EXECUTIVE DIRECTOR'S NOTES

The Trap Nationals are over, quiet has again descended on Wagga Gun Club.

The Association has a new President, Roy Holtfreter of Northam, Western Australia. Roy takes on the Association's top office at a time when it is necessary for us all to work together for the good of clay target shooting throughout the country. Forget State jealousies, the democratic process was seen at its best at the A.G.M. in Wagga, where the members of the Association (the Clubs) voted in favour of the status quo, where each State has equal representation on the National Executive Committee.

Let's all put that matter to rest, and get 100% behind Roy Holtfreter so that he is given every opportunity to lift the Association to greater heights during his term as National President.

* * *

That the Trap Nationals were a success is undeniable. A large part of the success is due to the enormous support we received from industry.

The Winchester Division of Olin Australia rates special praise for the donation of the Diamond Grade trap gun for the Double Barrel Championship, the Beretta 686 trap gun for the Junior Double Barrel, the Mec 600 reloaders for the Junior Divisions of all championships, the kind provision of Winchester and Beretta shotshells for the Mackintosh, Ladies, and Juniors team shoots, and a case of Winchester shotshells for the winner of the Overall Junior High Gun.

Boustead Australia for the donation of the Remington 1100 shotgun for the winner of the Grand Australian Handicap.

Commercial Marketing Co. Pty Ltd of Sydney for sponsoring the Comark Deauville Doubles Trophy Match.

F.N. Sports Ltd and Australian agents Fuller Firearms for providing the Browning Trap 6 B2 as the overall High Gun trophy.

Fuller Firearms for the donation of Hercules Powder as metreage prizes in the Grand Australia Handicap.

Sergio Zuffo and Olimpyc Targets for sponsoring the overall trophy in the Australian Single Barrel Championship.

Evans and Balfour for providing the Perazzi trophies for overall winners of each event. Thank you to you all.

Others to make a real contribution to the smooth running of the Nationals were the office staff under Bev Grice and Marg Povey, handicapper Albert Povey and his assistant Steve Teitzel, and Leanne and Karen in the A.C.T.A. office, who worked tirelessly throughout the week.

The shoot marshalling was superb and the overall organisation by the Organising Committee made it a Nationals series to be long remembered.

Enjoy your shooting,

Ian C. Hill

A.G.M. KNOCKS OUT CONSTITUTION CHANGE

by Staff Writer

The 48th Annual General Meeting of the Association was held at the Wagga Boat Club on Friday March 30.

The Accounts, Balance Sheet, and all reports were accepted without question, and the meeting quickly moved to item 5 of the Agenda, Special Business.

This was a notice of motion from New South Wales to recommend alteration to the Articles of Association, to have the make-up of the Executive Committee changed to reflect registered shooter numbers in the States. The motion called for each State to have one Executive Committee member per thousand registered shooters or part thereof, with a maximum of three.

A very spirited debate took place, with the Companies Act being frequently quoted, adjournments, polls being called for etc., until the motion was defeated 64 in favour 93 against.

The turnout for the A.G.M. was the biggest for some years, prompted no doubt by the contentious matter listed under Special Business.

Dear Ian,

I would like you to print this letter in the next issue of the CTSN to inform our shooters, who supported the T-shirt fund-raising idea, of the current status with this project.

To date, \$1240 has been added to the National ISU Training Squad Fund, and this is not the end.

I would like to thank all those shooters and clubs who have supported this project and can assure them the money will be well spent. The money has been given to the National Coaching Director (Peter Quire) and will be spent on training projects associated with our International Shooters.

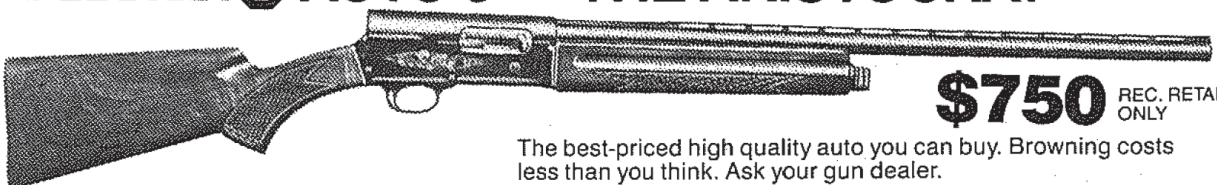

Orders for the shirts will be accepted until the end of May 1984 and the continuation of the project will be assessed at that time.

Once again, thanks to all the people who supported the idea, including yourself, and the staff at the National Office.

Yours faithfully,

J.F. Maxwell

NEW SOUTH WALES STAGES GREAT TRAP NATIONALS

Staff Writer

● Looking down Traders Row, Wagga Gun Club.

The New South Wales Clay Target Association very successfully staged at Wagga Gun Club, March 31 to April 5, the biggest Trap Nationals since 1981.

Many keen observers rated the series the best they had attended. Some of these people had not missed the Nationals in 25 years.

Some of the reasons for the success were as follows: The Organising Committee headed by State President and Tournament Director Rob Parker had meticulously planned the Nationals at many meetings held since June 1983. Barney Rooke as trap mechanic threw excellent targets throughout the week. Len Bird and Peter Mould did top jobs as Shoot Marshal and Assistant. Wagga Gun Club President Bruce Tingle and committee man John Power worked tirelessly in co-operation with the Organising Committee during the Nationals to keep the grounds in top shape. Lastly, but very importantly, the weather was perfect for the nine days of pre-National and National competition.

It all added up to entries being 35% up on Adelaide in 1983 and 9% up on Brisbane in '82, very pleasing for the organisers.

SATURDAY MARCH 31, GRAND AUSTRALIAN HANDICAP

Ian Anderson from New South Wales Gun Club fired the first shot to get the Handicap underway. The entry totalled 516, 168 more than Adelaide in '83, a big crowd being on the ground by 8 am.

As the day went on the possibles started to appear on the board, most of them around the 15-16 metre mark, with one exception Richard Dean, Roma, Qld from 22 metres. Eight shooters in all carded the 50, with the tussle soon down to three, Bill Powell, Hermidale; Steve Haberman, Geelong; and Richard Dean, Roma. Richard stumbled on his 75th target, Steve his 81st, leaving "Button" Powell, 37 year old mechanic from Nyngan, New South Wales, the winner of the 1984 Grand Australian Handicap with the score of 81/81. Bill was delighted to receive the Remington 1100 shotgun donated by Boustead Australia, the Gordon Hall Perpetual Trophy together with the royal blue sash, Silver Australia badge, and Perazzi Trophy sponsored by Evans and Balfour. Winners of the Hercules Powder in the metreage groups donated by Fuller Firearms, were: 11-15m Garry Lynam, Sydney; 16m Ray Collins, Nepean; 17m Tony Long, Ipswich; 18m Mark Rogers, Echuca; 19m Christine Wakefield, Mildura; 20m Peter Srbnovski, Illawarra; 21m Tony Bradshaw, Victoria; 22-25m Jim Finis, Mildura.

● Winner of the Grand Australian Handicap: Bill "Button" Powell of Hermidale G.C., N.S.W.

June Gawith, Jeparit, took the Ladies Division, Arthur Turner (Snr) the veterans, and Andrew McKenzie from West Wyalong was the proud owner of a Mec 600 Reloader donated by Winchester Australia, after his win in the Junior Division.

SUNDAY APRIL 1, DOUBLE BARREL CHAMPIONSHIP

An entry of 594, 43% up on Adelaide. Again the weather was perfect, cloudless sky, no wind, high 20's temperature. The Wagga background is good at any time; with these conditions and the perfect targets it was no surprise to see at day's end 79 possibles squadded for the shoot-off. After a couple of laps of the ten traps it was soon down to three shooters, the 1982 winner Larry Dimasi from Mildura, Gary McDonald from Griffith, and Stan Collins, Melbourne.

Stan's fine display of sportsmanship when he raised his arm to signify he had seen a chip from Larry's target after Larry had turned to leave the tracks, brought a warm murmur of approval from the large crowd. Finally Larry Dimasi succumbed on his 263rd target to leave it a match in two.

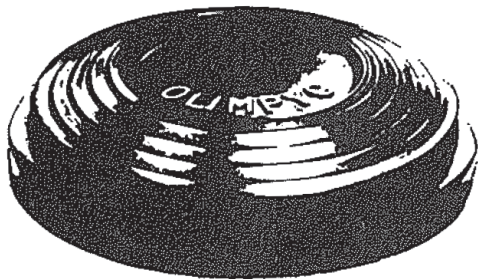

Shoot Marshal Len Bird called a halt when the light started to go. Gary McDonald and Stan Collins had shot 380 at this stage, the contest being adjourned until 8.30 am Monday.

TRAP NATIONALS

• Cont'd from page 4

A large crowd gathered in the morning to witness the completion of the shoot-off. Chairs were carefully positioned to absorb the warm morning sun, all vantage points were taken. It was something of an anti-climax when Stan Collins missed his third target, leaving Gary McDonald the winner of the 32nd Australian Double Barrel Championship.

It was ironic that early on the Sunday morning Gary had looked at the display of trophies for the Double Barrel Championship, and remarked that this was the closest he would ever be to them. Full marks to him for a fine sustained performance to win the blue riband of Australian shotgunning, with 383/383.

He was delighted with the cased **Diamond Grade** shotgun courtesy **Winchester Australia**, the J.M. Wilson Perpetual Cup, the Silver Australia badge, royal blue sash, and **Perazzi Trophy** sponsored by **Evans and Balfour**.

In the grades Stan Collins, Melbourne topped "AA" with 382/383, Larry Dimasi Mildura A Grade 262/263, Dean Freundt, Barmera, B Grade 121/122, and Junior Peter Wilson, Tatura, C Grade 105/106. Bill Bamford of Werribee was top veteran on 48/50. The **4th Australian Women's Double Barrel Championship** was run in conjunction with the open event and resulted in a win for Vickie Deeley from Gemfields, Qld, with a score of 63/64. Vickie received the June Gawith Perpetual Trophy, the Silver Australia badge, royal blue sash and crystal bowl. Second was Maree Rooke, Wagga 62/64, and third Pam Wass, Morwell.

• Vickie Deeley, Gemfields, Queensland, winner of the Australian Women's Double Barrel Championship, pictured with Laurie Connors.

Also run in conjunction was the **4th Australian Junior Double Barrel Championship**. Peter Wilson from Tatura, Victoria, was thrilled to receive the cased **Beretta 686 Trap Gun** kindly donated by **Winchester Australia**, the royal blue sash, and Silver Australia badge. In second place was Mark Rogers, Echuca, and third Rohan Penn, Echuca.

MONDAY APRIL 2, SINGLE BARREL CHAMPIONSHIP

Entries were 496, 119 up on Adelaide the previous year. Weather still perfect, targets the same.

Four possibles at day's end, John Curran N.S.W., Richard Allen, and Reg Jennings, Victoria, and previous winner of the title Doug Smith from Brisbane.

The shoot-off didn't go long, Jennings and Curran missing their first target to leave it to Richard Allen and Doug Smith. With his jaw set in typical fashion Doug demolished his 55th target after Richard missed his, to score a very popular win.

Doug was presented with the W. Rainbird Cup, the Engel car fridge donated by **Sergio Zuffo** and **Olimpyc Targets**, his fifteenth Silver Australia badge, the royal blue sash, and the **Perazzi Trophy**, sponsored by **Evans and Balfour**. John Curran took out AA Grade with 50/51, Richard Allen A Grade on 54/55, Ron Parker B Grade with 57/59, and Colin Sanders C Grade 47/50.

Deserie Huddleston was top lady beating sister Christine Wakefield by a target with 58/60, and all were delighted to see Adrian Hayes top the Veterans with 47/50. Mark Rogers continued to do well in the junior ranks, winning a **Mec 600 Shotgun Reloader** courtesy **Winchester Australia** with a score of 48/50.

The Fifth Interstate Trap Teams Match completed the program for Monday. This event becomes more colourful each year with all States decked out in State shooting jackets. From the waratahs of New South Wales to the red heart colours of the Territory, all teams looked in top shape as they were introduced in State order.

The Queensland team of Doug Smith, John Porter, Ken Stevens, Geoff Fett, and Greg Stevens recorded 125/125 to take the A.C.T.A. Cup by a target from South Australia, with Victoria and Western Australia one further back. Following on were New South Wales, Northern Territory and Tasmania.

TUESDAY APRIL 3, A.N.Z. POINTS CHAMPIONSHIP

Points day, the last chance to shoot well and make the International team to shoot the Mackintosh. A light breeze sprang up during the morning, but still conditions were perfect. 476 shooters faced the starter, 30% up on Adelaide, but possibles were scarce. Only five had the 150 points after the 50 targets. Denis Lymn, S.A., Ray Sweeney, N.S.W., Jim Finis, Vic, John Caskey, N.S.W., and Bill Iles, Vic.

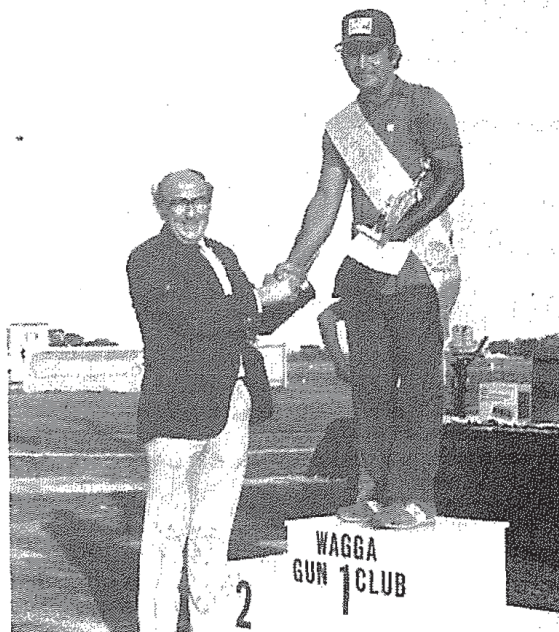

First to go was John Caskey, closely followed by Denis Lymn. Ray Sweeney, Bill Iles, and Jim Finis shot another eight targets before Ray Sweeney let one go. Three targets on and Bill missed to give Jim Finis the title with 189/189, the Kable-Smith Perpetual trophy, the colour television, royal blue sash, silver Southern Cross badge, and the Perazzi Trophy sponsored by Evans and Balfour.

Ilesy topped AA on 186/189, Ray Sweeney A Grade 180/183, Kid Skelly B Grade 153/156, and Don Gull C Grade 142/150.

Faye Taylor was the best of the ladies on 146/150, Adrian Hayes popped up again in the veterans division with 144/150, and Rohan Penn was presented with a Mec 600 Reloader courtesy Winchester Australia, after his very good 149/150.

Run in conjunction with the Points Championship was the Allan Brown Teams Match for five man Club Teams. The 1984 winning team was from Guyra, N.S.W., consisting of Ray Sweeney, Ray Hammond, Doug Ellis, Rex Varley and Col Varley. The Guyra team won narrowly from the defending champions, Echuca, Victoria.

The points were added up, seven down made the team to shoot in the morning for the Mackintosh trophy against the other countries.

WEDNESDAY, APRIL 4, MACKINTOSH INTERNATIONAL TEAMS MATCH

At 8.30 am with conditions again perfect, the 30 shooters took to the tracks to shoot for Australia. In such conditions a good score was expected. The team shot well, 77 points better than Adelaide the previous year. The scores have now been sealed and sent to U.K., to be announced at the banquet which follows the Home Countries International in July.

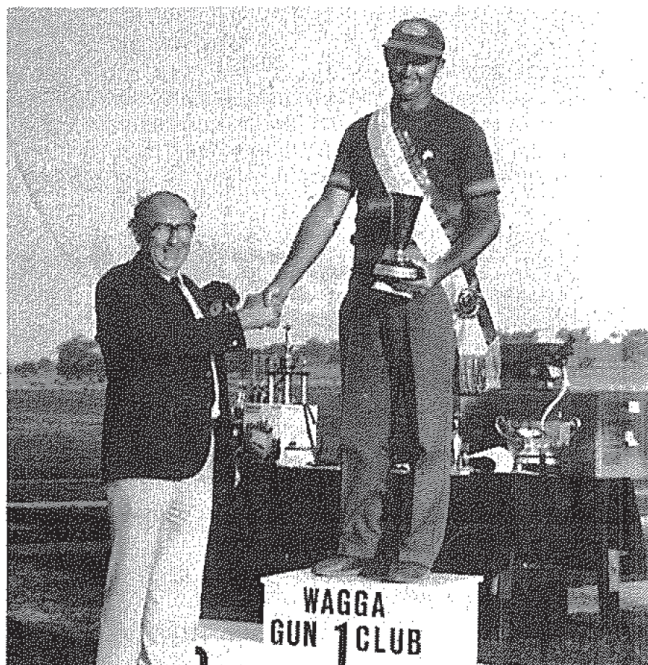

Denis Lymn, from Port Lincoln, S.A., highgunned the team with an immaculate 300/300, winning the coveted J.M. Bauman Gold Cup, the A.C.T.A. International High Gun medal, the Silver Australia Badge, and the high gun sash.

The Ladies International team of Deserie Huddleston, Vickie Deeley, Faye Taylor, Joan Longmore, and Christine Wakefield, recorded a very good score which will make it very hard for any of the Home Countries to beat Australia.

Deserie Huddleston from A.C.T. International was High Gun of the Ladies team with 293/300.

In the Junior International Team shoot, the boys shot very well. The team comprised Rohan Penn, Mark Rogers, Andrew Pitt, Filippo Petriella, and Guy Evans.

High gun after a shoot-off was Mark Rogers, Echuca, with 369/375. The Executive Committee expresses its appreciation to the Winchester Division of Olin Australia, for the kind donation of shotshells for the Mackintosh, Ladies and Junior Team shoots.

• High Gun of the International Team, Denis Lymn from Port Lincoln, S.A., accepts the coveted J. M. Bauman Gold Cup from Laurie Connors.

24TH AUSTRALIAN DOUBLE RISE CHAMPIONSHIP

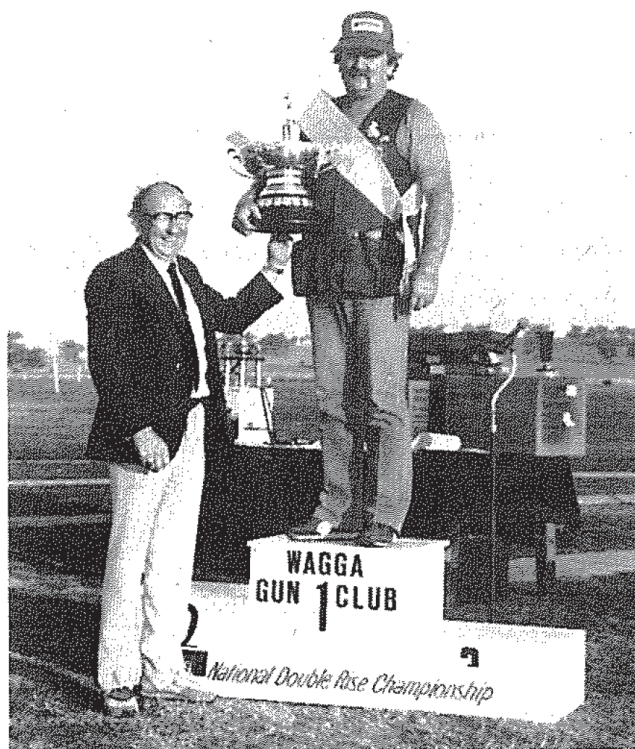

Apart from the food marquee burning down on the Tuesday night, the other major talking point of the week was the Adrian Cousens incident in the Double Rise Championship, more of that later.

348 shooters were squadded, 90 up on Adelaide. Three 49's were the main after the 25 pairs, Bill Iles, Adrian Cousens, and Dick Fox from the home club. To return to the Cousens incident for a moment, Adrian had experienced a double discharge, immediately opened his gun, and the referee ruled lost target, and a proof pair to determine result of second target. Adrian appealed to the Jury, same result, so he was in the shoot-off.

The shoot-off went just five pairs, with Bill Iles running them clean to win with 59/60. Bill had to make room in the Commodore for the Sharp microwave oven, the J.M. Tyquin cup, the royal blue sash, the Silver Australia badge, and the Perazzi Trophy, sponsored by Evans and Balfour.

This was Bill's second Double Rise title, having won in Brisbane in 1982. Adrian Cousens beat the AA graders with his 58/60, A Grade was won by Warren Maddocks 56/60, B Grade Ron Parker, his second Grade win 45/50, and C Grade Colin Sanders with 41/50, his second win too.

Deserie Huddleston again won the Ladies Division with 43/50, Ken Cross the veterans on 39/50 and Rohan Penn continued to star in the Juniors with his 43/50 to receive the Mec 600 Reloader courtesy of Winchester Australia.

The 10th International Trap Teams Match for the perpetual trophy donated by Elgin Gates, U.S.A., Barney Rooke, Australia, and John McMillan, New Zealand, followed the Double Rise Championship.

Australia, represented by Denis Lymn, Jim Finis, John Caskey, Bill Iles, and Ray Sweeney, proved too strong for New Zealand, winning with a score of 248/250.

Wednesday's long program concluded with the 4th Comark Deauville Doubles Trophy Match for family teams.

This event, sponsored by Commercial Marketing Co. Pty. Ltd., of Sydney, attracted an entry of 45 teams. It was conducted over 20 pairs of targets from 20 metres and resulted in a win for Bill and Ken Stevens from Ipswich Queensland, from Merv and Jim Neve, Eastern Goldfield, W.A., with Brian and Geoff Mark, Victoria, in third place.

The Executive Committee thanks Commercial Marketing for their kind sponsorship of this popular match.

● Winners of the Popular Comark Deauville Doubles Trophy Match for Family Teams, Bill and Ken Stevens, from Ipswich, Queensland.

THURSDAY APRIL 5, CHAMPION OF CHAMPIONS

Despite the forecast of cooler weather and showers, the sun still shone brilliantly and conditions remained perfect. No one could remember the weather holding up so well right through a Nationals series.

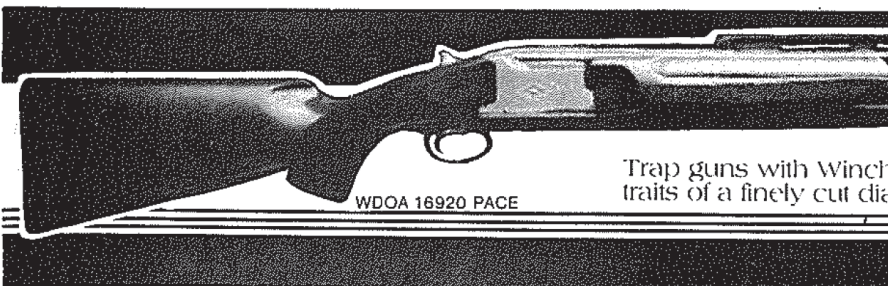

The entry for the Champion of Champions totalled 338, 45 up on Adelaide. It comprised 75 targets shot in one visit, 25 Double Barrel, 25 points, and 25 Single Barrel.

The four possibles at day's end were John Porter, Brisbane, Peter Tate, Maryborough, Vic, Tim Catling, Katanning, W.A., and the defending champion, Trevor Byrne, Echuca, Victoria.

First to falter was Peter Tate, quickly followed by Trevor Byrne; John Porter hung on but was outlasted by Tim Catling in the end who won with the clean score of 179/179.

Tim received the Mackintosh Perpetual Cup, the Gas Weber Barbecue Kettle, the royal blue sash, the Silver Australia badge, and the Perazzi trophy sponsored by Evans and Balfour.

In a very moving speech at the presentation of trophies, Tim told the large crowd that he had promised his late wife Beth last August that he would fire a shot for her at the Wagga Nationals. He felt he had done that this day by winning the Champion of Champions.

John Porter took out AA with 177/179, John Power A Grade 173/175, Brian Treloar B Grade 124/125, and Colin Sanders took out his third C Grade win with 121/125.

Deserie Huddleston again beat sister Christine for the Ladies gold medal with 124/125, and Bill Mackay topped the veterans on 122/125.

Rohan Penn again took the Junior Division and the **Mec 600 reloader** donated by **Winchester Australia**, with his score of 123/125.

What a week of shooting! 642 individual competitors had entered at some stage. The tournament had run very smoothly; sure there were a couple of hiccups.

The two main complaints were the price of beer and lack of toilet facilities.

The caterer had done a marvellous job, particularly after the marquee burnt down when he had to operate under difficult conditions, full marks to Eric Barter and his staff.

The evenings in Wagga in early April are very cool, so the final night barbecue did suffer somewhat by the lack of the marquee. Those who attended, however, did enjoy the presentation of high gun trophies and excellent barbecue.

It was good to have Brian Mark back in harness as M.C., official guests the Mayor of Wagga, Maurice Gissing and his wife, and John Harding, Regional Director of Youth, Sport and Recreation.

• The Australian Ladies' Team, L. to R., at back: Deserie Huddleston, Christine Wakefield. L. to R. at front: Vickie Deeley, Faye Taylor and Joan Longmore.

● Overall High Gun Bill Iles is presented with the Browning B2 by David Fuller of Fuller Firearms.

Bill Iles took out the overall high gun with the excellent score of 468/475. David Fuller of **Fuller Firearms** presented Bill with the **Browning B2** on behalf of **F.N. Sports and Fuller Firearms**. Bill also received the **J. Newton Thomas Trophy**, the **Gold Australia badge**, the **A.C.T.A. Gold medal**, and the **Ron Porter Remembrance Trophy**, and replica, from Mrs Muriel Porter.

The A Grade high gun went to Phillip O'Connell, from Monarto, S.A., with 453/475. B Grade was won by Barry Munt, Top End, Northern Territory, 448/475, and C Grade by Colin Sanders, Wangaratta, Victoria, 433/475. Colin had thoroughly enjoyed his first Trap Nationals, winning his grade in three events and the C Grade High Gun.

● The Australian Junior Team: Mark Rogers, Rohan Penn, Filippo Petriella, Andrew Pitt and Guy Evans.

Deserie Huddleston from A.C.T. International made it three wins on the trot in the Ladies High Gun with 445/475. She was presented with the **Eley Perpetual Trophy**, the **A.C.T.A. Silver medal**, and a crystal dressing table set donated by Mrs Agnes Connors, wife of the National President.

Rohan Penn, Echuca, Victoria, took out both Junior High Guns. For his score of 455/475 he was presented with the **Bill Iles Perpetual Trophy**, a case of shotshells, kindly donated by **Winchester Australia**, and the **A.C.T.A. silver medal**, for the overall Junior High Gun. He was also the winner of the **Everett/Attwood Junior Aggregate Award** over the Mackintosh qualifying events with 244/250.

Rohan had a great Nationals, third in the Junior Double Barrel, winner of the Junior Division of the Points, Double Rise and Champion of Champions, at 15 years one of the youngest ever members of the Open International Team, and a member of the Junior International Team. Rohan's Club Echuca had provided seven members of the Open Team, which must be some sort of record in modern times.

We had a dual winner in the Veterans' High Guns too in Bill Mackay, from Batemans Bay, N.S.W. Bill took out the **Cec Herbert Perpetual Trophy** over the Mackintosh qualifying events with 234/250, and the **Val and Fred Horton overall Veterans High Gun** with 439/475.

The **Val and Fred Horton trophy** for the oldest competitor went again to Jim Medway of Gunning/Dalton, who turns 93 in a few days.

Richard Dean of Queensland was presented with the **Eley-Newton Thomas Award** for his enormous contribution to clay target shooting during the previous 12 months. Rarely has the writer seen Richard so lost for words as he accepted the award.

And so the Trap Nationals were over for another year. Full marks to the N.S.W.C.T.A. Organising Committee led by Rob Parker for an outstanding, enjoyable series.

EXECUTIVE COMMITTEE MEETING REPORT

Staff Writer

The Executive Committee met in Wagga on Friday April 6, following the Trap Nationals.

Election of Office-Bearers and Sub-Committees

Mr Roy Holtfreter of Northam, W.A., was elected President of the Association for the ensuing twelve months. Roy had been National Vice President since 1981, and a member of the Executive Committee for more than ten years, so he brings a great deal of experience to the Association's top office.

In an unusual move, the retiring President Laurie Connors was elected Vice-President of the Association.

Both Roy and Laurie pledged to continue their work for clay target shooting throughout Australia.

Elections for Management Committee resulted in the following being appointed: Roy Holtfreter, Laurie Connors, Rob Parker and Neil Hardy.

The International Shooting Committee for the next 12 months is as follows: R.F. Buchan, Victoria, and J.K. Scott, N.S.W. from the Executive Committee, Tim Catling, W.A., Stan Collins, Victoria, Robbie Smith, N.S.W., to represent all disciplines of shooting, and Manager/Coach of the National Training Squad Peter Quire.

Honorary Life Registration

Honorary Life Registration was unanimously bestowed upon L.G. Connors for his contribution to the sport. Laurie has been a member of the Executive Committee for almost ten years, and the Association's National President for the past three years.

Team Manager Skeet Team to U.S.A.

Mr R.F. Buchan, Victoria, was appointed Manager of the Skeet Team to visit the U.S.A. in July/August 1984.

Shooting Rules

Changes to the shooting rules were ratified by the Executive Committee. The major changes are to handicapping rules. Mr John Farrow of Burleigh Heads in Queensland was empowered to sort the rules into shooting rules and Management sections to make the rule book easily understood by all.

1984 Skeet Nationals

The 1984 Skeet Nationals will be conducted at Melbourne Gun Club from Wednesday November 14, to Saturday November 17.

1985 Trap Nationals

Perth will host the 1985 Trap Nationals from Saturday April 13, to Thursday April 18.

The Association's Annual General Meeting will be conducted on Friday April 12.

Suspension

The ACTA Executive Committee has suspended Wayne Calaby of Sebastopol Gun Club, Victoria, for a minimum of ten years.

He had been charged with using a falsified handicap card at various times during 1983, which had not been issued to him.

PLEASE NOTE:

Unfortunately during the 1984 Trap Nationals, 'Wagga Gun Club' badges were unavailable.

Please be advised that new stock of badges has arrived and may be purchased by forwarding \$4 to Wagga Gun Club Secretary, Miss M. Rooke, P.O. Box 79, Koorringal, NSW, 2650.

THE CHAMP

He calls for the high, he smokes it 'tis true.
He calls for the low, and smokes that one too.
He chuckles away and murmurs, I'm set,
I'll shoot a round that these blokes won't forget,
He calls for the double and shoots out with glee,
As he smokes them both into eternity.
He walks from the pad his head swelled with pride,
Approaches the Ref and stands by his side,
"What a glorious day, the weather's so fine,
Don't worry about these blokes, this trophy is mine."
The claybirds come the claybirds go,
With some scoring high, but most scoring low.
Then, the second last pad, the champ's in the lead,
He's clear by four as he lines up his bead,
But the clay keeps flying and breaks on the ground.
There goes the chance to shoot a clean round.
He calls for the low, misses by a yard,
Glares at the Ref saying "That's a bit hard."
"I claim a balk, pull again mate,
But this time cobber don't pull late."
The Ref laughs it off and presses again.
The champ lets go, his face shows the pain.
For he missed once more and with language rather vile,
He tries for the double and misses by a mile.
The shooter in second scores three from that pad.
So the competition hots up and the Ref feels glad.
Because the champ cracks up when the pressure is on,
And he knows this round is far from won.
The champ's in the middle where the targets fly fast.
He calls and shoots but the bird flies past.
He pauses for a while then calls for the low,
But the sound of the gun couldn't match his bellow,
For he missed the bird clean and stormed off in a rage,
And the words that he uttered would fill up this page.
He stands back to let the rest take their turn.
With one shooter left his throat starts to burn,
For this is the man that could win by a bird,
Everyone was quiet not a sound could be heard,
He calls for the high, and turns it to smoke,
Silence reigned supreme, not one person spoke.
He calls for the low, the champ bites his lip,
The shot, decision, the champ's lost by a chip.
The champ stormed off, threw his gun in the air,
Abusing the weather saying, "It's just not fair,
The wind put me off, the targets weren't true,
Just as I shot a hard wind blew."
But the winner interrupted, "Just take it in grace,
Instead of mouthing off and going red in the face,
It happens to us all, it's par for the course,
So stop raving on, you'll only go hoarse,
Look to the future, improve on your skills,
You might just find you'll have more thrills.

"SHOOTING SHORTS"

By Roger Darwon

LUCK OF THE DRAW:

Still under the pressure of deadlines, as I write this on 8th March, for our May edition. If only Clay Target News was a daily or even weekly publication, what exciting news we could tell. Already in March, we have had duck-opening, the lightning quick announcement of the N.S.W. State elections for March 24th, and the start of the 1984 Trap Nationals at Wagga Wagga on 31st March. There is no doubt that the month of March '84 will be a phenomenal month for shooters, to say the least, and all your "shooting-press" can do is sit here and ponder the outcome of all three.

Although, I can be bold and announce that this scribe won a very satisfying substantial bet that the N.S.W. elections would be held before the Trap Nationals started at Wagga Wagga. For devotees of the fine art of putting your money where your mouth is, the bet and the odds being offered by me and accepted by well-known shooting-coach Robbie Smith of Bonnet Bay N.S.W. \$1000 of Darwon's bucks to ONE CENT of Robbie's petty cash. It would seem I won, and he lost. Leastwise I collected his CENT at 9 am the Monday the news came to hand. Made a quick dash to collect, just in case he left town with the loot.

Although, as I write this, the Democrats are putting on a call to have the elections put off, calling "foul play" or the like. Anyway I have the money, and no photo-finish can get it back.

When it all comes down to brass-tacks, all shotgunners know very well the major part old lady luck plays in our sport. When you bring all the skills, painfully acquired through a lifetime on the shooting tracks, or duck holes, to bear on any of our sporting situations, you will find still, in the most perverse ways, it is luck which finally dictates whether the ducks will fly or the clays will smash. The luck of the draw had another occasion to smile upon me this week, when I happened to acquire two more exciting historic old snaps of another age in shooting, which you may view in MY LOOKING BACK segment.

Finally, just to bring myself back to earth, all I need now is an insurance policy to compensate me for all the other things that may go wrong, all because of THE LUCK OF THE DRAW!!

FOOD FOR THOUGHT!!

While I'm in a lighthearted, frivolous mood this month, and bearing in mind it's still the 8th March as I write your May edition, I thought I would just tell you that Management have added a new CLAUSE to my contract, which goes something like this . . . "Views expressed in this magazine are not necessarily those of the Publisher!!" My legal advisers rang me the other night to enquire if I needed any new CLAUSES added or subtracted before I was prepared to sign up for another 18 months.

Well, I tried to get an advance on my publisher's payment to me, which is three free copies of Clay Target News air-mailed direct per each edition. After a lot of haggling, I hoped to get it bumped up to SIX free copies per month, but was told three is all you're going to get. Something to do with inflation and how the Labor Government's Budget has blown out another *\$300 million bucks, which is more food for thought.

No News Is Good NEWS!! No Pitch — Is Bad News!

Hugh Eley, writer for the Capetown "Herald", reports that the clay target shooting of Zimbabwe is in complete jeopardy because NO FOREIGN currency is available to import pitch which, as we all know, is vital for the ingredient, in the manufacture of the clay target. The Clay Target Association of Zimbabwe have already been forced to cancel their National trench and skeet championships. "We have not been able to shoot at the Mashonaland Gun Club for quite some time," said CPSAZ spokesman Jerry Cole, "and our future looks bleak." He went on to say, "The last pitch has been used up and we cannot get the application for foreign currency, as this has been rejected by the Reserve Bank."

It is estimated there are 300 clay target shooters in Zimbabwe, about two-thirds of whom belong to the Mashonaland Gun Club. Ammunition costs \$10 their value for 25 cartridges but without clays the sport has come to a full stop.

Perhaps when we all stop complaining about our own problems here in our Australian land of milk and honey, we might just some way come up with an idea to help out our African neighbours??

VALE

Bob Jorgenson (Snr), founder of the Portarlinton Gun Club, well known to so many shooters, died recently. "Jorgy" was one of the characters of clay target shooting, and ran a most enjoyable shoot at his Club. He was a fine shot in his day, and made the Mackintosh team. He is survived by his wife and son.

VALE

The Noarlunga City Gun Club wishes to regretfully announce the passing of one of our prominent members on March 4, 1984, W.A. Commons.

"Archie" was aged 86 years. Born at Bute S.A., during World War I he enlisted in the AIF at the age of 18 and served in France with the 48th Bn.

He was a foundation member of the Broken Hill Gun Club. He competed in and won Nationals throughout the whole country. He was also a close friend of the late Newton Thomas, and many other old identities.

Archie did well at both pistol and rifle shooting, but he gave priority to activities of clay target shooting in which he excelled.

He broke his last clays only a matter of hours before his passing. He was greatly respected and will be remembered by shooters in all States.

NORFOLK ISLAND — BRIAN MARK

● L. to R.: George Haresnape (N.Z.), Peter Woodward (Norfolk), Bill Arandt, Joan (Jane) Mark and Brian (Tarzan) Mark. (You too can have a body like this if you let yourself go for 50 years!) Even if you can't shoot anyone can catch a fish like this 120-lb Groper.

One thousand seven hundred kilometres east-north east of Sydney is a little dot in the South Pacific eight kilometres by five kilometres. Rugged cliff faces, no boat ramps (they drop you in by crane), coral reefs and sandy coves. No street lights, thousands of fish (trumpeter, kingfish, groper and trevally and you name it). Excellent accommodation and restaurants, 50 kilometres speed limit, cows have right of way, duty-free shopping, cigarettes less than \$7 a carton for example, and the warmth and hospitality of the locals and gun club members has to be experienced to be believed.

What is it? "NORFOLK ISLAND". Joan and I, Bill and Shirley Arandt travelled over for their annual International shoot in February. We were welcomed at the airport by the President of the Gun Club, Bryan Roberts. Our hire cars were waiting, and seven days of really living it up began.

Who was present? Well, about 40 Queenslanders from the Gold Coast to Townsville, and even from Scrubby Creek, 10-15 from Southern Queensland or Northern Victoria (I think it is called New South Wales), and half a dozen from the Garden State; the tireless worker from New Zealand and his crew of about 30, namely Vic Ball, Vice-President of the Kiwi Association (even cleaned the fish we caught); Graham Webber, Brian Webber, John McMillan and Anne Marie Webber jetted in in Graham's new Piper turbo prop. All told, about 80 shooters from other places plus the 15 or so from Norfolk.

Sponsors included East-West Airlines, Burns Philp, Air N.S.W., local business houses and after the

Winchester personnel, Bruce Burns, Brian Mehwa and Ken Lowry put their weight behind it, I delivered a Winchester 101 Trap Gun as their overall High Gun Trophy to add some icing on the cake.

Results escape me individually, but Vic's son Trevor, after leading the High Gun aggregate for the whole programme, did manager to flounder a bit in the last event, and Brian Webber of New Zealand and Brian O'Connor of Australia joined in a three-way tie. Eventually Brian Webber won this coveted trophy.

Energetic committeeman Peter Woodward was dead on his feet after taking half the shooters and their wives fishing over the ereek. No charge was his stern command, so I am now minus one of my Winchester shooting shirts.

Want to go somewhere different? Mark your calendar for the second Friday in February next year, and I will guarantee that you will find, like us, that there is still a little bit of Paradise virtually untouched, where you will be spoilt blind.

Thanks to Bryan, Basil, Peter, Bill, and the many others that made our stay so memorable. Thanks also to our fellow Aussies and their wives (you were great ambassadors), and to the Kiwis for their lighthearted banter. (Who put the Glad-Wrap over my toilet bowl?)

As my old Mum used to say, "Don't play around with your father's glass eye, he's got to go looking for work", so I had better get the head down and do a bit, and start saving for next year's trip.

S.Y.P. GUN CLUB ANNIVERSARY

The old-timers proved they were still capable and keen at an open day held to celebrate the 20th year since formation of S.Y.P. Gun Club, 8th March 1964. On that day, Cr H.J. Cook fired the first official shot at the range, which was then at The Bluff.

Although some shooting was carried out at The Bluff range, using a hand-loading clay target thrower set up behind hay bales, with concrete blocks serving as handicap markers, it wasn't until 1964 that the Club gained official status and affiliation with the Australian Clay Target Association.

It was in 1978 that the Club moved to the present Hartland Range, where two shooting layouts were installed, one mechanical and one electric, and a new clubhouse built.

Many of the original members, and past members, attended the luncheon and novelty shoot held during the afternoon. Among visitors were John Edwards, Glen Kossatz and John Schwarz, who were on the original committee; Bill Braithwaite and Ken McNab from Adelaide and H.J. (John) Cook who opened the first shoot.

Some of the original 1964 members are still regular participants; of these, Bob Edwards, Keith May, Wally Bowman and Al Wright were there to enjoy the anniversary. Other 1964 members who returned for the day were Peter Cook (probably the Club's first junior shooter), Keith Lee and Tony Rosiello.

Thirty shooters participated in the 10 target Anniversary Handicap event for which trophies were donated by Messrs E. Commons, M. Roach, R. Jaehne, B. Jenkins, G. Jarrett and Dorice Cook. Winners: overall winner, Kim Humphrys; non Club member winner, Gary Read; club member, Keith May, with Al Wright runner-up; veteran, John Edwards; new shooter, Trevor Whitelaw; old-timer, Ken McNab; junior, Ian Newbold and Brett Cook; ladies' trophy, Ev. Schwarz and Audrey Edwards.

Twenty shooters lined up for the sweepstake shoot which was shared by Wally Bowman and Tony Hudson, who both shot 10/10.

Of the approximately 80 people who attended the anniversary shoot, many stayed on reminiscing afterwards so the ladies of the Club organised an impromptu buffet tea which finished off an enjoyable day with added pleasure.

● Past Office Bearers: David Edwards, Bob Edwards and Lyall Stankey (Past Presidents), John Edwards and Bill Braithwaite (Past Secretaries), Keith May (Past Vice-President), and John Schwarz (Past Committeeman).

THE WERRIBEE GUN CLUB LADIES TEAM WIN 1983 TAIPAN SHIELD

The top three team scores were: Werribee (Vic) 92/100, Cressy (Tas) 84/100, Royal Aero (NSW) 82/100.

CHARITY CHALLENGE AIDS RED CROSS APPEAL

Griffith, N.S.W.

It was "Battle Stations, everyone!" at the Griffith Clay Target Club grounds on Monday evening March 19th. The 1984 Charity Challenge Teams Shoot re-match between Lodge Ibis Freemasons and Yenda Rotary was on again.

The Griffith Clay Target Club supplied clays, guns and coaching to get Lodge Ibis and Yenda Rotary members off on the right — and safe — footing.

Fifty shooters had turned out to battle for their respective club's honour, and after a hectic 10 target practice round the six highest scorers from each club were re-squadded to shoot out the Challenge.

Last year's victors Yenda Rotary were no match this year for the determined Lodge Ibis squad — although the outcome may have been different if the Clay Target team of "Calathumpians" had not been banned from entering!!

President of Yenda Rotary, Mr Les Schirmer presented the official pewter mug to his counterpart, Mr Bill Barber to hold "for only one year", because Les and his men were aiming to win it back in the 1985 re-match.

While the barbecue was being smoked to perfection and the keg was broached, members of the Griffith Clay Target Club shot an exhibition round of Night Skeet amid high interest and encouragement from the two Challenge teams and their supporters.

The evening ended with a quick whip round of the hat, the \$100 proceeds being given to Red Cross to swell the funds from the weekend Door Knock Appeal.

BENDIGO CLAY TARGET CLUB'S "AUSTRALIA DAY" SHOOT

by Norm Lindrea

Fifteen-year-old Bendigo junior shooter, Kenny Bell won the Australia Day Handicap and secured first prize of an MEC 650 reloader at the Bendigo Clay Target Club. The event was top of the bill on the club's annual Australia Day shoot, which was held on the Monday of the holiday weekend, and attracted 102 shooters.

Shooters faced a fierce head wind, on which many targets proved elusive, dancing in the air like puppets on a string.

First event of the day was the 20 targets Points Score Championship in which seven shooters returned a one-point-down (59/60) scorecard. Shoot-off targets proved to be even more elusive, as all shooters but one, had failed again in the space of seven more targets. Alf James' 80/81 was the overall winner from Peter Akkermans (77/81) in second place in A grade. B grade was won by Russ Young with 57/60, ahead of Rohan Penn (56/60), while Steve Catena (71/78) and Kenny Bell (70/78) were the placegetters in C grade.

Main event — the 20 targets Handicap — was contested in 3 metreage groups. Only three possibles of 20/20 were returned. Kenny Bell, Len Downie and Eric Bullmore shot-off for the overall win, which was decided in favour of Bell, after Bullmore missed his first target and Downie missed his second. Downie collected the Frontmarkers division prize, Bullmore secured the Middlemarkers, and Terry Boucher, who had scored 18/20, was the winner in the Backmarkers section.

The 25 targets Double Barrel Championship saw eight shooters with solid scores after the 17 squads had shot. The shoot-off for overall honours saw Terry Boucher and junior shooter Dean Woodhatch the last two standing, and on the "nervous" ninth target, both missed their quarry, and let the other shooter off-the-hook. Boucher ultimately won the event on target eleven, taking the A grade prize as well as the overall sash, ahead of Tony Penney, second in A grade. Rohan Penn lasted one more target, in the shoot-off, than Ken Burton, and each won a B grade prize. Dean Woodhatch was the C grade winner with Greg McQuillan placed second in the grade. Fay Taylor was best lady shooter with 23/25, and won in that section.

The Single Barrel Championship, over 20 targets, saw Ken Bruns, Mark Rogers and Jack Haw the only shooters with solid scores, and subsequently shoot-off for the overall win. Bruns was out — first target, and settled for second in A grade. Haw missed his third — to collect the B grade win, leaving Rogers — a 16-year-old from northern Victoria — with A grade and overall. Ken Burton's 19/20 was second in B grade, while Greg McQuillan's 17/20 and Wayne McCarthy's 17/21 were winners in C grade.

The Mixed Distances 15 target novelty event for cash prizes saw three solid scores from Ken Burton, Norm Lindrea and Steve Hemley share the cash.

High Gun awards were presented for aggregate scores over events 1, 2, 3 and 4 on the day's program. In the "Open" section, a creditable score of 120/125 was a winner for Rob Ross, who remarkably had not collected a prize all day in the individual events. Junior (C grade) High Gun was won by Kenny Bell, with a score of 110/125.

● Kenny Bell is presented with an MEC 650 reloader for his win in the Handicap. Congratulating Kenny is Bendigo Club President Bert Knight.

BUNBURY BLUE MANNA CARNIVAL

3rd & 4th MARCH 1984 — MICHELLE ALEXANDER

The city of Bunbury is situated some 200 kms south of Perth on our beautiful west coast. It is a wonderful holiday place, with lots of fishing, prawning and of course crabbing spots to take advantage of while on a visit. The Blue Manna crab is the species available here and though it is not large, it is probably the nicest eating variety. There were plenty of these made available to all who attended the shoot, by the Bunbury boys on both days of the carnival, and I know they were appreciated by the bins being full of crab shells.

W.A. clubs are having silver badges made for the High Gun, depicting something that is known in the area. Geraldton has a crayfish, Narrogin a Merino sheep, Katanning has its cherry tree, so logically Bunbury has a silver crab. All these are highly sought after and quite valuable.

The club members had worked extremely hard in the weeks leading up to the two-day shoot and the improvements included a new trap layout (total now three) and extensions were made to the club house.

● Murray Alexander with the W.A. Sportsman of the Year award.

THE CITY OF BUNBURY P.J. USHER MEMORIAL TROPHY

Quite a few shooters managed to shoot the possible 25 targets in this event. Eventually, only Darrell and Helen Wiese were left and finally Helen dropped a target, leaving Darrell to win the sash for first in A Grade and the P.J. Usher Memorial Trophy. Helen then took second in A Grade and Tim Catling was third. Geraldton shooter Kim Newbold received the sash for B Grade. Gordon Beard was second in that grade and a new shooter David Fox from Collie was third. Bunbury boy, Peter Iley, showed the flag for the host club by winning the sash in C Grade. Jeremy Lowe (Azzurri) was second, and Ashley Wiese took third place.

Good shooting on the part of all the Wieses, considering they started the event with a bad batch of shells, courtesy of Darrell's reloader. Mrs Usher arrived in the afternoon to present the trophy, in memory of her late husband, to Darrell as overall winner and the other placegetters.

THE STATE MIXED TARGETS

After running second in this event seven times, Murray Alexander finally broke the drought and won the title by two points from his nearest rival. First place in A Grade was won by Tom Vodden, who travelled from Kambalda (near Kalgoorlie) to compete, and Tim Catling was second in grade. Tim said at the presentation, he was improving his position and that Sunday he would have to make a first place. (He did.) Again, Gordon Beard was there, and won the B Grade section from another new Collie shooter Brad McCrystal. First in C Grade again went to Peter Iley, while club president, Don Wetherell had to be content with second. The best lady shooter was Helen Wiese and Ashley Wiese won the Junior trophy.

BLUE MANNA HANDICAP

A long hard fought shoot-off resulted in David Fox winning the black and green sash and trophy for this event. Gordon Beard was second and Neil Dowey of Collie was third. The unplaced meterage trophies went to: 11-14 metres Alan Dye, 15-17 metres Lex Shipp, 18-20 metres Peter Wood and 21-25 metres Tom Vodden.

● L. to R.: Mrs Usher, Bunbury President Don Wetherell, and Darrell Wiese holding the P. J. Usher Memorial Shield.

The WACTA Annual General Meeting was held in Bunbury on the Saturday night. John Eddy, of Perth Gun Club, is the new association President. Ross Silvester of Bunbury is Vice-President.

The WACTA Sportsman of the Year was announced at the meeting. This award is for the person who has contributed to clay target shooting, in administration, at club and state level, supporting the various clubs by travelling to the shoots throughout the year and also winning championships. The inaugural winner, by some margin, was Murray Alexander, now Immediate Past President of the W.A. Association. He received a silver medallion, featuring the new Association logo on one side and the inscription on the other.

Sunday morning saw a big change in the weather. From hot and humid on Saturday, to cool and cloudy on Sunday, with a threat of thunderstorms. Fortunately, it moved away and by late afternoon the weather was quite pleasant once again.

• L. to R.: Lex Schipp (Winchester), Don Wetherell and Commonwealth Double Barrel Champion John Harris.

DISTRICT DOUBLE BARREL CHAMPIONSHIP

Darrell Wiese managed to hold off his opponents and win the championship after a shoot-off with six other competitors. Tim Catling kept his word and took first place in A Grade, while Neville Hyder came in second. Peter Wood was first in B Grade and Max Cubic second. Jim Lange had a win in C Grade from Colin Roach; both are Bunbury shooters.

COMMONWEALTH DOUBLE BARREL CHAMPIONSHIP

John Harris, of Cunderdin, and Clayton Hyder (Bunbury) shot off for the Blue Ribbon event of the day. Clayton missed his second target in the shoot-off and John, the new State Coaching Director, received the sash and trophy. Helen Wiese once again shot extremely well to be first in A Grade, and Mark Green was second. Clayton was the B Grade winner, with Kurt Shinzig, another Bunbury shooter, taking second. Michael Griffiths (Bunbury) was first in C Grade, followed by Jeremy Lowe. The best unplaced lady was Bunbury secretary June Roach. John Iley did very well to win the Junior trophy.

KOOMBANA CHALLENGE CUP

The cup itself is quite old, originating in 1909. Several years ago, it was found by a local businessman and donated to the club to be used for their major two-day shoot. David Fox was the lucky winner and has the cup on his shelf for one year. Second place went to John Harris and Neville Hyder was third. There were also unplaced meterage trophies and these went to Michael Griffiths in the 11-14 metres section, 15-17 metres Kim Newbold, 18-20 metres Gordon Beard and 21-25 metres Robin Bailey.

When all the points were tallied up, Tim Catling had won the sash and silver crab for High Gun of the weekend, with a score of 198/210. David Fox had a very successful weekend and topped it off by winning the Intermediate High Gun medallion. His score was 193/210. Helen Wiese with a creditable score of 191/210 was the Ladies High Gun. Young Ashley Wiese shot so well and won the Junior High Gun medallion.

The Bunbury members organised the shoot so it ran smoothly and finished in time for everyone to relax and take part in the barbecue and refreshments after the presentation of trophies.

A MARATHON BATTLE FOR THE LEETON AND DISTRICT PRESIDENT'S CHAMPIONSHIP

Glen Castellaro of Griffith and Noel McDermott of Leeton stood shoulder to shoulder for 157 targets in a battle for the Leeton and District President's Double Barrel Championship at Leeton Gun Club, on Sunday March 25.

Watched by 50 other competitors, they shot on for half an hour before McDermott finally dropped his 157th target, giving victory to Castellaro.

The handicap event, which incorporated the Les Dow Perpetual Shield, was contested by seven teams — three from Leeton, two from Griffith, a combined Coleambally/Griffith team, and one from Barellan.

1984 appears to be a repeat of 1983 with Leeton teams dominating handicap shotgun shooting in the MIA. At Narrandera a fortnight before, a Leeton team successfully defended the Hudson Shield with 98/100, and this week kept the Les Dow Shield with 92/100.

The High Gun was a three-way tie among Colin Shields of Coleambally, Angelo Paonne of Leeton and Leeton president Fred Schmetzer who all carded the possible 55/55 over the three competition events. Schmetzer won the trophy with a final score of 71/71.

CLAY TARGET SHOOTERS HIT THE HEADLINES IN GRIFFITH, N.S.W.

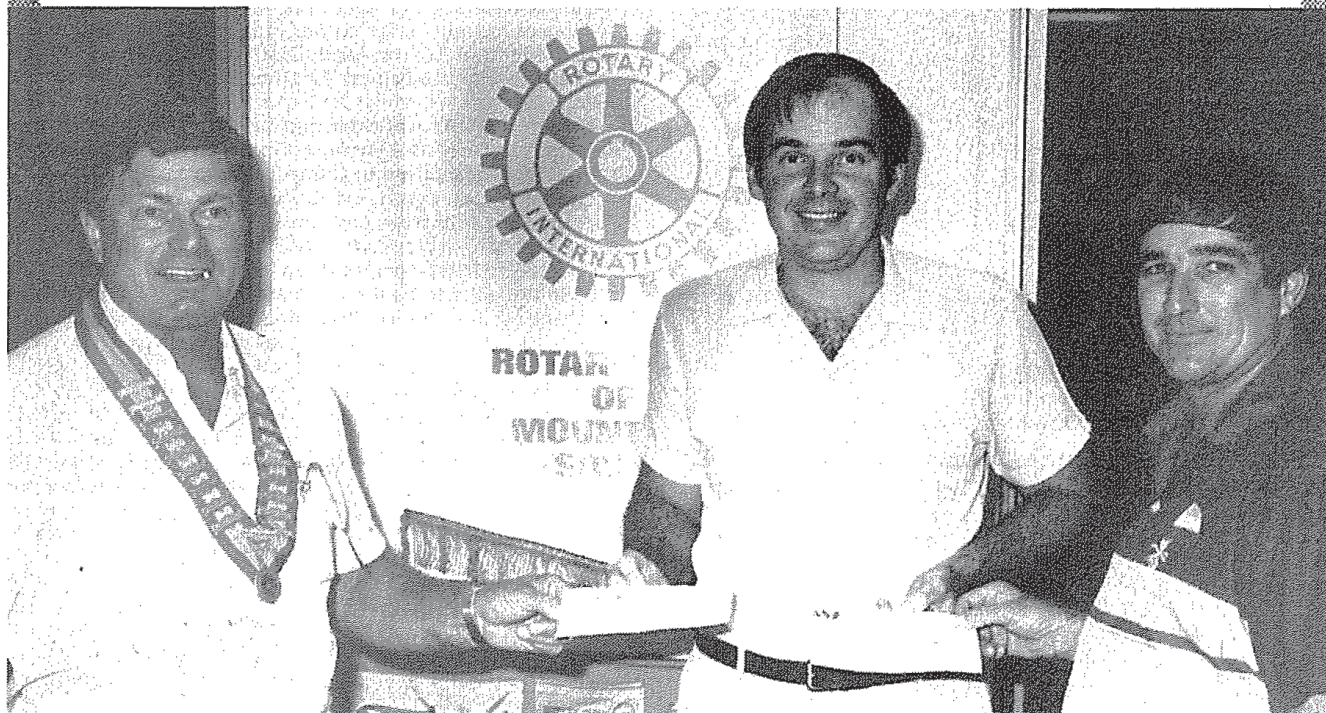

Tony Greig, former England Test Cricket Captain, summed up the general public's feelings when he expressed surprise that a woman should be among the top clay target shooters in Australia, as well as the fact that two shooters had won monthly awards in the Griffith 2RG-Westpac Sportsman of the Year Awards for 1983.

Australian Lady Champion, Deserie Huddleston's sterling efforts at the 23rd Australian National Clay Target Titles held in Adelaide, won for her the May monthly award — and the final accolade — the 1983 2RG-Westpac Sportsman of the Year Award.

Trench shooter, Garry McDonald, also became a finalist when he won the August monthly award for bringing the "B" Grade New Zealand Olympic Trap Medallion back to Griffith, after competing at Christchurch as a member of the NSW State ISU Training Squad.

Owing to the lack of patronization of visiting shooters and small membership, the club is having difficulty conducting shoots. The last three shoots have been cancelled as practice shoots only have been held. We are at present negotiating with the local council and land office in an attempt to obtain a lease on land close to the town area as present location is shared with other clubs and not harmonious.

If we are successful our membership will grow and Junior Coaching program will be able to be conducted with the State High School Students. A forty-minute trip at the present is halting the program.

AZZURRI 4-3-84 — Fine & sunny (30). 50 D/B Graded: A: G. Ferrara, O. Ando; B: L. Ooster, M. Mascio; C: S. Yeak, M.J. Williams. Congratulations to all the winners. Special mention to S. Yeak in his first 25 D/B Break Badge.

AZZURRI 11-3-84 — Fine & cool (40). 75 D/B Graded: "Charity Shoot": A: M. Alexander, A. Di Silvio, O. Ando; B: E. Dickinson, A. Pobjoy, F. Hodgson; C: J. Mathews, A. Eyes, L. Bacci. This shoot will be a charity shoot and all profits will be donated to the Multiple Sclerosis Society. Thanks to all who attended. Special mention to Steve and Tony Di Silvio for their donations for trophies.

AZZURRI 18-3-84 — Fine but windy (30). 50 Skeet Graded: R. Bailey, M. Mascio, P.G. Vosper. Unplaced: A: G. Jones; B: M. Middleton; C: J. Rossi. Ladies: Colin Ireland, E. Dodd. Junior: R. Hollier. Congratulations to all the respective winners. Special mention to our lady shooters with reference to Libbey Dodd who came second to Colin Ireland. Well done ladies. Our junior shooters also are becoming competent skeet shooters. Well done boys.

BUNBURY 16-3-84 — Cold (9). 25 DB Night Shoot: B/Mark: A. Harvey 23/25, C. Roach 22/25; F/Mark: D. Wetherell 23/26, T. Germain 22/26.

C.M.T. 12-2-84 — Gusty easterly winds into face of shooters. Cool 34°C (23). Club D/B 25T: C. Riegert 25/25, B. Beard, R. Holtfreter both 24/25. Club P/S 25T: G. Beard 74/75, B. Bristo-Stagg 69/75, R. Holtfreter 68/75. Club S/B: G. Beard 28/29, R. Thomson 27/29, M. Callaghan 25/27. Club Skeet: L. Reynolds 25/25, R. Thomson, J. Kevill both 24/25. In a combined opening shoot with our sister club, Northam, a total of 23 shooters turned out to compete for four Club Championships. A rather disappointing result. At the end of the day's shooting Gordon Beard had won two of the four sashes, maybe an indicator of things to come for Gordon this year; Laurie Reynolds and the author, Chas Riegert, taking the other two events. Here's hoping for a good year.

C.M.T. 18 & 19-2-84 — Cool, cloudy, strong winds 25°C (30). State Trench 200 targets over two days: Overall: 1st J. Harris, 2nd C. Reigert, 3rd J. Kevill; A: 1st G. Beard, 2nd T. Harris, 3rd D. Kevill; B: 1st L. Shipp, 2nd N. Dowey, 3rd M. Bell; C: 1st J. Gentle, 2nd D. Fox, 3rd B. McCrystal.

C.M.T. 11-3-84 — Fine & mild (23-4°C) (10). 50 ISU Skeet: Off Fun: D. Kevill, J. Harris, J. Fissoli, G. Beard, B. Hopkins. Aggregate: R. Patroni, J. Fissoli, B. Hopkins, J. Harris, G. Beard. On a beautiful clear day, only 10 shooters turned out to compete over 50 I.S.U. Skeet as a forerunner to the State Titles in a week's time. David Kevill once again showed his supremacy in this event by winning the day. Next weekend, however, may just be different. Let's wait and see.

C.M.T. 17, 18-3-84 — Fine, dry and cool. Very strong easterly wind (22). State ISU Skeet: 200 tgts: Overall: J. Harris 180/200, David Kevill 214/250, B. Thomson 211/250. A: J. Neve, J. Kevill; B: J. Fissoli, C. Roach, C. Riegert; C: B. Hopkins, J. Tetlow, L. Shipp.

"WAGIN 100"

A most successful shoot for the Wagin 100 was held on Sunday, March 25. Some 29 shooters from the surrounding areas attended the day and competed in perfect conditions.

The first event was a 25 Double Barrel event with respective grade of shooters. A Grade was won by Mike Mitchell with a perfect 25. G. Holly from Kojonup shot a 24 and K. Anderson scored 22. G Grade results showed R. Lewin with 23, Kevin Marley 22, and C. Holly 21.

Event 2 — The Home Building Society 50 Double Barrel Classic — was also graded. Mike Mitchell stitched up the A Graders by scoring another perfect score — 50. Runner-up was G. Holly with 49 — very keen competition.

B Graders were led by Ray Pederick with a perfect 50. Runner-up was Jim West with 48. C Graders to perform best were Ken Smith 43 and C. Holly 42.

Event 3, of Double Barrel Continental targets, again gave Mike Mitchell a perfect 25. Runner-up was G. Holly with 23. S. Gibson chalked a perfect 25 for the Bs with Ray Pederick registering 24. C Grade saw a shoot-off between A. Adams and four Wagin chaps — Frank Pederick, Lindsay Potts, Ken Smith and Pas Carbone all on 20. A. Adams eventually won and Frank Pederick was named runner-up.

Overall high gun had to go to Mike Mitchell for his mighty 100/100 — a tremendous effort in skill and concentration and a first for the records of our club. Congratulations, Mike.

Moore) shot 120/125 (98%) to win the event. HG: Donated by Colman family, won by Jim Shepherd 59/60. Because of the high cost of worthwhile trophies, the club tried two shoots giving a first trophy only to each grade or group in an effort to keep nomination fees as low as possible. Feedback from shooters has led the club to decide that where forty or more shooters attend, first and second prizes or trophies will be awarded for each grade or group.

The way in which Richard Wright shot also will put pressure on those who think the Nationals could be theirs. Not singling out these two shooters there also were many good scores shot and congratulations go to the first round qualifiers.
