For full portability, plus full-sized performance, you couldn't ask for more than the Mini Grand. But then, the Good Ol' Boys at Outers wouldn't offer you anything less.

You can enjoy breaking clay birds all alone, almost anywhere. It's compact and weighs only 11 lbs., yet it throws singles and doubles with the best. You get the same distance, speed and spiral of an electric trap. The throwing arm is fully adjustable for angle and elevation. And the spring adjustment is quick and easy. So the Mini Grand can challenge even some full-sized, stationary traps.

You ought to hurry down to your Outers dealer and pick up a Mini Grand today. Because with so much going for it, this is one portable trap that won't sit still for long.

Portable yet powerful, the Mini-Grand's throwing arm is fully adjustable for angle and elevation.

EXECUTIVE DIRECTOR'S NOTES

The Perth Trap Nationals were a great success, despite the fears of some that the lack of facilities at the new complex would cause much inconvenience and discomfort. As it turned out the shooting facilities were excellent, the targets good despite the wind, and the club house completed to the stage where it could be used to house the office staff and provide shelter for shooters and visitors. There is no doubt that when completed the complex will be the premier facility in Australia.

Congratulations to all those people involved in getting the complex to reality. Such was the work that the late Jules Steiner put in over the years that the entrance road to the complex is to be named the Jules Steiner Drive.

★ ★ ★

Many of you will know by now that I have resigned from my position as Executive Director of the Association. I have some regrets that I will not be involved with Clay Target Shooting in the future, as I have made lots of great friends in the four years with the Association.

Thank you to the many people in the sport who have supported me so well, and have made my job a lot easier. It is my wish that despite tighter controls over the use of firearms, you will all be able to continue to treat Clay Target Shooting as a sport and recreation.

Enjoy your shooting,
Ian C. Hill.

AUSTRALIAN DOLLAR VARIATIONS

Some of our Advertisers have asked us to point out that suggested retail prices quoted in some advertisements may be affected by the drop in value of the Australian Dollar since preparation of the copy.

STOP PRESS

Alan Maher, of Mentone, Victoria, has been appointed Executive Director of the Association, following the resignation of Ian Hill.

Alan, 13 years in the insurance industry, has a long history of involvement with the Victorian Football Association as an honorary administrator.

He will commence duties in early June.

EXECUTIVE COMMITTEE REPORT

By Staff Writer

The Executive Committee met in Perth following the Trap Nationals.

Election of Office Bearers & Sub Committees.

Mr Roy Holtfreter of Northam, W.A., was re-elected unopposed as National President as was Mr Laurie Connors of Mildura, Victoria, to the Vice Presidency of the Association.

These two are joined on the Management Committee by Neil Hardy of Townsville, Queensland, and Jim Scott of Dubbo, N.S.W.

Laurie Connors was elected to the International Shooting Committee for a two year term, together with Robbie Smith of New South Wales. This Committee now consists of Bob Buchan, Tim Catling, Laurie Connors, Stan Collins, Robbie Smith and Peter Quire in his capacity as National Training Squad Manager/Coach.

Unregistered Shooters in Competition.

This problem was again discussed by the Executive Committee and it was agreed to highlight the matter again in C.T.S.N. The Constitution and the shooting rules clearly prohibit unregistered shooters taking part in competition at affiliated clubs.

Visit of Chairman U.I.T. Judges Committee.

Hans Kowar, Chairman of the U.I.T. Judges Committee will be visiting Australia in October to conduct courses in Perth, Melbourne and Brisbane. Interested persons will be able to attend these courses at which examinations will be conducted to grant B Grade Judges Licences. Each course will be of three days duration.

Referee's Association.

The Referee's Association has compiled a guide for Referees which when approved will be printed and published in C.T.S.N. This guide will contain much information to help Referees when on the tracks in charge of a squad.

Constitution — Notice of Special Business.

The Executive Committee resolved to attempt to alter the A.C.T.A. constitution so that longer notice of special business for the Annual General Meeting is required. Currently fourteen days is sufficient notice, which does not give Club Committees or State Associations time to consider any special business on the agenda for Annual General Meeting. Twelve weeks (84) days notice is thought to be sufficient to allow all parties involved to fully discuss any special business.

Nationals Dates.

The 1985 Skeet Nationals will be conducted at Melbourne Gun Club from Thursday November 14, to Sunday November 17.

The 1986 Trap Nationals will also be conducted at Melbourne Gun Club from Saturday April 5, to Thursday April 10.

The 1986 Olympic Discipline Nationals will be conducted at Brisbane Gun Club on a yet to be confirmed date, early in February.

WINCHESTER

PERTH TRAP NATIONALS OPEN NEW COMPLEX

The 1985 Trap Nationals were conducted in fine but windy conditions, on the very new W.A. Shooting Complex at Gnangara, twenty-five minutes north of Perth City.

The shooting facilities were first class, but the club house and other facilities are some months away from completion, so there was a little discomfort and inconvenience for the shooters and visitors in attendance.

A cool, and at times quite strong easterly blew right through the week which did not help big scores, however competition for the six National Titles was as tough as ever.

Some new faces showed up on the winner's dais, and as is usual, some previous winners.

SATURDAY APRIL 13

In an impressive ceremony, the complex and the Nationals were officially opened by the W.A. Minister for Sport and Recreation, Mr. Keith Wilson.

State teams to contest the A.C.T.A. Cup were marshalled, and all State flags were raised.

With the draw completed the seven State teams took their places on the tracks for the 6th Interstate Trap Teams Match.

South Australia, represented by Trevor Reschke, Dino Oliviero, Brian Thomas, Craig Bentley, and Denis Lymn, were far too strong, winning by three targets from New South Wales and Victoria on 118/125, and following on Western Australia, Queensland, Northern Territory and Tasmania.

South Australia was narrowly beaten by Queensland the previous year, and all team members were thrilled with the win.

36th Grand Australian Handicap

Entries numbered 371, down on Wagga in 1984 naturally enough, but up on Perth in 1980.

With the easterly wind blowing no one could break all 50 targets. Eight 49s were the best at day's end. The shoot-off didn't last long, soon we had only two shooters left, Mark Green from W.A. Gun Club, and South Australian Executive Member Brian Growden from Bordertown. Growden missed the thirteenth target in the shoot-off, Green shot his and it was all over.

• Mark Green, winner of the Grand Australian Handicap, being presented with the Remington shotgun by John Eddy, of Firearm Distributors.

Staff Writer

Mark Green was thrilled to receive The Gordon Hall Perpetual Trophy, the Remington Shotgun from Firearms Distributors and the Remington Company, the Royal Blue Sash, A.C.T.A. Silver Australia Badge, and Perazzi Trophy, sponsored by Evans & Balfour. Mark won the handicap from 17 metres, has been shooting since 1980, and this was his first big win.

Brian Growden won the A.C.T.A. Silver medal and a Breville Country system for second place. Dick Piotrowski from Cowra, N.S.W. was third, taking the A.C.T.A. Bronze medal and a Breville Super Wizz. Winners of the Hercules powder donated by Fuller Firearms for the metreage groups were: 11-15m Edward Eaton, C.M.T., W.A., 16m Gary Painter, Wagin, W.A., 17m Timothy Steer, Wilkawatt, S.A., 18m Paul Tattam, Moree, N.S.W., 19m Roger Duthie, Hamilton, Vic., 20m Alan Spence, Echuca, Vic., 21m Brian Thomas, Pt. Pirie, S.A., 22-25m Ray McKenzie, Echuca, Vic.

Val Hanson, Metropolitan, Vic., took the Ladies division, Howard Durbidge, Warrnambool, Vic., the veterans, and Timothy Steer, Wilkawatt, South Australia, was presented with a Beretta Royalight Gun Case donated by Winchester Australia.

Cont'd on page 6

• Hank Theunissen, winner of the Double Barrel Championship, receives the Annie Oakley Commemorative Rifle from Bruce Burns, Marketing Manager, Winchester Australia.

SUNDAY APRIL 14

33rd National Double Barrel Championship

Entry 417, 53 up on 1980 in Perth. The wind still gusted from the east, so conditions were not easy. Possibles numbered 52, but soon there were only four shooters left, Hank Theunissen and Arthur Turner from New South Wales, Richard Allen and Andrew Kinnear from Victoria. Richard Allen dropped out at 186, Andrew Kinnear at 218. At 225 targets Hank Theunissen and Arthur Turner refilled their pockets with more shells. It didn't go much longer however, Hank shot his 235th, Arthur missed, and we had a result.

For his win Hank received the J.M. Wilson Perpetual Cup, an Annie Oakley Commemorative Rifle donated by Winchester Australia, the Royal Blue Sash, the A.C.T.A. Silver Australia Badge, and the Perazzi Trophy, sponsored by Evans & Balfour.

Arthur Turner, Cobar, N.S.W., topped AA Grade, winning the A.C.T.A. Gold medal and a dinner set. "A" grade was won by Dick Burton, Geraldton, W.A., "B" grade, Bruce Webb, Morwell, Vic., and "C" grade, C. Hayward, Terranora, Queensland.

Charley Holley from Kojonup, W.A., topped the Veterans Division with his 46/50.

The 5th Australian Women's Double Barrel Championship was run in conjunction with the open event.

After missing her very first target, Faye Taylor from Kerang, Victoria, shot the rest to win outright with 49/50. In a shoot-off for second and third, Gaye Shipp, W.A. Gun Club, was successful from June Roach, Bunbury, W.A.

For her win Faye received the June Gawith Perpetual Trophy, and a 17-piece coffee set donated by Katanning Clay Target Club, the Royal Blue Sash, and the A.C.T.A. Silver Australia Badge.

Also shot in conjunction with the open Double Barrel was the 5th Australian Junior Double Barrel Championships.

Winchester Australia, as part of their great support for Junior competition, sponsor this event each year. For the winner was a Beretta 680 Trap Gun and Case, the Royal Blue Sash, and the A.C.T.A. Silver Australia Badge. Two Victorian Juniors, Brett Dunstan from Kerang, and Paul Drennan, Nepean, had shot the possible, Brett winning the shoot-off with 54/54. In third place was Julian Kean, St. Helens, Tasmania, 40/50.

MONDAY APRIL 15

31st Australian Single Barrel Championship

Still the wind blew from the east, but skies were clear. Entries at 336 were again up on 1980. No possibles at the end of the day, but seven 49s shot off for the title. In no time at all just three were left, Pud Burgess, Denis Lymn, and Rex Varley. Denis missed the tenth shoot-off target, Rex the thirteenth, leaving Pud the winner of the W. Rainbird Cup, a Colour T.V. kindly donated by Phillips Electrical Industries, the Royal Blue sash, the A.C.T.A. Silver Australia Badge, and the Perazzi Trophy, sponsored by Evans and Balfour.

Grade winners received Bar Fridges, again donated by Phillips. In "AA" grade Rex Varley won with 61/63, the "A" grade winner was John Eddy 56/58, "B" grade Bruce Webb, and "C" grade Anthony Woods.

Shirley Hocking from Geraldton, W.A. topped the Ladies division with 43/50, Ken Cross, Gemfields, Queensland, the Veterans, and Junior division winner was Rohan Penn, Echuca, Victoria with 46/50. Rohan received a Beretta Royalight Gun Case, courtesy Winchester Australia.

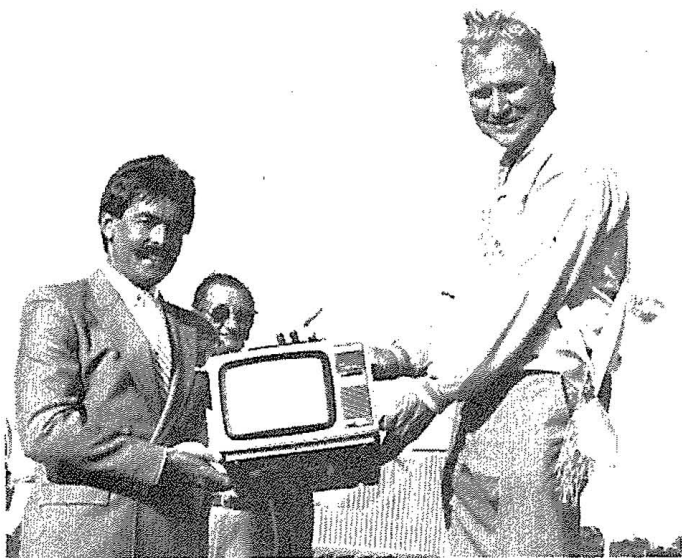

TUESDAY APRIL 16

Australia-New Zealand Trap Championship

The last chance to do well and make the team to shoot the Mackintosh Trophy Match. Entries 339, just up on the 330 of 1980. Three "AA" graders had the possible 150 points at the end of the fifty targets. They were Jim Shepherd, Maryborough, Victoria, Bill Stevens, Ipswich, Queensland, and Greg Scott, Wanganui, New Zealand.

In the shoot-off Jim Shepherd pulled a second on his second target, Bill Stevens missed his third clean, and Greg Scott shot the three Single Barrel to win.

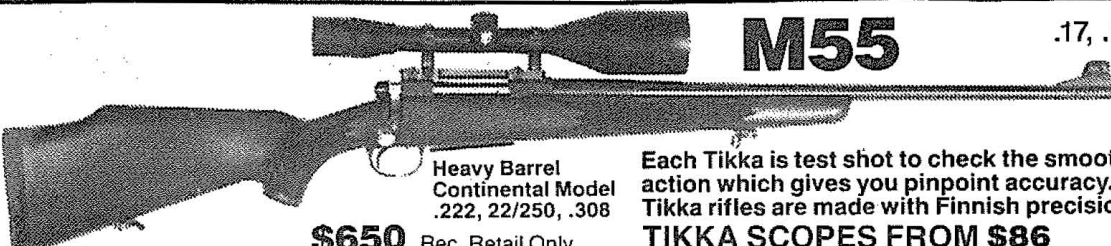

Greg was delighted to receive the Kable-Smith Perpetual Trophy, The Franchi O/U Shotgun from the Franchi Dealers of Australia, the Royal Blue Sash, the A.C.T.A.

As the first New Zealander to win the Australia-New Zealand Trap Championship, Greg was also presented with a Miroku O/U Shotgun kindly donated by Fuller Firearms. This trophy has been on offer for 23 years.

Best in the grades were "AA" Bill Stevens, Ipswich, Queensland, "A" grade Laurie Hull, Katanning, W.A., "B" grade Michael McGill, Mt. Isa, Queensland, and "C" grade David Browning, Salmon Gums, W.A.

Vickie Deeley, Gemfields, Queensland, was best of the Ladies, A.J. (Chub) Smith, Ballandean, Queensland, the Veteran Division winner, and Paul Drennan of Nepean, Victoria, was presented with a Beretta Royalight Gun Case courtesy Winchester Australia, for his win in the Junior Division.

The Allan Brown Teams Match was run in conjunction with the Australia-New Zealand Trap Championship, for club teams of five shooters. The winning team was from New South Wales with a score of 727/750. The team was made up of James Smith, Barry Kable, Robbie Smith, Hank Theunissen, and Ross Beer. In second place were Echuca Gun Club and third W.A. Gun Club.

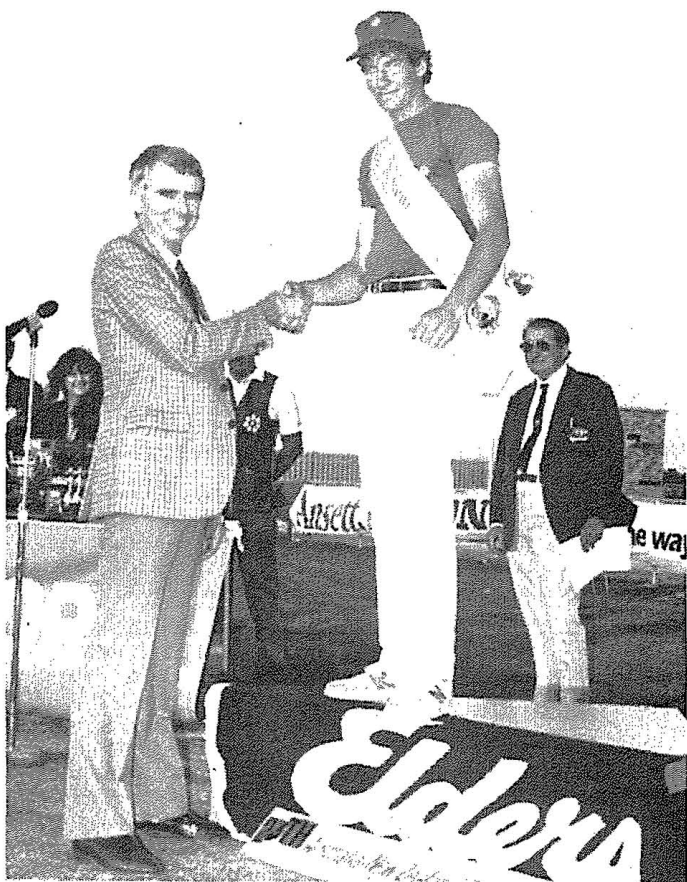

The Glenn Cup match between Australia and New Zealand concluded Tuesday's program. It resulted in a tie, both teams shooting 115/120. Representing Australia

were Jim Shepherd, Bill Stevens, Arthur Turner, Denis Lymn, Murray Alexander, and Neil Berry.

WEDNESDAY APRIL 17

Mackintosh International Teams Match

Eleven points down made the team, four worse than Wagga in 1984. The wind was still a problem, and the scores were not good, in fact 102 points worse than 1984. The scores have been sent to England and will be announced at the banquet which follows the Home Countries International in Scotland in July.

Doug Smith from Queensland high gunned the team, winning the coveted J.M. Bauman Gold Cup, the A.C.T.A. International High Gun Medal, the Silver Australia Badge, and the High Gun Sash. Doug pulled a second on this sixteenth target, and shot the rest single barrel for 299/300.

The Ladies International Team comprised Vicki Deeley, Queensland, Faye Taylor, Victoria, June Roach, Western Australia, Margaret Slee, Western Australia, and Thelma Meadows, Queensland. High Gun was Margaret Slee of Albany, W.A., with 287/300.

The Junior International Team was made up of Paul Drennan, Victoria, Rohan Penn, Victoria, Timothy Steer, South Australia, Brett Dunstan, Victoria and Julian Kean, Tasmania. Timothy Steer high gunned the team with 287/300, and was presented with the Carlisle and District Gun Club Perpetual Trophy.

• Doug Smith, High Gun of the Mackintosh International Team, accepts the coveted J.M. Bauman Gold Cup from National President Roy Holtfreter.

25th Australian Double Rise Championship

Entries totalled 258 in this difficult event. Good scores were scarce, but from squad 14 came a 46/50, from Junior shooter Rohan Penn, Echuca, Victoria. This was still the top score at day's end so Rohan had won outright. He was the first Junior to win a National Championship since Russell Mark won the Double Barrel, also in Perth in 1980.

For his win Rohan received the J.M. Tyquin Perpetual Cup, a Breville Icecream maker, donated by Cadbury Schweppes, the Royal Blue Sash, A.C.T.A. Silver Australia Badge, and the Perazzi Trophy, sponsored by Evans and Balfour.

Cadbury Schweppes also sponsored the grade trophies, and Kenwood Chefs went to Kevin Perkins in "AA" grade 65/70, Bill Turner in "A" grade 67/80, John Haw "B" grade 44/50, and Joe Coci "C" grade 39/50.

Vicki Deeley beat the Ladies with 40/50, Jack Harker the Veterans on 37/50, and a Beretta Royalight Gun Case, went to Rohan Penn as top Junior.

• Lee Boyd, Cadbury Schweppes, congratulates Rohan Penn after his victory in the National Double Rise Championship.

We had four couples in the shoot-off, all scored 19 in the event. They were mother and son, Michelle and Clint Alexander, W.A., father and son Pud and Victor Burgess, N.S.W., husband and wife Kevin and Doreen Sylett, Tas. and father and son Stan and Alex Collins, Vic.

Kevin and Doreen Aylett dropped the eighth pair in the shoot-off, and Pud and Victor Burgess the eleventh. The Alexanders and the Collins' then settled down to some very good doubles shooting and it was the 58th pair before the Alexanders missed, leaving Stan and Alex Collins from Bairnsdale, Vic., the winners.

The Executive Committee thanks **Commercial Marketing Company of Sydney** for their sponsorship of this match.

Wednesday's program concluded with the **11th International Trap Teams Match**.

Australia defeated New Zealand in this match shot over 50 targets. Representing Australia were Hank Theunissen, Arthur Turner, Bruce Webb, Richard Allen, and Andrew Kinnear.

THURSDAY APRIL 18

45th Champion of Champions Cup

75 targets in all, 25 Double Barrel, 25 Single Barrel and 25 Points. Still the wind blew, so no possibles. The best were 123/125 from Arthur Turner, N.S.W., and Peter Quire, the National Coaching Director, from South Australia.

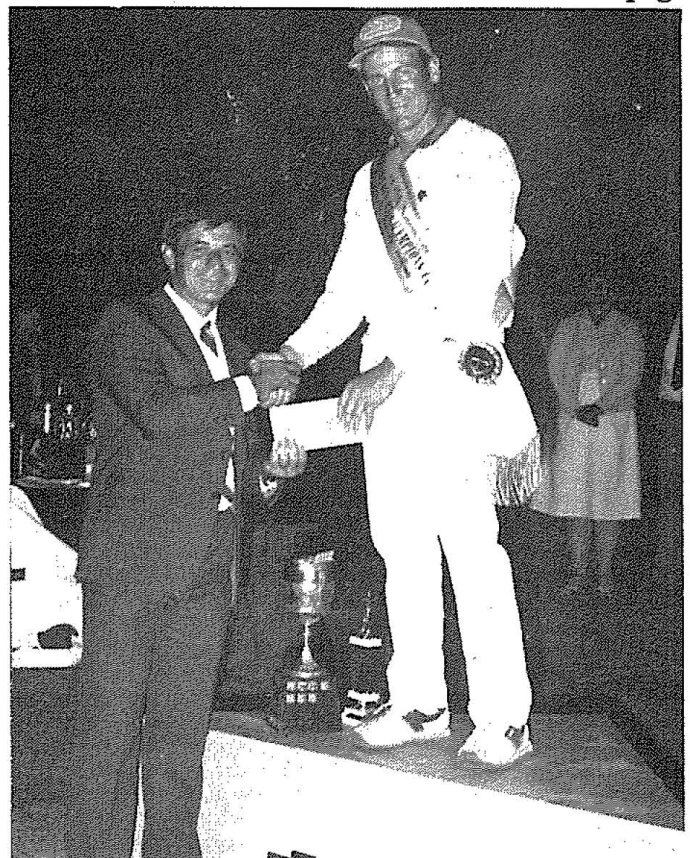

In the shoot-off over five of each type of target in the medley, Arthur missed a single barrel and pulled a second in the points, while Peter dropped three of his single barrels, giving victory to Arthur Turner by a point 145/150.

For his win Arthur was presented with the Mackintosh Perpetual Cup, a ticket for two to anywhere in Australia donated by Ansett, the Royal Blue Sash, the A.C.T.A. Silver Australia Badge, and the Perazzi Trophy, sponsored by Evans and Balfour.

Grade winners received Hoover Vacuum Cleaners, kindly donated by Sergio Zuffo of Olimpyc Targets. These went to Peter Quire "AA" grade, Stuart Johnston "A" grade, Ken Selwood "B" grade and Jon Dyas "C" grade.

The Ladies Division was won by Doreen Aylett, Veterans Ken Cross, and Julian Kean won the Junior division and the Beretta Royallight Gun Case, donated by Winchester Australia.

The six days of competition were over and a successful Nationals had been completed. Full marks to the Organising Committee headed by W.A.C.T.A. President John Eddy, Tournament Director Murray Alexander, Office Manager Greg Melvin, State Secretary Michelle Alexander, Shoot Marshals, Office Staff, Handicapper, and all who assisted.

High Gun trophies were presented as the light began to fade and calm descended on the shooting complex.

Arthur Turner Jnr., from Cobar, N.S.W. took out the Overall High Gun with 457/475. He received the Newton Thomas Perpetual Trophy, the Ron Porter Remembrance Trophy and replica from Mrs. Muriel Porter, and the **Browning B.2.G.** shotgun from F.N. Sports and Australian agents **Fuller Firearms**. This was Arthur's second Trap Nationals High Gun, having won in Adelaide in 1983.

The "A" grade High Gun went to Bill Turner of Goondiwindi, Queensland, 467/501, "B" grade Junior shooter Paul Drennan, Nepean, Victoria 479/527, and "C" grade to David Browning, Salmon Gums, W.A., 418/475.

Vicki Deeley, Gemfields, Queensland took The Eley Perpetual Trophy and a beauty case presented by Mrs. Kath Holtfreter, wife of the National President, for Ladies Overall High Gun with a score of 414/475.

Ken Cross, also from Gemfields, Queensland, received the Val and Fred Horton Trophy for the Overall Veterans High Gun with 398/475.

The Bill Iles Perpetual Trophy and case of shot shells donated by **Winchester Australia**, went to Rohan Penn, Echuca, Victoria, for the Junior High Gun with a score of 439/475. Paul Drennan, from Nepean, Victoria, took the Everett/Attwood Junior award for the best aggregate over the Double Barrel, Single Barrel, and Points event with 236/250.

The Cec Herbert Veterans award for the aggregate over the same events, was won by John Harker, Cosgrove, Victoria, 217/250.

Jim Medway from Gunning/Dalton, N.S.W., was again the winner of the trophy for the oldest competitor at the Nationals, donated by Val and Fred Horton. Jim was in a wheelchair but still shot the Double nad Single Barrel events. He will be 94 in a few weeks.

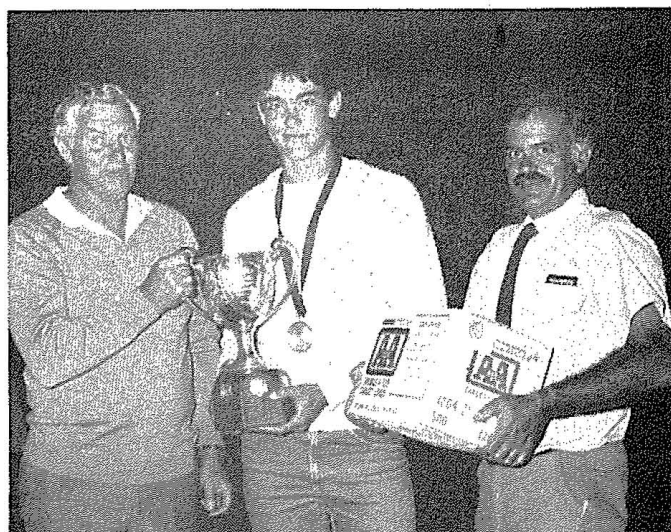

The Association's Presidential Medals were presented to Len Bird, of Forster, N.S.W., and A.J. (Chub) Smith, of Ballandean, Queensland. Both men have put over 20 years of their lives into Clay Target shooting and are worthy recipients of the Association's highest award.

A great surprise to the recipient, was the presentation to Ian Hill of a Seiko Quartz Clock. Hilly leaves the Association at the end of May.

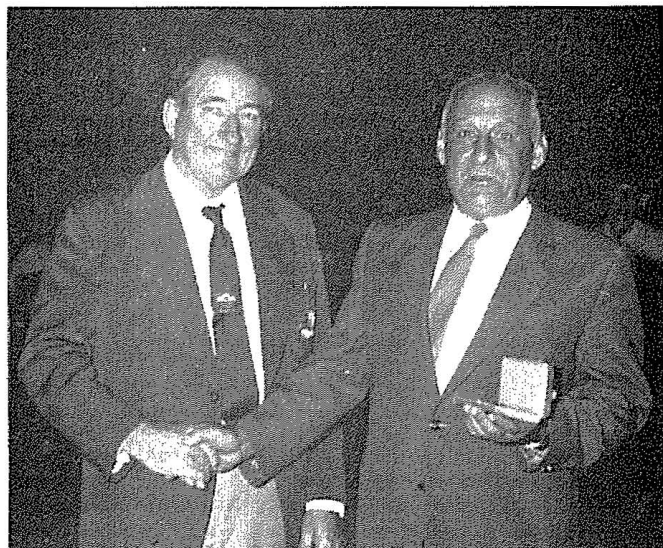

And so it was over for another year. The Organising Committee had done a top job attracting sponsorship from so many companies.

Heading the list were the **Winchester Division of Olin Australia** for their sponsorship of the Double Barrel, Junior Double Barrel, and Junior Divisions of all championships. In addition they supplied shot shells for the Mackintosh Team, and Ladies and Junior International Team Shoots.

Fuller Firearms had supplied metreage trophies for the Handicap, the **Miroku O/U Shotgun** won by Greg Scott in the Points, and as agent for F.N. Sports, the **Browning B.2.G.** for Overall High Gun.

● Rohan Penn is presented with the Bill Iles Perpetual Trophy by Peter Quire, while Lex Shipp hands over the case of shells donated by Winchester Australia to the Junior High Gun.

● Len Bird, Forster, N.S.W., receiving his Presidential Medal from National President Roy Holtfreter.

Firearms Distributors and the **Remington Company** donated the **Remington Shotgun** as first prize in the Handicap, **Franci Dealers of Australia** donated the **Franchi O/U** as first prize in the A.N.Z. Points, and **Katanning Clay Target Club** donated the 1st place trophy for the Women's Double Barrel.

Phillips Electrical Industries sponsored the Overall, Grade Winners, and Veteran trophies in the Single Barrel and **Cadbury Schweppes** did likewise in the Double Rise Championship.

Ansett kindly donated the overall trophy for the Champion of Champions, and **Sergio Zuffo and Olimpye**

THE WAY IT WAS

By George Biggs

The year was 1956, it was Australia's Olympic Games year in Melbourne. It was also Australia's first attempt at Olympic Clay Pigeon Shooting.

The Melbourne Olympic Games was a great boost to Australian Clay Target Shooting. We fielded a two man team in International Trench shooting for the first time in our history. The event was staged at a specially prepared ground at Laverton Air Force Station over a three day program.

Our Australian Team of two shooters was selected after a simple process of elimination. Firstly, all States were requested to use their interstate teams match of 100 Targets as a qualifying round.

The Executive Committee agreed that a 200 Target elimination event would be staged and the two highest scores would be Australia's Olympic representative. The event would be shot over two days. The nomination fee to take part in the elimination would be five pounds — ten dollars. The earlier decision of the Executive Committee, that the ten High Guns in the 1956 interstate teams match from the States, Victoria and New South Wales, the top eight in Queensland, top four in Tasmania and the top two in South and West Australia. A total of 36 shooters would be eligible to shoot in the elimination for the games, was confirmed.

The games elimination shoot would take place at Laverton, over the new Olympic Trap ground.

A shoot to follow the Olympic Games was comprised of

the Southern Hemisphere championship, also at 200 Targets, and the Worlds Grand Handicap.

The title event to be shot over automatic traps from 18 yards. The Handicap event to be five hundred pounds—\$1000, nomination to be ten pounds—\$20, to be divided 60%, 30%, 10% and shot at 100 Targets over two days if necessary. The Friday and Saturday following the games shoot was the period allocated for the Southern Hemisphere championship and the Handicap. Trophies for the Championship were a "K" Grade Browning for the winner, and a "D" grade Browning U/O for second, third to receive an "A" Grade Browning.

Date for the elimination contest under Olympic conditions was set down for October 6 and 7. Practice was available on the ground over October 3 and 4, from 1.30pm each day.

When the smoke cleared after the elimination trials, two Melbourne shooters emerged to become Australia's representatives for the 1956 Olympic Games. They were Clem Mudford and Jack Bryant with scores of 173 and 187. J. Harris of Cunderdin W.A., tied with Clem Mudford with 173 but was eliminated in a further 25 targets.

Fine but windy weather prevailed throughout the games shooting. 32 International shooters took part in the event that went over three days, 29th-30th November, 1956. G. Rossini of Italy went to the front from the beginning and stayed there right through, finishing with a score of 195/200. Second place went to A. Smelczysnki of Poland, score 190/200, followed by A. Ciceri, Italy, with 188/200.

Australia's Jack Bryant finished 9th place with a score of 176/200 and Clem Mudford came in 20th place with a score of 164/200.

In all fairness to our Australian shooters it must be mentioned that up to three weeks before the games, none of our shooters had the opportunity of shooting over Olympic Trench. Added to this handicap was the ruling by our Olympic Games Federation that stated people were employed in the firearms and ammunition trade — they must be considered as professionals and so were unable to compete. Because of this ruling those of us so engaged were not permitted to compete — it was a stupid rule really because no other Country throughout the world was so restricted.

It was because of this rule that Australia dropped out of I.S.U. shooting, only coming back in 1974 when a more realistic policy was instituted by Olympic Federation.

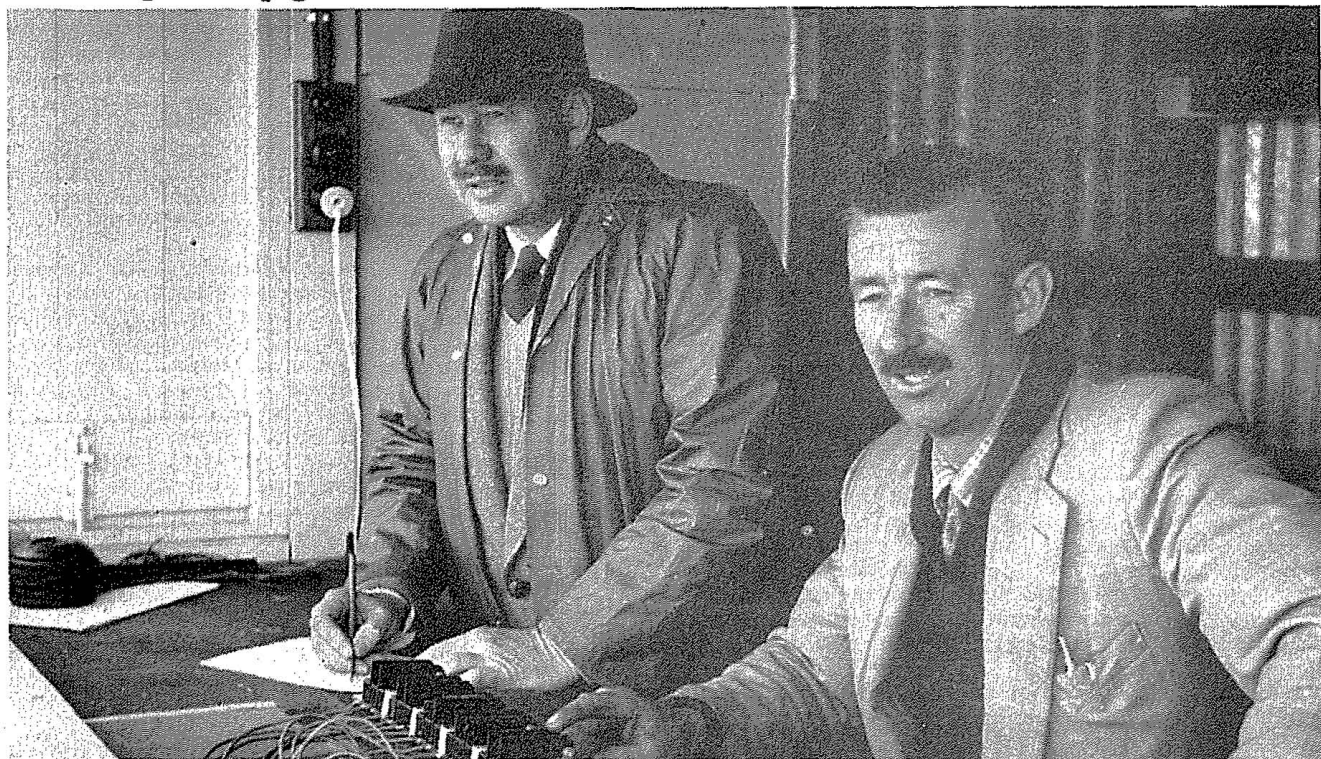

CONTINUED NEXT MONTH.

Front view of the one trench ground layout. Picture shows targets being test thrown for height and distance. I.C.I. Ammunition Co devoted much time and effort to the

development of a target that would stand the strain of being thrown from Olympic traps up to 75-80 yards (our normal target is thrown 50 yards).

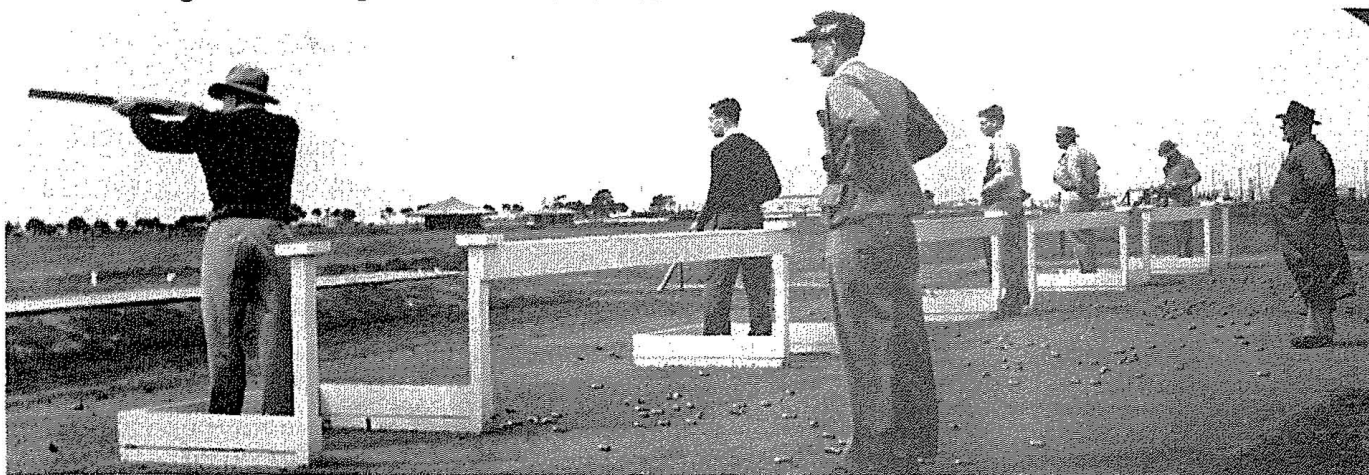

Cont'd from previous page

Testing the newly installed equipment. Eddie Brenk the man responsible for the installation of all the intricate electrical work and sound equipment. Picture shows Eddie and Newton Thomas working the Scrambler at a practice day in preparation for the big event.

It should be remembered that prior to 1956 games we had absolutely no knowledge of Olympic Trap shooting, let alone how the ground and traps should be installed. So

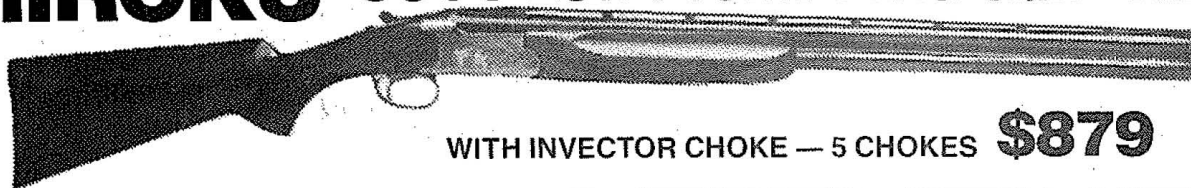

when the traps and electrical equipment landed on our doorstep we were on our own. We did however get a manual of installation instructions, unfortunately this was printed in Italian. An extensive amount of organization went into the preparation of the ground at Laverton R.A.A.F. Station. Much of the work was very involved and a great deal had fallen to the lot of a few association Executive Members and assisted by I.C.I. Ammunition Co.

Shows the closed in firing position for each shooter. Shooters on the firing line are interstate competitors at a practice day prior to the main elimination event.

In most cases this practice shooting was their first crack at Olympic Trench shooting. Doug Smith, Queensland, can be seen third from the left.

RESIGNATION OF EXECUTIVE DIRECTOR

Most of you will know by now that our Executive Director Ian Hill resigned his position with us late in March effective from the end of May.

On behalf of Management, Executive Members, Staff and you our shooters, I wish to publicly commend Ian for the input he has given to this Association. Although a paid member of our staff you should be aware that the nature of the job is such that it causes a considerable disruption to home life and sporting activities, apart from Clay Target Shooting. He came to us as a bowler but I doubt very much he has had a game since.

Ian had no trouble in the management of the A.C.T.A. office but having no journalistic training had some misgivings about the editing and production of the C.T.S.N. As you know the result was a gradual improvement to the extent that we have a satisfactory journal that caters for our particular needs.

He also represented us well at government level, on various committees and delegations, and having been with us since 1981 it is with regret that your Executive accepts his resignation, but he leaves with our best wishes and the hope that he is successful in his new venture.

Re: Interpretation of Refusal.

Dear Ian,

I would like to make a few comments on the Interpretations of Rules printed recently in the C.T.S.N., April '85 issue, page 12. Firstly though, I state emphatically that I do not make or direct criticism to the Rules Committee or The Referee's Association.

I, from experience, realise and appreciate the time and effort put in to formulate rules etc.

After reading the Interpretation of the Refusal Rule, I must admit I was a little disappointed.

The right to refuse a target, under the reasons, set down in the rules, without penalty, is fair enough.

The advice to referees not to call "no target" to targets other than "broken targets" or the "wrong number of targets" being released could be stretching the "equity of competition" a bit too far.

It still leaves the occasional target (illegal), which when shot at under the interpretation as being acceptable, is easy points for that particular shooter, and therefore, NOT equitable in competition, to all, unless received by all, which we cannot guarantee.

If the rules say it is a no target and it is refused on or for those reasons, O.K. But if it is an obvious "no target", although may be still acceptable, a chance for an easy point, the referee should still have the right to call no target whether the target has been shot and broken or not.

The decision of "no target" should remain with the referee at least for equity of competition's sake.

Yours faithfully,

Geoff Williams.

N.S.W.C.T.A. BULLETIN

— JUNE

The Perth "Nationals" are now a memory and, as President of the NSWCTA, I am very proud of the performance of the NSW contingent.

We had 56 shooters at the Nationals and 10 were successful in shooting their way into the Macintosh team — a very good result — also NSW shooters were 1st and 2nd in the National Double Barrel; 1st and 2nd in National Single Barrel; 3rd in the Handicap and; 1st in the Champion of Champions and 1st in the Overall High Gun.

My congratulations to all the NSW boys on their performance.

VOLUNTARY WORKERS INSURANCE

Once again — we advise that all clubs who do not register their voluntary workers are placing the club and themselves in jeopardy.

Should a person be injured and negligence is proven, the club is held covered **provided** the voluntary worker is registered. If the person is **not registered** the club may be held liable or each member may (in some cases) be held liable.

All that is required of each club is to advise the ACTA of **ALL** voluntary workers and keep it up to date every month — voluntary workers are the girls in the kitchen etc. — in fact, everyone who does anything around the club and does not receive any payment for it.

Please protect your members interests and advise the ACTA now.

CLUB FACILITIES

I realise that most work at most clubs seems to be the responsibility of a few keen supporters. Having had 30 years experience of travelling to many clubs, I wonder what would happen if these keen workers decided to "sit down" — I feel that, running a club is similar to running a business, and must be accepted as such — businesses put their best foot forward to attract customers and clubs that follow this example receive better patronage from shooters.

Some clubs who advertise open Championship shoots do **not provide meals (or put on a cold pie)** and do not use a shoot marshall to keep things running smoothly. Remember, if a shooter enjoys a good meal and is impressed by a well run shoot he will most probably return; if not, he will go elsewhere. I have experienced this myself so — from an old shooter — make every effort to entice shooters to your club — every nomination is "fruit on the sideboard" and it's all up to each individual club committee.

A THOUGHT:

"When the time comes that you cannot laugh, That is the time when you cease living."

PROGRAMS & RULES

Nearly every month we find a club advertise a program that is not according to the rules. I would ask all club secretaries to carefully read the rules applicable to any championship **before** they send in the advertisement to the "News".

Rule 2.9 (a)

This rule reads: (a) All handicap sweepstakes events will be shot compulsory divisions with a maximum nomination of \$5.00 — No handicap penalty to apply.

In explanation — the above applies when a nomination of \$5.00 or under is effective; should a nomination of more than \$5.00 be effective then handicap conditions do apply. Club committees please take note.

BIRDIES PROVERB:

"A quitter never wins; a winner never quits".

Good Shooting,

Len Bird.

EDITOR'S MAILBOX

Dear Ian,

I am in total agreement with Tim Catling's comments on a possible reduction in the amount of Double Barrel shooting, and more emphasis being placed on Points Score, Single Barrel and also Double Rise events. I would like to suggest also, that there be a reduction in the distance the targets are thrown for such events (Points, Single Barrel and Double Rise). The same shooter would probably still win the events, but the average, or less than average shooter, would certainly be more encouraged by his results. At the moment, most Clubs shooting these events throw the targets too hard, and too wide and this only discourages shooters from shooting these type of events and makes them favour Double Barrel as they feel they have more chance of breaking more targets with two shots. The average, or less than average, shooter hasn't a hope in hell of winning Double Barrel events and he hasn't the ability (nor probably the physical endurance) to monotonously break the hundreds of targets possibly required. Not so in Points Score, Single Barrel or Double Rise. Their chances of winning is greater as the physical stamina is not needed, and the skill factor being more important.

Because Double Barrel would probably be 80% or more of the total events contested by the average shooter, most have a fear of the other types of events i.e. Points Score, Single Barrel and Double Rise. Consequently when they have to shoot in them, they start off with a negative approach, remembering their past performances, they then freeze up and shoot in a different manner, usually with much poorer results. This discourages them and they certainly do not look forward to their next encounter. This is where "easier" angles and targets take over to overcome the discouraging aspect. Their score will improve and they will then start to look forward to these type of events, with the resultant benefits to Clubs, shooters, and to the sport.

I do not agree with Les Johnston's (letter, April 1985) suggestion that Championships be turned into handicaps. (We already have handicaps which are becoming increasingly unpopular.) A Championship is an event in which all competitors compete on a common mark. The **OVERALL WINNER** is the holder of the Championship and is the Champion, having beaten allcomers on the same mark!!

A shooter with the skill and ability to break targets with his first barrel is to my mind much better to watch, than is one who frequently makes mistakes with his first barrel and then has to rely on breaks with his second.

I do however agree that an incentive is needed in the present grading system, perhaps in the form suggested, to get **some** shooters to move up through the grades in common mark events.

As the system stands, there is practically no reason for the majority of shooters in "B" or "C" grades to move up to a higher grade, as at most Clubs they get the same trophy as the overall winner, and sashes as well. I think this is wrong, and it retards improvement. Some shooters don't believe they can win Overall, so they remain in the lower grades where they get the same trophies (and also a sash) as the Overall Winner, without having to shoot the scores required to win. As a result of this, the lower 95% of shooters in the lower grades get discouraged as they cannot win anything.

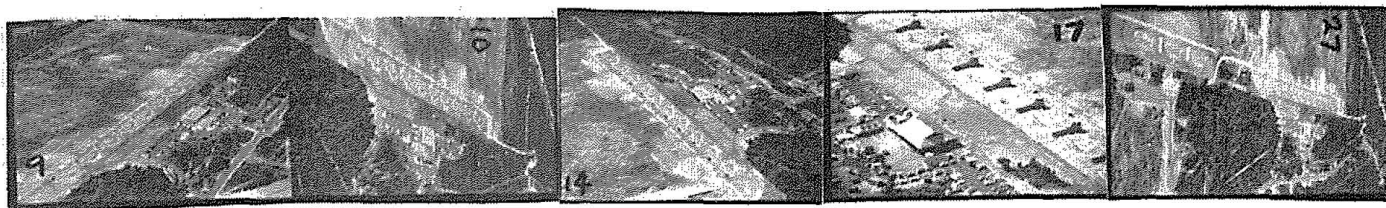

I believe, the only sash in the event should go to the Overall Winner. There are so many sashes presented these days, that the prestige of winning has been greatly eroded.

Hoping these comments achieve the desired result, of stimulating some thought in the areas covered.

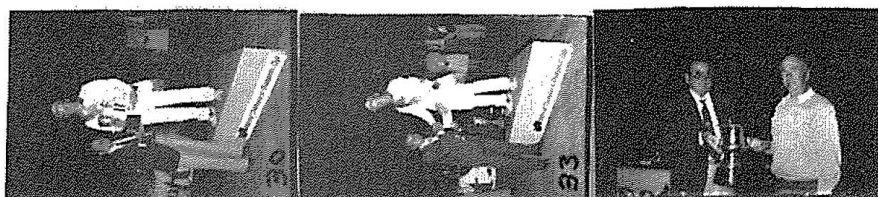

Yours sincerely,

Neil Berry.

DOUBLE TAKE

Diamond Grade™. One look at the dramatic rib design, internationally dimensioned stock and the anatomically contoured trigger will show you this is one serious shooting machine. A whole new breed of Winchester.

Diamond Grade. Take another look. Distinctively engraved frame and carefully

selected American Walnut stock inlaid with ebony diamonds is proof that superior performance can be beautiful. Offered in a wide range of Trap and Skeet models, these are the guns that serious competitors asked for. We listened.

Be sure to see this "jewel" at your local Winchester dealer.
