DELEGATE APPOINTMENT

Affiliated units of the ACTA are reminded that they are entitled to one delegate (Article 15) to represent their interests at the Annual Meeting. However, delegates can only be accepted providing the Association "Articles of Association" are complied with. This involves the completion of the necessary forms, namely "Acceptance of Membership" (Article 5 (a)), "Nomination of Representative" (Article 21) (in the case of a corporate club), or "Nomination of Delegate" (Articles 5 (c) and 16) (in the case of an unincorporated club), followed finally by "Notice of Acceptance of Delegates." Official printed forms as applicable are obtainable from the ACTA office. It should be noted that nomination of a representative or member delegate can only be accepted providing all subscriptions and monies due by either the nominee or the club, to the Association, have been paid as provided for in Article 49.

It is also pointed out that where a representative or delegate has been appointed previously, and this has not been officially rescinded, the appointment as previously made will stand, until the Association is advised or instructed otherwise. In accordance with the Articles of Association, clubs cannot appoint a delegate other than on the prescribed form (letters are unacceptable).

Each financial affiliated member club should have a Delegate Entree Card (for unincorporated clubs) or a Representative Card (for incorporated clubs) at the time of the delegate appointment and this entree card remains valid until the named delegate is changed. These cards should be presented to the scrutineer, on his request, by the respective financial shooter delegates concerned to obtain permission to attend and be eligible to vote at future annual general meetings.

The Delegate Registers will be at marked tables inside the door of the annual meeting room at the Kings Meadows Bowls Club, Carr Street, Launceston — (turn opposite 138 Hobart Road) — between 7.30 p.m. and 8 p.m. The registers will be at tables marked according to states. The registers will separately list the member clubs and the registered club delegate. Where a club is not financially affiliated and or where a delegate is not financially registered, then no vote for that club can be recorded, nor can any such club voice be made during the meeting.

A.C.T.A. 1975 CHAMPIONSHIP ALLOCATIONS

Commonwealth Ladies DB Championship — to Royal Aero G.C. — date yet to be decided.

Separately within this publication are the respective shooting dates and host clubs for the 1975 Winchester Tournaments — as known at the time of going to press.

1975 Handicap cards are being processed and despatched as speedily as possible and in the strict order of first in, first out.

Clubs when lodging shooter registrations with A.C.T.A. are asked to show on the forms the latest handicap yardage of each respective shooter, whereupon A.C.T.A. will convert to metric and will then grant the one metre inward for the 1975 registration renewal. It is to be noted that no shooter can move inward by this method to 11 metres.

As from 1-1-1975, clubs within Australia are conducting events using metric handicap marked shooting lanes and targets are henceforth being thrown within the metric measurements for legal targets.

The 1975 National Championships —

(1) are being conducted by the Association at the grounds of the Tasmanian Gun Club at Evandale near Launceston, Tasmania, over the period Tuesday, March 4 through till Wednesday, March 12 — but omitting Sunday, March 9, which is scheduled as a free day.

(2) the sequence of the 1975 National Championships will be:-

Day 1 and 2: Tuesday and Wednesday, March 4-5: Skeet and A.N.Z. Skeet Teams Match.

Day 3: Thursday, March 6: Double Rise.

Day 4: Friday, March 7: Grand Handicap.

Day 5: Saturday, March 8: DB.

Day 6: Sunday, March 9: Free day.

4. In conjunction with the Australia-New Zealand down-the-line Points Decision Championship will be the Allen Brown Club Trap Teams Match.

5. \$15 prize money be paid to each member of the winning team in the 1975 inter-club teams event, as was paid in 1974 — totalling \$75 to the winning team.

6. The Mark IV Texan reloading press donated by F. C. Lovelock Pty. Ltd. takes the place of cash as first prize in the 1975 Grand Australian Handicap.

7. High Gun trophies from Winchester, IMI, Michaelis Bayley, Guthrie Trading have been assured.

This nomination form was contained in the December 1974 and February 1975 publications and any shooter who so pre-nominated, but is unable to attend will have his nominations refunded in full.

All shooters competing at the 1975 National Championships will be issued an especially numbered card for each event. Such cards will show each shooter's serial number, his grade and his squad number.

All shooters whether pre-nominated or nominating at the grounds, must collect their above mentioned numbered cards prior to each of the events concerned — otherwise shooters will not be placed in any squad.

10. Shooters who had not previously nominated, may nominate on a card at the shoot for the whole or a part of the programme on the same form for the 1975 Nationals.

(Thus, nominations will be accepted any prior day, plus on the actual day of the event. Each such nomination form to contain the shooter's name, home state, his shooting class and handicap, plus the name of his home club).

11. Scores to be added up at the last point of scoring by the scorer then checked and signed by the referee and the shooter and this score becomes FINAL.

12. The referee to take the completed scoresheet to the scoreboard attendant who shall enter the results on the scoreboard and then take the scoresheet to the office. The progressive scoreboard attendants shall take their information from the official scoreboard.

13. The Champion of Champions' event be conducted as a graded event.

14. A progressive scoreboard be adjacent to the main scoreboard to show the scores of those heading for selection for the International Teams' Match and for the respective High Gun trophies.

15. Whilst SKEET is in progress other DTL traps may be available for practice shooting of Double Rise and down-the-line at the Shoot Marshal's discretion on both days of March 4 and 5.

bannerette may be given to the Tasmanian Premier, the Right Honorable Mr Eric E. Reece — only those shooters and ladies as specifically invited by ACTA National President and his committee may attend because of prescribed limitations of numbers. (At this time of going to press, the venue is not known. Premier Mr Reece most graciously allocated funds for the updating of the Tasmanian Gun Club Grounds and facilities so that the 1975 National Clay Target Championships could be staged in Tasmania, and at Launceston in this instance. The association remembers, with respect, that this circumstance emanated from the untiring and dedicated efforts of the late Mr W. E. H. Rainbird O.B.E., who was an ACTA Executive Committeeman for almost 40 continuous years).

(ii) An ACTA Committee meeting will be held in the "Guvnor's" Convention Room, Colonial Motor Inn, 31 Elizabeth Street, Launceston, from 10 a.m. till around 4 p.m. on Sunday, March 2, 1975.

Attention all club secretaries — as indicated in November, 1974 A.C.T.A. "Shooting News", the previous method of ordering/manufacturing/mailling CHAMPIONSHIP BADGES is discontinued because of ever increasing production costs and production delays, and, to maintain championship badges to clubs at existing price, the A.C.T.A. now carries bulk stocks of "blank surround" badges, giving immediate delivery with provision for clubs to have local jeweller to add the required engraving in order that the badge(s) is available at any so arranged shoot. The badge surrounds are "vapour-blasted matt finish" to enable the engraving of the winner's name, the event and date to stand out against the matt background.

MANGOPLAH (NSW) — On Easter Sunday the club will conduct a special Silver Anniversary Shoot to celebrate its first 25 years of official existence. The club

was officially formed at the inaugural meeting held at the Mangoplah Hotel on Sunday, 7th May, 1950. The first president was Mr Oliver Cox, on whose property the Gun Club was built. His son, John ("Johnno") Cox was the first Secretary-Treasurer and the rest of the committee was comprised of W. L. Creasy, L. L. Creasy, S. Finemore, C. Anger and H. Clark. John Cox and Stan Finemore are still regular shooters and it is very fitting that John is the President of the club for this commemoration year.

Special memorial trophies in honour of Lynch and Lox Creasy and Oliver Cox will be among the chief prizes offered at the Easter shoot.

A special effort is being made to have as many past shooters as possible return to help the club celebrate its Silver Anniversary.

PORT MORESBY (PNG) — have installed their second DTL traphouse and this with their new Tower — will be completed as this publication is mailed.

A Fokker Friendship aircraft will bring shooters from Cairns (Q) to their March 28 shoot for the PNG sections of the 1975 Interstate Trap and Skeet Teams' Matches.

Annual General Meeting 15-1-75 elected as office bearers President, J. R. Kelly; Vice-Presidents, A. Maolo; Treasurer, Mrs Deidrie Barton; Captain, S. Barton; Secretary, Mrs Lorraine Paysic; Committee: G. Norris, F. D'Aronco, R. Mellor, L. Cragnolini, D. Killen. The Club's first life membership to Mr J. Ruge for his work as a foundation member of the club.

Brisbane.

Mr Berry,

I noticed in your December issue of Clay Target book, that Wayde Hawkins is believed to have established a record low age in 1974 Skeet teams' match.

G. J. Farr aged 15 years shot at Ipswich in that shoot.

He shot 50:50 to qualify in the team shoot 48:50.

Bill Stevens, President of Ipswich Gun Club, can verify this.

Shot at Noorat — 25th January, 1975

Winner: A. F. Wembridge — Score: 30:31.

Conditions: High winds. 48 shooters took part, the event was shot in three grades, plus overall.

Many shooters took part as a mark of respect to Les Reicha and his family including John Newton Thomas and Ken Lowry from IMI and Winchester respectively.

Les's wife, brother and family were all at the shoot and thanked the shooting movement for their participation and the Noorat Club members for their work and donations.

Allan Wembridge expressed his deep and sincere gratitude at being able to win the shield on this the first occasion in view of his personal friendship with Les, and in view of the extremely high esteem in which Les was held by the general Trap Shooting fraternity, particularly in the Western District Association of Victoria, of which both Les and Allan were past presidents.

SHOOTING GLASSES

***When you see more clearly
you shoot more targets!***

The sharper, clearer vision with Stirling shooting glasses will surely lift your score, because they contrast your target against the background. The large lenses give undistorted vision from centre to edge, and properly-fitted Stirling glasses won't fog or obscure your vision, because they ride high on the face.

YELLOW LENSES: For medium to poor light conditions, they brighten the background yet accentuate the black. The difference is amazing; look for yourself.

GREEN OR BROWN LENSES: These eliminate the glare and squinting caused by bright sunlight; keep your eyes fresh all day and contrast black against the background.

Once again a great Xmas shoot. Night Shoot — Unfortunately cold wind marred what could have been a perfect day. S. Rivas won our Melbourne Firearm Shield with a score of 281:320 over the year.

The Murray River in flood had run over its banks near Mildura Gun Club and flat bottom boats were used to cross a section of water cutting the club from the road. The club was able to use in competition for the first time its recently completed second skeet layout. Credit for completing it in the minimum of time was due to several members who gave unstintingly of their time and skills. Their efforts were certainly appreciated by club member and visitor alike. Despite the lack of success of club members in the C'ship, it was a pleasure to witness the skills of the placegetters.

Congratulations to Barry Scanes on shooting a 50 break and winning the Trophy H'cap. The growth of interest in skeet shooting amongst new shooters is gratifying and certainly justified the establishment of a second layout.

This was our first club shoot only advertising by word of mouth. By the number of shooters who turned up to compete, it proved that the club has a healthy future. All trophies were drawn for except outright winners. Trophies were self-sharpening knives, hams, Christmas cakes and puddings as well as nuts. Scores were excellent under the windy conditions. General opinion was beautiful grounds and location. The 10-tgt. Cont. event, a first for the Gold Coast, was a winner. Executive member Arch Rowe presented the trophies to shooters who came from Byron Bay, Yamba, Lismore, Casino, Brunswick, Gold Coast, Brisbane, Canberra, Narramine and Lennox Head.

The opening of the new club coincided with the town's 150 years' celebrations. A great crowd of spectators was present and much interest was instilled. The ladies committee did a fantastic job with lunch and afternoon tea.

A good attendance. Since being at new club attendances have improved. R. Baker won the annual Vincent High Gun Trophy for the 2nd year straight. B. Dowell was second, B. Mayo third and D. Clout fourth. Many novice shooters participated and the club gained quite a few new members.

B. Keefe shot very well on the day not dropping a target. He qualified for a 50 break badge. B. Keefe, B. Dowell and R. Baker all went back one metre. Windy conditions kept most shooters on their toes.

UPPER HUNTER, 9-11-74.—Hot and windy. Attendance: 35. Results: 20-tgt. DB Dist. C'ship: Outright and B Grade: E. Milham 41:41; A: B. Whippis 40:41; C: L. Rose. 20-tgt. Pts. Trophy H'cap: 1st J.
