Yet he can still shoot a possible although does not like the strain of long shoot-offs.

RULES INTERPRETATIONS

Problem

A shooter recently shot in a District Deauville Doubles Championship. After all the contestants had shot at 10 pairs of targets it was almost dark and the referee announced a later date and club at which the event would be finalized. Two shooters could not or did not attend, although they attended other shoots on the date named.

Decision

Rule 74 sets out quite clearly that in the event of a shoot not being completed because of darkness the club shall have the right to decide how and when the competition shall be continued. As such an announcement was made, any objection by the non-attending pair of shooters (because of their arrangements to attend elsewhere) has no bearing on the club's decision to continue the competition at the time and place stated.

CLUB HISTORY . . .

THE

BRISBANE GUN CLUB

QUEENSLAND

The Brisbane Gun Club, situated in Mt. Petrie Road, Belmont, Brisbane, is eight miles from the G.P.O. The club was officially opened by the Lord Mayor of Brisbane, the Rt. Hon. Alderman Clem Jones, on Sunday, 26th June, 1966. The area on which the club has been established is Commonwealth ground and occupies 1,250 acres. Also established on the area is a 900-yard Rifle Range, on which the Queen's Rifle Shoot is held; a Small Bore Range, a 300-metre Range, a Pistol Range, a second 700-yard Rifle Range and an Archery Range. A Community Centre, including 24 motel units, is for the use of the whole area.

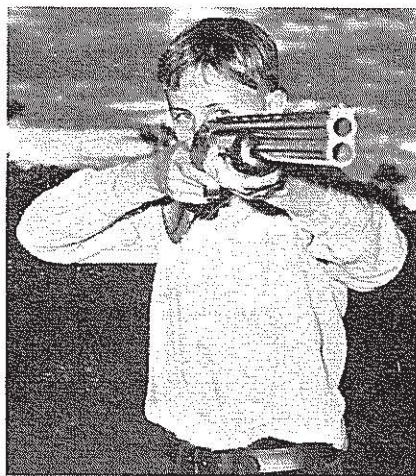

In the six months prior to the opening, the Brisbane Gun Club had to be carved out of dense scrub country. Some \$17,000 was spent on clearing earth works, building the shooting area and erecting a modern club house 50' by 35' which overlooks the whole trapshooting area. Since then another \$5,000 has been spent on further improvements. A large amount of money required was loaned by club members.

The shooting area consists of 4 trap lay-outs and has earth-work completed for 2 more trap lay-outs and 2 Skeet lay-outs which are at present being installed. The shooting area is covered by a well-kept lawn. Two traps are lit up for night shooting, which has proved very popular with Brisbane's ideal climate.

The trap houses, constructed of Besser Concrete Blocks, as are all the buildings on our ground, hold a total of 50,000 clay targets. The club house, overlooking the shooting area, has a large plate-glass front leading on to a 50' by 10' verandah. Under the club house are two large toilet rooms, three Gunsmiths' Rooms and storage space. At one end of the

single-roomed club house is a modern bar, complete with Temprite System, refrigeration, and glass washing machines. At the other end is the Secretary's office and a spacious kitchen. The club house is insured for \$10,000. The trap areas are connected to the office by a system of telephones which enables the Secretary to control the shooting and prevent time-wasting delays. Parking area is unlimited. A lot of work in establishing the club has been done by members.

The membership is 155 and is continually growing. Yearly subscription is \$4.00. The average monthly attendance is 75 for day shoots and 45 for night shoots. The club shoots the second Saturday afternoon (practice shoot), the third Wednesday night and the last Sunday each month.

Promising young shooter RUSSELL MASSEY of Clermont (O'd) shooting at the Central Burnett Gun Club Annual Shoot.

The annual shoot is held early in August during the Royal Show period.

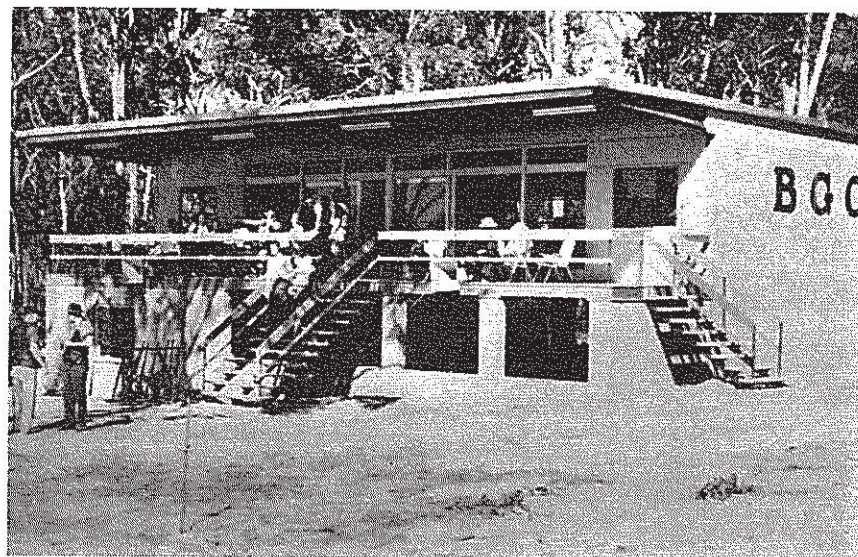

The club is fortunate in having a large number of visitors during the year. The ladies' committee provides morning and afternoon teas and lunch every shoot. A barbecue has been built and lunch usually consists of steak and salads. A children's playground, including slippery slides, swings, etc., keeps the children away from the shooting area.

The club is fortunate in having as members such shooters as Doug. Smith, Ken Bassett, Alan Kemp, Bruce Mackey and other top shooters who are only too happy to coach and help our new shooters, and indeed spend much time in coaching shooters. The result of this coaching is seen on the two honour boards hanging in the clubhouse. One board has the club's record break, the name of the shooter and the date the break was made. The present holder of the record is Doug. Smith with 218. The other board is the "100 Club Board" on which the names of all shooters who shoot a 100 break on the ground appears together with

the score and the date. So far about 30 names are on the boards.

The Brisbane Gun Club was situated at Tingalpa, before moving to Belmont, for 10 years. A handicap card of the Brisbane Gun Club bearing the names of members and their handicaps, dated 1911, has been framed and is hanging in the clubhouse. Mr. Alf Thurlow, who is 83, and who fired his first shot in 1898, is still an active member of the club. He is a foundation member of the Brisbane Gun Club and has done a lot for shooting over the years AND can still score a possible. Many Queensland shooters have beautiful cleaning rods and table mats handmade by Alf, which have been donated to gun clubs as trophies.

Amongst other features of the club is the large score board, built by members, which will hold over 300 names and scores. The actual score boards are moveable and are stored under the clubhouse when not in use. The score board is situated close to the Secretary's office, and scores can be continually checked. Scores can also be easily read by shooters standing on the verandah or in front of the clubhouse.

1968 WINCHESTER CLAY TARGET TOURNAMENT

On Saturday, October 26, 1968, in each State an Australia-wide tournament will be conducted for some \$12,000 of trophy and tour prizes. (In future years this contest may be part of the Winchester International Claybird Tournament held annually in the U.S.A.)

This 1968, 100-target Double-barrel Trap Event is an interesting radical change in that trophies within Olympic rules will be awarded to all yardage class categories of winning team members.

Trophies

All shooters qualifying in the preliminary rounds for positions in the State teams of the Trap event will receive a Winchester Model 66 Centennial Rifle valued at \$180 and a badge, with runners-up winning a case of 500 Winchester AA shotshells. From each State round, a State representative team of 5 shooters will emerge. Once formed, these teams will, during the same programme, shoot a further 100-target event to establish an aggregate team score and so determine the Commonwealth winning State Team. Members of this winning team and their wives will be conducted on a shooting tour of New Zealand's South Island. Commonwealth winners will have Oak leaves added to their State Team Badges and will be awarded a shield. The five-day tour of the South Island of New Zealand will be entirely organised by Winchester and will include a shoot at Christchurch and a coach tour of the South Island. All transportation, accommodation and meals will be provided by Winchester.

A special brassard will be presented to all entrants in the 1968 Winchester Tournament.

Rules

The entire tournament will be conducted on A.C.T.A. standards and rules and will conform to Olympic requirements. Two scorers will officiate at each trap, at all stages, in addition to the club-appointed marshal(s) and qualified referees. Finals' results will be decided by the A.C.T.A. office on postal receipt of official score cards. In the event of ties, points scoring will determine the winner (see paragraph two of "Elimination").

No employee of Winchester Western Australia P/L or any other sporting ammunition manufacturing company will be eligible to enter.

Truflite Clay Targets shall be provided by Winchester.

The Trap Elimination (Qualifying) Round

The event will be 100 targets, double barrel, shot in four visits each of 25, off the 16-yard mark and each shooter may request a sighter at his first visit to the first trap only. Points 3 and 2 will be recorded and in the event of ties, a count-back will be used to adjudicate ties only; however, **KILLS ONLY ARE TO COUNT**. The winner in each of five classes will form the State team. These classes will be:—

- Class One — 24 to 27 yards
- Class Two — 20 to 23 yards
- Class Three — 17 to 19 yards
- Class Four — 15 to 16 yards
- Class Five — 12 to 14 yards

Scores will be recorded in each class, the shooter having the greatest number of kills in the class, determined by his A.C.T.A. handicap, is the winner of that class, the five respective class winners form the State team.

In the event of ties within classes the points score recorded will be

used to break the tie, the tying shooter with the highest points score being the winner. In the event of a kill and points tie, a five-target shoot-off will decide the winner, kills to count, first to miss drops out. Runners-up in each class will be declared and decided in a similar manner.

A shooter may compete only once in the event. The programme will commence at 9.00 a.m. and shooters must nominate before completion of the first round.

NOMINATION FEE is \$15.00 per entrant.

At the discretion of the conducting club, shooting may continue into the night over lighted traps or may be completed, under Rule 74, on October 27.

In the qualifying round, any factory loaded cartridge with no more than 1½ ounce of no larger than size 6 shot may be used. Scores will be displayed for all shooters to see as soon as possible during the event to finality.

The club will announce the five class winners and the formation of the State team and shall record the respective names and addresses of each such team member. Any such members who drop out before the actual team shoots the final round will be replaced by the runner-up in the same class.

The Trap Event

Each State team will shoot the final round as a squad. This final event will consist of 100 targets double barrel, consisting of five (5) targets off each track before changing, in two (2) visits of fifty (50) targets each, all off the 16-yard mark. Points 3 and 2 will be recorded and in the event of ties, a count-back will be used to adjudicate ties only. However, **KILLS ONLY ARE TO COUNT**.

Cartridges to be used shall be Winchester AA, as supplied, with the compliments of the manufacturer.

Each team's score will be the aggregate of the individual members' scores, totalled to form the team score. **THE TEAM SCORE WILL NOT BE ANNOUNCED BY THE CONDUCTING CLUB.**

A State Team Result sheet must be mailed on the day of the shoot to The Secretary, A.C.T.A., G.P.O.

Box 2038 S, Melbourne, 3001. This result sheet must show the name, initials and address of each shooter member, his handicap class, his score and then the grand total being the team score.

When the results of all State finals are received by the A.C.T.A. they will be judged and the winning team announced. Winners will be notified individually.

A finals team winner declining to attend the shooting tour of New Zealand will be replaced by the runner-up in the same class and State. A State team member cannot accept the Skeet Tour should he also win this event.

The Skeet Event

An optional Winchester 25-target Skeet Handicap event will be run in the same programme as the 1968 Clay Target Trap event.

This shall be one full round of Skeet (25 targets) shot as a handicap event, as part of the Tournament programme. Contestants in the trap event may enter the Skeet event at an additional nomination of \$3.00. For contestants entering the Skeet event only, the nomination will be \$5.00.

In the event of ties, to be shot squad system, miss-out.

Cartridges as specified for the trap event shall be used. Each State Skeet winner will shoot either alone or with no more than one pace-maker. Successive rounds of skeet from normal stations to establish as large a break as possible, taking handicap into account. The break will terminate during a round when one more target is lost off the gun than handicap allows. All rounds shall be shot in a regular sequence of stations.

Stations 1 and 2 = doubles

Stations 3, 4 and 5 = singles

Stations 6 and 7 = singles and doubles

Station 8 = singles

Singles and doubles to be shot from one visit to the appropriate stations (to speed things up).

The break score will be recorded along with the shooter's name, initials and home address, and mailed to The Secretary, A.C.T.A., G.P.O. Box 2038 S, Melbourne, 3001.

Should the event not be completed in one day, the event may be continued into the night on lighted fields.

Squads shall be of no more than six shooters and may be less, at the discretion of the conducting club.

Each State will conduct the qualifying round on normal A.C.T.A. handicapping procedures. Trap shooters without club or A.C.T.A. skeet handicaps will be handicapped according to A.C.T.A./club established procedures.

State finalists shall be handicapped for the purpose of the event, only on the record of their "off the gun" qualifying round scores. The qualifying and first elimination round scores shall be added together, then divided by 2 (half points not to count). This figure shall be deducted from 24 and the resultant figure will be the finalist's handicap to be used in establishing the break. Should the qualifying round not require a shoot-off to determine a winner, that score alone shall be deducted from 24 in order to establish finalist's handicap.

A State finalist failing to shoot a registerable break within the required period shall be replaced by the runner-up.

Skeet scores will have no connection with the State Trap Team's aggregate scores.

Skeet Trophies in each State will be:—

- 1st — a model 66 Centennial Rifle
- 2nd — a case of 500 AA. shotshells

The winner of each State Skeet final will shoot successive rounds, taking handicaps into account, to establish a total break score. **THE HIGHEST BREAK SCORE WILL ESTABLISH THE TOURNAMENT SKEET WINNER.**

All competing shooters will receive a specially embroidered Winchester badge.

The Tournament Skeet winner and his wife will join the winning Trap team members and their wives on the conducted shooting tour of New Zealand.

- Tasmania — Hobart Gun Club (Hobart)
- South Australia — South Australian Gun Club (Adelaide)
- Western Australia — Perth Gun Club (Perth)

Results

These will be published in A.C.T.A. Shooting News. It is anticipated that the Grand Prize — the New Zealand tour — will take place during the December holiday period.

General

In a joint statement on the Tournament, A.C.T.A. President, Mr. John Tyquin, and Winchester - Western Managing Director in Australia, Mr. Don McCall, said that "a tournament of this scope and magnitude can only result in tremendous interest in Clay Target Shooting as a sport throughout Australia".

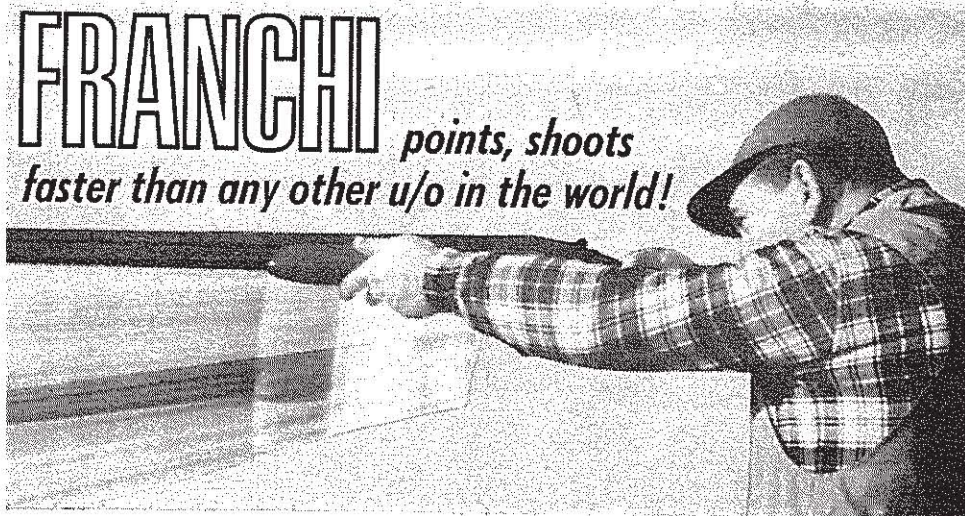

It will be remembered how much publicity the brief visit of the 1967 U.S. Claybird Tournament winners, with film star Robert Taylor, created earlier this year. "It is our ambition to provide an Australian team to compete in the International Tournament as quickly as possible," a Winchester official said, "and we appreciate the co-operation of the A.C.T.A. in conducting this first Australian Clay Target Tournament."

Special Notes

Winchester - Western (Australia) Pty. Ltd., in an endeavour to speed the tournament, have asked:—

- (a) in the 100-target Trap event that the scoring method described above be used in this event to quickly adjudicate any ties;
- (b) in the Skeet event that the sequence of rounds and the method of halving each shooter's scores be used for this event.

(These methods differ from the normal accepted methods.)

Seventeen shooters faced the trap under ideal conditions, Sunday. The President had pleasure in welcoming two new members to our club, Brian Climas of Victoria, and Clive Shepherd of Derby. Brian proved the winner for the afternoon, and once again John Downer was second, closely followed by Mike Gow.

Mrs. Stone ably assisted Mr. Thompson with the presentation of trophies, and at the conclusion of the shoot Mr. Anderson and Mr. Blair each received a small gift in appreciation from members of the work and time they have spent in converting the two electric release traps. These traps have proved very popular with shooters, and have not given any trouble on the many occasions that they have been used.

Thanks to the many ladies present for serving afternoon tea.

(Jean M. Lubecke, Hon. Sec.)

ARARAT (V.), 25/5/68. — Weather conditions: very cold and wet. Attendance: 37. Results: No. 1, 5-bird D.B. (C.D.): W. Peart, L. Gibson, G. Willet, R. Scott, C. Walker, I. Foster, M. Morrissey, K. Hamilton, A. Mahoney, R. Frazer, I. McLeod, J. McKay, N. Faneco, R. Walter. No. 2, 10-bird D.B. Novice Shoot: 1st, J. McKay, 16/16; 2nd, A. Peart, 15/16; 3rd, L. Bowes, 10/11. No. 3, 10-bird D.B. H'cap: three trophies of equal value — G. Kirkpatrick, R. Scott, K. Hamilton, 11/11. No. 4, "Off the Box": two events, div. G. Kirkpatrick and N. Smart, G. Willet and R. Harrison.

Under the worst conditions imaginable, we were fortunate to have a total of 37 shooters during the day, including 13 shooters in our Novice event. This augurs well for our club in the future. Congrats to the place-getters and a special mention for Colin Howarth, who had gun trouble and had to change, but still shot 9/10 at his first ever attempt; keep up the good work, Colin. Event 3 showed trophies going to Callawadda, Beaufort and Ararat after two shooters dropped their first bird in the shoot-off. It was pleasing to see two ladies having a shot, and we hope to see you both more often.

Our club is going to shoot on the first Friday night of each month, commencing in June, and on Saturday afternoons to be selected.

(N. L. Smart, Sec.)

ARARAT (V.), 7/6/68. — Weather conditions: cold and clear. Attendance: 23. Results: No. 1, 5-bird D.B. (C.D.): div. W. Peart, K. Hamilton, L. Gibson, C. Walker, I. Foster, G. Kirkpatrick, N. Faneco, 5/5. No. 2, 10-bird D.B. (C.D.): R. Fraser, N. Faneco, W. Peart, 10/10. No. 3, 10-bird D.B.: div. R. Nichols, N. Smart, H. Bantz, G. Kirkpatrick, 10/10. No. 4, 10-bird D.B.: 1st, W. Peart, 16/16; 2nd, B. Wigg, 15/16; 3rd, L. Gibson, 10/11. No. 5, 5-bird S.B.: div. R. Fraser, W. Peart, H. Bantz, 5/5.

A reasonably low attendance, but pleasing after the recent weather. All shooters present enjoyed a good night's shooting under good, calm conditions. Club Treasurer, Bill Peart, shared in most events during the night, and it was pleasing to see some of our novices back after the last shoot. Neil Faneco, one of our new shooters, is proving that he has a good grip on the "clay busting" business and should continue to improve. Once again a good percentage of placings going to local shooters — seven in all, and while this prevents visitors from taking away the money, it is very encouraging for our new club.

The most popular win for the night was our Treasurer's son, Neil Peart, aged 9, who beat dad and a lot of others to divide a "sparrows" event off the box with N. Smart. Congratulations, Neil.

(N. L. Smart, Sec.)

BAIRNSDALE (V.), 8/6/68.—Weather conditions: good. Attendance: fair. Results: No. 1, 5-bird Pts.: div. R. Walker, K. Mitchell, K. Hoffman, F. Howlett, M. Huggins, J. Reisenhofer, L. A programme of sweeps. The attendance was only fair because of the long week-end. Bairnsdale entered a team in the Legacy shoot at Lilydale on Monday, 10th. With the grand support of Ray Barlow and Morris Kenny, they brought home the shield.

The members at home gave the skeet traps a work-out for the championship to be held on the 10th August.

Thanks again, ladies, for the afternoon tea.

(Stan Collins, Hon. Sec.)

A very enjoyable day and almost perfect conditions was enjoyed by all. A carpet of green from recent rains was a good sight screen, and this no doubt helped the high scoring. Congratulations to R. Wright, who

won the trophy for back-markers, shooting the afternoon without a miss. A Hardwick won the front-markers' trophy.

(H. M. Owens, Hon. Sec.)

Ladies' trophy was won by Miss J. Irvine, a visiting shooter from Rankins Springs. The club is very grateful for support given by visiting shooters.

Twenty-five shooters attended from Gundah, Boggabri, Tamworth and surrounding districts to make a successful shoot. A good shooting performance was shown by a local new shooter, Cec. Robb, who won several events. N. Nott shot well to win the High Gun.

Many thanks to the ladies who provided an enjoyable afternoon tea.

(W. H. Brown, Hon. Sec.)

BOTHWELL (Tas.), 18/5/68.—Weather conditions: overcast and very cold. Attendance: 15. Results: No. 1, 5 birds (clays): E. Nelson, R. Howard, D. Perry, N. Thorne, C. Conlan, R. V. Conlan, M. Oakley, P. Padman, 5/5. No. 2, 5-bird Sparrows: S. Bagdonas, R. Howard, C. Conlan, K. Pulford, 5/5.

R. Howard (Hobart) won his first major title when he annexed the Tasmanian D.B. Sparrow C'ship event by three points on the Bothwell clay target grounds. Howard also gained possibles in both the s'stake events, and a third award in the closing 15-bird trophy shoot.

With figures of 27/30, Howard finished well clear of his closest rivals, N. Thorne and M. Oakley, who both registered 24/30. The shoot-off for the minor placings terminated when Oakley missed his first target. Thorne scored a kill for an over-all tally of 25/31.

The overcast conditions made the sighting of the targets extremely difficult, and several of the more experienced competitors returned disappointing scores.

The 15-bird Trophy shoot was won by E. Nelson (Hobart), who gained the decision after a shoot-off with D. Perry; their respective scores were: Nelson 19/19, Perry 18/19.

(M. Nelson, Hon. Sec.)

BOTHWELL (Tas.), 15/6/68.—Weather conditions: fine and cool. Attendance: 15. Results: No. 1, 5-bird D.B.: S. Bagdonas, C. Davis, R. V. Conlan, E. Nelson, K. Pulford, K. Barber, R. Howard, 5/6. No. 2, D'ville Doubles: K. Barber-R. Howard, R. V. Conlan-C. Conlan, N. Arnol-S. Bagdonas, C. Davis-D. Gray, 4/4. No. 3, Southern Dists. D'ville Doubles C'ship: C.

Davis-D. Gray, 36/36; E. Nelson-K. Pulford, 35/36; K. Barber-R. Howard, 19/20. No. 4, 10-bird Pts.: C. Davis, 45/45; N. Arnol, 42/45; K. Barber, 38/42.

C. Davis and D. Gray defeated E. Nelson and K. Pulford to win the Southern Districts Deauville Doubles Championship, in which the tie shoot section went to 16 pairs before a decision was reached.

The winners' score of 36/36 pairs was one up on their rivals, Nelson and Pulford, who threw out a strong challenge to retain the title they successfully defended last year. C. Davis had a field day when he succeeded in relegating N. Arnol to second place in the Pts. Decision Trophy event, when he brought his over-all figures to 45/45. Davis' win came as a surprise, as he has an aversion to points scoring shoots; his win, however, was the result of a consistent afternoon's shoot; he also had a share in both the sweepstake events.

(M. Nelson, Hon. Sec.)

BOMBALA (N.S.W.), 15/6/68.—Weather conditions: fine. Attendance: 21. Results: No. 1, 5-bird D.B.: 1st, div. R. Feilen, H. Kennedy, O. Feilen, C. Trevanian, J. Hite, A. Feilen, I. Mills, L. No. 4, 5 pr. D. Rise: 1st, L. Venables, 10/10; 2nd, T. Hayden, 18/20; F/M., C. Trevanian, 10/12. No. 5, 10-bird Quail: 1st, C. Trevanian, 10/10; 2nd, div. B. Caldwell, A. Feilen, I. Mills, L. Venables, B. Scanes, 8/10. High Gun: C. Trevanian, 43/45.

A good day's shooting, with a welcome to Ian Mills from I.C.I., who gave members a re-loading demonstration in the morning, and joined in the afternoon's shoot. Congratulations to Alf Feilen and Carl Trevanian, who had the most successful day, and to the other winners also.

The ladies were there once again with afternoon tea—thank you.

(Mrs. R. F. Badewitz, Hon. Sec.)

BREWARRINA (N.S.W.), 9/6/68 (second Day).—Weather conditions: fine. Attendance: 47. Results: No. 1, 5-bird S.B. (comp. div.): 18 shooters shot possible. No. 2, 20-bird S.B. Barwon Dist. C'ship: 1st, F. McEwan, 30/30; 2nd, B. O'Connor, 40/41; 3rd, J. Ryan, 39/41. No. 3, 40-bird D.B. \$350 C'ship: 1st, G. Webster, 81/81; 2nd, J. Ryan, 80/81; 3rd, D. Williams, 77/78.

Very pleasing attendance for our opening shoot, with visitors attending from Bourke, Boggabri, Cobarr, Cowra, Cunnamulla, Dubbo, St. George, Warren and Wingadee. Con-

grats. to Frank McEwan of St. George, who took out the double, winning both D.B. and S.B. C'ships.

The President's Trophy (canteen of cutlery) was won by Ron Webster of Cobarr. The big event for the Broadrib U/O. was won by Garry Webster of Cunnamulla after a fair sized shoot-off (31 birds). Prior to this event the club was officially opened by Shire President, Jack Williamson, who shot a bird in fine style from No. 1 trap.

Good to see local shooter and keen club worker Brian O'Connor get among the trophies with two second prizes, and also Derek Williams of Bourke take a second and third prize.

Hon. Secretary must have got his fuel mixture adjusted right (at last); he also got a couple of minor placings. Congrats. also to John Webster of Cobarr (third in President's Trophy) and Martin Ryan of Brewarrina for front-marker trophy.

The committee wishes to thank the office staff, Mrs. Overton, Beth Overton and Don Annis-Brown, without whom we just couldn't function, and also the First Aid section, Martin Hegarty, Gordon Grant and Col. Harding (that double Scotch did the trick, "Chloe"). Also the C.W.A. ladies for the catering, the trappers, pullers, and anyone else who helped make the shoot the success it was.

(John M. Ryan, Hon. Sec.)

BROKEN HILL (N.S.W.), 2/6/68.—Weather conditions: cool. Attendance: 19. Results: No. 1, 10 birds: G. Hoskins, L. Campbell, B. Anderson. No. 2, 15-bird Club Agg.: 1st, R. Heuzenroeder, 21/22; 2nd, H. Mellowship, 20/22; 3rd, R. Westgarth, 18/20. No. 3, 20-bird Club S.B. C'ship: 1st, L. Campbell, 25/26; 2nd, G. Hoskins, 24/26; 3rd, W. Maddocks, 20/22. No. 4, 10 birds: G. Hoskins, R. Westgarth. No. 5, 5-bird Novelty Skeet: B. Murphy, G. Hoskins, A. W. Commons, H. Mellowship. No. 6, Miss-out: L. Campbell, G. Hoskins.

This month we were most pleased to congratulate a happy Bob Heuzenroeder on gaining three points towards the Maddocks Annual Points Aggregate Trophy. Bob had another leading contender chasing him closely in Harold Mellowship, who took out the two points for second placing. This now places Harold well in the lead so far for the points. A new-comer in Roger Westgarth promises future keen competition, as Roger in first shoot took out one point and lost one yard.

Our S.B. Club C'ship was a pleasing win to our good member Lionel Campbell, who just managed to keep in front of our hard-working President, George Hoskins. Another face we associate with these prize lists is Warren Maddocks, who gained third placing.

To Mill Hoskins and her excellent helpers, thanks for your welcome refreshments.

Gibson, I. McLeod, L. Hemley, R. Scott.

A perfect day (weatherwise) and a good attendance for our first affiliated A.C.T.A. shoot. Good shooting was seen in all events, particularly in Event No. 2, where two comparatively new shooters managed their 50 break: M. Morrissey (50) and L. Hemley (51) — a very good effort.

Our thanks to visiting shooters from Ararat and Horsham. Thanks also to Wally Oliver (Horsham) for his assistance as Referee. Further thanks to the ladies for a very good and much appreciated afternoon tea. Thanks to our Assistant Secretary and others for their help with book work, etc., during the shoot.

We hope all our future shoots are as successful and as well attended as this one was.

CENTRAL BURNETT (Qld.), 8, 9/6/68. — Weather conditions: excellent (fine and sunny). Attendance: Sat. 63, Sun. 78. Results: No. 1, Cent. Burnett D.B. C'ship: 1st, L. Vidler, 116/116; 2nd, N. No. 6, "Golden Mile" Shield: won by Condamine team, 170 pts., from Central Burnett, 163 pts.

Our first two-day shoot went without a hitch, turning out a great success. Public interest was so great that all trophies and sashes were donated. Thanks go to those concerned. We had visitors from many gun clubs, including Brisbane, Bundaberg, Maryborough, South Burnett, Gold Coast, Finley, Lismore, Guyra, Dalby, Condamine and Clermont. It was wonderful to welcome back former President of the club, Dr. Guy Ethell, who won the over-all High Gun with 109/115. Other prominent visitors included Mr. G. Kennedy, President of the Finley Gun Club in southern N.S.W.; Gus Graf from New Zealand; Qld. delegate for A.C.T.A., Bill Edwards, and Australian Team representative, Alan Kemp.

The feature event of the shoot was the State D. Rise C'ship. This was won by local member Berkeley Bloxsome, who gave an excellent display of double-rise shooting to win outright with 29/30. Barry Pearce came second and Don Gull third. Intermediate High Gun was won by Col. McLennan with 106/115, and a special High Gun over two events on Sunday was won by Ron Kamradt.

The visiting team from Condamine won the "Golden Mile" Shield, with Central Burnett close behind.

Thanks to the lady helpers who, under the guidance of Mrs. Albrand, did a wonderful job in feeding the large crowd. Thanks also to all visitors who made this shoot such a terrific success, and we hope it will be an even greater success next year.

(R. B. Bloxsome, Sec.)

Having won this three times in all, he now keeps same. The other leading event of the day was also won by G. Muller, who shot 24/30 in double rise. Congratulations to John Aitken and R. Batt for their win in the D'ville Doubles with a possible 10 pair.

(E. A. Lemmon, Hon. Sec.)

During the afternoon a delightful afternoon tea was enjoyed by all.

Congrats. to Ray from all Western District shooters. Second place went to Geelong shooter R. Wiffen, who shot consistently all day; third to consistent Murray Sutherland.

We thank all who took part on such a wet day and put up with the hold-up half-way through while our repair gang showed their form. Thanks to Mrs. Osborne and Shirley for the tasty afternoon tea and hot drinks.

(Arthur Neale, Hon. Sec.)

Our second annual shoot went off very well with an increased programme. Visitors from surrounding clubs and the support of many locals made a very successful shoot.

Our thanks to Wandoan for the loan of a second trap to help out; our apologies for the hold-up with our own, a position we will rectify in the near future.

Thanks to the ladies of the various organisations who catered on both days; they really did a perfect job.

Congratulations to the various winners and our thanks to all shooters who travelled so far to be with us. We look forward to meeting you at your respective shoots and hope we will see you all back here with us again next year.

COWRA (N.S.W.), 1/6/68. — Weather conditions: chilly and bright. Attendance: 15. Results: No. 1, E.O.: B. Witt, A. Palk, 10/10, div. No. 2, Trophy and Gavin Elliott Shield: Trophy: 1st, A. Martens, 15/15; 2nd, B. Witt, 22/25; 3rd, R. Toshack, 21/22; F/M., K. Reid, 13/15. No. 3, D'ville Doubles: 1st, A. Palk - D. Sullivan, 18/20; 2nd, A. Martens - R. Toshack, 17/20. No. 4, Sweep: A. Martens, M. Cass, D. Heilman, A. Palk, B. Witt, 10/10, div.

Today's shoot was the first occasion on which the newly installed Damo electric traps have been used for D'ville Doubles. Club members who were present were well satisfied with the performance of the new traps and agree that their installation raises the standard of the club.

The main event was, of course, the Central Tablelands D'ville Doubles, which was won outright by two visitors, A. Palk and D. Sullivan, 18/20; second place to locals, A. Martens and R. Toshack, 17/20. The Gavin Elliott Shield, restricted to local shooters, was run in conjunction with a trophy event. Both of these went to Bert Martens, who shot the only possible—congratulations, Bert. Second was Bruce Witt, 20/23; third, Dick Toshack, 21/22; F/M., Kevin Reid, 13/15.

(W. Ryan, Hon. Sec.)

CROOKWELL (N.S.W.), 22/6/68. — Weather conditions: cool and light rain. Attendance: 14. Results: No. 1, 5-bird D.B.: div. F. Willis, B. Churchill, R. Howlett, R. Stephenson, 5/5. Very poor attendance for our June shoot, with most events contested in light rain and poor visibility. Shooters in good form were Frank Willis, Ben Churchill and Russ Howlett.

Thanks to the ladies for the welcome afternoon tea.

(Russ Stephenson, Asst. Sec.)

CROYDON (V.), 1/6/68. — Weather conditions: wet. Attendance: 50. Results: No. 1, Club D. Rise C'ship: 1st, H. Somers, 19/22; 2nd, J. Nelson, 21/26; 3rd, P. Henwood, 20/26; 12-14 yds., D. Germaine, 15/24; 15-16 yds., H. Wademan, 15/20. No. 2, Croydon and Dist. S.B. C'ship: 1st, A. Senserrick, 21/22; 2nd, J. Walls, 20/22; 3rd, R. Hen-

wood, 22/24; 12-14 yds., K. Dunstan, 11/20; 15-16 yds., L. Baxter, 17/20.

A very pleasing attendance of 50 shooters for Club D. Rise C'ship, also the Croydon and District S.B. C'ship, and despite the fact that several of the "name shooters" were in attendance, it was the ability of several of the newer shooters that won them the day.

Congratulations to Harry Somers for his fine win in the Double Rise, also to John Nelson, Perc. Henwood, Don Germaine and Harold Wademan for their placings in this event. Congratulations also to Anthony Senserrick for his win in the Single Barrel, and to Jim Walls, Rup. Henwood, Ken Dunstan and Lin Baxter for their placings in this event, as the opposition was strong today and every placing was won on merit.

(G. Lear, Hon. Sec.)

Forty-four shooters attended in fine weather for Club Winter D.B. C'ship, and two shooters only were able to score the possible, and after a very short shoot-off Sam Henwood won the sash with 22/22 from Rusty Fox, 21/22. Several 19/20's lined up to decide third, and Bill Abbott was successful with 32/33. Brenton Woodhead, with 18/20, won the 12-14 yd. trophy, and Barry Ireland, 29/31, won the 15-16 yd. trophy. Congratulations to the winner of this event, also the place-getters.

A 15-bird D.B. H'cap followed, and again only two managed the possible, Rusty Fox again, but this time dividing with Tista De Lorenzo, both having scored 15/15. Several shooters divided what was left with 14/15.

(G. Lear, Hon. Sec.)

DALBY (Qld.), 23/6/68. — Weather conditions: cold and windy. Attendance: 18. Results: No. 1, 15-bird D.B.: 1st, B. Rowsell, 15/15; 2nd, R. Reid, 15/15. No. 2, 15-bird S.B.: 1st, S. Horne, 12/15; 2nd, R. Reid, 12/15. No. 3, 15-bird Pts.: 1st, N. Dale, 43/45; 2nd, C. Alexander, 42/45.

The Dalby Gun Club's monthly shoot was held in poor weather conditions, which made the S.B. Sparrows event even more difficult. Congratulations to S. Horne on his effort in this event. Rob Reid won the High Gun trophy with a hard-earned 42/45.

Next monthly shoot will be held 27/7/68. Hope to see you all then.

(A. T. Smith, Hon. Sec.)

DANDENONG (V.), 1/6/68. — Weather conditions: wet and cold. Attendance: 47. Results: No. 1, 5-bird D.B. Pts.: K. Morrison, P. Aurisch, 15/15; F. Allen, W. Eaton, R. Meirose, 14/15. No. 2, 20-bird D.B.: R. Allen, L. Heywood, M. Goulding, 20/20.

A good day for shooting, but very poor attendance, due to most members busy cropping.

(J. F. Oliver, Hon. Sec.)

(J. F. Oliver, Hon. Sec.)

DARWIN (N.T.), 17/6/68. — Weather conditions: windy. Attendance: fair. Results: No. 1, 5 birds: Viney, 5/5; Wyatt, Letzner, 4/5; Hall, Rigoni, Chin Quan, Celenza, Wall, 3/5; Pearce, Davis, 2/5. This was our 30 birds S.B. C'ship, and because of extremely windy weather it was

a battle for all participants. R. Viney won the perpetual shield, with J. Wyatt runner-up, winning crystal water-goblets.

To make the shoot more difficult still, the power was off and a generator had to be used.

(S. Letzner, Hon. Sec.)

One of those rare days when at least nearly everything went right. With a perfect, almost warm and calm day, a good roll-up considering other attractions on a

long week-end. A most enjoyable shoot and every shooter got a cut of some kind. Les Graham won the trophy with the only 15; five with 14 shot off for 2nd and 3rd. Jim Graham and Eric Vincent eventually finishing in that order. Eric was most unlucky not to get his 50 straight, as he was shooting particularly well.

Ideal conditions and a good roll-up saw some pretty keen competition for the first of this season's club championships. Dick Burton and H. Finlay tied with 27/30 and finished in that order after Harry let one slip away in the shoot-off. Close behind was Sam Zorino, who is shooting very consistently as usual and was one target behind the major place-getters. A novelty shoot-off (16 yds. D.T.L. Pts.) with handicap according to the distance in front of 27 yds., completed the day's shooting. Six shooters divided the money, with best off gun scores being shot by A. Zorino, 60/60, and A. Wann and R. Burton, 59/60.

(H. L. Bailey, Hon. Sec.)

GERALDTON (W.A.), 17/6/68.—Weather conditions: fair. Attendance: good. Results: 50 Skeet H'cap: 1st, H. Finlay; 2nd, C. Russell; 3rd, J. Bailey.

Last Sunday saw club members shooting for the trophy donated by Jim and Mrs. Bailey in cloudy but quite good conditions. The shoot was over two rounds of skeet, the second round being our section of the State-wide club teams' match. Jim Bailey showed the way, but no one followed along the path and our team score wasn't up to last year, when we took out the pennant. The team of five was I. Bailey, R. Burton, 24/25; E. Daw, 23/25, and H. Finlay and C. Russell, 22/25. In the Handicap run in conjunction over two rounds we saw Harry Finlay outstay Chris Russell, Jim Bailey and Milton Hatch in that order after each had shot 50/50 with handicap. Jim Bailey was clear leader off the gun with an excellent 49/50.

(H. L. Bailey, Hon. Sec.)

Well, our Queen's Birthday week-end shoot is over. Attendance was a little disappointing, but I think everyone enjoyed the shoot. Visitors attended from Hay, Deniliquin, Wangaratta, Sydney, Wagga, Junee, Cootamundra and Barellan.

The Central Riverina D. Rise C'ship was won by H. McDiarmid of Sydney, with Norm Milliken 2nd and Frank Casella 3rd. The first handicap was divided by five shooters after an additional 25 targets had been shot. Bruce Gordon from Barellan won the Central Riverina after out-shooting eleven other shooters.

Sunday, June 9. Conditions much improved and we saw "yours truly" win both championships, the Riverina S.B. Sparrows with a score of 19/20, and the Northern Riverina D.B. C'ship after a marathon shoot-off, 210/210. W. Shields won the Handicap event, with K. Sim 2nd and E. Hands 3rd.

I must thank the ladies for the enjoyable meals, and all those who lent a hand to run the shoot.

(K. H. Sim, Hon. Sec.)

Hinneberg 51. Twenty-two shooters competed in the D'ville Doubles (drawn partners). A. Atkin-B. England shot 18 pair, with B. Robinson-J. Hinneberg taking second place. Congratulations, shooters, and also to J. Murphy on obtaining his 50 break badge.

WINCHESTER

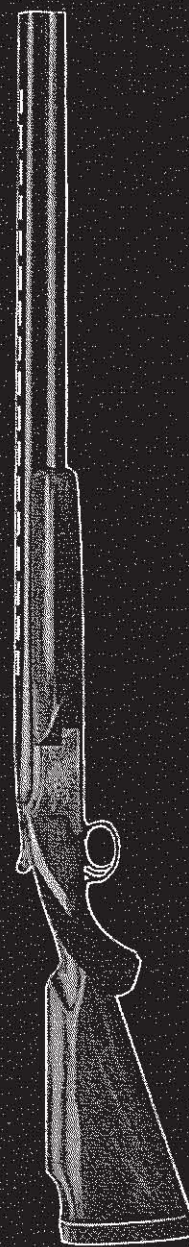

What is a Winchester?

In the rugged pioneer days of many a country, a man felt almost naked without his Winchester.

Because to most people for many years, Winchester simply meant rifle.

102 years of gunsmith technology speaks volumes for the proud traditional craftsmanship that's built into every Winchester shotgun, too.

You're in good company when you choose a Winchester shotgun. Sure-functioning reliability and consistent uniform patterns, fast-swinging balance, great engineering reliability — these are the hallmarks of Winchester — the gun you'll go for, if you want to be in the best company.

The new Model 101

This is a brand-new Winchester 101. It's a fast swinger with every top-quality feature you can name.

Break one. Listen to a breech that opens and shuts solidly — the sound of quality metal hand-finished to micrometer perfection. Chrome plated bores and chambers virtually eliminate rusting, corrosion and leading. Automatic ejectors flip out fired shells when gun is opened. Single selective trigger for maximum convenience. You'll go for the new 101's hand-engraved receiver and trigger guard, its rich, fine-grained French walnut stock and narrow border hand checkering.

So go get the feel of this great gun ... today! Also available, skeet models: 12 gauge (\$260.00), 20 gauge (\$246.00). (Model 101 Trap \$270.00.)

Model 1400

The Winchester 1400's full-floating ventilated rib makes heat distortion and mirages old hat! The flat, wide sighting plane gives you quicker, faster action.

This is a gun that really knows its job! Go see it ... get the feel of it ... (Regular stock \$229.50. Monte Carlo stock \$237.50.)

Many thanks to Winchester-Western for the trophies.

(Adrian Hayes, Hon. Sec.)

HORSHAM (V.), 1/6/68.—Weather conditions: wet and slight wind. Attendance: 30. Results: No. 1, 5 birds: A. Aitken, S. Childs, W. Oliver, L. Gibson, J. Hinneberg, B. Robinson, A. Dumesny, J. Mitchell, H. Williamson, B. England, A. Facchin, 5/5, div. No. 2, Wimmera D.B. C'ship: 1st, N. Hinneberg, 54/54; 2nd, B. England, 53/54; 3rd, W. Oliver, 52/54. No. 3, 10-bird H'cap: L. Gibson, E. Smith, C. Taylor, 10/10, div.

Not very good weather when we shot the Wimmera D.B. Day C'ship, but under the circumstances a reasonably good muster of shooters. We say thanks to our visitors, some who travelled a long way to compete. Congratulations to the place-getters in the C'ship, also to Don Kennedy and Allan Tucker, who got into the shoot-off; good shooting, chaps, under rather adverse conditions. Norm Hinneberg once again proved himself in winning yet another championship. Also congratulations to Wally Oliver on getting his 50 break, but just could not stay the distance.

Once again a big thanks to our ladies who supplied a very welcome afternoon tea.

(Bert Robinson, Hon. Sec.)

ILFRACOMBE (Qld.), 26/5/68.—Weather conditions: cold and windy. Attendance: 16. Results: No. 1, 15-bird S.B.: M. Donald, 15/15. No. 2, 20-bird D.B.: I. Brown, 20/20. No. 3, 20-bird Pts.: I. Cold conditions kept attendance down to 16 shooters, with visitors from Barcaldine and Winton. Congratulations to J. Rodgers Jnr. on his 50 break.

Again the ladies provided morning and afternoon teas, and the club entertained the visitors and shooters to a barbecue tea.

(R. W. Brittain, Hon. Sec.)

ILLAWARRA (N.S.W.), 16/6/68.—Weather conditions: fine. Attendance: 30. Results: No. 1, 10-bird D.B.: S. Joice, J. Albert, T. Muller, L. Massey, K. Perkins, 10/10. No. 2, 15-bird Pts. Trophy: 1st, L. No. 5, Ladies' 5-bird D.B.: 1st, Jean Webb.

The first Illawarra District Gun Club S.B. C'ship was held in very good conditions and the standard of shooting was high throughout the programme. Roy Hayes was the eventual winner of the C'ship after a shoot-off with Keith McCloy, second, and Tom Muller, third. Rick Albert took out his second front-marker trophy of the afternoon after a shoot-off with Athol Webb. Lionel Chodat was a clear winner in the point-score event from L. Massey and L. Boniface.

The ladies' 5-bird novelty shoot was won by Jean Webb for the third time in succession. Afternoon tea served by the newly formed ladies' auxiliary was very much appreciated and a vote of thanks to Sutton Forest Club for the use of their Damo trap was recorded.

(A. Arkwright, Hon. Sec.)

IPSWICH (Qld.), 2/6/68.—Weather conditions: windy. Attendance: 37. Results: No. 1, 5 birds: 10 div. No. 2, 10-bird S.B.: N. Johnston, J. Farrow, R. Warnemende, 10/10. No. 3, 20-bird D.B.: R. Warnemende, 20/20; R. Porter, G. Mawer, N. Johnston, S. Foote, G. Grieve, 18/20. No. 4, 10 pr. D'ville Double Club C'ship: K. Isaacs - P. Isaacs, 15/15; R. Porter - R. Warnemende, 14/15. No. 5, 10 pr. D. Rise.

The conditions were not the best for good shooting. The Skeet C'ship shot in the morning was won by George Mawer, with John Eldridge and Bill Stevens second and third. The D'ville Doubles were won by the husband and wife team, those popular shooters Keith and Pam Isaacs. Congratulations to all those shooters who won the events of the day.

(K. G. Smith, Hon. Sec.)

KAR KAR ISLAND (N.G.), 8/6/68.—Weather conditions: fine. Attendance: 15 guns. Results: No. 1, E.O. (A.C.T.A. H'cap): F. Rimmer, W. Walker, equal 1st, 8/10; J. Ferrier, 3rd, 7/10. No. 2, 20-bird S. Rise "Piri" Trophy (A.C.T.A. H'cap): W. Walker, 18/20; F. Rimmer, 21/24; B. Turner, 20/24. No. 3, Back-marker (27 yds.): W. Lloyd, 6/10; J. Ferrier, 5/10.

There was a good attendance and quite a crowd of spectators for our annual "Piri" trophy, donated by Paddy Taylor of Straits Shipping. The trophy event started out very competitively after experiencing some trap difficulties, which adversely affected eye-openers. As the second round of ten progressed all except Bill Walker, Fred Rimmer and Brian Turner had dropped by the wayside, and they finally finished in that order after a very exciting shoot-off between Fred and Brian for second place. A very deserved win went to Bill Walker, who has only been shooting for a couple of months, and is now no longer a 12 yarder.

(S. B. Bull, Hon. Sec.)

KATANNING (W.A.), 3/6/68.—Katanning Gun Club has had the unusual experience of holding two consecutive skeet shoots, thereby giving our new skeet lay-out a thorough testing, with very satisfactory results.

On Sunday, May 19, 22 shooters shot one full round and one half-round, with Arnold Kowald, a comparative new-comer to clay target shooting, winning the trophy after a shoot-off with R. Ryall and Ross Anderson. The trophy for this event was donated by John Parker. Ross Anderson won the High Gun trophy with a total of 42/49 points.

AUGUST, 1968

On Sunday, June 2, two full rounds and one half-round of skeet were shot, this being made possible that shooting started at 10.30 a.m., and also that there was only a small field, as it was a holiday week-end, and some good shooters are equally good golf players, so their energies were spent in the latter direction. However, shooting conditions were good, and everyone enjoyed themselves.

The first round was won by S. Gibson with a score of 23, followed by M. Lubcke of Albany with 20 to his credit. The afternoon round was won by Phil James, a consistently good shot in this type of event, with M. Lubcke and K. Battersby shooting equal scores for second place. The half-round honours were secured by P. James, M. Lubcke and N. Rae in that order.

S. Gibson won the High Gun trophy, and the visitors' trophy was won by M. Lubcke.

Our thanks are due to the ladies, who as usual provided us with much appreciated refreshment.

(John Battersby, Hon. Sec.)

KATANNING (W.A.), 16/6/68.—A 30-bird D.B. event was won in extremely good style by David Anderson with a score of 39/39 after a shoot-off with Evan Pedler, who are both back-markers.

A. Egerton Warburton of Kojonup won the trophy for the front-mark section. Trophies for the events were donated by Tim Catling. In the 10-bird S.B. event which followed, M. Johns took first place, while K. Schinzig, N. Broun and R. Anderson scored equal second for the back-markers. The best of the front-markers was M. Robothom, with M. Downer and S. Leach in second place. High Gun for the day was David Anderson.

In the morning, prior to the main shoot, Mr. Doug. Cummings, the well-known representative of I.C.I., was the instructor at shooting school which was held for the benefit of several new shooters. His efforts were well repaid, as most of them shot very well in the main events, one of them, P. Anderson, winning a box of cartridges.

The next shoot will be held on June 30, when 25 Mixed Birds and 10 Walk-up will be the contest for the P. James trophy.

The ladies, as usual, provided an excellent afternoon tea, which was greatly appreciated by everyone.

(John Battersby, Hon. Sec.)

KEMPSEY (N.S.W.), 15/6/68.—Weather conditions: fine, cloudy. Attendance: 13. Results: No. 1, 10-bird Pts.: J. Goodsell, H. Kemp, 30/30; T. Dick, 29/30. No. 2, 10-bird S.B.: J. Goodsell, T. Dick, A. Fotheringham, C. Kemp, T. Rumble, 10/10. No. 3, 10-bird D.B.: J. Goodsell, G. Haigh, J. Smith, 10/10. No. 4, 10-bird Pts.: J. Goodsell, G. Haigh, A. Fotheringham, 30/30; T. Dick, 29/30.

Conditions were ideal. J. Goodsell was in fine form and didn't drop a point.

(J. A. Smith, Hon. Sec.)

KORUMBURRA (V.), 22/6/68.—Weather conditions: overcast and cold. Attendance: 38. Results: No. 1, 10-target D.B. H'cap (comp. div.): K. Brown, J. Henwood, H. Logan, C. Hadden, R. Frank, A. Frank, A. McDonald, R. Lamb, L. Mitchell, F.

Buchan, J. Hamblin, E. Jongebloed, J. Balcombe. No. 2, 10-target H'cap Pts.: J. Patterson, 30/30; J. Hamblin, 29/30; L. Swain, 28/30. No. 3, 10-target S.B. H'cap: J. Hamblin, J. Hollands, K. Brown, J. Green, 15/15, div.

A programme of all 10 targets was well received on such a wintry day. The eye-opener saw no less than 13 possibles, but the points saw the 72-year young boy, Jim Patterson, the only 30/30; only one 29/30 in J. Hamblin, and one 28/30 in L. Swain. They smartened up a bit for the single barrel and 7 shot the possible; after 5 targets in the shoot-out Hamblin, Hollands, Green and Brown divided.

Trophies on Events 2 and 3 was a case of cartridges each event. The 12-14 yd. trophy was divided between C. Hadden and R. Frank. Some of the boys indulged in a round of Yankee Skeet, with George Biggs the winner, R. Whykes second and P. Kuyser third.

(John Green, Hon. Sec.)

LILYDALE (V.), 8/6/68.—Weather conditions: mild. Attendance: 45. Results: No. 1, 15-bird Pts.: 1st, R. Maybury, W. Henwood, J. Anderson, B. Williams, W. Attwood, W. Dalzell, M. Landers, div. No. 2, Club Mixed Birds C'ship: 1st, W. Attwood, 18/20; 2nd, M. Landers, 24/28; 3rd, R. Buchan, 23/28; 12-14 yds., R. Allen, 15/20. No. 3, Lilydale Dist. Skeet C'ship: 1st, M. Landers; 2nd, T. Wilkinson; 3rd, B. Roberts.

Today's attendance was down a little on what the club has been enjoying over the last few weeks, but I suppose many shooters were saving themselves for our big Queen's Birthday Shoot.

Merv. Landers distinguished himself today by winning the Skeet C'ship and being placed in the other two events. Bill Attwood also showed his ability by winning the Mixed Birds C'ship and being placed in the eye-opener. Congratulations, Merv. and Bill.

The committee was very pleased with the number of entries received for the Skeet event. According to the expert skeet shooters, Lilydale has one of the finest skeet lay-outs in the country — this is a reputation that seems to be spreading, as increasing numbers are becoming interested in this type of shooting.

(P. Joss, Hon. Sec.)

LILYDALE (V.), 10/6/68.—Weather conditions: cold, but fine. Attendance: 160. Results: No. 1, 15-bird Pts.: A. Bremner, G. Ash, G. J. Jones, D. McCraith, 45, div. Goulding.

Winchester Day this year was a far greater success than any of the organisers dared to hope for. Weather conditions were perfect, all events ran smoothly, and a record amount was raised for Legacy.

AUGUST, 1968

Melbourne Junior Legacy officials wish to extend their thanks to all shooters who supported them on this day, and to Winchester-Western Pty. Ltd. for making available the trophies.

The club Handicapper showed that he is completely ruthless by calling all but two of the prize winners back a yard or two.

Congratulations, Lyn Baxter, on winning the main event with a faultless display of shooting. A tribute must also go to second-place winner, Brenton Woodhead, who also did very well off 13 yards. Bill Arandt showed that he is completely nerveless by winning the Skeet after a long and gruelling shoot-off; congratulations, Bill.

I am sorry to report that Lilydale has had to forfeit the Legacy Teams Shield to Bairnsdale. Very good shooting, Bairnsdale.

LILYDALE (V.), 22/6/68. — Weather conditions: cold, windy. Attendance: 63. Results: No. 1, 15 birds (16 yds.): R. Henwood, W. Henwood, W. Lonie, 45/45, div. No. 2, Club Inter. D.B. C'ship: 1st, L. Arandt, L. Baxter, R. Kilkenny, F. Thatcher, B. Crookford, 25, div. No. 5, Skeet: W. Arandt, B. Roberts, 25, div.

Despite a very wintry day, the club enjoyed a good attendance of 63. Unfortunately the day got off with a very late start and it was necessary to substitute the advertised Club Intermediate S.B. C'ship for a 15-bird D.B. H'cap event.

It was pleasing to see Len Dingley win his first championship by scoring the pos-

sible in the Intermediate D.B. event. Congratulations, Len.

The Back-markers' D.B. event was won in fine style by Des O'Callaghan when he shot 105 straight. Bob Buchan also had his eye in today by shooting 104.

The Skeet shooters showed their keenness by finishing their second round in near darkness.

LISMORE (N.S.W.), 23/6/68. — Weather conditions: fine, overcast. Attendance: 16. Results: No. 1, 5-bird Pts. H'cap: P. Powell, D. Worrall, C. J. Lee, Darcy Powell, G. Ethell, G. Pringle, Dick Powell, L. Frederiksen, 15/15. No. 2, 10-bird Pts. H'cap: L. Roach, 30/30; J. Bell, P. Powell, K. de Saxe, G. Ethell, Bill Anderson, 29/30. No. 3, President's Trophy (20-bird Pts. No. 5, 5 sparrows D.B. H'cap: Darcy Powell, C. J. Lee. No. 6, 5 prs. D. Rise H'cap: P. Powell, C. J. Lee, Bill Anderson, 10/10; D. Mount. No. 7, Box Sweep: 1st, R. Shepherd; 2nd, G. Ethell. High Gun: P. Powell, 49/50.

Good shooting was the order of the day, targets proving relatively easy under still conditions. C. J. Lee led the field in the trophy event with a very well put-together 84/84; he was pursued by Geoff Pringle, who has been shaping very well in recent months. Paddy Powell also performed well, holding possibilities until the last event, when a sparrow proved a little too flighty. Bill Anderson arrived late, but made his presence felt when he shot the possible in the 5 pairs D. Rise, along with Don Mount, Paddy Powell and C. J. Lee.

Our ladies were once again invaluable, presenting us with one of our best "spreads" yet.

Willett, 68/69, 2nd; W. Williams, 57/58, 3rd. High Gun over events shot: C. Wakefield, 144/150.

The Mildura Club staged its annual Queen's Birthday programme, which attracted visitors from all parts of N.S.W., Victoria and S.A. Conditions were ideal for the events and some fine shooting was witnessed. The programme proved to be a real winner for A. Mahoney from the newly formed club at Ararat. He came on 14 yards, went home on 19 yards, but with the C grade trap Browning and 600 shells to experiment with. The club offers congratulations to this good sport.

The three district championships were won in fine style by experienced shooters in Lindsay Pitcher (Mallee D.B. Day), Lyle Mitchell (Murray Valley D.B. Night) and the ever efficient Alf James (Sunraysia D.B. Night). In the State C'ship A. Illingsworth proved to be the only master of the little ones, and turned in the only possible. There were nine 29/30, each one with a tale it would take ten minutes to listen to, of how "only one beat me," etc., etc. Of club members, the effort by Ted Wilkinson, with 70/71, is worthy of mention, as is the fine shooting of Colin Wakefield to win the High Gun with only 6 misses from 150 releases, including 40 sparrows from 18 yards—congratulations, Colin.

The club wishes to thank all who travelled to be with us for our big event; the excellent staff, marshal and referees, as well as the caterers, for their assistance in staging a successful two-day carnival. Next year promises to be bigger and better.

A very interested group of 25 odd novice shooters attended the coaching school conducted during the morning by Mr. J. Newton Thomas of I.C.I.A.N.Z. I feel sure everyone received some very useful tips.

Congratulations to Ben Hetherington for a fine score of 32/32 from Dud Plummer to win the U/O gun valued at \$270.

In the following I.C.I.A.N.Z. Trophy event two novice shooters took out first and second prizes. Congratulations to Ron Scott and Norm Percy, both of whom attended the school during the morning.

Due to bad conditions, light failed about 5.0 p.m., and the I.C.I.A.N.Z. Trophy had to be completed under lights, so it was a fine effort on behalf of Ron and Norm.

MOUNT ISA (Qld.), 25/6/68.—The programme listed for June marked the official opening of the Mount Isa Gun Club. Shooters from McKinlay, Cloncurry, Winton, Balcaldine and Ballandean were represented, along with sporting commentators and local public personalities.

Weather conditions were as perfect as any shooter could wish for, and this was proven by the number of breaks achieved.

Murray Donald of Winton took out event 1 from his club mate, Noel Wright, after a shoot-off of 5 targets. Mike Exarhos retained a portion of the honour for M.I. by taking third place. Each shooter added another yard back to his handicap in this event.

By now the shooters were starting to get warmed up, and for event 2 we saw the first break at M.I. take place. Cam Barton attained 71 kills straight and he was closely followed by Harry Smith with 70 straight. Richard Wright, brother of Noel, returned a neat score of 50 straight. Alf Hardwick, Noel Wright, Russell Batt, Darcy Dingle, Charles Selke and Sam Kilpatrick were all in the shoot-off; however, Cam proved a little too strong from the 13-yard mark. This was the start of Cam's break, and for this event he received 1 yard back.

Event 3, North Qld. D.B. C'ship, went to Cam Barton after a shoot-off with Allan Edmondson and Russell Batt. Forty straight were shot, with Allan losing his 40th target. John Aitken, Darcy Dingle, Billy Burke and Ernie Lemmon were in the shoot-off, along with the three winners. The first champion-

ship shot at M.I. went to a local lad, and he richly deserved it, for he was shooting against veteran men on the back marks. Cam bought himself 2 yards here, for he shot from the 16-yard mark.

The Winchester Western Trophy, event 4, carried as its first prize a Winchester rifle of .243 calibre, model 670. Richard Wright of Winton took care of this event, for he shot 52 straight. Two other shooters, Billy Burke and Scott Linton, had their eyes set on this trophy also, but Richard proved a little too strong. Alf Hardwick, Russell Batt, Allan Edmondson, Ivan Forizisi, John Whatmore and Sam Kilpatrick were also in the shoot-off. It is very pleasing to see John Whatmore and Ivan Forizisi up on the tracks for a shoot-off.

The \$150.00 H'cap was evenly dispersed between Cloncurry, Winton and M.I. Shooting was keen and there was heavy barricading for some of the shooters. Alf Hardwick and Scott Linton from the front marks shared evenly with the back markers, Ernie Lemmon, Gus Buerchler and Richard Wright. The strain on these shooters must have been terrific after the festivities of the night before.

The last event of the tournament was the North Queensland D'ville Doubles C'ship from 20 yards. Russell Batt teamed up with Billy Burke, and this pair shot the 20 straight, and so gained for themselves another badge each. John Aitken partnered Allan Edmondson to gain second place after a shoot-off with the Wright Brothers of Winton and Murray Donald-Alf Hardwick of Winton.

We were sorry to hear during the carnival that Roy Caldwell's car load of shooters had an accident on their way up from Winton. It is hoped that nothing serious was encountered and look forward to seeing Roy and his crew on the tracks some time in the near future.

The Mount Isa Gun Club wishes to extend its appreciation to all clubs which had representatives at its official opening, thus marking an important milestone in its history, also to A.C.T.A. for their valuable assistance and advice, and many of the business houses which gave so generously.

Alf Hardwick of Winton took out the front-markers' High Gun, while Richard Wright, also of Winton, took out the back-markers' High Gun.

MORWELL (V.), 15/6/68.—Weather conditions: fine; light, variable winds. Attendance: 40. Results: No. 1, 10-target Pts. H'cap: J. Patterson, R. Barlow, A. McDonald, R. Whykes, 30/30, div. No. 2, 15-target D.B. H'cap: 1st, A. McDonald, 40/40; 2nd, S. Collins, 39/40; 3rd, L. McNaughton, 24/25; 12-16 yds., B. Kurlle. No. 3, 10-target S.B. H'cap: R. Whykes, I. McNaughton, 10/10, div.; 3rd, R. Traill, 24/25.

An excellent attendance, with teams from Sale, Foster, Yarram, Warragul, Korumburra, Bairnsdale and Morwell to contest the C. Budge Shield, at present held by the Morwell Club. Although near perfect conditions prevailed, the scores were not high, as the light wind occasionally made the clays a bit tricky. The eye-opener saw four possibilities. The main event was won by excellent shooter A. McDonald, with second place going to consistent Stan Collins, and third to I. McNaughton, who also had equal first in the next event with Bob Whykes. Both these shooters won enough to put them a yard further back. Third place went to Rex Traill after a short shoot-off.

The novelty event—the Red Cross Cake Shoot—was won by Bob Whykes, who had been shooting well all day, using Geo. Biggs' re-loads, and ended up shooting clays off the fence.

The President, A. Bremner, presented trophies and thanked all for attending and all who helped to make the day an enjoyable one. The afternoon tea supplied by the Red Cross ladies was most appreciated.

NARACOORTE (S.A.), 9/6/68.—Weather conditions: overcast and cold. Attendance: 27. Results: No. 1, 10 birds: div. A. K. Lawson, J. Standerwick, J. Hood, J. Humphris, C. England, M. Holloway, A. McSweeney, B. Hetherington, R. Reschke, S. Rentsch, M. Sullivan, T. Reschke, I. Grant, K. Foster. No. 2, 20-bird Naracoorte and Dist. D.B. C'ship: 1st, K. Foster, 36/36; 2nd, A. McSweeney, 35/36; C. Copping, 33/34; F/M. trophy, R. Luff; ladies' trophy: Mrs. C. England. No. 3, \$50 H'cap (10 birds): div. J. Humphris, F. Kentish, R. Reschke, T. Reschke, A. McIntyre.

Although cold, conditions were good for the Naracoorte and District D.B. C'ship. Congratulations go to President Ken Foster on his fine win in the hotly contested championship event.

To all visiting shooters from near and far thank you for your attendance and participation, and thanks, ladies, for the delightful afternoon tea.

(P. Grant, Hon. Sec.)

NARRABRI (N.S.W.), 23/6/68.—Weather conditions: fine and cool. Attendance: 27. Results: No. 1, 5-bird D.B.: 13 possibles. No. 2, 10-bird S.B. Trophy: 8 possibles—shoot-off: P. Sawtell (Narrabri), 1st, 22/22; S. Staughton (Gunnedah), 2nd, 21/22; F/M., B. Thompson (Boggabri), 20/21. No. 3, 15-bird P.S. Trophy: S. Staughton (Gunnedah), A. Rowe (Narrabri), B. Thompson (Boggabri), 45/15—shoot-off: B. Thompson, 72/24, 1st; A. Rowe, 69/24, 2nd; S. Staughton, 54/19, 3rd; F/M., J. Malkey (Narrabri), 40/14. No. 4, 15-bird Sparrow Trophy: S. McMasters (Gunnedah), 15/15, 1st; K. Morris (Gunnedah), 30/31, 2nd; S. Staughton (Gunnedah), 29/31, 3rd; F/M., B. Holcombe, 9/15. High Gun: K. Heydon (Nar-

abri), 55/57. Inter. High Gun: C. Herbert (Gunnedah), 54/57. Wal. Eather Shield: F. Sawtell, A. Palmer, B. McPherson, A. Rowe (Narrabri), 171; Gunnedah, 160; Boggabri, 152.

Congratulations to the Narrabri Gun Club in retaining the Wal. Eather Shield from Gunnedah and Boggabri. A comparatively new shooter, B. Thompson of Boggabri, won the main points score trophy from experienced shooters A. Rowe and S. Staughton. Steve Staughton also was in good form, taking a trophy in each event and being in the shoot-off for high gun, but could not see out the distance.

Most of the competitors seemed to have the clays mastered, but with failing light the sparrows proved too evasive and only S. McMasters was able to shoot the possible.

Afternoon tea was had, minus the tea, as vandals had broken into the clubhouse and taken the necessary equipment for providing it, and thanks to Mrs. Saunders for her effort in preparing it, and to Mrs. Deller for her assistance in other departments.

(Publicity Officer.)

NEW ENGLAND (N.S.W.), 9/6/68.—Weather conditions: fine. Attendance: 22. Results: No. 1, 10-bird D.B.: R. Crothers, D. Cuninghame, D. Hall, D. Macansh, H. Stevenson, J. Alt, 10/10. No. 2, 20-bird Pts. (trophies): 1st, D. Cuninghame, 60/60; 2nd, J. Newby, 109/111; 3rd, R. Crothers, 108/111; best 12-13 yds., D. Gilder, 52/60. No. 3, 5 pr. D. Rise: 1st, A. Cregan, 10/10; 2nd, J. Alt, D. Cuninghame, eq. 2nd, 9/10. No. 4, 5-bird D.B. Sparrows: D. Cuninghame, C. McIntosh, D. Macansh, C. Goldham, J. Newby, H. Stevenson, D. Yee, D. Alt, 5/5. No. 5, 5 pr. D'ville Doubles: 1st, A. Fermor-A. Cregan, 5/5 prs.; eq. 2nd, M. Burgess-D. Yee, H. Young-D. Hall.

Twenty-two shooters enjoyed the fine weather and scores were good. The five-event programme gave shooters a good variety of shooting. David Cuninghame shot extremely well to win the club High Gun award with 39/40, and also got his name on donated club trophy with 60/60 in point-score event.

Thanks as usual to the ladies for providing afternoon tea.

(Allan H. Lewis, Hon. Sec.)

NEWCASTLE (N.S.W.), 1/6/68.—Weather conditions: perfect. Attendance: 25. Results: No. 1, 10-bird D.B. H'cap: D. Guy, G. Clendenning, T. Asquith, F. Clarke, G. Harris, 10/10. No. 2, 10-bird Pts.: P. Jenkins, G. Harris, 30/30; A. Whyte, J. Fryer, 29/30. No. 3, 20-bird Club Trophy: A. Whyte, 31/31; G. Clendenning, 30/31; G. Morris, 28/29. No. 4, 5-bird D.B. H'cap: D. McKay, J. Fryer, P. Jenkins, A. Whyte, F. Baldwin, G. Harris, 5/5. No. 5, 10-bird D. Rise: G. Clendenning, A. Whyte, D. Archer, 9/10.

Although not a big roll-up of shooters, a good day was had by all, especially Arthur (Mick) Whyte, who not only took out his first club trophy, but also made his first 50 break; congratulations, Mick.

The club is now in the process of forming a skeet lay-out, and any assistance from members will be greatly appreciated.

NEWCASTLE (N.S.W.), 15/6/68.—Weather conditions: fine and sunny. Attendance: 24. Results: No. 1, 10 birds: G. Glendenning, K. Pearce, P. Jenkin, C. Bland, 10/10. No. 2, 5-bird Sparrows (off 16 yds.): T. Asquith, G. Glendenning, E. Hill, F. Clarke, A. George, G. Harris, M. Dick, D. Mackay, C. Bland, D. B. Sparrows: 1st, C. Bland; 2nd, M. Dick; 3rd, B. Once again Cessnock shooter Colin Bland showed us how to break those elusive targets with a clear win from Laurie Dick and Bob Watt, with Mick Whyte winning the front-marker trophy. This is getting a habit with Col., as he has recently won a gun at N.S.W. Club.

The skeet ground is progressing very well and should be in operation very soon, with more help from the members. Practice shoots will be held on the last Saturday in each month for members and visitors.

(W. Collis, P/O.)

NOORAT (V.), 25/5/68.—Weather conditions: cold and wet. Attendance: 13. Results: No. 1, 5-bird Pts.: L. Whyte, R. Jorgenson, 15/15. No. 2, 20-bird D.B. \$50 H'cap: 1st, L. Whyte, 20/20; 2nd, D. Grummett, 23/24; 3rd, J. Boyle, 22/24. No. 3, 10-bird D.B.: A. Carroll, R. Manifold, R. Jorgenson, L. Moloney, eq. 1st, 10/10. No. 4, 5 pr. D. Rise: A. Carroll, L. Reicha, 9/10, eq. 1st. No. 5, 6 pr. D'ville Doubles: A. Carroll - L. Reicha, I. Grummett - L. Moloney, 5/6, eq. 1st. No. 6, 6-bird D'ville 3-bird Rise Novelty Event: L. Whyte, J. Boyle, 4/6.

Loyde Whyte wins D.B. H'cap at Noorat. Owing to the very wet weather conditions for shooting, the Noorat Gun Club had only an attendance of 13 shooters to brave shooting in the rain. There was some good shooting during the six-event programme. All honours go to Terang shooter Loyde Whyte, who won the 20-bird D.B. Trophy Handicap. Loyde is really shooting well. In this event there were three shooters with 19/20 who shot off for 2nd and 3rd. Second place went to D. Grummett and third place to J. Boyle.

The President, L. Reicha, presented trophies to the winning shooters and thanked those who attended, also the ladies for afternoon tea.

(Ian Grummett, Hon. Sec.)

NORTH EASTERN GOLDFIELDS (W.A.) 9/6/68.—Weather conditions: gusty and overcast morning; rain afternoon. Attendance: 25. Results: No. 1, 10-bird D.B.: D. Detz, S. Rogers, J. Lithgow, M. Demasson, 10/10. No. 2, 20-bird S.B.: 1st, T. Stelling; 2nd, N. Johnson; 3rd, W. Montgomery; best unplaced 12-14 yd. shooter, A. Cominelli. No. 3, 20-bird D.B.: 1st, W. Montgomery; 2nd, C. Solly; 3rd, J. Bright; best unplaced 12-14 yd. shooter, R. Johnson.

Although unfavourable weather prevailed, a very successful Open Day shoot was held on Sunday, 9th June, 1968. The highlight of the day was the shoot-off between C. Solly (North Eastern Goldfields) and W. Montgomery (Eastern Goldfields) for the 20-bird D.B. event. Both shooters scored possible and before Solly dropped on his 21 birds each before Solly dropped on his 22nd. In the 20-bird S.B. N. Johnson and T. Stelling both finished with 19/20, Stelling going on to win the shoot-off.

(D. Joan, Hon. Sec.)

NORTHAM (W.A.), 23/6/68.—Programme: 10-bird D.B., 25 Skeet. The attendance of 13 shooters was not as good as usual, due to many members being occupied with cropping operations. Nevertheless the shoot went off very well and Roger Hill managed a very able 29 off the gun, which was more than sufficient to win the trophy for him. Other place-getters were: 2nd, E. Humphrey; 3rd, A. Badger; equal 4th and 5th, K. Friend, P. Humphrey.

It was good to see Aubrey Badger back on the tracks and shooting well up to form after being absent due to a wrist injury.

The aggregate for the year competition is developing into an interesting tussle and there are a lot of shooters "bunching" up behind the leaders, and most of them well within striking distance. At this stage it could be anybody's competition.

The aggregate table stands as follows:
1st, G. Way, 14½ pts.; equal 2nd, W. J. Morgan, E. Humphrey, 14 pts.; 4th, L. Leviene, 10½ pts.; 5th, D. S. Smith, 8½ pts.

(Geoff. Way, Pub. Officer)

N.S.W.G.C. (N.S.W.), 8/6/68.—Weather conditions: cold westerly. Attendance: 38. Results: No. 1, 15-bird D.B. H'cap: R. Reed, R. Clarke, J. Rawlinson, L. Talbot, L. Nye, 15/15. No. 2, 15-bird Pts. H'cap: R. Clarke, 45/45; J. Chant, 43/45; B. Gittos, G. West, 42/45. No. 3, 15-bird D.B. H'cap Trophy: L. Talbot, 32/32; J. Worley, 31/32; R. Clarke, 29/30. No. 4, H'cap Skeet: J. Worley, J. Rawlinson, W. Charlton, K. Soames, R. Hyatt, J. Hyatt, G. West, 25.

Reg Clarke had a day out, shooting extremely well under the conditions. He never missed a point to take out the High Gun trophy with 45 kills.

(J. Evans, Sec.)

N.S.W.G.C. (N.S.W.), 22/6/68.—Weather conditions: cold wind. Attendance: 35. Results: No. 1, 15-bird D.B. H'cap: B. Gittos, J. Tyquin, J. Worley, L. Alexander, F. Mitchell, L. Nye. No. 2, 15-bird Pts.: J. Worley, M. Fuller, W. Charlton, W. Shelton, F. Mitchell, 45/45. No. 3, Sydney Dist. S.B. C'ship: P. Hayman, 22/22; E. Hawkins, 21/22; K. Soames, 19/20; F/M., W. Shelton, 19/20. No. 4, 10-bird D.B.: R. Hyatt, C. Joass, M. Fuller, L. Alexander, W. Charlton, W. Shelton, L. Nye, 10/10.

Cold winds made shooting a little unpleasant. P. Hayman and Ern Hawkins were the only possibles in the championship, but Peter Hayman, having a day out or on target, was too good. Peter also got High Gun for the day with 43/45.

(J. Evans, Sec.)

PARKES (N.S.W.), 15/6/68.—Weather conditions: fine, warm, light breeze. Attendance: 11. Results: No. 1, 5 birds: div. P. Williams, E. Field, K. O'Brien. No. 2, 15-bird D.B. Trophy: 1st, G. Wright; 2nd, E. Field; 3rd, L. Amor; F/M., I. Laing. No. 3, Parkes Gun Club Mixed Birds C'ship: 1st, E. Field; 2nd, T. Powell; 3rd, G. Wright; F/M., L. Amor. No. 4, Novelty Event: 1st, L. Amor; 2nd, div. E. Miles, T. Golding.

Weather conditions were perfect for our first shoot since April. The shoot in May was cancelled owing to rain. Attendances were average considering it was sowing time. Ern Field was shooting consistently well through the day; however, local shooter Geoff. Wright just had the edge on him in the trophy event. Ern retaliated by winning the next event in fine style from Tom Powell. Altogether a most enjoyable and friendly day's shooting.

(K. R. Hall, Hon. Sec.)

PERTH (W.A.), 2/6/68.—Weather conditions: cool and fine. Attendance: 28. Results: No. 1, 20-bird D.B. H'cap: 1st, W. Johns, 20/20, 16/16; 2nd, R. Mordini, 20/20, 15/16; 3rd, R. Scott, 20/20, 6/7. No. 2, 30-bird S.B. H'cap: 1st, A. Anderson, 28/30; 2nd, K. Barker, 27/30, 4/4; 3rd, W. Johns, 27/30, 3/4.

Both events shot from club handicap marks, no shooter being in front of 16 yds. Due credit must be given to Wally Johns; following his D.B. win, he was given a club handicap of 18 yds., and still performed very well.

A good attendance of visitors from Azzurri Gun Club helped to make a very pleasant afternoon's shooting.

Coaching. Many thanks to Doug. Cumming for the clinic conducted today. Not a very

big attendance, but those present showed keen interest. We look forward to a further clinic later, which Doug. hopes to conduct on Skeet shooting. Shooters will be kept informed.

(J. G. Spark, Hon. Sec.)

PERTH (W.A.), 16/6/68.—Weather conditions: cool and fine. Attendance: 24. Results: 50-bird Skeet H'cap: 1st, R. Mordini, 20/22; others in shoot-off: E. Metcalf, 23/24; J. Steiner, 24/24 (High Gun); J. Baker, 16/17. Trophies for 1st and 2nd 25 birds went to E. Metcalf and J. Steiner.

Ron Mordini has shot skeet only a couple of times previously: by the look of things he will soon be down to "the point of no return"—3 or under! Ed and Jules have joined five or six others on zero handicap. Eight other members reached 25 with handicap during the shoot.

Having two skeet lay-outs in operation is a great innovation in all respects. We are looking forward to the State Skeet C'ship and Interstate Teams Skeet Shoot to be held in Perth at the end of September.

(J. G. Spark, Hon. Sec.)

R.A.A.F. POINT COOK (V.), 16/2/68.—Weather conditions: fair. Attendance: 46. Results: No. 1, 10-bird Pts. (16 yds.): D. O'Callaghan, K. Muller, J. Anderson, T. Tie, A. Buskaskas, G. Innes. Jennings, 57/58; 3rd, J. Anderson, 37/38.

PUCKAPUNYAL (V.), 26/5/68.—Weather conditions: cold and showery. Attendance: 22. Results: No. 1, 10-bird Pts.: div. L. Mitchell, G. Smith, V. Harper, W. Williams, H. Weitzel, W. Attwood. No. 2, 20-bird S.B. H'cap: div. R. Tait, G. Smith, W. Attwood. No. 3, 20-bird D.B. H'cap: div. L. Mitchell, G. Smith, A. Harrod, J. Hutchinson. No. 4, 10-bird Novelty: div. C. Wannhope, L. Mitchell, H. Nihill, K. Ramsdale, W. Williams.

A very cold May day, with occasional showers, was the setting for our second "all cash" programme; however, the shooters turned in over-all excellent results.

Twenty-two shooters from Melb., Euron, Seymour, Bendigo and Shepparton braved the weather and made the afternoon a most enjoyable shoot.

High Gun for the day was won by K. Ramsdale after an extremely short shoot-off with L. Mitchell, who was unlucky enough to miss the first bird. Score 59/61.

(K. Ramsdale, Hon. Sec.)

QUEANBEYAN - CANBERRA, 22/6/68.—Weather conditions: fine but cold. Attendance: 27. Results: No. 1, 10 birds: C. McGlashen, H. Cassidy, Paul Lyons, K. Muir, P. Papps, W. Jordan, M. Lyons, G. Twenty-seven of our members braved the cold weather to attend our shoot. Harry

Trophy D.B. Pts.: 1st, R. McHugh; 2nd, J. Page; 3rd, R. A. Dean—shoot-off 2nd and 3rd.

2nd Day.—No. 1, 5-bird S.B.: J. Page, A. D. James, H. Carne, H. James, R. McHugh, K. Cameron, J. O'Donnell, D. Whyte, F. McEwan, N. Bassett, E. Jenkins, 5/5. No. 2, 20-bird Maranoa S.B. C'ship: 1st, D. McEwan; 2nd, K. Cameron; 3rd, R. Dean, 19/20 (shoot-off 1st, 2nd, 3rd); 12-13 yds., J. McEwan. No. 3, 40-bird Roma \$300 D.B. H'cap: 1st, K. Thomas, 40/40; equal 2nd, R. McHugh, F. McEwan, H. K. Johnston. Qld. Challenge Shield Teams Match: Roma No. 3 team (J. Page, T. Ferrier, D. W. Cameron, H. K. Johnston, H. James), 183. No. 4, 20-bird S.B.: 1st, F. McEwan; 2nd, R. Britton; 3rd, R. Perkins, 19/20 (shoot-off 1st, 2nd, 3rd).

First day's shoot: Weather conditions were good. Two shooters shot breaks of 393 (R. Dean) and 389 (I. Nicholson). Twenty-four shooters attended. Although small in number compared to last year's shoot, all shooters had enjoyable time at the traps and dinner at night.

Second day: Overnight the weather conditions deteriorated and the shooters were subjected to very cold, windy conditions that played havoc with some shooters. The scores for the 34 shooters showed a drop on the previous day's shoot. A barbecue was held after the shoot and trophies presented.

Present weather conditions and heavy rains prevented some shooters from coming to the shoot, but we hope to see them next year. The Roma Gun Club would like to thank all shooters who travelled to Roma and members who helped prepare grounds, organised and kept shoot running without any hitches.

(A. B. Camp, Hon. Sec.)

No. 2, 15-bird Pts.: 1st, R. Goldsworthy, 45; 2nd, G. Petersen, 44; 3rd, K. Brown, 40. No. 3, 20-bird S.B.: 1st, G. Petersen, 17/20; 2nd, tie B. Nixon, R. Goldsworthy, 15/17. No. 4, 5 pr. D. Considering that this shoot was put on with one day's notice, the attendance was fair and a good day's shooting was enjoyed by all. Geoff. Petersen surprised everyone with some good shooting, considering he is only a new member and he should not take long to be our local champ. This winter,

Ralf Goldsworthy shot the only possible of the day, in the 15-bird Points. This was one of Ralf's last shoots before being called up for National Service. We would all like to wish him the best of luck.

(T. V. O'Mara, Hon. Sec.)

STH. BURNETT (Qld.), 5/5/68.—Weather conditions: fine, warm. Attendance: 27. Results: No. 1, 15-bird D.B.: 1st, L. Vidler, 63/63; 2nd, R. Glasgow, 62/63. No. 2, 10-bird S.B.: 1st, B. Pearce, 24/24; 2nd, M. Jones, 23/24. No. 3, 15-bird Pts.: 1st, S. Angel, 54/54; 2nd, M. Jones, 52/54.

Testimony to the high quality of shooting on the day was the fact that three shooters shot the possible over the three events. They were Spencer Angel, Mal Jones and Barry Pearce. Ultimate winner was Barry Pearce. Barry had further success also with the finalizing of the aggregate competition over four shoots. Together with Norm Ivins, Barry totalled 101/105 kills and the resultant shoot-off into the failing light climaxed a very successful day for Barry, who took away the coveted Bill Angel trophy for the contest.

The June shoot will commence the first leg of another aggregate for yet another trophy made available by the generosity of our Patron, Bill Angel.

SOUTH WEST (W.A.), 1/5/68.—Weather conditions: showers, slight wind. Attendance: 20. Results: No. 1, 10 S. Rise; No. 2, 10 D. Rise; 1st, B. Drewitz; 2nd, M. Gonrau; 3rd, N. Wells. No. 3, 10-bird D.B. (op. sweep): 1st, P. Hough; 2nd, A. Yates.

Cloudy day with scattered showers, and a slight wind. The winner of the event, Boris Drewitz, was the only shooter to shoot the possible 20/20, with Max Conrau and Noel (Tex) Wells drawing for the minor positions with 18/20.

Time and weather permitted a 10-bird D.B. op. sweep to be conducted, which resulted in a draw between Percy Hough and Allan (Lal) Yates.

(Malcolm Bird, Hon. Sec.)

SWAN HILL-NYAH (V.), 25/5/68.—Weather conditions: dull. Attendance: 36. Results: No. 1, 5 targets: 20 possibles, div. No. 2, Club D.B. C'ship (10 targets): L. Brown, 30/30, 1st; R. Club D.B. C'ship was won in fine style by Laurie Brown after a short shoot-off from 10 other possibles. Trophy event went to Bob Fowler after "drawing straws" with Harold Coundon and Howard Brown, all with 19/20. Norm Poole Cup was shot in conjunction with trophy event, and went to Kerang No. 1 team (C. Radcliffe, R. Peacock, F. James, M. Tate, R. Fowler).

Rain at end of day marred an otherwise successful shoot. Visitors from Hopetoun, Kerang, Birchip and Quambatook.

(R. J. Canny, Hon. Sec.)

SWAN HILL-NYAH (V.), 22/6/68. — Weather conditions: very cold and windy. Attendance: 26. Results: No. 1, 5-target Pts.: A. Currie, H. Coundon, R. Ferrier, C. Radcliffe, R. Peacock, 15/15, div. No. 2 Mixed Bird Dist. C'ship: C. Radcliffe, 23/25, 1st; F. James, 2nd; H. Coundon, 3rd. No. 3, 10-target Trophy: D. Groat, 12/12, 1st; F. James, 11/12, 2nd; G. Moore, 15/16, 3rd; H. Brown, F/M.

Very cold wind made conditions most unpleasant and shooting difficult. Charlie Radcliffe had a good winning margin with 23/25 in championship and was followed by Frank James, 21/25, in second place. Dave Groat took first place in trophy event after breaking two targets in a shoot-off.

We had visitors from Kerang and Birchip. Thank you for braving "the elements", chaps, you certainly stick to our club.

(R. J. Canny, Hon. Sec.)

TATURA (V.), 15/6/68. — Weather conditions: cool, slight cloud. Attendance: 23. Results: No. 1, 10 birds: div. H. Nihill, K. Maurey, J. Bartlett, E. Baldwin, J. Pola, P. Jamison. No. 2, 20-bird Trophy: 1st, J. Bartlett; 2nd, P. Jamison; 3rd, H. Gibson. No. 3, 10 birds: div. J. Bartlett, C. Johnson, K. Maurey.

A good turn-up for the club's monthly shoot. Shooters from Echuca, Wangaratta, Stanhope, Shepparton, Nathalia, Koyuga, and

locals. Weather conditions looked dismal for a start, but luckily no rain. Shooters were in good form, six getting their 10 in the E.O. The 20-bird Trophy saw shooters still on the beam, six again getting their 20. In a good shoot-off saw J. Bartlett getting 1st with 52/52; P. Jamison, 2nd, 51/52; A. Gibson, 3rd, 39/40. A 10-bird Sweep saw 10 shooters on the tracks for a shoot-off; J. Bartlett, C. Johnson and K. Maurey div. Congratulations to all shooters, especially J. Bartlett, who shot 86 straight for the day, getting his 75 break. Good shooting, Johnny, keep it up.

Thanks to all shooters and lookers-on who made it an enjoyable day. Please come again. Thanks also to the ladies who provided the afternoon tea—very nice; I don't know what we would do without you. Once again, thanks; hope to see you all at our next shoot.

(A. Moles, Hon. Sec.)

TYRENDARRA (V.), 25/5/68. — Weather conditions: wet and windy. Attendance: 21. Results: No. 1, 5 clays D.B. (C.D.): 11 shooters shot possible. No. 2, 15 clays Trophy H'cap: 1st, H. Vaughan (Hamilton), 34/34; 2nd, P. Neyland (Hamilton), 33/34; 3rd, T. Knight, 27/28; F/M., L. Aubrey, 26/27. No. 3, \$2 Sweep off handicaps (10 clays): 9 shooters div.

Our Handicap Trophy day turned out very wet and windy. We were lucky to have such a good attendance in the conditions. The I.C.L. trophy was won brilliantly by H. Vaughan of Hamilton from a young 14 yarder Philip Neyland with a score of 34/34. Harry carried on his winning run from the previous Saturday when he won with his partner the D'ville Doubles at Hamilton. Third was T. Knight. Front-marker trophy went to L. Aubrey, another beginner, who shot 26/27. The \$2 sweep was divided by nine shooters.

All enjoyed the afternoon tea supplied by the ladies.

VALE

GEORGE HENKEL (N.S.W.), who passed away on 15/7/68, commenced with the ICIANZ (Kynock) Nobel Group only two days after leaving school on March 1, 1922. He drove more than 750,000 miles as rural roving ambassador for sporting ammunition and his company's products. Amongst the gun clubs of New South Wales he was a well known jovial companion/instructor to all concerned and was a keen Referee Examiner for the Australian Clay Target Association.

T. M. (TOM) GLENN.—Popular President of the New Zealand Gun Club's Association passed away 12/7/68. The Glenn Cup (for annual competition between Australia and New Zealand) was donated by two prominent New Zealand shooters in his honour.

Rise: P. Hayman, Jack Martin, 10/10; Jim Martin, N. Cantrell, 9/10. No. 5, 10 pr. D. Doubles: P. Hayman-A. Blackadder, 10/10; Jack Martin-N. Cantrell, 9/10.

A new club member, Jack Martin from Dark Corner scored 10/10 in event 1, 9/10 in event 2; he missed out in the trophy event, having to use a second barrel in point score, but he said if he knew it was points, he would have tried harder. In the double rise he came and asked how to shoot them. He was told and then proceeded to shoot 10/10. In the deauville doubles he shot one of his mate's birds and his score was perfect. He didn't win the box sweep, but ran second. You might say what is unusual about all this. Well, I'll tell you. This fellow is 80 years of young age. We hope to hear more from this fellow.

(A. Blackadder, Hon. Sec.)

(Allan Patterson, Hon. Sec.)

WANGARATTA TECHNICAL SCHOOL

GUN CLUB NORTH-EASTERN VICTORIA

This club started about 8-10 years ago as a development of a field naturalist club operating at that time.

Today there are 34 boys shooting, with two teachers taking charge — 14 from form 3 level shoot on Wednesday of each week under the care of Mr. Simpson, and 20 from form 4 to Diploma level, under Mr. Fleming, shoot on Thursday of each week.

Each shooter has 5 shots and pays 50c to cover cost. Any expense in excess of this is borne by the school sports fund.

There is no handicap involved and all shoot from 16 yards, but a pro-

gressive total is kept of each shooter's score, and at the end of the year points are allotted to the house he represents in the school sporting competition. This allotment is based on a formula that takes into account the imbalance of numbers of competitors from each house.

At the commencement of each year, members of the Wangaratta Gun Club attend and help the boys by giving instruction on the finer points of shooting and examining guns for safety. The school is further indebted to the Wangaratta Gun Club for the use of its range and facilities.
