EXECUTIVE DIRECTOR'S NOTES

The Olympic Games shooting team has returned home after very good performances in the shotgun events.

Ellis 6th, Rumbel 7th in Olympic trap, Hale 8th and Crikis 24th in skeet.

Pattie Dench (ladies' sport pistol) brought home Australia's first shooting medal since 1904, with her bronze medal in this event.

Full marks to the team under manager Peter Anderson and coach Peter Quire, to finish 6th, 7th and 8th at the Olympic Games is a truly fine effort.

★ ★ ★

The Skeet Team which competed in the World Skeet shoot in San Antonio has also finished competition. The Australian team of Adrian Cousens, Bob Dower, Kevin Perkins, Reg Clarke and Brian Thomson, was beaten in the teams events when all the members of the American team shot clean scores. Team manager Bob Buchan was delighted with the performances of his charges, and much was learnt from this visit to the World Skeet shoot.

★ ★ ★

Much favourable comment has been received following the publication of the new shooting rules. Rule books are in stock and are available at \$2.00 each.

Enjoy your shooting.

ENGLAND TRIUMPHS IN MACKINTOSH

Staff Writer

For the first time since 1953, England have won the Mackintosh Trophy.

The Home Countries shot their match at Landegla, North Wales, in fine sunny weather on July 20.

England totalled 7386 points to win from New Zealand 7378, and Australia in third spot on 7372. Following on were Wales, Scotland, Ireland, Canada and Zimbabwe.

Good news for Australia came in the Ladies and Juniors International matches. Australia were successful in both matches as follows:

Ladies International Match

| | |
|-----------|------|
| Australia | 1434 |
| England | 1390 |
| Wales | 1358 |

Juniors International Match

| | |
|-----------|------|
| Australia | 1432 |
| England | 1426 |
| Scotland | 1422 |
| Wales | 1398 |
| Ireland | 1341 |

Congratulations to the ladies and juniors International Teams on their back to back victories.

From the Coaching Director, Peter Quire

THE NATIONAL COACHING COUNCIL

Tim Catling the State Coaching Director of Western Australia, since the inception of the National Coaching Scheme has resigned from that position. Tim has been replaced by John Harris of Cunderdin.

The Coaching Council will miss Tim's experience and wisdom, but I am sure he will continue to assist in Western Australia. Our sport like most others has many unsung heroes who continually put back into the sport much more than they take out, Tim has always been such a person.

John Harris the new Western Australian State Coaching Director will be well known to W.A. shooters and coaches, as well to many outside W.A. John has been an accredited coach from the beginning of the National accreditation scheme, he came to notice as a shooter when he was only 18 years old and was selected as first reserve for the 1956 Melbourne Olympics. Since that time he has won many championships and been a member of the W.A. State Team on several occasions. John shoots all disciplines in our sport.

For shooters and coaches who may want to contact John on coaching matters, his address is, John Harris, P.O. Box 13, Cunderdin, W.A. 6407.

South Australia has also been very fortunate to be able to appoint Hillary Baynes, as South Australian State Coaching Director. Since my appointment as National Coaching Director, South Australia has been without a Coaching Director and Hillary Baynes appointment rectifies this situation.

Hillary Baynes has been a clay target shooter for 26 years and has in that time been a member of the South Australian State Team on many occasions and a member of the Australian Team in 1973.

Hillary has been involved in the coaching accreditation scheme since its inception and has been particularly involved in the coaching of juniors.

I would like to welcome Hillary and John to the National Coaching Council and look forward to working with them, with coaches of the calibre of Hillary and John involved in the coaching scheme we must go from strength to strength. Hillary's address is, C/O P.O., Jamestown, S.A., 5491.

The members of the National Coaching Council are Bill Stevens, Queensland; Robby Elmer, Tasmania; Greg Chan, Northern Territory; Harry Brooksby, Victoria; Barney Rookes, N.S.W.; John Harris, W.A.; Hillary Baynes S.A. and myself as National Coaching Director.

CONTINUING THE HISTORY OF OUR SPORT IN WORDS AND PICTURES

George Biggs

Australia's first registered clay target club. The Nobel Clay Bird Club.

The club first came into being through the efforts of a small band of enthusiastic clay target shooters who, in 1926, decided that they would prefer to shoot clay birds rather than live birds. And so after several months of fun shooting in a quarry at the back of I.C.I., a factory in West Footscray, a Melbourne suburb, it was decided that a club should be formed. History was made on Friday September 9, 1927 when at a meeting, held at 380 Collins Street, Melbourne, decided to form Australia's first clay pigeon shooting club. It was to be known as the "Nobel Clay Bird Club".

A copy of the original minutes of this meeting follows:

Prior to the Nobel Club being formed, small groups of shooters in various places would run what could be called fun shoots, using more or less their own rules of competition. One of the more prominent of these clubs was the Victoria Clay Bird Club. This club used a piece of land adjacent to a market garden in Bentleigh, a south eastern suburb of Melbourne. Nobel and Victoria Clubs were actually the two pioneer clubs. They merged in October 1939 and used the Nobel grounds. Shooting continued until several months after War was declared.

In the years between 1927 and 1936 numerous clay bird clubs were formed. They were affiliated with what was known as the Gun Clubs Association of Victoria. This

was a live bird shooting body with headquarters at the original Melbourne Gun Club at Tottenham.

1936 was the year when Australia really began to shoot clay targets in an organised manner. Up to this time clay target shooting was controlled by the Live Bird Association and for obvious reasons it was apparent that we had to control our own type of trap shooting.

At a meeting called to discuss the matter, it was decided to proceed in this direction. It was agreed that the name of the Association would be "Clay Target Shooter's Association of Victoria".

The glassed in section of the club room was years later used to advantage in the club room of the Australian Gun Club at Burwood.

2. Horace James

First President of the "Clay Target Shooters Association of Victoria".
Horrie as he was known to every shooter was instrumental in clay target shooting being established in Australia.

He was responsible for the formation of Nobel club in 1927 and continued to be involved until it ceased to function when War broke out in 1939.

Horrie was known as the father of Australian clay target shooting.

Officials elected were as follows:

President: Mr H. G. James

Vice Presidents: Colonel C. W. Thompson and Messrs J. W. Wilson and L. Bertram.

Secretary: Colonel Thompson

Treasurer: Mr H. Benison

Handicappers: Messrs E. J. Parow, H. G. James, G. Townsend.

Committee: R. W. Delaney, A. P. Cook, J. Benison with power to co-opt two others.

This was now the beginning of clay target shooting nationally.

Following is a clip from the Melbourne Age newspaper April 16, 1935.

SIR S. ARGYLE AS TRAP SHOT

Anquetil Sets Record For Shoot-off

ALTHOUGH he did not win any prizes, Sir Stanley Argyle, who was a competitor at the Nobel Clay Bird Club's competitions on Saturday, showed he knew how to handle a gun.

Presenting the trophies to prize-winners, he said he was particularly impressed with the shooting of W. Delaney, 14½, of Burwood, who won the five-bird walk up from 19 competitors with five straight.

B. Anquetil created a record for a shoot-off at clay birds by breaking 39 targets in succession in the ten-bird event for the Jock Wilson Cup, and was carried off the ground. His great total included only seven second-barrel shots.

Gloucester Cup

SHOUBRA came second with 38-39 (seven second barrels also), and G. Vipond third with 17-18. Next scores were H. A. Tilburn 16-18, and W. Tilburn 15-16.

The second big event was the Duke of Gloucester Cup at 15 birds and was won by Shoubra with the fine total of 15 straight.

The cup is held in perpetuity by the club, and each year a replica is presented to the winner. W. Tilburn was second with 17-18, and Col. E. K. Smart third with 16-18.

3. Donald Mackintosh

Mr Mackintosh was perhaps the first Australian shooter to make a name for Australia and himself overseas. He was principal of the Melbourne Sporting Goods and Gun Shop of Donald Mackintosh P/L. His firm together with I.C.I. Ammunition Co. contributed greatly to the early development of our sport of clay target shooting.

4. Duke of Gloucester Cup

Presented to Nobel Club 1935. It is one of the first perpetual trophies donated for clay target shooting. The cup is still being competed for annually by Frankston/Australia Gun Club.

Unfortunately my attempts to find an early picture of the cup have not been successful. The above picture was taken 22 years later where it was being contested at the Australian Gun Club, Burwood. Conditions of shoot off were that it be contested from handicap marks. The winner was myself with a score of 30/30 from 27 yards. Joe Harle is doing the presentation.

It was the Australian Gun Club that came into being at Burwood and incorporated both Nobel and Blackburn Gun Club.

RON COLE CAPS OFF A GREAT DUCK SEASON

Ron Cole, a High School Teacher from Warrnambool, won the Winchester Cap off a Great Duck Season Competition.

Ron drove to Geelong to pick up his prize — a Savage 12ft Duck Punt and 5 H.P. Mariner Outboard, valued at over \$1300. His trip was rewarded even further once the official part of the handing over of the prizes was concluded. (Ron Cole pictured above on the left receiving the prizes from Gary Matchan — the National Sales Manager of Winchester).

Ron and his mate Alan Smith were treated to a hearty lunch prior to a lengthy guided tour of the Winchester facilities at Point Henry.

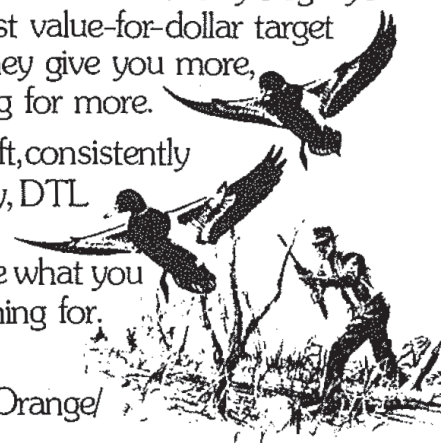

Ron, who has been a keen duck shooter for over 20 years, is actively involved in the development of Junior Clay Target Shooting in Warrnambool. Somehow, we don't believe Ron's students are going to get a chance to try out his prizes.

AROUND THE TRAPS

EASTER 1984. Received an invitation from a clay shooting mate of mine to spend a few days camping with him and his family, at his hide-away shack on the Murrumbidgee, at a place called "Toopuntal" in N.S.W. It was an interesting trip with the opportunity to talk with several property owners in the area, including Rob McFarlane, owner and manager of Oxley Station.

In conversation, Rob told me in days gone by, shooters had been a major problem in the Oxley, Ivanhoe areas, and on occasions even today they still are.

In good seasons, the country in this area offers excellent hunting of wild ducks, pigs, rabbits and foxes. This being so, it is no wonder property owners have been inundated with shooters over the years, with some of them very irresponsible. This irresponsible shooter by his actions, seems to do the advertising for all firearm users, hence making it difficult for Station owners to have faith in anyone they see carrying a firearm.

It is no wonder the property owners greeting to a firearm user, regardless of who or how responsible he might be is, "Get to hell out of here".

"Toopuntal" is now owned by a number of share holders interested in the sport of hunting and conservation. The property has been set up with excellent camping facilities, with a resident manager in attendance at all times. All hunting is organized and controlled. Many of the shareholders are well known clay shooters and members of our Association. A good social atmosphere is encouraged with organized clay target shooting tournaments over a "Burton" Electric trap, with barbecue or pig on the spit being part of night entertainment.

"Toopuntal" is a credit to its owners and organizers. With places like this around, one can see our future generations being able to enjoy the Australian bush land in its natural state with hunting an added bonus.

• On left: Oxley Station owner Rob McFarlane and "Toopuntal" shareholder Brian Loxton check the score sheet at the Clay Target Shoot.

Kerang Gun Club. This club is one that seems to be making progress in what some of us call difficult times. I was invited to their monthly night shoot, as well as to stop over and attend Kerang Lions Sportsman's Night Dinner. Kerang Junior shooter, Darrel Burton, for his wins in junior and open events received the recognition of being Kerang Sportstar of the month making him eligible for the Kerang Sportsman of the year award. Darrel was not successful in the overall placing, however he did win the annual encouragement award. Kerang Gun Club is foremost in providing trophies to encourage junior and novice shooters, and is reaping the benefit of free publicity for their club members, and most of all, firearms used for sport.

Boort Gun Club. Heading for home after an enjoyable time at Kerang, I called on Boort Gun Club. This club seems to always attract a good attendance of shooters. This day was no exception. Neil Lehmann won the Points Championship 69/72 with the master himself, Alf James taking the Double Barrel 55/55.

Maryborough Gun Club. Having attended a North West Zone meeting at Maryborough, I stayed on as a guest of my Zone Delegate Colleague, Jim Shepherd, and had a shot at his club's monthly shoot. In case you do not already know, as well as being a top shot, Jim plays music for relaxation.

His musical prowess includes, piano, violin, saxophone and harmonica. Jim dedicates the hours of early morning, around 5 am for practice. Having attended the shoot and enjoyed Jim's hospitality of excellent chinese food and several bottles of wine with his mate, Brian Rafferty to wind up the night, I was glad he gave musical practice a miss the next morning. I will take his word that he plays all instruments proficiently. I am really not a music lover at 5 am in the morning. Alf James and Adrian O'Connell shared the limelight over the shoot programme, and captured the major titles.

George Bennett, a long standing member of the Shepparton Clay Target Club passed away suddenly on July 14th, 1984 while on holidays in Pemberton, W.A. George was a very respected and well liked shooter by all who knew him.

Although he never held an office with the Shepparton club in the many years he was here, he played a very active part in the running of shoots, practices and general maintenance of the club.

Before moving to Shepparton some 11 odd years ago, he was also a member of the Cohuna Gun Club for some time while he lived at Leitchville. George has left behind his wife, Margaret and two married children, Rhonda and Malcolm and the Shepparton club would like to express our deepest sympathy to them all.

Frankston Australia Gun Club. Frankston Australia introduced the "FUN" into the sport, shooters have been seeking for some time. Brian Bond, along with the committee and members of his club have introduced what they call "FLUSH SHOOTING". The shooter response has been tremendous according to Graham Ash, their club President. So much so, the club committee is looking at other types of novelty shooting, in an endeavour to increase shooter attendance.

My observation of the 50 target "FLUSH" event, with a case of shells as first prize contested on this day, convinced me they are on a winner. The event consists of teams of three shooters facing five targets released simultaneously.

Three shooters stand at, or near the 25m mark, in specially erected safety cages, approximately 2m apart. Five targets are released simultaneously, one from skeet high and low houses, and a pair from a trap set to the left hand side of the shooters, and one target coming from a trap set directly in front of the shooters, with the target flight being towards and over the competitors heads.

● Preparing to take their targets at the Flush Shoot, L. to R.: Bill Iles, Terry Boucher and Russell Mark.

There is no problem as far as the safety aspect is concerned, and very little expense is required to set it up. Teams can re-nominate once in the event if they wish, giving them an opportunity to improve their score. Nominations rolled in, and organizers faced difficulty in getting the event completed before failing light. There were some strong teams entered, however M. Inguanti, D. Cunningham and A. Sutherland recorded 140/150 to take the honours. Eighty-two shooters were recorded in the attendance register, and it is some time since the club has had the pleasure of entertaining so many at a club shoot. In the other events on the programme, Fred Heinze shot 60/60 to win the Points Championship, Terry Boucher from Bendigo made it a double, collecting both the single with 22/22 and the Double Barrel honours with 70/70. Bill Iles 121/125 won the trench title with Ian Hale 83/83 taking out the 75 target skeet Championship.

● Bob Dower being congratulated by his wife Bridgett and Adrian Cousins after breaking the South Australian long break skeet record — 164/164.

South Australian Skeet Carnival. Forty-four shooters attended the South Australian Skeet titles conducted at the S.A. Gun Club by their State Association. Weather conditions were cold and windy, but did not deter the top shots from putting good scores together. Bob Dower, the boy who won a ticket to America with the skeet team at the 1983 Skeet Nationals, showed he has a lot of ability on a skeet field and his win was no fluke. Bob won the South Australian Skeet Championship scoring 63/63. He also set a new long break record for his State breaking 164 targets straight. This record was held and set by Ken Lowry in 1973, when Ken broke 158 straight on the same ground.

Victorian, Adrian Cousens captured High Gun honours over the programme with 198/200. Yvonne Chenhall won the Ladies High Gun 165/200 and Craig Kimber 175/200 was top junior shooter. The Kimber family put their names in the S.A. record books with Father Ray, and sons Mark and 12 year old Craig, all making the South Australian open State team. An excellent performance by all three.

shooters were in attendance this night to participate in an excellent programme organized by the club. Because of a time limit to finish shooting, competitors are kept on the move. No doubt, because of urban development, the club may one day have to close. Providing club management adheres to operational guide-lines, it should be able to continue for some years to come, which will be great for night shooters in and around the Melbourne area.

See you where there is shooting.

EDITOR'S MAILBOX

Dear Mr Hill,

I hope you are able to print the below in the C.T.S.N. for me please.

Wagga Gun Club, July '84

I am pleased to be able to say that due to the 1984 Trap Nats here at Wagga, the Wagga Gun Club has 10-12 NEW members. These members are both novice, and "old" shooters who have taken up interest in shooting again. They are men, ladies and juniors.

I have had many enquiries about clay target shooting since the Nationals and have continued with the publicity as well, which is keeping a high level of interest.

Wagga benefited greatly from the Nationals, with not a complaint from any motels, business houses, etc., about the shooters (which seems amazing with over 800 people visiting here).

One comment I heard many times was "We'd love to come back and shoot, it's a great ground and the people here are so friendly."

I know the club committee has had a big sigh of relief that the Nats are over, and that they too can travel around and shoot again.

The club has cleared their debts and finished with a small credit.

Back to our new members and one particular person, a young lady, (Miss) Kerry Shanahan, who has only been shooting since May '84 is already geared up to attend the NSW State Skeet titles in Taree, who proves to be an enthusiastic new shooter, and by the looks a shooter to watch. (Kerry worked in one of the Coca-Cola vans at the Trap Nats. and liked the idea of shooting so much, she took it up. Maybe some of you that were at the Nats may remember her.)

The other members are also very keen, but only prefer to stay at club level so far, but they look promising too.

Any clubs try, and put reports in the papers, radio and if possible the TV. Believe me, it all helps to create more interest in our sport.

Good shooting.

GOOD ONE PATTIE:

52 year old Pattie Dench from the Blacktown N.S.W pistol club went into the history books on Monday, July 30, in winning the first medal for Australia a BRONZE, in the sport-pistol final. Even falling over on her way to the competition, could not stop Pattie from getting into the final.

With her determined get up and go, she dusted herself off, after putting that mishap behind her and in a shoot off for 3rd against China's Haiving Liu; Pattie scored 49-49-48 (146) to the Peoples Republic representative score of 48-50-47 (145). For Pattie Dench, mother of two sets of twins, known as "Grandmum" to the other Australian team mates, it was as she put it "A dream come true".

She started shooting in 1975 after a car smash and subsequent injury problems prevented her from playing her old sport of Golf. Australian shooters, and the Blacktown Pistol Club can be proud of this gracious lady, who not only proved to be in the three best sport-pistol competitors at the '84 Games, but a magnificent ambassador for our country. Congratulations Pattie, we SALUTE you.

A QUITE SALUTE:

While our shooters have made their mark on the world stage of competition in the last year or two, and held their own with the best in the Universe, lets offer a word of congratulations to our dedicated publicity officers for their unstinting persistence, in hounding Country, Suburban and also Metropolitan Media EDITORS, with publicity about our shooters and our sport.

It is often, these unseen, unheard of members of our sport, who have made great in-roads for a better understanding of what the shooting sports are all about. These publicity officer-members of our clubs have managed to break down age old indifferences from quite often cynical news houses and a fickle public.

Today, via the ongoing efforts of this small band of hardworking publicity officers; and club members, they have taken on the role, often with little or no help and assistance on how to handle such a task.

● Could this be Winchester's new secret weapon? This Incredible Hulk, 12-gauge, shot-shell, three times the length of an ordinary cartridge, was a promotional conversation piece at the American Shot Show of 1984.

By sheer determination and accepting each knock back, with the will to keep going, they have broken that invisible "sound-barrier" of prejudice about our sport and are indeed instrumental in giving and gaining acceptance for the shooting sports, in their local and country news houses. This in turn has been picked up by the large Metropolitan publications so that in the space of 18 months all shooters are getting not only good coverage when it's due, but so much more than the last 20 years put together. Congratulations publicity officers, your efforts have at long last helped our sport out of the "dark ages" into the light of day in 1984.

I can only hope that all clubs, Australia wide will ensure they have a person relegated to the roll of club publicity officer next year, if not by the end of this year.

Remember the old saying, "Nothing worth having ever comes easy!"

Ray Viney passed away in Darwin on 20th June 1984, at the age of 72. Ray was one of the foundation members of the Darwin Gun Club when it was formed in 1961. He was made a life member because of his contribution to building the first club behind the showgrounds.

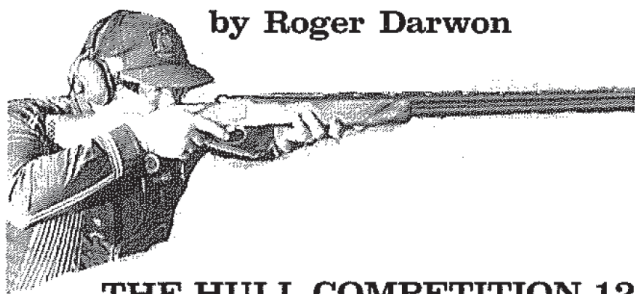

A natural shot, he was the first member to achieve a 50 break and he also held the long break record for the N.T. for a number of years.

Ray was a quiet, unassuming man who was always willing to pass on the benefit of his knowledge and experience to other shooters.

His will included a bequest of \$500 for a wake and memorial shoot to be held at the club and a request that his ashes be scattered over the clubgrounds.

PRODUCT REVIEW

by Roger Darwon

THE HULL COMPETITION 12 GAUGE, HISTORICAL BACKGROUND:

It was in 1924 in the United Kingdom that Mr. S. Bontoft first hit upon the idea for the beginning of what today is the HULL Cartridge Co. At first he simply had cartridges loaded in small quantities, for sale around the farming community, and from those humble beginnings the Hull Company was soon to grow. Sydney Bontoft's youngest son Peter, joined the firm when he was discharged from the army in 1948.

By 1963 together with another son Ken, who had spent his early years in the R.A.F. as an engineer, joined the family and today's operation of the Hull Cartridge Company got into full swing. By 1967 Hugh Clarke joined Hull as sales director and with his knowledge of the trade in the United Kingdom bigger things started to take on the market place.

In the early days of Hull Cartridge Co, and because of their early beginnings their general policy from past trading was to supply direct to the shooting man.

As its founder Sydney Bontoft had started in this way, they found this arrangement worked well at first, but growing pains made it obvious that, if Hull was to expand and meet the growth challenge to any extent it would be necessary to supply the trade, thus bringing Hull into contention as a top line range of shotgun cartridges. This system was adopted and the company has grown from strength to strength.

In 1957 Hull Cartridge Co, were appointed the sole distributors in the United Kingdom, for the American, Remington Arms Co Inc. Also in their loading operations Hull had been buying empty primed cartridge cases from Fiocchi Munizioni of Italy, and in 1968 Hull Cartridge Co secured their second big agency by being appointed the sole distributors for the giant Italian cartridge company throughout the U.K. Fiocchi products that Hull merchandise include empty primed cases, also 12 gauge trap cartridges; which includes nickel shot, 12 gauge skeet, 28 gauge, .410 gauge 2" and 2 1/2" plus the 9mm Flobert and, .22 ammunition, also the Pardini free pistol and Pardini air pistols.

While Mr. Peter Bontoft, pointed out to C.T.N. pre-viewer the company's main concentration is on the production of plastic cased cartridges, Hull still receive a considerable demand for their original and traditional paper casing loads. Reason for this is that many shooters still prefer the look and feel of the paper shell, and another feature Peter was quick to add was ecologically, the paper case discarded by field shooters will rot down and not litter the place.

Today Hull Cartridge Company cater for a wide aspect of shotgun shooting needs and amongst the shells made and available are the following loadings 12 gauge, 16 gauge, 20 gauge. These are made in competition loads for the clay target shooter and also a wide range of loads for the field shooter. For testing purposes Hull have their own 40 yard test range and pattern facility, which also incorporates pressure testing on all their gauges and loadings. All velocity is measured on the Hull Co's electronic computer system.

● Pictured: Competition Pack of 25 Hull 7 1/2, 1 1/8-32 grams for 2 3/4", 70mm chambers, in 12-gauge. These shells averaged out at 1230 f.p.s. on the computerised chronograph.

Peter Bontoft was quick to also point out another very special service provided by his company, and one which runs parallel with their own brand production. This is their highly successful **custom loading service**, which in effect offers leading gunmakers and retailers the opportunity to have their own name printed on both the cartridge and the 25 pack carton, which gives them total individuality. Also the company can actually adjust the production to match the exact specifications laid down by each individual customer, CUSTOM needs, in both paper and plastic cases. In effect this means a load will be produced to your requirements, with exactly the power, velocity and patterns requested. Peter explained the service to be a viable proposition is based on a individuals order requirement of 25,000 cartridges per annum. One off orders could be considered on custom loading if the customer was prepared to bear the total expense of the full preparation.

Perhaps today, any visitor entering the modern, well appointed Hull Cartridge Company factory, would find it difficult to believe that behind all the high-technology of the automated loading machines and testing service lies a history that spans back over half a century, when the company founder, the late, Sydney Bontoft (who sadly passed away last year) first started to load 12 gauge cartridges for outlying farmers.

The Company today has grown to over 45 on the workforce, which is headed by the three directors, Ken and Peter Bontoft and Hugh Clark, plus Peter's son and daughter have also joined the business. Average sales of Hull cartridges is now well over 20 million a year, which is not bad when one considers the difficult times over the

last few years, but even Hull must be delighted with their growth record.

Today, along with the very latest in technology, automatic loading, computer controlled measured testing in which velocity, recoil and pressure are all accurately checked, Hull pride themselves with not only top quality control, but the fact that the final product and packing of the cartridges into boxes is still done by hand.

This provides a human check point, on every shell before it is allowed to leave their factory. At the moment Hull cartridges can be purchased in Australia and Mr Peter Bontoft has indicated you can contact Mr. F. C. Bradwell at Kanahooka, N.S.W., 2530 via phone No: (042) 61 4920.

VALE — ERIC EVANS

THE PASSING OF A PIONEER OF CLAY TARGET
SHOOTING

In the 1940s Eric Evans was one of the early pioneers of clay target shooting in the Riverina town of Griffith, N.S.W.

Before the change to clay targets the club had shot live birds — a practice which he had deplored and of which he would have no part.

As the township grew, the club was forced to leave its site in Lake Wyangan Road and in about 1947 was relocated to the present grounds behind the Griffith Airport.

Eric Evans is one of the early members who are part and parcel of the history of the Griffith club — a very active member who served as vice president and committeeman for many years before failing health forced him to take a back seat.

He won many championships in and around the Riverina, and was proud to represent Australia in the No. 1 International Match Team of 1955, rubbing shoulders with such greats as Newton Thomas and George Biggs who were members of the same team.

He introduced his son Ian to the sport as a young teenager, and was delighted when Ian's son Glen followed in both their footsteps to become a member of the Griffith Clay Target Club in 1981.

Fourteen year old Glen is now showing the same proficiency with a shotgun as did his grandfather, and with his father Ian, is upholding the family tradition of 40 years' active involvement in the sport that Eric Evans was proud to help pioneer.

WESTERN ZONE Q.C.T.A. TRAP CARNIVAL REPORT

by Gordon & Nancee Watson

Friday, July 13th lived up to its reputation when we awoke to find rain steadily falling from heavily overcast skies. With our three girls "fostered out" for the weekend, we had the panelvan fully loaded and by lunchtime we were heading south-west to St. George, the venue for the 1984 Western Zone Trap Carnival.

Arriving late afternoon we were slightly relieved to find the rain had stopped and the Club grounds not showing the effect of approx. 35mm of rain. That night we were pleased to find that State President Q.C.T.A. Mr Ed Ransom, together with two other Murgon shooters and one from Bairnsdale in Victoria had checked in. Ross Gundry from Miles, who runs the Office, was also there and keen to get started.

Saturday dawned overcast with a biting cold wind. We were out to the Club grounds early to set up the trophies and get the office running. St. George Gun Club members set up the traps and the ladies soon had hot coffee and soup available.

At 10 am the first event got under way. This was a 25 target Double Barrel Championship event and we were delighted to find that some 72 shooters had nominated. Things had certainly improved. After a shoot-off the Overall winner was Barry Sweeney from Guyra with a score of 49/49. Other grades were as follows:—

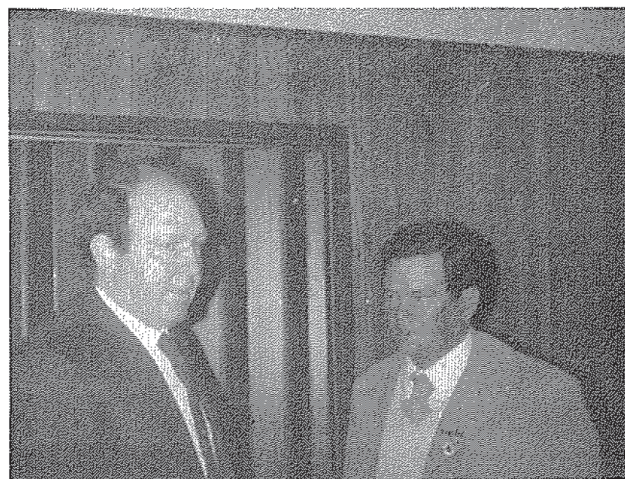

- AA 1st Paul Tattam, Moree — 48/49
2nd Ken Denyer, Moree — 38/39
- A 1st Don Turnbull, Scrubby Ck. — 40/41
2nd Cliff Reid, Roma — 39/41
- B 1st Tom Siddins, St George — 25/26
2nd Sam Halpin, St George — 24/26
- C 1st H. McDonald, St George — 22/25
2nd Lyn Kummerow, St George — 21/25

● Nancee Watson presenting Helen Coward with her trophy from Watson's Auto Electrics Trophy Event.

The second event, 25 target Single Barrel Championship, was won outright with the only perfect score recorded by H. McDonald of St George, a young C Grade shooter who was later in the day upgraded to B Grade. Grade winners were:

- AA 1st Stan Collins, Bairnsdale, 24/25
2nd Doug Smith, Capalaba, 23/25
- A 1st Cliff Reid, Roma, 26/27
2nd Don Turnbull, Scrubby Ck. 25/27

● Outgoing President Gordon Watson with incoming President Tom Siddins.

- B 1st B. Cameron, Roma, 23/25
2nd J. Sullivan, Moree, 22/25
- C 1st K. A. Symes, St. George, 22/25
2nd P. Johnson, Cunnamulla, 23/28

Conditions for shooting were far from ideal when shooters lined up for the third event — 25 targets Pointscore Championship. This was won in fine style by Doug Smith of Capalaba with 98/99 after a shootoff with Stan Collins. Grade winners were:

- AA 1st Stan Collins, Bairnsdale, 96/99
2nd John Porter, Camp Hill, 74/75
- A 1st L. Leegan, Roma, 71/75
2nd C. Reid, Roma, 69/75
- B 1st Joe Marshall, Lightning Ridge, 69/75
2nd G. Dunsdon, Cunnamulla, 68/75.
- C 1st P. Johnson, Cunnamulla, 68/75
2nd C. D. Stewart, St George, 63/75

The Western Zone Champion was decided from results of Events 1, 2 and 3. Each club represented in the Zone nominated a shooter. This was won by Cliff Reid from Roma with a score of 117/125. Cliff received a sash and sponsorship to assist him to the 1985 National Championships. This is the second time Cliff has won this title since its inception three years ago and he must be congratulated on a fine effort.

The Western Zone team was drawn from the six highest scores recorded by shooters living in the zone. These shooters then shot 30 targets Pointscore with the five highest scores being submitted for competition against other zones in the state. The shooters who represented the Zone were:— C. Reid, L. Keegan, H. Cameron, B. Cameron all of Roma, H. McDonald, St George and D. Turnbull, Scrubby Creek.

The ammunition for the teams event was once again donated by C. C. & T. M. Reid of Roma. This is the 2nd year that this donation has been made and the Zone Committee expresses its sincere thanks. Without such donations the Zone finances would not be in such fine shape.

With Saturdays events concluded in good time, we retired to the St George Club where shooters and friends enjoyed an open fire and a fine evening meal.

The Annual Meeting of the Western Zone commenced at 8 pm. Q.C.T.A. State President, Mr Ed Ransom was in attendance together with delegates from Dalby, Chinchilla, Murgon, Condamine, Wandoan, Roma, St George, Cunnamulla, Scrubby Creek and Charleville. Ed took the chair for the election of a new Zone President. In presenting Gordon Watson with his Past Presidents badge, Ed paid tribute to the work done by Gordon and his wife Nancee during their three year term as President and Secretary.

Local St George shooter, Mr Tom Siddins was elected the new Zone President for 1985. His wife Yvonne became the new Zone Secretary. Councillors to represent the Zone were elected and these were Ed Ransom, Barry Pearce and Don Turnbull. Following the meeting the raffle was drawn. This was a 410 shotgun donated by Cliff Reid, Roma, and was won by D. Colley, Roma.

• Overall High Gun Doug Smith.

Sunday dawned overcast with showers. A handful of shooters withdrew to return home before roads became impassable, but at 9 am there were still 68 shooters to contest the first event of the day which was 25 targets Double Barrel Cash event. A total of nine shooters managed a perfect score of 25/25 and results were as follows.

AA Ray Hammond; Ray Sweeney; D. Ellis; R. Nugent; D. Smith all 25/25.
A Bill Turner; Barry Sweeney; Cliff Reid all 25/25.
B H. McDonald 25/25; C. Dundson 24/25; R. Mackay, B. Cameron, 22/25.
C K. A. Symes 24/25; Helen Coward 23/25; P. Johnson, R. Moody 22/25.

The rain eased for Event 5 which was a \$1000 Trophy event donated by Watson's Auto Electrics, Chinchilla and consisted of 30 targets Double Barrel shot in metreage. This is the third year this event has been on the

programme and shooters expressed appreciation as it has given a greater number of shooters a chance to win a trophy.

Results were as follows:

11-15m 1st H. McDonald, St George 28/31
2nd T. Gall, Cunnamulla 27/31
3rd K. A. Symes, St George 26/30
16-19m 1st R. Mackay, Moree 30/30
2nd P. Tattam, Moree 30/31
3rd M. A. Stewart, St George 29/31
20-22m 1st C. Reid, Roma 30/30
2nd A. Spence, Mooropna 32/34
3rd B. Sweeney, Guyra 31/34
23-25m 1st S. Collins, Bairnsdale 79/80
2nd D. Smith, Capalaba 78/80
3rd D. Ellis, Guyra 31/33
Ladies Trophy, Helen Coward, St George
Veterans Trophy, A. D. James, Wandoan

The final event of the weekend was the Western Zone Champion of Champions — 25 targets Double Barrel shot off 20m. This resulted in an outright win for Doug Smith of Capalaba with 25/25.

Other gradings were:

AA 1st Stan Collins, Bairnsdale 24/25
2nd R. Lehman, Lightning Ridge 20/25
A 1st B. Rowsell, Murgon 23/25
2nd W. Turner, Talwood, 28/32
B 1st R. Mackay, Moree 23/25
2nd J. Marshall, Lightning Ridge 21/25
C 1st T. Bagnall, Lightning Ridge 19/25
2nd C. D. Stewart, St George 17/25

The Ladies High Gun for the Carnival went to Helen Coward of St George with a score of 144/205.

Winchester Aust. P.L. donated the Inter High Gun trophy which was won by H. McDonald of St George scoring 181/205.

The Overall High Gun went to Doug Smith of Capalaba with a fine score of 202/205. Special mention must be made of Doug's remarkable ability to shoot clays in all weather conditions. Doug has attended the last three Zone Carnivals which have been held at Condamine, Murgon and St George. Each year he has secured the overall High Gun, and over this period he has dropped only 10 targets out of a total of 650, which must rank him one of the top shooters in Australia today. Congratulations Doug!

Special mention must also be made of Ross Gundry who has run the Office at the last three Zone shoots. Ross has taken time off work each year to attend these shoots and has also foregone the pleasure of competing to enable the office duties to be handled quickly and efficiently. We thank Ross for a tremendous job, well done.

Outgoing President, Gordon Watson thanked all shooters for turning out in bleak conditions to help make the Carnival such a success. St George Gun Club was also thanked for the use of their facilities. Incoming President, Tom Siddins made special mention of the ladies handling the catering for the weekend and announced that the 1985 Zone Carnival would be held the third weekend in July at Cunnamulla Gun Club.

In conclusion we would like to thank all shooters, through C.T.S.N., for their support during the past three years. Our thanks also to C.T.S.N. for their co-operation.

CALLAWADDA/STAWELL GUN CLUB ANNUAL TWO DAY CHARITY SHOOT JULY 21/22, 1984

● Shooters in the State Night S.B. Continental Championship.
L. to R.: Steven Hounsell, Graeme Young, A. Freeman, George
Eagles scorer, Leon Gibson referee.

● Jim Shepherd, A Grade winner, with microwave oven trophy, and
Club President Leon Gibson.

● Russell Mark, winner of the State Night S.B. Cont. Championship,
and High Gun for the weekend.

Once again, our Annual Two-Day Charity Shoot was a great success, with a total of 264 entries for the weekend. Visiting shooters came from far afield, such as Rob Elmer and his party of Tasmanians en route to Darwin, Peter Forner from Broken Hill, and others from Melbourne, Geelong, Werribee, Kerang and Western District, Central Wimmera and Northern Wimmera. A number of shooters stayed the weekend in caravans on the club grounds. Weather conditions were variable, with fine but heavily overcast in the afternoon Saturday, fine and cold Saturday night, cold and wet Sunday — it rained all day. However, this didn't seem to dampen anyone's enthusiasm.

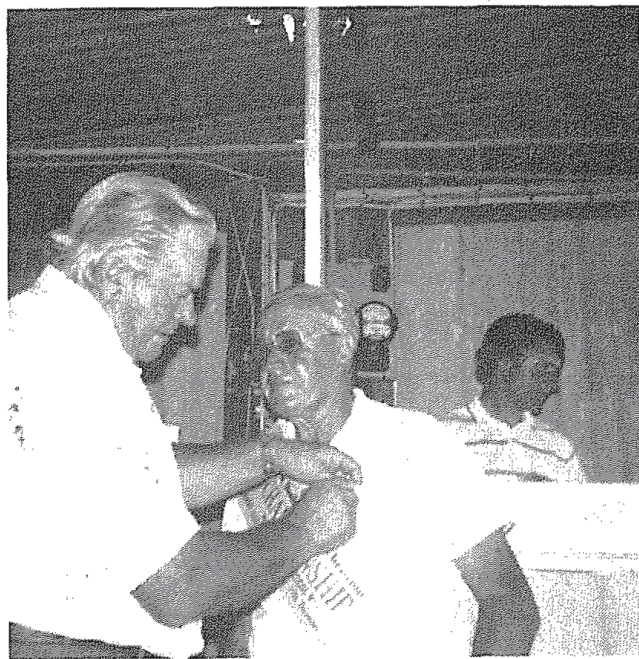

● Pauline Clark, second in B Grade in the feature event.

● Len Cook, A Grade High Gun for the weekend, receives his trophy from Leon Gibson.

The excellent sponsorship by local traders, business people and farmers went a long way towards enabling us to present approximately \$3000 worth of trophies with this programme. Charities to benefit from the shoot will be the Stawell District Hospital, and the Miss Australia Quest.

BOORT GUN CLUB PRESENTS LIFE MEMBERSHIP TO LEN BAKER

Boort Gun Club recently presented its oldest member, Len Baker, with a life membership, in recognition of Len's contribution to clay target shooting in general, and in particular to the untiring contribution made to the Boort Club, of both Len and his wife Gwen.

Len, at the age of 78 years, would have to be one of the oldest active competitors in the sport today, and to prove his capabilities on the day, shot a possible, and won the shoot-off in the 20 target Double Barrel event.

Len's association with the sport commenced at Finley, in 1932 and later in the 30s he helped install the trap at Jerilderie, when that club started. He is a life member of the Jerilderie Club.

When Len and Gwen moved to Mornington Peninsula in 1954, he started the Tyabb Gun Club, which was registered, and run for charity.

Since 1977, when Boort Gun Club was reformed, Len and Gwen have been tireless workers for the club.

Len regularly shoots at most clubs in our area, gathering his share of the sashes, and the club wishes both he and Gwen all the best in the future.

Q.C.T.A. NEWS

Well it's been a busy year so far. We've seen some of the Queensland shooters perform well at National and State Championships. To these shooters we offer our congratulations.

The State Carnival which was held at Townsville Gun Club was a huge success. Our special thanks to go to our sponsors: WINCHESTER AUSTRALIA • FULLER FIREARMS • NOIA ARMS • SHOOTERS WAREHOUSE TOWNSVILLE • M.I.M. HOLDINGS LTD • CASTLEMAINE PERKINS LTD • OLIMPYC TARGETS • STEVENS & SONS SPORTS • PLANET HOMES GROUP OF COMPANIES • NOEL WALDUCK SUZUKI • GEORGE CROSS.

Our thanks also go to the willing helpers, shoot marshals Gerry Chizzotti and Arthur Kenna; raffle organisers Tom Jarvis, Don Turnbull, Val Mercer, Bob Bryant and Rob Nugent; Rhonda Dean and Rhonda Porter for their assistance in the office, and Donna Deeley for Q.C.T.A. Sales, and last but not least to all the workers of the Townsville Gun Club, the grounds were a picture and their ladies auxiliary handled the catering perfectly.

We were also lucky to have in attendance at the Carnival the newly appointed National President Mr. Roy Holtfreter, and the Executive Director Ian Hill. This gave the Queensland shooters an opportunity to meet these men.

At our Annual General Meeting, Mr. Ed Ransom of Murgon was elected President for Q.C.T.A. Congratulations Eddie.

ZONE NEWS: Rhonda Porter, S.E. Zone secretary, has now got a quarterly newsletter going. These are being well received by the shooters in the zone. Let's hope that clubs continue to support her in this venture by giving her their club's news for the newsletter. Congratulations Rhonda.

Also in the S.E. Zone, Zone Coach Martin Gough has just completed his Level 2 coaching at the T.A.F.E. College. Congratulations Martin.

The S.E. Zone has also conducted one of their I.S.U. Elimination series.

WESTERN SERIES: Gordon Watson, President of the Western Zone, organized a coaching day at the Dalby Gun Club in May. State Coaching Director Bill Stevens attended, as did Ed Ransom who discussed the Rules with the shooters as well as assisted with the coaching. This was well attended, and resulted in four more club coaches doing their Level 1 exam, and eight more club coaches registering for accreditation.

NORTHERN ZONE: The Northern Zone has conducted both of their I.S.U. eliminations and are preparing for the I.S.U. Carnival which is to be held at Cairns in August.

CENTRAL ZONE: The Deeley girls, Donna and Vicky, who are the co-secretaries of the Central Zone, are currently busy with preparations for their Zone Carnival, which is to be held at Tambo in September.

The State Break badges which have been available since the State Carnival, are proving very popular. Club secretaries are asked to advise the State Office when ordering if they wish us to send these badges direct to the shooters. This will assist them with the costs. If shooters applying for the badges are regular visitors to your club, we will send them direct to you for distribution.

Good shooting.

Bev Grice, Secretary Q.C.T.A.

NEWS FROM SOUTH AUSTRALIA

At the Delegates meeting of the State Association on July 6, 1984 amongst a lot of general discussion on the 1985 programme, the meeting elected a Publicity Officer for the State Association.

This job has now fallen on the shoulders of Phil Johncock, and he is looking for any news relevant to the crowsaters for inclusion in CTSN.

Phil's phone number is (085) 72 7276.

EASTERN ZONE ELECT NEW OFFICERS

At their recent annual meeting, the Eastern Zone of the Association elected their officers for the coming year.

Brian Growden is the President with the Sec/Treas. being Val Prentice. Delegates to State Council will be Brian Growden, John Ramke and George Steele.

COMPETITION KEEN AT STATE SKEET CARNIVAL

Some 44 shooters including a delegation from interstate braved the elements to contest the Annual Skeet Carnival events.

It turned into a battle royal between Adrian Cousens and Bob Dower for top honours with the result being a toss-up. (see results this issue).

Cousen's score of 198/200 to win the Open High Gun was quite remarkable considering the conditions. Bob Dower's 244/250 was a good warm-up for the trip he and Adrian Cousens will be colleagues on in August.

Yvonne Chenhall was the top Lady over the two days with 165/200 and young Chris Kimber put together 175/200 to be the best Junior.

The Carnival was held at South Australian Gun Club on the weekend, July 7-8.

CLUB PROGRAMMES NOW DUE

Club secretaries are reminded that the schedule of shoots for 1985 are now due. They should be forwarded to the State Secretary, Sue Byrnes, Box 170, Kapunda.

NORTHAMS OPEN DAY FOR NEW SHOOTERS

Club Publicity Officer

• John Harris addressing the gathering before the coaching session.

The Open Day for new shooters was well attended at Island Farm on Sunday when the Northam & Districts Gun Clubs coach John Gentle arranged for the State Clay Target Association coach Mr John Harris to give instructions to people interested in learning to shoot clay targets.

After instruction sessions a trap and skeet shooting competition was run for the new shooters which was convincingly won by John Blechyndyn of Doctors Hill, who shot a very respectable score of 23 out of a possible 25, a score that many of the regular members were unable to match.

Les Weston, Michael Kluck and Bruce McKay also shot well and recorded 17 out of 25 each.

Before the next regular shoot on July 29th a special 10 target event will be run for the new shooters to help them become familiar with the layout, and to receive, if necessary some more coaching from club coach John Gentle.

• Coach John Harris (left) coaches John Gentle on Station 2.

• John Blechyndyn on Station 2 gets the message from John Harris.

EDITOR'S MAILBOX

Dear Ian,

I am hoping that you will reserve space in our next C.T.S.N. and print the following concerns that I have and that I feel all shooters should consider.

After travelling hundreds of miles to visit many clubs I feel inspired to write this letter. I would suggest that many clubs and committees should stop and take stock of their actions. At a time when most clubs are losing members it is time, we the shooter, turned the table to try building numbers. I have found that clubs are disillusioning new shooters by throwing targets at faster and harder angles.

All the average shooter wants is to shoot a possible and enter a shoot-off — the best shooter will still end up winning. New shooters who shoot eight targets out of 10, will be inspired to join our clubs and numbers will grow.

In short, what should happen, is for clubs to use holes three and four on their traps to help shooters gain confidence. But my knowledge of many clubs shows that they have drilled a sixth hole, others use hole five — this helps clubs by reducing shoot-offs but at the same time disillusioning new shooters who perhaps only score four out of 10 and, therefore, fail to join and are lost forever. I would further suggest that it should be illegal to use extra drilled holes in traps, as this upsets grading as well.

Good shooting to all.

Dennis Lymn

VALE

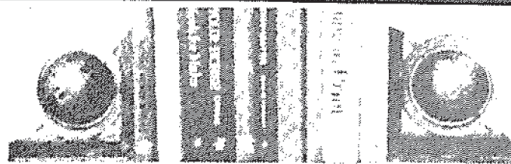

We, the members of the Monarto Clay Target Club, regret to inform the passing of two of our members.

Geoff Hill, passed away on March 9th, 1984. He had been a keen Clay Target Shooter for many years since joining the Mount Barker Gun Club in 1960. He was President of that Club in 1967/68 and he later became a member of the Mannum Gun Club where he shot competitively until two years ago when his health declined and he then became Club Handicapper, a position that he held for 12 months.

His aims during his shooting life were to help the newcomers to the shooting games, participate in the Nationals and to gain placing in the State Team which he accomplished in 1978. He also won the Commonwealth Night D/B Mini's Championship in 1973 and several State and District D/B and D/D Championships.

Yvonne Rohrlach, wife of our 'trapper' Mick Rohrlach, passed away July 15th, 1984. Devoted wife and mother of this 'Clay Target Shooting' family, (son Tony, daughter Leanne, until recently our assistant secretary, and son-in-law Clinton, our Club Coach), she also helped where possible in the Canteen where she will be sadly missed.

Monarto Clay Target Club members wish to extend sympathies to both families for their losses.

The A.C.T.A. was saddened to hear the passing of Angus McSween age 58 of the Warrnambool Gun Club who passed away while having open heart surgery in Melbourne on the 5/6/84.

Angus was a Life Member of the Warrnambool Gun Club and for many years was President. His involvement with shooting did not stop at club level. He was an executive member of the A.C.T.A. for three years and also had the honour of being the first President of the South West zone. Shooting in the Western District Gun Clubs Association (WDGCA) was further enriched by the many shields that were donated by Angus and his wife Hazel.

In 1975 Angus was a member of the Australian Team who visited Singapore to shoot in The Pesta Sukan Games.

During his shooting career he won many championships and was always respected, as a shooter, a referee, as well as being a true sportsman.

In the field of junior shooting, Angus was always available to assist the new shooter and was deeply involved with the SW2 Schoolboys Championships held in the Zone each year. In later years Angus had a strong interest in fishing and until his death held the position of Secretary with the Offshore Light Game Fishing club here in Warrnambool.

To Hazel and her children Chris, Margaret and Sue the A.C.T.A. extends our deepest sympathy for a shooter and friend who will be sadly missed by all who knew him.

• The late Angus McSween.

BUDGE SHIELD — ROUND 4

Forty-four A.C.T.A. shotgunners nominated at the Old Melbourne Road ground of the Morwell Gun Club, where the members of M.G.C. hosted the 4th round of the Budge Shield shoot on behalf of the West Gippsland Gun Club.

This amicable arrangement between Morwell and West Gippsland, which was originally based in the Drouin and Warragul District — keeps the continuity of the Budge Shield team shooting competition going strong amongst all the Gippsland clubs, and this arrangement has been going on quite nicely for many years between the two clubs.

West Gippsland Gun Club has now only a small membership and no ground, but we at Morwell — and with the other Gippsland clubs in support — make sure that the past President of the A.C.T.A. and life member "Tup" Pedersen and his mate Stan Turner have their day of glory with their round of the Budge Shield.

Sometimes the West Gippsland team has to borrow a shooter or two from other clubs to make up their squad, and those shooters try their hardest for West Gippy, "Tup", Stan and Co. May this spirit of co-operation and sportsmanship continue for many a shoot in Gippsland!

The Budge Shield has an interesting history in clay target shooting in Gippsland. Charles Budge, a champion shotgunner for many years through to the 'fifties, and a foundation member of Morwell Gun Club which was established on land originally leased from the Budge family free of charge, was a motivator of team shooting between the Gippsland clubs and donated the shield bearing his name, over 30 years ago.

The District of Gippsland has six gun clubs comprising Bairnsdale, Foster, Morwell, Korumburra, West Gippsland and a new club this year — Wonthaggi.

An annual meeting each year decides the dates for which each club on a normal shoot day programs the 20tgt D.B. Handicap event for a squad of five shooters selected on a point E.O. handicap. The overall score of the teams decides the winning club, and a high gun throughout the year is keenly contested.

It is interesting to note that some of the more fancied shooters who would expect to be sure of a place in the squad fall by the wayside to a lesser shooter who just happens to shoot a clean 30/30 in the point E.O., and that's what handicap shooting is all about!

Allegiance to this type of District team shooting is very strong — perhaps the South East Zone of the V.C.T.A. is successful due to strong teams from the Gippsland clubs in the Zone. It's great to shoot some good scores for yourself at your club or when visiting, but to shoot for your club, town or district — that's tops.

GOLDEN GUN RESULTS

● Mike Shields of Goodooga competing at the Dubbo Clay Target Gun Club shoot last weekend.

Neil Berry, of Echuca, Victoria, shot a total of 233 out of a possible 240 to just take out the Golden Gun during last weekend's Golden Gun Grand Prix organised by the Dubbo Clay Target Gun Club.

As the overall winner, or high gun, Neil Berry won himself a 7.4 cm solid gold gun, encased in a glass dome, valued in excess of \$2000.

The annual shoot had 20 other trophies valued at more than \$1500 and saw 71 people compete on Saturday and 74 on Sunday.

In the Intermediate High Gun, over 11-16m, Greg Oehm, of Gilgandra, won a browning .22 calibre rifle worth \$300.

In the Ladies High Gun, organisers were pleased to see the entry of three women as they usually struggle to have an entrant.

Lorraine Jenkins took out the event, winning for

himself a nine carat gold necklace set with rubies.

In the 30 target Macquarie River \$500 trophy the winners were: over 11-13m, N. Clancy; over 14-17m, John Laglas, Gilgandra; 18-21m, Doug Osborne, Cobar; over 22-25m, Neil Barry, Echuca. The overall winner was Greg Oehm, who won a colour television.

In the Western Zone Single Barrel Continental, A Grade was won by Rex Lehman of Lightning Ridge, B Grade went to Alan Jones of Cessnock, C Grade went to N. Powell of Narromine, and the overall winner was Alan Jones.

In the 20 Pair Double Rise, first was Rod Carr of Dubbo, second was Neil Barry of Echuca.

In the 20 Target Pointscore, A Grade was won by Rick Piotrowski of Cowra, B Grade was won by R. D. Larkings, C Grade was won by B. Whiteman, and the overall winner was Rick Piotrowski.

Brian Walton, of Gilgandra, took out the A Grade division of the 25 Target Single Barrel Hub of the West championship. B Grade was won by J. Baldry, of Cobar, C Grade was won by Allister Lynne, of Gunnedah, and the overall winner was Brian Walton.

In the 50 Target City of Dubbo Double Barrel Championship, the A Grade and overall winner was J. W. Smith.

THE FOREST CLAY TARGET CLUB

● Overall winner Allan Cramp receives Over and Under Shotgun first prize from Club President Fred Twarloh.

The Forest Clay Target Club held its inaugural annual Lakesland Volunteer Bushfire Brigade Charity Shoot. Overcast and rain conditions at the start of the day dampened everyone's spirits, however the rain cleared and the day turned out to be acceptable for shooting conditions however, extremely cold, as evidenced by the continual group of people gathered around the fire in the clubhouse. Thanks should go to the Ladies in the canteen who kept up with the continual demand for hot drinks and food.

Additions to the clubhouse to provide more room and some warmth from the weather were a great benefit.

The 90 target event which consisted of 30 targets double barrel, 30 targets single barrel and 30 targets pointscore attracted 66 shooters who competed for prizes including an over and under shotgun and three twenty two automatic rifles as well as knives, guncases and reloading equipment. The high quality of the prizes was thanks to the generous donations from: — BUCKLEY AND MOORE SMASH REPAIRS, OLIMPYC TARGETS, HORSELY PARK GUN SHOP, HIGLETT'S COACHES, P. M. MCCARROLL FORD, SPORTSCENE CAMDEN, TRICITY TRUCK SALES, MACARTHUR TYRES, C. C. TYRE SERVICE, ELLIOT SAW SERVICE, HACEROY AUTO SPARES, SONOMA LODGE, K. W. J. & V. J. LAWLER, VILLAGE PHARMACY, RETRAVISION, CAMDEN REAL ESTATE, NARELLAN TYRES, G. N. E.

FURNITURE, NARELLAN AUTO WRECKERS, HARRY NOLAN AND JOHN NOLAN.

Visitors to the shoot came from Illawarra, Royal Aero, N.S.W., Crookwell, Goulburn, Hawksbury, Marconi, Wyong, Oakhurst, Gunning-Dalton and Sydney Gun Clubs.

President of the Bushfire brigade Allan Fergusson and

● Rob Smith replies after winning first in A Grade.

● President Fred Twarloh presents Bush Fire Brigade Captain Stan Thompson with cheque for proceeds of the shoot.

● Local shooter Bob Dunk replies after receiving first prize in C Grade. L. to R.: Jack Kelland, Stan Thompson, Allan Ferguson, Bob Dunk.

Vice President Stan Thompson presented the shield and Overall high gun prize to Alan Cramp with a fine 164/169 after a shoot off with R. Smith. The results of the shoot were: Overall A. Cramp 164/169, A Grade 1st R. Smith 163/169, B Grade 1st J. Singleton 136/150, C Grade 1st R. Dunk 127/150. Two photos of horse drawn waggons coming out of the valley donated by John Nolan were raffled and won by D. Blatch and L. Moon.

Certainly the main event of the day occurred after the prize giving and speeches when the ladies from the bushfire brigade supplied tea and the pig donated by Harry Nolan and barbecued to perfection by Mick Freestone was cut up.

No one left Sunday night hungry and I would suspect there may be some cases of indigestion and sore heads around Monday morning.

I feel sure all who attended had a fine days shooting and terrific meal and all will be looking forward to the event next year.

The Lakesland Bushfire Brigade wishes to thank the Forest Clay Target Club for its support and all those who assisted to make such an overcast day turn out so well. Good Clay Busting. Enquiries to Fay Quirk (Sec) on (046) 81 8285.

Toowoomba Gun Club advise with regret, the passing of a foundation member and past President, MR BILL HULL. A representative for a drug supply company, and a keen Rotarian, Bill with the support of his wife, Peg, found the time and effort to help found the Toowoomba Club. He continued to promote Clay Target shooting as a first rate competitor and sportsman. He survived his critics to have skeet installed on our grounds. His positive attitude influenced our club's progress even following his departure from the district. Although not an active member for several years, his sudden passing, during one of his many business trips, is a sad loss for our club in particular, and his tireless efforts will be long remembered.

TALLAWALLA GUN CLUB SHOOTING NEWS

The Coalfields 100 Annual Two Day shoot commenced with skeet being shot for the first time in the Central Highlands. As it was just newly installed only a small number of shooters were able to attend due to our inability to advertise it in our programme.

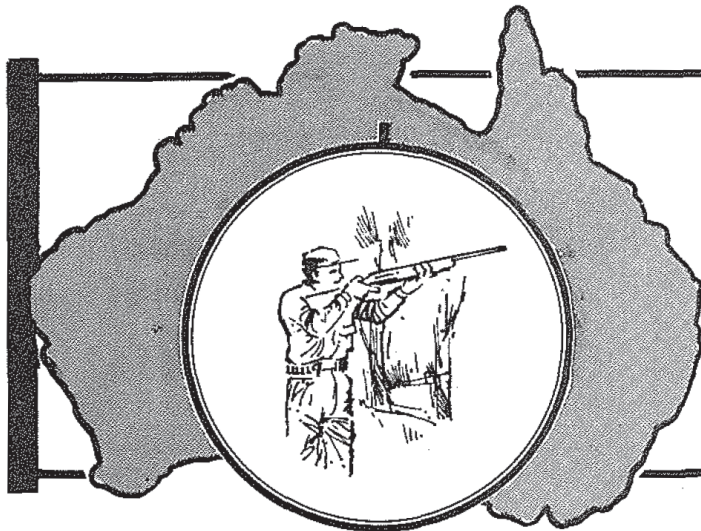

Weather conditions were perfect on Saturday 23rd June for shooting but on Sunday the skies were unkind and rain drizzled making life miserable. Despite the rain some excellent scores were recorded and the results were very close. John Paul (G'fids) was successful in winning this year's most sought after trophy event, the 100 targets Coalfields 100 with a top score of 98/100. Bill McLeod (R'pton) obtained his first Q.C.T.A. 50 Break Badge. Congratulations to all the trophy winners and our apologies to other shooters, who because of the small numbers at this year's shoot would have won second in their grades, the programme had to be altered.

The shoot ran very smoothly due to the assistance given by friends in all areas on the tracks, in the office, in the catering areas where some very tasty meals kept us all contented and in the bar where some drowned their troubles. Thanks to everyone the shoot was successful and very much appreciated by our members.

Our visitors from Rockhampton, Charleville, Mt. Isa and our regular supporters from the Gemfields Club combined with the trophy donors Utah Development, C.S.R. Thiess South Blackwater, Curragh Queensland Mining and Winchester Australia made the shoot possible and we sincerely thank them all.

The Overall High Gun was won by George Cross, a well-known shooter from the Gemfields Club, with some very consistent shooting over the weekend and a score of 208/220. George will be warm this winter while travelling to all the shoots.

Our Annual shoot next year will be on the 22nd and 23rd June and we look forward to seeing all our fellow shooters who can attend there next year.

ILLAWARRA GUN CLUB BENEFIT SHOOT

Illawarra shooter Peter Young was seriously injured in a diving accident earlier this year. The spinal damage has resulted in Peter becoming a paraplegic.

Illawarra Gun Club will be running a Benefit Shoot on October 28 to financially and morally assist Peter.

The Club would like to take this opportunity to thank all of those shooters who have generously donated both cash and trophies. Two Sydney shooters who deserve a special mention are Angelo Piazza and Gary Webster for their efforts in the Sydney Clubs.

If this support continues up to and during the shoot a most worthwhile contribution can be made to assist Peter to minimise his handicap.

NEW SOUTH WALES NORTHERN ZONE SKEET CARNIVAL

The Newcastle Gun Club in association with the Northern Zone Clay Target Association held the most successful Zone Skeet Carnival seen in the area for many years.

With perfect weather conditions both days, the high scores came rolling in.

The first event for Saturday was a 50 Target Newcastle Skeet Championship. Local identity Bob Wilson shot the only 50/50 to take the overall trophy. 1st AA went to Col Burt 64/65, from Cliff Brown 63/65, Reg Clark returned 54/54 to win "A" grade from Bill Clark (no relation!).

Colin Sim proved he could handle his new grade and with a score of 48/50 was awarded 1st in "B" grade, 2nd in "B" went to Jan Schuster, the "C" grade trophies went to Edgar Hill and John Pethybridge.

● Len Norman, winner of Black Diamond Championship at Newcastle.

After a great lunch, the 60 plus roll-up went out to face up to the 50 target Northern Zone Skeet Championship. Adrian Cousens by now had adapted to the background and took out overall with 83/83, from Bruce Wenban on 82/83, who was then 1st in "AA". Geoff Walters was runner-up to Bruce. Reg Clark returned 82/82 to win 1st "A" and 2nd "A" went to Bill Clark. Hard working Newcastle committeeman Chris Hughes shot 49/50 to be awarded 1st "B", from Jan Schuster. Edgar Hill again came to the fore in "C" grade, from G. Hopkins.

Sunday morning dawned another perfect shooting day. The first event being a 50 target Trophy Handicap and Zone Team Elimination. The shooters with the bigger handicaps certainly showed the way. The eventual winners being Steve Subonj (Hawksbury) first, John

Worley (NSW) second and E. Stano (Wakehurst) third.

The six Man Zone Team is Geoff Walters (Tamworth) 49/50, Bruce Noll (Taree) 49/50, Keith Cummings (N'castle) 49/50, Col Burt (Tamworth) 48/50, Bob Wilson (N'castle) 48/50 and Bruce Wenban (Coffs Harbour) 48/50.

● Reg Clarke receives his High Gun Trophy from Newcastle President Graham Casey, on left.

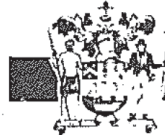

The last event to be staged was the 50 target Black Diamond Championship. Field and Game shooter Len Norman was the overall winner after a shoot off with Reg Clark and Roley Palmer who were awarded 1st and 2nd in "AA" respectively. Colin Sim took home the trophy for 1st in "A" grade from Christian Naudin. 1st in "B" grade went to Geoff Walters from J. Turnbull. John Pethybridge won 1st in "C" grade from Steve Subonj and E. Stano.

The hotly contested High Gun Trophy went to Reg Clark with 198/200 from Adrian Cousens 197/200.

Over the weekend three shields were also shot in conjunction. The first one being the "Max Weston Shield". This was won by the team representing N.S.W. Gun Club, C. Naudin, R. Clark, J. Schuster, J. Worley and E. Kavanagh. The same team also took off the "Ray Melville Shield", but only by a very small margin from Tamworth, comprising Col Burt, Geoff Walters, Ray Melville, Cec Herbert and Kevin Weatherall who "came good" to win the "Chris Hughes/Linatex Shield".

Although both days finished in darkness, everyone had a great weekend of shooting, and received all the usual hospitality from our great hosts at Newcastle Gun Club.

Zone Secretary

ANSCHÜTZ EXCELLENCE

It runs in the family

Meet the Anschütz family of field rifles.
Each model born in the time-honoured

Anschütz tradition for accuracy,
precision and technical excellence;
inherited from the world-renowned
Anschütz target rifles.

And now, these, fine weapons
are distributed throughout Australia
by Winchester.

Which only proves that excellence
not only runs in the family, it also
attracts its own company.
