The Editor's Notebook

Commencing with this (October, 1967) issue, we have now entered the 21st year of publication of A.C.T.A. "Shooting News".

No publication will be made for the month of January, 1968, as the printing trade is on vacation over the greater part of that month. Those submitting copy and advertising matter concerning January and early February are reminded that all this must appear in the DECEMBER, 1967, publication, for which the deadline is November 1. The deadline for February, 1968 "News" is December 12 ACTUAL.

The Spokane Gun Club Inc. of Washington, U.S.A., held a no-host banquet on June 10, 1967, in honour of their retiring Secretary-Treasurer, Mr. Rex Miles. An Honorary Vice-Presidency was bestowed on our great friend Mr. Rex Miles at the 13th Annual General Meeting of the A.C.T.A. at Scott's Hotel, Collins St., Melbourne, Australia, on November 2, 1949, for his valuable contributions and assistance. The Association wishes him complete happiness in his retirement.

Many shooters and some recent candidates for Referee examinations have not read or absorbed Rule 101, which is quite clearly worded.

The attention of all shooters and club secretaries alike is drawn to Rule 103, which states High Gun for a shoot shall be advertised. The interpretation of Rule 103 is that "it shall

be shot off double barrel, irrespective of the type of championship and/or handicap events within the programme and shall be shot off squad system, first miss-out from handicap marks — International Teams' and State Teams' High Gun excepted." Thus, even a novice has a chance of winning a high-gun trophy.

It is repeated (with pride) from our September, 1967, publication that Australia won the 1967 International Teams' Match, results of which were:

AUSTRALIA	7339/7500
SOUTH AFRICA	7269/7500
NEW ZEALAND	7208/7500
ENGLAND	7177/7500
SCOTLAND	7037/7500
CANADA	6969/7500
IRELAND	6930/7500
WALES	6886/7500
RHODESIA	5927/7500

and that the similar winning score of 7355/7500 by the Australian team in 1966 was probably an all-time record of "kills". All Australian diplomatic representatives abroad have been advised accordingly by the Commonwealth authorities.

From observations it could now well be that Australia is in the running to continue to be in the forefront of this top-ranking International event for several years to come, as seen by the respective scores of a number of well-known trapshooters, plus those of the new-comers to these recent teams.

The final series of the 1968 International Teams' Match will be conducted on Friday, July 5, near Cardiff, Wales, and a cordial invitation has been extended by the Clay Pigeon Shooting Association to any Australian shooters wishing to attend. Any such shooters are asked to advise the Secretary, A.C.T.A., Melbourne, of their intentions as soon as possible.

A few more clubs are adding a skeet lay-out to their grounds (Note: lay-out plans are available, at nominal rates, on application by clubs). Soon we shall have interesting champions when the skilled of both down-the-line trap and skeet events contest a programme.

The attention of club secretaries and shooters concerned is drawn to the brief publication in this issue of

the differences between incorporated and unincorporated clubs.

The ANSWER, as received from our solicitors, is presented for the benefit of all concerned.

It will be seen that if a shooter wishes to preserve his liability, then the consideration of a club becoming incorporated would be desirable, and in this case the club must have its own Articles of Association prepared and submitted for the consent of the Attorney General.

For example, a club of, say, 50 members, then each such club member may need to contribute some \$5 to \$10 to cover these costs.

OUT OF THE PAST—Such appearances are temporarily discontinued, as some records have not previously been maintained.

All such equipment, plus the trap-houses, are new and lay-out plans may be obtained on application from A.C.T.A. Lilydale now have a four-trap lay-out in addition to this separate skeet ground. When Lilydale G.C. history is published (with those of other member clubs) in 1968, this will meet the approval of all shooters.

Letters to the Editor . . .

19th August, 1967.
"Flowery Dale",
Guyra, 2365,

The Secretary-Editor, A.C.T.A.,
Melbourne.

Dear Sir,

During the course of my duties as an Official Referee at an open shoot very recently I noticed a shooter using an automatic gun proceed to place a cartridge in the open chamber whilst awaiting his turn to shoot.

I requested the shooter to unload his gun until it was his turn to shoot, only to be told by the shooter that some referees permitted it.

After the squad was completed, discussion took place amongst shooters and Official Referees present as to whether my ruling was correct or not. Most agreed, but surprisingly two referees quoted Rule 10, which in part reads: "The cartridge or cartridges must be removed from any magazine gun between each track," and so in their opinion the shooter was permitted to place a cartridge in the open chamber whilst awaiting his turn to shoot, since the rule as quoted did not say he should not.

Some time ago I witnessed an incident where an experienced shooter using an automatic gun (and whose turn it was to shoot) placed a cartridge in the chamber and allowed the breech block to slam closed. The cartridge discharged and luckily blew up the dirt only a few feet in front of him.

It would surprise the number of shooters who have had a similar experience.

An example of the danger involved (if placing a cartridge in the open chamber of an automatic is permissible) would be when a backmarker using an automatic would only have to accidentally touch the button which operates the breech block, and the life of any one of five shooters on front marks would be in danger.

As I see it, the Rule governing automatic (or magazine guns) should

include the following: That no cartridge be placed in a magazine gun whatsoever until it is that shooter's turn to shoot.

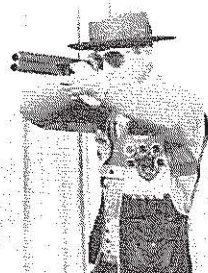

Due to the uncertain and varying interpretations of the present rule by shooters and referees, I would request that my letter and your reply be published in the "News" for the benefit of all concerned.

Yours faithfully,
H. A. WILLIAMSON.

DECISION — Referee was correct in that:—

- (1) Under Rule 14—The Referee's decision is final.
- (2) Under Rule 5—A competitor shall hold his gun in a position of safety with breech open at all times.
- (3) Under Rule 10 — When it is his turn to shoot, a competitor shall close his gun. . . .

Dear Sir,

Please find enclosed handicap card, 1 yard increase on handicap for \$14 received at Coff's Harbour 12/8/67.

It is now just five months since losing my right (shooting) eye and allowed 4-yard reduction, for which

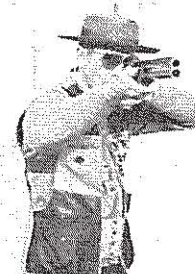

I am grateful. There were three alternatives: change to left hand, use an outrigger, or give shooting away.

First I tried left hand; the first two shoots went quite fair, only gun kick, and kick it did, but then the rot set in. The next couple of shoots set me back until I felt like crawling up the wall. Thought of outriggers, cross-over stocks, and worked on different ideas after trying an outrigger. The debate started, so wrote the pros and cons of both sides; when it worked out even all round, I felt in a bigger mess than ever. After a discussion with a friend it was decided to stay with left hand, as once the novelty of friends who knew watching "to see how you go" wears off, I wouldn't attract as much attention as with an outrigger.

The next thing was practice. I have a sports store, so with a variety of guns, rifles and air rifles and my own trap for clays, I started firing as many shots as time permitted, using a Savage "Four-tenner" insert for the 12 g. and 3" 410 cartridges on the clays from about 12 yds. with a couple of 12 g. to get the shoulder used to the kick.

In four weeks I have fired about 1,000 slugs, 250 12 g. and 410's, 50 odd .22, beside using snap caps with the shotgun for any practice. I have a new starting pistol with two hammers and one trigger, which gives the same effect as double-barrel shooting. All have helped considerably and to win enough to get 1 yard has helped the morale as well, and will continue the practice whenever time permits, and hope it won't be long before I'm on 20 yds. again.

Yours faithfully,
ROY SHEPHERD.

PS.—Nearly 100 shots (12 g.) were fired on Saturday and not one kicked enough to make the shoulder sore.

[NOTE: This letter, as received, is published as a compliment to a man for the manner in which he has met an adversity.—Ed.]

Dear John,

Thanks for your kind letter. It was indeed a pleasure to hear from you.

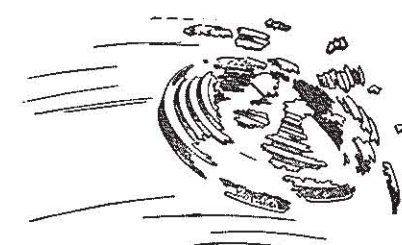

I am in my 78th year and seldom go after the clays, and when I do, I miss, too, many of them. I look back with pleasure to your early visits to Melbourne with your fellow Tasmanian Bill Rainbird and a shy little man, Clive or Claud, whose surname I have forgotten.

The steady and consistent growth of the Association over the more recent decades has been most impressive, largely due, in fact, to that sturdy adherent President, John Tyquin.

With my kindest regards,

Yours sincerely,

INCORPORATED and UNINCORPORATED CLUBS

ANSWER: THE AUSTRALIAN CLAY TARGET ASSOCIATION is an Association whose members are incorporated clubs and individual delegates of unincorporated clubs. The only clubs which are members as such are incorporated clubs.

Broadly speaking, the difference between incorporated clubs and unincorporated clubs is that firstly the incorporated body is a separate entity quite independent of the individual entities of the persons who constitute it. This entity is not affected by changes in personnel. The incorporated club may hold property in its own name and deal with the same under its common seal.

An unincorporated club has no separate entity and cannot hold land or property except in the name of all the members for the time being. In certain cases the liability of its members extends to payment for goods or services supplied to the club, whereas the liability of the member of an incorporated club is limited to the amount of his guarantee and then only on a dissolution.

We set out in particular the peculiarities of an unincorporated club which are as follows: An unincorporated club is a society of persons each of whom contributes to the funds out of which the expenses of conducting the Society are paid. These contributions are usually made by entrance fee or subscription, or both. It is not a partnership; it is not recognised as having any legal existence apart from the members of which it is composed. The members for the time being are jointly entitled to all the property and funds of the club, the property being usually vested in Trustees. It is only upon the dissolution, however, that the individual interest of the members in the property become capable of realisation. Until then their only rights are merely to enjoy the use of the club premises (if any) and other privileges of the society in accordance with the rules so long as they pay their subscriptions and con-

tinue to be members. The property and funds of the club belong to the members for the time being jointly in equal shares, but the interest of a member in the property of the club is not transferrable or transmissible and continues only during membership.

No portion of the property may, however, be alienated by the Club except in the ordinary course of the administration of its affairs and for purposes incidental to its objects without the consent of every member.

The entire management of the club and its property is in the hands of the members. The business of the club is either conducted by them in general meeting or, as is usually the case, delegated by them to a Committee in accordance with the Rules.

The Rules of the club form part of the Contract between the members and can be added to or altered only in accordance with the express provision of the Rules themselves except where the addition or alteration is made with the consent of every member.

For instance, where the Rules of a club contain no express provision for their amendment or alteration, but have been altered from time to time in General Meeting and the members have acquiesced in the alteration a member who declines to pay an increased subscription which has been resolved upon in General Meeting is entitled to an injunction restraining the Committee from excluding him from the privileges of the club, even though he himself has acquiesced in some of the previous alterations and the reasonableness or otherwise of the alteration objected to is immaterial.

As an unincorporated club is not a partnership nor an Association which as an Association is legally recognised (e.g. an incorporated club) questions frequently arise as to who are the persons liable for goods supplied to the club or on Contracts professedly made on its behalf. These questions depend on the ordinary

principals of agency. The person supplying goods must proceed against the members who gave or authorised the giving of the order.

The Trustees and Committee of the club have only such authority to contract on behalf of the members generally as may be given to them expressly or by necessary implication by the Rules. Neither the Trustees nor the members of the Committee, the Secretary or other officials of the club have any authority merely by reason of acting in that capacity to pledge the credit of the members by contracting on their behalf. They have only such authority as may be given expressly or by implication by the rules and the rules will not be construed as giving authority to pledge the credit of the members in the absence of a plain indication of an intention to that effect.

The members of a club may be liable on contracts entered into by

the Trustees, Committee, Secretary or other agents either because the Contracts are within the scope of the authority given by the rules or because though they are beyond the scope of such authority the members sought to be made liable can be shown to have sanctioned or subsequently ratified the particular transaction. The rights and liabilities of members of a club on contracts made on their behalf are prima facie joint only and all the members should be joined as Plaintiffs or Defendants as the case may be in any action of such a contract. If an action is brought against some only of the members jointly liable and judgment is recovered against them the judgment, although unsatisfied, is a bar to any proceedings against the others on the contract, but any member who discharges more than his own proper share of the liability is entitled to claim contribution from the other members whether they were parties

to the proceedings on the contract or not.

The resignation of a member does not affect his liability in respect of any contracts entered into prior to the resignation, but it protects him against liability in regard to subsequent transactions unless he has continued to hold himself out as a member. Trustees, members of the Committee or their agents contracting or purporting to contract on behalf of a Club may incur a personal liability either by reason of the form or terms of the contract or because in making the contract they are acting in excess of their authority.

The unincorporated club not being a partnership or legal entity cannot sue or be sued in the club name. On

the dissolution of an unincorporated club the property and assets are sold and realised and after the discharge of the debts and liabilities of the club the surplus is divisible equally amongst the members for the time being other than the honorary members subject to any provisions in the Rules of the club to the contrary. We repeat, therefore, that there are circumstances in which members of unincorporated clubs may become personally liable, but that this liability cannot apply to a member of an incorporated club limited as most are by guarantee until the winding up of the incorporated club and then only to the extent of his stated guarantee. This guarantee will not be called upon unless there is deficiency of assets.

Stone, 9/10. The trophy was decided on the 5 pr. D.R. and 10 S.B. events. Congratulations go to Dick Adler on winning this, and obtaining his first trophy, with a score of 16/20. D. Webb was second with 15/20.

A visitor present was M. Gow, and we are hoping to see him again in the near future. As all shooters decided it was too early to leave after the programme was completed, two 10 D.B. events were held. Our annual two-day shoot drew 59 shooters from the Gold Coast, Warwick, Clermont, Winton, Bangall, Kelly's Creek, Blackall, Ilfracombe, Aramac, Clara Creek, Charleville, Roma and Oondooroo Clubs. Shooting conditions were very good in comparison with previous years.

Our old friends John Gibson and Ken Brown won the Queensland Deauville Doubles C'ship after a shoot-off with two promising local lads, Guy Hill and Errol Ellem. Congratulations to them all for some good shooting.

The Blackall Gun Club President, Don Lloyd, showed all how to handle Double Rise by out-shooting our Marshal, Sandy Taylor, and Ken Brown; keep it up, Don.

The Alice River Challenge Trophy for teams of five shooters was an outstanding win for Barcaldine No. 1 team, with Kelly's Creek and Barcaldine No. 2 equal runners-up. Congratulations to John Gibson on being High Gun of this event with the only possible.

The President's Trophy was won by Gordon Magoffin, who only dropped one point to win this coveted trophy from John Gibson and Jack Rodgers.

Alan Hardwick from Winton was the outstanding front-marker of this event. Congratulations to the trophy winners.

The \$400.00 H'cap was a triumph for the Barcaldine Club's most promising shooter, Jack Rodgers, who scored the only possible, Jack, with only two years of clay shooting, is on 21 yards—an outstanding effort.

Our thanks for a smooth-running shoot must go to our Marshal, Sandy Taylor, and to Charles Ellem, who kept the traps running, with few faults, over the two days.

I would like to thank Arthur Griffiths and Ray Hogarth for the trophy they left in the back of my car; much appreciated; hope to return the gesture some time.

Thanks to all visitors and club members who helped over the two days.

(A. J. Anderson, Hon. Sec.)

BARELLAN (N.S.W.), 13/8/67.—Weather conditions: overcast and showery. Results: No. 1, 5 targets: L. Dow, B. Gordon, T. Salafia, N. McAlary, J. Hulme, F. Casella, 5/6. No. 2, 10-target D.B. H'cap: T. Salafia, K. Sim, M. Stanmore, J. Hulme, 10/10. No.

3, 15-target D.B. Trophy: 1st, M. Webb; 2nd, C. Gorofolo; 3rd, I. Smith. No. 4, 10-target Walk-up: B. Gordon, 1st, 9/10; L. Dow, M. Stanmore, C. Gorofolo, 8/10. No. 5, 5-target S.B. (16 yds.): B. Gordon, 5/5; L. Dow, T. Salafia, K. Sim, M. Webb, 4/5. High Gun was won by T. Salafia.

Not a big roll-up, due no doubt to the unsettled weather conditions. Shooters were from Leeton, Coleambally, Griffith and Junee. The latter half of the shoot was conducted between showers and the last event was concluded half-way through owing to a heavy shower and freezing winds.

The ladies' trophy was won by Mrs. W. Smith. Once again the ladies supplied afternoon tea. Thanks a lot, ladies.

(A. W. Smith, Hon. Sec.)

BERRIDALE (N.S.W.), 12/8/67.—Weather conditions: cold and windy. Attendance: 23. Results: No. 1, 10-bird D.B.: W. Ryall, A. Feilen, R. Hedger, B. Scanes, A. Povey, R. Maiden, D. Badewitz, T. Hayden, D. Twigg, 10/10. No. 2, 10-bird Pts.: 1st, L. Venables, 33/33; 2nd, A. Feilen, 30/31; F/M., A. Nilsen. No. 3, Canteen (5 S.B., 5 D.B.): 1st, A. Feilen, 19/20; 2nd, R. Morley, 15/16. No. 4, 5 off 12 yds., 5 off 26 yds.: 1st, A. Povey, 12/12; 2nd, D. Badewitz, 11/12; F/M., A. Feilen. No. 5, 6 pr. D'ville Doubles: A. Nilsen - R. Mawley, R. Hedger - A. Povey, B. Hawley - T. Hayden, B. Scanes - M. Blackstock, R. Sands - R. Venables, D. Badewitz - A. Feilen.

All shooters did very well and the scores were close, considering our weather conditions. The birds proved tricky in our novelty event (5 off 12 yds., 5 off 26 yds.) and must have been difficult to shoot, as the wind speared the birds to the ground. There was much laughter heard during this event.

We expect plenty of competition next shoot, as the 10th Sept. is the date set aside for defending the Hudson and Ampol Shields.

Congratulations again to Alf Feilen, who won the High Gun from many of our good shooters.

(Heather Blackstock, Hon. Sec.)

BOORT (V.), 19/8/67.—Weather conditions: fine and mild. Attendance: 14. Results: No. 1, 5-bird Pts.: div. A. Kerr, J. Piccoli, 15/15 pts. No. 2, 10-bird D.B. Trophy: 1st, A. Kerr, 25/25; 2nd, L. Toose, 24/25; 3rd, G. Crouch, 16/17; ladies' trophy, Miss C. Toose. No. 3, 10-bird D.B.: 1st, R. Peacock; 2nd, H. Toose; 3rd, A. Kerr. No. 4, 10-bird D.B.: 1st, R. Peacock; 2nd, W. Makeham, H. Toose.

For a day that didn't look very good for shooting, turned into one ideal for the small field that shot. Alan Kerr proved his ability once again to take the main event, and later on in the afternoon finish with a 50 break. Rex Peacock shot well in two sweepstake events to win both.

(J. Piccoli, Hon. Sec.)

The High Gun for the day was shot off after Event 6 and resulted in Des Twigg winning from Don Badewitz with 39/39. This has been the best shoot-off since the club re-formed, and extra events were then arranged so that Des could go on and obtain his 50 break badge, which he did. Congratulations, Des. As it was a very cold day, a special word of thanks to those ladies who once again served afternoon tea.

We had a good attendance, and conditions were ideal for shooting; indeed, quite a number had reason to be proud of their scores during the day.

Kingaroy visitor Mal Jones shot exceptionally well when he won the South-East Qld. S.B. C'ship and registered a 75 break as well. Ray Slawson, who was second to Mal, was up with his score, too.

More good shooting in the "over fifty" bracket came from Don Bice, George Hogarth, Ron Close and Mrs. Gay. Our congratulations to all.

Judy was particularly elated, as it was her first shoot-off, and the handicap event in which she came third had ten possibles in the line-up. Incidentally, our lady shooters are beginning to increase and to shine. Mrs. Pam Isaacs was another to collect a trophy.

Congratulations to Dave Evans, who won the fifth leg of the Olsen & Goodchap super chair outright (although it is still anybody's guess who the winner will be), and to John Farrow on his high-gun for the day.

The club's thanks go to Ron Clapham for the whisky glasses, and to Eric Mende for the historic spears which decorate our club's walls. They are much appreciated.

High Gun over 3 days: D. Bice, 251. Intermediate High Gun: R. B. Bloxsome, 241.

Aug. 12, 13, 16, 1967. — The attendance of many visitors contributed to the success of this year's show-week carnival, which ran for three days and culminated with the Qld. D.B. Night C'ship.

The weather was perfect for Saturday and Sunday, but Wednesday was a little showery, although it did not upset the shooting at all.

The first win of the shoot was taken by our energetic club member, Eric Mende, who incidentally is leaving us to go on a property at St. George, and needless to say, we will greatly miss both Eric and his wife.

Twenty-one shooters shot off for the Vice-Presidents' Trophy (donated by Ron Porter and Ray Gehrman), which Condamine's "Jenks" Jenkins won, and in which Chub Smith from Ballandean was runner-up for the second time in succession.

Don Clarke was triumphant when he won the coveted super Olsen & Goodchap chair—Don netted the highest aggregate over the six previous shoots, of which the four best scores counted. Dave Evans and Les Tapper were also in the running for it, but unfortunately for Les he did not know and picked the wrong time to experiment with his gun. The over-all front-marker's prize went to

Pam Isaacs; however, country shooters, headed by R. Brose, won all the trophies in Saturday's leg of the competition.

Doug. Smith shot well on Sunday, winning both the Brisbane Exhibition D.B. C'ship and the I.C.I. Trophy—a double-rise event. He repeated the performance on Wednesday with the only possible in the Double-rise C'ship.

We were pleased to see so many shooters from the newly formed Condamine Club shooting so well, and among them Reg Britton shows great promise. Reg was also the recipient of Patron Alf Thurlow's hand-work.

Some excellent scores and breaks were recorded, and our congratulations go to both the Goldsworthys (Doug, we remember, figured amongst last year's winners), also to George McKean, George Hogarth, and our own members, Ron Porter, Ron Close and Peter Kilner. Nice, too, to see Sydney's Mal Fuller win the Berco trophy.

There was an exciting shoot-off as a finale when Clarrie Kassulke beat Don Bice in the Queensland D.B. Night C'ship. Tension was high for a moment when both shooters dropped their same birds half-way through the shoot-off, which then went on until Clarry won with 122/123.

High Gun of the shoot honour was Don Bice's, and Richard Bloxsome won the Intermediate High Gun. Our congratulations.

President Bill Edwards expressed his thanks to the donors, also the club's appreciation to Bill Attwood for the High Gun sash. Bill also thanked the ladies, referees, etc., and all the many other helpers.

BROKEN HILL (N.S.W.), 9/7/67—Weather conditions: cold, high winds, dusty rain. Attendance: 29. Results: No. 1, 10 birds: I. Wakefield, J. Cutting. No. 2, 15-bird monthly Trophy: possibilities, J. Cutting, A. W. Commons—1st, J. Cutting, 16/18; 2nd, A. W. Commons, 15/18; 3rd, R. Warren, 26/27. No. 3, 10 pr. D'ville Doubles West Darling C'ship: 1st, A. Caspers—1. Wakefield, 18/18 prs.; 2nd, O. Boyd—B. Murphy, 17/18 prs.

An excellent roll-up of shooters attended our July shoot, and these had to contend with some of the most trying conditions we have had to compete under at this club. Our weather showed how quickly it could change, and prize winners were strongly congratulated for their excellent shooting. For the shoot-off in our club trophy we were rather disappointed with the apparent collapse of form during the shoot-off between Jim Cutting and Arch Commons. Both shooters shot at three clays before Jim hit one and then became the winner of the first prize. It was most pleasing to see Richard Warren take out third placing after a very keenly contested shoot-off between himself and five other shooters.

Our D'ville Doubles C'ship was also pleasing in the result when two of our newer shooters were able to take the well-deserved honours after a thrilling shoot-off. Congratulations to our promising young member Ivan Wakefield, and our very keen new member, Alan Caspers. Second trophy here also saw another new shooter on the honours list, with Owen Boyd sharing this prize with Ben Murphy.

Another bright spot in the afternoon was the welcome afternoon tea supplied by our ladies. Thank you, ladies.

(Brian Anderson, Hon. Sec.)

BROKEN HILL (N.S.W.), 13/8/67—Weather conditions: cold, windy, overcast. Attendance: 20. Results: No. 1, 10 birds: G. Bassler, J. Robinson, L. Dunn, L. Kolstad, L. Campbell. No. 2, 10 birds: I. Wakefield, G. Robinson. No. 3, 15-bird Club Trophy: possibilities, I. Wakefield, G. Robinson, 15/15; L. Kolstad, 14/15—1st, I. Wakefield, 17/17; 2nd, L. Kolstad, 16/17; 3rd, L. Campbell, 14/15. No. 4, 10 birds: D. Dow, G. Bassler, D. Hammett, R. Wakefield, H. Mellowship, L. Kolstad, I. Wakefield. No. 5, 10 birds: R. Casket, R. Warren.

A most unpleasant afternoon for shooting, but this did not deter those attending from enjoying some keen shooting. We were able to field an average of five squads, this being most pleasing to the committee.

Our club trophy proved another win for our consistent member Ivan Wakefield, who received warm congratulations for his effort. Second trophy went to Len Kolstad, with Lionel Campbell filling third place. Several visitors were in attendance and President, George Hoskins, welcomed them.

Again our ladies were to the fore with their very satisfying afternoon teas, which did succeed in adding a warm spot to the afternoon's proceedings.

(Brian Anderson, Hon. Sec.)

BUNDABERG (Qld.), 6/8/67—Weather conditions: still and cool. Attendance: 17. Results: No. 1, 5 birds. No. 2, 15-bird D.B. Pts.: M. Thiele, 41/45; J. Neilson, T. Jensen, 40/45. No. 3, 20-bird D.B. Kills: J. Haberman, R. Kamradt, 19/20. No. 4, 15-bird S.B. Kills: D. Knudson, 14/15; R. Kamradt, 13/15.

With clubhouse and toilet-block extensions now completed, the club is in readiness for its Special Centenary Shoot on 30th September and 1st October, 1967.

Whilst attendance figures were down, our club members' interests cannot be said to have waned. Members chartered a plane to Ayr and Peter Anderson and Barry Thiele made the Queensland team. Some eleven members visited the Central Queensland shoot at Mundubbera, and three members will be visiting Brisbane Club's next shoot.

Congratulations to Patron Doug. Knudson, popular winner of the 15-bird D.B. Kills event. The day's consistent shooters were Merv. Thiele, R. Kamradt and Jack Haberman.

(W. A. Schoch, Hon. Sec.)

BUNDELLA (N.S.W.), 6/8/67—Weather conditions: fine, but cool. Attendance: 16. Results: No. 1, 5-bird D.B.: possible, D. Arnott. No. 2, 10-bird D.B.: possibilities, D. Arnott, T. Edwards, B. Thompson. No. 3, 10-bird S.B.: equal 1st, J. Simson, T. Edwards, 9/10; 2nd, S. Richardson, 8/10. No. 4, 15-bird D.B. Pts.: 1st, J. Simson, 14/42; 2nd, T. Edwards, 14/40; 3rd, B. Thompson, 13/35. No. 5, 5 prs. A disappointing attendance of regular shooters caused mainly by recent falls of rain. The shooters who attended enjoyed a good shoot, with J. Simson and T. Edwards doing all the good shooting.

Many thanks to the ladies, who once again provided an enjoyable afternoon tea.

(W. H. Brown, Hon. Sec.)

A very pleasant afternoon's shooting was had by all. Very pleasing to see shooters from so many other clubs. It was disappointing that Mr. R. Winning was not present for his trophy shoot; he is in hospital after a car accident. Get well and be back with us soon, Bob.

Thanks to the ladies for their lovely afternoon tea.

Thomas, O. Mayfield, T. Knight.

Twenty-one shooters from Tyrendarra, Warrnambool, Myamyn, Hamilton, Cavendish. Fine weather, with strong, following wind which made birds duck considerably. It was pleasing to see T. McDonald follow up his good form. The previous shoot at this club he strung together 281 and ran second to M. Sullivan, 282.

The ladies, as usual, served a lovely afternoon tea, for which we thank them very much.

The Trophy H'cap went to the consistent Stuart Bennett from Harry Walker from Barwon Heads, with Ballarat shooter Keith Fisher third.

CROYDON (V.), 15/7/67. — Weather: cool and windy. Attendance: 49. No. 1, Croydon and Dist. D.B. Sparrow C'ship: 1st, D. McCraith, 20/20; 2nd, G. Read, 36/37; 3rd, Bill Williams, 35/37; 12-14 yds., J. Nelson, 18/20; 15-16 yds., Bill Lonie, 28/29. No. 2, 10-bird D.B. H'cap: Bob McKnight, Bill Attwood, Bill Lonie, T. De Lorenzo, R. Henwood, D. McCraith, F. Thatcher, 10/10, div.

Very difficult conditions prevailed for the "little ones" today, and only one, Don McCraith, in a very classy field of 49, was able to notch a clean score, followed by several shooters who lost sight of one only to bag nineteen. In the shoot-off for 2nd and 3rd, Geoff. Read and Bill Williams respectively won these honours. John Nelson was the successful 12-14 yd. trophy winner, with Bill Lonie taking home the 15-16 yd. prize. Congratulations to all these winners, and thanks to all the other shooters present for their support. A 10-bird D.B. H'cap followed and was divided by seven shooters who appreciated the switch back to the larger birds.

(G. Lear, Hon. Sec.)

CROYDON (V.), Sat., 29/7/67.—Weather: wet. Attendance: 39. No. 1, Yarra Valley Dist. S.B. C'ship: 1st, G. Biggs, 21/22; 2nd, N. De Lorenzo Jr., 23/25; 3rd, R. Buchan, 22/25; 12-14 yds., G. Bassler, 18/20; 15-16 yds., Bill Lonie, 19/21. No. 2, 10-bird D.B.

H'cap: J. Quittenton, J. Reiznicks, D. Edger-ton, G. J. Jones, R. Henwood, J. Nelson, R. Buchan, L. G. Williams Jr., Bill Abbott, J. Henwood, 10/10, div.

With a small attendance of 39, and conditions not the best for single-barrel shooting, three shooters did well to score 19/20. In the shoot-off, G. Biggs was successful after only two more birds in winning the sash and 1st trophy. Norm De Lorenzo Jr. was second from club President Robert Buchan, third. A new shooter in George Bassler looked like going right on with the "champs" with his first 10 on the board, but dropped two in the second round to easily take out the 12-14 yd. trophy. Congratulations, George, for such a good effort. Congratulations also to the winner and place-getters, also Bill Lonie for his win in the 15-16 yd. group. A 10-bird D.B. H'cap followed, and the boys must have appreciated having a second barrel, for ten of them divided this event with 10/10.

(G. Lear, Hon. Sec.)

CROYDON (V.), 12/8/67.—Weather: Cool and windy. Attendance: 46. No. 1, Club D. Rise C'ship: 1st, Bill Dalzell, 18/20; 2nd, J. Kirkham, 23/26; 3rd, I. Porter, 22/26; 12-14 yds., J. Bursey, 16/22; 15-16 yds., Dick Madden, 16/20. No. 2, 15-bird D.B. H'cap: D. McCraith, J. Henwood, T. De Lorenzo, 14/15, div.

A pleasing attendance for Club D. Rise C'ship, and the first of six club events for Club Aggregate Trophy. Bill Dalzell, with 18/20, scored an outright win from Joe Kirkham and Ian Porter respectively after a shoot-off. The 12-14 yd. trophy went to John Bursey, and Dick Madden won the 15-16 yd. trophy. Congratulations to these shooters, also to Don McCraith, Jack Henwood and Tista De Lorenzo, who divided the second event with 14/15, as every bird broken today was well earned because of the windy conditions.

(G. Lear, Hon. Sec.)

CROYDON (V.), 26/8/67.—Weather: very windy. Attendance: 46. No. 1, Metropolitan Intermediate D.B. C'ship: 1st, N. De Lorenzo Snr., 19/20; 2nd, G. Breman, 19/21; 3rd, D. Goon, 18/21; 12-14 yds., B. Ireland, 17/20. No. 2, Club Back-markers' D.B. C'ship: 1st, J. Westhorpe, 20/20; 2nd, R. Buchan, 22/23; 3rd, T. De Lorenzo, 21/23. No. 3, 10-bird D.B. H'cap: D. Edger-ton, A. Benvenuto, N. White, B. Ireland, Bob Taw-ton, G. Carroll, R. Henwood, T. De Lorenzo, J. Petty, 10/10.

Gale winds made conditions very difficult, with the clays bouncing up and down like yo-yo's. But several shooters showed their class by getting good scores on the board under the circumstances. Norm De Lorenzo Snr. dropped one only to collect the "Inter." sash, and John Westhorpe, a visitor from Canberra, with the only possible, was the back-marker champ. Congratulations to both championship winners, also the place-getters, who also handled the conditions well.

(G. Lear, Hon. Sec.)

DANDENONG (V.), 5/8/67.—Weather conditions: fine and cool. Attendance: 49. Results: No. 1, 5-bird D.B. Pts.: L. O'Brien, K. Dexter, B. Bowling, L. Mills, H. Cooper, J. Nelson, J. Ivey, C. Martin, 15/15. No. 2, 20-bird D.B. Pts.: J. Ivey, T. Nettlebeck, 57/60; K. Waddell, G. Moore, 56/60.

(Keith Pretty, Hon. Sec.)

DORRIGO (N.S.W.), 13/8/67. — Weather conditions: perfect. Attendance: 41. Results (Open shoot): No. 1, 20-bird D.B. Nth. Tablelands Dist. C'ship (16 yds.): H. Williamson, 58/58; A. McClenaghan, 57/58; H. Campion, 48/49. No. 2, 20-bird S.B. Nth. Tablelands Dist. C'ship (16 yds.): E. Sinclair, 28/28; A. Cregan, 27/28; H. Williamson, 20/21. No. 3, 15-target Pts. H'cap: E. Sinclair, 51/51; H. Siddins, 50/51; E. Glasser, 44/45. No. 4, 20-target Cash H'cap: A. Cregan, A. Watts, M. Thrift, E. Glasser, 20/20, div. High Gun (I.C.I.): Dorrigo — H. Williamson, 74/75. High Gun: Dorrigo and Coff's Harbour — D. Macansh, 150/155. Intermed. High Gun: Dorrigo — E. Sinclair, 71/75. Best 12-14 ydr. (Trophy event): E. Glasser.

Our best-ever attendance on a day just made for shooting. Congratulations to Bert Williamson for his repeat win in the D.B. C'ship, and to young Ted Sinclair in the S.B. event. Ted ended up with an addition to his handicap of which he can be proud, and a break badge.

Shooters attended from Coff's Harbour, Guyra, Glen Innes, Walcha, Narrabri, Kempsey, Newcastle, and other centres which I now cannot recall.

The smooth flow of events was due in no small measure to the encouragement and

hustling of Harry McDiarmid. John Forsythe proved an admirable right-hand for the Secretary. Thanks a lot, chaps.

(W. E. Darley, Hon. Sec.)

DULVERTON (Tas.), 6/8/67. — Weather conditions: very fine, sunny. Attendance: 17 shooters. Results: No. 1, 5 birds: P. Thurley, D. Ferney, D. Von Stigitz, M. Oakley, R. Conlan. No. 2, 20-bird D.B. H'cap: R. Wighton, 20/20. No. 3, 15-bird D.B. H'cap: B. Filbey, 39/39; G. Richardson, 38/39; C. Conlan, 30/31.

The weather was kind and a most successful shoot resulted. It was good to see shooters from neighbouring clubs. Congratulations to Ray Wighton winning the D.B. H'cap. He was the only marksman to break the possible. There were five other shooters, George Richardson, B. Filbey, C. Conlan, R. Conlan, D. Gray, with 19/20, which was a fine effort on their shooting. I would also like to congratulate Bruce Filbey by winning the 15-bird D.B. H'cap, which was a fine effort, the runner-up also being George Richardson, against which he shot very well in the second event.

I thank the shooters for coming along and making a really good day's sport.

EASTERN GOLDFIELDS (W.A.), 16/7/67. — Weather conditions: fine. Attendance: 16. Results: No. 1, 20-bird D.B. Club H'cap: 1st, J. Lithgow, 20/20. No. 2, 10-bird D.B.

A good attendance faced the traps for a 20-bird D.B. off club marks, in fine weather conditions, for the Tom Stelling Trophy. This was won in brilliant fashion by J. Lithgow with a score of 20/20; closely pressing the winner was H. Buckman (should be his turn shortly) and Frank Martin with 19/20 apiece. It was pleasing to see old Frank shooting well again. A 10-bird D.B. S'take followed the above, and four members in J. Lithgow, M. McDonald, W. Montgomery and T. Stelling divided the sweep, each with 10/10.

Our "all day" shoot is only a fortnight away and a good roll-up is expected from Esperance, Leonara and Locks, so here is hoping for fine weather to make it an added success.

(J. Lithgow, Hon. Sec.)

EASTERN GOLDFIELDS (W.A.), 30/7/67. — Weather conditions: fine. Attendance: 25. Results: No. 1, 10-bird D.B. (comp. div.): T. Stelling, L. Nangle, J. Lithgow, W. Montgomery, B. Warren, J. Robinson. No. 2, \$50 H'cap (20 birds D.B., A.C.T.A. H'cap): 1st, W. Montgomery, 40/40; 2nd, L. Worthington, 39/40; 3rd, D. Martin, 25/26; yardages, 12-13: A. Carter; 14-15, H. Buckman. No. 3, Dist. S.B. C'ship (20 targets, 16 yds.): 1st, W. Montgomery, 20/20; 2nd, D. Cumming, 29/30; 3rd, C. Spangler, 28/30; yardages, 12-13: A. Carter; 14-15, B. Warren. No. 4, Winchester Shoot (30 targets, A.C.T.A. H'cap): 1st, B. Warren, 68/68; 2nd, W. Montgomery, 67/68; 3rd, M. McDonald, 44/45; yardages: 12-13, A. Carter; 14-15, N. Johnson.

Weather conditions were fine for our all-day shoot, but the attendance was a little disappointing, only 25 shooters faced the traps. Visitors came from Perth, Esperance and Leonara, and most of those took home something to show for their efforts.

As the scores indicate, our President had a field day, winning two shoots, dividing another, and second in the last event. It was truly brilliant shooting, as he shot 137/138 off the 16, 23 and 24 yardage marks over the four events.

A creditable performance was put up by Les Worthington from Esperance, who had Bill really concentrating in the second event, but a wad tricked the old-timer and he had to be content with second placing and a "25 break" badge — well done, Les. Another shooter in Neal Johnson from Leonara also shot well and won himself a yardage trophy and a 25 break badge in the last event.

A barbecue and keg completed a good day and a request was made that certain locals and one member from Leonara sing with a bit of harmony next time they commandere the tape recorder.

Thanks must go to the ladies for supplying afternoon tea and a lovely lunch.

(J. Lithgow, Hon. Sec.)

EASTERN GOLDFIELDS (W.A.), 13/8/67. — Weather conditions: fine but windy. Attendance: 6. Result: 25 Skeet: 1st, C. Spangler.

Weather conditions were fine, but a cold breeze made shooting a little unpleasant. The attendance was very disappointing. It seems that skeet is not the most popular

shoot as far as Kalgoorlie shooters go. The event was won by Clarrie Spangler after a shoot-off with Jim Lithgow.

The scores were as follows: C. Spangler, 18 plus 9; J. Lithgow, 23 plus 4. This resulted in a tie, and in the shoot-off the scores were: C. Spangler, 7 plus 5; J. Lithgow, 9 plus 2, giving Clarrie the trophy. Others shooting well were Brian Warren and Len Nangle.

(J. Lithgow, Hon. Sec.)

ECHUCA (V.), 12/8/67. — Weather conditions: showery. Attendance: 35. Results: No. 1, 10-bird Pts.: 2 possibles. No. 2, Echuca Dist. Mixed Birds: 1st, R. Lamb, 24/25; 2nd, N. Carboon, 23/25; 3rd, J. Brewer, 39/42. No. 3, D.B. H'cap: 1st, N. Carboon, 31/31; 2nd, D. Rumbold, 30/31; 3rd, S. Power, 28/29.

In spite of poor conditions, we had a good attendance at our August shoot. The Mixed Birds C'ship was won in fine style by club member R. Lamb. Visitors were well to the fore in both events, with Norm Carboon shooting particularly well all day.

Our next shoot will be a night programme.

(R. Adamson, Hon. Sec.)

EUROA (V.), 29/7/67. — Weather conditions: wet. Attendance: 15. Results: No. 1, 5-bird D.B.: div. J. Barns, S. Singleton, L. Shallard, C. McCormack, D. McGuinness Jr. No. 2, 15-bird D.B.: 1st, R. Barns; 2nd and 3rd, div. V. Walters, Reg Halsall, J. Barns, L. Shallard, R. Smith, S. Singleton, C. McCormack, D. McGuinness Jr. No. 3: div. G. Saglietti, L. Shallard, S. Singleton, D. McGuinness Jr., R. Barns.

Weather conditions were cold and wet. This was an extra shoot for Euroa for the month only. Fifteen shooters competed. Visitors came from Benalla and Mansfield. Ladies' trophy was won by Mrs. Barns.

Many thanks to the ladies for afternoon tea.

(E. J. Mackrell, Hon. Sec.)

FINLEY (N.S.W.), 13/8/67. — Weather conditions: wet, cold and windy. Attendance: 33. Results: No. 1, 10 birds: D. McGuinness Snr., F. Crawford, S. Kinsey, G. Kocks, V. Ryan, M. Feldtman, L. Sim, R. Lamb, J. N. Thomas, 10/10. No. 2, D.B. C'ship: D. McGuinness Snr., F. Crawford, Mrs. Daly, V. Ryan, M. Feldtman, D. Lucas, J. N. Thomas, G. Thomas, V. Lawford, 20/20. No. 3, H'cap Trophy: S. Kinsey, Mrs. Daly, V. Ryan, E. Matheson, J. McGraw, D. Edwards, 10/10. No. 4, G.A. Edwards Cup (10-bird S.B.): V. Ryan, Mrs. Daly, S. Kinsey.

Another cold, wet day for shooting and thanks to all who turned up to help make the day. We were privileged to have Newton Thomas attend our shoot to give coaching and advice to everyone. Nine shooters clean-scored in the eye-opener and divided. The Club D.B. C'ship saw V. Ryan, 70/70, win from D. Lucas, 69/70, and F. Crawford, 58/59; G. Kocks, F/M., 18/20. Event 3 saw D. Edwards 19/19, V. Ryan 18/19 and J. McGraw 14/15 off handicaps. The G. A. Edwards Cup saw Vin Ryan again win. Special mention to Vin Ryan, who did not miss a bird through the whole programme; also to Mrs. Garry Daly, who only dropped one bird in the eye-opener.

Again thanks to the ladies for the cuppa.

(D. Edwards, Hon. Sec.)

Arnup.

Once again some very good shooting. We boast that our range is the very best in the district, and invite you along to test it out. Alan Cripps and Neil Gannon finished the event from the previous month, and they put on another excellent exhibition. Congratulations to Neil, who went on to shoot another 54/54, thus his total was 210/210. Alan's 53/54 makes his total 209/210.

We will not be shooting in September, but invite you along to our Team shoot in October.

Many thanks to the Foster Kindergarten ladies for the excellent afternoon tea, and to all those who helped. Shooters came from Korumburra, Yarram, Morwell and Foster.

Fifty-two shooters in very good conditions and some excellent shooting. A popular win to Geoff Wickes, with Lindsay Phillips Snr. and Dr. Hurst Retallick close behind.

The new Damo trap performed well. New amenities and ground preparation is attracting many shooters.

(C. D. Wilson, Hon. Sec.)

He also won the ladies' trophy for Mrs. A. J. Graham.

Our monthly night shoot saw the Western Dist. S.B. and Club Inter. S.B. C'ships both fail to tyre's; the District sash to our club Sec., Maurie McGarigle, and the Intermediate to our club man Peter Wellam—popular wins and congrats. to both. Gordon Hall and Alan Wembridge were placed second and third in the District event, and John Hawke and Don Holmes second and third in the Intermediate. John Hawke kept his form to win the Handicap outright from B. Wembridge, F. Buckley, M. McGarigle and J. Hehir.

(R. Green, Pres.)

GEELONG (V.), 14/8/67. — Weather conditions: showery. Attendance: 57. Results: No. 1, Novice Night: 5 shot, J. Foster, E. Kirchner, I. Dickens, C. Walker, A. Coleman. No. 2, 5 targets: A. Noonan. No. 3, Novice Invitation (10 targets): 1st, M. Vietl, 10/10; 2nd, K. Robinson, 9/10; 3rd, R. Wiffen, 8/10. No. 4, Novice Trophy (10 targets): 1st, R. Wiffen, 10/10; B. Gibson, K. Robinson, M. Vietl, C. Dawson, B. Elstone, 9/10.

Our club recruiting committee organised a novice shoot, attendances being 57, including our members, who assisted in coaching and safety vigilance. A most heartening roll-up from which our club should gain some membership.

Our President invited members to join for the remainder of the current year with a membership fee of the A.C.T.A. nomination only. A report was also given of the progress of the new skeet shooting ground. Concrete should be poured within a few weeks and the operational date somewhere in November.

(M. Eastwood, Hon. Sec.)

GEELONG (V.), 26/8/67. — Weather conditions: gusty winds, cold. Attendance: 21. Results: No. 1, Club Walk-up C'ship: 1st, S. Cations, 14/20; 2nd, D. Holmes, 14/21; 3rd, R. Green, 13/21. No. 2, 15-target H'cap: 1st, H. Wenning, 15/15; 2nd, R. Patterson, 14/15; 3rd, div. A. Wembridge, T. Nitschke, J. Hawke, 13/15.

An extremely difficult day for shooting walk-up conditions and consequent low scores. Stan Cations of Werribee stended into the breeze to win outright, 14/20; Don Holmes, 2nd, and Ron Green, 3rd. A day to be forgotten by some experienced shooters who were lucky to record a stroke on the score sheet (no names, no court martial). N. Wenning won the Handicap outright from R. Patterson, A. Wembridge, T. Nitschke and J. Hawke.

Thanks to Vera Hehir and daughter Yvonne for brightening the afternoon with refreshments.

(M. Eastwood, Hon. Sec.)

GERALDTON (W.A.), 9/7/67. — On Sunday, under quite fair conditions, apart from the breeze, the Geraldton Gun Club conducted both a 20-bird D.B. H'cap and 10-bird Walk-up. The 20 birder was preceded by a 5-bird eye-opener, and those to shoot the maximum were R. Burton, S. Zorino, J. Boyes, J. Costantino, and T. White. The 20 birder was won outright by Dick Burton with the only possible, thus proving that his long handicap

does not affect his shooting ability. Two 18's shot off for second place, and Taffy White earnt himself another yard by defeating Jim Boyes. Other good scores were put up by Eric Boschetti 17, Harry Finlay 16. In the 10-bird Walk-up Eric Gartner "blooded" his new gun when he defeated Club Captain Sam Zorino in a shoot-off after each had recorded 9/10 in the initial round. Jim Boyes filled third again with his 8, with Joe Costantino taking fourth place in the accompanying sweepstake. Dick Burton and Taffy White vied for 5th with their 6's. Top guns over both events were Dick Burton and Jim Boyes, each killing 26/30. The ladies' trophy was drawn in the favour of Mrs. White.

President Dick Burton, assisted by Mrs. Costantino, presented the trophies and sweepstakes and thanked members, ladies and visitors for their attendance.

(Jim Boyes, Sec.)

GERALDTON (W.A.), 23/7/67. — On Sunday last, under ideal conditions, local shooters competed for the Club Mixed C'ship title.

This event comprises 12 skeet 10 D.B., 10 S.B., 10 walk-up and 5 prs. double rise targets. Sam Zorino and Dick Burton each created a new club record when they returned the scores of 49/52 kills. In the ensuing shoot-off to decide whom should take home the coveted sash, Dick proved too good for Sam, and filled the winning position. Third place went to Jim Boyes with his 46, whilst Eric Gartner filled fourth with 44. Worth noting is the fact that in previous years any one of last two scores would have won this event outright, so obviously the standard of ability has improved.

Vice-President Bill Heath, assisted by Mrs. Finlay, presented the trophies and thanked those present for their attendance. The ladies, too, also received the usual thanks for their sterling efforts in the kitchen.

The club's next shoot will be on Sunday, August 6, and will be a 50 birder. This event will be the local club's effort in the Association's Down-the-Line Inter-club competition and will also decide the club's champion.

GERALDTON (W.A.). — On Sunday, Aug. 6, under perfect conditions, local shooters competed in a mixed birds event consisting of a total of 25 birds. Dick Burton and Eric Gartner shared first-place honours with their possibles after handicaps had been added, with Sam Zorino filling the minor placing.

Best scores "off-the-gun" were Dick Burton and Eric Gartner with 22, Sam Zorino and Jim Boyes 21 each, whilst Joe Costantino and Lou Pember each killed 17. Scores were generally low, this being brought about by the shortage of black targets. As a result, whites were used, and these targets proved to be quite elusive.

A 5-bird D.B. was fired, and Sam Zorino, Jim Boyes and Eric Gartner split the accompanying sweepstake monies after each had recorded possibles.

After the usual "cuppa" President Dick Burton presented the trophies, thus concluding a very pleasant afternoon on the tracks. The club's next shoot will be held on Sunday, Aug. 20.

(G. Boyes, Sec.)

GERALDTON (W.A.). — Last Sunday, Aug. 20, under perfect conditions, members of the Geraldton Gun Club competed for the Club D.B. C'ship. Three shooters, in Lou Pember, Sam Zorino and Dick Burton, each recorded possibles in the 50-bird event, which was fired from the 16-yard mark. Dick Burton, who has had a terrific run this year, both locally and interstate, retired from the shoot-off and left Pember and Zorino to battle for the honours. The end result was in favour of Lou Pember after Sam missed a bird, although both gunners had been really "busting" their targets. Third place was filled by Eric Boschetti with his 43, thus showing a return to his old form. Jim Boyes did well with a 47, whilst those others to record good scores were Eric Gartner 46, Taffy White 45, Harry Finlay 42.

Following the main event of the day, a 10-bird D.B. H'cap was fired, and in this event Jim Boyes, Lou Pember and Bert Boschetti split the sweepstake monies, having killed 10/10. Those on 9 were Dick Burton and Eric Gartner, with Joe Costantino, Sam Zorino and Eric Boschetti 8 each.

Following the usual pleasant "cuppa" the trophies were presented to the recipients. At the conclusion of the presentations, the club's "trappers", in Greg Burton, Gary Finlay and Sergio Zorino, participated in a small S.B. event, and placings finished in that order. These young shooters show considerable promise and it is hoped that they all "follow in their fathers' footsteps."

GRIFFITH (N.S.W.). 22/7/67. — Weather conditions: cloudy and cold. Attendance: 28. Results: No. 1, 5-target D.B.: 8 div., L. Foley, R. Lewis, L. Dow, J. Harman, W. Smith, P. Jenkin, D. Gibbs, K. Sim. No. 2, 15-target D.B. Trophy: 1st, W. Smith, 28/28; 2nd, M. Webb, 27/28; 3rd, H. Gibbs, 16/17. No. 3, 20-target D.B. (off 18 yds.): 2 possibles, H. Gibbs, B. Gordon.

A pleasant afternoon's shooting was enjoyed by those who ventured out; it was a little chilly, but that can be expected at this time of the year. Bill Smith shot well all the afternoon; only missed one target; he won the trophy event, also the high gun. The shooting in the 20 targets off 18 yards was not exceptionally good, only two shooters scored possibles, H. Gibbs and B. Gordon, so we will all have to pull up our socks if any of us are to make the team on the 5th and 6th August.

Thanks, ladies, for the enjoyable afternoon tea.

(K. H. Sim, Hon. Sec.)

GRIFFITH (N.S.W.). 5 and 6/8/67. — Weather conditions: cool, cloudy, east wind. Attendance: 97. Results: No. 1, 15-target D.B. (off 18 yds.): 15 div., E. Hawkins, H. Gibbs, C. Harries, R. Hayes, K. Heywood, T. Salafia, K. Soames Jr., N. Nicholson, J. O'Connor, D. Withers, D. Scowcroft, G. Thomas, D. Lucas, M. Burgess, R. Holcombe. No. 2, N.S.W. State Team Elimination: A. W. Hayes, H. Wilder, T. R. Thompson, H. Gibbs, R. Hayes, K. Heywood, D. Scowcroft, K. Sim, M. Burgess, S. Bell, K. Oldfield, K. Soames Snr., R. Bushby, J. Thompson, B. Gordon. No. 3, Northern Riverina S.B. C'ship: possibles: M. Quirk, C. Harries, D. Lucas, M. Burgess, A. James, H. Wilder, T. R. Thompson, B. Gordon — 1st, D. Lucas, 76/76; 2nd, M. Burgess, 75/76; 3rd, A. James, 70/71. No. 4, 20-target \$100.00 Cash H'cap: div. T. Dahlenburg, J. Blackley, D. Gibbs, P. Jenkin, J. Tyquin, T. Clifton, A. Martens, J. Forsyth, M. Webb, E. Hawkins,

N. Mills, K. Oldfield, D. Scowcroft. No. 5, 10-target D.B. Night E.O. (off 16 yds.): 16 div. No. 6, Riverina Night D.B. C'ship: possibles, L. Bird, H. Gibbs, A. James, R. Holcombe, J. Manns, N. Nicholson, M. Webb — 1st, H. Gibbs, 59/59; 2nd, R. Holcombe, 58/59; 3rd, A. James, 51/52. No. 7, 10-bird D.B. H'cap: 14 div. No. 8, 20-target D.B. \$555 H'cap: 1st, D. Withers, 30/30; 2nd, F. Chudleigh, 29/30; 3rd, W. Shields, 25/26.

Well, the N.S.W. State Team Elimination has been held. The numbers were a little disappointing; the highest number that contested one event was 83. In the handicap event on the second day there was only 56 shooters nominated.

In the Team shoot shooting was not of a high standard for most of the team, except M. Burgess and Keith Soames Snr. M. Burgess won the high gun for the team with 106/106; K. Soames was runner-up with 105/106. D. Withers won the Miroku Broadrib. He must have been a little excited, for he went home and left the gun he came with behind. Alf James from Victoria won the High Gun for the programme; he only missed three targets over the programme.

I would like to thank all those who helped to run the shoot in any way, especially the referees and scorers; it was not very nice standing in the cold.

I must congratulate the ladies on the meals they supplied; they were most enjoyable.

(K. H. Sim, Hon. Sec.)

Cunningham, 10/10. High Gun: H. Campion.

A terrific roll-up for the first shoot over the recently installed electric traps, which worked perfectly throughout the afternoon.

The club trophy event provided a keen shoot-off, with the ultimate winner being Ivil Reid. High Gun over the programme went to Bert Campion, who shot very well — the recent knee operation hasn't affected the trigger finger. We are all very pleased to have you back on the tracks, Bert.

Our thanks again to the ladies for the usual splendid afternoon tea.

What is it about a Franchi

O/U (trap) that puts your

competitors 'over a barrel'?

Since we're talking about barrels, let's start with them. Only the Franchi barrels are made of Super Chrome-Molybdenum steel. So they're the lightest, strongest, smoothest in the world!

Lightweight gives you beautiful balance (fastest "pointing"!); Strength to withstand the most testing use (pressure tested to 8½ tons per sq. in. instead of the 6.40 tons prescribed by law). Mirror-smooth (hard-chrome lined) barrels resist rust, erosion, leading, fouling and wear. It also reduces pellet deformation to the absolute minimum. So your Franchi will deliver more shot to the target!

What other score-boosting features does a Franchi over and under give you? Plenty! We'll tell you about them in later issues. If you can't wait till then — just ask your gun dealer to show you.

Luigi Franchi 'Alicone' over and under — Standard, Super, Super Trap & Skeet models priced from \$330.

*Here's why you can't ignore
the advantages of a Broadrib*

- 1 The channel down the centre gives you the advantage of a narrow rib, i.e. better vertical perception — shows you clearly if you are left or right.
- 2 The wings on either side of the channel enable you to perceive instantly whether you are above or below the target. Any error in elevation is immediately obvious.
- 3 The longer and level sighting plane (there's no step up as in other ribs) gives you more accurate sighting and makes it instantly apparent if you lift your head — the main cause of lost birds.
- 4 Mirroring or haze distortion is eliminated, a certain hazard in long shoot-offs.
- 5 You get a big advantage in wet weather — the milling of the rib diffuses rain drops.
- 6 The extra weight adds stability to your barrel, you become a much better second-barrel shot, and you never stop your swing.

Only the Stirling Broadrib has the advantage of a perfectly shaped stock and fore-end. This means greater comfort, better concentration and greater accuracy. Pick up a Stirling; it feels and handles much better than any other.

Anyone who has fired 100 shots or more through a Stirling Broadrib knows beyond doubt that the above advantages add up to a major improvement in trap-gun design. Don't listen to the man who has fired only 2 or 3 shots — he doesn't know. You can laugh at the few diehards who hate to admit that the expensive guns they bought some years ago are now out of date. Do you move with the times? You do if you own a Stirling Broadrib.

Headon, 23/24; 2nd, Max Gibson, 22/24; 3rd, N. Milliken, 15/20; M. Valentine, F/M., 14/20. No. 3, Patron's Trophy, 15 D.B., 15 S.B. (30-bird H'cap): 1st, P. Jenkin, 29/30; 2nd, E. V. Cox, 28/30; 3rd, Maurice Gibson, 26/30; R. Williams, F/M., 25/30. No. 4, 5-bird Walk-up: 1st, R. Neale, 5/5.

This was the first good weather day for the "Patrons" shoot for a few years and was enjoyed by all. Jack Headon won the D. Rise C'ship, displacing the previous holder, Max Gibson, who looked set for a long shoot-off, but that's the way it goes.

The Patron's trophies were presented by Darb. Headon and certainly appreciated by the winners, who shot well in this mixed-type event, with our young "protege" Russel Williams earning the F/M. trophy.

Thanks again to the ladies for sustenance.

Lowry eventually ran out the winner, with Paul Marshall taking third place. Congrats. to the place-getters and many thanks to the ladies for their efforts in the kitchen.

We had quite a good muster for the Vic. D'ville Doubles Sparrow C'ship, considering the weather did not look very promising early in the day. Many thanks to the shooters who travelled such long distances to compete.

The visitors proved too good on the day, and our congratulations to Maurice Sullivan and Gerry Sharrock (from Macarthur) on winning the title, and to Jim Walls and Bill Attwood (Melbourne) on running second.

Once again our ladies supplied us with a very welcome afternoon tea. A very big thank-you, ladies, for the fine work you do for the club.

(Bert C. Robinson, Hon. Sec.)

HOPETOUN (V.), 4/8/67.—Weather conditions: cold and dry. Attendance: 26. Results: No. 1, 5-bird D.B.: seven possibles, R. Neville, C. Dalton, L. Ey, G. Barbary, N. Mott, K. Rickard, T. O'Sullivan. Club's monthly shoot has slipped a little through the winter, but better things are expected later in the month. However, 26 shooters are not bad. Seven shooters were successful in the E.O. The 10-bird Trophy was won by S. McCleary with 27/27; second place to H. Coundon, with 26/27; third to R. Hudson with 23/24. Second Trophy event went to R. Ferrier and C. Barbary, equal trophies, 32/32.

Thanks to those ever willing ladies for a most enjoyable supper. Next shoot Friday night, Sept. 1.

HUNTLY (V.), 29/7/67. — Weather conditions: very wet. Attendance: 53. Results: No. 1, 5-bird Pts.: div. N. Green, F. Doyle, K. Shearer, M. Connelly, A. Mason, O. Dowker, W. O'Shannessy, 15/15. No. 2, 20-bird D.B. H'cap: 1st, G. Smith, 23/23; 2nd, I. McLeod, 22/23; 3rd, L. Sheehan, 20/21. No. 3, 10-bird D.B. H'cap: 1st, G. Crouch, 10/10; 2nd, L. Scarce, 10/11; 3rd, B. Fowler, 9/11.

The committee of the Huntly Club wish to thank all shooters who attended this shoot and kept shooting under very dismal weather conditions, like the sportsmen they are. In the wettest day Huntly has experienced in conducting a shoot over their nine years' shooting, 53 shooters from near and far turned up to do battle for the main prize of a portable T.V. With no let-up in the rain, the shooters were very keen and kept on the job. Three shooters, G. Smith, Ian McLeod and L. Sheehan, were the only three possibles with 20/20, and in a short shoot-off G. Smith of the Victorian Club had to shoot three birds to take the first prize, Ian McLeod of Horsham taking second prize, and Harcourt shooter, L. Sheehan, third prize, missing his first release in the shoot-off. The 10-bird event saw new shooter G. Crouch with the

only possible to take the Raleigh Tray, L. Scarce taking second trophy after a short shoot-off with B. Fowler.

(J. E. Jones, Hon. Sec.)

INVERELL (N.S.W.), 19/8/67. — Weather conditions: overcast, windy, rain. Attendance: 21. Results: No. 1, 5 birds: 11 div. No. 2, 20-bird D.B. (op. sweep): 3 div., J. Griffey, E. Redman, K. Matthews. No. 3, 10-bird S.B. (comp. div.): 5 div., L. Kennedy, J. Griffey, E. Colley, E. Redman, J. Ponton. No. 4, 6 pr. D'ville Doubles: 2 pair div., E. Redman-R. Shearer, J. Griffey-N. Campbell. No. 5, 5-bird Pts. (op. sweep): 4 div., E. Redman, C. Colley, J. Griffey, J. Ponton.

Although the conditions were not very good, there was an attendance of 21 shooters. Congratulations to Clive Colley in keeping the monthly trophy, having won it three times in all.

The club would also like to thank Jack Griffey for installing the second trap, which was tried for the first time, and many thanks for all those who helped make the day successful.

KINGAROY (Qld.), 6/8/67. — Weather: fine, cool. Attendance: 20. A disappointing attendance gave way to good scores and solid shooting, with competition strong in all events. Results: 10-bird D.B.: 1st, T. Hauritz, 54/55; 2nd, N. Dale, 53/55. 10-bird S.B.: 1st, N. Dale, 12/12; 2nd, M. Jones, 11/12. 15-bird Pts.: R. B. Bloxome, 81/81 pts.; 2nd, M. Good progress is being made with the new clubhouse facilities, and the annual shoot in October promises to be the best yet for the staging of the Qld. D.B. Sparrows.

(A. Egerton-Warburton, Hon. Sec.)

LILYDALE (V.), 22/7/67—Weather conditions: fine, cloudy. Attendance: 49. Results: No. 1, 15-bird Pts.: W. Henwood, A. Senserrick, 45/45, div.; A. Bove, V. Harper, 44/45, div. No. 2, Yering D.B. C'ship: 1st, W. Abbott, 51/51; 2nd, A. McCulloch, 50/51; 3rd, W. Dalzell, 35/36; 12-14 yds., K. Dunstan, 24/27; 15-16 yds., L. Benvenuto, 32/33; 17-18 yds., A. Bove, 30/31; novice sash, best 12-14 yds., B. Kilpatrick, 25/27. No. 3, 20-bird S.B. H'cap: 8 div., A. Catomore, V. Harper, W. Gresselle, W. Henwood, R. Fox, A. McCulloch, R. Layton, G. Robinson.

The Yering D.B. C'ship was conducted for the first time and proved to be a very popular event. The winner of this championship was Bill Abbott, president of the Werribee Club. Bill shot 51/51 and was fully extended by our own President, Alex McCulloch, 50/51. Third place went to the ever popular Croydon shooter Bill Dalzell, 35/36.

Yardage prizes in the championship went to K. Dunstan, L. Benvenuto and A. Bove, who all did quite well against strong opposition. Novices in the 12-14 yds. class were competing for a sash donated by George Robinson. This sash was won in fine style by new-comer Brian Kilpatrick, 25/27. This is not the first occasion that Brian has done well at Lilydale and no doubt his performance is the forerunner of bigger things to come.

In the final event of the day, the 20 birds S.B. H'cap, eight shot 18/20 and split the sweepstake.

(J. H. Vavasour, Hon. Sec.)

LILYDALE (V.), 5/8/67—Weather conditions: fine. Attendance: 43. Results. No. 1, 15-bird Pts.: 1st, A. Ferguson, 45/45; 2nd, L. Shallard, 44/45; 3rd, A. Bove, 42/45. No. 2, 30-bird D.B. H'cap: 1st, T. Mock, 31/31; 2nd, L. Shallard, 30/31; 3rd, P. Firman, 32/33; 12-14 yds., G. Copeland, 27/28; 15-16 yds., A. Ferguson, 30/32; 17-18 yds., R. Kilkeny, 31/33. No. 3, 10-bird D.R. Clays: 1st, A. Coridas, 6/10; equal 2nd, W. Carlton, A. Bove, 5/10.

The day's shooting was conducted under pleasant conditions, with a slight breeze. In the main event of the day, the D.B. H'cap, visitor Tom Mock from Bordertown, and a member of the Apsley Club, won the event in fine style. Tom was in Melbourne for a few days, and this was his first visit to Lilydale.

Another of our more regular visitors, Leo Shallard from Euroa, filled second place in the D.B. H'cap, and also the eye-opener. Leo is keen for members of our club to visit Euroa, and it would be pleasing if some of our shooters could return the compliment.

Experienced shooter Peter Firman was third in the D.B. Handicap and continued his run of success in events conducted by the club. Peter, who is an excellent shot, rarely misses out on a trophy when he visits Lilydale.

Another good performance on the day was that by Alec Ferguson, who won the eye-opener and also headed the 15-16 yds. group in the D.B. H'cap.

In the Double Rise event Kim Coridas, one of our newer members, turned on some good shooting to take out the event from consistent performers Tony Bove and Bill Carlton.

Two other shooters to make their presence felt on the day were G. Copeland and R. Kilkeny, who took out yardage prizes in the D.B. H'cap. These shooters, having their first visit to Lilydale, were very popular and we would welcome them back at any time.

(J. H. Vavasour, Hon. Sec.)

LILYDALE (V.), 19/8/67—Weather conditions: cool, cloudy. Attendance: 32. Results: No. 1, 8 birds Walk-up: L. R. Maybury, 7/8; 7 div. 2nd, A. Coridas, W. Henwood, R. Sharp, J. Bennett, H. Stevens, F. Shearer, P. Ford, 6/8. No. 2, Metropolitan Walk-up C'ship (20 birds off 16 yds.): 1st, R. Sharp, 22/30; 2nd, S. Stevens, 21/30; 3rd, R. Maybury, 15/20. No. 3, Club D.R. C'ship (20 birds off 16 yds.): 1st, S. Stevens, 9/10; 2nd, A. McCulloch, 9/12; 3rd, G. J. Jones, 8/12. No. 4, 10 birds Novelty: 1st, T. De Lorenzo, 9/10; 4 div. 2nd, R. Sharp, A. Coridas, F. Shearer, S. Stevens, 9/10.

The weather for the Metropolitan C'ship was disappointing and did not enhance our attendance. However, competition on the day was very good.

In the Metropolitan C'ship we witnessed a most interesting shoot-off between Dick Sharp and Steve Stevens, who singled themselves out from the rest of the competitors. Their shooting in this testing event was very good and Dick finally took out the honours. Steve atoned for this defeat later in the afternoon by easily winning the Club Double Rise Championship.

The other event for the afternoon was a 10 birds Novelty Event. This event was won by Tista De Lorenzo, who has been conspicuous recently by his absence.

Other shooters who shot well on the day were Ray Maybury, who won the eye-opener and then took third place in the Metropolitan C'ship, Alex McCulloch, Bill Jones, Fred Shearer and Kim Coridas.

(J. H. Vavasour, Hon. Sec.)

LISMORE (N.S.W.), 27/8/67—Weather conditions: gusty westerly, overcast. Attendance: 13. Results: No. 1, 5-bird Pts. (16 yds.): R. Shepherd, D. Worrall, Ted Sinclair, 15/15. No. 2, 5-bird D.B. (16 yds.): R. Shepherd, Ted Sinclair, Darcy Powell, F. Hoskins, 5/5. No. 3, 5-bird S.B. (16 yds.): R. Shepherd, Darcy Powell, D. Mount, 5/5. No. 4, North Coast of N.S.W. S.B. C'ship (20 targets from 16 yds.): 1st, R. Shepherd, 18/20; 2nd, Ted Sinclair, 19/22; 3rd, Darcy Powell, 18/22. No. 5, 10-bird D.B. H'cap: Darcy Powell, L. Fredericksen, 10/10. No. 6, 5-bird Pts. H'cap: David Worrall, 14/15; L. Fredericksen, R. Shepherd, Ted Sinclair, P. Powell, F. Hoskins, 12/15. No. 7, Box Sweep: 1st, L. Fredericksen; 2nd, P. Powell.

This afternoon proved — as predicted in yesterday's paper — a field day for our new "south-paw". Roy Shepherd not only shot the possible in each of the first three events, but went on to score 18/20 under most trying conditions to win outright the North Coast of N.S.W. S.B. C'ship for 1967. Our heartfelt congratulations, Roy! Club President Darcy Powell also shot well, pushing Roy to higher efforts.

We were pleased to welcome visitors in the persons of Ted Sinclair and his wife from Coff's Harbour; Ted shot well, scoring possibles in the first two events, then coming home second in the championship.

Lindsay Roach today joined our club, and we are pleased to see that he shows promise of quick improvement—welcome to our ranks, Lindsay.

Mrs. Darcy Powell was ably assisted by Mrs. Paddy Powell and Mrs. Keith de Saxe in the preparation of a fine afternoon tea.

All our congratulations and best wishes go to Dick Powell and his good wife on their acquisition of a son this morning.

Club President G. Roberts presented the trophies to the winners and thanked visiting shooters for their attendance, also especially thanking the ladies for their efforts, which were particularly appreciated on such a miserable day.

METROPOLITAN (V.). — Three shoots in July and each came up to expectations. Following are the results:

July 1. — 15 birds Pts.: Newton Thomas, 45/45. Tony Edgar, 44/45, Jim Walls and Harry Belmore, 43/45, cut the remainder of the cash.

The Whittlesea Walk-up C'ship was won in good style by Newton Thomas, 25/25. Tony Edgar, 24/25, was second, and Tom Spence 18/20, third. The front-mark trophy went to P. McCoid, 16/20.

Roy Fallsaaw (31/31) won the Epping Skeet C'ship from Newton Thomas, 30/31, third place going to Ray Maybury, 24/25.

A 20-bird D.B. H'cap concluded the programme, and this was cut by Ray Maybury and Dudley Edgerton with a clean score. Bill Delaney, Max Day and Alan Harrod each scored 19/20.

A round of Skeet saw Bruce Roberts, Roy Fallshaw, Tony Edgar, Merv. Landers and Newton Thomas divide the prize.

July 15 was very cold and windy and shooting was difficult. Andrew Catomore, 43/45, was best in a 15-bird Points. Max Day, 40/45, was second and Ken McErlain, 39/45, third.

The main event was the Grand Handicap of 30 birds D.B. This was won in very good style by Andrew Catomore with 29/30. Andrew is a very promising young shooter. Ken McErlain, 33/35, was second and Alan Carlson, 32/35, third. George Busseli, 27/30, took the front-markers' prize.

Adrian Zorzi and Max Day divided a 20 birds D.B. with 19/20. Ken McErlain, 18/20, was third.

The first skeet was divided by Dan Sliger, Graham White and Don Roberts. Jim Sliger and Graham White cut the second skeet.

July 29 was not a good day weatherwise, but the attendance was good. The opening 15 birds Points was won by Anthony Serrick, 45/45, second was Bill Attwood, 44/45, and equal third, with 43/45, were Eugene Colautti and Bob Dale.

The Epping Intermediate D.B. C'ship was won in good style by committeeman Jim McVicar, 28/29. Lyle Mitchell, 27/29, was second, and Phil Fergus, 26/29, third.

The back-markers' shot in conjunction was divided by Rusty Fox, Bill Williams, Don Glover, Alan Carlson and Jim Walls.

The Whittlesea S.B. Sparrows C'ship was won outright by Tony Edgar, 20/21; Merv. Landers, 19/21, was second, and Jim Walls, 19/22, third. The front-marker was Mal Brown, 18/24.

Two rounds of Skeet were decided, nine dividing the first and four the second.

Programmes for future shoots are contained herein.

METROPOLITAN (V.), 12/8/67. — Sixty-five shooters. A 5 birds D.B. and 5 birds S.B. commenced, with only three possibles—Bill Delaney, Bob Dale and Keith Paterson.

As is our practice, the holder of a Club C'ship is invited to defend his title when next it is decided. Ray Maybury, holder of the Club Mixed Birds, had a lot of competition, and unfortunately he failed to gain a place. Our American friend, Jim Sliger (22/25) was the winner, beating two committeemen, Eugene Colautti (31/35) and Tom Spence (30/35). Jim's son Don, with 18/25, secured the 12-15 yds. trophy.

Keith Paterson (holder), 46/47, was just beaten by his mate Ray Lacey (47/47) in the Club Tower C'ship. Ron Jones, another of Keith's pals, was third with 44/45. Ken Austin, 15/20, was the best 12-15 yarder.

Ray Lacey is just back from an overseas trip, where he met with quite some success.

Two rounds of Skeet were decided, nine dividing the first and three the second.

Saturday, August 26, was a terrible day for shooting. The wind was at gale force and at times had shooters blown off balance as they shaped up. Just how strong was the wind was apparent in the scoring.

In the opening 15 birds Points two top shooters divided with a somewhat poor score of 30/45. The two were Newton Thomas and Tom Spence. Jim McVicar and Bruce Roberts, 29/45, were the best of the others.

The Epping D.B. Sparrows C'ship was next, and considering the conditions, the scoring rate was much better. Vice-President Ray Hering scored a good win with 19/20. Eric McCullough (Echuca President) was second with 18/20, and Jim Walls (18/21) was third. Phil Fergus (12/20) took the 12-15 yds. trophy.

The Whittlesea S.B. C'ship saw an outright win for Graham White (17/20). Max Day (24/28) was second and Tom Spence (23/28) third. Alby Torr won the front-mark trophy with 15/20.

The first round of Skeet was divided by Keith Spencer, Bill Delaney, Michael Thornton and Les Turner. The second Skeet was cut by Keith Spencer, Bill Delaney, Michael Thornton, Merv. Landers and Ron Jones.

It is worthy of note that Michael Thornton (13-year-old son of Dick Thornton) scored his first 25 off the gun in the second Skeet. It was a very fine performance for one so young, and this lad will go places.

MILLICENT (S.A.), 30/8/67. — Weather conditions: very windy. Attendance: 20. Results: No. 1, 5-bird D.B.: div. K. Manning, I. Spehr, M. Earl, C. Whitehead, R. Reschke, T. Reschke, 5/5. No. 2, 10-bird Pts.: 1st, L. Sims; 2nd, G. Yoanidis; 3rd, div. F.

Bad conditions made shooting very difficult for the shooters, with a gusty north wind playing tricks with the birds all day. However, a few overcame the elements and scored possibles in the third event.

A few young shooters picked a very bad day to try their hand over the trap, with most of the birds escaping unscathed.

(A. J. McIntyre, Hon. Sec.)

A rather small attendance of shooters enjoyed pleasant conditions on Sunday, Aug. 6, and, due to the weather, some very good scores were returned.

An exciting shoot-off for first; in the second event saw the major prize go to Sid Williams, from Trevor Reschke with second.

An excellent afternoon, tea was once again prepared by the ladies and draperies were presented at the end of same by the President, Ken Marks.

PUCKAPUNYAL (V.), 30/7/67.—The last Sunday of July turned out to be a most pleasant day both from a weather and a successful shoot point of view. Thirty-four shooters arrived at the grounds mostly with their families, which gave the shoot a picnic atmosphere. Shooters turned out from many metropolitan and country clubs. It was indeed a pleasure to see some of the old faces around again, also to welcome some first-timers to Pucka.

No. 1, 10-bird Pts., saw four shooters in J. Summers, A. James, T. Spence and Bill Williams turn in clean scores.

No. 2, the major event for the day, was the Seymour Dist. S.B. C'ship. This time H. Belmore, W. Attwood, N. Carboon and A. Senserrick lined up for the shoot-off, with Harry Belmore finally taking out the honours from Bill Attwood, and N. Carboon third.

The Trophy H'cap saw five shooters fronting up for a shoot-off: T. Bove, H. Belmore, K. Ramsdale, M. Day and T. Buskauskus; this time T. Bove took H. Belmore to 46 before being declared winner with 47/47. Max was runner-up, 3rd, with 41/42.

The fourth event, the Novelty S'takes, was divided five ways to shooters with 10/10.

Front-markers' trophy for the day's programme went to J. Nelson with 53/60. The ladies' trophy was won by Mrs. Belmore.

The Aggregate High Gun Trophy topped off a most successful day by Metro. Club President, Harry Belmore. Congratulations, Harry, on a fine 59/60.

(K. W. Ramsdale, Pres.)

PUCKAPUNYAL (V.), 27/8/67.—Sunday, Aug. 27, was a day of fast-changing weather from a fine, sunny start to a blustery, showery afternoon, with the occasional sunny break; undaunted, however, were the 44 shooters who turned up from all over for the Pucka. District D.B. C'ship.

Event 1 on our programme was the 10-bird Pts. In this only C. Daish registered the perfect 30/30, with T. Spence and Bill Abbott on 29/30.

Event 2, The Puckapunyal District D.B. C'ship. Here six shooters fronted up for the shoot-off after 20/20's: T. Spence, Bill Abbott, A. Carlson, R. Maybury, Bill Williams, C. Daish. Again Clarrie warded off his challengers by shooting 40/40. Bill Williams was second with 39/40 and T. Spence 3rd with 37/38. Another shoot-off in this event was for front-markers' trophy, with D. Cust, Bill Roberts and K. Ramsdale in the line-up, and a very determined Bill Roberts won the very short shoot-off with a final score of 21/22 and records his first backward move.

Event 3. The Trophy H'cap resulted in only 3 possible 20/20's, D. Cust, H. Marshall and L. Shallard. Here Leo outlasted the opposition to win top honours with 29/29. Harry was second on 29/30 and Dave with 28/30, third. Again the front markers was to be shot off, with K. Dunstan, Bill Roberts and K. Ramsdale. Kev eventually won with 29/30 from Keith.

The final event, the Novelty H'cap. We saw four shooters record perfect scores in fast-failing light, Bill Williams, R. Maybury, H. Marshall and Bill Donovan.

The Aggregate High Gun was taken out for the second time by T. Spence with 58/60. The ladies' trophy was won by club President's daughter, Kim Ramsdale.

It was most pleasing to see such a splendid turn-up. Many old faces, many new. The club extends a very cordial welcome to all our visitors, in particular those steady old identities who reserve the last Sunday of each month for their day out at Puckapunyal.

(K. W. Ramsdale, Pres.)

One of the most successful shoots to date, 41 shooters taking part in the various events. Shooters from New Zealand, Hawkesbury, Waterfall, Sydney, Wollongong, and club members.

R. Hayes was the only competitor with the possible 45/45 in the Points Trophy event. In the shoot-off for second prize and front-marker, P. Lace won from K. McCloy, F/M., and C. Webster. Thirty-two shooters took part in this event.

Owing to entries being so high, it was only possible to hold four events. There were many spectators, and again all voted it a great day. With 20 possibles in the first event out of 34 entries showed the spectators the standard of shooting would be high throughout the programme.

Good day's shooting enjoyed by all in attendance. Swan Hill and District D'ville Doubles C'ship was won outright by Harold Coundon and Richard Ferrier, who scored the only possible. The 5 pair of Double Rise Sparrows really created concern among shooters until Clem Barbary once again displayed his superiority in taking first prize.

Shooters from Stanhope, Undera, Echuca, Shepparton, Euroa, Seymour, and surrounding districts attended the club's shoot. Shooters got on the beam early: 14 div, the 5-bird E.O. The club's D.B. C'ship saw nine

getting their 20. In the shoot-off seven shooters gradually dropped out, leaving Alf James and K. Dobson. These two were really on the beam; it looked like getting the lights out for them to finish, but Kevin's luck was out; he missed his 161st bird, Alf James winning 161/161; Kevin Dobson, 2nd, 160/161; N. Carboon, 79/80. Congratulations to these three shooters; extra congratulations to Kevin Dobson, a back-marker, 27 yds., getting his first 100 or better break. A 5-bird sweep saw the finish of a great day.

Thanks to all who attended, and to Mrs. Shand and helpers for afternoon tea, which was enjoyed by all.

TATURA (V.), 19/8/67. — Weather conditions: cold, windy. Attendance: 19. Results: No. 1, 5 birds: 10 div., J. Cooper, R. Halls, G. Huff, C. Jordan, C. Johnson, V. Ryan, H. Nihill, T. Love, E. A nice turn-up at the club's shoot, although the weather was not the best. 10 divided the E.O. The second event, the Goulburn Valley D.B. C'ship, saw seven shooters getting the possible. F. Crawford, J. Cooper, V. Ryan, L. Sim, R. Cooper, E. McCullough and N. Carboon faced up for the shoot-off. After 10 birds, 4 shooters were back in the shed. V. Ryan and E. McCullough both dropped their 30th bird, leaving L. Sim the winner. After another 14 birds E. McCullough ran out for 2nd, with V. Ryan 3rd. Congratulations to you all.

After presentation of trophies and afternoon tea, a 15-bird Sweep saw 9 shooters dividing. Thanks to all shooters for their attendance, and the best of luck in future shoots.

A poor roll-up spoiled the shoot, and as a result only moderate scores were recorded. Gary Percival shot reasonably well to take major honours of the shoot.

(H. T. Wellham, Hon. Sec.)

TYRENDARRA (V.), 1/7/67. — Weather conditions: fine. Attendance: 20. Results: No. 1, 5 clays D.B.: 13 shooters div. No. 2, 15-clay D.B. Trophy: 1st, A. Bant; 2nd, H. Smith; 3rd, B. Griffin. No. 3, 10 clays D.B. \$2.00 Sweep: div. four shooters, R. Millard, B. Murray, T. Knight, A. Simkin.

The \$75 trophy event shot for at Tyrendarra Gun Club in fine weather, with a nice wind from the front. The eye-opener was divided by 13 shooters out of a field of 20. In the trophy event only three could shoot the 15 clays to qualify. The shoot-off resulted in a win for A. Bant of Warrnambool;

Harold Smith second, with Bob Griffin third. The third event, 10 clays D.B. \$2.00 Sweep, was divided by R. Millard, B. Murray, T. Knight and A. Simkin.

The afternoon tea as usual was thoroughly enjoyed. Thank you, ladies.

(Harold Smith, Hon. Sec.)

TYRENDARRA (V.), 5/8/67. — Weather conditions: sunny, slight breeze. Attendance: 38. Results: No. 1, 5 prs. D. Rise: H. Vaughan, 10/10; B. Griffin, L. Sims, R. Millard, H. Smith, H. Durbidge, 9/10. No. 2, Vic. D.R. C'ship: 1st, G. Sharrock, 32/34; 2nd, N. Hinneberg, 31/34; M. Sullivan, 29/32; F.M., B. Rundell, 18/30. No. 3, \$100 Cash H'cap (10 clays H'cap marks): A. Miller, 1st; H. Durbidge, S. Durbidge, C. Flouwright, R. Millard, G. Sharrock, J. Hinneberg, Don Bull, div. 2nd and 3rd money.

A large crowd enjoyed the sunshine at Tyrendarra, when the Vic. State Double Rise C'ship was decided. In the 5 pairs E.O. only one of the shooters, Harry Vaughan, President of Hamilton Gun Club, shot 10/10; B. Griffin, L. Sims, R. Millard, H. Smith, S. Durbidge, 9/10.

The field looked pretty hot, with the experts from the Wimmera, the South East of

South Aust. and Metropolitan shooters present, with a 26 and 27 yarder put in for good measure. After shooting the 15 pairs only three had shot 28/30. Several had the opportunity in the last round to win outright, but fell by the wayside. The shoot-off was between N. Hinneberg of Horsham, M. Sullivan of Macarthur and G. Sharrock of Tyrendarra. After only a short shoot-off of only two pairs G. Sharrock won from N. Hinneberg, M. Sullivan third. This is the first individual championship which Sharrock has won and the ovation he received would have thought he'd won the National—a very popular win.

The \$100 Cash H'cap was won outright by Athol Miller, Secretary of Apsley Gun Club, with seven other shooters dividing second and third money.

For afternoon tea the occasion was unique, too. The ladies very nearly ran out of eatables. That is, there was not quite so much over. There was standing room only, with visitors and shooters and their families enjoying themselves. Thank you, ladies.

It was nice to see Bill Henwood with us, also our other distant visitors.

Quite a good attendance for the I.C.I. Trophy and yet only two shooters scored possibles, and Peter Radoa, still showing excellent form, won from Vern Harper. Six shooters with 19/20 shot for third, and Bob O'Donnell showed he could have been un-

lucky to miss his last bird in the event, for he out-shot the others to finish third. J. Thomas was the F/M.

VICTORIAN (V.), 15/7/67.—Weather conditions: windy night. Attendance: 37. Results: No. 1, State Tower Night C'ship: 1st, R. J. Woodhart, 20/20; 2nd, R. Maybury, 19/20; 3rd, R. Burrill, 22/24. No. 2, 15-target D.B. H'cap: div. G. Smith, J. Muscat, R. J. Woodhart, K. Downs, 14/15.

The State (Night) Tower title was well won with the only possible by R. J. Woodhart. Very unusual is the fact that this is the first Championship this shooter has won. Second with the only 19/20 was R. Maybury, and R. Burrill took third place after a short shoot-off. The gusty and very strong wind accounts for the low scoring and congratulations must be in order for the prize winners.

The trap boys did an excellent job, too, as the birds were well controlled within the limits, and under the conditions this was by no means easy.

Thanks to the ladies who worked so hard during both day and night shoots.

(J. Platten, Hon. Sec.)

VICTORIAN (V.), 19/7/67.—Weather conditions: cold night, light wind. Attendance: 21. Results: No. 1, 5-target Pts. H'cap (cash div.): 1st, div. F. Apted, G. Smith, 15/15; 3rd, div. J. Platten, L. G. Ray Morrison, shooting consistently again now, won the S.B. C'ship from Alf James after a very short shoot-off. Frank Apted was third, and "Junior" Lloyd Williams, showing promise with 17/20, was the front-marker. Congratulations to these shooters and thanks, as usual, to the ladies.

VICTORIAN (V.), 5/8/67.—Weather conditions: fine. Attendance: 19. Results: No. 1, 5 prs. D. Rise: 1st, R. Herring, 10/10; 2nd and 3rd, div. A. Finlayson, E. Colautti, 9/10. No. 2, Western Suburbs D. Rise C'ship: 1st, R. Herring, 19/20; 2nd, F. Burns, 29/34; 3rd, A. Finlayson, 28/34; F/M., R. J. Woodhart, 14/20. No. 3, Altona Dist. S.B. C'ship: 1st, F. Burns, 20/20; 2nd, G. Smith, 22/23; 3rd, T. Congratulations to all the place-getters and thanks to all who attended. Thanks to the ladies for the fine afternoon tea.

VICTORIAN (V.), 9/8/67.—Weather conditions: windy night. Attendance: 38. Results: No. 1, 4 pr. D.D. (cash div.): div. 6 prs., 4/4. No. 2, Footscray Dist. D.D. C'ship: 1st, P. Radoa - R. O'Donnell, 20/20 prs.; 2nd, J. Walls - T. Spence, 22/23 prs. No. 3, 15-target D.B. H'cap (cash div.): div. J. Platten, G. Smith, V. Harper, H. Walker, G. G. Ewen, L. Kaye.

Gusty winds made the targets difficult, and Bob O'Donnell and Peter Radoa shot the only possible to win the two ashes outright. Both these shooters are in top form and teamed very well for their win. Jim Walls and Tom Spence finished second after a short shoot-off. Congratulations to the prize winners and thanks to the ladies for that welcome supper.

VICTORIAN (V.), 19/8/67.—Weather conditions: raining. Attendance: 40. Results: No. 1, 5-bird Pts. (16 yds.): div. A. James, R. Lamb, A. F. Drake, J. Henwood, D. Trembath, A. Senserrick, T. Spence, R. VICTORIAN (V.), 23/8/67.—Weather conditions: fine night. Attendance: 26. Results: No. 1, 5-target Walk-up (cash div.): div. R. Morrison, A. James, P. Ford, N. White, R. O'Donnell, L. Reicha, J. A very good day's shoot, with the Coleambally team winning the Ray Hall Challenge Shield at its inaugural shoot, with the Sydney Gun Club team close behind. The Pat and Lou Zanolli Shield was shot in conjunction with No. 2 event, and won by Menindee No. 1 team (E. Owen, D. Gates, J. Vigar, J. Caskey, A. Coombes) with the score 143/150 after a shoot-off with Broken Hill and Mildura. Congratulations, Menindee.

John Caskey had a very successful day by winning both the S.B. C'ship and D.B. C'ship.

Congratulations, John, on such fine shooting. Ted Wilkinson and Ivan Wakefield shot well for second and third in the S.B. C'ship, and also Brian Bock, who won the yardage trophy. In the D.B. C'ship Jack Vigar took a good second, with Ron Wakefield third and Don Dow the yardage. Congratulations to all winners and place-getters.

Mrs. G. Hoskins was the lucky lady to win the ladies' trophy on the S.B. C'ship, and Mrs. Mark Doyle the trophy on the D.B. C'ship. Jack Vigar, who shot well all day, won the High Gun outright with a full score — good shooting, Jack.

We were pleased to welcome Newton Thomas to the club and also another shooter from I.C.I., George Cobbin.

Our thanks to Mrs. Halls and the ladies for an excellent day's catering. Thank you, ladies.

(Marg. Warren, Hon. Sec.)

YARRAWONGA (V.), 22/7/67. — Weather conditions: dull and cloudy. Attendance: 18. Results: No. 1, 10 targets: 9 possibles: V. Ryan, A. Jamieson, T. Clifton, E. Oliver, G. Reilly, D. Williams, W. Sullivan, D. Murray, F. Lyons. No. 2, M.V. D.B. C'ship: 4 possibles, P. Ryan, J. Gray, T. Clifton, F. Lyons — 1st, J. Gray, 27/27; 2nd, F. Lyons, 26/27; 3rd, P. Ryan, 24/25. No. 3, M.V. D.R. C'ship: 1st, T. Clifton, 19/22; 2nd, R. Morley, 18/22; 3rd, P. Ryan, 16/20. No. 4, 8 pair D.D.: 2 pair div., R. Morley — F. Crawford, A. Jamieson — G. Colvin. No. 5, 7 pair D.R. Quail: G. Colvin, 1st; T. Clifton, 2nd.

Taking seasonal conditions into account, a reasonable number of shooters attended. Without our consistent visitors we would be a forgotten club. The E.O. started good with 9 possibles. The D.B. C'ship saw only four possibles. This was J. Gray's first D.B. sash; lucky for him V. Ryan had gun trouble and put him out.

The D.R. saw two, 17/20; they decided this with one pair in the shoot-off. The D.D. saw some very patchy pairs not worth commenting on. The D.R. Quail with gun-down position. This really brought the poachers out to show us some good shooting.

YARRAWONGA (V.), 26/8/67. — Weather conditions: cold and rain. Attendance: 23. Results: No. 1, 10 targets: 7 div., N. Bridges, L. Sim, G. Huff, D. Williams, Dr. Lyons, D. Murray, K. Hodge. No. 2, Owens & Murray D.B. C'ship: 7 possibles — 1st, V. Ryan, 47/47; 2nd, T. Clifton, 46/47; 3rd, A. Jamieson, 44/45. No. 3, Yarrawonga D.D. C'ship: 3 pair shot the possible — 1st, J. Gray — N. Mills; 2nd, V. Ryan — L. Sim.

A good turn-up of 23 to our shoot; though it rained all day, the shooters coated up and blazed away. V. Ryan won the D.B. from T. Clifton, with A. Jamieson 3rd. A good win to Vin, who is a very consistent shot. The D'ville Doubles was shot off in heavy rain, but three pair shot the possible: T. Clifton — D. Murray, N. Mills — J. Gray, and V. Ryan — L. Sim. The shoot-off was short — first pair to go on their 4th pair, the second on their 6th pair, leaving N. Mills — J. Gray a sash and leather over-night bag as first prize. V. Ryan and L. Sim were second.

Thanks to our ladies for the good cuppa, and also to our visiting shooters, who help us out with refereeing.

(James A. Gray, Hon. Sec.)

YASS (N.S.W.), 8/7/67. — Weather conditions: perfect. Attendance: 21. Results: No. 1, 10-bird D.B.: J. Westhorp, D. Withers, M. Bucknell, E. Elrington, T. Frost and G. Beaumont, 10/10. No. 2, 10-bird Pts.: J. Westhorp, M. Bucknell, G. Armour, T. Frost, M. Lyons, K. Robertson, 30/30. No. 3, 15-bird Vice-President's Trophy: D. Withers, 1st; K. Oldfield, 2nd. No. 4, 5 pairs D. Rise: D. Withers, T. Frost, M. Lyons, P. Johnstone, 10/10.

With a good number of shooters and ideal conditions, we saw some good shooting during the afternoon. In the Vice-President's Trophy D. Withers came out on top after a tense shoot-off with seven other shooters, for he also won himself a 50-bird break badge while shooting in this event; it was Danny's day, for he didn't miss one bird all day.

It was pleasing to see a good attendance of shooters coming from surrounding clubs. Hope to see you all at our next shoot.

(R. G. Smith, Hon. Sec.)

YASS (N.S.W.), 12/8/67. — Weather conditions: perfect. Attendance: 14. Results: No. 1, 5-bird D.B. Sparrows: E. Elrington, K. Oldfield, W. Manning, 5/5. No. 2, 10-bird

D.B.: D. Withers, J. Westhorp, A. Koorey, T. Frost, R. Smith, K. Oldfield, W. Manning. No. 3, 20-bird Trophy: 1st, R. Frost; 2nd, P. Johnstone. No. 4, 5 prs. D. Rise: T. Frost, 10/10; J. Forsyth, R. Frost, 9/10. No. 5, 6 prs. D'ville Doubles: D. Withers — T. Frost, S. Pateman — R. Smith, P. Johnstone — Jim Medway, possibles. No. 6, 10-bird D.B.: D. Withers, J. Westhorp, A. Koorey, T. Frost, W. Manning, R. Smith, 10/10.

There was only a small attendance, with most of the shooters being visitors coming from Canberra, Cootamundra and Dalton. Shooting conditions were a little tricky, with a cross wind, but a good afternoon's shooting was enjoyed by all.

Was pleasing to see Rod Frost back again shooting as keen as ever, taking out first place in the trophy event, Peter Johnstone second. Congratulations to Danny Withers on winning the gun at the Griffith shoot.

The club held its Annual Meeting on the morning of the shoot. Tom Frost is the club's worthy President for another year, with Ray Smith Secretary.

Hoping to see a lot more new and old faces at the next shoot.

(Ray Smith, Hon. Sec.)

Now made in Australia!

A shotshell that keeps the powder gases where they belong

**Winchester-Western gives
it to you — the strongest
shotshell on the market.**

It's the Australian-made Western Double AA. But let's not get too confused by the name. Very simply, it's a break-through in a shotshell design which you won't want to miss.

It's a rugged, low-brass shell that's built for perfect performance where a heavy load is not needed. Best of all, this great shotshell has a hard, slick plastic tube that won't scuff or swell. Feeds faster, chambers faster — assures you jam-free extraction . . . shot after shot!

So if you've a yen to try something new in target loads, switch your shotshell supplies. See what we mean when we say AA is the best news in target shells.
