloudy conditions. Cusack and David Anderson tied for first, 28/30. Cusack won the shoot-off, 34/36. John Clegg, George Anderson and Ross Anderson shot 27/30.

No. 2 event, 10 targets Gun Down Silent Rise, was won by Cusack, the only one to shoot the possible. N. Richardson, P. James and D. Anderson div. second, 9/10. Tony Cusack's high-gun score for the day was 38/40.

It was very gratifying to the club to field so many shooters, with support once again coming from Kojonup and Narrogin.

The alterations to the club house have commenced, and members can now obtain an impression of what the finished job will look like.

Rise: H. Kemp, 5/5; T. Dick, 3/5.

Heavy clouds made targets hard to see, but no wind helped some to register good scores. Pleasing to see another new shooter, T. Dick, get in the money.

We were glad to welcome G. Roach of Guyra Club to our shoot.

(C. H. Kemp, Hon. Sec.)

KOJONUP (W.A.). — Skeet shoot, 3/5/64. — Weather conditions: cold and windy. However, weather conditions did not prevent a good attendance of local and visiting shooters. High gun was won by M. Crossley. A win in the event of 25 rounds of Skeet went to E. A. Clegg from R. R. Cusack and A. Anderson.

LATROBE (Tas.), 23/5/64.—Weather conditions: fine, windless. Attendance: 18. Results: No. 1, 6 birds: eq. 1st, V. Mitchell, E. Johnson, R. Philpott, R. Blake, G. Johnson, L. Turnbull, H. Turnbull, L. Johnson, E. Downward, B. Turnbull, M. Johnstone, 5/5. No. 2, Newcomers (5 birds): R. Holden, S. Bramich, 5/5; D. Kenny, C. Hedditch, G. Johnson, E. Downward, 4/5. No. 3, 10 birds: V. Mitchell, L. Johnson, R. Philpott, 10/10; H. Turnbull, 9/10. No. 4, 5 birds (front markers): G. Johnson, M. Fawkner, 5/5; G. Jackson, 3/5. No. 5, 4-bird D'ville Doubles: V. Mitchell - J. Johnstone, B. Turnbull - G. Johnston, R. Philpott - L. Turnbull, 4/4. No. 6, 10-bird D. Rise: R. Blake, 10/10; V. Mitchell, 9/10; B. Turnbull, 8/10.

This was the first shoot of the re-formed Latrobe Gun Club and was attended by 18 shooters, of which a goodly part were younger men. The ladies were there in force and served a very welcome afternoon tea. The day was rather cold, with odd bursts of sunshine.

A new club house is being built by our President, R. Philpott, and helpers, and although only in the early stages yet, gives promise of being a very fine building when completed.

E. Johnson was not in his usual form today. R. Philpott, V. Mitchell, L. Johnson and R. Blake all shot well, making first place in five out of the six events.

(Mrs. Lee McGahey, Hon. Sec.)

LISMORE (N.S.W.), 2/5/64. — Weather conditions: bright and still. Attendance: 13. Results: No. 1, 5-bird Pts. (16 yds.): D. Powell, Chubb Smith, N. Smith, Bill Ross, 15/15, div. No. 2, 10-bird S.B. (16 yds.): D. Powell, A. Chapman, Chubb Smith, C. J. Lee, 10/10, div. No. 3, North Coast S.B. C'ship: 1st, D. Worrall, 37/38; 2nd, R. Shepherd, 36/38; 3rd, A. J. (Chubb) Smith, 21/23. No. 4, 5-bird S.B.: A. J. Smith, N. Smith, F. Paget, J. Neill, D. Worrall, G. Smith No. 5, Marangon & Cannell Shield (20-bird S.B. H'cap): Lismore Team, 90/100, def. challenging Ballandean Team, 85/100. (Winning team: C. J. Lee, 19/20; D. Powell, Snowy Smart, D. Worrall, 18/20; R. Shepherd, 17/20.)

With almost perfect conditions for clay shattering, scores fluctuated more than expected. Competition was nevertheless keen. The North Coast S.B. title saw a three-way shoot-off, with "yours truly" having the lion's share of luck. Roy Shepherd's long, long Ithaca is certainly hard to beat. We went on for a S.B. break of 55 birds, but then, conditions were good!

The Marangon & Cannell Shield was again well contested, but the challengers didn't have those second barrels they needed. Be up in September, chaps, to give you another dig at us. We'll also bring our new shooter, Snowy Smart, who will be a front-marker no longer!

Mrs. Powell and Mrs. Lee again officiated most efficiently with tea-pot and trimmings.

(D. S. Worrall, Hon. Sec.)

MACKAY (Qld.), 17/5/64. — Weather conditions: cloudy and windy. Attendance: 17. Results: No. 1, 5-bird D.B.: R. Bussey, R. Kennedy, C. Halpin, A. Cunial, E. Price, B. Gilbert, F. George. No. 4, 10-bird S.B. Trophy: A. Cunial, 1st; B. Gilbert, 2nd; C. Halpin, 3rd.

Another very good day's shooting, good attendance, very windy conditions. Congratulations go to R. Bussey, a new shooter, putting up a fine performance. General scoring was fairly good. Today was our first shoot on our new Snipe trap, which was completed yesterday.

(C. K. Horan, Hon. Sec.)

A very pleasant afternoon's sport, with some magnificent shooting in the dual between 14-year-old D. McGuinness Jnr. and P. Poole (member of the State Team), in which D. McGuinness Jnr. finally proved the victor with the fine score of 70/70 and went on to finish the day 85/85—a very fine effort, and the champs. will have to look to their laurels.

As usual, the ladies were well to the fore and provided a very enjoyable afternoon tea. Visitors were from Benalla, Kevington, Tatong and Lurg.

Once again a very good attendance, considering the wet afternoon. A fine display of shooting by Brian Walton and Jack Doherty. Congratulations, Brian, on your break of 87, and Jack with a 67 break. Unluckiest shooter was R. Hanslow, who shot 47; he needed three more for a 50 break badge.

All shooters shot extremely well to make an enjoyable afternoon.

No. 6, Off the Fence (5-bird D.B.): div. C. Young, R. Abblitt, I. Heazlewood, G. Waterhouse, 4/5.

Our first shoot on our new ground was favoured with good weather and a good attendance of shooters from as far afield as Launceston and Redpa. The main event, a Pts. Dec. Trophy shoot, went to novice shooter W. Fisher of Forth with 30/30, having his first shot over the traps. S. Bott, R. Abblitt and D. Brett, 29/30, shot off for the minor placings, which went to S. Bott from R. Abblitt after a further six birds.

The club was complimented by visiting shooters, who considered the lay-out as one of the best ever seen. An enjoyable day's sport was topped off by an enjoyable cuppa provided by the ladies' committee, who, as usual, excelled themselves.

Both shooters and spectators enjoyed a very pleasant day, with all events closely contested. There were three contenders for the High Gun trophy, and Mick Robinson deserves full credit for defeating his more experienced rivals. It was an education to watch the style of Perc. Dennis.

Visiting shooters came from Brisbane and Toogoolawah, with strong support from Sth. Burnett.

Congratulations to Maurie Sullivan, who shot 93 straight at Cobden yesterday, followed by 71 at Mt. Gambier, which earnt him the Sth. Eastern C'ship. The £20 H'cap saw 18 shooters line up for the shoot-off with possibles of 10/10. A further 225 clays were shot at before five successful shooters decided to take £4 each.

The shooting for the day commenced at 10.30 a.m. in ideal weather conditions. Slight glare was experienced until 12 noon. Congratulations go to Mrs. Pat Toole for her consistent shooting throughout the day. Pat won the Inter. High Gun and High Gun and the S.B. C'ship, plus other smaller prizes.

Rain later in the day caused several postponements, and the novelty quail shoot had to be deleted. All events were trophies and the £10 Cash H'cap was again very popular.

NOORAT (V.), 23/5/64. — Weather conditions: fair. Attendance: 47. Results: £110 H'cap: 1st, M. Holloway (W'bool), 39/39; 2nd, A. McIntosh, 38/39; 3rd, R. Green (Geelong), 28/29; F/M., G. Hall, 14/16; M/M., C. Grist, 25/26; B/M., R. Bath, 14/15. High Gun Trophy: M. Holloway, 49/49.

An excellent day's shooting, with fair weather conditions for this time of year. The W.D.C.T.A. Shield was taken off by Warrnambool No. 1 team with a score of 142/150. Nice shooting, boys. Honours for the day go to Merv. Holloway, who won the main event, and also the high-gun trophy. Congratulations, Merv.

Also we would like to take this opportunity to thank the ladies who are doing such a wonderful job with afternoon tea.

PARKES (N.S.W.), 9/5/64.—Weather conditions: very good. Attendance: 24. No. 1, 10-bird D.B.: R. Wilson, R. Ellison, K. Oldfield, B. S. Wenban, D. Middleton, E. Miles, L. Tobin, G. Bradley, E. Field, E. Weaver, M. Tilley, div. No. 2, 20-bird D.B. President's Trophy: E. Miles (Parkes), 1st; L. Bird (Cowra), 2nd; C. Bradley (Molong), 3rd. No. 3, Mid-West D'ville Doubles C'ship: 1st, R. Ellison - H. Wright; 2nd, L. Bird - B. Gittoes. No. 4, 5-bird Pts.: E. Field, 1st; E. Miles, L. Bird, equal 2nd. No. 5, 15-bird Vice-President's Trophy: L. Bird (Cowra), 1st; L. Hansen (Bathurst), 2nd; H. Wright (Orange), 3rd. No. 6, Mid-West Deauville Doubles Night C'ship: 1st, K. Oldfield - G. Bell; 2nd, L. Bird - W. Rae.

A good roll-up of shooters from as far apart as Young, Cowra, Orange, Cootamundra and Narromine ensured a great deal of keen shooting. Len Bird of Cowra put up an outstanding performance to kill all but one bird during the programme. One more kill and he would have taken out the standing trophy of a gent's wristlet watch.

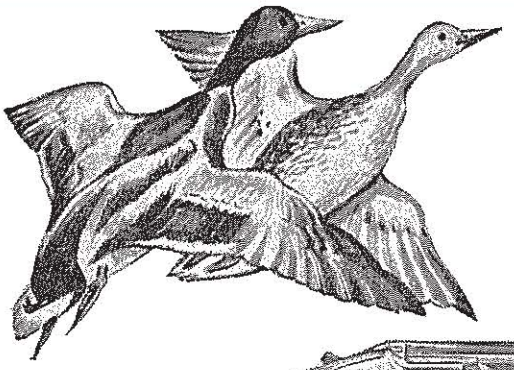

The President's Trophy was won in fine style by Club Vice - President, Eric Miles, after a close shoot-off with Len Bird and Clifford Bradley. Perhaps the most interesting event on the programme, however, was the Mid-West D'ville Doubles C'ship, where the shoot-off went to 110 pairs before R. Ellison and H. Wright came out on top, with L. Bird and B. Gittoes a very good second.

Len Bird came up again at night to take first place in the Vice-President's Trophy, with L. Hansen second and H. Wright third. The Mid-West D'ville Doubles Night C'ship resulted in another interesting shoot-off, but K. Oldfield and G. Bell won their way into first position, with L. Bird and W. Rae a close second.

(Miss J. Wilson, Hon. Sec.)

PUCKAPUNYAL ARMY (V.), 31/5/64. — Weather conditions: overcast, slight showers. Attendance: 94. Results: No. 1, C'wealth Mixed Sparrows C'ship: 1st, R. Wilson, 18/29; 2nd, A. Jamieson, 17/20; 3rd, K. C'ship: 1st, J. Hickford; 2nd, W. Coulson; 3rd, N. Delorenzo.

18/4/64. — Weather conditions: fine. Results: No. 1, 10-bird Pts.: A. J. Morris, 30/30; C. Arnop, 28/30; M. Cripps. No. 2, 20-bird D.B.: E. Hamilton, 1st, 20/20; R. Barlow, 2nd, 20/21; I. McNaughton, 3rd, 19/21. No. 3, 10-bird S.B.: P. Barlow, 1st, 10/10; Roy Traill, 2nd, 14/15.

Seventeen shooters attended for the I.C.I. Trophy shoot, which was very disappointing. We were very pleased to welcome Mr. and Mrs. Fred Byers from Melbourne, and Fred kindly presented the trophy on behalf of I.C.I. to Ern Hamilton, 20/20, who said he was very proud to win; second was Ray Barlow, 20/21; 3rd, I. McNaughton, 19/21.

Our shoots seem to need a boost, and after putting in a "Damo" trap we would like to see more visitors. They are always welcome.

16/5/64. — Weather conditions: fine, cold. Attendance: fair. Results: No. 1, 10-bird Pts.: E. Cripps, C. Bleckley, 29/30; E. Hamilton, 3rd, 28/30. No. 2, 15-bird D.B.: 1st, A. Pedersen, 27/27; 2nd, F. Hobson, 26/27; 3rd, R. Barlow, 24/25. No. 3, 10-bird S.B.: 1st, S. Lett, 10/10; 2nd, C. Bleckley, 14/15.

Nineteen shooters attended the three events, the main one being the Charles Budge Shield Team Shoot. Four teams contested, with Warragul winning. The individual winner in the event was "Tup" Pedersen, 27/27, after shooting off with F. Hobson, 2nd, 26/27, and Ray Barlow, 3rd, 24/25. The last event was won by S. Lett of Sale, 10/10, and C. Bleckley, 2nd, 14/15.

Many thanks to ladies for afternoon tea.

(Mrs. Joyce Pearson, Hon. Sec.)
