EXECUTIVE DIRECTOR'S NOTES

The Minister for Sport, Recreation and Tourism, the Hon John Brown, M.P., has announced grants totalling \$5.285 million to 98 National Sporting Associations, under the Sports Development Program for 1983-84.

Clay Target shooting benefits by a grant of \$35 000, an increase of \$10 000 or 40% on our grant for the previous year. This is made up of \$5000 for general administration, \$25 000 towards funding the National Coaching director, and \$5000 for coaching projects. The coaching area was the main thrust of our submission for funding assistance for this year.

The shooting sports together received \$129 000, made up as follows:

Australian Shooting Association.....	\$52 000
Clay Target Shooting.....	35 000
Pistol Shooting.....	12 000
Field and Game.....	11 000
Big Bore Rifle.....	9 000
Sporting Shooters.....	7 000
Small Bore Rifle.....	3 000

\$129 000

We will also share some of the money granted to A.S.A for international competition, and a pre-Olympic preparation grant of \$900 000 allocated to the Australian Olympic Federation to prepare Australian teams for Los Angeles in 1984.

The Hawke Government has certainly backed up its election promises to sport, with the hefty increases in funding under this program.

★ ★ ★

As I write the Skeet Nationals at Melbourne Gun Club are about a week away. Motels in the area report heavy bookings, with a contingent of New Zealanders included in the reservations. Competition is expected to be very keen, I'm told the dedicated skeeties have been training hard for the series.

★ ★ ★

The 1984 Olympic Discipline Nationals in February-March promise to be bigger than ever before. Matt Dryke and Dan Carlisle from the U.S. Army Marksmanship Unit at Fort Benning are definitely making the trip, as is another top skeet shooter in Dean Clark. Dryke is the current World I.S.U. Skeet Champion, and Carlisle won the World I.S.U. Skeet Championship at Caracas, Venezuela, in 1982, after shooting off with Clark. Both had shot 199-200. Dan Carlisle is also a master of Olympic Trap, being in the shoot-off for the gold at Caracas with 197-200. A fantastic performance after winning the gold medal in skeet. Other top international competitors have been invited to compete in what should be a marvellous pipe opener for the Olympic Games.

Enjoy your shooting, IAN C. HILL ○

EDITORS MAILBOX

Dear Ian,

Firstly I would like to take this opportunity of thanking you and your editorial team for bringing us the latest information and up to date results of shooting events. As we are all aware of your near impossible deadline date it is very much appreciated.

As an active shooter, I like to attend as many events as possible in and around this zone and was anticipating travelling to Melbourne for our first skeet nationals in November. I now realise the inappropriate days these events have been scheduled on. Surely, I am not alone in my complaint as a large majority of us take days from our holidays to attend nationals but do expect the weekend to be utilised fully.

Sadly, I will now be unable to attend this event but I do hope that next year the organisers have a bit more consideration for those of us in the workforce.

Yours faithfully,

Nigel Jones,

1983 LUFTHANSA MELBOURNE TEAM SHOOT

Brian Clark

• Lufthansa Shooters pictured at Melbourne Gun Club.

4.30 am on Tuesday, October 4, found Bob Buchan, Henry Weitzel, Merv Whitelaw and the writer at Tullamarine Airport International Terminal awaiting the arrival of the members of the Lufthansa Sporting Club from Frankfurt.

Guns, luggage, cartridges (and of course the Lufthansa tour group) quickly cleared customs and, with the aid of a mini bus and Merv's truck the group were soon on their way to the Mt Martha Motel.

Three other members of the team entourage were to arrive from USA later in the week and moved into the local Lilydale Motel.

On Wednesday, the 5th October all team members arrived at Melbourne Gun Club to familiarise themselves with the club's layout and to check the targets. Although it was a beautiful day, the wind soon made conditions very difficult and no good practice scores were returned. The Lufthansa team adjourned to the hospitality of the clubrooms and it was obvious that certain members had developed a taste for Crown Lager.

All team members arrived at the club on Saturday, October 8 and were confronted by perfect shooting conditions (and a new program on the first trench layout). The female members of the group were present and supported their team members with vigour.

Harald Jurgenson ("Mr Crown Lager") shot a brilliant 25 and went on to score the highest individual total (92-100) for the first day of the shoot. Harald was followed by Jack Henwood with a 91 and the writer with 90.

Many members of the Melbourne Gun Club, together with all Lufthansa visitors, enjoyed a barbecue with music supplied by Merv Whitelaw. The club is indebted to our ladies for their tireless efforts making this a most memorable evening and I believe that our visitors were overcome with the hospitality shown by the members of Melbourne Gun Club and their families. Our special thanks to our Committee members, Gary Smith (for the lighting) and Terry Wilkinson (for the meat).

The writer and certain of our team members thought that the only way we could stop Harald from winning the event

was to "noble" him with Crown Lager, however, it was obvious that Harald would have taken on all comers and found them wanting.

Once again shooters were confronted with perfect shooting conditions for the second day of the shoot and team members from both sides were anxious to make a good showing in an endeavor to consolidate their team's position. The German Consul General attended the shoot and received some coaching from Rupe Henwood.

The members of Melbourne's Ladies committee took the visiting ladies for lunch, to the Tulip farm and for a drive in the Dandenongs. Once again all visitors enjoyed our ladies' hospitality.

As shooting commenced it was obvious that Melbourne's team would consolidate its lead and retain the team's title won in 1982. Harald was suffering and returned a score in the low 80's. "Skinny" Lowry had entered the second day's shoot only and showed his class by shooting an immaculate 98-100. The end of shooting saw Melbourne's team win the team shoot by a very comfortable margin of over 80 targets.

It must be remembered that the visitors were missing at least two of their better shooters!

Jack Henwood and the writer finished with 182-200 and a shootoff resulted in Jack shooting 23 and the writer 24 and the high-gun for the second year.

In a very emotional presentation badges were exchanged, team members were presented with medals and the following trophies were presented:

Best visitor for the Sunday — Harald Jurgenson.

Visiting High gun — Harald Jurgenson.

Shoot high gun — Brian Clark.

• During presentation of hand painted memento to M.G.C. president Bob Buchan.

A STICKLER FOR SAFETY

Tom Gannon

• Five Victorians at a shoot at the Nobel Gun Club at Footscray in the 30s. L to R: The then manager of the ICI Ammunition Department, Jack Sutherland, who shot under the name of Calrossie; Donald Macintosh; Jock Stoddard, president Nobel GC, and Jock Wilson, first ACTA president.

Despite his once appearing in a group photograph with both hands resting on the muzzle of a closed gun, the Australian Clay Target Association's first president, Jock Wilson, was a stickler for safety.

Mr Wilson 87, was president from 1937 to 1957.

He lives with his daughter and son-in-law, Clover and Reg Glover, at Almurta, near Korumburra, in Victoria.

He was once invited to speak at a dinner after a trap shoot in England.

He said the slackness in safety that he had seen around the ground that day, would NOT be tolerated in Australia.

"They walked about with their guns closed and, in some cases, closed and LOADED.

"What I said did not go down very well with them; and a subsequent speaker took me to task.

"Next day that speaker had his gun closed and loaded, waiting to go out to shoot. A dog jumped up on him, caught the trigger, and somebody was seriously hurt.

"I was greatly distressed"

A few years later, at an annual inter-services shoot at the Nobel GC at Footscray, Mr Wilson reprimanded an English admiral for carrying a gun closed.

"He snorted his disapproval at my rebuke, and continued to carry the gun closed.

"I then told him that, as club president, I was in charge of

the ship that day; and if he would NOT carry his gun correctly, he should leave the ground.

"He left."

NZ Nationals

Mr Wilson was not allowed to compete at the NZ Nationals in '37 because he had not been an NZ resident for six months.

"I had arrived only two days earlier. I reminded them that THEY shot at our Nationals without residential qualifications.

"However, the secretary stuck to the rule.

"They would not even let me shoot for the sweeps — only for the targets.

"As it turned out, I was the only one to break the 25.

"The winner, with 21-25, was a 6' 5" Maori who, in his acceptance speech, said his was a very hollow win."

The J. M. Wilson Perpetual Cup that the winner of the Australian double barrel championship gets, perpetuates the memory of the same, old man who was the first life member of the American association not resident in America; and is still a life vice-president of the controlling English body.

Favorite gun

Mr Wilson's favorite gun was a made-to-measure, side-by-side French gun.

"I shot them all, including Purdeys. But I did best with one that a former manager of Purdey made for me in a French factory that he went over to manage.

"It was a tightly-patterned hammer gun with short-travel hammers.

"I later got another one of the same make; but hammerless, with ejectors and 28 in. barrels.

"It was great for field shooting. Reg Ansett finished up buying it from me."

Mr Wilson then a Melbourne wholesaler and retail butcher and racehorse owner, was once offered a Purdey for 25 pounds by the son of a Melbourne bookmaker.

"I contacted a friend at Melbourne CIB to find out if a Purdey had been stolen in Victoria. None had.

"I got the detective to check if one had been stolen in Australia. None had.

"Even so, I knew there was something fishy, and did not accept the bargain.

"It turned out to have been stolen in England the previous year."

Greeners

Mr Wilson once air-freighted for 12 pounds 10 shillings a Greener to its English manufacturer for rebuilding.

It came back in mint condition.

"But I never got an account. Next year I was in England, and called at Greeners to pay.

"The manager said if I had enough faith in Greener to send a gun 10 000 miles, there would NEVER be any charge.

"Calrossie got Greeners to make him a made-to-measure gun on his way to a European championships.

"Calrossie only worked for ICI, and could not afford the eventual cost, and finally admitted it to Greeners.

"Greeners got around it by saying that they had no intention of charging such an outstanding shot as him.

"They weren't wrong; Calrossie won the world live bird championship.

"Yet he and Donald Mackintosh, who also won the world live bird championship, were not good on clay targets; they couldn't win the Nobel GC championship."

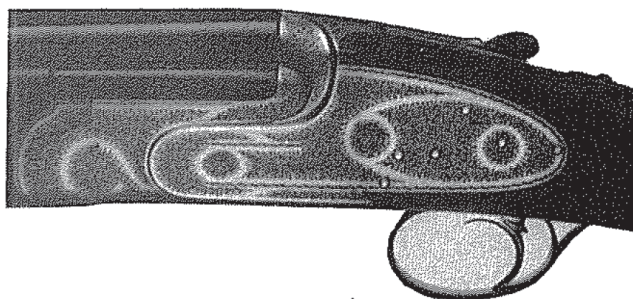

"SEND YOUR DOG!"

Is a light-hearted remark to a shooter who has missed a target. But Alan Sydenham did NOT need his spaniel to retrieve targets at Korumburra last August; Alan shot very well. But in a lull in shooting his cocker, "Joe", trotted out and brought back an unbroken target.

A de-luxe newcomer

"JOREMA" O/U 12 guage by "Abbiatico & Salvinelli" (FAMARS)

The Italian firm "Abbiatico & Salvinelli" (also known as Famars) has just completed the full range of the four international gauges (12-20-28 and 410) for its much appreciated classical sidelock Over-Under "JOREMA 800" model.

The project involved six years of preparation and now, after the 28, the 410 and the 20 (made in this order), is the turn of the 12 gauge which has been expected with great interest.

The Jorema 12 gauge is being built in three versions: game, pigeon and trap. The basic features are the same for all three models but the measurements, the barrels, the chokes and the stocks are of different proportions, carefully chosen to satisfy the various uses and needs.

The only mechanical difference are in the fore end release: in the game version it is the same as the small gauge guns while the pigeon and the trap version uses the forward push button release (as traditional side-by-side type).

One interesting feature consists in the interchangeable lugs which can be replaced, if necessary after very prolonged use.

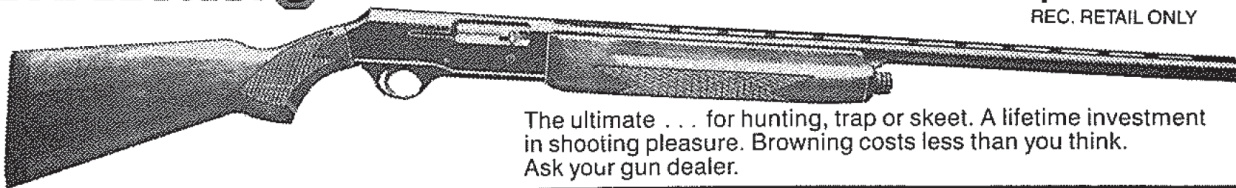

The single trigger mechanism, an "A. & S." creation is non selective. The barrels, as all built by "Abbiatico & Salvinelli", are drawn from a forged nickel-chrome-molibdenum steel and welded in the traditional chopper pump system.

The newly designed locks are made with the screws and the pins exposed in the classical manner or, when required for very special engravings, without screws or pins protruding.

● L to R: Dean Freundt and Ivan Wakefield with club president Peter Caddy at Barmera Gun Club.

Saturday 3rd, Sunday 4th, September, 1983: Barmera Gun Club, in SA, a club I have had the pleasure of shooting at for more than 20 years, celebrated their 25th anniversary. The shoot clashed with a major event in Broken Hill and kept numbers down, which was disappointing to the club administrators. Long standing club president, Peter Caddy, assisted by his capable secretary, Peter Winzen, made sure those who made the effort to attend their celebrations, enjoyed their weekend. A special dinner at the Barmera Hotel was organised to celebrate the occasion. Peter Winzen, a baker and pastry cook by trade, had the responsibility of catering for all present at the shoot and even provided a decorated cake for the 25th anniversary. Dean Freundt, Ivan and Ron Wakefield, and Ivan Maywald, all had successes by taking the

anniversary titles, with Rhonda Winzen winning the ladies high gun. Ivan Wakefield captured high overall, over the two days program.

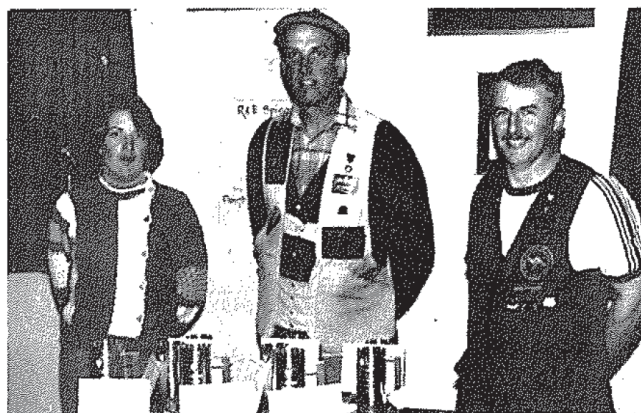

Friday, September 16, 1983: Hopetoun Gun Club organised a night shoot for interested shooters in the area. Brian Loxton, from Ouyen, who had not shot well at the State Carnival only a few days before, went from A to B grade and

excelled himself by winning the Night Championship on the program. It appears he shines under lights.

Saturday, September 17, 1983: Callawadda, a popular club with shooters, attracted good fields to its monthly shoot. Leon Gibson, the club president seems to know what shooters expect from the sport, and he along with his committee have a long list of satisfied customers. Quite a few improvements have been made to the club since my last visit there. Extensions have been added to the clubrooms. Also shower facilities for shooters wishing to camp at the grounds have been installed. Leon informed me the club is available to any

shooters travelling and wanting to camp on site. It is a facility that will be well used for their two day shoots.

Sunday, September 18, 1983: The RAAF Gun Club, situated at the RAAF base at Point Cook, Victoria, attracted 80 shooters to their afternoon shoot. The two event program consisting of 40 targets commenced at Noon. The 30 target Continental Championship on the program was sponsored by Russell and Ed Spicer. It was my first visit to this club, and like all present on this day, I thoroughly enjoyed the hospitality extended by the club president, WG CDR Doug Godfrey and club secretary, Sgt Phil Baldock. As well as being the recipient of a gift to remember my first visit to this club, which I appreciated, I was also presented with a cheque for

Saturday, September 24, 1983: The North West Zone held its annual general meeting at the Horsham Gun Club with 13 clubs being represented. Because of resignations and some councillors not wishing to stand for re-election, new faces appear on the Zone Council. Jim Shepherd from Maryborough is the zone secretary-treasurer, and was also elected as the zone delegate for the State Council. After reporting on the success of the zone's activities for 1983, John Clark was re-elected zone president for yet another term. Ninety-three shooters entered the events of the shoot that followed the meeting, organised by Horsham Gun Club. Horsham Gun

Club also cleaned up a strong field of contenders to take the Eley Team Shoot. Bruce Papst, Peter Cleggett, and Ron Newell were the best individualists on the day, and won title honors in the main events.

Sunday, September 25, 1983: Toolondo Gun Club organised a club Deauville Doubles and club Single Barrel Championship for their monthly shoot. Although not a large field it was an enjoyable afternoon of shooting. Victorian State vice president, Robbie McDonald and his partner George Eagles won the Deauville Doubles title with Robert Papst taking the Single Barrel title.

Monday, September 26, 1983: A VCTA sub-committee to look into forward planning and development of the VCTA met in Melbourne at the residence of State president, Bob Buchan. All areas in relation to the administration of the VCTA were analysed with the view of improving the workings of the State Association. John McElvogue has resigned as State secretary and the State Council is now seeking applications for the position. John, is to be complimented for his contribution to the development of the sport in Victoria, since he has carried the responsibility as State secretary. Thanks John, on behalf of the Council and all shooters throughout Victoria. All deliberations by this committee at this meeting will be submitted to the full Council for ratification.

Tuesday, September 27, 1983: The organising committee responsible for the first ever Skeet Nationals, to be held at Melbourne Gun Club, met to discuss final preparations for the big event. The donations that have been made, by several shooting enthusiasts, for the perpetual trophies, i.e. Overall Ladies, Juniors, Veterans, Two Man Team, Club Five Man Team, and Inter-State Shoulder to Shoulder match, as well as the donation of an overall trophy for every event on the program, certainly shows there is a strong desire from within our ranks, to see our sport prosper. I am quite confident the organising committee have done their utmost to provide a great series, and no doubt it will be, if given the shooter support.

Thursday, September 29, 1983: The North West Zone conducted its annual School Boy/Girl Championship and coaching day at Warracknabeal Gun Club. It was a great success. Credit for its success, must be extended to Kaniva School teacher, Jim Wagg. Jim had the responsibility of contacting and advising all schools within the Zone, of the venue. Seventy-six pupils, from nine schools turned up with several entries coming from Bordertown High School in SA. The Zone Council is indebted to, and appreciates the assistance of Olympic Clay Targets in sponsoring the running of the venue. Top senior boy title went to Anthony Davies, with Kevin Shordacil taking second placing. Both are from Rainbow High School, Andrew Pitt from the same school collected the junior boy honors with Anthony Smith from Goroke collecting second trophy. Christine Flavel, Rainbow High School, and Sharon Pike, Warracknabeal won the prizes in the girls section. Anthony Davies, Andrew Pitt, Kevin Shordacil

Saturday 1st, Sunday 2nd, Monday 3rd, October, 1983: The NSW Clay Target Association conducted their State Carnival at the Illawarra Gun Club over this weekend. The club is a shooter's dream, and a credit to its members. It features a two-storey clubhouse, with office, kitchen-canteen and toilet areas at ground level. On the first floor, is a carpeted clubroom and bar. The clubroom overlooks the shooting ground, with glass sliding doors leading to a balcony where one can sit, relax, and observe all the shooting activities on the tracks below. Their ground features five DTL trap layouts and one skeet. All grassed and neatly laid out, overlooking a very scenic and hilly countryside. Weather conditions were good for the carnival on the first two days, with it becoming overcast, windy and wet on the third day. Jim Ellis, one of Australia's top performers with a shot gun,

• **Jim Ellis collects his sash and trophy from Mary Lou Parker, at the NSW Trap Carnival.**

made his presence felt. Jim collected the State DE Championship with 142-142 from 153 entries. The State Point Score title also went to Jim 149-150. 149 shooters entered this event. Andrew Futter put a halt to Jim's run by winning the State Single Barrel 73-76. However, the master, Jim Ellis, came back again, taking the Champion of Champions 148-150, and the overall High Gun 391-400. Jim's record, three out of four State Titles on the program and the High Overall as a bonus, was an excellent effort considering the strong

fields. Maree Rooke won the Ladies High Gun 363-400, and the Junior High Gun went to David Wilson 359-400. The Carnival, judging by the shooter attendance, as well as the atmosphere that prevailed around the ground, would have to be recorded as a great success. I am sure State president Robbie Parker was pleased with the end result. The NSW State Carnival over, I journeyed to Sydney. I was invited by Sergio Zuffo to have a look over his clay target and cartridge manufacturing factory, so made it my first port of call. When you consider approximately 70 000 clay targets per day, come out of this factory, and are transported all over Australia, to various gun clubs, it makes you wonder, just how big is this sport. Sergio, my host for the next week organised my place of abode and gave my wife and I, along with his family, a night out under the Sydney lights. With Serg, I had the pleasure of attending NSW, Hawkesbury, Wakehurst and Marconi Gun Clubs. The hospitality extended to both my wife Agnes and I, on my visits to the various clubs, was greatly appreciated. Thanks to all concerned.

Saturday 15th, Sunday 16th, October 1983: WACTA, known as the West Australian Clay Target Association conducted their State Skeet and Trap Teams matches over this weekend. They were hosted by the Perth Gun Club. Weather

conditions were perfect for shooting, with a record number of 165 shooters attending, to test their skills in the events. From the Eastern States came Adrian Cousins, Victoria, to try and pick up the State Skeet Title, the second event on the program. Even though Adrian missed out, and the title went to Colin Hinkley 50-50 from Narrogin, Adrian's presence and ability in American skeet sure put pressure on the locals. Martin Alcock from Azzuri shot 54-54 to win the WACTA Skeet title. The DTL, WACTA title winners were, Double Barrel, Michael Calaghan, Perth 90-90, Single Barrel, Fred Heinze, Victoria 29-29, another visitor from the East. Fred had the responsibility of organising a conference in Perth, so made sure the conference started on the Monday after the shoot. The Points title went to Brendon Vodden, Kalgoorlie 93-93. Helen Wiese won the Ladies Team High Gun, with Jeff Hopkins taking Junior honors. Well known WA sporting identity, Tim Catling, was the only open team member to shoot a clean 150-150, to be High Overall in the State Postal Team. John Harris from Cunderdin carded a 194-200 to win recognition as the most consistent shooter over the two-day program. The shooter attendance surprised the organisers, as they were not expecting record-breaking numbers. The atmosphere and general morale of the shooters around the ground was a pleasure to see. The barbecue tea and liquid refreshments, provided by the host club, as a wind-up to their weekend of shooting was also a highlight and enjoyed by all.

Saturday, October 22, 1983: The South East Zone Trap and Skeet Carnival at Melbourne Gun Club attracted 143 shooters. Weather conditions were fine, with a light breeze, allowing shooters to record high scores. It was a six event program with inter-club team shooting being keenly contested. The Cerberus team of Chris Carrol, David Lillis, Steve White, Charles Cerchi and Wayne Clapman sealed the recognition of

Williams was an outright winner in a 25 target skeet cash division. In the club Skeet Team contest, Melbourne Gun Club members, Bob Buchan, Neville Moore, Karen Williams Alex Crikis and Alan Blease teamed to win the honors, scoring 238-250.

Sunday, October 23, 1983: Not having been there for some time, I decided to visit Korumburra Gun Club in the Gippsland area. In my travels over the last few months, one cannot help but notice the transformation of our countryside, since the rains. From a dry arid countryside to a lush green, no matter which State one travels through. Even the burnt out areas of Ash Wednesday of SA and Victoria are sprouting re-growth. Great to see. Wayne Parkes won the Double Rise Championship. I partnered Rob Farres to win the Deauville Double title, after a shoot off with Ray Lloyd, a visitor from New Zealand, who was shooting with Phil Dittmer, another of his countrymen now living in Australia.

Saturday 29th, Sunday 30th, October 1983: The Tasmanian Clay Target Association conducted their State Teams match at the Tasmanian Gun Club in Launceston. Clay shooting in this State has been reported as taking a slight downturn over the last 12 months or so. If the record attendance of 70 shooters at this Carnival, and the general attitude of the shooters present is any indication, Tasmania has made a revival. It was great to see the shooters competitive spirit, that was apparent at these titles. Kaye Woods, their State secretary is dedicated to the task of building a strong shooting State, and deserves credit for her effort. All Kaye needs is support of the Tasmanian shooter, and they will be

blessed with success. Great to hear of the shooter interest in the Skeet Nationals about to take place on the Mainland. Robbie Elmer showed what a capable State Coach he is by winning the Double Rise Championship. John Murphy, the State's representative on the Referees Association shot 137-137 to win the Carnival Double Barrel honors. Kelvin Viney won the Single Barrel 49-50 with the Carnival Points Score going to Peter Thurley 148-150. The Don Taylor Inter-club Shield went to Huonville Gun Club 99-100. Veteran High Gun went to Herb Kernson 265-290. Junior High Gun, Julian Kean 264-290. Doreen Aylett shot 233-290 to win the Ladies High Gun. John Murphy captured High Overall by shooting 279-290. State Postal Team High Guns were, Junior, Julian Kean, Ladies, Kath Von Strelitz and Open Shane Yates. As this will be my last article for 1983, and published in the December C.T.S.N., I take this opportunity to extend to all shooters and their families, throughout Australia, my best wishes for an enjoyable Christmas and Festive Season. Thanks for the support and hospitality extended to me at the many clubs I have visited during 1983.

VISITING SHOOTER MAKES CLEAN SWEEP

• High Gun winner, Ken Neill, Kempsey Gun Club.

The Kempsey Gun Club held its Open Shoot on Saturday, October 15, in showery and windy conditions which failed to dampen the enthusiasm of the largest number of shooters seen at Kempsey for many years.

Forty-one shooters contested four events, and included visitors from Sydney, Taree-Wingham, Port Macquarie, Coffs Harbour, Guyra and Dorriggo.

The Macleay Valley District 25 target Double Barrel Championship was won outright by Ken Neill from Port Macquarie Gun Club, with the only possible shot.

Second and third places in this event were decided after a shot-off between Ken McWhirter, Bruce Noll, Glen Baker, Colin Crighton, Darryl Johnson and Rick Hooper in third place.

Rick Hooper presented Ken Neill with a valuable Century car battery, which had been donated by Century Battery for this event.

Peter Crighton won the Junior Trophy in this event with 19-25.

The next event, the 25 target Macleay Valley District Single Barrel Championship was won outright by Ken Neill with 24-25 and Steven Saul was second with 23-25. Third place was taken by Rick Hooper after an exciting shoot-off from Bruce Noll, Coll Cross, Angus Mitchell, Glen Baker and Neville Flannery.

The Junior Trophy in this was taken out by Michael Buchanan.

The next event, the 20 target Point Score Club Anniversary was won outright by Ken Neill with a possible 60-60, and for this he happily received a National Microwave Oven.

Second in this event was Michael Buchanan with 58-60, and third place went to Bill Buchanan after a shoot-off from Rick Hooper, John Cunningham and Bert Edwards.

The Junior Trophy was won by Trevor Baker.

The final event of the day was a 10 pair double rise, and this was won by Rick Hooper with 17-20, Bert Edwards, John Cunningham and Colin Crighton being equal second with 14-20.

And so at presentation time Ken Neill took first prize in the three main events, some fine trophies and the overall High Gun Badge.

Eleven-year-old Peter Crighton took out the Junior High Gun Trophy.

A WELCOME RETURN:

When the old original Sutton Forest gun club down Moss Vale way closed a few years ago, it was a sad day for many of us who had the pleasure of shooting at this well run and fine little club. Set in a beautiful clearing on an evergreen field amid a magnificent pine forest, it could best be described the most outstanding setting for a gun club you would ever have the pleasure of shooting on. Many of the fine shots around today, gained a lot of valuable experience from the shoots conducted at the Sutton Forest Gun Club, and many life long friendship began as a result of meeting fellow shooters at these shoots.

The club has started once more, IT HAS A NEW LOCATION at the intersection OAKDALE ROAD & BARKERS LODGE ROAD, along Nolans Road PICTON. For more information club President BOB LIPSCOME can be contacted on (046) 55 1238.

It is now called FOREST gun club and all who enjoyed shooting at the first and original location down among the pines and fields of Sutton Forest, would I'm sure like to visit the new gun club.

Bob Lipscome is working very hard with his members and committee to get the club going and we at "Shooting Shorts" hope to make a call for one of the Forest gun clubs shoots in the near future.

I'm more than sure all the shooters around the Sydney area will give them all the help and support to get re-established.

THE ETERNAL OPTIMIST!!

As a clay target shooter, you must know the feeling. You've scrimped, saved and stuffed the pennies into your piggy-bank till you've got everything you ever dreamed of owning . . . well almost. The remote controlled colour T.V., the Alfa sports car with personalised plates, a case of Johnny Walker in the cellar, a few hand made suits, in your walk in wardrobe, a toasted sandwich machine, everything you could possibly need for the good life, well almost. But still you feel unfulfilled. Something is missing. After a few sleepless nights, you think you have pinned down the source of your utter discontent. Gradually, you begin to realise only one small barrier stands between you and the full flowering of the good life. Now driven by this desperate need for complete emotional stability, you save money with a ferocity, matched only by John Paul Getty (the multi-billionaire). You install a pay phone for your visitors, you walk to work each day. You spend your every hour plotting ways to save, save and save. After months of wilful self-deprivation you have saved and

now collected enough cash to pick out your perfect beloved that will put you in a class all by yourself.

A shotgun so perfect you just shoot possibles and possibles and win one event after another. Those of you that take this advice to heart, can just about be considered fully "qualified". But before you "graduate" from this article, let me pass onto you a couple of gems of wisdom . . . gleaned from years of painful and hard earned experience. The only way to obtain what could even be considered the "perfect" shotgun for competition shooting would be to have a gun measured and built to suit your person. In the meantime you can do what most others do and remain the eternal optimist, you never know the next gun you pick up may be the smoothbore just made for you.

MAKING SWEET MUSIC!!

That likeable and well known shooting coach Joe. Allotta (also new Vice-President of Hawkesbury Gun Club) invited your correspondent into the Royal Aero (flying) club Bankstown a few weeks ago for a drop of "ginger-beer" . . . it was a hot day. On our way out of the club house, we stopped to admire the new fangled and fancy electronic poker machines. Fascinating gadgets to say the least. Both Joe and myself put a few 20 cents into the very biggest of the space age machines and pulled the handle. Nothing happened except it played some far out MUSIC. We did this almost 6 times each. Same result, nothing but music!!

Both walking out the door, I laughed and said to my shooting mate. "Never mind Joe, we can't win any money Pal, But we sure as hell can make sweet MUSIC!!"

Half way back to the Aero gun club another shooter almost out of breath came running after us calling . . . "Don't you want your money?"

What money? We both blurted together in complete disbelief! Holding out a hat full of 20 cents, he explained "Everytime a machine plays a tune of music . . . you win. When you have completed your playing, you just push the handle or button on the side and the loot falls down into the tray."

Now Joe and I would not wish to imply we are a pair of "hill billies" by any means . . . leastwise we hope not! But after that rather eventful and educational experience, we both think beyond any doubt we would have to go close to winning this months top prize for pure INNOCENCE!!

GUNS ARE MY BUSINESS:

In a lifetime associated with firearms and shooting one manages to gather both expensive and endless volumes and knowledge on the workings and the history of its many sporting activities. Over the past many years one of my most enduring passions, has been the collecting of all ages within the smooth-bores development. Couple this with trade background and one tends to be in the position to locate all manner of rare and interesting works worthy of collecting, that are prime examples of firearms development.

Two shotguns I managed to acquire in recent years are worthy examples of this transitional period into today's modern breech loading shotgun.

The first was the PIN FIRE gun. Of the intermediate period, before the breech loader was successfully married to the centre-fire cartridge, the reign of the pin-fire gun could be

said to be the briefest. But, it enjoyed a world wide popularity and remained in use long after the new found breech loading gun, had in fact rendered the PIN-FIRE obsolete, via the use of what was to become today's centre-fire cartridge. A few lay claim to the invention, but the French gunmaker LeFauchaux is attributed with the invention of the first SUCCESSFUL breechloader. Adopting the pin fire cartridge, he first sold it on the Continent in the eighteen forties. It attracted no attention until it was shown at the Great Exhibition of 1851 (London). The concept was introduced in England, shortly after, by Joseph Lang.

The second gun was the Needlegun: This shotgun, invented by Joseph Needham, (Patent No 184, Oct 1852) Needham's invention (see picture) with barrels fixed to the stock like a muzzle-loader, was in fact designed for chamber-loading with a CENTRAL-FIRE cartridge. The gun is cocked by swinging the finger tab towards the top of the barrel, and pulling the engraved chamber cover outwards in order to insert the cartridge. When the double block is closed into place, the gun is ready to fire (it has slide side safety). While it could be said to be an ingenious arm, in which the striking needle pierces through the outer envelope of the cartridge. It had some success for a time. However, in the transitional period, it was doomed by the quick advance of simpler and better systems, and the new centre-fire cartridge and the guns developed to fire them. For the creative gunmaker of this period it was a very frustrating age indeed, for in this period of time new ideas, new devices tumbled out of the inventors workshop one after another, in what can only be called a period rich in a bewildering succession of new improvements.

LIVE BIRD SHOOTING

The sport of live bird shooting vanished in the period before the second World War (with a few isolated cases best not mentioned). But as our sport had its beginnings from this type of shooting, it is an interesting subject for historical purposes. We all know that it started on English greens when gentlemen in the 1700's shot pigeons released from under top hats until they were replaced with traps that threw glass-balls and later the clay target was to become the means by which our sport arrived at today's means of competition.

However, live bird shooting is still conducted in Spain, Italy and some rare locations in the U.S.A. It's a big money sport, and conducted on very professional lines. Big betting is conducted and some top shots make a full time living off their skill and the wagers and prize money that the sport is all about. For this reason, some makers are still producing high quality guns for these shooters. Most to some degree use side by side doubles, while others opt for special over/unders. Remington Arms U.S.A. produces a 3200 live-bird-model. These are without a doubt some of the finest and most prestigious guns sold in the U.S.A., most are hand finished to the buyers fit and needs and come with hefty price tags. One major change regarding the choice of guns, is that many shooters are going towards the Over/Unders, once the domain of the classic side by side double.

Perhaps the real classic in today's European live bird shooters choice, would be the Perazzi side by side model dho extra. This little wonder of gunsmiths hand finishing side lock will set you back \$44 580 with a gun case. While the live bird shooters are the real professionals in the gunning sports, they select the very best shotgun they can afford. When you're betting for the big money game, it's a case of second place is no place at all.

Before you head off to Mexico, Spain or Italy see Les Turner of Evans & Balfour.

NEW SIDE-LOCK DOUBLE:

My American connection reports that Browning, has introduced a side-lock double on the U.S. market. Side-lock doubles found on doubles from the top English makers of the expensive custom gun makers often in the \$17 000 to \$30 000 and beyond have made quite a few re appearances on Spanish and other made guns over the last few years. The new Browning is a true side-lock gun and not a box lock, with non-functional side-plates, but the real thing. The Browning B-ss Side-lock is steeped in tradition and is available in 12 gauge only with 2¾ inch chambers and either 26 or 28 inch barrels. On the Stateside market it retails for U.S. \$1,500 which should make it a very good seller with classic double devotees.

May we leave you this month with a quote from my "old mate" Murphy's-Law: Just when your scribe thought he was getting someplace, up pops Murphy the one and only optimist with this gem of an optimistic salute: "The light at the end of the tunnel, is the HEADLAMP of an oncoming TRAIN!"

Well as Geoff Rabbidge, would say, "A Smith & Wesson beats four aces!!", Have a good month in shooting . . . see you next month:

★ AND MAY WE AT 'SHOOTING SHORTS' WISH YOU ALL A HAPPY XMAS.

W.A.C.T.A. STATE TEAMS ELIMINATION

Michelle Alexander

• WA State Ladies Skeet Team, back row, L to R: M. Slee, H. Wiese, M. Alexander. Front row: L to R: J. Bunter, E. Forward, C. Ireland.

On Saturday and Sunday, October 15 and 16, the WA State Skeet and Trap teams were selected at the Perth Gun Club, South Guildford. The weather was fine until late Sunday afternoon resulting in scores being high.

In the months leading up to this shoot the WACTA executive worked extremely hard promoting the program and collecting the splendid range of trophies. It all paid off, as there were record fields in both sections. For the skeet 143 shooters competed for one of the places in the open team and six in the ladies. The trap section drew a total of 155 shooters for places in the open ladies and juniors teams.

ACTA President, Laurie Connors, is always a welcome visitor to WA. Adrian Cousens again flew over to try to win the State Skeet championship (and didn't) and Fred Heinze stayed all weekend and was successful.

WACTA SKEET CHAMPIONSHIP

Martin Alcock has been shooting skeet so well lately, and Saturday was no exception. He shot off with Kevin Childs to win the inaugural black and gold sash and overall trophy. Kevin received the trophy for first in A grade and Mark Middleton was second also after a long shoot off. John Harris and Vaughn Bunter gained first and second in B grade. Ray Fuller and John Tetlow took the places in C grade. June Roach picked up the ladies trophy and Pino Mezzatesta the Juniors.

STATE SKEET CHAMPIONSHIP

Adrian Cousens has been making the pilgrimage in search of the elusive title for several years but has always returned to "the east" without the red sash. It's always a pleasure to see him but we are not going to let him take that piece of ribbon out of "the west". Colin Hinkley did not let the side down this year. He made sure the title stayed where it belongs, in WA. In winning the State Skeet championship, Colin secured his place in the State Skeet team and went on to be the High Gun of the team and also received the R. J. Franklin Perpetual Trophy. At the end of the day he was floating on a cloud and the grin was permanently fixed

on his face. A grade went to Mike Callaghan with Adrian Cousens second. Successful B graders were Vaughn Bunter and "Duke" Wellington. The C graders were John Tetlow and Vic Irving. Margaret Slee, was one target out of the open team, won the Ladies trophy and again Pino Mezzatesta received the Junior Award.

Laurie Connors presented the team badges to the 1983 Skeet Team members, Colin Hinkley, "Duke" Wellington, Mike Callaghan, Dean Ireland, Tony Yozzi, Kurt Shinzig, Ken Holman, David Knight, Mike Wayne, Jim Neve, Ron Baker, John Harris, John Tetlow, Martin Alcock and Clive Shepherd. He also presented badges and kisses to the Ladies team, Margaret Slee, Helen Wiese, Jean Bunter, Elaine Forward, Colleen Ireland and Michelle Alexander. Margaret Slee won the High Gun sash and the Helen Wiese Perpetual Trophy. Perth Gun Club won the Perth Interclub Skeet Shield for 1983.

After the skeet teams shoot, the Roy Alexander Junior Championship was shot off. Jim Chandler won the championship from Jeff Hopkins with Chad Johnson in third spot. These boys had travelled from Geraldton, Cunderdin and Leonora to take part in this event. Chad Johnson is WACTA's nominee for the Coca Cola Junior Sports Star of the Year. Elliot Harris, last year's winner, pinned the badge on Jim Chandler's jacket and helped WACTA President, Murray Alexander present the trophies. Incidentally, Murray is the senior nominee by WACTA for the Sports Federation Sportsman of the Year.

The barbecue was held on Saturday night to allow the country people to relax and enjoy themselves without having to rush home. It was not a late night and most folks had left by 9.30 pm.

The selection of the Trap Team was done over three different WACTA championships, each carrying the beautiful black and gold sash.

WACTA DOUBLE BARREL CHAMPIONSHIP

Thirty six shooters managed a possible 25 in this event and the shoot off was hard fought. Mike Callaghan put in a determined effort to win. David Kevill was first in A grade with Fred Heinze second. Owen Bunter, one of the Juniors shot 71 targets to win B grade from Lindsay Coster. Ian Jackson, the man who designed the new lapel badge for the association, won C grade with June Roach taking second place. Helen Wiese won the Ladies section and Jeff Hopkins took the Junior trophy.

WACTA SINGLE BARREL CHAMPIONSHIPS

Fred Heinze did manage to secure one of our prized black and gold sashes. David Slee and John Harris put up a fight but eventually gave way and let Fred in. They had to be content with first and second in A grade. The B grade placing went to John Hickling (the Harley Davidson Fanatic) and "Duke" Wellington. Two young fellows from country clubs G. Watson and Philip Hope were placed in C grade. Again Helen Wiese was the best lady shooter and Chad Johnson the best junior.

WACTA POINTS SCORE CHAMPIONSHIP

The points score really sorted out the team placings. Only three shooters shot a possible 75-75 points. Brendan Vodden, just two years out of junior class, won the sash. Vaughn Bunter and Colin Hinkley were the A grade winners. Ross Silvester won B grade with Helen Wiese in second place. Ian Jackson again won C grade and Ted Dickinson was placed second. Colleen Ireland and Jeff Hopkins were the Ladies and Junior winners.

As the three events were completed, the fifteen best scores of the day made up the State Open Trap Team, consisting of Brendan Vodden, David Kevill, David Slee, Tom Vodden, Lex Shipp, John Harris, Vaughn Bunter, Darrell Wiese, Tim Catling, John Fissoli, Chas Ellies, Richard Burton, John Eddy, Greg "Daddy" Holly and John Yates. Tim Catling

proved he is a most experienced shooter by winning the High Gun sash and the Doug Cumming Memorial Trophy for the third time in a row.

Laurie lined up again to present the badges to all team members, but he really had a wonderful time presenting the badges to the Ladies Trap Team. Helen Wiese, Jean Bunter, June Roach, Julie Neve, Elaine Forward and Margaret Slee again received badges and kisses. Helen Wiese was the High Gun winner of the Ladies Team, shooting consistently all day and missing the open team by three points. Helen received a sash and the Michelle Alexander Perpetual Trophy.

Owen Bunter, Chad Johnson, Jeff Hopkins, David Burchar, Adam Ireland and David Farthing were the successful young men who made the Junior Trap Team. Jeff Hopkins received the sash and the WA Coaching Council Perpetual Trophy as High Gun in the team.

Perth Gun Club members were in fine form when they also won the Katanning Trap Team Trophy in the interclub trap teams match.

The final reward was the Ruger rifle and black sash for the Overall High Gun of the Carnival. John Harris maintained his standard throughout the shoot and won the coveted prize with a score of 194-200. John has been a member of four state teams this year, the ISU Skeet Team, the Trench Team, the Skeet and the Trap Team, a wonderful achievement.

This weekend two families have all three shooting members in a state team. The Bunter family had father, Vaughn, Mother, Jean, and son, Owen in the Trap Teams. The Ireland family has father, Dean, mother, Colleen in the Skeet Teams and their son Adam was in the Junior Trap team.

Without the individual shooters, clubs and companies who donated money or trophies for this shoot, it would not have been the best Teams Elimination shoot ever. The WACTA must be congratulated for the planning and organising that went into the weekend.

• The happy WA Open Team.

ELLIS WINS THREE STATE TITLES AT ILLAWARRA

Staff Writer

• Picturesque Illawarra and District Gun Club.

In a fine exhibition of disciplined shooting, Jim Ellis took out three of the four State Championships on offer at the New South Wales Trap Carnival at Illawarra over the October long weekend.

Conditions were perfect on the Saturday when 153 shooters lined up for the State Double Barrel Championship. The well appointed and picturesque Illawarra Club was in first class condition for the many visitors from interstate and throughout New South Wales. Over 8000 man hours of voluntary labor have made Illawarra one of the top clubs in Australia. The Club house itself, carpeted in rich red just before the carnival, is a credit to President Bill Jones and his small but hard working club committee. Plans are in hand now to glaze the upstairs balcony area with tinted glass, which will help keep out the gusty winds that swirl up the valley without warning.

Illawarra is like Brisbane, only more so, the land dropping away very sharply below the line of traps. Because of this, targets can behave in an unusual manner, so big breaks are rare.

• NSW State Ladies Trap Team.

Despite these difficulties Jim Ellis had to shoot 142-142 to win the Double Barrel Championship from president Bill Jones.

Sunday was a mixed day with the weather, strong gusty winds at times, and periods of dead calm. It was Ellis again in the State Points Championship. Winning outright with a score of 149-150. Nobody could quite match his brilliance and experience in the conditions.

The one Championship Jim didn't win over the weekend was the State Single Barrel title. Andrew Fuitter from Glenn Innes, put up a top pressure performance to outlast many of the big guns and win with a score of 73-76. Club president Bill Jones again figuring in the shoot-off.

In a sensible programming move, presentations took place on the Sunday evening in front of the Club House. The

weather was calm and the large crowd was obviously enjoying the late afternoon sun.

The Illawarra speciality, Barons of Beef on the spit provided a fine finish to Sunday's shooting.

Monday dawned overcast and still, and a fine drizzle soon descended. Conditions for shooting however were good for the State team.

• NSW Open Trap Team.

Ray Hammond high gunned the open team, Rose Micaleff the ladies, and Craig Tilley the juniors.

After the teams had shot, the final event the State Champion of Champions was soon underway. This was shot from 18 metres and included Double Barrel, Single Barrel and Points Score, 75 targets in all. At the end of the 75 targets we had a shoot off between Jim Ellis and Pud Burgess, both one point down at 124-125. Jim triumphed in the end with 148-150.

The weather broke as shooting finished with steady rain falling for the rest of the day.

Jim Ellis took out overall High-Gun honors to complete a magnificent weekend.

The final presentations gave an opportunity for the many sponsors to be thanked for their part in a most successful State Carnival.

Winchester Australia were very much to the fore sponsoring the State Double Barrel and Junior Double Barrel, as well as combining with Ern Webb's Sports Store to sponsor the Overall High Gun Trophy. Thanks were also extended to Edgewood Park for donating the overall trophy for the Points Championship, Gambarms the Single Barrel, Fuller Firearms the Champion of Champions and Stewart Gillman the Champion of Champions sash. Olympic targets had sponsored the ladies, Juniors, and Veterans High Guns.

The whole Carnival had run very smoothly with shoot marshal Len Bird doing his usual efficient job. The co-operation between Illawarra Club personnel and the State Association officials was excellent, all adding to a most enjoyable weekend for the shooters.

WINFIELD CHAMPION OF CHAMPIONS SHOOT — BENDIGO

Norm Lindrea

Bendigo Clay Target Club's Saturday, October 1 shoot, ended the club's twelfth season of competitive shooting on the home grounds at Woodvale, since the club's move there in October 1971.

The day/night program of five events with the Winfield Champion of Champions shoot-off, which was contested by twenty-one Overall winners of championships conducted by the club over the previous 12 month period. This was the second staging of the event, which has already become one of the most prestigious events on the country Victorian shooting calendar. The shoot-off was over 40 mixed targets, representative in type of the events contested during the year.

After the preliminary shoot-off, four shooters had returned scores of four points-down, which qualified them to continue.

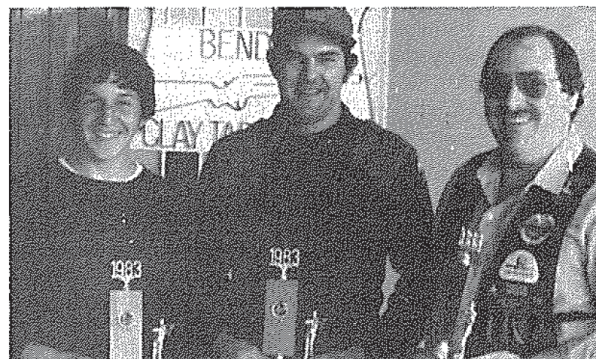

• Winfield Champion of Champions, 1983, Greg Hipwell flanked by L to R: Brian Conolan (Winfield Representative), Peter Akkermans (3rd) and Ray McKenzie (2nd).

Terry Boucher was eliminated at the end of the first group of extra targets, and after another round Greg Hipwell of Cohuna had opened a clear margin of two pts from Ray McKenzie of Echuca, with Peter Akkermans of Bendigo, one more point away, in third. Hipwell was duly declared Winfield Champion of Champions 1983.

Next event was the 50 tgt Bill Coulson Memorial Double Barrel Championship, named to honour the memory of former club coach and stalwart, the late Bill Coulson. Only one possible 50/50 was returned by the 75 shooter — strong field, and accordingly, Russell Mark of Sebastopol was named the Overall & A grade winner. Leigh Knight, Ray Gamble, Terry Boucher and Graeme Thatcher all scored 49/50, and shot-off for second in A grade, with victory going to Boucher on the 71st target. Brian Halson and Terry Bannan took the prizes in B grade, after shooting-off to separate their 47/50 scorecards. C grade was won by Graeme Ruff (46/50) from Jody Lindrea, who defeated Jim Brown in a shoot-off after tying on 44/50.

Event three was 25 targets Grouped Meterage Handicap. Wayne Watts of Bendigo shot the only possible score, and was naturally the Overall winner, gaining a one metre penalty to his handicap, as well as the winner's trophy. The 11-15 metre group was won by Brian Halson with 24/25, the 16-20 metre division saw Jack Haw (30/31) win a shoot-off with Peter Akkermans, Ian Long and Ken Ball, after the four had scored 24/25 each. The backmarkers (21-25) group was won by Bernie Griffin on 25/27, after shooting-off with Ken Burton.

The Handicap was the final event in the year's Club Aggregate. Six nominated events during the year made up the shooters' scores, which were graded according to their "start of the year gradings". A Grade winner was Les Brown

• 1983 Club Aggregate Winners, L to R: Jody Lindrea, Les Brown and Norm Lindrea.

with 44/50 (double Barrel), 50/60 (mixed Targets), 70/75 (points score), 23/25 (single barrel), 32/40 (double rise) and 21/25 (handicap) — 240/275 total. B Grade went to Norm Lindrea with scores of 46/50, 48/60, 70/75, 24/25, 29/40, 22/25 — 239/275. Junior shooter, Jody Lindrea won C grade with 42/50, 46/60, 64/75, 18/25, 29/40, 22/25 — 221/275.

The 20 tgts "Club Anniversary" Points Score Championship was a testing event to finish the "daylight" program with. Three shooters, Greg Hipwell, Alf James and Graeme Thatcher shot 60/60 possibles, and in the resultant shoot-off, Hipwell's 78/78 won Overall & A grade ahead of Thatcher's 77/78. Ron Traill (62/63) was best in B grade, with Frank Vella 59/63 second. Graeme Ruff (57/60) won C grade from Bob Lendon (69/72) who won a decider with Herb Nihill and Jim Brown.

The night program was just one event, the Victorian State Night Mixed Targets Championship, over 40 tgts — 10 DB, 10 SB, 10 Pts and 5 pr D/Rise. Best scores carded were the 3 pts-down 57/60s of Gary Went of Bacchus Marsh and Norm Lindrea of Bendigo. In the shoot-off, Went dropped a single barrel target and target from each pair of double rise, to the single double rise target of Lindrea. Lindrea was awarded the title with 70/74, ahead of Went's 68/74. B grade went to Frank Vella (56/60) from Brian Halson (53/60), with junior shooters Kenny Bell and Dean Woodhatch successful in C grade with scores of 53/60 and 51/60 respectively.

"NEXT Time You Don't Go Without ME"

By Bernice Britain

Way, way out in the Western Division of NSW is a tiny spot called "Ivanhoe." Slightly south is an even smaller dot called "The Mossgeil Hall." On Saturday, September 3, 1983, the paddock of "Barwonnie" Stn on which the Mossgeil Hall stands was covered in cars, people and clay targets. Some 250 station folk had gathered for the Isolated Childrens Parents Association, Ivanhoe Branch's annual fund raising day — a Bush Clay Target Shoot and Picnic Day.

The grounds were slashed and prepared under the combined efforts of the Mossgeil Hall Committee and ICPA members. Griffith Clay Target Club members travelled 120

• ICPA Bush Shoot — from Griffith Clay Target Club, Mark O'Mahoney, Ian Evans, Bernice Britain, Glen Evans and Keith Sim.

miles out west to provide traps and clays, and sweat of the brow to run the shoot — and "run" was the operative word!

The five members Keith Sim, Ian Evans & son Glen, Mark O'Mahoney and Bernice Britain were kept moving all day by the 66 competitors who shot the 45 target program. They were very grateful to Brian Salomon of Foster Gun Club, Victoria, for his able assistance, especially in the morning's practice rounds when he gave each squad a talk on safety and procedure for the day before starting.

Mossgeil lads, Terry Huntley and Brian Sheil's local knowledge was invaluable when it came to rounding up the shooters who fitted the names on the squad cards. Bernice Britain, carrying out the secretary's task in a 12ft Marquee tent, had the same problem all day as shooters came in asking, "When do I shoot next?" Never having seen them before that morning, she was stumped. "Who are you?", she invariably replied.

While the shooting was in progress those ICPA members not directly involved were down at the Hall organising pony rides, foot races, and paint-ins for the children, trading tables, refreshments and barbecues, raffles and "Guess how many are in the jar" competitions. However, all this came to a sudden halt when Event Four was announced — "Five targets Ladies event is next".

"I'll referee that!" and Brian Salomon was away to the traps. "It's the only chance I get to put my arms around a girl these days," he explained. Well, it WAS Father's Day, after all, and son Bradley was on hand to keep Dad honest!!

Fourteen ladies took part and found plenty of people willing to coach and give helpful advice.

Sponsorship for the day was tremendous, with over \$700 worth of trophies being provided by Dalgety-Winchcombe, Alladin Industries, Evans Sports Store Griffith, Elders-Pittson-AML, Ivanhoe Police, Ivanhoe Hotel, Ivanhoe RSL, J.R. Hall of "Tooralee" Stn, Danson Bros, and Rundle's Butchery Ivanhoe.

With local shooter trophies in the offing, competition was enthusiastic as the station folk pitted their skills against the visiting clay target shooters from Griffith, Rankin Springs, Booligal, Menindee, Hay, Pooncarie, and Foster, Victoria.

An impromptu handicap system was devised and all shoot-offs were single barrel then move back a metre. Loud cheers greeted broken targets — and even louder ones heralded the tries being scored by St George football team in Sydney, as avid fans kept their ears to their car radios. A bugler signalled to those shooting so that no-one would miss out on St George's progress!

The day passed all too quickly and so the last event was cut from 10 targets down to five targets to beat the failing light. The shoot-off for this event was conducted inside the Hall — by drawing the names out of a hat.

With barbecue tea over and trophies presented, the Griffith members packed traps, tent and gear and readied themselves for the trip back over 60 miles of pot-holed, rutted dirt road washed out by recent heavy rains, before hitting the bitumen at Hillston and the final 60 miles home.

A few hours sleep and they were all on their feet again conducting the Club Trophy and two MIA Championships at

their monthly Sunday shoot. Comments about being "plumb exhausted", what a great day it had been, and what they would do next time, abounded.

"Next time", said one member who had been unable to attend, "NEXT time you don't go without ME".

Over \$2000 had been raised for the ICPA with \$1200 coming directly from the Clay Target Shoot.

RESULTS

Event 1, 10 Target Trophy Event: John Fillibe, Balranald; Brian Salomon, Foster, Vic; Nino Cocopardo, Rankin Springs.

OLYMPIC SHOOTING TEAM ELIMINATIONS

International Sub-Committee

Further to the notice in November C.T.S.N., we wanted to make a few things clear to shooters attending Downside for the eliminations on December 3, 4, and 5.

1. The eliminations at Downside are simply that, there are no trophies, badges, or sashes.
2. There is no guarantee that shooters who are not members of the National Training Squad, or who do not have a world ranking, will be able to shoot the 400 targets. Only one layout is available, and time will probably preclude all shooters shooting 400 targets.
3. Skeet eliminations will not be held at Downside, but on a suitable date and venue to be advised.

Sport Australia Awards.

The 1983 Sport Australia Awards will be highlighted by the fierce competition for recognition between the outstanding performances produced by Australians this year.

The marathon performances by Robert de Castella, the ultra marathon effort of Cliff Young and the unique achievement of the Australia II crew represent rare levels of achievement. So, too, do the other world championship and world record performances that have liberally been dotted throughout the year.

Once again this year, famous Australian sportspeople will be honoured as presenters including the incomparable Margaret Court, Australia's quiet achiever of the 50's John Landy and Rugby Union's Nick (now Sir Nicholas) Shehadie.

In just four years, the Sport Australia Awards have established themselves in the eyes of the Australian Sporting community because they are based on the peer recognition system.

The Awards will be presented at a presentation dinner telecast nationally by the seven network from the Leonda Restaurant, Melbourne on December 13, 1983.

The Prime Minister, the Hon R. J. L. Hawke as patron of the confederation has accepted an invitation to present the principal awards.

TAA continues its sponsorship for the fourth successive year whilst the individual category sponsors — Adidas, Coca-Cola, Hardy's Wines, Rank Xerox, Sports Exacto, BHP and Elders IXL remain unchanged.

A new development for 1983 is reflected in the establishment of a classification known as "certificate of outstanding achievement." The introduction of this section, which applies to all categories except that of "most popular sporting personality" provides for wider recognition of meritorious performances by Australian sportspeople. Each National sporting association is being encouraged to submit up to two nominations in this classification, in addition to the nominations being made in the Awards themselves. Nominees in this section, plus the non-winning nominees in the Awards, will receive a unique Sport Australia Awards certificate of outstanding achievement as recognition of the performance for which they were nominated.

NATIONAL & STATE LONG BREAK RECORDS

Staff Writer

In order to re-establish a listing of break records both in the State and Nationally, assistance is required from all states.

Information is required on the current 15 metre records in DTL shooting i.e., Double Barrel; also Tower, Continental and Ball Trap.

We also would ask for help with American Skeet, Olympic Trap and ISU Skeet.

Details should include name of shooter, home club, date, where shot, and number of targets. It is planned to publish the listing in CTSN.

VCTA TRAP CARNIVAL

Staff Reporter

• State President, Bob Buchan congratulates the winners in the State Junior Championships. L to R: Gavin Treloar, Karren Hughes and Mike Sotori.

The North West Zone was host to the 1983 Victorian Trap Carnival, conducted at Mildura Gun Club.

Shooter numbers were down slightly on previous years. However it was quite a success financially for the State. The entries in the State School Boy/Girl Championship were very disappointing, and no doubt the distance to travel to Mildura from most schools in the State had a bearing on this.

Karen Hughes from Melbourne won the girls title, with Mike Sotori, also from Melbourne taking under 14 years honors. Gavin Treloar from Echuca top scored 19-20 in the event to gain the recognition of top junior over 14 years.

"BLOOD THAT'S WORTH BOTTLING"

Bernice Britain

• Dave Wallace giving his 100th Pint of Blood and being presented with his "100 Club Badge" by the president of the Griffith Branch of Red Cross, Mrs Joanna Vitucci.

In mid-August, Griffith Clay Target Club member Dave Wallace realised a 24 year goal. He donated his 100th pint of blood at the Griffith Base Hospital Blood Bank, and is now a member of the elite "100 Club."

President of the Griffith Branch of NSW Red Cross, Mrs Joanna Vitucci, presented Dave with his "100" badge and the Hospital Board acknowledged it with a special letter of appreciation.

On the previous Saturday night Dave and other Griffith Clay Target Club members attended the inaugural Motorcycle Riders Association Blood Challenge Presentation dinner. The MIA branch of MRA issued a challenge for the year 1st July '82-30th June, '83 to all sporting and service clubs to out-donate them at the Blood Bank.

The Challenge went well with 320 pints being recorded. More than 115 people attended the presentation of awards held at the Coro Club on August 13.

During the 1982-83 year members Dave Wallace, Keith Sim, Peter McWilliam, Silvano Codemo, Garry McDonald, Dave Greenham and Bernice Britain, as well as many friends and relations regularly donated their pint and had it recorded for the Griffith Clay Target Club.

The Challenge for 1983-84 began on July 1, and the shooters are determined to give the Motorcycle Riders Association even keener competition this year.

1983 VICTORIAN POLICE TRAPSHOOTING CHAMPIONSHIPS

• State Police Teams Champions — L to R: Tex Drummond, Frank James, Alf James, Mr Bruce Reid MLC, Glen Woodhatch and Chris Penno.

Loddon District Police Trap Club played host, at Bendigo Gun Club, to nearly 100 shooters who contested the 1983 Victorian State Police Trap Championships, on Sunday, September 25.

In perfect weather, three events were contested — Points Score, Single Barrel and Double Barrel — with a teams event shot in conjunction with the D/B. Each event was over 25 targets, and carried 1st to 5th places in the Police division, 1st to 3rd in a Visitors (civilians) division, as well as Best Lady and Best Junior shooter prizes.

Police State titles went to Sgt Neil Phipps of Mansfield (75-75) in the Points Score, Snr Const Ian Walker of Shepparton (30-32) in the Single Barrel, and Snr Const Glenn Woodhatch (host club President and shoot organiser) from Bendigo shot 38-38 to win the Double Barrel title. High Gun winner was Snr Const Chris Penno of Kerang who scored 129-135, over the day's events.

Loddon District Police Trap Club No 1 team was successful for the 3rd time in 4 years, in winning the Teams event. S/C Glenn Woodhatch (25-25), S/C Tex Drummond (25-25), S/C Chris Penno (24-25), and citizen shooters Alf James (24-25) and Frank James (22-25) totalled 120-125 to defeat Melbourne District No 2 team 117-125.

Presentation honors were performed by local State Parliamentarian Mr Bruce Reid MLC (State Shadow Minister for Police and Emergency Services), who spoke of his delight in

NSW DOUBLE RISE TITLE TO WARWICK VALENTINE

Royal Aero Gun Club member, Warwick Valentine won the 1983 NSW Double Rise Championship conducted by Tumut Gun Club on October 9.

Valentine (44-50) narrowly defeated top line shooter, Graeme Boyd (43-50) to win the title outright.

The shoot was conducted in fine, slightly overcast and warm conditions, with competitors from throughout many NSW districts attending.

The State Championship formed part of a two day and one night competition, with various local and district Championships forming part of the program.

The Grades in the NSW Championship were won by Graeme Boyd (A), Robert Doon (B), and Charlie True (C), the latter two being Tumut Club members.

A Handicap Trophy event created great interest, when 11 year old Andrew Newcombe (Queanbeyan-Canberra), who has had only three months competitive experience, scored a "possible" and went on to win the subsequent shoot-off against more experienced competitors.

ROMA GUN CLUB CHARITY SHOOT

● Many teams dressed to suit the occasion, T-shirts with slogans and company names abounded — Pictured is Western Bakeries No. 1 Team.

The Venue: Roma is a rural and oil exploration based township with a population of approximately 6500. It is situated on the western edge of the Darling Downs, 500 km west of Brisbane.

The shooting sports are all well represented in the area with Rifle, Pistol, Sporting and Clay Target clubs all holding regular shoots. The ACTA affiliated Roma Gun Club has 43 registered shooters and shoots twice monthly. It has a three trap layout, 2 of which are lit, and expects to open its' first Skeet layout before Christmas.

The Recipients: The Roma High School at present has no assembly hall and over the past 3 years \$70 000 has been raised by the schools P and C association to start construction on a hall. Our members tend to focus on local projects when discussing charity because we have found they are better supported by the community.

It was therefore decided to hold our 1983 Charity Shoot for the Jubilee Hall Fund.

The Shoot: The program for the day was 10 target SB, 10 target DB and 10 target pts. They were shot in three visits, giving each shooter a possible of 50 points. Business houses, community groups, and other interested organisations were asked to enter a team of five shooters, only one of whom could be a gun club member. Thirty teams nominated for the day, giving us 150 shooters, up 15 on last year. A BBQ and Bar ran all day and both were well patronised by the many shooters and onlookers on the grounds. Cost for the day was \$18 per shooter including cartridges.

The Winners: At the close of shooting two teams were tied on 179-250, but after a short shoot-off the winning team was

● Club President Brian Cameron presenting a cheque for \$2110 to Mr Rod Strachan, president of the Jubilee Hall Committee.

Russ Napiers, a local machinery dealer. Each member of the team received a trophy and the company they represented will now hold the Charity Shield until next year. Runners up were the Injune Sporting Shooter no 1 team, and they also received trophies. The novice High-Gun was won by Les Waine with a fine score of 40-50. He was presented with an engraved silver mug and it is hoped he will become a regular shooter at our club. The Low-Gun for the day was won by local bread vendor Col McGrory. His score of 1-50 proved to be unbeatable and he was presented with a pop-gun complete with cork, and all present agreed it was a very suitable trophy. Included in each shooters noms was a free draw in a .22 cal rifle, and this was won by Telecom team member Noel Tuefel.

● The winning team Napiers, led by RGC Member Cliff Reid.

'Financial' Result: Each shooters nominations included a donation of \$6 to the Hall Fund and \$900 was thus raised from noms. The bar showed a profit of \$320. RGC President, Brian Cameron donated a beast for the BBQ, and this generous gesture allowed a profit of \$580 to be made. RGC Treasurer, Cliff Reid, donated a .22 rifle to the Hall Fund to raffle, and this brought in another \$310.

The total raised was \$2110 which was more than double last years profit.

Publicity Result: The RGC has featured prominently in both local radio news and the regional paper. Our reputation in the town as a club who cares has been greatly enhanced. Many members of the community have been introduced to the sport of clay target shooting and have left with good impressions and the memories of an enjoyable day. Three new members have already joined the club and more are expected to do so in the near future. Many people were astonished when they were greeted by green lawns, trees and a well maintained clubhouse upon their arrival at the Gun Club.

Challenge Match: After the Charity Shoot a teams challenge of 10 pairs of double-ribs was held between RGC and Injune SSAA. RGC won this event convincingly and are looking forward to a return match on their terms at a later date.

The Future: As experienced shooters must realise over a 100 novices shooting 30 targets each takes a lot of time and so next year we hope to have five traps operating. We have applied to hold the 1985 State Trap Carnival and we require 5 layouts to hold this event so the extra traps will not be wasted. The club now has enough shells to reload for next years shoot so we don't expect any increase in price. Provided we maintain safety levels and publicity output we expect to see our Charity Shoot get bigger each year, and this is what Clay Target shooting needs: more new shooters being introduced to the sport.

Thanks: The Roma Gun Club would like to thank the following people and companies for their help, donations and support, all of which made our 1983 Charity Shoot the best yet.

Roma High School P and C Association, Hartogen Exploration, Robbie MacDonald, Terry Ayers, Western Bakeries, Western Bottlers, Napier Machinery, Bungil Shire Council, RGC Caretaker, Terry Quigley.

CALLAWADDA/STAWELL GUN CLUB CHARITY SHOOT

• Trophies for the Charity Shoot on display in town prior to the shoot.

Weekend overall high gun winner at the Callawadda-Stawell Gun Club's charity event was Alister Castle, of Stawell, with a score of 210/220.

Fourteen year-old Goroke Schoolboy, Anthony Smith, shot 77 targets straight to gain a 75 break badge, something many older shooters have not achieved.

There was a good turn up of shooters for the events, and to benefit will be the Miss Australia Quest, Stawell Sports Stadium Youth Club and Stawell Urban Fire Brigade.

With Alister topping the shooting list, other overall weekend winners were A grade, P. Scott 206/220, B grade, L. Cook 208/220, C Grade, R. Cousins 192/220.

COACHING DAY

R. Trigger

State Coach Harry Brooksby conducted a very successful coaching day at the Macarthur Gun Club 23-10-83 with some 30 shooters and juniors attending.

Harry commenced with slides on gun safety as well as practical demonstration. He praised the excellent safety record held by clubs affiliated with the A.C.T.A. and "with days such as this we aim to keep the record intact" he said. Next a very interesting film on trench shooting featuring Jackie Stewart, followed by the ever popular showman shooter Herb Parsons. Then out onto the tracks for some action.

A strong head wind presented rather difficult targets but with a few words of wisdom from Harry the boys began to "smoke" them.

Local lads Darren Hodges and Robert Cowland posted the two best scores and each were presented with a badge for their efforts.

The club wishes to sincerely thank Harry and the South West Zone for making the day possible.

QCTA STATE SKEET CARNIVAL

Bev Grice

The 3rd Annual State Skeet Carnival was conducted at the Rockhampton Gun Club over the weekend of October 29 - 30, 1983.

Although we had hoped for more competitors it was nevertheless a very successful carnival, with several shoot-offs being witnessed, and a few shooters will remember it as the time they shot their very first 25 straight. Competitors arrived from: MT ISA: TOWNSVILLE: BURDEKIN: ETOM-MACKAY: NINE MILE: ROCKHAMPTON: GLADSTONE: TALLAWALLA: DYSART: GEMFIELDS: CALLIDE-DAWSON: BRISBANE: IPSWICH: TOOWOOMBA: MELBOURNE.

The QCTA extends their congratulations to the committee and members of the Rockhampton Gun Club for their preparation of the grounds, and installation of the third layout for the carnival, the grounds looked tremendous. The ladies also did a good job in catering for the competitors during the weekend.

Our sincere thanks go to the sponsors who supported this carnival, these being: WINCHESTER AUSTRALIA; and NIOA ARMS, both companies donated trophies for events, and we were pleased to have representatives of these companies present the trophies. Support like this is what helps make these carnivals the success they are. Mr Noel Deeley of Gemfields donated a sapphire, which the Association raffled and through Ray Porter's great gift of selling tickets we managed to make a few extra dollars for the Association. The winner of the sapphire was: B. DUNCAN of Warwick.

I must make special mention that Queensland was able to assemble its first ever Ladies Skeet team. This was especially exciting for Noeleen Herbert of Gladstone, who shot her first ever 25 break. All members of the ladies team sincerely thank Adrian Cousens of Melbourne, who donated the cartridges for the ladies team. We certainly hope that with a start like this, we will be able to compete annually in future Interstate Teams match.

Congratulations must also go to Ray Porter of Brisbane who won the State Skeet Championship. This is the second year in a row that Ray has won this event. Also congratulations to Adrian Cousens who won the Overall High Gun also for the second year in a row. These two shooters are keen rivals, but forever sportsmen, in the true sense of the word.

Congratulations also to all winners of events, and we look forward to seeing you all again next year, where we hope it will be bigger and better. The 1984 venue is Brisbane.

For full results of the Carnival, refer to club reports in this CTSN.

NEWS FROM THE U.S.

Staff Writer

Big Leo Harrison, who visited us for the Adelaide Nationals, has with two friends purchased a Gun Club in his home State of Missouri.

In a phone call to Bill Hies, Leo said they planned to hold registered shoots at the club. It will also be used for League matches. The club boasts eight D.T.L. traps and one practice trap.

INTRODUCING BOB SIMPSON. WHO IS A NORTHERN ZONE DELEGATE ON THE Q.C.T.A. EXECUTIVE.

Bob commenced shooting in 1970 and has won several State titles, has represented Queensland in several State Teams. In 1982 he made all QLD TEAMS.

Bob was selected as a member of the 1983 State I.S.U. Training Squad.

Bob also the Cairns and District Clubs High Gun 1980-1982.

Bob has been secretary of the Cairns Club for the past five years, and has also held the position of President of the same club. Bob is also very enthusiastic with the coaching of novices, and is himself an accredited club coach.

He has also been Northern Zone President, and is currently one of the referee Examiners for the Northern part of Qld.

Apart from Clay Target shooting Bob also is a keen fisherman, both spear and Barramundi fishing. He is also a keen duck-shooter, and trainer of German shorthaired pointers. Bob also is a pilot of light aircraft, and attends many of the Western shoots in this way.

He enjoys our sport, and tries to promote it at every opportunity.

Any shooters travelling to the Cairns area will be made very welcome by Bob and his fellow club members.

OLYMPIC DISCIPLINE NATIONALS 1984

International Shooting C'tee

The 1984 National Championship Series in Olympic Trap and I.S.U. Skeet will be conducted at Melbourne Gun Club from February 24 to 29.

The 200 target Commonwealth title and 200 target National Championship in both Trap and Skeet will be used to select the National Training Squad for 1984.

The shooters with the top six scores in Olympic Trap and the top four scores in I.S.U. Skeet over the 400 targets, will become members of the 1984 National Training Squad.

The Interstate Shoulder to Shoulder Teams Match will be conducted in conjunction with the National Championship.

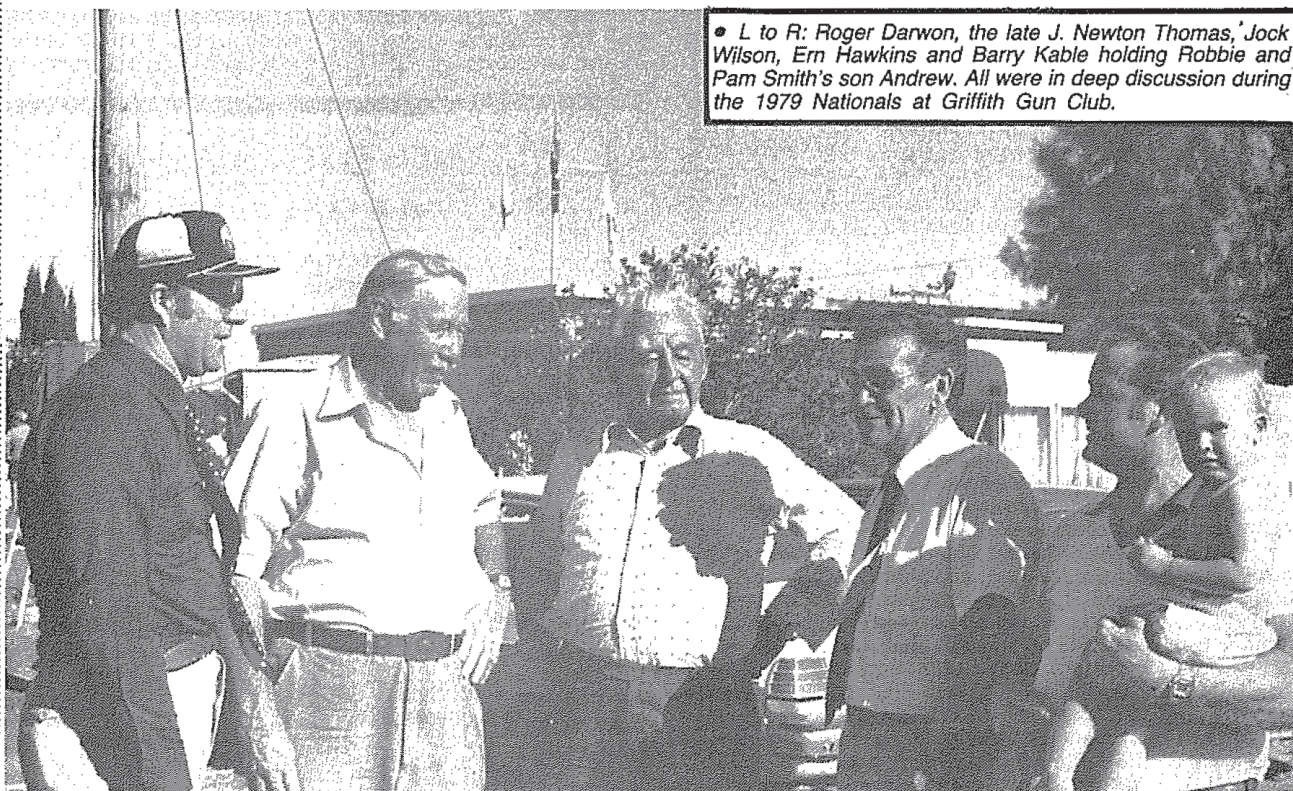

This will be a truly International event with competitors from many overseas countries competing in our Olympic Discipline Nationals for the first time.

BURRA WINS THE BUDGE

• The quintet who retained the Budge Shield for Korumburra at the fifth and final round at Morwell. L to R: Shane Wishart, Ray Sharples, Brian Halson, Alan Sydenham and Bruce Harmer. Korumburra has won the shield 15 times in 30 years.

Korumburra has retained the Budge Shield for Gippsland inter-club trapshooting.

In the final of five rounds, at Morwell, the Burra team of five broke 71-75 targets in the 15-target handicap event.

Bairnsdale, who started the final round two targets ahead, shot 67-75.

Burra president Ray Sharples (15 m) who shot one of the possibles, won the associated event outright with 20-20.

The Burra also filled the first two placings in the individual aggregate (best four scores).

Bill Stephenson (17 m) in Queensland when the final shoot was held, won the overall with 59-60 by one target from clubmate Bruce Harmer (20 m).

**1983 LUFTHANSA MELBOURNE
TEAM SHOOT**
Cont'd from Page 4

• Another shot of the Lufthansa group with Melbourne president Bob Buchan.

Trophies were donated by Henry Weitzel and the writer and Melbourne Gun Club wishes to thank Henry for his generosity and his tireless efforts in arranging to have Lufthansa visit Australia.

From the comments of those present it is obvious that this team shoot has now become an annual event and Melbourne Gun Club is sure to field a team to visit Germany in 1984.

Our thanks must also go to Paul Six (the Lufthansa group leader) for his gentlemanly manner and the way that his team members worked with the Melbourne members to make this a most memorable shoot.

The members of the winnings team were as follows: Jack Henwood, Gary Smith, Max Vipond, Joe Simeoni, Skip Hansen, Brian Clark.

It was disappointing that only four squads were fielded on two days. Perhaps those club members who did not shoot the event this year will participate next year.

The majority of the German team departed on 15th October and I am sure that they will take with them many fond memories of Australia.

BOOROWA GUN CLUB ANNUAL TWO DAY SHOOT

J. Martin

• The trophy table at Boorowa.

The Boorowa Annual two day shoot was held on the weekend of October 22 and 23, 1983.

Although down in numbers, 68 shooters attended both days with 22 coming from Illawarra.

Excellent shooting in the Blue Metal Calcutta Gift, with 12 possibles being shot. The High Gun, which carried a video cassette recorder as first prize, saw three shooters drop only one target each over the two days. The winner being Grant Thatcher from Tumut, after a shoot off.

Also one of the three winners of the Calcutta Gift which carried a colour TV for each group winner. Also the High Gun winner.

• L to R: A. Cramp, G. Thatcher, C. Warren and M. Mountford.

The results were as follows:

10T WS SS, 27 possibles. 25T Blue Metal Champ, 'A' 1 A. Cramp, 2 W. Jones; 'B' 1 B. Cole, 2 L. Chadot; 'C' 1 J. Haus, 2 L. Lieske. FM M. Mountford.

BOYS TOWN INVADES SYDNEY GUN CLUB

John Singleton

The generosity of Winchester (Aust), Olympic Targets and the Sydney Gun Club provided an outstanding day's entertainment for some of the lads from Boy's Town.

On Wednesday September 28 last a group of fifteen students from Boy's Town, Engadine, NSW, accompanied by Father Dennis Halliday and Mrs Denise Wiltshire, availed themselves of the Sydney Gun Club's facilities and experienced a most enjoyable day's shooting.

Frank Smith of Winchester (Aust), commenced the proceedings with practical instruction guiding the lads on the safe use and care of firearms. Frank's talents ensured the undivided attention of the group and their enthusiasm was such that the shoot had to be extended a further 1½ hours before the guns could be prised from their hands.

When one bears in mind that these lads had no prior experience with firearms and that their ages ranged from 12 to 15 years, the scores were most encouraging. Top gun for the day was Greg Fisk followed by Jeff Wyatt and Wayne Briggs.

The organisers of this exercise will all admit that it was entered into with some trepidation but the final result was a most rewarding experience with the rapt enthusiasm mirrored on 15 young faces ensuring another small step towards the positive future of shooting sports in Australia.

We are once again reminded that our kids are the champions of tomorrow and we must assist and encourage them towards that aim. The "oldies" who conducted this exercise (Frank Smith, John Singleton and Richard Chapman) enjoyed every minute themselves and feel that any club that is willing to extend their time and facilities towards similar programs will be amply rewarded.

ESPERANCE BAY GUN CLUB FIELD SHOOT

Rene Thompson

• Can he get them? Dick Thorp shooting with Alex Collins the referee.

The Esperance Bay Gun Club held a successful field shoot at John Locke's farm at Cape Le Grande on Sunday, September 25.

The location set in natural bush surrounding a swamp was ideal and the weather perfect so everyone, shooters, onlookers and children all enjoyed themselves.

The president, Mr Hugh Burchard thanked the Locke family for the use of their property and thanks also to John and his son Rodney for all the work that had gone into setting it up.

Results: Registered shooters — Mike O'Shea 36/40; Mike Welke 33/42; Laurie Naylor 32/42. Unregistered shooters — Harry Proctor 23/40; Les Crannage 21/40; Pat Malone 20/40.

Dot Jones 16/40 won the registered ladies shoot and Lyn Naylor 16/40, the unregistered ladies. Chris Neale 28/40 won the registered Juniors and Todd Liddelow 20/40 the unregistered Juniors.

• A happy group of cooks.

The Club thanks all members who acted as trappers, referees, scorers and office staff for the day.

It is hoped that this will now be an annual event and plans are being made for the long weekend in October of next year.
