NATIONAL CHAMPIONSHIPS AND INTERNATIONAL MATCH. As explained through the advertising section, the 1965 National Championships series and 19th International Match will be held from March 4 to March 9 at East Burwood shooting grounds (Victoria)—the home venue of the Australian Gun Club. The International Match is always one of the highlights of the series, and one of the chief reasons for this is that if a shooter is shooting well enough he gains a place in the 30-man team to represent Australia — there is no selection committee — the shooter shoots his way into the team. There is always something of the hall mark of shooting ability once a marksman has made the Australian Team. Frequently, in conversation, one hears "or so and so is an International," and for a shooter to hear such a statement concerning himself must surely bring a feeling of pride.

The series will start off with the National Double-barrel Championship and the A.C.T.A. Intermediate Championship (the latter shot in conjunction) on Thursday, March 4. It is of some interest to note the reason for the shooting of the National Double-barrel title as the first event on the programme. Some years ago a shooter in a northern area, who is a frequent visitor to the National series, wrote to the A.C.T.A. requesting that the event be the first held. His reason was sound logic and was that for many shooters who only get limited shooting practice it is better for them to get a sight of the targets under double-barrel conditions before they come on to the more intricate

type of S.B. and points release. The National double-barrel title counts for the aggregate for a place in the Australian Team, together with the National single-barrel and Australia-New Zealand Trophy. The top 30 scorers in these events automatically gain a place in the Australian Team. On the second day, March 5, the National single-barrel title will be decided, along with a series of £100 Handicaps. Third day, March 6, will see the shooting of the Australia-New Zealand Trophy, plus the Australian National Double-rise Championship. The 29th Annual Meeting of representatives of corporate clubs and delegates of unincorporated clubs will be held in The Victoria, 215 Lt. Collins Street, Melbourne, C.1, on Sunday, March 7, commencing at 10 a.m. The 19th International Match will be held on Monday, March 8, followed by the 16th Grand Australian Handicap of £550. The final day will see the staging of the blue-riband event of the series, from the individual viewpoint, the Champion of Champions Cup. This latter event is the original basis of the Association's National programme. It was started in 1937, when the winner was the former Association Chairman, H. G. ("Duxbac") James. The following year the event was won by the late Lew Bertram with a score which included a break of 77 straight, and which many thought, at that time, would never be bettered. Bertram's gun cost him £7/10/-!

Shooting will start each day at 9.0 a.m., and no entries will be accepted later than one hour after stated starting time.

Intending visitors who have not yet arranged accommodation may be unfortunate and miss out. T.A.A. are the booking agents, and application should be made to Mr. Roy Weston of T.A.A., 250 Collins Street, Melbourne, C.1 (phone 3.023), and it is felt that Mr. Weston will assist late applicants for accommodation if at all possible.

SAVING MILEAGE. A shooter, who indicated "he was getting on a bit", recently wrote the Association advising that his 1964 handicap was 17 yards, but he requested it be increased to 19 yards. In the shooter's own words, he states, "I'll be happy if I can shoot off 19 yards. I'm not as energetic on the 'old feet' as of yore and the extra two yards handicap will not affect my shooting, but it will save 20 yards of walking per squad at 5 targets—in other words, save a lot of walking over a programme." The A.C.T.A. has obliged the shooter and placed him on 19 yards, and expresses the best wishes to a shooter in the not-so-young group.

HANDICAP RETURNS. An increasing number of clubs appear to be submitting results sheets without also submitting a Handicap Return to the A.C.T.A. office. Clubs are reminded that the Executive Committee instructs that all clubs must submit a handicap return following each shoot. It is quite useless, from a handicapping viewpoint, not to include a handicap return when forwarding results. To bring about efficient handicapping in keeping with the Official Formula as published in the December issue of "News", a fully completed Handicap Return is essential. Recently a club forwarded handicap returns over two different days of shooting, but failed to include the amounts won by the various competitors. Such a return is of no value whatever, and in the case mentioned, both uncompleted forms were returned to the club concerned, with a request that details be completed and returned to the A.C.T.A. office. Clubs who continue to fail to submit

Handicap Returns, complete in every detail, will find that their shooters will be handicapped on results alone, and this is sure to lead to dissatisfaction and confusion. It is repeated that "all clubs must submit a fully completed handicap return following each shoot". This is an Executive Committee direction. New-style handicap return forms are available from the A.C.T.A. office. The new forms are greatly simplified and require only the minimum amount of office work to complete. Many of these forms have already been issued to affiliated clubs. Clubs in need of new forms are requested to notify the A.C.T.A. Secretary, Box 2038 S, G.P.O., Melbourne, C.1, immediately. New forms will be on the way by the next mail.

The co-operation of every affiliated club is urgently sought in this matter, as only by this means can correct handicapping be brought about.

THE "COCKED TRAP". Recently a shooter at a Victorian country club sustained shocking head injuries through being struck on the head by the release plate of an electric trap. It appears that some minor adjustment was required, and several shooters went to the front of the trap and investigated the cause of the trouble, while shooting was held up. Unfortunately the trap was still "cocked" when they went forward, and one shooter who happened to be right in front took the full force of the blow on the head. Needless to say, the shooter concerned sustained serious head injuries, into which many stitches had to be inserted, quite apart from the head pains with which he is likely to suffer for some time to come. Clubs are advised to ensure that one person only, be he trap mechanic, president or other senior official, should be present in the trap-house whilst adjustments are taking place. In the case under review it was understood quite a number were actually in the trap-house at the one time, and this doubtless produced an air of overconfidence and somehow the trap became released. Clubs should ensure that all traps are released or "uncocked" before anyone stands or squats in front of the plate.

Mr. J. M. Tyquin,
Federal President,

965 Botany Road, Mascot.

Dear Mr. Tyquin:

I desire to acknowledge receipt of your letter of the 17th December, 1964, concerning the proposed legislation to permit of Clay Target shooting on Sundays.

The question of amending the Police Offences Act to provide for the making of Regulations exempting persons or classes of persons from the provisions of Section 19, which prohibits shooting for pleasure, sport or profit, or the carrying of firearms on Sundays, is at present receiving consideration.

I shall let you have further advice when the terms of any amending legislation decided upon have been finally settled.

Yours faithfully,

C. A. KELLY,
Chief Secretary and Minister for Tourist Activities.

Letter to the Editor...

Sir,

Recently had a difference of opinion regarding conducting of half-round of skeet with prominent club official. I have not a copy of skeet rules, but, however, I ran it as follows:

From No. 1 station shoot at a mark bird from low house. Take alternate birds from stations 1 to 8, thus taking high bird from station 8.

Then simultaneous doubles from station 2, then station 6.

There may be a time-saving way, such as some difference in sequence of shooting after finishing at station 7, but if this is so, I am unaware of it. Trusting you can clarify this in your columns.

"Tips and Tails"

Officials of the Coff's Harbour Gun Club appointed at the club's annual meeting in January are: President, J. W. Raleigh; Patrons, Messrs. W. H. Bailey and B. Tancred; Vice-Presidents, Messrs. T. C. Seccombe and J. Forsythe; Captain, J. Forsythe; Treasurer, S. Morrissey; Armourer, G. D. Blundell; Secretary, G. D. T. Seccombe, 30 Collingwood St., Coff's Harbour Jetty, N.S.W.

The Coolah Gun Club held its annual meeting late in December and appointed the following officials for the current season: President, T. L. Baillieu, Tongy, Cassilis, N.S.W.; Treasurer, A. F. Atkinson, Coolah, N.S.W., and Secretary, Donald Arnott, Box 52, Coolah ('phone Coolah 78).

The Naracoorte Gun Club, just over the border from Victoria in South Australia, is a recent affiliation with the A.C.T.A. The club arranged its official opening shoot for Saturday, February 27. The Naracoorte Club has, thanks to a generous donor, been the recipient of a new Damo electric trap free of cost. This factor, plus the fact that the club took over the assets of the disbanded Little Bool Duck Shooters' Club, has enabled it to get away to a very good start. On the morning of the official opening of the club (February 27) a duck shoot was arranged on Bool Lagoon. The President of the club is J. E. Hood, Private Bag, Naracoorte, S.A., and he is also the occupier of Bool Lagoon, and it was proposed to charge every visitor to Bool Lagoon for the duck shoot £1 per head to provide the where-with-all to build a club house for the gun club. This is a novel way of obtaining funds for a club house, but doubtless it proved very successful. Secretary at Naracoorte is L. J. Williams, Box 159, Naracoorte.

Werribee Gun Club, which shoots on the Ballan Road, just beyond Werribee Racecourse, has arranged to shoot its club double-barrel sparrow championship on Saturday, March 13. Shooting will start at 1.30 p.m. and match conditions are 20 targets from 16 yards, nomination 25/-. A ten-target sparrow eye-opener will precede the championship. Other events will be held time permitting. Programme is as advertised. Enquiries to club Secretary, K. Shanahan, 4 Jellicoe Street, Werribee, V. ('phone Werribee 346). President is W. Cations, 9 Dixon Avenue, Werribee, V.

Birralee Gun Club in Tasmania has re-affiliated with the A.C.T.A. after being in recess for a number of years. R. G. Garwood, of 104 Stanley Street, Prospect, Launceston, is Secretary for the present.

Comment. — Jim Ross, a shooter from far western Victoria, writing to the A.C.T.A. recently, commented as follows: "I don't like or approve of the reducing of handicaps just for paying registration fees on time." Continuing, he writes: "The new Handicapping Formula — congratulations; it seems to me to be very fair; also congratulations on 'Shooters' News'; I really look forward to its arrival."

The New South Wales section of the Interstate Teams' Match will be shot at the Booralie Road, Terrey Hills, grounds of the N.S.W. Gun Club, on Saturday, May 15.

A total value of about £15 went up or went off with a bang during a shoot by an Austrian farmer, just prior to the Christmas season. The farmer had previously sold some pigs and pushed the notes representing 100 Austrian schillings into the gun barrels to ensure that his wife would not spend the money in a Christmas shopping spree. Out in his boat he sighted a brace of ducks, took quick aim and pulled the trigger. An unusually loud bang resulted and hundreds of small pieces of charred paper whirled through the air. The ducks hurriedly departed untouched. The moral to this story seems to be, never try to hide things from your wife.

Keilor Gun Club, which shoots on the Brooklyn grounds of the Victorian Gun Club, beyond Footscray (V.), will shoot on March 12 and March 27. Down-the-line events will be held on March 27 and the club single-barrel championship will be the main event on Friday night, March 12. Shooters are reminded that the Mildura Shield—Bruce & Summers—will be shot on April 3. Programmes are as advertised. Enquiries to club Secretary, G. Hunter, 3 Market St., Essendon, W.5 ('phone 379-2103). President is F. Reade ('phone 37-6851).

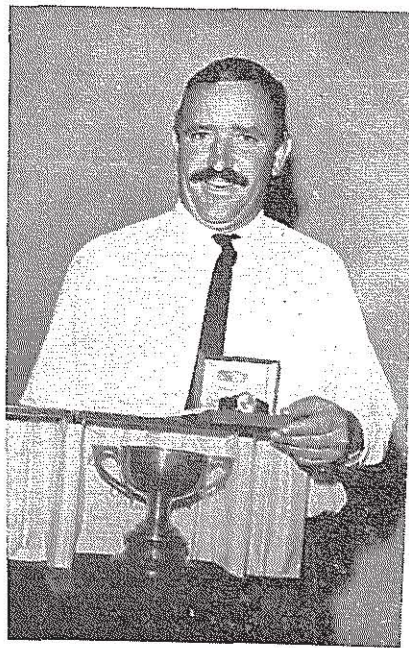

The Queensland section of the 1965 Interstate Teams' Match will be shot at the Barcaldine Gun Club's grounds over the dates July 17 and July 18 next. These dates have been approved by the A.C.T.A. The Barcaldine Club gives preliminary notice of its two-day fixture on the dates mentioned so that other clubs who may wish to fix their shooting dates may have plenty of notice. Meanwhile enquiries to Barcaldine Club Secretary, A. J. Anderson, Saltern Creek, Barcaldine, Qld. President is R. H. Moyse, Dunraven, Barcaldine, Qld.

Dan Orlich, the champion doubles shooter of Reno, Nevada, U.S.A., uses light 8's (American) on singles and doubles. In his view the second

shot in doubles, if your timing is good, is no more than a 21-yard target.

Berriwillock Gun Club in northern Victoria, after a period of several years of recess, has started up again and has already affiliated again with the A.C.T.A. and registered a number of shooters. Officials of the club for the present are: President, J. W. Prater; Secretary, L. Lord; Assistant Secretary and Treasurer, B. Poole; Vice-Presidents are A. E. (Ted) Knight and P. Nalder. The club looks to have a bright future, as local interest is high.

The annual meeting of the Mersey Gun Club in northern Tasmania was held in mid-January. The report given at the meeting revealed that the club had had its most successful year since its affiliation with the A.C.T.A. The retiring President, Bert Watson, in his review of the year's activities, paid tribute to the efforts of the Committee and all members

Lyle Nidler (Kingaroy, Q.), winner of Bauman Gold Cup at South Coast G.C. annual carnival.

who assisted with the club's change-over to the Coles Beach shooting grounds at Devonport. Particular thanks was expressed to Geoff Roberts and his wife, and Mrs. Roberts was the recipient of a presentation from the club. The following office-bearers were elected for the ensuing year: Patrons, G. Girdlestone and Mrs. J. D. Rockliff; President, D. A. Brett; Secretary, H. Neville, 75 Parker Street, Devonport, Tas.; Assistant Secretary, H. Bowering; Vice-Presidents, G. Roberts and B. Watson; Shoot Marshall, D. Downie; Publicity Officer, G. Waterhouse; Auditor, G. Halley.

Narrandera Gun Club, in the New South Wales central Riverina area, will conduct an all-day shoot on the local Racecourse, the club's actual regular shooting ground, on Saturday, March 20. Shooting will commence at 10 a.m. Main events of the day are the New South Wales Double-rise Championship, to be followed by the New South Wales Intermediate single-barrel title. The Hudson Shield round will be shot in conjunction with a £30 Handicap. Programme is as advertised. Cart-ridges and luncheon will be available on the ground. Enquiries to club Secretary, J. R. Bushby, Box 102, Narrandera, N.S.W. President is K. Powell.

Hopetoun Gun Club in Victoria's far-western district, will hold a day and night shoot on Saturday, April 10. Main day event will be the Southern Mallee double-barrel title, followed by a £50 Handicap. At night a £20 Handicap will be the chief attraction. Programme is advertised in the April issue. Meanwhile enquiries to club Secretary, A. R. Hudson, Hopetoun (174). President is E. A. Poulton (110).

Horsham Gun Club in the Victorian Mallee will shoot from 1 p.m. on March 20, when a day and evening programme will be held. Chief day attraction is a £100 Handicap for a nomination of £3; this will be cut 60%, 30%, 10%, in accordance with A.C.T.A. rules. At night, commencing at 8 p.m., the Wimmera Night Double-barrel Championship will be the big event of the night programme. The entire programme has been guaranteed by the club. The club also reminds shooters to take note that approval has been given for the club to stage the Victorian double-barrel (day) title—the State premier title—on Saturday, October 23. Meanwhile all enquiries to club Secretary, N. J. Stewart, 24 John Street, Horsham, V.

There were some red faces recently during an examination in the practical section of the Official Referee Examination. The venue is not mentioned, but it was not in Victoria. The examiner was questioning the candidate when the latter noticed that the Examiner himself had left a cartridge in his gun. Several other shooters were "chatted" on the same fault. It cannot be emphasised too strongly that each and every shooter, no matter what his status in the sport, should carefully examine his gun before switching to some other activity. It is always the "unloaded" gun which does the damage!

Cowra Gun Club in western New South Wales has arranged a big day and night programme on its spacious

grounds on the Cowra Aerodrome, on Saturday, April 3, next. Shooting will commence at 10 a.m., and a series of six events will be held during the daylight hours. The last two of these are the major contests, and will be the Lachlan Valley Single-barrel Championship, followed by a \$75 Handicap. At night the big event of the series, the N.S.W. State night premier title will be decided—the N.S.W. Night Double-barrel Championship. A high-gun will be awarded as well as an Intermediate high-gun trophy. Excellent trophy value is promised. May 30, with the Victorian Sparrow Deauville Doubles title, a £600 Trophy Handicap and the State Intermediate S.B. Sparrow Championship will follow in succession. A back-markers' sparrow title will be shot in conjunction with the Intermediate title. Programme is as advertised. Enquiries to club Secretary, J. A. Birch, 7 Buna Crescent, Puckapunyal. President is J. E. Summers ('phone Seymour 543).

Harold Knight, now a veteran of many summers and a well-known shooter in the old Nobel days at West Footscray and on Melbourne tracks in pre-war years, in a recent note reckons that he always attends the shoots of the Sydney Gun Club at Waterfall. If he does not shoot, he scores or assists in other ways. Harold considers that it is not advisable for him to try and shoot very much because "the birds are getting so much faster". This would be a common comment with most shooters, but perhaps the targets do have a tendency to accelerate more quickly as the years go by.

R. F. Buchan is now President of the Croydon & District Clay Target Club. He succeeds Norman Kneebone in the office. Gordon Lear is the club's new Secretary, succeeding A. L. Haughton, who recently retired. K. Allen is club Treasurer and W. Henwood club Captain. The club advertises details of its forthcoming programme. The club premier title, double-barrel, will be held on March 13; the following Wednesday night (March 17) the intermediate single-barrel title, together with a back-markers' title, will be decided. The club will shoot on the Australian Club's grounds on Saturday, March 27, for the reason that the Croydon

shooting area is being occupied by the holding of the Croydon Show. A 30 birder will be the big event, with four yardage awards. On Wednesday night, March 31, the club double-barrel night title is down for decision. The Yarra Valley S.B. title will be conducted on April 10. Enquiries to Secretary, G. Lear ('phone 28-5129). President R. F. Buchan's telephone number is 87-5459.

Victorian Gun Club at Brooklyn, just beyond Footscray on the western side of Melbourne, will shoot March 3; Wednesday night, March 10; Wednesday night, March 17; Saturday, March 20; Wednesday night, March 24, and Wednesday night, March 31. The Altona District double-barrel title will be shot on Wednesday night, March 17, and the similar single-barrel title on Wednesday night, March 31. There will be no shoot on Saturday, March 6. Full details of each shoot as indicated are as advertised. Enquiries to club Secretary, J. Platten, 23 Valerian Avenue, North Altona, V. ('phone 314-5569).

March 27 has been arranged by the Learmonth Gun Club (V.) for the club's championship. This event is shot in three groups, 12/15 yards, 16/19 yards and 20/27 yards. The sections will be shot off 12 yards, 16 yards and 20 yards. Three sashes will be available, with second and third awards in each group. Programme is as advertised. Enquiries to club Secretary, E. A. Smith, Learmonth (V.). President is M. Luhrs.

South West Gun Club at Capel in Western Australia will conduct a two-day shoot on its new and spacious grounds on Saturday and Sunday, April 10 and 11, 1965. The club grounds are situated between Bunbury and Capel on a perfect road.

The pre-National shoot will take place on Wednesday, March 3, starting promptly at 9.0 a.m. The programme will include the City of Nunawading Double-barrel Championship, followed by the Australian Gun Club's double-barrel championship. This programme should give National title contenders a very good sight of the actual competition traps for the National series which will commence on the following day. On Saturday, March 20 (1.30 p.m.) the Prahran Firearms Handicap, a 30 birder, will be held. All trophies have been donated by Prahran Firearms Coy. On Saturday, April 3, the club intermediate title has been arranged. Skeet will follow. Enquiries to club Secretary, J. A. Lucas, 1 Spring Street, Fern Tree Gully ('phone F.T.G. 354). Colledge, 12 Adler Grove, Merlynston, N.14. President is Harry Belmore ('phone 47-5179).

Shooters generally will regret to learn of the passing of Vickers Heily, the well-known gunsmith, who was in business in Malvern (V.) for many years. He followed the sport of trap-shooting until recent years and shot under the nom-de-plume of "Boswell". For a period he was President of the Camberwell Clay Target Club. A great lover of the gun, his methodical handling of gun problems was always a labour of affection rather than to obtain monetary gain. His passing took place during the first week in February. He was in the mid-70's at the final curtain.

Clarrie Lee, Lismore G.C. (N.S.W.), winner of Veterans' Double-barrel Commonwealth Championship at Sth. Coast G.C. recently. Lee has been an active trap shooter for over 60 years.

OUT OF THE PAST

Twenty-five Years Ago

Jack Bryant, who was National D.B. Champion in 1939, retained his title in 1940. Bryant won 39/40 from "Harrison" (the late Reg Ilett). The event was decided on the Benteleigh grounds of the Nobel Club. Harry Burrows, now a regular referee with the Australian Gun Club, was prominent with minor cuts on that day. Harry has now reached the age of three score years and ten, but still enjoys retaining his connection with the sport. He is a former President of the Nobel Club.

A couple of father-son combinations were in winning brackets at the Coburg Club's fixture at this period. The combinations were, A. Walker and son John, also A. Bruhn and son

Trevor. The latter had the makings of a very fine shooter, but has apparently found other interests. A. Walker won the club's double-barrel title on the day.

A live hare enlivened proceedings at the Benteleigh grounds in March, 1940. The hare is reported to have "sported itself, but not for very long". The hare was quickly met with a battery of guns, and the prize eventually went to "Crom", the late Percy Cook of Prahran. However, it is recalled, by those who were present, that there was some very red faces after the hunt. Several prominent shooters missed the game with both barrels and none could find an excuse for missing!

Fifteen Years Ago

A. J. (Gus) Russell won the Wilson Cup at East Burwood and defeated Jim Smith of Home Hill (Q.) for the honours.

The 1950 National series drew a record entry (up to then) of 245. The Champion of Champions Cup event drew a record entry of 215. The contest was unable to be completed on the day of starting, 50 targets per man being disposed of. The leader

at the end of the first day was Jim Smith of Home Hill (Q.), with a possible 50/50. On the resumption of shooting on the next shooting day he dropped two targets in his last ten and the winner came up in J. A. McCraith of Essendon, 59/60. Smith was runner-up, 58/60, and a shooter who does not regularly take part in these contests, R. J. O'Day (Tambo) of Swift's Creek, was third.

Ten Years Ago

Sperry Marshall of Hobart (Tasmania) won the 1955 Champion of Champions Cup with a patch of brilliant shooting, after having tied over the original course of the match with nine others, all of whom returned the possibles. In the shoot-off was also Marshall's brother, Paul.

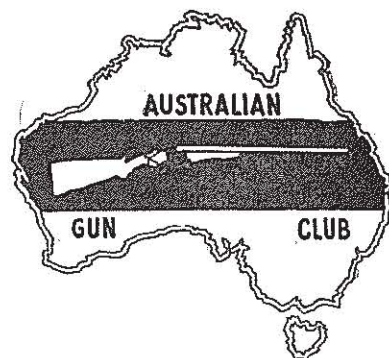

After the tie shoot, which went another 35 rounds, Sperry Marshall gained a very popular win, 75/75, and winning from Eric Hodge of Southport, Q., 74/75, C. Mudford 69/70, J. R. Bushby (Narrandera, N.S.W.) 64/65, and Paul Marshall 63/65.

THE TECHNIQUE OF SNIPE SHOOTING

Snipe-driving is not everyone's cup of tea. There are many sportsmen who have a complex about facing driven snipe. And there are many more expert snipe-shots who have never taken part in, nor seen, a snipe-drive.

Driven snipe, flying in dead-calm weather or going down-wind, present no particular problem to anyone who is used to overhead targets. The birds are then on course, and can be engaged in the normal manner. But usually the birds are coming over the guns against the wind. They are then swaying from side to side, and probably gaining height at the same time. The stronger the wind, the more difficult the target. Often when a bird is hovering hawk-like close above you, you will think that all you have to do is to take careful aim at it and squeeze the trigger. And often when a bird is a tiny speck in the sky, you will find that you must give it some lead. Once thoughts like these cross your mind, you are lucky if you make contact at all.

The only effective way to deal with the normal overhead snipe is to snapshoot straight at it.

Not Infallible

This method, fortunately, is by no means infallible. Even if you are dead on the target, the snipe may jink as you fire, or it may go through the shot-pattern. In the case of high birds passing directly overhead, the only vulnerable part of the snipe exposed is the head. Its wings are protected by its body, and its vital parts by its breastbone. If, as frequently happens, a bird is struck by a single pellet in the breast, it will flatten out and plane away for some distance. If you are able to mark it down and follow it up, it will almost certainly require another shot.

All things being equal, when snipe are coming over forty yards or more up, it is more profitable to engage these on a flank rather than the ones over your head.

Two Essentials

The two essentials for a successful snipe-drive are wind and plenty of birds. Although snipe will always take off into a wind, they usually maintain their initial direction only until properly airborne, and then swing right or left as the spirit moves them. In a gale they will not go forward at all. So ideal conditions exist when there is a breeze strong enough to keep them on course for a short time and to ensure that they arrive over the guns at a reasonable height. Even so, unless the drives are limited to a few hundred yards, most of the birds will escape without being shot at. One gun, preferably accompanied by a few dogs, is all that is required to drive all except the large, open bogs. He—or she—often gets more shooting than anyone else in the party.

The orthodox way of shooting snipe is to walk them up. When you are operating in calm weather or upwind, nearly all the targets will be moving directly away from you and at speed. The birds gain their initial velocity by a rapid movement of the wings and by using their legs and, probably, their fan-shaped tails, to catapult themselves forward. As soon as they are airborne they start twisting from side to side, and continue to do so until they feel that it is safe to soar skywards and depart in the direction they wish to take.

Some people advocate waiting until the snipe has ceased taking evasive action. The snags about this are that the bird will not always lift while still in range, and that, while you are waiting, any other birds that have risen at the same time will be making their get-away.

The generally accepted way of engaging these targets is to snapshoot at them on sight.

Quickness is essential in order that you may overtake the snipe before it has jinked out of the shot-pattern.

For once therefore you will be right if you carry your gun "at the point", with your thumb on the safety-catch. You also have to be watching your front and not continually glancing down at your feet for imaginary bog-holes.

If, for some strange reason, quantity is more important than quality, walking-up down-wind is the answer. The snipe then rise towards you and swing right or left, giving the broad-side shot. If the wind is at right-angles to your line of advance, the odds are still more in your favour, as the birds will be flying dead straight across your front.

The disadvantage of taking a bog down-wind is that birds have more warning of your approach. The sound of a shot will probably put up only the snipe near you; but it will disturb duck a mile away. The sounds that are calculated to frighten snipe are the human voice and the noise of somebody or something splashing about in water. Often a fox or a hare scarpering over a bog will stampede every bird in the area.

Move Very Slowly

When walking a wet bog, all that you can do to reduce noise, apart from not speaking, is to move very slowly, avoiding the more boggy places when possible. If you are alone, however, you can often operate more efficiently, and in greater comfort, by keeping to the hard ground round the edges.

A dog makes more noise than a human in shallow water, especially when working or when retrieving a bird. But if it will pick up snipe, you are more likely to have a successful and pleasant shoot by taking it with you than by excluding it from the operations.

To sum up. If you are out for snipe only, you would as far as possible attack a bog down-wind. But generally it is much more fun not to worry about wind or anything else, and to take each bit of country as it comes.

Visibility is another factor in walking-up snipe. In dull weather, a bird going straight away against

a dark background and showing no sign of its white undercarriage is a very difficult shot indeed. And at dusk the only hope is to get a snipe outlined against the sky. As a general rule it is advisable to walk-up snipe in the middle of the day, preferably in sunlight. In the early morning and late afternoon, partly because the birds are difficult to see and partly because they are then feeding and very much on the alert, driving is more likely to yield results.

While snipe shooting is essentially a winter sport, it is no fun at all when the ground is frozen. Most of the birds will, in any case, have gone off to some ice-free area or to the foreshores; and any that remain, trying to keep alive on the edges of streams or around springs, will have lost condition and all their *joie-de-vivre*.

Snipe are as good on the table as they are in the field.

For the Beginner

Above all, it needs exceptional quickness, that the instant you sight a flash of cream and brown, which denotes a rising bird, throw up your gun and fire the snappiest of snap-shots just above the target. Difficult it certainly is, but wonderfully fascinating, and at times even the most highly skilled can be defeated. Even the great Colonel Hawker once shot thirteen snipe in succession and then missed the next eleven!

A small crowd of shooters, a windy day, but nevertheless an enjoyable shoot. Our congratulations to the winners; they fully deserved their wins. Nice to see our own club President in the winning list. Lucky Terry, they call him. A few others unlucky not to share that £50. Our thanks to the ladies once again for the lunch and afternoon tea.

Our next shoot will be in aid of Legacy. I believe South Aust. first, so roll up, you shooters, and make this day a good one for a good cause. See you there?

BATHURST (N.S.W.), 16/1/65. — 5-bird D.B.: H. Wright, L. Hansen, R. Hansen, P. Rosconi, A. Rosconi, 5/5, div. 10-bird D.B.: E. Field, H. Wright, H. Jaques, L. Hansen, P. Rosconi, A. Resuming after the Christmas festive season, only a small shoot between club members was staged. Despite the small field of competitors, shooting reached a particularly high standard, with Lal. Hansen revealing his best form for a considerable time. Lal. did not miss a bird and easily won his 75-break badge. He took out the first trophy during the afternoon following a thrilling shoot-off with his brother Bob and Paul Rosconi. The three 16-yard shooters eliminated the back-markers early and all shot brilliantly to decide placings. The three are regarded as strong contenders for the N.S.W. Intermediate C'ship at Wallerawang next month.

At the February shoot trophy events will be staged. The meeting should prove a good eye-opener for the Open Shoot at Bathurst in March. The Ampol Shield for inter-club

Doyle, W. Tennent, 1st; B. Doyle, R. H. Moyse, 2nd; W. Milton, G. Patterson, 3rd.

Weather conditions were most trying, the temperature being around 110 deg.; however, despite the heat and the prevailing Xmas migration of members to cooler parts, we had a successful shoot.

The ladies are to be commended for their stamina in participating, and once again our Barcardine supporters were present.

(G. Patterson, Joint Sec.)

BOORT (V.), 16/1/65. — Weather conditions: fine and warm. Attendance: 24. Results: No. 1, 5-bird Pts.: A. Ames, J. Kerr, F. Baker, K. Fanning, P. Carroll, C. Radcliffe, 15/15. No. 2, 10-bird D.B. Doyle, M. Doyle, C. Radcliffe, R. Peacock, S. Schlitz, 5/5.

A good muster of shooters attended this shoot on an ideal night. Ian Whyteross won his second shoot in succession at Boort with an identical score, which is being very consistent. Eric Toose finished a clear-cut winner for the front-markers' trophy.

We had another attendance from the novice shooters, which is pleasing to all.

(J. Piccoli, Hon. Sec.)

CAMBERWELL (V.), 23/1/65. — Weather conditions: very good. Attendance: 55. Results: No. 1, 10-bird D.B.: 14 shot the possible and div. A fine day, and out of respect of our Late Vice-President, Harold Sweeney, brought along a good attendance and put on some fine shooting. Seven shot off for the Shield, which was presented by Mrs. J. Walker and Miss Beth Sweeney, daughters of the Late Vice-President. Bill Attwood shot very well all day and thoroughly deserved his win. Thanks, ladies.

(W. R. Johns, Hon. Sec.)

CROYDON (V.), 30/1/65. — Weather conditions: fine. Attendance: 51. No. 1, Vict. D'ville Doubles C'ship: 1st, H. Boyle - M. Hamilton, 40/40; 2nd, W. Henwood - T. Lucas, 39/40. The lucky ladies were Mrs. P. Henwood and Mrs. D. Edgerton. Good attendance, and as shooting conditions were ideal, it was surprising to see a score of 40/40 take out a Victorian D'ville Doubles C'ship, especially as five pairs lined up for shoot-off. Congratulations to Harold and Mick, however, for a fine win.

(G. Lear, Sec.)

DENILQUIN (N.S.W.), 16/1/65. — Weather conditions: fine and mild. Attendance: 27. Results: No. 1, 5-bird D.B.: K. Campbell, K. Renwick, R. Howitt, G. Bradley, R. Lawson, 5/5, div. No. 4, Club Mug: K. Renwick, 11/11.

A fine and mild night after a very hot day brought the shooters out for an evening's sport. Visitors from Echuca, Melbourne and Finley helped to swell the ranks and made the competition very keen. New shooter Kevin Campbell gave a very good exhibition in the shoot-off of the Trophy event against Robert Howitt and came out the winner when Robert missed his 26th bird. Kevin Renwick, who shot well right through the programme, won the Club Mug from Mrs. Daly and R. Lawson.

Many thanks to Mrs. Daly for making the ever-welcome cuppa, which was enjoyed by all.

No. 2, Hamilton & District D.B. C'ship: 1st, D. Mayfield; 2nd, O. Mayfield; 3rd, H. Smith. No. 3, 10-bird H'cap: div. D. Mayfield, A. Simkin, L. Storer. No. 4, 5 pr. D. Rise: div. T. Davis, O. Mayfield, L. Storer. No. 5, 5 pr. D. Rise: 1st, D. Mayfield; 2nd and 3rd, div. T. McDonald, K. Edge, T. Wilson, T. Davis.

Weather was hot, and as the fire danger was high, a good number of shooters were missing from this popular event, the Hamilton & District D.B. C'ship, usually run on Australia Day, but brought forward this year to enable district shooters to attend the Mt. Gambier shoot on 29/1/65 to 1/2/65. Congratulations to the father-and-son combination, Oscar and Don Mayfield, in winning the first and second prizes. Results were: Don Mayfield, 23/23, 1st; Oscar Mayfield, 22/22, 2nd, and Harold Smith, 27/27, 3rd. Harold won third place in a shoot-off from B. Guy and L. Storer.

Again many thanks to Mrs. Beaumont and Mrs. Thompson for the afternoon teas.

(J. Ruffie, Hon. Sec.)

HAWKESBURY (N.S.W.), 16/1/65. — Weather conditions: fine. Attendance: 28. No. 1, 10-bird D.B.: E. Hawkins, D. Scow-

No. 3, Hawkesbury District D.B. C'ship: 1st, A. Hayes, 30/30; 2nd, C. Tickle, 29/30; 3rd, E. Hawkins, 26/27; best F/M., L. Ayoub. No. 4, 10-bird D.B. Sparrows: A. Hayes, 10/10; M. Quirk, 9/10; E. Pike, N. Newton, C. Tickle, 8/10. No. 5, 10-bird D.B.: E. Pike, 10/10; N. Newton, J. Greentree, E. Hawkins, 9/10.

Fred Hudson, with the only possible, won the Edgell Trophy, "Lappo" Stubbs being second and Cec. Tickle third after a shoot-off. The Hawkesbury District D.B. C'ship was won by Adrian Hayes from Cec. Tickle and Ernie Hawkins, Les Ayoub being the best of the front-markers.

New shooters Stuart Gardiner, Ted Bevan and Brian May are very keen, and we also have two young chips from the old Hawkins block in the club.

(Adrian Hayes, Hon. Sec.)

HORSHAM (V.), 22/1/65.—Weather conditions: good. Attendance: 27. Results: No. 1, 5-bird H'cap: 12 shooters div. No. 2, 10-bird H'cap: div. S. Childs, C. Sinclair, B. Robinson, J. W. Childs, B. Lynch, C. Ball, R. Preuss. No. 3, 10-bird H'cap: div. J. Hinneberg, A. Atken, E. Smith, B. Robinson, A. G. Tucker.

Quite a good roll-up for the first of our shoots for 1965, as this time of the year is mostly fairly quiet in the shooting game; quite a few farmers are busy with their harvest, and many have gone on holidays. However, it was quite a good night of shooting and the money was spread out fairly well.

Once again our ladies did a mighty job with the supper.

(Norm Stewart, Hon. Sec.)

HUNGERFORD (N.S.W.), 16/1/65.—Weather conditions: extremely hot, with gusty wind. Attendance: 15. Results: No. 1, 5-bird D.B.: J. Bye, F. Honeyman, div. No. 2, 10-bird S.B.: J. Bye. No. 3, 10-bird D.B.: J. Bye. No. 4, 5-bird D.B.: J. Bye, F. Honeyman, T. Bye, eq. 1st.

Night.—No. 5, 10-bird D.B.: J. O'Shannessy, 1st. No. 6, 15-bird Pts.: J. Bye, 1st; T. Barelay, 2nd; F. Honeyman, 3rd.

The first annual meeting of this club was held in conjunction with the shoot. Hard-working President, Alf Gray, was unanimously re-elected President, and Mrs. D. Gray became the new Secretary.

This was the first night shoot held by this club, and it proved most successful and created much interest, as was indicated by the large number of spectators. Conditions during the day were very uncomfortable, with a temperature of 112 deg. and gusty winds, accompanied by some dust.

(D. L. Gray, Hon. Sec.)

KEILOR (V.), 22/1/65 (Night).—No. 1, 10-bird Pts.: 1st, F. Reade, 29/30; 2nd and 3rd, div. W. Williams, J. Pater, 28/30. No. 2, 20-bird D.B.: 1st, V. Cafferalla, 32/32; 2nd, H. Milburn, 31/32; 3rd, F. Reade, 27/28; 12/15 yds., P. Clarke, 23/24.

Weather fine. Attendance good. The first shoot for 1965 was very well attended, and shooters were well on the mark with good scores. No. 1, 10-bird Pts., went to the President, Fred Reade, with a score of 29/30 from W. Williams and J. Pater, who divided 2nd and 3rd, 28/30. Main event, 20-bird D.B., went to Vince Cafferalla, 32/32, from his mate Harry Milburn, 31/32; 3rd, F. Reade, 27/28; 12/15 yds., P. Clarke, 23/24. (G. Hunter, Hon. Sec.)

MT. GAMBIER (S.A.), 9/1/65 (Day). — Weather conditions: fine and sunny. Attendance: 18. Results: No. 1, 10-bird H'cap: E. R. Medhurst, L. G. Ward, R. Reschke, K. R. Wait, 10/10, div. No. 2, Mixed Clay Shoot: L. J. W. Earl, K. A. Marks, 23/25, eq. 1st, div.; L. Fartch, 22/25, 3rd. No. 3, 6 pr. D. Doubles (own partners): L. Fartch - K. A. Marks, K. R. Wait - L. G. Ward, L. J. W. Earl - C. Whitehead, J. Preece - R. Wilkie, 12/12, div. No. 4, Triple Rise (own partners, with 2 clays and 1 sparrow): K. R. Wait - L. G. Ward, 14/18, 1st; L. Fartch - K. A. Marks, 13/18, 2nd; L. J. W.

Earl - C. Whitehead, R. Millard - G. Sharrock, 12/18, eq. 3rd.

A disappointing attendance of shooters was offset by a very enjoyable afternoon's sport. The novelty No. 4 event proved quite successful with the triple rise over the Dams traps; the two clays were easy enough, but the sparrow proved tricky for most pairs of shooters.

9/1/65 (Night).—Weather conditions: fine. Attendance: 16. Results: No. 1, C'wealth D.D. Night Sparrow C'ship: H. A. Miller - H. Williamson, 15/20, 1st; H. McLeod - R. Wilkie, 12/20, 2nd. No. 2, 10-bird H'cap: H. A. Miller, 9/10, 1st; R. Reschke, A. L. Cameron, E. Lacey, H. Williamson, 8/10, div.

A smaller than expected attendance of shooters competed for the Commonwealth D.D. C'ship, and the sparrows proved rather difficult from 24 yards. Congratulations to the winners, Athol Miller and Horry Williamson, and the runners-up, Howard McLeod and Bob Wilkie.

No. 2, 10-bird D.B.: 1st, W. Hoath, N. Camps, D. Lane, 10/10, div. 1st; 2nd, I. Farren, V. Sandr, J. Blogg, J. Middleton, 9/10. No. 3, 20-bird D.B. Trophy H'cap: N. Camps, V. Sandr, D. Farren, 13/20.

Members of Sebastopol and Beaufort Gun Clubs, Victoria, visited Mount Hagen and were entertained by Mount Hagen Gun Club members for more than a week. Visitors were Bill Hoath, Ian Farren and Charlie Squires. Friend of Charlie's also made the trip, Reg Porn. The shoot was arranged out of programme in order that Gun Club members could get together with the Victorians and enjoy some social shooting. Quite a number of town visitors formed the spectators' gallery and all were impressed by Bill Hoath's quick shooting from 27 yards. The visitors were unlucky in that they did not trounce the locals to take home the trophies.

However, at the conclusion of the day the

club President made a speech of welcome and presented each of the visitors with a Hagen Club badge. The day was concluded by shooting a novelty event, namely, a 33-yard off-the-barrel event. Here Charlie Squires of Avoca showed the keenest eye of all by taking off three of these events.

(Mrs. Doreen Buscombe, Hon. Sec.)

Very good weather, first-class roll-up for the first shoot in the New Year. We were pleased to welcome four shooters from Prosperpine and K. Miller from Ayr.

We all missed Mr. B. Gilbert last Sunday, for last week he left for the south on an extended working holiday. He had a very successful year in 1964, and our good wishes go with him.

January 16. A very enjoyable afternoon was spent.

Before a start was made, volunteers were called for to help erect a tent which suffices temporarily until such time as our plans for an up-to-date club house come to fruition.

Ignoring their army training, never to volunteer for anything, a number offered their services, but it was not long before they regretted their zeal. If you can imagine anything more frustrating than trying to hold a pole straight with one hand and clutching at yards of canvas with the other while a howling gale is playing merry hell, then you can appreciate the difficulties encountered.

However, by valiant effort the tent finally took shape and was firmly fixed. We stood back and admired our work with pride, when along came a bloke and said we had put the thing in the wrong place. The indignant tent erectors held an immediate stop-work meeting and a resolution was passed that the critic be informed that he could go jump in the lake and that the crimson thing would remain where it was.

All things satisfactorily adjusted, it was decided to take entries for a 10 birds Points. Out went the contestants and Max Day, 29/30, returned the best score. Max Chilton, 27/30, was second, Alan Harrod and Jock Drake, 26/30, div. third prize.

The boys came off the tracks and sought refuge in shady spots and opened up, among other things, discussions on past deeds, ducks and handicaps. After a time starters for a

20 birds D.B. were called out. Jock Drake, Max Day and Jim Milliken scored 19/20, and they promptly decided to cut.

Back for another siesta and then the final event came on for decision. It was another 20-birder, and again three tied with 19/20. They were Jock Drake, Max Day and Henry Weitzel.

Laurie Kennedy dropped in to see us. He was returning from a holiday and was the envy of all with the finest sunburnt stomach you ever did see; in fact, he rivalled Robin Redbreast.

Just to illustrate how shooters enjoyed this free-and-easy afternoon was evidenced by the fact that there were no signs at all of them going home. They were indulging in a few off the fence when I retired.

Advertising does pay. We sent out dodgers for the shoot on January 30 and received a very good response. Proceedings commenced with the usual 10 birds Points. This was compulsorily divided by Jim Paul, Terry Watchorn (a new-comer to the sport), Don Nicholls and Silv. Schlitz (Quambatook), 27/30.

A trophy event over 20 birds D.B. was next, and in this Ray Maybury was the outright winner with a clean score. Eugene Colautti and Frank Cox each dropped one bird. They shot it out, and Eugene, 27/28, took second place, with Frank third, 26/28. The front-mark trophy went to Bill Attwood, 18/20. The stiff breeze made shooting rather tricky.

Cyril McMillan brought along a friend from Hong Kong in the person of Roger Soudure. Roger was made very welcome. He shot in a couple of events with little luck, but thoroughly enjoyed his visit.

We are particularly pleased with the number of new shooters joining the club. They are very keen and will prove adjuncts to the sport.

Programmes for March are advertised in this issue. We extend a cordial welcome to all.

In conclusion, we pay high tribute to the ladies who provide afternoon teas at our shoots. Mrs. Mavis Costigan and Mrs. Maude Ingridson have been with us for some time, and although working under extreme difficulties at the present time, still manage to provide shooters with tasty refreshments. We very much appreciate their good work and convey to them our grateful thanks.

out the honours, 35/37. When asked why he was shooting so well, Dave replied, "Since I moved in a yard I can shoot them, because now I am close enough to see them." Pity help the New Zealanders when he pays them a visit and shoots a little closer still.

We were pleased to welcome a member of the Scone Gun Club, Tom Evans, and also his wife. Hope to see them again soon.

Once again I feel we must express our gratitude to the ladies of our club, who exert much time and effort to provide our suppers.

Congratulations also to Bob Watt on his possible in the Double Rise event, and also to the other four shooters who returned scores of 9/10. These were also followed by quite a group of 8/10, which only goes to show that since we have started to regularly shoot this event our scores have improved.

Once again we extend an open invitation to all shooters to join us at our shoots, which shall be held on the first and third Saturdays in each month at 7.30 p.m. until April 17th, which shall be our change-over to day shooting, due to start at 1.30 p.m.

NOORAT (V.), 9/1/65 (Day).—Weather conditions: excellent. Attendance: 56. Results: £349/3/0 H'cap: 1st, G. Kirkpatrick, 54/54; 2nd, M. Earl, 53/54; 3rd, A. Blain, 48/49; F/M., A. Manifold, 28/29; M/M., B. King, 33/34; B/M., R. Green, 37/38.

A very successful third annual shoot for our club. Perfect weather conditions prevailed. Fifteen shooters qualified for the shoot-off for the main event, with G. Kirkpatrick running out the winner with a score of 54/54, to win the much coveted C Grade U/O gun.

The day's programme was marred by an unfortunate accident to our President, Les Reicha, who sustained two nasty cuts on his forehead whilst replacing a spring in the trap. We all wish you a speedy recovery, Les.

We would like to thank all shooters who attended our shoot from long distances and hope they enjoyed their day at our club.

9/1/65 (Night).—Weather conditions: good. Attendance: 40. Results: £76/19/0 H'cap: 1st, G. Burnett, 48/48; 2nd, B. King, 47/48; 3rd, G. Hall, 27/28; F/M., L. Francis, 23/24; M/M., H. Walker, 24/25; B/M., G. Kirkpatrick, 21/24.

Our night shoot was well attended, with forty shooters competing. Local shooter G. Burnett took the honours with a score 48/48.

The club ran a high-gun trophy (an inscribed silver tray) over the main events for day and night — this was won by Bruce King with a score of 82/84.

The front-marker trophy went to Charlton, per Jack Kerr, 13/16.

S.Y.P.G.C. (Minlaton, S.A.), 24/1/65. — Weather conditions: extremely windy, with bright, sunny day. Attendance: 27 shooters. No. 1, 10-bird D.B.: J. Schwarz, 12/12; R. Winning, 11/12; T. Skilton, H. Commons, 10/12. No. 2, 10-bird Walk-up: T. Skilton, 9/12; G. Shearer, 8/12. No. 3, 10-sparrow D.B.: D. R. Hayes, 10/10; E. J. Commons, 13/14. High Gun Trophy over day: D. R. Hayes, 40/47; T. Skilton, 39/47. Best Junior for the day: P. Cook, 21/35.

With the wind blowing gustily and fairly well into the shooters' faces, the birds performed some amazing tricks. Shooters in general performed very well over all. The day got away to a good start, with the usual barbecue lunch put on for all-comers, and the many spectators really enjoyed themselves, as did the shooters. The day was marred slightly by the number of broken clays thrown, but the committee are determined that this fault will be overcome before the next shoot on 14th March. The fact that there were shoot-offs in most of the events does credit to the members of this very young club, and it is hoped that in our second year in operation, commencing with this meeting, that the club will go from strength to strength.

Our thanks to all who helped to make this a most interesting and memorable day.

(David R. Hayes, Hon. Sec.)

Congratulations to all trophy winners and thanks to the trophy donors, also the canteen helpers who help to make our shoots a success.

27/1/65.—Weather conditions: fine. Attendance: 38. Results: No. 1, Club S.B. Night C'ship: W. K. Wakefield, 1st, 20/20; C. Hollow, 2nd, 20/22; 3rd, R. Mules, 19/22; yardage, W. Stratford, 15/20. We were pleased to welcome three shooters from Mildura Gun Club for our first Night C'ship, which was won by W. K. Wakefield, the only shooter to shoot 20/20 single barrel; 2nd, C. Hollow, 20/22; 3rd, R. Mules, 19/22, best 12/15 yds. being W. Stratford, 15/20. The second event, the Vic Wood H'cap Trophy, was also won outright by S. Wilkinson, 20/20; 2nd, R. Jarmyn, 34/35; 3rd, D. Schultz, 33/35; best 12/15 yds., I. Campbell, 15/20.

SOUTHERN (S.A.), 24/1/65. — Weather conditions: windy and cool. Attendance: 44. Results: No. 1, 5 D.B., 5 D.R.: 1st, A. Scott, F. James, 15/15; 3rd, L. Kleinig, 14/15. No. 2, S.G.C. D. Angeloni, L. Beatty, E. A. Collins, A. Scott, H. Semascho, F. James. No. 5, High Gun on 2, 3 and 4: F. Grey, 42/45.

Having spent the last two Saturdays preparing our second trap for today, all members were pleased to see such an extra good attendance. Congrats. to Bob Mules on winning our first C'ship; bad luck Bruce Mutton missed his last bird — but good shooting, all the same. Fred Grey again shot well to take the High Gun Trophy.

Thanking all for their attendance, especially the many visitors who helped us with refereeing, etc. Hoping to turn on many more successful shoots so that we can get out of the red and supply a few extra amenities.

(E. B. Kleinig, Hon. Sec.)

STANHOPE (V.), 15/1/65. — Weather conditions: good. Attendance: 34. Results: No. 1, 10-bird D.B. H'cap (comp. div.): A. Brewer, I. Adams, F. Risk, W. Wootton, T. Ryan, J. Jamison, C. Johnson, J. Hickford, T. Baldwin, div. No. 2, 20-bird D.B. H'cap: C. Johnson, 1st; I. Adams, 2nd; L. Vander-Bosch, 3rd. No. 3, 10-bird D.B. H'cap: L. Vander-Bosch, R. Caldwell, J. Harrison, W. Wootton, T. Conditions were excellent. Good shooting was done by Cliff Johnson, who won or divided every event for the night, also winning the sweep on the main event. Four shooters shot their 20 birds in this event, with nine shooters shooting 10 birds in the first event. Quite a number of spectators were in attendance.

(T. H. Ryan, Hon. Sec.)

SWAN HILL (V.), 23/1/65. — Weather conditions: perfect. Attendance: 18. Results: No. 1, 5 birds: J. Mathiske, P. O. Loughlan, P. Nalder, M. Nalder, R. Peacock, K. Beasy, C. Maddy. No. 2, 10-bird Trophy Sparrows: 1st, R. Hammond; 2nd, R. Dawson; 3rd, A. Currie; 1st F/M., K. Beasy; 2nd F/M., R. Williams. No. 3, 5 birds: D. Groat, C. Hammond, K. Beasy, C. Maddy, R. Williams. No. 4, 5 birds: D. Groat, J. Mathiske, R. Dawson, M. Nalder, R. Peacock, C. Maddy, R. Williams.

This would be the smallest attendance yet, but being holiday time, we really expected it. Dick Hammond still stealing the show, with Bob Dawson shooting very well. Rex and Charlie had their usual duel, but I think Charlie found the sparrows a bit small. Never mind, Charlie, next we will make them bigger. Mrs. Williams picked up rather a handy trophy.

(K. R. Beasy, Hon. Sec.)

TASMANIAN (Tas.), 23/1/65. — Weather conditions: good. Attendance: 33. Results: No. 1, 5-bird S.B.: div. A. Bowering, W. Rainbird, R. Mason, G. Roberts, B. Watson, E. Johnston, R. Blake, V. Excellent conditions prevailed as we got under way in 1965, with 33 shooters lining up to our first shoot of the year. Very big thank-you to Mersey shooters who swelled our crowd greatly.

A programme of varied events was enjoyed by all. Welcome to a bunch of Italians, who greatly enjoyed themselves.

(G. J. Pinner, Hon. Sec.)

At this, our opening shoot for 1965, we were pleased with the attendance of 24, and welcomed a few visitors who are on holidays and are enjoying a shot or two away from their usual grounds.

Our Xmas shoot was enjoyed by all who attended. Fred Burns won the shooters' foot race, and I'm sure he will be a starter again next year. Good shooting to all for '65, from Victorian Gun Club.

Popular club member Alf James, who travels from Bendigo to shoot with us, won this sash from Ron Evans, the scores being very good at 63/63. Roy Lacey, third, always gets his name in somewhere and will take home a sash soon. J. Pater was the front-marker and is showing a lot of improvement lately. Thanks to all who attended.

23/1/65. — Weather conditions: fine day. Attendance: 18. Results: No. 1, 10-bird Pts.: 1st, div. R. Evans, A. James, 30/30. No. 2, 20-bird D.B.: 1st, N. Guy, 20/20; 2nd, div. A. James, F. Burns, L. NOW! IN PLASTIC!

Modern XPERT MARK 5 PLASTIC
SHELLS give you up to 10% better, tighter
patterns . . . up to 10% shorter shot string.

Prove it!

MARK 5, Western's great new ammunition development, gives you longer shots and better patterns than any other target shell in the world. MARK 5's unique polyethylene collar wrapped around the shot means no barrel leading or tube wash.

Plastic cases will not scuff or swell . . . no power loss due to dampness or age. Jam-free extraction. Feeds faster — chambers faster.

BEST OF ALL... THEY GIVE YOU GREATER RANGE AND TIGHTER PATTERNS.
