Newton Thomas, one of Australia's best known trap shooters says, "No matter what type or grade of gun you use, it's what's in the gun that counts".
And Newton should know, being winner of over 200 championships and having broken 544 consecutive clay targets in open competition. That's why he, along with all discerning shooters chooses new I.C.I. "Target" cartridges for clay target shooting.
Specifically developed for Australian trap and skeet shooting, I.C.I. "Target" features hot primers, clean burning powder, hard even shot, gives dense patterns with consistent velocities, all with a low recoil factor.
Like Newton Thomas, treat yourself to I.C.I. "Target" and use the best.

Mr. J. M. Tyquin,
Federal President,
Australian Clay Target Association,
965 Botany Road, MASCOT, N.S.W.

Dear Mr. Tyquin,

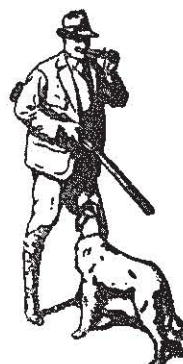

I refer again to your letter of 29th November, 1965, concerning the question of amending the Police Offences Act to permit registered Gun Clubs to carry on their sport on Sundays.

The necessary amendment, viz., the Police Offences (Amendment) Act, 1965, was assented to on 17th December, 1965. The amendment authorises the making of Orders by the Governor exempting certain persons or classes of persons from the provisions of section 19 of the Act which prohibit the use and carrying of firearms on Sundays.

I now have pleasure in informing you that His Excellency the Governor, with the advice of the Executive Council, has been pleased to make an Order exempting members of Clay Target Trap Shooting Clubs which are members of or which include persons who are members of the Australian Clay Target Association from the provisions of the said section when travelling to, from or attending a shoot under the regulations of that Association. Notification of the making of the Order will be published in the Government Gazette on Friday, 4th March, 1966.

Yours faithfully,
E. A. WILLIS,
Chief Secretary.

OUT OF THE PAST

Twenty-five Years Ago

Of interest in the metropolitan area during April, 1941, was the performances of several new-comers to the sport of trapshooting as well as Sheridan, now of Robe, S.A., and a back-marker, was under notice about this time with a win in a silent-rise competition and other placings. Sheridan was described at the time as being a shooter of "only a few months' experience". Another young marksman under notice was John Roberts, described "as a Caulfield school-boy", who cut an event with A. F. Burns. Roberts later gained a place as a member of the Australian International Team a few years later. Gavin Daniels, son of George Daniels of Narre-Warren (V.), gained a front-marker trophy in a classy field. Only Peter Sheridan, of those mentioned, now shoots in competition.

W. R. Johns won the Camberwell Club's 1941 Double-barrel Champion-

ship, after a tie shoot, from A. W. Hall and Geoff. Mason. It is worthy of mention that in this particular programme Johns is now Secretary at Camberwell and still one of the best shots in the Commonwealth.

Dick Frean, now of Arcadia in Victoria's Goulburn Valley, shooting for the first time at a Nobel fixture about this period, won a front-marker trophy.

The late Lew Bertram, the late J. R. Schutt, with Geoff Rutledge, cut a Nobel event, as also did the late Harry Ball and Jack Robinson.

At the now extinct Victorian Ladies' Club fixture a five birder was won by Miss C. Olholm 7/9 from Miss Mattingley 6/9. Mrs. Nicholls won another five birder after a tie, 4/6.

Competition shooting at this stage was on the decline due to the seriousness of war activities and shoots were not as regular as previously.

Fifteen Years Ago

Gary Daly, President of the Deniliquin Gun Club, shooting brilliantly at the A.C.T.A. Championships fixture of 1951, won a 30 birder, shooting 37 straight to win the event from W. MacCubbin (Traralgon) 36/37, Max Bale of Bothwell (Tasmania) 34/35, Les. Turner (of Evans & Balfour) 32/35, T. R. Brown (V.) 31/33, E. McCleary (Ouyen, V.) 30/32. The 1/14 yarder trophy went to D. McDonald (Catani, V.) 28/31, and the 12 yarder award to John Duchatel of Griffith (N.S.W.) 28/29.

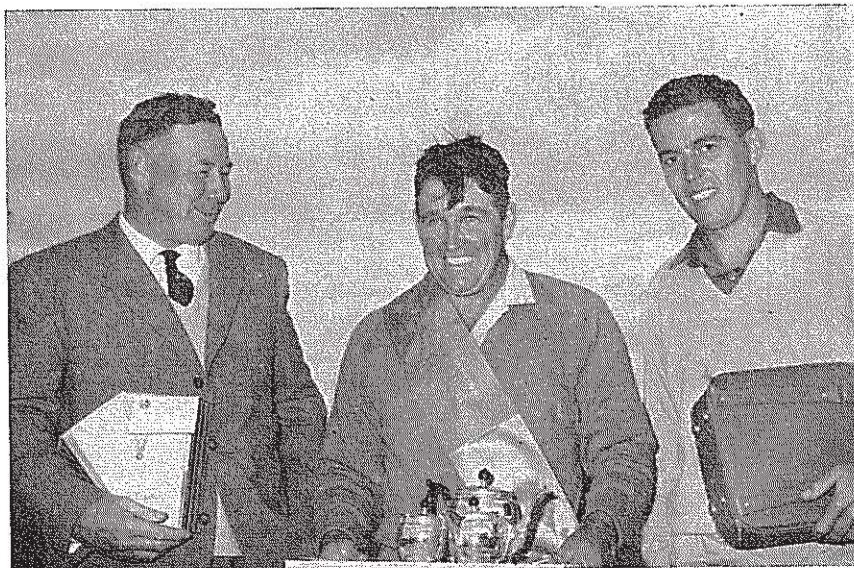

W. A. Commons of Broken Hill, N.S.W., now residing in a suburb of

Adelaide, won the Grand Australian Handicap of 1951.

Commons, later shooting at a Coburg fixture about this period, was runner-up to J. Bryant in a club handicap.

Lou Bourbaud, who has long held the office of President of the Sale Club, in Victoria's Gippsland district, won a £50 Handicap staged by the A.C.T.A. about this time.

Allan Quinton of Echuca won a 20 birder at Coburg, 19/20, from Charlie Cornish 18/20 and W. R. Johns 20/23.

MT. GAMBIER GUN CLUB, Winners of 1966 Commonwealth Mixed Sparrow Championship.
1st—K. Dobson (Echuca), 25/25. 2nd—J. N. Thomas (I.C.I., Melbourne), 21/25.
3rd—C. Heath (Balrnsdale), 27/35.

In this photograph are all the competitors in the FAITHFULL TROPHY EVENT which was held at the New South Wales Gun Club on 27th November, 1965. The first prize, a Remington Arms Model 1100 Automatic Shotgun, won by Robert Holcombe, was presented to him by Mr. W. D. Viano, the Bridgeport, U.S.A., Manager of Remington Arms.

Ten Years Ago

Alexandra (S.A.) — Bob Mules 110/110, had to shoot another 90 targets to outlast Joe Woodrow 109/110 and Archie Commons 84/85 for the Lakes District D.B. Championship.

Echuca (V.) — George Bradley of Kotta (off 12 yards) really showed the veterans the way out at our first night shoot for the year by taking the D.B. trophy 15/15, and cut most of the sweeps.

Tweed Heads (N.S.W.) — The 20-bird D.B. was the highlight, with Bob Counter winning a marathon shoot-off 58/58 from Bob Capel 57/58 and Paul Ebbott 48/49. The 20-bird S.B. went to G. Martin (Southport) from an ambassador from the west, Arthur Coutts (Northam, W.A.) and R. Hogarth.

Tyabb (V.) raised £60 clear for the Boy Scouts.

the shotgun everybody is talking about Remington Model 1100 automatic 12 gauge

(Model 1100-TB-Trap Gun also available)

The Remington Model 1100 is the finest automatic shotgun ever made. Comparative tests prove it rates first in durability & overall performance & first in shooting comfort.

Here are the facts:

Up to seven times longer shooting life. The action of the model 1100 is stronger. Key parts have been "beefed up" and others have been highly polished to reduce wear. Finally, the areas of greatest impact have been given special buffering cushions. The new metal finish is extremely rust-resistant. And the rich American walnut stock is protected by a specially developed RKW wood finish — toughest ever put on a gun! Gives up to 40% less "kick" than any

other automatic — and up to 55% less than any other shotgun action. What does it? A completely new system of gas operation. All the power is still there, but you feel it far, far less.

Outstanding performance. A Model 1100 holds five shots, handles all 2½-inch loads without adjustment, goes 5,000 rounds without a cleaning.

This superb balance and swing of a Model 1100, and the beautiful fleur-de-lis checkering, and delicate scroll-work can best be appreciated with the 1100 resting comfortably against your shoulder. Plain and vent rib barrels; all standard chokes and barrel lengths. Field, trap, skeet and magnum models are available.

MODEL 1100 TB — Trap Gun
SPECIFICATIONS: Better grade wood, rubber recoil pad. Special stock dimensions: 14½" long including recoil pad, 1½" drop at heel, 1½" drop at comb. Weight: about 8½ lbs. Available in 28" and 30" full choke ventilated rib barrels only. Ivory bead front sight, white metal rear sight. Also available 1100 SA Skeet Model with 26" barrel.

YOUTH'S SUCCESS

One person who can certainly vouch that Mount Gambier is an ideal spot to spend a rewarding holiday is 16-year-old John Byrnes, of Bolivar, an outer suburb of Adelaide.

On Sunday, 30th January, John, who has been shooting for only six months, won a current model sedan car valued at over £1,800 at the Mount Gambier Gun Club three-day meeting, defeating experienced shooters from all States of Australia, New Zealand and New Guinea in the South Australian Handicap.

After five shooters had tied with 30 possibles, John went on to record a further 12 consecutive "birds" in the shoot-off and take the event.

The previous day, John had divided prize money in two events and, had he not won the car, would still have left the three-day meeting £27 ahead after paying for nomination fees and ammunition.

Not Confident

He said that it had never occurred to him he could win the car.

"I would have been quite happy to divide the money five ways at 30," he said.

However, under the rules of the meeting the event had to be shot to finality if requested by one of the finalists. In a secret ballot one of them did so — "and it certainly wasn't me," John said.

A remarkable feature of his win was that he had never won a shooting event outright before; not even a club event. Also, after his success the previous day he was shooting from 16 yards, a yard behind his usual handicap.

A member of the South Australian Gun Club, based in Adelaide, John developed his shooting at an early age, firing at tin cans with a slug gun on his parents' property.

Grandfather's Gun

The gun he uses at present actually belongs to his grandfather, and John hopes to get it for his 17th birthday at the end of this year.

Gun Gossip

THE LJUTIC TRAP GUN

From an American correspondent, I have received a magazine article giving particulars of a new trap gun, little known here, but which seems to have caused a stir among the top-flight trapshooters over there. It is the production of a small gunsmith, working on his own account, named Ljutic, and pronounced Lootik. He is of Slovenian origin.

The gun, called the Ljutic Monogun, is a single-shot, drop-down gun with a kind of back-work body-action, incorporating a percussion system, not described, notable for a particularly short lock-time. The gun has an under-lever, and the sight-line is continued from behind the standing breech, right under the shooter's eye. There is a free-floating, ventilated rib along the full length of the 34" barrel. The gun, which is functional rather than beautiful in appearance, is stocked on conventional lines, and is free from any meretricious adornment.

Tight shooting

The features of the gun's performance that have brought it into prominence are its alleged capacity to throw a 99 per cent. pattern into the 30" circle at 40 yards, and its freedom from any tendency to "drift out of true" when hot. In other words, it is claimed that the mean point of impact of the charge centre remains constant in relation to the line of sight. This, by inference, is not so with ordinary guns.

These features would, of course, make a special appeal to those shooters whose adoption of the Ljutic gun have provided it with its chief publicity—men who regularly shoot from the 27-yard handicap mark, such as G. Barnhart, who, I believe, made the top score at the 1964 Grand American tournament, and who claims an average singles score of 99.28 per cent. against registered targets during 1963. Another Ljutic shooter is D.

Orlich, who has broken 100 straight from the 27-yard mark, and no less than 1,300 from 16 yards—claimed to be a record. Orlich was number two at the Grand American last year.

Men such as these constitute an "elite" market in trapshooting gear, and must obviously have the best, wherever it is to be found. Their adoption of the Ljutic gun adds much point to the question as to what are its secrets.

No mystery

Ljutic himself is reported as being insistent that there is no mystery about it. "There is no secret choke," he says; but he attaches the highest importance to the perfection of the gun's machining, in the shaping of the bore, and more particularly in the uniform thickness of the barrel wall. If, indeed, the gun has any unique quality, it is probably in this last detail that it is to be found. Ljutic alleges that in ordinary guns, barrel

wall thickness frequently varies by as much as 8/1000 of an inch, whereas he sets himself a limit of 2/1000. In short, bearing in mind that the ventilated rib is a free-floater, it can be said that the Ljutic barrel is symmetrical about its axis, which would certainly enable it to expand and contract without warping out of true, as it heats and cools in the course of shooting.

As for the substance of the barrel, Ljutic makes no secret of the fact that his barrels start in life as solid-drawn steel tubing, as made for aircraft. Not an auspicious beginning, one would say, since solid-drawn tubes, according to my understanding, have long since been frowned on as a cheap expedient in the gun trade. But Ljutic attaches great importance to being able to start off with close tolerances on the outside and inside diameters, and, presumably, on the permitted eccentricity. He also sets a high value on the internal structure of solid-drawn steel, and claims a stiffer barrel in consequence.

Theory and experiment

If any ordinary trap-shooting gun—single, over-and-under or pump—had its barrel/s and appurtenant metal-work heated to a uniform degree throughout, there would be no distortion of the barrel axis. But if there were some rigid attachment which did not participate in the general heating, such as a non-floating rib, or a magazine, or the second barrel of an o/u gun—or even if the opposite sides of a single barrel were heated unequally—it would undergo a bending. This last is what would happen in the course of shooting, if an otherwise unencumbered barrel were thinner-walled on one side than on the other.

It is easy to observe this distortion experimentally. Stretch a horizontal cord across an open window, and arrange a gun barrel on rests, pointing at the cord. With a little adjustment, and selection of viewpoint, it will be found that the reflection of the cord in the bore can be made to

appear (if the barrel is straight!) as two continuous, straight, converging lines. It will be convenient to fix this viewpoint by means of a rough peep-sight. Now, if a night-light or candle or little spirit lamp be applied to the underside of the barrel, the two converging lines inside the bore will reveal an immediate distortion by becoming bowed. I need hardly say that no source of heat, in any way likely to melt the soft solder of a double gun rib, should be left for long in contact with the barrel—the effect is striking enough without that.

Speculation

Ljutic guns are not only costly at \$1,500—they are scarce. The output is of necessity limited to what can be produced by Ljutic himself, or at least, by personal craftsmanship. The output is currently stated to be 25 guns a year, and the waiting list to be very long. In these circumstances, if I were a front-rank trap-shooter,

I think I should be inclined to experiment. I should, perhaps, take a fully choked, 32" barrelled, Greener, Martini-action gun, and re-stock it with a one-piece stock, giving a free-floating barrel and the kind of fore-end I fancied. I should have it fitted with a floating, ventilated rib on longitudinal vees; and I should have the barrel hand-filed externally, as might be necessary to ensure uniformity of wall, to at least the 2/1000" tolerance laid down by Mr. Ljutic. I should get a skilled barrel regulator to elongate the cones or otherwise work up the pattern density to the highest value; and I should have the trigger of this fast-acting lock adjusted to my liking.

Should I then have a gun superlatively capable of "holding its pattern" and a passable imitation of the Ljutic Monogun? I do not know, but I might.

ALBANY (W.A.), 31/1/66. — The Albany Gun Club's first ever District Championship was conducted under ideal conditions for shooting, and 32 shooters took part.

The fresh sea breeze kept the temperature at a pleasant level and at the same time caused a few birds to do the unexpected.

Bob Holcombe of N.S.W. Gun Club took off the honours for the morning round and will have a memento of his visit to Albany in the form of a sash to take back to his N.S.W. home. Scotty Gibson, as usual, shot consistently all day to finish up High Gun for the complete programme, with Bob Holcombe a close runner-up. Scotty took out the afternoon round to win the King George Sound H'cap from B. Randall.

At the conclusion of the programme trophies were presented. As usual, the ladies did a fine job, and to them we owe our thanks.

ALEXANDRA (V.), 11/2/66 (Night shoot). Weather: perfect. Attendance: fair. No. 1, 5-bird D.B. (comp. div.): N. Stace, I. Cumming, 5/5; G. Ward, K. Hedger, Jeff Boote. No. 2, 10-bird D.B. Trophy: Three possibles only, those being W. Sheridan, J. Boote and G. Ward. The shoot-off resulted in Jeff Boote taking first place, 17/17; W. Sheridan took second place, 16/17, and G. Ward, a very promising young shooter, finished third, 13/14. A special Novice event was conducted, and received a field of four, outright winner being Norm Stace, 10/10; Don Payne, shooting for the first time over traps, recorded 8/10. Chas. Barnham and Arch Shoesmith were the other new-comers to contest the event and shoot well, but without that little bit of luck. No. 3, the last of the night, 10-bird Pts.: 2 possibles, W. Sheridan, K. Hedger, 30/30.

The club committee would like to express their appreciation to the two donors of the trophies for the night's events, also to those who helped referee and scorers. Our women folk, for their wonderful effort in the supper room, are entitled to our sincere appreciation.

Weather conditions were very good. After many years of drought, recent good rains have changed the look of the countryside and brought us more than a fair share of flies. Although the attendance was only nine, a good day's shooting was enjoyed by all. Bert Sutton shot well and dropped only one bird, and was High Gun on the day.

Thanks to the ladies for providing afternoon tea.

the title from Ian in the shoot-off, and it was not until Ian had 95 possibles to his credit that he had it won.

Arthur Griffiths was another visitor to shoot well, and shared in both the sweepstakes and the afternoon high-gun.

Improved shooters Alan Kemp and Campbell Brodribb emerged as the winners in the D.B. event, and Bruce Mackey had an outright win in the double-rise.

This month we welcome two new members, Les Tapper and Paul Vitko. The club also says "Many thanks" to Mary Evans for making the lamp shade, and to Alf Thurlow for the dinner mats. Both were very nice and much appreciated.

BROKEN HILL (N.S.W.), 13/2/66—Weather conditions: wet. Attendance: 25. Results: No. 1, 10 birds: L. Campbell, L. Pitcher, G. Gleeson, B. Commons, R. Wakefield, P. Fioretti, C. Johnston, W. Maddocks, J. Elston, H. McLeod, R. Warren, H. Mellowship, P. Harvey, G. Hoskins. No. 2, 10 birds: P. Harvey, B. Murphy, A. Commons, R. Wakefield, A. Pearson, W. Maddocks, A. Langsford, N. Drumgold, H. Mellowship, C. Johnston, E. Robertson, E. Owen. No. 3, M/O.: L. Dunn, P. Fioretti, D. Heard. No. 4, 5 birds: R. Warren, E. Robertson, N. Drumgold, G. Gleeson, G. Hoskins, J. Elston, R. Lehman, W. Maddocks, E. Owens, C. Johnston, W. McKean. No. 5, 15-bird Trophy: 2 possibles, 1st, D. Heard, 16/16; 2nd, A. Commons, 15/16; 3rd, E. Robertson, 30/31; yardage, J. Elston, 26/28. No. 6, 10 birds (16 yds.): R. Wakefield, G. Gleeson, A. Pearson.

Although we had an excellent round-up of shooters to commence the year, we were not as fortunate with the weather. Drizzling rain and wind prevailed during the day and night, making conditions very unpleasant. There were only two possibles in the Club Trophy event, and we saw Dennis Heard prove superior to Arch Commons, the shoot-off lasting only one bird. Of more interest was the third placing, for which eight shooters lined up. We were fortunate to see some excellent shooting by Ted Robertson, who was able to shoot in front of some of the club's best shooters. Jim Elston remained on the trophy list and took out the yardage trophy.

Our thanks go again to the many visitors to whom we owe the success of the shoot. Also our ladies' catering left nothing to be desired, and to them we offer our thanks.

Visiting shooters from Maryborough, Gayndah, Munduberra and Eidswoold attended our first shoot for 1966. Ben Smith was certainly in top form and took the first prize in each event. Les Cairns (Maryborough), Jack Gray and Barry Thiele also shot very well.

It was very pleasing to see an attendance of 17 for our regular monthly shoot. Some country shooters were unable to attend due to district roads being untrafficable due to recent rains.

Congratulations to shooters K. Green, Ian Stanger and Carl Pearce for doing so well. Regular shooter and great supporter of our club, Charlie Selke, was fortunate in winning one of the trophy events.

A cold wind made conditions unpleasant, especially for the night championship. Bert Martens was the only possible in this event. Congratulations to him on fine shooting. Jim Thompson and Jim Forsyth shot 19/20 and tossed for second place. David Thompson was the champion in a 5-bird Walk-up with the only 5/5. Jim Thompson won the High Gun with a score of 51/55.

COWRA (N.S.W.), 5/2/66.—Cowra Club was fortunate to have ideal weather for their first shoot of 1966. The first trophy was won by Fred Chudleigh of Cootamundra after a shoot-off with Don Middleton of Orange. The second trophy was won by Max Barr of Greenethorpe, with Jim Watts from Parkes in second place.

The main event of the night programme was won by Jeff Nash of Ganawindra from ever-green Doug. Heilman of Cowra.

Visitors were in attendance from many surrounding clubs. Their presence was certainly felt at this shoot, as all the trophies were won by these chaps. Come again, chaps, as the Cowra boys want their revenge.

CROYDON (V.), 7/2/66.—Weather: fine. Attendance: 26. No. 1, Yarra Valley Dist. D.B. Night C'ship: 1st, T. Morris, 32/32; 2nd, C. Daish, 31/32; 3rd, W. Henwood, 25/26; 12/14 yds., K. Rise: 1st, M. Miller, 9/10; 2nd and 3rd, div. Bill Dalzell, Bob Wilson, 8/10.

A small attendance of 26 shooters allowed for three events to be conducted. The first, the Yarra Valley Dist. D.B. Night C'ship, was won in fine style by Tom Morris from Clarrie Daish second and Bill Henwood third. Keith McKay, 12/14 yds., and Cyril Fankhauser, 16/18 yds., both proved popular winners. No. 2 was a 10-bird D.B. H'cap, div. Mick Miller, Kevin Bowtell, Ray Dinsdale, Tom Morris, Bob Wilson, Robert Buchan, E. Colautti, 10/10. No. 3, 5 pair D. Rise: This event was won by Mick Miller, 9/10—a fine effort under the lights. Congratulations, Mick, and as a follow-up to your championship win last Saturday, should give you confidence to knock off a few more in the near future.

Congratulations to all winners and place-getters, and our thanks again to the ladies' committee for their efforts with the supper.

Congratulations to the winners and place-getters, and a vote of thanks to the Lilydale Gun Club, who made their ground available for our shoot today because our own ground was required for the local Show. Thanks also to the committeemen of Lilydale Club, who assisted in making our shoot on their ground a success.

bird in the shoot-off to allow Bob the easiest of wins. Congratulations to all place-getters, most of whom were cleaning the barrels out for the opening on Saturday, 19/2/66.

26/2/66. — Weather: fine. Attendance: 50. No. 1, State Intermediate D.B. C'ship: 1st, M. Miller, 21/21; 2nd, S. Singleton, 20/21; 3rd, M. Talbot, 19/20; 12/14 yds., V. Natoli, 22/22. No. 2, Club Back-markers' C'ship: 1st, D. McCraith, 35/35; 2nd, R. Buchan, 34/35; 3rd, J. Middleton, 27/28. No. 3, 15-bird D.B. H'cap: D. McCraith, W. Henwood, J. Gooley, A. Beveridge, 15/15, div.

Ideal conditions prevailed for the State Inter. D.B. C'ship and the Club Back-markers' C'ship shot in conjunction. Twenty-three inter. shooters lined up for this event, but only two, Mick Miller and Syd Singleton, were not affected by the fact that it was a State title, and went on to shoot the possible 20/20. But they both became "toey" in the shoot-off, Mick needing his second barrel to break his first bird, and then Syd missing his completely, to leave Mick a very elated winner of a State title. Congratulations, Mick, on your win, also to Syd for his second placing, and to Murray Talbot for his third placing, after being unfortunate enough to drop his last bird to finish with 19/20, with Vic Natoli winning the 12/14 yd. trophy with 22/22.

The back-markers were also keyed up today and only a handful could manage the possible, with Don McCraith, 35/35, outlasting Robert Buchan, 34/35, to win the sash, and Dr. John Middleton, with 27/28, was a creditable third. A 15-bird D.B. H'cap followed, and Don McCraith, W. "Bill" Henwood, John Gooley

and Alec Beveridge, with 15/15, decided to divide the "kitty" so that the boys could indulge in a few off the fence.

(G. Lear, Hon. Sec.)

DARWIN (N.T.), 13/2/66.—Weather conditions: overcast, wind squalls. Attendance: 15 shooters. Results: No. 1, 5-bird D.B. H'cap: F. Celenza, J. W. Philpott, 5/5; Smith, Wyatt, Viney, 4/5; Jessup, Risk, Schwarz, Kloubek, Brackin, 3/5; Charlton, Cavallaro, 2/5; Hayes, 1/5. No. 2, 20-bird D.B. H'cap: R. Viney, 19/20; Wyatt, Kloubek, 17/20; Celenza, Schwarz, 16/20; Jessup, Pearce, 15/20; J. W. Philpott, 13/20; Hayes, Brackin, Risk, 12/20; K. Smith, 11/20; M. Cavallaro, 10/20; K. Charlton, 9/20.

With lowering skies and a gusty wind, the day was not ideal and the left swingers were very difficult to bag—funny how they all seem to be left swingers under these conditions! Shooters had their ups and downs—Fred Celenza starting off very well, while F. B. "Mick" Risk and Leo Jessup just couldn't get on to them. Several guns also picked this off day to get cranky, too; however it's all practice for the State C'ship coming up soon.

Until recently thought we had an enthusiastic shooter (Gordon Worrall of Sindal), who regularly travels 220 miles to attend our shoots, but now we have J. F. Coulan, who will travel from Broome to show us how. He reckons it's closer than Perth!!

Had a visit from K. Burrow of Bathurst Club who dropped in for a few days—unfortunately between shoots. Told us something

GERALDTON (W.A.), 11/2/66.—The Geraldton Gun Club conducted a 20-bird D.B. Night event, under ideal conditions, and several good scores resulted. The trophy for first place went to Dick Burton, who, fresh after his shooting trip to South Aust., "killed" the possible 20/20. Second, and maintaining his current good form, was Lou Pember with a very good 19/20. Those on 18/20 were Jim Boyes, Eddie Daw and Vic Wann. Eddie Daw had some gun trouble and had to use a borrowed gun, otherwise another possible would have been put on the board, as he was shooting very well. Alec Wann, Eric Boschetti and

20/2/66 (Night).—On Sunday last, members of the Geraldton Gun Club participated in their fortnightly night shoot, conducting two events under ideal conditions. The first event, a 20-bird D.B., was won outright by Lou Pember with a possible 20/20, from Jim Boyes and Vic Wann, each with 19/20. Alec Wann recorded 18/20, whilst Dick Burton killed 17. Taffy White and Frank Bombara each shot well to score 16 each, with Bert Boschetti 15.

The second, and unusual, event consisted of 5 pairs Double-rise Sparrows, and most shooters found these 24-inch targets to be very elusive. Jim Boyes was top gun with 8/10, whilst Dick Burton took second placing after a shoot-off with Taffy White and Alec Wann, each scoring 6/10. Next best was Vic Wann with 4, and one very consistent shooter, who prefers to remain anonymous, killed 1 only!

President Bill Heath presented the sweepstake monies to the place-getters and rounded off a pleasant evening's shooting. The next night shoot will consist of a Deauville Doubles event, with drawn partners.

It was very pleasing to see so many visiting shooters turn up for our Feb. shoot. We put cartridges on for our first event, shot for them in yardage groups, and a number of shooters got a packet or more. Some good shooting from Harry Williamson, shooting through the entire programme without missing a bird; pity it wasn't for a car, Harry.

Must say thanks again to the ladies for afternoon tea.

A very good attendance of shooters for the monthly club shoot, and also the general meeting was held. The shooting was quite good, with only three events being contested. L. D'Aquino won his second club trophy in succession when he won the main event. C. Strike received the second trophy; he is shooting quite well and has only been shooting a few months. N. This was our best roll-up yet, despite the cold day, with shooters coming from Sydney, Coff's Harbour, Dorrigo, Boggabri, North Starr, Tamworth, Gunnedah, Narrabri, Walcha, Ballandean, Glen Innes, Gravesend, Armidale and Bingara, as well as a good roll-up of our own club members.

The new club house was officially opened by our A.C.T.A. President, Mr. Tyquin, and we are especially grateful to him for this.

Congratulations to the championship winners, and other successful shooters, and commiserations to those who made the competition so tough without quite making the grade.

Our special thanks to the ladies who did such a fine job on the morning and afternoon teas, lunch and barbecue.

WHY YOUR SCORE WILL IMPROVE WITH A..

BROAD RIB ^O/_U

Stirling Miroku

Every national title in New Zealand last year was won with a Broad Rib, and in Australia, the winner of most championships in 1965 used a Broad Rib. Now, more trap shooters are buying Broad Ribs than any other type, because:—

1. Broad Ribs give you a level and longer sighting plane for easier, surer alignment.
2. The channel in the rib gives you clearer vertical perception.
3. The extra width gives you a keener sense of elevation, which stops you missing the occasional straight away.
4. Miraging is eliminated — the major cause of lost birds in long shoot-offs.

5. The forward balance of a Broad Rib keeps you swinging, eliminates the gun stopping — the cause of many lost birds.

6. The clearer sighting definition permits you to measure your targets, to shoot deliberately, to point them out as is done by most U.S.A. champions.

7. Suddenly you become a good second-barrel shot. If you lack a good second barrel, then a Broad Rib is going to treble your winnings.

In 1965 more shooters have bettered their scores with a 30" Broad Rib Stirling-Miroku than with any other gun. Hundreds of owners will tell you how well they perform — that they are free from the design defects that cause other makes to double discharge or misfire on the bottom barrel.

Talk to a Stirling-Miroku owner. He is proud of his gun, and will probably let you try it. Try a Broad Rib, and you'll realise that standard ribs, like side by sides, are out of date for clay targets. **ACT NOW.**

Miroku, Japan's largest, oldest and most respected gun maker, is now marketing their guns direct through the Fuller Firearms organisation. Never before have gun values been so sensational.

The performance of A. W. Heaton, in being the only one of the 27 competitors to chalk up the possible, was full of merit and richly deserved. The shoot-off for minor places finished up the real highlight of the night in Ray Carver tossing the local champ. into third place.

The President, Fred Reade, presented the trophies and congratulated Ron on his good shooting. H. Barnes and K. Lowry had a battle for 2nd and 3rd, H. Barnes winning from Ken Lowry.

26/2/66.—No. 1, 5-bird D.B. Pts. (Comp.): 6 div., D. Glover, D. Preston, F. Reade, W. Copeland, J. Walls, T. Boursiskus, 15/15. No. 2, Club D.B. C'ship: 1st, D. Glover, 110/110; 2nd, J. Walls, 109/110; 3rd, F. Reade, 105/106; 12/15 yds., J. Bruce, 18/20. No. 3, 10-bird D.B. (Comp.): 6 div., R. Hunter, K. Edmunds, R. Evans, W. Copeland, W. Attwood, J. Treble, 10/10.

Weather fine, good attendance. No. 1, 6 shooters div. No. 2, Club D.B. C'ship, went to Don Glover, 1st, with a score of 110/110 from Jim Walls, 2nd, 109/110, and our President, Fred Reade, 105/106, 3rd. It is the first time that a 100 birds straight has been shot on the grounds. Don and Jim have had a good many battles, but honours favour Don. Fred Reade is unlucky; he seems to get right up to the leaders, but fails in the last few birds. All agreed a wonderful shoot.

Our first shoot since the breaking of the drought, and attendance was not as good as usual. Winton shooter Dick Wright proved a tough proposition, taking away both the Rowly Peters Cup and the I.C.I. trophy.

Nine shooters at our second shoot of the year. Opening of the duck season and gale-force wind at times had an effect on the attendance. B. Smith was the only shooter to master the bad conditions, getting the possible in the first three events.

Due to the efforts of two of our members, the Haigh brothers, we now have a useful building to house our effects and use in wet weather. We are most grateful to them.

(G. H. Kemp, Hon. Sec.)

(R. Alister Walker, Hon. Sec.)

**KORUMBURRA (V.)**, 26/2/66. — Weather conditions: cool and cloudy. Attendance: 14. Results: No. 1, 10-bird Pts.: I. Wuchatsch, R. Lamb Snr., 29/30, div.; M. Kenny, B. Waite, 28/30, div. Best attendance on record. Glad to see many new faces. Tony Harrington, on his first shoot, scored 4/5. This was Tony's first try with a shotgun and we hope he will become a "regular". Ron Stinson's 5/5 for a first try over the trap was also very commendable.

Thanks go to our Range Officer, Bill Boulter, for his capable activities as referee and coach, also to Harry Dunstan and other members who made the shoot such a success. Our first major shoot will be for the I.C.I. trophy on Easter Monday.

Shepherd, D. Powell, D. Worrall, 30/30. No. 8, 10-bird D.B. (18 yds.): A. C. Culley, D. Mount, D. Worrall, 10/10.

The poorest attendance of club members for any regular shoot was, fortunately, bolstered by the visit of four Lakes End (Brisbane) men — good to have you providing us with some keen competition! The programme gave a 70-bird feast of shooting which was of a fair standard. The pendulum swung the way of the locals when "yours truly" was lucky enough to hold out against A. C. Culley, and third place was filled by Richard Powell, from Keith Dolby, 4th. But their revenge was gained when Brisbane challenged Lismore to a Double-rise contest, when the final scores were 37 and 38 respectively.

Although attendance was not up to standard, our ladies from Byron Bay, Disputed Plains and Coraki made sure the afternoon tea was as good as ever.

(D. S. Worrall, Hon. Sec.)

A really lovely day and a wonderful attendance. Our congratulations to Des and Ray Kimber for their very fine shooting of 70/70 D'ville Doubles. It was truly wonderful to see R. Janeczic take out the C. Maczkowiack Trophy with 76/78 points.

Thanks once again to our ladies for the lovely lunch and afternoon tea.

MENDOORAN (N.S.W.), 5/2/66. — Weather conditions: hot. Attendance: 10. Results: No. 1, 5-bird D.B.: div. R. Yeo, F. Hudspeth, D. Smith, G. Blackman, H. Blaauw. No. 2, 5-bird S.B.: G. Blackman. No. 3, 10-bird Pts. Trophy: 1st, D. Smith, 39/39; R. Marchant, 36/39. No. 4, 15-bird D.B. event (for rifle): 1st, J. Ellery, 28/28; R. Brown, 27/28. No. 5, 10-bird D.B.: div. R. Marchant, W. Leeson, M. Yeo.

This year the club decided to purchase two rifles, a .222 and a .22, to be competed for over the year, as we did last year for the tape recorder and electric shaver. The .222 is to be won three times in succession or the most times over the year, and the .22 is worked on a point-score system for the 12/15 yarders. John Ellery was the first to win this event for the year with 28/28 in a shoot-off with Russell Brown.

R. Marchant is continuing to shoot very well this year and won the High Gun trophy for the afternoon with 29/30. The 12/15 yard trophy went to J. Ellery.

Richardson, A. Bowering, J. Tubb, 11/12.

The Districts D.B. C'ship and the T.A.A. Air Fare (D'port to Sydney Return) was contested by most of Tasmania's top shooters. The biggest event of the day, the eighty-dollar Air Fare, was won by President Geoff Roberts. Geoff's shooting was excellent and his was the only possible in this event out of a field of 32. Nine shooters, having scored 19/20, lined up to decide the minor placings; result of this second placing to Eric Sharman, and third to Barry Wright of the Tas. G.C. F/M. trophy went to D. Perry. The north West Dist. D.B. C'ship was keenly contested. Allan Bowering, Ken Lowry, Bruce Filby scored 20/20. A shoot-off of a further 4 birds decided the placings; results of this was a win for Allan, 2nd to Ken and 3rd to Bruce. F/M. went to Selwyn Bott. This was Allan's second championship in a fortnight, and judging by his recent performance, he is now on top.

President welcomed Mr. Bellchambers from T.A.A. and thanked his company for the generous donation of Air Fare. Mr. Bellchambers presented the winner with the air fare. President presented the trophies and thanked visiting shooters for their support. Mrs. Roberts decorated the winner of championship with a sash. The ladies provided an excellent luncheon and afternoon tea. Thank you, ladies.

All States of Australia, New Zealand and New Guinea were represented over the three days. New Zealander, P. The night was cold and windy to start, but the wind was much more pleasant later in the evening. B. Haggett and C. Copping divided the first trophy, which was a case of shells donated by the President; five shooters divided third prize, 2 packets of shells.

We had a good crowd of shooters, with visitors from Adelaide and western districts of Victoria all here hoping to shoot a few ducks in the morning, and I can tell those shooters who would like to have shot on Bool Lagoon, the divide was one duck per man; there were very few birds around.

We must thank our ladies for providing a very delicious supper.

(L. J. Williams, Hon. Sec.)

NEWCASTLE (N.S.W.), 5/2/65. — Attendance: 25. No. 1, 10-bird H'cap: 1st, W. Collis, 10/10; 2nd and 3rd, div. T. Asquith, T. Holmes, J. Fryer, R. Davies, D. Hardes, 9/10. No. 2, Newcastle Dist. S.B. Congratulations to Tom Asquith in winning the Dist. S.B. C'ship under very adverse conditions.

(I. Clarke, Hon. Sec.)

NYAH (V.), 12/2/66. — Weather conditions: fine and mild. Attendance: 25. Results: No. 1, 5 birds: R. Peacock, A. James, C. Maddy, R. Canny, div. No. 2, 20-bird Mid-Murray Night S.B. C'ship: R. Dawson, 1st; A. Currie, 2nd; R. Peacock, 3rd; G. Moore, F/M. No. 3, 10-bird Trophy: R. Dawson, 1st; P. O'Loughlan, 2nd; H. Hillerman, 3rd; K. Sarre, F/M.

Number of shooters a bit light for the events, but conditions for shooting were excellent and a good night was enjoyed by all. Bob Dawson probably could not have missed a bird if he tried. However, there were a few others who couldn't hit a bird, no matter how hard they tried. Perhaps Bob will teach a few of us the "know how".

(R. J. Williams, Hon. Sec.)

PARKES (N.S.W.), 12/2/66. — Weather conditions: ideal. Attendance: 17. Results: No. 1, 5-bird D.B.: R. Ellison, H. Wright, G. Wilson, J. Watts, P. Quirk, G. Bradley, D. Stevenson, H. Frogley, cut. No. 2, 10-bird S.B. Trophy: 1st, H. Wright; 2nd, B. Wenban; F/M., P. Quirk. No. 3, 10-bird D.B.: div. R. Ellison, E. Field, H. Wright, P. Quirk, G. Wilson. No. 4, 15-bird D.B. Trophy: 1st, B. Wenban; 2nd, T. Powell; 3rd, L. Tobin; F/M., G. Wright. No. 5, 10-bird Walk-up: G. Wilson, B. Wenban. No. 6, 5-bird Night E.O.: div. J. Watts, T. Powell, B. Wenban, C. Bradley. No. 7, 10-bird D.B., 10-bird S.B. Trophy: 1st, C. Bradley; 2nd, B. Wenban; 3rd, J. Watts. No. 8, 10-bird D.B.: div. H. Wright, L. Tobin, C. Bradley.

Our first shoot since Christmas resulted in quite a lot of keen competition and most shooters seemed to be in good form. Bruce Wenban was the most consistent shooter at the meeting, scoring a first and two seconds in the three trophy events. Harry Wright and Cliff Bradley both shot well also to take out the other first placings. It was pleasing to see Geoff Wright, a new shooter, win the F/M. trophy at his first attempt — looks well for future shoots.

(Miss J. Wilson, Hon. Sec.)

PERTH (W.A.), Wed., 9/2/66. — Club Night C'ship (5-bird D.B., 5-bird S.B., 5-bird Walk-up, 5 pr. D. Rise). 25 shooters, including four visitors. Open C'ship was well won by Bruce Maley (normally a 13 yd. shooter) with 21/25. Wayne Shields, 19/25, took the Intermediate honours. Of the true back-markers, Doug. Cumming was the best, with 19/25.

Sun., 20/2/66. — The biggest attendance for many years for an I.C.I. Transcontinental H'cap — 55 shooters. From Darwin we had Gordon Worrall (still somewhat overwhelmed at becoming a father on the previous day); Wittenoom Gun Club was represented for the first time by Tony Martino (President) and L. Verini, whilst from the extreme south, Esperance, there were five shooters, including President Bob Schmitt. Eastern Goldfields sent good wishes and apologies for not being represented. All other W.A. clubs except two were well represented.

20-bird D.B. H'cap (16 yds. and forward): 1st, Brian Holtfreter, 20/20, 22/22; 2nd, David Secker, 20/20, 21/22 (shoot-off included Wally Dale, Wayne Shields and Keith Barker). 17 yds. and back: 1st, C. B. Wells, 20/20, 8/8; 2nd, Tim Catling, 20/20, 7/8; Tony Yozzi also in shoot-off. 40-bird D.B. I.C.I. Transcontinental H'cap: 1st, Brian Holtfreter, 40/40, after shoot-off with S. Gibson. Cash H'cap Section: 1st, S. Gibson; 2nd, R. Schmitt; 3rd, B. Holtfreter; equal 4th, T. Catling, R. Bailey, E. Fuller, 39/40.

Harold Hart (representing I.C.I.) presented Brian Holtfreter with his prize and expressed good wishes of all to Brian in his trip to the forthcoming National Championships.

President John Webster complimented shooters on the good scores which had been attained throughout the day. Special thanks were given to the ladies for the excellent afternoon tea. The day concluded with the club providing refreshments.

(J. G. Spark, Sec.)

**S.Y.P.G.C. (Minlaton, S.A.), 20/2/66.** — Weather conditions: fine day, with gusty winds. Attendance: 23. Results: No. 1, 5-bird D.B.: 10 div., J. Schwarz, R. Edwards, P. Quize, H. Commons, E. Commons, D. Hayes, L. Starkey, W. Bowman, K. McNab, F. Longbottom. No. 2, 15 clays S.B., 15 sparrows D.B. (Winchester Trophy): 1st, J. Schwarz, 27/30; 2nd, E. Commons, 37/41; 3rd, G. Filmer, 36/41; 4th, A. Wright, 32/37.

Considering the changing wind with sudden gusts, and the results of this on clays, the shooting over the day was good, and our hearty congratulations go to John for his win. With a shoot-off for the minor places taking only 11 clays, we all had the opportunity to get home early.

As always, our thanks to the many helpers around the club, especially the cooks for our barbecue lunch and tea. It was especially nice to see new faces from the "big smoke" and we hope that they will come again.

(David R. Hayes, Hon. Sec.)

**SOUTHERN (S.A.), 12/2/66.** — Weather conditions: fine and warm. Attendance: 28. Results: No. 1, 10 clays D.B.: div. A. Tonkin, H. Semaschko, R. Winning, F. Grey, R. Rossiter, L. T. Freeman, 10/10. Grey, 15/15; 3rd, div. E. Kleinig, A. Higgins, A. Ralston, 13/15.

The weather being favourable, the attendance was more than expected — being a Saturday. Congratulations to our President, Bob Rossiter, for winning his first major trophy; he has always been around the mark, but could not win the shoots-off. It was a disappointment that he could not gain more than 46 towards a 50 badge, but better luck next time. Congratulations also to D. Brown and I. Campbell for being the runners-up, and also to Jim Sheridan and Fred Grey, who only came good in the last event. Thanking all for their help and participation.

SWAN HILL (V.), 30/10/65.—Weather conditions: very windy. Attendance: 60. Results: No. 1, 10 birds: A. James, C. Maddy, W. Hoath, L. Coombs, D. Mertz, J. Maddy, F. Bradley, N. Doncon. No. 2, City of S/H. D.B. Day C'ship: 1st, A. Currie; 2nd, K. Hildebrand; 3rd, N. Doncon. No. 3, City of S/H. Inter. D.B. Day C'ship: 1st, A. Currie; 2nd, R. Canny. No. 4, \$250 H'cap: 1st, R. Boulton; 2nd, F. Bradley; 3rd, L. Toose. No. 5, City of S/H. S.B. Night C'ship: 1st, F. James; 2nd, D. Hammond; 3rd, C. Radcliff. No. 6, City of S/H. Inter. S.B. Night C'ship: 1st, A. Gourley; 2nd, J. Beer.

This was a very difficult day for shooting — very hot, with a very strong wind blowing up plenty of dust. Allan Currie shot very well to win the open D.B. and the Inter. C'ship. Roger Boulton showed he was a shooter to be reckoned with in the future, with his wonderful shooting in the handicap event.

Frank James of the Kerang Club took out the Night S.B. C'ship, with A. Gourley taking the honours in the Intermediate S.B. C'ship. (K. R. Beasy, Hon. Sec.)

TASMANIAN (Tas.), 12/2/66. — Weather conditions: excellent. Attendance: 22. Results: No. 1, 5-bird D.B. Pts.: div. G. Richardson, N. Thorne, J. R. Tubb, D. Perry, W. Williams, K. Joyce, H. Bowering, G. Roberts, 5/5. No. 2, Club D.B.: 1st, A. Bowering, 46/46; 2nd, G. Richardson, 45/46; 3rd, G. Johnston, 24/25; F/M., H. Bye, 16/17. No. 3, 20/- H'cap Sweep: div. B. Filby, G. Richardson, G. Roberts, G. Haywood, W. Williams, G. Johnston, 15/15. No. 4, Sweep: div. A. Bowering, G. Roberts, B. Filby, B. Wright, 10/10. No. 5, 5-bird Walk-up (squad system): div. B. Wright, 5/5; G. Pinner, G. Roberts, 4/5.

With a somewhat smaller crowd, we saw a delightful win to Alan Bowering of our club title. This was his first title and he shot splendidly to win it; also he collects 50 badge. Congrats., Alan.

(George J. Pinner, Hon. Sec.)

TULLAMORE (N.S.W.), 19/2/66. — Conditions: windy. Attendance: 30. Results: No. 1, 10-bird D.B. Pts.: 1st, L. Williams; 2nd, W. Corcoran; 3rd, P. Williams. No. 2, 15-bird D.B. H'cap: L. Williams, 15/15; W. Corcoran, P. Williams, F. J. Williams, P. Ferrari, 14/15. No. 3, 10-bird S.B. H'cap: div. W. Corcoran, L. Ryan, L. Williams.

We held a very successful opening shoot. The first shot to open the club was fired by our Patron, A. Stubbs. Weather conditions not the best. Cold, gusty wind made shooting difficult. A good attendance of shooters, with visitors from Dubbo, Condobolin and Parkes Clubs. Good shooting by L. Williams and W. Corcoran.

L. Williams, with 34/35, leads W. Corcoran, 33/35, for 1966 High Gun Trophy. P. Williams was the best of the front-markers.

(B. N. McAneney, Hon. Sec.)

TYRENDARRA (V.), 5/2/66. — Weather conditions: fine. Attendance: 23. Results: No. 1, 5-bird D.B. (C.D.): div. 8 shooters. No. 2, Portland West Coast D.B. C'ship: 1st, M. Hinneberg, 37/37; 2nd, A. McSweeney, 38/39; 3rd, M. Holloway, 37/39. No. 3, 20/- Sweep (10-bird D.B. H'cap): 8 shooters shot the possible, A. McSweeney, L. Reicha, R.

Millard, N. Stewart, M. Holloway, P. Pringle, K. Wait, D. Bull. P. Pringle and D. Bull, after 18 shots in the shoot-off, divided 1st and 2nd, R. Millard taking 3rd.

Tyrendarra Gun Club shot the Portland West Coast D.B. C'ship in fine weather, with only a mediocre attendance, 23 shooters coming from the Wimmera, the South East of South Australia, the Western District, and Bill Abbott from Werribee. A head wind made the clays hard to hit at times, hence the low scores considering the class of shooters in attendance.

N. Hinneberg of Horsham won the C'ship, 37/37, A. McSweeney and M. Holloway both missing the same bird and then shooting off for 2nd and 3rd, A. McSweeney winning from his club mate M. Holloway. R. Rundell collected the front-marker trophy. The club provided trophies to the value of £33 for the championship.

The 20/- sweep off handicaps was cut by P. Pringle and D. Bull after the shoot-off went to 18 birds, with R. Millard taking third money. One off the box finalised a good day.

As usual, the ladies provided a nice afternoon tea.

(Harold Smith, Sec.)

UNGARRA (S.A.), 6/2/66. — Weather conditions: light cross breeze. Results: No. 1, 5 birds: T. Stratford, J. Schramm, D. Fitzgerald, W. Simms, J. Goddard, Dean Eagle, W. Stratford, D. Smith, F. Calderwood, M. Cornwell, 5/5, div. No. 2, 20-bird D.B. W. Ekins Trophy (val. £5): D. Wiberley, 20/20; D. Smith, 31/29; J. Goddard, 30/29. No. 3, 5-bird D. Rise: T. Stratford, 1st; Des Eagle, 2nd; D. Fitzgerald, 3rd.

A successful shoot was held on Sunday, Feb. 6, at the club grounds on a very nice day, with a light cross breeze. The W. Ekins Trophy was won by Dr. D. J. Wiberley with a score of 20/20; congratulations, David. Twenty shooters were in attendance.

A barbecue tea was enjoyed after the shoot.

(W. R. Solly, Hon. Sec.)

VICTORIAN (V.), 23/2/66. — Weather conditions: windy night. Attendance: 38. Results: No. 1, 10-bird Pts.: 1st, G. Ash, 30/30; 2nd, div. E. Colautti, E. Godden, 28/30. No. 2, 20-bird D.B. H'cap: 1st, F. Apted, 24/24; 2nd, L. Coombs, 23/24; 3rd, J. Walls, 21/22; F/M., G. Surace, 22/23.

Windy conditions made shooting difficult, and Frank Apted proved his consistency by winning from Len Coombs and Jim Walls. New shooter G. Surace shot well to take front-markers', and was unlucky not to have been in the shoot-off.

Thanks to the ladies for the fine supper.

(J. Platten, Hon. Sec.)

WAGGA (V.), 5/2/66.—Weather conditions: fine. Attendance: 31. Results: No. 1, 5-bird D.B.: P. Umback, R. Blake, R. Podmore, W. Podmore, R. Bushby, B. Hall, S. Bell, 5/5, div. No. 2, 10-bird Pts.: B. Boxshall, 5/5, div. No. 3, John Graham, 29/30. No. 3, 15-bird D.B. H'cap: R. Podmore, 15/15; Jim Graham, B. Boxshall, 14/15. No. 4, Team Shoot: G. Craze, G. Finch, Jim Graham, B. Hall, R. Blake, 21/26. No. 5, Miss-out Trophy: B. Boxshall.

The Wagga Gun Club held a very successful night shoot, with 31 shooters participating.

Dick Podmore won the 15-bird D.B. Handicap Trophy event outright, and after a shoot-off to decide second and third, Jim Graham and B. Boxshall took the honours. G. Scheuner was also in the shoot-off, but was unsuccessful; however, he won the 12/14 yd. trophy. The Team shoot provided a lot of interest, and the Miss-out Trophy was won by B. Boxshall.

During the evening supper was served by the ladies, and a very pleasant evening was had by all.

(Mrs. J. Hall, Hon. Sec.)

**WARRNAMBOOL (V.), 11/2/66.**—Weather conditions: good. Attendance: 17. Results (Night): No. 1, 5-bird Pts.: div. S. Mitchell, W. Martin. No. 2, 20-bird Trophy: 1st, L. Henry; 2nd, G. Martin; 3rd, S. Mitchell.

**WERRIBEE (V.), 12/2/66.**—Weather conditions: mild and sunny. Attendance: 36. Results: No. 1, 5-bird Pts. Tower (C/D.): 1st, W. Hoath, 15/15; 2nd, S. Cations, D. Preston, W. R. Johns, T. Rosewarne, 14/15. No. 2, Club Tower C'ship: 1st, D. Preston, 28/28; 2nd, K. Laird, 27/28; 3rd, H. Barnes, 24/25; F/M., A. Illingworth, 16/20. No. 3, Tower Skeet (10 birds, C/D.): K. Laird, H. Barnes, T. Rosewarne, 8/10. No. 4, Tower Skeet (5 birds, C/D.): S. Cations, T. H. Powell, D. Preston, 5/5.

This shoot was originally planned as a social event to give club members practice for the opening of the duck season. With a fine afternoon and a good attendance, the shoot certainly lived up to expectations. A feature of the day was the number of local club members who participated in the prize list.

Darcy Preston showed that he is still master of the tower by winning the championship, although he was chased to 27/28 by Ken Laird, who was in very good form.

The innovation of tower skeet was an interesting change and enjoyed by all.

(Kevin P. Shanahan, Hon. Sec.)

Tarcoola Shield, shot for in conjunction with 15-bird Sweep, was won by Broken Hill No. 1 team, 74/75. No. 6, Miss-out: C. Emerson.

After a week of above-century heat we were fortunate to get a mild day for our February shoot, and all shooters and visitors enjoyed the day's sport. Visiting shooters from Melb., Broken Hill, Mildura, Pooncarie and Menindee attended to make it a very successful shoot. Congratulations to all winners and place-getters, also to both teams winning the Shields. The Wyarama No. 1 team was the winner of the Wyarama Gun Club Shield (R. Wakefield, W. Maddocks, R. Warren, R. Mace, M. Sims) with the very good score of 97/100 — good shooting, chaps. Broken Hill No. 1 team won the Tarcoola Shield with the excellent score of 74/75 (G. Hoskins, A. Pearson, D. Nicholls, D. Clay, B. Murphy) — congratulations, chaps.

We were very pleased to be able to welcome two visiting shooters from Melbourne, Don Nicholls and Doug. Clay. We enjoyed having you with us and we hope you enjoyed yourselves, too, and we hope you can visit us again. We would also like to thank all of our shooting friends from our neighbouring clubs that visited us to make our shoot successful.

A special congratulation to Ivan Wakefield for his win in the \$50 H'cap. Ivan also shot a 50 break badge and shot second in the D. Rise C'ship — very good shooting for a school boy. Also congratulations to S. Scherger for his double sash win in the D. Rise C'ship and, with the very good help of his partner, J. Wilkinson, in the Deauville Doubles C'ship; and second place in the H'cap. He also had the pleasure of presenting the ladies' trophy to Mrs. S. Maddocks, also again with the help of his Deauville partner to Mrs. Maddocks, who won both ladies' trophies.

Many thanks to all our very good supporters and helpers who donated trophies, etc., and helped with the very successful running of the shoot. A very special thanks to the ladies and their helpers for the very nice lunch and afternoon tea.
