One of a continuing series. **Remington Reports**

# You can't see all the ways we've improved our 1100. You'll just see the ways they'll improve your score.

## Just how good is a Remington 1100?

Good enough to be the best-selling automatic trap gun in America. Good enough to be the top money-winning automatic trap gun in America. Good enough to set a new world doubles record for a 5-man squad. With each gun firing over 4,000 rounds in one day—more than you might put through your trap gun in a year.

And it's getting better all the time. The improvement you'll notice first is our new trap barrel. We redesigned its ventilated rib to give you the ideal sight picture for smoking targets and running up winning scores. And that goes for all of our 1100 trap barrels—not just the one that comes with the gun.

You see, we make a variety of easily interchangeable barrels for our 1100 trap—all with the new ventilated rib—so you can pick the best length and choke for each event.

And that's just one example of what Remington engineers are doing to make sure the world's number-one autoloader stays that way.

Of course, Remington engineers also know when to leave well enough alone. So our 1100 still has extra weight at the muzzle for the balance you need to point easier and faster. It still has a precise rate of fire that's just right for that second shot in doubles.

It still has a recoil system that traps a lot of the recoil force, releasing it later. So you feel a push instead of the usual jolt you get from other shotguns. It still handles, points and breaks targets like a high-priced single-barreled gun.

And more. Because our 1100 is the single-barreled trap gun you can use for all events. It gives you familiar "one-gun" handling ease in singles, doubles or handicap. And that's something no break-open single barrel can match.

These days, everybody's looking for value—great performance at a great price. You've come to the right gun. There are a lot of trap guns that cost more than our 1100. There are no trap guns that break winning scores more consistently.

For quality and value "right out of the box," you can't beat an 1100—the great automatic from America's oldest gunmaker...and still made in the U.S.A.

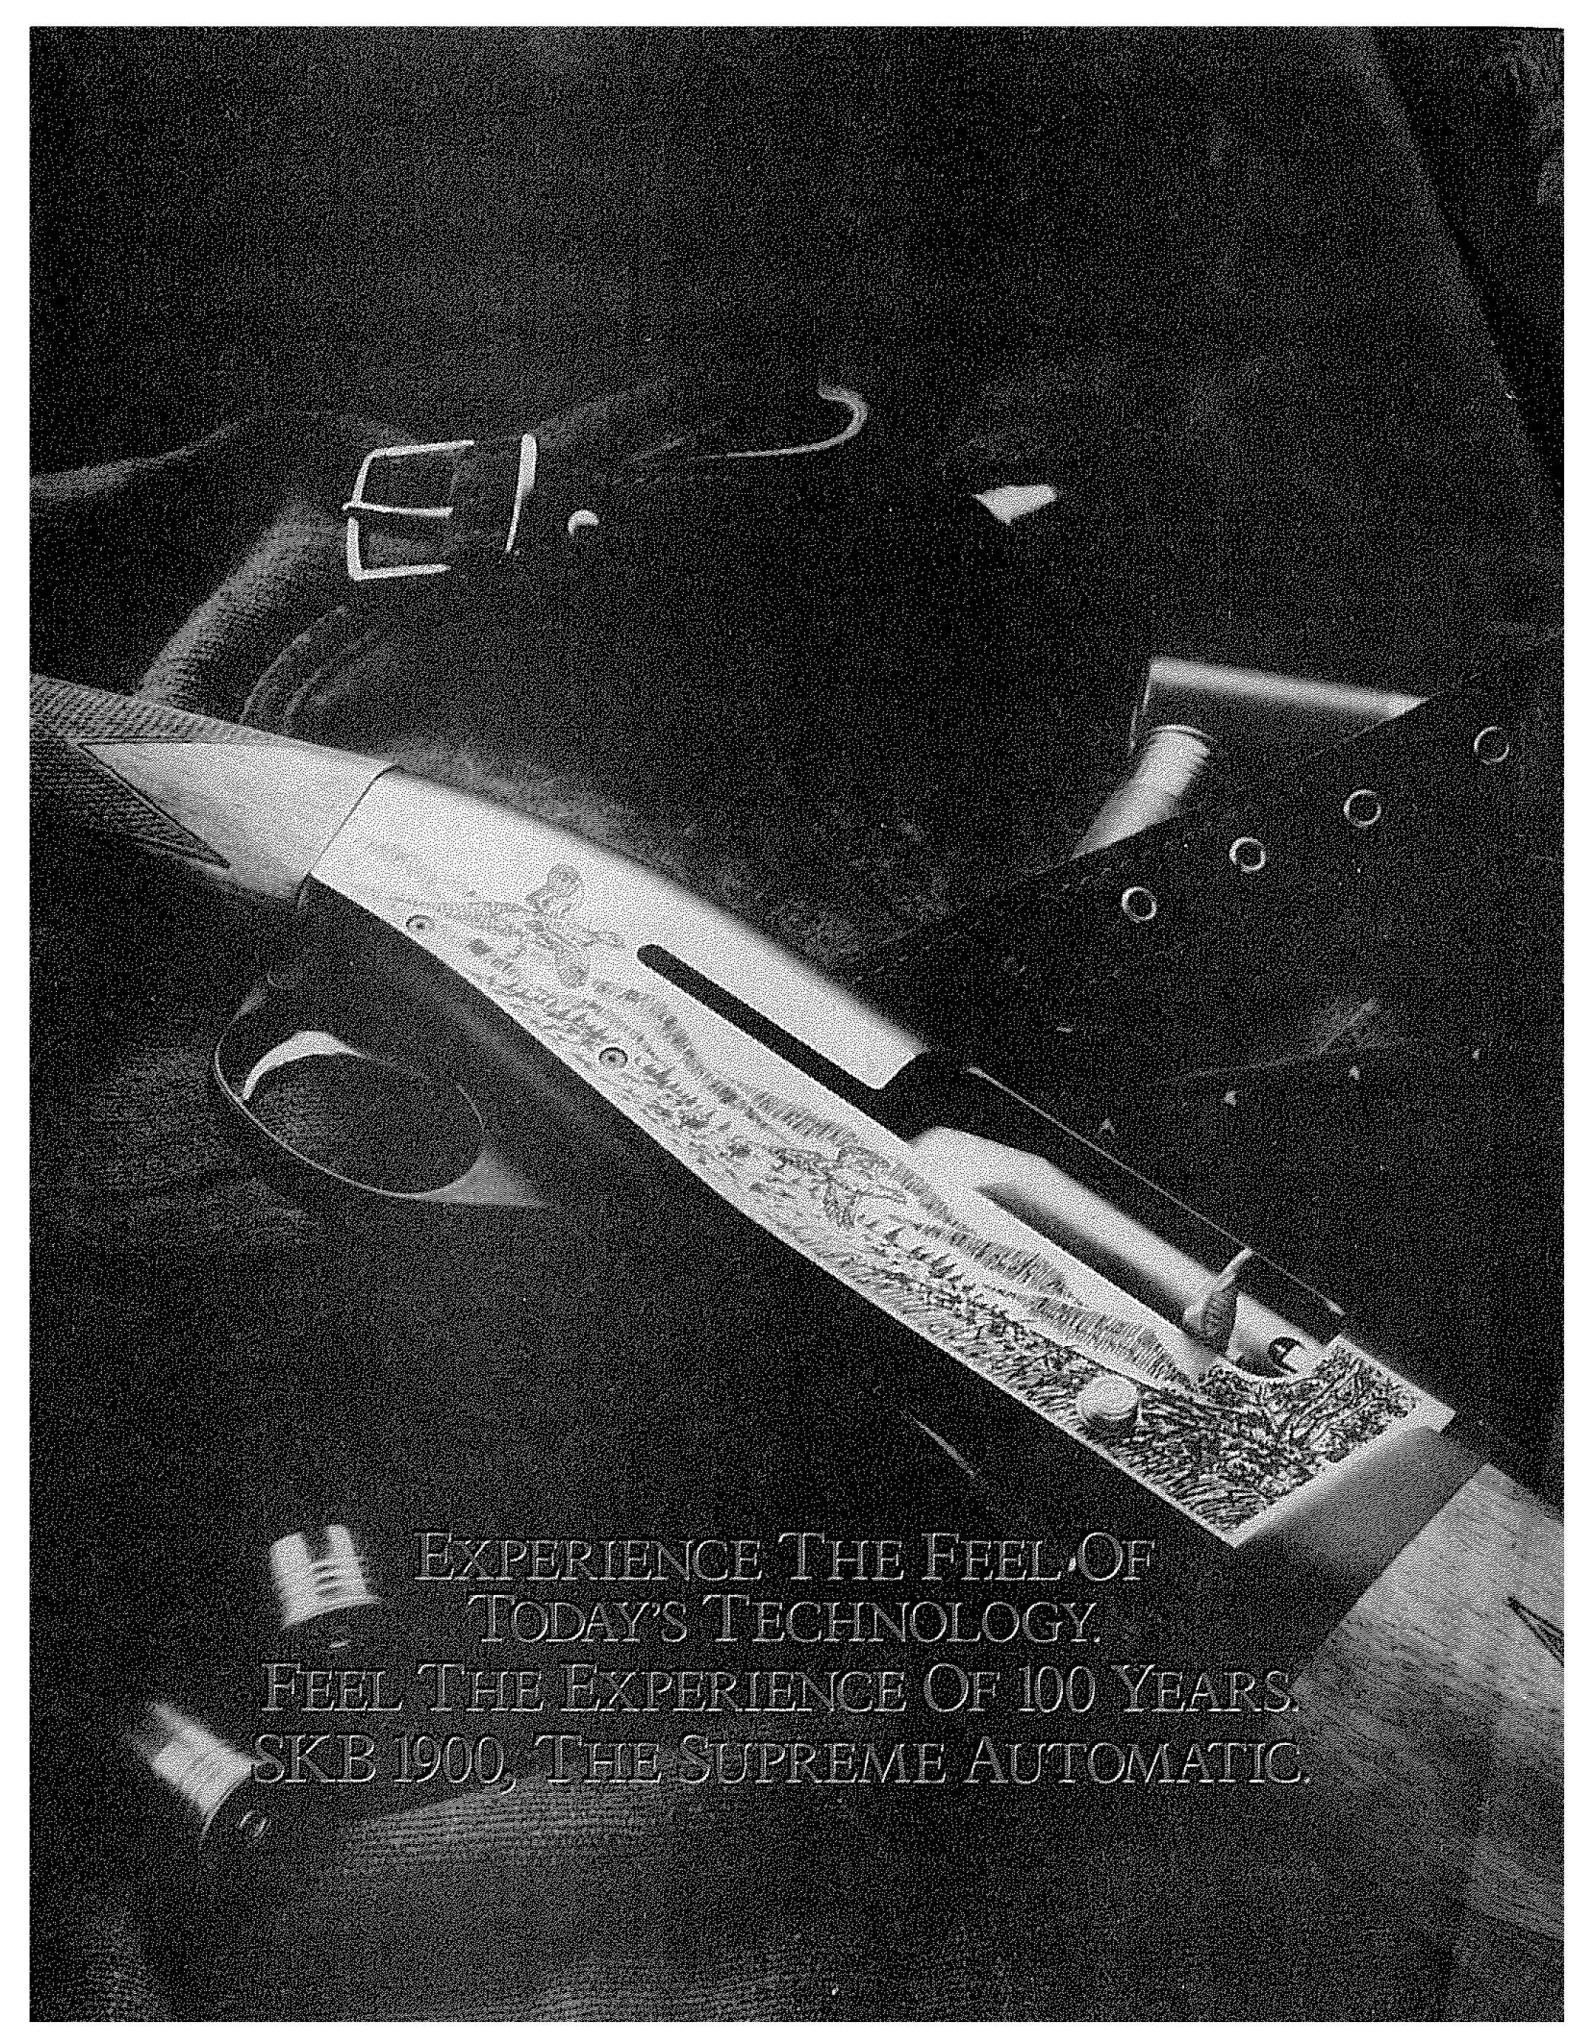

Handle a Remington 1100 Trap for yourself and you'll see what we mean. To find out more about our 1100 (Skeet and Field versions, too) and the great Remington "RXP" shells to go with it, write for your free Remington catalog to: **Boustead Trading, P.O. Box 148**

Club or shooter contributions are welcome, either manuscript | or | photographs, | or | both. Preferred, photos are black and white glossy prints.

# Executive Director's Notes

This month's issue of Clay Target Shooting News will meet with a mixed reception from readers. The reason for this belief is that the journal contains a detailed report from a recent meeting of the Association's Executive Committee.

Those of the Association's members who take an interest in the development of their sport will read the report carefully. In this way, they will be well equipped to discuss policy issues.

However, such a depth of involvement is not everybody's scene, and readers who treat clay busting as a casual recreation will probably go straight to the results pages to see if they can recognise any winners' names.

In spite of the variation of interest, which exists in every sport, there is one major aspect which ALL members should realise and acknowledge. This is the immense amount of time that the honorary administrators devote to this sport, simply to ensure that when you and I arrive at the club next Saturday, a match or some fun shooting will be available.

Just for the Executive Meeting alone, the fifteen members of the Committee had to spend many hours briefing themselves in preparation, followed by hours spent travelling to the meeting venue.

The actual meeting took two full days (Saturday and Sunday) and two nights. Many of you would say that you could find a better way to spend a weekend.

Yet, these decision makers gave their time most unselfishly in the hope of reaching decisions which will guarantee the future of clay target shooting.

The advent of State Associations has brought about some decentralisation of administration, and in theory, should be working well, in most cases, this is so, but one or two State Associations are suffering from too heavy a work load on too few shoulders.

It should be remembered that our sport will only continue to grow if the work load can be distributed fairly, AND put in the hands of competent people. Can YOU help?

In addition to electing a new President (Mr Ron Porter of Brisbane was elected to the Association's top office — see report elsewhere), the Executive Committee approved two new appointments.

These were Mr Ray Mason of Devonport, Tasmania, and Richard Dean of Roma, Queensland.

Mr Mason has been a long time supporter of Devonport Clay Target Club — previously called Mersey Gun Club — and is a past President of the club. He is also the North West Zone Coach in Tasmania's coaching scheme.

Mr Dean also comes to the Executive Committee from a coaching background, as he was one of the first Zone Coaches to be accredited by the Queensland Clay Target Association. He has since resigned as Zone Coach, to concentrate more fully on State and National administrative policy making activities.

Good shooting.

NOEL J. SOUTHEY. ○

## NEW OFFICE HOURS FOR ADMINISTRATION

From October 1, 1980, revised hours of business have been introduced in the National Office.

The A.C.T.A. Administrative Unit will now work the following hours:

MONDAY TO THURSDAY 8.30 a.m. to 5.00 p.m.  
FRIDAY 8.30 a.m. to 3.00 p.m.

Please note that the telephone switchboard will close at 3.00 p.m. on Friday, and will not re-open until 8.30 a.m. on the following Monday. ○

5000 D \$400

6000 DB \$540

6000 \$600

# EXECUTIVE COMMITTEE MEETING REPORT

(Staff Writer)

A series of management and Executive Committee meetings were held in Sydney during the weekend of September 26, 27 and 28. A number of major developments occurred during these meetings, and many are summarized below.

Probably the most momentous news was the election of a new national President, in the person of Ron Porter of Brisbane. Laurie Connors retains his position as national Vice President (and Chairman of the International Sub Committee) while Dr Paul Cains of Burnie, Tasmania, has been appointed to fill the vacancy on the Management Committee. The Management Committee now consists of Messrs Porter, Connors, Holtfreter and Dr Paul Cains.

New faces to appear at the meeting were those of Mr Ray Mason of Devonport, Tasmania, who has been elected to fill the vacancy created by the resignation of Don Taylor, and Mr Richard Dean, of Roma, Queensland, who filled the vacancy which was left when Ron Porter moved into the president's position.

It is of interest to note that the meeting proceeded extremely smoothly under Ron Porter's Chairmanship, and provided clear evidence that members of the Executive Committee responded to Ron's particular form of leadership.

The first part of the meeting, after the election of office bearers, was taken up by the presentation of a number of sub committee and special project reports.

Such matters as administration and finance were covered in detail, followed by reports detailing the progress being shown by the International Sub Committee, the Development Sub Committee, and the Finance Sub Committee.

Probably the most important report in an immediate sense reflected the deliberations of the Rules Sub Committee and this matter will be reported in detail later in this article.

The other major item of interest related to the development of the Association's national headquarters, and this item also will be reported in detail later.

The following items should be of interest to readers:  
**FEE INCREASE RECOMMENDED FOR 1982**

After a detailed analysis of the Association's finances, and consideration of the projected estimates of income and expenditure, the Executive Committee resolved to recommend to the 1981 Annual General Meeting that registration fees for full adult members be increased to \$30 per annum, becoming effective from January 1, 1982.

There will be corresponding fee increases for second family members, and subscriptions to Clay Target Shooting News. Junior fees will remain at \$1 per year.

The basis on which this recommendation was formed is very clearly connected with Australia's current rate of inflation. The last fee increase occurred in 1979, which means that by 1982, inflation alone will have accounted for cost increases of approximately 40%. In this light, a fee increase of \$10 per member does not seem exorbitant.

## AUSTRALIAN SHOOTING ASSOCIATION CONTROVERSY

A great deal of discussion centred around the present conflict within the Australian Shooting Association, with the theme being to find a means of best resolving the conflict, without total disintegration of the shooting sports.

It was acknowledged that the Australian Small Bore Rifle Association appeared to have acted in a way that was seen publicly to be not in the best interest of the Australian Shooting Association, and the two ACTA delegates to the Australian Shooting Association have been directed to table this issue at the next meeting of the ASA.

The current tension within the affiliates of the Australian Shooting Association is extremely poorly timed, as it comes at a time when the Federal Government has made a grant of \$49,000 to enable the Australian Shooting Association to appoint a full time Executive Director. There seems to be no sense in appointing a full time administrator, if the various affiliates are not in full accord, and this places a very heavy responsibility on the shoulders of all delegates attending the next meeting of the Australian Shooting Association to clear the air, and in this way guarantee the future solidarity of the Australian Shooting Association.

Cont'd on page 6

VERY GOOD CONDITION (No. 13553 S72)

**\$1500.00 ONO**  
PH. (069) 253549

# THE ELEY REPORT

## EXCELLENT NEWS FROM FRANCHI

A new interchangeable choke gas operated automatic shotgun has been developed by Franchi technicians which we will have on the Australian market early in 1981, well in time for duck opening.

Other news from Franchi includes the improvements which have been made to their Barrage Trap and Skeet guns. The original Barrage models were introduced in 1978 and quickly became renowned amongst our shooters, despite some minor "bugs" such as imperfect sear contact and trigger hangup. Both faults have now been rectified in our latest shipment.

On the service side, our warranty gunsmiths are providing a super repair service fully backed by Franchi. And a full quota of spare parts for all Franchi arms, old and new, has just arrived.

Franchi 1½ webb slip pads are now in stock. These provide the shooter with more recoil reduction over the single webb pad and are less bulky than the double webb, and so will be a valuable addition to the already popular slip pad sales.

Our ELEY Shooting Glasses are enjoying national acclaim. These interchangeable three lens sets are priced around the \$20 mark. Stocks are nearly depleted (once again we underestimated the market) but more are on the way in sufficient quantities to ensure we shall not run out again.

## MAX HEWITT ADDS TO HIS LAURELS

The ELEY Simulated Field series for the V.F.G.A. have just finished with in excess of 1,000 shooters competing. It was a great series and very pleasing to see so many A.C.T.A. faces joining in to test their skills in this interesting sport. Well-known trap shooter, Max Hewitt, transposed best with a possible at the difficult Geelong lay-out.

## JUNIOR PROMOTIONS

ELEY are currently negotiating with the A.C.T.A. State bodies to extend our highly successful Junior Championships in South Australia to other States.

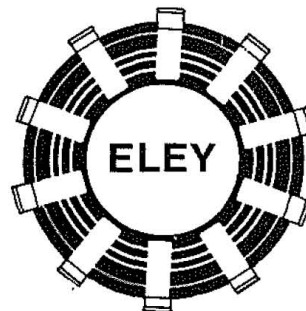

The format is for clubs to run a junior event in conjunction with a normal double barrel contest with a State final for sash and cash. If possible, we should then like to extend this to a National contest with all State winners getting full expenses to compete against each other at a suitable site and occasion.

## STAFF NEWS

John Summers, one of Australia's best skeet shooters, has been promoted in the ELEY organisation in the shuffle that followed West Australia manager, David Henthorn's, departure overseas. John will be operating in Western and North Western Victoria, as well as some metropolitan accounts.

Phillip Heath has taken over John's spot in internal sales. Phillip has been with Evans & Balfour for seven years, and comes to the organisation with a solid background in retail sales and trade knowledge.

# ELEY

152 years of excellence

## EXECUTIVE COMMITTEE REPORT (Cont'd)

### NATIONALS '81

Although there was extensive general debate relating to the progress with planning for the 1981 National Championships, the major decisions reflected three particular areas:

- (a) Nominations will be slightly increased over previous year's levels.
- (b) The Double Rise Championship will be conducted at two visits to the ground instead of one as in previous tournaments.
- (c) That an incentive will be introduced to encourage competitors to nominate in early squads.

Full details of these changes will appear in December issue of Clay Target Shooting News, when a full report on progress for the 1981 National Championships will be published.

The supply of cartridges and clay targets for the tournament was also discussed, and these matters will also be included in the full report, to appear next month.

### CONFERENCE FOR STATE ASSOCIATION PRESIDENTS AND SECRETARIES

Following the introduction earlier this year of a conference for State Association Presidents and Secretaries, considerable dis-

● Roy Holtfreter of Western Australia presents a report to the Executive Committee meeting. Looking on is Rules Sub Committee Chairman, Arch Rowe of N.S.W.

cussion centred around the degree of success of the initial project, and the preferred regularity of future conferences.

There was unanimous agreement that the 1980 project was an unqualified success, and the general feeling was that such a conference should be repeated during 1981.

It was then resolved that the time interval for such conferences following 1981 would be two yearly.

Every effort will be made to encourage State Associations to play a much more active part in the 1981 conference, and planning will start almost immediately.

### 1982 COMMONWEALTH GAMES

This subject is too extensive to be fully reported in this brief comment, and a detailed report will appear in a later issue of Clay Target Shooting News.

However, it can now be reported that the Commonwealth Government and the Queensland State Government have guaranteed the funds required to upgrade the Belmont shooting complex to enable the shooting section of the 1982 Commonwealth Games program to be held successfully.

Right up until the end of September, the fate of the shooting events was still unknown.

### MEETING WITH CPSA

Dr Paul Cains had recently undertaken a private trip to Great Britain, during which time he arranged consultations with the Executive Officers of the Clay Pigeon Shooting Association. Dr Cains presented a detailed report to the Executive Committee Meeting, which showed that there are a number of areas in which both the Great Britain and the Australian Association could gain some benefits by closer co-operation.

### NEW SHOOTING RULES — TO BECOME EFFECTIVE JANUARY 1, 1981

Following the publication of a draft of the revised shooting rules, which appeared in the July issue of Clay Target Shooting News, there has been a most responsible reaction from clubs and interested shooters.

The Rules Sub Committee received well over 100 comments in relation to the proposed changes, most of which were of a most constructive and responsible nature.

The Rules Sub Committee, under the Chairmanship of Mr Arch Rowe, considered all of the comments that were received, and then tabled the final draft of the revised rules for Executive Committee approval.

Such approval was forthcoming and the confirmed rules will be published in the earliest possible issue of Clay Target Shooting News.

It is planned to print a complete new rule book, which will be available for distribution early in 1981.

The Rules Committee is to be commended for the tremendous amount of detailed work that went into the preparation of the final submissions.

It is of interest to note that the Executive Committee's policy in relation to the new rules is that the rules should remain in force for a period of five years, excepting those relating to grading or handicapping, or involving monetary values, which may be considered from time to time.

## "TAIPAN" PERPETUAL SHIELD

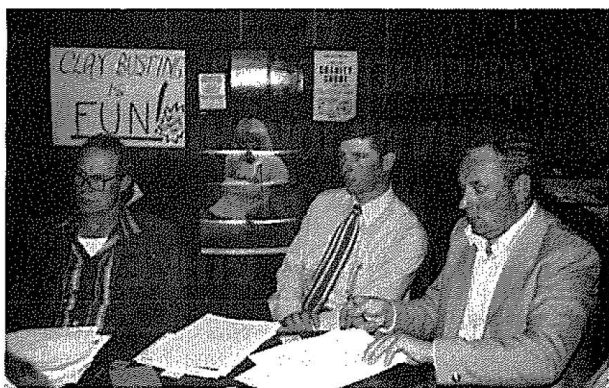

Sponsored by Mr & Mrs S. Churches of 945 South Road, Edwardstown, S.A. 5039.

### CONDITIONS OF TAIPAN PERPETUAL SHIELD WOMENS TEAM SHOOT - POSTAL COMPETITION

1. Teams of five women from any club in Australia, Tasmania and New Guinea (A.C.T.A. members). Teams may include members of other clubs if necessary to make up number.
2. Event - 20 targets - off 16 metres. Broken targets to count. Recorded points score to be used only in case of tied score.
3. Match nominated prior to commencement, and shot during month of November, under the supervision of an official A.C.T.A. referee.
4. No heavier than 1½oz cartridges to be used.
5. Score cards to be forwarded to Mrs E. Churches, 945 South Road, Edwardstown, S.A. 5039 by December 13, 1980.
6. Shield held by winning team for 12 months.

For any further information contact Mrs E. Churches at the above address

**JEPARIT GUN CLUB IS THE  
CURRENT HOLDER OF THE SHIELD**

• The two "new boys" - from right: Ray Mason of Devonport and Richard Dean of Roma, Queensland. At left is member of Rules Sub Committee, Robin Bailey of Perth.

#### NATIONAL CHAMPIONSHIPS FORWARD ROSTER

Based on the assumption that National Championships will continue to be conducted on a State by State roster system until at least 1985, the following roster was resolved:

1981 — Victoria; 1982 — Queensland; 1983 — South Australia; 1984 — New South Wales; 1985 — Western Australia.

Naturally, the extent to which this roster can be followed will depend on the availability of satisfactory venues in each of the selected host States, consideration being given to the financial ability of the particular host State, and any developments in relation to the establishment of a National headquarters.

#### PROGRESS WITH NATIONAL HEADQUARTERS

Due to constantly changing circumstances, the decision resolved at the March meeting of the Executive Committee to make a decision at this meeting on the location of the National Headquarters had to be rescinded.

One of the major reasons for the rescission of the original decision was the knowledge that the Commonwealth Government was embarking on a support program for the establishment of national sports facilities. Such a plan would need to be considered in conjunction with the ACTA proposals, which in turn, required further time.

However, the Management Committee was able to submit a detailed report to the Executive Committee on the continuing investigations, and it is highly likely that a town and country planning consultancy will be retained in the near future to undertake a specific feasibility study on behalf of the Association.

It is of interest to note that the Canberra project being promoted by the Australian Capital Territory Shooting Association is showing renewed possibilities, with the ACT Shooting Association President, Mr Val Paral, currently well up stream in detailed negotiations with the National Capital Development Commission.

#### AIR NEW ZEALAND SUPPORT PROGRAM

Members of the Executive Committee were most excited to find that Air New Zealand had agreed to increase quite substantially its level of support for clay target shooting in Australia.

One of the immediate consequences of this increased level of support can be measured by the fact that the Association is to introduce a special series of State oriented elimination matches during 1980/81, from which an Australian team will be selected to compete at the South Island Championships in New Zealand during late 1981.

The International Sub Committee has been given the responsibility of determining the conditions of this match, and information on the subject will be sent to State Associations as soon as possible.

The Executive Committee expressed its deep gratitude to Air New Zealand for the way in which this international airline, known as the "Pacific's Number One", continues to support clay target shooting in Australia.

## ATTENTION!!

Copy Deadline for January 1981 issue of "CLAY TARGET SHOOTING NEWS" is November 21, 1980.

Advertisers should please note.

# HOW TO FUN YOURSELF SILLY IN NEW ZEALAND.

## FUN BUS HOLIDAYS.

### **AIR NEW ZEALAND**

If you like to let the good times roll and you like a good rage, you've found your kind of holiday. A holiday where you can get up to... well just about anything. Anything from Mt. Tongariro to Coronet Peak.

And it all happens on Fun Bus Holidays. It's sort of a coach tour. Only better. You can camp out in tents or shack up in cabins.

You'll singalong in the bus, play games or whatever else in the bus.

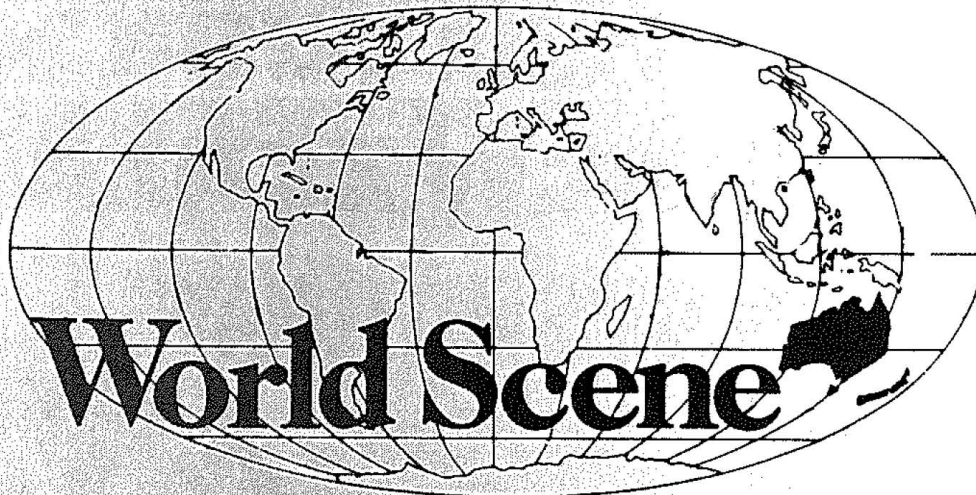

There's a range of tours available that cover both the North and South Island.

So if you'd like to fun yourself silly in New Zealand, talk to your Travel Agent or Air New Zealand.

**The Pacific's  
Number One**

Dailey/AP000

by Pat Browne

Americans are great on statistics and it is interesting to note trends in shooting that have parallels in this country. Our sister publication 'Trap & Field' in the USA carried the report recently that shooting attendances were down slightly in that country during 1980.

They say that reports of shoots in the USA ran to 2,100. It must be remembered however, they only report the big ones as distinct from us where we carry a short summary of every club shoot in the country.

Performance rates very highly in the States, and some of these figures make interesting reading. During the year, there were 178 competitors who ran 200 straight in 200 target single barrel events.

In handicap events, 27 competitors ran the 200, again single barrel. Of these, eight were from the 27 yard line, the equivalent of our 25 metres. The double rise competitors were on the mark as well, 32 of them ran 100 straight in reported competition.

As this is written the 'big one' is on in the States. We refer of course to the 'Grand'. We will bring you a report on this biggest of shooting events in this column in next month's issue.

• • • • •

For those who remember Frank Little with the USA Trench team in 1973, he is having a purple patch in trap shooting ATA style at the moment. He ran 200 straight and then 50 in the shoot-off to win the Central Zone championship in July. It was nearly a double when he ran 100 straight double rise but lost the shoot-off. But his 687-700 was enough to win the HOA (High Gun).

Judy Wegner, who lots will remember from Perth took both ladies events at the same championship. Her scores were 197-200 in the singles and 97-100 in double rise.

October 5 is 'National Trapshooting Day' in the USA and some 200 clubs will participate in the promotion. Trapshooting in that country is very public relations minded and this national promotion goes a long way towards promoting the sport.

The ATA provides a publicity kit for clubs participating, together with a variety of trophy packages to suit the type and style of shoot being run. Clubs tackle their programs to suit local conditions. Some run their local club championships on the day together with demonstration shoots for the public.

Most clubs have indicated that they will schedule 'non registered' events for members of the public who wish to compete. One club is even offering free targets and shells to all participants under the age of 18.

• • • • •

Joe Loitz is still carrying the gloss of his Australian Double Rise win from Perth. We noticed the following note in the report from the Illinois State Shoot ... "For Joe Loitz the lost one came on his last trap, keeping him from the perfect score that won for him five years ago".

"In March, Joe won the Double Rise Championships at the Australian Nationals in a miss-and-out shootoff over two from down under; he had dutched his last pair to get into the tie. In the shootoff with Stinebring Friday at Illinois, it was about the same as miss-and-out as Morrie stayed in the middle of all 20 while Joe missed three of the late-afternoon offerings to settle for the AA trophy".

In the husband & wife section of that same shoot Art and Judy Wegner were toppled by one target but Judy went on to win the womens HOA. It seems they have recovered from Peter Caddy's hospitality in Perth.

# RON PORTER TAKES TOP OFFICE

(Staff Writer)

The vacancy created by the sudden resignation of Mr E. Hawkins, has been filled by Ron Porter, from Brisbane, Queensland.

At a ballot held at an Executive Committee meeting late in September, Mr Porter defeated the other nominee, Vice President, Laurie Connors of Victoria. There were only two nominations for the post.

Ron Porter has had a long association with clay target shooting and has been involved in administration almost all of the time. He has three sons and a daughter, all of whom are registered with the ACTA.

Mrs Porter also has had a long period of service to the sport, mainly in connection with Brisbane Gun Club. She has been awarded a Life Membership of the Brisbane Gun Club for her significant contribution to the development of the club.

Ron is a past President of the Brisbane Gun Club, is Vice President of the Queensland Clay Target Association, and was National Vice President from 1977 until March this year.

Immediately after the result of the ballot was known, Mr Porter commented on the excellent job done by Laurie Connors who had been Acting President since the resignation of Mr Hawkins.

Mr Connors was literally "thrown in the deep end" when he found himself in the position of Chief Executive and acquitted himself particularly well in the caretaker role.

At the same Executive Meeting, the vacancy on the Management Committee was filled — the committee now includes:

Ron Porter National President (Chairman)

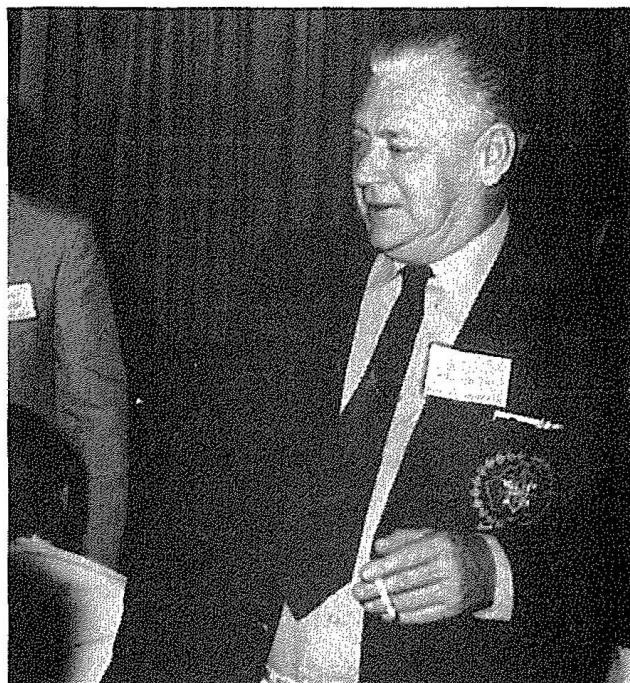

Laurie Connors Vice President

Roy Holtfreter Western Australia

and Dr Paul Cains Tasmania.

The new face is that of Doctor Paul Cains, who is President of the Tasmanian Amateur Shotgun Association.

With the development of clay target shooting entering so many new areas, the Management Committee has an especially heavy burden to carry.

• The Association's new National President, Ron Porter of Brisbane.

Nevertheless, it has already proved itself to be a most important factor in the streamlining of the Association's administrative structure and is currently grappling with the massive problem of selecting a site for the National Headquarters.

## TALK ABOUT TRAVEL

It is the time of the year when members are starting to plan a Christmas vacation. More and more people are finding that international travel is attractive.

The ACTA can help make it even more attractive, especially in terms of cost, by inviting travellers to participate in the "TRAVEL GRANT" scheme.

This scheme applies only to international travel arranged through branch offices of Jetset Tours. (Addresses are listed at the end of this column).

Jetset Tours has become a strong supporter of clay target shooting in Australia, and co-operates with the Association by providing details of travel undertaken by members.

On receipt of this information, the ACTA is able to send a "travel grant" cheque for a worthwhile amount, direct to the member.

However, for the system to work, it is essential that members fill in a Travel Grant Application Form at the time of paying for the trip at Jetset Tours office. (It should be noted that no travel grants are available on the Association's special travel projects, to international clay target tournaments, such as the Grand American Tournament.)

18th Floor, MLC Building  
303 Collins Street  
Melbourne Vic.

Stafford House 23-25 Leigh St, Adelaide S.A.

MLC Building, Newton Arcade  
Stones Corner Q'ld

AMP Building  
86 Collins St, Hobart Tas.

74 Crown St

22nd Floor, MLC Centre  
19-29 Martin Place  
Sydney, N.S.W.

170 St. Georges Terrace  
Perth W.A.

Trustees Court  
Launceston Tas.

1st Floor, Florina Building  
Garema Pl, Canberra A.C.T.

The itinerary for the Association tour to the 1981 Grand American Tournament is now complete, and looks most exciting.

The tour will take in Vancouver, the Rockies, Calgary, Toronto, Niagara Falls, Boston, New York, Washington, Vandalia, Las Vegas (and the Grand Canyon for those who want it) Disneyland, Honolulu and home.

From go to whoa, the tour will cover thirty one days, including ten days at the Grand American — during this time the more adventurous can visit other nearby places of interest such as Chicago, Indianapolis and Cincinnati.

Even a trip to Nashville is not an impossibility.

One of the highlights will be a day at the Waukesha Gun Club. This has become something of a tradition with Australian shotgunners visiting USA, and the hospitality shown by club "boss" Vic Reinders and his team is quite unbelievable.

A full itinerary and an estimate of cost is available from the National ACTA Office on request.

### TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. and Waterwheel Press reserve the right to refuse any advertisement without stating the reason.

# PERTH SEPTEMBER CARNIVAL

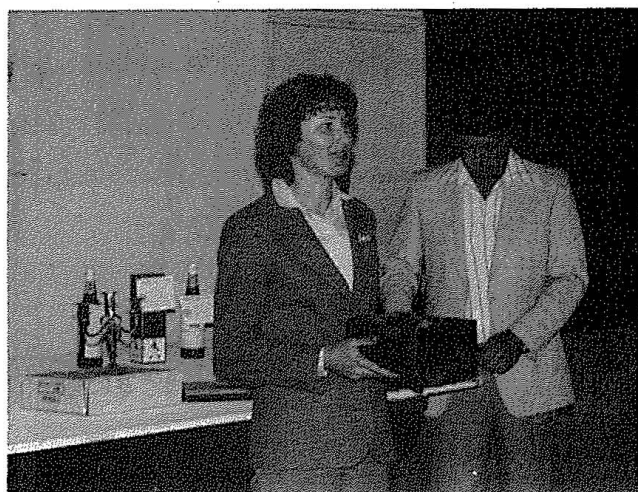

Saturday and Sunday September 13 and 14;

This was certainly the highlight of Perth's shooting year. The weather was cold and windy and at times raining but the atmosphere was warm and friendly. It seemed that all who attended enjoyed the spirit of friendly rivalry during the various events, and the chance to socialise with the many old friends — namely visitors from other clubs.

Event one saw club President, John Eddy win the City of Perth Skeet Championship. This was quite a feat, considering how busy he was with organizational matters. Also congratulations to Grant Hyder 2nd - A grade and to B grade winner, O. Ando, and C grade H. Kuiper.

• John Eddy seems loath to let Helen Wiese's hand go, after presenting her with an airfare to Melbourne. Helen won the Airfare Handicap.

• Margo Kennamer collects her trophy from Club President, John Eddy.

The State Skeet Championship saw three shooters familiar to all in the winners circle. Congratulations To Robin Bailey, 1st, Tim Catling, 2nd, and Tony Yozzi, 3rd. Good shooting fellas! especially in that wind.

One of the highlights of the weekend was event 3, the Perth Airfare Handicap, won after a shoot off by Mrs Helen Wiese, a 14 metre shooter. A most popular win. Husband Darrel's comment was "Can I come, Love?"

Cont'd on page 16

(from Margo Kennamer)

• Perth Gun Club President John Eddy (left) with Clayton Hyder, winner of the Overall High Gun Award.

## PERTH SEPTEMBER CARNIVAL (Cont'd)

It was also rumoured that Tom Vodden had shot his first 25 break in skeet after about 10 years trying. True?? The ladies prize in this event was won by Margo Kennamer, and was donated by Rod Franklin. Thanks Rod.

The City of Perth D.B. Graded Championship saw Greg Holly win 1st in A-grade, Geoff Hayward B-Grade, and Barry Humphrey C-Grade. Helen Wiese won 2nd place in C-grade.

● Winchester Tournament winners at Perth Gun Club — from left, rear: A. Charleston, T. Vodden, D. Wiese; centre: C. Hyder, L. Coster, B. Vodden, J. Neve, A. Coleman, B. Geddes; front: W. Pilkington (State Manager for Winchester) and Club President, John Eddy.

In the ever popular Winchester Tournament L. Coster, A. Charleston, T. Vodden, and D. Wiese won their respective meterage prizes for first place.

Miss Julie Neve won the ladies, B. Vodden Junior, and A. Coleman Veteran. Congratulations to you all and the many other winners in the Tournament.

The last event brought one of the many pleasant surprises of the week-end when young Rodney Vidakovich won the Grand Koojan Handicap outright! Pretty good going for a fourteen year old and a relatively new shooter!!

June Roach won the Ladies in that event. Well done June.

Over-all High Gun — that coveted award went to Clayton Hyder. Ladies Over-all High Gun went to Margo Kennamer, and was donated by Perth Life Members. It was noticed that Michelle Alexander was taking movies (with sound) around the grounds and people were very careful with what they said, especially when missing a target. It was also noted that one shooter arrived at 2.20 pm and wanted to nominate for the first Skeet event (9.00 am). Where was he the night before?

Also whose phone number was Clive Shepherd after? Some one said he was madly running around after someone's number?

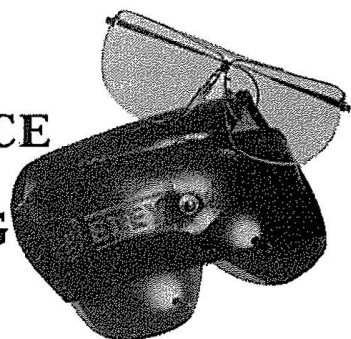

Last but not least thanks to our many trophy donors: Winchester, Eley, Clive Shepherd, Alan Fathing, Richard Wilberforce, Tom Holt, Life Members, Rod Franklin, and Mazzacchellies.

● Trophy winners in the Grand Koojan Handicap — from left, rear: T. Harris, V. Bunter, R. Vidakovich; front: M. Wells, M. Mascio, J. Roach and C. Hyder.

## ELEY INTRODUCE KASSNAR SHOOTING GLASSES

Two models of shooting glasses have been added to the range of accessories offered to Australian shooters by Eley Ammunition.

# AIR NEW ZEALAND AGAIN SUPPORTS CLAY BUSTING

(Staff Writer)

Association representatives met with senior marketing executives from Air New Zealand late in September, to review the relationship that has developed between the two organizations since their first joint promotion in March 1978.

At that time, Air New Zealand provided substantial assistance in getting a trap team to the New Zealand National Championships.

Since then, the degree of support that has been forthcoming from the airline known as the "Pacific's Number ONE" has been of tremendous value to the ACTA. The benefit has been felt exclusively in the area of developing international competition for D.T.L. TRAPSHOOTERS — the category into which 90% of the Association's membership falls. In this way, the greatest possible cross-section of competitors has seen the value of the support.

In 1978 and 1979, the ACTA fielded an "Air New Zealand Trap Team" at the biggest clay target tournament in the world, the Grand American Tournament.

The purpose of the review undertaken at this meeting was to convince the airline that its program of assistance was worth continuing.

Air New Zealand's response was overwhelming, and provided tangible evidence that if clay target shooting can continue to support its major sponsors, the sponsors in turn will stick to the ACTA.

As a direct result of the Air New Zealand decision, Australia will enter another representative team in the 1981 Grand American Tournament. The team will be selected during the 1981 Australian National Championships.

A further exciting development is the creation of the Air New Zealand Elimination Series. Made possible by substantial assistance in transporting a trap team to New Zealand, a series of matches will be conducted, one per state, from which an Australian team will be selected.

The International Sub Committee has been given the job of defining the match conditions, and State Associations will be advised accordingly.

The selected team will then compete in the 1981 New Zealand South Island Championships.

This opportunity is taken to remind ALL ACTA members (and their families and friends) that the best way to ensure that the Air New Zealand continues its support is to use the airlines trans-Pacific and trans-Tasman services whenever possible.

## PRODUCT REVIEW

### Silencio Ear Muffs In Eley Stable

By Pat Browne

Catering to the ever-increasing awareness of Australian shooters of the need for hearing protection, Eley Ammunition has added the 'Silencio' range of ear muffs to its range of shooting accessories.

Four models will be available, priced from \$12 to \$25.90.

• "The ORIGINAL"

Cheapest in the range is 'The Original' (RBW.71) — fully adjustable in both earcup and headband and available in orange and grey colours. They sell for a recommended retail price of \$12.

★ The 'Fold-Away' RBW.74 is a folding version of 'The Original'. Designed to fold up and fit into a neat carrying pouch, the muffs have the same specifications as the cheaper version. Available in the same colour combinations, they sell for a recommended retail price of \$16.90.

• "The FOLD AWAY"

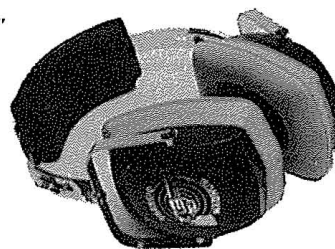

★ Next in line is the 'Liquid Filled Cushion' (LIQ.71) model. Boasting the same specifications as the cheaper versions, they go one step further by having the damping cushions liquid filled. They are more efficient. Orange and grey are still the colours available but the price is a little higher at \$18.50 per pair.

• "LIQUID FILLED CUSHION"

★ Top-of-the-line is the 'Deluxe-Magnum' (CDS80) model. These muffs are well finished with liquid filled cushions, infinite adjustments for both earcups and headband and a padded headband ramp. Available in black only, they sell for a recommended retail price of \$25.90.

• "DE LUXE MAGNUM"

### FOR SALE

TWO S.K.B. 880 SHOTGUNS -  
1 Skeet, 1 Trap,  
unfired and in mint condition.  
**\$3250 pair**  
or nearest offer

25 Kathleen Street  
Yokine W.A. 6060

# Trade Topics

Gary Matchan, Victoria/Tasmania Area Manager, and Brian Mark, Advertising & Sales Promotion Manager, both of Winchester, made some sort of TV history when they appeared on national television recently.

They were able to secure an eight minute spot on the Channel 9 show "Hey Hey it's Saturday" with nearly a million viewing audience ranging in age from eight to eighty.

Over two minutes of the segment was devoted to a film clip depicting simulated field shooting, trap and skeet, and showed amongst others, a junior girl competing. The rest of the time was devoted to face to face interview where A.C.T.A. shooting, membership, reloading, types of firearms, equipment and clay targets were discussed.

It is hoped that a videotape of the next Junior Schoolboys and Schoolgirls Championships will be included in a segment on junior shooting.

\*\*\*\*\*

## NEW MODEL 1100 LT-20 "LIMITED" FEATURES SHORTER STOCK AND BARREL FOR SHOOTERS OF SMALLER STATURE

Shooters come in a wide variety of shapes and sizes — from small to large and short to tall. Over the years Remington has conducted considerable research to determine the ideal stock dimensions for its sporting arms to which the largest number of shooters could accommodate without the need for alterations.

It is not possible, however, for a single set of stock dimensions to fit everyone correctly. This is particularly true for a number of smaller-stature adults as well as many young, beginner shooters.

Recognizing the special needs of this significant segment of the shooting public, Remington has taken steps to provide what should be a practical and popular solution.

Actually, part of the solution has already existed for a number of years in the form of the Model 1100 LT-20 autoloading shotgun. This gun combines the benefits of a dimensionally scaled-down receiver in a 20 gauge, gas-operated autoloading shotgun. As such, the Model 1100 LT-20 provided the light weight, easy handling and mild recoil compatible to shooters of smaller size without loss of field hunting effectiveness on a wide selection of game. The only occasional drawback still remaining for some shooters was stock length.

The final answer to this need now exists in the form of the new Model 1100 LT-20 "Limited". This is a regular Model 1100 LT-20 with a factory stock one inch shorter than the standard version and a compatibly-balancing barrel just 23 inches long. The result is a full-fledged field shotgun with size, weight and handling characteristics geared perfectly for those who require a gun of more compact dimensions. It is particularly well matched to the needs of young shooters and hunter-safety programs.

The Model 1100 LT-20 "Limited" will be produced with a choice of two, 23-inch, vent rib barrels in either improved cylinder or modified choke. Overall length will be 42 inches and average weight, an easy-carrying 6½ lbs.

A significant advantage of this newest Model 1100 is its versatility. As young shooters grow to the point at which a full size stock would fit them better, a standard replacement butt stock can be obtained. With this option, a single Model 1100 LT-20 "Limited" could be utilized at various ages by a number of youngsters in the same family.

As an additional option, any of the extra barrels of standard length for the Model 1100 LT-20 can be interchanged at any time on the "Limited" version enabling owners to convert the gun from one version to the other at will.

This total interchangeability of barrels also provides one more interesting option. Shooters who might like the idea of using the 23 inch barrels on their regular Model 1100 LT-20's can order them separately as extra barrels.

## INTRODUCING: 2 ALL NEW, ALL METAL UNIVERSAL CHARGE BARS

MODEL "D" —  
for the MEC 650 and Grabber Models

MODEL "C" —  
for the MEC 600 Jr., 700 Versamec, Sizemaster 77,  
MEC 600, 400, 250 and 250 Super Reloaders,  
and the Texan LT, GT and FW Models.

The Model "C" and Model "D" are fully adjustable charge bars for powder and shot; shot capacity from 1/2oz. to 2oz. (with No. 4 low antimony shot) and powder capacity from 10grs. to 55grs. They come complete with a powder and shot chart with 400 settings for 23 powders. Both Models are for field and target loads, and for all gauges.

### MAJOR CHANGES COMPARED TO PREVIOUS MODELS

1. ALL METAL construction (made of high precision diecast zinc).
2. Definite BOTTOM GUIDE for powder and shot-valves (no floating valves).
3. Highly SIMPLIFIED method to read scales and to adjust knobs.

4. UNIFORMITY of construction; models are completely interchangeable.
5. NEW MODEL INTRODUCTION: There has never been a fully adjustable Charge Bar for the MEC Progressive reloading machines — Now there is!

The Universal Charge Bar, Model "D" is made for the MEC 650 and Grabber — Reloading Machines.

The Universal Charge Bars can save you the purchase of many powder bushings and standard charge bars. ALL one needs is one Universal Charge Bar for single stage reloading machines, or one for the progressive reloaders. Each Bar comes with a five year guarantee.

### Available From: MULTI-SCALE CHARGE BARS

# USEFUL INCREASE IN FEDERAL GOVERNMENT FUNDING SUPPORT

(Staff Writer)

The shooting sports have received a substantial increase in the level of Federal Government funding assistance for 1980/81, when compared with previous years.

The total allocation for the current year is \$93,700, of which \$35,000 is earmarked for clay target shooting.

The clay target share is further broken down as follows:

\$22,000 for the continuing full-time employment of the National Coaching Director.

\$3,000 for general administrative purposes.

\$5,000 for coaching projects.

\$5,000 for international competition overseas.

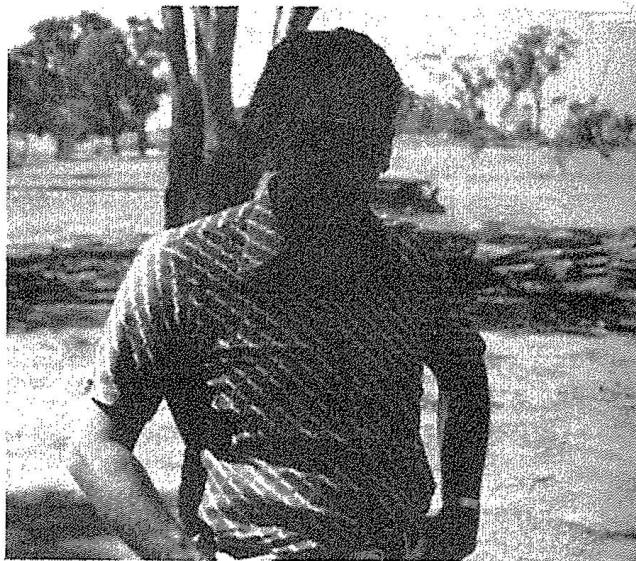

Equally as exciting is the news that the total allocation has made provision for the appointment of a full time Executive Director for the Australian Shooting Association.

In recent times, the extent of ASA activity has increased quite substantially, and the work load has certainly had a detrimental effect on honorary officers of the ASA such as Peter Papps and David Watts.

However, the big question is "Are the affiliates of the ASA prepared to support such a move?" In fact, the Government grant recognizes this problem, as an attached condition reads "this grant is subject to the majority of ASA affiliates agreeing to the appointment".

There can be no doubt that such an appointment would produce tangible and important results in a very short space of time, WITHOUT any intrusion into areas already being covered by existing individual Association administrative units.

Equally as exciting is the indication that, if the ASA appointment is made, a recognizable section of the commercial organizations attached to the shooting sports is also prepared to assist with financial support.

• President of the Australian Shooting Association, Peter Papps.

Turning now to electoral promises, the degree to which the shooting sports are emerging as a major force was clearly emphasized in the Prime Minister's policy speech.

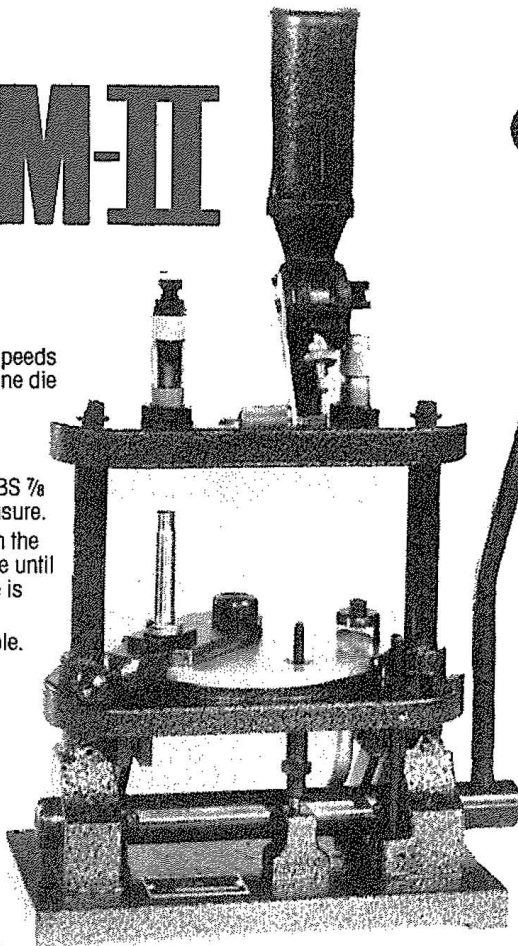

In this speech, Mr Fraser referred to a sports facility development program, which would span three years, and into which the Federal Government, if re-elected, would put \$25 million on a dollar for dollar basis in co-operation with State Governments.

The important factor in the speech was that TWO of the eight projects listed, were shooting complexes. A 25% share for shooting looks good eh?

## MODEL M-II

Features include:

- Automatic primer pick up station.
  - Pivoting shell loader arm speeds up moving the case from one die to another.
  - Spent primer and residue deflector tube.
  - Die head is tapped for RCBS 7/8 x 14 dies and powder measure.
  - Once the case is inserted in the shell holder it remains there until the complete loading cycle is completed.
  - Optional die heads available.
- \*(Powder measure & dies illustrated optional).

## Metallic

### Rifle Pistol Loader

A new concept in reloading – this unique styled press is unlike any other. Its rugged design and construction has power to spare for case forming or loading the difficult calibres. It is also capable of loading at a much faster rate than conventional.

# VICTORIAN COACHING SCENE

## OPEN REPORT TO ALL CLUBS

Our number one priority for this year was the appointment, training and accreditation of as many club coaches as possible during 1980, so that by achieving this goal, Victoria would have a fully operating coaching system right down to club level.

As of this date we have 78 appointed club coaches. Approximately 60 coaches have done their training. Of this number, 36 have gained their accreditation certificate and club coach badge.

I'm delighted with reports that several of our larger clubs are now conducting regular weekly novice instruction training. Many smaller clubs also report coaching instruction on their regular shoot days. In country areas it is obvious that school boy and young shooter interest is very much on the increase. This coaching work is being done by accredited club instructors. I'm sure everyone will agree that this action augurs well for the future of our novice shooter instruction program.

It is in the interest of every club to support their club coach in every way possible so that the new shooter will be made to feel welcome to our sport and so further develop the novice shooter's confidence in his ability to become a better shot. We will also promote and practise a responsible attitude in the use of firearms at all times and at all levels in all places.

### THE CLUB COACH

Our club coach is a suitable person who is appointed by his club. He is then given training, and after accreditation, is issued with club coach badge and certificate of authority. **He should be the only person permitted to instruct at the club level.**

The club coach training plan is designed to produce uniformity of coaching instruction. According to our manual it will provide a basic knowledge of skill and technique which will allow coaches to perform more effectively than they would perhaps otherwise be able to.

Of course the application of this knowledge will remain flexible, according to the talent and ability of the individual coach.

Training aids like charts, slides, etc. are being prepared for issue to each coach during the next few weeks. Please advise your zone coach if you can use any of these aids or write me direct.

During May, our Victorian I.S.U. sub-committee announced the appointment of Victorian State I.S.U. skeet and trench training squads of six shooters each squad. The State Coaching Director was appointed coach to both squads and asked to take charge and also to prepare a training program. This has been done with copies to all squad members. State President, Bob Buchan, and A.C.T.A. secretary, Noel Southey have also been given copies. (Noel asked for copy for sending to other states.)

In order to help the squad members to improve their shooting performance, I've prepared a folder in manual form which contains useful information about the techniques of shooting International skeet and trench. Each member has been issued with a copy.

The I.S.U. Squads commenced their training and coaching program on June 21. Complete records are being kept of each shooter's scores at practice and in competition. I am also keeping note of promising shooters' performances during the elimination events over the next 8 months.

*George Biggs, Victorian Director of Coaching.*

### SUMMARISING GENERALLY

It would seem that after 2½ years of operation our coaching system has been of great benefit to the novice shooter, and the young shooter at the technical school and high school level and this is as it should be. However, it is very obvious to me that the mature shooter is badly in need of help with regards to his equipment and how it should be used correctly. I believe that a special course should be introduced in gun fitting, correct gun mounting and proper gun holding. This is where bad habits develop and poor scores are the result to say nothing of the bruised cheek and sore shoulders that follow.

I'm not forgetful of the wonderful effort my zone and club coaches are putting into our cause. For this I'm very grateful and I thank them very much indeed. I'd also like to thank the V.C.T.A. executives for their cooperation and the help they give.

Signed,

George Biggs, STATE DIRECTOR

## INTERNATIONAL DISCIPLINE SCENE IN AUSTRALIA

Following the entry of a small squad of Australians in the First Asian Clay Target Championships, to be held in Bangkok, Thailand, in December, the Association's Management Committee has appointed Mr Robert Buchan as team manager.

Mr Buchan has had extensive experience in the development of Olympic Trench and ISU Skeet in Australia and was manager of Australia's 1973 World Moving Target Championships team.

As President of Melbourne Gun Club, he controls Australia's most extensive international facility, and has monitored the growth of the Olympic disciplines since 1973.

Furthermore, he was involved in discussions with the Skeet and Trap Association of Thailand, from which the invitation to compete in this match was first announced.

The team will depart from Australia on December 1, and the competition commences on December 6.

The tournament concludes with a formal presentation dinner on December 13. The team returns to Australia on December 14.

• Bob Buchan (left) is already well-known to members of the Thailand shooting fraternity, and will fill the role of Australia's team manager well.

.....

## AUSTRALIAN TEAM AT MACKINTOSH TROPHY FINAL

• Australians featured prominently at the final round of the 1980 Mackintosh International Trophy, held at Llandegla Gun Club Wales, in July. # NORTHERN ZONE COACHING & ADMINISTRATION SEMINAR

## TOWNSVILLE GUN CLUB

by Bev Grice

Townsville Gun Club was the venue for the Northern Zone Coaching and Administration seminar held during the weekend of September 13 and 14, 1980. The enthusiasm displayed by this zone was evident with coaches and administrators arriving from :— WEIPA : THURSDAY ISLAND : CAIRNS : RAVENSHOE : HERBERT RIVER : MARY KATHLEEN : MT. ISA : RICHMOND : CHARTERS TOWERS : BURDEKIN : and TOWNSVILLE.

Mr Ken Miskin, President of the Townsville Gun Club, welcomed all visitors to Townsville before declaring the seminar open. Tom Comerford, the Northern Zone Coach then introduced Bill Stevens the State Coaching Director and Stafford Smith who is the S.E. Zone Coach, both of whom were assisting Tom in running this seminar.

Bill Stevens addressed the assembly on the coaching progress in Queensland after which Townsville coach Butch Fairbrother gave his address on the subject of SAFETY AS A FUNDAMENTAL IN COACHING. Following this, all coaches were asked to participate in general discussion on safety. This resulted in some excellent suggestions being brought to the attention of the State Association.

Bernie Riley (the Mary Kathleen coach) then spoke on the IMPORTANCE OF THE BASIC COACHING MANUAL, followed by an interesting address from Arthur Kenna of Townsville on GUN FIT.

BARREL LENGTHS & BORINGS was then put under discussion led by Angelo Zappala of the Burdekin Gun Club. All of these topics led to very stimulating discussion by the whole assembly.

Stafford Smith gave an excellent address on MONOCULAR & BINOCULAR SHOOTING, followed by Bill Stevens discussing the MENTAL ASPECT OF SHOOTING.

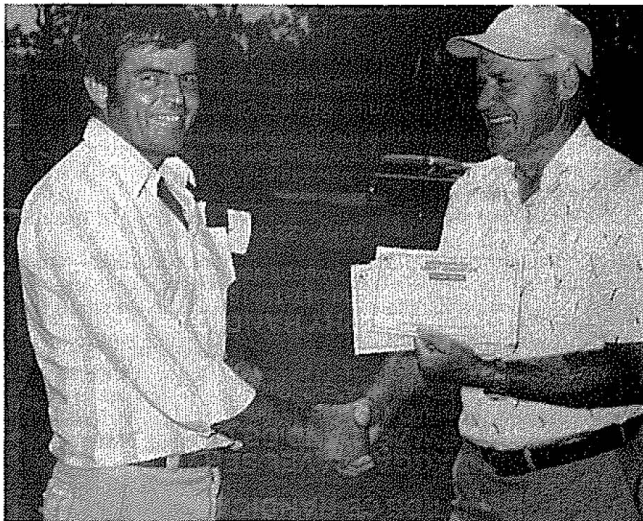

The whole day must be deemed successful, as the participation of the coaches kept the topics at a high interest level. Arthur Kenna took advantage of the assembly to also discuss the new rules which were printed in the July issue of C.T.S.N. This also proved to be quite interesting.

A Bar-B-Q tea was supplied by the ladies of Townsville, then all there settled back to enjoy some Remington shooting films supplied by courtesy of Boustead Trading of Brisbane.

Sunday morning, Mr. Ken Miskin once again opened the seminar, and welcomed the Administrators from all clubs to Townsville. Following this, Mr Neil Hardy, President of the Q.C.T.A., gave a brief address. At the conclusion of this talk, the assembly broke up into two groups, some following the Coaching program and Club Presidents and Secretaries attending the Administration workshop.

• Six of the club coaches who successfully completed accreditation tests at Townsville. From left: Peter Hutchinson (Weipa), Butch Fairbrother (Townsville), Bobby Boscacci (Townsville), Doug Murray (Richmond), John Anderson (Thursday Island) and Bernie Riley (Mary Kathleen). Angelo Zappala also passed the test, but left before the photograph was taken.

• State Director of Coaching, Bill Stevens (right) hands an Accreditation Certificate to Zone Coach, Tom Comerford.

The coaches, after an intense safety lecture, were divided into groups with novices and experienced coaches and proceeded to coach and get the novices to hit targets. 42 novice shooters attended, ranging from students from the local Grammar School to interested members of the general public, who attended to find out what clay busting is all about.

Seven N. Zone club coaches were examined for accreditation as Level One club coaches, and Q.C.T.A. is pleased to announce that all 7 were successful, they were:—

BOB BOSCACCI, TOWNSVILLE; BUTCH FAIRBROTHER, TOWNSVILLE; PETER HUTCHINSON, WEIPA; JOHN ANDERSON, THURSDAY ISLAND; ANGELO ZAPPALA, BURDEKIN; DOUG MURRAY, RICHMOND; BERNIE RILEY, MARY KATHLEEN.

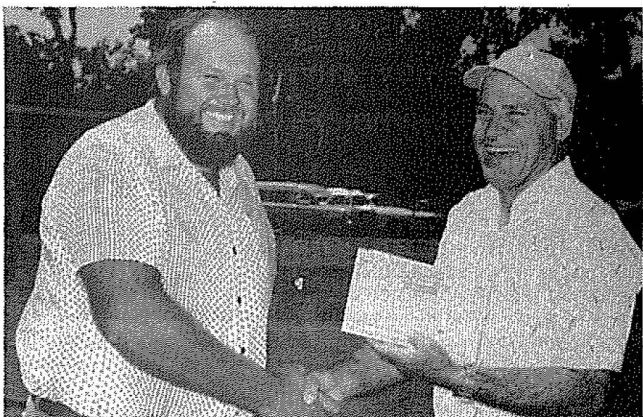

The highlight of the day was the presentation of Accreditation Certificates to Tom Comerford ZONE COACH. and to Arthur Kenna CLUB COACH as both of these gentlemen had passed their examination earlier on.

The administration session was also very successful, with really good participation from the administrators attending. This session ended with Harvey Smith (the Assn Auditor) giving the administrators some very useful advice on treasury matters.

This was the last of the seminars for 1980 programmed by the Q.C.T.A. and must be classed as VERY SUCCESSFUL. The interest shown all year in these particular seminars must be noted, and Q.C.T.A. is now planning the next years program with assistance from the feed back received from clubs after attending.

Q.C.T.A. looks forward to the same success in 1981.

○

• Ex-Executive Committee Member, and now Club Coach at Townsville, Arthur Kenna (left) receives his Accreditation Certificate from State Director of Coaching, Bill Stevens.

# "THE CHALLENGE OF THE EIGHTIES"

(Staff Writer)

The Annual General Meeting of the Victorian Clay Target Association was held recently. It was conducted during the most successful State Trap Carnival.

The Executive Director was invited to address the meeting and the text of the speech is published at the request of a number of people who believe it carries a national message.

"I am grateful for the opportunity to speak to you at this time, as we are entering a most challenging period in the growth of clay target shooting.

I say challenging because of the opportunities that are available if we are good enough and quick enough to grasp them.

The last few years have seen a dramatic growth in our sport — growth in three ways. The first can be measured in tournaments such as this, which were unknown a few years ago. What great progress has been made when you consider that 250 competitors have contested this program so far.

The second factor concerns the money area — in 1976, the association had a debit or minus figure under the heading "Accumulated Funds" in its balance sheet. Today, we have the encouraging figure of \$145,000 placed in relatively high interest yielding investments.

The third, and possibly most important factor is the numbers game — in 1976 the national membership of the Australian Clay Target Association was 7,500. By the end of 1979 this figure had grown to 10,500 a massive 40% increase.

However, towards the end of 1979 the rate of growth slowed a little, partly due to economic pressures, and partly due to the difficulties caused by growth in itself.

By this, I mean that the administrative structure was having difficulty coping with the strains caused by the numeric growth.

State Associations have played a major role in assisting the sport to reach its present levels, and have become most important in the total management scene.

This is very evident when one looks at national trap and skeet championships. Since State Associations took over the running of this annual tournament, the standards and results have improved dramatically.

Earlier this evening, you heard president Bob Buchan refer to the amount of work that has already been done in relation to the staging of the 1981 Australian Championships.

A number of specialist sub-committees have been created, and are well advanced with the detailed planning for what will be the biggest shooting tournament Australia has ever seen.

This brings me to a vital point and a matter of deep concern to all sports administrators. There seems to be a growing tendency to concentrate many major functions onto one pair of shoulders. A good example is Laurie Connors, who, apart from being vice-president of the Victorian Clay Target Association is National vice-president, member of the Management Committee, chairman of the International Sub-committee, and a member of the Working Party investigating likely sites for the establishment of our national headquarters.

Does this seem a fair distribution of the work load? It is my firm belief that this problem is of major importance — especially at a club level. We must spread the work load more evenly — involve more of our younger people.

One of the big benefits to accrue from spreading the workload will be that decisions will be more representative.

At the present time, management decisions too often reflect the opinions only of experienced competitors. This occurs because we always look for the most successful or most popular person for election to committees.

This can be self-defeating, as the resulting decisions are based on the thinking of top rating shooters — perhaps a sprinkling of fresh untried ideas directed at encouraging novices should be developed. We have a better chance of getting these ideas from people in that category. This suggestion is just as valid at State Council level as it is at club level. Another bonus comes from the fact that the younger men and women are very enthusiastic and energetic.

We started this talk by using the word "challenge". One of the most important challenges confronting all sports and particularly clay-busting, is the matter of communications.

We often use this term without fully understanding its meaning. Its meaning is defined in the dictionary as "imparting or exchange of information". In practical terms, it means "The Accurate Transmission of Information".

Another vital point to realise is that communicating is only successful if the receiver of a message gets the same "vibes" or meaning as that given by the sender.

Communications is a word which covers a wide range of specific areas.

In relation to sports, it affects almost the whole operation — from the media right through the administrative, technical and development areas, down to the relatively lowly but nevertheless vitally important chat around the bar, after the match.

One of the things that is disturbing to management is the very common Australian habit of "knocking". It is quite evident in our sport, and when one considers the subject in the context of communications, can be very destructive.

Imagine the effect of 10,500 clay busters all telling of the enjoyment they derive from their challenging recreation.

If this happened, I suspect that the progressive clubs would be inundated with membership applications from people falling over themselves to try this rewarding activity.

Another productive area of communications is that of public speaking. Our sport has an unlimited potential for providing speakers to groups such as school councils, Apex, Rotary, Lions, radio and T.V., sports talk programs, sportsmen association dinners — the list is almost limitless.

The theme remains the same — if we discipline ourselves to constructively promote the shooting sports, especially clay target shooting, almost every social situation becomes a public relations stage.

So far, we have talked about only external communications (very briefly, at that)!

Equally as important, if not more so is the subject of internal communications. The transmission of thoughts is very much a two way deal — communications must be up and down!

All organizations are heavily dependent upon the human element for success. The standard of that success reflects the humans' ability to make decisions, and that ability depends on the quality and quantity of information available.

Clay Target Shooting has recently undergone a national re-structure which seeks to improve the channels of internal communications. It is now up to humans to take advantage of these new avenues and provide better data to the various levels of decision making.

One of the needs of all sporting groups, including clay busting is to speed up decision-making. In this way, communications can be accelerated, and we can be first to take advantage of whatever opportunity is available.

There is a need at Club, Zone, State and National levels to create a core group which can make urgent decisions outside of general and committee meetings.

These groups can easily be formed, can be given certain powers by Committee resolution, and then must be backed by the club, Zone or State Committee.

All Club and Zone secretaries should develop an ability to answer all "day to day type" correspondence promptly. This creates an "active" image for the sport, which is important. Just this one move can lead to a chain reaction of accelerated activity.

A very real threat to the association's new "Club-Zone-State-National" structure exists in the form of constipation of the communications pipeline through each level of authority waiting for an official meeting before action is taken on all matters.

Naturally, there are some matters which cannot be handled except by a meeting, but even in these cases, prior discussion will result in more efficient decision making.

Reporting is of vital importance — for example; each club delegate at this meeting has a heavy responsibility to report the proceedings to his club committee — yet how many of you have really thought about your responsibilities in this way.

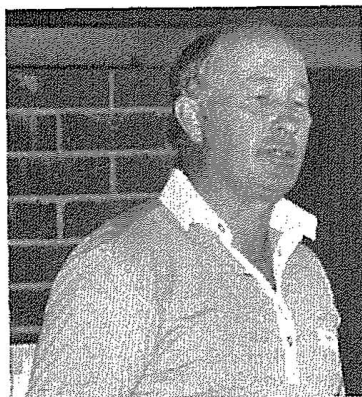

One of the greatest communications systems available to you is Clay Target Shooting News. This magazine belongs to the Association's registered shooters and should be better utilized to communicate the good news, from State and Zone Councils to readers, especially readers from other states.

This state of Victoria has the largest number of shooters, almost the largest number of clubs and (apart from Tasmania) the smallest geographic area.

Cont'd on page 72

# FROM THE DESK OF THE WESTERN AUSTRALIAN COACHING DIRECTOR

(by Tim Catling.)

• Tim Catling, W.A. Director of Coaching.

Because of the ever increasing costs of shooting, I would like to share with you my thoughts on the value of "DRY PRACTICE".

A few minutes spent every day in gun handling, pointing and muzzle control will, I am certain, improve each and everyone of us.

One of the best exercises I have come across is to stand in front of a full length mirror and in the "Gun Down Position". Then with your eyes closed, shoulder the gun and when you feel that you are in a good shooting position open your eyes. You should find that the image in the mirror points directly back at you. Also you will be able to observe that the main points, such as:—

Are your eyes level.

Are you leaning forward and not sideways etc., are only too obvious.

When you can do this 8 times out of 10, I know your shooting will improve, (you may find this exercise harder than you think).

The other great exercise is to shoulder the gun with the right hand only (left hand for left handed shooters) and learn to control the muzzle, by turning the shoulders.

Add to the above TWO:— A little backyard work on swinging past a point while firing the action (use snap caps) without stopping or hesitating then you will be on the way to better scores which should lead to more fun.

Always remember shooting should be fun, and surely a little effort to have more fun, particularly for free, must be worthwhile. ○

## PAPUA NEW GUINEA NATIONAL CHAMPIONSHIPS

The sixth PNG Nationals will be held at Mount Hagen Gun Club on November 22 and 23, 1980.

A cordial invitation has been extended to Australian competitors and all visitors are assured of a wonderful welcome.

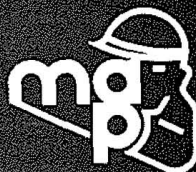

There will be \$6,500 in value of prizes, including a Rottweil Under and Over for High Gun.

Practice will be available on Friday, November 21, while on Saturday, November 22, the Skeet, Double Rise and Pointscore Championships will be run.

On Sunday, November 23, the Grand Handicap, Double Barrel, Single Barrel and Champion of Champions events are listed, and will be followed by a Presentation Buffet Dinner.

Further information can be obtained from the ACTA office in Melbourne.

## TWO DAYS AT TERRANORA LAKES

(from Bob Ridler)

Saturday the 30th. August dawned bright and clear at the Terranora Lakes Gun Club and Mt. Warning stood out for all to see. The big guns from near and far arrived to do battle with the clays. They arrived from Geraldton in W.A. to Shepparton in Vic. and many points in between. The conditions on the grounds were excellent and the sixty shooters who arrived were ready.

The eye opener of 15T DB CONT. gave them a taste of what was to come. Only seven managed the possible but many others were not far behind. It was a good work out for one of the main events to follow. The TERRANORA LAKES GRAND CHAMPIONSHIP 50T D.B. CONT. 16M. This event saw a great battle between two of our local boys in John Duyker and Ray Turner who both finished up with 49-50. In the shoot off John Duyker proved successful and took out the overall to win the sash. Ray took out A Grade and then the visiting shooters C. Flaherty and D. Ellis took out B and C Grades respectively.

Event three was where the shooters lined up to recoup the nominations. It was a 30T. D.B. H'cap. \$500.00 was at stake. Only four managed the possible. It was getting late in the day so the excuse was tiredness. The event did have its sting however. It set a record for Terranora that is not likely to be beaten for a long time. The event cost seven shooters a metre for their winnings. The Office staff really had to work overtime to keep up with it all.

The Sunday dawned bright and clear with a good wind blowing. This brought a few groans as the single barrel events were on this day. The first event was a fifteen Target S.B. SS 15m. and to prove just how difficult the day was we did not get one possible. We only achieved three with 14-15.

The next event was the Terranora Lakes Grand Championship 50T SB 16M. Considering the difficult conditions there was some good shooting in this event. The visitors showed the way with M. Gough coming up with a 46-50 to nudge out Ray Turner with 45-50. M. Gough took out the Overall with Ray the A Grade. G. Ethel took the B Grade with 43-50 and local Les Cobden turned in the fine score of 44-50 to take the C Grade.

The last event on the programme was the Terranora Lakes \$1,000 with all its divisions. The first 20 targets was on points and Col Burt from Tamworth turned in a 59-60 to lead the field. The second 20 targets were kills only and this saw eleven shooters come in with a possible. The overall winner was Col Burt with a 79-80 score. Runners up were G. Stevens & R. Porter from Brisbane with a 77-80 and also our President Harold Sage with a 77-80 also.

High Gun for the weekend went to Ray Turner. There were some good individual performances during the weekend and with twelve shooters losing a metre during the weekend this speaks for itself.

It was good to have Arch Rowe and Ron Porter there for the weekend. The Secretary erred in trying to impose a metre penalty on a shooter in a Continental Event. This was done in the belief that whilst you could not be graded on Cont. you could be handicapped. With the two rules experts there, the matter was soon put right. Judging by the number of comments, many shooters have incurred a metre penalty at clubs for continental events. Now we know.

As well as Ron and Arch we also had the pleasure of Ern Hawkins' company for the weekend. It was a pleasure to catch up on all the affairs during a weekend of not only good shooting but good fellowship as well.

On a final note I would like to thank the staff of the Terranora Lakes Country Club for the excellent state of the grounds and also for their hospitality shown to visiting shooters during the weekend.

## CLAY SCENE IN INDONESIA

(Staff Writer)

During the recent visit by an Australian group to the Pesta Sukan shooting tournament, the party stopped over in Jakarta for a few days.

David Menck and Terry Budd, the intrepid duo from New South Wales Gun Club, found a cab to take them to the Jakarta sports centre. During an earlier tour, the guide had mentioned that the centre included a shooting complex.

Not being sure what to expect, the pair were pleasantly surprised to find a very well equipped multi-purpose range.

Although they did not see a running boar facility, all other disciplines were provided for.

However, it is sad to report that the number of members of the clay target club presently numbers eight. Great difficulty is experienced in obtaining import permits for cartridges and targets. As a direct consequence of this, combined with costs and tight firearms controls, it is difficult to arouse much support.

Pistol shooting is the popular shooting sport, with the various pistol ranges being used many times each week.

The clay target facility consists of 1 Olympic Trench and one International Skeet range which is superimposed over the OT field. Trap equipment is Nimrod, Skeet equipment is Spieth, the few cartridges that are available are Rottweil and Peters, and the clay targets are Eley Olympic (sourced from Great Britain.)

When Terry and David visited the range, they were met by Mr Faisal Lubis. Coincidentally, Terry had gone to school with Faisal during a period when the Lubis family was living in Sydney.

It's a small world, eh?

## MEDAL TO BOYD

● Graeme Boyd (right) recently won the Commonwealth ISU Skeet title staged at Hobart Gun Club. He is pictured here with father (and coach!) Kevin Boyd, of Albury.

The Commonwealth Olympic Skeet Championship, held at the Hobart Gun Club during September culminated in a predictable win for Graeme Boyd from Albury (NSW).

The weekend began with the surprise inclusion of Graeme Boyd, who, as the most recent addition to the Australian team, really put the pressure on the other top competitors in the field.

The program looked like being held in fine conditions, but the weather quickly deteriorated to make shooting very difficult.

The trendsetters in the field, Graeme Boyd, Ian Rist, Don Jones, Stuart Browning and Ken Coppleman, quickly showed out from the field, mainly because most of them had had the advantage of competing in the State ISU titles at Burnie the previous weekend.

Sunday saw warmer, but decidedly windy conditions, but apparently it really suited Graeme Boyd, who, after a slightly tentative start on Saturday, got down to business and produced a day of brilliant shooting, showing why he earned national team selection. His personal tally was an incredible 97/100.

This score was too much for Ian Rist, who had done a creditable job in keeping the pressure on Graeme on the Saturday. Considering the very limited amount of ISU shooting done in Tasmania, Ian's record must be commended.

The medallion winners for the complete championship were — High Gun and Gold Medal, Graeme Boyd, NSW 187/200. Silver medal, Ian Rist 176/200; Bronze medal, Don Jones, 167/200. Fourth, Stuart Browning; fifth, Ken Coppleman; sixth, Jim Briggs; seventh, Graham Rider; eighth, Bob Morgan; Ninth, Gary Martin; tenth, Roy Garwood.

Report by courtesy of "Mercury Suburban" Newspaper.

## Editor's Mailbox

Dear Sir,

It was with deep regret that I read "Shooting a Line" by Pat Browne in your August edition of Clay Target Shooting News.

I believe I have a comprehensive knowledge of the whole insidious incident but was isolated from the emotional atmosphere that occurred in the east. For the benefit of your members and the record I would like a few important facts made known.

The present A.S.A. Constitution has a clause which, we now know, will allow ANY of the affiliated bodies to take the decision to be excluded from an A.S.A. resolution. I admit, it was regrettable that ultimately it was a magistrate who had to interpret the clause as being valid in this instance.

At the time of the Canberra "Workshop" every smallbore rifle shooter present, including myself, was stunned by the personal action taken by Ms Hill. The A.S.B.R.A. was officially never involved with Ms Hill's action although we were obviously sympathetic to her motives. The A.S.B.R.A. at their council meeting held only one week prior to the "Workshop" had resolved "that the A.S.B.R.A. discussion and comment be confined to the A.S.A. with provision for legal advice". It was only after the Workshop and the A.S.A. meeting that the A.S.B.R.A.'s legal action was contemplated and considered necessary.

I personally believe that had the A.S.A. been as united as the national athletics or swimming bodies, both multi-disciplined sports such as ours, then maybe this nationally emotional decision of boycott would have been resolved likewise — left to the personal conviction and conscience of each competitor. Had this been the decision it appears that the A.S.A. would have only seen one other person (a non participant I believe) attending Moscow.

In view of my opinions of the A.S.A. expressed above I found the opinions of the five national presidents at the "Workshop" amazing but the interpretation of Clay Fredrick's opinions as quoted by Pat Browne was blatant emotional journalism. The statement made in his article "the smallbore man Fredrick, told the conference that shooting organizations with strong administrations were an impediment to the shooting sports" would have been accurate if it read that strong administrations were an impediment to the Australian Shooting Association's development.

Finally, I hope the "Discussion Workshop" was the start of the beginning of an efficient unified A.S.A. for ALL firearm users in Australia. I agree with Graham Dempster when he said "this needs open and honest discussion between disciplines, the A.S.A. and government".

Owen Oliver  
W.A. Smallbore Secretary.

.....

Dear Noel,

I would like to take some space in Clay Target Shooting News, to comment on the disgraceful attitude taken by some shooters when they are regraded or rehandicapped.

If the ones who complain would take a bit of time and read the rules, they would find that Club Secretaries are simply following the rules.

As I see it, there are some Club Secretaries who don't follow the rules, and those make it difficult for a Secretary who is trying to do the right thing.

I have seen three cases of the above in the past few weeks, and have heard of at least four other cases. In my opinion, it's time for the ones doing the complaining to read the rules and become sportsmen.

Yours sincerely,  
ALBERT POVEY  
Wagga

.....

Dear Noel,

As a member of the ACTA Group that was recently returned from the Pesta Sukan Shooting Festival, I would like to offer my congratulations on a tour well organised.

The opportunity to compete in Singapore, and also in Malaysia, is something that I recommend to all fellow shooters, and the experience that can be gained is well worth the effort.

My personal congratulations must go to Alex Crikis following his third successive gold medal in the skeet and also to my fellow club member Terry Budd for his individual silver medal in the Olympic Trench. To shoot well and come out on top at Singapore Gun Club is by no means an easy thing to do.

Once again, I would like to recommend these overseas opportunities to fellow shooters and in particular to those keen to strengthen the I.S.U. disciplines.

DAVID MENCK N.S.W. Gun Club, Sydney.

# RIGHT ON TARGET

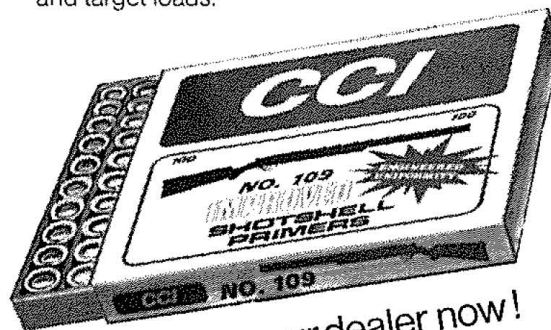

## CCI SHOTSHELL PRIMERS

**\*TAKE THEM FOR GRANTED.**

A very special primer mixture developed by CCI chemists gives these primers a longer, hotter burning flame to thoroughly ignite all of today's shotshell powders.

This makes for consistent velocities and uniform patterns, time after time. This boring consistency makes for some exciting shooting.

Available for hunting loads and target loads.

**Get them at your dealer now!**

Get the whole shootin' match  
CCI primers and ammo, Speer bullets and  
RCBS reloading tools.

## CLUB NEWS

**LIGHTNING RIDGE GUN CLUB (N.S.W.)** Advice has been received from the Lightning Ridge Gun Club that a new Secretary has been appointed — he is Don Carberry, who has replaced Mr B. Davidson.

**GOROKE GUN CLUB (Vic)** The Goroce Gun Club has joined the growing list of clubs throughout Australia which realises the need to fill a community service in the form of charity fund raising. On September 6, the club conducted a shooting tournament with proceeds being donated to aid Miss Glenda Stewart, the Edenhope entrant in the Miss Australia quest. The match attracted 46 competitors, and resulted in an approximate donation to the Miss Australia Quest funds of \$180.

**HAMILTON GUN CLUB (Vic)** At the club's annual general meeting, Harry Vaughan continued his unbroken reign as Club President. He is ably supported by Glen Storer who is Club Secretary. The Treasurer is Leigh Howlett. This club is spending a lot of committee effort in the area of Student training and has met with a great deal of success with a number of secondary schools in the area.

**SUTTON FOREST GUN CLUB (N.S.W.)** After many years of existence, the Sutton Forest Gun Club is having to go into recess, due to the development of its shooting grounds by the present owner. The club committee is actively seeking an alternative shooting site, and members will be kept informed through the pages of Clay Target Shooting News.

**CALLAWADDA STAWELL GUN CLUB (Vic)** Perhaps as a sign of the times, two clubs within close proximity to each other in the Wimmera District of Victoria have decided to amalgamate. These are the Stawell Gun Club and the Callawadda Gun Club, and the new operation will be known as the Callawadda/Stawell Gun Club. The inaugural President of the new club is Mr Leon Gibson, and the Secretary is Mrs A. Gibson.

**NOARLUNGA CITY GUN CLUB (S.A.)** A warm welcome is extended to the committee and members of this new club, which is situated south of Adelaide. The club secretary is Kevin Hobbs of 5 Railway Tce., Reynella, S.A.

**ARNHEM GUN, PISTOL & RIFLE CLUB (N.T.)** The annual general meeting of this combined shooting club was held on August 26 and resulted in a new committee of management being elected. The committee includes the following: President, Don Stevens; Vice President, Barrie Milburn; Secretary/Treasurer, Mrs Lyn Rankin. The shotgun section captain is Don Stevens, pistol section captain is John Norton, and the rifle section captain is Alan Roberts.

**BURNIE GUN CLUB (Tasmania)** Dr Paul Cains retains the office of President at the annual general meeting of the Burnie Gun Club, which was held on August 28. Richard Gardam continues as Secretary, and Max Elliot is club Treasurer. Keen readers of CTSN will have been concerned to read in recent issues in the Tasmanian Amateur Shotgun Association program advertisement, that D. F. Taylor is the Secretary of Burnie Gun Club. Such is not the case, and this was a clerical error for which the editorial staff sincerely apologises. Don Taylor is still the happy Secretary of the Bothwell Gun Club, and Richard Gardam continues to be the active Secretary of Burnie Gun Club.

**DUBBO GUN CLUB (N.S.W.)** Following the report in October issue of Clay Target Shooting News of the resignation of Mr and Mrs Austin Bourke, President and Secretary of Dubbo Gun Club respectively, advice has now been received that the club held an extraordinary general meeting on August 25. Resulting from this meeting, Murray Roberts is now club President, Chris Cookson is Vice-President, while the position of Secretary remains open. Pending the appointment of a new Secretary, Garry Moffat and Murray Roberts will administer the club. Progress is continuing on the club's new shooting grounds, which should be ready for competition early in 1981.

**TYRENDARRA GUN CLUB (Vic)** The club's annual meeting was held on August 5, and saw Rex Millard elected as President. The Vice-President is Gordon McLeod and the Secretary is Trevor Smith, of RSD 619, Heywood, Vic. 3304.

## CLUB NEWS (Cont'd)

### West Wyalong (NSW).

In just a short three weeks period, the West Wyalong Gun Club, has installed and made operational a complete 15 trap Olympic Trench.

All of the labor has been provided on a voluntary basis, and the club should be very proud of such a magnificent achievement.

The Olympic Trench will be used on the 4th Sunday of each month during 1981, and a warm welcome awaits all visitors.

### Inverell R.S.M. Gun Club (NSW).

At the Annual General Meeting of this club, which was conducted on September 16, Mr Ken Biggs was elected as President.

Cliff Barrett continues as Club Secretary, and can be contacted at P.O. Box 1, Inverell, 2360.

### Melbourne Gun Club (Vic).

The Melbourne Gun Club will again conduct its major tournament of the year on November 22. It is traditional that the club raises money for the Melba Centre, which is an institution for intellectually handicapped children.

The club in past years has raised very large sums of money, and a quick look at the program scheduled for this year's tournament ensures that another good result will occur.

You can make your contribution by attending Melbourne Gun Club on November 22.

### Sunshine Coast Gun Club (Q'ld).

The Super Shoot has become a feature of the annual program of the Sunshine Coast Gun Club.

The brainchild of past President Doug Campbell and past Secretary Bev Grice, the Super Shoot was first held in 1979 and was an instant success.

The second edition in 1980 was also successful, and the 1981 version will be conducted on January 11, 14 & 17. These dates span a Sunday, Wednesday and Saturday, and include 10 events.

A tournament in this location during the Christmas vacation has all the earmarks of instant success, and visiting shooters can be assured of an exciting tournament.

### Moulamein Gun Club (NSW)

The Riverina Zone Coaching Director, Mr Barney Rooke of Wagga, will visit Moulamein Gun Club on November 30, to conduct a novice coaching day.

Also programmed on the same day is the "Gary Webb Memorial" program, which carries a major handicap event and a 16 metre trophy event.

Support for this match has been forthcoming from Winchester, Eley and Blue Dot Clay Targets, and shooters in the area can look forward to an enjoyable fun filled day.

### Toogoolawah Gun Club (Q'ld).

Mrs Carol Toms of Toogoolawah has advised that following the resignation of Ann Benson, she has accepted the position as Secretary of the club.

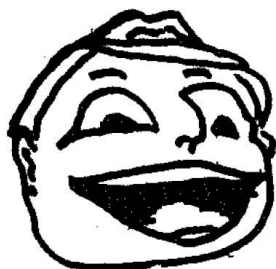

Mr Clarrie Kassulke continues as President, and Mrs E. Kassulke is the club Treasurer.

### Echuca Gun Club (Vic).

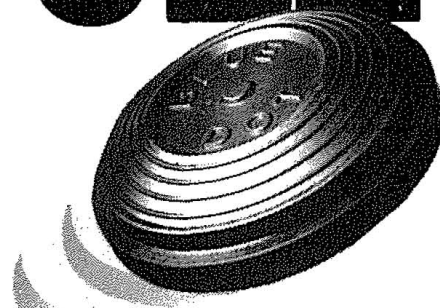

The Echuca Gun Club, after shooting on the town boundary for some years, has transferred its shooting facilities to a site a little further from Echuca.

The new grounds are extensive, and will be officially opened during the weekend of November 14, 15 & 16.

In a show of inter-club co-operation which should be copied more often, the Deniliquin Gun Club has agreed to move the program it had scheduled for November 16, forward to November 9. Would shooters please make this alteration to their shooting diary. ○

# PULL!

## a BLUE DOT clay target. Why?

Because a Blue Dot Target with low profile was wind tunnel tested to fly far and true. The moulds are precision-engineered to give uniform wall thickness to the target. No heavy sided targets or off-centre heavy spots.

### HARD—SOFT

We make the kind of targets you like. However, let us advise you if you used automatic hopper-fed traps, or traps set for ISU skeet or trench.

COLOURS: Black/White/Orange/Fluoro Red

## NEW SOUTH WALES

### N.S.W. CLAY TARGET ASSOCIATION REPORT

In preparation for the State Trap Carnival which was held at Cowra early in October, the Southern Zone held its Trap Team elimination match at Illawarra Gun Club on September 13 and 14.

The club management produced its usual first class tournament administration standard, and the sixty competitors in attendance enjoyed their weekend immensely.

The following shooters gained selection in the team to represent the Southern Zone at the Trap Carnival — Tony Alvaro, Brendon Smith, Lyle Scott, Robbie Smith, Barry Kable, Tony Romanello, Jim Ellis, Kevin Perkins, Cliff Barley, Ken Edwards, Bob Webb and Tony Deblin. Reserves were John Maxwell and Bill Jones. (It must be a long time since shooters of the calibre of Maxwell and Jones failed to make the zone team. The standard of competition seems to be steadily improving).

Another major Zone Championship was held at Hawkesbury Gun Club, where the Zone Deauville Doubles Championship was won by L. Abela and V. Borg. Runners-up were R. Clarke and D. Hunt.

### NEW SOUTH WALES RESULTS:

**ALBATROSS, 6-8-80** — Fine and clear. Night (15). 10T DB EO: Hcp A. Spillman, D. Golding. 15T DB 16m Sweep: G. Crocker, K. Edwards, A. Spillman. 20 pr (night) DD 20m RAN Chp: A. Ambs & L. Scott, G. Crocker & G. Parris. 10 pr DR Sweep 16m: A. Spillman, G. Parris, K. Edwards. Box Seep: J. Perks.

It's pleasing to see our friends from the Illawarra Gun Club venturing down south to compete in our Saturday night shoots.

**ALBATROSS, 21-9-80** — Fine, wind very gusty at times (33). 20T DB Hcp: OA D. Owen 20-20, 11-14 J. McMillan 17-20, G. Tweedie 15-20, 15-19 B. Laughlin 19-21, B. Goodsell 18-21, 20-25 R. Webb; 18-20 F. Bradwell 18-22. 30T N.S.W. Stn Zone PS Chp 18m: OA R. Webb 82-90, 'A' F. Rapley 81-90, 'B' B. Laughlin 80-90, 'C' J. McMillan 73-90. 20T DB 16m: OA H. Westlake 21-21, 11-14 J. Mitchell 18-20, D. Golding 17-20, 15-19 R. Castle 18-20, J. Coles 21-24, 20-25 B. Laughlin 20-20, K. Edwards 56-57.

## SUTTON FOREST GUN CLUB

### SPECIAL NOTICE

As of the 1st September 1980 The Sutton Forest Gun Club will cease operations due to the development of the shooting grounds by the owner.

The Committee of the club is at present negotiating for the use of a new site in the Picton area & we hope to be operating again in the near future.

The Sutton Forest Gun Club would like to take this opportunity to thank all the shooters & their families who have supported the club over its years of operation.

Optional Sweeps \$3.00.

HALF NOMINATIONS FOR VETERANS, JUNIORS & LADIES.

Pam Trew, Secretary, Phone 601 3460.

Conditions were far from perfect for clay busting but we feel a shoot such as this with over \$1,000 in prizemoney should have attracted more shooters. We can only hope that this trend will not continue. Congratulations to Bob Webb of Illawarra for winning the N.S.W. Southern Zone Points Score Championship for 1980 and in so doing becoming a 25 metre shooter, something very few shooters can attest to. We thank our friends and fellow shooters from Batemans Bay and Illawarra Gun clubs without whom the shoot would have been a total disaster.

Club Sec. Ian Rehbein. (044) 25952.

**BARELLAN, 14-9-80** — Fine & Sunny (22). 10T EO: E. Whytcross, B. Ludwick, D. Lindsay, M. Stanmore. 15T Trophy: A. Raadgever, D. Lindsay, A. Poanne. 10T SR: K. Whytcross 9-10, A. Poanne, 8-10 M. Evans, B. Ludwick, C. Raadgever, D. Lindsay, A. Raadgever, M. Stanmore. 5T off 11m 5T off 25m: M. Evans 9-10, L. Wisely, A. Poanne. 10 pr DD: G. Tuckett & M. Stanmore, D. Lindsay & L. Dennis. Lady Shooter L. Dennis, Family C. & A. Raadgever, FM L. Wisely, BM M. Stanmore, High Gun D. Lindsay.

**BEGA, 7-9-80** — Warm, windy (25). 5 off 11m, 5 off 25m: R. Elliott. 15 Mixed Tgt: R. Elliott. Quail Shoot: B. Underhill. Hy-Gun: B. Underhill. Encouragement Trophy: B. Jamieson. 10 Tgts 25 M: A. Deacon.

Congratulations Ross, & Brian taking off most of the trophies for the day. A reminder to all the shooters and visitors, next shoot, 5th October, the big "Silver Trophy Shoot". Silver Tea Service, main trophy. Everyone welcome.

## MIROKU—HERCULES—FEDERAL THE MATCH WINNING COMBINATION

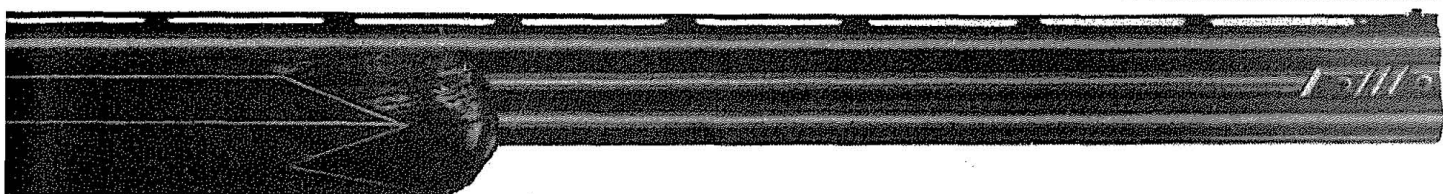

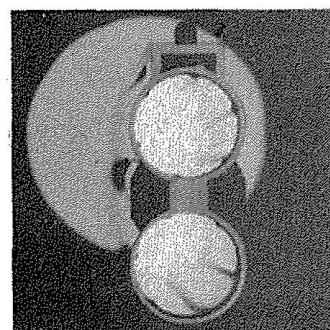

Traditional craftsmanship in shotgun-making since 1893, plus modern precision machinery and chemical technology, have established the magnificent MIROKU OVER AND UNDER SHOTGUN range. Demi-block constructed barrels and receivers forged and milled from a solid block of high strength steel are fitted by highly skilled gunsmiths. All critical parts are machined from steel, heat treated and hand fitted. Because of its durability as well as beauty, FRENCH WALNUT is used for the stock and forearm which are tailored to the metal.

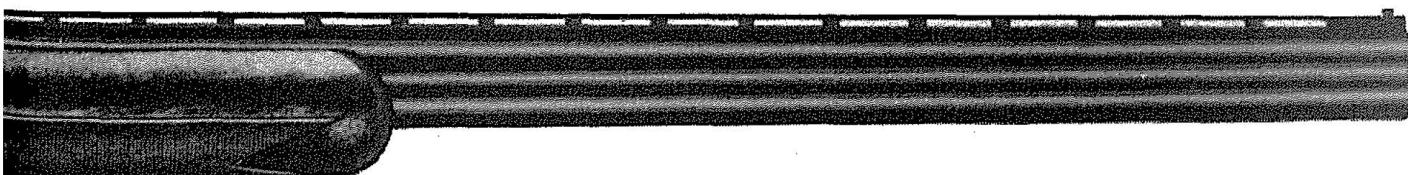

**5000 TRAP**  
**High Post Floating Rib \$999**

**MODEL 5000 S3**  
**SPECIAL SKEET \$975**

Features changeable weight balances and rifled muzzle for controlled extra spread, 27" semi-wide rib barrel.

Secretary.  
J. Chilcote  
Ph 062 973330

effort. Weather was good and a feature of the day was the excellent shooting displayed by Chris Gorey. Chris did not miss a competition target all day and has qualified for his "Fifty Break" badge. To top off the day, Chris donated both of his trophies back to the Club. Congratulations and thank you, Chris Gorey. The S.B.A.T.A. Event, believed to be the first in this area, caught a few shooters by surprise but was well received and will be used again on later shoots. Setting up of the trap did not take long and this event can be recommended as a further variation on the D.T.L. theme. Visitors attended from Kerang, Downside, Deniliquin, Swan Hill and Sebastopol. Funds from the shoot will be divided equally between Apex and the Gun Club, each to choose its beneficiary.

**NEW ENGLAND, 14-9-80** — Fine & Breezy (34). 20T DB Hcp: G. Dawson, B. Sweeney 20-20, 7 shtrs 19-20. 20T New England G.C. HIGH GUN OVER ALL EVENTS 1 to 6.

## HAWKESBURY GUN CLUB

### Two day Skeet Shoot — August 2nd & 3rd

(by Club Publicity Officer)

Reg Clarke has been in unbeatable form for months, and won the first event after a shoot-off with Ted Patterson. However, we were unprepared for a sneak attack from south of the border in the form of Mal Hastie, and Adrian & Sally Cousens.

We suspect Bob Buchan may have had a finger in this, but wasn't game to come himself. Mal soon struck form and won the Olympic Targets Championship with the only fifty.

On Sunday Reg came good again with the only forty-nine to win the Graded Trophy Event, with Mal next on forty-eight. At this point Reg and Mal were neck and neck for the high-gun.

Ray Melville, from Tamworth, shot the only possible to win the Eastern States Skeet Championship — Mal Hastie, Max Weston and Roger Purtell of Moree, all shot forty-nine. The strain told on Reg in this event and Mal forged ahead to take the overall high-gun.

At this stage, the club wishes to thank Max Weston, the maker of Westonscraft aluminium boats, for donating the well-made boat as high-gun trophy, and also the Westonscraft Skeet Shield.

Reg Clarke won the 0-1 high-gun, and Clyde Mitchell (Moree) the 2-4. The star of the 5-10 group was Sally Cousens from Bairnsdale, who took home five trophies, including high-gun. New shooter Paul Needs also shot well in this group, winning three trophies.

Hawkesbury won both the Westonscraft and the Moree Services Club Shields.

Our special thanks to those who came from afar - Mal, Adrian & Sally from Victoria, the Moree shooters, Ray Melville from Tamworth and Roly Palmer from Coffs Harbour - we hope you'll be back next year.

## HAWKESBURY GUN CLUB

SOUTH WINDSOR N.S.W. (cnr. Fairey &  
Berger Rds.)

### NOVEMBER PROGRAM

FRIDAY NOVEMBER 7 :- NIGHT

HAWKESBURY GUN CLUB

MONTHLY HANDICAP

## QUEENSLAND

### Q'land Clay Target Association Report

The Queensland Department of Sport has recently announced financial grants for the period 1980/81.

Clay busting did very well in receiving a total of \$15000.

Much of this is earmarked for capital improvements at various clubs, but \$3000 has been allocated specifically for the State Association to use in the presentation of another series of coaching and administration seminars.

QCTA has held four such projects in 1980, one in each of the four zones. All have been most successful, and the level of success can be measured in the improvement being shown at various clubs, due to a better understanding of what clay busting promotion is all about.

Speaking of promotion, QCTA has released details of another "first" — the Association is now marketing quality Crown Corning glasses, complete with QCTA crest, at \$12.00 for a set of six. Ashtrays are also available, priced at \$2.50, and orders should be directed to Mrs Bev Grice, P.O. Box 22, Moffat Beach, Q'ld, 4551.

### QUEENSLAND RESULTS:

**BRISBANE, 31-8-80** — Windy (26). 10T DB GRD SS 16m: 'A' 10-10 D. Smith, L. James, 'B' 9-10 M. Puschmann, David Smith, 'C' 10-10 K. Reedman, K. Hutchison. 20T DB GRD SS 16m: 20-20 'A' D. Smith, J. Dimauro, 20-20, 'B' C. Witt, 20-20 'C' G. Mawer. 20T DB Pts SS 16m: 'A' 60-60 A. Witt, J. Kelly, 'B' 59-60, R. Hutchinson, 'C' 52-60 P. Cohen. 20T DB GRD SS 16m: 'A' 20-20 A. Witt, J. Kelly, 'B' 19-20 David Smith, 'C' 19-20 E. Andersson, P. Cohen, P. McGregor-Jones. 20T DB GRD SS 16m: 20-20 'A' A. Witt, J. Kelly, D. Smith. 20-20 'B' M. Puschmann, David Smith, 20-20 'C' K. Reedman.

High Gun for the day with 89-90 was won by Doug Smith.

**BUNDABERG, 7-9-80** — Light winds (31). 15T Med 7 DB Cont 8 DB Pts 16m: A. Bott & S. Smith 14-30, R. Berry 14-29. 20T DB Hcp: R. Berry 26-26, J. Green 25-26, J. Berry 22-23. 30T DB Rum City Chp: 'A' V. Rossi, 'B' R. Duffy, 'C' & OA A. Aitchison.

**BURDEKIN, 13 & 14-9-80** — Fine (26). Qld Night DR Twr Chp: Bob Simpson (Cairns) 18-20, Peter Fyhn (Burd) 17-20, Ray Collinson (Burd) 15-20. ## AROUND THE QUEENSLAND CLUBS

● National Director of Coaching, Newton Thomas (right) passes a hint on to a junior at a coaching seminar held at Rockhampton earlier this year.

● Bill Stevens, Queensland Director of Coaching, had a large audience at the coaching clinic conducted at Gympie Gun Club earlier this year. South East Zone Coach Stafford Smith is at extreme right.

● John Siddons (second from left) President of St George Gun Club, is ably assisted by his wife Helen, in presenting trophies to Vic Eather (left) and L. Morris (right) after the club's two-day tournament in September.

● Janet Weedon, Secretary of Mt. Isa Gun Club, was unable to tell the editor whether this "totally relaxed" shooter made his squad.

### WESTERN ZONE COACHING SEMINAR — CENTRAL BURNETT GUN CLUB AUGUST 30 & 31, 1980

(Bev Grice Q.C.T.A. Secretary)

The Western Zone Coaching & Administration Seminar held at the Central Burnett Gun Club over the weekend of the 30th-31st August was another successful project. Club coaches from as far away as Scrubby Creek and Charleville attended.

Mr Jeff Johnson one of the Western Zone coaches had done a tremendous job in preparing for this event, resulting in 32 novices attending and being introduced to the sport of Clay Target shooting, as well as many shooters attending to gain assistance with various shooting problems they encounter.

The seminar was opened by Richard Dean, Western Zone President, who thanked those attending for their interest in the coaching scheme, he expressed disappointment in the clubs not represented.

Mr John Raleigh and Mr Jeff Johnson both Western Zone Coaches, with assistance from Mr Stafford Smith who is the S.E. Zone Coach, ran the seminar with great professionalism.

Those attending enjoyed the shooting films supplied by courtesy of Mr Bob Dupuy from Winchester, who also supplied cartridges for use by the novices.

The Central Burnett Gun Club is to be congratulated on their co-operation with the Q.C.T.A. in running this Coaching Seminar.

#### WESTERN ZONE S/BARREL NIGHT CHAMPIONSHIPS

#### WESTERN ZONE D/BARREL NIGHT CHAMPIONSHIPS

SATURDAY NOVEMBER 15, commencing at 2 pm.

## SOUTH AUSTRALIA

**ALEXANDRA, 20-9-80** — Cloudy & Windy (74). Special Winchester Medley: 'A' R. Wimshurst 14-15, L. Martin 17-20, 'B' B. Hansen 13-15, J. Fleetwood 13-16, 'C' H. Staub 11-15, T. Jackman 10-16. Taipan Skeet Chp (Team Shoot): OA & 0-1 Grant Bollen 35-35, 2-4 Fred Speechley 25-25, 5-10 Kevin Hobbs 21-25, Bill Quinn Shield Whyalla Team 115-125. Shooters Accessories DB Chp: OA & 'A' Grant Bollen 50-50, A. Rohlach 49-50, 'B' Rod Dwyer 36-36, D. Johnston 35-36, 'C' Pauline Francis 24-26, B. Kenton 23-26, Ladies trophy Kathy Jackman, Jnr trophy D. Johnston. Anniversary Pts Score Chp: OA & 'A' Ron Wimshurst 75-75, Grant Bollen 76-78, 'B' Rod Dwyer 87-90, R. Bisi 84-90, 'C' Paul Ayres 75-84, G. Baum 72-84. Taipan High Gun Grant Bollen 75-75.

A new attendance record the club — what a fantastic start to the 2-day program. The club's sincere thanks go to all who helped make this shoot so successful. The eye-opener event for A division of 500 winchester shells saw 'A' won by Ron Wimshurst, 'B' won by Bernie Hansen & 'C' by Heinz Straub. The Taipan Skeet Chp was won by Grant Bollen after a tussle with brother Garry & Fred Speechley. The Bill Quinn shield was won very ably by the Whyalla team consisting of Garry Bollen, Grant Bollen, Lovie Moia, Stan Rossetti, Denis Newsham 115-125. The dominance of Grant Bollen continued into the shooters access championship with O/All 50-50. 'B' was won by Rod Dwyer & 'C' by Mrs Pauline Francis — fantastic to see the ladies winning. The Anniv. Pts. Sc. was shot in very windy conditions & very well shot Ron Wimshurst 75-75. The Taipan High Gun was won by Grant Bollen 75-75 — a great performance. Most shooters stayed for the BBQ tea & drinks to finish off the first day of what was to be the club's greatest ever.

**ALEXANDRA, 21-9-80** — Cloudy & Windy (121). Woodrow Shield Team Shoot: OA & 'A' Grant Bollen 30-30, R. Ayres 28-29, 'B' Kevin Sandercock 29-29, P. Johncock 27-28, 'C' E. Stamere 20-20, R. Hill 19-20. Woodrow Shield team event won by Alexandra 95-100. Super Elliott Classic: 'A' John Hall 40-40, Garry Bollen 39-40, L. Martin 35-36, 'B' Ray Mack 31-31, Rod Dwyer 30-31, Trevor Kirby 27-28, 'C' A. Jones 21-22, Mike Harding 20-21, G. Morgan 23-25. Ladies Trophy Sue Byrnes 21-24, Jnr Trophy Andrew Mules. John McInnes Cash Hcp: D. Johnston, B. Hansen, A. Mules, A. Harding, N. Harper, Grant Bollen, J. Francis, 20-20, BM Bob Cook 19-20, Man & Lady's Kevin & Allison Harding 38-40. Taipan High Gun Grant Bollen 70-72, Winchester OA High Gun Grant Bollen 109-110, Ladies High Gun Sue Byrnes 74-90, Jnr High Gun Andrew Mules 61-65.

After a great start to the birthday shoot, today gave the club its greatest attendance ever — 121 shooters. To see & experience such a result was absolute magic. The Woodrow Shield was won by the home team — Alexandra with a 95-100. 14 teams contested this Shield event. The team consisted Leighton Martin, Kevin Sandercock, Trevor Kirby, Ron Wimshurst & Fran Gibson. However Grant Bollen was at it again with the OA win & the sash. The Super Elliott classic was contested by 114 shooters & after the smoke cleared John Hall (Broken Hill) won the 'A' gun, Ray Mack (Eley Amm. Mger) the 'B' gun & A. Jones the 'C' gun. Sue Byrnes the ladies trophy & Andrew Mules the juniors. The John McInnes Hcp saw a Grant Bollen along with 6 other shooters come up with another possible — it was Grant's shoot because he won the Taipan High Gun for the second day & the Winchester OA High Gun. Special thanks to all the trophy donors, in particular Sid & Elva Churches, Super Elliotts & Winchester & to Ken & Bev Jarvis, Marg, Karen & Tiffany. Sincere thanks to everyone who helped in any way to make this program such a fantastic success. Great to see shooters from as far west as Ungarra & Whyalla — as far north as Broken Hill & South from Mt. Gambier.

**BARMERA, 7-9-80** — Fine & Warm (19). EO 10 DB 16m: R. Howell, J. Blythman, P. Caddy 10-10. Club DB Chp 20T: J. Blythman 22-22, D. Pfeiler 21-22, P. Winzen 28-29, FM N. Bain 15-20. Clarks Superfoods skeet Hcp: G. Trout 32-33, R. Wylie 36-31, R. Maywald 32-33. High Gun: J. Blythman 56-59.

Front Markers Trophies: Deauville David Peterson & Nick McCauley 7-20, DR Kev Trenwith 10-20.

**UNGARRA, 14-9-80** — Very windy (16). Skeet 50T Chp: Roy Pitt 'A' & OA, 'B' Max Curtis, 'C' John Baldissera. 20T DB Hcp: Paul Myketasch 20-20, Steve Edmonds 18-20, Roy Pitt 19-22.

Congratulations to Roy Pitt winning Ungarra Gun Club skeet championship plus the Taruna Trophy. Clubhouse renovations should be completed before our next shoot, which is the long weekend in October.

A Minister, who always read his sermons, placed his text on the pulpit about half an hour before the service. One young member of his congregation surreptitiously removed the last page of the manuscript one Sunday.

Preaching vigorously, the Minister came to the words, "So Adam said to Eve ..." Turning the page, he was horrified to discover the final page was missing. As he rifled through the other pages, he gained a little time by repeating, "So Adam said to Eve ..." Then in a low voice, but one which the amplifying system carried to every part of the church, he added, "...there seems to be a leaf missing."

"Capper's Weekly," quoted in "The Wall Street Journal."

AUSTRALIAN CAPITAL TERRITORY

**A.C.T. INTERNATIONAL, 30-8-80** — Wet windy & cold (16). 25T Simulated Field EO: J. Ellis 20-25 (ACT Inter), B. Dunn 16-25 (ACT Inter), B. Hailes 16-25 (Melb). 50T Winter Simulated Field Chp: B. Scanes 40-50 'A' & OA (ACT Inter), B. Dunn 37-50 'B' (ACT Inter), R. Mould 30-50 'C' (ACT Inter).

57-57, 19-21m M. Macvicar 51-51, B. Harmer 49-50, 22 - 25m & OA G. Willet 149-149, N. Berry 148-149, Ladies K. Rath 47-50, Jnrs G. Osborne 48-50, Veterans W. O'Shannessy 49-50, 30T State Night SB Grd: 'A' & OA L. Jobling 32-34, A. James 31-34, 'B' G. Lee 30-33, G. Went 29-33, 'C' Pam Fletcher 30-36, Miss A. Macvicar 29-36, High Gun A. James 155-160, Ladies High Gun A. Macvicar 120-140.

Excellent conditions saw some excellent shooting. Congratulations to all who took home a TV Radio Cassette. They certainly had to shoot to win them. Also congratulations to the Club President on his State win and to the two girls who made the C Grade stake an all female affair.

G.G. Woodhatch.

**BOORT, 4-9-80** — Overcast, fine, northerly breeze (67). 10T SB EO: B. James, R. Warren, K. Burton, F. James, G. Willits, N. Lehman, L. Saunders, R. Saunder, R. Rigney. 25T North West Zone SB Grd Chp: 'A' & OA D. Paterson, A. James, 'B' R. Fowler, A. Mills, 'C' Mrs P. Fletcher, Mr K. Fletcher. 20T Woolshed Lake DB Chp: C. Knight, R. Rigney, G. Willetts, Ladies C. Street. 10T DB SS Hcp: M. Burbidge, N. Lindrea, A. James, R. Fowler, G. Rose, S. Rigney, L. Saunders, A. Turner, R. Rigney, S. Wright, K. Fletcher, B. Reade.

A good crowd coming from far and wide for the first North West Zone title. A very good result with keen competition in all events.

**CALLAWADDA, 20-9-80** — Cool & Overcast (33). Richardson Valley 20T DB Chp: OA D. Crouch 119-119, 'A' R. Newell 66-67, D. Flavel 28-29, 'B' R. Pitt 118-119, A. Hunt 47-48, 'C' R. Caldwell 41-42, A. Krautz 38-40. 20T Pts Chp (Charity Event): OA J. Clark 60-60, 'A' D. Flavel 61-63, R. Newell 59-63, 'B' G. Rose 57-60, S. Hemley 55-60, 'C' A. Hunt 58-60, N. Watts 52-60.

Secretary: Alison L. Gibson.

**CERBERUS, 6-9-80** — Fine & Sunny. 20T Chp: 'A' G. Ash 20-21, P. Heywood 19-21, 'B' L. Heywood 37-37, P. Prentice 36-37, 'C' P. Noy 20-21, J. Scholes 19-20, OA Len Heywood. 20T Hcp: B. Dickson 20-20, L. Stephenson 27-29, P. Now 26-29. 20 Pair DD: B. Woodward, N. Quick 20-20, G. Ash, C. Carrol 19-20, Navy High Gun Paul Bloomfield.

The first two events were shot as the last round of the Southern Peninsula, New Zealand Insurance, Teams event. Mornington ran out comfortable winners on the day. Drian Dickson topped of a very good day by winning the series High gun.

**COHUNA, 5-9-80** — Cold, fine (65). Novice: N. Roberts 8-10, J. Makeham 7-10. 10T DB EO: B. Treloar, M. Makeham, K. Walton, C. Doyle, G. Lee, R. McKenzie, G. Kerr, K.A. Baugh, S. Kerr, H. Prior, N. Turner, shared divs. Club DB Grd Chp: 'B' & OA P. Dickinson 23-23, S. Street 22-23, 'A' R. McKenzie 20-21, S. Kerr 19-20, 'C' J. Dee 20-21, C. Bowman 29-30. 10T Trophy Hcp: T. Hill 30-30, J. Dee 29-30, N. Turner 22-23, FM J. Roberts 19-20. Off Fence: S. Street.

**COHUNA, 19-9-80** — Fine, Cold (68). Novice: S. Palmer 11-14, D. Street 10-14. 10T DR EO: K. Fletcher, R. McKenzie, C. Turvey, N. Berry, shared sweeps. North-West Zone DR Grd Chp: 'A' & OA W. Calaby 28-30, N. Berry 25-30, 'B' T.

**GOROKE, 6-9-80** — Perfect (46). 10T DB EO 15m CD: David Flavel, Dennis Witney (Jeparit) Merv Grigg, (Apsley) Gareth Hiscock, Roger Bull, Tex Drummond, Nicky Gabbe (Goroke), George Eagles (Horsham), Leon Gibson (Callawadda), Cyril Williams (Chetwynd), Frank James (Kerang), Ron Newell (Warracknabeal) 10-10. 10T DB Chp 15m: OPEN George Eagles (Horsham) 31-31, Dennis Witney (Jeparit) 30-31, NOVICE Tim Gabbe (Goroke) 18-18, Trevor Williams (Chetwynd) 17-18. 10T SB Chp 15m: OPEN Ron Newell (Warracknabeal) 20-21, George Eagles (Horsham) 19-21, NOVICE Nicky Gabbe (Goroke) 9-10, Tim Gabbe (Goroke) 8-10. 10T Noveltv (5 Walk up 5 Walk back) 15m: OPEN Ray Morris (Apsley) 10-10, Rodney Maybery (Goroke) 10-10, NOVICE Gareth Hiscock (Goroke) 6-10, Nick Gabbe (Goroke) 6-10. Annie Oakley off the box: Nicky Gabbe (Goroke) Frank James (Kerang), Doug Harris (Horsham.)

The charity shoot run by the Goroke Gun Club was in aid of Miss Glenda Stewart, the Edenhope Entrant in the Miss Australia Quest. Congratulations must go to two young brothers, Tim and Nicky Gabbe, who won their first sashes in the Novice sections of the DB and SB Championships. Other young shooters who did well on the day were Rodney Maybery, Gareth Hiscock and Trevor Williams. The Goroke Gun Club wish to thank all the shooters who helped to support this Charity Shoot, and also the women who supplied a delicious Afternoon Tea. An approx. profit on the day was \$180.00. Also thanks to those members of the Goroke Gun Club who donated the sashes.

## MARYBOROUGH GUN CLUB

### NOTICE TO ALL SHOOTERS

Alteration to V.C.T.A. program booklet

Maryborough Gun Club will now shoot on Saturday, November 22 and not on Saturday, November 29 as advertised. This will allow the S.W. Zone to hold their Zone Carnival on that date.

Heywood. 20T Hcp: K. May 31-33, J. Mollica 30-33, W. Wittick 23-26. 20T Hit Hcp: C. Carrol, P. Heywood, G. Matthews 26.

**RAAF POINT COOK, 5-9-80** — Night, fine, clear (40). 20 pr club DD Chp Drawn Partners: M. Italia, C. Newsome 42-44, A. Bradshaw, W. Hitchcock 41-44, F. Cutajar, D. McBurnie 18-22.

Perfect night for shooting. Congrats all place winners. Thanks to all in attendance.

**RAAF POINT COOK, 21-9-80** — Fine, overcast, strong SW wind (46). 10T Mini DB Pts EO CD: M. Italia, T. Zagorc 29-30, P. Radoa, J. McKay, I. McKay 26-30. 20T Grd shooters discount mini Chp: OA & 'A' A. Bradshaw 23-24, 'A' T. Zagorc 22-24, 'B' P. Radoa 17-20, P. Menaro 19-23, 'C' C.A. Chandler 18-20, I. King 17-20. 20T DB Hcp CD: G. Wright, P. Kelly, E. Spicer, N. Rogers 20-20.

Our thanks to the generous sponsorship of Viv Bistrup (Shooters discount store. Go and see him he cares!).

**SEBASTOPOL, 21-9-80** — Windy (70). DB Chp: 'A' R. Cartledge 193-193, B. Mark 192-193, 'B' J. Close 46-47, G. Taylor 23-24, 'C' N. Cracknell 44-45, P. Graefe 34-35, OA R. Cartledge 193-193. Pnts Chp: 'A' B. Mark 77-78, R. Cartledge 62-63, 'B' G. Thatcher 78-78, N. Paterson 59-60, 'C' R. Machar 57-60, T. Gean 56-60, OA G. Thatcher 78-78. Hcp: N. Cracknell 38-38, G. Veitch 36-37, T. Gean 32-33, 19-25m R. Mark, R. Cartledge 19-20. Team Shoot: Sebastopol No. 1 R. Harvey, J. Close, G. Wodbrook, P. Graefe, J. Murnane 92-100. Castlemaine No. 1 R. McKinnon, J. Antoni, T. Botton, N. Cracknell, N. Bromley 89-100.

A big attendance and a long shoot-off in the double barrel championship provided a full day's shooting.

**SEYMOUR, 13-9-80** — Fine & Mild (18). 1pr DR EO: G. Willett 18-20, K. Mulvaney & P. Willett 17-20. 15 pr DR Chp: A. Petersen 26-30, G. Willett 26-32, K. Mulvaney 25-32, FM A. Semmler 20-30. 20 pr DT Chp: R. Lambden & A. Petersen 14-20, G. Willett & N. Pearson 14-21. 10T DB Hcp CD: D. Hall, K. Mulvaney, A. Hall 10-10. 20T SB CD 16m: G. Willett 20-20, N. Pearson, A. Petersen 18-20.

**SHEPPARTON, 7-9-80** — Fair. Silent Rise Chp: G. Trevaskis, V. Le Brog, A. Spence, FM E. Calandro. DR Chp: N. Berry, G. Prior, G. Willett, FM E. Calandro. Hcp: D. Wilson, S. Costa, E. Calandro, BM G. Willett & N. Berry.

**SWAN HILL-NYAH, 27-9-80** — Fine, mild, light cross wind (28). 10T EO Hcp SS: G. McFarlane, R. Weaver, G. Cupper, L. McFarlane, M. Arstall, R. Ridgeway, C. Gorey, R. Ferrier, T. Bonnici (T.O.). 20T Hcp Trophy: "Currie Cup" Teams from Swan Hill-Nyah, Robinvale, Cohuna-Kerang, Moulamein. Moulamein team C. Gorey, G. Graham, C. Bonnici, N. Lippie, R. Weaver 98-100, Swan Hill-Nyah 95-100, G. McFarlane, R. Weaver, R. Jaksic, J. Dunstan, C. Gorey, C. Bonnici, N. Lippie, A. Fox, R. Weaver 50-50, C. Bonnici 49-50, C. Gorey 47-48, N. Lippie 46-47. "Currie Cup" Moulamein 98-100, Swan Hill-Nyah 95-100, Robinvale 91-100, Kerang-Cohuna 85-100. 10T SS 16m: R. Jaksic, J. Dunstan, R. Fowler, A. Fox.

The Moulamein shooters were delighted to be able to retain the "Currie Cup", won in 1979.

A strong challenge was issued by a mainly young team from Swan Hill-Nyah and this team will do well from Handicap. R. Weaver, C. Gorey, C. Bonnici and N. Lippie earned "50 break" badges during the shoot, a particularly good effort from Charlie Bonnici who only recently took up clay target shooting.

**SWAN HILL-NYAH, 13-9-80** — Fine, mild, partly cloudy (8). 10T EO 16m SS: R. Ridgeway, N. Lippie, A. Mills, T. Hobson.

Although conditions were perfect, attendance was very low due to a previous night's shoot at Kerang and a big competition at Echuca on the same day as Swan Hill. Also, a football grand final at Swan Hill probably attracted a few of our shooters.

Som D.T.L. tower and skeet practice was enjoyed but the program was abandoned after the first event. Swan Hill shooters did well at Robinvale on September 6.

**TATURA, 21-9-80** — Cool cloudy (35). 10T EO DB: Div 11 shooters. McKands District DB Chp: V. Ryan 73-73, N. Berry 72-73, J. Osborne 35-36, Ladies Trophy D. McPherson 16-20, FM 11-12m P. Shont 22-24. 15 T Trophy Hcp: W. Eagle 27-27, S. Trelfall 26-27, M. Leonard 25-26.

Scot 23-24, S. McKenzie 27-28. 5 pr DR Hcp: R. Martyn 8-10, S. McKenzie 10-14, J. Scott 15-22. Although only a few turned up a really good time was had by all.

It was a cold winter day and the chap on the pillion seat had apparently put his overcoat on backwards to keep the wind from ballooning it away from him. Then the motorcycle hit a tree. A policeman was kneeling beside the wrecked bike when a motorist arrived at the scene of the wreck. The motorist asked the rookie policeman what had happened.

"Well," the officer replied, "One of them was dead when I got here and by the time I got the head of the other fellow straightened around, he wad dead, too!"

# ELEY CENTRAL VICTORIAN STUDENTS' CHAMPIONSHIPS

(from Bruce Southgate)

Venue: Bendigo Gun Club

On Wednesday, 17th September at 9.30 a.m., under very blustery conditions, Bendigo Gun Club played host to the North Central Victorian Schoolboys and Schoolgirls Championships.

At 3.00 p.m., after shoot-offs between 177 shooters from twelve separate Central Victorian schools, the results were as follows:—

Overall High Gun: Darren Taylor, Rochester High School with a score of 19-21.

Senior Student: Steven Threlfall, Shepparton North Technical College, with a score of 18-21.

Junior Student: Christopher Murley, Eaglehawk High School, 8-10.

Ladies: Mary Anne Kelly, Birchip High School, 16-20.

The five shooters who qualified for the North Central Regional Team which shoots off against all the other regions, being four, in a postal match were:—

Darren Taylor, Rochester High School; Steven Threlfall, Shepparton North Technical College; Mary Anne Kelly, Birchip High School; Paul Stratton, Echuca High School; Andrew Herd, Maryborough Technical College.

These five shooters proceeded to shoot a further ten targets each. The team shot a good score of 37-50 on a very trying day weatherwise.

The winning Junior Team on the day was Kerang Technical/High School with a score of 26-50, and the Senior Team for the day Shepparton Technical College No. 2 Team with a score of 34-50.

ELEY would also like to mention that approximately 55 parents, teachers and friends attended, which is a tremendous effort and encourages young shooters, and gives these people a broader knowledge of the sport.

ELEY would like to thank the Bendigo Gun Club, and their Executive, members, and their wives, for their continued support in running the Schoolboys/Girls Championships for their zone.

I would like to take this opportunity to advise of the proposed date of the other three zones Schoolboys' Shoots and they are:—

South West Zone: to be held at Warrnambool Gun Club, Thursday, 23rd October.

North East Zone: to be held at Wangaratta Gun Club, Thursday, 23rd October.

North West Zone: to be held at Jeparit Gun Club, Thursday, 16th October.

We would like to thank all of the aforementioned Gun Clubs for their assistance in running this program which encompasses approximately 1,000 students throughout Victoria. As safety is of the utmost importance in clay target shooting of today and, in fact, in all shooting, it is good to note that, in over twenty years of the ELEY Schoolboys Championships we've not had one accident and we are sure that this record will never be marred with the way the schoolboy shoots are being run by the Gun Clubs involved.

We would also like to thank all Gun Clubs and participating people in the ELEY Schoolboys' Championships.

## NATIONAL SKEET RECORD DEMOLISHED!

Between October 11 and October 19, the National Skeet break record was broken on a total of three occasions.

Back in 1976, George Biggs established a new mark of 215 successive broken targets in one program.

This record stood until October 11 and 12, when, at a two day program at Queanbeyan Canberra Gun Club, Jim Ellis created a new mark of 222.

The official advice had barely reached the National Office when it was announced that at Mildura, on October 18, Barney Rooke of Wagga set a new record of 230.

The very next day, at the same match, Ian Hale of Melbourne shot a remarkable 258 straight!

HOW LONG WILL THIS MARK LAST?

**SUNDAY NOVEMBER 23**

1 pm

**In Kelly Country!**

## EUROA GUN CLUB

## WEST AUSTRALIA

**ALBANY, 31-8-80** — Cold & Windy (13). Mixed Tgt Chp: D. Slee 53-63, M. Bell 43-63, M. Playne 42-63.

**ALBANY, 14-9-80** — Gale force winds, rain (11). 50Simulated ISU Skeet: 0-5 Hcp J. Chisholm 34-50, 6-10 D. Edwards 26-50, SS K. Holme 33-50, D. Slee, M. Lubcke 30-50. 1/2 rnd Skeet SS: K. Holme, D. Slee, M. Lubcke 12-13.

Sec M. Slee 411608.

**DERBY, 27-8-80** — Fine & Warm (7). Peter Newton Mem Trophy 30 DB 16m: B. Harrap 25-30, Davidson 23-30, D. Gray 22-30.

The second of the 'BOAB WEEK' shoots, well won by Bob Harrap.

**DERBY, 31-8-80** — Fine & Warm (7). Lawson Holman Trophy 40 DB 16m: Dave Gray 36-40, Peter McCumstie 34-40, Steve Cooper 31-40.

This was the final shoot to be held over 'BOAB WEEK'. Congratulations to all those who won trophies and thanks to all shooters who participated.

**DERBY, 19-9-80** — Warm & Windy (6). 30DR Fitzroy Valley Trophy club Hcp: Steve Cooper 41-60, Peter McCumstie 38-60, Mark Davidson 34-60.

Gusty conditions made it hard to score with the second barrel. Congratulations to Steve on his win. M. Davidson: 911032.

**EASTERN GOLDFIELDS, 21-8-80** — Overcast fine (18). 25Skeet Club Chp: Jim Neve 24-25, G. Foale 22-25. 20 DB ACTA Trend Mug: T. Boshchis 25-25, K. Roeden 24-25, D. Nowland 24-25. 20Twr DB SS: R. Mason 20-20, T. Voddan 20-20, T. Mason 20-20.

**EDGEHILL, 23-8-80** — Fine & Warm (15). Perfect conditions made for high scoring by most shooters, but Kevin Childs shot a good 48-50 to win high gun. A shoot-off was necessary to decide the handicap winner between Barry Bolitho (Edgehill), and Tom Bowers (Bunbury Skeet) who both shot 48-50. A short shoot-off proved Tom the stronger on the day, with him winning the handicap trophy, nice to see some new faces around the traps.

**EDGEHILL, 6-9-80** — Fine, gusty winds (14). Scores were fairly close, but Ted Atkinson of Edgehill and Clayton Hyder of Bunbury proved too strong, and won the Deauville Doubles, with 18-20. In the Annie Oakly. Clayton Hyder continued to score well winning this event from the other 13 shooters.

**ESPERANCE, 24-8-80** — Light Rain (19). 5th Stage Club Aggregate 40 Mixed Tgts: E. Gorrett 31 pts, D. Burchard 30 pts, J. Bedetti 28 pts.

**ESPERANCE, 7-9-80** — Fine, warm (22). 30SB Club Chp: H. Burchard 27-30, E. Gorrett 28-32, B. Davies 27-32.

**KATANNING, 31-8-80** — Cold, windy (14). 25 skeet - Russ Bessen Trophy: S. Gibson 39-39, G. Woihe 38-39. 25Skeet - Sweep: Russ Bessen, S. Gibson, D. Forward, B. Hyde, S. Herbert, N. Beeck. High Gun: S. Gibson 50-50.

**KATANNING, 7-9-80** — Wet-windy (25). 25Skeet D. Leach Trophy: Rob Bessen 37-39, E. Forward 36-39. 25Skeet Sweep: Russ Bessen, E. Forward, C. Edwards, G. Featherstone, D. Edwards, T. Catling. High Gun: G. Featherstone 56-60.

Mrs E. Forward 098 251137.

**NEWMAN, 8 & 7-9-80** — Warm and fine (41). 10T Comp/Div: 10-10 W. Meyle, H. Drane, C. Booker, J. Moore, P. Gabriel, W. Jones, T. Harris, V. Bunter, G. Wann, N. Boyle, S. Horo, T. Stingel, J. Harris, R. McDonald, C. Russell, J. Davite E. Dali. 20T SB Chp: 'A' D. Kevill, 'B' E. Daw, 'C' C. Booker. 30T Hcp: B. Pickard, D. Kevill, G. Wann. 10T Comp Div: 10-10 D. Kevill, P. McSwain, Mrs Alexander, E. J. Harris, G. Wann, N. Boyle, S. Horop, T. Stingel, J. Harris, M. McSwain, R. McDonald, B. Hannaford, R. Pickard, M. Alexander. 20T DB Pts Chp: 'A' M. Alexander, 'B' E. Dalis, 'C' C. Booker. 30T NW Dist Chp: 'A' D. Kevill, 'B' V. Bunter, 'C' R. Jenkin.

Thanks to all visiting shooters who travelled from all parts of W.A. Some good shooting was seen over the weekend but B. Pickard stood out with another shotgun to his credit. Congratulation to all winners. The 1st life membership was presented to President J. McKoy for his continuous effort and loyalty to our club good on ya mate. Its well deserved.

T. Stingel, Secretary.

**NEWMAN, 14-9-80** — Fine & Windy (8). 50T Skeet Hcp: J. McKoy, T. Stingel, D. Rasmussen.

T. Stingel.

**NORTHAM, 7-9-80** — Fine (12). 25T DB, 25T Skeet. Barry Bristow-Stagg and son Marc dominated the days shooting, with Barry on this occasion showing the way by winning High Gun honours after a shoot off with Marc. This gave Barry the aggregate competition as well as full High Gun points and the B Grade section trophy.

Merve Madew won the C Grade trophy. Geoff Boyle proved a point by shooting a complete round of 25 skeet. Unfortunately for him in Practice.

**PERTH, 30-8-80** — Fine, cool, light wind (45). 50Skeet Grd: 'A' J. Eddy 49-50, W. Kennamer 60-62, 'B' R. Drew 50-50, E. Lewis 48-50, 'C' W. Scimegour 46-50. H. Kuiper 37-50. in conj teams match Vice Cap Team W. Kennamer 23, R. Drew 25, M. Green 22, E. Metcalf 23, E. Lewis 25, W. Pilkington 23, 141. Cap Team R. Bailey 23, A. Drew 21, J. Eddy 24, R. Howell 21, C. Bertini 23, R. Holtfreter 24. 136.

Congratulations to the Vice-Captains team. We were delighted to see Eddy Metcalf, back from Tasmania for the occasion, as he is a real veteran shooter as well as a life member. We hope to see him back permanently soon. Also congratulations to all who got into a team. It is good to see an old friend who has been away from clay target shooting for several years back and obviously he hasn't lost his touch. We are talking of course about Bill Scimegour.

**PERTH, 13 & 14-9-80** — Overcast, fine at times, fresh S/W wind (91). 25T City of Perth Skeet Chp Grd: 'A' J. Eddy, G. Hyder, 'B' O. Ando 27-29, G. Rigoni 23-26, 'C' H. Kuiper 22-25, N. Jackson 21-25. 50T State Skeet Chp: R. Bailey 50-50, T. Catling 68-69, A. Yozzi 67-68. 25T Perth Airfare Hcp: Mrs H. Wise (14) 35-35, G. Hayward (20) 34-35, R. Smart (12) 33-34, 11-15m L. Bacci

**WAGIN, 24-8-80** — Sunny & Fine (59). Phil Becker Mem Shoot. Club 100Tgt Trophy Event: Ray Pederick 94, Jim West 70, Rob Bessen 97, Danny Fitzgerald 57, Peter Brown 67, Mick Divall 84, Gary Hamersley 76, Pas Carbone 53, Eric McDougall 61, Shelley McDougall 50, Peter Doudle 87, Justin Moseley 83, Ivan Flugge 83, Tony Jackson 87, Frank Pederick 82, F. Buemi 87, G. Holley, 95-100, T. Trethowan 74, R.O'Halloran, 78, Joe Spurr 71, T. Kowald 87, G. Marsh 83, Helen Wiese 91, Nola Catling 77, John Mitchell 74, Gus Woithe 95, R. Lewin 89, Murray Pederick 55, Parrell Wiese 99, S. Herbert 69, L. Hull 93, Michael Mitchell 84, M. Bell 91, Gary Painter 87, Ron Eckersley 96, Owen Perick 54-75, B. Catling 72, Mick Paget 81, C. Holly 81, Ken Smith 71, Tim Catling 98, Andrew Biddulph 69 John Clegg 94, A. Leach 80 N. Ball 87, Gary Smith 93, C. Ball 96, M. Basile 78, S. Gibson 98, A. Enden 75 E. Forward 24-50, M. Slee 87, Martin Ryan 62, M. Cubic 96, B. Hyde 90, D. Slee 93, G. West 91.

The day was perfect for shooting. Darrell Wiese of Narrogin took off the perpetual trophy and 'A' grade trophy with 99-100, Tim Catling came second with 98-100. Scotty Gibson of Katanning won the 'B' Grade trophy with 98-100, followed by Gus Woithe of Katanning with 95-100. The 'C' Grade trophy winner was Garry Smith of Wagin with 93-100, followed by Geoff West, with 91 winning the shoot off with Helen Wiese who took second place and won the ladies trophy with 91-100. The veterans trophy was won by Ivan Flugge of Darkan. The junior trophy winner was Danny Fitzgerald. The day was most enjoyable and very successful.

**WAGIN, 13-9-80** — Cold and windy (18). 50 DB Chp: John Mitchell 28, Ray Pederick 47, Ivan Flugge 22, Gary Smith 35, Justin Moseley 32, Gary Hamersley 36, Tony Jackson 31, Mick Divall 34, Andrew Biddulph 19, Jim West 26, Pas Carbone 20, Danny Fitzgerald 16, Mick Paget 28, Michael Mitchell 37, Frank Pederick 34, Geoff West 38, Gary Painter 36, Ben Hyde 38. Ray Pederick 47, Geoff West 38 won the shoot off against Ben Hyde 38. All scores out of 50. Michael Mitchell came next with 37.

## "CHAMPION OF CHAMPIONS" EVENT AT NORTHAM,

• David Kevill, 1980 Champion of Champions at Northam Gun Club, W.A.

David Kevill from Quaraiding added to his long list of wins for this year by winning the Northam "Champion of Champions" event at Island Farm recently.

This is the third consecutive year he has won the event, which along with heading the aggregate points and High Gun for the year, has left no doubt that he is the club's most consistent shooter for 1980.

Having accumulated 39.5 points in the aggregate High Gun competition he has virtually got it "in the bag". His brother John Kevill also is doing well with 20.75 points followed by Roy Holtfreter 19.5, Geoff Way 15.75 and Bruce Smart 10.5.

Peter Humphrey from York won the handicap section on Sunday while David Kevill the A Grade, J. Kevill the B Grade and M. Madew the C Grade.

The Annual Aggregate handicap competition is also being headed by David Kevill but only by a narrow 3 point margin from J. Kevill who has 17 points, R. Holtfreter 16.5 points, G. Way 14 and Marc Bristow-Stagg 12.5.

With four events remaining in this year's competition it still could be anybody's event.

## "THE CHALLENGE OF THE EIGHTIES" — Cont'd from page 26

Consequently, the task of developing and improving the sport in this state should be much, much easier than say, Western Australia.

Before closing, I want to briefly touch on the State Coaching Scene. The State Director, George Biggs, and his small band of zone and club coaches seem to be experiencing difficulty in getting the sort of support from Club and Zone Administrators that they require to get the organized novice training program under way.

The VCTA shares the National Policy that there should be a novice training officer or club coach at every club in the state (and fully accredited), before the end of 1980.

Please encourage your club to push this project as hard as possible as such a policy guarantees our future growth.

Three days ago, we saw 254 students assembled on this shooting ground. 5000 clay targets were shot at and not one breach of etiquette occurred. That result is the product of a properly constructed novice training policy.

You may be interested to know that the Victorian Ministry of Conservation has convened a seminar to be held at Royal Melbourne Institute of Technology on Saturday, May 10.

All shooting disciplines have been invited to send delegates to this workshop which is the first of a series. The objective is to create the nucleus of a training group which can be used to train secondary teaching staff the fundamentals of safe handling of firearms.

In this way, we can shortly commence "in service" training schemes for teachers who can then introduce hunter safety training as an elective subject at their school.

Imagine the effect on the public image of firearms users in five years time if 80% of secondary school students have been through a program designed to show the right side of firearms use.

We are talking about the challenges of the eighties. Really, the opportunities facing the shooting sports are limitless. Time prevents me from further developing this theme, so I'll finish with the thought "Get your backside into gear! The sky's the limit".

Although place names and dates would have to be changed, the subjects touched on in the address apply virtually to every state, particularly the matters relating to coaching and communications.

**EDITOR'S NOTE:** Although some of the comments in this address are now dated, there is an underlying message that should be of interest to readers.
