## EXECUTIVE DIRECTOR'S NOTES

As these notes are written, the New Rules have been operating for only four days. A couple of reports to hand indicate a smooth transition from the old to the new.

Of particular interest to me is the acceptance of the rule regarding refusals, as there has been much comment since the New Rules were published. At two shoots over the New Year weekend the total of refusals was one, and this was a very obvious fast pull.

It's early days but the first reactions are promising.

What has 1983 got in store for clay target shooters.

Legislation will still be a big talking point. Victoria will certainly have new Firearms legislation this year, as it did not make the Parliament in the Spring session of 1982. Other States? — we'll have to wait and see. There were a few rumblings from the Queensland police late in 1982, and New South Wales is reportedly waiting to see the Victorian legislation before making a move.

We are all aware of the economic situation throughout the country, no doubt this will have some effect on clay target shooting. I am interested that some clubs are meeting the problem head on, by arranging economy days where shooters compete for badges instead of trophies, at reduced nominations. An interesting move this one, and one which is bound to spread. I'm told the atmosphere at such shoots is excellent, with everybody shooting for fun and enjoying themselves. This is what sport and recreation is all about for the majority of people. Let it long continue.

We have the Trap Nationals in Adelaide in April, plans are well advanced for staging the series.

The first Skeet Nationals are planned for Melbourne in November, with the dedicated skeeties keen to make this four day affair a success.

The ISU shooters will gather in Melbourne around the latter part of April to contest the Commonwealth and National titles in Skeet and Trap. The World Moving Target Championships will be held in Edmonton, Canada, in June and there will probably be an Olympic warm-up in Los Angeles in July/August, so plenty will be happening in readiness for 1984.

Enjoy your shooting,

IAN C. HILL O

### TRADE PRACTICES ACT

The attention of advertisers is drawn to the Trade Practices Act 1974 and the provisions in the Act which apply to advertising. It is not possible for the A.C.T.A. to ensure that advertisements which are published in this magazine comply in all respects with the Act and the responsibility must therefore be on the person, company or advertising agency submitting the advertisement for publication. The A.C.T.A. and Waterwheel Press reserve the right to refuse any advertisement without stating the reason.

## HANDICAPPING NATIONALS 1983

As I have once again been appointed Handicapper for the Nationals and because of the great change in handicapping formulas, I find it necessary to set down guide lines to make it easier for you — the shooter.

This year we have a new design handicap card which should make it a lot easier to keep your progressive scores on. Also each club should by now have an independent club handicapper, this again should make it easier for you and me when checking your cards at the Nationals. Because the new handicapping rules adjustment of cards could be a lengthy process, that is why the following will be strictly enforced:

1. All current 1983 handicap cards, regardless of your grade, along with your up to date 1982 card, will be required by me for checking before you nominate (pre Nationals and Nationals).

2. All handicap cards must be stamped by me before nominations will be accepted.

3. No nomination will be accepted if your handicap card is unavailable unless your grade handicap trap and skeet is confirmed by your club secretary on a statutory declaration form.

4. If a statutory declaration form is signed you will be allowed to shoot, but any trophies won will remain with the A.C.T.A. until your handicap and grade is verified by the Executive Committee.

5. Unless you are a new shooter or haven't shot for a long period and you present your handicap card not filled in or only with the club stamp and no score (event or targets shot) your handicap will be AA grade, AA or O skeet and 25 metres handicap (this is your responsibility, make sure club secretaries fill in your cards correctly.)

6. Any crossouts or errors on cards will not be acceptable.

7. If an error is made on your card have your club secretary neatly rule out the error, rewrite it in correctly, stamp and sign it.

8. Any obvious low score entered on handicap cards just prior to the nationals that enables a shooter to be down graded, will not be taken into consideration (Rule 106).

9. Please watch the handicap board. If your name appears on the board please report to me.

10. If you do not wish to be down graded or have your handicap meterage moved forward, please advise.

11. I will make myself available for advice on any handicapping problems you might have only on the days of the National Double Rise and the National Single Barrel, not when you nominate, as you can realise I will be too busy with the new adjustments.

12. Remember to fill in your cards at all times, i.e. all events other than those not applicable.

Good shooting and see you in Adelaide.

# NAVY A JOB WELL DONE

R. Rigby

• Navy Trap Team. L. to R. Back Row: Chris Carrol, Roger Rigby. Middle Row: Loaf Mayes, Wally Portarianos. Front Row: Derek Marshall, Geoff Noyes, Henry Ford.

In a recent Ceremonial Divisions at H.M.A.S. Cerberus, the Commanding Officer of the Navy's largest establishment, Captain M.B. Rayment, R.A.N. presented Chris Carrol with a Commanding Officers Commendation which reads as follows:

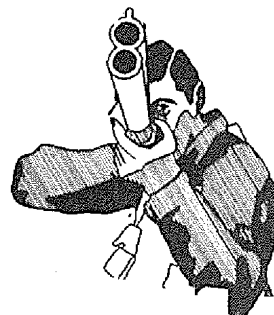

"Mr C. Carrol, Electrical Maintainer of the Fleetwork Trainer at the Communications School, is commended for his selfless, enterprising, energetic and thoroughly proficient service to the Cerberus Gun Club, particularly in his capacity as the Secretary/Treasurer of the club during the past ten years. In this time he has been instrumental in doubling the assets of the club to their present high standard. Moreover, through his enthusiastic endeavours, he has expanded the goodwill and esteem enjoyed by the club with the other clubs in the Southern Peninsula and South Eastern Zone Clay Target teams competition, thereby bringing great credit upon himself, the club and H.M.A.S. Cerberus."

During this period in the role as Navy Trap Team coach/manager, a further goal was achieved recently with Navy winning the Inter-service Trap Teams event for the first time in many years.

# ONE THAT GOT AWAY

The year was 1938, or perhaps 39 not that it mattered a great deal other than it was Saturday afternoon at a gun club. Five shooters were taking their positions on the shooting tracks and there were three shooters waiting their turn behind the fence. The assistant secretary was standing in the gateway looking along the road, hoping a couple more shooters would come along to make another full squad. Suddenly a fully grown rabbit bolted from the oatmill outside the shooting ground and crossed about 20 yards in front of the trap house. Several of the guns in the squad moved but none as fast as one owned by a shooter who cleared the right cuff of his jacket at the same time calling "I'll take it", both barrels of a Win. Powell made no difference to the bunny, neither did the several other loads of shot fired in its direction actually by the way in which it travelled they did nothing other than give the rabbit a little more to tell its grand children about "The day it raided the oatmill and eluded some of the best gunshots in the land".

holiday in New Zealand is full of many pleasant surprises.

Did you realise for example, that the Australian dollar is now worth about forty cents\* more in New Zealand?

So instead of a delicious fare of bluff oysters and succulent steaks costing NZ\$14, to you they're down to an appetizing A\$10.

A family car like the Honda Civic costs NZ\$34 a day.

You drive away with a bargain at A\$25.

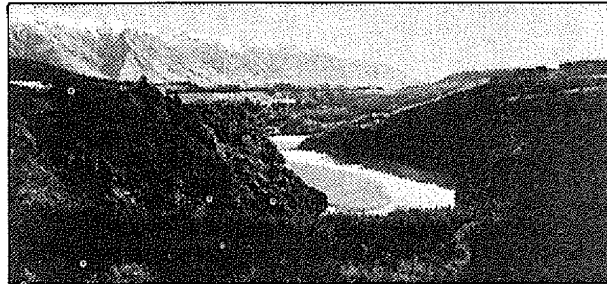

And if you fancy four legs instead of four wheels, you ride your pony off for a couple of hours having paid A\$10 not NZ\$14.

These astonishing savings also apply to fishing, skiing, golfing, boating and the 101 other activities available in one of the most beautiful countries on earth.

And if this wasn't incentive enough, Layzaway Holidays are offering twin share

accommodation for adults at only A\$9.50 each a night—and the kids stay free!

Layzaway accommodation ranges from friendly pubs to International class hotels and there are over 23 locations to choose from in both the North and South Islands.

For details of the overseas holiday you never thought you could afford, pop into your local travel agent or get in touch with Air New Zealand now.

## GUN SAFETY: THE FIRST AMENDMENT:

All registered members of a gun club and the A.C.T.A. must accept the shared responsibility of always policing the new comers to their clubs. Learners must learn and clubs must have new shooters. The A.C.T.A. can only survive with lots of new blood being invited and accepted into the network of clubs Australia wide.

A rather shocking incident has happened before this writers eyes twice in the last few years. The last one just a few weeks ago. Fate (if you care to call it that) had me standing within close proximity, in each of these two individual, but identical incidents. By being alert and acting swiftly and with conviction, I hope I managed to save a very disastrous accident from taking place.

A (learner) shooter on the tracks, fired (in each case) one shot from his gun (then placed the unbroken gun's barrels down on his foot) before opening its action, thus rendering the gun safe again. (In both cases there was a second cartridge in the chamber). Plus, in both cases the referee and or coach failed to notice these incidents; I'm sure there is no need for me to elaborate on their chances of staying strong-two-footed-young men for long, with such a stupid habit. Sure, I blame each of them for such mental incompetence. But I also take to task, the clubs who fail to take and accept care for new shooters joining their ranks.

No matter if the shooter has shot in the field or not. This further emphasises my complaint of long. No referee or coach should handle a squad without the assistance of a scorer,

thereby allowing the referee, full visual command of the shooters under his control.

Just in case you did not know it, that's why there is a referee there in the first place. To control the shooters. Plus, and this is a big plus: No new shooters should be left without an experienced member, preferably a senior member, to ensure the vital pointers of safety are first and paramount at all times.

Makes you wonder how many times acts of non-safety go un-noticed!!!

## MARCONI GUN CLUB: STUPENDOUS:

The Italian community, which is the shoulder behind the wheel of the Sydney-Marconi Clay Target Complex, on the Heathcote Road, Menai, NSW, is one shining example of what it takes to run a successful gun club. Being a business man myself, plus coming from a business family, more than equips me to assess what is needed to make a club or enterprise withstand the ravages of todays' economic climate.

A major factor that is often missing from some clubs, but which is foremost at Marconi, is atmosphere. It's a commodity you can't buy, borrow or steal. You either have it, or you don't. You can't show it as a tax-deduction, and you can't include it in a stock-take of your clubs capital equipment.

A gun club or any business for that matter, may have the most modern machinery, the most established location and the best advertising campaign around. Why do many clubs and businesses fail (putting aside poor business management a moment). Often the reason they fail and go into a down turn is lack of that one invisible commodity, atmosphere, and the

ability to make visitors and customers feel welcome and happy to be one of your patrons.

Full marks to Leni Crema, Marconi President, Charles Grima, vice President, the committee and their wives who make this club the venue it is today. Notwithstanding, they carved the club from a wilderness which has no water or power. Generators make their 240 volt-power, and hard work provides the transport of water. If that wasn't enough, all the trap houses and club buildings have had to be built like a "Guns of Navorone" fortress to withstand the ever increasing vandalism of the 1980's.

Marconi, I salute you.

## THE JOKER WASN'T ME: (Tongue in cheek)

Barry Kable (my good friend) and well known clay buster, told me this one; I suspect with the ulterior motive of turning your scribe off his passion for a good Corona:

A husband came home a little early (very foolish thing to do under the circumstances) and discovered a rather large cigar smouldering away in the bedroom ashtray. The little lady was wearing nothing more substantial than a negligee (they never do, do they?) "Where the blazes did that come from?" the husband growled at his cowering spouse, who was incidentally showing quite a bit of . . . er leg. (That's why they wear such romantic apparel with all the frills). Then after a very long pause . . . from within the depths of the clothes closet, came a very deep throated reply, "Cuba." Well all things considered, I'm now thinking of switching over to smoking a pipe. Better to be sure than sorry.

Footnote: It was my birthday soon after he dropped this on me, and you will never guess what I've been receiving in the mail as presents. Cigars. At first I went into a cold sweat, until I noticed stamped on the extra-large Henri-Winterman's: Made in Holland. See, I told you. Besides I've never been to "Cuba", not yet anyway.

## A LITTLE KNOWLEDGE IS DANGEROUS:

I've noticed over the last few months, under Editors Mailbox in CTS News, a number of good "keen" men, voicing their opinions and "blasting" those among us who oppose the Victorian Labor Government's firearms legislation. Now this scribe is the first to concede, everyone has the right to his or her opinion. I'll even go one step further and listen to your opinions and try and consider all or any of your valid pointers. You see, I consider myself a reasonable man; if you don't mind me saying so.

Let me also point out to these minority critics, who see otherwise on the legislation issue (if I may call it that), We of the so-called Gun-lobby (a title bestowed on us by the "sensational" press): (You see it's easy to give titles) are fighting a political issue thrust upon us. We did not take the "fight" to the politicians and their party. So please get that fact straight.

Next, "we" who oppose this legislation (are ourselves non-political) we don't care if its a Labor, Liberal or Independent who frames such legislation, somebody has to make a stand. It's a shame that you who enjoy the same sport as we, can sit back and become so complacent. However, like I've said, that's your right under our democratic system. Just keep your fingers crossed my good friends that it stays that way. (Democratic that is)!!!

Footnote: I always thought Victoria was a progressive State. Something has gone terribly wrong, after all, you voted the Labor Government into power: Oops, did I say I wasn't political . . . sorry about that!!

## SHOOTINGS: QUIET MAN OF ACTION:

Have you ever been to a big shoot? Could be you have shot at a State Carnival or Local Championship, or perhaps even the Nationals. Have you noticed a quietly spoken, lean man about 5 ft 8 inches tall in a red cap (that's become a little faded by the many summers), his sleeves rolled up, covered in grease from hands to his elbows, with a cluster of spanners protruding from his back pocket. Well my friends, that's Barney Rooke, going about the task of seeing that the traps are working and throwing your targets in the prescribed manner.

So before you blast off from the "hip" about the conditions at your next big shoot; pause for a moment and just consider this: If we had more men like the Barney Rooke's of our shooting world (and the handful like him who work behind the "front" line) maybe, just maybe, clay target shooting would improve ten-fold. Any offers!!

Oh, by the way, in Barney's spare time (whenever that is) he just happens to be the New South Wales State Coaching Director. So if you're not hitting them right in the middle of your pattern, perhaps if you call Barney aside, he may down the spanners a moment and put you straight.

# AROUND THE TRAPS

Laurie Connors

**Sunday, November 28, 1982**

Under the Chairmanship of our National Coaching Director, Peter Quire, the National Coaching Council met in Melbourne. All States were represented by their State Coaching Directors. They were: NSW Barney Rooke, Victoria George Biggs, South Australia Peter Quire, Western Australia Tim Catling, Queensland Bill Stevens, Tasmania Robbie Elmer and the Northern Territory Greg Chan.

All States reported on coaching activities within their States, with the Northern Territory showing great progress after suffering from lack of interest through not having the services of a State Coaching Director for more than 12 months.

It was reported from this State they would be conducting their first ever Coaching Seminar in December, 1982 at the Katherine Gun Club, with all their club coaches being present. National Coaching Director, Peter Quire, was also to be in attendance to add assistance.

A point I observed from this meeting was the fact, all States should have an assistant or junior State Coaching Director, working in conjunction with their elected State Coaching Director, to enable a carry on situation, should the need arise.

Some State Coaching Directors that have been operating for several years now, and given excellent service to coaching, have indicated they intend to relinquish their positions. The wealth of knowledge these fellows hold on our sport in coaching should be passed on to whoever is likely to fill their position. This could be achieved by attaining the services of an assistant or Junior Coaching Director in all States.

National Coaching Director, Peter Quire presented the Associations Level 2 Coaching Accreditation course outline. This will be implemented in all States and I strongly recommend all coaches interested to make the time and effort necessary to gain level 2 accreditation. The course is not a push-over, however, I feel dedicated coaches will attain Level 2 Accreditation.

All coaching projects conducted by State, Zones or Clubs should be recorded and forwarded to the National Coaching Director, to assist in compiling statistics on our coaching activities throughout Australia. It is also valued information that can be used when making application for grants and financial assistance to the various Government departments, at Federal and State level.

It was reported at the recent Coaching Council meeting, under our coaching scheme, of the coaching seminars recorded, some 183 coaching sessions took place throughout Australia using 714.5 hours of time, and costing \$11,716.30. 2,184 experienced shooters and 2,600 novice shooters received some form of assistance from Australian Clay Target Association accredited coaches.

**Sunday, November 28, 1982**

After the State Coaching Council meeting had concluded I took a run out to Melbourne Gun Club. Melbourne were conducting a club shoot with Wangaratta Gun Club as their guests. Inter-club visits are made by both clubs each year, and have been going on for nine years. Wangaratta is 235 kilometres from Melbourne and a bus is used to transport shooters and others who like to make the trip to the host club.

• Shooters to win some of the championships at the Melbourne vs. Wangaratta Gun Club Social Day. L to R: Keith Wiseman, Melbourne, Brian North and Ken Plum, Wangaratta.

My arrival time saw the end of the shooting program, as well as the presentation of trophies to the various winners by Melbourne Gun Club President, Bob Buchan. Wangaratta honoured their club colors by winning the inter-club DTL team shoot. The team consisted of Dick English, Bob Barron, Gary Robertson, Brian North and Kevin "Grumpy" Law, their combined score 375-400.

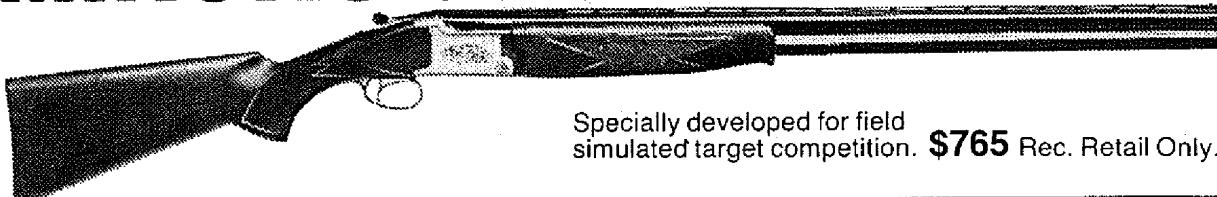

Melbourne, known as one of the top skeet shooting clubs around, to the delight of President Bob, won the skeet team challenge. Paul Krumins, Alan Blease, Ian Hale, Brian Thomson and Gil Farish made up the team and shot 239-250 to beat Wangaratta.

• All Aboard! Wangaratta Gun Club shooters about to leave Melbourne Gun Club after a great day of shooting and inter club competition.

• "This is the last time for me", says 74 years old Norm Patterson senior with a smile. Norm has decided to "Hang up the Clays" after 20 years of service as a trapper at Sebastopol Gun Club.

### Saturday, December 11, 1982

Sebastopol Gun Club conducted their Christmas shoot on this day to end their 1982 shooting calendar. Approximately 60 shooters attended with the highlight being the presentation of a gold watch to Norm Paterson, Senior. Norm is the father and grandfather of the well known shooting family of Patersons at Sebastopol Gun Club and Ballarat area. Norm's services stretch over 21 years in assisting the club. He has been involved in the coaching of new shooters, keeping the ground in order and acting as a trapper at their programmed shoots.

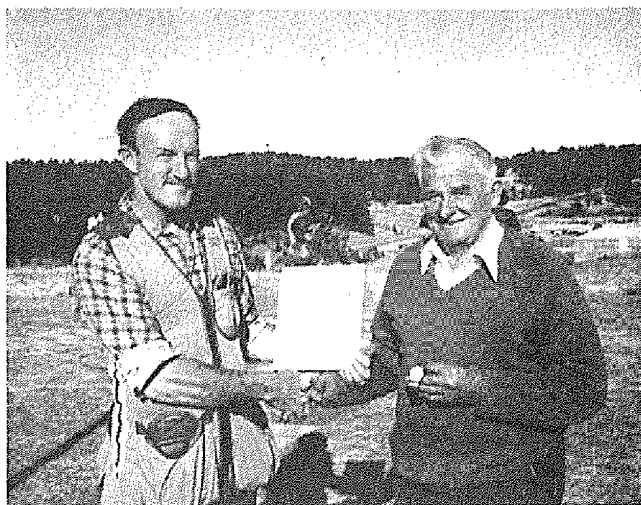

Norm also gave 10 years of service to the Learmonth Gun Club, near Ballarat, before it closed down. This club closed after the death of its President and main worker Albert Smith, and from then on Norm devoted his services to the Sebastopol Gun Club.

He will be missed by the shooting fraternity, and from us all Norm, thanks, for a job well done, you deserve a token of recognition for services to our sport.

Another to receive recognition for services to the same club and our sport, was Lyle Veitch. Lyle was given the honour of Life Membership after having been involved with the club for the past 12 years. He has been Club President for the past year and re-elected for 1983. Lyle has taken over from Norm Paterson Junior, who has been a member of Sebastopol Gun Club for 27 years and it's President from 1971 to 1981.

### Sunday, December 12, 1982

I attended an A.S.A. meeting as a proxy delegate for our Executive Director, Ian Hill, who was on holiday enjoying a well earned few days off. The meeting was held at the Australian Olympic Federation Headquarters in South Melbourne. Victorian Executive member Bob Buchan, our other delegate to the A.S.A. attended the meeting also.

• Left: Lyle Veitch, President of Sebastopol Gun Club presents Norm Patterson with his Gold Watch in recognition of 20 years service to the club. Every week for eight years Norm Patterson coached four groups of school children for two hours each session, in the safe handling and use of firearms. At 74 he has decided to call it a day.

A seven item agenda was tabled with one of the main items being the adoption of the new A.S.A. Constitution. The A.S.A. has advertised for and is endeavouring to obtain the services of an Executive Director. It is expected an appointment will be made by late January, early February 1983.

The recent 1982 World Championships in which we fielded a team of seven shooters, plus manager/coach, were also well covered in reports. It was also noted that at a U.I.T. meeting held to coincide with the 1982 World Championships, future World Championship teams, are to consist of three shooters instead of four as in the past.

### Sunday, December 12, 1982

With the A.S.A. Meeting concluding mid-afternoon, I journeyed to Werribee Gun Club, who were conducting their Christmas shoot. My arrival was too late to enter any of the events, however, Victorian Executive member, Bill Abbott, who is also President of the club, gave me the opportunity to present trophies to winners and meet many of his club members, when receiving their Christmas gift. The shoot had been well attended and was a good finale for Werribee to end 1982.

### Wednesday, December 15, 1982

The Confederation of Australian Sport conducted the 1982 Sport Australia Awards at the Southern Cross Hotel, Melbourne. I attended with our Executive Director, Ian Hill. The Seven Network provided national television coverage of the venue, making it a spectacular event for all sport in general throughout Australia.

The Male Athlete of the year Gold Award went to Robert de Castella, athletics. His run at the XII Commonwealth Games was well worth watching, and he is no doubt a worthy recipient of the 1982 trophy.

#### **Thursday, December 16, 1982**

The Annual General meetings of the Confederation of Australian Sport and the Confederation of Australian Sport Coaches Assembly, were held at the New Hill Stand, Flemington Race Course, Melbourne. I attended the meetings with Executive Director, Ian Hill, and our National Coaching Director, Peter Quire. Many items regarding the administration, coaching and development of all sports was discussed as well as activities pertaining to the Confederation of Australian Sport.

#### **Sunday, December 19, 1982**

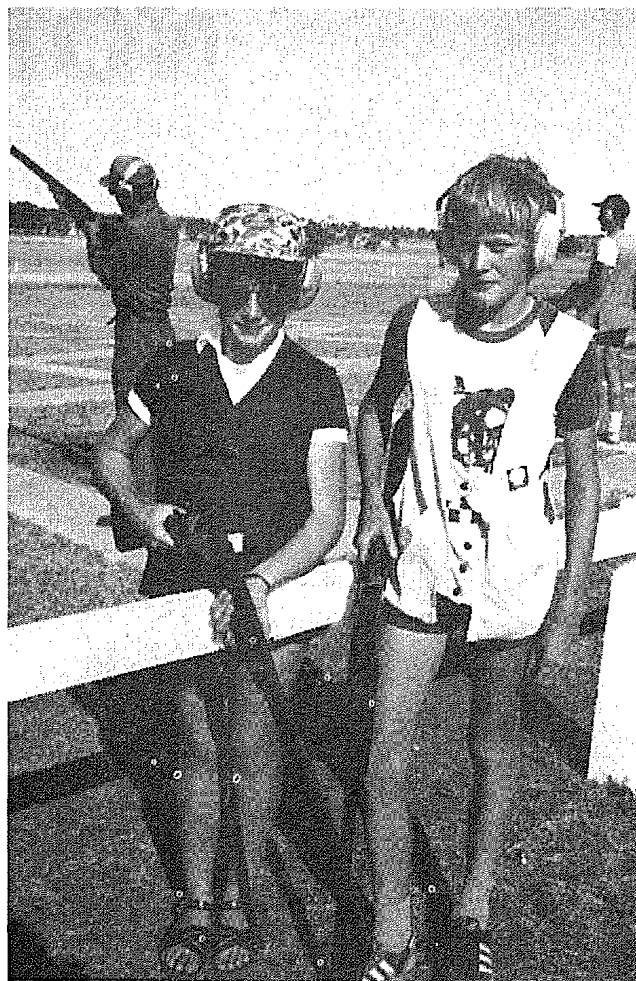

The North West Zone Council met at Jeparit Gun Club. It's the first of such meetings since the Annual General Meeting of the Zone in November, 1982, when retiring officers were replaced.

The Zone President is John Clark from Warracknabeal; Vice President J. Taylor, Horsham; Secretary Ray Scott, Horsham; Treasurer Stan Newcombe, Jeparit; councillors Brian Kelly, Maryborough with Laurie Connors, Mildura, N.W.Z. delegate to State Council. Ray Scott is Public Relations Officer for the Zone and Frank James was re-elected as the N.W.Z. Coach.

Jeparit Gun Club conducted its Christmas Shoot during the afternoon, with time being allocated for explanation on the interpretation of the new rules by Victorian Rules Supervisor, Trevor Nash.

All clubs in the Zone were advised of the meeting and it was well attended by shooters and referees. Time was allocated to questions on the new rules from referees and shooters. From those asked, it was obvious some referees and shooters are going to find it difficult to make the change in some areas of the new rules.

The rule most concerning to referees and shooters, is that of target refusal. Because of the system we have been used to in the past, it will take time for this rule to be really understood

• *Left, Christine Flavel, Jeparit, and Anthony Smith, Goroke, two thirteen year old shooters with the enthusiasm to become top shots, pictured at Jeparit Gun Club.*

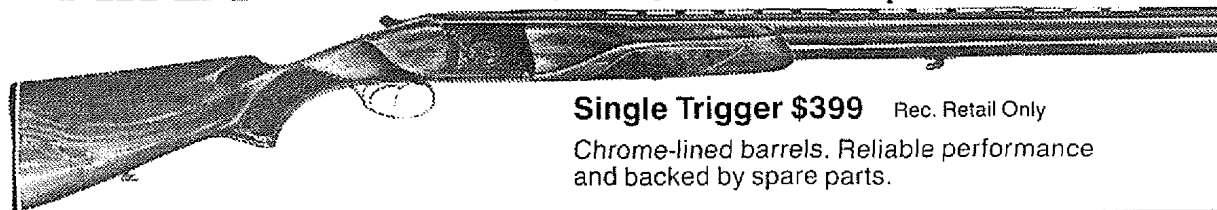

and work as it should. I personally believe it will not be abused as some tend to think, and it will eventually prove to be one of the best rules in the book.

See you where there is shooting.

• Squadron leader, Stan Harding, with his trophies. We look forward to seeing Stan back in Australia in February.

Squadron Leader Stan Harding, well known Australian shooter, displays his Malaysian Gun Club trophies won during a two year tour of duty with the RAAF in Malaysia.

A member of the Point Cook Gun Club, Stan has found attending gun shoots throughout Malaysia and Singapore a great way to meet the local people.

He said the hospitality by the clubs was always excellent. Clay target shooting, although very much a rich man's sport in Asia is gaining in popularity and competition standards are improving.

During his stay in Malaysia, Stan joined the Penang Gun Club. As a member he shot in competitions at the national shooting grounds at Kuala Lumpur, the State shooting grounds in Kedah, the Singapore Gun Club and the Royal Johore Gun Club.

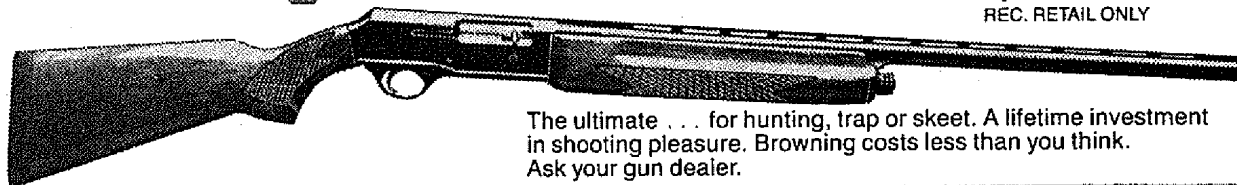

His many trophies include those for runner up in the national individual title and as a member of the winning national team.

He will return to Australia on posting to Canberra in February.

## AIDS TO DEVELOPING A BETTER MENTAL APPROACH

by **TIM CATLING**  
WA Coaching Director

In this particular Coaches Column, I have attempted to summarise one of the best video tapes available on how to develop a good mental approach. This tape "The Psychology of Winning" by Dr Dennis Waitley of U.S.A. is available through the State Director in each State. If a copy is not yet available in your state, one can be borrowed from our National Coaching Director, Peter Quire. Listed below is my summary of this material.

### TRAIT

Positive Self  
Awareness

### KEY THOUGHTS

Be aware of the abundance within you. Self talk — I know what I am, where I am coming from and where I am going.

Positive Self Esteem

You can only do well if you feel good about yourself.

Positive Self Control

Winners make it happen. Losers let it happen.

Positive Self  
Motivation

I want to and I can. I will move toward the rewards of success.

Positive Self  
Expectancy

You get what you set. Expect a good day.

Positive Self Image

I see myself - changing, growing, achieving and winning.

Positive Self Direction

I will make plans to make it happen. If you don't stand for something you will fall for anything.

Positive Self Discipline

Doing within when you are without. Practise in your mind so when the time comes it will be - "just like practise."

Positive Self  
Dimension

Positive Self  
Projection

Overall Key  
Thoughts

Time Perspective

Past - memories there but you cannot live there  
Future - Plan for it  
Present - Now is the time.

I will project empathy. I will take 100 per cent responsibility for my action - no excuses.

I will be a little better today than I was yesterday. If I fail to plan, then I am planning to fail.

You will note that all points or traits are labelled POSITIVE and that is the way you must think. I know many shooters who have benefitted greatly from this material.

Remember you need to practise a good mental approach just as much as you need to practise your shooting technique.

I sincerely hope that this will awaken for you another side of our sport that can be extremely interesting and helpful. ○

## BERETTA WORLD CHAMPION ONCE AGAIN

Caracas, Venezuela, November 1982, was the venue for the 43rd World Trap and Skeet Championships. Eleven medals were won and three new world records were set using Beretta shotguns.

The success of Beretta is even more meaningful when it is considered that shooters from five nations won medals. This is world-wide proof of the exceptional quality of Beretta products.

Trap (Men): Gold, Beretta S04; Bronze Beretta S680. Men's Team: Gold, Beretta S04, Beretta S680, S04. A new world record was set in this event with a score of 587 out of 600.

Ladies' Team: Bronze, Beretta S680. Skeet (Men): Bronze, Beretta S680. Men's Team: Silver, Beretta S04, S680; Bronze, Beretta S680, S680.

Ladies': Silver, Beretta S680; Bronze, Beretta S680. A new world record was set in this event with a score of 194 out of 200. Ladies' Team: Gold, Beretta S680, S680 and S680; Bronze, Beretta S680. A new world record was set in this event with a score of 436 out of 450.

As distributors of Beretta shotguns in Australia, Winchester would also like to offer their congratulations on this outstanding achievement. ○

## REFEREE AND SCORERS CHAIR

● Vic Reinders' referee and scorer's chair.

Vic Reinders from Waukesha Gun Club Wisconsin, USA, is known to many Australian Clay Target shooters.

He recently sent details to Tim Catling, Western Australian Coaching Director, of a referee and scorers chair in use at his club in the U.S.

Brief details of manufacture, measurements etc, follow:

Frame made from 1 inch water pipe, with all joints welded. The shape of the feet, rounded instead of square corners make it easier to slide the chair around. The board to hold the squad sheets is hinged to an angle iron welded to the top of the front legs of the chair. It can be raised to make it easier for the scorer to get in and out.

The pipe frame of the chair is 45 inches wide at the bottom and 22 inches at the top. The greatest dimension front to back is 49 inches. It is 21 inches from the ground to the top of the foot rest, and 42 inches to the top of the seat, which is 24 inches wide. It is 39 inches to the top of the angle iron to which the score board is hinged. Note the wire basket behind the seat, with its two sections. This is for squad sheets. The hinged score board support is made of plywood, and has a "track" into which a masonite board is slid. This sliding board holds the score sheets with a hinged wooden or plastic strip, top and bottom. ○

# VALE: A Shooting Gentleman

Roger Darwon

• The late James Hastie pictured here in past happy times. The young man, getting the good oil from the master is young J. Worley, Junior; who told Jim, when he grows up he wants to be a trap shooter too.

**DATeline, NOVEMBER 26, 1982:** Today I lost a friend. (As a matter of fact, all clay shooters lost a friend). Known Australia-wide, as the sports best referee, he was a man we all gave the respectful title, "Mayor" of the NSW Gun Club, Terry-Hills, Mr James Hastie, confidant to all who share the gentlemen's sporting persuasion of shotgunning.

This remarkable man travelled to clubs all over the state, not only with myself, but with many of his mates from the NSW Gun Club. I'm proud to be able to say, Jimmy and myself shared not only a common interest, but a comradeship beyond the firing line. His happy, straight-forward nature, and consideration to me, could be best described as similar to a father and son relationship.

When I first joined the clay target sports, it was Jimmy Hastie who took me under his wing and put the polish on my rough edges. If today, I can walk onto the tracks in a shooting event and perform the correct way, it is thanks to his unstinting teaching ability. He set a shining example to all, and his ability as a referee is legendary. No matter if you were the world's best shot, or just an average weekend shooter, Jimmy treated them all on equal terms. Strict to the point of perfection, he was the sports ultimate clay shooting referee. I don't think there is a shooter of stature, in this country who

has not shot under his command, at some time in their life.

Coincidentally, we shared the same birthday, November 26th. Coincidentally, he passed away on that day. He fired his last shot in competition with this scribe, at the opening of the new Illawarra Gun Club, back around 1976. The event was a Deauville Doubles championship. Jimmy partnered me, and I'm sure any who remember that day will recall how I missed one of my clays with both barrels.

Jimmy shot his and swung over to smash my still unbroken clay two feet from the ground. The thunder of applause all the watchers gave him will be the way I would like to always remember him. Besides, it's the way Jimmy would have wanted it. The good times, the happy times, the shared experience we all remember over the comb of a good shot gun.

Shooters from the NSW Gun Club joined his wonderful and loving lifetime companion and wife Vera, at the chapel of the Northern Suburbs Crematorium on Monday, November 29, to pay their respects. Jimmy Hastie may have left us . . . but he will not be forgotten. We have all been richly rewarded by his presence among us, but more than that, we can all call ourselves fortunate men, because we were privileged to call him our friend. We will never see his like again. ○

## NATIONAL ATHLETE AWARD SCHEME GRANTS FOR 1983 ANNOUNCED

A number of Australia's successful athletes at the Brisbane Commonwealth Games have been offered financial awards by the Commonwealth Government to encourage them to continue in their sport and improve their performances.

The awards, under the Government's National Athlete Award Scheme, were announced by the Minister for Home Affairs and Environment, Mr Tom McVeigh.

Among those athletes receiving awards are Robert de Castella, winner of the memorable Brisbane marathon, Lisa Curry who won three gold medals in swimming in Brisbane, and the members of Australia's gold medal pursuit cycling team.

Mr McVeigh said that the Scheme operated on two levels.

"The majority of funds are allocated to Australia's world ranked amateur athletes and teams to help compensate them for the costs associated with their sporting careers.

"A limited number of awards go to young sportspeople who have demonstrated outstanding potential and are likely soon to become world ranked."

Awards for individuals range from \$1000 to \$3500 and the team awards are from \$4000 to \$12 000.

"The scheme has been operating since 1981 and its success in this time has been very encouraging," the Minister said.

"Many of the athletes who performed so well in Brisbane received awards under the Scheme in 1981 and 1982 and a number of them have told the Government the awards contributed to their success."

The awards have been based on a review of performances of all current amateur Australian sportsmen and sportswomen who have achieved international recognition in the past year.

While many awards have gone to well known sporting identities, lesser known athletes in sports such as trampolining, barefoot water skiing and powerlifting also have received assistance.

Among the 10 teams assisted are the Australian Men's Basketball team, which was placed fifth in the recent world championship and the Australian Men's Hockey team which is currently defending its No 2 world ranking in the Esanda World Tournament in Melbourne.

A list of athletes and teams who have been granted awards for 1982 is attached.

## 33rd GRAND PRIX 1982 METROPOLITAN CLAY TARGET CLUB

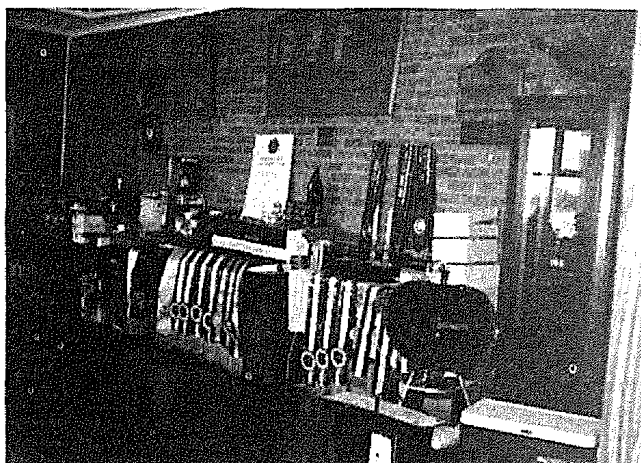

Ron Shiels

• Nanette Meredith with Metropolitan President, Ron Shiels, on left Past President, Harry Belmore.

Saturday, October 31, 1982 was a day of fine weather with a good attendance of 72. The day's feature was the performance of Mrs N. Meredith in the Double Rise event, shooting 31-40.

In spite of the gloomy start to Sunday the attendance rose to 97 — we were watching and appreciating the unrelenting efforts of Tony Bradshaw our "Shoot Marshall."

• The trophy line-up for the Metropolitan Grand Prix.

Neil Berry started a trend of things to come with a break of 120.

Monday was a quiet day, all events were for cash. Glen Brown set the pace by shooting 114 in the first event.

Tuesday, Grand Prix day, the conditions were perfect, there were over 150 shooters in attendance. Bill Iles walked onto the track at 9.30 a.m. not knowing it would be 6.30 p.m. when he would finish with an A.C.T.A. record break of 600. His running mate was Glen Brown who shot 526 in two breaks. Good shooting chaps! There were 2 breaks of 300, 2 breaks of 200 and 5 breaks of 100. It is not hard to believe we threw over 35,000 targets over the four days.

## EDITOR'S MAILBOX

Dear Ian,

Over many more years than I care to think of, I have listened to and read of advice by experts, how to successfully shoot clay targets. They have a variety of methods to deal with, "left swingers, right swingers, quartering targets and even one particular target was said to have "a Hook." Just how that came about I am not too certain, unless it was to make things easier for the shooter or shooters who in despair decided as I have often heard "to give it all up and go fishing!!"

Out of all this one basic rule on which nearly everyone agrees is "it is necessary to keep ones eye above the rib and to do this place two pennies on the rib over the action. In order to gauge the correct eye level above the rib.

Having just finished reading a book recently, written and published by one of our very successful shooters, the full impact of inflation made its self obvious when I read, and I quote, "two twenty cent pieces placed on the rib over the action is a good rule of thumb for gauging correct eye level above the rib of the gun."

Yours sincerely,  
**TOM ALMOND** ○

## VALE

**CURTIS, Max:** Died suddenly on January 5, 1983. Max Curtis was President of Port Lincoln Gun Club and was instrumental in its growth and development.

He was Zone President for the Far West Zone, Club and Zone Coach and a member of the South Australian Executive.

Max will be greatly missed and remembered for his tireless work in the fields of junior shooting and administration.

Sympathy is extended to Joy Curtis and family from the coaching and shooting fraternity of South Australia. ○

\*\*\*\*\*

We are sorry to report the sudden death of well known New Zealand shooter, Trevor Everett.

Trevor was the donor together with Bill Attwood of the trophy for the junior with the top score in the three Mackintosh qualifying events at the Nationals.

Trevor had been a member of the New Zealand Mackintosh team ten times, and had won the New Zealand Double Rise and Sparrow Championships.

He will be sadly missed by his many shooting friends. ○

# TASMANIAN POINTS SCORE CHAMPIONSHIP

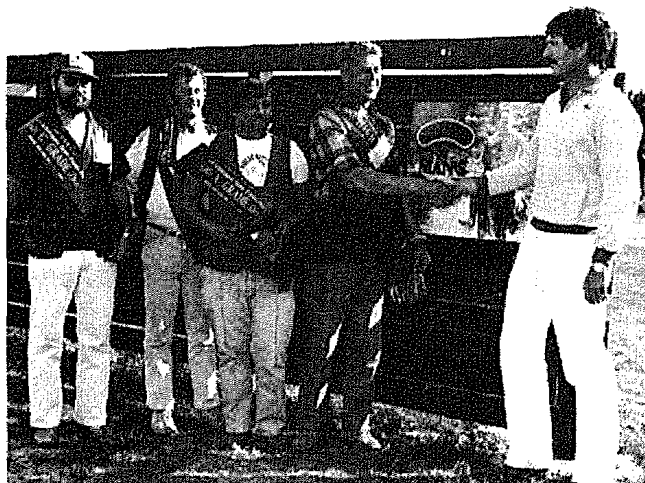

Ken Copleman

The Hobart Gun Club held the State Points Score Title on November 28, 1982, and this event was very generously sponsored by the Schweppes Company which was a very big factor in ensuring the successful running of the Championship.

The weather was kind on the day in question and proceedings got under way with the 10 Targets Single Barrel — just the event to sharpen up the shooters reflexes. A Grade went to Sperry Marshall (18-18) after a shoot-off with Graham Appleby, the West Coast publican. Sperry's win set the pace for the remainder of the day.

B Grade went to Brian Sidnell (9-10). Peter Puiselli and Sally Schott each achieved 7-10 and vied in a shoot-off with Peter outlasting Sally to win 10-13.

Event two was another shoot-off with Sperry Marshall, Graham Appleby, Jim Briggs and Roy Garwood all facing the trap. Roy and Jim hung in there for a while but it fell on Sperry and Graham to decide the victor — Sperry succeeded with 48-48. Graham Rider was in form and took honours in B Grade (28-30). Keith Smith had a very good win in C Grade (28-30).

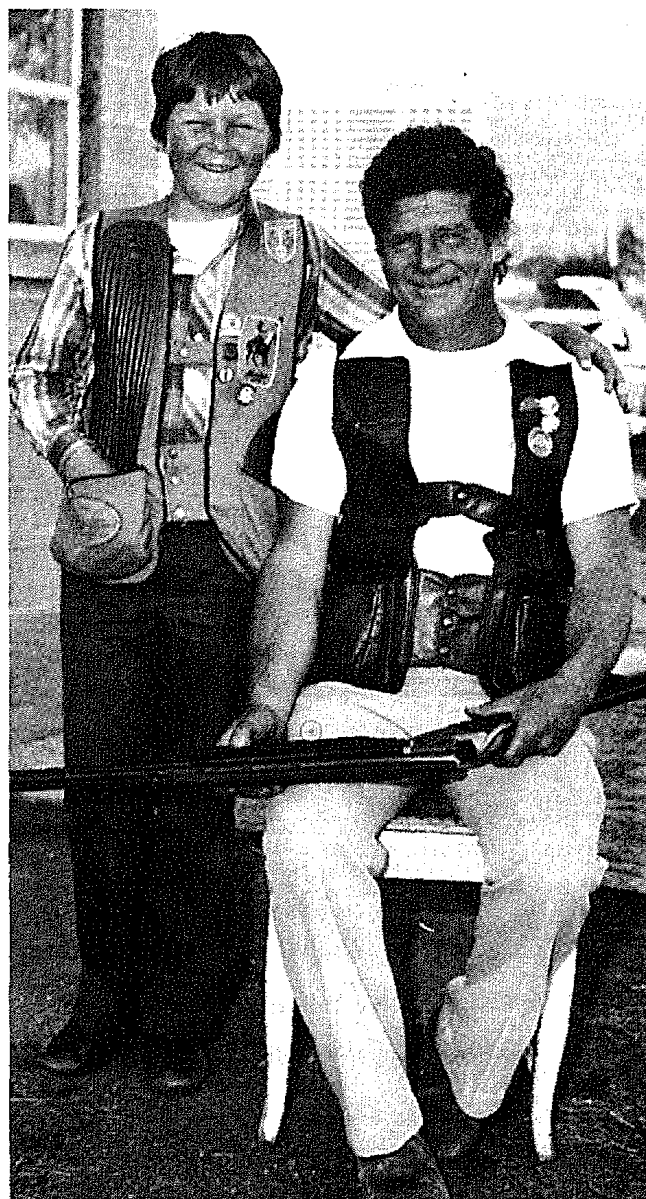

• Mr Mark Manning congratulates High Gun winner Sperry Marshall with other winners looking on. R. to L.: Graham Appleby, Brian Sidnell and B. Green.

The Schweppes Points Score State Championship got under way in good conditions with shooters and onlookers 'predicting' the winner! Shooting started very well with Allan Kean and Graham Appleby performing creditably. The hot favourite — Sperry Marshall — progressed with what looked like being a perfect score but a wind gust caused a problem, although this did not stop him winning the title with a score of 149-150.

Top A Grade shooter Graham Appleby, pushed Sperry all day but was just a fraction behind with a good score of 147-150. Allan Kean, popular East Coast personality, was very close as well with a score of 146-150.

Hobart Committee member, Brian Sidnell, continued with his good form to take B Grade honours 136-150. Graham Rider was runner up with 132-150. C Grade went to B. Green with a very good score of 136-150 with R. Sellers runner up with 132-150.

Event four, 25 targets Skeet proved to be one of the highest scoring events for the day. Stuart Browning, fresh from his recent ISU State Skeet victory, really turned it on with a brilliant score of 25-25 to win A Grade. Graham Rider took out B Grade with a perfect score of 25-25, leaving his opposition floundering. Chester Calvert and Bill Barrow fought it out for C Grade victory — Chester winning with 25-27.

• The very popular father-son Kean combination: Julian (son), Allan (father).

The Best 7 and over handicap shooter was B. Green, who had an exceptional day with a good score of 25-25. The final event, 8 Pair Deauville Doubles proved an interesting competition with the winning pair Garry Gorman and Allan Kean scoring 8-8. The second placegetters were Terry Weeding and Sperry Marshall after a very 'dubious' and 'jovial' shoot-off.

Mr Mark Manning, the State Manager of Schweppes, attended the shoot and presented the sashes and trophies to all the winners. All shooters voiced their appreciation of the Schweppes Company's participation in sponsorship of the Championship and hope that this is only the start of a mutually satisfying association with the well-known company.

Hobart Gun Club President, Ken Copleman, together with all committee members and shooting members, extend appreciation to Mr Manning and Schweppes for the very generous assistance given that ensured the success of the Championship.

• Hobart Gun Club President Ken Coppleman with Overall High Gun winner Sperry Marshall.

## WINDY WINCHESTER SHOOT

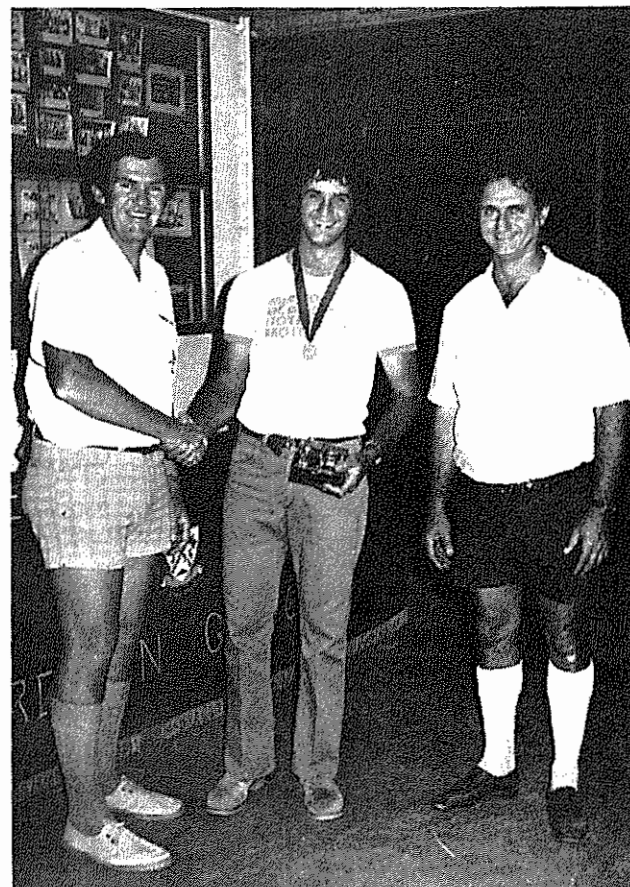

Burdekin Gun Club was the host club for the allocated Northern Winchester Tournament shot under very windy conditions, and 53 shooters which included visitors from the Charters Towers, Townsville, Warwick, New Zealand, Herbert River, Sunshine Coast, Silkwood, Port Denison, Cairns and Lightning Ridge gun clubs.

The Winchester event of 50 target DB from 15 metres had an outright winner in Angelo Zappala of Burdekin. Angelo who has been having a bit of an unusually lean trot lately, came good when the stakes were high and won for himself as outright winner a Bat Masterson Commemorative Rifle valued at \$525 plus a special tricolour sash and 500 trap shells valued at \$135. He automatically took out the 20-25 meterage trophy.

Three shooters with 49-50 shot off for the placings in this section and they went to Max Nicolaides second and Steve Nicolaides (both of Burdekin) third. Tom Comerford (Tvl) who shot most consistently throughout the two day events, unfortunately dropped his first target in this shoot-off.

The 16-19 meterage section saw yet another Burdekin shooter ring up No 1 and this was Cec Haller with 48-50. He received another bonus by also winning the veterans trophy from R. Wilson (P.D.) 47-50 who shot off Noel Beale (Tvl) third.

The under 15 meterage prize had an outright winner in Barry Campbell of Cairns 49-50 with L. Solari (H.R.) second and W. Gillingwater of Lightning Ridge third, both with 47-50. Both Cec Haller and Barry Campbell also won similar trophies to Angelo with the exception of the case of shells which was for the overall trophy.

• Father and son combination event, Steven and Max Nicolaides (Burdekin) 98/100.

## GOODOOGA CHRISTMAS SHOOT

Shooters travelled from Bourke, Brewarrina, Warren, Gilgandra and Lightning Ridge to partake in our Christmas shoot at Goodooga, Australia's Most Boring Town. What fun we had.

All shooting being of the Novelty type with plenty of fun and laughter. Peter Fitzalan from Warren was the man of the day, winning four beautiful leg hams. Peter won three events and the overall High Gun. Colin Betts from Brewarrina won the other event and was also runner up in the overall High Gun. Bill O'Brien, once a local shooter home from Barrow Island in WA, won the Intermediate High Gun, with Wolf Reichler from Brewarrina being runner up.

The ladies also had a shot at the targets and were rewarded with a beautiful turkey for their efforts. The ladies also prepared a very special salad for the evening meal which was greatly appreciated by one and all. Refreshments were also complimentary to all and flowed late into Sunday morning. Many a sore and sorry face to be seen.

Dennis Davison of Lightning Ridge made a small speech advising that he was leaving the district. Dennis paid tribute to Mick Shields and his efforts with the Goodooga Gun Club and also congratulated all club members alike for such a fine presentation of spirit and fellowship.

A very happy new year from all at Goodooga Gun Club.

Bad Shooter. ○

# SYDNEY TWO DAY SHOOT

Sydney Clay Target Club's two day Video Shoot held on 30/31.10.82 was a great success. Shooters arrived from some ten clubs throughout the state with 56 shooters on Saturday and 78 on Sunday. It was just a comfortable crowd to cater for.

Over \$3000 worth of prizes were displayed and shot for, being possibly the richest table ever presented at Sydney. Saturday started out a perfect day, the traps were set and the shoot got under way at 12.30 pm, about the same time as the gusty winds came up, playing havoc with the targets for the rest of the day. And trapshooters having the sweet disposition and understanding they have when it comes to anything but perfect targets, I thought we were in for some hard times, but everybody took the windy conditions in their stride.

The first event, an eye opener, saw 11 possibles to share the money. Next event was the Blue Dot DB Continental Championship.

• Winner of A Grade Bill Jones, with Sydney Club President, Ron Fenton.

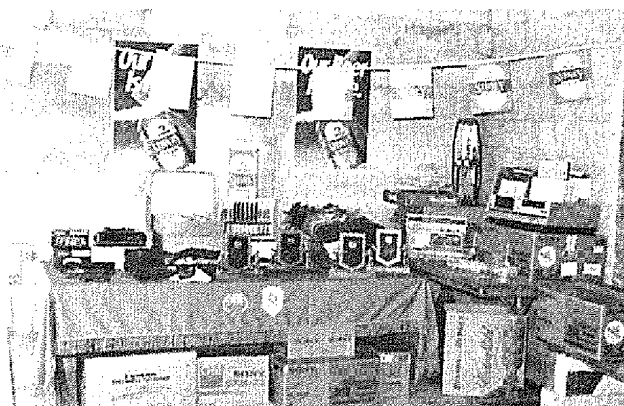

A Continental was exactly what everybody needed on a windy day, but surprisingly the possibles kept rolling in with the final result: J. Smith (Cowra) taking A and OA, T. Ansell (Sydney) second. B grade, 1st P. Rose (Sydney), 2nd B. Samuels (Sydney); C grade, R. Dable (Royal Aero) 1st, W. Baxter (Goulburn) 2nd.

The main event on Saturday was the Western Firearms DB Championship, and a fine shoot off, some 62 targets, between Bill Jones of Illawarra and Geoff Kidd of Sydney, saw B. Jones A and OA, G. Kidd second, and D. Osbourne (Cobar) third. B grade, D. Clarkson (Sydney) 1st, J. Gorman (Grenfell) 2nd, and one of our lady shooters Chris Drower 3rd. C grade, C. Tilly (age 13) first, cleaning up dear old Dad, M. Tilly (Sydney) 3rd with C. Buckley (Goulburn) taking second.

Those who stayed after the shoot were treated to complimentary drinks and a BBQ as the committee geared up for the Sunday crowd.

Sunday arrived with rain and a very unpleasant outlook for the day but by 10 am start time, the rain had gone and the shooters arrived.

The fourth event, the Sydney CTC PS Championship saw W. Jones and K. Loy in fine form and obviously the ones to beat with W. Jones taking A and AO and K. Loy (Sydney) second. B grade, S. Tosan (Sydney) 1st, P. Etherton (Wakehurst) 2nd; C grade, C. Mason 1st and P. Zapantis (Newcastle) 2nd.

• Trophy Table, Sydney two day shoot.

Then came the big one, the Video Trophy 50T DB. This seemed serious business, the shooters quieter and the squads moved through more slowly with the concentration.

Once again W. Jones took A and OA with J. Smith (Cowra) 2nd, V. Gatt (Royal Aero) 3rd. B grade, P. Etherton (Wakehurst) 1st, G. Lyman (Sydney) 2nd, W. Baxter (Goulburn) 3rd. C grade, J. Abela (Hawkesbury) 1st, G. Buckley (Goulburn) 2nd, P. Zapantis (Newcastle) 3rd.

The last event on the card was the Japp Ammo Championship and a chance to relax a little. A grade, D. Osbourne 1st, F. Sribinowski 2nd. B grade, P. Etherton 1st, S. Tosan 2nd. C grade, G. Buckley 1st, C. Mason 2nd.

Overall High Gun for the two days was K. Loy with 208-210, a top score even under ideal conditions. A grade high gun J. Smith; B grade high gun S. Tosan; C grade high gun F. Roberts.

The committee of management would like to thank the referees and those who helped organise the shoot and meals. Also the sponsors for their support with overall trophies.

• Group shot of all winners and place getters over two day shoot.

• High Gun winner Kevin Loy receives trophy from president Ron Fenton.

## NARROGIN DUCK SHOOTER SPECIAL 1982

**December 5, 1982**

Typical December weather didn't deter shooters from bringing in good scores on the day.

High Gun winner was Keith Anderson, long time shooter of the Kojonup Gun Club, with a score of 98-100.

Ladies High Gun was won by Marge Slee from Albany Gun Club, with a score of 96-100.

Veteran High Gun was ably won by Mr Joe Wansborough, from Northam Gun Club, scoring 90-100.

Junior shooter Ashley Wiese, Narrogin Clay Target Club, won the Junior High Gun. Other place getters over the four events for the day were:

Event 1 Cash Graded: A grade was equally won by Ross Eckersley, Narrogin and Keith Anderson from Kojonup; B grade went to Terry Shine of Boyup Brook Gun Club. C grade was won by Ben Buemi, Narrogin, who achieved his 25 break merit badge.

Event 2 was the Narrogin District Double Barrel Championship. Overall winner of this championship was Colin Hinkley, Narrogin; A grade winner was Keith Anderson, Kojonup; B grade winner was Helen Wiese, Narrogin; C grade winner was Rob Dunbar, Narrogin, who shot his personal best on Sunday.

Event 3, the Inaugural Great Southern Zone Double Barrel Championship. Overall winner was 1982 State President, Murray Alexander from Azzuri Gun Club. A grade was won by Darrell Wiese, Narrogin; B grade winner was Laurie Hull, Katanning; C grade went to Narrogin shooter, Frank Buemi.

Event 4 was the Duck Shooters special. First prize being an Engel car fridge, was won by Michael Mitchell from Wagin Gun Club, after a shoot-off against Ray Lewin, Narrogin, who took off second place. Third place went to Lou Lupp, Katanning.

This was the closing shoot on the 1982 itinerary for Narrogin Clay Target Club.

Club president thanked his committee for the 1982 season and also thanked the ladies of the club for the support in the kitchen throughout the year.

Best wishes are extended to shooters and friends for a happy and prosperous 1983 shooting year.

# WINDY WINCHESTER SHOOT

Cont'd from page 34

Sandra Wade of Townsville 36-50 won the Best Lady Trophy and F. Lachran was second. Fil Bonanno of Burdekin 44-50 was second to Cec Haller 48-50 in the Veteran's trophy.

The Winchester Combinaton shoot trophy went to Max and Steve Nicolaides with 98-100. New Burdekin shooter Alan Milani won the Junior trophy. The Burdekin team comprising Angelo Zappala, Pio Bonato, Richie Mau, Max and Steve Nicolaides, were successful in winning for the Burdekin Gun Club a Winchester 1500 Automatic shotgun by topping the Winchester Club team event trophy with a total of 239-250 points, four points ahead of a Townsville team. ○

# Make your mark with Winchoke!

Now one gun  
can give every  
choke combination  
you need.

Fixed choke trap guns  
are designed for a certain range.

Shoot inside, or outside  
that range and your chances  
of a hit decrease.

To remain competitive,  
every time a shooter improved  
and moved back a mark, he  
really needed a new gun with different chokes.

But Winchester offers a different suggestion —  
interchangeable chokes.

Six different Winchoke tubes:  
skeet, improved cylinder, modified,  
improved modified, full and extra  
full; giving every grade of shooter all  
the flexibility needed.

No matter whether you're a  
front marker, or back, you can  
now get the choke combination  
you need — from the one gun!

See the full range of  
Winchester Winchoke Over  
and Under Shotguns, for trap  
and field, at your nearest gun  
dealer now. There's one just  
right for you.

**WINCHESTER**  
More than a gun. A legend.
