Editor's Notes

1973 ANNUAL GENERAL MEETING

The 37th Annual General Meeting of affiliated club delegates and representatives of member clubs will be held at the Sportsmen's Association, 147 Greenhill Road, Parkside, South Australia at 7.30 p.m. on Monday, March 12, 1973.

The election of seats on the Executive Committee will take place during this 37th Annual General Meeting.

Only such items as submitted within the Association Articles and published on the Agenda will be discussed. A.C.T.A. Secretary will be available, with the registers from the 7.00 p.m.

The meeting agenda, which is mailed by law to the club appointed delegates and representatives, will contain a motion concerning the recently adopted 50 cent shooter participation fee.

As the recent deaths of Executive Committee Members Mr. Rainbird of Tasmania and Mr. Oldfield of New South Wales have been a grievous loss to the Association, our legal advisers have issued the following directions as to replacement procedure:—

(a) You are referred to our letter of 14th December last concerning the position arising out of the demise of Mr. Rainbird during his office as Tasmanian Representative on the Executive Committee.

(b) Article 30 empowers the Executive Committee to fill vacancies which may occur amongst office bearers or members of the Executive Committee.

(c) By Article 31 a person appointed to the Executive Committee to fill a casual vacancy shall retain his office only until the next Annual General Meeting. The power to fill vacancies under Article 30 is permissive and not mandatory except in the latter case where failure to fill a vacancy would bring a number of members of the Committee below the quorum of four members as provided in Article 33. In other words meetings of the Executive Committee can

be held notwithstanding unfilled vacancies so long as there are four members of the Committee present to form the quorum. Accordingly no harm is done by not filling the casual vacancies occurring by death in Tasmania and New South Wales.

(d) The office occupied by the late Mr. Rainbird dies with him and does not continue on for the remaining portion of his term. By his death there occurs a vacancy in the Committee, which vacancy if the Committee sees fit may be filled but only until the 1973 Annual General Meeting when the Appointee must retire. We understand that the position so far as concerns members of the Committee is that Mr. Taylor retires on the completion of a two year term whilst the other seat formerly held by Mr. Rainbird is vacant. Therefore in this instance you have received three nominations for two vacancies. By Article 47(b) votes on the election of members of the Committee shall be by secret ballot. The new nominees elected in March next will decide by agreement or by lot between them who shall retire for the 1974 Annual Meeting.

(e) The State of New South Wales is entitled to four members of the Executive Committee. We are instructed that one of the current representatives died recently and the vacancy thereby caused has not been filled by the Committee. Two of the remaining three current representatives are due to retire by lapse of time, whilst the remaining member has a further term of one year yet to come. Accordingly, the ballot will be for three seats for which you have received four nominations. These seats will be filled by secret ballot as hereinbefore mentioned.

The proposed alteration to the Articles of Association must first be approved by the Attorney-General in pursuance of the terms under which he granted his licence under Section 24 of the Companies Act 1961. As stated, Articles cannot be submitted to your Annual Meeting in March; in all these circumstances we propose to forward to you a copy or at least a precis of the recommended

alterations so that you may include them in the appropriate magazine or News to members, but only by way of information until such time as the Attorney-General gives his approval thereto. Thereafter it will be necessary to call an Extraordinary General Meeting of members or include the same as special business in your next Annual General Meeting.

We are experiencing some difficulty in defining the ambits of authority of the proposed State organisation, but in this regard will have recourse to the President and yourself (as Secretary).

As to the suggestion that specific provision be made in the amended Articles to ensure that the Company is entitled as of right to enter into Olympic Sports we maintain the view that the inclusion per se of a specific clause in this behalf is not the answer because in the long run it is not the constitution of an organisation that determines its eligibility for Olympic Sports, but the actions and general performances of the Association which will determine whether it conforms to the requirements of Olympic standards.

In our references above to "secret ballot" the writer believes that such a ballot should be by simple and not preferential counting.

The following nominations have been received by the A.C.T.A. Secretary for the Executive Committee for the 1973 period:

G. H. Hall

Note: Item 10, page 4 of December 1971 A.C.T.A. Shooting News, recorded that "after consideration, the motion was unanimously agreed to and accepted at the 35th Annual General Meeting at Brisbane in June, 1971 —

"That in addition to our existing rules that I.S.U. (International Shooting Union) Shooting Rules for trap and skeet, be incorporated in our annual championship allocations."

A.C.T.A. Shooting Rules and I.S.U. Shooting Rules were jointly published in Australian Clay Target Shooting News in July 1972 and were repeated in the Rules Brochure dated July 1972.

Mr. Driver who is our current president cannot come due to his farming schedule however, we are honored to have a past president to represent the A.T.A. — Mr. Vic Reinders of Waukesha, Wisconsin and Mrs Reinders will be coming. Mr. Reinders is the only A.T.A. member ever to have registered more than 100,000 16 yard targets with a lifetime average of over 98 per cent on the 16 yard mark.

Vic was President of A.T.A. in 1968 and has won many Wisconsin and North American titles. I am sure you and your shooters will find him very interesting to talk to. He is also an accomplished skeet shot and will probably shoot both."

9. Sequence of shooting events:—

Day One — Friday, March 9, 1973:

National Skeet Championship elimination rounds 2 x 25 targets starting at 8.30 a.m. and using two skeet layouts with squads moving from 1st to 2nd layout. Skeet nominations to close at 12 noon Friday.

National Double Rise Championship by grades starting as soon as possible after the Skeet commences, with Double Rise nominations taken from Skeet competitors after they have shot their first round of Skeet.

Note 1: All traps including practice trap will be in use for the Skeet and Double Rise events. Trap 7 to be marked to the 27 yard mark.

Note 2: In each of the National Trap Championship events, shooters will be initially squadded according to classes as much as is practicable. The procedure then is that all possible scorers will be re-squadded in the order of qualifying. They will then shoot-off to establish the actual champion of that event. From these shoot-off scores, the first five placegetters in each class of A, B, C will be determined. In any of these trap events the open championship winner will also be the winner of his class irrespective of whether he is A, B, or C class.

Day Two — Saturday, March 10, 1973 — commencing at 8.30 a.m.:

National Skeet Championship finals over two layouts — one visit to each and shooting straight through — all Skeet shooters to nominate before 12 noon Friday.

The Grand Australian Handicap and Aust./NZ Skeet Teams' Match.

Day Three — Sunday, March 11, 1973 — commencing 9 a.m.:

National Double Barrel Championship with Grade Championships shot in conjunction. Normal shoot-off procedure, to count for the International Team and for High Guns.

Day Four — Monday, March 12, 1973 — commencing 8.30 a.m.:

National Single Barrel Championship (as for National Double Barrel).

Note 1: Hawkesbury Gun Club Shooter Mr. Len Crema has successfully submitted a case to his principals — CLAREVALE WINES (Sydney) Pty. Ltd. — for a party of shooters wives to travel by bus via the Barossa Valley to their winery at Clare for a free smorgasbord luncheon and wine-tasting. It is Mr. Crema's further suggestion that the winery at Seven Hills be visited on the return journey to Adelaide. This winery is conducted by the Jesuit Order of the Catholic Church and the church is of great historic and cultural interest. A charge will be made for seats on the tourist coach by Trans Australia Airlines.

Note 2: On this Monday night, March 12, 1973, will be the 37th Annual General Meeting of Delegates of Member Clubs — Secretary will be available with registers as of 7 p.m. The meeting will commence at 7.30 p.m. and continue till 10 p.m., or as arranged. Venue is the Sportsmen's Association, 147 Greenhill Road, Parkside.

Note 2: Subject to numbers offering a further tour by a special Trans Australia Airlines coach is scheduled for Friday, March 9. Those wishing to attend either or both tours to contact A.C.T.A. Office at the gun club grounds.

Day Five — Tuesday, March 13, 1973:

Aust./NZ C'ship — open to all grades followed by Aust./NZ Trap Teams' Match plus a USA trap team in conjunction (teams of six).

Day Six — Wednesday, March 14, 1973 — (a) DAY TIME:

International Trap Teams' Match for Mackintosh Trophy Event followed by Champion of Champions Cup Events by grades — shoot-off over six traps, finishing on one trap.

Wednesday, March 14, 1973 — (b) NIGHT TIME:

(Note: Shooters in all classes of A, B, and C have the opportunity to win this overall high gun.)

(a) Silver Dollar Bolo Ties suitably crafted, which will be for the runners-up (second highest scores) in each of the trap events.

(b) Especially engraved silver belt buckles (with silver dollar in centre) for the six trap championship event winners;

(c) (Using Elgin Gates' own words dated 30/10/72), "A rather amusing event took place when a 'C' Class Double Rise shooter won our (USA) National Championship at Vandalia last August

(1972) — much to the chagrin of the AA, A and B competitors.”

(Note: With the anticipated acceptance of class shooting, this statistical situation may soon also occur in Australian shooting, and such a circumstance will be welcomed.)

Fine record by Gerald Sharrock

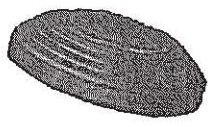

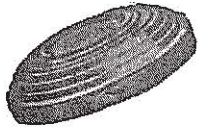

This is the 1972 handicap card of Gerald P. Sharrock, age 62, and originally of Bessie Belle Gun Club but now of Tyrendarra Gun Club, Victoria. Gerald first registered 1955 then qualified as a trap referee 4-10-66 but voluntarily withdrew 25-7-72 for health reasons.

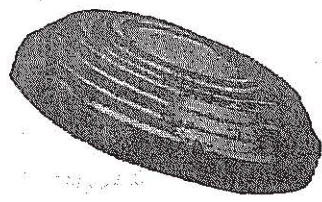

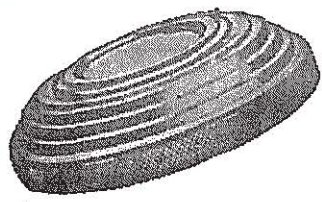

Listed below are his respective attendances and scores recorded, together with his progressive total in figures and percentage leading to this progress from C class to B class to C class. As handicap shooting is a quite different method of shooting, such record is maintained and recorded within its own columns.

(Note: The class shooting rules are amended as of 1-1-73 as shown on the front of each handicap card and if Gerald Sharrock maintains his 1972 average he would be an A class shooter within the 1973 year.

Inter-Services Competition — 1973

The annual Inter-Services Trapshooting Teams' Match was scheduled for 21.2.73 to be hosted by the Navy at Crib Point, Victoria.

Colac (V) — During the Victorian State Teams' Match elimination and competition the stories were rolling thick and fast in the hot weather. Everyone was in fine fettle as the grounds were perfect, the Winchester traps were perfect, the cars were in pine

tree shade and the meals served by the ladies auxiliary were excellent. One of them was Bob Jorgensen of Nargoon Park and Portarlington Gun Club fame. One of his stories, as repeated, — two fellers went duck shooting, one lost his wrist watch. A year later they came back again and found the watch at the end of a hollow log, face upwards, showing the right time and the watch was still going, BUT, in the hollow log was a big tiger snake. Now Bob Jorgensen says that every time that "joe blake" left the log it slid over the watch and wound it up. We can't publish the rest of the stories.

Werribee GC — Scheduled opening shoot for Sunday, Feb. 11 was cancelled because of unprecedented heavy rainfall making the area inaccessible. Next shoot to be Sunday, March 4.

Frankston (V) — Vale Cecil Wilson 1.2.73. Secretary since 1965. As fine a man and secretary as one could wish.

Colac (V) — Two club members Ernie Osborne and Arthur Neale stepped down from the offices of President and Secretary after a total of 23 years' service. Osborne, President for the past 15 years was succeeded by Stan Walker who was inaugural President of the Western District Clay Target Association. Neale, Secretary for the past 8 years did not seek re-election. Office-bearers now are Pres., Stan Walker; Sec., Bill Perry; Vice-Pres., Ern Osborne; Jnr. Vice-Pres., Peter McDonald; Asst. Sec., Arthur Neale; Team Capt., Perc. Stinchcombe; Vice-Capt., Ern Osborne; Shoot Marshall, Perc Stinchcombe.

New Zealand — 1973 Rothmans Westland Provincial Championships conducted at Kokatahi produced 30 possible scorers from a field of 70 shooters. Sixteen year old P. Lassen won 201:201 from R. Everett. W. Attwood of Melbourne won the single barrel championships from L. Perham. The single rise event was won by Rex Everett from his brother T. Everett (senior) on the 17th target of a shoot-off.

Sam Holmes from Methven won the trip to the 1973 Australian National Championships.

I don't like to overstate our case, but we really do have the two best planes in the sky.

We are the only airline flying both VC10s and 747s to London.

It is, perhaps, of interest to note we fly there most and offer the most ways of getting there.

So, whether you choose our lithe, sleek VC10 or our buxom, motherly 747, you may indulge our traditional service to your whim's content.

You may also feel a slight sense of superiority knowing you are flying in one of the two best planes in the sky.

Now that's not a masterly understatement.

But it's certainly true.

And one should never be afraid of the truth.

1973 A.C.T.A. Registration List

As received to 24th January, 1973

* Trap Referee † Skeet Referee
** Trap Referee Examiner †† Skeet Referee Examiner
‡ Life Registered Shooter (DC) Duplicate Card Issued

- (1) As of 1/1/72 past A.C.T.A. rules allowing inward movement on handicap ratings are discontinued, except for extreme physical disabilities.
- (2) At the time of each annual shooter re-registration, a one yard inward will be granted by A.C.T.A. and shown on the handicap card, as issued accordingly — excepting those shooters who request to remain on their earned handicaps.

COMMON MARK SHOOTING

- (i) Shooters are to be classed into three grades by their performance, excluding shoot-offs, over each 500 targets from 16 yards, double barrel, single barrel or points score with broken targets to count.
- (ii) Handicapping procedures are applicable in championships and graded events, in accordance with Rule 149, to shooters who are competing on or behind their handicap marks.
- (iii) Shooters may compete in one grade only. Any shooters may nominate in any grade higher than his own, but by doing so he forfeits the right to compete in his own grade.
- (iv) Shooters mark their own cards progressively for common mark shooting and at November 30 annually AND/OR after 500 programmed targets the card must be submitted to the club secretary for correct classification and reporting to A.C.T.A. central records.
- (v) The initial grades are to be:
Australian A class = 90% to 100%
Australian B class = 85% and under 90%
Australian C class = all under 85%
- (vi) A shooter's open handicap is achieved under the handicapping formula applicable to handicap events only.
