OUR COVER . . .

Action shot of skeet shooting at the Australian National Clay Target Championships, Brisbane, June, 1971. Note both the broken target and also the ejected empty cartridge.

Editor's Notes

1972 ANNUAL MEETING

The 1972 annual meeting of affiliated club delegates and representatives of member clubs will be held in a special room of the Ex-Servicemen's Bowling Club, Griffith, New South Wales, at 6 p.m. on Monday, March 13, 1972.

The election of seats on the Executive Committee will take place during this 36th Annual General Meeting of the Australian Clay Target Association.

Only such items as submitted within the Association Articles and published on the Agenda shall be discussed. A.C.T.A. Secretary shall be available at 5.30 p.m.

During the two days, Thursday/Friday, March 9/10, 1972, the Griffith Gun Club will conduct a series of events as eye-openers for the 1972 Australian Nationals and this club programme will include:—

On Thursday, March 9, a special 16 yard event sponsored by the Rice Marketing Board of New South Wales.

On Friday, March 10, the finals of the 1971/1972 Winchester Tournament in Australia, both trap and skeet sections, and, in any section of this Winchester Tournament, if shooters shoot in front of their handicaps, then no handicap penalty will be applied.

Twelve trap and six skeet finalists in this Winchester Tournament Final Round will compete at Griffith on March 10, for final honors in the Winchester Trap and Skeet Tournament.

Finalists in trap and skeet events from every State in Australia will compete for the magnificent Winchester perpetual gold cups, replicas, sashes and badges. Placegetters will each receive a sash and badge.

At time of going to press, three trap and one skeet preliminary events remain to be held. The last event being at Brisbane on February 20.

The event has attracted a great deal of interest and good attendances. Winners and placegetters, including some of the better known names in Australian Trap and Skeet shooting, now go on to Griffith to contest

what are expected to be exciting hard fought finals in both trap and skeet.

Acceptances at time of going to press are:—

TRAP

B. Brown, ACT.; R. Holtfreter, WA; L. Crema, NSW; W. Starling, SA; A. James, Vic.; S. Marshall, Tas.; I. Campbell, SA; Doug Smith, Qld.

SKEET

W. Delaney, Vic.; R. Mules, SA; D. Perry, Tas.; R. Bailey, WA; A. M. Paul, Qld.

The 1972 Australian National Clay Target Championships will then be conducted by the Association on the grounds of the Griffith Gun Club, some three miles to the North-West of the town, on the edge of the aerodrome. This will be a seven consecutive day programme commencing at 8 a.m. daily (or as directed) over Saturday, March 11 to Friday, March 17, inclusive.

Weather should be windless, sunny and muggy, temperature around 90 deg. or more. Rain is not expected. Shooters will be facing a little South of East. Vista is clear for one mile over the aerodrome and it is the club's usual practice to spread rice husks over the area in front of the traphouses to give equality of vision and to lessen weed growth.

We shall be shooting the trap events over six electric oscillating traps, all "Winchesters." There will be a seventh trap layout as a spare — this will also be fitted with a "Winchester" electric oscillating trap but the tracks will only be marked for 16 yards common mark shooting.

The Skeet events will be contested over the two days Thursday, Friday, March 16/17, to complete the programme. Two skeet layouts will be used.

Clay targets will be color BLACK throughout the trap and skeet sections of the programme.

The public are invited, but, no person can enter the property without permission. Undesirables can be evicted by the Association, and no trading is permitted on the grounds other than that approved, in

writing with the gunsmith, the caterers, or the cartridge manufacturers, each from the so allotted distribution point.

Catering will be within a specially erected, removable, steel building. A full range of meals will be available, at normal prices as submitted to, and approved by, the Association. These will be available from 8 a.m. till 4 p.m. daily over March 9 to 17, inclusive. Menu includes hot meals, cold meals, snacks, or even just a cup of tea.

A licensed bar will be contained in a separate building. The bar will close immediately after the scheduled shooting each day.

Gunsmith will be Noel King of Griffith, who will have all shooting requisites and facilities available. Shooters may purchase cartridges for handicap events from the gunsmith, as provided within our shooting rules, but for the National Championship events only especially selected and branded cartridges, as sold by the Association, may be used. This is to preserve shooter equity throughout the programme.

These especially branded cartridges will be sold by the A.C.T.A. Cashier in the usual manner by means of—

- (a) especially numbered strip tickets for \$2.60 per packet of 25; or
- (b) especially numbered larger/distinctive tickets for \$2.50 per packet of 25, being 500 cartridges/case lots for \$50.00.

I.M.I. and Winchester will each distribute their respective cartridges from 12 ft. x 12 ft. areas.

Empty shells on the ground are the property of the A.C.T.A. and distribution will be via the Shoot Marshals between 10 and 10.30 a.m. daily.

The Squad Indicator Board will be supplied and donated by Winchester Australia Pty. Limited — this will provide for the six squads facing up at any given time, and, for shooter guidance/preparation, the scoreboard will indicate each squad to specific tracks by—

Squad Number (in color on scoreboard)	1 x 25 1st visit at trap number	2 x 25 2nd visit at trap number
1	1	4
2	2	5
3	3	6
4	4	1
5	5	2
6	6	3
7	1	4
8	2	5
9	3	6
10	4	1
11	5	2
12	6	3

and so on, over the six trap layout.

All squads must watch the squad board for squad readiness. Squads then report to the resting referee at the rear of the trap concerned. Six squads will be facing the traps at any given time. Marshals will maintain squad indicator board.

A.C.T.A. sashes will be handed p.m. daily as directed by the A.C.T.A. National President, Mr Gordon Hall, to the winner of each of the respective scheduled events, but neither winners, nor placegetters, throughout the Championships will receive physical trophies,

but, in lieu, they will each receive a "trophy credit" on a sliding scale (in proportion to the nominations received) over the 1st to 15th placegetters in each major event, with provision for a best lady shooter's trophy voucher.

For the three Intermediate Events and the Skeet Event, the trophy credits will be on a separate sliding scale to the 1st to 5th placegetters in these events. 1st, 2nd and 3rd in all events cannot be divided. They must be shot to finality. Yardages and State awards are discontinued.

(Note: Year 1972 will terminate "Intermediate" ratings. Commencing 1973, common mark shooting will be within the accepted grades.)

Scoreboard will be a double-sided, raised affair, roofed either side. It is provided with the compliments of I.M.I. Australia Limited.

Shooters must present their handicap cards, to assist spelling and recognition, when nominating.

Handicap cards will be retained by the shooters who are to enter their own scores, then, at the end of each 500 targets, a score percentage and class are calculated, the card is shown to the shoot secretary for marking and notification to A.C.T.A. central records.

Notes: (1) See paragraph 16 of Executive Committee directives, page 3, December 1970, "Shooting News."

(2) Only event targets and event scores are used for calculations. (Thus, shoot-off results are to be ignored.)

(3) Where several events are shot on the one day, use only one line for the day's events.

Car parking at the Griffith Gun Club — access can be two ways out of the town—

- (a) up the hill, round past the golf course then round the length and one end of the aerodrome. I feel the simplest is the other, via a few corners, straight to the club, BUT, as the designer of Griffith also designed Canberra, please do not get lost in the circles;
- (b) a VIP area will be restricted to Executive Committee, Gunsmith and Shoot Staff via the gate nearer the clubhouse;
- (c) ample general parking is available in the car park via the first double gate on the town side of the grounds.

No sleeping caravans other than gunsmith and caterer are permitted on the grounds — the club grounds are A.C.T.A. property throughout the National programme. Thus, day use caravans for cartridge and gun suppliers only, will be contained in the fenced area behind traps 6 and 7 — that is, the Northern sector beyond the clubhouse.

Sleeping caravans can be accommodated—

- (a) at no cost in a tree covered area on the town side of trap one, BUT, the nearest toilet/water facilities are at the club some 200 to 300 yards distant;
- (b) at the Griffith Showgrounds where some power connections are available;
- (c) a small caravan park with facilities is near the showgrounds;

(d) the next nearest is at Darlington Point, some twenty miles south.

Griffith town centre is under three miles from the club. The club is on the edge of the airport. Feeder air services operate to Sydney only. No air services to Melbourne. A daily road bus service runs to Melbourne.

All shooters present, must present 1972 handicap cards, none of which would have been issued without the 90 cent shooter insurance premium being paid — this insurance covers all visitors and honorary members. Also if clubs have no constitutions, etc., in writing, then no cards are issued.

A separate account will be kept for every shooter throughout the programme. Shooters may pay as they nominate or as they finish but all accounts must be settled at the grounds.

Flags — the Australian flag and the A.C.T.A. flag will be flown from the crosstrees daily between 8 a.m. and 5 p.m.

Transport Services—

- (a) a feeder air service exists Sydney to Griffith but no flights are scheduled southwards. Some problems exist for Tasmanians and those from South and Western Australia;
- (b) railways Melbourne to Griffith — two routes — via Tocumwal or via Albury from Spencer Street Station, Melbourne, not Wednesdays or Saturdays;
- (c) road motor from Whights Tourist Services, 100 Flinders Street, Monday to Saturday.

Shoot Personnel — at this stage we have sufficient recommended and checked referees both trap and skeet, and these have been confirmed in writing.

Shoot Marshals will be Mr Harry Williamson of Apsley, Victoria and Lieutenant Wal Murphy of H.M.A.S. Cerberus.

All Nationals Referees are required to meet in the clubhouse at 2 p.m. Friday, March 10, for instructions.

The decisions of the Referees and the Marshals whilst on the tracks are final. (Rule 46). A Marshal must be present at each shoot-off in addition to the check scorer.

Public Address System — This is for use only by the Marshals, A.C.T.A. Secretary and A.C.T.A. President, to commence the shoots, to bestow trophies and in extreme cases only, for special announcements.

Should any shooter or visitor be required for a message, his name must be put on the scoreboard, then, that person must see that his name is erased when he has the message.

Overseas Visitors — Our friend, Mr Elgin Gates of USA, will be practising at Griffith from March 9 and will be our liaison officer with a special contingent of about 62, expected to be with us from USA over the two days Monday/Tuesday, March 13/14, to include the A.T.A. permanent Manager Mr Hugh McKinley, A.T.A. Editress Mrs Betty Ann Foxworthy, plus at least one past A.T.A. President. Some of the party will include the various wives/husbands. They then depart by bus for a tour of Winchester, Geelong

plant, before flying home to USA, via Auckland, New Zealand. This "invasion party" will include shooters from Alaska and Canada.

According to letters received we may have some shooters from Singapore with us.

On Friday night, March 10, at 7 p.m. will be a "get-together buffet dinner" in a large private room at the Ex-Servicemen's Bowling Club for the shooters and friends to meet, with shooters paying own meals.

The 1972 National Championships sequence will be:

Saturday, March 11 — Grand Australian Handicap, plus a \$300 Handicap, if possible.

Sunday, March 12 — National DB and Inter DB.

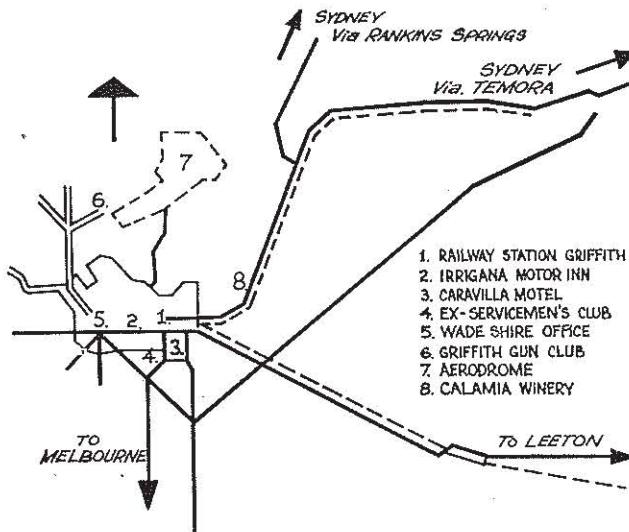

Monday, March 13 — National SB and Inter SB.

Tuesday, March 14 — Aust./N.Z. DTL Trap Championship, plus a \$300 Handicap, if possible.

Wednesday, March 15 — International DTL Trap Teams' Match followed by National Champion of Champions event.

Thursday, March 16 — National DR and Inter DR and in conjunction National Skeet.

Friday, March 17 — National Skeet to finality.

Location map Griffith area.

Note that the programme does not include either an ANZ Trap Teams' Match or an ANZ Skeet Teams' Match as by agreement these are hosted in either country by alternate years, or by other agreement, and for 1972 these shall be conducted in New Zealand.

A.C.T.A. office will commence taking nominations (these and sweepstake prices as for 1971 at Brisbane) between 1 p.m. and 3 p.m. daily, commencing Friday, March 10, to prepare the first squads for the scoreboard and for an easy 8 a.m. start by the Marshals. Nominations will then be taken between 8.30 and 10 a.m. the next morning (1) up till almost the end of the first round. Cashier will then close and re-open daily, for payouts only, between 4 p.m. and 5 p.m.

On Monday night, March 13, at 6 p.m. will be the 36th Annual A.C.T.A. General Meeting in the special large private room at the Ex-Servicemen's Bowling Club. When the Annual Meeting ceases around 8 p.m., individual meals may be purchased by the

club delegates in the main dining room at the Ex-Servicemen's (main) Club, opposite the bowling club.

On Tuesday, March 14, from 6.30 p.m. a wine-tasting barbecue will be held at Calamia Winery, one mile out. A nominal price of \$1.50 to be paid by shooters. This is designed so that shooters and overseas visitors alike, can relax over a hot chop or piece of steak, away from the shooting.

At the end of day six, Thursday, March 16, thanks to Messrs Fabrique Nationale of Belgium and their agents Commercial Marketing P/L of Sydney, the Browning Trap High Gun Trophy will be handed by our National President Mr Hall, on their behalf, to the highest scorer over the six trap events of Gd. H'cap, Nat. DB, SB, ANZ, Ch. of Ch. and DR events.

Should there be tied scores over the totals of these named trap events, then the shoot-off procedure for the Browning Trap High Gun Trophy shall be the best of 30 targets, from 5 targets in the method and sequence of each of the major programmed events as follows:—

- 5 targets off Handicaps
- 5 targets DB from 16 yards
- 5 targets SB from 16 yards
- 5 pairs DR from 16 yards
- 5 targets DB from 20 yards

being the best of 30 targets.

At the end of day seven, Friday, March 17, the Newton Thomas Overall High Gun Cup, is to be handed to the best scorer over the Grand Handicap, National DB, SB, ANZ (points), Ch. of Ch., DR and the Skeet event. In the event of ties to be shot-off as for the Browning High Gun Trophy plus a half round (13) of skeet targets, totalling the best of 43 targets.

There will be a Stirling U/O Shotgun available to the first New Zealander to win the ANZ Trap Championship. This kind offer is from Fuller Firearms P/L of Sydney.

For the International Trap Teams' Match on day five (Wednesday, March 15), the team shall be named as soon as possible after the Australia/New Zealand Trap Teams' Match on the Tuesday.

Team of 30 members, in six squads each of five shooters, over four tracks from the 16 yard mark, five targets from each track per shooter before changing tracks. Each shooter is permitted up to five practice targets before the competition. Members to shoot at 100 targets in 4 x 25 target stages, points scoring 3 and 2. Only the highest 25 scores of points are to count. Scores shall be sealed immediately for mail despatch to England — the results should be published in September "Shooting News."

The squad shooting sequence for this Teams' Match over four traps is to be:—

Squad 1	shoots	tracks	in	this	order	1	2	3	4
Squad 2	shoots	tracks	in	this	order	2	3	4	1
Squad 3	shoots	tracks	in	this	order	3	4	1	2
Squad 4	shoots	tracks	in	this	order	4	1	2	3
Squad 5	shoots	tracks	in	this	order	1	2	3	4
Squad 6	shoots	tracks	in	this	order	3	4	1	2

with squads 5 and 6 feeding in at the first trap change.

March, 1972—4

All squads shall then have an even and regular respite whilst preserving the overall continuity of the match.

A choice of either, or both, of two brands of cartridges shall be available free to the International Team members.

Special Australian Team Badges will be presented by A.C.T.A. President, to the assembled team, before photographs are permitted.

Special commemorative trophies for the winners of the National Double Barrel and Skeet events will be supplied and donated by Evans and Balfour P/L, Gunsmiths, of Melbourne.

SKB Model 500 U/O shotgun valued at \$223 will be donated by Michaelis Bayley Trading, sole Australian Agents for the SKB Arms Company of Japan, to the winner of the 1972 Australian National Intermediate Double Barrel Championship.

The final section of the 1972 International Teams' Match for the Mackintosh Trophy will be held at Corntown Farm, Ewenny, Bridgend, Glamorgan, South Wales, on Friday, July 21, 1972, and the conditions will be unchanged up to and including the year 1975. A cordial invitation is extended to any Australian shooter to attend and more particularly any Australian team shooter.

The 1972 New Zealand National Championships will be conducted at Timaru between April 8 and 15.

The 1973 Australian National Clay Target Championships will be conducted by the Association at the South Australian Gun Club, at dates yet to be decided.

Member clubs and shooters alike are reminded that rule 210 now reads "upon payment of their annual registration fee, all shooters other than those on 13 yards and those who signify otherwise, shall be moved forward one yard each year and other than shooters who have suffered some physical disability, this shall be the only medium for inward movement." This one yard forward at annual registration is applied as each 1972 handicap registration card is prepared and processed.

Double Rise and novelty events are not applicable to our records at this stage for either Common Mark gradings or handicapping.

TIPS AND TALES

Tatura (V) — office bearers elected at annual meeting in December 1971 were — President, Neil Berry; Vice-Pres., F. Crawford; Jnr. Vice-Pres., J. Parker; Secretary, A. (Tex) Moles; Treasurer, E. T. Baldwin; Committeemen, M. Lawler, H. Hawking, R. Dealy, R. Halsall.

Wyarama (NSW) — 16/12/71 annual general meeting elected as office bearers for 1972—President, R. Warren; Vice-Pres., W. A. Smith, D. Smith; Treasurer, A. Povey; Secretary, M. Povey; Ass. Sec., A. Smith. The club did not shoot in 1971 owing to floods but will be conducting shoots first Sunday monthly during 1972. Albert and Margaret Povey have now moved permanently to Wyarama.

As a gesture of American goodwill, our friend Mr Elgin T. Gates of California, writes, "subject of course to approval of the President and the A.C.T.A. . . . it is my intent . . . to bring a few more of our belt buckle awards, say one for each of the (trap) championship events and maybe one for the high gun . . . engraved nicely and altogether a nice award."

(Editor: This unsolicited gesture reflects the attitude of a very fine shooter from overseas and has been accepted as such.)

Chinchilla (Q) — will conduct a two-day shoot September 8/9, 1972, to include the Queensland State Deauville Doubles and Walk-Up Championships.

Port Augusta (SA) — new club forming in 1972, with both trap and tower layouts.

Roma (Q) — annual two-day shoot Easter Saturday/Sunday, April 1/2.

Narrabri (NSW) — annual meeting 2/12/71 appointed office bearers President, Grant McPherson; Secretary, Peter Noble; Treasurer, Doug Neal.

Korumburra (V) — annual meeting elected as office bearers President, D. Stone; Vice-Pres., P. Kuyer; Secretary, J. Hamblin; Treasurer, K. D. Brown; Committee, J. Chapple, M. Edgar, T. McGaw, C. Hadden.

Corowa (NSW) — has gone into recess.

Newcastle (NSW) — 18/12/71 annual general meeting elected as office bearers President, D. D. Mackay; Vice-Pres., H. G. Bowden; Secretary-Treasurer, J. E. Dunn; Committee, J. Fryer, G. Foster, K. McHue, R. Morton, R. Wagner.

Berridale (NSW) — 1972 office bearers are Pre-

sident, Les Venables (3rd year); Vice-Pres., Os Feilen and Barry Scanes; Secretary, Mrs Barbara Scanes (3rd year).

Bairnsdale (V) — 18/1/72 annual meeting elected as office bearers President, N. Stewart; Secretary, Mrs A. R. Kyle (re-elected). Shoots are conducted second Saturday monthly.

Townsville (Q) — Cyclone "Althea," January 1972, left quite a trail of devastation, but the club will be shooting again for their scheduled Easter programme.

The 1972 National Championships at Griffith, NSW, over March 11 to 17, will receive a two-day "invasion" of some 62 Americans on the Monday and Tuesday. Half will be USA shooters and their wives plus some children, plus possibly seven Canadian and four Alaskan shooters.

Mildura (V) — are adding a tower for novelty shooting and are also considering a five-trap Olympic trench layout. Club has 60 members and conducts day and night shoots fortnightly.

Glenburnie (SA) — Secretary as of 28/1/72 is G. Norman.

Wyong (NSW) — office bearers from 24/1/72 are President, L. Britton; Secretary, R. Britton; Treasurer, N. Jackson; Vice-President, N. Jurd; Captain, C. Hill; Vice-Captain, R. Perkins; Gear Steward, G. Britton.

Victorian (V) — office bearers from 21/12/71 are President, G. A. Smith; Secretary-Treasurer, Mrs Millie Williams; Committeemen, Anthony Senserrick, Les Kaye, Robert Standeven, Michael Italia, David Gardner, Bill Bamford, Fred Burns, Ken Edmunds, Bill Williams.

Kempsey (NSW) — greatly appreciate the donation of 17 acres of ground by their club president. Office bearers are President, E. A. Neill; Vice-President, L. F. Baker; Secretary, G. F. Baker.

Leeton (NSW) — 26/12/71 shoot-off for front markers' and high gun cancelled through weather conditions — to be continued at next shoot.

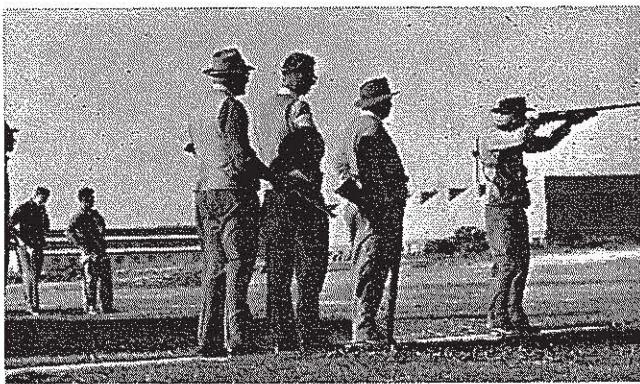

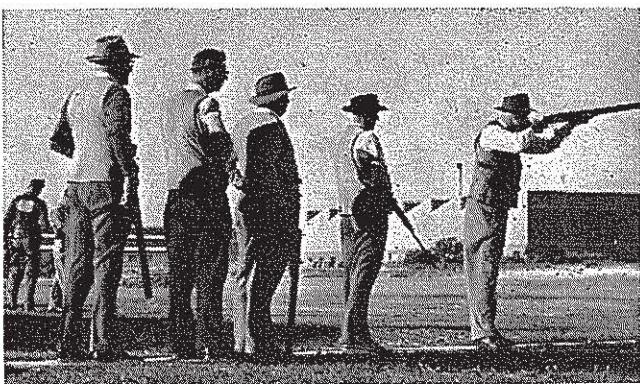

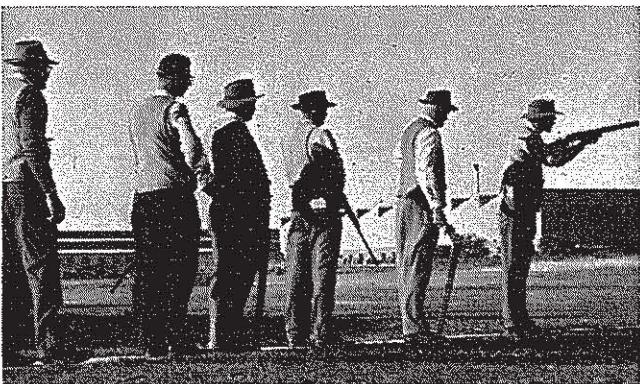

Gisborne (V) — now have a two trap layout, using a Winchester electric and a snipe automatic trap.

Shoalhaven (NSW) — club officials as of 2/2/72 are President, A. E. Vost; Secretary-Treasurer, Mrs Fay Lamond; Committeemen, T. Mudler, J. E. Lonesborough, M. Laurie.

LETTER TO THE EDITOR

TRAP MAINTENANCE

From past experience and knowledge of traps and clubs in at least the past 30 years I thought an article may be helpful to others. I do not propose to know everything, but a few points I could pass on. I have been President of the S.A. Gun Club for the past 13 years, looking after three Snipe traps and the last eight years on Damos.

In reference to those who still have Snipe traps, plates, like all traps, should be wiped down often with petrol to remove pieces of clays or other materials. Some Snipe trap operators have trouble throwing double rise targets. One thing that does make the left clay drop short and also break clays is the buffer spring being too tight.

The spring should be operated with as less tension as possible, providing the trap will cock. All clubs should have an emery covered board, 18 in. long, 3 in. to 4 in. wide, to rub the rubber rails, through wear.

Sometimes, and most times to my knowledge, uneven clays are caused by dirty plates, uneven rubber rails, and not enough gap between the rubber rail and plate when some clays are thicker than others. Some rails need small washers extra, on top of the spacers, to give the clays coming down the plate added clearance up to 1/8th inch.

AUSTRALIAN CLAY TARGET SHOOTING NEWS

A help to getting clays the right height and distance in adverse side wind conditions—mount your trap base so that it can be risen on either side.

In maintaining seven Damo traps in the last eight years I think I can write, and have found out how to maintain, and what can go wrong.

A tip or two—examine before a shoot if there is anything loose or faulty you can fix and not be embarrassed when the shoot is on.

In Damos, undo main spring and front housing and tighten bolts if necessary on ratchets, drives and bearing housing brackets.

At present I have had no experience with Winchester traps but like all traps plates should be kept clean and the finger right up against the plate like a Damo.

Anybody that reads this article and has a problem, please write, I may be able to help. Hoping I may be a help to someone.

Yours faithfully,

By BOB MULES, State and S.A.G.C. President and Executive Officer, A.C.T.A.

VALE — A. Wright, 20/11/71, aged 77 years.
(Bathurst G.C., NSW.)

A large and representative gathering was at Holy Trinity Church, Orange, to pay respect to Harry Wright one of the pioneer families of Orange.

"Feathers" as he was known was one of the most outstanding sportsmen of the district, both as a shooter and cricketer. A good spin bowler, he travelled to Penrith each weekend to play with that District Eleven and it wasn't until 61 years of age that he retired. At 68 he took up clay shooting and won many championships.

He was Patron and Life Member of Bathurst Gun Club and a member of Cowra Gun Club and Orange Branch of Sporting Shooter Association. His funeral was largely attended by shooters who formed a guard of honor and acted as pall bearers.

WINCHESTER SHOT SHELLS

Each shot shell features quality firsts like compression formed plastic cases. Then there's Winchester's shot. Harder and rounder. Progressive-burning Ball Powder gives you higher velocities. And primers are stainless, non-corrosive and non-fouling. Important. Especially in automatics.

XPERT

1-1/16 oz. 2-5/8" 12 gauge.

Australia's greatest low-price, hard-hitting 1-1/16 oz. shotshell.

RABBIT LOAD

Australia's first 12 gauge shotshell made specially for rabbit shooters. Hard-hitting and economical. With Rabbit Load, they're in the bag. The latest Hot Shot from Winchester. Shot sizes 4 & 6.

SUPER X

Mark 5 1-1/4 oz. 2-3/4" 12 gauge.

A heavyweight plastic shell with strength to spare, a high brass skirt and Winchester's exclusive unitised wad. This hard-hitting high power shotshell comes in ten shot sizes from BB.2 to 10.

DUCK LOAD

High Velocity 1-3/16 oz. 2-3/4" 12 gauge.

Australia's highest velocity shell, especially for duck-hunting. It is the ideal shell both for high-flying ducks and a long day's shooting, a 1-3/16 ounce shot load. Shot sizes: 4 & 6 in copper-plated shot. 3, 4, 5, 6 in chilled shot.

WINCHESTER BUCKSHOT

9 pellets, 00/SG, 2-3/4" 12 gauge.

This shotshell from Winchester is designed for big game shooting. Specially developed in Australia incorporating exclusive features. For pig and goat and other heavy game you won't find its equal in Australia.

QUAIL LOAD

For a small fast bird you need a fast light Winchester Quail Load. Quick to target, yet kills cleanly without bruising. 1 oz. Shot sizes 8, 9, 10.

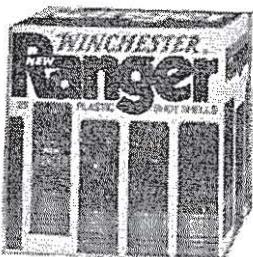

SUPER RANGER

Now Winchester lead even further in super-fast 1-1/8 oz. loads with Super Ranger. Ranger's fast brother. Deadly on game and targets. In shot sizes 3-8 inclusive. Shot size 7 & 8.

AA TARGET SHELLS

(3 dram equivalent) 1-1/8 oz. 2-3/4" 12 gauge. Perfect controlled patterns result from exclusive Double A Wad/Ball Powder/Hardshot combination. Reloadable features not found in any other shell. Shot sizes 6, 7, 8, 9.

NEW RANGER

1-1/8 oz. 2-3/4" 12 gauge.

1-1/8 oz. of high velocity shot, that's what you get from New Ranger. A rugged high brass reloadable shell giving outstanding performance in the field and for clay target shooting. Shot sizes: BB.2 - 10. Shot sizes 7, 8, 9.

Visitors were from Gloucester, Dungog and Port Macquarie Clubs. This shoot was the last in our 1971 High Gun competition. Winner for the year was Terry Rumbel. Winner of the monthly high gun was Gordon Hogno.

Wonderful to have Jack Goodsell come along to the shoot as a spectator this month. Jack has been unable to shoot since March this year when his heart began troubling him and has since been fitted with a pacer, which prohibits him from shooting (as yet). Jack was made a Life Member of our Club in June this year and it is good to see him feeling well enough to come to our shoots again.

1971 Australian National Championships

8 out of 11
Major Events
won with
IMI Cartridges!

At the 1971 Australian National Clay Target Championships held at the Brisbane Gun Club, the following Championship events were won with IMI cartridges:

- | | | |
|------------------------|---|----------------------------|
| NATIONAL DOUBLE BARREL | — | AUSTRALIA-NEW ZEALAND |
| NATIONAL SINGLE BARREL | — | INTERNATIONAL HIGH GUN |
| NATIONAL DOUBLE RISE | — | INTERMEDIATE DOUBLE BARREL |
| NATIONAL SKEET | — | INTERMEDIATE SINGLE BARREL |

The Browning High Gun event was also won with IMI cartridges.

No wonder the Champs choose IMI —
it's the cartridge with the proven record.

**CARTRIDGES**

AM.6924

Well spent!

We spend over one million rounds.

At the final production stage of a loaded cartridge, there is only one test left — to fire it. Obviously we can't fire them all, but we do fire over one million rounds a year as part of our carefully designed testing programme.

An expensive operation — but to ensure the quality and reliability of every cartridge it's definitely...

**cartridges
well spent.**

1972 A.C.T.A. Registration List

As received to February 1, 1972

* Trap Referee
** Trap Referee Examiner
† Life Registered Shooter

† Skeet Referee
†† Skeet Referee Examiner
(DC) Duplicate Card Issued

- (1) As of 1/1/72 past A.C.T.A. rules allowing inward movement on handicap ratings are discontinued, except for extreme physical disabilities.
- (2) At the time of each annual shooter re-registration, a one yard inward will be granted by A.C.T.A. and shown on the handicap card, as issued accordingly — excepting those shooters who request to remain on their earned handicaps.

COMMON MARK SHOOTING

- (i) Shooters are to be classed into three grades by their performance, excluding shoot-offs, over each 500 targets from 16 yards, double barrel, single barrel or points score with kills to count.
- (ii) Handicapping procedures are applicable in championships and graded events, in accordance with Rule 203, to shooters who are competing on or behind their handicap marks.
- (iii) Shooters may compete in one grade only. Any

shooters may nominate in any grade higher than his own, but by doing so he forfeits the right to compete in his own grade.

- (iv) The grades are to be:

	Initial Conversion from yardages
Australian A class = 95 to 100%	21-27
Australian B class = 91 to 94%	17-20
Australian C class = 90% and less	16-12

EVERYTHING about the 'Pointer' is SUPERB. Attention to detail is meticulous and only the best of steels has been used. The fine machining of the ALL STEEL receiver is matched with a hand-checkered and polished French Walnut stock. The 'Pointer' is the pride of highly trained Japanese artisans and is function tested with the loving care that has made Japan Australia's largest supplier of shotguns.

Make sure you inspect a 'Pointer'. It could save you \$100.00 in value.

Ask to see it at good sports dealers—send for test report.
