**LEARNING TO SHOOT.** The best possible way to learn to shoot is to engage the services and interest of a top-class shooter. It stands to reason that the top-ranking shooter is better equipped to start a beginner on the right lines. A good beginning may not be the complete answer to becoming a first-class shot, but it is certainly a very great help. Much the same applies to other sports, such as tennis, cricket, rowing, and the like—a good coach knows from experience the fault which beginners are prone to, and he can correct bad habits before they become common place in the shooter's make-up. The correct and safe handling of a gun is not a complicated business. A good instructor can, by demonstration and simple explanation, soon get the beginner started on the right lines. Once a beginner has mastered gun handling and the principles of shooting moving targets, it all depends on his natural aptitude how quickly he progresses. Even after the initial stages of learning, an instructor can still be of great help, because he will be able to advise his pupil (after his visit to the tracks) where his shots are going, whether low, behind or in front, and it is much easier to correct some known fault than to go blindly on by trial and error. Any experienced shot will be able to teach and demonstrate to a beginner such fundamentals as safe handling, footwork, stance and swing.

It should always be remembered that one cannot learn to shoot by the printed word alone, but a beginner can be helped with the right approach and the right ideas, and some points

of instruction can easily be absorbed by careful reading as by verbal instruction.

Always remember that if you are not a "safe" shot you are a danger to yourself and others. Some essential points to remember are: Never have your gun loaded except when you are on the shooting mark or expecting game, and whether loaded or unloaded, never let it point in the direction of anybody or anything except the intended quarry. Even when game are expected to rise or fly overhead, always unload your gun if you have to climb over a gate or fence, cross a stile or get through a hedge or even jump a ditch or channel.

**1965 INTERNATIONAL MATCH.** Although the 1965 International Match — Australian section — was held at East Burwood on Monday, March 8, the Great Britain teams will not compete until Friday, July 9, 1965, when the teams representative of England, Ireland, Scotland and Wales will shoot their respective sections of the 1965 International. When the remainder of the competing teams, Central Africa, South Africa and any other likely contesting country shoots is unknown in Australia at present. New Zealand, as has been mentioned previously, will shoot during its New Zealand Championships programme early in April. In a brief note recently the English Secretary, A. Peter Page, extended a cordial invitation to any Australian shooters who may be able to visit Britain this year for the International at Edinburgh on Friday, July 9, next.

APRIL, 1965

**CORRECT ADDRESSES.** On quite frequent occasions the A.C.T.A. office receives advices that a particular shooter is not getting his "News" regularly. On checking, it is usually found that the reason for the non-arrival is lack of sufficient address or, in some instances, entirely incorrect addresses have been supplied. It is of the utmost importance that shooters' addresses should be supplied in full when their registrations are paid, both on the initial occasion and also on renewal. It can be stated that the returns through the Dead Letter Office are diminishing, but this situation can be further improved to almost perfect proportions if the co-operation of all interested is obtained. The American journal "Trap and Field" apparently has similar trouble in obtaining complete addresses of all entitled to receive its publication. Only recently the journal made an appeal which read, "If you move, please don't forget to notify us at the office." The same appeal could very readily apply to all Australians.

**CLOSING DATE FOR COPY.** Some clubs, and strangely this applies to several clubs in close proximity to Melbourne, continue to fail to

observe the correct closing date of copy and advertising for "News". It is only possible to ensure that "News" reaches its destination by the first of each month, providing the copy is received in plenty of time to allow for unhurried production. This factor has been stressed before in these columns and it has been found that great improvement takes place immediately following a request is made for copy on time, then after a period another lapse seems to come about and clubs take much longer to submit their requirements. Clubs and other advertisers are specially requested to ensure that their copy reaches the A.C.T.A. office not later than the first of each month prior to production.

**NATIONAL CHAMPIONSHIPS RESULTS.** Due to the fact that the National Championships at East Burwood (V.) were not concluded until March 9, and "News" goes to press on the first of the month, it is not possible to provide a detailed list of results and comments for this issue. However, full details of the big series will be published in the May "News"; meanwhile a "Stop Press" result will be provided in the current edition.

## "Tips and Tails"

Office-bearers of the Hamilton Gun Club, in western Victoria, for the ensuing year are: President, John Arnold; Vice-Presidents, Messrs. Stan Thompson and Keith Ilsley; Secretary, Jim Ruffle, Box 289, Hamilton, Vic.; Treasurer is Jeff Beaumont. The

club has bestowed life-memberships on Messrs. Sid Cameron and Harry Vaughan in recognition of their long services to the club over very many years.

Donald Forsyth, Box 56, Kellerberrin, W.A., has been elected President of the Kellerberrin Gun Club, W.A. Secretary is Norm. Herold of Hinkley Street, Kellerberrin.

The Portuguese Club at Lisbon (Portugal) has written the following letter to the A.C.T.A. under date of January 28st (note the "28st"). It reads:

"Dear Friend,

On behalf of the CLUBE PORTUGUES DE TIRO A CHUMBO, we, the Organising Committee of the Championship of Europe of Skeet and Olympic Trap, have the honour to invite you and your shooters to come to our Lisbon shooting field.

The championship will be held in two fields of approximate distance of 200 metres from one another, with a full wall protection. Both the 15 Olympic Trap and the two skeets will be equipped with 'Laporte' machines and the visibility is extremely good, for we will shoot against the sky. The distance between the centre of the city and our field is very short; it will take 10 minutes' taxi ride.

The said championship will take place from May 22nd to the 2nd June and we will send for further details after our meeting with the FITASC in Lisbon on the 23rd instant. This

is a first contact and we will be happy to hear from you by return Air Mail, and in the meantime please let us have a list of names and addresses of your shooters.

Hoping to hear from you soon, and with our best wishes for a Happy New Year, we remain . . ."

The signature cannot be deciphered, but if any Australian shooter contemplates going to Lisbon the address shown on the top of the letter is, "Clube Portugues De Tiro a Chumbo, Sede a Stand de Tiro, Monte Das Perdizes". The telephone numbers are 78 5222, 78 5308, Monsanto, Lisbon.

A story of a fox and a crow being caught in the one net comes from north-western Victoria. It appears a Donald farmer (we have a feeling he may have been a registered shooter at one time) was doing some yabbying on a small dam on his property. He hauled the full net out of the water and left it lying on the bank. Very smartly a roving crow caught sight of the luscious lunch and swooped on a large-size yabby. However, the crow became entangled in the net and, quick as lightning, a fox made a dive for the crow. The fox also became entangled in the net, which ultimately fell back into the water, with the crow, the fox and the yabbies all mixed up. The result is that both the fox and the crow are now being utilised as yabby bait.

Officials of the Benalla Gun Club in north-eastern Victoria, elected at the club's annual meeting on February 4 last, are: President, Noel Bridges; Secretary, Mrs. J. M. Ford, 9 Kent Street, Benalla; Assistant Secretary, Doug. Poole, 29 Crofton Street, Benalla; Treasurer, Wal. Ford; Publicity Officer, Doug. McGuinness Junr., 55 Bridge Street West, Benalla. The club has big plans for 1965. At present a second trap is being installed. The club shoots on the second Saturday in each month, rain, hail or shine. A hearty welcome is extended to visiting shooters. The club's shooting ground is located four miles south of Benalla on the Hume Highway.

Officials of the Wangaratta Gun Club, in north-eastern Victoria, for the 1965/66 season are: President, G. T. Walker, Wangandary; Treasurer, J. W. Stamp, 149 Murdoch St., Wangaratta, and Secretary, Stan K. Cordy, 187 Tone Street, Wangaratta. Cordy is a former secretary of the club in the immediate post-war years and has now returned to again take over the reigns of office.

This publication certainly "gets around". Recently a letter arrived from Ambia, Indiana, in the United States, seeking the cost of the journal in American money. The enquirer has been duly advised.

Frankston & Peninsula Gun Club, on the eastern shores of Port Phillip Bay in Victoria, has arranged a shoot for Saturday, April 10, commencing at 1.45 p.m. The two listed events are a ten birder, points scoring, followed by the club's single-barrel championship. This latter event will be shot from 16 yards. Should time

permit, additional events will be held while the daylight lasts. Afternoon tea and cartridges will be available on the ground. Programme is advertised. Enquiries to club Secretary, Mrs. Iris Miller ('phone Seaford 6.1881).

Officials of the Lismore Gun Club for the 1965/66 season are: President, D. S. Powell, Disputed Plains, Lismore, N.S.W.; Vice - President, W. Anderson, Blakebrook, Lismore; Club Captain and Armourer, R. Shepherd, 80 Walker Street, Casino, N.S.W.; Hon. Secretary/Treasurer, D. S. Worrall, Box 30, Nimbin, N.S.W. The committee comprises the office-bearers mentioned, plus W. Ross. The club's annual meeting was held at South Lismore, N.S.W., on February 17.

According to an extract from an English publication of many years ago, the flesh of the lark is supposed to strengthen the voice and increase its volume of sweetness. In Bohemia the eggs of the lark are still believed to have the same properties.

The problem of forming a club on one of H.M.A.S. ships is one for organisation out of the ordinary. Writer N. M. Churches is endeavouring to get a club going on H.M.A.S. "Gascoyne". One of the biggest problems is to obtain sufficient space for five shooting tracks, also regular supplies of ammunition and the necessary guns. If anyone can solve the difficulty of shooting from a moving or rolling floor or surface, doubtless writer Churches would be pleased to hear of it.

President of the Mount Hagen Gun Club in New Guinea, Norm. Camps, has written the following invitation/reminder regarding the Territory of Papua and New Guinea State Championships. From all reports this is a real shooting outing and those having the opportunity to visit Mount Hagen for the title events on August 28 and 29 next should not hesitate to make early travel arrangements through the Mount Hagen Club. Enquiries to Box 93, Mount Hagen, will be sufficient. Outlining the advantages, Camps writes:—

"Shooters — Visit the Highlands of New Guinea and witness one of the greatest primitive spectacles possible. The Western Highlands District Agricultural Show, better known as the Mount Hagen Show, is to be conducted over the August week-end of the 21st/22nd, 1965.

On the week-end following the Show, the Mount Hagen Gun Club is again sponsoring the Territory of Papua and New Guinea Clay Target Championships, Single Barrel and Double Barrel. With regard to the Show, you will see primitive tribesmen in primitive dress and bedecked with Birds of Paradise Plumes. Last year 100,000 tribesmen swept down from the hills in the biggest movement of natives ever in the New Guinea Islands.

Sing-sings and cultural dances are enacted during the whole of the Show period, and these can be observed in special arenas provided for the purpose.

See natives manufacturing store implements and other weapons. See them manufacturing the dress requirements of their primitive culture.

A zoo will be provided showing New Guinea birds and animals to their best advantage.

And, Shooters — top this off with the most enjoyable shoot you will ever have on 28th/29th August. Interested shooters are requested to initiate their intentions prior to end of June to enable the Gun Club committee to arrange accommodation and air bookings. Unless bookings are made well in advance, it is almost impossible to obtain air travel in the Territory during Show time. Our local airport can handle aircraft up to Fokker Friendship standard, and some shooters may be interested in arranging charters from Cairns.

Due to Customs requirements in the Territory, the Club Executive requires all shooters bringing guns to the Territory to advise the executive of gun make and serial numbers and date of departure from Australia. This information will be passed on by the Mount Hagen Gun Club to our Customs Department, with which we are in close liaison, and this will obviate any difficulties at Port Moresby or Lae. I would also remind you to allow us, the Mount Hagen Gun Club, to arrange your air bookings, as we are in a better position to know internal air movements than airlines and travel agents in Australia.

For further information, please contact either President, Norm Camps of Box 93, Mount Hagen, or Secretary, Mrs. Doreen Buscombe, of Box 93, Mount Hagen."

During the year the club paid out over £2,000 in prize money and trophies.

The Australian Gun Club will shoot on April 3, when what is termed an Autumn Sixteen Yarder will be staged. The event will incorporate the club intermediate double-barrel title. Executive Committee and, therefore, has a first-class knowledge of Association requirements. His address is 3 Kenilworth Avenue, Hermit Park, Townsville, Qld.

Advice has been received from Doug. Cumming, one of I.C.I. representatives in Western Australia, that a club has been at Wittenoom Gorge, in the far north-west of Western Australia. It is expected that several other clubs will form up now that the sport has penetrated in the vast north-west.

The Editor,  
A.C.T.A. Shooting News.

Dear Sir,

"Tassie Shooter" (March News), lacking a copy of the rules of skeet, seems to have been in a quandary as to the procedure to be adopted in a 12-bird skeet tie shoot.

No doubt by now he has a copy of the rules, as I am sure the Secretary of the A.C.T.A. would forward them if requested.

On page 4, under the heading "2. General", lines 7 and 8, he will see that at station 1 the first bird is to be taken from the high house.

As, in a tie shoot, the birds are to be taken from alternate traps and stations, it follows that the second bird should come from the low house and be shot from station 2, and so on, alternating as far as station 7 in accordance with tie shoot rules. It will be noted that the station 8 bird must come from the high house.

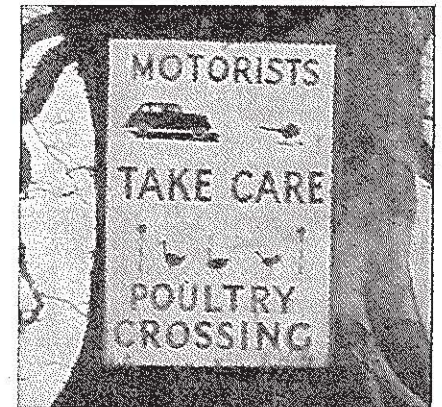

As to time-saving sequence of shooting doubles, yes, there is a way, that is to shoot the pair from No. 6 station immediately after the single from No. 7.

However, it has been my experience that this tends to confuse the shooters and it is better to adhere to the order laid down in the rules for tie shoots.

Anyway, a good squad of skeet shooters get their shots away at the rate of five a minute, and this does not leave much room for time saving.

Yours sincerely,

ROY FALLSHAW

### VISITS MOUNT HAGEN, N.G.

One of the most enjoyable and interesting visits between one Gun Club and another was made recently by myself, Ian Farren, Charlie Squires and Reg Pora when we visited the Mount Hagen Gun Club in the Highlands of New Guinea.

Travelling from Melbourne to Sydney, Brisbane, Port Moresby, we crossed over the Owen Stanley Ranges to the town of Lae, and there changed into a DC3 aircraft for the trip through the Highland Valley chains, at the end of which lies the thriving town of Mount Hagen. The scenery en route leaves one spellbound and we were all surprised at the appearance of the country. We had imagined huge malarial swamps, thick with crocodiles and teeming with disease. This was not the case. The Highland Valleys are virtually like huge parklands, with the valley floors studded with areas of grass and light

timber. Beautiful mountain streams flow through them and thriving towns dot each chain of valleys.

The main crops grown in the Highlands are cattle and coffee, and the Wahgi Valley, in which Mount Hagen is situated, is now plunging very rapidly into a huge tea industry. Pyrethrum also thrives in these altitudes.

After landing at a number of small airports, we finally arrived at Mount Hagen and were immediately struck by the large number of air movements in and out of the port. Upon enquiry we were told that Mount Hagen is the third busiest airport in Australasia for the 1963-64 year.

We were met on arrival by our most amiable host, namely, Norm Camps, President of the Mount Hagen Gun Club, and by Mrs. Doreen Buscombe, Secretary of the club. Norm's

plantation is only a mile out of town, but before we were allowed to go there and deposit our luggage he felt that a call at the Hagen Country Club was necessary. Thus, with our thirst quenched, we drove out to Norm's Bindon Plantation, where two of us were billeted in his very comfortable home with every modern convenience. A feature of the main room is a gun rack which, in itself, would be the envy of most.

Game is plentiful in New Guinea if you know where to look for it, with wild cattle, buffalo, pig, duck, geese, deer and crocodile filling the main-bill. Quail and jack snipe also abound. We, unfortunately, did not have the time to spend on these pleasures, as there is so much else to do, sight-seeing and meeting people. Reg and Charlie were collected, after lunch, by a plantation owner from further down the Wahgi Valley, and they were billeted with him until after the Gun Club shoot.

Having lived like lords for a week, we visited the club on Norm's four-

mile plantation for the shoot arranged on our behalf. The feature of the club is the lay-out of tracks and trap house with lawns, etc., with the tracks and the trap house being built to exact I.C.I. specifications—one of the few clubs with this feature. Approximately twenty yards behind the tracks is a huge club house, curved to conform to the rear curve of the tracks 85 ft. long and 25 ft. deep. Within the building are tables and stools and a bar and office and barbecue area. The foreground is clear, with a low hedge approximately 300 yards in front, with high mountains seven miles in the background. The valley floor at the Gun Club site is 5,400 ft. above sea level and the mountains at the back reach 14,000 ft.

The club employs two full-time native groundsmen and part of their duties is the manufacture of clay targets. These clays are of excellent quality and break as readily as the Australian manufactured article.

During the shooting I remarked that the shots seemed to get to the

clay more quickly and also that the birds seemed to fly a little faster than at sea level. We were then told that the altitude density at Mount Hagen is equivalent to 7,200 ft. above sea level and it was conjectured that perhaps the thin air caused less resistance to the shot and the clay and thus they did, in fact, travel faster. However, we don't think that these two factors were the reasons that we all did not shoot as well as we had hoped, and did not share in the main trophy events.

We were surprised at the cheapness of the nominations and every other factor involving shooting at Mount Hagen. The club is well organised to the point where they are able to subsidise their own shooting, due to the revenue obtained from raffles of high-quality guns and other functions. Shooting can be had at Mount Hagen for a whole day from 10 in the morning until almost dark, with quite good trophies being offered for as little as £7 in the day. This would entitle you to twice as much shooting as you would normally get on Australian tracks.

The Mount Hagen Club has been instrumental in the formation of the other Gun Clubs in the Territory, which at this stage are Tarangau at Manus Is., Lae and Port Moresby. Rabaul have also recently come into the fold.

One of the things I have never seen in Victoria was four women shooters on the track at the one time, and all good marksmen, namely Mrs. Doreen Buscombe, Mrs. Pat Toole, Mrs. Judy Blogg and Mrs. Anna Middleton. They are quite consistent winners there, judging by my reading of the "News".

None of the shooters in Mount Hagen have done a great deal of competitive shooting other than within their own club, and, of course, this limits their ability. If they were to have more competition, I feel sure that some worthwhile champions would emerge from there, as the basic material and keenness would be very hard to match in Australian clubs. These sporting people in Mount Hagen shoot for the love of the sport rather than go to the other extreme and become pot hunters and cash-handicap seekers. They run a full programme of District Championships throughout the year, interspersed with trophy and handicap events, and the culmination of the shooting year is the Territory Championship, which is shot under State Rules. In the two years that this shoot has now been running, shooters from the mainland have visited both times, and Mount Hagen expects quite a number of Australian shooters to attend this year. As usual, after the programmed events had

View of the modern shooting tracks at Mount Hagen Gun Club, T.N.G.

finished, we shot off the box, which in this case turned out to be an electrical cable drum positioned at 34 yards. This is where we came into our own, and Charlie Squires won two of the brackets. This particular event capped off one of the most enjoyable day's shooting we have ever experienced, and also one of the most enjoyable and entertaining weeks, socially and otherwise. This is a brief outline of Mount Hagen. To tell all would require a book, but I suggest that anybody who can make the visit to Mount Hagen for the Championships, which will be shot over the last week-end of August 1965 and take in also the spectacular Western Highlands District Show, which is world renowned for its colour, on the week-end prior to the shoot, would most certainly be made as welcome as we were by the members of the Hagen Club.

A word of advice here to anybody visiting New Guinea; there are several formalities to be gone through and these have to be observed.

1. An Entry permit is required, and this can be obtained from the Dept. of Territories, Canberra, or any capital city.

2. If you are taking guns to the Territory, you must advise Norm

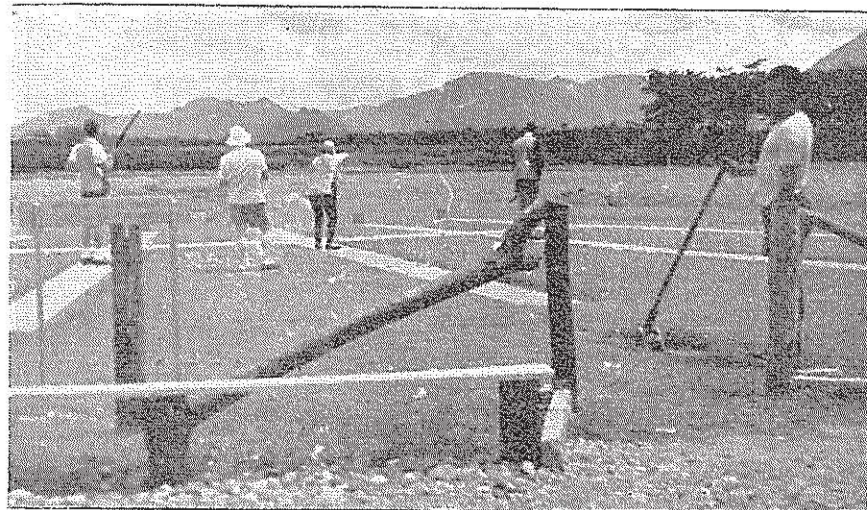

Camps of your travel details and gun numbers, as these have to be advised by him to the Customs Dept. of the Territory of Papua and New Guinea.

3. Australian airline offices and travel agents know very little about internal air movements in the Territory and therefore I encourage you to allow the Gun Club at Mount Hagen to make your bookings for you. All that you require is to advise them of your departure date from Australia. Arrangements are in hand to advertise the Territory Championships, and all interested should contact Norm Camps or Mrs. Doreen Buscombe and be most ably looked after from that end.

The climate would probably be the most perfect in the world and it never gets as hot or cold as Sydney or Brisbane. Frosts are unknown and every day is almost akin to spring. Malaria does not exist in most of the Highlands area and mosquitoes are almost non-existent. It is indeed a paradise with its scenery, its pioneers and its natives in their natural dress.

So with this outline I once again counsel while you may to visit to this country and its Gun Clubs.

W. HOATH,

## OUT OF THE PAST

### Twenty-five Years Ago

Because of the second world war, it was officially announced that no International Match would take place in 1940. As Australia had only entered the International shooting arena in 1939, it was indeed a brief introduction to International competition.

Veteran of the day, Charles Corbett, passed on early in 1940 at his home in Coburg, V. He first began shooting in 1895, and in addition to being an excellent shot, he was a grand sportsman. He had won hundreds of trophies.

W. R. (Bill) Bloomfield and the late Vic. Fankhauser were the only two equal to recording possibles in the Blackburn Club's 1940 double-barrel championship. The tie shoot went five rounds, Bloomfield winning with 20 straight. The late Rus. Thomas divided two events on the

same day.

Jack Hood, a prominent shooter of the day, who later joined the A.I.F., attended a Camberwell shoot on his final leave. He won the 15/17 yarders' prize with 11/15. Hood later paid the supreme sacrifice at Bardia early in January 1941.

The 1940 National Championships were held at the Nobel Club grounds at Bentleigh (V.). Many of those who had competed at the previous year's fixtures were in khaki. H. S. Smith, now a bank manager at Ipswich in Queensland, was one of those who travelled over 3,000 miles to attend the 1939 series, and in 1940 found himself also in khaki.

Early in April 1940 a "Fags for Fighters" Fund shoot was held at the Ringwood home, "Wellington Park", of Jock Wilson. A big result was obtained.

### Fifteen Years Ago

Clay target shooting at night under night lighting conditions was introduced on a properly organised basis about this period in 1950 by the Australian Gun Club at East Burwood. The reports of the day indicated that "to the gun lover night shooting opens a new vista". The report of the day goes on, "Many who have journeyed far and faced the difficulties attached to spotlight shooting in open country from a car can now enjoy a session of 'smashing 'em' simply by taking a gun and a few shillings to East Burwood. Night shooting at clays is not new to Mel-

bourne. About 1938 the late Alex. Watkins and the late Jim Wildman featured the sport on a commercial basis at a well-lit dog racing track. The venture was not successful, mainly for the reason that it was introduced in cold weather. Steel targets, suitably whitened, were tried in this venture, but again the sponsors were frustrated, chiefly because of the doubt surrounding 'kill' or 'lost' decisions, as the discs did not fragment. Clay pigeon shooting, now an International pastime, is expanding rapidly in all English-speaking countries."

## Ten Years Ago

South and Western Australia gained representation on the Executive Committee of the Australian Clay Target Association at the annual meeting of the Association in 1955. The Executive Committee of the day then comprised: J. M. Wilson (President) and the following members: Queensland, Messrs. the late Fred Blackman, Frank Claussen (who does not shoot these days), and D. M. Pack; New South Wales, Messrs. J. Houston, Sid Lamb, W. F. Robertson and K. Soames Snr.; Victoria, Messrs. E. G. Biggs, L. Doyle, J. Headland and T. R. Wightman; Tasmania, Messrs. J. M. Tyquin and W. E. H. Rainbird. The

new appointees were: South Australia, the late J. Woodrow, and Western Australia, C. Ferguson.

Foxes were reported within close proximity of the city of London in 1955. To those who know London this seems a little ridiculous. Nevertheless reports of foxes appearing within 10 miles of Charing Cross were reported from Beckenham, Shortlands and Park Langley. The foxes were stated to have been attacking poultry and "extermination clubs" were formed to dispose of the bushy-tails—however, at the time of the report the latter were winning the fight.

## THOUGHTS ON FIRST BARREL

Our modern double guns owe their existence to an act of inadvertent paternity. When Henry Nock, round about 1785, invented his celebrated patent breech, his object was simply to improve the speed and thoroughness of ignition of the flintlock gun, so as to make it shoot quicker and harder. In this he succeeded; but he can hardly have foreseen the full measure of his success, or the radical transformation it was destined to bring about in the sporting gun of his day. The typical pre-Nock gun with plain breeching was a weapon with a full-length stock and a single barrel of forty inches or more; but guns as re-designed to exploit the more rapid and thorough combustion brought about by the patent breech had barrels as short as thirty inches. Not only was weight thus saved, it was brought back, so that it became feasible, for the first time, to build double guns that were light, well balanced, fast-handling weapons, adaptable to wing-shooting and of modern outline. For these and other advantages deriving from the Nock invention we still owe the inventor a debt of gratitude, for they established standards admitting of no retrogression in the developments that followed.

### Curious By-products

But if the originator of the patent breech can hardly have foreseen the full, practical impact of his work, still less can he have contemplated the curious, psychological by-products of shooting with a double barrel. These include various fancies and inhibitions connected with ribs and sighting-planes, and also mental states induced in the shooter by his knowledge that he has a second barrel in reserve. It is these latter that I wish to consider.

Years ago, when boys were perhaps entered more carefully to shooting than they are today, it was a common thing to start the new entrant with a single barrel—not for cheapness,

but for the express reason that a double was considered to induce carelessness in the placing of the first shot. I believe this to have been a sound principle; but, however thorough his early training with a single barrel may have been, I doubt if there exists a man whose performance with a double is not, in some degree, worsened by his knowledge that a miss with his right is not necessarily final. In saying this, I am thinking solely of shots taken at single birds. With double chances, it is quite different.

My own experience is that I always seem to have done better with rights-and-lefts than my general standard would imply. The reason, I believe, is that the simultaneous appearance of two targets before the gun eliminates immediately that enervating, subconscious feeling that, after all, one can always have another crack at it. One knows that each barrel must be made to tell, and performance tightens up accordingly.

### From Bad to Worse

This psychological "malaise" of first-barrel carelessness can take an aggravated form. I have known men—quick, excitable types—to whom, I am sure, the first barrel has become subconsciously little more than an impediment to getting down to serious business with their second barrel—something to be fired off, anyhow, anywhere, so long as it is not allowed to delay the real proceedings. Such a man, if a good natural shot, may perform very well; but if not—if he wastes his first barrel and pokes with his left, or if he raises his head to see what happened the first time, and fails to get it down for his second try, his mental attitude may reduce his performance to a far lower level than he is otherwise capable of attaining.

What is to be done about all this? Here, I may be a better diagnostician than physician, but a clue to a

November 14th:

**MOUNT HAGEN — W.H.D. MIXED BIRDS C'SHIP**

December 5th:

**CHRISTMAS SHOOT — Club Champion of Champions  
and Hammersley Shield Shoot.**

On Championship days the main event will, of course, be the Championship. However, as much other shooting will be done as time permits. A Bar will be in operation on the grounds throughout the shooting year, but members are reminded to bring picnic lunches on all occasions.

There is a possibility that one of the North Queensland Clubs may charter a plane into Mount Hagen over the Easter period. If this is the case, we will organise a two-day shoot, and a circular to that effect will be sent to all members.

beneficial treatment is provided by the experience of a broken main-spring or the like, whereby one is temporarily reduced to single-barrel status. I have found this to induce a curiously calm or fatalistic frame of mind — uncomplicated, perhaps, by any subconscious preparations for getting off the second barrel if the first should prove of no avail, and undoubtedly good for one's shooting. Anyone can prove this for himself, if he is strong-minded enough to load one barrel only on some occasion when birds are coming freely. A short course of this heroic treatment could well prove sufficiently revealing to induce a change of outlook in the use of the first barrel, whereby some permanent improvement in performance might come about. Candour compels me to admit, however, that I have never tried the treatment myself, except temporarily and under compulsion.

**TREATING A STOCK**

You can give the stock a much better and more durable finish in the following manner: Remove the existing varnish with methylated spirit or other varnish remover, using a stiff nailbrush to clear the chequering. The stock should then be "CLANSED". First, wet it with a damp cloth and dry it over an open flame such as a gas ring. Be careful not to scorch or char the wood. This will raise the fibres of the grain, which should then be rubbed down with the finest kind of steel wool. Repeat two or three times. Finish with the steel wool until the wood is perfectly smooth.

Then warm the stock again and apply a mixture of three parts of boiled linseed oil and one part of turpentine. Let the wood absorb as much as it can and then wipe off the surplus. Set aside for a week. Subsequently rub in very small quantities of the oil and turpentine mixture thoroughly with the palm of the hand. Repetition of this treatment at intervals of a week will work up a fine and durable polish which can be restored at intervals by small applications of oil and turpentine well rubbed in.

There are more elaborate treatments, but the above perfectly adequate for one to whom a gun is primarily a sporting weapon and not a cabinet specimen.

**LEAVE IT BROKEN**

Always keep the safety catch of your gun at "Safe" except when you raise it to shoot, and during intervals of shooting when your gun is unloaded it is preferable to leave it broken (open) so that all may see

that it is unloaded. That is a good rule for everyone, but particularly for beginners who have their reputations to make.

When loading and closing the breech the stock of a gun should always be raised to the barrels so that they remain pointing to the ground. If the process is reversed and the barrels raised to the stock, it could result in the gun pointing directly at somebody.

Carry your gun in the crook of your arm with the barrels pointing to the ground or on your shoulder with the trigger-guard uppermost so that the barrels point to the sky.

On entering a car, boat, house or other building, never assume that your gun is unloaded; always check to make sure, and never leave it anywhere if there is the slightest chance of its being knocked over.

ALBANY (W.A.), 31/1/65. — Weather conditions: good. Attendance: 35. Results: No. 1, 15-bird D.B.: D. Cumming, R. Anderson, B. Randall, 15/15, div. No. 2, 10-bird W.U.: G. Bailey, 9/10, 1st; S. Winner Afternoon Round: J. Cameron.

The picnic shoot held by the Albany Gun Club on 31/1/65 was an unqualified success. Thirty-five shooters attended. A fresh sea breeze made the birds dip and rise and kept the shooters right on their toes throughout. The Albany Club committee plan to make their picnic shoot an annual feature event, and by the many favourable comments passed by visiting shooters, the club can look ahead with confidence to next year's shoot.

Several Katanning Club members have joined Albany. Although distance precludes them from attending regularly, the advice and assistance given by these members is a great help.

(L. G. Harrison, Hon. Sec.)

A most enjoyable pre-duck opening shoot, thanks to a sociable bunch of visitors from widely scattered localities, namely Broken Hill, Mildura, Melbourne, Mt. Gambier, Adelaide and Tumby Bay.

Most gratifying to see the locals more than hold their own against this strong opposition. Congratulations to Rich Caddy, Ken Coats and Ken Wait for their wins, also to Frank Holmes, Keith Germein and Ian Warrick on the well-deserved seconds.

15/2/65. — Duck Opening. A good roll-up of shooters, excellent weather and obliging ducks. Result, a fine time was had by all, with an average of eight birds each.

The breakfast cooked to perfection by Neville, Henry and Ben was most satisfying. Congratulations and thanks, fellows.

Feature of the afternoon's shooting was the exciting shoot-off between local marksmen John Benton and Paul Rosconi in the final round of the Harry Jaques Trophy. Benton won a two-way shoot-off with a score of 53/53. Another good effort was the win of Les Alexander, who took out the main trophy against seven shooters. He shot 18/18 to defeat Harry Jaques into second place, with Harry Wright third.

BERRIDALE (N.S.W.), 13/2/65.—Weather conditions: fine. Attendance: 16. Results: No. 1, 10 birds: 9 possibles, div. No. 2, 5 S.B., 5 D.B.: 1st, div. M. Fraser, R. Hedger; 3rd, div. L. Venables, G. Being such a nice afternoon must have enticed most of the club's shooters out for a shot; 16 turned up. Ron Hedger had another day out, winning a first and a second trophy, and never missed a bird during the programme. There was a long shoot-off in the 15-bird D.B. Trophy between two F/M.'s, L. Venables and A. Povey. A Povey went on to win, shooting 37/38.

Many thanks to the ladies who put on a delicious afternoon tea.

High Gun: S. Horn.

We were pleased to see so many visitors at our first shoot for the year, and were also glad that some of them were among the prize-getters.

APRIL, 1965

Kingaroy's Sel Horn had a field day which ended with his winning the high-gun over the afternoon as well as the points event, and new-comer to our club, John Farrow, from South Coast (formerly of Cowra), began his day with us by winning the first double-barrel shoot from a line-up of eight possibles. Then Neil O'Donohoo (Charleville) and Bob Golden (Wandoan) shared the sweepstakes in the S.B. H'cap, whilst in the last D. Rise event Cloncurry visitor Bill Burke won by a bird from South Coaster Keith Bambery.

George Parker and Eric Wardrop were the only "locals" in winning form. Another new member, Alan Kemp, was welcomed to the club.

(Mrs. E. Mackey, Pub. Officer.)

CASTERTON (V.), 6/2/65. — Weather conditions: hot. Attendance: 17. Results: No. 1, 5 birds: A. Humphries, J. Ross, S. Durbidge, S. Thomson, R. Hudson, div. No. 2, 4 Yardage Groups: 12/15, J. Ross, S. Humphries - G. Fellows. No. 4, 5 pr. D. Rise: 3 possibles, A. Humphries, H. Williamson, H. Smith, out.

Attendance not up to usual number, but quite good considering high fire danger and the fact that the shoot was less than one week following three-day Mt. Gambier shoot.

(M. McCabe, Hon. Sec.)

CAMBERWELL (V.), 6/2/65. — Weather conditions: good. Attendance: 66. Results: No. 1, 10-bird D.B. (off 16 yds.): 27 div., 20/20. No. 2, Metropolitan S.B. C'ship (20 birds, 16 yds.): 1st, J. Headon (newly appointed President of Hay Gun Club), 51/51; 2nd, D. Glover, 50/51; 3rd, W. R. Johns, 29/30; 12/14 yds., A. McCulloch, 18/20; 15/16 yds., W. Attwood, 26/27; 17/18 yds., A. Craig, 26/27. No. 3, Club D.B. C'ship (20 birds off 16 yds.) (Evans & Balfour Day; all trophies donated): 1st, J. Headon (Hay), 111/111; 2nd, W. Abbott (Werribee), 110/111; 3rd, K. Paterson, 77/78; 12/14 yds., E. Colautti, 18/20; 15/16 yds., R. Henwood, 65/66; 17/18 yds., W. R. Johns, 25/26.

A fine roll-up of top-class shooters who put on a first-class exhibition of consistent shooting. John Headon (Hay), one of the best shots in the Commonwealth, demonstrated that he is in first-class form, putting together an unfinished break of 162 — 51 of these being single barrel and winning the card. Good luck, Jack. Bill Abbott also performed well, downing 110 straight. Keith Paterson broke 77 straight before letting one away.

Many thanks to Les Turner of Evans & Balfour's Sports Store, Little Collins Street, for the very fine trophies he presented for the day. It is with the help of generous firms like this that the club can put on shoots at so reasonable nominations as they do. Thanks, Les.

20/2/65. — Weather conditions: good. Attendance: 18. Results: Duck Opening Day. Only opened so as intending shooters to the International could get in some practice. All cash events. No. 1, 5-bird D.B.: div. Tony, F. Phelan, R. Greenwood, G. Milliken, B. Kirkwood, J. Anderson, W. R. Johns, 5/5,

After this was all over, the International aspirants indulged in some practice off 16 yards. Frank Phelan and Jim Anderson shot very well all day. The quality of shooting more than made up for the shortage in numbers. Everyone seemed to have a very good day.

**COLAC (V.), 4/12/64**—Weather conditions: fine and cool. Attendance: 47. A most successful year of shooting came to a close on Friday night, when we held our now famous Christmas treat. Visiting shooters and their friends and families came from Warrnambool, Terang, Noorat, Cobden, Apollo Bay, Lorne, Geelong, Barwon Heads and Ballarat, and judging by the late hour when festivities concluded, it was a most enjoyable occasion.

Club President, Ernie Osborne, and Secretary, Arthur Neale, had worked hard to ensure the success of the function and, with the assistance of their wives and Miss Margaret Osborne, had the clubhouse tastefully decorated.

Santa Claus arrived about dusk and distributed gifts to the children. During the evening gifts were presented to the ladies who had dispensed teas and suppers during the year, and they were thanked sincerely by the President.

Christmas hampers comprised the trophies for the three events, and they were eagerly sought after by the 47 shooters who competed.

Results: No. 1, 10-bird D.B.: A. McSween (W'bool), 34/34, 1st; Bob King (Cobden), 33/34, 2nd; D. Grummett (Noorat), 24/25, 3rd. No. 2, 10-bird Pts.: A. Pett (Geelong), 60/60, 1st; E. Osborne, 59/60, 2nd; J. Pett (Geelong), 44/45, 3rd; L. Jacobs, 42/45; Bob Sharp, 41/45; F/M., D. Miller, 42/45. No. 3, 10-bird S.B.: D. Miller, 18/18, 1st; H. Walker (Barwon Heads), 17/18, 2nd; A. McSween, 18/20, 3rd; F/M. trophy, L. Neale, 9/10.

The annual meeting was held on Wednesday, and the retiring President, Mr. E. Osborne, reported a successful year of club activities.

The bank balance was slightly down on last year, but this was due to a heavy loss on the Queen's Birthday shoot, when heavy rain marred the day and adversely affected attendances. But for this loss, the club's finances would have been most buoyant, and a credit of £90 existed at the end of the financial year.

Mr. Osborne thanked the office-bearers and committee for their support during the year, and then was re-elected as President for his ninth term. Arthur Neale was re-elected Secretary. Other office-bearers are: Vice-Presidents, Messrs. S. Walker and N. Flowers; Asst. Secretary, Club Delegate and Pub. Officer, D. Corstorphan; Team Captain and Handicapper, S. Walker; Team Vice-Capt., P. Stinchcombe. Messrs. I. Holt and G. Hill were added to the committee.

6/2/65. — Weather conditions: hot — very hot. Attendance: 40. The fourth round of the current series of shoots for the I.C.I. Shield took place at Colac Gun Club on 6/2/65, when seven teams, representing the member clubs of the Western District Clay Target Association, competed.

The victorious team was from Noorat with 143/150 points, followed by Warrnambool 138, Geelong and Dundonnell 135, Cobden and Colac No. 1 134, and Colac No. 2 122.

Ladder positions to date are: Cobden 2 wins, Warrnambool 1, Noorat 1. The last shield winning club, Geelong, and runner-up, Colac, have not yet recorded a win in this series.

The scores of Colac's two teams were: No. 1: D. Corstorphan 29/30, E. Osborne 24, S. Walker 27, C. Grist 26, P. Stinchcombe 28. No. 2: M. Sutherland 22/30, B. Higgins 26, N. Flowers 24, R. Parker 24, A. Neale 26.

A 20-bird H'cap. with cartridges as trophies, resulted in 10 possibles, and the shooters divided the "spoils". They were: M. Sutherland, B. King, D. Corstorphan, T. Davis, R. Jorgensen, L. Jacobs, I. McArthur, L. Buckley, R. Green and E. Osborne. Donald Fletcher shot well as a relative new-comer to the sport to score 19/20 and he took the front-mark trophy.

Those with possibles in the second and third events (30 kills) shot on for the high-gun trophy, which resulted in a win for D. Corstorphan, 48/48. Then followed R. Jorgensen, 47/48; L. Jacobs, 42/43; T. Davis, 34/35; R. Green, I. McArthur, 33/34. Mrs. R. Bath (Cressy) won the ladies' trophy for drawing the name of the high-gun winner.

Trophies were presented to the winners by Mr. Ian McArthur of Cobden, who is President of the W.D.C.T.A.

Forty shooters competed over the programme, and they and their friends and families were grateful for the shade of the pines on one of the hottest Saturdays experienced for some time.

Best break for the day was Don Corstorphan with 56 straight.

Other Results: 5-bird Pts.: div. P. Stinchcombe, M. Sutherland, Bob King, R. Bryant, D. Corstorphan, T. Davis, R. Jorgensen, L. Jacobs, J. Ford, I. McArthur, L. Buckley,

W. Branagh, R. Green, E. Osborne, 15/15. 10-bird D.B.: div. M. Sutherland, A. McSween, L. Reicha, L. Jacobs, S. Walker, D. Osborne, 10/10.

Noorat's winning team consisted of A. Blain, G. Burnett, R. Pratt, R. Green and L. Reicha.

A reasonable attendance started the New Year off well and we were pleased to see a number of new shooters in attendance. The trophy events were well distributed between Max Barr, Len Bird and Herb Wilder. Len Bird had a good return to form.

**CROYDON (V.), 3/2/65.** — Weather: fine and mild. Attendance: 24. No. 1, Yarra Valley Night D.B. C'ship: 1st, W. Henwood, 29/29; 2nd, M. Hamilton, 28/29; 3rd, S. Henwood, 23/24. No. 2, 10 pairs D.R.: 1st, T. Morris, 18/20; div. 2nd and 3rd, W. Henwood, K. Huddleston, M. Hamilton, G. Read, G. Farrar, W. Gresselle, 17/20. Lucky lady: Mrs. Bell (Cairns, Q.).

Shooters who attended enjoyed a good evening's shoot. Congratulations to Bill Henwood for his C'ship win, as he won from very good company in Mick and Sam, and all this between his task of organising the shooters, as Bill's recent appointment as Ground Captain certainly keeps him busy.

13/2/65 (conducted at Camberwell ground). — Weather: fine and warm. Attendance: 52. No. 1, Croydon Dist. D.B. C'ship: 1st, J. Henwood, 55/55; 2nd, W. Henwood, 54/55; 3rd, W. Dalzell, 46/47; 12/14 yds., R. Kennedy, 16/20; 15/16 yds., G. Innes, 38/39; lucky lady, Mrs. P. Henwood. No. 2, Croydon Club S.B. C'ship: 1st, G. Robinson, 23/23; 2nd, W. Henwood, 22/23; 3rd, S. Henwood, 22/23; 12/14 yds., L. Phillips, 14/20; 15/16 yds., R. Henwood, 21/23; lucky lady, Mrs. B. Roberts.

With fine weather prevailing and two championships being shot, a very satisfactory day's shooting was enjoyed, and for this we owe a debt of gratitude to the Camberwell Club for allowing us to conduct our shoot on their ground, also a word of thanks to their committee members for their co-operation and assistance.

The D.B. C'ship was won in fine style by Jack Henwood from Bill Henwood, who on this occasion was not able to go the distance against his younger opponent. W. Dalzell was a creditable third. The S.B. C'ship again saw W. Henwood run second after lining up against G. Robinson, these two being the only ones to score a possible, with S. Henwood outlasting the 19/20 to run third.

The 1964 clay season drew to a close under festive conditions. Charlie Marsh shot consistently well all day and won both the President's trophy and the Terry Young trophy. High gun over the day resulted in a win for Tim Catling after a shoot-off with Charlie Marsh. T. Cusack and G. Anderson won the Vice-President's trophy. It is of interest to note that the Vice-President, Charlie Marsh, won the President's trophy, and the President, Tony Cusack, shared in the Vice-President's trophy.

Look out, ducks, here we come!

(Keith Anderson, Hon. Sec.)

With the weather very much against us all day, scores were not the best, though all agreed it was just great to be on the tracks again. Congrats. go to Bill Anderson, who nailed 45/50 with his new U/O to take the High Gun Trophy. The congratulations of all go to our indefatigable veteran, C. J. Lee, who has won himself four yards of handicap this year alone—hope you can keep it up on 20 after taking the Veterans' C'ship at South Coast, Charlie! The biggest and by far the most successful clay target shoot was held over the Australia Day week-end in Mount Gambier. The following results show far more than a report, so shall say, on behalf of the club, sincere thanks to Cal. Hollow for the invaluable assistance and advice and for marshalling the shoot, and many thanks to all the visiting shooters for making the shoot the success that it was. Congratulations to all prize winners.

(Ian A. Marks, Hon. Sec.)

**MANNUM (S.A.), 21/2/65.**—Weather conditions: terrible. Attendance: 17. Results: No. 1, 5 birds: D. Gordon, F. Angeloni, J. Gerogles, L. Beatty, D. Kimber, J. Maczkowiack, B. Mutton, 5/5. No. 2, State Walk-up C'ship: C. Chiantore, 22/25; R. Mules, 20/25; R. Kimber, 19/22. No. 3, £25 Cash H'cap: J. Gerogles, J. Maczkowiack, 19/20.

A really dreadful day. Hot, dusty and windy. Seventeen shooters braved the weather and although no one shot the possible clays, it certainly wasn't the shooters at fault. C. Chiantore and R. Mules shot off for the State Walk-up after having shot 18/20. Our two locals, John Maczkowiack and John Gerogles, shot extremely well to get 19/20 in the Cash Handicap.

Thanks to the ladies for a lovely cold lunch and the afternoon "cuppa".

(M. V. Pfeiffer, Hon. Sec.)

**MENDOORAN (N.S.W.), 6/2/65.**—Weather conditions: hot and windy. Attendance: 15. Results: No. 1, 5-bird D.B.: div. H. Blaauw, J. Ellery, R. Brown, G. Hall, G. Blackman, J. Nott, 5/5. No. 2, 10-bird Pts. Trophy: 1st, G. Blackman, 35/36; 2nd, J. Ellery, 33/36. No. 3, 15-bird D.B. Trophy: 1st, R. Yeo, 33/33; 2nd, J. Ellery, 32/33. No. 4, 5-bird D.B.: div. H. Blaauw, R. Yeo, J. Doherty, R. Brown, G. Ray, F. Hudspeth, G. Hall, R. Hanslow, G. Blackman, D. Smith, N. Smith, 5/5. No. 5, 5-bird S.B.: div. N. Smith, J. Ellery, R. Brown, G. Hall, D. Smith, 5/5.

Our opening club shoot for 1965 had a good attendance of 15 club members. The standard of shooting for the afternoon was very good. In the 15-bird D.B. Trophy event seven members shot the possible. Congratulations go to Reg Yeo on taking this out with 33/33; second was John Ellery with 32/33.

This year we have decided to purchase a tape recorder to be won three times running or the most times over the twelve months. We are also having a front-marker trophy of an electric shaver, competed for on a point-score system in the same event. The High Gun trophy was won by Don Smith, and the 12/15 yd. trophy by Russell Barker.

(M. Smith, Asst. Sec.)

**MILDURA (V.), 27/2/65.**—Weather conditions: fine. Attendance: 28. A good attendance of shooters turned up for the club's monthly shoot. The shooting was well below the standard usually shown by our members. John Doyle had no opposition to win the Olympic Park S.B. C'ship with a score of 19/20. B. Watson and C. Barnes scored 18/20 and shot off for second and third respectively, with B. Watson taking second place.

The night trophy shoot was won in good style by Allen Halls with 14/15; W. Hammett, 2nd, 17/20; H. Moore, 3rd, 16/20.

An enjoyable afternoon tea was supplied by our ladies, and the Bill Fisher barbecue tea at night was very palatable.

(L. Connors, Hon. Sec.)

**NEWCASTLE (N.S.W.), 6/2/65 (Night).**—Weather: light wind, fine. Attendance: 30. No. 1, 10-bird D.B.: div. E. Hill, D. Harges, I. Clarke, M. Barlow, W. Collis, J. Wilton, A. Ward, J. Gillespie, M. Dick, 10/10. No. 2, Dist. Night D.B. C'ship: 1st, D. Mackay, 27/27; 2nd, W. Hodgson, 26/27; 3rd, K. Robertson, 25/26; 12/14 yd. trophy, N. Flannery, 16/20. No. 3, 10-bird D. Rise: div. E. Hill, D. Harges, R. Watt, M. Barlow, D. Mackay, J. Fryer, W. Collis, K. Robertson, B. Johnson, A. Tremain, No. 4, 10-bird D'ville Doubles: 3 possibles, M. Barlow - B. Johnson, 17/18; J. Fryer - B. Woollen, W. Collis - R. Morton, 13/14; T. Holmes - D. Harges, J. Wilton - W. Hodgson, 11/12; div., M. Dick - K. Robertson, D. Mott - T. Asquith, 18/18.

Quite a good attendance of shooters turned up for our C'ship, and Dave Mackay, shooting in his usual good form, won the event from Wal Hodgson after a short shoot-off. The D'ville Doubles event returned quite a number of possibles, which should make our D'ville Doubles C'ship to be held on 20th March a very interesting event.

(Ian T. Clarke, Pub. Officer.)

Good shooting was done by J. Barker, who was runner-up in the Gun and the Night S.B., and by R. Byrne, who took out the S.B. and, partnered by A. Wenban, won the D'ville Doubles.

(Jim Evans, Mgr.)

**PERTH (W.A.), 10/2/65 (Night).**—A satisfactory attendance, cool but pleasant conditions. An excellent supper to end proceedings. 10 pr. D. Rise: 16 yds. and forward: A. Yozzi, 17/20; R. Allen, 16/20. 17 yds. and back: J. Webster, 18/20; F. Durbridge, 15/20.

13-14/2/65.—The first major shoot of 1965. Attendance was down on last year's fixture—a total of 53 individual shooters. Conditions were pleasant, competition keen, and the social aspect most enjoyable. The club's 1965 season was declared officially open by Patron Rupert Monger, who killed his bird despite a fast pull.

Rob Webb (Northam) made history by winning the I.C.I. Transcontinental Handicap for the second successive year, and he will renew acquaintances with other shooters in Melbourne. 20-bird D.B. H'cap: 16 yds. and forward: 1st, B. Randall, 20/20; 2nd, J. Battersby, 19/20; 3rd, T. Rose, 18/20; 17 yds. and back: 1st, S. Gibson, 19/20; 2nd, R. Burton, 19/20; 3rd, A. Hunter, 19/20. C'wealth Night D. Rise C'ship: 1st, T. Catling, 32/40; 2nd, D. Morgan, 31/40; 3rd, R. Burton, 30/40; 4th, S. Gibson; 5th, A. Yozzi; 6th, A. Cusaek, 29/40 each. 30-bird D.B. H'cap: 16 yds. and forward: 1st, B. Holtfreter, 30/30; 2nd, B. Randall, 30/30; 3rd, A. Yozzi, 29/30. 17 yds. and back: 1st, N. Wells, 30/30; 2nd, D. Cumming, 30/30; 3rd, T. Catling, 29/30. I.C.I. Transcontinental H'cap: 1st, R. Webb, 39/40; 2nd, R. Bailey, 39/40; 3rd, B. Holtfreter, 39/40; 4th, R. Glass, A. Cusaek, 38/40; 6th, G. Larsen, J. Harris, 37/40.

The duck-shooting season, after early poor results for shooters, has provided some good shooting in various parts of the State. Whilst the ducks keep on committing virtual suicide, attendances at the club will no doubt be smaller.

(J. G. Spark, Sec.)

PUCKAPUNYAL (V.), 31/1/65.—Weather conditions: very windy. Attendance: 50. Results: No. 1, 10-bird Pts. (off 16 yds.): A. Harrod, H. Weitzel, P. Doyle, A. James, J. Walls, W. Hailes Jr., 30/30. No. 2, Puckapunyal District D.B. C'ship: 1st, W. Abbott, 28/28; 2nd, W. Hailes Jr., 27/28; 3rd, D. Palmer, 22/23. No. 3, Trophy H'cap: 1st, T. Spence, 21/21; 2nd, M. Day, 26/27; 3rd, P. Henwood, 25/27. No. 4, 10-bird D.B.: 1st, M. Day; 2nd, D. O'Callaghan; 3rd, J. Henwood. No. 5, Aggregate Teams Shoot: Metro. (H. Weitzel, A. Harrod, T. Spence, M. Day, G. Read), 90/100. High Gun: W. Abbott, 49/50. Ladies' trophy: Mrs. Hutchison.

Very windy conditions marred the first shoot of 1965; this strong wind made conditions difficult, hence the very low scores. Bill Abbott shot consistently well to gain second leg in the aggregate high gun with a fine 49/50. He also gained the coveted white sash in the D.B. C'ship. Bill Hailes stayed with Bill in the C'ship, and in the high gun, with four shooters with two legs, that trophy won't last much longer.

The Trophy H'cap saw an amazing thing: four scored the possible, Spence, Day, Henwood and Dalziel. Tom Spence shot his first bird in the shoot-off the other three missed; in the shoot-off for places, Max Day out-stayed the other two to take second.

Metro. team have proved too strong in the Teams shoot and took off their third win with only 90/100, to win the five Sportco Automatics. Congratulations to Alan, Henry, Max, Tom, Geoff and Frank.

(J. E. Summers, Pres.)

QUAMBATOOK (V.), 4/2/65. — Weather conditions: cold and windy. Results: No. 1, 5-bird D.B.: 14 shooters 5/5, div. No. 2, 20 Mixed Birds Trophy: 1st, J. James, 23/25; 2nd, R. Peacock, 22/25; 3rd, R. Ferrier, 50/54.

Thirty shooters shot for the trophy that was very kindly donated by Mr. Bill O'Brien. The weather conditions proved very difficult for mixed birds, but some fine shooting was evident. Joe James, who has been shooting very consistently, won outright from Rex Peacock of Kerang. Four shooters tied for third place, and after a long shoot-off and some gun trouble, Richard Ferrier (Birchip) won from Lindsay Cameron.

18/2/65.—Weather conditions: fine. Attendance: 22. Results: No. 1, 5-bird D.B.: 13 shooters 5/5, div. No. 2, 10-bird D.B. Trophy: 1st, J. James, 38/38; 2nd, S. Schlitz, 37/38; F/M., M. Nalder, 23/24. No. 3, 5 sparrows. 5 clays: J. Caddy, J. Wallis, J. James, F. James, K. Doyle, 10/10, div.

A good crowd of shooters fronted in excellent conditions. The trophy was won by Joe James, 38/38, from Silvy Schlitz, 37/38. The front-marker was won by Max Nalder, 23/24.

The shoot was a preview for the duck season and the shooters made the most of the opportunity to practise. It was very pleasing to see our past Secretary, Ron Ellis, who had travelled up from Melbourne for the ducks.

(Jim Wallis, Hon. Sec.)

QUEANBEYAN (N.S.W.), 19/12/64.—Weather conditions: fine, hot. Attendance: 31. Results: No. 1, 5-bird D.B.: 1st, D. Byrne; 2nd, T. Hayden; 3rd, J. Farrow; F/M., K. Brockelsby. Tilyard; 2nd, Mrs. Pat Byrne; 3rd, R. Turbit; F/M., K. Brockelsby. No. 5, 5-bird D.B.: 1st, J. Bink; 2nd, D. Byrne; 3rd, P. Cox. No. 6, 5-bird Pts.: 1st, P. Cox; 2nd, G. Tilyard; 3rd, R. Coffey. No. 7, 5-bird Pts.: 1st, J. Farrow; 2nd, W. Jordan; 3rd, M. O'Rourke. No. 8, 5-bird D.B.: 1st, P. Lyons; 2nd, R. Coffey; 3rd, G. Tilyard; F/M., K. Brockelsby.

A good attendance at our Christmas shoot, with the usual trophies of hams, chickens, cakes, puddings and beer. A lot of fun was had by all shooters, as we rule that over the programme a member can win only one first, second and third prize.

Geoff Tilyard shot well to take out the High Gun spoon with 38/40 kills.

23/1/65. — Weather conditions: fine, hot, windy. Attendance: 22. Results: No. 1, 10-bird D.B.: div. T. Hayden, K. Brockelsby, A. Povey, G. Tilyard, W. Jordan, 10/10, div. No. 2, 10-bird Pts. Trophy: 1st, R. Turbit, 42/42; 2nd, D. Byrne, 41/42; best F/M., B. Hawke, 26/30. No. 3, 20-bird D.B. Trophy: 1st, A. Povey, 26/26; 2nd, B. Hawke, 25/26; best F/M., K. Muir, 21/22. An enjoyable day, with good results especially by front-markers and intermediates, including Barry Hawke and Albert Povey, who both shot well in the 20-bird event. High Gun scores of 48/50 were shot by R. Turbit, A. Povey and D. Byrne. In a shoot-off, Denis Byrne took the spoon after 9/9.

(Peter Johnston, Hon. Sec.)

ROYAL AERO (N.S.W.), 16/1/65.—Weather conditions: fine. Attendance: 29. Results: No. 1, 10-bird D.B.: B. Kable, Troester, West, Plummer, Clarke, Wilkins, Mawby, G. Kable, 10/10. Congratulations to Philip Smith on winning the County of Cumberland Intermediate C'ship—a fine effort for one whose duties with the club allow him so little regular shooting. **SEBASTOPOL (V.), 6/2/65 (Afternoon).—** Weather: very warm. Attendance: 29. In the main event, which was the 15-bird Club C'ship, we saw excellent shooting from R. Butler from Horsham, 64/64, who defeated I. Farren, 63/64. Ian Farren was unlucky not to have won his first sash, as he shot his 75 break during the afternoon.

I must mention the excellent shooting of a very young shooter, namely Rick Chasey; although Rick did not take home a trophy, it will not be long before he is proving himself against the more experienced shooters. The boys from Learmonth, namely P. McDonald, G. and A. Donovan, and also R. Cairns and G. Ludbrook, are also going to make their present felt in future shoots.

Our thanks go to the visiting shooters and to the ladies for their excellent afternoon tea under very warm conditions.

Roy Smith of Euroa shot well to win High Gun Trophy, with Ted Baldwin and Dave McGuinness giving him strong opposition. Thanks to visitors, who by their support keep our club ticking on.

**SOUTH COAST (Qld.).—**Our January carnival proved to be the most successful in the history of the club. Attendance of shooters was surprisingly good: 118 nominated for the first day's programme, 120 for the second day, and the average over the whole programme was almost 90.

The weather (like the curate's egg) was good in parts. The first event on the programme, the Pacific Coast D.B. C'ship, was shot in pouring rain; Tuesday night's programme was delayed for over an hour by a thunder storm, but conditions for the rest of the week were pleasant, although a strong wind on the final days provided a real test for the shooters.

Three Damo traps were used and their efficiency was demonstrated by the pace with which the big programme was completed.

Shooting was of a high standard, as evidenced by L. Vidler's score of 155/155 (the highest shot at a January Carnival) and the keen and close competition for the Carnival High Gun, which was not decided until the final event was completed.

Congratulations are extended to L. Vidler for his win of the Pacific Coast D.B. C'ship, with which went the Beauman Gold Cup; Don Scowcroft on his triple C'ship win; D. Whyte (St. George) on winning the High Gun, a magnificent trophy presented by Bauman's Gun Shop, with a score of 367/400; Cam McClymont, runner-up to the High Gun, with 368/400, and A. R. Lane, winner of the Intermediate High Gun, with 367/400.

A new event on the programme, "The Commonwealth Veterans' C'ship", created a great deal of interest, as much so with the general run of shooters as with the veterans themselves. Twenty "Veterans" toed the mark. Congratulations to Clarrie Lee on winning, with 40/40, the only clean score, with Jim Smith second, 39/40, and Goyné Wade third, 42/44. No birth certificates were cited, but the scores suggest that the "Veterans" are certainly not "has beans".

Excellent attendance, combined with excellent weather, permitted us to have an equally enjoyable afternoon's shooting. Surprise of the day was only one possible to Jeff Dodderidge of Paratah, with eight 14's to shoot the minor placings of the Club D.B. Championship.

Unfortunately we clashed with Latrobe; we wish to extend our sincere apologies to this club and its members. Tas. Gun Club expects from now on to be shooting regularly on the second Saturday in each month.

Phelan, E. McKimmin, J. Melville, G. Jaques, J. Carrington, R. Lovelady, N. Krabbenhoft, A. Lenti, T. Wellington, R. Dix, S. Vitale, 5/5. No. 3, Townsville Dist. D.B. C'ship: 1st, G. Jaques, 30/30; 2nd, L. Kovacich, 29/30; 3rd, A. Edwards, 42/42. No. 4, 10-bird D.B. Pts. Trophy: 1st, W. Phelan; 2nd, R.D.H.; 3rd, M. Hartwell, 30/30. No. 5, 5-bird D.B.: div. C. Sinclair, T. Wellington, C. Haller, 5/5.

Congratulations to Gill Jaques on winning the T'ville District D.B. C'ship; L. Kovacich, 2nd. Two shooters recorded the possible 20/20. Eight shooters shot 19/20 in the C'ship, and after a lengthy shoot-off A. Edwards emerged from the smoke to accept the third place with the good score of 42/42. Congratulations to A. and B. Edwards on shooting their 50 break. Most consistent shooters were: A. Edwards, C. Jaques, W. Phelan, N. Krabbenhoft, L. Kovacich.

We have just installed our new Damo trap. Many thanks to the committee and members who helped in the installation of the trap.

**UNGARRA (S.A.), 7/2/65.**—Weather conditions: good. Attendance: 11. Results: No. 1, 5-bird D.B.: D. Lawrie, W. Stratford, T. Stratford, 5/5. No. 2, 20-bird D.B. (W. E. Ekins Trophy): J. S. Schramm, 1st; D. Smith, 2nd; R. Gordon, 3rd — all shot 18/20; positions gained by shoot-off. No. 3, 5-bird D. Rise: D. K. Eagle, 1st, 5/5; J. S. Schramm, 2nd, 4/5; T. Stratford, 3rd, 3/5.

Weather conditions were ideal. J. S. Schramm proved the best shooter on the day again by taking out the main trophy. Des Eagle showed us how to shoot doubles — not bad with 5/5 for first time up.

Our thanks to Dennis Ekins for his very fine trophy, also thanks to the ladies who helped with the tea.

(W. R. Simms, Hon. Sec.)

**VICTORIAN (V.), 27/1/65.**—Weather conditions: fine night. Attendance: 23. Results: No. 1, 10-bird Pts.: 1st, div. K. Huddleston, F. Apted, 29/30; 3rd, div. L. Hendra, R. Evans, 28/30. No. 2, 20-bird D.B. H'cap Trophy: 1st, H. Moore, 46/46; 2nd, K. Lowry, 45/46; 3rd, J. Platten, 26/27; F/M., A. Worthington, 18/20.

Fine shooting by Harry Moore from Mil-dura won him first prize. 46/46 birds is a good score at our night shoots. Second was K. Lowry, who also shot well, and his good second barrel got him out of trouble a few times.

It was nice to see quite a few visitors once again. It helps to fill the gaps left by our own shooters who are on holidays. Thanks to all who attended.

10/2/65.—Weather conditions: windy night. Attendance: 46. Results: No. 1, 5-bird Pts. H'cap: 1st, div. J. Walls, A. James, R. Evans. No. 2, 15-bird D.B.: 1st, A. Smyth, 21/21; 2nd, N. Lawler, 20/21; 3rd, div. R. Evans, J. Walls, 24/25; 12/15 yds., A. Worthington, 23/24; 16/19 yds., R. Jones, 17/18; 20 yds. and over, R. Evans, J. Walls, 24/25.

Our pre-duck opening shoot proved a very popular event, and we welcomed shooters from Swan Hill and most metropolitan clubs. Scores were kept low by the wind, and just as well for us, or we could have finished in the early hours of the morning. Congratulations to the prize winners. A. Smyth shot very well to win from Norm Lawler.

See you all again next year, when we hope to put on a bigger prize list.

(J. Platten, Hon. Sec.)

**WARREN (N.S.W.), 13/2/65 (Night).** — Weather conditions: fine, strong westerly wind. Attendance: 17. Results: No. 1, 10-bird D.B. Sparrows: K. Starr, A. Carroll, 10/10. No. 2, 15-bird D.B. Pts. 3-2 (off 16 yds.): E. Smith, 44/45, 1st; R. Kinsey, R. Young, 41/45, eq. 2nd. No. 3, 10-bird D.B.: W. Rae, R. Kinsey, E. Smith, K. Starr, F. Stuart, C. Carroll, 9/10. No. 4, 5 prs. D. Rise: W. Rae, N. Montgomery, R. Kinsey, 9/10.

Windy conditions made shooting difficult, and there were no outstanding performances. Next shoot will be the first day shoot of the club's 1965 season.

(R. C. Deacon, Hon. Sec.)

**WARRNAMBOOL (V.), 12/2/65.**—Results: No. 1, 5 birds: div. L. Jacobs, A. Carroll, J. Boyle, K. Edge. No. 2, 15-bird Trophy: 1st, A. McSween; 2nd, M. Holloway; F/M., V. Thompson. No. 3, 10 birds: div. A. Carroll, S. Thompson, L. Jacobs, A. McSween, K. Edge, D. Thompson.

(R. C. Kenneally, Hon. Sec.)

**WERIBEE (V.), 30/1/65.**—Weather conditions: fine, windy. Attendance: 40. Results: No. 1, 10-bird Pts. (16 yds.): A. James, F. Burns, D. Preston, 30/30, div. No. 2, Club D.B. C'ship (16 yds.): 1st, A. F. Drake, 20/20; 2nd, H. E. Martin, 27/28; 3rd, V. Ford, 26/28; F/M., A. Hopkins, 18/20. No. 3, Dist. S.B. C'ship (16 yds.): 1st, F. Burns, 19/20; 2nd, W. Abbott, 18/20; 3rd, L. Willis, 20/23; F/M., B. Kirkwood, 16/20. No. 4, 10-bird Tower: P. Mark, W. Abbott, C. P. Northey, W. Davis, K. Laird, J. Glover, S. Cations, 10/10.

A fine, warm day and a good attendance made this shoot very successful. A fairly strong wind made shooting conditions very tricky, with the result that scores were generally lower than expected, and the good results handed in by the winners of the various events indicated some very fine shooting.

13/2/65.—Weather conditions: warm, slight breeze. Attendance: 51. Results: No. 1, 5-bird Pts. Tower: M. Rushford, C. Cameron, J. Glover, L. Hendra, 15/15, div. No. 2, Club Tower C'ship (20 birds): 1st, W. R. Johns, 37/37; 2nd, K. McDermott, 46/47; 3rd, D. Preston, 45/47; F/M., M. Scaife, 16/20. No. 3, 10-bird H'cap: B. Kirkwood, K. Laird, B. Batey, R. Fletcher, K. Beer, W. Perry, T. Rosewarne, 10/10. No. 4, 10-bird Tower: 1st, C. Cameron, 9/10; 2nd, T. Rosewarne, 8/10; 3rd, J. Walls, W. Perry, M. Rushford, eq., 7/10.

A very pleasant day saw a large crowd of shooters in the Club Tower C'ship. This was another indication to the committee that their initiative in erecting a tower has paid dividends. Once again Darcy Preston showed his liking for this type of shooting by taking third prize, and keeping his record of a prize in every tower shoot held here. The scores of the winner and runners-up showed the high standard of the event.

All present agreed that it was a very fine "warm-up" for the duck season.

**YARRAM (V.), 19/12/64.**—Weather conditions: fine. Attendance: fair. Results: No. 1, 10-bird Pts.: 1st, K. Barlow, 29/30; 2nd, M. Fox, 40/42; B. Hams, 39/42. No. 2, 10-bird D.B.: I. McNaughton, 22/22; F. Brown, 21/22; A. Pearson, 17/18. No. 3, 10-bird S.B.: H. Pearson, 14/14; B. Hams, 13/14; R. Glover, 15/16. No. 4, 10-bird D.B. Sparrows: M. Fox, 1st, 10/10; A. Pedersen, 2nd; J. Barlow, 3rd.

A lovely sunny day after some very poor weather. Everyone with Xmas spirit, and trophies all seasonable. Four events on the programme. R. Barlow won first event 29/30; M. Fox, 2nd, 40/42; B. Hams, 3rd, 39/42. No. 2, 10-bird D.B.: I. McNaughton, 22/22; F. Brown, 2nd, 21/22; A. Pedersen, 3rd, 17/18. No. 3, 10-bird S.B.: H. Pearson, 14/14; B. Hams, 13/14, 2nd; R. Glover, 15/16, 3rd. No. 4, 10-bird D.B. Sparrows: M. Fox, 10/10; 2nd, A. Pedersen; 3rd, J. Barlow.

Hugh Pearson thanked all for their support and wished all shooters compliments of the season.

A fine, breezy day, and a good muster of Melbourne shooters; thank you for your support. No. 1 was divided between R. Barlow, G. Biggs, W. Williams, A. F. Drake and W. Dalzell, 30/30. The next event div. R. Barlow, S. Lett, W. Dalzell, 10/10. The main event was the Sth. Gippsland S.B. C'ship; there were no possibles, and the 19's shot off for R. Glover to win, 20/21; S. Lett, 2nd, 19/21; J. Henwood, 3rd, 23/25. The Club D.B. event: G. Biggs, 35/35; S. Lett, 2nd, 34/35; W. Henwood, 3rd, 22/23.

Our thanks to so many Melbourne shooters who supported us, and to the ladies for luncheon.

YASS (N.S.W.), 13/2/65.—Weather conditions: hot, bright and clear, S.E. breeze. Attendance: 20. Results: No. 1, 5-bird D.B. Pts.: 9 div., 15/15 pts. No. 2, 5-bird D.B. Sparrows: 6 div., 5/5. No. 3, 12-bird D.B. Accum. Sweep: 3 div., R. Frost, A. Southwell, R. Connell, 12/12—shoot-off for leg-in won by R. Frost, 17/17. No. 4, £25 Open H'cap (20-bird D.B.): A. Sheather (June), 20/20. No. 5, 1st 10 Op. Sweep: 5 div. No. 6, 2nd 10 Op. Sweep: 5 div. No. 7, 5 prs. D. Rise: "A" Grade, T. Frost, 10/10; "B" Grade, R. Connell, R. Smith.

This was the second of our quarterly shoots, including a £25/0/0 Open H'cap as the principal event. Alan Sheather of Junee was outright winner on 20/20, with literally dozens of runners-up with 19/20. A very enjoyable shoot, but bush-fire danger and holidays kept quite a few away.

Prize money on all the other events was well split up among the shooters. The Special Accumulative S'takes was again won by Rod Frost after a shoot-off against A. Southwell and Robert Connell. This gives Rod two legs-in, having won the first Acc. Sweep.

# NOW! IN PLASTIC!

**Western XPERT MARK 5 PLASTIC SHELLS** give you up to 10% better, tighter patterns . . . up to 10% shorter shot string.

**Prove it!**

MARK 5, Western's great new ammunition development, gives you longer shots and better patterns than any other target shell in the world. MARK 5's unique polyethylene collar wrapped around the shot means no barrel leading or tube wash. Plastic cases will not scuff or swell . . . no power loss due to dampness or age. Jam-free extraction. Feeds faster — chambers faster.

**BEST OF ALL . . . THEY GIVE YOU GREATER RANGE AND TIGHTER PATTERNS.**
