Michaelis Bayley Trading have indicated to us that they will donate a model 600 SKB shotgun (value \$379 retail) to the best overall scorer in the "B" class at the 1975 National Championships.

F. C. Lovelock Pty. Ltd. have indicated that they wish to donate, on behalf of Texan Reloading Presses, one Mark IV Texan Reloading Press (value \$480) as a trophy for decision by the Executive Committee apropos the 1975 Nationals.

IMI Australia Ltd. will donate a Luigi-Franchi Skeet Gun to the best overall scorer in the 1975 National Skeet Championship.

Winchester Australia will provide, on a continuing basis, a Winchester Presentation Grade U/O shotgun for presentation to the National Championship's overall trap events high gun winner.

The Winchester 1974 Trap Tournament Final Round is to be conducted at the Brisbane Gun Club on October 27 (see separate details elsewhere in this publication).

The full Australian 1974 Shooting Team of 43 members — comprising small bore rifle, pistol, running boar and shotgun shooters — gathered at a reception, 4 p.m. till 6 p.m. at the Travelodge Motel, Tullamarine International Airport, Melbourne, on Wednesday, September 5. Joint hosts were IMI Australia Ltd. and Winchester Australia Pty. Ltd. The team departed by British Airways for Switzerland the following day.

Separately within this publication are the definitive time-tables of this world series plus a list showing the world's ten best shooters prior to the conduct of these 41st world shooting championships.

Whilst the A.P.S.U.A. (Amateur Pistol Shooting Union of Australia) and other kindred sporting associations provide for progressively accumulating funds, year by year, to send their shooters abroad to Olympic Games, Commonwealth Games and International Shooting Union World Championships, the Australian Clay Target Association has financed the 1973 and 1974 teams from surpluses achieved at past national championships. Regretfully this 1974 year at Melbourne, saw no such surplus.

However, at this stage, the action of sending Australia's initial teams abroad into the highly competitive international field is to be applauded as, at our first such entry, an Australian team secured bronze trench shooting medal placings against the world's best shotgunners (see A.C.T.A. "Shooting News," Vol. 27, No. 1, January-February, 1974), and a bronze skeet shooting medal (see A.C.T.A. "Shooting News," Vol. 27, No. 2 of March, 1974).

The A.C.T.A. must initially bear the cost of such entries into the international shooting field, as by such participations, our own betterment of shooting has been achieved in all its varied and ancillary aspects.

Support from shooter and gun club levels for our team has been disappointing, however, subsidies/donations received to date by the A.C.T.A. towards the costs of sending the shotgun shooters (four trap and three skeet shooters, with the fourth skeet shooter to be selected by the shotgun section team manager from those Australian trapshooters present) to Switzerland are \$3500 from the Federal Government via the Australian Shooting Association, \$10 from shooter Henry Weitzel of Metropolitan Clay Target Club (Vic.) and \$20 from shooter Don Sullivan of Hay Gun Club (NSW).

Throughout the Commonwealth, rainfall during the end of the 1974 winter period, exceeded all past records and floodings have been reported from gun clubs in many areas.

Melbourne Gun Club (Vic.), has been flooded for the fourth time within the last three years and their August 24 scheduled shoot had to be cancelled because of this latest such happening.

Wagga Gun Club (NSW), experienced the Murrumbidgee River relentless overflow and flooding during the first weeks of September 1974, when the flood waters became two feet deep over some miles of surrounding flat ground, BUT, what we are concerned with — the waters just lifted the traphouses right out of the ground. Whilst this area of New South Wales has known rising water problems before, this August-September 1974 period has surpassed all previously known historical records. As a consequence the scheduled NSW State section of the Interstate Trap Teams Match, scheduled for October 5 and 6 will now be held at the nearby Ganmain Gun Club over their three down-the-line traps — thanks to the courtesy of the Ganmain Gun Club. Details of the shoot are contained elsewhere in this publication.

Hay Gun Club (NSW), was also flooded. (See News and Views).

During 1974, the Australian economy has experienced the initial brunt of current rising costs and their resultant first effects on business in general, and at the stage of going to press with this publication our Association has had to meet and accept the effects of this confusing and unstable economic climate, together with other unscheduled costs (see earlier paragraph).

We have had major problems to date in attempting to maintain our charges for advertising, badges, stationery and the like but recent incoming advices leave no alternative but to restructure these schedules. In fact our advertising rates to industry, and our separate (subsidised) rates to member clubs had remained unaltered since 1968-1969 — this fact, has been known to the Executive Committee and steps are being taken to meet the situations.

The Association Executive Committee is scheduled to meet in Melbourne, at the Naval and Military Club, during Monday, Tuesday and possibly Wednesday, of October 7, 8 and possibly 9. During this period all matters duly advised, known and/or conjectured will be discussed and the decisions made known in the December publication of A.C.T.A. Clay Target "Shooting News."

To all club secretaries and advertisers alike, copy for all publications closes on the first day of the month preceding the date of publication.

Australia has been beset by many labour stoppages during 1974 and it has been necessary to fully adhere to this copy closing deadline.

As no January publication is made because of annual vacations within the printing industry, all concerned are hereby requested to lodge copy — for December by November 1 actual — for January/February by December 1 actual. Late submissions then are self-inflicted problems for those concerned.

Letter to the editor

August 27, 1974.

Mervyn Berry,
2038 S. G.P.O.
Melbourne, Victoria, 3001, Australia.

Dear Mervyn,

Thanks for your letter of May 22, which was delivered by Barney Rooke a few days ago at our National Championships.

Many thanks for your courtesy in arranging the caravan for Launceston. Most thoughtful of you! Barney has been helpful in arranging a booking for a room and hire car so it would appear that I'm all set for 1975.

With the approval of the Executive Committee, I would again like to furnish the silver buckles for the outright champion of each of the six trap events and also the skeet, making a total of seven buckles.

Generally, I think the members of the Australian tour enjoyed themselves very much, and I'm sure you will get full details from Barney on his return.

As a result of your courtesy in putting me in contact with the South African association, I attended their national championships again this year (the second visit) and was very fortunate to win two of the three trap championships via shoot-offs and taking runner-up in the third. They were most hospitable, and I filled them in as best I could with shooting in America, Australia and NZ. Wouldn't be surprised to see some of them turn up in 1975 or '76.

Best regards,

ELGIN GATES.

Australian shooters in New Caledonia

Australia was well represented during August 10 to 14, at the New Caledonian National Championships by nine shooters. New Zealand sent a strong contingent of 32 shooters and the rest of the field was made up from local New Caledonian shooters and Pacific Islanders.

The shooting ground, a Universal five trap trench system, was right up to world standards but the fish tail winds made shooting conditions most difficult.

Ten teams contested the International Teams Event and Australia and the Melbourne Gun Club were represented. In virtually a shot by shot encounter with the lead changing from round to round, the local New Caledonian crack shots Carreyre, Dupuy, Le Saulnier and Bareth finished two points ahead of the Australian team of Brian Mark, Brian Lowry, Bill Stone and Geoff Mark. The Melbourne Gun Club team of Tom Lucas, Peter Morton, Max Howell and Roy Garwood finished a further 25 points behind but 11 points ahead of the New Zealand team and took out the bronze medal.

Notes:

(1) The New Zealanders fielded two teams — a number 1 team and a number 2 team.

(2) The official scoreboard showed Australian Team Number 1 and Australian Team Number 2 — and there were obvious rumblings — (a) that individual club team entrants are rather unusual! (b) they also noted that Roy Garwood hails from Hobart Gun Club and Max Howell hails from Dundonnell in Victoria's Western District, and not from Melbourne Gun Club! (c) **that Bill Stone** (who is President, Australian Gun Club) **deserved each and everyone of his trophy awards.**

To date this was probably the most victorious Australian team to ever leave our shores as the final tally of 14 medals, three cups and two other trophies was far in excess of the wildest speculation.

The Individual Open Trench Championship saw another close finish with local New Caledonian Carreyre taking out the event by one point from W. Stone (Aust.) and Bareth of New Caledonia taking out the bronze medal. Only nine points separated the top 10 shooters and Australian shooters accounted for six of these. In order of finish Carreyre (NC), Stone (Aust.), Bareth (NC), Howell (Aust.), Lowry (Aust.), Parker (NZ), B. Mark (Aust.), Dupuy (NC), Morton (Aust.), Garwood (Aust.).

The International Trench Individual Event Category 1 for shooters not being resident of New Caledonia, the gold medal was won by W. Stone (Aust.) from M. Howell (Aust.) and Brian Mark (Aust.).

Category 2 gold medal was won by D. Parker (New Zealand) from T. Lucas (Aust.) and M. McDonald (New Zealand).

The reverse of the above medal reads "Ball Trap Championnat de Nlle Caledonie 1974" — this 102 mm diameter bronze medal was won by Australian shotgunner Peter Morton.

Category 3 gold medal was won by Geoff Mark (Aust.) from D. Welsh (New Zealand) and D. Benson (New Zealand).

Aggregate event for visiting shooters saw the medals go to Bill Stone (Aust.), Max Howell (Aust.), Brian Mark (Aust.) and Peter Morton (Aust.).

The aggregate held over the first 150 targets of the Individual Trench for visiting shooters saw Australia again in dominance with their respective winners W. Stone (Aust.) from Max Howell (Aust.) and Peter Morton (Aust.).

The closing ceremony and presentations were made by the Governor and the duly appointed Chief Organiser of all sports in New Caledonia.

The trophy value of the medals, cups, etc., ran into many thousands of dollars and the celebrations, after the completion of the trophy presentations, had to be seen to be believed. Everyone participated — officials, shooters, wives, TV crews, pressmen and even the large crowd of spectators drank dozens of bottles of French Champagne and ate mountains of savories and caviar and the celebrations went well into the night.

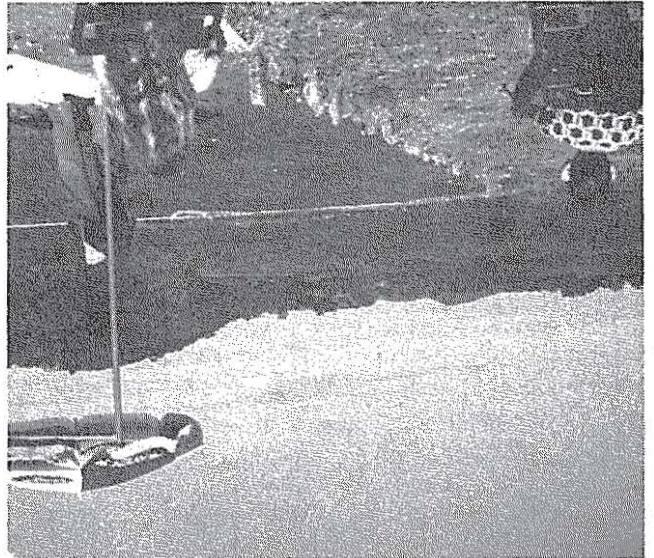

All the Australians were loud in their praise of the efficiency and hospitality of the whole of the population of New Caledonia, who really made them feel most welcome. This applied from the highest officials right down the line to the local taxi drivers and the trophy winners are eagerly awaiting to return to the 1975 Nationals.

The gun club held an evening party at the clubhouse after the trophy presentations and those

present were invited to drink champagne from the winners' cups.

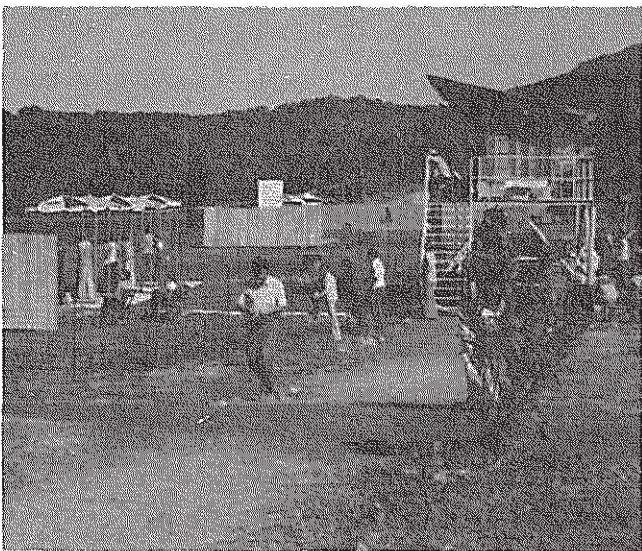

Clay target shooting in New Caledonia is expensive by Australian standards in that cartridges cost 21 francs each. (Exchange rate is 129 "CP" — or New Caledonia francs to the Australian dollar). In the eye-openers, targets-only cost 10 francs each. The air fare Sydney/Noumea/Sydney plus accommodation per shooter costs a minimum of \$252 Australian currency exclusive of food over the nine days. Meals at the gun club were around 400 francs plus wines which are plentiful. Restaurant meals were around 800 francs plus wines. Most Australians were accommodated in the luxurious "Chateau Royale" which is one of Noumea's best hotels.

Including three days of shooting nominations, fees and cartridges cost around 6000 francs per shooter to shoot the full programme.

Tours are available throughout the 200 mile by 30 mile island of Noumea plus the many nearby other islands. Fiji is three hours flying time and Sydney is two hours 40 minutes away.

Customs are severe on gun entries — some guns were held up to three days on arrival!

Most New Zealanders were accompanied by their wives whilst Mrs Garwood of Hobart was the only Australian lady present. Ample interesting boat, bus and air tours were available for the ladies, and for

Looking down from clubhouse — trench 1st ground with check referees, scorers and puller operating from tower. Magnificent idea, and leaves no doubt to the referee and all concerned as to whether a target is broken or not. Scoreboard was two-sided — teams at front, individuals on reverse.

four aces

the best deal for TRAPSHOOTERS

BLUE STAR PLASTIC needs no introduction. It is the most popular cartridge in Australia for trap and field and is renowned for its regular patterns and consistent ballistics. Muzzle velocity — 1260 ft/384 metres per second. Available in a full range of shot sizes.

BLUE STAR SPECIAL TRAP has a special feature — **LOW RECOIL**. You can take it easy with Special Trap and make sure of those long breaks. Muzzle velocity 1150 ft/350 metres per second. Shot sizes 7, 8 and 9.

BLUE STAR SKEET provides the essential element of successful skeet shooting — a full thirty inch shot pattern at 21 yards range. Muzzle velocity 1260 ft/384 metres per second. Shot sizes 8 and 9.

BLUE STAR TRENCH Olympic Trench is more difficult than D.T.L. shooting as the targets move at a higher velocity and differing heights. This requires a faster cartridge with a tighter pattern — the attributes of Blue Star Trench. Muzzle velocity 1280 ft/390 metres per second. Loaded with nickel plated shot in size 7.

A special tip for reloaders — the Four Aces are loaded with  matched components. You can make sure of ace reloads too.

A little disappointing that so few turned out on this the first day of Spring. However it was Father's Day.

All were delighted to see young Steven Baxter take out the H'cap against strong opposition from the Committee.

GEELONG, 5-7-74.—Wet. Attendance: 15. Results: 5 pr. Tower DR EO: 1st M. Richards 10:10; 2nd D. Milojevic 9:10. Club DR Night Tower C'ship: M. Richards 19:20. HAMILTON, 17-8-74.—Cold and wet. Attendance: 34. Results: 10 pr. DD 20 yds. Trophies: H. Vaughan and Keith Ilsey 1st; Bob and Tim Warburton 2nd 20:21.

Very surprising only one pair in DD shot their 10 pair of targets! Grounds so wet previously that traphouse began to float. Extensive working "bees" remedied the problem and we trust that house stays at anchor. Seems to be wettest year in this area for some time.

An Invitation

It is my great pleasure to invite fellow sportsmen to have

"THE HOLIDAY INCOMPARABLE"

This area of Papua New Guinea is ecologically unique in Australasia.

Vast plains of grass, populated with Rusa Deer and birdlife, forest hunting for deer and pig.

Six species of wild duck including "blackies" — also Magpie Geese.

Fish for Barramundi, Tarpon, Saratoga and Black Bass.

Water ski-ing.

Fishing tackle, guns, rifles and ammo available at the Lodge.

Bring the family and give them the holiday they deserve.

We invite your enquiries regarding tariffs and access.

Yours sincerely,

N. J. CAMPS.

That grand man of clay target shooting, Harold Knight, Patron of the Sydney Gun Club is congratulated here by his friend Roger Darwon, for Harold's sterling performance in winning the point score trophy event at the Sydney Gun Club a few weeks ago. At 82 years of age, it must rate a very good effort in consistent shooting against all-comers, many who are mere lads in comparison.

Auburn school took out the shield (kindly donated by Don Miller and Peter Heath) for a year when the boys will battle for it again. We thank Winchester Australia for their full support in the training of these boys and providing guns and ammunition. The boys were lectured on safety and shown films on shooting.

Our roving "lensman" was very quick to "shoot" this candid picture of the three "college boys" of the NSW Gun Club. Left to right: Ron McCathie, Cec. Plummer and that well-known "jester" Jack Edgel, admire Ron's Purdy side-by-side which comes with three sets of barrels.

KAR KAR ISLAND, 26-8-74.—Hot. Attendance: 9. Results: Special Farewell Shoot for President, Fred Rimmer. Rather than cancel our program through shortage of clays the members decided to revert back to our first shoot in 1967 when Fred Rimmer started the club and bottles were launched from the beach under a steep embankment. Our bottles were varied in color and it became quite obvious half way through the shoot that some shooters preferred their own brand. The overall winner of the programme which included double rise event was J. Johnson, Kar Kar with a creditable score of 8:10 20 yds. DB.

We are all going to miss Fred as not only has he been Papa of the Gun Club, he was President for two years of our social club, Capt. of our Cricket Team and Area Commissioner of the Boy Scouts. Eagle-eyed and steadyhanded veteran John Downer does it again winning 36:40; M. Lubcke second 35:40; G. Stone third 34:40.

AZZURRI, 13-8-74.—Fine. Attendance: 37. Results: 25-tgt. Mixed: A. Larini was first after a long shoot-off with A. Livesey. M. Alexander came third after a shoot-off with four others. 25-tgt. Graded Skeet: A: M. Alexander. B: A. Yozzi. C: P. Vivante, A. Tasciore.

After all the rain this State has had lately the weather conditions were ideal for shooting. With a temperature of 25 deg C and a very light breeze this all day programme was enjoyed by all who participated.

We had a few shoot-offs and because of this the daylight faded quickly. Paul Vivante and Albert Tasciore were not able to complete the event and donated the C grade trophy for skeet back to the club.

AZZURRI, 25-8-74.—Fine. Attendance: 55. Results: 30-tgt. IMI Cart. H'cap: 1st John King; 2nd Arthur Anderson; 3rd Tony Lypka. 20-tgt. DB H'cap: Equal 1st John King and Mike Wells; 2nd John Eddy.

Once again the weather was ideal and it encouraged many shooters to attend this event. We had many visitors from Perth G.C. and Edgehill. Due to an accident at Wanneroo the club was without power for approx. three-quarters of an hour, making the second event very late finishing. The shoot-off was conducted in almost total darkness, and finally John King and Mike Wells decided to call it a draw.

EASTERN GOLDFIELDS, 4-8-74.—Windy. Attendance: 21. Results: 15 DB, 15 SB ACTA H'cap: 1st Mick Naylor 28:30 (from 12 yard mark). Novelty Shoot: 1st Carl Srb.

EDGEHILL, 10-8-74.—Fine. Attendance: 27. Results: 50-tgt. DB: 1st BM: K. Schinzig 122:123. 1st FM: E. Hough 78:79. High Gun: J. Fry 123:123.

The fine and pleasant conditions resulted in exceptional scores being shot and several breaks were recorded those being: B. Peacock 25. W. Rudler 25. P. Fost 25. S. Harley 50. E. Hough 75. J. Fry 100.

This shoot was the first "Tom Rose Memorial" in honor of the memory of our late Patron and well-known shooting identity throughout WA. Mr P. Rose, son of Tom Rose (and our new Patron) was in attendance to present the trophies.

KATANNING, 11-8-74.—Sunny. Attendance: 16. Results: 30-tgt. DB Pts. H'cap T. Catling Trophy: 1st Rob Bessen 85:90; 2nd L. Lupp 83:90. 10-tgt. DB H'cap SS: 1st Russ Bessen 10:10; 2nd B. Ratcliff. L. Lupp. S. Leach. M. Crossley. J. Letter. Rob Bessen. R. Anderson 9:10. 5 pr. DD SS: G. Anderson and K. James; Russ Bessen and P. Mathews 5:5. High Gun: L. Lupp 40:42 from Rob Bessen 39:42 after a shoot-off.

First sunny day for sometime. Good win to Rob and Lou is shooting well at the moment as this was his second high gun in the last month or so.

NORTHAM, 4-8-74.—Cold, wet and windy. Attendance: 25. Results: Ch. of Ch. 25 Skeet, 5 DB, 5 SB, 5 SR, 5 WU, 10 Mini DB, 5 DB Cont., 5 pr. DR: Under shocking conditions Roy Holtfreter won the 1974 Club Ch. of Ch. title for the third time, sharing with his brother Brian Holtfreter the honor of having won it three times since inception of the competition.

An "off the gun" score of 67 out of the possible 70 was sufficient to not only win the c'ship but also the handicap section with a club adjusted score of 67.9.

Bruce Smart was second off the gun with a fine 64:70 and also second on h'cap with 67.35.

Ned Harris was third with 62 off the gun and an adjusted score of 63.35.

With his four second place points credited, Bruce Smart has 22 points in the club aggregate competition, six in front of Roy Holtfreter who has 16. Grant Humphrey is in third place with 12 points.

NORTHAM, 16/17/18-8-74.—Cool, showery and windy. Results: 1974 State C'ships. Under far from ideal conditions, 1974 C'ship series, and State Teams Elimination event went off with a swing, due mainly to the support and co-operation of visiting shooters without who of course, the weekend's events would not have been possible.

Some highlights of the three days were N. Johnson's fine win in the State WU C'ship, under very difficult conditions. D. Wiese's high gun for the State Team, and what Robin Bailey describes as a satisfactory score by WA team in the teams match.

The shoot-off for the Franchi shotgun provided some interest, especially when it got to the stage when only Brian and Roy Holtfreter remained.

Brian missed his target clean and as Northam's Shire President, Jack Antonio said at the presentation, "Roy then missed his next target out of brotherly love!"

Brian gave no further opportunity for Roy to demonstrate his affection and went on to win.

Ken Holman's BM, and Bruce Smart's FM high gun over the programme wins, are also worthy of mention.

**If you won't
settle for less than
the world's best
automatic shotgun,
you won't settle for
less than a Browning**

In many parts of the world you'll hear people say that "you pay a lot more for a Browning but then it's a gun that'll last you a lifetime".

And when you look at the way Browning builds its 5-shot Automatic, you have to agree.

Because a gun first made by Browning in 1903 and still made exactly the same way today, obviously enjoys a unique position in the world of firearms. It's the kind of gun that virtually becomes a part of you. Uniquely

Browning, once you own one, you know there's simply nothing better. And one of

these days you'll be glad to pass it on to your son.

With 2½ million bought since 1903, the Auto 5 has become the world's most imitated but never equalled Automatic. But then, who wants imitations?

Royal Aero Gun Club (NSW) **Mustang Shoot**

Well-known Melbourne shooter, Geoff Boswell, breaks a long-standing "rule" and permits a very slight smile for our roving camera, as he is presented with his "box," which Peter Heath of the Royal Aero Gun Club (Bankstown) assures him, contains his high gun trophy, for the recent Mustang Championship shoot.

Our camera catches this candid shot of Royal Aero Gun Club Publicity Officer, Peter Heath, who for the record is one of the staunch supporters of men's liberation. The lovely lady on the left ? As Peter would say that's the wife, who just happens to be well-known Royal Aero shooter Susan Heath.

Bob Smith, seen here (left) seemed to be shaking hands with Publicity Officer Peter Heath, and the "box" which contained his O/Under shotgun for first prize as A grade and overall winner of the Mustang Championship at Royal Aero. Getting Bob, who hails from Sutton Forest Gun Club to stop smiling was impossible. Well, wouldn't you be happy if you had just shot a win like a new Franchi O/Under trap gun?

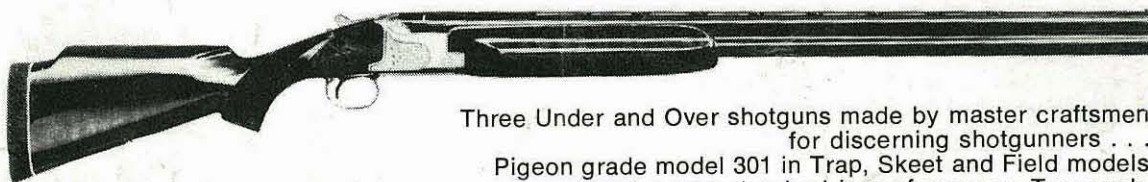

Bob Smith (left) still giving that famous smile, proudly shows his trophy to Viv. Watson, who took out the C Grade in the shoot. Bob Smith was due for a change of luck, as two days or so before the shoot he lost his new car in a fire that gutted the service station in which it was parked.
