**WITH  
BROWNING  
INVECTOR CHOKE**

With Invector choke there is no interference to distract your aim or deter the balance of the gun. The tubes screw right into the muzzle . . . practically invisible. The versatility of the Miroku 3000 with its choice of 6 chokes and ease of exchange means the gun adapts perfectly to any situation. An elegant gun of great versatility.

## EXECUTIVE DIRECTOR'S NOTES

By the time this issue of C.T.S.N. is printed, some very important decisions will have been taken at a meeting of the National's Sub-Committee.

This Sub-Committee has been appointed by the Executive Committee to look at all aspects of the running of National Championships. Now that three separate series are conducted — Trap, Skeet and Olympic Discipline Nationals, the recommendations made by the Sub-Committee become even more important.

One of the major recommendations will cover the rotation of Nationals between the States. The Trap Nationals in Perth in 1985 are the last ones on the current roster, so the Sub-Committee will be deliberating at some length on that problem. Questions arise each year on the program format at each Nationals, trophies, cash awards, medals, sponsorship, the use of re-loads, and many other points.

The Sub-Committee's recommendations will be put to the Executive Committee when it next meets following the Skeet Nationals on November 18.

\* \* \*

The 1984 Skeet Nationals will be conducted at Melbourne Gun Club from Wednesday November 14, to Saturday November 17. A change to the program this year is the running of the Grand Australian Skeet Handicap of 50 targets. Three 50 target Championships will be conducted, as well as the Commonwealth and National Skeet Championships of 100 targets.

Enjoy your shooting,

IAN C. HILL

## RAFFLE TO HELP OLYMPIC TEAM

The Australian Shooting Association (ASA) will conduct a raffle to offset the considerable costs of preparation for the Olympic Shooting Team and of sending them to Los Angeles.

First prize will be a Diamond Grade shotgun, generously donated by Winchester. The gun is complete with Monte Carlo stock, 30-in. barrels with raised rib and Winchokes and comes fully cased in a Diamond Grade gun case.

Total value of the prize is nearly \$1,600 and tickets, costing \$1.00 each, are available from ASA or its affiliated organisations:

Amateur Pistol Shooting Union of Australia.

Australian Clay Target Association.

Australian Small Bore Rifle Association.

Field & Game Federation of Australia.

National Rifle Association of Australia.

Sporting Shooters Association of Australia.

Telephone orders for tickets may be made direct to ASA, quoting Bankcard, American Express or Diners Club number on (03) 266 5447, or by writing to: Olympic Raffle, Australian Shooting Association, P.O. Box 31, South Melbourne, Vic. 3205.

Tickets may also be purchased in books of 5 and sales will cease on November 16 and the draw will be held on November 23. Results will be published in newspapers on November 27.

Our Olympic Team of nine competitors and two officials put shooting on the front pages of newspapers throughout Australia and gave their sport a tremendous boost. Each made many individual sacrifices to represent Australia and all shooters are asked to help meet the costs of preparing and sending the team to Los Angeles by supporting the raffle.

The Australian Shooting Association gratefully acknowledges the generosity of Winchester in making this valuable and attractive prize available for the raffle. The donation illustrates the company's continuing commitment to supporting ASA's activities and the sport of shooting.

# THE 1984 LOS ANGELES OLYMPICS

Peter Quire, Olympic Shooting Team Coach

On behalf of myself and the team members I would like to thank all of you who sent the shooting team members telegrams or messages of good luck. They were greatly appreciated and lifted morale.

The clay target shooters of Australia have every reason to be proud of their Olympic representatives, Jim Ellis, Terry Rumbel, Ian Hale and Alex Crikis. I am, both as their coach and as an Australian.

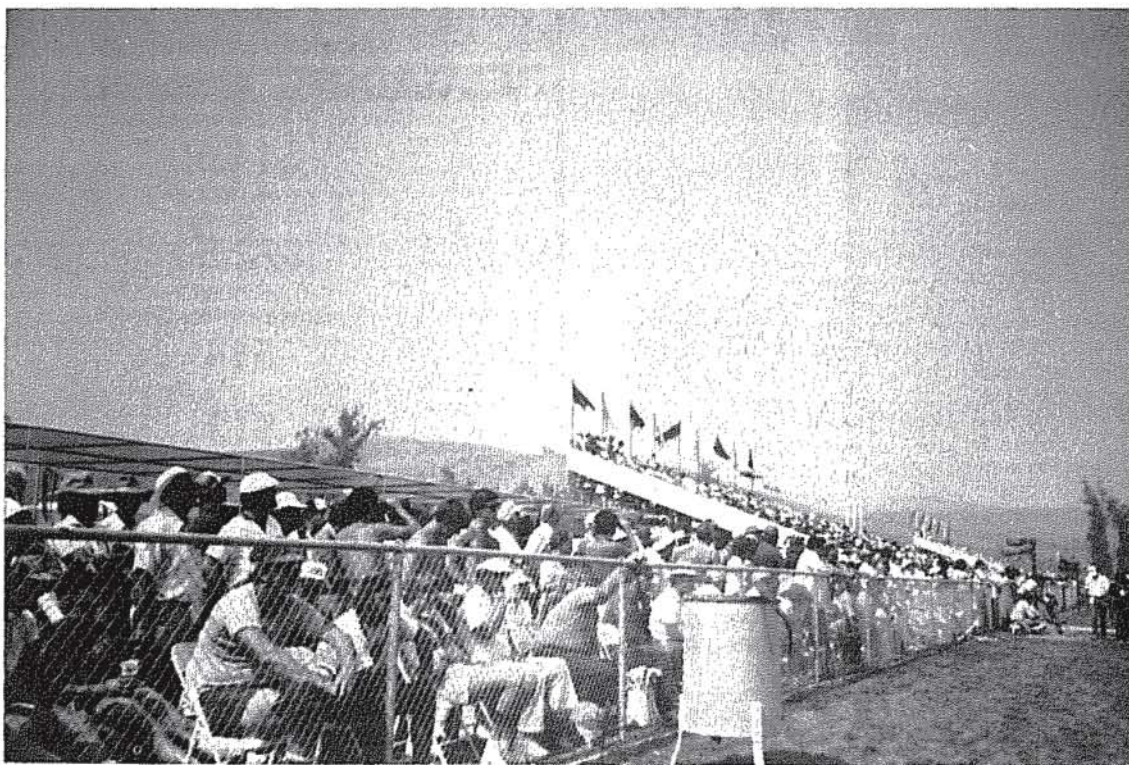

In Olympic competition official placings go down to eighth (8) place, so we have three of our four man team in the official Olympic placings, this is indeed an excellent result, especially considering the size of the fields in the trap and skeet events, 71 in trap and 70 in skeet. The shooting team, as a whole, had the best result ever in an Olympic competition.

The clay shooters performed well in the build-up to the Olympics. In I.S.U. skeet Alex Crikis competed in Fort Benning prior to leaving for San Antonio for the I.S.U. Skeet Championships. The event at Benning was the inter-services competition, Alex finished 5th overall and 2nd in the visitors section. In San Antonio, Ian Hale and Alex Crikis came 2nd in the two man team event and second in the three man team event. They were joined by John Woolley of New Zealand in that event. Individually Alex and Ian were placed equal fifth.

Jim Ellis and Terry Rumbel also competed in the inter-services match in Fort Benning. Terry came 2nd overall and first in the visitors section, Jim was 4th and 2nd in the visitors.

The team moved into the Olympic Village in Los Angeles on the 22nd of July. The Village was approximately 60 kilometres from the shooting ground. Training at the Olympic venue was limited but the team trained well in the time available.

Olympic Trap commenced on the first day of competition. There was a field of 71 shooters, with the competition shot over three days, 75, 75 and 50 targets. At the end of the first day Jim Ellis and Terry Rumbel were in second place, they had both shot well and were working hard. With the temperature in the 30s, and the long trip to and from the venue and the great pressure of Olympic competition, the strength of the competitor, both mentally and physically, is of great importance. Many of the other countries' representatives stayed in the area of the grounds to avoid the long trip each day.

• Some of the crowd of 5,000 watching the shooting.

● A very slim Alex Crikis.

Second day — Jim Ellis had maintained his 2nd place and Terry had slipped to 14th position. Third and last day of Trap, the pressure on the leaders was immense and scores varied greatly. Jim finished with two targets off the winning score, 192 won Gold and Jim shot 190, equal fifth with Carrega of France, the world champion, but was placed 6th on a count back. Terry shot a great 50 straight on the last day to a standing ovation from the large crowd. He finished in 7th place with 189, 3 targets off the winner.

● One of the three layouts at Prado.

Of course, our champion, like all champions, were disappointed not to have won. This was the goal they had been striving for for the past four years, but in a field of 71 champions, to shoot just two and three off the best scores over three days of extreme pressure, is something anyone would, or should be, proud of. If there had been a teams match, as in the Commonwealth Games or the World Championships, our two Trap representatives would have won it hands down.

● Ian Hale and Terry Rumbel pictured at the range.

Ian Hale had been placed 6th in the pre-Olympics held in Los Angeles in April, when the Eastern Bloc countries were present, and had continued to hold that form in a wider field for the Olympics. He finished with just five off the winning score of 198, it was the equal fourth score, but Ian was in 8th position on count back. Alex shot 190, eight off the winning score, but was unfortunate on the last day, to be drawn next to Matt Dryke of the U.S.A. who was the subsequent gold medallist.

Skeet was the last event and attracted about 5,000 spectators who clapped and cheered each time Matt shot. Alex had to wait before he shot, for the cheering etc. to stop. It is my view that Alex did a great job to finish with a score of 190 in the circumstances. Ian Hale has improved his world ranking from 14th in 1983 to 8th in 1984. A great effort.

Patti Dench, the free pistol shooter, won Australia's first medal, the first shooting medal since 1900. She is a dedicated and courageous performer, and a good ambassador for the target shooting sports.

Bryan Wilson, the running target shooter, was unlucky not to have won a medal, and is a great prospect for Australia in the future.

The clay shooters, however, turned in a great performance with an official 6th, 7th and 8th position. The Eastern Bloc countries would not have made much difference to the clay target competition, as they certainly would have, to some of the other shooting sports. Our trap and skeet shooters are also quite young, by world standards, so we can look forward to even better results.

Our representatives appreciated the assistance given them by the clay target fraternity, but for our shooters to perform at Olympic level they sacrifice much, and without exception, it is my experience that when our shooters perform internationally, they perform for their country, not for themselves. To hear the Australian anthem played, to represent this great and wonderful nation and its people and their sport, is their prime motivation. Our four representatives did their country and us, the clay shooters of Australia, proud.

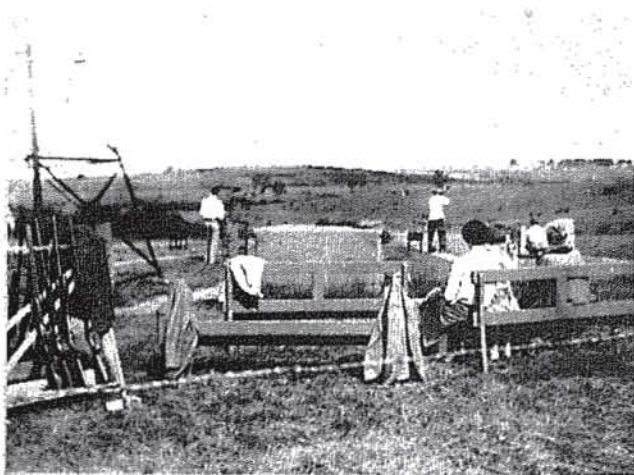

# OUR HISTORY IN WORDS AND PICTURES

by George Biggs

The outbreak of World War II in September 1939, brought to a halt the growth of clay target shooting in Australia. However, four or five clubs did hang on and managed to shoot at intervals throughout most part of the war whenever it became possible to obtain targets or shells, which was not often.

The Blackburn Gun Club formed in 1936 and based on the private property of Jack Bryant, in Holland Road, Blackburn, was one of the clubs able to operate during the War.

● Camberwell Gun Club 1943, North Balwyn, forerunner to Melbourne Gun Club.

During the early months of the War, units of the United States Air Force were often entertained for shooting practice, (clay target practice was a part of Air Gunner training in those days). The theory was that shooting at targets familiarised the gunner with the technique of shooting moving targets. Can you imagine it, in today's age of computers?

● 1948 St James Gun Club in central Victoria. "Jock" Wilson A.C.T.A. President presents a youthful George Biggs with trophy on winning North Eastern Victorian Single Barrel Championship. Club President Mr Pettit is in the background.

The greatest problem facing the few clubs trying to keep going during the War was non availability of targets and ammunition. However, two old timers in Jack Bryant and Horrie Donnelly, became clay target manufacturers, operating out of a garage in Blackburn. Unfortunately quality control was not always up to scratch. But no one complained about such a minor detail as some targets that only dusted when shot at!

Blackburn Club continued to shoot until the property was sold in 1947. It was then necessary to look for a new site. Vic Fankhauser, a very keen member of the Blackburn Club, who owned an orchard property in Burwood Road, offered a part of his land to the Club. Nobel and Blackburn Clubs then merged to form the Australian Clay Target Club. The first shoot was held in September, 1948. Dave Watson was President and Aub Johnston, Secretary. At a later date the name of the club was changed to Australian Gun Club and was for a number of years the venue of Australian National Championships, until they were rotated round other States as the sport developed on a wider National scale.

Two other Clubs to survive the War years to become forerunners to Clubs operating today were Camberwell Gun Club and Coburg Gun Club. Eventually suburban expansion caused both clubs to seek other sites. Coburg went out to Epping to become Metropolitan Clay Target Club, while Camberwell joined with Croydon at Lilydale to become Lilydale Clay Target Club and finally at a later date the name was changed to Melbourne Gun Club.

Bill Delaney Senior, established the Camberwell Gun Club during the latter War years on land joining a creek on Bulleen Road, North Balwyn. It was a one trap ground as was Coburg simply because there was no room for more. The shot fall out was over a creek in both cases.

● Centre of picture is Bill Delaney at the Singapore Gun Club 1971. On this occasion Bill captained a team of Aussie shooters to Pesta Sukan Games I.S.U. Skeet and Trench. Other Aussies in the group from left, Laurie Conners, Bill Delaney, Graham Carroll and Jack Henwood. Bill Delaney commenced shooting at the Nobel Club at the age of 13 years. He is still active at skeet, being one of a small group responsible for the introduction of American style skeet shooting in Australia in about 1948.

The original Melbourne Gun Club was based at Tottenham, a western suburb of Melbourne — it was the headquarters of live bird shooting in Victoria. In 1957 live bird shooting was banned in Victoria.

Although our early days of clay target shooting were centred in Melbourne in the early 1920s, it was not long after that other parts of Australia followed on. Queensland was quick to join in with Townsville in 1920, St George in 1937, and Cunnamulla in 1938. Townsville was, in fact, the first club to send a delegate to the newly formed National Association. Today, Queensland has some fifty odd active registered clubs.

Clay target and cartridges continued to be a big problem for several years after the war. It was getting on to 1950 before I.C.I. were able to produce the Australian made target and ammo. Prior to this, clays came from England, and our shells, mostly Winchester and Remington, were from U.S.A. Quite a few clubs of that time attempted to make their own clays in different ways. I know of two that gathered up the broken targets from in front of the trap and melted them down to form up again in their own version of a mould. Of course, when the broken targets were gathered, pieces of other things like leaves and twigs etc., were also included — result was a very well reinforced clay target — not too easily broken!

I would like to appeal to shooters and clubs for old pictures and interesting history of their particular area of clay target shooting. All pictures will be returned if they are wanted back. Please forward any information to Mr G. Biggs, 4 HUGH STREET, KNOXFIELD, 3180.

● Nobel Foundation Shield. Presented to the Club by I.C.I. to commemorate the effort put forward by a small number of people in establishing clay target shooting. The shield was competed for annually over a period of 25 years. It is held in trust by Frankston/Australian Gun Club.

# AROUND THE TRAPS

● "Scruff" points a quail for his master, John Groves.

What a season keen quail shooters have had this year. It was extended to the end of August, instead of finishing on July 31, 1984. Quail were in abundance throughout the Wimmera area, where shooters had little difficulty in obtaining their bag. Quail were even found in areas where they had not been seen for some years. Should the rain continue in our grain producing areas, the future season also looks promising for those keen on this sport.

● "Scruff" does his job well and returns bird to hand of John Groves.

## Sunday, August 5, 1984.

Frankston Australia Gun Club had bad luck with the weather for their shoot. It was wet and cold, so much so, I preferred to stay indoors and out of the inclement weather, leaving my gun in the car boot. The Olympic Games were being televised in the club rooms, and received the attention of other shooters like myself, who opted for the shelter from the wind and rain. I took the opportunity to talk with Kevin Wright from Ballarat. Kevin, over the years, has taken an interest in making gun stocks. He is extremely

competent in this area, and will make a stock to a shooter's given measurements. Top shots I have been talking with, have a great deal of confidence in his ability, and are using guns fitted with a "Wright" stock. Their performance proves he can tailor a stock exactly the way it is ordered. Kevin is very informative in this area and seems to have amassed a great deal of knowledge on gun fit over the years. He is a keen competitor himself, and takes great pride in trying to assist others improve their performance. Should you meet him around the traps, have a yarn to him, he might just be able to help you break that one you have been missing.

● Ouyen Gun Club President Peter Kay, presents Bill Drew with the sash for the Continental Championship.

## Sunday, August 12, 1984.

Ouyen Gun Club attracted 30 shooters to its club shoot. To add a little novelty and fun to the shoot, a five trap layout was set up, similar to that shot at Callawadda Stawell. "Burton" electric release traps were used, and the event created tremendous interest amongst shooters. Jim Blythman won the Club Double Barrel Championship, after a shoot off with junior shooter, Adrian Loxton. Jim and Adrian were the only shooters to record a possible. Bill Drew won the Continental Championship with Club President, Peter Kay taking the honours in the five trap event. A barbecue tea supplied by the club, provided a great social atmosphere to wind up the shoot.

Forty shooters attended the Warracknabeal monthly club shoot. This club has only a small number in actual membership, but is able to attract good attendances to its tournaments, from in and around the area. Gavin Davey from Hopetoun won the major event on the program, the Double Barrel Championship.

● Winning team at the Jim Waggon Memorial Shoot from Mount Gambier. L. to R.: Clarrie Copping, Philip Green, Burke Reschke, Trevor Reschke and Ian Hetherington.

**Sunday, August 26, 1984.**  
Kaniva Gun Club conducted a shoot in honour of one of its late members, Jim Waggon. Eighty shooters turned up to compete in the events. Jim was a devoted club man, and particularly interested in the development of the sport. He was instrumental, and of great assistance, in organising the North West Zone School Boy/Girl Championships, which is conducted annually. His popularity was evidenced by the numbers who turned up to enter the Memorial Championship and team shoot conducted in his honour. Weather conditions were wet and windy and made it difficult for high scores. However, Rex Denby from Goreke carded a perfect 50/50 to win the Jim Waggon Memorial Championship outright. A club team shoot in conjunction with this event was won by the Mount Gambier team of Clarrie Copping, Philip Green, Burke Reschke, Trevor Reschke and Ian Hetherington, with a score of 228/250.

See you where there is shooting.

Laurie Connors.

# DARWIN GUN CLUB NINTH ANNUAL SHOOT 2-7 August, 1984

R. E. Fox

The weather, as usual for the time of year in the Top End, was perfect for this year's annual shoot which has to have been one of the best ever. A combination of mild temperatures, no wind and top class shooters made for stiff competition with many possibles and long breaks being shot.

Shooters came from all States and 111 competed over a tightly structured weekend. Organised pre and post-shoot duck shooting and barramundi fishing trips undoubtedly added to the attraction of the shoot. The local duck and magpie geese season fortuitously opened the day before the shoot began. From the various tall stories floating around the club bar, it would appear that some shooters had better luck in the field than on the traps.

The other major attraction was the club's new trench layout. This was the first time that trench shooting had been listed on a Darwin Gun Club Annual Shoot program. Darwin has the only trench layout in the Northern Territory and it is rapidly becoming an attraction for other N.T. shooters as well as interstate competitors. Locals are very aware of the long distances involved in getting to Darwin and all members appreciated the effort made by those who attended.

The Thursday night 50 target district championship, while not officially part of the main shoot, was well attended by visitors. Cliff Reid and Andrew Kinnear shot well

• Brett Dunstan of Kerang went one better, cleaning up all the Junior Trophies.

• Darwin president Ken Selwood with Nan Meredith, who won all but one of the Ladies' Trophies.

taking first and second with Darwin Club President, Ken Selwood, coming third. The success of this evening was due, in no small measure, to the sponsorship of Winchester and the presence of their ever immaculate representative, Dick Ayres. As always, the major role played by Winchester in our annual shoots was much appreciated.

With the incentive of over \$8000 worth of trophies, interstate shooters did well but the locals did manage to hold their own. Andrew Kinnear of Warrnambool shot a remarkable break of 236/236 for the 50 target DB 15m Calcutta but he was closely pursued by two locals, Greg Chan and John Doyle, who both dropped out at 235/236. All three scores were club records as well as personal bests. That event was characterised by the longest shoot off of the weekend with 15 possibles being shot in the primary event.

Four shooters sure to return next year are those lucky enough to have won the four airfare trophies, courtesy of "Our TAA". The last day of shooting also saw keen competition to snare a spot in the N.T. State Skeet team.

Nan Meredith of Inverloch, dominated by winning every ladies' prize except event 5, the 30 target SB, which was won by local shooter, Vlasta Weis. Brett Dunstan of Kerang cleaned up all the junior shooter's prizes. Brett, of course, is an exceptional junior, being already in A Grade and obviously a chip off the old block, John Dunstan.

The shoot attracted the interest of the Darwin media which was no mean feat considering that the weekend was one of the biggest in the local sports calendar. The Northern Territory News featured the results, Radio Top FM gave pre-shoot publicity and Channel 8 TV telecast an excellent news feature.

Comments from interstate visitors indicated that the Darwin Club would have to have the best facilities of any club of a similar membership in Australia. This reflects

For full portability, plus full-sized performance, you couldn't ask for more than the Mini Grand. But then, the Good Ol' Boys at Outers wouldn't offer you anything less.

You can enjoy breaking clay birds all alone, almost anywhere. It's compact and weighs only 11 lbs., yet it throws singles and doubles with the best. You get the same distance, speed and spiral of an electric trap. The throwing arm is fully adjustable for angle and elevation.

And the spring adjustment is quick and easy. So the Mini Grand can challenge even some full-sized, stationary traps.

You ought to hurry down to your Outers dealer and pick up a Mini Grand today. Because with so much going for it, this is one portable trap that won't sit still for long.

Portable yet powerful, the Mini-Grand's throwing arm is fully adjustable for angle and elevation.

## Darwin Gun Club, Ninth Annual Shoot, cont'd from page 14.

the forward thinking of the N.T. Government with the tremendous support given to sporting bodies. Visitors were also appreciative of the typical Territory hospitality displayed throughout the week and it would be churlish indeed to detail all the hangovers thereby induced! All we can say here is, "Thank you and come again soon".

The shoot could not have succeeded without the sterling efforts of Hazel Smith and Phil Grove in the office, Greg Chan's organisational savvy and of course the delightful ladies who fed and watered the horde particularly Di Selwood, Beryl Bell and many others. Darryl Read and Bob Pearce quietly kept the traps working so that there were very few breakdowns and shoot marshal, Col Smith ensured the efficient progress of shooting. Actually, many club members, as usual, contributed to make it a very successful weekend. See you all next year!

## "VICTORIAN ISU NEWS"

The V.C.T.A. has decided to reactivate the State I.S.U. Training Squads for both Trench and Skeet.

It is proposed that the team will be selected on a "first past the post" basis from two 200 target eliminations to be held as follows:

1. Frankston/Australian Gun Club — 13th & 14th October, 1984.

2. Victorian I.S.U. Carnival at Frankston/Australian Gun Club — 1st and 2nd December, 1984.

The squads will be composed as follows:

Trench — 4 senior shooters,

Trench — 2 junior shooters,

Skeet — 3 senior shooters,

Skeet — 1 junior shooter.

NOTE: A junior shooter is defined as one 21 years and under during the beginning of the terms of the squad, namely January, 1985.

In the event that a junior shooter qualifies ahead of senior shooters for a place in either squad then the next two junior shooters (or 1 in the case of Skeet) will fill the junior places in the respective training squads.

It is the intention of the State I.S.U. Sub-Committee to maintain continuity within the training squads and should a shooter be considered to have improved (and have maintained the correct attitude) and yet not placed within the top recommended squad numbers in subsequent years, then that shooter will not be dropped from the squad. Many shooters who did not qualify in subsequent past training squads were dropped and with them went a wealth of information, experience and knowledge. These shooters have often dropped out of shooting competition and this has led to waning numbers at Victorian I.S.U. Competitions. It has been decided that this mistake will not be repeated by the Victoria I.S.U. Sub-Committee.

It is envisaged that there will be a constant review of the following:

- (i) shooter's attitude
- (ii) shooter's percentage performances
- (iii) attendance record at team training activities.

Benefits of being a team member should include the following:

- (a) specialised coaching seminars — e.g. in sports medicine.
- (b) every endeavour will be made to provide specialised coaching including overseas experts/coaches.
- (c) every endeavour will be made to provide financial assistance to allow team members to travel interstate for intensive competition and match hardening.

The sub-committee will be seeking financial assistance and funding from sponsors and shooters and it has been decided that sponsors may nominate that their contributions be ear-marked either to support all team members or specifically for the juniors in the team.

The Committee's long term aim is to develop a State group of mature, competition hardened and orientated, I.S.U. discipline shooters equipped with the ability to qualify for the National Training Squad and eventually qualify for overseas/international competition.

Victoria I.S.U. Shooters and supporters please help to make our new training squads viable and successful.

Any ideas from interested shooters would be most welcome and should be addressed to the writer C/- Melbourne Gun Club.

Brian Clark, Secretary.

# NEWS FROM SOUTH AUSTRALIA

## TREVOR RESCHKE APPOINTED RULES SUPERVISOR

The State Association has seen fit to announce a new Rules Supervisor for the State of South Australia. He is Trevor Reschke, a well known member of the Mt. Gambier Gun Club and a clay target shooter for 26 years. He has been active in clay target administration for some years and represented the State on the National Executive for three years. Trevor has already had several meetings for Central and Western Zone referees and plans further meetings to cover the rest of the state. Queries on the new rules can be directed to Trevor at P.O. Box 5, Coonawarra, 5263, or you can phone (087) 36 3267.

## MONARTO GUN CLUB INTRODUCE SKEET COACHING

Monarto Gun Club have introduced a Skeet Coaching scheme, it runs at regular shoots. The scheme started on September 1st and will continue. Full details from the club secretary. The same club is holding NEW REFEREE SCHOOLS on a regular basis. Anybody interested should contact the club or the State Association.

## METRO SHOOTERS VISIT SAGC

The annual birthday shoot at South Australian Gun Club is traditionally the time when the inter-club match between SAGC and Metropolitan Gun Club takes place. This year the event was a howling success. Metro sent a busload of 27 across to do battle and results can be found in the shoot reports. Attendance was up to nearly 100 and a very good time was had by all.

## ASSOCIATION WORRIED ABOUT ISU DOWNTURN

Delegates to the July State Council meeting expressed some concern at the lack of interest in the ISU disciplines. Opinions expressed covered a wide range of reasons, but the consensus seemed to be dissatisfaction of shooters in the last minute changes introduced by the National body and the requirement to shoot so many targets to qualify for ISU selection. Suggestions ranged from reducing the number of targets per event to 100, to setting dates and sticking to them. There is to be some alteration to the coaching of ISU with more emphasis being put on the average or intermediate shooter.

## MONARTO APPLY FOR 86 TRAP CARNIVAL

Shooters will be asked to fill out a questionnaire to see if they would approve a shift of venue of the 1986 Trap Carnival. The event has been traditionally held at the SAGC since 1967. Eastern Zone delegates successfully moved for DOUBLE RISE to be included in the 1985 carnival. It will replace one of the graded events in the program.

## SKEET NATIONALS COP SOME FLAK

Delegates had plenty to say about the forthcoming Skeet Nationals (14-17 Nov.). Nominations were too high, was the main opinion and there was a lot of discussion on why the Skeet was separate from the DTL. Attendances would improve if the two were rejoined, was the view of the meeting.

# NEW SOUTH WALES STATE SKEET CARNIVAL

The weekend of the 10th, 11th and 12th August saw the Taree/Wingham Gun Club "ready to go", for the State Skeet Carnival. Live-in Secretary/Groundsman, Gordon Hogno and his wife, along with the hard working committee of the Club, had everything in A1 condition, and everyone commented on the picturesque gardens and surrounds.

• The N.S.W. State Skeet Team, 1984.

With practice available on Friday morning, shooters started to arrive early, to have a few rounds — Adrian Cousens, Barney Rooke and Len Norman hardly had time to unpack their ports from their overseas trip before coming to Taree, Max Weston arrived from Darwin, with someone making the comment that "he's not really homesick", Geoff Salmon came along with Adrian, and the Queensland contingent kept their flag flying also.

With the decision made a few years ago not to include the Friday event in the overall High Gun, so as not to detract those who had work commitments on the Friday, 50 shooters were on hand to receive a welcome from State President, Rob Parker and Shoot Marshal, Barney Rooke, got the first squad underway.

The N.S.W./Qld/Vic Challenge was the first Championship staged. Max Weston and Les Aberley returned the only possibles, after the shoot off, the trophy sponsored by the Wingham Branch of the State Bank, for Overall and 1st in "AA", went to Max with 57/57, Les took out "A" grade with 56/57, Maree Rooke collected her last trophy in the "B" grade ranks with the excellent score of 49/50, "C" grade was taken out by Ian Bruce with 46/50 and the junior trophy was awarded to Nick Jones with a good score of 37/50 — seeing Nick only started shooting skeet quite recently, and the ladies trophy went to Maree.

Saturday morning dawned with a clear sky, but very gusty winds. The 4th N.S.W.C.T.A. Championship again only returned 2 possibles. Neil Dimmick (Qld) and Adrian Cousens (Vic), with the shoot off score of 59/60, Neil was awarded Overall and 1st in "A", and Adrian took out 1st in "AA", second in "AA" went to Doug Dundon with 48/50, second in "A" went to Les Aberley, Grahame Wyatt, with a score of 51/52 received the trophy for 1st in "B" grade from Rob Campbell, Ken Hayes returned 47/50 for 1st in "C" from Ian Bruce on 45/50, Nick Jones and Maree Rooke took out the junior and ladies trophies respectively.

The Taree Trading Post sponsored the overall trophy for the Pacific Coast Championship. John Worley was the only shooter to return the magic 50/50 to receive the Overall

and 1st in "A", Col Burt collected 2nd in "A" with 58/59, Max Weston and Adrian Cousens staged a strong tussel for positions in "AA", Max's score of 93/94 giving him 1st and Adrian 2nd with 92/94. Doug Jackes took home the trophy for 1st in "B" grade from that well known dedicated trap shooter — Barry Kable.

James Dunne and Bob Nicholson filled the placings in "C" grade and Nick and Maree the junior and ladies positions.

The earlier start of 8.00 am on Sunday allowed the State Team to shoot their 50 targets, be presented with their badges and have team photos taken before the events commenced.

The State Team for 1984 (in qualifying order) is: Col Burt, John Worley, Roley Palmer, Les Aberley, Geoff Walters, Bob Wilson, Bruce Noll, Rex Gosling, Bob Campbell, Rob Parker, Bill Clark, Chris Naudin, Bruce Wenban, Grahame Wyatt and Paul Thompson. After the team had shot their required 50 targets the N.S.W. Shoulder to Shoulder Team to compete at the Skeet Nationals in November is: Paul Thompson (50/50), Rex Gosling, Chris Naudin, Bruce Wenban and Grahame Wyatt (49/50).

The prestige event of the weekend, the N.S.W. State Championship was first up on Sunday after the team shoot, the sky remained clear but the winds continued to gust. Coffs Harbour shooter, Allan Latch handled the conditions perfectly, and returned the only possible for the most popular win of the carnival. Allan moved from "B" grade to "AA" on Friday and certainly proved he could handle his new grade.

• All the winners at the State Skeet Carnival. Back row, L. to R.: Cec Herbert, Paul Thompson, Barry Kable, Neil Dimmick, Allan Latch, Max Weston. Front row: Col Burt, Nick Jones, Maree Rooke, John Worley.

Les Aberley's score of 49/50 earned him 2nd in "AA", Chris Naudin returned 61/62 for 1st in "A" from Bob Wilson, the "B" grade division went to Steve Subonj with 49/50 from Doug Jackes. Bob Nicholson and Ian Bruce taking the "C" grade trophies. Nick Jones again collected the juniors, and the ladies division went to Mary-Lou Parker with 45/50.

Local shooters, Allan Carlyle and Gordon Hogno sponsored the Overall trophy for the Tasman Championship. You will now see Barry Kable around the traps shooting a "50 Break" badge. Barry won Overall and 1st in "B" grade with 51/51, from Max Weston on 50/51 to receive 1st in "AA", Geoff Salmon collected 2nd in "AA" with 85/87. First in "A" went to Col Burt with 49/50, from Paul Thompson with 56/58.

Frank Searles received the trophy for 2nd in "B" grade and James Dunne and Ian Bruce collected the "C" grade. The junior trophy went to local lad Rohan Flower, and Maree Rooke collected the ladies trophy.

Rob and Mary-Lou Parker sponsored the Team High Gun Trophy, which went to Taree shooter, Paul Thompson who shot the only 50. The Overall high gun trophy and sash went to Col Burt (Tamworth) with 196/200 (4 rounds of 49!!) — he just edged out Adrian Cousens by 1 target.

Veterans high gun sash went to Cecil Herbert, ladies sash to Maree Rooke and junior sash to Nick Jones.

The Gary and Vicki Ings Perpetual Trophy for 2 Man Teams over 4 events, went to the Tamworth pair, Col Burt and Geoff Walters, after a shoot off with John Worley and Bob Wilson.

The 5 Man Interstate Teams, also over 4 events, for the trophies donated by Bob Buchan, went to the N.S.W. team comprising Barney Rooke, Col Burt, Roley Palmer, John Worley and Bob Wilson. They finished just ahead of the Qld team.

Central, Southern and Northern Zones had teams represented in the Inter-Zone Competition for the "Hawkeye Shield", and this was taken out by the Northern Zone team of Geoff Walters, Bruce Wenban, Col Burt, Bob Wilson, Bruce Noll and Roley Palmer, with a score of 283/300.

There were also 2 inter-club trophies for 5 man teams contested during the weekend, these being the "Ray Melville Shield" and the "Max Weston Shield". Both were won by the Tamworth team — Col Burt, Geoff Walters, Grahame Wyatt, Kevin Weatherall and Cecil Herbert.

Northern Zone President, Stan Simmonds, donated an encouragement award, which was presented to Kerry Shanahan from Wagga.

During the weekend, thoughts were with State Secretary, Marg Povey and those evergreen stalwarts of skeet shooting, Adrian Hayes and Ray Melville, all three not being in the best of health at the time.

So, again another successful skeet carnival draws to a close, with numbers of 63 and 65 on Saturday and Sunday the State Association were very pleased and the general reaction being, see you again next year. So keep 9th, 10th and 11th August, 1985 free, as all roads will lead to Griffith.

Jenny Etheridge — Northern Zone Secretary.

## VALE

The death occurred suddenly on August 20, of David Hicks of Kaniva, while holidaying in Perth.

David, who was a local farmer, was a well respected, hard working member of the Kaniva Gun Club for the past 20 years, holding many positions including Junior Vice-Pres 1966-67, Secretary 1968-69, Snr Vice-Pres 1970 and President 1977-79.

He was also the Club coach at the time of his death and had helped with our junior school shooters.

The club extends their deepest sympathy to his mother, Elaine and family.

## TATURA GUN CLUB

The Tatura Clay Target Club Inc. are holding a Testimonial Shoot on October 21, to honour and say thank-you to Fred Crawford for his service to our sport of Clay Target Shooting.

Fred has been around the shooting grounds of Victoria for approximately 60 years, being a live bird shooter then turning to Clays when live bird shooting ceased.

During his years of shooting, Fred has made many friends and won many Championship sashes, including Commonwealth and State Titles. Fred also obtained the Handicap mark of 27 yards.

His interest in Clay Target shooting took him into the administration of the Shepparton Club where he served as secretary for many years and in latter years, President of the Tatura Club (Life Member), where he saw the Fred Crawford Pavilion completed and opened during 1983.

The North East Gun Club Council also had Fred as its President for many years. Fred has been a Referee Examiner and is still a delegate to the North East Zone.

The Tatura Club cordially invites past and present shooters to our grounds on October 21st. Presentation time, 3.00 pm, to say well done Fred.

H. Hawking, President.

## END OF AN ERA: ROYAL AERO:

**DATELINE** 31st August, 1984: The news comes to hand that receivers have been appointed at the Royal Aero Flying Club of N.S.W. This appointment has resulted in one of its sporting annexes, The Royal Aero Gun Society, being closed. For shotgunners, this is a sad blow that ends the life of the gun club on the Marion Street location, at Bankstown Airport.

As fate may play her fickle hand along the bumpy road of life's fortunes, it's coincidental, that the last shoot conducted on this historic gun club grounds, was the Commonwealth Titles of August 19th, 1984.

The club first commenced as a shooting ground about eight or nine years after the end of World War Two. The hard times of a World at War are now fading into the history books, and by 1953 a gathering of smooth bore devotees, which include Luke Hughes, lay out hessian to form shooting tracks, install a protective wall for the trapper and a gun club is born. The location is set in a boundary of scrub and provincial isolation with wildlife which include rabbits, hares and scrubber roo's on the outskirts of a young Sydney town, still not hindered by the great urban sprawl.

From this humble beginning the club progressed and an American, working at the De Havilland aircraft factory on the east side of the airport, a Mr George Boehm, was one of the instrumental shooters behind the move to install the skeet layout on the grounds.

The first club building on the ground, was in fact the dismantled original skeet towers from the first skeet layout in Australia of (1931) from the Liverpool district (see my looking back testimonial — page 29 — C.T.S.N. March, 1984). This timber structure was transported to the Royal Aero ground by Mr Fred Hudson's trucks and a working team of the faithful. A Howard James Smith, who owned a barber shop, which also sold fishing tackle and a small selection of hard to get shooting gear, and who was included in the pre-selection team of shotgunners for the 1956 Olympic Games held in Melbourne, also lends a hand, to all and sundry, he is known as "Mick"

By 1956 the first International shoot is staged at the now progressing club and as fate would lend one of her many

helping hands again, it's a wash out, it rains and rains as if the heavens have opened up. By 1966 Australia v's New Zealand on the ground and the local team Capt. by Mr Fred Hudson win the "Glen Cup".

The late Cecil Plummer is installed as Secretary of the gun club and operates out of the office constructed from the timber ex the old skeet building. "His" office, under the line of sugar gums growing along the passageway behind the now well appointed trap layouts, and members wishing to nominate, form a queue waiting their turn to pay up. The "office" is only big enough for Cecil, his table and a peg to hang his hat, and one shooter at a time.

The architect must have been a genius, because who ever he was, he installed two doors on the diminutive structure, one for coming and one for leaving. This method didn't interrupt your place in the queue, and I should know, as at the time this scribe was one of the wide eyed budding new chums learning the ropes of this "fascinating" gentleman's sporting persuasion.

As we enter the mid 1970s this original "office" is burned down under "mysterious" circumstances and the committee install a much larger wooden structure, from the mess hall and dormitory of the airport canteen, and resite it in place of the first. In time, this too is gutted by fire and the "mystery" continues and the helping hand of fate lends another blow.

The club is host for the first N.S.W. Clay Target Association State Championships in 1977, and this scribe gets in the shoot off in the State single barrel, along with about six others, including the late N. J. Thomas, Terry Rumble who had the bad luck to go out on his first shot. The event being won by the old master N.J.T. The club is now under the guiding hand at this time of the late Peter Heath and Harry "Father" Somers and now has six D.T.L. traps and a modern brick clubhouse with carpets and airconditioning.

It's a show place on the clay target shooting circuit, with well appointed shoots, well kept lawns attended to by Alby Stanfield and the committee, and sets a high standard for attendance records, owing to its members and its close proximity to the city. The urban sprawl is catching up with Royal Aero Gun Society, and by the 1980's curfews are thrust on its shooting times, as a handful complain of noise. Another problem to be encountered, is the fact the gun club is on Commonwealth ground, and as an annex of the main flying ground and club, its fate is sealed and the writing is on the wall. In the last few months, the gun club committee headed by new President Mr John Morgan have been looking at plans to move to a new location at Hoxton Park airport.

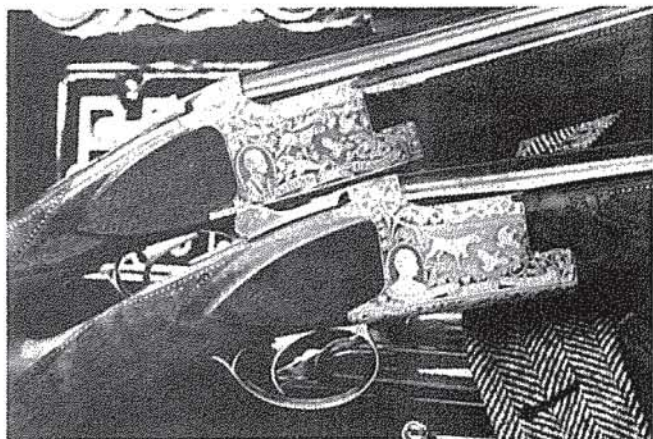

As the last shot was fired on the 19th August, '84, it's fitting this grand old club has attained the ripe old age of 31 and gone out on a Commonwealth Title Shoot, which closes the end of a colourful era in the history of Australian clay target shooting, which in fact started at the ending of another era in the shooting sports. Royal Aero started just as the live bird shooting era came to an end in the 1950s.

As one great bard once said, time and tide wait for no man . . . and history marches on. The club may be down, but somehow I feel it is not beyond the reliquary powers of the members to raise the "Phoenix" from the ashes, as we have seen this club on countless times, in the past come back from the brink of one problem after another. It is hoped this will be the case, but there will be no easy solution, it will be a hard and heavy road . . . but with a little help from their friends it is possible, leastwise we hope so.

**Authors Foot Note:** The above is not intended as a history lesson, space and time do not permit; only to cover a few passing highlights, of this famous club's colourful past.

## ONE OF FIVE THOUSAND BROWNINGS

Browning arms will issue on the American market this year a selection of limited-edition shotguns. In the over/under version the guns, each to be crafted in the fine Browning tradition as a tribute to the late John M. Browning. Each gun in the series will feature hunting and wildlife scenes engraved on satin-grey-steel, and each gun will be signed by the master engraver and individually serial numbered, also as a fitting salute to the man who perfected the gun, John M. Browning, each gun will bear his engraved profile (see picture illustrating the action of two such guns). The Arms Co. will also include the Browning Semi-Auto in this tribute. Also they will produce a Browning GOLD-CLASSIC in a (ONE of FIVE HUNDRED series). The classic as the 1 to 5000 will be called; and the gold-classic in 1 to 500, will feature game scenes of bird dogs, pheasant, and quail in the traditional upland setting. A schnabel for end and straight-grip stock, with hand checkered and delicate carving, will enhance the overall profile of these sporting and field editions which will be in 20 gauge and 26" barrels, (while the Auto 5 will be 12 gauge with 28" tubes). The series will go through production until 1986. The "Classic O/U will be U.S. \$2,500, while the "GOLD CLASSIC" U.S. \$8,800; with the auto 5 "Classic" U.S. \$1,200; and the auto 5 "Gold Classic" at U.S. \$6,500: What number of these and other specials being produced by Browning for the American market of ever reaching the "Land-Down-Under" in the near future is open for conjecture.

## TAMWORTH CITY GAMES

Jenny Etheridge

Over the weekend of the 4th/5th August, the Tamworth Sports Advisory Council (T.A.M.S.A.C.) staged the 2nd Annual Tamworth City Games. Over 5000 competed for over 2500 Gold, Silver and Bronze medals.

Thirty Sports ranging from Archery, Athletics, through Indoor Cricket, Roller Hockey, Swimming, Volleyball and Western Horses took part. Shooting was represented by Tamworth Clay Target Club, Tamworth-Peel Valley Rifle and Sporting Shooters.

Proceedings commenced on Saturday morning with a street procession in which all 30 sports had representatives "turned out". Police Department permission was granted for the shooting sports to participate in the parade with their firearms.

The Games were officially opened by the Mayor of Tamworth, Ald. W. D. Bennet, and featured the release of pigeons and hundreds of balloons.

Events were staged on the Sunday at the Tamworth Clay Target Club, with the first event being a 15 Target Double Barrel E/O. Grahame Wyatt, Col Barton and Ross Drain all returned a possible 15/15.

Tamworth Games Double Barrel Championship was the next event, with medals being awarded for 1st, 2nd and 3rd in each grade.

### RESULTS:

**A Grade:** 1st Col Burt 50/50, 2nd Graham Wilson 48/50, 3rd Rex Whitten 47/50.

**B Grade:** 1st Craig Bloxsome 48/50, 2nd Tony Aceti 44/50, 3rd Geoff Walters 43/50.

**C Grade:** 1st Ken Richardson 44/50, after shoot off, 2nd Rod Taylor 44/50, 3rd Greg Darin 39/50.

The Tamworth Games Point Score Championship was the last event for the afternoon.

### RESULTS:

**A Grade:** 1st Col Burt 142/150, 2nd David Menck 140/150, 3rd Col Barton 137/150.

**B Grade:** 1st Roger Vidal 135/150, 2nd Geoff Walters 132/150, 3rd Tom Huggins 131/150.

**C Grade:** 1st Mick Simpson 135/150, 2nd Clem Foster 133/150, 3rd Ken Richardson 124/150.

High Guns were also awarded 1st, 2nd and 3rd in each grade.

**A Grade:** 1st Col Burt 206/215, 2nd Col Barton 197/215, 3rd David Menck 196/215.

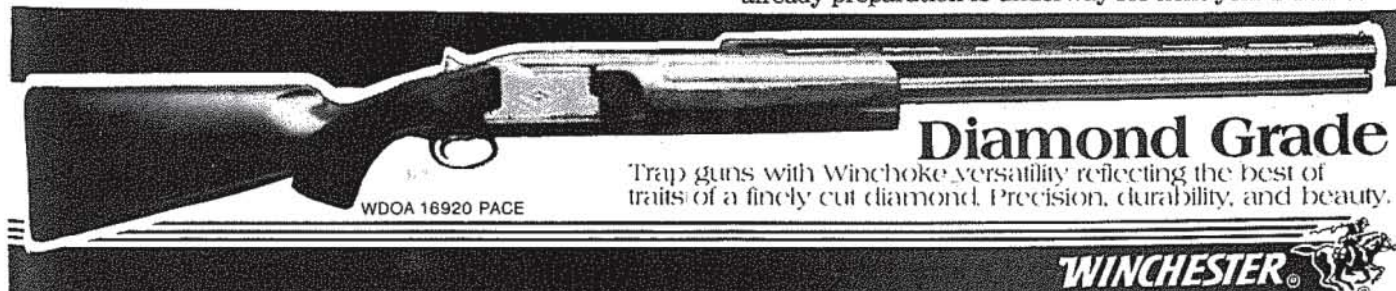

**B Grade:** 1st Roger Vidal 193/215, 2nd Mick Blenman 187/215, 3rd Geoff Walters 186/215.

**C Grade:** 1st Mick Simpson 185/215, 2nd Clem Foster 184/215, 3rd Ken Richardson 180/215.

Mrs Ann Wyatt was awarded a Gold Medal for the best lady shooter and Mark Drain a Gold for the best junior shooter.

The local newspaper presented a trophy and \$250 cash to the person judged to have had the most outstanding performance, each sport being responsible for nominating one person. Tamworth Clay Target Club's nomination was Col Burt, who was awarded the runner-up certificate. The award went to a lady "Archer" who broke two state records over the weekend.

The whole weekend was an outstanding success, and already preparation is underway for next year's Games.

# BRISBANE GUN CLUB ANNUAL SHOOT

The Brisbane Gun Club's Annual Shoot held on 11, 12 and 15th August, was rated the best for years — just how many years is not quite clear as personal estimates vary, but several anyhow. This is a tribute to the endeavours of President, Tom Meadows, his wife Thelma, and Club Captain, Chris Abbott.

● President Tom Meadows congratulates Doug Smith on winning the Exhibition Championship.

Perfect weather, marred only by a sneaky following wind, brought 90 shooters out of wherever they hibernate in winter on each day of the weekend and a further 50 on the Wednesday which, by a stroke of master-planning, turned out to be a public holiday. They came from as far afield as South Australia, Victoria and the Northern Territory.

Renovations to the interior of the Club-house and upgrading of the surrounds — finished just in time with a lot of help from members — added to the tone of the occasion, not to mention the competitors' comfort.

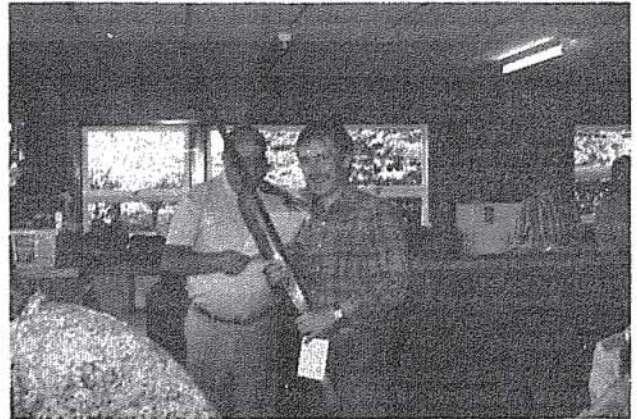

A large and happy crowd of shooters, their friends and families, stayed over on Saturday night for the drawing of the Calcutta and the advertised "hangi". Well, something always has to go wrong, even at the best regulated function, and in the still wet ground, the pig refused to cook. So it was "chicken and Chinese" instead, to the accompaniment of the Whisky River Band duo, Don Wells and Bob Donovan.

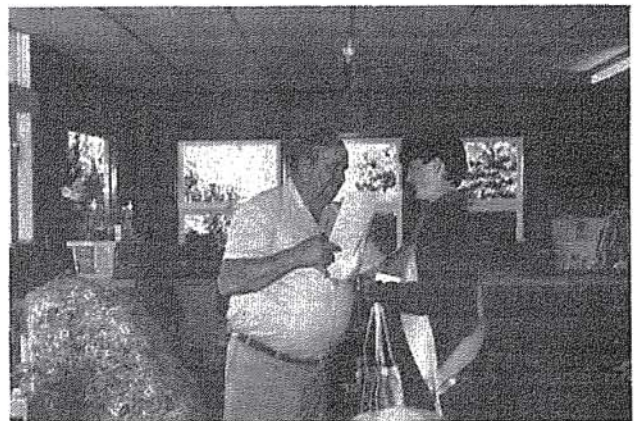

● John Porter collects his trophy from president Tom Meadows.

Considering the difficult wind conditions, which had some targets diving out of sight, scores were exceptionally good, with long shoot-offs being the order of the day. Event winners were Greg Stevens, Doug Smith and son David, Don Connolly in the handicap, John Porter single barrel, and in the Calcutta event David Howe, after a tense shoot-off with Karl Walker. David's win was regarded as especially deserving seeing that he appeared to be the leading contributor to the Calcutta pool. Rumour has it that he got his money back. He also followed up by taking out the 'high gun' trophy for the weekend.

The ladies' 'high run' title went to Edwina Hall; Paul Rehbein took the junior title and Stan Meaney the veterans' — by no means his first. As individual scores are posted elsewhere in this journal, we won't dwell on them here.

● Don Connolly was the winner of the Stevens and Sons Firearms Trophy.

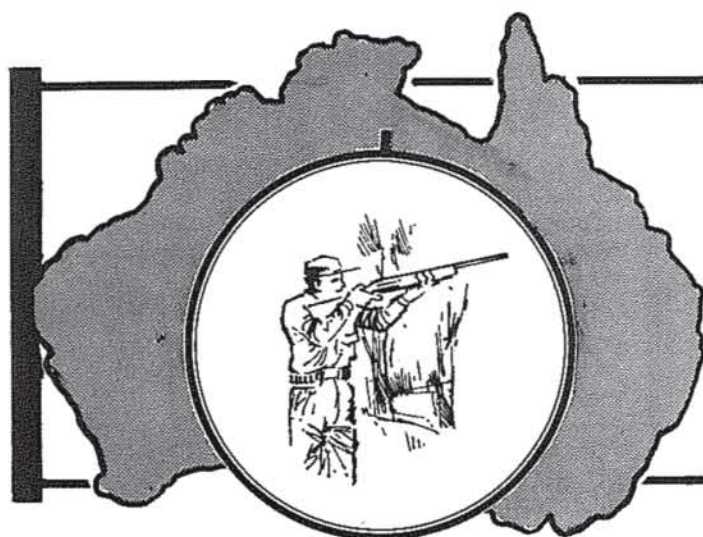

● Tom Meadows presents Edwina Hall with the Ladies High Gun Trophy.

Another pleasing feature of the shoot was the generous sponsorship, in the form of trophies, from firms such as Winchester Australia Pty Ltd, Stevens and Sons Firearms, Alfred Dunhill Ltd, Meadows Transport, International Harvester, and from Campbell Brodribb a long time and honorary life member of the Club, who always puts up the ladies' high gun trophy. Club trophies were, as usual, expertly selected by Mary Evans.

As well, the untiring efforts of the ladies — mostly club members — who manned the servery and provided a menu that was unanimously appreciated, received the thanks which were well due to them. We all know that we can't shoot on bread and jam, don't we?

### CLUB NEWS

#### ILLAWARRA GUN CLUB

The Illawarra Gun Club will be holding a benefit shoot on Sunday, October 28, to assist shooter Peter Young, who became a paraplegic following a diving accident recently. Further details of the shoot can be found elsewhere in this issue.

#### RICHMOND RIVER GUN CLUB

At the recent Annual General Meeting, the following officers were elected for 1984/85 term: President, Frank Pirlo, Secretary, Vaughan Lavelle, Treasurer Ken Howard, Vice President Tom Dowse.

Members would like to wish Ray and Jan Maroske the best of luck upon their move to Queensland in the near future.

#### WAKEHURST GUN CLUB

On August 12, we held our Annual General Meeting where the following Executive positions for 1984/85 were elected: President Ray Cerny, Secretary Bernice Goodwin, Assis. Secretary/Treasurer Bruce Moore, Life Members Gerhard Schreiber and Bruce Moore, Patrons Bonar Knight and Eric Troy.

#### WANGARATTA GUN CLUB

Club treasurer Ian Crockett was elected the new President at a special general meeting held at the Wangaratta Gun Club on July 31, 1984. Past President, Jim Dryden, was forced to resign at short notice as a result of a sudden move. Jim and his wife Pat, very popular figures around the club in recent years, bought a business at Rosebud on the Mornington Peninsula. Both will be missed around the club and best wishes of all go with them.

"Crocco" as he is known, has been around the club for a number of years and his easy going manner is sure to see him successful in his new role. The vacancy created on the committee by the resignation was filled by one of the club's life members in Dick English.

#### ISOLATED CHILDRENS PARENTS ASSOCIATION

The Ivanhoe (NSW) Branch of the Isolated Childrens Parents Association would like to take this opportunity to thank the Griffith Clay Target Club, whose members voluntarily ran a clay target day at a tiny place in far western N.S.W. called Mossiel, to raise funds for our Organisation.

This is the third year in succession that our Branch has had the assistance of the Griffith Clay Target Club, and on behalf of the I.C.P.A. our thanks and appreciation for all the work prior to the day and on the day, goes to Bernice Britain, Keith Sim and their cheerful and willing workers.

Yours faithfully, Naomi Milner.

Allen Graded DB C'ship: A & OA: T. Bouchier 48/48, C. Mills 47/48; B: J. Kelly 25/26, P. Parsons 20/22; C: P. Dunn 20/21, P. Hart 19/20; Ladies: F. Taylor 15/20; Junior: P. Dunn 20/21. Roby Memorial Graded DB C'ship: A & OA: G. Hipwell 133/133, W. Iles 132/133; B: J. Kelly 50/51, R. Rigney 41/42; C: M. Gill 22/25, K. Heinze 21/25; Ladies: F. Taylor 17/20; Junior: W. Vella 19/20.

**KORUMBURRA 28-7-84** — Blowing a gale and pouring rain (24). 25T Ser Skeet: W. Stephenson 25/25, B. Stokes 23/25, R. Sharples 22/25. 25T Balltrap: B. Harner 23/25, G. Kent 25/28, R. Sharples 24/28. 25T SB & 25T DB Combined C'ship: A & OA: A. Sydenham 47/50, C. Carrol 51/58; B: R. Standeven 43/50, K. Calder 41/50; C: D. Hanson 43/50, J. Gordon 40/50. "El Syd" shot extremely well in shocking conditions, shooting the only possible in the 25T DB and a 22/25 in SB to win the 50T Combined C'ship. It was that bad our President didn't turn up, although a carload of nuts from the Peninsula did.

**KORUMBURRA 3-8-84** — Cold & calm (34). 25T SB C'ship: A: R. Mark 26/27, B. Yalden 30/32; B & OA: I. Davidson 27/27, J. Vella 23/25; C: B. McIntosh 23/25, D. Hanson 22/25. 10 Pair DR: T. Birt, J. Chapple, B. Stokes all 19/20. 10 PR DD C'ship: W. Iles & R. Mark 51/51, B. Yalden & A. Mapleson 50/51. 20T DB: 6 possibles. Good to see the Wonthaggi boys having a go, with Ian Davidson taking off the SB C'ship and Brian McIntosh the C Grade.

# DOUBLE TAKE

Diamond Grade™. One look at the dramatic rib design, internationally dimensioned stock and the anatomically contoured trigger will show you this is one serious shooting machine. A whole new breed of Winchester.

Diamond Grade. Take another look. Distinctively engraved frame and carefully

selected American Walnut stock inlaid with ebony diamonds is proof that superior performance can be beautiful. Offered in a wide range of Trap and Skeet models, these are the guns that serious competitors asked for. We listened.

Be sure to see this "jewel" at your local Winchester dealer.
