Editor's Notes

As fully described in May 1971, A.C.T.A. "Shooting News," the 1971 Australian National Clay Target Trapshooting Championships shall be conducted by the Association at the Brisbane Gun Club, Mount Petrie Road, nine miles out of Brisbane, Queensland, over the seven successive days of Saturday, June 12, through to p.m. Friday, June 18.

Member clubs are requested to instruct their delegates/representatives to discuss Olympic representation during the Association Annual General Meeting on Monday night, June 14, at the Brisbane Gun Club. The intention is to ascertain current views. (See the comprehensive April report by Jules Steiner).

Some 136 New Zealand shooters are expected and we may have some top American shooters with us. Many new friendships will be established and many annual shooter reunions will discuss all aspects of shotgun shooting.

The Brisbane Gun Club shall conduct two days of 16 yard and handicap events on the Thursday/Friday as eye openers.

Over each of the seven days of June 12 to 18, shooting shall commence at 8 a.m. with one major event for each day, in the following sequence:—

FIRST DAY—Saturday, June 12, 1971.

Event No. 1: 31st Australian National Champion of Champions Cup, followed by \$300 Value Double-Barrel Handicap (time permitting).

SECOND DAY—Sunday, June 13, 1971.

Event No. 2: 19th Australian National Double-Barrel Championship and shot in conjunction 24th Australian National Intermediate Double-Barrel Championship.

THIRD DAY—Monday, June 14, 1971.

Event No. 3: 17th Australian National Single-Barrel Championship and shot in conjunction 2nd Australian National Intermediate Single-Barrel Championship.

FOURTH DAY—Tuesday, June 15, 1971.

Event No. 4: 10th Australia/New Zealand Championship, followed by 12th Australia/New Zealand Trap Teams' Match, followed by Event No. 5: \$300

Value Double-Barrel Handicap (time permitting).

FIFTH DAY—Wednesday, June 16, 1971.

The Twenty-Fifth International Teams' Match, followed by Event No. 6: 11th Australian National Double-Rise Championship and shot in conjunction 2nd Australian National Intermediate Double-Rise Championship followed by Event No. 7: \$300 Value Double-Barrel Handicap (time permitting).

SIXTH DAY—Thursday, June 17, 1971.

Event No. 8: The Twenty-Second Grand Australian Handicap and, time permitting, Double-Barrel Handicap or Sweepstake and, time permitting, Skeet Practice up to 25 Targets.

SEVENTH DAY—Friday, June 18, 1971.

Event No. 9: 2nd Australian National Skeet Championship, followed by 6th Australia/New Zealand Skeet Teams' Match.

A trophy for the National Skeet Event will be kindly donated by Evans & Balfour Pty. Ltd., Gunsmiths of Melbourne, Vic.

To be conducted under A.C.T.A. Rules and Conditions, effective as from January 1, 1971 and within the requirements of the Olympic Federation.

High Gun (previous such winners excluded) shall be over the six events — Champion of Champions, Double-Barrel, Single-Barrel, Australia/New Zealand, Double-Rise and Grand Australian — kills only to count. Prize-winners ineligible for yardage awards.

International Teams' Match under agreement and direction of the International Committee of Great Britain.

Time permitting \$300 DB H'caps may be conducted daily after the completion of programmed events.

On Pages 6 to 8 of this publication is a complete list to date of all Australian National Championships, the Mackintosh International Teams' Match Trophy Event, Interstate Teams' Matches, Grand Handicap Event and High Gun Trophy winners.

As complete details were not kept until the end of 1965, the compilation of this listing has taken five years of research and checking.

A.C.T.A. 1971 OPEN CHAMPIONSHIPS

Applications for open championships to be contested during 1972 (that is, Commonwealth, State and District Titles) are required to be lodged under Rule 27 by member Clubs, in writing on the prescribed form number 16, not later than Friday, July 30, 1971.

Such applications shall be collated and submitted to the Executive Committee for consideration and allocation. Member Clubs are requested to measure their applications and to apply only for championships which can be satisfactorily conducted between January 1 and December 31, 1972.

The allocated championships for the calendar year 1972 shall be published in December 1971 "Clay Target Shooting News."

From this published list of allocations, Clubs then choose their own respective 1972 programmes to include these title events as so allotted, and submit shoot requests (Form 16) to A.C.T.A. for consideration, showing the required date(s) concerned.

Approvals are subject to correct interpretations of A.C.T.A. Rules and are designed to avoid clashing of major programmes with nearby Clubs.

Commonwealth, State or District championships will not be allocated to Clubs who fail to either apply the handicapping formula correctly or who fail to submit handicap returns for each shoot.

No trophies or prize monies may be handed to any shooters without the previous submission of current handicap cards — Rule 18.

The Championship Roster for Commonwealth Titles for the 1972 year is as follows:—

Ungarra (SA) — At the annual meeting of the club held 4/4/71 Jim Schramm was elected President. D. Liddicoat and W. Stratford were returned to the offices of Treasurer and Secretary. Retiring President J. Averis, served the club well for two years in the top office and was voted in as Vice-President. A good attendance at meeting, all other officers positions filled.

Gloucester (NSW) — (1) reports that club member Louie Von Hombracht of Blackhalls Park, is now in the Royal North Shore Hospital, Spinal Ward, Crows Nest, Sydney. A motor accident late 1970 has prevented him walking again. The club asks that any shooter with a few spare minutes might like to write him and help brighten his day as he is just waiting to be able to shoot again. He will be in hospital for months yet. Gloucester Gun Club intend conducting a benefit shoot, in conjunction with any willing club, for Louie, and hope to raise enough money to purchase him a motorised wheel chair. The club also hopes to have the trophies donated. Any offers of help, please contact Secretary Mrs Dorothy Sansom, "Jo-Doth," P.O. Box 72, Gloucester, 2422.

(2) At annual meeting the club made Life Members of Joe and Dorothy Sansom and elected Tom Watkins as Vice-President.

(Editors Note: We have written Louie and ask that others may do likewise. We also trust that some club(s) may assist Gloucester in their worthy cause. Louie first registered in 1969 with Newcastle G.C.)

Left: Rabaul Gun Club President W. Nicholls and Mrs Nicholls. Right: The magnificent and charmingly restful beach at Rabaul on the island of New Britain, New Guinea.

World War II relics on display in Rabaul. Right: Australian anti-tank gun, still showing name of maker as Charles Ruwolt & Co. of Victoria. Left: Japanese naval anti-aircraft gun—triple bell-mouth barrels. Centre: Australian six-inch naval gun—one of three comprising the original defence of Rabaul.

Entrance to Japanese World War II naval headquarters, situated in the town of Rabaul, near the R.S.L. and N.G. Clubs. These headquarters have been left intact.

Clay target shooting at Rabaul, T.P.N.G.

If a shooter has a liking for the tropics, or wishes to shoot clay targets in a tropical paradise or wants to combine business with pleasure, or maybe he wishes to view a magnificent harbour before viewing or reminiscing over World War 2 relics and experiences, then a trip to the Rabaul Easter Shoot will satisfy all this, and more.

The Rabaul Gun Club's single trap layout and tower is beautifully situated in a coconut grove, on the beach at Blanche Bay, four miles from Rabaul, on the island of New Britain, T.P.N.G.

A White Flyer Trap was used and therefore targets were thrown according to A.C.T.A. specifications. All clay targets for T.P.N.G. clubs are made and distributed by Mr Les Berkefeld of Rabaul.

Shooters travel big distances to and from shoots in the islands, but do not have the road systems, which an Australian mainland shooter is used to. For instance, one Rabaul club member travels 45 miles by small boat to reach the spot where his car is garaged. Then a further 35 miles by road to the club. This member owns a plantation in a remote part. Another member travels 180 miles by boat and plane and so on.

Port Moresby, Mount Hagen, Kar Kar Island or Madang shooters would travel approximately 600 air miles.

Shooters from Kavieng, Port Moresby, Lae, Madang, Kar Kar Island, Mount Hagen Gun Clubs and Bougainville Island attended the Easter 1971 T.P.N.G. State Championships. Also Queensland, New South Wales and Victoria were represented. So, as you can see, this is really an annual reunion as many of these shooters have the opportunity to meet only once each year.

Visiting shooters are all accommodated by Rabaul Gun Club members and the hospitality extended by these members is of a very high standard indeed and leaves nothing to be desired.

The trap and tower opened for practice Friday afternoon and night and a very good idea was introduced "pay \$2 and shoot as many as you like."

Then on Saturday morning exactly at 9 a.m., as advertised, the shoot was started with the first squad on the tracks. Club President Mr W. Nicholls, Secretary Mr R. Pearson, Shoot Captain Mr Les Berkefeld plus a very active committee together with a most enthusiastic group of members' wives, did a grand job through Saturday and Saturday night, then again on Sunday.

And on Sunday evening a beautifully organised barbecue (the best I have ever been to) got us all together for the trophy presentations, etc.

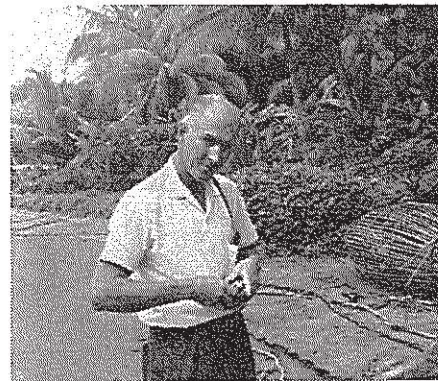

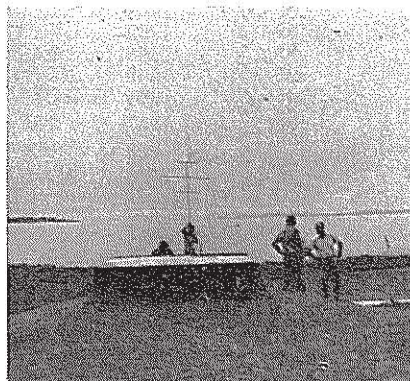

The standard of trophies either donated by W. D. & H. O. Wills, The "Complex" Trophy, Winchester, I.M.I. or Rabaul Gun Club, would have to be seen to be justly appreciated.

Even if a stirrer arrived he could not have faulted either the selection of trophies or the management.

In summing up, I would say that this is a first class shoot and I am proud to have been one of the contestants.

Then on Monday, visiting shooters were treated to a very interesting tour of war relics, which, although World War 2 has been over for some 26 years, material relics still in this area are considerable and well worth seeing.

(With acknowledgments to Frank Apted, Glenroy, Vic.)

OVERALL NATIONAL D.T.L. TRAP HIGH GUN WINNERS

Annually since 1966 a Browning under-and-over shotgun has been presented to the highest gun scorer over the main D.T.L. trap events viz. Champion of Champions, Double Barrel, Double Rise, Single Barrel, Australia-New Zealand and the Grand Australian, with the provision that each shooter can gain this award only once. If a shoot-off is necessary to determine the High Gun Winner, then the shoot-off shall be shot under handicap conditions. The Association is very grateful to the makers of these fine trophies, Messrs Fabrique Nationale of Belgium and to their Australian agents, Messrs Commercial Marketing Co. Pty. Ltd. of Sydney.

A similar Browning shotgun is presented annually at the Spanish and other National Championships and by common agreement, between the New Zealand Gun Clubs' Association and the A.C.T.A., each shooter winner can only gain this award once. Such winners to date have been:—

1971 New Zealand National Championships

These were conducted from March 27 to April 3 inclusive at the Hamilton Gun Club, in the North Island, near Auckland.

The tournament was a great success although unfortunately, the International Trap recently purchased for \$3040 (N.Z. currency) broke down irreparably after only 54 shooters from the field of 168 had contested. This event was then abandoned as it will be necessary for parts to come from Sweden before this trap can be used again.

At the Annual Meeting on 31/3/1971 of the New Zealand Gun Clubs' Association it was agreed that the 1972 New Zealand Trapshooting Clay Target Championships will be held on the Timaru Gun Club's grounds, Timaru Airport, over the period April 8 to 15 inclusive.

Office bearers of the N.Z.G.C.A. who were elected for the coming year were:—

President Mr Allan Brown (Lauder), Immediate Past President Mr P. A. Matheson (Wellington), North Island Council — Messrs K. Gamble (Auckland), R. W. Gunn (Fernhill Hastings), J. S. McMillan (Cambridge), R. K. Meads (Hunterville), J. R. Russek (Auckland), G. B. Thomas (Te Puke). South Island Council — Messrs J. M. Begg (Balclutha), A. S. Copland (Esk Valley), M. A. Havill (Kowhitirangi), T. P. Hayman (Waimate), C. W. Scott (Kimberley), J. S. Torrance (Dunedin).

Some eight referees were then appointed within the North Island and eight referees within the South Island for the coming year.

Some 23 Australian shooters attended and contested the events and the longest traveller was Norman J. Camps of Mount Hagen, New Guinea.

On Saturday 27/8/71, from 140 entries, 52 possibles divided a 15 target handicap then from 133 entries, 20 divided a 30 target sweepstake. This was followed by a 10 pair double rise handicap (72 entries) divided by 8 possibles.

On Sunday 28/3/71, C. W. Lusby, a 30-year-old salesman in private life, travelled home in style after winning the 1971 Morris 1100 motor car shoot (valued at approximately \$2400), and this day was also his wife's 27th birthday. From 151 entries, Lusby with 11 others, shot the possible 30/30 targets and then contested the miss-out shoot-offs. Lusby has been shooting for a little over one year only.

On Monday 29/3/71, Malcolm J. Fuller of Sydney (Australia) won his second New Zealand Fern from a field of 183 shooters in the N.Z. National Skeet Championship with a 50/50 possible then a perfect round in the shoot-off. Fuller is one of the most experienced shooters in the Southern Hemisphere and has shot and competed in many countries. In 1965 he won the New Zealand National Single Barrel Championship. The next event was the N.Z. "International" Championship which was abandoned when the International-type trap broke down.

On Tuesday, March 30, the N.Z. National 25 Target Clay Sparrow Championship from 16 yards was won by 33-year-old Napier building contractor, S. Mackie after a shoot-off. (In 1969 he won the North Island Double Rise Championship). The field was of 221 entries.

The N.Z. National Double Rise Championship followed and from a field of 205 Vin Ryan of Cogrove, Victoria, Australia, won after a shoot-off. This is a 15 pairs target event off 16 yards.

On Wednesday, March 31, from a field of 194, J. R. Thomson of Rotorua won the 50 Target Single Barrel N.Z. National Single Barrel Championship after a shoot-off.

On Thursday, April 1, the 50 Target New Zealand National Single Rise Championship was conducted and from 307 entries only F. R. Manson (Waimate), A. W. H. Walker (Hakataramea) and R. W. S. Cavanagh (Wellington) shot the possible. It was won by 37-year-old Manson 83/83.

In conjunction was the N.Z. Junior Single Rise Championship won by P. Bretherton of Wairoa.

On Friday, April 2, the qualifying sections were held for the Mackintosh Trophy International Teams' Match.

The New Zealand Champion of Champions was A. W. H. Walker (Hakataramea). He also won the Browning Trophy Gun and was the top qualifier in the International Team to win the Luigi Franchi Trophy. The joint high guns in the 1971 N.Z. International Team for the Willoughby Norrie Trophy were J. R. Thomson (Rotorua) and A. W. H. Walker (Hakataramea).

After the New Zealand team had shot its section of the International Teams' Match, a concluding 20 target sweepstake was held and the three possible scorers who divided, included Fred Lang of Tweed Heads, New South Wales, Australia.

ECHUCA, 20/4/71.—Weather conditions: Perfect. Attendance: 50. Results: 10-tgt. DB H'cap: F. Burgess, 54/54; R. Howden, 53/54; C. Bartlett, 55/57. Victorian State Mixed Mini C'ship: D. Munro, 24/25; W. Coulson, 45/55; C. Williams, 42/55. F/M: J. Crouch, 17/25.

Many thanks to all shooters who attended to make this the biggest and best monthly night shoot in many years held by Echuca Gun Club.

Due to the crowd our usual 20-tgt. DB handicap had to be reduced to 10-tgt. DB handicap to get through on time. Nineteen shooters shot the possible, making a very lengthy shoot-off. Congratulations to new member, David Gay, only a novice at the sport, and shooting 54/57 for fourth place. In the main event the Victorian State Mixed Mini Targets C'ship, Melbourne shooter, D. Munro, won this event outright, 24/25. Three others shot 21/25, resulting in a shoot-off for the minor placings.

EUROA, 28/3/71.—Fine and mild. Attendance: 24. Results: 15-tgt. DB Trophy: R. Ruhe (Shepparton), 1st; J. Piastrri (Shepparton), 2nd; K. McKendrick (Euroa), 3rd. 6-Pr. D/D: N. Pearson, L. Huff (Benalla), 3rd.

The ladies' trophy was won by Mrs. Ted Baldwin.

Our first Night Tower shoot. Many of the shooters experienced Tower shooting for the first time. Added to the fact that it was night time, some found it a little bit difficult.

FRANKSTON, 17/4/71.—Weather conditions: Fine. Attendance: 28. Results: 20-tgt. DB Dist. C'ship: H. Retallick, 1st, 43/43; G. Paul, 2nd, 42/43; W. Stone, 3rd, 26/27. 20-tgt. DB H'cap: J. King, 1st, 31/31; G. Paul, 2nd, 30/31; L. Heywood, 3rd, 41/41.

The attendance was below average for the Club, which is endeavouring to make all facilities available for shooters. It is recognised that shooting is becoming more costly with the increase in price of shells and clay targets. Clubs are being forced to increase entry fees, although Frankston is trying to keep them down as well as providing a good range of trophies.

It speaks volumes for his ability as a trap shooter that this man can spend hours in cutting the grass surrounding the club and consistently referee almost the entire program and yet still win event after event. Thank you Darby!

Heavy rain spoilt our chances of a good attendance for the State Walk-up Championship. Even so, 21 shooters were keen enough and braved the elements. Only two possibles were recorded and in the shoot-off J. Platten took the sash from Ian Dickens, of Geelong, with Alf James the only 19 third. Mick Italia, with 17/20, was a good effort and he won the front marker's trophy.

Having lost our usual date of the Queen's Birthday
weekend to the Nationals, we had to shoot at Easter
this year. All being well, we will be back to June for
1972. Whilst the numbers were down the weekend was
a great success.

Windy conditions made high scoring difficult mainly in the mini events. Feature event was the Commonwealth Mixed Minis and was won by consistent local S. Kentish from L. Hasted with O. B. Bloxsome third in a shoot-off from R. Kamradt, of Rockhampton.

P. Ellem scored a double by winning both the State Minis DB title and Central Burnett DB points title. K. Bamberry was runner-up in both events. No shooter managed the possible in the big cash event. Locals A. Williams and B. Keune shot 39/40 to keep the lion's share of the cash at home. Consistent Neil Shand, of Dalby, took out the High Gun with Bob Smith, of Chinchilla, taking out the Intermediate.

The Club used the third trap layout for the first time and we look forward to conducting the State Teams Shoot in the near future. We welcomed shooters from Australia's newest club—Dawson Valley.

A very disappointing shoot all round! Attendance would be the lowest for the past 8 to 10 years.

The big problem however was the targets. The Club has never had such a bad lot. During the shoot at least 200 "no birds" must have been thrown due to breakage and all agreed that the clays were at fault.

Congratulations to all shooters in attendance, for their perseverance and understanding — for this the Committee extends their sincere thanks and humble apologies.

Very pleasing to see Ken Lowry and Barry Hollywood in attendance from Adelaide. Condolences to our team of ladies for the quantity of food left over.

Today was our last shoot on our old grounds. These grounds had been used when the old Taree Gun Club first started in the early 1950's and when our present Taree-Wingham Club was formed 18 months ago, we used the same grounds. After building our clubhouse and getting ourselves comfortable we found it necessary to move. We have moved the clubhouse wholly intact and our new grounds are on the Wingham Race Course, Comboyne Road, Wingham. It was fitting that Jim Tufrey, the first Secretary of the old Taree Club should win the Club SB C'ship on our last day on the old ground, congratulations Jim. Welcome visitors were our old friends from Gloucester, Dungog and Port Macquarie Clubs.

This was our first shoot on new grounds (on Wingham Race Course, Comboyne Road, Wingham). The target area proved to be as good as the members hoped it would be. Pleased to see our friends from Gloucester with us again, also from Port Macquarie. It was encouraging to have three young men out to have a shot and see what Clay Target shooting is all about and we are hopeful that they will be back again next month.

WAGGA, 4/4/71.—Fine and warm. Attendance: 32. Results: 10-tgt. DB EO: 8 possibles. 20-tgt. Wagga Pts. C'ship: P. Whyte 108/108; D. Inch 105/108; L. Graham 66/69. FM: B. Dowell. 1st Trophy H'cap, 4 Yardages: 12-14: B. Dowell 24/24. 15-16: M. Allen 65/65. 17-20: C. Lord 28/28. 21-27: P. Whyte 16/16.

Taree-Wingham Gun Club (NSW) has moved to a new site—we are now on Comboyne Road, Wingham, on a section of the Wingham Racecourse under a 20-year lease. With the verandah section removed, we placed the main building on a trailer and way we went! We had wonderful support from the local Council and local Services Club and have had the use of the Council grader to get the land level for the trap and lanes. When we are finished we will have two traps with almost identical background in line with each other.

AUSTRALIAN CLAY TARGET SHOOTING NEWS

WEST AUSTRALIA

BOYUP BROOK, 25/4/71.—Weather conditions: Very cold and cloudy. Attendance: 11. Results: 25 Skeet: 1st, Tom Chapman; 2nd, Terry Shine; 3rd, Frank Chapman.

Weather conditions were cold and cloudy. Only three of the eleven shooters gained 25 with handicap and Tom Chapman shot very well to win the event from Terry Shine and Frank Chapman. Congratulations to Terry for shooting yet another possible in the course of the shoot-off and also for winning the high gun spoon.

DARKAN, 10/4/71.—Weather conditions: Fine, mild. Attendance: 7. Results: 10-tgt. SB: 1st, D. Medlen, 9/10; 2nd, I. Flugge, L. Rose, 8/10; 3rd, D. Wooding, 7/10. Others: T. Shine, H. Higham, J. Oliver, 6/10. 10-Pr. D/Rise: 1st, T. Shine, 17/20; 2nd, D. Medlen, J. Oliver, 14/20. Others: H. Higham, 13/20; I. Flugge, 11/20; D. Wooding, 9/20; L. Rose, 7/20.

A shoot-off resulted with Terry Shine and Doug Medlen having the same score, 23/30, so five SB and five D/Rise were shot and Terry running out winner for the day with 12/15 and Doug with 10/15.

DERBY, 28/3/71.—Weather conditions: Hot and humid. Attendance: 7. Results (Night Shoot): 30-tgt. DB: 1st, H. Keane; 2nd, B. McQuade and M. Elliott tied. The first shoot of the season. H. Keane, from Koolan Island, shot well. A visitor in P. Blenerhasset, also from Koolan Island, shot very well on his first effort.

DERBY, 12/4/71.—Weather conditions: Hot and humid. Attendance: 8. Results (Night Shoot): 25 Mixed Targets: 1st, P. Newton, 22/27; 2nd, I. Macfarlan, 21/27.

A hot humid night, which was plagued by mosquitoes, but with gallons of repellent, shooting was competitive. A shoot-off resulted in a win for Peter Newton.

EASTERN GOLDFIELDS, 7/3/71.—Weather conditions: Strong southerly. Attendance: 12. Results: 20-tgt. DB: K. Holman, 19/20; K. Srb, 17/20; T. Stelling, 17/20.

EASTERN GOLDFIELDS, 21/3/71.—Weather conditions: Good. Attendance: 16. Results: 20-tgt. DB: I. Warburton, 39/39; J. Bright, 38/39; F. Martin, 23/24.

EASTERN GOLDFIELDS, 4/4/71.—Weather conditions: Good. Attendance: 11. Results: 20-tgt. DB: L. Nangle, 54/55; J. Hocking (new shooter and a 50 break), 53/55; J. Bright, 38/40.

Shooters faced the traps to contest a 20-tgt. DB event. Good weather conditions made shooting very keen with seven shooters shooting off. The shoot-off was

eventually won by Len Nangle with a very good score of 54/55, with new shooter in J. Hocking filling second place 53/55, also to earn a 50 break badge.

GERALDTON, 21/3/71.—Weather conditions: Windy. Attendance: 13. Results: The 50-tgt. Skeet H'cap was won by Andy Ferreo after shoot-off with score of 64/64 from Ray Wann 63/64 in second placing.

As this was Wann's second contest as a new member, it augurs well for his future success. Ferreo also scored best off the gun with 46/50. He was hard pressed by Ernie Cross, of Murchison, with 45. Barely three squads attended this the second shoot of the season, mainly owing to the fact that many of our members are busy with the Rock Lobster season in the Abrolhos.

Presentation of trophies by President Noel Burton concluded the afternoon's shoot.

KATANNING, 4/4/71.—Hot, windless conditions. Michael Crossley won both the 20 target DB handicap event and the high gun trophy after shoot-offs with Tim Catling and Norman Rae.

Crossley did not drop a target and scored 24/24 in the handicap and 29/29 for high gun.

In the traditional Deauville Doubles event winners were Greg Downer and Ross Anderson. A host of pairs came in with 9/10 to share second place — and no dividend!

Work has commenced on the new ground and members took the opportunity of inspecting one layout which is almost complete. Work on the project will be continuous and the remaining two layouts in the present stage should be completed within a fortnight.

Office-bearers elected at the annual general meeting in March were: President, P. M. James; Vice-President, R. S. Anderson; Non-Shooting Secretary, D. Senior; Treasurer, Mrs. M. Downer; Captain, T. Catling; Vice-Captain, S. Leach; Committee, E. Pedler, S. Gibson and R. Ritchie. Immediate Past President is M. Crossley.

KOJONUP, 10/4/71.—Weather conditions: Good. Attendance: 10. Results: 25 Mixed Targets: 1st, K. Anderson, 24/25; 2nd, I. Haggerty, 33/34; 3rd, D. Ryall, 32/34. 8 Skeet Low House: Equal 1st, G. Anderson and D. Ryall, 7. High Gun: D. Ryall.

NEWMAN, 4/3/71.—Attendance 15, weather good. A 25 target handicap event was won by Maurie Hammond 19/25 from John Patterson and Howard White-more, both 17/25.

PERTH, 3/4/71.—Weather conditions: Fine and hot. Attendance: 23. Results: 40-tgt. DB H'cap: 1st, John Eddy, 40/40; 2nd, Bill Scrimgeour, 43/44; 3rd, Bert Festa, 42/44.
