... give you a
winning
advantage

High floating rib is the latest technological advance towards higher scoring. The 6000 TRAP gives you a superior sight picture because the raised rib keeps your head erect and your eyes naturally centred. The greater comfort means better concentration, which makes targets easier to pick up and break.

In the heat of a shoot off the 6000's raised rib expands independently of the barrels and your point of aim is not altered by expansion.

Many top U.S.A. shooters have changed to high or very high ribs for these well proven advantages.

EXECUTIVE DIRECTOR'S NOTES

COMMONWEALTH GAMES — by the time these notes are printed, the Commonwealth Games will be only a week away. The program for shotgun events is as follows:—

Saturday October 2 — Trap Teams Match 100 targets
Sunday October 3 — Skeet Teams Match 100 targets
Monday October 4 — Trap Individual Match first 100 targets

Tuesday October 5 — Trap Individual Match final 100 targets

Thursday October 7 — Skeet Individual first 100 targets
Friday October 8 — Skeet Individual final 100 targets.

Brisbane Gun Club, in Mt Petrie Rd., Belmont, is the venue. I am sure many shooters will be there to support Australia's representatives.

What are our Gold Medal prospects?

Jim Ellis and Terry Rumbel must rate very highly in both the Team and Individual trap events. In Edmonton, Canada in 1978, Rumbel was the Bronze Medal winner with 183/200, beating Jim Ellis into fourth place in a shoot-off. With Ellis 2nd and Rumbel 6th in the 1981 World Championships, our team medal chances look very bright. The English are very confident that Peter Croft will do extremely well in trap, and not much is known about the form of the Canadians at this time.

Ian Hale and Alex Crikis will represent Australia in skeet, as they did in Edmonton in 1978. On that occasion Hale finished 6th and Crikis 10th. The gold medal winner in Edmonton, John Woolley of New Zealand, must be the main danger to Hale and Crikis, remember he was the winner of our National Title at Easter with 197/200, beating Ian Hale by one target.

All four shooters have been carefully prepared for the Commonwealth Games under the direction of National Training Squad Manager Coach, Peter Quire. Peter is expecting at least two gold medals from his charges.

Jim, Terry, Ian and Alex, move into the games village on September 20, and will be finely tuned ready to take on the Commonwealth in the battle for gold.

They have the best wishes of all shotgunners in their quest for medals.

Honorary Life Registration was bestowed upon Mr Roy Holtfreter, of Northam, W.A. at a recent meeting of the Executive Committee. This was in recognition of the outstanding service given to the Association, as an Executive Member for Western Australia, over the past ten years.

Enjoy your shooting

RECORD ATTENDANCE AT VICTORIAN SCHOOL BOY AND SCHOOL GIRL CHAMPIONSHIP

Pictures by Courtesy
Ian Lyons, Weekly Times

by George Biggs

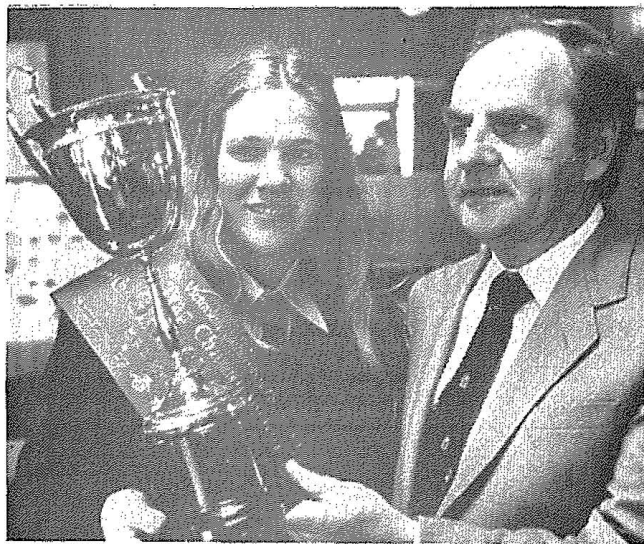

Melbourne Gun Club on July 29 was the venue for the fourth School Boy and School Girl Annual Clay Target Championship. Some 375 students from 57 schools, each fired at twenty targets from 15 metres to decide the winners for 1982.

Shooting commenced at 10 a.m. and finished by 3 p.m., the competition being single barrel shooting only.

Nominations were up by 53 on last year. No doubt entries would have been higher had Victoria not been in the grip of a severe flu epidemic during the winter months which kept big numbers of students and teachers away from school.

Victoria has in excess of 115 Secondary schools statewide participating in a firearms training program. Many Gun Clubs provide their facilities and coaching help at no cost. It is at this level where the students get their introduction to Clay Target shooting and firearms awareness.

Numerous club personnel teachers and club coaches came along with their school teams to help with the duties of refereeing, scoring etc., 357 students fired at something like 8,000 clays during 5 hours of shooting. Full marks must go to all concerned with the organising of the program.

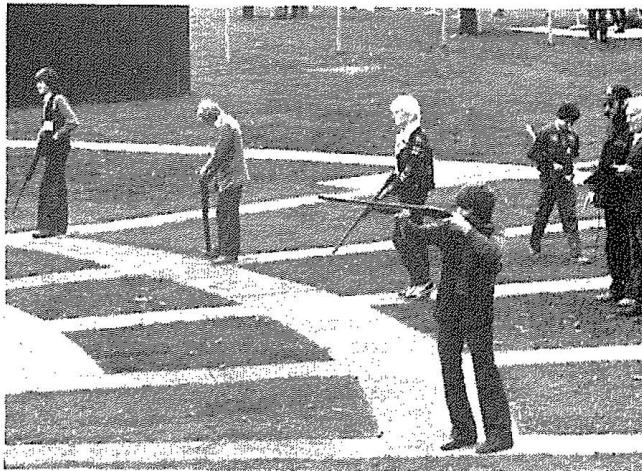

• Senior Girl Champion, Christine Wakefield of Mildura High School, with the Minister for Youth, Sport and Recreation, Mr Neil Trezise.

Six of the Melbourne Gun Clubs' 9 traps were put into service and judging by the rapid increase in numbers, I'd take a guess and say that next year we could expect to have to use 9 traps.

What a great thing it would be if eventually it could result in all states joining in the tournament so that we have a National School Boy and School Girl Championship each year with all states participating.

Winchester Australia has sponsored the Championship since its inception several years ago. A lot of credit must go to Lyn Barr Principal of Wangaratta High School who has organised the Championship each year from the beginning. Lyn also wrote the Gun Safety manual for Secondary Schools, this manual is the most comprehensive booklet I have seen on the subject of safe shotgun handling. Winchester Australia are to be congratulated on their gesture of underwriting the cost of printing and producing the manual.

Generally speaking the standard of shooting was excellent right down to Junior boys.

• A young left hander shows good form of stance and gun mounting. The big problem in teaching youngsters to shoot is the fact that guns are made to suit adults, and must be modified to fit the young shooter.

• Mildura High School team, L. to R. David Munro 14, his father John, Paul Finis 15. At front Peter Tobin 16 and Christine Wakefield.

Sole Australian Agents

For over 30 years shooters have associated accuracy and superior ballistic performance with one name more than any other—Sierra. On the range or in the field Sierra bullets offer that extra margin of performance that shooters can depend on.

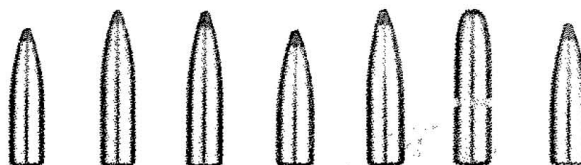

HUNTING

A trophy animal in a hunter's sights for that once-in-a-lifetime shot . . . bullet performance is the critical factor. Sierra GameKing and Pro-Hunter bullets offer that critical extra margin of performance which can make the difference between a successful hunt and wasted trip.

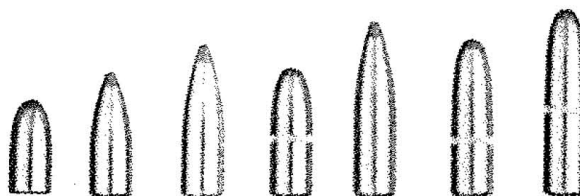

The Sierra Pro-Hunter. —

For hunting medium and large game at normal ranges, Sierra Pro-Hunter bullets are the choice of serious sportsmen.

Traditional, flat base design has been skillfully blended with Sierra's world famous accuracy. Custom tapered jacket design helps assure maximum expansion, optimum weight retention, and deep penetration for game stopping, one shot performance.

• Lyn Barr (centre) and Geoff Salmon from Winchester Australia, the sponsors of the tournament. Lyn is principal of Wangaratta High School and wrote the Gun Safety Manual for secondary schools. On the left of the picture is Darren Bridgewater of Echuca Technical School.

• Knox Technical School squad with their coach George Biggs. Knox Tech' is the first metropolitan school to enter the competition.

Gun handling and correct approach to the task of shooting moving clay targets was something I really admired considering that with few exceptions most boys and girls were not using what we could term the properly fitting gun, which is no doubt the most troublesome detail with youngsters growing up. Girls Champion was C. Wakefield of Mildura with 22/25, followed by J. Van der Brand of Traralgon, who scored 20/25. C. Flavel from Rainbow High School came third with 16/20.

G. Spink of Wangaratta Technical School, took the Junior Boys Championship with 22/25 edging out S. Askew of Sale Technical School 20/25. A. Pitt of Rainbow High School 18/20 was third.

The senior boys' championship fell to a very consistent shooter R. Kelymack of Bell Park Technical School. His score of 29/30 also earned him the champion of champions sash.

He was hard-pressed by D. Hare of Wodonga High School, who scored 28/30. Third was S. Dignan, of Colac High School on 37/40 after a taxing shoot-off. Wangaratta Technical School won the Teams Championship with 38/40. Two teams on 36/40 tied for second place — Echuca Technical School and Bairnsdale Technical School.

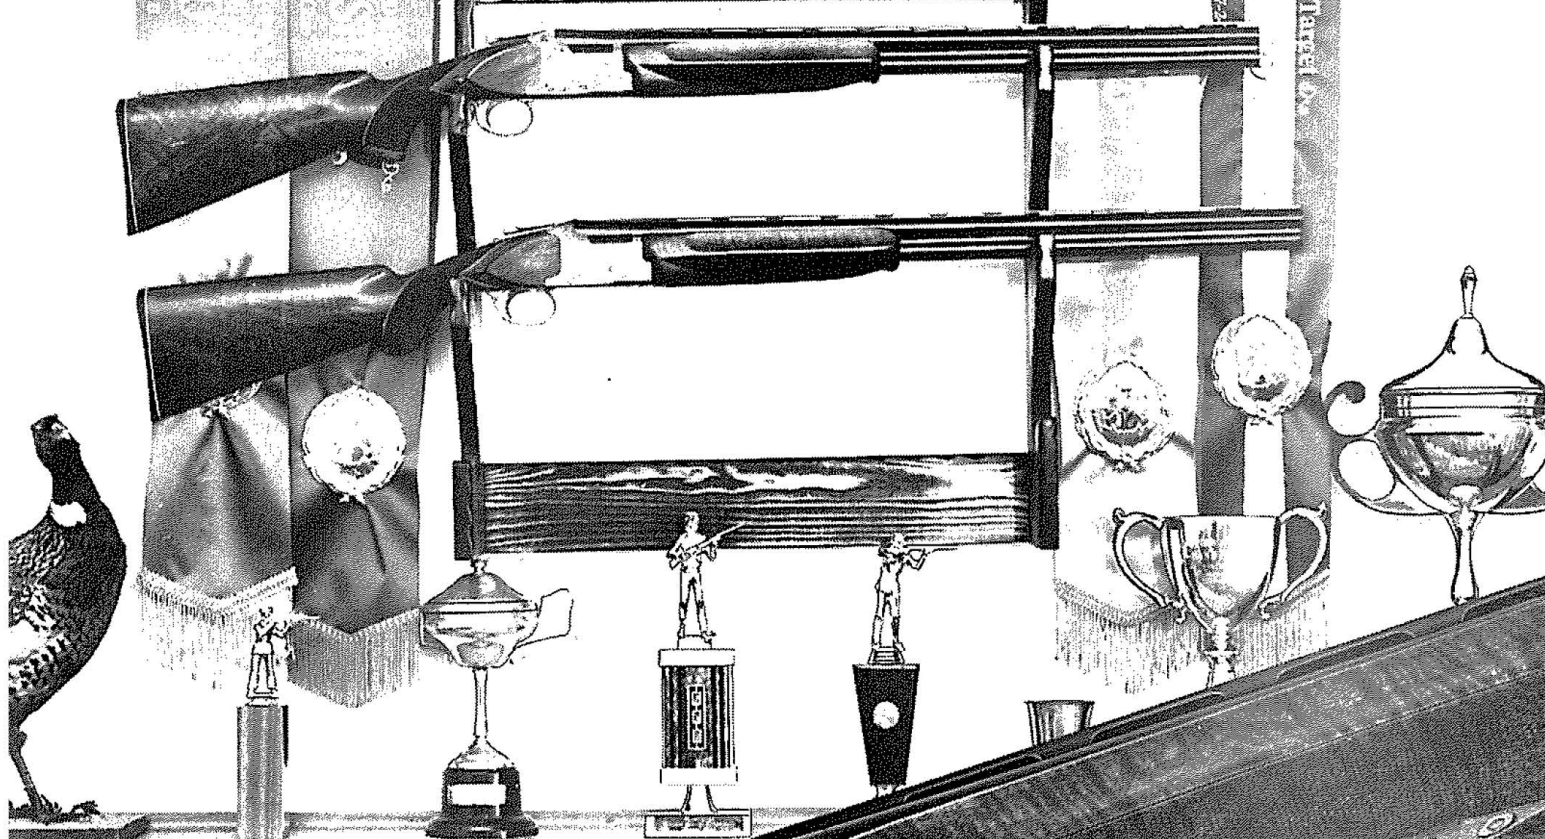

Each of the individual winners and runners-up received a sash, cup and trophy given by the sponsors, Winchester Australia.

• One of the most willing workers in Clay Target Shooting, June Gawith of Jeparit Gun Club, helping with the scoreboard. ○

EXECUTIVE COMMITTEE MEETING REPORT

Staff Writer

A meeting of the Executive Committee was conducted in Melbourne on Sunday and Monday, September 5 and 6.

This followed a very successful meeting of State Presidents and Secretaries, conducted on the Saturday. In a first for the Association, State Presidents and Secretaries were invited to attend the Executive Meeting as observers.

Resignations and Appointments

Mr R. C. Mules of South Australia had tendered his resignation prior to the meeting. It was accepted with regret. Bob Mules was the longest serving member of the Executive Committee, having been appointed in March 1964. His place has been taken by Mr Brian Growden, of Bordertown.

1983 Trap Nationals

As with Brisbane, 50 targets will be shot in one visit to the traps. A change for Adelaide however is that the 50 targets will be shot on the one trap, competitors taking enough ammunition with them to the trap, to complete the 50 targets. Squads will pause after 25 targets, to refill pockets ready for the second 25. Squads will consist of five shooters, who will shoot at five targets before changing lanes. Black targets will be used throughout the Tournament.

1983 Skeet Nationals

The 1983 Skeet Nationals will be conducted at Melbourne Gun Club over four days, commencing on Wednesday November 16. All events will be graded A.A., A, B, and C.

Four hundred targets will be shot over the four days, there will be four 50 target events, and two of 100 targets. The 100 target events will be the Commonwealth Skeet Championship and The National Skeet Championship. The Champion of Champions will be the high Gun over the 400 targets.

A two man Teams Match will be conducted over the 400 targets for nominated pairs, not necessarily from the same club.

An Interstate Shoulder to Shoulder Teams Match for teams of five, with all scores to count, will be conducted in conjunction with the fourth 50 target event.

An all Australian Skeet Team of 15 shooters will be selected over the 400 targets. All Australian teams of 5 ladies and 5 juniors will also be selected over 400 targets.

A.C.T.A. branded shells will be used at both Trap and Skeet National Championships in 1983.

Referee's Association

New Rules as proposed by the Referee's Association were accepted by the Executive Committee, and will be implemented on January 1, 1983. These new rules, together with abridged rules for Referees, will be printed in C.T.S.N. prior to January 1983.

The major change is in the handicapping formula, where most problems have occurred.

Data Processing

The Executive Committee accepted the recommendation from consultants Deloitte, Haskins and Sells, to purchase in-house micro-computer equipment. The changeover will take place over the next two months. A full report will follow in C.T.S.N.

Veterans

Following many complaints about the 30 years continuous service condition applying to Veteran concession registration, the Executive Committee resolved that any shooter attaining the age of 65 years be eligible for all veteran concessions, as from January 1, 1983.

Ladies and Juniors National Trap Teams

The U.K. Associations had agreed to conducting postal competitions for Ladies and Junior National Teams as from 1983. The teams will be selected at National Championships, and will consist of five shooters, all scores to count. They will shoot at 100 targets, pointscore.

Administration Manual

C.T.A. Secretary Bev Grice, and the Executive Director, have been given the responsibility of producing a National Administration Manual, for use by Clubs, Zones and State Associations.

Many other items were discussed over the two days of the meeting.

FORBIDDEN SUCCESS

It has always been my ambition to write a short story of this type since returning from an overseas shooting holiday in 1977. This biography of a shooter caught between an overwhelming urge to travel and shoot has ended in sarcastic and often unnecessary squalid remarks. This story can be taken whatever way the hat fits.

I once had said to me after writing the article in C.T.S.N. entitled "Moscow be damned or be damned" that it was the biggest heap of diarrhoea he had seen. Needless to say this critic no longer shoots. As one becomes more competent in the clay shooting game and gradually climbs the stardom ladder the critics become louder. I have noticed that success at any level inspires envy and curiosity in almost equal proportions. With the death wish upon you in shoot offs, anybody who steps out of the ranks and achieves success in any clay field is inevitably the object of close scrutiny and suspicion. The general shooting fraternity feasts on shooting gossip — the appetite seems insatiable.

A suitable process of winners can take place in our bigger programs, such as a C grade winner taking out a Grand Prix Overall can sometimes rely on having his success concreted, yet a man or lesser woman who, by his/her own unaided efforts earns the same success, often is branded a parasite taking a big share of the cake.

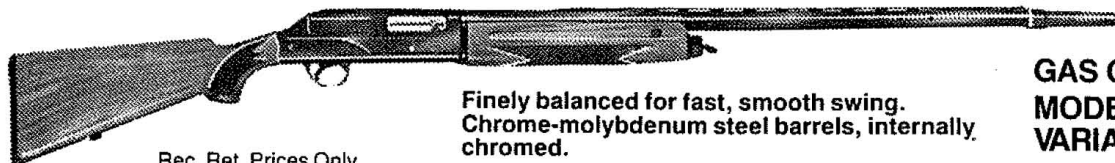

Likewise ISU shooters are accorded more column inches in this magazine than the winners of our National Titles, local Winchester Tournaments and State and Commonwealth Championships. To some people success is a mention in the local paper, to others it is the gold watch and the testimonial dinner at the end of forty years drudgery.

Finally, those of us who have ever been caught in the searchlights that sweep the noman's land between chance, fame and obscurity can expect little mercy from the custodians of public opinion.

We, the shooters who have afforded to rise up the ladder are considered fair game for every marksman who is content to stay in the middle. We as the game, appear to have no closed season even in our own territory.

AROUND THE TRAPS

By Laurie Connors

• Championship winners at the Victorian Skeet Carnival. L. to R. Reg Clarke, Adrian Cousins and Alan Blackmore.

Friday 13th - Saturday 14th - Sunday 15th August, 1982.

The Victorian State Skeet Carnival was conducted at Mildura Gun Club over this weekend. Numbers were well below the previous Carnival attendance, when it was hosted there in 1980. I feel, the number of major tournaments that are available for shooters today has some effect on attendances. States are running Zone and State Carnivals giving shooters the opportunity to shoot in their own backyard, without having to travel long distances to major tournaments. Our economy, along with the Australia wide drought conditions that prevail at the moment have some bearing on the shooting activity, making shooters a little more selective on when and where they shoot.

A meeting of Skeet shooting enthusiasts was conducted on Friday night with the 1983 Skeet Nationals being the major

topic. Discussion took place on the number of targets, to be shot, types of events and the number of days the titles should be conducted over. The meeting provided valuable information as to what the shooter wanted by way of trophies etc.

Sunday 22nd August, 1982.

Cohuna Gun Club, situated along the Murray River, and one of Victoria's top dairying districts, were conducting the Ganawarra Double Barrel Championship with a supporting program. A field of about 40 shooters participated with Roy Warren from Gunbower taking a double on the day by winning the Ganawarra Double Barrel Championship and the Silent Rise Graded Championship. Roy also won the 15-19m trophy in the Trophy Handicap. Brian Reade is the President, and with his members runs a good shoot. Brian has just returned from a fishing and shooting trip that took him North and coincided with the Darwin shoot. He tells me, it was a great trip and well worth seeing Australia's outback.

• Cohuna Gun Club Championship winners. L. to R. Shane Storm, Paul O'Callaghan, Roy Warren, all from Cohuna, and Murray Smelling from Tatura.

Monday 23rd, Tuesday 24th August, 1982.

The Referees Association met for the second time over these two days, to finalize the rules alterations being recommended to the Executive meeting in September for implementation in 1983.

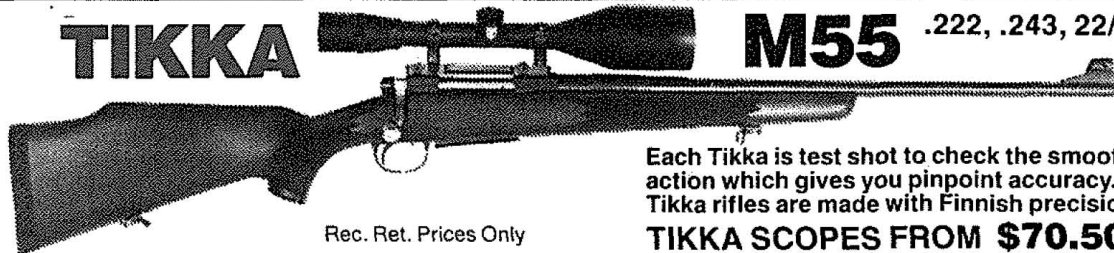

This Association has studied all of the recommendations put before it by clubs, shooters, and state Associations in regard to the rules. The changes they are recommending to be made, have been arrived at, after long debate and deliberation of the material it has had before it. No doubt, after all the work time and money spent on trying to improve the existing rules the recommended changes will not meet with the approval of all shooters and club administrators.

Wednesday 25th, Thursday 26th August, 1982.

The A.C.T.A. office claimed most of my time over these two days. Along with our Executive Director Ian Hill, visits were made to Winchester Australia and Eley Ammunition. This is a new system introduced by our Accountant to benefit the Executive in its operation, and keep it informed on our financial activities.

As the Association is contemplating a change in its present computer system, as recommended by Deloitte, Haskins and Sells along with Executive Director Ian Hill, Association computer operator Leanne Day, and representatives from Deloitte Haskins and Sells, visits were made to firms tendering for the supply of such equipment. From all this, it is anticipated the Association will soon be installing computer equipment that will reduce our present computer operating costs considerably. Providing all is satisfactory, and given Executive approval, the new computer will be operating at the end of this year for 1983 registrations.

The S.A. State Association was conducting their State Skeet Titles over this weekend. They had a field of some 50 entries with top Victorian shots making the trip. A Zone Down the Line Trap Carnival was run in conjunction with the Skeet. This created a few problems for the organizers as it was difficult to get enough workers to keep the show going. I am of the opinion unless a club has the facilities and staff a Skeet Carnival with 50 shooters is best run as an individual tournament and not tied in with D.T.L. events, particularly when Skeet shooters are requesting to shoot at a minimum of 100 targets per day, and separate National Skeet Championships are soon to become a reality.

Paul Thomson and Adrian Cousens from Victoria collected their share of Skeet Titles. South Australia's Ray Kimber won

the Carnival Skeet Championship and shot 68/68 to win the City of Adelaide Championship also. The event finished in the dark. His son Mark, also showed good form and potential as a skeet shot. He too was in the shoot off with his Father finishing in third position overall.

Adrian Cousens, one of the Victorians to make the trip collected the Skeet High Gun with a score of 197/200.

News from S.A. is that Bob Mules one of the most senior men on the National Executive today in terms of service has tendered his resignation from the National body. Over the years Bob has given a great deal to the sport of Clay Target Shooting. The S.A. Gun Club are running a Bob & Shirley Mules Appreciation Shoot on Sunday October 3rd. All clay shooters are cordially invited to attend, and join the club in expressing gratitude to them both for their services to our sport.

1982 NATIONALS TARGETS

Following criticism of the targets thrown at the Brisbane Nationals in May, Q.C.T.A. President Neil Hardy presented a paper to the Executive Committee recently on this subject. The matter was fully discussed and it was agreed that the Neil Hardy paper has the full backing of the Executive Committee, and should be re-printed in C.T.S.N. It was further noted that shooters are welcome to observe the setting of traps each morning during the Nationals.

1. Every morning at Brisbane Gun Club the Assistant Tournament Director Les James, the two shoot marshals and myself set the traps as per Trap Rule 6(a)...not less than 45 metres nor more than 55 metres (measured horizontally at trap level)...subtending an angle at the trap of 45 degrees right and left of the centre line. At Brisbane Gun Club targets land in the gully and the only way to accurately assess distance is to stand on the line of the 50 metre pegs. Les James did this religiously to ensure targets passed the 50 metre peg at the level of the traps. The traps were set for height, windage, distance and then set to hole no. 5. Anyone with mechanical knowledge of White Flyer traps will agree that they CANNOT throw to 45 degrees either side of straight away in hole no. 5.
2. Brisbane conditions for wind and changing light are notoriously difficult. The fickle wind can cause right hand targets to rise and left handers to fall alarmingly. A trap cannot be made to compensate for this and the effect on targets varies with the wind. Fluoro targets have proven the best in the wide variety of light conditions to be experienced on the grounds.
3. The aim of the organizing committee was to provide the best possible legal targets for the conditions. THE TRAPS WERE NOT SET TO MAXIMUM DISTANCE OR ANGLE. From where the shooter stands it is impossible to accurately assess if the target passes the 50 metre peg at the level of the traps yet the critics have this supernatural ability.
4. To complain about the targets is really an excuse to not accept that the reason for missing targets is their inability to produce a champion's score in difficult conditions. In the Pre-Nationals the traps were set the same, and in easier conditions scores were far better. Whinging about targets is poor sportsmanship which is growing alarmingly in clay target shooting."

EDITOR'S MAILBOX

Dear Ian,

The attached letter relates to queries I had insofar as shooting on Sundays is concerned and relating to spotlight shooting in Victoria. Following an incident last Sunday of a confrontation between a Police Constable (of senior rank) and a person in possession of a firearm on private property, I believe there is a great need for clarification. As this letter quite clearly spells out the facts related to both subjects and is of utmost interest to shooters, I would like you to place it in the Shooting News for all to see.

It is quite obvious that from last weekend there are some police also who are unaware of the law in relation to shooting on Sundays. Although the letter is dated 15th December 1980. Nothing has changed from that printed.

Yours faithfully,

GRAEME L. WILLET ○

Inspector's Office,
"A" District Headquarters,
Police Offices,
376 Russell Street,
MELBOURNE. Vic. 3000.
15th December, 1980.

Mr G. L. Willett,

Dear Sir,

In reply to your letter dated 26th November, 1980, I wish to advise you of the information you require.

In answer to your first question, Section 29(b) of the Firearms Act relates to Sunday shooting and is set out as follows:—

"Any person found engaged in shooting for pleasure, sport or profit of any kind whatever on Sunday, shall be guilty of an offence and liable to a penalty" —

and Section 29(c) relates to carrying a firearm on a Sunday and provides penalty for any person found doing so. It should be noted by yourself that Section 29 indicates that the shooting should be for pleasure, sport or profit and as so eliminates any offence in destruction of vermin and as such you are permitted to shoot the vermin you have listed in Question 2. There is no indication in the Act that it must be the owner of the property who is the person to destroy the vermin and as such your employee would be in a position to do so.

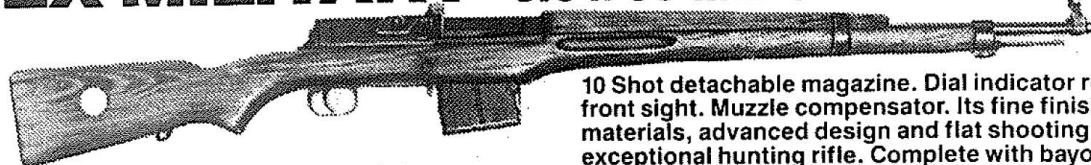

In relation to your query on spotlight shooting in Question 4, there is no law relating to the use of spotlights for shooting purposes. The offence committed by these persons is firing bullets or missiles across land used in connection with primary production or on roadways. If your activities are restricted to your own property or that of your neighbour, with permission, there is no offence, but I must point out that it is the activity of spotlight shooters that draws the attention of police and as such, intended activity should be notified to your local Police Station to save unnecessary enquiry and attention.

In any case that I have referred to, it must be remembered that the actions of the shooter must be "bona fide" for the destruction of vermin and not just a case to shoot rabbits or other animals for sport or pleasure under the excuse of vermin destruction.

Yours faithfully,

(Brian Fennessy),
Inspector. ○

GUN CARE MADE EASY

Gun club members throughout Australia will welcome the arrival of a new easy-to-use cleaning, oiling and anti-rust compound.

Called CRC Guncare, the compound is available in aerosol cans and one litre bulk containers.

CRC Guncare ensures efficient operation and prevents rust, lead and salt residue. It will provide lubrication for all moving parts, does not become tacky and will give free operation of the weapon even under severe climatic conditions.

CRC Guncare has been approved by the U.S. Department of Defence for the maintenance of automatic weapons. It is simple to apply. Can be used on all metal and wooden parts of the gun.

The bore can be cleaned by using a pull-through patch and the wooden stock by using a lint-free cloth.

The bore must be wiped dry before using.

CRC Guncare is safe to use on a variety of weapons including hunting rifles, target pistols and shotguns.

EDITOR'S MAILBOX

Dear Ian,

It comes as a matter of some considerable concern that when I open the Clay Target News I see continued articles and reference to Firearms Control legislation. Whilst I agree with the sentiments of Mr Colin Greenwood in his article re-printed in the CTN for September 1982, I consider that the time has come to stop the continued and prolonged reference to the legislation which is now a fact of life for Victorian shooters.

The new legislation will go before the Victorian Government in the Spring Parliamentary session and will undoubtedly be passed.

Continued reference to this legislation and gun-control will only bring shooters into dispute with the general public and will denigrate the work of those who have used the only available avenues open to the shooters (i.e. access to the government) to see that the views of the shooters are made plain to the Legislators.

The legislation will be a reality so shooters should accept the situation, live with the system, and stop "rocking the boat".

Whilst at the typewriter I feel that an answer to Chris Hughes' letter in the CTN for September is required.

Yours Truly,

Brian Clark ○

SAPPHIRE TROPHIES BRING LARGE CROWD TO GEMFIELDS SHOOT

By Jan Prewitt

Perfect weather conditions and valuable sapphire trophies drew a large crowd to the Gemfields Gun Club August 14 and 15.

The shoot was the second annual two-day shoot held at the Vine Tree site - the venue of the State Carnival last May.

Eighty-eight shooters from interstate and throughout Queensland travelled long distances to enjoy the adequate facilities the club provided.

• Top veteran for the weekend was Stan Meaney from Gawler in S.A. He is being congratulated by Mr Vince Lester M.L.A.

Speaking at the presentation of trophies, Vince Lester M.L.A. congratulated the club on the continued improvements and said how pleasing it was to see the interstate number plates in the car park.

He said this indicated the significant role played by the Gemfields Gun Club in tourism in the Central Highlands.

Mr Lester told shooters that Tony Elliot, Minister for Tourism, National Parks, Sport and the Arts, was extremely impressed by the high standard of the complex when he visited it during a recent tour.

He presented the club with the State flag and was thanked by president, Charlie Edwards for recently passing a cheque to the club from the Department of Sport.

This Capital Facilities Grant for \$5,000 was given to the club prior to the shoot to enable it to buy a new trap and finish improvements in time for this shoot and the zone carnival to be held in September.

RESULTS

The first event, the 30 target double barrel handicap eye-opener was won by local shooter Merv. Robson with 30 out of 30.

• Waiting to shoot in the Charles Deeley Memorial Trophy were L. to R. Garry Brunkhurst, George Johnston, Col Ennis, Jim Webber and Alan Olsen.

He survived a shoot off to put Noelene Herbert of Gladstone in second place and Bill McCleod of Rockhampton in third. Noelene was also the best lady shooter and best front marker in this event.

Winners of event two, a 25 target double barrel championship were once again decided by a shoot-off.

Successful shooter to take first overall was Neville Low of Dysart and second and A-grade winner was Rob Rehbein of Bundaberg.

Third place was won by Ian Sleigh of Townsville; B-grade by Peter Comino (G/fields); C-grade and best front marker was won by Bruce Ringland of Singleton NSW, best lady shooter was Kay Rehbein.

The Gemfields points score special was the last event shot on Saturday and was won outright by Rob Rehbein with a perfect 90 out of 90.

Second was Stan Meaney of S.A. with 89 and third was Neil Kavanagh of Springsure with 88.

Noelene Herbert added two more sapphires to her collection when she won best lady and best front marker in this event.

On Sunday morning the shooters emerged from their tents to compete in another three events.

The fourth for the weekend was the Gemfields single barrel championship with 25 targets.

A shoot-off decided first and second place with a more experienced Bill Nioa (Gladstone) being successful and a much younger Malcolm Bell of Nine-Mile Club Rockhampton taking second place and B-grade.

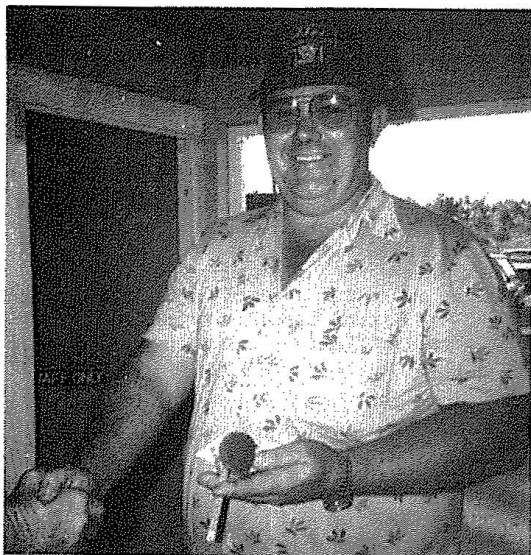

Some fine shooting from Malcolm was seen at the weekend. B. Plamer of Bundaberg was third and A-grade winner, while Nev Hansen (Dysart) won C-grade and best front marker.

• A happy Rob Rehbein, overall High Gun for the weekend.

Best lady was Vicki Deeley.

The most prestigious event for the weekend was the Gemfields \$1000 with 30 target. Five shooters shot a possible 30 out of 30. The 11-15m was George Bourne of Gemfields, 16-18m Frank Thygesen of Tallawalla, 19-21m shared by Ewan Young of Gladstone and Jim Storch of Tallawalla and the 22-25m by Barry Nasser of Dysart.

The final event to be contested was for the Charles Deeley Memorial trophy.

• Signing the visitors book, Ron Bell and son Malcolm from the Nine Mile Club, Rockhampton.

This event is contested by teams of six with the best five scores to count.

This year the competition was exciting and was once again won by the Dysart No. 1 team of Nev Lowe, Gavin Wright, Col Ennis, John Rowe, Alan Daley and Barry Nasser.

Dysart was five points ahead of Gemfields No. 1 and No. 2 team who both shot 409 points to tie for second place.

The best individual shooter in this event was Jim Storch with Claude Pietzner of Eton Mackay second and Barry Nasser of Dysart third.

Best front marker was Ralph Goldsworthy with Vicki Deeley the best lady.

The overall high gun for the weekend was won in fine style by Rob Rehbein of Bundaberg 279 out of 290.

Bill McCleod of Rockhampton won the intermediate high gun with 273 while fellow club man Mark Warnock won the best front marker with 257.

Vickie Deeley of Gemfields was best lady shooter with 261 and David Shaw was the best junior in C-grade.

A delighted Stan Meaney of South Australia won the veterans award.

All shooters are looking forward to returning on September 18 and 19 for the zone carnival.

INTERNATIONAL GUN CLUB S.A. BIRTHDAY SHOOT

Dino Oliviero

The International Gun Club celebrated its Birthday Shoot with the opening of a new clubhouse, a visit from the Marconi Gun Club Team (for the annual Inter. vs Marconi Team Shoot), the Jim and Annette Finis Trench Team Event and the Winchester Tournament.

On Saturday the main event contested was the Jim and Annette Finis 50 tgts Trench Team event. This event was open to any team of four shooters (three registered club shooters and one club member). An excellent trophy was donated by Jim and Annette Finis and in the first year of competition the trophy was won by members of the International Gun Club's Trench Team, with a score of 174/200. Many thanks to Jim and Annette Finis for their donation of an excellent trophy.

• Winners of the Jim and Annette Finis Trench Team Event.
L. to R. D. Stefanato, D. Oliviero, J. Finis and P. Marcolanni.

The other event shot for the day as a lead on to the Winchester Tournament on Sunday, was the 50 tgts Anniversary DB Championship. This event was ably won by Jim Finis (Vic) with a score of 138/138. Other place winners were: "A" - 2nd L. Abela 137/138 (Marconi, NSW); "B" - 1st R. Bisi 49/50, 2nd R. Alvaro 52/54; "C" - 1st F. Starling 49/50, 2nd D. Aloï 45/50.

Saturday night was celebrated with plenty of vino flowing and a dinner at the Gun Club with more than 200 people in attendance. Two piglets were rotating on a spit all day and were very much enjoyed for dinner. Many thanks to the club's Members and their wives who were responsible for preparing a superb dinner and to the donors of the porkers (the Sparnon Brothers and Phil Baxter). On Saturday we also celebrated the birthday of Serafino Oliviero a keen supporter of clay target shooting. The night ended with a happy group and the Calcutta.

• Marconi Gun Club members.

On Sunday it was obvious the Marconi Gun Club team had behaved the night before (all team members were walking around the shooting grounds without assistance). Under the watchful eye of their coach Leni Crema it was very difficult to try and intoxicate Marconi team members on the Saturday night, unfortunately the Inter. Gun Club team members had spent the early hours of Sunday morning celebrating.

To cut a long story short the Marconi Gun Club team won and all our congratulations go to those team members.

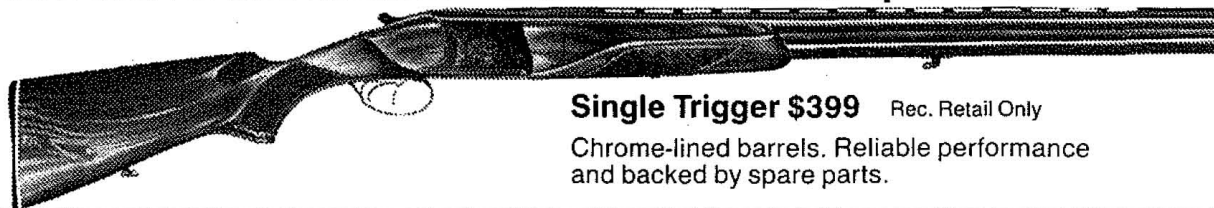

The major event shot on Sunday was the Winchester Tournament, the club expresses its thanks to Dick Ayres and Winchester for making this event possible.

The winners of the event were: O/A - J. Finis 53/53 (Vic), 22m/25m: 1st J. Finis 53/53 (Vic), 2nd G. Bollen 52/53. 19/21m: 1st D. Stefanato 59/60, 2nd R. Mark 58/60. 15m/18m: 1st J. Finis (S.A.) 68/69, 2nd F. Speechley 67/69. 11m/14m: 1st D. Aloï 50/54, 2nd R. Meaney 49/54. Ladies - Mrs S. Byrnes 48/50. Junior - P. Finis (Vic) 46/50. Veteran - F. Atkinson 45/50.

Overall the two day Birthday Shoot was very successful and the management of the International Gun Club thanks all

holiday in New Zealand is full of many pleasant surprises.

Did you realise for example, that the Australian dollar is now worth about forty cents* more in New Zealand?.

So instead of a delicious fare of bluff oysters and succulent steaks costing NZ\$14, to you they're down to an appetizing A\$10.

A family car like the Honda Civic costs NZ\$34 a day.

You drive away with a bargain at A\$25.

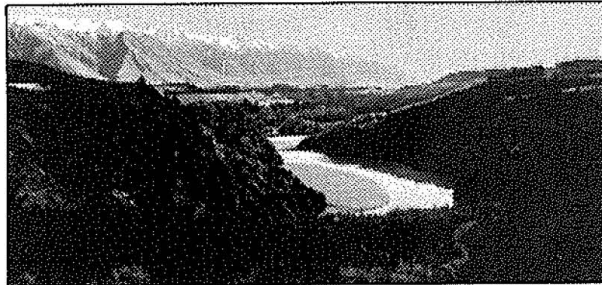

And if you fancy four legs instead of four wheels, you ride your pony off for a couple of hours having paid A\$10 not NZ\$14.

These astonishing savings also apply to fishing, skiing, golfing, boating and the 101 other activities available in one of the most beautiful countries on earth.

And if this wasn't incentive enough, Layzaway Holidays are offering twin share

accommodation for adults at only A\$9.50 each a night—and the kids stay free!

Layzaway accommodation ranges from friendly pubs to International class hotels and there are over 23 locations to choose from in both the North and South Islands.

DALBY GUN CLUB SUCCESSFUL ANNUAL SHOOT

Club Publicity Officer

Dalby Gun Club held its Annual Shoot on 21st and 22nd August. Our thanks go to Dalby and Toowoomba people for their generous support without which our Shoot would not have been the great success it was. Our thanks also to Winchester for the trophy they donated and also our Club Patron, Mr Neil McGilp who donated the Overall High Gun Patron's trophy, and very capably presented same to the winner Mr Brian Cameron of the Gold Coast Gun Club.

Despite windy conditions, 59 shooters lined up for Event 1 on Saturday, the DALBY AND DISTRICT DOUBLE BARREL CHAMPIONSHIP, which was won by G. Redmond (Brisbane) 'A', Brian Cameron (Gold Coast) 'B', Michael Gibson (Warwick) 'C'. Front Marker trophy was won by P. Kuhn and the Overall by J. Burlinson of Brisbane.

Event 2 was the \$450 CASH MEDLEY which was shared by the following shooters in their various divisions, P. Buchlok, B. Cameron, R. Spencer, R. Brown, D. Connolly, V. Wood, B. Pearce, K. Cameron, J. Duyker, A. Flegler, A. Witt, W. Stevens, R. Dean and G. Newey.

At the end of the day all shooters and their families and friends were entertained by our usual complementary beef and pork barbecue and drinks. The program on Sunday commenced at 9 a.m. with 87 shooters taking part.

The first event was the DALBY BULLION SHOOT. Winners were as follows:

14-16m 1st. J. Burlinson (Brisbane); 2nd. G. Jensens.

17-20m 1st. Russell Giles; 2nd. Mal. Briggs.

21-25m 1st G. Manning (Toowoomba); 2nd. Bill Hughes.

Event 4 was the \$600 cash event, which was shared by the following shooters in their various divisions, R. Spencer, G. Mason, G. Herberts, R. Brook, Mrs Thelma Meadows, P. Rudd, Scott Bartley, A. Rosenberger, R. Giles, R. Dean, W. Hughes, G. Stevens and P. Freeleagus.

Event 5 was the President's Trophy which was won by 'A' Greg Newey (Warwick), 'B' Michael Gibson (Warwick) and 'C' G. Mason (Wandoan).

The Fred Flegler Memorial Shield which was run in conjunction with the 30 target CASH EVENT, was won by the team of Ipswich represented by W. Stevens, K. Stevens, P. Freeleagus, P. Stein and R. Giles with a score of 142/150. Mr Alwyn Flegler presented the Shield to the winning team at the presentation held at the completion of the Events.

High Gun over the two days was won by Brian Cameron after a shoot-off. The Ladies High Gun was won by Mrs Thelma Meadows, Veteran's High Gun winner was W. Hughes and the Front Marker trophy was won by P. Kuhn.

Visitors came from as far afield as Terranora Lakes, Gunnedah, Texas Gympie, Goondiwindi and many other places, too numerous to mention.

A special thanks must go to Gundy Manning (Toowoomba) for his help in the Office, and also to Mr Bill Stevens for providing us with clays, despite a transport strike. A special thanks to the Kupun Q.C.W.A. ladies who catered admirably for the multitude and also to the visitors who pitched in and helped by way of refereeing etc. The co-operation of all helped make the shoot a great success, and we look forward to seeing old friends and making some new ones next year.

ELEY AMMUNITION

There have been many rumours floating around concerning the future of ELEY AMMUNITION, and as with most rumours, there is very little truth involved. To dispose with these rumours we have set out the details of what has actually transpired.

As you are probably aware Ron Clarke Sports was the name of IMIA Operations P/L Sporting Goods Division and incorporated ELEY Ammunition, Le Coq Sportif footwear and a range of general sporting equipment under the banner of Lyrebird Sports. On the 1st of September, Ron Clarke and some associates purchased many of the general sporting lines. This sale however did not include ELEY Ammunition nor any of the related shooting products. In fact from the 1st of September we reverted back to trading as ELEY Ammunition.

We can assure you that apart from some rationalisation of a few slow moving lines, it will be business as usual for ELEY Ammunition.

We trust this dispels any doubts you may have concerning ELEY products and look forward to your continued support.

MELBOURNE WINTER SKEET

By Ian Hale

The traps were being set, the trapper boys were busily stacking the Remington multi hopper traps and Melbourne was glistening in a glorious mid winter day. Melbourne Gun Club was busily setting up for one of its 100 Target Skeet events. The club often dubbed as the home of Skeet in Australia, has been testing its administration, its technical equipment with success, to be able to run large Skeet programs. Skeet is growing in popularity in Australia, and the ever increasing appetites of the Skeet shooter has to be catered for. With this in mind the Melbourne Gun Club has introduced progressive ideas to streamline Skeet shooting for example, 50 targets shot on the one visit, running two events in the one day with trophies for high guns over the 100 targets shoot offs for the first fifty held in conjunction with the second fifty targets, double loading on all stations with the exception of stations 7 & 8 can save the club up to 1 to 1½

hours per shooting day. Progressive ideas like these will help Skeet grow, especially when Skeet Shooters are to have their first National Carnival in 1983.

It was quite evident with the calm sunny conditions that it was going to be difficult to walk away with any easy win today. Bill Attwood carded 25 in his first round and backed it up with another in his second round. Melbourne committeeman Merv Whitelaw returning after recent illness, showed that Bill wasn't going to have life easy also carding a perfect

50. Metropolitan shooter Paul Thomps was to card 50. In the B grade a battle was looming between 'Jock McGregor, Stan Draper and John Bate.' In C grade Victorian Gun Club Committeeman Paul Menara, shooting his first 100 target event was improving in each round, eventually taking out the honours in that grade. The ladies always competitive, were battling it out with Karen Williams, being triumphant. Karen is very competitive B grade Skeet shooter, with an especially good style of shooting. It will not be long before she is just as competitive in A grade.

The third 25 saw Attwood and Whitelaw card yet another 25 straight. A magnificent 75 run to the each of them. President Bob Buchan had carded the last fifty of his 75 straight and was beginning to be a threat to the leaders but the task of running the huge program that Melbourne offers was going to cost him carding a 23 in the last round, left him out of contention.

• Club Coach and Shoot Marshall, Laurie Mauger.

The match was narrowing down to who would drop the first bird, Whitelaw or Attwood. The crowd of enthusiastic shooters had grown to watch the last rounds, Attwood was in good touch, his unique style of shooting Skeet had not let him down.

Whitelaw was still looking cool shooting with consistant technique all day. Bill Attwood had finished carding a perfect 100/100 in magnificent style. Merv had dropped and had to contend with 99/100. A wonderful days shooting from two very experienced shooters. Attwood was not to have a rest for long however, as Metropolitan shooter John Bail had carded a 50 as had Ian Hale. A shoot off for the second fifty got

underway. Hale dropped his first target, Bail was shooting very strongly with Attwood still smoking targets. Round to station four, Attwood made his first mistake. Bail took full advantage of this and blasted his targets to take the honours for the second event. This ended a wonderful days shooting with some top competition.

In conjunction with Skeet events the club had run Olympic Trench events. D.T.L. events also I.S.U. Skeet practice.

Recently Melbourne has been dubbed "The Fruit Salad Club" We at Melbourne take this as a compliment, as fruit salad means: the best of everything in the one bowl.

Well, The Melbourne Gun Club can certainly boast that. So thank you for your kind words Mr President.

We look forward to seeing YOU at Melbourne Gun Club where the shooting action is. ○

The Menindee Gun Club was formed at a meeting at Underdown's Hotel, Menindee, (now the Albermarle) on the 25th August 1957.

The patron was Mr Vigar snr and the office bearers were: Mr Darrel Gates, President; Mr K. Maiden, Secretary and Mr J. Vigar Treasurer. Committee Members were Messers Owen, Kolstad, Ferguson and Hoskins, the Vice-Presidents being Mr Owen and Hoskins.

The meeting decided that the club was to be called the Menindee Gun Club and the membership was set at two Guineas per year. Until a permanent site could be found it was decided to ask the Menindee Jockey Club for permission to use the racecourse for shoots on the fourth Sunday of each month.

Mr Vigar and Mr Owen then both donated 10 whethers each to help pay for the trap, and Mr Ferguson donated a fat turkey.

The original members were: J. Ferguson, G. Gleeson, M. E. Owen, K. Maiden, D. Gates, B. Neave, R. Kolstad, A. Hoskins, R. Morgan, W. L. Maiden, R. Casey, D. J. Ryan, R. Maiden, J. Vigar, A. H. Brown, D. Dettorre, T. Cramp, J. Warren and J. Smith.

The original patron was the late Jack Vigar (senior) and the present patron (since 1963) is Mrs Aileen Morphet.

The minutes show that the first shoot was held on the 22-9-57, and it resulted in the princely sum of £35.16.0 being taken. This was broken up into: Cartridges £18.0.0, Clays £3.0.0, Members fees £6.6.0, Nominations £8.10.0.

From this, membership of the Clay Target Association was paid (£5.0.0.) plus the freight on the trap (£2.10.0). A profit of £28.2.2 (the trap, from Winchester cost £101.0.0).

Over the years the membership has swelled, dropped and risen again. At the moment numbers are low, but we still have three of the original members in the club: Darrel, who is once again president, Dominic and Edwin Owen.

Current executive and committee are D. Gates, President; L. McDonald, Sec-Treas.; J. Caskey, Vice President and R. Gates, F. Iser, M. Ham, P. Campbell, T. Simpson, D. D'Ettorre and G. McDonald (three of these members have, or are in the process of leaving the district, so we wish Frank, Trevor and Peter and their families all the best, and good shooting in the different parts of the country they are going to).

The club now meets on the 4th Sunday every second month, and the success of the shoots depends greatly as always on the visiting shooters from Broken Hill, Pooncarie and sometimes further afield who boost our numbers.

Menindee Gun Club would like to thank the following people and organisations for their generous support and help over the 25 years

Vincent and Martin, Wilcannia, Dells Butchery, Wilcannia, Albermarle Hotel Coombes, Maidens, Woodsons, D. Smith, Mr and Mrs D. Gates, Mr and Mrs J. Caskey, Mrs Caskey, Mr W. McKean, Mr and Mrs Max Ham, T. Nichols and Son, Jones Foodland, Broken Hill Gun Club, Pooncarie Gun Club, Menindee Central School, 2 NB and 2 BH Sports programmes, Morning Diary and all the shooters who have supported us over the years.

This list of course is incomplete, and all individuals and organisations over 25 years could not possibly be listed, so if I have inadvertently forgotten anyone, please accept our apologies, and also our thanks for your support.

STOP PRESS

Menindee Gun Club will be shooting on a trial basis on SATURDAYS for the remaining two shoots. The new dates are now SATURDAY 25th SEPTEMBER and SATURDAY 27th NOVEMBER, 1982. Remember to keep these dates free! ●

NORTHAM AND DISTRICTS GUN CLUB

Club Publicity Officer

NORTHAM & DISTRICTS GUN CLUB (W.A.) held a shoot on 14th and 15th August 1982 which included the Commonwealth Single Barrel Championship. The attendance for both days was 130 and the weather was fine. Results were as follows: Saturday 14th — the program for Saturday was Cash Graded DB off 15m and Commonwealth Single Barrel Championship 75 targets off 15m. On Sunday Events 3, 4 and 5 were District Double Barrel Championship 25 targets off 15m; Handicap off A.C.T.A. Handicap 25 targets; District Points Score Championship.

Kind weather conditions prevailed throughout the weekend which added further to the enjoyment of the two days shooting on Island Farm.

• Keith Anderson, winner Commonwealth Single Barrel Championship. Northam and Districts Gun Club.

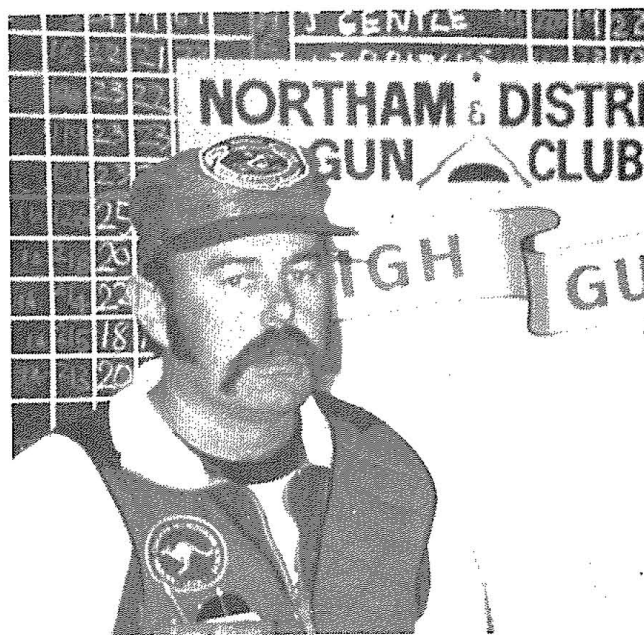

• Mike Callaghan, winner of District Double Barrel Championship, receives his trophy from Barry Bristow-Stagg.

• Max Cubic, High Gun over the weekend, with President Barry Bristow-Stagg.

The major event on Saturday — the Commonwealth Single Barrel Championship was won in fine style by Keith Anderson of Kojonup. Max Cubic came 1st in the A grade and R. Bailey 2nd. B grade — 1st G. Beard, 2nd A. Hooking. C grade — 1st A. Filgate, 2nd A. Watson. O/A — 1st K. Anderson, 2nd D. Knight, 3rd R. Bailey. Event 3 was the District Double Barrel Championship and the ever consistent Mike Callaghan took off the Sash with other placings as follows — A grade — 1st D. Kevill, 2nd R. McDonald; B grade — 1st R. Franklin, 2nd M. Mascio; C grade — 1st A. Filgate, 2nd A. R. Watson.

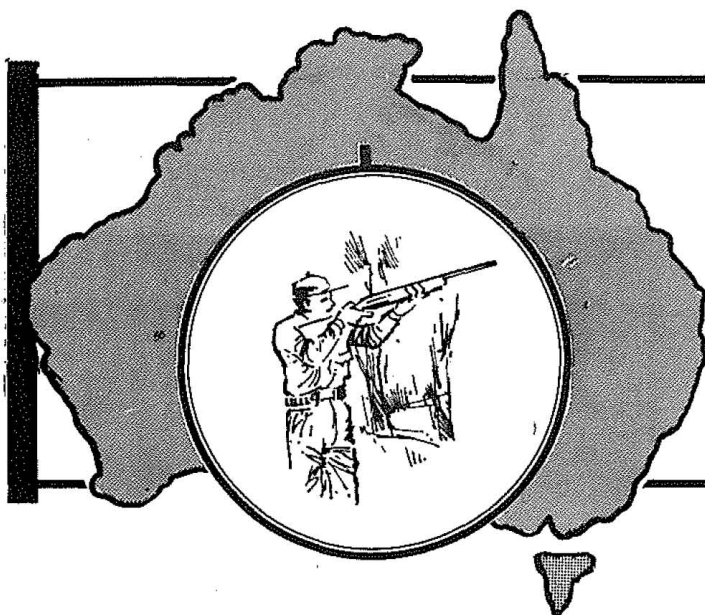

• W.A.C.T.A. President Murray Alexander.

Event 4 — After a lengthy shoot off, experienced 20 metre shooter Dene Ireland, proved too good for his opponents to win the 25 target handicap. In second place came Max Cubic followed by A. W. Wellington in third place.

Event 5 — The District Points Score Championship went to Cunderdin Shooter David Kevill, with the various grade trophies being won by: A. grade — 1st J. Harris, 2nd M. Cubic; B grade — 1st A. Filgate, 2nd G. Ferrara; C grade — 1st A. Farthing, 2nd A. Coleman.

High Gun over the two day program was won by Max Cubic with a score of 217 out of the possible 225. ●

REFEREE'S ASSOCIATION

— Staff Writer

The Referee's Association Delegates at a recent meeting, expressed concern at a habit which is growing in the sport. Many shooters at Gun Clubs throughout Australia are mounting and pointing guns when not on the shooting tracks. This is against the Rules. Club managements are requested to bring this matter to the attention of all shooters.

REMINGTON PRODUCES REPLICA OF ORIGINAL "BULLET" KNIFE

Years ago, an original Remington "Bullet" knife was highly valued by its owner as a rugged and dependable tool of the highest quality, distinctively recognizable by the full-length cartridge shield on its handle.

Today, more than forty years after Remington ceased producing them, an original "Bullet" knife has become one of the most prized possessions of knife collectors throughout the world.

Now Remington has produced a high quality, full-sized replica of this famous knife in a special collector edition that salutes Remington's new Model Four and Model Six rifles. In keeping with this connection, the knives will be available only through dealers selling these two rifles.

This modern version of the "Bullet" knife has two double-honed blades made of 440 stainless steel. One is a 3-3/8" clip blade with an etched commemoration of the Model Four and Model Six rifles on the right side. The other is a 3-1/4" spey blade with the Remington logo of the 1930's etched on the left side.

The "Delrin" handle matches the appearance of the best shinbone stag, but with far greater durability. Other features, in addition to the traditional nickel silver bolsters and cartridge shield, include non-rusting brass liners and a brass-filled hole in the butt end for lanyard or thong. The knife will be housed in a handsome lined display case.

Because quantities of these collector knives will be limited, those interested in obtaining one are urged to place their orders early with participating dealers who will provide details on both availability and price.

CONFEDERATION OF AUSTRALIAN SPORT NEWS

SPORTS CONFERENCE IN FINLAND

Australia was represented at the recent Congress on International Understanding and Sport held in Helsinki, Finland by Executive Director of the Confederation of Australian Sport, Mr Garry Daly.

Approximately 300 delegates from 39 countries attended the Congress, which was conducted under the auspices of the International Council for Sport and Physical Education.

The themes of the Congress were:

- (a) The extent, content and organisation of international co-operation in sports in the past, present and future.
- (b) Specific negotiations were undertaken with overseas information resources.
- (c) It permitted the identification of experts, to whom Australia's sportspeople should be exposed, particularly in the "Sport for All" program areas.
- (d) It lead to the appointment of the Confederation of Australian Sport to the Sport and Leisure Committee of I.C.S.P.E. (The International Committee for Sport and Physical Education).

1982/83 FEDERAL BUDGET COMMENT

Following the announcement by Treasurer John Howard of the 1982/83 Federal Budget, and its consequent impact on sport, Confederation of Australian Sport President, Wayne V. Reid has issued the following statement:

"The overall allocation for expenditure on sports facilities and activities is \$24.585 million in six years. Of the total funding directed to sports areas, \$4.0 million has been allocated to the Australian Institute of Sport for its ongoing cost and \$7.3 million for facilities; \$180,000 to Australia Games; \$500,000 for preparation of Australia's 1984 Olympics Team. These areas are highly deserving of Government funding and the Confederation believes they should receive the maximum Government support possible. The Institute in fact received less than it hoped for, but media reports attributed to its administration indicate that it is satisfied with the result."

"Looking at the budget allocations, the sporting community at large would have to be grateful to the Government in respect to these highly visible, highly needed areas of expenditure. There is, however, a problem area that has not received the attention it needs and that is in the Sports Development Program."

"The \$305,000 increase over last year to \$3.19 million, spread over 119 national sporting bodies, will not give any impetus to our Sports Development Programs. New projects, including those funded by the Federal Government are placing continually greater demands upon the capabilities of sports administrations and with rising costs, the ability of many sporting bodies to meet these new demands may well be overtaxed because of limited resources."

"Following the Budget announcement, representatives of the Confederation met with the Minister for Home Affairs and Environment, Mr Tom McVeigh in Canberra on Thursday 19th August, 1982 and expressed the foregoing comments to him."

"The Minister was empathetic to this viewpoint and he acknowledges that the weakest link in the financial provisions is the Sports Development Program. It is pleasing to record his willingness to discuss with the Confederation this prime area of concern."

"It is quite clear that the critical period for a case to be presented on behalf of the sporting community is the next 4-5 months and although the result may not, subject to whether an early election is held, be seen until August next year, the work has already begun."

Sportspeople in general need to become more involved in the lobbying process, as Federal Politicians must be made aware that sportspeople are also voting people.

It is most important that the Government become aware of the value which arises from funding assistance given through the Sports Development Program, and everybody can play a part in this education process.

CANADIAN COACHING PUBLICATIONS EXCITE INTEREST IN AUSTRALIA

The Confederation of Australian Sport has been appointed the Australian distributor of the wide range of coaching and general sports publications produced by the Coaching Association of Canada.

Of particular interest is the series of coaching manuals, which are similar in the level of expertise to the 3 structures defined in the National Coaching Accreditation Scheme.

As a consequence, there has been considerable demand for the coaching manuals from many Australian Coaches, all of whom have been extremely satisfied with the content material. Enquiries for publication listings, together with prices, should be directed to the Confederation of Australian Sport, 76 Flinders Lane, Melbourne, Victoria, 3000. ○

Some 69 shooters turned up for, in spite of weather, what was a great days shooting. Shooters shot a record number of rounds in their quest for prizes. Last years "Chico Cup" winner, Andy Charleson, recorded an early impressive 21-25. Much later in the day Tony DiSilvio brought in a wet score sheet with 22-25 on it. Dean Ireland matched his sudden sheet with another 22-25. A very, very persistent & wet Mike Mascio shot round after round until just before close time he shot an excellent 23-25 to win the "Chico Cup" for 1983. A well deserved win.

TAREE-WINGHAM GUN CLUB

by Jenny Quartermain

Taree-Wingham Gun Club held its Junior Championship Day on Sunday, 22nd August, 1982, in perfect weather conditions. Thirteen junior shooters, from as far north as Grafton, and south to Wyong, competed for both the Winchester Perpetual Junior Trophy for individual performance, and also an Inter-School Team Shield, which was shot in conjunction, with 3 junior shooters from any nominated school. Outright winner of the Winchester Perpetual Junior Trophy was David Wilson of Wyong Club, with 20/22. Second was Graeme Cameron of Grafton, 19/22; and third was David Crighton from Kempsey with 18/21.

In the Inter-School Team Shield, first was taken out by a combined schools team, comprising T. Crittenden, Cessnock; David Crighton, Kempsey; and David Wilson, Wyong. Second in the Teams events was a Grafton High School Team. High Gun for the Junior Championship Day was won by Graeme Cameron with 22/25. The Junior Shooters and Taree/Wingham Gun Club wish to thank Winchester Australia for their very generous donation of the Junior Perpetual Trophy, and also their donation of cartridges for the Junior Shooting Program. ○
