The Editor's Notebook

A.C.T.A. 1967 NATIONAL CHAMPIONSHIPS and INTERNATIONAL MATCH will be conducted at the grounds of the Gold Coast Gun Club (formerly the South Coast Gun Club), Queensland, commencing at 8.00 a.m. daily over the five days, Saturday, June 10, until p.m. Wednesday, June 14, inclusive. The programme (which includes the Queen's Birthday holiday on the Monday) has been amended to avoid a carry-over of events and will progress as follows, with the provision that, subject to time permitting each day, a \$300 Cash Handicap event will be added. The first day, Saturday, will see the winner of the coveted Champion of Champions Cup (1966 winner was M. Burgess of Cobar, N.S.W.). On the second day, Sunday, the National Intermediate Championship (1966 winner, T. Holmes, N.S.W.) will be shot in conjunction with the National Double-Barrel Championship (1966 winner, V. Ryan, Vic.). The third day, Monday, will commence with the National Single-Barrel Championship (1966 winner, D. Glover, Vic.), followed by the National Double Rise Championship (1966 winner, W. Charlton, N.S.W.). On the fourth day, Tuesday, the 1967 Australia - New Zealand Championship shall be contested. A \$300 Handicap event is then scheduled to take place. For the fifth and final day, the Twenty-first International Teams' Match will be conducted (Australian Team to be the 30 highest aggregate scorers in the Aust.-N.Z. Championship and the Aust. Nat. S.B. and D.B. Championships — of which only the best 25

scores are to count. Final scores are to be withheld pending complete results from overseas). The last scheduled event is to be the Eighteenth Grand Australian \$550 Handicap. The High Gun Trophy will be a B2, Grade (d), Special Trap 2 model Under and Over shotgun, the broad-rib type with 30-inch barrels, donated annually since 1966 by the makers, Fabrique Nationale of Belgium and Gollin & Co. of Sydney (as agents for N.S.W., Q'land and S. Aust.), with the provision that it may be won only once by any shooter. This will be competed for over the programmed events numbered 1 to 7 inclusive.

If a shoot-off is necessary to determine the High Gun winner, then the shoot-off shall be shot under handicap conditions.

During the programme all New Zealand shooters will shoot two yards back from their New Zealand handicaps and **ALL SHOOTERS MUST SHOW CURRENT HANDICAP CARDS WHEN NOMINATING FOR EACH EVENT.**

The official photographer at the A.C.T.A. National shoots will be F. LANG of P.O. Box 40, TWEED HEADS, N.S.W.

Trophies will be presented daily from a dais after each event.

ACCOMMODATION — All requests should be directed as soon as possible to Dolby & Rankine (Accommodation) P/L, P.O. Box 64, Gold Coast Highway, Surfers Paradise, Queensland (Telephone: 9 2151).

Out of the Past

Ten Years Ago

PITTSWORTH (Qld.) — Our most successful shoot: 45 shooters from Brisbane, Boonah, Southport, Yan Yan, Warwick, Dalby, Kingaroy, Noogoolawah and Kilcoy. Conditions just right for clay shooting, although we were lucky to get the day in, as the rain started falling at the conclusion of the last event. Very pleasing to see a good roll-up of our local shooters, mostly novices, who would gain a lot of experience watching top-line shooters. Many thanks to everyone who came and made our shoot such a success.

COWRA (N.S.W.) — The Cowra Club opened its year under ideal weather conditions and some good shooting was witnessed by those present. It was pleasing to see George Pardey back in form, and if his run continues, he will be a hard man to beat in the near future. The main event, which was the Gavan Elliott Shield, was won by Dick Toshack after a shoot-off with Alf Campbell; both men were in good form, as they hadn't used their second barrel until Alf dropped his 30th bird. Best break, G. Pardey, 35 birds.

CAMBERWELL (V.) — Owing to many shooters being away for the holiday week-end, the attendance was small. Many thanks to A. J. Byers,

who looked after the secretarial duties so capably; also Joe Harle, J. Stevens and R. Smith, who looked after everything for the shooters; also the ladies with the fine "cuppa". Thank you.

TASMANIAN (Tas.) — Although the conditions were very gusty, some good shooting was witnessed during the afternoon. In the D.B. Championship E. Powell and N. Frith both shot 20/20, and E. S. Gibson, S. Marshall and R. Hortin, 19/20. The shoot-off resulted in the above score.

ALEXANDRA (S.A.) — We were glad to see B. Collins and Tookeri Gardner attending after recent illness. Visitors from Meningie, Malala, Adelaide and Mt. Barker, Fiddle Potts and Bill Jenkins both had their long-overdue draw in the prize money.

SOUTH WEST (W.A.) — Weather conditions: good. Results: No. 1, 10-bird D.B. D.T.L.: N. Wells, 29/30; J. Maslin, 28/30; 3rd, R. B. Yates, T. H. Turner, J. Garvey, R. Payne, 14/15.

Picnic Day, Club Opening for 1957. Ladies' event won by Mr. E. Hester Jun. Novice event won by Mr. Attwood. A pleasant day was nicely rounded off with a nice cold keg.

RANDOM SHOTS OF A ROVING SHOOTER

(These comments and observations do not necessarily reflect the opinions of the Executive Committee of the A.C.T.A.).

It augurs well for the 1967 International that it is being held at the Gold Coast Club, Southport (Qld.). This club's recent annual Carnival revealed five good traps, well placed for shooters and spectators, there being a clear view from the Club-house itself, while an intermediate grandstand about half-way down the tracks provides further comfort. A tree-populated "field" atmosphere about the place makes it seem natural to be shooting there. The whole layout is within a couple of miles of the happy, good-time towns of Southport and Surfer's Paradise, and the access road is easy. One feels sure that domestic and overseas visitors will enjoy their stay, whether their shooting form should happen to be in a state of delightful elevation or regrettable depression.

The Carnival itself was highly successful for the club, as well as being enjoyable for the shooters. The Committee and their helpers, often over-burdened but never flustered, were in complete command of the situation at all times; they deserve the fullest credit for the unselfish hours which they devoted to making it so.

President Andy Gordon was often to be found at the day's end, cheerfully engaged in the humble tasks of collecting empty bottles and glasses from the lawn-tables, or replenishing paper-rolls in the appropriate places.

The prodigious efforts of the Hogarth family was appreciated by all; Ray, probably the busiest club-captain in existence, and the dedicated secretary, who also happens to be his wife, Lee; son George, who undoubtedly reduced his chances of glory by applying himself unstintingly to the tasks of the shoot, and decorative daughters Clare and Carol, who, youth being as sensible as it is, must have preferred shooting a breaker to scoring shooters' breaks.

The family capped these works with a resounding party, enlivened by aquatic and other novelty events, which contributed to the Carnival's success.

The system of staggering the shooting days makes this a truly Carnival time. Although it occupies a period of nine days, shooting takes place on only five of them, plus two nights. This gives the Committee a chance to catch breath. It also prevents holidaying wives becoming shotgun widows for 5 days straight, and affords the weary shooter an opportunity to relax at less strenuous sports such as tennis, surfing, fishing, golf, water-skiing, ten-pin bowling and dodging motor cars.

The programme was highlighted by some sparkling shooting. Keith Cameron (Roma, Qld.) shot 174 straight, edging his old rival Doug. Smith (Gold Coast, Qld.) out of the Pacific Coast Double-barrel Championship by one bird. They were both hotly pursued by Bruce Mackey (Brisbane, Qld.), who shot flawlessly until a target escaped, undamaged but doubtlessly terrified. The last time these two cartridge-wasters met, Doug. had to string-up 300 straight to secure victory. That heroic tussle was staged on the same grounds — obviously they have no complaints about the traps.

The Teams Match was filled with interest and surprises, causing chaffing and chuckles, which after all is the main purpose of teams matches. Neil McGilp, feeling lonely without his Dalby (Qld.) mates, scrounged a team of unattached shooters of unknown quality and delightedly "did over" the whole field. If he is able to pick fast horses as unerringly as he can shooters, the race-course would provide him with an easy path to riches. Don Scowcroft had the reverse experience. Seeking to fill a gap in the Sydney team, he

approached a roving shooter, found him unattached and willing, and went off to round up the rest of the team, as happy as though he had shown good sense — for the rover crashed six points, and the team still finished but one point behind the winners. It was very sad.

As ladies on race-courses love to display their incomprehensible hats, so at this Carnival the men took a whirl at creating fashion headlines. Keith Cameron appeared, only briefly, we regret, in an enormous Mexican creation which, as well as protecting himself, provided shade for a small group of people around him. It strained at its moorings in the slightest breeze, but fortunately Keith is of a hefty physique and was able to remain aground. Fred Lang (Gold Coast) sported a crimson sombrero

which Annie Oakley would have bought on the spot, while a petite, high-crowned model in the Swiss tradition was worn by a shooter whose name escapes me. There were others with lesser claims to distinction but having solid worth as objects d'art — the pigmy type in felts or straws with such a faint attempt at a brim that it would have delighted Chief Rain-in-the-Face; the wide-brimmed, swashbuckling straws in the manner of the Southern Gentleman, and the beat-up Slouches, obviously straying from the rifle-range.

There are shoots which we all look forward to some day attending — Hay, Mt. Gambier, the International, Deniliquin. Add the Gold Coast Carnival to the list — you will not be disappointed.

—M. WILKINS.

ANCESTORS OF THE CLAY PIGEON

(With Acknowledgments to "Outdoor Life and Bill Depperman,
via C. Ollera of Guyra, N.S.W.)

Clay pigeons are not made of clay and do not resemble pigeons.

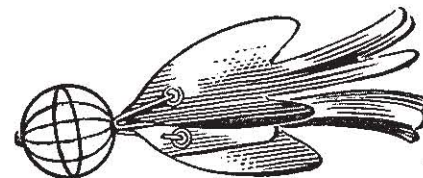

It will probably come as a surprise to the average shooter today that the first demonstration of the original "flying saucer" which sparked the modern clay target (and that's still not made of clay), was held at Coney Island, N.Y., in 1880 by its inventor. He was a Cincinnati trap shooter named George Ligowsky.

Ligowsky invented his clay pigeon as a substitute for a substitute. Ligowsky's clay bird was intended to replace the glass ball, which in turn had been invented to replace live pigeons in trap shooting. If you've forgotten, trap shooting gets its name from the once popular sport of shooting live pigeons as they were released from traps. The public outcry against shooting pigeons helped produce the glass balls. But glass balls weren't the only things the outcry produced.

Old-timers with good memories may remember some of the Rube Goldberg-like attempts that were made to imitate pigeons in flight. But few modern shooters have any conception of the weird procession of gadgets that began shortly after the Civil War and didn't end even after George Ligowsky invented the clay pigeon.

Depending upon how far back you want to go, the inspiration for trap shooting can be stretched back almost to earliest recorded history. Homer mentions "popinjay shooting" in the "Iliad". In this sport the Greeks shot arrows at a dove. During the Middle Ages this sport was also popular. Usually a popinjay was a stuffed parrot mounted atop a pole. When live birds were used, a cord kept the bird from flying away. The last public popinjay shoot with bow and arrow in England occurred in 1792.

There is some doubt as to whether shooting at live pigeons with a gun originated in this country or England. The earliest date this writer has encountered seems to place the origin of the sport in America. Apparently Cincinnati was one of the first places where trap shooting was organised. In 1831, about twenty years before the great slaughter of passenger pigeons really got under way, Cincinnati shooters not only used passenger pigeons in their traps, but also quail. Around 1900, English sparrows were used in the Middle West.

—The "Old Hats"—

Trap shooting was first practised in England even prior to about 1856 by "frequenters of low public houses". Then the Earl of Stamford took up the sport and made it respectable. The first fashionable pigeon club near London was given the name "Old Hats". Its name derives from the fact that old top hats were used to cover the holes in which the pigeons were kept prior to release when the hats were pulled off the holes. The use of old hats for trap covers was discarded rather soon, and innumerable devices were invented with sliding covers which could be opened with cords by an attendant behind the shooter.

The English used native pigeons and later imported Belgian pigeons and also used their own larks and sparrows. "Low characters" even hooded the birds to make them fly more slowly.

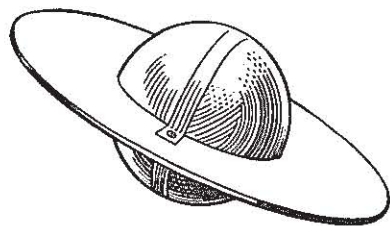

While there was a public clamour against shooting live pigeons over traps, substitutes for live birds seem to have been thought of even before criticism of bird shooting became vociferous. But once a successful substitute was perfected, live pigeon shooting was practically doomed.

Glass balls were the first substitutes for live birds. Charles Portlock of Boston, Mass., is credited with their invention in 1866, but it was not until many years later when such famed shots as Captain A. H. Bogardus, Dr. W. F. Carver, and others made long-run records with balls that glass balls received their biggest use. By that time clay pigeons which the English called "mud saucers" were beginning to fly.

Feathers and Fertilizer

Glass balls came in various sizes and colours. Some were corrugated, others sanded. Some burst into what looked like smoke when struck. Others emitted feathers or a flash of light. But all glass balls had one thing in common: they littered the shooting grounds with broken glass.

Balls made of resin were tried. These had to be brittle to break, and frequently they weren't brittle enough. Light pottery balls which it was claimed would dissolve after rains also came along. And a hopeful fellow brought out a ball made of what was advertised as a fertilizer.

It took the combined efforts of an Englishman and an American to figure out a scheme to attach one end of an elastic cord to a post and the other to a ball. You pulled the ball just about to the point where the cord would break. Then you let it go and shot at it. No fooling, this was patented in 1888.

Rubber balloons were also tried. They were fitted into a cardboard disc and looked like toy copies of the planet Saturn. Here the idea was to hit the balloon and deflate it.

The throwing device used for glass balls influenced the design of many of the targets. One novel "ball" was made of wire to which a paper bird was hooked. The paper birds cost a penny apiece and could be re-used if the pellet holes of prior hits were marked.

Then along came a "gyro trap" that shot a propeller-like target into the air. This device was popular for a time in this country, England, France, Belgium, and India. A variation was a "flying top" that had a propeller mounted in a hunk of clay.

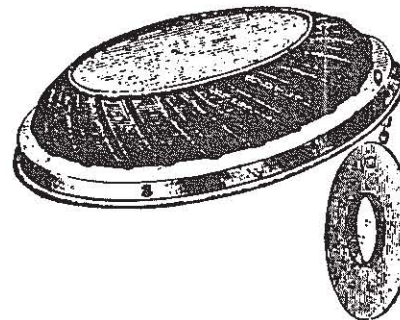

Another idea introduced after the clay pigeon was a kind of brass saucer filled with powdered charcoal which was supposed to explode into a cloud of black dust when a pasteboard that held it in place was shot out. Later, similar "birds" were filled with bran.

The "tin pigeon" didn't live long, either. It was shaped somewhat like a conventional clay target with a metal disc attached to it by a small chain. The disc was supposed to disengage from its position in the target and dangle on the chain when it was struck by a pellet. Trouble was that the disc didn't always disengage when struck or it disengaged as soon as it was thrown into the air.

E. E. Thresher of Aurora, Indiana, finally came on the market with what looked like the answer — to Mr. Thresher that is. He called it his "artificial live bird", and it was made of "high grade" steel in the shape of a wild pigeon. Like so many wonderfully good ideas, it took too much other equipment to make it work. Thresher's steel pigeon ran along a wire that passed around grooved trolley wheels operated by hand cranks that looked like two over-turned bicycles. One thing that can be said for this target: It was about the only one that looked like a pigeon.

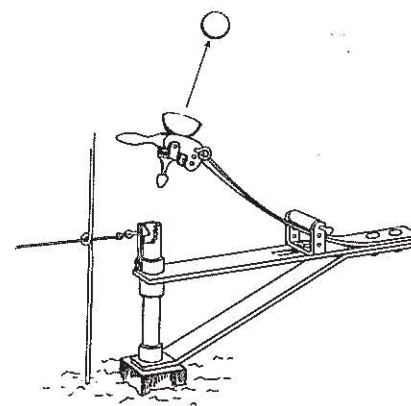

If you think the inventors had a hard life, think of the poor trap shooters who had to hit the targets.

George Ligowsky, inventor of the clay target, must have tried most of the peculiar gadgets that his contemporaries had dreamed up and figured that if someone didn't call a stop, trap shooters would all go hay-wire wondering whether their next target was going to erupt into smoke, feathers, or fertilizer.

According to the story, Ligowsky was at the seashore one day idly watching youngsters skipping shells over the water. Presumably his eyes followed the shells as they arched through the air and perhaps he even began to "lead" the shells with an imaginary shotgun. The records are not elaborate, but it can be assumed that he picked up some shells and conjectured that the inverted-saucer shape of a shell was what gave it its stability in flight. A perfectly circular saucer would have even greater stability.

In the year 1880 Ligowsky gave the first exhibition of his clay pigeon, but like many inventors, he didn't

have easy sailing. He made the mistake of making his clay pigeon of clay. Being new at it, he didn't realise that you don't make clay targets of clay. He made an even worse mistake — he fired his clay targets in a kiln until they were almost as hard as bricks. They were so hard that frequently they wouldn't break at all. When you'd hit them, they'd ring like a bell. That could have been the death knell of the clay pigeon if Ligowsky had not abandoned clay.

Some folks tried to use only pitch. That wasn't good, either, except in cold weather, and if you handled the targets carefully. In the heat of the summer, pitch targets became soft and limp. You could bend them and shoot them full of holes, but it was hard to break them. Pitch and limestone are the principal ingredients in modern clay targets (which still contain no clay), but earlier targets were also made of mixtures of pitch and ashes, resin and plaster.

Modern Trap Targets

Manufacturing modern trap targets (let's just stop calling them clay targets) isn't a hard job, as it's performed by one of the country's biggest producers, Western Cartridge Company. The molten mixture of pitch and limestone is poured into water-cooled moulds in a continuous process and they stream out of the machines on endless belts. Just before they're painted, they're trimmed off. Then they're stacked 15 high into corrugated fibre boxes and away they go, ready to be broken by shooters.

When targets pour out of the moulding machines, they are black, but they receive a swatch of colour. These colours include white, orange, red, yellow, and pink. Different kinds of background against which targets are thrown require targets with contrasting colours. In the Pacific Northwest, orange and red are favoured. At the Iowa State shoot only orange targets have been used for years, and in Cuba you'll generally find pink targets.

After its long and bizarre background, the modern White Flyer trap target looks like a very simple thing. It is, yet you'd be surprised to know how many different words it takes to

describe it. The flat top is called the poker chip, the circular rim about the chip is called the ledge, and the rounded part that leads down to the side is the dome. The flat side is the flange. One of the most popular targets has sixteen scorings on the underside which help break it into pieces even if lightly hit by only a few shot pellets.

While White Flyers must be brittle enough to break when struck by only one or two pellets, they must also be strong enough to be shipped piled 15 high. Moreover, they must hold together when being thrown from a trap with enough force to send them spinning out at 60 miles an hour, revolving at the rate of about 5,000 revolutions per minute.

The arch of its deep saucer shape gives a target its strength, as do the ledges which also make it possible to stack the targets for shipment and for feeding into automatic trap-throwing machines. Uniformity in weight and shape produces uniformity in flight. A target weighs a fraction over 3½ ounces, is about 4½ inches in diameter, and measures a little over an inch from top to bottom.

A White Flyer in flight combines the qualities of an aeroplane wing and a gyroscope. George Ligowsky probably didn't know anything about either. Being circular, a target has an advantage lacked by the irregular-shaped sea shells observed by Ligowsky. However, it has one quality which the shells also have. It's made partly of limestone.

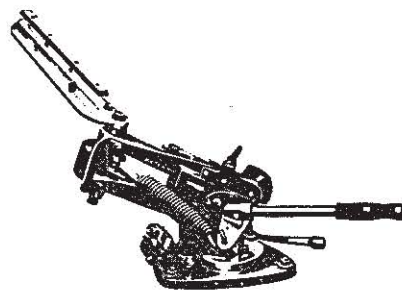

Revolving at speeds up to 5,000 revolutions per minute when it is perfectly thrown, a circular trap target has a gyroscopic stabilising effect that keeps it going in one direction. This great speed sets up powerful centrifugal forces which you release when you make a direct hit that "smokes" the target.

To you it may appear to be just a puff of black smoke that you see for a satisfying moment as a tribute to your skill. A scientist sees something else happening. When shot pellets break a target into thousands of minute particles, he sees centrifugal forces releasing each particle in the direction it was headed at the moment the spinning target was

broken. This goes on only for a brief instant before the force of gravity brings the particles back to earth.

Of course what makes the modern White Flyer of interest and of practical use is the gadget that sends it spinning through the air. It's the throwing device called the trap. There are various types, one for trap shooting, another for skeet, and one for practice. Some are released mechanically, and some electrically.

But the fun of shooting at trap targets is not confined to folks who have the advantage of a club. The simple little Western hand trap can turn any adequately protected open space into a hunting preserve. With a little easily acquired skill, almost anyone can quickly learn to pitch trap targets as far as 70 yards and make them do tricks that match a twisting quail and a towering grouse.

Although some people can throw their own targets, usually two people are required, one to pitch and one to shoot. The thrower stands behind and at one side of the gunner, and if he wants to put his friend's shooting skill to a real test, he can throw just about any kind of target that's in the book. If you want some fun, pack a hand trap and a case of targets in your car the next time you head for open country.

After you've said everything there is to know about a trap target and the gadgets that hurl them, there is only one thing a shooter really wants to know, and that's how to break the target. The recipe for this reads a great deal more simply than its accomplishment: Apply the stock of a shotgun to the shoulder and blaze away.

ABC's for Sportsmen

There is much more to sportsmanship than the mere practice of to-the-letter obedience to the game laws. A man may never violate a game law or break a club rule, but still not be a real sportsman, for he may refrain from doing these things because he has to, not because he wants to. Real sportsmanship cannot be defined or bounded by rules. It is embedded in an inherent sense of fair play, which one may or may not possess. No rules can plant it in the inner man, but unless the sense of fair play is possessed and its dictates followed, no man can rightfully wear the laurel of true sportsmanship.

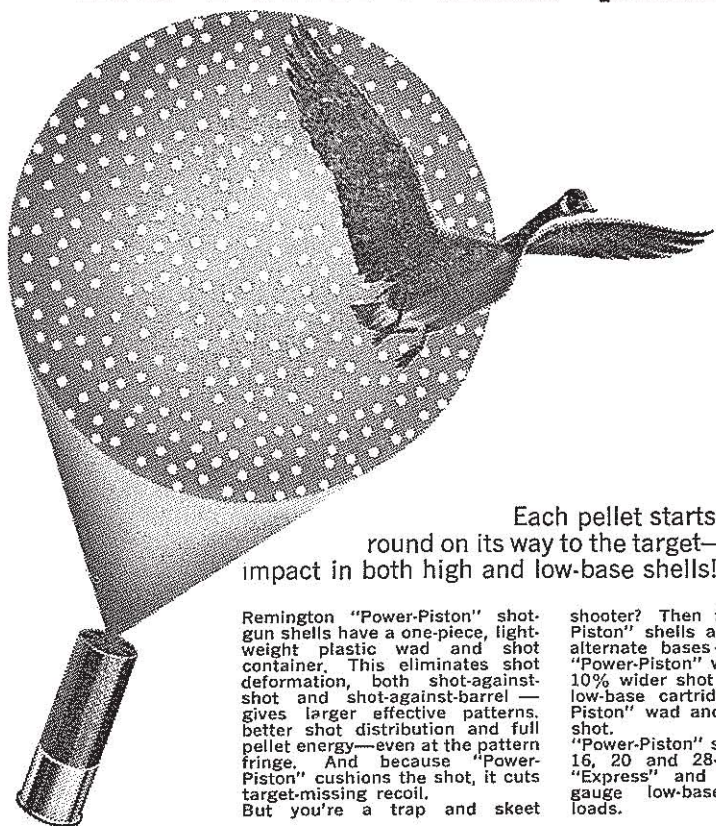

There are certain maxims, however, that are worthy of constant remembrance, lest we carelessly or thoughtlessly stray from proper field behaviour. They are not rules, just reminders. As they run the gamut of alphabet, I call them ABC's for Sportsmen. They could just as well be called XYZ's, too. I think they're worth looking over.

Here they are:—

- Always practice safe gun-handling.
- Be considerate of land-owner. You are his guest.
- Conduct yourself as a Sportsman should.
- Don't be a game hog.
- Educate youth in the principles of sportsmanship.
- Favour the fellow who is hunting with you.
- Give wild-life a break. Work for its conservation.
- Have the location of your hunting partner always in mind.
- Influence others to hunt safely.
- Join a sportsman's organization.
- Keep that gun muzzle elevated.
- Leave some game for seed-stock.
- Make sure of your target before you shoot.
- Never leave a cripple to go to waste.
- Obey the game laws to the letter.
- Put yourself in the other fellow's place. Treat him accordingly.
- Quit harping about game shortages and do something about it.
- Retrieve every piece of game you knock down.
- Share your game bag with the farmer.
- Take a boy, other than your own, hunting or fishing.
- Unite your fellow sportsmen in a common effort to provide better hunting and fishing.
- Value, and protect your privilege to own and bear firearms.
- Work for all sound game-management measures.
- X may mark the spot if you mix gunpowder and alcohol.
- Young America's future field sport depends on You.
- Zeal in game restoration activities will pay big dividends.

**no lazy, lop-sided pellets
in a "Power-Piston" pattern!**

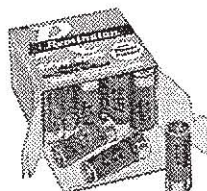

Each pellet starts round, stays round on its way to the target—delivers full impact in both high and low-base shells!

Remington "Power-Piston" shotgun shells have a one-piece, lightweight plastic wad and shot container. This eliminates shot deformation, both shot-against-shot and shot-against-barrel—gives larger effective patterns, better shot distribution and full pellet energy—even at the pattern fringe. And because "Power-Piston" cushions the shot, it cuts target-missing recoil. But you're a trap and skeet

shooter? Then for you, "Power-Piston" shells are available with alternate bases—with standard "Power-Piston" wad, post-wad for 10% wider shot pattern and new low-base cartridge with "Power-Piston" wad and extra 1/8 oz. of shot.

"Power-Piston" shells come in 12, 16, 20 and 28-gauge high-base "Express" and 12, 16 and 20-gauge low-base "Shur Shot" loads.

Another of our young members who has not been with us for some time, Gerrard Lynam, won the High Gun by not missing a bird on the programme. We look forward to our teams match with Guyra Club next month.

BATHURST (N.S.W.), 18/3/67.—Weather conditions: very good. Attendance: 18. Results: No. 1, 5 birds: H. Wright, A. Owens, H. Blunt, C. Hall, P. Rosconi, H. Jaques, 5/5. No. 2, 10-bird Trophy: H. Wright, C. Hall, W. Burrow, H. Jaques, 10/10; 7 shooters broke 9 each.

Night. — 15-bird D.B. Club C'ship (off 16 yds.): won outright by P. Hayman, 15/15; H. Wright, R. Hansen, M. Dalton, R. Toshack, H. Jaques, J. Martin, 14/15.

Conditions for the Club Night D.B. C'ship was perfect. The 5-bird D.B.: H. Wright, A. Owens, H. Blunt, C. Hall, P. Rosconi,

H. Jaques, 5/5. The 10-bird D.B. Trophy event caused some interest when Charlie Hall with his new gun ran out second to Harry Jaques 16, C. Hall, 15, W. Burrow 12, H. Wright 11. Big scores were not the order for the District D.B. Night C'ship of 15 birds. Peter Hayman of Portland very ably demonstrated he was the champ. by outshooting all challengers and won outright. Peter can expect extra yards for doing so.

The club's Night S.B. C'ship will be held on April 15.

Supper was provided by the ladies and we thank them so much.

(A. Rosconi, Hon. Sec.)

BERRIDALE (N.S.W.), 12/3/67.—Weather conditions: fine and warm. Attendance: 13. Results: No. 1, 10 birds: 1st. div. L. Venables, B. Scanes, O. Feilen, W. Woodhouse, R. Sands, 10/10. No. 2, 10-bird Pts.: 1st. L. Venables, 36/36; 2nd, T. Hayden, 35/36. No. 3, 15-bird D.B. Sparrows: 1st, D. Byrne, 21/21; 2nd, B. Scanes, 20/21. No. 4, 5 S.B., 5 D.B. (Solomon's Canteen): 1st, B. Scanes, 10/10. No. 5, 5 pr. D. Rise: 1st, O. Feilen, 19/20; 2nd, D. Twigg, 18/20. No. 6, 10-bird D.B.: 1st, div. L. Venables, O. Feilen, 10/10.

It was very good to see an outsider's face at the shoot. It was unfortunate that Mr. D. Jones was not able to win a trophy to take back to Scone with him.

After all of the time that the canteen has been shot for, Barry Scanes finally added his name to the list of winners. It took a lot of shoots to do it, but this time there wasn't even a shoot-off. Congratulations, Barry. Congratulations to all of the other shooters who won prizes over the afternoon.

(P. Feilen, Hon. Sec.)

BIRCHIP (V.), 18/3/67. — Weather conditions: cool and cross wind. Attendance: 36. Results: No. 1, Northern Wimmera D.B. Day C'ship (16 yds.): 1st, N. Hinneberg (Horsesham), 40/40; 2nd, G. Strauss, 39/40; 3rd, W. Attwood (Melb.). No. 2, \$100 H'cap: div. M. J. Connelly (Birchip), C. Nuske (Katylil); C. Barbary (Woomelang), 3rd. No. 3, Northern Wimmera Night D.B. C'ship (16 yds.): 1st, G. Strauss, 30/30; 2nd, N. Hinneberg, 29/30; 3rd, A. James (Castlemaine), 28/30.

This was really a good shoot and shooters were present from far afield and we saw some very fine shooting, as the cross wind made the clay birds very elusive. As it turned most bitterly cold at night, the club only held one event, so everyone was home early.

The ladies provided afternoon tea, a barbecue tea of chops and sausages, and supper, and all these eats were greatly appreciated.

Club next big day is April 8, when State D.B. Sparrows C'ship will be shot for.

(H. G. Taylor, Hon. Sec.)

BOORT (V.), 18/3/67. — Weather conditions: cold south wind. Attendance: 17. Results: No. 1, 5-bird Pts.: div. C. Radcliffe, M. Tate, B. McGrath, 15/15 pts. No. 2, 10-bird Novelty: 1st, S. Kerr, 11/11. No. 3, 10-bird Novelty: 1st, A. Walker, 19/19.

With a cold south wind blowing straight into the trap, not many reasonable scores were recorded. Shooting two main events, with the trophy in each a free nomination to the Hay Car Shoot at Easter, competition

was keen. Stan Kerr and Alister Walker were the winners.

(J. Piccoli, Hon. Sec.)

It was quite a feat for Ray to win under such uncomfortable conditions.

Vidler, 31/32. No. 4, D'ville Triples (6 triples): 1st, P. Kilner - D. Angus, 18/18; 2nd, R. Hogarth - R. Porter, 17/18. High Gun: L. Tapper, 59/60.

Congratulations again to Les Tapper, who is undoubtedly the most improved shooter in the club at the moment. Les was High Gun for the second time in succession, and took home two second prizes as well. In the first instance Les was second to Bruce Mackey in the Brisbane S.B. C'ship, and later was second in the Handicap event, which was won by Eric Mende.

It was good to see Eric, who is such a hard worker for the club, in form again, and another popular win was Barney Deignan's in the second leg of the Olsen & Goodchap trophy.

Peter Kilner and Don Angus made a great show as partners in the novelty Deauville Triples event, which they won outright with the possible.

As always, we were pleased to welcome the visitors, among them old friends from Kingaroy and the Gold Coast, and some of whom shared in the trophies, too.

(E. Mackey, Pub. Officer.)

Visitor Don Taylor of Culeraigie Eidsvoll most consistent shooter for the day. Ted Jensen and Mick Sankowsky always dangerous; either of these shooters could take the

programme. Ben Smith scored another trophy, and any shooter who scores better than Ben would have no complaints on shooting efforts.

(W. A. Schoch, Hon. Sec.)

Twenty-five shooters attended from Gunnedah, Coolah, Tamworth, and surrounding districts to make another successful shoot. The day was fine and warm, but a breeze livened up the birds. Club President and popular shooter, M. Wilkins, who is leaving the district, was farewelled by all the shooters. A word of thanks was spoken by Vic. Eather for everything Main and Mrs. Wilkins has done for the club. We trust we will see Main back on the tracks at the various clubs in the near future.

A special thank-you to the ladies who provided afternoon tea.

(W. A. Brown, Hon. Sec.)

It was most pleasing to see 36 shooters at our first shoot for 1967. The President, Mr. E. Barton, welcomed quite a number of shooters from Springsure Club. It is hoped to hold our shoots alternately with Springsure, thus assuring good attendances at all shoots.

The Mobil High Gun Trophy is again being competed for this year, and Bill Fraser has taken an early lead with 60 points. Peter Barton, Ted Barton and Jim MacDonald are next in line with 59 points.

(Miss Jane Kennedy, Hon. Sec.)

COBAR (N.S.W.), 12/3/67.—Weather conditions: very pleasant. Attendance: 25. Results: No. 1, 10-bird D.B. H'cap: R. Morris, A. Burgess, 10/10. No. 2, 10-bird D.B. H'cap: no possibles—F. Pryor, J. This was an excellent shoot. The men

prepared a delicious barbecue meal without any assistance from the ladies. The catering, organisation and service was superb. Nothing left undone. Assorted savouries, barbecued chops and sausages, onions and cold slaw salad, fruit salad and ice cream, liquid refreshments. The chefs were properly attired in hats and aprons. All did a marvellous job and really showed the ladies how things should be done.

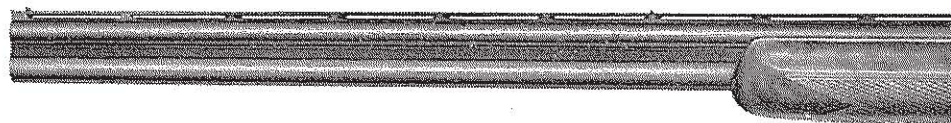

We look forward to further treats during the year. All this creates a happy atmosphere, and our club is becoming better and better. Keep the good work going, boys, and many thanks.

(G. L. Singleton, Hon. Sec.)

COHUNA (V.), 10/3/67.—Weather conditions: windy. Attendance: 20. Results: No. 1, 5-bird D.B. (C.D.): cut K. Hildebrand, A. Easton, A. Holmes, J. Strickland, A. Walker, M. Tate, R. Peacock, R. Day, A. Walker, F. Brazil, R. Peacock.

As this shoot was just an ordinary club trophy event, and also to the fact we are getting near the end of our programme for the season, only 20 shooters took part under windy conditions. However, we are expecting more at our next shoot, which is our Annual Club D.B. C'ship.

Stirling has no competition

Ask any of the top champions using a Stirling to-day. They know it's more than pure shooting skill that wins championships... they know how dramatically the Stirling Broadrib helps when you are shooting trap, skeet or game. When a shotgun moves to your shoulder as though it had a mind of its own... when it breaks, ejects and closes as precisely as a Swiss watch—and when its great good looks excite the connoisseur of fine guns, it's a Stirling...

and here's why:

STIRLING guns are crafted at the world-famous Miroku plant. • Single selective trigger. • Unique hammer design. • Nickel-chromium alloy steel barrel, bored to a mirror finish. • Broadrib prevents miraging, eliminates sighting errors. In short—perfection. Just pick up a Stirling, handle it, then look at the alternatives and you'll agree, **Stirling has no competition.**

Available in Standard model "A" 12 or 20g., \$220. Trap model "D", \$230. Trap Broadrib, \$270. Gun case and Cleaning Kit, \$19.95.

A good attendance of 47 shooters for our second last night shoot for the season witnessed a wonderful shoot-off between several shooters who scored the possible. Bill Stone won the sash because of his good second barrel, which he had to call on often. Congratulations, Bill. Commiserations to Ray, who could be considered unlucky to fill second place with a fine score of 93/94. John Gooley, 47/48, was by no means disgraced. Congratulations to all three for a fine exhibition of shooting under the lights, also to Don Roberts and Bob Mitchell for their respective yardage wins.

(G. Lear, Hon. Sec.)

A good attendance for club's final night shoot for the season. Two very consistent shooters at this club, Tista De Lorenzo and Bill Dalzell, had a good tussle with Gerry Smith, a reasonably new shooter, before championship was decided. Congratulations to these three shooters, also the yardage winners.

A special thanks to all shooters who participated in the season's night shoots, combining with the weather in making the series a success.

FRANKSTON (V.), 18/3/67. — Weather conditions: fine. Attendance: 40. Results: No. 1, 10-bird H'cap Pts. (C.D.): 1st, B. McComb, C. Martin, L. Swain, I. Wuchatsch,

Fine weather conditions, but only a mediocre attendance of 40. The shooting was good and it was pleasing to see Bruce McComb again a winner. The club made four new members, all young and obviously very keen. Dr. H. Retallick again shot convincingly and took the main event.

Prospects for the future are very good.

(C. D. Wilson, Hon. Sec.)

GEELONG (V.), 10/3/67.—Weather conditions: good. Attendance: 23. Results: No. 1, 10-target Pts. (16 yds.): div. H. Walker, J. Hehir, K. Rankin, B. Mark, J. Walls, 30/30. No. 2, Corio Bay Dist. D.B. C'ship: 1st, J. Walls, 43/43; 2nd, R. Bath, 42/43; 3rd, F. Burns, 29/30. No. 3, 15-target H'cap: div. E. Lumb, A. Wembridge, 15/15.

Our club contested the Corio Bay District Night D.B. C'ship in perfect conditions. Five very consistent shooters, J. Walls, F. Burns, R. Bath, F. Apter and B. Mark, shooting off. J. Walls defeated R. Bath at the 43rd round, and F. Burns came third. Congratulations, Jim. The eye-opener saw H. Walker, J. Hehir and K. Rankin, three locals, divide the money with 30 points each. A 15-target H'cap resulted in our two club front-markers shooting the possible and dividing.

(Ron Green, Pres.)

GERALDTON (W.A.), 1/3/67.—On Sunday last, members of the Geraldton Gun Club competed in the first programmed shoot for the 1967 season. Fifteen shooters faced the traps during the afternoon, including three visitors. These very welcome guests were the President of the West Australian Clay Target Association, Mr. Roy Holtfreter of Northam; Mr. Newton Thomas of Victoria, and Mr. Doug. Cumming, Perth Club. The latter two shooters are representatives of I.C.I.A.N.Z.

The event, a 25-bird D.B. H'cap, was won outright by Roy Holtfreter with the only possible. This was particularly nice going, as conditions were "pretty rugged". 24/25's were recorded by Newton Thomas and two locals in Eric Gartner and Harry Finlay. Prior to the shoot-off for second placing, Newton showed the sportsmanship for which he is renowned throughout the Commonwealth, and withdrew from the competition, leaving Eric and Harry to carry on. Newton, incidentally, shoots from the 27-yard mark, this being the maximum handicap that can be applied. The shoot-off went a further 15 targets before Harry let one get away, leaving Eric to take the trophy. Lou Pember did well to kill 23/25, whilst those with 22 were Noel Burton, Jim Boyes, John Glass, Dick Burton and John Glass. Sam Zorino and Eric Boschetti each killed 21.

Club President Dick Burton presented the trophies, assisted by Mrs. Elliott, and in responding, Mr. Holtfreter thanked, on behalf of the visitors, the local club for the afternoon's shooting. Mr. Holtfreter also complimented the members on the new clubrooms, this indicating to the West Aust. Clay Target Assoc. that the Geraldton Club was looking forward to bigger and better competitions in the future years.

(Jim Boyes, Sec.)

GERALDTON (W.A.), 19/3/67.—On Sun., 19/3/67, under ideal shooting conditions, members participated in a 25-bird H'cap Skeet event. No less than five shooters recorded possibles, including handicap adjustments, and a further half-round shoot-off was fired to determine the winner. Winner was Sam Zorino, from Eric Boschetti and Frank Bombara. Best scores off the gun were Dick Burton and Eric Gartner, each 24/25. Others to do well, including their handicaps, were Bill Heath, Lou Pember, and Stan Gratte. New members in Joe Fiocco and Ken Henderson tried these elusive targets, as did visitor Milton Hatch.

President Dick Burton, assisted by Mrs. Costantino, presented the trophies and sincerely thanked the ladies for the ever-welcome "cuppa".

Dick, the sole representative of Geraldton Club at Northam on Saturday, shot well enough to bring home the Northam District D.B. C'ship. This is the second consecutive year this has been won by a Geraldton shooter, having been won in 1966 by Jim Boyes.

Jim Boyes, Sec.)

GRIFFITH (N.S.W.), 19/3/67. — Weather conditions: warm, no wind. Attendance: 30. Results: No. 1, 5-bird D.B.: 13 div., B.

Salafia, N. McAlary, R. Lewis, R. Bushby, K. Sim, L. Robertson, D. Gibbs, H. Gibbs, L. Foley, H. Hillery, M. Stanmore, M. Brennan, C. Dahlenburg. No. 2, Quail Drive: 4 div., B. Salafia, K. Sim, T. Salafia, H. Gibbs. No. 3, 15-bird D.B. Trophy: 3 possibles — 1st, D. Gibbs, 19/19; 2nd, M. Stanmore, 18/19; 3rd, L. Dow, 15/16.

A good attendance again, with 30 shooters lining up; also two new shooters tried their skill. Daryl Gibbs performed well with the new broad rib his father won at Shepparton, and won the first trophy, 19/19. The second event today was a novelty event we call a quail drive — the shooter shoots from the skeet stations, the bird being released from the automatic trap in the centre, and boy! do those angle birds go — only four shooters shot the possible. H. Gibbs won the High Gun, only dropping one bird.

We shot a week early this month owing to Hay's Easter shoot. The afternoon tea was enjoyed by all — thanks, ladies.

(K. H. Sim, Hon. Sec.)

HAMILTON (V.), 15/2/67.—Weather conditions: calm and cold. Attendance: 32. Results: No. 1, 5 birds (C.D.): 15 shooters div. No. 2, 15-bird D.B. (off 16 yds.): 8 shooters qualified — eventual winners: 1st, R. Griffin; 2nd, N. Minneberg; 3rd, T. Knight; F/M., W. Ryan. No. 3, 10-bird D.B. H'cap: 4 shooters div.

Conditions for this night shoot early were good, then deteriorated to blustery winds. This "Yulunga Shoot" is conducted during

our city's week of activities, and the proceeds of this went to the Tasmanian Bush Fire Relief Appeal.

Thanks to the ladies of Girl Guides' Assoc. for the supper, which was most appreciated by the shooters on such a night.

(K. Ilsley, Hon. Sec.)

HAMILTON (V.), 18/3/67.—Weather conditions: windy. Attendance: 40. Results: No. 1, 5-bird H'cap (C.D.): 22 shooters div. No. 2, 15-bird D.B. H'cap (Millers' Trophy): 1st, J. Brown, 23/23; 2nd, T. McDonald, 28/28; 3rd, D. Mayfield, 27/28; F/M., T. Kenneally, 14/15. No. 3, A. McSween Shield Team shoot: 8 teams competed, Myamyn Club winning after shoot-off, 24/25, 24/25.

Conditions for shooting were poor, but scores were very good, considering. Jack Brown of Warrnambool was on top all day to win the Millers' Trophy. Tom McDonald and Don Mayfield battled it out for second, with Tom second and Don third.

The "Angus McSween" Shield team shoot (5 shooters each team), Myamyn team proving too good after a shoot-off, Norm Stewart of Horsham divided with Colin Crawford the "off the Fence" event to conclude a good day.

Thanks were passed to the local Girl Guides' Association for supplying the afternoon tea. Shooters from Myamyn, Apsley, Warrnambool, Noorat, Tyrendarra, Cavendish and Macarthur.

(K. Ilsley, Hon. Sec.)

HAY (N.S.W.).—This was our thirteenth car shoot and our fifteenth Easter Shooting Carnival, and once again it has proved to be a great social and shooting success. Such a gathering of shooters from all States as well as New Zealand and America must surely be a powerful demonstration of the value of such a shoot. We were indeed pleased to welcome the Secretary of the A.C.T.A., Mr. Mervyn Berry, who was able to see at first hand the Australia-wide support for the Hay Gun Club. Mr. Berry was unfortunately "cheated" of the chance to present the car keys, as the seven shooters with 30/30 decided to divide. Many new shooters appeared and, together with the regulars, provided a most enjoyable shoot in every regard.

Les McKinney Memorial Easter Gift. The shoot was held in perfect weather, and of the 167 competitors, seven shooters scored the possible 30/30 and agreed to divide the prize. The possibles were D. Gates (Menindee), D. Suthers (Wollongong), D. Coaker (Narromine), D. Anderson (Hay), D. Rumbold (Bendigo), R. Morley (Canberra) and J. Aurisch (Warrigal, V.). The car was sold at the ground, and the winners taking with them the cash.

Yardages. The \$800 offered in yardage prizes was won as follows:— 27 yds., Don Scoweroff; 26 yds., Jack Hendon; 25 yds., Keith Sim; 24 yds., W. Maddocks; 23 yds., B. Williams; 22 yds., T. Reade; 21 yds., R. Hayes; 20 yds., T. Frost; 19 yds., J. Wallis, J. O'Connor; 18 yds., Fr. F. E. Kelly (N.Z.), D. McGuinness; 17 yds., J. Evans, Max Gibson, S. Joice; 16 yds., A. Palk; 15 yds., H. Mellowship; 14 yds., L. Woods, R. Morris, J. Elliott; 13 yds., J. Pearson; 12 yds., F. Pryor.

\$200 Handicap. In this, the opening event of our carnival, eleven shooters scored the possible, and in the shoot-off Brian Williams, with 35/36, won from L. Massey, 35/36, and J. O'Connor, 33/34.

Hay Dist. D.B. C'ship. This event always seems to attract high breaks, and this year was no exception. From 21 possibles at 20/20 the shoot-off went to a local shooter, Abb Headon (whose face suffered a little) with 155/156 from Denis Suthers, 155/156, and Doug. Lucas of Leeton with 114/115.

F/M. trophy went to H. Mellowship (Broken Hill), 19/20.

Two 20-bird \$2.00 sweeps concluded the day's events; in the first, ten possibles were shot, and sixteen the second.

Budgewah \$1,000 Night Handicap. Thirteen scored the possible and decided to divide the prize at \$70 each and shoot on for the sash and the remaining \$20; the thirteen were Fr. Kelly (N.Z.), A. W. Headon, P. Jenkin, W. Stone, B. Palk, L. Massey, G. Ash, D. Sharp, W. Collis, M. Gibson, H. Mellowship, S. Stevens, T. Lucas and A. Wilkinson. The sash and trophy went to H. Mellowship, 35/35.

Hay District S.B. C'ship. This event was shot after the Easter Gift and was won at 47/47 by J. Newton Thomas of Melbourne from R. W. Lamb of Echuca, 46/47, and Don Scoweroff of Sydney, 39/40. This completed, over the years, the complete set of district titles for J. Newton Thomas. F/M. trophy went to F. Pryor of Cobarr, 19/20.

I.C.I. High Gun Trophy was won by D. Sturgess with a score of 37/40 in the two championship events.

Rawnsley High Gun Trophy was won by D. Suthers with a score of 95/96 after a shoot-off with J. O'Connor, D. Gates and Don Anderson.

The best lady shooter was Mrs. Gary Daly, 26/30.

General Comments. All shooters, wives and friends were the guests of the Houston family at Budgewah Station for a barbecue lunch, swimming, and an inspection of the property on Sunday. A perfect day was concluded by a very well-attended free social and supper at the club grounds that night.

I must add at this stage to the comments of so many people with regard to the excellent work done by the staff at the Hay Gun Club, Mrs. Cox and her ladies, and our President and Marshal. High praise was given to everyone on the faultless conduct of the shoot. Our thanks go to Mr. M. Berry and all shooters, friends and visitors for making our fifteenth Easter Shooting Carnival such an enjoyable event.

(R. J. Neale, Hon. Sec.)

HOBART (Tas.), 25/3/67.—Weather conditions: fine. Attendance: 28. Results: No. 1, 10-bird D.B.: D. White, R. Blake, S. Marshall, D. Perry, 10/10, div. No. 2, Club D.B. Night C'ship: 1st, D. Taylor, 119/119; 2nd, R. Blake, 118/119; 3rd, R. Wighton, 94/95; best F/M., K. Young. No. 3, State Night D.B. C'ship: 1st, R. Ward, 84/84; 2nd, D. Taylor, 83/84; 3rd, S. Marshall, 55/56; best F/M., E. O'Heaney.

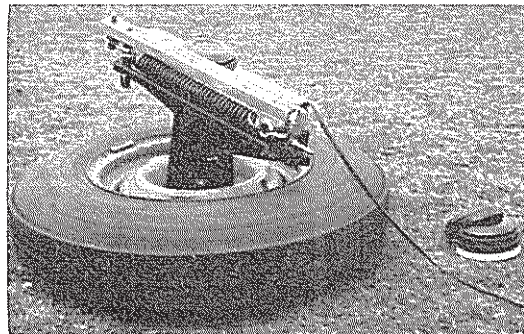

Don Taylor was in great form to win our club D.B. title. He shot the fine score of 119 to win from Robert Blake and went on to record a fine break of 209 straight after running second to Reg Ward in the State D.B. title. Reg, who also was in good form, was too much for Don after his long run in the Club C'ship, and so won himself another red sash.

Barnes, shooting 92/92; 2nd, J. Wilkinson, 91/92; 3rd, R. Ferrier, 82/88. \$100 H'cap: 13 shooters shot possible and div. The weather was perfect and we witnessed some real good shooting. Congratulations to Frank Barnes of Pooncarie, who shot his first 100 break. Also J. Wilkinson shot 100 straight; good luck, Jack.

After shooting ceased, the ladies were straight into toil with a beautiful barbecue. Without these ladies we could not have fronted up to further shooting. Thank you, ladies.

(A. R. Hudson, Hon. Sec.)

HOPETOUN (V.), 11/3/67.—Weather conditions: perfect. Attendance: 31. Results: No. 1, 5-bird D.B.: 19 possibles. No. 2, 15-bird I.C.I. Trophy: 1st, R. McGee, 15/15; 2nd, R. Ferrier, 35/36; G. Strauss, 34/36.

Thirty-one shooters stayed for the night, and although the weather was perfect, we saw just the opposite to the afternoon, only one shooter stopping the 15 birds. This being not only the youngest member of our club, but the smallest lad shooting here. Congratulations to Kevin McGee of Roseberry on a very good effort.

After the trophies were presented, the ladies were there again with a lovely supper; we again thank you. Before returning home to Mildura, Mr. Mark Doyle expressed the compliments of the visiting shooters on the way in which the Hopetoun Gun Club conducted this shoot throughout the day and night. Thank you, Mark.

HORSHAM (V.), 11/3/67.—Weather conditions: perfect. Attendance: 55. Results: No. 1, I.C.I. Shield Team Shoot: Western District, 1st, 294/300; South East (S.A.), 292/300; Wimmera, 285/300. No. 2, 15-bird \$150 D.B. H'cap: div. C. Copping, R. Lynch, E. Smith, A. Aitken, J. Herold, T. McDonald, K. Mark, J. Hood, J. Smith, G. Sharrock, 15/15. No. 3, 5 pr. D. Rise: H. Williamson, B. Robinson, 10/10, div. 1st and 2nd; R. Lynch, A. Tucker, 9/10, div. 3rd.

The I.C.I. Shield, which is shot for every six months between teams from the Western District, South-east of South Aust., and the Wimmera, was contested on this occasion at Horsham. Congratulations to the Western District, who put up the excellent score of 294/300, but was then only two birds in front of the South-east. Also congratulations to the following shooters, who shot the possible 30 birds for their respective teams: R. Griffen, H. Smith, D. Mayfield, V. Coates (Western); L. Earl, M. Earl, C. Copping, A. McIntyre, K. Foster (South-east); H. Williamson, R. Lynch (Wimmera).

I would like to thank anyone who helped (and there were many) to make this a very enjoyable day's shooting. A special thanks to our ladies who supplied us with lunch and afternoon tea; your efforts were very much appreciated by the club.

(Bert Robinson, Hon. Sec.)

HUNTLY (V.), 4/3/67.—Weather conditions: good. Attendance: fair. Results: No. 1, 5-bird Pts.: R. Lamora, J. Glanville, C. Johnson, 15/15. No. 2, 20-bird D.B.: 1st, A. Mason, 20/20; 2nd, W. Scott; 3rd, K. Shearer. No. 3, 10-bird D.B.: O. Dowker, 10/10; 2nd and 3rd, div. W. Scott.

For its monthly shoot Huntly conducted a 20-bird D.B. as the main event. Only one shooter, A. Mason, was capable of a full score and took 1st trophy; R. Lamora, W. Scott, C. Johnson and K. Shearer, with 19/20, shot off for 2nd and 3rd trophies, which were won by W. Scott and K. Shearer. The 10-bird D.B. again saw only one possible, O. Dowker, 2nd and 3rd being div. W. Scott and C. Johnson.

The club is unfortunate that owing to ill-health Mrs. Cumming has had to relinquish the position as hostess with the delightful afternoon teas and the special cuppa, which is a by-word in the north. Thanks very much, Mrs. Cumming, for a job well done.

(J. E. Jones, Hon. Sec.)

Although a cloudy day, the weather stayed fine, but it didn't seem to affect the shooters, as some fine shooting was witnessed, especially in the West Moreton District C'ship, which was once again won by Jim Smith after a good shoot-off with our club captain, Bill Stevens. Five shooters shot off for third, which was won by G. Rao. Congratulations to these shooters.

(K. G. Smith, Hon. Sec.)

Some good shooting was seen, particularly by Ross Ritchie, who shot well in both rounds. The first-round winner was R. Ritchie with a score of 37/36 with handicap, after a shoot-off with George Anderson. The second-round winner for the T. Catling trophy was Scottie Gibson, 34/36, who edged out George Anderson and Athol Anderson into equal second place. Athol Anderson was high gun with 45/50.

In excellent conditions our Easter shoot, with 24 in attendance, was quite successful. Four shooters, 30/30, div. event 1. Then the consistent N. Gannon won the S.B. outright; J. Green, 2nd, with L. Swain taking 3rd after a shoot-out with six others. N. Gannon also won the Double Rise, with L. Swain 2nd, J. Stone taking 3rd from C. Arnup.

Club President, D. Stone, proved too good for N. Gannon in the Walk-up, winning with 9/11 to 8/11. N. Gannon won High Gun over events 1, 2 and 3, 33/35.

1st, 20/20; D. Stone, 2nd, 19/20; R. Hawken, 3rd, 35/38. No. 3, Back-markers' C'ship: W. Dalzell, 1st, 41/41; E. Colautti, 2nd, 40/41; R. W. Fox, 3rd, 34/35. No. 4, 20-bird D.B. H'cap: A. Ferguson, R. Dobby, E. Colautti, W. Attwood, W. Ryall, J. Reizneiks, H. Williamson.

The day's events were conducted under favourable weather conditions, with a slight breeze sometimes testing the shooters' judgment. The results show that the day's shooting was of a good standard, with many shooting the possible.

The Club Tyro C'ship was won by L. Larnach, who shot in fine style, considering an absence of some three years from the game. Korumburra visitor David Stone performed well to finish a close second. Committee member Ray Hawken showed good form to come into third place.

In the Back-markers' C'ship, run in conjunction with the Tyro C'ship, popular shooter Bill Dalzell had a keen tussle with Eugene Colautti and shot really well to take out the event. Vice-President Russell Fox showed his usual consistency and finished in third place.

Another country visitor, Bill Ryall, from Cooma showed that he is a capable gun handler by scoring the possible in the first and last events.

LILYDALE (V.), 18/3/67. — Weather conditions: cool, moderate wind. Attendance: 49. Results: No. 1, 15-bird Pts.: R. W. Fox, T. Lucas, 45/45; W. Carlson, H. J. Stevens, 44/45. No. 2, I.C.I. Team Shield (20 birds off H'caps): 1st, A. Ferguson, 22/22; 2nd, G. Wickes, 23/24; 3rd, C. Hollow, 22/24; 12-14 yds., J. Nelson, 39/40; 15-16 yds., C. Fankhauser, 17-18 yds., A. Bove, 23/23; Shield won by Lilydale from Frankston. No. 3, 10 prs. D'ville Doubles Novelty Event: 4 teams shot possible and div., W. R. Johns - L. Larnach, R. Fox - J. Stevens, A. Bove - E. Colautti, G. Wickes - G. Farrar.

The day for the I.C.I. Team Shield event was quite good apart from a rather gusty wind which blew up occasionally and upset the judgment of some shooters.

The trophy for the main event, the I.C.I. Team Shield, was kindly donated by I.C.I. and presented by their representative, Mr. Cal Hollow. The club is most grateful to I.C.I. for their kind sponsorship of this popular event, which is held annually. Mr. Cal Hollow showed his excellent ability with the gun and was a worthy representative of the company.

Young committee member Alex Ferguson was in top form and won the I.C.I. trophy from Frankston visitor, G. Wickes. Both shooters displayed fine ability and sportsmanship.

The shield was keenly contested by our own club and teams from Essendon and Frankston. Our own team, consisting of A. McCulloch, R. Fox, W. Carlson, W. R. Johns and G. Robinson, won the shield after a keen tussle with Frankston, who showed out extremely well and fought out the event right to the finish.

In the supporting events of the day Russell Fox, Tom Lucas, Jock Stevens and Tony Bove were the most prominent.

(J. H. Vanassem, Hon. Sec.)

MENDOORAN (N.S.W.), 4/2/67. — Weather conditions: fine, warm. Attendance: 10. Results: No. 1, 5-bird D.B.: R. Hartley, G. Blackman, N. Smith, 5/5. No. 2, 5-bird S.B.: G. Estens, R. Hartley, G. Estens, J. King, G. Blackman, 10/10.

A small attendance of shooters for this shoot owing to some members being away on holidays, but a most enjoyable afternoon by those present. Congratulations to young shooter Geoff. Estens, who shot extremely well, with 35/37 for the afternoon, also taking out the 12-15 yd. High Gun.

We have a .222 rifle as jackpot prize for this year, same as last year. Gerard Blackman has one leg in already. We hope to see more members next month.

(D. A. Smith, Hon. Sec.)

MERSEY (Tas.), 18/3/67. — Weather conditions: fine, gusty wind. Attendance: 14. Results: No. 1, 5-bird Walk-up: 1st, G. Richardson, 5/5; 2nd, div. D. Brett, M. Males, 4/5. No. 2, 5-bird S.B.: Novice: 1st, M. Males, 4/5. No. 3, Club Mixed Birds C'ship (15 birds): 1st, D. Brett, 15/15; 2nd, G. Richardson, 14/15; 3rd, E. Sharman; F/M., M. Males, 11/15. No. 4, 5 sparrows D.B.: 1st, C. Young; 2nd and 3rd, div. D. Perry, D. Brett, 4/5. No. 5, 10 Mixed Birds: div. E. Sharman, D. Brett, G. Richardson, M. Saunders, 9/10. No. 6, 10-bird D.B.: div. D. Brett, D. Perry, 10/10.

Gusty wind made shooting very difficult; however, some very good scores were recorded. Vice-President Don Brett shot exceptionally well and was placed in all events and came out the winner of the Club Mixed Birds C'ship with the only full score. Hobart shooter George Richardson was a close second with 14/15.

We were pleased to see Eric Sharman back on the tracks. Eric has been indisposed for some months, but is now on his way back to form and was good enough to take home the third trophy. New shooter Michael Males started off very well. Apart from taking home the F/M. trophy, he was placed well in two other events.

The club is very grateful for the support given by visiting shooters. In the absence of the President, who is indisposed, Mr. D. Brett presented the trophies and welcomed the visiting shooters. Many thanks to the ladies for the excellent afternoon tea.

(H. C. Neville, Hon. Sec.)

METROPOLITAN (V.). — Improvements to our grounds at Epping are proceeding at a good pace. The skeet tracks are completed and electricity is installed. Work on the new septic toilets is proceeding and a new office has been erected.

All this now clears the way for the planned extension of the existing clubhouse to twice its size. This is a costly job but we hope to have it completed in the very near future.

Most of the planted trees are now showing growth. Altogether we are steadily on our way to make Metropolitan the most attractive ground in the State.

The two shoots held in March attracted good attendances and the principal events decided resulted as follows:

March 11. — Whittlesea D.B. C'ship: Tom Spence 174/174; Mal Fuller, 173/174; Bill Attwood, 137/138; 12-15 yds., John Reizneiks, 32/33.

Epping Double Rise C'ship: Jim Paul, 25/26; Alf James, 24/26; Ron Jones, 20/22; 12-15 yds., Dick Johnson, 16/22.

March 25. — Epping S.B. C'ship: Max Day, 23/23; Roy Johns, 57/58; Ron Evans, 56/58; 12-15 yds., K. Austin, 19/21.

20 birds D.B. H'cap: Lou Spinosa, 64/64; Peter Radoa, 63/64; Rupert Henwood, 28/29; 12-15 yds., Noel White, 24/25.

The skeet is very popular and in all events on both days quite a few divided the spoils.

Our programmes for May are published elsewhere in this issue.

(C. J. Colledge, Sec.)

MILLICENT (S.A.), 26/3/67. — Weather conditions: fine. Attendance: 20. Results: No. 1, E.O.: div. K. Manning, N. Bowman, F. Kentish, R. Reschke, A. Miller, C. Whitehead. No. 2, \$50.00 15-bird D.B.: 1st, F. Kentish, 39/39; 2nd, K. Manning, 38/39; G. Yoanidis, 3rd, 27/28; F/M., R. Hetherington, 26/27. No. 3, \$40 H'cap (5 clays, 4 sparrows): div. K. Manning, F. Kentish, S. Williams, H. Miller, T. Reschke, C. Whitehead.

Perfect conditions and good shooting, with a larger attendance than usual, combined to cause the committee a bit of anxiety whether we would have enough birds to finish the programme after a shoot-off between F. Kentish and K. Manning. Congratulations to these two who shared most of the winnings for the day.

Thanks, ladies, for the usual afternoon tea.

(A. J. McIntyre, Hon. Sec.)

MOREE (N.S.W.), 4/3/67. — Weather conditions: perfect. Attendance: 22. Results: No. 1, 10-bird D.B.: T. Robinson, E. Brown, B. Dillon, J. Mathishe, 10/10. No. 2, 20-bird D.B. Jackpot shoot: won by L. Kee after shoot-off with D. Hall. No. 3, D'ville Doubles: won by L. Buxton - T. Robinson.

A well-attended, enjoyable shoot to start 1967 off. Congratulations to Laurie Kee in winning the Jackpot event.

(F. M. Bardsley, Hon. Sec.)

MOUNT GAMBIER (S.A.), Sat., 18/3/67. — Weather conditions: cold westerly breeze. Attendance: 21. Results: No. 1, 10-clay H'cap Pts.: 1st, E. A. Collins, 29/30; 2nd, T. Reschke, 28/30; 3rd, K. A. Marks, J. E. Hood, F. P. Kentish, S. I. Hood, H. A. Miller, 27/30. No. 2, 15-clay D.B. H'cap Cartridge Shoot: F. T. Kentish, A. H. Shearer, J. Eizaguirre, T. Yoanidis, 10/10, div.; C. F. Copping, S. H. Williams, F. P. Kentish, E. A. Collins, T. Reschke, H. A. Miller, 9/10, div.

A very poor attendance of local shooters were present, although a reasonable number of visitors enjoyed a good afternoon's shooting. It was very pleasing to see shooters Collins and Shearer present; they arranged a fishing trip at Nelson to coincide with our shoot.

The idea of cartridges for trophies seemed to be received quite well by the shooters, and also enabled the club to reduce their stock holdings.

(Ian A. Marks, Sec.)

MYAMIN (V.), 4/3/67. — Weather conditions: windy. Attendance: 30. Results: No. 1, E.O., 8 div. No. 2, \$50.00 Trophy: J. Vaughan, 1st; L. Morton, 2nd; P. McInnes, 3rd; F/M., R. McInnes. NORTHAM (W.A.).—Our opening shoot for 1967 took place on Saturday, March 18, with a District D.B. C'ship in the afternoon and the Commonwealth Night Walk-up C'ship in the evening. Thirty-one shooters participated and weather conditions were excellent. At the conclusion of the night shoot the ladies' committee prepared an excellent supper, which was appreciated by all.

On Sunday morning members and their friends participated in a duck shoot.

The results of the shoot were as follows: Dist. D.B. C'ship: 1st, R. Burton; 2nd, J. Harris; 3rd, D. Holtfreter. Commonwealth Night Walk-up C'ship: 1st, S. Gibson; 2nd, D. Watts; 3rd, R. Holtfreter.

We have only recently completed the installation of floodlights for night shooting, and these were very successful. Our thanks go to Cunderdin Club for allowing us the use of their lights to light up our second lay-out.

On 7th March Mr. Newton Thomas of I.C.I. conducted a shooting clinic. Our club arranged for a number of shooters who were not Gun Club members to be present. The day was highly successful and many favourable comments have been received on the day. Since this Clinic was conducted quite a few new members have joined the club and others have announced their intention of joining also.

(G. R. Richards, Hon. Sec.)

N.S.W.G.C. (N.S.W.), Sat., 4/3/67. — 90 shooters. Conditions: good. 15-bird D.B. H'cap: E. Troy, J. O'Connor, A. Blackadder, S. Joice, R. Hayes, C. Tickle, C. Joass, M. Fuller, J. Worley, B. Heywood, third, F/M. going to W. Burns.

High Gun for the day went to Don Scowcroft, who never missed a bird in the events, which is good shooting considering 20 were shot from 27 yds.

Wed. Night, 15/3/67. — 10-bird D.B. Continental: L. Chodat, D. Mott, J. Worley, P. Woodward, P. Payne, 10/10. Nite Owls Trophy: C. Plummer got his name on the trophy, shooting 12 novelty birds, Peter Woodward getting second and High Gun for the night.

The Accumulated Sweep on the faithful is now worth over \$300.00. Two shooters have their names on it twice, but somehow getting the third is taking some doing.

The trophies were donated by Mr. Bill Sturges of Chinchilla and Mr. Snow Prosser of Taroom, and needless to say we are grateful to these sportsmen and show many thanks for the thought and the prizes for a boys' shoot, which was won by Brian Prosser, 6/10; Noel James, 5/10, and Paul Queitzech, 4/10; a good start, boys. Jock Hamlyn had a day out by winning the two first trophies and also shooting 77 straight. Congratulations, Jock; the members wish you further successes.

How would you like a shotshell that keeps the powder gases where they belong?

**Winchester-Western gives
it to you - the strongest
shotshell on the market.**

It's called the Winchester-Western Double AA. But let's not get too confused by the name. Very simply, it's a break-through in a shotshell design which you won't want to miss. It's a rugged, low-brass shell that's built for perfect performance where a heavy load is not needed. Best of all, this great shotshell has a hard, slick plastic tube that won't scuff or swell. Feeds faster, chambers faster — assures you jam-free extraction . . . shot after shot! So if you've a yen to try something new in target loads, go see your shotshell supplier. See what we mean when we say this is the best news in target shells.
